"Immensely the Largest Stock."

¶ We aim to make the choosing of Home Furnishings an easy task. Our stock is so arranged that the least possible time is required to choose any particular article.

¶ The Wall Paper Department, the Carpet Department and Drapery Department are located side by side on one floor. *Consider how easy it is by this arrangement to have all colors harmonize.*

¶ Another very important move to make Furniture selection a pleasure is our newly constructed and beautifully appointed suite of rooms. Each room is furnished to appear just as it would in your own home, with the proper Furniture, Carpet, Wallpaper and general decoration.

¶ Every price in our establishment is marked in plain figures, which is another big help to the purchaser.

¶ Our business is Home Furnishing, *and we know it in all its branches.* We study the wants of our clients and we offer suggestions to attain highest results. Do not hesitate to ask our advice, and by all means pay us a visit of inspection.

¶ Remember also that we are always prepared to open a **credit account** with a reliable buyer. Our credit system is unquestionably a money saver to the credit buyer, the plain figure prices guarding against all exorbitant profits.
