Medicine for Spring

To purify the blood and cleanse the system use Dr. A. W. Chase's Kidney-Liver Pills.

All winter poisons have been collecting in the system. Spring, the indigestion, the pains and aches, the discouragement and despondency. The poisons can only be eliminated by the healthful action of kidneys, liver and bowels.

Dr. A. W. Chase's Kidney-Liver Pills promptly collect the poisons, and quicken the liver and kidneys in their work of filtering poisons from the blood.

The blood cannot possibly be purified except by the action of the liver and kidneys—hence more poisons and purgatives do not accomplish the desired result.

Dr. A. W. Chase's Kidney-Liver Pills ensure prompt action of the bowels, but do more than that—they restore the healthful and vigorous action of the liver and kidneys.

For this reason they are the greatest of spring medicines and are bound to do you good. One pill a dose, 25 cts. a box, all dealers or Dr. A. W. Chase, Bata & Co., Toronto, Ont. Portrait and signature of A. W. Chase, M.D., the famous Kidney Doctor, on every box.

A Friend in Need—Always with You.

WHEN you have Heartburn, Colic, Coated Tongue, Sour Stomach, Acid-ripping throat, Gas-belching, or an Incontinent Cold, take a Cascaret. Remember, all these are not merely Discomforts, but indications of a serious Cause.

Nip them in the bud—eat a Candy Cascaret. Cascarets don't purge, nor punish the stomach like "Bile-driving" "Physics." They act like Exercise on the Bowels. Muscles that propel Food, and that squeeze the Natural Digestive Juices of the body into Food.

Cascarets ward off, or cure, the following diseases:

Constipation, Biliousness, Indigestion, Dyspepsia, Torpid Liver, Appendicitis, Colic, Worms, Piles.

Bad Breath, Headache, Diarrhoea, Flatulence, Jaundice, Nausea, Vertigo, Pimples, Blotches.

In such cases a little Cascaret in time is worth fifty dollars worth of Treatment later on, to say nothing of the suffering, discomfort, loss of Business Energy, and loss of Social Sunshine it saves.

Headaches, Heartburn, Gas-belching, Acid-ripping in the throat, and Colicky feelings are sure signs of bowel trouble from food poisons, and should be dealt with promptly.

One Cascaret will stop the coming trouble, and move on the Bowel load, if taken at the first signs.

Don't fail to carry the Vest Pocket Box of Cascarets with you constantly.

All druggists sell them—over ten million boxes a year.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."

Anty Drudge's Horrible Dream.

Anty Drudge—"Mercy sakes! I'm glad there's no danger of that dream ever coming true. I dreamed there was no such soap as Fels-Naptha and I had to wash clothes in the old way of boiling in hot water with ordinary laundry soap and hard-rubbing. Nothing could be more awful."

Fels-Naptha has changed everything on washday.

Instead of a hot fire, little or no fire.

Instead of boiling, just a short soaking in cool or lukewarm water.

Instead of steam and smell through the house, no steam nor odor at all.

Instead of all day over the wash, a half day.

Instead of hard-rubbing, only a little rubbing.

Yes, Fels-Naptha has completely changed washday!

Fels-Naptha is imitated but not duplicated. You are sure of the genuine if you insist on the red and green wrapper.

A Boon to the Bilious

Are you compelled to deny yourself many wholesome foods because you think they make you bilious? Do you know that your condition is more to blame than the foods? Your liver and stomach need attention more than the diet. When you find yourself suffering with a bilious attack, take

BEECHAM'S PILLS

and all annoying symptoms will soon disappear. They settle the stomach, regulate the liver and exercise the bowels. Their good effects are felt immediately. Beecham's Pills mingle with the contents of the stomach and make easy work of digestion. The nourishing properties of the food are then readily assimilated and the residue carried off without irritating the intestines or clogging the bowels. Beecham's Pills should be taken whenever there is sick headache, furred tongue, constipation, sallow skin or any symptoms that indicate an inactive liver.

THE CONGO FREE STATE.

Brussels, June 10.—On the eve of the opening of the special session of Parliament, for the purpose of concluding the discussion, and taking a vote on the question of the annexation of the Congo Free State, the darkest views prevail in political circles.

The measure is regarded practically as doomed, as King Leopold is reported to have refused all further concessions. The defeat of the bill is likely to be followed by the resignation of the Minister, and the dissolution of the Chamber, involving a general national crisis.

SIR HIBBERT WILL NOT RUN.

A letter written by Sir Hibbert to H. T. Sutherland, chairman of the convention appointed to tender the nomination to him, was received some days ago.
