RUSSIANS INTENSIFYING ADVANCE ON KHARKOV

Soviet Armies Pouring Across Donets River

Multi-Headed Soviet Assault Grinding at All Germany's Summer Gains in South Russia and Approaching Within 118 Miles of Kharkov—Entire Southern Front Engaged in Soviet Attacks.

London, Jan. 18.—(P)—The Red army was reported pouring across the Donets river a few miles east of Kamensk today in a Southward drive on Rostov eighty-five miles away which was closely coordinated with a multi-headed Soviet assault grinding at all Germany's summer gains in South Russia and approaching within 118 miles of Kharkov, great steel centre of the Ukraine.

A special communique and the regular midnight communique as recorded from Moscow broadcasts by the Soviet monitor told of mighty strides taken by the Russian troops on a front which enveloped Southern Russia from Voronezh to the Caucasus foothills.

Millerovo, by-passed last month on the Russian drive along the Moscow-Rostov railway, was recaptured. The special communique announcing its fall said "several garrisons" of the city were annihilated by Russian troops.

Several dozen communities in the bend of the North Donets were reported captured, including several large places, one of which was Kalitvinskaya, directly on the river.

A Moscow broadcast said that the river was crossed, presumably in the neighborhood of Kalitvinskaya, only twelve miles east of Kamensk, like Millerovo an important railway centre on the Moscow-Rostov line. Kamensk itself is threatened from three sides.

The broadcast said the Germans fought bitterly to hold their positions in the Donets bend. The Russian advance into this region threatens the flank of the German troops trying to hold off Soviet forces poised along the Lower Don only sixty miles east of Rostov.

The Red Army now is in position to drive on Rostov, key Nazi supply centre, from both the North and the East and other Russian columns are approaching the city on tangents such as the Stalingrad-Novorossiisk railway and the Rostov-Baku railway in the Caucasus.

The Russian force moving Southward along the Stalingrad-Tikhoretsk-Novorossiisk railway was reported just twenty-three miles short of Salsk, a railroad centre 100 miles Southeast of Rostov. This separate Soviet army is menacing Rostov from eighty-five, sixty and about 123 miles distant.

The mid-day communique as recorded by the Soviet monitor said the drive in the Northern Donets was developing successfully and that three more populated places were taken overnight.

On the other fronts of the widespread battleground, the Russians reported new successes, the communique describing the occupation of several more populated places in the North Caucasus. Fierce fighting was reported in the Caucasus.

LABOR LEADERS PLANNING FOR POST-WAR WORK

Representatives of British and United States Unions Meet in Florida Next Week to Study Treaty.

Miami, Fla., Jan. 18.—(P)—British and American labor leaders will start planning a campaign here next week aimed at having the peace treaty which ends the second world war guarantee workers in all countries the right to organize.

Labor representation at the peace conference is the principal aim of the Anglo-American Labor Committee, which will convene for the first time while the executive council of the American Federation of Labor is in session at Miami.

Sir Walter Citrine, Secretary of the British Trades Union Congress, will lead the English delegation, while William Green, President of the A. F. of L., is to head the United States representatives.

The international group was formed last August as a compromise to a proposed committee representing trade unions of the United States.

Heart Of Germany Feels British Block-Busters As Allied Forces Score Major Gains On Two Fronts

By JAMES M. LONG, Associated Press Staff Writer.

Big British bombers rained destruction upon Berlin last night for the second time in a row in raids which gave the Nazi capital its worst week-end of the war and made two German aerial counter-thrusts at London seem puny by comparison.

And as the Germans counted their dead and viewed their ruins, the Allies pounded grimly on with land offensives which shook the Axis positions in North Africa and Southern Russia.

Hard on the heels of retreating Axis forces in Africa, the British 8th Army was reported within one hundred miles of Tripoli in a new drive which cracked Marshal Rommel's defences again and threatened to by-pass his next coastal strong-points.

The Red army closed in on Rostov from three sides and stabbed to 118 miles of Kharkov, the all-important Donets valley base in the Ukraine from which the Germans launched their whole 1942 summer and fall drive into the Don bend and the Caucasus.

The British raid on Berlin Saturday night was in force, and the wording of an Air Ministry communique suggested that the attack last night was at least as strong—and perhaps stronger.

One bomber was lost Saturday night. Twenty-two did not return last night.

The communique said: "Berlin was again attacked by a strong force" and added that "a great load of bombs was dropped," starting large fires.

British observers regarded the

bombing exchange as the first round of a renewed "Battle of the Capitals." And they declared triumphantly that it was the R. A. F.'s round—won with harder blows and a more effective defence.

While the R. A. F. re-kindled last night the fires it had set the night before with its ruinous four-ton "block busters" and tens of thousands of incendiaries, relatively few German airmen succeeded in penetrating the terrific anti-aircraft which guarded London along with secret new defences.

Returning pilots said large areas of the city must have been laid waste by great fires visible for one hundred miles.

Press and radio correspondents accompanied the raiders for the first time over the heart of the Reich.

Louis Hunter of the Canadian Press had luck. Two engines of the four-motored bomber in which he set out for Berlin failed over Denmark and the disappointed crew and their reporter-passenger had to return to Britain without reaching their target.

In North Africa, British headquarters at Cairo said the 8th Army, still advancing in contact with the enemy, had reached the vicinity of Beni Uid, more than eighty miles beyond Beirut El Hsu where Rommel's line was broken in its entire front in a two-day battle late last week.

Beni Uid is nearly one hundred miles inland from the coast and about the same distance from Tripoli. Thus it appeared that the British army was driving on a straight line across the Tripolitanian "hump,"

VIOLENT DEATH CLAIMED FIVE OVER WEEK-END

Three of Five Persons Who Met Violent Death in Eastern Canada Over Week-End Resided in Nova Scotia.

By the Canadian Press

Three of the five persons who met violent deaths in Eastern Canada during the week-end lived in Nova Scotia. Railway accidents claimed two lives, a child was burned to death, a man was killed in a mine accident and a farmer died of injuries suffered when struck by a falling tree.

Miss Rolande Lavale of Montreal died Saturday of injuries suffered when a car in which she was riding collided with a Canadian Pacific Railway train at a crossing near Joliette, Que.

William McFarlane, twenty-four, of Stellarton, N.S., a Canadian National Railway brakeman was injured fatally Saturday when run over by a freight train at Antigonish, N.S.

Morning Session Fails To Bring Solution Of Canadian Steel Strike

Three-Hour Gathering Fails to Produce Any Concrete Proposals for Settling Strike Which Ties Up Two-Thirds of Canadian Steel Industry—Prime Minister Presents Government Views to Gathering.

Ottawa, Jan. 18.—(P)—A three-hour morning session failed to reach any final decision on ways and means of ending the current Canadian steel strike and Cabinet Ministers, United Steelworkers of America delegates and representatives of the two big steel companies involved in the dispute planned to resume their meeting at 4 p.m., E.D.T.

C. H. Millard, National U.S.W.A. Director from Toronto, said after the morning conference there was "complete unanimity" among all present as to the necessity for finding an early solution of matters which resulted in the cutting off of two-thirds of Canada's wartime steel production.

But, he said, "no concrete suggestions" were made towards getting 13,300 workers back on the job at the Algoma Steel Corporation's Sault Ste. Marie, Ont., plant or the plants of Dominion Steel and Coal Corporation at Sydney and Trenton, N.S.

The conference, originally planned for Saturday afternoon but postponed when most of the union men failed to show up, was started only a few minutes after the scheduled time, 10:30 a.m., E.D.T.

First to arrive for the meeting were delegates representing U.S.W.A. locals at the three Ontario and Nova Scotia steel centres where an estimated two-thirds of Canada's wartime steel output has been cut off by a work stoppage called to enforce demands for a minimum basic wage rate of fifty-five cents an hour.

Then came A. R. Mosher, of Ottawa, President of the Canadian Congress of Labor, with which the U.S.W.A. is affiliated in Canada; C. H. Millard, of Toronto, National U.S.W.A. Director; and Edward Joliffe, of Toronto, union solicitor. A three-man committee from the local union at Hamilton—which came here to discuss the labor situation in the Hamilton steel plant, so far not affected by the strike—did not appear at Mr. King's office. They had been on hand Saturday afternoon but at that time were not admitted to the conference.

Just at 10:30 a.m. the Prime Minister reached the East Block on Parliament Hill and went directly to his office. Most of his Cabinet had assembled there previously.

Representatives of Algoma Steel Corporation, which operates the steel plant at the Sault and of Dominion Steel and Coal Corp., which runs the plants at Sydney and Trenton, had arrived a few minutes earlier.

MAINTAIN CONVICTION OF MEDICAL GROUP ON ANTI-TRUST CHARGE

Washington, Jan. 18.—(P)—The United States Supreme Court upheld today the conviction of the American Medical Association on a charge of violating the Sherman Anti-Trust Law by alleged activities against a group health organization in the District of Columbia.

The two were alleged to have conspired against Group Health Association, Incorporated, described as a non-profit co-operative organization of Government employees to provide medical and hospital care in return for monthly dues from the members.

More Japanese Merchantmen Lost In Allied Air Attack On Rabaul

Melbourne, Australia, Jan. 18.—(P)—Heavy bombers sank or badly damaged five Japanese merchant ships in the harbor of Rabaul, New Britain, during a three-hour raid Saturday night and other Allied air-borne forces blasted Japanese footholds over a wide area in the Southwest Pacific during the week-end, an Allied communique said today.

Three waves of bombers attacked ships and harbor installations at Rabaul, fighting their way through heavy anti-aircraft fire to get over the targets. The five ships hit in the attack totalled 25,000 tons, the communique said.

Airdromes at Rabaul also were bombed and fires were visible for fifty miles, it was said. All planes returned safely.

The Japanese retaliated yesterday with an attack by twenty-four bombers and twenty fighters on the Allied base at Milne Bay in New Guinea, but the communique said damage was "not important" and there were no casualties. It was the heaviest raid the Japanese have made on the Northern Papuan coast in months.

Allied bombers again hit Japanese supply dumps at Lae, New Guinea, and the docks at Madang and Finschhafen and the airdrome at Malabang also were attacked. An enemy transport was bombed near Admiralty Island, but results were not observed.

On the ground Allied forces cut the main road in the Japanese rear at Sanananda yesterday, the communique said, and 120 Japanese dead were counted.

Gen. Sir Thomas Blamey, Australian Commander of the Australian Army, said in a broadcast last night that Japan's forces in Papua have been "practically exterminated" as well as defeated.

"Don't for one moment think that we are out of the woods with the Japanese," he warned, however. "His self-belief is colossal and his resources are great. Because we have driven him from the point of immediate menace, don't imagine that all the menace is past by any means."

British Bombers Win First Round In "War Of Capitals"

Stiffened German Defences Claim Twenty-Two British Planes in Second Consecutive Night Raid Against Berlin—London Ground Defences Break Up Light German Retaliatory Raid on British Capital.

By E. C. DANIEL, Associated Press Staff Writer

London, Jan. 18.—(P)—A strong force of R.A.F. bombers laid huge fires across Berlin in the renewed "war of the capitals" last night, stiffened defences of the German city took a toll of twenty-two planes compared with only one the previous night.

London's anti-aircraft gunners meanwhile fought the fierceness of their barrage during two assaults last night and early today when the attackers lost ten of perhaps sixty planes.

German efforts at retaliation for the mighty attack which apparently caught Berlin defences napping Saturday night were relatively mild. London's ground guns threw up a curtain of steel and fire more thunderous and powerful than anything Londoners ever heard before.

Instead of trying to drive the bombers away from vital objectives and into the path of night fighters, gunners aimed for bus-stops directly on the attacking bombers. The night's bag brought to more than 4,000 the number of enemy aircraft destroyed over Britain since the start of the war.

The barrage showered London rooftops with shell fragments and several persons were killed or wounded by shells which exploded after striking the ground. The firing, which ceased after the last of the raiders departed, combined with new secret anti-aircraft devices to make a spectacular show.

The Air Ministry announced both offensive and defensive operations. "Berlin was again attacked by a strong force of our heavy bombers last night," the Air Ministry com-

SOVIET ARMIES LEARNING MUCH FROM ENEMIES

Russians Improve on Much of Technique Used by Germans in Earlier Drives Deep into Russian Territory.

With the Red Army Southeast of Rostov, (via Moscow), Jan. 18.—(P)—The young but strong Russian army fighting back so fiercely and confidently, driving the best of the German troops before it, is an army that has learned much—a lot of it from the enemy.

At the moment all along this front the operation is one of beautifully-timed encirclements.

There is no secret about the Red army tactics which have put the Germans on the run.

The Russians scout and then begin their encirclements with fast-moving units which include airplanes, and sledges which can go better than 100 miles an hour, cavalry and motorized infantry.

When artillery is needed to blast the Germans from their positions they have plenty of it—and it is plenty big. Throughout the whole drive here the artillery has been the real backbone.

Soviet mobile units have achieved great skill in cutting up the enemy's front. Their tanks, on which Tommy-gunners ride, strike with great effect.

The Russians say their medium tank, called the 34, is the best medium tank in the world. You certainly see few of them standing about the battlefield down here.

They also have sleds, the horse-drawn variety, by the thousands. When the snow gets deep they are vital to battle operations. But I have yet to see the Germans using any of them.

The commanders impress with their great confidence in victory. This was apparent when I visited the front last winter as the Russians then had the Germans on the run—but it definitely was not, on this scale.

They are not laughing at the Germans, however. They still pay them considerable tribute as fighters. But the commanders all say Hitler won't come bounding back next summer. The present weather, they say, should be ideal for the German armored forces and motorized units.

Every soldier and officer I talked with possessed a deep, almost religious faith in Premier Stalin's direction of the war. They gave him full credit for everything.

The fighters are finely equipped in clothes.

Soldiers generally wear the famous Russian valinka—a felt boot that comes to the knee, or above, if wanted. Their uniforms are thick and so is their underwear.

Most of them prefer a fur-lined hat to a steel helmet in winter weather.

Gremlins Proved Real Naughty To Canadian Plane On Berlin Attack

Louis V. Hunter, chosen by The Canadian Press to cover the R.C.A.F. when young Canadians started making headlines over Britain and the Continent, got a ride in a British bomber bound for Saturday's raid on Berlin. He tells of his disappointment when the aircraft he was aboard developed engine trouble and was forced to return to base from Denmark.

Hunter, a thirty-year-old native of Quebec City, worked for The Canadian Press in Toronto and Montreal before being transferred to the London bureau in July, 1940.

A British Air Base, Jan. 18.—(P)—I have returned to this R.A.F. base without writing the story I should have written, but you can charge it up to the gremlins that rode the starboard wing of the Lancaster in which I was a passenger. I was going to Berlin but they wouldn't let me.

In a giant bomber with a bevy of incendiaries I left this airbase after a nine-day wait bound for the "big city" with Pilot Sgt. Charles McDonald of Toronto as skipper from the R.C.R.F. and seven other crew-members from various parts of the British Isles. All we saw was a bit of flak tossed up from Denmark, a lot of our own aircraft and the explosion of our own incendiaries when I dumped them into the North Sea.

The gremlins fixed us. We were doing nicely crossing Denmark when the inner starboard engine "packed up." It came back in spasms after the outer engine on the same wing died, but Mac was unwilling to take

WAR BULLETINS

London — The Vichy radio said in a broadcast today it has been announced that an Italian general, Paolo Ferrazzi, has been killed on the Russian front.

London—In an attempt to reassure the German people that the R. A. F. raid on Berlin had been "avenged," the German radio said Sunday night: "The Luftwaffe tonight replied to Churchill gangsterism by bombing London." The broadcast did not mention the small extent of the raid on London.

New York — The Morocco radio Sunday night broadcast that it had learned from "well-informed sources" in Geneva that the commanders of several Italian garrisons, on islands in the Mediterranean as well as Italian naval bases, have been dismissed at the demand of German Marshal Von Rundstedt because "of bad defence organization."

Polish Heads Urge Retaliation For German Mass Murder Policy

By FRANK FLAHERTY, Canadian Press Staff Writer

Ottawa, Jan. 18.—(P)—Recent information indicating a speed-up in the German programme for exterminating the Polish nation has led Polish leaders outside the occupied homeland to press for counter-action by the United Nations.

A declaration from the Polish National Council, equivalent of an interim parliament, which meets in London has been released by the Polish Legation. It says in part:

"The extent of the destruction of all classes of Polish people by the Germans is already affecting the actual biological existence of the nation.

"All nations of the world ought to be informed that the liquidation of the Polish population by the Germans at planned periods is taking place in the following manner:

"Children under six are torn from their parents and deported into the Reich to be brought up as Germans; mothers trying to protect their chil-

dren are murdered; the aged, sick, crippled and those of weak physique are deported to unknown destinations which, as is well known, means extermination in a special death camp; leaders of the people are sent to the Oswiecim concentration camp and the rest capable of work are directed to labor camps.

"In this way, among others, fifty-four villages in the Lubelskie province were liquidated and the whole male population of Kotow was executed. Simultaneously the entire Jewish population is being murdered regardless of sex or age."

While German extermination technique was applied first to the educated or leadership classes and next to the Jews, it now is being applied to the Polish peasants, according to information reaching the Polish Legation.

By eliminating peasants and placing Germans on their land during the winter, the Nazis will interfere least with food production while peopling the "Drang Nach Osten" (road to the East) with Germans.

RICHMOND AND DISTRICT NAMES AID COMMITTEE

Representative Group of Citizens Named to Direct Canadian Aid to Russia Fund for this District.

Richmond, Jan. 18. — With the formation of representative committee of citizens it is expected that this area will swing solidly behind the campaign of the Canadian Aid to Russia Fund in this province.

In addition to J. I. Beaubien and H. N. Becker as chairman of the committee includes Honorary Chairman, S. E. Desmarais, M.L.A., Mayor C. E. Manning, Mayor H. A. Jones, of Melville, County Paul Ignatieff, Upper Melbourn, Mayor Herbert Coles, of Cleveland, Mayor Harry Badger, of Melbourn Township and Mayor J. Gordon Smith, of Durham.

The various committees include M. T. J. McKee, Paul Beaubien, Thomas Southwood, George Ewing, K. G. Nourse, T. L. Tanner, Gerard Desmarais, Dr. R. Nadeau, A. P. R. Kerr, Rev. H. C. Denton, B. L. Macintosh, Gaston Desmarais, J. C. Bouvette and W. L. Pope, Secretary-Treasurer.

The need is urgent and the money is being used to provide medical and other supplies required by the Russian civilian peoples suffering from the war.

Contributions may be left with the local banks at Richmond, or with A. P. R. Kerr, Uxbridge, Rev. H. C. Denton, Uxbridge, or with Upper Melbourn, G. O. Malhotra and James Kerr, Kingsbury, or with the Secretary-Treasurer.

Please forward your contribution as early as possible.

BOARD OF TRADE

The regular meeting of the Richmond Board of Trade was held at the Richmond Hotel, on December 21st, 1942.

Mr. Redmond Hayes, of Richmond, addressed the Board on the subject of the Conservative Convention in Winnipeg, and he was thanked by Mr. H. N. Becker. The business meeting took place following a short recess.

The President, Mr. Alfred Geoffrey, gave the reading of the report of the nominating committee as follows: Honorary Patrons, J. P. Mullins, M.P., S. E. Desmarais, M.L.A., and the Mayor of Richmond and Melbourn; President, George W. Ewing; Vice-President, Gaston Desmarais; Secretary-Treasurer, L. P. Girard; Industrial Committee, A. E. Dyson, R. A. Marcotte, H. N. Becker, Alfred Geoffrey, S. E. Desmarais and M. T. J. McKee; Mercantile Committee, Wilfrid Lapierre, P. J. Newell, G. S. Campbell, Gerard Desmarais, J. H. Coles and Lucien Cabana; Civic Committee, E. E. Fowler, Dr. Smith, Arthur Bouchard, C. W. Armstrong, D. R. McLaughlin and Dr. R. Nadeau; Entertainment and Publicity Committee, A. M. MacRae, B. G. Husek, Thomas Southwood, Redmond Hayes, M. Lodge and Roger Trudeau. This report was adopted unanimously.

The President was duly thanked by the members at the meeting for the services he had rendered during his year of office. The new President, George W. Ewing, was loudly applauded as he took the chair. Following a few appropriate remarks by the new President, the meeting continued.

Gaston Desmarais informed the meeting of the splendid work, which had recently been done by L. P. Girard in regard to the establishment of a new factory in Richmond.

It was moved by Roger Trudeau, seconded by Arthur Bouchard that officers and members of the Junior Board of Trade be invited to attend the January meeting of the Board of Trade.

It was moved by Redmond Hayes and seconded by George W. Ewing that a letter be sent to the Town of Richmond thanking them for the kind consideration given to the request of the Richmond Board of Trade on the closing of business places on the day following Christmas and New Year.

It was moved by H. N. Becker seconded by B. G. Husek that the Secretary of the Board of Trade extend to L. Michael the best wishes of the Board for a speedy recovery from his illness.

Dr. J. Smith, President of the Junior Board of Trade, then offered his congratulations to the new President.

KILLED IN ACTION

Official word has just been received of R. M. Chatterton, who was killed in action, in the battle of Hong Kong, December, 1941.

R. M. Chatterton was an only son of Mr. and Mrs. Joshua J. Chatterton, of New Carlisle, Que., and was born in August 1918.

He joined the Royal Rifles of Canada in July, 1940.

Before enlisting he was employed by the Canadian Johns-Manville Company of Asbestos.

To mourn his loss are his father and mother, of New Carlisle, an only sister, Mrs. Kenneth Hall, living in Asbestos, besides many other relatives and friends.

Violent Death

Continued from page 1

Eight-year-old Edith Julian of Bayfield near Antigonish died Sunday of burns suffered in her parents' home. It was believed her dress caught fire as she was putting paper in the kitchen stove.

James S. Quigley, thirty-eight, of Inverness, N.S., was killed Saturday in an accident in the Inverness mine. Samuel L. Jewell, sixty-one-year-old farmer, died Sunday in a Chatham, Ont., hospital of injuries suffered Saturday when struck by a tree he was felling on his farm.

President and assured the meeting that it would work in close co-operation with the Senior Board.

It was moved by Alfred Geoffrey and seconded by Arthur Bouchard that the Catholic Committee of Public Education of the Province of Quebec be informed by the Secretary that the Richmond Board of Trade completely approved their decision to establish "Compulsory Education" in this Province.

The meeting was then adjourned.

THE W. M. S.

The Women's Missionary Society of the Richmond and Melbourn United Church was held at the home of Mrs. Chester Healy, College Street.

Mrs. M. Armitage, the President, was in the chair and Mrs. Angus MacRae took charge of the Devotional period. The theme was "Reaching every person with Christian Teaching."

The Treasurer's report revealed that the total amount for the past year sent to the Presbyterian Treasurer was \$465.90.

Mrs. T. L. Tanner, Secretary, gave a very interesting and enlightening report on the several activities during the past year. Special mention was made of donations received from the local Women's Association, New London Association, and the C.G.I.T. The Sectional Meeting at Windsor Mills, the Family Party, and Rummage Sale were mentioned as outstanding events. The members had enjoyed the interesting manner in which the Study Book had been reviewed and a deep interest in the several departments was maintained during the year.

The Christian Stewardship Committee, namely, Mrs. M. Armitage, Mrs. H. Jones, and Mrs. Chester Healy were requested to prepare a budget and present it at the next meeting for the approval of the members.

The appointment for a new leader for the Mission Band was discussed. Miss Eleanor Lanigan, who has been the leader for some time, has moved to Toronto, Ont.

Mrs. Angus MacRae, Community Friendship Convener, reported that forty calls had been made since the last meeting, and two hundred and seventy-three calls were made during the year.

Mrs. J. A. Grady read a very interesting letter from Miss Bessie Banfill, R.N., missionary at the Grenfell Mission, Labrador. The letter contained an acknowledgment of a box of toys, etc., sent by the pupils who attended the local vacation school last July. Miss Banfill has several relatives in this vicinity.

Mrs. H. A. Jones invited the members to hold their next meeting at her home in Melbourn. This meeting will be held on the first Wednesday in February. The members were pleased to welcome at this meeting, a new member, Mrs. H. Charles Toner.

A very interesting half-hour was spent reading and discussing the Study Book, "The Church in the City Street." The discussion was led by Mrs. M. Armitage and Mrs. Ernest Beers. The subject was "Christian Education."

General Notes

The following are the results of the 1942 election of Councilors for the Municipality of Cleveland. The retiring Mayor, Herbert Coles, and retiring Councilors, Melville, S. Hodge, G. Eugene Tremblay and Thomas J. Cleary were all re-elected by acclamation.

Pte. Michael O'Donnell is a patient in the Sherbrooke Hospital. His many friends wish him a speedy recovery.

Mr. and Mrs. E. J. Ashcroft have returned from Montreal, where they spent a few days.

Mr. J. A. Grady went to Coaticook to attend the funeral of Flight-Sgt. David May, R.C.A.C.

the cotton-wool clouds below and the swarms of other bombers headed in our direction and that was all until we hit the coast of Denmark. No Axis fighters greeted us, although the gunner kept alert for them. Some bursts of anti-aircraft shells were visible around us, but at too great a distance to worry us.

There was one moment when I saw a flaming object through the clouds. It looked as if it might have been a bomber going down in flames. I had seen a German bomber fall in Britain the night before with all the crew lost. An R.A.F. night fighter got it. But I didn't see it. The gunner said I had experienced for a moment when the briefing officer told us where we were going.

It started to happen. The first engine began to unspool. I thought: "Oh, oh. We've had it." Mac swore and Frankie started trying to fix it. It was no good.

Mac asked if we were willing to continue on three, said we could make it, although it would be tougher than if we were fully powered. We all said okay.

Then the other engine on the starboard wing conked. Frankie could not get it going again, although the first one would work in a minute so that he, in effect had 2 1/2 engines left. Mac asked if we were still willing to go in. We all said yes, again.

He flew on for a few minutes, feeling the aircraft, then said disconsolately to the navigator over the intercom: "Vic Nunn, give me the course, I'm sorry."

"I'll go on if you like, but we'll have to go in at about 5,000 feet." That's no good if you know the reputation of Berlin's ground defenses (although returning pilots who had been over the target said they were astonishingly weak Saturday night.)

We agreed reluctantly that Mac's judgment was right, particularly as he had to decide whether to sacrifice the lives of eight men on what might easily prove a futile mission.

So we turned around and went home and Mac set Miss Toronto down nice and easily on the field. I'd like to try again with the same crew. I think they'd make it—without those Gremlins.

NOYAN

Miss Norma Derrick and friend, Cpl. Alrd, of Montreal, spent the Christmas holidays at the home of Mr. and Mrs. H. Derrick.

Mr. Robert Stewart, of Montreal, and Miss Ethel Stewart, of Bedford, were week-end guests of their mother, Mrs. John Stewart.

Abel Vosburgh took his foot badly with an axe. John Mosher took him to the hospital in St. Johns, to have it dressed. Mr. Vosburgh remained in the hospital for a few days.

A very successful Legion Dance was held in Community Hall, Noyan, on New Year's night. Blandford's orchestra, assisted by Ralph Wells, of Bedford, furnished the music. The sum of fifty dollars was realized. This money goes to furnish smokes for the boys overseas.

Sgt. Tony Planinsek, of Montana, spent part of Christmas week at the home of Mr. and Mrs. E. G. Fadden. Mrs. Harry Fadden spent several days at the home of her brother and sister-in-law, Mr. and Mrs. W. R. Manning.

Mr. Frank Robinson, of Barre, Vt., visited at the home of his mother, Mrs. Aggie Robinson, for a few days.

Mrs. Clifford Mandigo, of Hartford, Conn., has returned to her home from the Hartford Hospital.

taking the shortest route to Tripoli. The advance cut the distance between the 8th Army and the Allies in Tunisia to less than four hundred miles, with Fighting-French forces from the South closing in to keep the pressure on Rommel's barrier to Rostov, and the swift new thrust toward Kharkov and Voronezh.

The Russians triumphantly announced steady gains on the whole Eastern front from the Velike Luki region to the heart of the Caucasus.

Highlighting the new advances were the crossing of the Dnieper, the natural barrier to Rostov, and the swift new thrust toward Kharkov and Voronezh.

FLANDERS

Mr. and Mrs. A. E. French, Mr. Aubrey French, Mr. and Mrs. Gordon French and family were Christmas guests of Mr. and Mrs. W. Painter, in Island Brook.

Guests at the P. F. French home were Mr. and Mrs. James French, Mr. William French and Miss Elizabeth French, of Island Brook; Mr. Lawrence French, of Sherbrooke; Mr. and Mrs. Archie French, Miss Dorothy French and Mr. and Mrs. Lloyd French and Eric, of Sherbrooke.

Mr. and Mrs. Norman Gill and their daughter, Miss Hope Gill, were guests of relatives in Cookshire.

Mr. and Mrs. Bryan McCormick spent a day with the latter's parents, Mr. and Mrs. S. Campbell, in Cookshire.

Guests at the Harlow home were Miss Norma Woodbury and Junior Woodbury, of East Concord, Vt.

A recent meeting of the Farm Forum took the form of a surprise party at the home of Mr. and Mrs. C. P. Flaws in honor of their twenty-fifth wedding anniversary. The evening was spent in games, music and social converse. Lunch was served by the ladies. A silver collection was taken and presented to the guests-of-honor by Mr. A. E. French.

Friends of Miss Edith Lake will be pleased to know that she is gaining in health and expects to be able to be up around the house soon.

Mr. and Mrs. Norman Gill entertained at a family dinner one day.

Mr. and Mrs. Lloyd French and Master Eric were guests of Mr. and Mrs. George Halliday, in Sawyerville. Mrs. French and Eric remained in Sawyerville as guests of Mrs. A. G. Hurd for a week-end. Mr. French was an overnight guest at the same home.

Guests at the A. E. French home included Mr. and Mrs. J. Paton, Mr. and Mrs. W. Painter, of Island Brook; Mr. Ray Waldron and Miss Jean Waldron, of East Clifton, and Mr. Elgin French, of Sherbrooke.

Mrs. Maria Nourse and Miss Mabel Nourse, of Cherry River, were visitors at the home of Mr. and Mrs. R. E. French.

A meeting of the Flanders Mission Band was held at the home of Mr. and Mrs. George Lake, in Sawyerville, with an attendance of twelve. At the close of the meeting, lunch was served.

Miss Dorothy French has gone to Cookshire, where she has accepted a position.

after a serious operation for gall stones. Her many friends in this vicinity will be glad to hear that she is improving and is able to get around in her home a little.

The remains of Miss Alice Dunlop, of Sawyerville, who passed away Sunday night, were buried in the Anglican Cemetery of this place on Tuesday afternoon.

Eighth Army

Ziten and Misurata and on the highway leading Westward to the Tunisian port of Sfax. Considerable damage also was inflicted in these assaults, the communicate said.

The only enemy air activity reported was a raid on Tobruk, Libya, in which four of six attacking Axis bombers were shot down. The R. A. F. reported a loss of five planes in the extensive air operations.

The announcement that British troops had reached a point some eighty miles beyond Buerat el Hsun indicated an advance of approximately fifteen miles in the last twenty-four hours.

In announcing yesterday that the 8th Army was again on the move after cracking Rommel's defenses at Buerat el Hsun, Gen. Sir Bernard Montgomery reported from his desert field headquarters that his troops penetrated beyond Wadi Zem-Zem to the Sedala-Bir Tala area.

Sedala is about sixty-five miles West of Buerat el Hsun, coastal anchor of the defence line where Rommel made his brief stand, and thirty-two miles North of Wadi Zem-Zem, the broad gulch which offered a natural obstacle to the British advance.

Bir Tala, twelve miles West and slightly North of Sedala, is about 130 miles air-line Southeast of Tripoli.

The 8th Army's advance cut to about 400 miles the distance separating it from the Allied forces in Tunisia.

Whether Rommel would attempt another stand short of Tripoli or would flee on into Tunisia with the object of joining forces with Gen. Walther Nehring's army defending Tunis and Bizerte was the question of the moment.

Rommel's retreat was being speeded by the Allied air forces which, operating from Libyan bases in close co-operation with ground troops, blasted ceaselessly at the withdrawing enemy.

Great Britain and Russia. The British labor policies of Great Britain and the United States to further the war effort is an immediate goal, and the Committee will look forward to the development of peace comes of some world-wide social security programme.

The committee will begin its session next Monday.

Meanwhile the A. F. L., opening its quarterly meeting today, will consider another phase of its long battle with the Congress of Industrial Organizations. Up for ratification is the proposed "no raiding" pact which would prohibit arbitration for jurisdictional disputes.

The C. I. O. Executive Council already has accepted the treaty, drawn by a committee representing both organizations, but a fight is in prospect in the closed sessions here.

unique said. "A great load of bombs was dropped and, by the end of the attack, large fires were burning."

The bombers flew in bright moonlight on most of the 1,200-mile round trip, but encountered some clouds over the target area. In contrast to the light opposition Saturday night, the Air Ministry said "there were many combats with enemy fighters." One of these was reported shot down.

Headquarters For Aid-To-Russia Fund Campaign Are Opened Here

Headquarters for the Aid to Russia Fund drive in Sherbrooke were opened during the week-end in the office of the Sherbrooke Chamber of Commerce in the Quebec Railroad Building on Wellington Street North, officials of the campaign said today. Although the national objective of the drive to raise funds to aid the Russians is one million dollars, the Hon. Jacob Nicol and A. C. Stevens,

WINDSOR GROUP TO AID RUSSIAN FUND

Windsor Mills, Jan. 18.—The request for assistance from headquarters of the Canada Aid to Russia Fund has met with a generous response among members of the Windsor and District War Group workers and plans are being made for a meeting at which details will be outlined.

This meeting will take place at eight o'clock on Tuesday evening, January 19, at the Chateau Windsor, which has been placed at the disposal of the group through the courtesy of Mrs. Costello, the proprietor.

The meeting will be under the patronage of Mayor J. W. Quinn, Notary Lagasse, Dr. R. Morrisette and A. G. Philip, of the Canada Paper Company. Treasurers for the Windsor district are Mrs. R. Morrisette, the Group's Treasurer; L. T. Garon, Manager of the Bank of Commerce, and H. Gervais, Manager of the Banque Provinciale.

Joint-Chairmen, said that no quota will be set for the Sherbrooke district.

The campaign in Sherbrooke, which got underway last week, will be in progress until the end of this month. Pointing out that patriotic citizens should contribute generously to the fund, officials of the drive issued this statement:

"Though the campaign for a million dollars is only about half over, the officers of the Canadian Aid to Russia Fund are already completing arrangements for a shipment of supplies to Russia.

"To those who have already subscribed to the fund, what a relief it is to know that at this minute their money is speeding life-saving materials to our brave Russian combatants.

"To those who have not yet sent their donations, it is assured that their money will go 'active' at once. Don't delay sending in your subscription. It is an investment in victory. Don't delay in organizing an event to raise money for the fund. This is a life-saving service and day withholds the means of life from Russian children and from their mothers and fathers. Yet these things that mean life to them are so easy for us to give.

Send contributions to the Bank of Montreal or Banque Canadienne Nationale.

DEATH REMOVED MRS. E. SAMPSON IN 88TH YEAR

Mrs. Elizabeth S. Sampson, widow of William Henry Sampson, passed away at her home here yesterday morning following an illness of three weeks. Taken ill on Christmas Day, Mrs. Sampson was failing in health during the succeeding weeks until the end came on Sunday.

Born in Quebec City in 1856, the deceased had been a resident of Sherbrooke for the past fifty-nine years and up until she began failing in health some years ago took an ardent interest in the affairs of the Presbyterian Church. Her husband predeceased her in 1890.

Mrs. Sampson is survived by two sons, Harold Alexander and Herbert Arthur, a daughter-in-law, Mrs. Herbert Sampson, one grandson, Grant Sampson, and several nieces and nephews.

SPOONER POND

Mrs. V. R. Beattie of the Wales Home Farm and Mrs. Willey of Melbourn, were hostesses to the members of the Spooner Pond Women's Institute at Mrs. Beattie's home, for the regular January meeting.

The Vice-President, Mrs. A. F. Lockwood, presided and the meeting was opened by singing the Ode followed by the Mary Stewart Collect, the W. I. Prayer for the Allied Forces and the Salute to the Flag. Minutes of the previous meeting were read by the Secretary and accepted as read. Correspondence included thanks from several aged and shut-in members for Christmas boxes received. One minute period of silence was held in memory of Mrs. Beach, Past Provincial President of the Quebec Women's Institute, who recently passed away. Two quilts were reported finished during the month and Red Cross work was distributed. Two new members, Mrs. A. C. Dunn and Mrs. W. E. Glass, of the Wales Home Farm, were welcomed at this meeting. Mrs. Frank Sykes and Mrs. N. Noel will be hostesses for the February meeting. After the meeting was adjourned a delightful chop and bean supper was served by the hostesses.

Issue Explanations On Proper Use Of Butter Ration Coupons

Sherbrooke office of the Wartime Prices and Trade Board in a statement today drew attention to the expiry dates of butter coupons because it said confusion had arisen about them.

Tea, coffee and sugar coupons are usable any time after they become valid, but butter coupons have a definite limited period of validity, and the expiry date is printed on each coupon.

The next sugar, tea and coffee coupons become valid a week from today, next Monday, and unused coupons from last month still are good. Each single coupon is good for two weeks' supply of the rationed commodity, which is one pound of sugar, two ounces of tea or eight ounces of coffee. Butter coupons are each good for one-half pound, which is one week's ration for one person, to butter.

The ration books were printed before rationing was undertaken, and a different method had to be followed in butter rationing procedure. While the butter coupons have a definite limited period of validity, tea, coffee and sugar coupons are good any time after they fall due.

The next sugar, tea and coffee coupons become valid a week from today, next Monday, and unused coupons from last month still are good. Each single coupon is good for two weeks' supply of the rationed commodity, which is one pound of sugar, two ounces of tea or eight ounces of coffee. Butter coupons are each good for one-half pound, which is one week's ration for one person, to butter.

The ration books were printed before rationing was undertaken, and a different method had to be followed in butter rationing procedure. While the butter coupons have a definite limited period of validity, tea, coffee and sugar coupons are good any time after they fall due.

Reserve Judgment Until Feb. 11 In Case Of Leandre Lallier

Judgment was reserved today until February 11 by Judge Philippe Marchand in Magistrate's Court in the case of Leandre Lallier, of Lennoxville, charged with uttering a forged document under Article 467 of the Criminal Code. Lallier had his hearing last Friday and Saturday. Bound over last January 26, for the Court of King's Bench after his preliminary hearing, the accused in the meantime opted for a speedy trial.

Evidence offered at the trial showed that Lallier was picked up by Royal Canadian Mounted Police officers, who later charged him with uttering bank bills which had been "raised" from five to fifty dollars.

Police testified that they had taken Lallier into custody ten miles from Lennoxville when they were informed that a man answering his description attempted to pass one of the spurious notes.

Issue Explanations On Proper Use Of Butter Ration Coupons

Sherbrooke office of the Wartime Prices and Trade Board in a statement today drew attention to the expiry dates of butter coupons because it said confusion had arisen about them.

Tea, coffee and sugar coupons are usable any time after they become valid, but butter coupons have a definite limited period of validity, and the expiry date is printed on each coupon.

IN THE WOMEN'S SPHERE

AYER'S CLIFF Y.W.A. SOCIETY HAS GOOD YEAR

Annual Reports Presented at Special Meeting Give Evidence of Highly Successful Season.

Ayer's Cliff, Jan. 18.—Under the co-presidency of the Misses Gladys Dustin and Irene Orcutt, a very successful year of the Young Women's Association closed, when a special meeting was held with Miss Orcutt at the home of Mrs. C. J. Thompson on Tuesday evening.

Miss Dustin presided and the report of the Secretary, Mrs. E. H. Standish, was read, which showed less activity owing to conditions brought about by the war, but despite the lesser activity a good amount of work had been accomplished, which included: assisting with the painting of the Parsonage; purchasing a new stove for the Parsonage; giving donations to the Red Cross for blankets; M. and M. purchasing two war savings certificates, etc. Mrs. Sidney Baldwin followed with the Treasurer's report, which proved that the year financially had been very satisfactory, and that a substantial balance remained in the bank. These reports were indeed gratifying to the officers and members who have so faithfully "stood by" during these war times.

The new President, Mrs. R. G. McHarg, then took the chair and a discussion arose regarding refreshments at the conclusion of the monthly meetings, and after each voiced her opinion a vote was taken and it was decided that each member would take a sandwich, meaning two slices of bread with filling to each meeting, thus making four dainty sandwiches and sugar if they used it for the drink provided by the hostess, which is to be within the war-time requirements, not tea or coffee. It was held that if the social hour was dispensed with altogether a great deal of sociability would be lost, and it was feared that without it, interest would be lessened and by having sandwiches under this scheme it would not tax anyone too heavily.

W.I. HOLD MEETING

Mrs. R. G. McHarg and Mrs. Glen Little entertained the monthly meeting of the Women's Institute at the McHarg home on Friday afternoon, January 8, with Mrs. Willis Dustin, Co-President, conducting the proceedings.

A letter from the Provincial President, Mrs. Dow, was read, which contained greetings to the organization and bringing up the matter of conveniences, and it was voted that this Institute wished to go back to the old method of having a convenor for each branch of the work rather than having the combined convenorship, which they have had in the past months, as it made the work very heavy on one person.

The matter of "hot school lunches" was also under discussion and a sum of money was voted to be used for this purpose, and it is hoped that it will work out so that hot lunches may be provided for the out-of-town pupils.

The programme consisted of a review of the new book, "We Take to the Woods," and it was excellently done by Mrs. R. G. McHarg and

SESSION HELD BY INSTITUTE AT COOKSHIRE

New Methods Devised to Save Lives of Ship-Wrecked Sailors Described by Mrs. Kirk.

Cookshire, Jan. 18.—The January meeting of the Women's Institute met at the home of Mrs. H. Barter, East View Avenue.

Minutes of the December meeting were read by Miss McDonald and adopted as read.

Mrs. Pratt suggested that as part of the programme for the coming year, selections from the Macdonald Journal might be read and discussed. Some members thought that the Women's Institute page was interesting, but that women's interest in general were not adequately covered. The former's page was considered good. It was thought by several members that less expensive paper could be used in the printing of the magazine.

Two letters were read by the President, one from Mrs. Cameron E. Dow, President of the Q.W.I. Mrs. Dow wished all members of the Quebec Women's Institutes an ever-increasing measure of happiness in their service for Home and Country. It was stated in Mrs. Dow's letter that the Self-Denial Fund is to be voted upon. Members are requested to bring their ideas direct to the next meeting as to where and how the money from this fund is to be placed. It is hoped that by the end of the year the fund will have reached a figure well worth placing.

Mrs. Kirby spoke about the new pattern, Dr. Best, co-writer of the late Dr. Banting, has devised to save the lives of ship-wrecked sailors and other survivors of wrecks. The ration is put up in small containers. They must be high in fats and low in salt. Biscuits are made from soy bean flour. There are chocolate bars, malted milk tablets and meal tablets, etc. There is also water carried in the containers. Dr. Best has extracted the element in water which causes rust. These containers are carried in life boats and the contents are sufficient to last eight people for thirty days.

A letter was read also from Miss Clara Wallace, who broadcasts across Canada, "They Tell Me," from the Victory Building, Toronto, Ont. Miss Wallace would be pleased to receive from members of the Q.W.I., individual or collective, stories of any woman who is saving, knitting, preserving or helping in any way to bring about victory. This woman, Miss Wallace says, is a heroine we want to talk about.

A letter from Byrne Sanders, Director, Consumer Branch, Wartime Prices and Trade Board, asked that women's organization in Canada direct one of its members to act as liaison officer, a total of at least five thousand women, who will undertake to pass on information from the Wartime Prices and Trade Board to members of their group. In order to stimulate interest in the various organizations, members were asked to devote a few minutes of each meeting to review the latest news on price control. The Board wants to know the reaction of all consumers, where there are increases in prices, alterations in quantity and quality, how the regulations affect consumers all over the country and what are the consumers' problems. Every member of the various organizations is asked to keep fully informed by reading carefully any information received through the Wartime Prices and Trade Board and by listening to announcements over the radio. It is most important to give accurate information and to discourage baseless rumors, which unchecked, can do much harm.

After the reading of these two important letters, Mrs. Pratt reviewed a book of the year, namely, "The Golden Fleece." Mrs. Pratt also gave excerpts from other recent books. Amongst the best sellers of the year are "Seventh Cross," "The Thorn Apple Tree," "The Robe," "Old Montreal," "Only the Stars Are Neutral," "Van Loon's Lives," "I Saw England," "The Golden Fleece" and others. The roll call was answered by naming a book of the year.

At the close of the meeting, Mrs. J. W. French read three lovely poems entitled, "Happy New World," "New Year Speaks" and the "New Leaf."

Delicious refreshments were served by the hostesses, Mrs. H. Barter and Mrs. R. Elliott, and a social hour followed.

TESTED RECIPES

How to Cook Beef — if You Can Get It

BY MRS. GAYNOR MADDOX

Here are two good recipes for those special steak nights.

Beef Stew With Dumplings (Serves 6-8)

One and one-half pounds round beef, cut in pieces, 2 tablespoons butter or other fat, 6 cups boiling water, 1 cup diced carrots, 1 cup diced turnips, 1 cup small onions, whole; 1 1/4 teaspoons salt, 1/2 teaspoon pepper, 1/2 teaspoon Worcestershire sauce, 3 tablespoons quick-cooking tapioca. One cup sifted flour, 1 1/4 teaspoons baking powder, 1/2 teaspoon salt, 1 teaspoon melted butter, 1/2 cup milk.

Brown meat in butter; add water, cover, and simmer about 2 hours, or until nearly done. Add vegetables and seasonings and continue cooking 30 minutes, or until tender; then add tapioca and bring to a brisk boil, stirring constantly. Drop dumpling mixture from teaspoon on boiling stew; cover very tightly and cook without removing cover 5 minutes, or longer, according to size of dumplings. For dumplings, sift flour once, measure, add baking powder and salt, and sift again. Add butter to milk; add to flour and stir carefully until all flour is dampened and soft dough is formed.

TOMORROW'S MENU

BREAKFAST: Sliced oranges, creamed fish on toast, wholewheat toast, currant jelly, milk.

LUNCHEON: Split pea soup, enriched French bread, apple brown betty, tea, milk.

DINNER: Beef stew with dumplings, mixed green salad, rye bread, butter or margarine, lime gelatin, tea, milk.

Swiss Flank Steak (Serves 4-6)

Six tablespoons flour, 1 1/2 teaspoons salt, 1/2 teaspoon pepper, 2 pounds flank steak, 3 tablespoons cooking fat, melted; onion, diced; 1 1/2 cups water. Mix flour and seasonings; pound them into both sides of the steak with sauce edge until muscle tendons of meat are tender. Sear steak in hot frying pan containing melted fat. Add onions and water. Cover tightly and simmer about 2 hours or until tender. Add more water during cooking period, if necessary.

Mrs. Victor Lusk and Miss Lois Lusk spent a few holidays in Montreal.

Miss Rowena Speck, who was employed at S. J. Osmond and Sons for several months, has left and is at present a guest of her parents, Mr. and Mrs. George Speck, in Sawyerville.

A vote of thanks was extended to Mrs. Hume for opening her home for the meeting.

The meeting closed with God Save the King.

CLARENCEVILLE

The annual meeting of the Ladies' Aid of Wesley United Church met at the parsonage with Mrs. Munn on Friday, January 8. Due to the absence of the President, Mrs. Harlow Brown, the Second Vice-President, Mrs. Judson Iby, took charge of the meeting, which was opened with Scripture reading and the repeating of the Lord's Prayer in unison. The Secretary's and Treasurer's reports were then read and both duly accepted. Then followed the reading of a financial report of the year 1942 where the year \$163.34 was added to this amount, making the total income \$295.96, and that the expenditures for the year amounted to \$159.24, thus leaving a balance on hand at the end of the year of \$136.72. After the presentation of this financial report, Rev. Daniel Munn took charge of election of officers for 1943 which resulted as follows: President, Mrs. Chilton Adams; First Vice-President, Mrs. W. E. Lewis; Second Vice-President, Mrs. Judson Iby; Secretary, Mrs. F. W. Worthy; Treasurer, Mrs. Clifford Beerwork. The meeting was then brought to a close and a delicious lunch was served by the hostesses, assisted by Mrs. Chilton Adams, the new President.

Your Dreams Tell Truth About You

Unconscious Speaks in Sleep

Smiling in her sleep. Perhaps she'll laugh at that "funny dream" she wakes up. Or feel puzzled, or even sad.

Why do dream experiences so often haunt you? Psychologists say it's because dreams express your most secret hopes, fears and desires. Often they are warnings of inner conflicts which threaten your happiness.

Your ludicrous dream of finding yourself undressed on Main St. probably shows you're secretly shy and self-conscious. You stand in your own light!

That terrifying drop from a high building or the top of a cliff may mean that you fear your security is threatened in some way.

On the other hand, a dream of flying airily over house-tops and tree-tops may symbolize your relief at having broken an unhappy engagement or resigned from an unbecoming job.

Express trains, wild animals, the sun and the moon—dreams have a picture language all their own. Read in our 32-page booklet what a famous psychologist says about the importance of dreams. Explains the meanings of many typical dreams; dream images and symbols; why some dreams "come true."

Send 15c in coins for your copy of "The Meaning of Dreams" to Daily Record, Home Service, Sherbrooke, Quebec. Be sure to write plainly your name, address, and the name of booklet.

NAME WINNERS IN TEMPERANCE STUDY COURSE

War Savings Stamps Donated Successful Candidates in Contest Sponsored in Missisquoi-Shefford Counties.

Sweetsburg, Jan. 18.—The Missisquoi-Shefford County Judges in the fifteenth National Temperance Study Course, Mrs. Albert Coupland and Mrs. R. Nickerson, of Granby, have announced the winners of the county prizes, which are to be given in War Savings Stamps to the amount of ten dollars, and also asked the County Campaign Secretary, Miss Lora Robinson, to congratulate the teacher of Hillcrest School, Sweetsburg, Miss Hilda Miller, on the splendid answers written by her pupils, stating that the examination papers were excellent in subject matter, writing and neatness, although the latter qualities do not count for percentages according to rules laid down by the Dominion W.C.T.U. for judging the examination papers.

The names and percentages of prize-winners follow:

Juniors, ages nine years and under: Mavis Morrison, Cowansville, 96; Sheila Giddings, Granby, 90; Nelson Mitchell, Granby, 88; Norma Hansen, Granby, 86.

Junior, ages ten and eleven years: Pearl Barber, Sweetsburg, 97; Claude King, Sweetsburg, 95; Lorraine Buzzell, Sweetsburg, 92; Irving Bookbinder, Cowansville, 91.

Intermediate Senior Group, 12, 13 and 14 years: Joyce Robinson, Cowansville, 100; Elizabeth Barber, Sweetsburg, 100; Lawrence Barber, Sweetsburg, 98; Byron Lee, Sweetsburg, 94.

Senior Group, ages 15 and 16 years and over: Wathan Brack, Granby, 94; Norma Clouston, Granby, 93; Margaret Potvin, Sweetsburg, 92; Frances Ingalls, Cowansville, 78.

The examination papers have gone forward to the Quebec Provincial and National judges for marking during the next two months.

Thanks are due both the county and local judges for the strenuous task which was theirs in doing the large number of papers which were sent in this year. Regret is expressed that none were received from Dunham as in former years.

General Notes

Mrs. Kenneth Miller and son, Dareth, are spending two weeks at Ste. Anne de Bellevue, with her mother, Mrs. Ruth Sweet.

Mr. J. Marcotte, of St. Simond, has rented Mrs. Emma Teal's house for the winter, while at work on the Hastings' wool lot.

Miss Yvette Gosselin has returned to the home of Mrs. S. J. Mackie, "Wendybrook Farm," after being in a Quebec hospital where she underwent an operation for appendicitis and afterwards visited her parents in Quebec City, while recuperating.

The Jehovah witnesses, who had trial and sentence for one year in jail, Charles F. Royon, thirty years old, and Walter A. Sprague, eighteen years old, of Montreal, for circulating pamphlets around Bolton Centre, have been allowed out on bail of \$750 each and will stand trial before the Court of King's Bench next autumn.

Mr. and Mrs. Albert Royea, of Gilman, entertained for Mr. and Mrs. William Mason at a large party.

Mr. and Mrs. Milton Moffatt were holiday guests of Mr. and Mrs. Henry Alger and family.

Mr. and Mrs. William Jolley, of West Shefford, are occupying Mr. R. L. Wells' farm on the Centre Road.

Mrs. Rhea Moffatt and son, Mr. Wilfrid Moffatt, were holiday guests of Mr. and Mrs. Edward Raymond, near Iron Hill.

Sincere sympathy is extended to Mrs. Ruth Chapman, of Iron Hill, in the death of her husband, Mr. John Mark Chapman, who passed away on Tuesday at the Royal Victoria Hospital, Montreal, where he had been a patient for over a month. He had been in failing health for over a year.

Here's Quick Relief from SINUS PAIN

3-Purpose Medicine Helps Clear Out Congested Sinus Areas

ONE best way to get relief from torturing sinus pain is to clear congestion from nasal passages and give sinuses a chance to drain. A few drops of Vicks Vapo-rinol in each nostril is usually enough to bring this comforting relief.

Va-tro-nol is so successful because it does three important things: (1) shrinks swollen membranes of the nose; (2) helps clear out pain-causing congestion and (3) soothes irritation. Many sinus sufferers say it's best relief they've found. Try it!

C.W.A.C. GIVEN NEW DUTIES IN COAST DEFENCE

1st Kinethedolite Detachment, R.C.A., Under Command of Woman Officer, Will Perform Technical Work.

Ottawa, Jan. 18.—Members of the Canadian Women's Auxiliary Corps will play a big part in the formation of the 1st Kinethedolite Detachment, R.C.A., which has been authorized by the Department of National Defence. This unit will conduct work of a highly technical nature, and will be manned by personnel with senior matriculation or better.

The detachment will come under the supervision of the Director of Artillery, National Defence Headquarters, and will be commanded by 2nd Lieutenant Mary V. Puckering, C.W.A.C. of Toronto and England. The training is being carried out under an artillery officer.

Second Lieutenant Puckering came to Canada seventeen years ago and settled in Toronto. She enlisted in the C.W.A.C. as a private and served actively in the ranks, until she received her commission.

While details of the working of the kinethedolite are too technical for discussion here, the nature of its activities can be told.

The kinethedolite is a combination of a camera and a surveyor's instrument. It will serve to eliminate any margin of error

The Royal Bank Of Canada 74th Annual Meeting

Morris W. Wilson, President and Managing Director, urges post war planning on basis of free enterprise—Only system likely to appeal to self-reliant young Canadians.

Sydney G. Dobson, Vice-President and General Manager, reports assets over \$1,291,000,000—Liquid position exceedingly strong—War adds heavily to routine duties of banks.

The intent and ability of the free enterprise system to meet the challenge of the post war world was the keynote of an address by Morris W. Wilson, President and Managing Director of The Royal Bank of Canada at the bank's 74th Annual Meeting.

"Assuming intelligent co-operation on the part of Government," said Mr. Wilson, "free enterprise, which has already provided for the people who live under it the greatest degree of comfort and security in the world's history, can meet the challenge of the post-war world. It can, by accepting further social responsibility, save the people from the evils that accompany state control—oblation of private life, destruction of personal freedom, elimination of individual incentive, and the extinction of those extra gains which fairly go to those who work specially hard."

"Free enterprise, with its wealth of experience, established position, and wide resources, is the only system known to us under which the job can be done. The prophet who now foretells that our whole system will be swept away in favour of some economic heaven and earth as yet unformed, is not only misguided but dangerous. He is dangerous because his preachings interfere with confident concentration on the war effort, and they are menacing to the practical solution of the problems of peace."

"Changes must take account of realities rather than theories. When this war is won, the soldier will wish to get back to his everyday life; the farmer will still want to own his farm; the small house-owner will desire to retain his ownership; the retailer, the wholesaler, and the manufacturer will be found as anxious as ever to carry on their own branches of our free enterprise; and the three million thrifty holders of their country's bonds will still look for, and be entitled to, their interest earnings."

"The idea of profit, which is merely payment for work and initiative, is deep-rooted in human nature, and after the war it will still motivate individuals and corporate bodies. In progressive countries, development is constant. As to sudden, revolutionary change, that is the province of the economic system, upset the mode of life and disperse the savings, investments and insurance of the people of this nation, I think the proposition needs only to be stated to reveal its folly. At the same time, it is dangerous to allow its propaganda to go on unanswerd."

BENEFITS OF FREE ENTERPRISE

Mr. Wilson said he did not ridicule the views of anyone upon the sole ground that he was a socialist or demagogue.

"The weakness however, of those who theorize about post-war economy" he said "often lies in their lack of practical experience of business and their disregard of the wide-spread, undeniable diffusion of the benefits of free enterprise in the form of rising standards of living. This experience and these facts are readily available. Business should assemble and analyze them, and present to the public their irrefutable conclusions, showing the true intent and ability of the system of free enterprise to do the things that need to be done. That is the only real way to carry the judgment of the people."

"There are plenty of hard-headed people in Canada who, for instance, have money in the bank; there are more than five million deposit accounts, totalling more than \$3,300 million. Your bank alone has substantially over one million deposit accounts. There are more than three million Canadians holding their country's Victory Bonds, War Savings Certificates or other government obligations. There are more than four million individual holders of life insurance policies in Canada. These are the people who, alert to their own well-being, will tell the theorists and agitators what changes are acceptable in the mode of life which, with all the faults it may possess, has produced these savings and these bulwarks of personal and family security. These are the people who must be considered by those who seek to influence the course of events."

Mr. Wilson readily acknowledged that the system of free enterprise—in fact the whole economic system and our institutions of free Government—were the results of evolution and expressed the conviction that some of the changes which had been brought about by the war would remain. "There must and will be development, particularly in the realm of maximum employment and freedom from want. The ordinary people of the world will look to some agency at the war's close to avert mass unemployment. No pretensions plans for pensions, nor all the social security measures devised by Governments will be effective without a solution of the employment problem," he said.

COLLECTION OF TAXES

Referring to the present method of collecting personal income taxes, Mr. Wilson expressed the opinion that the present eight months' lag in payments created a most serious difficulty so far as the individual taxpayer was concerned and could not be in the best interests of the country. He pointed out that at present the taxpayer was always eight months in arrears in his payments and that this extra tax liability could, under certain circumstances, become a very serious burden. He felt that a cancellation of

taxes for the eight months involved would not necessarily result in any diminution of revenue to the State. It would only be necessary to retain the higher scale of taxation for a somewhat longer period, and at all times the Government would then be collecting its taxes from current earnings and not on earnings of the preceding year. Mr. Wilson hoped that the Government would respond favourably to the many representations that were being made to it on this subject.

GENERAL MANAGER'S ADDRESS

In presenting the financial statement, Mr. Sydney G. Dobson, Vice-President and General Manager, noted that the present high tempo of business activity due to war was clearly reflected in the bank's balance sheet, and that under a number of headings record levels had been attained. Despite steady expansion in the bank's business, profits had been reduced, due in part to relatively low yields on the bank's heavy investments in government bonds and to increased taxes.

Because of the decrease in net income, the bank had found it necessary to reduce the dividend rate of 8% to 6%. In this connection Mr. Dobson noted that during the past 12 years bank shareholders had had their dividends reduced more drastically than those in most other lines of business and that on the basis of today's dividend, the return is only 3.27% on the average cost of the shares to the public over a period of years.

"Total assets are now \$1,291,615,946, an all-time high in the history of the bank and increase during the year of \$216,436,185," said Mr. Dobson. "Our liquid position is naturally very strong, total liquid assets of \$906,440,239 representing 75.44% of our total liability to the public."

Mr. Dobson also noted that deposits totalling \$1,181,217,192 had increased by over \$225,000,000. Of the total \$929,039,940 were in Canada.

COMMERCIAL LOANS

"Commercial Loans in Canada expanded during the year \$13,365,555 and are now \$255,148,401. Included in this amount are temporary loans of \$42,971,183 to assist purchasers of Victory Bonds. As there was but a small total of such loans current at the end of the previous year, it will be seen that ordinary commercial loans are considerably lower as compared with a year ago. Considering the tremendous expansion in business activity throughout Canada, the situation is anomalous, but the explanation is that the expansion is largely in connection with war work. This is either financed directly by the Government, or because of prompt settlement for monthly or fortnightly accounts, the manufacturer is able to finance without any, or at any rate with very moderate, assistance. There has never been a period in the history of this bank—and I may say a similar situation applies to the other banks—when the ratio of commercial loans to deposits has been so low. The outlook in this respect is not encouraging, as unfortunately the tendency seems to be for the Government to extend its policy of directly financing industry engaged in war work."

The General Manager reported that, in conformity with the Government's wish to conserve manpower, the bank had closed 39 offices. This, he said, did not mean lessening of business for the bank but rather a consolidation. It did, however, represent an inconvenience to some of the bank's customers but he felt that they would appreciate that the exigencies of war necessitated such steps.

MANY OF STAFF IN UNIFORM

"During the war period our staff in Canada has increased from 5,165 to 6,049. Many new members being almost all young women. Our male staff is now reduced to 38 per cent of the total and it is not uncommon to find that at a branch with 15 to 20 employees there are only 4 or 5 men. I cannot speak too highly of the manner in which these new members of our staff, many without any previous business experience, have carried on their duties, often under difficult conditions. Routine work has increased as a result of war activity. The handling of Victory Loan applications and the negotiation of coupons alone entail a great deal of additional work and the volume of cheques in circulation has grown considerably. Many of the young women recently engaged are called upon to assume responsibilities which under normal conditions would be performed by experienced men. This means that the senior officers, in addition to looking after their own duties, must devote much time to supervision and training."

"We are proud of the contribution made by our staff to the armed services. Since the outbreak of war we have granted leave of absence for military service to 1,876 men. Of this number, 1,792 enlisted from Canadian branches, and this is equivalent to well over half of the male staff under 45 years of age at the outbreak of war. I am sure I am voicing the feeling of the shareholders when I say that we wish a safe return to these men who are serving their country so patriotically."

"Unhappily there have been casualties. Thirty-four of our young men, whose names are recorded in the printed proceedings of this meeting, have given their lives in the service of Canada. These names are held in honour, and we pay tribute to their memory."

I.O.D.E. GROUP HELD SESSION AT MELBOURNE

Active Month in Relief Work Reported by Udoiphus Lord Aylmer Chapter of I.O.D.E.—Other Richmond Notes.

Richmond, Jan. 18. — Udoiphus Lord Aylmer Chapter, I.O.D.E., met in the Melbourne Town Hall. Mrs. G. A. Chamberlin was in the chair. The minutes were read by Mrs. C. R. Boast, secretary, and Mrs. C. E. Manning gave the Treasurer's report.

The total proceeds of the drawing for the doll donated by Mrs. P. S. G. Mackenzie and Miss Penfold was \$40. This amount will be sent to the Camp Libraries Fund. Mr. D. R. McLaughlin was the holder of the lucky ticket. He sold the doll and donated the proceeds to the I.O.D.E.

The War Service Convener's report was as follows: Sent to Headquarters for bombed area victims: 14 pinafores, 2 large quilts, 6 small quilts, 9 pairs small socks, 6 pairs large socks, 2 sweaters, 2 pairs mitts, 2 suits (4 pieces), 2 pairs slippers; sent to the armed forces: 6 sweaters, 8 scarves, 4 pairs wrist-lets, 15 pairs socks, 1 helmet, 11 tuck-ins, 3 pairs gloves, 4 pairs sea boot stockings and 2 pairs mine-sweepers' mitts.

Miss M. Harkom, Library Convener, reported that a shipment of books of what had been done in the Educational Department since the November meeting. Sixty calendars were purchased, twelve of which were donated to schools. Forty-eight have sold more readily than usual owing largely to the good salesmanship of Miss Davis, who very kindly took charge of sales. The fact that large sized advertising calendars are very scarce this year also had a favorable bearing on sales. Four subscriptions to the Canadian Heroes Magazine were purchased. The recipients of the magazine being the three schools in Richmond and the Melbourne School. The names of forty-two pupils at St. Francis College High School have gone forward to Mrs. Eaton, the new Provincial Convener of Empire Correspondence, to be linked with pupils in other parts of the Empire. It was decided to follow up some of the suggestions made by Mrs. T. P. Ross in connection with the necessity of doing something for the local schools. Mrs. T. P. Ross and Mrs. A. McEae were appointed to purchase frames for the War Memorial pictures, which was donated to St. Francis College High School. School libraries were discussed and it was recommended that a survey of the schools in this locality be made to ascertain where the need of a library is most urgent.

The Child and Family Welfare Convener, Miss G. Mathias, requested permission to have eight pints of milk left each morning for some pupils in the lower grades of one of the local schools.

The Nominating Committee, namely, Mrs. Grant Campbell, Convener, Mrs. George Walker, and Mrs. George W. Ewing and Mrs. J. S. MacNaughton took charge of the nomination. Mrs. Campbell read the list of nominations and requested any member, whose name had been mentioned for office and who did not desire to act to notify the Convener in writing two weeks prior to the posting of the lists. The lists will be posted in the Richmond Library and at the Town Hall Melbourne.

It was decided to serve cocoa and biscuits at the next meeting, when the hostesses will be Mrs. G. A. Chamberlin, Mrs. C. E. Manning and Mrs. C. R. Boast.

THE JUNIOR W. A.

The Junior W. A. met at the home of Mrs. George Walker, College Street, with Miss Isobel Salway as hostess. It was the annual meeting and the new officers for 1943 are: President, Miss Mildred Lemoine; Vice-President, Miss Sheila Walker; Secretary, Miss Alice Adamson; and Treasurer, Miss Eleanor Boiber.

The Ladies' Association of St. Andrew's Presbyterian Church met at the home of the President, Mrs. W. E. Melver, Lower Melbourne, on Wednesday afternoon, January 6th. The meeting was opened by the President with Scripture reading followed by the Lord's Prayer in unison.

Reports on the past year's work of the Association were read by the Secretary, Mrs. J. F. Converse, and the financial report by Mrs. George F. Jamieson, which showed a substantial balance on hand of \$495 and all bills paid.

Owing to a small attendance at the December meeting, the election of officers for 1943 took place at this meeting, with the following being elected: President, Mrs. F. J. Verrill; Vice-President, Mrs. W. E. Melver; Secretary, Mrs. Arthur Parsons; Treasurer, Mrs. W. J. Osborne.

Plans were made for a "Burns" tea to be held at the home of Mrs. F. J. Verrill, on Tuesday afternoon, January 26th.

The meeting closed with the Mizpah benediction and refreshments were served by the hostesses.

The Association will meet again on February 3rd, with Mrs. Norman H. Ross, Cleveport Avenue.

THE C. G. I. T.

The C.G.I.T. met in the College Street Church Hall, which is being used as temporary quarters for a large attendance. The President, Miss Lucy Healy presided. The minutes were read by Miss Barbara Fee, the Secretary. The members voted unanimously to affiliate with the local W.M.S., and the affiliation ceremony will be held as soon as possible.

Plans were made for a sleigh drive to be held on January 22nd.

Mrs. M. Armitage gave a very interesting address on "New Year's Resolutions." The girls were pleased to welcome Mrs. Armitage at this meeting as she has associated herself with the group during the past few years but owing to other duties she is unable to carry on as a leader.

Miss Irma Crook conducted a "Quiz Contest." This was followed by a spelling match. The winner was Miss Lyla Stimson.

Two new members were welcomed, bringing the total number on the roll call to thirty-four.

THE RED CROSS

The local Red Cross Group sent seventeen sweaters, 68 pairs of sea boot stockings, three pairs of sea-men's socks, 21 pairs of gloves, 4 helmets, 1 turtle neck tuck-in, 6 pairs socks, 4 pair of mitts, 1 pair of baby's mitts, 1 pair of baby's socks, 1 lady's slip, 40 bandages, 10 sailors' bags, fifty dental towels, 1 baby's quilt, 27 quilts, four afghans, to Red Cross Headquarters representing their efforts for the month of December.

THE CANADIAN LEGION NO. 15

Branch No. 15 Canadian Legion, B.E.S.L., entertained the local Girl Guide Troop to an exciting sleigh ride.

There were about thirty-two girls in the party and the hosts, under the leadership of Mr. H. N. Becker and Mr. Norman Ross provided delicious refreshments following the outing.

OBITUARIES

MRS. ELIZABETH FORD, MILLETT, FORMERLY OF COWANSVILLE

Concord, N.Y., Jan. 18.—Mrs. Elizabeth Ford Millett, who was born Mary Elizabeth Ford at Cowansville, Que., fifty-nine years ago, died suddenly at her home here on December 9, following a heart attack. Mrs. Millett was the widow of the late Frederick Strickland Millett and had resided at Concord for about forty-five years, where she had long been prominent in local women's organizations. Her husband, who preceded her six years ago, was assistant-treasurer of the State Street Trust Company.

A daughter of the former Sarah Willard, a descendant of one of the founders of Concord, Major Simon Willard, Mrs. Millett was born on August 31, 1883, and shortly after the death of her mother several years later left Cowansville with her brother to take up residence here with her mother's cousin, Mrs. Burrill. They both completed High School and Miss Ford graduated in 1903, just six years before her happy marriage with Frederick Millett.

Following this memorable event Mrs. Millett's main interest was her home where her and her family's hospitality endeared them in the hearts of all who had the pleasure of knowing them. She was well loved for her directness, human sympathy and devotion.

During the last war as well as the present one, Mrs. Millett worked wholeheartedly in the interests of the Red Cross and for years was chairman of the Concord Tuberculosis Committee. Prominent in many town activities, she had a vital interest in people and when sorrow came she unselfishly turned her thoughts from herself to those in need. Her vivid life, energy, sympathy and intense

TRAINING CENTRE SIEZES SECOND PLACE

Lareau Leads Army In Defeating Paper Squad

Lord Sherbrooke's scoring again reached double figures in yesterday afternoon's game here, which was no surprise. What caused considerable eyebrow lifting was the fact that they did it at the expense of the highly regarded Windsor Mills aggregation, pre-game holders of second place in the E.T.H.L. standings. By trouncing the visiting Papermakers 10-4, the Training Centre squad climbed into the No. 2 slot, one slim point over their opponent's total.

Leading the soldiers in their upward surge was Defenceman Bob Lareau who rung up four markers and earned one assist. He played a standout game and his rink-length rushes brought roars of approval from the 400 or so fans who attended one of the fastest and most exciting games of the current season.

Overcoming a three to two deficit resulting from the first twenty minutes' action, the army soon came to life in the next frame, tying it up on Guerin's goal and going ahead on David's marker. From here on in the Training Camp were never headed as they concentrated on adding to their lead.

Guerin opened the scoring for the soldiers after five minutes of the first period, knocking Lareau's rebound past Longpre in the Windsor nets. St. Germain then sent off for high-sticking and Windsor Mills put on the pressure in an effort to equalize the score. They came close when Leblanc hit the upper crossbar with a sizzling shot. Back at full strength again Lord Sherbrooke broke away from their end, Lareau carrying the rubber and on reaching the Papermakers' defence let go with a waist-high drive that went in under Longpre's arm.

This put the army two up but the Windsor team came back strong to score three goals in three minutes, two of them while they were short-handed. McLennan got the first of these on a major penalty shot, awarded him after Dugre had frustrated his scoring chance by holding. Taking the disc from the blueline, Bus rode in on the unprotected and almost helpless Charbonneau and lifted the puck into the upper right-hand corner of the cage. The second counter came when McLennan came in swiftly to bang a rebound past the surprised Charbonneau. Rivard

SLUG-FEST WAS MAJOR ITEM IN QUEBEC EVENT

Wholesale Banishment Resulted from Series of Clashes Between Commando Players and Morton Aces.

By The Canadian Press
Morton Aces played in two overtime games in week-end Quebec Senior Hockey League activities. In the Saturday night encounter at Ottawa, both teams scored two goals in the extra session to end in a 5-5 deadlock while at Quebec City yesterday Pte. Sid Jerny of Ottawa netted a goal in the overtime session to give the Ottawa Soldiers a 5-4 triumph.

In a doubleheader at Montreal, Saturday night, Montreal Army nosed out Montreal Royals 5-4 while Montreal Air Force shellacked Montreal Canadiens 6-0.

Mike McMahon of Morton Aces and Spr. Alex Shibikey of Commandos started something of a slugfest early in the Sunday afternoon game and before long groups of players were having little private arguments across the ice sheet.

Shibikey, Colville, Cpl. Polly Drouin and Pte. John Inglis scored for Ottawa while McMahon and Neil Colville left on major penalties. An additional minor penalty went to McMahon.

Shibikey, Colville, Cpl. Polly Drouin and Pte. John Inglis scored for Ottawa while McMahon and Neil Colville left on major penalties. An additional minor penalty went to McMahon.

On Saturday, Joe Desroches, Bill Robinson, Rolfe Gossignol, Stahan and McMahon collected the Aces goals while Drouin and Inglis each sunk two for the soldiers with Colville adding the fifth.

Montreal army's game saw Pte. Kilby MacDonald net two goals while Ptes. Red Doran and Fred Thurler and Cpl. Bob Fillion added the other three. Royals' goals went to Tag Miller, who did the hat trick and collected three goals, and Roy Heximer.

In the Air Force shutout of Canadiens, A.C.2's Marcel Bessette and Pete Morin each scored twice while A.C.2 Eddie Bouchard and A.C.2 Kenney Modell were other scorers.

All this activity had little bearing on the standings, for the idle Cornwall army team were still head and shoulders above its nearest rival. Air Force consolidated its hold on second place while Aces added a single point to hold onto the second-place berth. Ottawa and Montreal, army were on an even rung in fourth position, while Royals and Canadiens rank sixth and seventh respectively.

Sault Greyhounds, 1924 Allen Cup Champs, Holding Reunion

By CHARLES EDWARDS,
Canadian Press Staff Writer
Toronto, Jan. 18.—(P)—Members of one of Canada's greatest amateur hockey teams, the Sault Sault Ste. Marie Greyhounds, 1924 Allan Cup champions, will be guests at a reunion in Toronto February 4, 5, 6 at the invitation of their former coach, George McNamara, now head of a large construction company.

Players expected to attend are: Flat Walsh, Kingston, Ont.; Stan Brown, Windsor, Ont.; Babe Donnelly, Gloomy Lassard and Art Nichols, all of Sault Ste. Marie, Bill Phillips, Thessalon, Ont.; Bun Cook, now coach of Providence Reds, Johnny Woodruff, Chatham, Ont.; Wasp Campbell, Wichita, Kas.; Eddy Burke, Kansas City, and Dutch Cain, Calgary. From that great team Walsh, Donnelly, Phillips and Cook went on to N.H.L. stardom.

Incidentally: They're calling Cornwall's Quebec Senior Hockey League team "The Bridgebrooms." George Imlach, Steve Latoski and George Ritchie were married Saturday, Jack Church a month ago, Johnny Greco, Montrealer rated by the National Boxing Association as a "logical contender" for the lightweight title, enlisted with the Royal Ordnance Corps last week. Now it depends on the Army whether Johnny is permitted to fight in New York February 19 with Chalky Wright, Beau Jack or Sammy Angott as his opponent.

Pleasure Driving Ban Has Some Benefit For Hershey

By The Canadian Press
The Office of Price Administration ban on pleasure driving in the Eastern United States has brought Hershey Bears of the American Hockey League some good after all. Although the restriction resulted in a slash in their average home crowd from more than 6,000 to approximately one-fifth that amount, the ban pushed them into first place in the league standings instead of leading only the Eastern division.

Because New Haven was unable to continue when the ban was enforced, the League has been consolidated into one seven-team circuit. Previously it raced through the first two-thirds of the schedule with an Eastern and a Western division, each of four clubs.

The Eagles, whose Coach Eddie Powers dropped dead of a heart attack a few hours before the team's last game, moved into third place in the Eastern division before disbanding. Gus Mancuso and Joe Shack were sold to New York Rangers, four other players were shipped to Washington and Orville Walfurff to Buffalo.

In their final game for the duration, the Eagles drubbed Providence 3-4 after dropping Washington 3-2 the night before.

Gounod Carried Off Laurels In Annual Inter-Club Rally

The Gounod Snowshoe Club carried off first place honors in the annual Inter-Club Competition yesterday between Sherbrooke associations. Only two clubs entered the competition, Gounod and Dollard, while St. Francis had representatives in the junior class.

In the seven senior events, the Gounods took four while Dollards won the other three. The three-mile main event went to R. Lessard, of Gounod, who went the distance in twenty-four minutes and two seconds. Another Gounod member, P. Marcoux, came in right behind him, three minutes later, and the Dollards were represented in the third slot when G. Bolland came in at 29.7.

The three other races won by the Gounods were the 140, 220 and 100 yards for men. Dollard came out on top in the 100 yard event for men over 180 pounds, and the 100 yards and 60 yards for ladies. The St. Francis Club won the two junior races, A. Lefebvre capturing the 100 and 220 yards.

Individual honors went to Gounod's L. Gendron who took first position in the 100 and 220 events, P. Marcoux of the same club came first in the 440 and was runner up in the three-mile and 220 yard races.

Mrs. D. Grouin, Dollard, ran the one hundred yard race in 19.2 seconds to win the Eastern Townships Ladies' Championship for this distance.

BASEBALL HAS REAL PLACE IN AMERICAN LIFE

American Baseball League President Convinced that Game Will Have Definite Part in War Plans.

By WILL HARRIDGE
President, American Baseball League
Chicago, Jan. 18.—(P)—Looking back over baseball's first war year, the enthusiastic response of fans to the game during 1942 leads me to believe confidently the game will do as good a job in 1943.

The two major leagues have made their plans for the 1943 season, confident the game can continue not only its recreational contribution, but also aim at matching the sizable financial contribution made by the sport to United States war relief funds during 1942. And as the season progresses every club undoubtedly will further streamline its plans in line with the times.

There are 116 American League players in the armed forces of the United States and Canada, with prospects many more will join the colors before opening day, April 21. Yet, I am sure every club in our league will place on the field teams which will be a credit to the game and at the same time provide a closer championship race.

At Detroit Saturday, a third-period goal by Chicago's Cully Dahlstrom offset a first-period shot by Johnny Holota of Wings, but it was turned out in Chicago Sunday when Wings scored twice within two minutes to erase a 2-1 lead.

After Doug Bentley and Bill Thom gave Chicago a 2-0 lead in the first period, Wings finally clicked at 18:51 of the third period on a thrust by Bill Jennings. Then, just a second before the final siren, Sid Abel poked the tying goal home from a scramble.

The contest in Montreal Sunday found Leafs unable to find the net against Paul Bibeault in the Montreal nets. While Bibeault stood with Chicago.

Boston Took Advantage Of Any Week-End Opportunity

By AL HARVEY
Canadian Press Staff Writer
Their present status may or may not be symptomatic of general National Hockey League weakness, according to our line of view, but nobody will accuse Boston Bruins of standing idly by when opportunity knocks.

It knocked loudly during the N.H.L.'s 12th week-end of competition and Bruins responded with alacrity for a double victory. Using the tail-end New York Rangers' unwilling accessories, Bruins won 5-3 in Boston Saturday and 8-3 in Manhattan Sunday to strengthen their clutch on the league leadership.

Detroit Red Wings slipped five points behind Bruins by battling Chicago Black Hawks to two non-decision affairs, 1-1 in Detroit Saturday and 2-2 in Chicago Sunday. Toronto Maple Leafs, at their best in an 8-4 conquest of Montreal Canadiens at home Saturday, remained a point behind Detroit and four ahead of Chicago by dropping a 2-0 verdict in Montreal yesterday.

The Montreal defeat Saturday broke a three-game victory streak and spoiled their chances of reducing Chicago's three-point advantage in the struggle for the fourth playoff berth.

Outstanding individual achievement was contributed by Centre Bill Cowley, who scored three goals and assisted in three others in Boston's 7-5 victory Saturday. The Sunday contest, played before a surprising crowd of 15,111 ever-draughty Ranger fans, saw Boston on top all the way.

MILITARY CALL-UP

Attention!

* SINGLE MEN *

A proclamation recently issued by His Excellency, the Governor-General, requires that every single man, born in any year from 1902 to 1923, both years inclusive, who has not already received a notice or order to report for medical examination under compulsory military service, must fill out a special form at the office of a Postmaster, a Registrar of a Mobilization Board or an Employment and Selective Service Officer not later than February 1st, 1943.

For this purpose the term "single man" also includes any male person who was a widower, or legally separated or divorced, and without a child or children dependent on him at July 15, 1940, or any such male person who has suffered the loss of his dependent child or children after that date; and any male person who, though married at July 15th, 1940, since that date became a widower, legally separated or divorced, and is now without a child or children dependent on him.

Please observe that single men who have received notices to report for medical examination under the military call-up and who have been examined as required, or men who are now in the Armed Forces, are NOT included in those to register by February 1st.

Penalties are provided for failure to register.

A FAMILY LINIMENT that brings quick relief from

SPEED in treating a sprain is essential if swelling and pain is to be reduced. At the first indication of trouble, just put on fine old Sloan's Liniment. You don't have to rub it in. Its penetrating warmth starts to act at once. Circulation is stimulated and pain and swelling subside.

Sloan's is active enough for dad or mother and safe for Johnny or Mary. Be prepared for those family emergencies and keep a bottle on hand.
