## Arlene Kilgour Receives Scholastic Award

Supervisor's Notebook

Twenty—about 40%—of our Protestant Teachers of the Central School Board areas of the County have just returned from Montreal, having attended the 91st Annual Convention of the Provincial Association of Protestant Teachers and a word or two about what was happening at this Convention might prove interesting and informative.

The Convention was held at the ultra-modern West Hill High School on Somerset Avenue with a Public Meeting on the evening of October 6th at the High School of Montreal on University Street preceded by the President's Reception at the Ritz Carlton Hotel.

The complete program was in the hands of the Teachers some time before the Convention in the form of a 32 page booklet. In the two days, Thursday and Friday, there were 7 General Meetings of interest to all teachers and 27 Sectional meetings designed to be of interest and help to specific groups of teachers in their day to day classroom work.

I am not going to list all 27 sectional meetings but it should be pointed out that there was certainly something for everybody. Arts and Crafts, Classics, English, French, Science, Geography, History, Guidance, Home Economics, Industrial Arts, Mathematics, Physical Education etc., etc.

The Public Meeting at the High School of Montreal on Thursday evening was of particular interest to our Pontiac Teachers because our Helping Teacher, Miss Arlene Kilgour received an Award of Scholastic Merit, First degree, in recognition of her contribution to Education in this Province. A total of thirteen Teachers were honored at this Ceremony. During the meeting we heard selections by the Westmount Junior High School Orchestra and an address by Ralph Allen, Editor of MacLean's Magazine.

## Bristol Native Passes At Fort William

Nelson Angus, Bristol native, recently of Fort William died in Hospital after a short illness. He was born June 13, 1878 at Bristol, Quebec and was the son of the late Mr. and Mrs. Archibald Angus.

Educated in Bristol, Mr. Angus went to Fort William in 1909 and was engaged in drawing and team-work there for many years.

From 1941 to 1948 he was employed with the Great Lakes paper company as watchman.

Married to the former Miss Annie Dagg at Chapeau, June 13, 1913, his home and family were his main interests in life.

Surviving are his wife at home, three sons, Leslie of Lachine, Gor-

zine. The whole evening was one to remember.

Much could be said of the Convention and the benefit to be derived by attending it year after year. Without doubt the twenty teachers who were there from this area came back feeling well repaid for the time, effort and money spent in making the trip. I feel more than justified in encouraging all teachers to attend the Annual Convention of the P.A.P.T. and sincerely hope that when next October rolls round we shall find many more of our teachers at Convention. It is by such effort, study and contact with others who do similar work and meet similar problems that Teachers continue to grow professionally.

## Pontiac Plower Comes Third

Quebec's first provincial plowing match since 1918 was held on Tuesday at Macdonald College in Ste. Anne de Bellevue, with 22 contestants taking part. Top honors went to Rene Renaud, a 40-year-old plowman from St. Eustache, Que., representing Two Mountains county. S.J. Stothers from Beach Grove in Pontiac county was third.

## Farewell To Frank Lawler

"This is all very kind, but terribly exaggerated", said Rev. Frank Lawler in response to words referring to their association with him, by Rev. Gordon Stewart of the United Church at Bristol. Mr. Douglas Fulford of the Bristol Presbyterian Church, Mr. William Brown, of Shawville Rotary and Rev. R. G. Elliott of Shawville The first two spoke of friendships that had grown up between them as they labored in that community Mr. Brown of how important it was to have men of Mr. Lawler's calibre in rural districts and how much he would be missed not only by the church, but also by Shawville Rotary. Mr. Elliott reminisced of his long association with the guest of the evening, at college, in neighboring parishes, both in the city of Montreal and here in Pontiac, and said he too would miss Mr. Lawler as a neighbouring priest to whom he could always entrust his work during short periods of absence from the parish.

The gathering under the auspices of the Fellowship group of the Anglican and Presbyterian churches at Bristol met in the home of Mr. and Mrs. Clemmens. The Rev. I. E. Caver was a capable chairman. Proceedings began by singing: "Blest be the tie that binds" and closed singing Auld Lang Syne. During the evening piano selections were skillfully rendered by Mrs. Gordon Stewart and Mrs. Dalton Russell.

"Dick" Thompson, rector's warden of St. Thomas Church, read an address of appreciation of Mr. Lawler's work and Mr. Riley, people's warden presented Mr. Lawler with a purse of money from the group assembled.

No event of this kind in Pontiac being complete without eats, appetizing refreshments were served by the ever reliable ladies of the group, after which all dispersed to their respective homes satisfied, but regretting that Frank's cheerful presence would not be so much amongst them in future.

A Farm Forum Rally will be held for the forums in Pontiac East, on Friday, October 2, at 8 p.m. in the Auditorium of the High School, Shawville. As well, Forums in Pontiac West will hold their Rally, on Thursday evening, October 20, in the Parish Hall, Chapeau.

## At Home On 25th Anniversary

Mr. and Mrs. Asa Smith will be at home to their friends and neighbors to celebrate their 25th Wedding Anniversary, at their residence in Campbell's Bay, Que., on Saturday, October 22, 1955, from 3 to 5 and 7 to 9.

With the guest of the evening, at college, in neighboring parishes, both in the city of Montreal and here in Pontiac, and said he too would miss Mr. Lawler as a neighbouring priest to whom he could always entrust his work during short periods of absence from the parish.

## Strawberries And A Spud, Still No Corn

Those strawberries came in very suddenly last Friday morning at eight thirty. We had been raving about raspberries in Shawville and apple blossoms in Ladysmith and only day dreaming about strawberries and a dozen ears of sweet corn. This was in last week's Equity. Mrs. Reuben Smith sent one of her youngsters over with some strawberries which were ripe, red and delicious—picked Friday, October 7! Still we are waiting for the corn but in the meantime Martin Black dropped by the office with a two and three quarter pound potato, which he planted with seed from Everett McDowell on June 13. This potato is a real beauty.

Then on Tuesday another handful of strawberries was brought in from Austin by Elliott Hodgins.

McDowell, seconded by Mrs. A. McDowell that we buy an Oxygen carrier, in memory of Mrs. Tracy. Moved by Mrs. E. McDowell seconded by Mrs. Kelly that we have a Rummage Sale.

There were 36 articles mended and donations from Mrs. Fokes were 50 baby pads.

Thank you notes were received and read from Mrs. Merton Glenn, Tracy Family.

The meeting adjourned and refreshments were served by Mrs. R. G. Hodgins and Mrs. G. Walsh.

## Orphanage Receives Stock For Thanksgiving

Thanksgiving Day was celebrated at the Brookdale Farm Orphanage at Farm Point yesterday the only orphanage for Protestant children in Western Quebec.

The observance of Thanksgiving was accompanied by the donations of a milking cow, flocks of turkeys, geese and hen to the 40-acre farm where 13 children are cared for under the kindly eyes of Mr. and Mrs. Lloyd Watterson. Mrs. Watterson was the former Jessie Hyde, a member of a well known Gatineau family.

More than 250 persons accompanied officers and directors of the

farm on a visit to the establishment and were told that there is urgent need of an extension to the farmhouse. Officers of the orphanage in attendance were Hibert Vipond, of South Hull, honorary president; James Thomson, Buckingham; directors, Don McKenzie, Ottawa; Hilliard Hobbs and Athol Dale, of Shawville; Albert Shouldice, Aylmer Road; Allan Carey, Campbell's Bay and Howard Harris, Gatineau.

A highlight of the celebration was the announcement by Gerard Desjardins, MLA for Gatineau that he will ask the Quebec Government for a grant to the orphanage.

## Two Seriously Injured In Highway Accident

The Shawville community was shocked last Friday to hear of a serious accident involving the family of Charles Imison.

Due to an accident last Friday when their car was in collision with a gravel truck near Breckenridge on the No. 8 Highway, Mrs. Charles Imison and her daughter have been both confined to hospital. At the Hotel Dieu in

is Mrs. Imison, suffering broken ribs and a broken leg. At the Ottawa General Hospital is Helen with a complicated injury to her head. Both suffered multiple cuts and bruises about the face and hands and both have been reported to be recovering satisfactorily although their injuries are very serious. The Imison car is a total wreck.

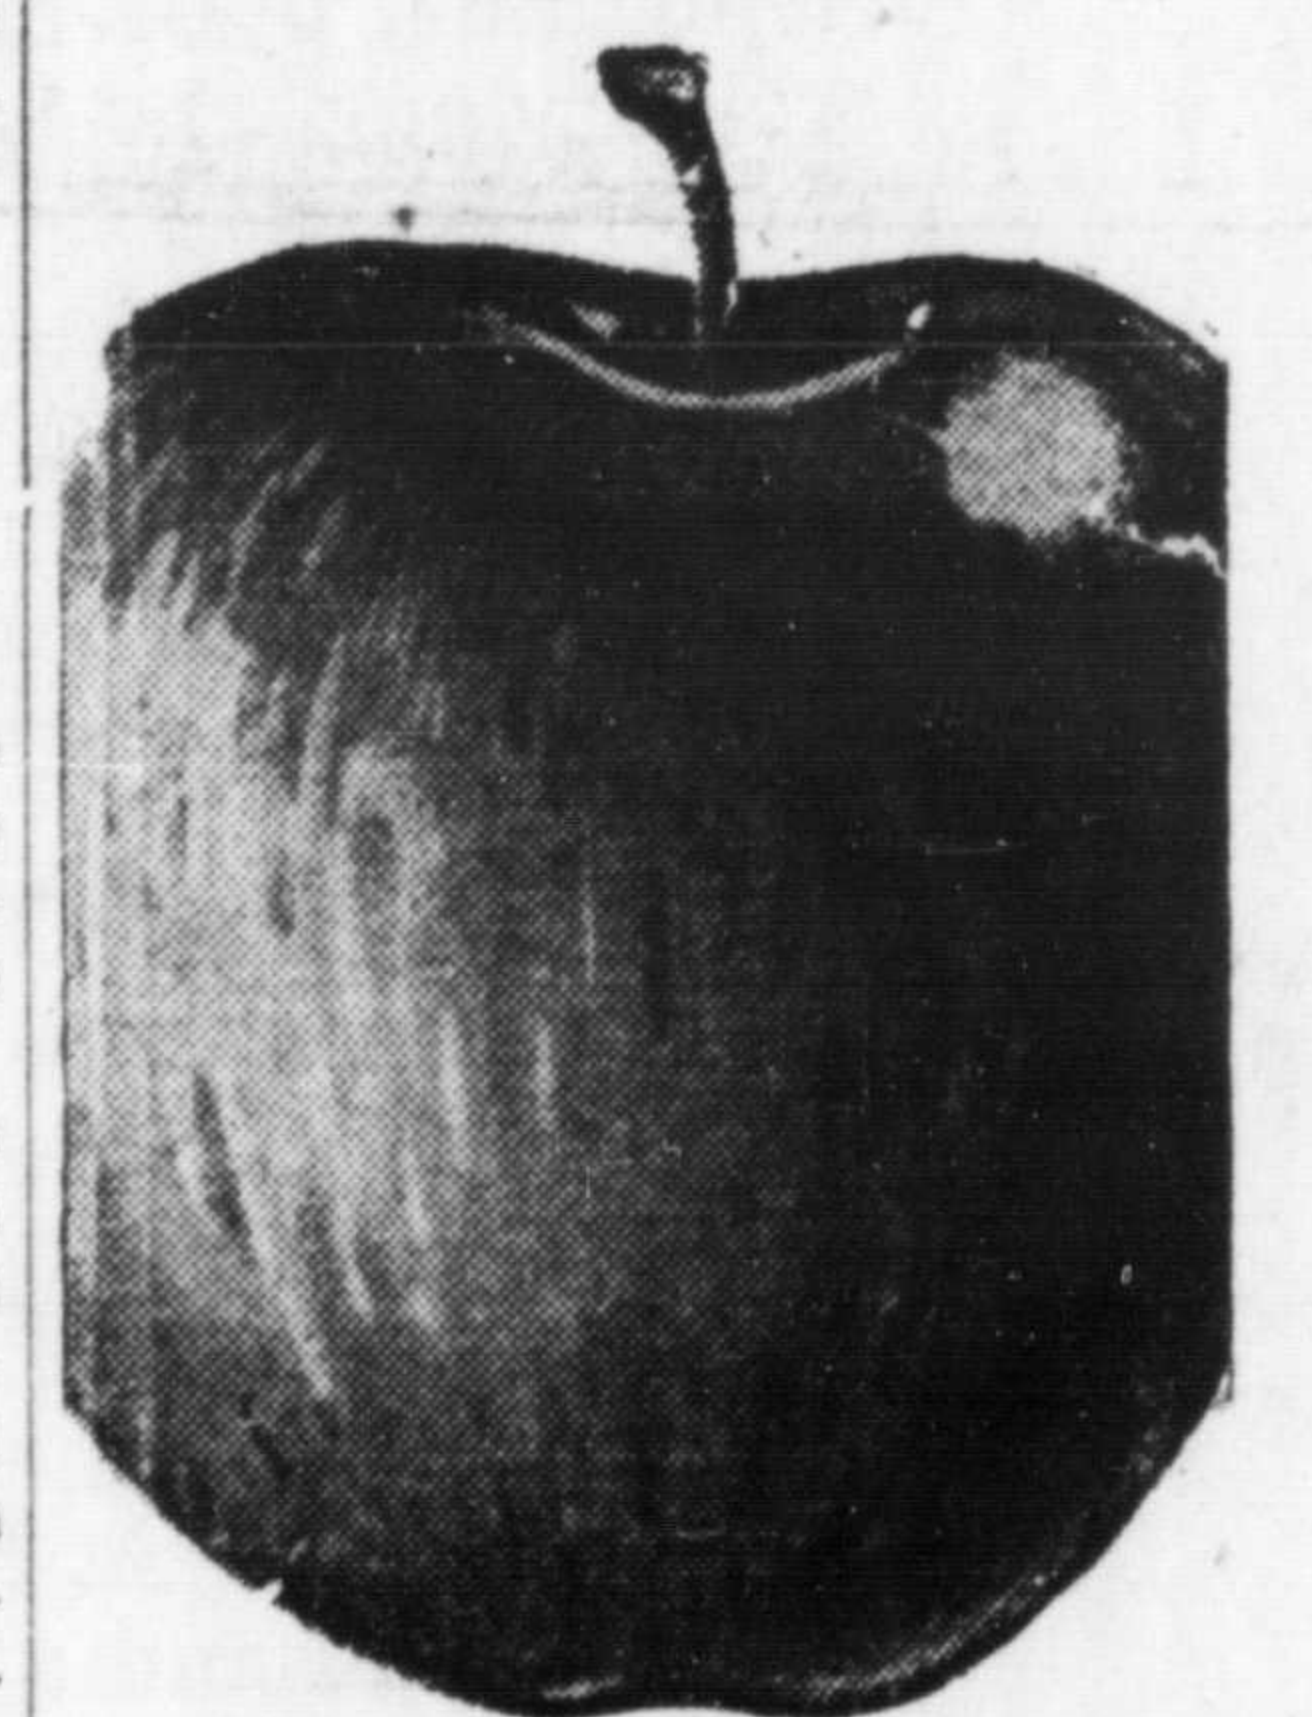

## Driving Club Wind Up Season

On Thanksgiving afternoon, the Shawville Driving Club closed its most successful season with a largely attended race meet on the Pontiac Agricultural Grounds.

Twenty horses were entered in the three races of two heats each with Toots Cecille of Pembroke as starter. There were two regular races offered, with junior pace and trot, senior pace and trot and a special race sponsored by the Dibblee, Lakeshore and Bertrand construction companies who put up between them a prize of \$250. This prize was presented to the club for contest by Ray Johnston, MLA for Pontiac.

This originated in the Maritimes when one year there was such a surplus of apples that the Scouts of those provinces undertook to help sell them for the growers, as a Good Turn. It was quite successful and the Boy Scouts Association as a whole adopted this as a Group Good Turn to assist their Group Committees to help finance Scouting during the year. This is the one time when the boys actually collect monies for their Group Committee. For those who do not altogether understand, a Scout can not receive money for a Good Turn, but of course can be hired for a job, and the fact he is wearing that Scout Badge does a lot towards getting the job. A Scout does not

## Runaway Wheel Injuries Youth

Quyon—Thirteen year old Frederick Prevost, of Quyon, was painfully injured Sunday afternoon, when a run-away car wheel struck and threw him from his bicycle.

Frederick, son of Mr. and Mrs. Harry Prevost, whose home is on Highway 8 just west of Quyon, had been riding his bicycle on the road near the house when the accident happened.

Police said the left front wheel of a car driven by Herman Derouin flew off and smashed into the cyclist.

Dr. R. M. Hudson, of Quyon, was called and the boy was taken to Pontiac Community Hospital by Hayes Ambulance. Hospital authorities reported he had a leg fracture and laceration.

Constable Linden Young, of the Shawville detachment, Quebec Provincial Police, investigated.

Seen above are the late Nelson Angus of Bristol, Charteris and the Lakehead, and his family. From left to right, Earl Angus, Mrs. Nelson Angus, Leslie Angus and Gordon Angus.

## ROSETOWN'S DILEMMA

The Rosetown Eagle is a weekly newspaper similar in certain ways to The Equity in Shawville. We at The Equity read The Eagle and those at The Eagle office read The Equity and they will likely be as often amused at dissimilarity of problems existing in Rosetown, Saskatchewan to those in Shawville, Quebec, as we are. Just at the moment there seems to be some local dissatisfaction in Rosetown with their local School Board. It might well be supposed that those most dissatisfied with their elected Board members are the same ones who were too busy to go out and vote and therefore should keep mum with their dissatisfaction until they can actually do something about it next time there's a seat vacant on the Board. But they don't keep mum and their complaints drift into the Eagle office and the Eagle editor reflects them in the newspaper because that is his job. Rosetown's main complaint seems to be that their Board won't publish their minutes although the space has been offered to them for nothing. They seem to feel that if the minutes were published then everyone would know on whose motions certain decisions were made and why. Rosetown wonders, editorially, whether it is the only place in Canada where an elected body isn't taking advantage of free space in a newspaper. From our frequent visits to other small towns across the country (through the pages of their weeklies) we can reassure Rosetown that there are many in the same boat. Nobody anywhere enjoys being on a School Board, any more than they enjoy being on any other Board which requires hours of work, unpaid and unthanked. There may be the odd exception who feels that sitting on various Boards adds to his prestige but considering the criticism Board members must withstand no matter how hard they try to do the right thing, these few are very few indeed. The ordinary guy who has been pressed into community service on a School Board can only gain by publishing the minutes of the Board. He can only gain understanding from the electors for the number of varied problems he is faced with. The reasons for decisions and the names of those who initiate the decisions of the Board should be known so that in case the people of Rosetown do decide to take the time to vote at the next Board election they will know who to vote for, or against. We do hope Rosetown is able to straighten out this little matter. They have paid, and are still paying a great deal of money for their beautiful school and they feel it is their right to know what is going on there and why. At Rosetown there is both a local School Board and a Unit School Board. Whose responsibility it is to decide upon the disposition of facilities at the Rosetown schools is not clear but it can be assumed that those responsible for Provincial Grants read The Eagle and will eventually speak up if they feel the Boards are not administering wisely.

## Emmerson - Wilson

The United Church at Starks Corners, Quebec was the scene of a pretty wedding on Saturday, when Margaret Lillian, youngest daughter of Mr. and Mrs. Harvey Wilson of Starks, was united in marriage to Richard Bruce Emmerson, of Ottawa, son of Mr. and Mrs. Harper Emmerson of Weirstead, Que.

Given in marriage by her father the bride wore a full length white satin dress trimmed with lace and having a slight train, with fingertip veil of white net, and she carried a bouquet of red roses.

She was attended by her sister, Mrs. Hubert Elliott, as matron of honor two nieces as flower girls, Beth Elliott and Carol Wilson.

The best man was Keith Emmerson, brother of the bridegroom. The ushers were Robert Wilson and Hubert Beattie.

The wedding music was played by Miss Marianna Penner, of St. Catherine's, and the soloist was Miss Joan Kelly of Shawville.

Out of town guests were Erna Hunricks, Miss Elsie Janzen and Carry Gossen, all of St. Catherine's; Mrs. Margaret Valliant, Ottawa; Mr. and Mrs. T. S. Harris, Beachburg, Mr. and Mrs. Art Wilson and family of Port Colborne; Mr. and Mrs. Hubert Beattie of Renfrew; Miss Doris Palmer, Ottawa; Miss Doris Hayes, Buckingham.

After the ceremony a dinner was served to 75 guests in the dining hall of the United Church, and later Mr. and Mrs. Emmerson left by motor for a trip to a number of Ontario points.

For travelling the bride wore a brown suit with gold colored accessories and hat. On their return they are to make their home at 90 Fairmount avenue, Ottawa. The bride is a graduate of the St. Catherine's General Hospital.

### Sparling - Belanger Wed At Shawville

A very pretty wedding was solemnized in Shawville United Church by Rev. H. G. Lester, when Cora Belanger, daughter of Mr. and Mrs. Charlie Smith of Hodgins, Post Office, became the bride of Carl Sparling, son of Mr. and Mrs. Samuel G. Sparling of Otter Lake, on Wednesday afternoon at three o'clock on August 24th.

Given in marriage by her father, the bride wore a very pretty floor length gown of white nylon net over satin and lace. She carried a bouquet of lily of the valley, red roses and fern, a crown of pearls held her floor length veil.

The bride was attended by Mrs. Shirley Rooney, wearing a floor length gown of mauve net over taffeta and carrying a bouquet of lily of the valley, mums and fern.

Mrs. Edgar Hodgins played the wedding music.

The bride was attended also by Miss Goldie Horner as bridesmaid, wearing a floor length gown of green net over taffeta and carrying a bouquet of lily of the valley, mums and fern.

Maid of honor was Miss Ethyl Smith, sister of the bride, who wore a floor length gown of blue net over taffeta and carried a bouquet of lily of the valley, mums and fern.

The flower girl, Jeanette Belanger, wore a floor length gown of green net over taffeta and looked pretty carrying a bouquet of red roses, mums and fern.

The best man was Mervin Yach, and ushers were Earl Rooney and Charlie Smith, brother of the bride.

A lovely supper was held at the home of the brides' parents, guests including Mr. and Mrs. H. G. Lester. Later a reception followed at the Ladysmith Hall.

Out of town guests were: Mrs. George Black, Sudbury; Mrs. Holden Villemarie, Mr. and Mrs. Martin Villemarie and Mr. and Mrs. Elwood Sparling, also of Sudbury; Mr. and Mrs. Harvey Pain, Mr. and Mrs. G. B. Cook, Mr. and Mrs. Eric Elliott also the staff of Steadman's Store, Renfrew.

The bride and groom intend to make their home in Shawville.

"I've never seen  
anything like it"

"I'm wearing out plenty of shoe leather these days delivering Dow Ale to customers. Waiters in other clubs and taverns are saying the same thing. None of us has ever seen anything like the tremendous increase in calls for Dow. Seems that Dow's 'Cool Control' brewed flavor is exactly what the customers want."

# SHUR-GAIN FEED SERVICE

**YOUR HOME-GROWN GRAIN SUPPLY  
CAN LAST LONGER**

The grain you grow at home for feeding your livestock and poultry is a pretty important commodity. It has taken a lot of time and money to produce that grain crop and you don't want to waste it. You CAN WASTE a lot of grain if you don't feed it properly.

BEFORE you feed your grain.  
BALANCE IT with SHUR-GAIN.

Grain supplies energy in a livestock or poultry feed but, it DOES NOT supply sufficient protein, minerals and vitamins to meet proper requirements. That's why it takes about 1100 lbs. of straight grain to put a hog to market compared to just 600 to 700 lbs. of a mixture of grain and SHUR-GAIN Hog Concentrate.

**DON'T WASTE GRAIN**

Come in and see us about a SHUR-GAIN custom mixing service for livestock and poultry that will SAVE YOUR GRAIN and make you money.

## APPLE DAY

(Continued from Page One)

beg and Apple Day is virtually a Tag Day but the apple is given with the tag. The apples are not sold by the boys they are given. If you are kind enough to give say a dollar or a quarter for a tag, you will get just one apple which is given as some value for your donation towards Scouting. If you have contributed and are wearing a Tag, you will not be approached to "Please buy a Tag, Sir". I am writing this since there has been some mistaken idea that the boys are selling apples; they are not. They are only tagging, asking you for

Mr. and Mrs. Gerard Poisson, of Windsor, Mr. and Mrs. Emile Paquette and Miss Winnifred Poisson, Cornwall, visited Mr. and Mrs. J. C. Poisson over the holiday.

"Frem" Gervais, Port Colbourne, Ont., is up for the 'hunt' making his headquarters among friends at Bryson and Fort Coulonge. Before moving to Port Colbourne, "Frem" was one of the noted hunters of Coulonge and Black River and looks forward eagerly to his annual pilgrimage here.

Friends of Leslie Poole now in Shawville Hospital will be glad to learn of his very much improved condition.

Charles Lemaire's little brown Spitz "Tippie" was stolen from his home here Sunday night. Nobody needs a stolen dog, please return him.

your donation to Scouting and giving the apple to you as a token Thank You for your Good Turn. The funds raised this way are used entirely by the Group Committee to purchase books and badges for the Cubs and Scout Units; the Rover Crew is self supporting and look after their own needs. A boy is a Chum when he first joins the Pack or the Troop and when he has passed his 1st grade tests he is given a buttonhole badge for civilian wear, a provincial badge, a Scout badge, Group Badge, District Badge and

his Neckerchief. If a Cub he gets a booklet, Tenderpad to 2nd Star and if a Scout from Tenderfoot to a Queen's Scout. As a 2nd Class Scout he is given Scouting for Boys. The work the Scouters are doing with your boy is deserving of your help and if you have no boy in any Unit, you are helping to make better citizens out of the boys of your Community. We are asking you to be generous when you are asked to "Buy a Tag, Sir"? Please help us.

### Cap's Corner

Last Wednesday the Scout Hall was a busy place with 30 Cubs out of 31 on parade. The Grand Howl was the best yet and it just almost put on the fluorescent bulb; it flicked and almost lit when each Cub raised his nose to the moon and howled to the Old Wolf that he would do his best. It was good. Some day we will have Red Flow-er there to sit around and yarn but as yet there are too many tests to pass. Of the 32 Registered Cubs,

there are only six with their First Star and no Two Star Cubs. Some-thing has to be done about this and a scheme will be put in force next week which will give more time to games and tests. However as it was Six Chums became Ten-nerpad Cubs and were invested; Bob Cowley, John Judd, Douglas Tanner, John Langford, Andrew Elliott and Henry Horner and they can now wear their uniform. John Walsh passed his Patron Saints and David Lester and Lorne Tubman their reading. Billy Black and Billy

Imison passed their 1st Star Knots. There was only one game, Pond and Bank with quite a number getting mixed up in the quick sand. Next week there is another dandy game and each—but we will wait until next week. The Cubs were told about getting ready for Apple Day and get their baskets decorated for the 15th, a week from next Saturday.

The Commissioner paid a visit to the Scout Troop on their toes and the Commissioner tried to get them mixed up in the Pond and

Bank game but had to turn it over to their Scouter to finish off. They were too good. Another new Queen's Scout has been added in the per-son of Douglas Young and the Com-missioner heartily congratulated him on his achievement. Now for that Bushman's Thong, Doug. There is another who is a First Class Scout who almost has his Crown as well but we will keep that un-till later. The Troop too were warn-ed to get ready for Apple Day on the 15th.

## Rev. Frank Lawler's Mother Dies In Ottawa

Mrs. Lillian Lawler, mother of Rev. Frank R. Lawler, new assistant rector of St. John's Anglican Church, Ottawa, died on Saturday, the day before her son was to preach his first sermon in his new post.

She died in an Ottawa Hospital, following a lengthy illness, at the age of 69.

Funeral Services were held last Monday afternoon in Quyon, where she had lived with her son during his four and a half years as rector of that village's St. John's Church.

Mr. Lawler, because of his bereavement did not preach the 11:00 o'clock sermon Sunday in St. John's Church, Ottawa. His place was taken by Rev. T. H. O'Driscoll, assistant rector of Christ Church Cathedral, Mr. Lawler did, however, assist Dean J. O. Anderson with the cathedral service.

Mrs. Lawler was born in St. John's Nfld., a descendant of seafaring stock. She was the daughter of the late Capt. James Roberts and Mrs. Roberts.

She travelled extensively for a period around 1915 and later on the death of her husband, lived with her son in Montreal following his ordination to the ministry. She moved to Quyon when Mr. Lawler was appointed to the charge in 1951.

She was married to Frank R. Lawler in New York city in 1914. Her husband died in 1949.

Although Mrs. Lawler had been in ill health for the past several years her mind remained very keen. Her interests ranged from church affairs to watching sports events—particularly hockey—on television.

She liked to try her hand at writing and was known to have written some poetry and verse.

Mrs. Lawler leaves to mourn, three sons, Rev. Frank Lawler, James, Dorval, Que., and Robert of Millbrae, Cal.; two daughters,

### Cap's Corner

Due to the illness of the Scoutmaster, Perley Smith, the meeting of the Scout Troop was in charge of Murray Moore, the Rover Instructor who reported an excellent attendance, but Registration Fees are not coming in as well as they should. The Registration Fee for 1955-56 is now past due and is \$1.00 for each Scout and Rover Scout. Those who have not paid this fee should bring it to next meeting so that the forms can be completed and sent to Provincial H. Q. Unless a boy is Registered he is not a member of the Scout Association and neither is he insured against accidents. An A.S.M. is urgently needed to help in this Troop and should be at least 18 years of age preferably, have some Scout experience although experience is not essential. Murray reported quite a number of Tests passed with David Yach becoming qualified for his Queen's Scout standing. This is splendid and I think there are now nine Q.S. in the Troop. Lennie Richardson, John Armstrong, Robert Hobbs, Blythe McCleary, Donnie Letts and Glenn Spaine all getting a good part of their Tenderfoot Tests while Stuart Kehoe, Sterling Knox, John Tracy, Willard Smith and Albert Armstrong all working on their 1st and 2nd class requirements. One thing not noticed though in the report, no proficiency Badges passed nor any of those Bushman's Thong. Come on you Queen's Scouts working on their chaps, there are only 117 Proficiency Badges to go after. How about it?

H. A. Kelly requested one street light. Motion Crs. Draper and Stanley that Mr. Kelly receive one light. Motion was voted on and defeated.

Motion Crs. Ireland and Harkness that the following bills be approved for payment:

J. A. Laderoute, \$29.67; Gatineau Power, \$124.18; Minister Finance, \$242.42; Ivan Beattie, \$6.60; Clifford Beattie, \$6.00; Melvin Beattie, \$8.20; Lionel Grimes, \$11.66; Victor Krutz, \$107.10; Hiram Beattie, \$10.00; Gerald Ireland, \$12.00; Albert Tubman, \$12.00; Ivan Beattie, \$10.00; Melvin Beattie, \$12.00; Ebert Beattie, \$12.00; Percy Armitage, \$11.02; Harold Easy, \$7.00; Minister Finance, \$157.38; Geo. Henderson, \$35.00.

Motion by Cr. Smiley that the meeting be adjourned.
