Fifty-First Year

200 KILLED IN EXPLOSION ABOARD SHIP IN TEXAS

World News In Brief

Nuernberg, Germany, April 16. — (P) — Field Marshal Erhard Milch, one of the builders of the Luftwaffe which smashed Europe to its knees early in the war, was convicted of war crimes and crimes against humanity today by a three-judge American court.

Sentence will be imposed tomorrow at 9:30 a.m. The verdict could carry a hanging penalty.

Judge Robert M. Toms of Detroit handed down the decision this afternoon as Milch in a faded blue air force uniform without insignia, listened. The 30-page opinion was written by Toms and Judge F. Donald Phillips of North Carolina. Judge M. A. Musmanno of Pittsburgh concurred in a separate opinion.

Quebec, April 16. — (P) — Notice of a motion by Premier Maurice Duplessis was given in last night's agenda of the Quebec Legislature to provide that the assembly, in future, will hold three sittings daily except Sundays. They are to be at 11:00 a.m. to 1:00 p.m.; 3:00 p.m. to 6:00 p.m. and 8:15 p.m. to 11:30 p.m.

Quebec, April 16. — (P) — The text of a bill respecting juvenile delinquency, sponsored by J. P. Sauve, Minister of Youth and of Social Welfare, and given second reading was issued to members of the House last night pending second reading.

It provides for the creation of a special committee, consisting of four members at most, to enquire into the problem of juvenile delinquency, its causes, its extent and the measures needed to check it and to aid in the rehabilitation of its victims.

For these purposes, the Ministry of Youth and of Social Welfare will be allowed to spend out of the consolidated fund some \$50,000 for the committee and its works, and some \$700,000 to provide for the custody, maintenance and care of the delinquents.

Winnipeg, April 16. — (P) — Low-lying farm homes along the Assiniboine River west of here were threatened with flood conditions today as the rising river splashed over its banks in spots and covered farm lands and dirt roads alike.

Tons of ice jamming the river at Assiniboine Haven, about 22 miles west, caused the waters to spill the banks at Poplar Point and at the Macdonald cut-off.

The farm home of George Saunders and his British wife was among those likely to be marooned unless the waters unexpectedly receded.

Reynolds completes round world trip in record time

New York, April 16. — (P) — Air port crowds broke through police lines early today to welcome, with kisses and congratulations, three men whose trip around the world was the quickest ever made.

Milton Reynolds, Chicago pen manufacturer; his pilot, William Odom, and his flight engineer, T. Carroll Saltee, brought their converted A-26 bomber—the Bombshell—over La Guardia Field at 12:06:30 a.m. EST just 68 hours and 55 minutes after their take-off last Saturday. Their unofficial record cut 12 hours and 19 minutes from the previous unofficial record.

Reynolds admitted the trip was tiring, sometimes dangerous, and "I would not make the trip again for \$100,000,000." But he added jubilantly to reporters: "We made the fastest crossing of the Atlantic ever made, in five hours and 17 minutes; we also made a record trip to Paris and Gander (Newfoundland) and may be some other records."

The previous unofficial round-the-world flight record, 91 hours and 14 minutes, was set in 1938 by Howard Hughes, who wired Reynolds, "my heartiest congratulations for your excellent performance." Hughes and his four crew members had taken their monoplane around a shorter route.

Plot To Blow Up Colonial Office Said Reprisal For Executions In Holy Land

Dov Bela Gruner And Three Others Were Executed Today

Jerusalem, April 16. — (P) — Dov Bela Gruner and three other Jews convicted of anti-British violence died on the gallows in Acre Prison at dawn today shortly after government authorities initiated iron security measures intended to prevent bloody retaliation.

Gruner, a 33-year-old Hungarian veteran of the British Army, and the other three, were members of Irgun Zvai Leumi, the Jewish underground organization which claims to have been responsible for most of Palestine's bloodletting in recent months.

Gruner was sentenced Jan. 1 by a British military court which found him guilty of participating in a raid on the Ramat Gan police station last April 23 in which two policemen were killed and Gruner wounded.

The other three—Dov Ben Salman Rosenbaum, 24; Eliezer Ben Zion Kashani, 23; and Mordecai Ben Abraham, Alkachi, 21—were condemned Feb. 10 by another military court which convicted them of having arms and whips in their possession when they were arrested on Dec. 23, the night a British major and three sergeants were flogged by the underground in retaliation for the whipping of an Irgun member.

Irgun repeatedly has threatened reprisals against British forces if their "soldiers" were hanged and Colonial Secretary Creech Jones declared in February that Gruner's death almost certainly would signal a new blood bath in the Holy Land.

In an effort to bar just such a development, British authorities clamped a strict security ring around almost every Jewish quarter in the land, putting an estimated 400,000 Jews under house arrest. It was probably the most severe security measure ever instituted here. Roads were blocked and only the most essential traffic was permitted to move.

Gruner, first Jew to be executed for terrorism in Palestine since Shlomo Ben Youssef was hanged in August, 1938, has become, since his conviction, a symbol of Irgun Zvai Leumi's violent policies.

He had adamantly refused to take any action on his own behalf, maintaining he was a prisoner of war and should be treated as one. When it appeared, early this year, that he was to be hanged, Irgun kidnapped two British civilians—H. A. Collins and Judge Ralph Wyndham—as hostages and held them until Gruner seemed out of the picture.

U.K. Income Shown Below 1945 Figure

Budget Reveals National Income of \$32,000,000,000 Compared to \$33,400,000,000 in 1945.

Special to Record
London. — (By Cable)—April 16 — Britain's national income last year amounted to slightly less than \$32,000,000,000 (\$32,000,000,000) compared with about \$33,400,000,000 (\$33,400,000,000) in 1945. The national income reached its peak in 1944 and has fallen since then by about \$400,000,000 (\$1,600,000,000) or 4%.

Latest figures released in connection with the budget, reveal. In 1946 the amount spent by the United Kingdom overseas exceeded the income by \$400,000,000 (\$1,600,000,000). It means that despite the rise in the volume of exports

Hoess Hanged For Ordering Mass Murders

Former Nazi Commandant of Polish Extermination Camp Said to Have Sent Four Million Persons to Their Deaths.

Oswiecim, Poland, April 16 — Rudolf Hoess, convicted of sending 4,000,000 persons to death while Nazi commandant of the Oswiecim (Auschwitz) extermination camp, died on the gallows yesterday before a handful of guards and justice officials.

Calmed to the end, the man who spurned a chance to seek presidential clemency after his conviction for one of the biggest mass murders in history, removed a wedding ring from his finger as he mounted the gallows and asked that he be sent with a farewell letter to his wife and children living somewhere in Germany.

Under a Ministry of Justice ruling the public was barred from witnessing the hanging of the stocky, 47-year-old former colonel, who was convicted April 2 by the nine-judge Polish Supreme Court after a three weeks trial.

Hoess' arrest last March climaxed a year-long search by Allied authorities throughout the former Reich. After his capture he signed a statement admitting that between June, 1941, and the end of 1943 he had, upon orders from Gestapo Chief Heinrich Himmler, supervised the gassing of 2,000,000 at the extermination camp, located in southwestern Poland near Krakow.

During his trial, the prosecution contended that Hoess had ordered the gassing and cremation of some 3,000,000 Jews and 1,000,000 other men, women and children from a dozen countries—including Poland, Russia, Hungary, France, Belgium, the Netherlands and Czechoslovakia.

Premier Jozef Cyrankiewicz, once a prisoner at Oswiecim, told the tribunal that Hoess had carried out his work of extermination "sadistically and at his own free will and pleasure."

"We came out of the ice at Detroit but we didn't know where we were," the 54-year-old Chicagoan said. "We had to call Detroit and they used finders to locate us. Just then we came out of the fog and ice."

"We had a half hour's gas supply left when we came over New York and brother, let me tell you I was worried."

Threat to Destroy War Office Comes Shortly After Home-Made Bomb Discovered in Colonial Office

London, April 16. — (P) — Scotland Yard officers rushed to the War Office late today following a telephone threat that the building was to be blown up—threat that came a few hours after a home-made bomb, timed to explode this morning, was found in a branch of the Colonial Office.

Nothing suspicious was found at the War Office, however, and police were unable immediately to link the telephone threat with the actual leaving of explosives at the Colonial Office, possibly in retaliation for the hanging of convicted underground agent Dov Bela Gruner at dawn today in Palestine.

A Colonial Office spokesman said the blast attempt was "part of the Jewish terrorist activities against this country."

Police said that the bomb was composed of 24 sticks of a French explosive resembling gelignite—not as powerful as they believed at first when they reported the bomb could have wrecked the entire four-storey building.

Press Association said there were indications that the fuse had been ignited but that the bomb was composed of several sticks of explosives—apparently had misfired. Police removed the bomb for examination by home office experts.

"It looks as if it is more than a coincidence."

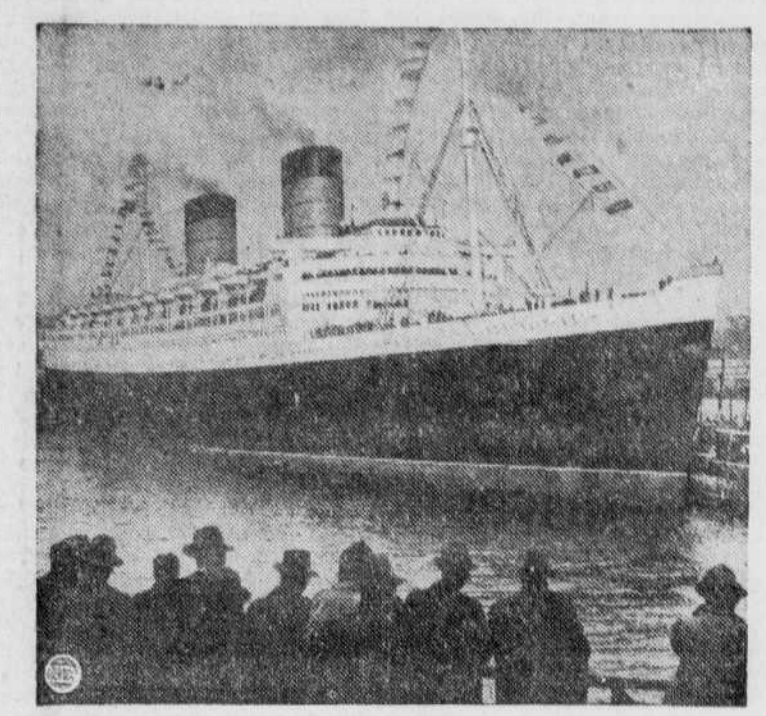

Other observers recalled that Irgun Zvai Leumi, Jewish extremist organization, had threatened vengeance for the execution of any of its "soldiers."

The bomb, wrapped as a brown paper parcel, was found by a staff member in a women's lavatory on the second floor of a four-storey building used by the Colonial departments. The building is a short distance from the Prime Minister's residence at 10 Downing Street.

About 100 persons normally work in the building where the bomb was found, but only a few were in the section where it was discovered. Police said, however, that the explosives were powerful.

Queen Elizabeth Freed From Sand Bank

The giant liner Queen Elizabeth, freed last night from a sand bank that held her tightly for 26 hours, lay motionless in the grip of a thick fog today, unable to discharge hundreds of her passengers.

Company officials said the liner would dock on the high tide tonight if the fog lifted sufficiently.

Most of the 620 first class passengers were landed yesterday. The Elizabeth stuck in the sand Monday night as she came in on a trip from New York.

British Income Tax Comparisons

The following table shows the old and new British income tax rates as a result of changes announced in the Budget Tuesday and the comparable rates in Canada and the United States:

Marshall's 90-Minute Talk With Stalin Said Fruitless

Moscow, April 16. — (P) — State Secretary Marshall's 90-minute talk with Prime Minister Stalin last night was understood today to have failed to break any of the deadlocks which have tied the council of Foreign Ministers in knots over the whole range of issues.

The chief value of Marshall's viewpoint was believed to have been the presentation to the Soviet leader of a frank and unvarnished statement of American policy in relation to Germany, Europe and the whole trouble area of the United States-Russian political and diplomatic conflict.

The secretary clamped tight secrecy on the American delegation respecting his trip to the Kremlin. He was believed, however, to have reported the results of his meeting in his daily report to President Truman.

It was disclosed officially that the meeting was arranged on Marshall's initiative in response to a request he made several days ago. Ambassador Walter Bedell Smith to see the Soviet leader.

Poison Gas Said Sweeping City After Explosion

Urgent Appeal for Stretchers, Gas Masks and Morphine Sent Out Following Blast Aboard Ship Laden With Chemicals in Texas Harbor.

Texas City, Tex., April 16. — (P) — At least 200 persons were reported killed today in a chain of explosions set off by a blast in a ship loaded with nitrate.

Albert Nichols, Harris County Sheriff's Office dispatcher at Houston, said he had intercepted a report from Texas City to Fort Crockett, Galveston, that poison gas was infiltrating the city following the explosions, which rocked the Texas coast for miles.

The dispatcher said the Texas city officials had asked for all available gas masks.

The official also asked for "several hundred more stretchers and for all available morphine in this part of the country," the dispatcher stated.

Galveston, Tex., April 16. — (P) — Two terrific explosions aboard a French Line ship docked at Texas City shook the Texas coast for miles today and the Houston Chronicle said it had reports that 77 persons were killed and hundreds injured.

Texas City is 12 miles across the bay from Galveston, and 45 miles south of Houston.

A spokesman for the Red Cross at Texas City said the explosions were aboard a French ship. Another report said they were aboard the Liberty ship Grand Camp, loaded with ammonium nitrate fertilizer. The explosions were reported to have set off a series of others and to have started fires along the dock area.

The first blasts shattered windows in Galveston, 12 miles across the bay, and forced many persons to flee from buildings. A cloud of smoke was visible at Galveston. Plaster fell from ceilings and many persons thought there had been an earthquake.

Police Chief W. F. Laddish of Texas City sent an appeal for all possible aid, saying a "holocaust" was raging in the city.

"There is no way to estimate the killed and injured," he said. "Hundreds of people were working on the dock at the time of the explosion."

"Many people are walking the streets in a daze."

He called for doctors, nurses and all other possible aid.

Texas City has several large oil refineries.

The last ice blockades along the inland waterways route from the head of the Lakes to Montreal were crumbling today under the combined assault of tugs, sturdy freighters and the weather itself, and the lake shipping season was expected to hit full stride before much longer.

These blockades lasted longest at Sault Ste. Marie and at the Welland Canal. But new channels were cut through the ice at the Sault yesterday and the first two Canadian freighters of the season—the Algosteel and the Alkoral—locked up through the Canadian canal yesterday afternoon. The ore carrier D. P. Thompson was expected to pass down-bound through the Canadian Sault today, leading a fleet of dozens of ships that have been tied up by ice at the lock entrances.

The Legislature Today

By The Canadian Press
The Assembly will take up members' motions while the Council is expected to dispose of various government legislation.

YESTERDAY
Two government bills were disposed of by the Assembly and second reading given two others, and controversial measures regarding corporations and companies and the Securities Act.

The House also gave third and final reading to a bill to incorporate the conference of Mennonites in Canada.

At the House opening, Maurice Harit, newly-elected Liberal member for Montreal Carlier, was introduced by acting Prime Minister St. Laurent and Postmaster General Bertrand and took his seat in the government benches.

Finance Minister Abbott disclosed that the oils and fats administrator, in view of the current soap shortage, had ordered soap manufacturers to maintain their present quotas of soap to industrial users such as laundries and hospitals.

Death In Havana

Exotic Patricia Schmidt, 21, of Toledo, O., who danced under the name of "Satira," has admitted to Havana, Cuba, police that she fired the shot that killed John L. Mee, 33, (shown at right in Chicago with his wife, Mary Dixon Mee). Mee died in Havana five days after the shooting aboard his yacht. On his deathbed, he charged "she shot at me deliberately."

Miss Schmidt said that she shot the Chicago lawyer a week ago after he beat her when she discovered he was married. She said Mee had promised to marry her and that "we were terribly in love."

What do we want most?
Says Sigmund Freud: (1)
breathing, (2) eating, (3) sex.
This column is about another
nominee, Freud doesn't give it
star billing, but all the same I
have a hunch it belongs up there
in the big type.
I'm talking about gold.
I read a piece about it last
week. It was written by a pretty
smart fellow who is right a lot
of the time. We've got twenty
billion dollars worth of bullion
buried in Fort Knox—how come
we're buying more, he wants to
know. What makes it worth \$35
an ounce? Aren't they silly, trad-
ing tractors and shredded wheat
for little bars of yellow metal
which we plant in the ground like
potatoes? Isn't Uncle Sam pull-
ing a King Midas, and isn't he ap-
pearing to be a bit of a fool?
This article bothered me. Same
as you, I'm interested in gold. My
interest dates from the day I
found that if you had it, you
didn't have to steal hot chestnuts
from the Italian on the corner.
You could walk right up like a
toff and make a deal.
And so I took my fears to the
wise old gentleman I know. Over
the years, a lot of smart fellows
have learned that old Silvertop
knows more answers than anybody
around these parts. Especially in
the economics and finance depart-
ment.
I found him sunning himself
on a bench in Central Park. "Tell
me about gold," I said. "Why
are we filling that cavity in Ken-
tucky with it? How about the
economists who say it's only good

SUTTON

At the semi-annual day of
prayer held in the church, the
Women's Missionary organiza-
tions of Olivet Baptist Church
were presided over by the president
of the senior circle, Mrs.
H. L. Hawley. Special music was
presented by the Mission Band
and by members of the Young
Women's Mission Circle, the
Misses Emmie Judd and Ruth
Lengacher. Mrs. H. L. Davey told
of her experiences in mission
work in Northern Rhodesia. The
prayer period was in charge of
Miss Hazel Bates with several
ladies taking part. Mrs. Cecil
Woodard in a very happy way
voiced the appreciation of the
Circles and the Church for the
efforts of the various Circle of-
ficers and others, who have la-
bored so faithfully particularly
during the time, when the Church
was without a pastor. This was
followed by the presentation of a
Dominion life membership in the
affiliated Baptist Women's Mis-
sionary Societies of Canada to
Miss Hazel Bates. The impressive
ceremony conducted with the
congregation standing was led
by Mrs. H. L. Davey while the
presentation of the life member-
ship certificate suitably framed
was made by Master Glenn Haw-
ley, president of the Mission
Band, and of the life membership
pin, by Mrs. G. Fred Knights, pre-
sident of the young Women's
Circle. Miss Bates voiced her ap-
preciation of the very great hon-
or done her and of the privilege
of serving among such loyal
workers and said that all was
done in the strength of and to the
glory of their Lord and Saviour.
The benediction was pronounced
by Rev. H. L. Davey, pastor of
the Church.

Mrs. Eric Kemp of Bedford
paid her official visit as grand
instructor of District No. 2, of
the Grand Chapter of Quebec's
O.E.S., to Pinnacle Chapter. The
work of the order was exem-
plified by the officers and one pe-
tition for membership was ac-
cepted. At the close of the meet-
ing the committee in charge en-
tertained the members and guests
at a supper in the "Mountain
View" dining room. Visitors
were present from several neigh-
boring chapters among them were
Mrs. D. Wilson, of Iron Hill; Mrs.
Lillian Pybus, of Montreal; and
Mrs. Anne Harvey, of Manson-
ville; Miss Judy Cowan, of
Knowlton, was also in town for
the meeting.

The regular meeting of the
Institute was held at the home of
Mrs. Earl McGovern with the pre-
sident, Mrs. Carl Griggs, in the
chair, and who opened the meet-
ing with the recitation of the
"Mary Stuart Creed." The secre-
tary, Mrs. Bernice Russell, read
the minutes, which was ap-
proved also an article on "What
Women Can Do To Help Rehabil-
itation." Three new members joined
the Institute. At the close of
the meeting, delicious refresh-
ments were served.
Mrs. Arthur Barrett spent an
evening in Cowansville.
Mrs. Ernest Haynes, of North
Sutton, was a guest of Mrs. Wil-
liam Prentice.
Mr. and Mrs. R. J. Boule, of
Sherbrooke, were holiday guests
in town.
Mr. M. E. Taylor, of Waterloo,
was a week-end guest of his wife
at the home of her parents, Mr.
and Mrs. Loyal Longway.
Mr. Arthur Barrett, of Cow-
ansville, spent the week-end with
his family.
Mr. and Mrs. Carl Griggs spent
a day in Eastman.
Mrs. Frank Worden, of Water-
loo, is a guest of her aunt, Mrs.
Nina Lee.
Mr. Richard Williams, of Mont-
real, is spending a few days with
Mr. and Mrs. Oran Baker.
Mrs. H. H. Naylor, of Rose-
mont, was the guest of Miss Haz-
el Bates.

GRANITEVILLE

Mr. and Mrs. Alex Doucette and
daughter spent the Easter holidays
in New Brunswick. Mr. Raymond
Doucette, a former resident of this
place, returned with his son for a
short visit.
Mr. Albert Williams and family,
of Magog, are moving soon into
Mrs. Donald McInnes's home.
A number of people here have
been ill with the measles and the
grippe.
Mr. Victor Denney, of Montreal,
spent the week-end with his par-
ents, Mr. and Mrs. S. Denney.

ST. ARMAND

Mr. and Mrs. Glen Torrant and
daughter, Gail, of Hartford, Conn.,
spent the holiday week-end here
with Mrs. Torrant's parents, Mr.
and Mrs. A. J. Garland.
Miss Frances Belval, of Mont-
real, is spending a two weeks' va-
cation at her home here before re-
suming work at the St. John's
Hospital.
Mr. and Mrs. H. C. Hastings and
Mr. and Mrs. A. G. Hastings spent
a week-end in Swanton, Vt., with
the same first name as my wife?"
I inquired.
The old party on the park
bench stretched his long legs and
smiled.

STARS WEAR SHOES WITH SOULS

Hollywood, April 16.—There
are ladies' shoes with just souls
and others with souls.

Seymour Troy designs the lat-
ter for Hollywood movie queens,
New York socialites, and an one
else who can pay from \$18.50 to
\$65 a pair.
We met Seymour (shoes with
souls) Troy at a swanky fashion
salon after taking what is de-
scribed as a "personality shoe
test." They set out nine pairs of
shoes purchased by seven movie
queens, and we had to guess their
owners. I guessed Lucille Bremer,
a green pair, and Carole Landis,
black suede with silver trim.

But I missed on Judy Garland,
gun metal, Ginger Rogers, heavy
moccasins, and Ann Dvorak, plain
blue leather.
All of the shoes were made by
this Troy fellow from New York,
who is one of the nation's fore-
most shoe designers. Everyone
copies Troy's shoes. He says,
"They may steal the thought but
never the soul of my shoes."
Troy carves his model shoes
out of soap, claims "it's difficult
to draw them on paper." The
fashion trend this year, he says,
is closed toes with open backs.
The most expensive shoes he ever
designed cost \$500 a pair. He
made 12 pairs of them, all of
rhinestone, before the war and
has sold only seven of them.

NO TRICK TO OSCAR

Paul Lukas, who won an Os-
car in 1942, has a pretty sober
observation on this Academy
Award business.
"There's no trick to it," he
says.

"Just a terrific role in a ter-
rific picture, and you're in."
Plus luck, of course.

Paul says he was lucky to win
that Oscar for the best perfor-
mance of the year for "Watch On
the Rhine." He almost didn't get
the part in the stage play. They
didn't think he was the type.
And he almost didn't get the
role in the screen version, Jack
Warner wanted Spencer Tracy,
but Tracy turned it down, saying,
"There's only one man for the
part—and that's Paul Lukas."

"Just give me a good role in a
good picture," chuckles Paul.
"and I'm almost as good as Van
Johnson."

Lukas is celebrating 20 years
as a film actor and 20 years of
marriage.

"LOUSY \$7000 A WEEK"
He came to Hollywood from
Hungary in 1927, immediately
became Pola Negri's leading
man. He'll never forget Pola.

"Instead of just a chair, she
had a big couch on the set with
her name on it. She was getting
\$7000 a week on a straight 52-
week-a-year contract. Her op-
tion came up, called for \$10,000
a week.

"Business was off, and the
studio agreed to renew her con-
tract but at the old salary of
\$7000 a week. Pola screamed and
said, 'I won't take your lousy
\$7000 a week. I quit.' And she
did."

Paul gets his best role since
"Watch On the Rhine" as the
Swiss guide in RKO's "The White
Tower." Paul said he got quite
a kick out of reading in some-
body's column that R.K.O.'s Boss
Dore Schary had said: "I must
have Paul Lukas for the role of
the Swiss guide."

"He said that," Paul chuckled,
"because if RKO hadn't cast me
in a picture by May 1, they would
have had to pay me off for a
whole picture. That's why he just
HAD to have me."

Modest fellow, Lukas. But
one of Hollywood's finest actors.

Contract For Construction Of New Propane Gas Plant Let At Regular Session Of Council

The contract for the construction of the propane gas plant which the City Council plans to replace the present water gas installation was awarded to the Pacific Gas Corporation of New York for a price of \$161,400. This tender, which was accepted by the Council at its regular session last evening, included the cost of adapting the present gas stoves to handle the new fuel efficiently.

No discussion took place on the motion of Ald. Paul Hamel, chairman of the Gas and Electric Committee, which was adopted in quick order. Three tenders had been received, but one was ruled out as the price did not include the cost of converting the various ranges nor certain other auxiliary expenditures in connection with the construction of the plant. The tender of the Pacific Gas Corporation was the lowest of the remaining two, which had been opened at a previous meeting and which were referred to the electric superintendent for study and report.

Superintendent Gaston Masse stated that in his opinion, both tenders covered identical work and recommended that the lower price be accepted. A by-law covering the loan required to finance the construction of the new plant was given three readings at a special Council session last week and will be submitted to the ratepayers on April 29.

The aldermen were in a rather argumentative mood, some of the committee reports coming in for a degree of criticism although in only a single instance was a polled vote taken. This was in connection with a recommendation that the contractor be given to the operator who did the work last year. Aldermen Fiset and Desziel objected to the award, arguing that this was not the lowest bid received. The remaining aldermen were of the opinion that extending last year's contract was merely a matter of justice, as the operator had

suffered a substantial loss due to unforeseen rise in costs. Finally the recommendation was approved with the two aldermen dissenting.

Housing problems also came in for a brief discussion, which arose out of a letter received from the Sherbrooke Branch of the Canadian Legion urging the construction of an additional fifty veterans' homes by War-time Housing or its successor organization. Mayor Guy Bryant expressed himself in favor of the scheme, although some objection was voiced by Ald. Trudeau.

Mr. Trudeau believed that if less building material was earmarked for various government agencies, the regular construction industry could make better progress in meeting the housing shortage. Aldermen Charpentier and Labonne favored close study of the request, which was referred to the committee of the whole for detailed review.

Prior to adjournment of the session, another minor tempest blew up when Ald. Charpentier offered mild criticism of the Parks chairman, Ald. S. Rousseau, for an article which appeared in a local paper recently. This story envisaged a great development of Victoria Park, including among other things the creation of a zoological garden.

Ald. Charpentier felt that the Council had been snubbed on the proposal, as no detailed study had ever been given the project.

Ald. Rousseau stressed that the scheme was a decidedly long-range one and assured his Centre Ward colleague that no plans had been made for embarking on a large-scale expenditure in the near future. In fact, he declared, the expenditure this year would be limited to the customary budget appropriation. In this stand he was supported by Ald. Hamel, former Parks chairman, under whose administration the preliminary survey had been made.

Ald. Desziel was critical of those who sought to prevent the proper development of this East Sherbrooke area.

Anglican Synod Is Addressed By Archbishop Of Quebec And Lord Bishop Of Nova Scotia

Declaring evangelism the answer to materialism, Most Rev. Philip Carrington, Archbishop of Quebec, charged the one hundred delegates attending the 46th Synod of the Diocese of Quebec of the Church of England in Canada, meeting here, to attend to what is called evangelism, since the physical universe is not all there is.

"Man is not sufficient unto himself; both depend for their origin, existence and final destiny upon God the Father..."

The Archbishop's charge highlighted yesterday afternoon's session of the Synod, which opened at noon and will run through to Thursday noon.

The service was at St. Peter's Church in the evening when the speaker was Rt. Rev. George Kingston, Bishop of Nova Scotia. Delegates attended a dinner at the Chateau Frontenac Hotel.

Introducing his charge, the Archbishop declared that war has now given way to peace, but the scene on this planet is still very confused. "The rivalry of nations continues and especially the rivalry of competing economic systems."

The effects of war are felt in the poverty and misery which have fallen to the lot of many nations, and the uncertainty and discord which cloud the international arena."

It must not be assumed, however, he declared, that all the changes which are taking place will have evil effects. He pointed out that they may go further than we are prepared for, but as time goes on we reconcile ourselves to change and come to see that it was inevitable.

"Perhaps we are suffering now because we were not ready to accept changes earlier," he added. The one thing that was clear was that the world needs the Gospel of Jesus Christ and it was the duty of the delegates to proclaim it.

"Our enemy for over a century has been materialism, a philosophy which has given birth to what is called humanism. Materialism means that material things are the only things that count; this philosophy has supported itself by a reading of modern science which is now widely admitted to be false; it has appeared as atheism and agnosticism. Humanism, to which it gave birth, repudiated its faith in man. Man, it says, is supreme; there is nothing above man, no God, no heaven, no moral law, no judgment, no future life. Man is self-sufficient and his only law is that of his own thinking."

This, he said, was the faith of Mussolini and Hitler, who had no law which could bind them. "There was no God or spiritual power to which they were responsible." It is the faith of many of the modern political movements in their extreme forms, he added.

The modern gospel of humanism he declared often proves to be the enemy of liberty and democracy, which are based on the doctrine that all men equally are children of God.

"It would seem then that we have to attend to what is called evangelism, the great task of bringing to bear upon the world the full force of the Christian revelation about God, about law, about judgment, about Jesus Christ, about salvation, about the Holy Spirit, about the Church, about spiritual power flowing in this world, about spiritual destinies and spiritual realities."

This, he declared, is the answer to materialism, pointing out that the physical universe is not all there is.

He stressed the need of personal evangelism and the impact of converted people on others. Archbishop Carrington did not approve of the recent legislation introduced into the Provincial Parliament by a number of trustees of the University of Bishop's College removing certain powers which have been exercised by the Bishops of Quebec and Montreal under the original acts

DEVELOPMENT OF ASBESTOS FIRM TRACED

Pioneered by the Italians, who produced thread, cloth, paper and asbestos suits between 1860 and 1875, the asbestos industry today is centered in the Eastern Townships section of the Province of Quebec where half the world's total supply is produced, according to George K. Foster, of the Canadian Johns-Manville Company Limited, Asbestos, who last night addressed members of the Sherbrooke Rotary Club at their regular weekly meeting in the New Sherbrooke Hotel.

Stating that "asbestos is a name applied to all accepted for a number of fibrous mineral silicates which differ widely in chemical composition," Mr. Foster declared that historical records indicated that the substance had been known and used for over two thousand years by the Romans, Greeks, Chinese and Egyptians.

Several legends prompted by its fire-resisting qualities had been handed down through the years, one of these dealing with the prevention of a war in the Charlemagne era. On the verge of a conflict with one of the Eastern emperors and desiring to avoid battle, Charlemagne invited envoys of his opponent to dine with him at a table covered by a white cloth woven from asbestos.

Following the banquet, Charlemagne cleaned the cloth by throwing it into the fire, the effect produced upon the on-lookers being sufficient to result in the war's cancellation.

The Russians, the speaker revealed, began mining asbestos in the Ural Mountains as early as 1720, but to the Italians went the credit for pioneering the industry in the nineteenth century. The first discovery of asbestos in Quebec was first discovered in 1862, but early efforts to produce the mineral were a failure, the world's requirements continuing to be met by Italy.

In 1876, however, asbestos was discovered in the Thebes district by Robert Ward and M. Fecteau, who at about the same time a peculiar rock formation on the farm of Charles Webb, near Danville, attracted local interest. These rocks on the Webb farm contained veins of silky fibre and the inhabitants often chewed the "silk stone" or twisted it into a long cord.

Mines soon developed in the Thebes area and some time after the discovery of the veins on the Webb premises a Welshman visiting the district recognized the substance as asbestos. This led to mining operations on a small scale by an Englishman named Jeffrey who lived near Richmond, this individual selling the fibre to the H. W. Johns Manufacturing plant in New York City. Jeffrey eventually went into liquidation and after several interim steps the Canadian Johns-Manville Company became officially established in 1918.

Operating the world's largest asbestos mine, this company produces approximately 50 per cent of the Canadian fibre output, Mr. Foster revealed. An interesting aspect of asbestos production was shown to be the care which must be taken to prevent the inclusion of wood or any foreign material in the fibre. Due to this necessity for caution, all railway ties, cabins,

6 Senior Committee Chairmen Continue With Council Posts

Six of the chairmen of last year's City Council committees retain their portfolios in the new Council under the reorganization approved at the regular session last evening.

Ald. Armand Fiset, dean of the Council, will continue as chairman of the General Administration Committee. Ald. Paul Hamel again heads the Electric and Gas Department; Ald. O. Desziel will guide the Public Works; the Protection Committee retains Ald. Guy Bishop as its chairman; Ald. Alphonse Trudeau will continue as Waterworks chairman, and Ald. Sylvio Rousseau remains in charge of the Parks and Recreation group.

Ald. Hector Lanctot assumes the presidency of the Hygiene and Conservation of Health committee, succeeding former Alderman Delphis Tremblay, who did not seek reelection in the recent voting. His post as head of Public Welfare is taken by Ald. Albert Charpentier, formerly in charge of the Industrial Relations and Real Estate committee. Alderman Wesley Bradley succeeds Ald. Charpentier, while the newly-elected member of the Council, Ald. Henri Labonne follows Ald. Bradley on the Market and Public Scales committee.

The personnel of the committees is as follows:
General Administration: Ald. V. A. Fiset, chairman, Ald. Desziel, Bishop, Trudeau and Lanctot.
Electricity and Gas: Ald. Paul Hamel, chairman, Ald. Desziel, Bishop, Trudeau and Charpentier.
Public Works: Ald. O. Desziel.

Electricity and Gas: Ald. Paul Hamel, chairman, Ald. Desziel, Bishop, Trudeau and Charpentier.

Public Works: Ald. O. Desziel.

REPORT GIVEN BY CHAIRMAN ON HOSPITAL

Although present high cost of building materials and labor are causing the Sherbrooke Hospital Building Committee difficulty in carrying through their original plan for a 150-bed hospital and a separate nurses' home, every possibility will be explored before any decision is taken to reduce the size of the new hospital, according to a statement released to the press today by Lt.-Col. A. A. Munster, chairman of the building committee.

When the present hospital was sold costs were such that it was estimated by architects and contractors that a 150-bed hospital and a nurses' home could be built for just over \$1,000,000. Present costs have forced this price up to an estimated \$1,650,000. Col. Munster's statement follows:

"Early in the spring of last year when plans for the construction of a new hospital building on Angley Street in the City of Sherbrooke were formulated at a general meeting of the governors of the hospital, the best information available from well-informed sources indicated construction costs would be in the neighborhood of \$6,000 per hospital bed. In addition thereto it was estimated that it would require an expenditure of \$180,000 to provide accommodation for the nursing staff. The present hospital, which provides facilities for only 90 beds, was found entirely inadequate and it was generally agreed that any new construction should afford accommodation for at least 150 beds. On this basis the cost of the new hospital would be \$900,000 for the hospital and \$180,000 for the nurses' home, making a total of \$1,080,000.

"Thanks to the generosity of the government of the province of Quebec and the general public, who contributed so liberally to the building campaign, the executive succeeded in raising a sufficient sum of money to meet the costs as projected at that time from the sale of the present hospital, sale of debentures which are secured by assignment of monies payable by the province of Quebec, authorized under Order-in-Council and payable over a period of 25 years."

2 Sides Of Vexed Newsprint Picture Now Before Public

Montreal, April 16.—Two sides of the vexed newsprint situation, which has seen consumer prices rise \$35 from the wartime peg of \$50 a ton in Canada were before the public today.

Most pronouncement came in a 1,000-word statement last night from R. M. Fowler, president of the Newsprint Association of Canada, who charged that "distorted and incomplete reports" had been published in some sections of the American and Canadian press purporting to show that Canadian newsprint mills "were making enormous profits."

He agreed newsprint producers were making more profits than ever before, but through expansion and improvements were producing more than ever before.

The Montreal Gazette on April 3 published a Quebec dispatch contending the successive post-war increases in price were "wholly disproportionate to any increase being experienced in manufacturing costs."

The dispatch went on: "In brief the policy seems to be to get the maximum that the traffic will presently bear."

The newspaper published a compilation showing that combined profits—after all charges and all taxes—of six big companies (Consolidated Paper, St. Lawrence, Price Brothers, Abitibi, International Paper and Lake St. John) had increased by 277 per cent between 1943 and 1946.

Mr. Fowler in his statement claimed the American Newspaper Publishers' Association recent bulletin had devoted its full eight pages to "reports carefully selected to leave the impression that Canadian newsprint mills are making 'enormous profits' and are taking advantage of the present paper shortage to 'get all the traffic will bear.'"

The Fowler statement said

J. O. GENEST DIES SUDDENLY IN 77TH YEAR

Funeral service will be held tomorrow, at 10 o'clock at St. Michael's Cathedral, for Joseph O. Genest 77, long-time resident of Sherbrooke who died suddenly Monday afternoon while playing a call to friends at J. D. Tremblay shoe store on King Street West.

Born in Warwick, Mr. Genest attended the Arthabaska School of the Sacred Heart Brothers, formerly a salesman for Singer Sewing Machine Company, he was at the time of his death employed as an agent by H. N. Brien, Funeral Director, where he had been working for twenty years. He was married to the late Angeline Robarge of Sherbrooke.

Surviving are two brothers, Canon Oscar Genest of the Quebec Seminary and Louis-Philippe Genest residing at 80 5th Avenue Sherbrooke, as well as a sister, Mrs. Hudson Cabana, wife of Dr. Cabana, of Magog.

Interment will be held at Magog cemetery.

enough to blow up the entire building.

Other government departments were warned immediately to search their offices and to keep a check on all visitors.

Telephone threats against the Colonial Office, the Houses of Parliament and other buildings were received several months ago, but prior to the finding of the bomb today there had been no untoward developments.

The threats followed announcements by Palestine underground leaders that they would carry their "war against the British" into Britain itself.

SKI CLUB TO HOLD CLOSING ON SATURDAY

The closing banquet and dance of the Hillcrest Ski Club will take place Saturday, April 19, at the Hillcrest Lodge.

One of the most successful seasons in the history of the club has come to an end and most ski lovers have their boards put away, although some are still getting in those last precious runs at Mount Orford and at Stowe, Vermont.

Both sexes of Hillcrest racers were standouts in competitions, including the E. T. Senior Men's meet which saw the Hillcrest Big "Four" of Gerry Croteau, Robert Therrien, Roger Mercier and Gordon Hamner combine to win the Codere Team Trophy for the second consecutive year. Hillcrest also copied the first four positions in the E. T. Ladies' Meet held at Hillcrest.

It is hoped that all members and friends will turn out en masse for the banquet and dance as roads leading to the Lodge are in good condition.

KEEN INTEREST IN PLAY-OFFS

The necessity of transacting the affairs of a municipality of over 40,000 persons did not overshadow the interest Sherbrooke's Council displayed in the Allan Cup play-down series between Sherbrooke and Montreal Royals which was running at the Montreal Forum simultaneously to the regular session at the Sherbrooke City Hall last evening.

In the early stages of proceedings, Mayor Bryant interrupted the discussions to relay a message received which disclosed that the Montrealers were holding a 2-0 lead over the Sherbrooke entry. Aid. Charpentier, who holds a seat near the railing dividing the council chamber from the public assembly section, was entrusted with the duty of informing his colleagues of later developments. Interest was also shown in the progress of the National Hockey League playoff finals, bulletins on both events being gathered by Napoleon Jutras, in charge of the elevator.

U.K. Income

up to the 1938 level, the country was still financing about 25% of its overseas expenditure by borrowings from abroad and the sale of United Kingdom-owned assets in other countries.

Of the United Kingdom's external liabilities at the end of the year nearly \$3,000,000,000 (\$2,000,000,000) were to sterling area countries and nearly \$350,000,000 (\$3,400,000,000) to North and South America, the latter figure including drawings on the Canadian and U. S. A. credits during 1946 to the extent of \$279,000,000 (\$1,116,000,000).

During the year the Government (including Local Authorities) spent \$2,300,000,000 (\$9,200,000,000) on goods and services. This was less than half the level of expenditure in each of the peak war years 1943 and 1944.

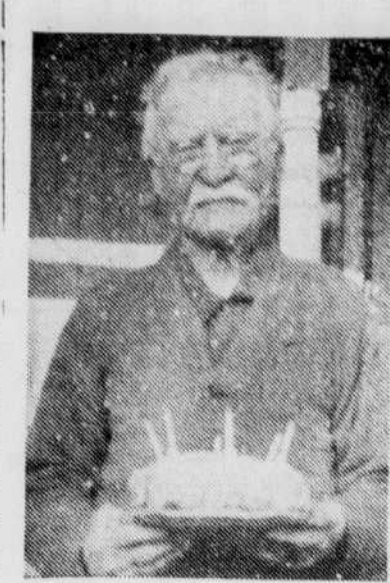

Expenditure by the public on the other hand, reached a record high level of \$6,600,000,000 (\$26,400,000,000), an increase of \$700,000,000 (\$2,800,000,000) on that of 1945. If the goods and services bought by consumers in 1946 had been bought in 1938 they would have cost \$4,300,000,000 (\$17,200,000,000) — rather more than the amount actually spent in that year. Although consumption was still below the pre-war level, there was a definite improvement during 1946, the rise over the previous year's level being estimated at about 9%.

versed on hospital construction work, and tentative plans were advanced to a stage where they could be submitted to general contractors. When the result of the campaign to raise funds was known to be a success we discussed the tentative plans prepared by the architect with contractors and it was their considered opinion that, due to difficulty in obtaining building materials and the consistently advancing costs which had been in evidence throughout the year, to proceed with the construction at this time would entail an expenditure of at least \$1,650,000, including a modern home for the nurses. This was \$520,000 in excess of the funds available or allocated for the building program.

"Inasmuch as the annual revenue derived by the hospital is insufficient to meet operating costs the usual channels followed by commercial organizations, arranging a mortgage loan on the building with payment from earnings spread over a period of years, are not open to your committee.

"The executive wish to take this opportunity of assuring the public who so generously supported the building campaign, that they will continue to do their best to effect a solution of the unfavorable position with which the hospital board are faced as a direct result of conditions which could not be foreseen when the sale of the present hospital building was arranged. While loath to take steps to reduce the size of the proposed hospital, incorporating therein accommodation for the nursing staff on the upper floors, your committee may eventually be forced to recommend accepting such plans as a solution to the problem. Meantime other avenues are being explored and more recent developments are most encouraging."

immediate danger.

Appeals were taken for him to Palestine courts and to the Privy Council in London but all were rejected, except one, which was reported still pending before the Privy Council.

Max Seligman, a Tel Aviv lawyer representing all four men, said when he learned of their deaths that he had intended to visit them at Acre Prison this morning to discuss their case.

Legal experts here said that while it was customary for authorities to await the outcome of an appeal, they were not under compulsion to do so.

Mrs. Helen Friedman of Lancaster, Pa., Gruner's sister, burst into tears when told that her brother was dead.

"Why, oh, why, did they have to do this?" she sobbed.

She said she had been promised yesterday that she would be permitted to see Gruner again today. She left Tel Aviv, where she had been conferring with Seligman, early this morning for Safad, a Jewish city near Roshpina, where it was believed the four would be buried.

Seligman said he believed the four had asked to be buried beside Ben Youssef, the first Jew to be hanged by British Military Court sentence under the British mandate. He was convicted of firing a gun at police during a road check.

An Acre Prison source said Gruner went to the gallows first, followed by the other three within a few moments. He confirmed that a rabbi was present.

FRELIGHSBURG

The final meeting of the Farm Forum Group for the season was held at "Hillcrest Manor," the home of Mr. and Mrs. Duncan Tait, with a large attendance. Cards were played at five tables and the children were entertained in a convenient game room. This meeting served a dual purpose, both surprises to those being honored, Mr. Milton Tait, who was celebrating a birthday and Mr. and Mrs. Thomas J. Bell, who were leaving shortly to reside at Kennebunk Beach, Me. After a pleasant social evening the dining room table was extended to seat twenty-one guests. A birthday cake, decorated for the occasion and agitated with lighted candles was placed before Mr. Tait in honor of his birthday. At the close of the evening Mr. N. T. Celler presented Mr. and Mrs. Bell with a purse of money much to their surprise. Mr. Celler spoke of their lifelong residence here, their interest in all community projects and their hospitality at home, all of which would leave a vacancy in the circle of friends who had gathered to wish them "good luck" in their new endeavor. Somewhat overcome, Mr. Bell expressed his thanks for their gift and spoke of the reluctance with which old ties were sometimes severed but expressed the hope that both he and Mrs. Bell would return at intervals to mingle again with old associates, and expressed the hope that distance would not prove too big a barrier for old friends to come to their new home.

Mr. Douglas Tait, of St. Laurent, spent several days with Mr. and Mrs. Milton Tait.
Mr. and Mrs. C. Cloutier and Miss Horner, of Kingston, Ont., were called here by the illness and death of Mrs. Horner's mother, Mrs. P. M. Hayes.

Mrs. H. H. Hopkins spent a week in Toronto, Ont., with relatives.
Miss Audrey Tait has returned to her position in Montreal, after a three weeks' holiday with her mother, Mrs. A. Tait, and family.
Mr. and Mrs. J. Page, of Cowansville, were guests of Mr. and Mrs. J. Van Antwerp and Mrs. Wailes.

Mr. and Mrs. T. J. Bell motored to Bethel, Vt., to spend Easter with Mr. and Mrs. P. T. Allen.
A very pleasant event took place at the home of Mr. and Mrs. N. F. Celler, when the Helping Hands Society of Bishop Stewart Memorial Church entertained a salad tea. Upwards of forty attended themselves of the opportunity of a pleasant social hour and a most sumptuous repast. The proceeds added to the treasury twenty-two dollars.

The Misses Barbara Westover, Audrey Tait and Frances Van Antwerp, of Montreal, spent the Easter week-end at their respective homes.

Miss J. Hayes has returned from Toronto, Ont., where she spent a week with Mr. and Mrs. L. Gould, having gone to Toronto with Mrs. Gould, following the illness and death of her mother, Mrs. P. M. Hayes.

The deepest sympathy is extended to the families of Mrs. Norman Dougherty and Mrs. Francis Samson.
Mrs. Edwin Tomkins still remains very ill at her home on Court Street.
Miss Barbara Beerworth, of Stanstead College, is spending her holidays with her mother, Mrs. E. Beerworth.

BETHANY

Visitors at the home of Mr. Arthur Favreau over the Easter holidays were Mr. Janvier Favreau and Andre Marois, of Granby.
Mr. and Mrs. Armand Lamore and Mr. and Mrs. Percy Norris entertained relatives to maple sugar on snow.

Mr. Leo and Miss Jacqueline Duval, of Drummondville, were guests of Mrs. Duval and children.
Mr. and Mrs. Arlie Moffatt attended the Easter service at All Saints' Church, in North Ely, when Rural Dean Lidstone gave an inspiring sermon on Easter.

Mr. Harvey Moffatt, of Granby, spent the Easter holidays at his home here. Mr. Harley Lancaster, of Boswell, was a guest at the same home.
Mr. and Mrs. Gerard Brien and sons, of Montreal, and Mr. Raphael Brien, of Drummondville, spent the week-end holidays with Mr. and Mrs. Aime Brien and family.

Mr. and Mrs. Alphonse Depastie and son, Jean Louis, of Montreal, were week-end visitors of Mr. and Mrs. D. Desmarais and Mr. and Mrs. Delorie Desmarais and family.

Mr. and Mrs. Raoul Verrier, of Granby, were week-end visitors of Mr. and Mrs. Alcide Verrier.
Mr. Harvey Moffatt, of Granby, was a visitor at the home of Mr.

and Mrs. George Osborne. Mr. and Mrs. Percy Norris and Mr. and Mrs. Emile Demers.
Mr. and Mrs. J. Boisse, of North Ely, were visitors of Mr. and Mrs. Andre Lavallee.

The local school re-opened on April 9, after being closed for the holidays. The teacher, Miss Claire Lavallee, spent Easter at St. Hyacinthe, with relatives.

Mr. and Mrs. Alcide Verrier, Mr. and Mrs. Raoul Verrier, Mr. and Mrs. Lucien Verrier and Mr. and Mrs. Robert Masse attended the sugaring-off party at Mr. S. Masse's, at L'Enfant, Jesu.

Mr. and Mrs. Joseph Deschamps and family, of Waterloo, were Easter day guests of Mr. and Mrs. Emile Demers and Mr. and Mrs. Aime Brien.

Mr. and Mrs. Alcide Verrier entertained at a party, when a very enjoyable evening was spent.
Mr. Harley Lancaster, of Boswell, called on Mr. and Mrs. George Osborne, and Mrs. Hashitt.

L'AVENIR

Mrs. W. E. Bogie has returned home, after spending the winter in Ottawa with her daughter, Mrs. Woodside, and family.

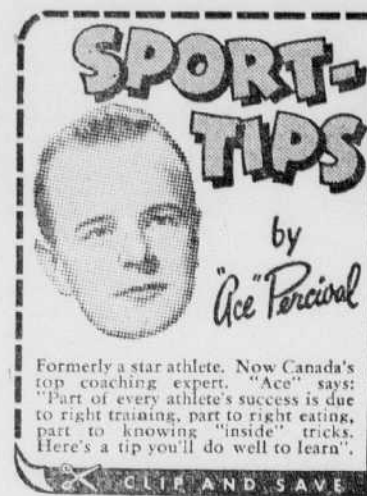

All are pleased that Mr. Laurent Bisailon is improving, after a serious accident.
Mr. Philip Poirier is suffering for his speedy recovery.

Prompt Action Of Firemen Saves Rock Island Plant From Damage

Only the prompt arrival of the Rock Island fire brigade, which was on the scene within three minutes of the alarm, saved the Three Villages Building Association wordworking plant from destruction by fire on Monday afternoon.

The alarm was sounded shortly after 3 o'clock, when flames broke out in the shingle-mill near 4 drums of inflammable liquid. Within three minutes of the alert, firemen were on the spot with the Rock Island fire-truck, and the spreading flames were quickly subdued.

Lauding the efficiency and promptness of the Rock Island brigade, Lawrence Tilton, general manager of the company, stated that only due to their quick arrival was the firm saved from a disastrous blaze, and the damages could have been much heavier. Expressing his thanks, Mr. Tilton showered praise on the firemen for their competence.

Estimated damages were very slight, being in the vicinity of \$75 to \$100, thanks to the action of the Rock Island firemen. Cause of the blaze is thought to be carelessness of an employee.

AYER'S CLIFF

The many friends of Mr. Walter Berwick will be interested in knowing that he has returned from the Sherbrooke Hospital. He is not as well as they would wish him to be, as he has a cast on his body.

MEN'S CHOIR TO BE HEARD AT BOUNDARY

The Montreal Men's Choir, which is scheduled to visit Rock Island over the week-end of April 26 and 27, under the sponsorship of the Rotary Club of the Boundary, to present a concert at the Haskell Opera House on Saturday evening, the 26th, was founded in 1939 by a group of Montreal business men who realized the enjoyment and relaxation which music affords, both to the participants and to the listeners.

Since that time the organization has advanced steadily and has appeared with distinction in numerous concert engagements. Progress has been highlighted by several successful competitive efforts in Montreal and Ottawa Music Festivals, the most notable of which was the winning of double honors at Ottawa last year.

The Montreal Men's Choir now presents a splendidly balanced ensemble of forty selected voices trained to sing with precision, good tone and shading and it is safe to say that all music lovers living within reach of Rock Island and the Boundary Communities will want to hear this sterling aggregation of singers.

The concert to be held in the Haskell Opera House for the benefit of the Children's Book Room of the Haskell Library, has been arranged for Saturday evening, April 26th, to give everyone the opportunity to hear the choir and enjoy an outstanding musical experience.

Recently the choir and its conductor, John Robb, Mus. Bac., visited Ottawa to defend the honors won in the Ottawa Music Festival last year, and gave formidable competition to this year's trophy winner. The men were greeted with warm applause when they took the stage to sing the test pieces selected and were awarded 90 and 86 marks by the adjudicators, headed by Dr. E. Stanley Roper, organist of the Chapels Royal and eminent editor of music.

Commenting upon the choir singing of "Go, Lovely Rose" (Bainton) and "When I Think Upon The Maidens" (Michael Head), Dr. Roper said, "Your songs have been splendidly rehearsed to the finest detail. You have good voice production and your diction is clear and confident. You give the impression that you meet frequently together and enjoy it." "When I Think Upon The Maidens" was very effective. I liked the opening and you paid careful attention to the expression marks."

One of the adjudicators at Ottawa was the composer of "When I Think Upon The Maidens" and an interesting and dramatic incident occurred when Dr. Roper further said, "Michael Head is here. What about singing his number again to his own accompaniment in order to make the occasion memorable?" Then the choir sang about the maidens with even more zest than in their first effort.

It is learned that the choir will sing this particular number on their visit to Rock Island and will probably open their program with it, thus setting the stage for the many interesting and varied numbers that will follow it.

DERBY ACADEMY ORCHESTRA TO APPEAR WITH MEN'S CHOIR

The Rotary Club of the Boundary has to announce that the Derby Academy Orchestra, conducted by Mrs. Anna H. Reed, will appear as a special feature with the Montreal Men's Choir.

This fine high school orchestra has been heard infrequently at the Boundary, and this appearance will

NOVEL EVENT HELD BY LADIES AT ROCK ISLAND

Reversal of the usual procedure of entertaining the ladies, the members of the Ladies' Aid of Stanstead South United Church held a "Gentlemen's Night" last Tuesday at the home of the pastor, Dr. and Mrs. H. A. Carson. Guests were the husbands and sons of the members.

Highlight of the evening was the presentation of the humorous skit, "Doctor Cure-All." The characters in the play were Dr. Cure-All, Mrs. Cecil Whitman; Maria, Mrs. H. A. Carson; Mrs. Brown, Miss Muriel Cameron; Miss Jane Springman; Mrs. Henry Lemick; Alphonse De Jone, Mrs. Homer Cordau; Mrs. Rothkins, Mrs. Raymond Grou; Miss Kate Retchkins; Mrs. C. F. Hovey; Miss Teraphina Peddington; Mrs. Lucius Rye; Mrs. Scawing, Mrs. B. E. Lewis; and Mrs. Blooming, Mrs. Wayland Ladd.

The skit was much enjoyed by all, and produced much laughter as the characters became transformed after a call at the office of Doctor Cure-All. Mrs. Carson very ably coached the actors and each role was well depicted. Much credit is due Mrs. Carson and the members for the pleasant entertainment.

A most delicious supper was served to 55 at 6:30 p.m. A sing-song was enjoyed while tables and dishes were being disposed of. Arthur Cowie, choir-master presented Dr. Carson with a purse of money from the two Holland Church Ladies' Aids, Stanstead South Ladies' Aid and the Helping Circle as a gift towards acquiring his D. D. gown and to remind him of his birthday and in appreciation of his faithful duties as their pastor.

give local music lovers the opportunity of hearing one of the best groups of young musicians in this locality. The appearance of the Orchestra with the play "Applesauce" at the Opera House last Friday evening brought forth many comments on the fine quality of their music. The group will make at least two appearances during the course of the concert by the Montreal Men's Choir, and will play several different selections. Mrs. Reed is being assisted in preparing for this event by Miss Muriel Heath, Mrs. J. A. Begin and Maurice Fregau.

The committee in charge of the concert by the Montreal Men's Choir, Ernest Hills, G. Earl Heath and Maurice Fregau, are pleased to announce that arrangements have been made for the choir to sing at several Boundary churches on Sunday morning, April 27th. As it was impossible for the choir to sing at all the churches, it was thought best if they made an appearance at one church in each of the four villages. They will sing at the Universalist Church in Derby Line; the Stanstead South United Church in Rock Island; the Centenary United Church in Stanstead; and the Beebe United Church in Beebe. The Rotary Club of the Boundary is very pleased to be able to make these arrangements and appreciates the cooperation of the various ministers which makes this schedule possible. The choir will sing during the morning services at each church travelling in a special bus, on a strict time schedule.

"APPLESAUCE" BIG SUCCESS AT BOUNDARY

The Orleans Community Players scored a definite success with their production of Barry Connors' play, "Applesauce," at the Haskell Opera House, last Friday evening. The production was sponsored by the Derby Line Parent-Teachers' Club. An added feature was the appearance of the Derby Academy Orchestra, conducted by Mrs. Anna H. Reed, the orchestra adding a great deal to the pleasure of the evening.

The audience was very enthusiastic over the fine work of the Orleans Community Players. Each member of the cast did a really expert job of characterization. The play abounds in laughs, and the group made the most of every humorous possibility. The cast was the same as that in the production in Orleans, and was as follows: Mary Robinson, Mary Graham; Pa Robinson, Raymond Graham; Mrs. Jennie Robinson, Esther Ballard; Hazel Robinson, Mary Beth Litchfield; Matt McAllister, Otis Tinker; Bill McAllister, Warren Hilliard; Rollo Jenkins, Richard Cassidy; Greta Rowe was the director, assisted by Robert Cass. The stage manager was Willard Burdick, and the properties were looked after by Roger Barton. Make-up was taken care of by Dr. Karl Webster. Arrangements for bringing the group to Derby Line were made by Roland Roy, assisted by Earl Heath.

It would not be fair to try to pick out the star or stars of the performance, as every part was so capably done, and each member of the cast did such a fine job. It was an example of perfect team work by a group of amateurs who thoroughly enjoyed their task.

The Derby Academy Orchestra played an overture before the performance and other numbers between the second and third acts, as well as the National Anthems at the close of the performance. It was announced that the Orchestra would appear with the Montreal Men's Choir, which organization the Rotary Club of the Boundary will bring to the Haskell Opera House, Saturday, April 26th.

The evening was a success financially, but the exact figures are not ready as yet. The net proceeds are to be divided between the Orleans Community Players and the Derby Line Parent-Teachers' Club.

Following the performance, the members of the cast and the staff adjourned to the home of Mrs. B. F. Heath, President of the Parent-Teachers Club, for refreshments.

the meeting in her usual pleasing manner. Mrs. George Wilkinson conducted a very fine devotional period. The secretary's report was read and accepted. Considerable work was put through. It was voted to send Mrs. Moody a box of articles hard to obtain in England. Mrs. House and Mrs. Henderson are to be the committee in charge, to let Mrs. Moody know that her loving kindness to all, while among us, is still remembered. The parsonage committee was given the power to make all the necessary repairs. Mrs. Harold Stubbs gave a clear and lucid outline of the missionary work for the ensuing year. Mrs. Wayne Campbell has been invited to give the first paper. Miss Mildred Muir gave three of her delightful readings, which were much enjoyed. All missed the Rev. and Mrs. Lovelace and extend best wishes and hope that Mrs. Lovelace and the boys may soon be well again. The May meeting will be held on May 5, at the House-Worthing homestead, with Mrs. Harold Stubbs assisting.

RAMBLING 'ROUND THE BORDER

The nuptials of a popular young couple from the Boundary, took place last Wednesday afternoon at the presbytery of the church of Our Lady of Mercy in Rock Island.

Miss Isabel Cote, former registrar for the International Community School, and member of the office staff of Spencer Support of Canada Ltd., became the bride of Paul Zeh, erstwhile member of the United States Customs Border Patrol. Rev. Father H. O. Desève, pastor of the church, officiated. Gerald Laughrea was best man for Mr. Zeh, while Miss Denise Rita Langlois acted as bridesmaid. Only intimate friends of the young couple were present.

Immediately following the ceremony Mr. and Mrs. Zeh left on a honeymoon trip to Montreal, Toronto and Niagara Falls, later going on to Buffalo, N.Y., to Mr. Zeh's parents.

Information from Maurice Fregau, secretary-treasurer of the municipality of Rock Island, gives advance announcement of the new parking by-law to be enforced in that community effective May 1st. There will be a 3-hour limit on parking on the west side of Rock Island's Main Street, in the designated lanes, and absolutely no parking whatsoever on the East side of the street. The move is being made to facilitate the movement of summer traffic which flows through this border port in such heavy numbers, and the "no parking" rule on the "Customs side" of Main Street should help considerably.

The new parking by-law also will enforce parking on one side of the street only, on Railroad Street, too, with the south side available for parking, and a special space reserved for buses at the Railroad St. terminal.

Derby Line's Main Street will become a "bright lights" district with the installation being effected by workman of the Southern Canada Power Co. Ltd., who are engaged in installing new street lights of the powerful "Spherolite" type. Seven of these brilliant, modern-design lights will be placed on poles in the Main Street section, five from the top of the hill to a point opposite the Customs, and two on Caswell Avenue. It is the latest method of street lighting, according to Archie Grady, local manager of S.C.P.

Tomorrow night at the Del Monty the annual bowling banquet for the Robb's Council, Knights of Columbus, of Newport, Vt., will take place in the Main dining-room, with all K.C. bowling teams represented.

New member of the Rock Island detachment of the R.C.M.P., is Constable F. J. Langshaw, who has arrived to take the place of Tommy Beech, who has resigned from his home in North Battleford, Sask.

Mrs. Anna Nordby and family were visitors in Montreal last Thursday and Friday.

Next in the series of the popular "Pierce Hall Programs" at Stanstead College will be the concert for the girls on Friday April 26th by the brilliant Canadian pianist, Kenneth Mills.

Open hours at the Haskell Public Library are announced as follows: Tuesday, Wednesday and Saturday afternoons from 1 to 5 p.m., Thursday afternoon from 1 to 6 p.m., and Tuesday and Saturday evenings from 7 to 9 p.m.

The "Friends of the Library" Committee have been taking care of the librarian's duties during the absence of the regular librarian, Mrs. Patricia Carroll, who has been quite ill with pneumonia, in the Sherbrooke Hospital.

G. K. Cochrane and G. W. Armstrong, Canadian Bank of Commerce auditors, of Montreal, were recent guests at the Del Monty Hotel.

PLAY WILL BE PRESENTED BY YOUNG PEOPLE

Determined to uphold the splendid tradition of amateur theatricals in the Boundary Communities, members of the Boundary Young People's Society will stage the famous comedy, "The Late Sir Christopher Bean," at the Haskell Opera House on Friday evening.

Written by Sidney Howard, author of "They Knew What They Wanted" and "The Silver Cord," this hilarious comedy is being presented with the permission of Samuel French.

Audiences in New York, London, Paris and Berlin have received "The Late Sir Christopher Bean" with enthusiastic approval, when staged by professional players, and it is indeed an ambitious undertaking of the Boundary Young People to present such an outstanding production as their first effort.

Sponsored by the Frontier Community Centre, the play is being directed by the Rev. C. M. Stewart, pastor of Centenary United Church.

Members of the cast include William Pope, Beverly Crawford, Gwen McHarg, Rachel Whipple, Helen Monty, Erwin Taylor, Charles Keeler, Joe Bonnett and John Fox.

The curtain will rise promptly at 8.15 p.m., and the sale of tickets to Boundary playgoers seems to insure a full house for this most entertaining production of the Boundary Young People's Society.

LIBBYTOWN

Mr. and Mrs. D. E. Doran, of Ayer's Cliff, were Easter guests of their granddaughter, Mrs. Gledwyn Davidson and Mr. Davidson.

Mr. and Mrs. Romeo Laguerre and children were guests of her parents, Mr. and Mrs. Lachance, in Stanstead.

Special Events At Boundary Church

Among the special events scheduled for this month at the Derby Line Universalist Church are visits from the Executive Minister of the Vermont - Quebec Universalist Unitarian Convention, Rev. Carl Voss of Rutland, and the Executive Secretary of the Association of Universalist Women, Miss Ida Folsom, of Boston.

Mr. Voss will preach at the morning service on Sunday, the 20th, and Miss Folsom will speak the following Sunday, the 27th. On the latter date, the congregation will have the opportunity to hear the Montreal Men's choir, in town for the concert the evening before at the Opera House. Through the careful planning of those in charge, this choir will be able to sing at a number of the churches of the Three Villages that day.

Miss Folsom will also be the guest speaker at the meeting of the U-Need-Us club with the Women's Society as guests on April 23rd.

The Lenten Study group of the Universalist church has decided to continue to meet as a Bible Study group, and the meetings will be held at Friendly House on Monday evenings during April and May. Any who care to share in this informal study of the Bible will be heartily welcome.

DOROTHY DIX

Act Your Age

Woman, Thirty-Eight, Advised Not To Dress Like Bobbysoxers

Dear Miss Dix: I am a woman 38 years old. Should I go on dressing as a teen-age girl, as I do now? I wear bobby-sox and short skirts and go dancing with the kids who think I am around 19 or 20 years old. I like to jitterbug. Should I do so, or would it be more correct at my age to do smooth dancing?

DOROTHY DIX

Answer: The best advice that can be given to any woman is to BE YOUR AGE. Dress it and act it. Every age has its charms, but they vary with the years. They are not static. And the clothes, the manners, the conversation that made a girl a sweetheart when she was 16 make her a figure of fun when she is 60. Old sheep dressed as spring lamb is nobody's dish.

The clever woman knows that every woman plays a varying role in life, and that she must adjust her technique to meet the changed condition if she wants to be admired. The little tricks that are cute when the bobby-soxer pulls them off fall flat when the spinster attempts them. The fat woman who curls up on sofas looks like a performing elephant. The baby-talk lady, who always refers to herself as "poor little me," drives the discerning to drink, and when grandma persists in teasing herself about her boy friends, you want to cry.

CAN'T FOOL TIME

I call your attention to these facts, Brunette, because they are just as true of you as they are of other women, and you make a great mistake when you fool yourself into thinking that you can outwit time. It can't be done. When you are 38, you are 38, just as are your sisters and your cousins and aunts, and when people tell you that you look as young as any of the kids they are spoofing you.

You can't stop the clock, so don't try it. Throw your bobby-sox, which makes you look ridiculous into the ragbag. Lay off of freak hair-dos and teen-age dresses. Don't try to run with the debutante crowd, or attempt to be flirty. BE YOUR AGE and you will look younger. No woman looks as old as the one who is trying to look like a teen-ager.

Dear Miss Dix: I am deeply sympathetic with the mother whose son will not learn to spell, for I had the same experience with my only boy, who hated school and was dead set against all "book learning." But I was determined that he should have an education in spite of himself, so I visited his school every week and I made him learn his lessons and recite them to me until he got far enough advanced to read easily. That got him interested, and the result is that he is a well-educated and successful man.

MOTHER.

Answer: If more mothers would follow your example, it would do more than any other one thing to help solve the juvenile delinquency problem. For the reason that so many boys go astray is because few parents take more than a perfunctory interest in their children's education.

EDUCATION IMPORTANT

They feel that they have done their duty when they send Johnny and Mamie to school, but they don't see to it that the youngsters attend regularly, nor do they supervise their homework and make certain that they are really learning their lessons. The result is that a large percentage of the children, who have no natural thirst for knowledge, cut school as much as they dare, and never even find out what it is all about.

A good education is the greatest gift that parents can bestow upon their children. It is the tool by which they can always make a living and it is the greatest safeguard against falling into evil ways. For it is to the boys and girls who do not know how to read well enough to enjoy it, and who are driven to the streets for their entertainment, instead of to books, who fill our police courts.

The Record will be pleased to receive any letters to this Dorothy Dix column. These will be forwarded to Miss Dix who will answer them as quickly as possible.

RURAL WOMEN URGED TO AID HEALTH PLAN

Rural women can give real assistance in the drive for a national health plan for all rural people of Canada, Miss Marion Stewart, director and secretary-treasurer of the Health Study Bureau, Toronto, told members of the Quebec Women's Institutes at their last board meeting.

The bureau forms a medium for the expression of opinion on Canadian health needs through its free monthly bulletin service. Each province is being covered in turn, the bulletin on Quebec to appear this month. This number is being prepared by Mrs. G. E. LeBaron, Provincial Convener of Welfare and Health, and she is asking for the co-operation of all local conveners.

To assist in this undertaking Mrs. LeBaron is urging all Institute branches to purchase the "Review," which is the reference book to be used in connection with the questions in the bulletins sent regularly to all local conveners of welfare and health. These cost 15 cents and may be obtained from the Health Study Bureau, 30 Bloor Street, Toronto 5.

Here is a chance for Institute members to do their part in working for adequate medical service for rural Canada. According to Mrs. LeBaron, "health measures are heading for somewhere. If farm people do not wake up we are going to be left 'holding the bag' and urban people, whose need is not so great as ours, will benefit more than we."

USE HONEY FOR SWEETENING

By GAYNOR MADDOX
Spring appetites like something different. So try honey as a sweetener—saves sugar.

Honey Biscuits

Make small baking powder biscuits. When done, remove from the oven. Split in halves. Between halves place 1 teaspoon honey butter made by blending 1/4 cup butter and 1/2 cup honey together. Let stand a few minutes before serving.

Orange Short Cake

Bake your favorite short cake. Split while warm and place orange sections sweetened with honey between layers and on top. Serve with honey orange sauce.

Honey Orange Sauce: One cup orange juice, 1/4 cup honey, 2 tablespoons grated orange peel. Blend orange juice and honey. Add grated orange peel. Blend well. Serve on shortcake.

Honey Hints

Choose comb, extracted, or creamed honey for spreads, baking and for sweetening beverages, cereals and fruits.

Store honey in dry place of average temperature. Honey tends to absorb and retain the moisture of damp storage places.

Serve extracted honey in a con-

tainer with a non-drip device that cuts the flow of honey and prevents stickiness. When pouring the honey upon waffles or griddle cakes, hold it high and allow the honey to flow in a thin stream.

Dilute extracted honey by adding warm water and stirring until it has the desired consistency. Use this for sweetening beverages, cereals and fruits.

Cut comb honey with a knife that has been dipped into hot water. Heat honey in a double boiler to prevent scorching. Use this for waffles, French toast, and pancakes.

Measure honey in a moistened cup or one which has been used for measuring shortening.

TOMORROW'S MENU

BREAKFAST: Orange juice, ready to eat cereal, crisp bacon, honey biscuits, butter, coffee, milk.

LUNCHEON: Poached eggs on toast rounds, mock Hollandaise sauce, sliced tomatoes, gingerbread, tea, milk.

DINNER: Pan broiled chopped round steak patties, mashed potatoes, creamed leeks, tomato and lettuce salad, wholewheat bread, butter, baked apples with honey, coffee, milk.

NEA Fashion Editor
NEW YORK—The new background beige is threatening the wardrobe supremacy held for years by the basic black dress—beige that takes in neutrals from deep taupe to face-powder shades. As adaptable to a change of accessories and a variety of scenic interests as the black background dress, the new neutrals have other merits to shout about. They heighten personal coloring rather than diminish it, a complaint many women file against black. A gal can adjust her make-up to a beige dress to make it more flattering . . .

Beige sparks styles in background dresses. Take the wraparound. So successful is this American fashion which adjusts readily, is easy on the figure and anchors where designers say a dress should hang—at the shoulders and hips—that Paris is copying it . . .

The photograph, right, shows Adele Simpson's successful wraparound in "mezzatan," a golden beige shade of crepe highlighted by a self belt studded with gilt nailheads. The sketches prove its versatility in taking on scenic changes.

I.O.D.E. HOLDS APRIL MEETING AT MELBOURNE

Richmond, April 16. — Mrs. George Walker, regent of Udo-Lord Aylmer Chapter, I.O.D.E., presided at the April meeting which was held in the Melbourne Town Hall.

After the formal opening the secretary read the minutes and Mrs. J. S. MacNaughton gave the

treasurer's report, which revealed that one hundred and twenty-three dollars had been received in cash and fifty-one dollars by pledges for the War Memorial Fund, in response to the recent circular letter, which had been sent out to members and former members, and just a few replies had been received. Miss M. Harkom co-convenor with Mrs. Harry Hardy of the War Memorial Committee at this time, expressed sincere appreciation to Mr. C. Spence and Mr. E. Fowler, who had given such kindly assistance in the preparation of the circular letters. It is hoped that before the May meeting the remainder of the members will have sent in their replies to the

ADOPT DAYLIGHT SAVING TIME

Daylight Saving Time will be adopted in Richmond, effective from 12.01 a.m., April 27th until midnight on September 27th, according to an announcement from the office of His Worship the Mayor, A. E. Dyson.

The decision to adopt the advanced time was made at the April session of the Richmond Municipal Council, stated Mayor Dyson, and citizens of Richmond are urged to bear it in mind, and set their clocks accordingly when they retire on Saturday night, April 26.

ST. FRANCIS COLLEGE NOTES

Richmond, April 16. — During the holidays, outdoor shooting was resumed by the Cadet Corps. The three highest scores were made by the following Douglas Gunter 92, Robert Birch 91, and Dale Blanchette 89. Grade VII took class honors with six scores of 75 or better fired by D. Gunter, Arnold McKeage, Bobby Walker and Bobby Spence. Several boys have a good chance of winning their first class shooting badge before Inspection Day, May 20.

Work of clearing away part of the grove, at the back of the school field, in order to make the grounds large enough for rugby, soccer, baseball or running has been started. This work, when completed will make the playing field double the present size, and give everyone a chance to participate in these sports. Small trees and brush are being cut down and burned and the next step will be pulling stumps and leveling of the ground. It is hoped to have a field at least hundred yards long by sixty yards wide for recreational purposes, when this work is completed. Whenever possible healthy shade trees are being left along the edges of the field.

The Senior Girls' Choir of St. Francis College are presenting a cantata in St. Anne's Church on Thursday evening, April 17, at eight o'clock. All parents and friends of the school are cordially invited to attend.

School re-opened on April 14, with attendance much better than before the holidays, when the gripe was taking its toll among pupils and teachers alike.

The following teachers are engaged to teach at St. Francis College High School for the school year 1947-48: Mr. L. F. Somerville, M.A., principal; Mr. K. H. Annett B.A., Miss M. I. Wile B.A., Mr. Andrew Roy B.A., Miss Merne Powers B.A., Miss Viola Noble, Miss Hazel Sims, Mrs. Inez Fallon, Miss Ruth MacDonald, Miss Lucy Healy, Miss Winifred Ross, B.L.C. H. E.C., Mr. Ian Hume B.A. Two or three vacancies on the staff are yet to be filled.

Athletics are at a low ebb in this in-between period. Boys and girls inter-year basketball games are being played until the fields and pits are dry enough for baseball, softball and jumping. The last of the snow-banks around the rink have melted and it won't be long now.

CLEAN-UP WEEK IN RICHMOND FROM MAY 5-10

Endorsed with the hearty support of the municipal council, of the Town of Richmond the official clean-up week for the community will be held this year from May 5th to 10th inclusive.

The dates were decided at the last session of the Town Council, and citizens are urged to give utmost support to the annual Spring beautification campaign, to clean up their yards and assist in every way to make the community more attractive for the influx of summer visitors which will shortly be starting.

RICHMOND HILL

The regular monthly meeting of the Richmond Hill, Women's Institute was held at the home of the secretary, Mrs. Lloyd Roberts, in Richmond, Mrs. John Hawker, this year's president, was in the chair and opened the meeting by all repeating the "Collect" and "Salute to the Flag." Roll call hints on laundering curtains and general housecleaning brought forward many timely points on these phases of housekeeping. The minutes of the March meeting and the financial statement were given and duly approved. A card of thanks for flowers sent to a bereaved member during the past month was read, as well as a letter of appreciation from the recipient of an overseas box. It is very gratifying to receive such sincere letters of thanks, showing that these boxes are truly appreciated and needed. Mrs. Elmer Mills kindly offered to quilt the quilt, which is to be assembled by Mrs. Hawker shortly. More boxes were turned in at this meeting. The sum of five dollars was voted for the Red Cross drive to be given to the canvasser covering this district. Mrs. Healy was asked to write a business letter in French to Mr. Albert Goudreau, M.L.A., for Richmond County. The fancy drop cookie contest with four entries resulted in first prize going to Mrs. Hawker, and the second to Mrs. L. Healy, Mrs. Wilbert Smith acted as the judge. Mrs. Roberts served refreshments provided by the members, as this was an open meeting.

Miss Louise Roy has returned to Bishopston, after a few weeks at her home here.

WORK STARTED ON RICHMOND'S NEW RESERVOIR

Preliminary work has already started on the construction of the new reservoir for the Town of Richmond, according to information from municipal officials.

The new reservoir is located on Craig Road, on the outskirts of Richmond's "upper town," in the rapidly-growing residential and industrial section of the community above the C.N.R. tracks.

When completed, the reservoir will contain facilities for a million and a half gallons. It is expected to be finished on or before October 1st.

SHERBROOKE EDGED OUT BY ROYALS 3-0 IN HARD-FOUGHT TILT

McNeil Sensational As Locals Drop Third Game Of Series To Montreal

The fighting Sherbrooke St. Francis Hockey Club went down fighting to Montreal Royals 3-0 in a wide open game of hockey last night at the Forum in the third game of the best-of-five series to give the Royals the lead in the series 2-1.

The local club was reinforced with the addition of Rollie Hebert, playing coach of the Victoriaville Tigers. Permission had been granted by Norman Dawe, president of the Q.A.H.A., and vice-president of the C.A.H.A., to use Hebert providing that the Victoriaville club would release him. The executive of the Tigers was immediately contacted and concurred in the deal which strengthened the local defense immensely.

The game started off with the checking close and waiting for the breaks before making a move. The Sherbrooke team looked much better at the start than in Sunday's tilt. It had the look of a club that was out to win, and did a very good job at it. The Royals were playing man for man and paid special attention to the colored line and the boys could not get a clean shot on the nets, as well as Tony Demers.

GERARD COTE TO COMPETE IN BOSTON RACE

Boston, April 16.—(P)—A total of 170 runners, the largest since 1940, was on the entry list last night when the deadline for the Boston A.A.'s 51st Hopkinton-Boston Marathon on April 19 was reached.

Included are five former winners as well as impressive delegations from Greece, Finland, Hawaii, Korea and Canada. The previous victors are Stylianos Kyriakides of Greece, last year's winner, Johnny Kelley of West Acton, Mass., Gerry Cote of St. Hyacinthe, Que., Ellison (Tazan) Brown of Alton, R.I., and ageless Clarence De Mar, who has led the pack home seven times since making his initial start back in 1910.

The batch of 20 entries checked off just under the deadline included that of Eddie Lansdale of Moncton, N.B.

rebound in to put the Royals two up.

Ossie Carnegie received a holding penalty, but the Royals could not dent the twice during his absence. When Carnegie returned he broke in fast but missed the lower left hand corner of the net. The period ended with Sherbrooke carrying the play but could not make the red light flash behind McNeil.

The Royals started the middle period at a fast clip, right from

got by him. Sherbrooke was still pressing and Tony Demers drove a shot that almost slipped by Jerry McNeil. McNeil put his hand out to catch the puck and it slipped off his glove and rolled by the corner of the net.

Big Red Goupille got the nod for the cooler for a supposed trip and went off. The Royals threw

on four forwards but they could only get two shots at Barefoot. Goupille returned and the locals assumed the offensive. Goupille broke with Demers, dropped the puck back on a criss-cross pass but Tony Demers missed with his shot. The Royals came back on a three man pass and Malone beat Barefoot, after being set up by Ted Campeau and Jerry Plamondon. Plamondon drove the shot at Barefoot and

the opening faceoff, but H. Carnegie came back strong to break in on McNeil, but missed a golden opportunity, brother Ossie came in fast and also missed the opening.

Curry got a penalty at this stage of the game, and it was the signal for Coach Dugre to throw on four forwards, but Tony Demers was handed a cheap penalty, which the fans did not seem to like, then Hebert got the nod, but Demers returned before any damage was done.

He no sooner took his place than Ossie Carnegie received a penalty for checking Harvey and this was the signal for the fans in the Forum to shower the ice with programs, rubbers and everything that was handy. The game was delayed until the sweepers cleaned the ice. The fans objected to Referee Gettiffe's decision when he gave the thumb to Ossie Carnegie.

The game got under way with the locals short two men, but Hebert Carnegie, Adj. Cote and Red Goupille held the fort and the best that the Royals could do was to get two clean shots at Barefoot. Hebert returned and Doug Harvey, Royals burly rearward, got the nod for tripping Cote when he broke clean with only Harvey in front of him.

To Lecture Here

Bill Lang, noted wild life photographer and past president of the Toronto Anglers' Association, is seen holding a deer in his arms that he just escaped a pack of wolves at a lake in Northern Ontario.

Lang, who is at present on a tour of Canada, will give two lectures at the Mitchell School, tomorrow evening and Friday night. Lang will demonstrate the art of hunting moose, deer and all kinds of wild animals with only a camera. The second picture entitled "The Life of the Muskogee" depicts a Canadian's greatest inland fish from spawning to capturing on a light tackle. Local anglers will get a thrill out of watching Lang and his son catch these giant fish on 4-oz. rods.

Baksi Scores T.K.O. Over Woodcock; Will Be Offered Match With Louis

London, April 16.—(P)—The knockout of Bruce Woodcock, Britain's white hope for world heavyweight honors, today left the Empire without a topnotch fighter able at least to go the distance with champion Joe Louis—a bitter disappointment to British boxing fans who had patiently waited for ten years for another like Tommy Farr to come along.

Woodcock, upon whom hard-bitten British sportsmen banked as an opponent for Louis, was chopped down by ponderous Joe Baksi, the former Kippington, Pa., coal miner in the seventh round of a scheduled ten-round bout at Harringay Stadium last night.

Britons thought Woodcock's trombone-slide left would beat out a victory song on Baksi's face but the American played the tune instead. Eleven thousand spectators, many of whom had paid as high as \$84 for a ringside seat, and millions of radio listeners who had been talking themselves into knots discussing Woodcock's possibilities were supplied with the answer almost from the start. Baksi sent the British Empire champion to the canvas five times in the first two rounds. From then on it was a question of how long the Doncaster railroader could last.

Baksi won all six of the completed rounds and had Woodcock's face cut to ribbons when the referee mercifully halted the proceedings at 1:12 of the seventh, with no objection from the disappointed fans.

Baksi weighed 213 1-2, Woodcock 194 1-2.

This was Britain's second chance in ten years to send a native against Joe Louis. Farr got inside the ropes with the Brown Bomber in 1937 and surprised even his most optimistic followers by scoring 15 rounds before losing the decision.

Woodcock won the British championship in 1945 with a six-round knockout of Lancashire's Jack London.

After the fight Baksi told boxing writers that Woodcock "didn't hit me one solid shot."

Whether Baksi will have the doubtful pleasure of Mr. Louis's company at Yankee Stadium on June 26 hinged on developments of the next two days here and in New York.

Baksi and his manager, Nate Wolfson, brushed aside talk of a go with Louis in June but said they would talk business today with Nat Rogers, matchmaker for the Twentieth Century Sporting Club of New York, who carried a contract into Baksi's dressing room after the fight.

To fight writers, however, Wolfson said he didn't think Baksi would want the fight as early as the scheduled date.

Around The Dressing Room

By LEN O'DONNELL

Well folks, our fighting hockey team went down to defeat at the hands of the Montreal Royals 3-0. Every player played heads up hockey, from Harry "The Butcher" Barefoot right up the line to every man on the club. Coach Ivan Dugre can well be proud of his bunch of players, as well as every resident of the City of Sherbrooke. We do not need to take any back seat from the Royals, or any other team in the Province.

The refereeing in last night's game left a lot to be desired. It is not my habit to criticize the officials, but in my opinion referee Gettiffe handed out some penalties, which, according to the 10,000 fans at the game, the Montreal fans included, were questionable. According to the old saying, "A few people may be wrong, but surely 10,000 cannot all be wrong."

Frank Carlin can well thank little Gerry McNeil, his golden haired boy, for his 3-0 victory over our team. McNeil was outstanding and turned our sharpshooters back time after time when the boys were in the pay off alley. He can well be spoken of in high terms, and should be a worthy successor to Bill Durnan. He was the outstanding star of the game and it was he and not his defence that pulled the tilt out of the fire for the Carlinmen. Sherbrooke swarmed all over him but could not get the rubber behind him. Harry Barefoot at the other end of the ice turned in a good exhibition of net minding and the shots that beat him were right in on top of him and did not give him much of a chance.

Tony Demers sitting in the dressing room, shaking his head. "What do we have to do to beat McNeil," he was really hot. But wait until we get him at home it will be a different story. Gettiffe sure handed out some cheap penalties. I was plugging with the puck, along the boards and Harvey comes charging at me. I side stepped him and I get the penalty, some break."

Herbie Carnegie, sitting over in his corner, said, "Well, it was a hard one to lose. The boys worked hard and Rollie Hebert played his heart out for us but I guess it was not in the books for us to win two in a row, but wait until Thursday. The Royals will know that they have been in a game. We will be back in here Saturday."

Rollie Hebert, the playing coach of the Victoriaville Tigers, turned in a bang-up game considering the length of time he has been out of action, and he was a great help to Coach Dugre. The penalty that he drew was debatable, the very man that let Hebert get away all season with his sliding check gave him the hoist last night. Rollie could not figure it out, nor could anybody else.

Bill Heindl, sitting on the players' bench, played a harder game than the boys out on the ice. Every time that a change was made he gave them a little word of encouragement when they stepped on the ice a tap on the shoulder when they came off. Bill sure gave theumps a real riding. It looked as though he might be ejected from the bench but he was still there as the game ended, hollering his head off.

Syl Apps Gives Leafs 2-1 Victory Over Canucks To Lead Series 3-1

had the Stanley Cup almost within their grasp today, thanks to their captain and centre ice star, Syl Apps, who banged home the winning goal with a backhand shot in overtime last night to down Montreal Canadiens 2-1 and give the Leafs a 3-1 edge in the best-of-seven series.

The 32-year-old veteran, for whom this season may be his last in the National Hockey League, broke up one of the most brilliant goaltending duels in modern Stanley Cup history with the goal he whipped past Bill Durnan in the Montreal nets at 16:36 in the overtime period.

The Leafs, for whom it was the third straight victory in the series after their defeat in the first game, now head for Montreal for the fifth game Thursday night. If a sixth game is necessary, it will be played in Toronto Saturday.

Both goaltenders—Durnan of Canadiens and Walter (Turk) Broda of Leafs—played sensationally before 14,527 fans through the regulation 60 minutes and on into overtime.

Each was beaten in the first period. Defenceman Glen Harmon scored for Canadiens with three men in the penalty box—Gaye Stewart and Vic Lynn of Leafs and Ken Reardon of Canadiens. He took a pass from Toe Blake in a pattern passing attack in the Toronto end of the rink and Broda didn't have a chance.

Harmon's goal came at 4:38 when Harry Watson scored for Leafs at 6:13. Each team was still one man short with Lynn and Reardon still doing time. Apps set up the play and Watson took the pass, ghosted through the Montreal defence and rifled a clean drive past Durnan.

From then on the goalies played it carefully. They smothered rebounds carefully, at times bouncing the puck out of harm's way with their sticks. They did their best work in the overtime. Then Canadiens put on pressure and Broda had some spectacular stops. Once a puck hit the post. Another time Johnny Quilty almost scored from a faceoff, the puck skittering hard across the ice almost dead on the nets.

Durnan's overtime display came mostly on Toronto breakaways. Once Ted Kennedy went in alone but the phlegmatic Montreal netminder dived into the play at the opportune moment. He went down on others too.

It was really Apps-Watson night from a scoring standpoint for the big leftwinger got an assist on the winning goal, the scorer changing his first ruling which gave the counter to Apps.

Bailey, 166 1/4, Hoboken (8).

Change now to NEW SHELL X-100 MOTOR OIL

Now's the time to change the oil in your car to one that will give you extra protection.

Oil failure—the actual breakdown of its protective power under the beating of sustained speed—is a comparatively new disease. To overcome it, Shell scientists—aided by war research—have produced a new kind of motor oil . . . an oil fortified by "X" Safety Factors. These . . . (1) Resist chemical change (2) Clean the engine (3) Guard against rust (4) Reduce wear and oil consumption.

See your Shell dealer this week. Get him to give your car this extra protection—you may not need it for ordinary neighborhood driving, but for long trips it's safety insurance. May as well get a complete Summer lubrication at the same time!
