DEATH OF ADEL ARTEAU CAUSE OF SENSATION AT WATERLOO.

Many Believe That He Met With Foul Play—Body Was Run Over by Train Near Waterloo—Jury Failed to Find Cause For Deceased Going On to Track.

Waterloo, July 4.—(Special)—Sensational developments arose last evening at the inquest into the death of Adelard Arteau, who was killed on the track of the C. V. R. about a mile and a half from Waterloo Railway station.

The evidence was heard behind closed doors, the extreme heat having been given as an excuse for keeping out the public. This procedure only intensified the feeling that had been aroused since the body was found. It is believed that evidence of a sensational nature was adduced, which was not given out to the public.

The coroner and jury sat until after midnight before a verdict was brought in, and a large crowd waited until that hour.

The verdict of the jury was to the effect that the deceased Adelard Arteau met his death on the Central Vermont Railway track, but that they were unable to determine from the evidence by what means the deceased came to be on the track.

THE EVIDENCE.

From the examination of witnesses it would appear Adelard Arteau was killed on the track at the point above mentioned. The train was travelling at a high rate of speed, and the engineer saw the body lying at a curve, and although every possible warning

was given the man did not move, and it was impossible to stop the train before he was run over. When the body was picked up life was extinct.

POST MORTEM HELD.

The report of the post mortem held on the body stated that there was but little liquor in the stomach of the deceased, although there was a faint odor of liquor from the mouth.

FAILED TO THROW LIGHT.

The examination of the witnesses failed to throw any light as to where Arteau was after he left the hotel.

MANY THEORIES ADVANCED.

There are many theories advanced as the circumstances leading up to Arteau's death. It is held by some of his friends that he had met foul play, and that robbery was the cause. It is pointed out by others that while the unfortunate man may have been drinking a little he had not sufficient to make him so helpless that he would be on the track and fail to hear the approach of a train.

There is much excitement in the place over the occurrence.

High Constable Boisvert has the matter of probing the matter to a satisfactory solution.

The deceased was employed as a painter with the South Ruxton Mfg. Co., and leaves a widow and six children.

minor concessions.

Liverpool, July 4.—The White Star Steamship Company, yesterday agreed to terms of settlement, and the shipping strike here is ended.

Tom Mann, the strike leader, had announced earlier in the day that the strike was practically over, the only remaining difficulty being with the White Star line in regard to the interpretations of the phrase "a recognition of the union."

The men of the other companies are returning to work.

Yesterday afternoon the Empress of Britain and the Carmania completed their complement of seamen and sailed.

Belfast, July 4.—The shipping strike here was settled yesterday, and work was resumed.

RIOTING AT GLASGOW.

Glasgow, July 4.—Serious rioting by the striking seamen occurred here last night. They cut the moorings of two vessels and allowed them to drift into the river. The police were forced to make several charges with drawn batons, in which some of the strikers were wounded. Many of the rioters were arrested.

CONSIDERED

THE VETO BILL.

NUMBER OF MINOR AMENDMENTS PRESENTED AND WITHDRAWN.

London, July 4.—The Lords again devoted the whole session of the House to consideration of the Veto Bill, and discussed a number of minor amendments, most of which were withdrawn.

The most notable feature of the sitting was the joining of the forces of Lord Lansdowne and the official Opposition with the Government, peers to defeat an amendment proposed by the "Backwoodsman Peer," Baron Richard Willsborough De Broke, which was aimed at preventing the passage of any bill under a provision of the Veto Bill until it had been submitted to a poll of the people. This amendment was rejected by 90 to 17.

NATIONS EXCHANGE HONORS

Caracas, July 4.—(Special)—In connection with the celebration of the centennial of Venezuelan independence, President Gomez today paid a graceful compliment to the United States, on the latter's independence day, by placing a wreath on the Washington statue in Caracas. Mr. Thomas C. Dawson, the special American representative at the centennial, returned the compliment by placing a wreath on Bolivar's statue.

NEW YORK HAS DOUBLE CELEBRATION.

New York, July 4.—(Special)—This city was the scene today of a double celebration. Independence Day was observed in a "safe and sane" manner by the holding of patriotic exercises in various parks and population centres and a special celebration was held, including as special feature a parade of the various nations represented in the city's population, to commemorate the dedication of the city hall, July 4, 1811.

WILL HAVE TO PAY \$250,000.

London, July 4.—Horatio W. Bottomley, editor, newspaper proprietor, financier and independent Liberal member of Parliament for South Hackney, has been ordered by Lord Chief Justice Alverstone to pay \$250,000 damages to the estate of R. E. Master, a retired Madras civil servant. It was claimed that Bottomley had obtained \$250,000 through misrepresentations by selling to Master worthless shares in numerous undertakings promoted by himself. The plaintiff was Mrs. Curtis, a daughter of Master.

CANADIAN GIRL WEDS IN LONDON.

London, July 4.—(Special)—A brilliant gathering of representatives of the British Army, members of the English aristocracy and of Canadian society attended the marriage of Miss Elsie Riordan, youngest daughter of Mr. and Mrs. Charles Riordan, of Montreal, Que., to Major Sir Hamilton Gould Adams, British High Commissioner for Cyprus, which was celebrated in St. Peter's Cathedral here this afternoon.

DROWNING AT CAPELTON.

Edwin Harrison Master Mechanic for Nichols Chemical Co.

WENT BATHING IN MASSAWIPPI RIVER—FORMERLY OF SHERBROOKE—FUNERAL TOMORROW.

An unfortunate drowning occurred last evening, in the Massawippi River, at Capleton, when Edwin Harrison Master, master mechanic for the Nichols Chemical Company, lost his life.

He went in bathing and being very warm it is thought the shock affected his heart. A number of others were bathing at the time but some ten or fifteen minutes elapsed before the young man could be rescued from the water. Life was then extinct.

Deceased had been living at Capleton since his employment with the Nichols Chemical Company.

He was about 25 years of age and married. He was well known in Sherbrooke, having learned his trade at the Jencks Machine shops.

He was a member of Victoria Lodge, A.F. and A.M.

The funeral will take place tomorrow, leaving the house at Capleton at one p.m. and proceeding to St. Peter's Church, Sherbrooke, thence to Elmwood Cemetery. Masons are requested to join the funeral procession on the Lennoxville Road, opposite the Chateau Frontenac, about two o'clock.

HOUSE STRUCK BY LIGHTNING.

Bolt Struck Bed on Which Children Were Asleep.

CHIMNEY WAS DEMOLISHED AND HOUSE SOMEWHAT DAMAGED.

Scotstown, July 4.—(Special)—During the electric storm yesterday, the lightning struck a house in Goudville. It was the old B. F. McDonald house which is now occupied by Mr. C. H. Mayhew and family. The chimney was demolished and the house was somewhat shattered.

The bolt struck down through the roof of the house and smashed off the top of a bed which was occupied by some of Mr. Mayhew's children. The children were not harmed in the least except it be from the terrible fright which they had. This occurred about six o'clock in the morning.

TWO DEATHS IN MONTREAL.

Montreal, July 4.—(Special)—Montreal is in the throes of another rolling day. Two deaths from the heat and several prostrations are reported. The local Stock Exchange will not meet this afternoon, owing to the extreme heat.

HOT IN SCOTSTOWN DISTRICT.

Scotstown, July 4.—(Special)—Yesterday was the hottest weather we have had for a long time. All through this section it seems to have been about the same. In La Patrie the thermometer registered 94 in the shade; in Chertville, 93; in Notre Dame de Bois, 92. In the town of Lingwick one farmer said it was 95 in the shade, and another said it was 98. In Scotstown village the temperature varied from 92 to 97. Monday evening some found it so hot that they made up beds on their verandahs and slept out of doors.

KAISER'S GRANDSON FIVE YEARS OLD.

Berlin, July 4.—(Special)—Prince William Frederick, eldest son of Crown Prince Frederick William, celebrated the fifth anniversary of his birth today. The observance of the event was mainly confined to the members of the Imperial family and the household of the Crown Prince.

ALLEGED DYNAMITERS TO ENTER PLEAS.

Los Angeles, Cal., July 4.—(Special)—Unless unforeseen circumstances arise, John McNamara and James McNamara will appear in court here tomorrow and plead not guilty to the charges of murder contained in the indictments returned against them by the grand jury which investigated the facts connected with the fatal explosion and fire in the Times building.

TO UNVEIL LAURA SECORD MONUMENT.

Queens Heights, Ont., July 4.—(Special)—Arrangements have been completed for the unveiling tomorrow of the monument erected on Queens Heights in memory of Laura Secord, the Canadian heroine of the war of 1812. Sir George Ross and other speakers of prominence will deliver addresses.

RECEPTION TO SIR WILFRID LAURIER.

Montreal, July 4.—(Special)—Preparations are being made to give a hearty reception to Sir Wilfrid Laurier here next Monday night when he is expected from England.

HOTTEST DAY IN FIFTY YEARS.

Silvery Fluid Ran up to 96 Degrees in Sherbrooke.

WORK IN HAYFIELDS HAD TO BE SUSPENDED YESTERDAY AND TO-DAY.

RELIEF AT LAST.

The weather probabilities for the next 24 hours are:

FINE, WITH LOWER TEMPERATURE.

The torrid wave which set in on Sunday morning still continues. The thunderstorms which were anxiously looked for did not materialize, and this morning the silvery fluid seemed to be going higher than yesterday. At various places in the city the thermometer registered 96 degrees. Such a spell of heat has not been experienced in this section during the past fifty years.

There have been no deaths reported as a result of the extreme heat, there have been several cases where people have been overcome and had to give up work.

Reports from all over the Townships carry the same story of the "hottest ever." All work in the hayfields has been suspended, as neither man nor beast could stand the extreme humidity.

The weather probabilities at noon to-day would indicate that relief was at hand as it is said that within the next twenty-four hours the weather will be fine with a lower temperature. It will be welcome.

Last evening a heavy electrical storm was at work in the West and it looked as if it would reach Sherbrooke, but the storm gradually broke up to the north and south and beyond a few puffs of a breeze Sherbrooke settled down to another sweltering night.

6 DEGREES IN MONTREAL.

Montreal, July 4.—Not since official records of temperature were kept at McGill has so high a thermometer reading been made as yesterday, when even the frigid instrument registered 94.5, or nearly 95 degrees in the most carefully selected shade that could be found. Since 1874, when the observatory started its records the mercury has never ventured to rise so high. In fact, during all those thirty-seven years it has only approached such torrid heights twice, and both of those occasions came in July. On July 19 the thermometer marked 93.9, and on July 16, 1901 it rose to 93.7. Outside of those two unpleasant occasions it seldom approached the 93 mark, so that yesterday's record of almost 95 is likely to prove one which in years to come oldest inhabitants will recall with pride.

MANY DEATHS IN NEW YORK.

New York, July 4.—The size of oppressive hot weather continues throughout New York State. To the maximum of 94.5 degrees, which the heat wave officially reached here Sunday, three and a half degrees were added by yesterday's maximum of 98, recorded at noon. To the list of ten lives which succumbed here in Sunday's torrid tide, as many more were added yesterday, while the list of prostrations officially reported ran upwards of a score. In Herald Square the bulbs registered 105, while the glass on the World building marked 110.

Up-state points reported similar woes. At the Cornell weather station in Ithaca, a temperature of 101 degrees, the highest since the station was established thirty years ago, was officially reported.

NEW ENGLAND SWELTERED.

Boston, July 4.—All heat records of the weather bureau were shattered by the heat wave in New England yesterday. Three deaths and more than fifty prostrations were reported in Boston and its suburbs alone, while scores of people in other parts of New England were overcome by suffering from the intense heat. The White Mountains of New Hampshire, famed for their cooling breezes, offered little relief, for at Lancaster and other points the mercury climbed upward until it registered 86 degrees in the shade. At Burlington, Vt., the weather bureau reported temperature of 100, exceeding by four degrees the highest mark that has been previously reached during the 70 years that records have been kept.

IN MARYLAND.

Baltimore, Md., July 4.—The hot weather took heavy toll here yesterday, although the official maximum temperature of 98 degrees was two degrees lower than that of Sunday. Three deaths, one of them a suicide, two attempts of suicide and six prostrations were reported as a result of the heat.

A DEATH IN OTTAWA.

Ottawa, July 4.—As a result of the intense heat, Matthew McMahon, hydrant inspector, of the city, died yesterday. A Dominion policeman found him lying unconscious on Lover's Walk, below Parliament Hill, but he could not be revived.

OVER 103 AT TORONTO.

Toronto, July 4.—The new high record for temperature, 103 degrees, in Toronto, set by Sunday's hot wave, stood for less than 24 hours, for by noon yesterday the official thermometer reached 102, while a little later the top notch of 103.2 was touched. There was more breeze than on Sunday, which somewhat alleviated the conditions, but many factories and foundries had to close down because of the excessive heat. Last night the hospitals reported more than a score of prostrations.

THE MEREDITH ELOPEMENT.

Couple Now at Young Man's Home in Bethany.

ACTONVALE CLERGYMAN WIVES GIRL'S PARENTS FOR PERMISSION TO MARRY THEM.

Acton Vale, July 4.—(Special)—The couple who eloped from Meredith, N.H., as reported in yesterday's Record, it is believed, have arrived here.

Shortly after arrival yesterday they made application to Rev. Mr. Massicot to marry them.

The young lady said she was of age. Mr. Massicot held some doubts on this point and consulted with Rev. Mr. Wurtelle. The latter had just received a copy of the record and read the despatch from Meredith.

Mr. Massicot thereupon reported to the couple that he could not marry them till he had received permission of the girl's parents.

He sent a telegraph message in this connection, but had not up to this morning received any reply.

The couple took the evening train for Bethany, the young man's former home.

It is probable that they will remain there until communication is received from Meredith.

If it is favorable to the marriage, Mr. Massicot will perform the ceremony as Bethany is within his field of labor.

CIRCUIT COURT AT LAKE MEGANTIC.

Large Number of Cases Heard at Last Term of Court.

LAND SURVEYOR SUE FOR GIVING A WRONG LINE.

Lake Megantic, July 4.—(Special)—A term of the Circuit Court was held here two days last week by Judge H. C. Pelletier, of Quebec. Messrs. F. X. Dufour, lawyer and stenographer, G. Hamel, Gendron, of Lambton, J. A. Gaudet, J. Roy, J. P. E. Laliberte, of Megantic, were in attendance. Some very important cases came on for hearing, amongst them being the case of Bernard vs. McDonald, for the price of work as a lumberman or jobber. The defence was that Campeau & Co. as contractors, had hired Bernard as a jobber to get out lumber for Gunn & McDonald, and Bernard claimed that McDonald should pay him. McDonald objected and the case was taken on delivery.

LAND SURVEYOR SUE.

Campeau & Co. vs. C. A. Larue. Surveyor of Beauce, was sued for giving a false line. Campeau & Co. was cutting lumber on the Fourth Range of N.E. Whitton, and got Larue to give him the range line, which was indicated by two different lines marked out. The one which took him some distance on the Fifth Range being the one given by Larue. Campeau was sued by the Brompton Lumber Co. for cutting on their land to the extent of \$200 which was proved by a surveyor from Quebec running the correct line. This case was also taken on delivery.

ACTION FOR DEFAMATION.

Gaudet vs. Huard for damages to the extent of \$150 for defamation in connection with the Agnes Ballot last February. The action was dismissed without costs.

SUE FOR DAMAGES.

This was an action wherein E. Perrin vs. Gagnard were the parties in connection with the cheese factory at Weburn. Perrin, who had canvassed the district for patrons sued Gagnard for not bringing his milk to the factory, but Gagnard proved that he had not promised. The action was dismissed with costs. Many other minor cases that were not of much public interest were also heard.

BRIDGE GOES DOWN AT SUTTON.

Ice Waggon and Horses Dropped 30 Feet Into Stream.

CART WAS SMASHED BUT DRIVER AND HORSES ESCAPED INJURY.

Sutton, July 4.—(Special)—While Mr. R. C. Fadden was driving his ice team with a heavy load of ice across the bridge leading up to the race grounds on Monday morning, the bridge fell, carrying the load of ice and both horses to the bed of the stream on to the rocks some 15 or 20 feet below. The cart was badly smashed, the horses escaped serious injury. Mr. Fadden just escaped by jumping into the brook and was not injured. The bridge was some 30 ft. across.

WILL NOT RENDER VERDICT.

Rome, July 4.—(Special)—The jury in the famous Camorrist trial have delayed proceedings because they are not satisfied with the special provision made for their pay.

L.A. BAYLEY

Danville won the league game from Waterville by 13 to 8. The playing on both sides was good. Molyneux and Spriggins starred for Waterville, while all the home team worked well. Hope was on the firing line and was wild at times, and seemed to have an off day, ten hits being made off his delivery. Blair, the visitors' pitcher, was hit hard and had one very bad inning, when bunched hits and inept errors by Gale let six runs cross the plate. A small riot was started in the 7th inning when Molyneux, sliding to the plate, spiked Hope. Capt. Mailloux and his team left the field, but soon returned and finished the game. This victory puts Danville in the lead for the league championship. Mr. E. E. Hamilton handled the game to the satisfaction of all. The teams lined up as follows:

Danville		Waterville
Pipe		Molyneux
Hope		Blair
Harris		Lavers
Gaquette		Fortin
Champagne		Mailloux
Cote		Gale
Jarry		Drew
Equette		Robinson

MR. ELISEE DUPUIS A FRANK TESTIMONIAL

Mr. Elisee Dupuis, of St. Paul de la Croix, was suffering from weakness, ST. MICHEL'S WINE cured him and he acknowledges its value.

Mr. Elisee Dupuis' trade is a hard one, that of sawyer; he had used his strength unsparingly and human endurance having its limits,—he began to grow weak until finally the day came when he realized that he must find a remedy for his enfeebled condition. Mr. Elisee Dupuis has the courage of his convictions. This may be seen by the following letter:

MESSRS. BOIVIN, WILSON & CO., Montreal.

Gentlemen—Many people hesitate at the idea of seeing their photographs or testimony published in the newspapers. For my part, I am not of these. When one obtains relief from his sufferings through another's help, it seems to me only just to give credit to whom it is due and show gratitude for the good that has been done.

It is for this reason, gentlemen, that I take pleasure in thanking you for the marvelous results procured by means of your ST. MICHEL'S WINE, which I used for weakness, from which I suffered for many years. In my trade we are much more exposed than in many others. We over-exert ourselves, with the results you know and we often become extremely weak. I have been through the mill and if to-day I am enjoying good health, it is due in great part to the restorative properties of ST. MICHEL'S WINE. Since I have been taking this treatment I can attend to my work without fear of feeling weak as I used to formerly. I heartily urge my co-workers to follow my example, because I am certain that ST. MICHEL'S WINE will be worth its weight in gold to them. Once more, thank you a thousand times, thank you.

Very truly yours,

ELISEE DUPUIS,
St. Paul de la Croix.

P.S.—You will find enclosed my photograph which I had taken after being restored to health. One dozen and a half bottles were sufficient to make me strong again.

E. D.

Thousands of persons have thus felt the benevolent action of ST. MICHEL'S WINE. We are receiving new testimonials daily which we will be able to publish with the permission of our correspondents.

SOUTH BOLTON.

The Methodist Sunday School of Bolton Centre joined by several friends from South Bolton and elsewhere, met in John Cameron's Orchard, last Thursday, June 29th, with well filled baskets for their annual picnic. About fifty guests did justice to all the good things provided. The day was fine and cool with the result that games, races, etc., were indulged in causing much amusement for all. Several votes of thanks were given near the close to those who had helped make the day such a grand success, especially one to Miss Addie Wedge, who so patiently gave such a splendid selection of music on the phonograph, to an appreciative audience.

Mr. Leon Sweet, who is seriously ill remains about the same yet. Mr. Harold Taylor, of Montreal, guests at Mr. H. G. Greene's for a few days.

Mr. Jerome Wedge is busily engaged preparing the foundation of the new store which he intends putting up on the corner.

IN MEMORY OF CANADIAN HEROINE.

Handsomeness Monument to be Unveiled in Honor of Laura Secord.

IS PLACED UPON THE HISTORIC SOD OF QUEENSTON HEIGHTS.

Queenston, July 4.—(Special).—Upon the historic sod of Queenston Heights, overlooking the Niagara River, where General Sir Isaac Brock drove back the American invaders a hundred years ago, there is to be unveiled this week a handsome monument erected by the Dominion Government in honor of Laura Secord, one of the most conspicuous heroines of Canadian history. The unveiling is to be made the occasion for interesting ceremonies which will include addresses by Sir George Ross, J. W. Langmuir chairman of the Niagara Falls Park Commission, and others.

Laura Ingersoll Secord, in commemoration of whose deed of devotion and daring the monument has been erected, lived with her husband near Niagara-on-the-Lake, the ancient capital of Upper Canada. In the War of 1812 her husband took up arms to protect his home and country. Wounded in battle, he was taken to his home to be nursed by his devoted wife.

One day two American officers called at the Secord home and demanded food. While serving them Mrs. Secord caught a few words of their conversation, which satisfied her that the Americans planned a surprise attack on the British army which was stationed in the vicinity of Beaver Dams.

through dense woods beset with wild animals, Indians and guerilla bands. She had to travel 22 miles, and one of her dangers was in getting through the American lines. She was stopped several times by American soldiers, but she told them she was looking for a lost cow, and they permitted her to pass.

She succeeded in reaching Captain Fitzgibbons, one of the British commanders, and conveyed to him the important information. Being thus warned of the proposed attack, the British army was prepared, and consequently was enabled to win the important victory of Beaver Dams, July 24, 1813.

The monument to be unveiled next Thursday is in the form of a granite pillar, about 12 feet high, and is located close to the memorial to Sir Isaac Brock. On one side of the memorial is inserted a bronze medalion of Laura Secord with inscription, and on the other side appears a record of the death of her husband. Above the medalion is carved the following inscription:

"This monument has been erected by the Government of Canada to Laura Ingersoll Secord, who saved her husband's life in the battle on these Heights, October 13, 1812, and who risked her own in conveying to Captain Fitzgibbons the information by which he won the victory of Beaver Dams, July 24, 1813."

A "CURE" FOR BALDNESS

The above expression is one which is used frequently in connection with hair preparations. Just exactly what is meant by it in each instance is a question. Baldness is not a disease and hence, does not permit of a cure. It is a result invariably to be traced to the dandruff germ and if the condition has become chronic, that is, if there is complete atrophy of the hair follicles, a "cure" is absolutely impossible.

Approaching baldness, seen in falling hair, may always be checked and if the hair follicles are not atrophied the hair may be induced again to grow.

This is accomplished by regular applications of Newbro's Herpicide which cleanses the scalp and kills the dandruff germ. The destruction of the germ does away with the accumulations of sebum skin and thus eliminates the most common enemy to beautiful hair.

Soft, glossy, fluffy hair cannot grow on a scalp infested with dandruff any more than a delicate plant can grow on an ash heap. The scalp must be kept clean and free from dandruff. The best remedy for doing this is Newbro's Herpicide which receives the highest endorsements from professional men, the stage and the best people everywhere.

Herpicide is sold and guaranteed in one dollar size bottles by all druggists. Applications obtained at all first-class barber shops and hair dressing parlors.

Address The Herpicide Co., Dept. B, Detroit, Mich., enclosing 10c. in postage or silver for sample and booklet.

QUEBEC WAS STORM SWEEPED.
Much Damage Was Done and Business Suspended.

RAIN AND WINDS BROUGHT RELIEF FROM EXTREME HEAT.
Quebec, July 4.—Quebec, which has sweated for the past two days from an oppressive temperature, secured some little relief last evening by a wind and rainstorm which set in shortly after five o'clock. The storm was one of the fiercest experienced in this city for years, and the damage done is at present incalculable.

After a day of intense heat, when the thermometer registered from 95 to 100, the storm set in. Previous to this, the workmen at the Louise Embankment had been compelled to cease work, while in many of the large industrial establishments employees had been overcome.

Then came the storm, the wind increasing to a velocity of sixty miles an hour, and the rain descending in torrents. Within a few minutes the streets were rushing with water, and the business of the city was brought to a standstill. The electric cars were stopped, the factories were devoid of power, and the storm raged with a power which carried off roofs, broke down trees, and caused the greatest excitement.

The craft on the river had an exciting time, and the passenger boats which were caught in the storm were scenes of panic, and it was only through the action of some of the cool-headed people on board that no disaster occurred.

BEETLE VILLAGE IS GROWING.
Population Doubled in Ten Years But Permanent Improvements Required.

COUNCIL DISCUSSES BY-LAW TO RAISE \$25,000 IN THIS CON-NECTION.
Beebe, July 4. — (Special) — The Beebe Council had a late session last night, the principal topic of discussion being the proposed by-law to raise \$25,000 for sewer and sidewalk construction.

The by-law has not yet come up for vote in the Council but a vigorous discussion took place relative to the matter. The population of Beebe has doubled in ten years and the improvements held by many that the time has come for a considerable expenditure on permanent improvements.

held on Meadow Park and were under the auspices of the Independent Baseball Club. The baseball game, which was between the Independents and the Barnston clubs was well contested. At the end of the game the score stood 13 to 14 in favor of the Independents. A quick hitch up race resulted in a win for Fernie Stevens, who, however, was set back to second place. The other winners were Andrew Smith, John Andrews and Bert Andrews. John Fraser, Jr., won the running race with Albert Martin second, and Andrew Smith third.

Jimmie McNamara carried off the honors in the two boys' races of 50 and 220 yards. The other events were well contested. The afternoon, on the whole, was an enjoyable one, and does credit to the committee, which had it in hand, of which Mr. S. Smith was the secretary.

MARRIAGES.

CAMPBELL—TOMLINSON.
A very quiet, but pretty wedding took place at the home of Mr. and Mrs. R. Thomson, 82 Montreal St. on Friday evening, June 30th, when Mr. George Campbell of Sherbrooke was united in marriage to Miss Mary Gray Tomlinson of Glasgow, Scotland. The Rev. Mr. Nicholson performed the ceremony.

COUTURE—CLEMENT.

St. Anthony's Church, Lennoxville, was the scene of a very quiet wedding Monday morning at 9 o'clock when Miss Odette Clement was united in marriage to Mr. Alderic Couture, son of late Mr. and Mrs. Maurice Couture, of Milby. The bride looked very pretty in a white costume worn with a lovely white picture hat. The nuptial high mass was celebrated by the Rev. J. A. Parent, parish priest. Breakfast was served to the few relatives at the College House, Lennoxville. The happy couple left by the 11 o'clock train to visit relatives in different places of the United States. The bride travelled in a navy blue suit with hat to match. On their return Mr. and Mrs. Couture will reside in Milby.

DAVIS—FRAPPIED.

The marriage of Mr. Dudley Davis, son of Mr. and Mrs. George Davis, of Ayer's Cliff, and Miss Hazel Frappied, of Massawippi, took place at Hatley on Wednesday, Rev. Devitt officiating. They were accompanied by Mr. C. Davis, brother of the groom, and Miss Jessie Frappied, sister of the bride, who stood with them while the service which made them one took place.

A wedding repast was had at the home of the bride's parents, Mr. and Mrs. W. Frappied, and the guests were the immediate relatives of the wedded pair. The honeymoon will be spent at the pretty camp of Mr. B. H. Kezar, on the "Kezar Bluff," by the lake. Later they intend to settle in Calgary, Alta., going in August.

The young couple received several substantial cheques in presents and other gifts. The bride is a popular young lady and has been employed at Mr. E. A. St. Dizier's store and post office for some time past, and her "going west" is regretted by her numerous friends.

FORGRAVE—BAILEY.
The home of Mr. and Mrs. Fred Smith at Leavitt's Mills was the scene of a pretty wedding Wednesday evening, June 28th, when Winifred May Bailey, sister of Mrs. Smith and fourth daughter of Mr. C. R. Bailey, was united in marriage to Mr. Thos. J. Forgrave of High Forest.

The rooms were decorated with flowers, a beautiful bridal arch of maiden hair ferns and roses spanning one corner of the parlor. At eight o'clock, to the strains of the wedding march from Lohegrins, played by Miss Alice Cleveland of Johnville, the bride entered leaning upon the arm of her father, by whom she was given away.

She presented a very dainty and attractive appearance in a dress of satin de chene with sequin ornaments. The long bridal veil was fastened with lilacs of the valley, and she carried a bouquet of white carnations and maiden hair ferns. Miss Mabel Stevens of Ottawa was bridesmaid, while the groom was supported by Mr. S. Bailey, Little Hazel Hall of Charleston, Vt., niece of the bride, did the duties of flower girl very prettily, and Mr. E. Bailey did the duties of usher. The ceremony was performed by Rev. Mr. Elliott, Baptist minister of Sawyerville. At its close Mr. and Mrs. Forgrave received the hearty congratulations of the guests.

About sixty in number, after which most excellent refreshments, very daintily served were partaken of and a happy social hour spent in music and conversation.

The bride's going-away suit was navy blue with white blouse and hat to match. The groom's gift to the bride was a pearl studded crescent star pin and the bride's gift to the groom a gold watch fob. Pretty souvenir gifts were also received by the bridesmaid, flower girl and others taking part in the ceremony. The happy couple left the same night for a bridal trip to Quebec and other points and on their return will live at High Forest. They were the recipients of many gifts including both the useful and ornamental, and a host of friends unite in wishing them prosperity and happiness.

WYMAN—BEAN.
Mr. Fred Wyman, of Loraine, Ohio, and Miss Mabel Bean, of Massawippi, were united in marriage Wednesday, June 28th. The officiating clergyman was Rev. Mr. Goudie, of Hatley, and the ceremony took place at the home of Mrs. Simon Bean, mother of the bride. One corner of the parlor was prettily lanked with evergreen, surrounded with a border of white daisies, underneath which the young couple stood while the solemn service was performed which joined them for life. Her uncle, Mr. W. Stevenson, gave her away.

The bride was gowned in a tailor-made travelling suit of king's blue broadcloth, with Persian silk blouse, and her travelling hat was of burnt straw with blue trimmings to match, and she was all together as charming a bride as one could wish to see.

After the guests present had tendered their congratulations, dainty refreshments were served, and soon after the newly wedded couple took their departure amidst "a shower of rice" for the evening train, thence to their destination, Loraine, Ohio, where the groom has a good position on the railway, and their home will be there. They will immediately go to housekeeping.

Mr. Wyman is the only son of Mr. and Mrs. Ivers Wyman, many years residents of Way's Mills, Barnston, but now of Ayer's Cliff. Miss Mabel will be much missed by her numerous relatives and friends, as she was always of a bright, happy disposition, and it is regretted that so many of the bright young girls are finding homes in the west. A large number of "wedding presents" were given the bride by those present at her nuptials and others.

RICH—DOWNES.
A very pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. A. G. Downes, North Brookbury, on Wednesday afternoon, June 28th, when their youngest daughter, Angie Hattie, was united in marriage to Mr. J. Lynn Rich, of Bishop's Crossing, P. Q. The ceremony was performed at 5 o'clock by Rev. E. De Gruchy, of Bury, after which supper was served to about 90 invited guests, including relatives and intimate friends of the bride.

The bride was prettily gowned in all over embroidered lawn, with bridal veil fastened with wreath of cream roses, and carried a bouquet of roses and carnations tied with white ribbons, and entered the parlor to the arm of her father to the strains of the wedding march, which was played by the bride's cousin, Miss

Irene McDonald, of Rockville, Conn. The bridesmaid was Miss Elva Rich, cousin of the groom, who was becomingly attired in white mull and carried pink roses tied with white ribbons. Mr. Herbert McAdams acted as best man. The groom's present to the bride was a heavy gold chain bracelet with gold top set with brilliants. The presents were very numerous and useful and included cash, linen, silverware, glass and china ware.

The out of town guests included Mr. Arthur Bishop, of Ottawa, uncle of the groom; Mr. Geo. Rich, of Reed's Crossing, P.Q.; Mrs. J. McDonald and children, of Rockville, Conn., aunt of the bride; Miss M. Bishop, of Sherbrooke; Dr. and Mrs. McDonald, of Marleton; Dr. A. McDonald and Mr. and Mrs. H. Webster, of Bury, and others. The evening was spent in singing and social intercourse, after which the friends departed to their homes wishing the newly married couple a long, happy and prosperous life.

Mr. Rich is now attending a veterinary college at Toronto, and after completing his course they will reside at his home in East Dunsford, P.Q.

LIBBYTOWN.
Arrivals and departures: Mr. E. St. Peter returned to Lorain, Ohio, last Thursday; Miss Rita Libby visiting her grandparents, Mr. and Mrs. W. H. Davidson, recently; Mrs. Annie Libby with Mrs. C. W. Libby for a few days.

The Ladies' Aid of the Baptist Church will meet with Mrs. Fred McCoy on Thursday afternoon and evening.

NO DEVELOPMENTS IN RAILWAY DEAL.
General Manager Walsh Says The Situation Is Unchanged.

SPECULATION EXISTS AS TO WHICH COMPANY WILL ASSUME MANAGEMENT OF THE ROAD.

Mr. J. H. Walsh, general manager of the Quebec Central Railroad, stated to the Record this morning that no new developments had yet taken place in connection with the purchase of the present company's interests by the C. P. R. and New York, New Haven & Hartford.

Assuming that the deal has gone through, the speculation now is as to which of these companies will assume the management of the road. In the meantime things are going along as usual, and it is not expected that any material changes will take place at once, even if the deal does go through.

According to current rumor, which lacks confirmation, the deal is in the form of a 99 year lease, the C. P. R. entering for one-quarter interest and the New York, New Haven & Hartford for three-quarters.

The lease, according to this rumor, would be on the basis of 5 p.c. per annum on six million dollars, the present valuation of the property. The present owners purchased their interests when the line was a much poorer proposition than it is to-day, and it is said the cost to them was about \$2,000,000. So the deal now would show a very fair appreciation on the old value, but one which is justified by the present prosperous condition of the C. P. R. According to rumor, there is a little hitch or delay occasioned by difficulty in reaching a decision as to just what the relative positions of the C. P. R. and N. Y. N. H. & H. are in the purchase or lease of the property.

POSITIVE RESULTS

In the Treatment of Diseases by Electricity.
Scrofulous Enlargements, Glands, etc., Goitres, Tuberculous Glands, Swellings, etc. HAVE POSITIVELY BEEN CURED since the opening of the Electric Institute. Many cases, now in course of treatment, are doing remarkably well.

It is THE RULE, the cases are not taken in unless they are believed to have a fair chance of recovery.
The process of passing medicine through the tissues by the aid of electricity, is a wonderful one. In fact, electricity applied on any part of the body will go through the tissues and can be found immediately after in the bladder. Moreover, if the wrong pole has been connected with certain organs, having an affinity for the other pole, the consequence is that it will decompose and gather around the anode pole. Instead of going through the tissues where they were intended to have gone in the first place. Any medicine applied in the proper manner must evidently do its good work more directly and more quickly than by usual methods.

UNEEDA BICYCLE

"The bicycle is coming back into popular favor, we are told. It is certainly showing signs of coming back, and the only wonder is that the restoration has taken so long. The present generation of young men and women is missing much of the physical and mental enjoyment that the bicycle brought to those who rode it in the '80s."

There is a charm about bicycle riding that is all its own, a charm that can only be appreciated by those who earn it through labor and who can appreciate the beauties of the countryside that unfold with every passing mile."

Mr. Fred Gregoire has engaged to work for Mr. Porter for the buying.
Mr. and Mrs. Lee C. Pharo, of Thetford Mines, accompanied by Mr. Guy Wood and Miss Martha Porter, passed through here in their auto en route for Maple Grove. They spent the evening the guests at Miss Porter's home.
A number of the young people attended the ice cream social at Maple Grove on Saturday evening. A pleasant evening was spent.
Mr. Willie Walker, who has been on the sick list for some time, is now in the fair way of recovering, after Porter took his first ride out on Saturday.

SPORTING NEWS
BASEBALL.
LENNOXVILLE, 8; HUNTINGVILLE, 7.
A very close and exciting game of baseball was played on the Lennoxville Diamond, Dominion Day, between the Huntingville nine and Lennoxville Juniors.
The game resulted in a victory for Lennoxville by a score of 8-7.
Nick Dean, the Huntingville twirler had good control and pitched winning ball, allowing only six hits and striking out eight victims, but wild throws and a couple of inexcusable errors in the ninth inning lost him the game.
Huntingville scored twice in the opening session. Reid was safe on an error. Downs was a free ticket to first, and both scored on Dean's clean hit to centre.
Lennoxville put one over in their half. After Dundin was mowed down, Reggie Baker singled, stole second, went to third on Bob's hit and scored when Reid let Lane's grounder get away from him.
Huntingville added another tally in base on a couple of errors and scored the second, when Griffin got to 2nd on Reid's pretty single.
There was no further scoring until the 7th when Huntingville scored a run on two hits and a passed ball. W. Lane was the first gent up for Lennoxville and he rapped out a Texas leaguer over third base. The ball got tangled up in the scenery and before it was located Bill had crossed over the pan. Three more runs came across in this inning on a combination of wild throws and bad errors.
In the 8th stanza Huntingville again took the lead. Hyatt walked to 1st, copped 2nd and 3rd bases, and scored when Fairbrother hit an easy grounder to short. Baker picked the ball up and threw to the plate to stop Hyatt. The throw was wild and before the ball was recovered Fairbrother had completed the circuit. Lennoxville tied the score in their half, when C. Lane singled, stole 2nd and came home when Ingham dropped Johnson's high fly.
In the last inning Dean made his third hit of the game and scored on C. Maskery's long hit to centre. The latter was left marooned on second, as both Hyatt and Fairbrother struck out. Lennoxville came to bat for the last time and with two out and a runner on third, Eddie Baker put up a fly to short, which should have ended the game, but Reid muffed the ball letting the runner on third score. W. Lane, the next batter, lifted a sky-scraper to 1st and Fairbrother dropped the ball. Baker scored on this play which ended the game.
The game was featured by two swift double plays and sensational catches by M. Brown.

PICNIC AND SPORTS AT EAST ANGUS.
Over 3,000 People Attend Gathering of Employees of B. P. and P. Co.
PRESIDENT F. N. MCCREA AND OTHER OFFICIALS TAKE GREAT INTEREST IN SPORTS.
East Angus, July 4.—(Special)—The picnic held by the employees of the Brompton Pulp and Paper Company on Saturday, July 1, was certainly a big success, there being over 3,000 people present. The interest taken by the President, Mr. F. N. McCrea and other officials of the Company was very gratifying indeed. Mr. McCrea acted as judge for all the sporting competitions, the prizes for which amounted to over \$100.00. The Company furnished gaily decorated teams to carry the people from the town to the grove. The President started from the Quebec Central Railway Station at 10.30 a.m., led by the Philharmonic Band of East Angus, consisting of over thirty instruments and followed by the newly organized corps of Boy Scouts, who looked very attractive in their new uniforms. Professor Bourgeault's orchestra from Sherbrooke furnished music for dancing, and this part of the programme was very much appreciated by both dancers and spectators. The employees of the B. P. and P. Co. are very much gratified with the complete success of their undertaking as they intend to make this a yearly occurrence, and were very much pleased to see so many visitors from all sections of the Eastern Townships.

COUNTRY PRODUCE.
SCARCITY OF POTATOES.
Montreal, July 4.—The scarcity of potatoes is alarming in the west. Winnipeg reports say: There is a potato famine in sight for all Western Canada. At the present time potatoes are selling here at \$1.75 per bushel, with 25 cents being asked for three pounds of the new crop imported from the South. Two weeks ago the wholesale price for old potatoes here was 90 cents per bushel, but to-day it is \$1.55 to \$1.60, with no supply.
Heavy rains in certain sections, which have drowned out the crops, are said to be responsible for the advance.
The local market has also been affected to a certain extent, but the new potatoes which are daily coming upon the market have relieved the situation to a certain extent though the retail price of new and old potatoes is about the same, both retailing around \$2 per bushel. No local reports have yet been received of too much rain.
MONTREAL LIVE STOCK MARKET.
PRICE OF CATTLE TOOK A DROP.
Montreal, July 4.—Local cattle were easier yesterday. The decline which always takes place at this time of year began last Wednesday with the drop of 20 cents in steers. Yesterday's drop in cattle prices was 25c on the average. Only a few extra fine steers among the top of the loads sold as high as \$6.30, the average choice steers selling at \$6.05; good, \$5.80 to \$5.90; and medium, \$5.60 to \$5.70. Bulls, extra fine, \$5.25; others \$4 to \$5.
Cows were also slightly easier, the very top of the loads selling at \$5.25, good at \$5 and common to medium \$3.30 to \$4.75.
Small meats were fairly active. Old sheep \$4 to \$4.50, yearlings \$4.50 to \$5, and lambs \$4 to \$6 each.
Hogs declined 25 cents. Parts of lots which sold Saturday at \$7.50, yesterday brought only \$7.25 for select, the lots with the rough and heavy from \$6.10 to \$6.50 cwt. off cars.
Calves were steady at from \$2 to \$9 each.
STRIKE LIFTED LIVE STOCK PRICES ABROAD.
Liverpool, July 4.—John Rogers & Co. cabled that owing to the shortage of home cattle, coupled with the stoppage of shipping of Irish cattle through the boats being held up by the shipping strike, there was a decided advance of one-half cent per lb. in the Birkenhead market, and prices made were from 13c to 13 1/2c per lb. for both States and Canadian steers.

DAILY MARKET LETTER.
American stocks in London mostly 1/4 to 3/4 higher.
Canadian Pacific Ry. 1 1/2 better at 241.
A more cheerful feeling appears to prevail than yesterday owing to no further new developments in the Franco-German situation over night. New York and Chicago closed.
Business on the Montreal Stock Exchange was extremely quiet this forenoon, with few sales and small price changes, no particular feature although a steady tone prevailed.
Owing to the extraordinary heat it was voted to close the Exchange at 12.30 p.m., holding no afternoon session to-day.
Montreal, July 4.—Reported by McCuaig Bros. & Co. There will be no session of the Montreal Stock Exchange this afternoon owing to the excessive heat and the subsequent lack of energy on the part of the members.
