Sherbrooke Daily Record.

Established 1897. SHERBROOKE, QUE., MONDAY, SEPTEMBER 28, 1908. ONE CENT

LAKE MEGANTIC DISTRICT UNFORTUNATE.

Is Now the Center of the Forest Fire Zone.

WHILE OTHER SECTIONS HAVE BEEN BLESSED WITH RAIN, NONE HAS FALLEN THERE.

The thermometers yesterday registered eighty-five in the shade. All this is very pleasant if it were not for the fire and drought situation.

A few days more of this weather and the fires of this district, deadened by the recent rain, will again revive, for they are still smouldering.

The center of the fire zone at present is the Lake Megantic region, where no rain has fallen for weeks. The showers, which relieved the situation in almost every other part of the province last week, missed the Lake Megantic section altogether, in fact, only a very little rain fell at any point beyond Cookshire.

So the fires are burning everywhere. From the car window dozens of fires may be seen from Scotstown and Lake Megantic. Saturday and yesterday they were very threatening in the vicinity of Reedsville. There are, also, many fires along the Tring branch of the C.P.R.

A lumberman of the Lake Megantic region, speaking to the Record, said the fires had already done a great amount of damage, but nothing to what would be caused if the drought continues for another two weeks. "Every day," said he, "we watch for the coming of the Record with the weather probabilities and the 'fine and warm' report is becoming very monotonous."

The fire fighters are becoming exhausted in the long-continued struggle against the ever-advancing flames. "Should a strong wind arise," said the lumberman referred to, "the fires will surely get away from us, and once wholly beyond our control, the forests will be fire swept."

The Lake Megantic situation is alarming.

The limits of the Brompton Pulp & Paper Company have suffered a good deal from the fire. Mr. T. M. Craig has lost a good deal of wood, but is putting up a big fight to keep the fire from spreading in his limits. Many smaller limit holders and the farmers of the district, have suffered heavily.

Fires were burning yesterday off the Stoke Center road, but were not doing much damage.

The heavy dews are helping to keep down the fires in Orford, checked by the rains.

WHOLE COUNTRY SEEMED ABLAZE.

Scotstown, Sept. 28.—(Special.)—Fires in the township of Marston raged more vigorously than ever yesterday. Travellers coming in from St. Leon de Marston, drove through miles of burning forest. Settlers were fleeing from their houses. The limits most seriously attacked are Government lands under lease to Mr. George Stearns, of Lake Megantic. At night the whole country seemed on fire.

STATEMENT OF CONDITIONS AT LAKE MEGANTIC.

Lake Megantic, Sept. 28.—(Special.)—The fire conditions around here are worse than ever, and on Sunday the smoke was so dense that it was nearly as bad as a heavy fog, and ashes and parts of burnt leaves were falling all over town. There is some danger to homes in the South Ward from a fire that is raging in the vicinity of Queen's Park and along the 1st and 2nd ranges of Ditchfield. There is also a bad fire at the back of Mr. George McLeod's farm at Echo Vale, the railroad. There is also a very threatening one between Spring Hill and Reedsville.

There are numbers of men at work fighting all these fires. Mr. Vandyke has sent over 30 men from New Hampshire to protect his property at Lowestown.

The situation at Lake Maccannamac is also assuming a dangerous aspect, and the same may be said of Victoria River Valley. Fortunately there has been little or no wind for several days past. Should a strong wind get up before there is rain, there is no knowing what may happen.

The year 1892 is well remembered here when the flames under the pressure of a strong wind were driven over the two townships of Ditchfield and Spaulding in a few hours and destroyed several farms and almost everything on them, including buildings and live stock.

DROUGHT BROKEN IN ONTARIO.

Rainfall in Toronto Section This Morning.

HEAVY RAIN FELL IN LAKE SUPERIOR DISTRICT YESTERDAY.

Toronto, Ont., Sept. 28.—(Special.)—The long dry spell, which had this section in its grip for weeks, was broken early this morning when there were showers and thunderstorms in many localities. Rain came from the Lake Superior region, where there was a heavy downpour yesterday.

ROBLIN--WILLISON MACDONALD--GLOBE.

Each Party in Recent Charges Has Now Spoken.

EXCITING FEATURE OF POLITICAL CAMPAIGN IN ONTARIO.

Toronto, Ontario, September 28. — The Roblin-Globe-Macdonald-Willison matter is the principal feature of interest in the political arena just now.

THE CHARGE.

At Peterboro Friday Mr. Roblin repeated his charge as follows:

"I charge that the Globe chloroformed public opinion in Canada in order that the Government of Sir Wilfrid Laurier might take $2,000,000 additional out of the public treasury oven and above what was necessary to secure the construction of the Crow's Nest Pass Railway; and that the Globe and those for whom it spoke in such chloroforming of public opinion received 250,000 acres of the best coal lands in the world; but that they returned 50,000 acres to the Government as a pretence of settlement of an alleged claim."

MR. WILLISON'S REPLY.

Rev. J. A. Macdonald, editor of the Globe, in an editorial, called upon Mr. J. S. Willison, a former editor of the Globe and now editor and publisher of the Toronto News, and a Borden supporter, to tell all he knew, and if there was anything in the charge that he (Macdonald) would resign. Mr. Willison was managing editor of the Globe at the time of the alleged scandal, and was on the platform at Massey Hall, when Mr. Roblin first made his charge.

The Toronto News, Mr. Willison's paper, contains the follows:

"The editor of the News has no desire either to injure Mr. Macdonald or to serve or promote, as the case may be, the interests of the Conservative party by forcing Mr. Macdonald's withdrawal from the Globe office. The editor of this paper does think, however, that Mr. Macdonald should stand up and fight his own battle, and not get behind another man's coat-tails.

"Now, as to the issue between Mr. Macdonald and Mr. Roblin. The Crow's Nest Railway policy of the Globe originated with the editor of the News. When he was in British Columbia in 1895 he looked into the situation and saw the necessity for better railway connection with the mining country. He wrote a letter from the West in advocacy of this policy. On his return to Toronto, while the Conservative party was in power at Ottawa, he wrote various articles in favor of this particular railway project. No director of the Globe was consulted. No director or stockholder of the Globe, so far as the editor knew, had any interest in the Crow's Nest country. Later, he understands, Mr. Jaffray and Mr. Cox acquired an interest in the Crow's Nest coal fields, and became the purchasers of the British Columbia Southern Railway.

"Then the editor of the Globe did not know that the railway had been acquired by Mr. Cox and his associates until certain charges were made in the World newspaper. He knows nothing of the negotiations with the Canadian Pacific Railway or with the Government. He had no hand in any of these dealings, as he did not favor a grant of $3,500,000 to the Canadian Pacific Company, and, if he remembers aright, refused to lend the Globe's support to a subsidy of that magnitude. He, of course, had no interest, direct or indirect, in the Crow's Nest Coal Company or any associate enterprise. In making this statement the editor of the News is anxious only to give the facts, and is not concerned to serve either party in the controversy."

GLOBE EDITOR SAYS ROBLIN IS CONVICTED.

Under the heading "Premier Roblin Convicted of Slander," the Globe today publishes another statement signed by its editor-in-chief, J. A. Macdonald. It first gives in full a statement published in the Toronto News on Saturday, and then goes on:

"My first concern in this matter is for the vindication of the integrity of the Globe, under my predecessor's editorship as well as under my own.

THREE MEN KILLED IN AN ACCIDENT.

Train Crashed Through a Wooden Bridge.

TENDER TURNED A SOMERSAULT AND PITCHED ON TOP OF ENGINE AND ITS OCCUPANTS.

Hamilton, Ont., Sept. 28.— Three men instantly killed and a fourth man seriously injured is the result of an accident which occurred about six o'clock yesterday morning on the line of the Toronto, Hamilton & Buffalo Railway, near Mineral Springs, when a freight train crashed through a wooden bridge and fell to the ground below, a distance of probably twenty feet.

The dead are Robert McFadden, engineer; Ed. Brown, fireman; William Maloney, the fireman's brother-in-law, who was riding on the locomotive.

The injured: Samuel Dickinson, brakeman.

The site of the accident is a 20-foot embankment a short distance west of Summit. Over a public road is an old-time wooden bridge, approximately thirty feet long. A small creek ran 20 feet below.

CAUGHT IN REAR OF WHITING BLOCK.

Officer Looking For Burglars Gets Two Young Men.

CIRCUMSTANCES VERY SUSPICIOUS — ATTEMPT HAD BEEN MADE TO BREAK INTO STORE.

Two young men, aged 15 and 17 years, respectively, were arrested at 9.35 last night, at the rear of the Whiting Block, under very suspicious circumstances.

Last Friday night an attempt was made to break into the basement of J. A. Wiggett's shoe store. The glass in the window was broken and a considerable portion of it removed. When discovered on Saturday, there was every indication that the parties had been frightened away in the act of entering the building. The authorities figured out that they would very likely return within a few nights to finish the job.

A watch was set for Saturday night but no one showed up.

Sunday night, however, results were different. The special officer on the case took up his position behind a telephone pole near Odell's Block, about 9 o'clock. About half an hour later he heard some one approaching. Soon a young man appeared around the corner. He was joined by another. They proceeded cautiously. A light was burning in the basement of the Electric Light Office. They placed their faces against the window and peered in. This gave the officer in hiding a good view of them.

Just then the regular officer on his beat came along and thought he would take a look behind the Whiting Block to see that all was well there. Hearing him approach the young men stepped in under the fire escape ladder. The officer proceeded to examine the basement windows and in this way came upon the fellows who stepped out. They of course denied any evil intentions but the officer in hiding now came forward. He had seen enough to warrant taking the young men to the police station.

They will be sent before Judge Mulvena.

In a way it is unfortunate that the regular officer came along just as he did as within a few minutes it would have become clear as to whether the fellows intended to make a raid on any of the stores in the Whiting Block and if so they might perhaps have been caught in the trap.

A candle and matches were among the articles found on the young men.

MILITIA DEPT. ORDERS INQUIRY.

INTO REPORT THAT POISONED CANNED MEAT CAUSED SOLDIER'S DEATH.

Toronto, Sept. 28.—(Special.) — A Board of Enquiry, consisting of Major C. J. Catto and Lieuts. J. H. Wright and W. Beal, has been appointed by the Minister of Militia to enquite into the report that the illness and death of Brevet Lieut.-Col Wilbur Henderson, late of the 48th Highlanders, were caused by eating poisoned canned meat at Quebec during the Tercentenary.

It is intimated that enquiry is merely a formal matter, as a number of other officers of the corps ate the same kind of canned meat without injury.

REV. W. T. G. BROWN, who has accepted invitation to pastorate of the Sherbrooke Methodist Church, on the expiration of the term of the present pastor, Rev. C. S. Deeprose.

Rev. W. T. G. Brown, B. A., B. D., who has been invited to succeed the Rev. Chas. S. Deeprose, as pastor of the Methodist Church, Sherbrooke, in June, 1910, is now pastor of the Eastern Methodist Church, Montreal. Mr. Brown is an Arts graduate of Queen's University, Kingston. He is, also, a graduate of Victoria College, Toronto, where he pursued the B. D. course in Theology. Previous to coming to Montreal he was assistant to the late Dr. Philp, of Sydenham street Methodist Church, Kingston, and when Dr. Philp deceased, Mr. Brown became sole pastor of that charge. In Kingston he was greatly beloved, and was urgently requested to continue his ministry there. His pastorate in Montreal is proving to be a very happy and useful term. Mr. Brown is one of the most eloquent and promising men among the younger clergy of the Methodist Church.

CHILD BURNED BY KEROSENE.

Was Trying to Light Fire in a Stove.

CIRCUMSTANCES OF SAD AFFAIR AT RICHFORD, VT.

Richford, Vt., Sept. 28.—(Special)—Theresa Whitehead, a little girl of 9 years of age, was fatally burned last week by the explosion of a coal oil can from which the child was trying to relight a fire that her father, Mr. Orrin Whitehead, had built some time before.

Mrs. Whitehead was sick and Mr. Whitehead had got his own breakfast and gone to his work when the sad accident happened. The family lived over Mr. W. B. Greene's store.

Had not help immediately arrived, the affair would have been still more serious. The child was in her night gown and when the can exploded she was covered with the oil and in a moment she was wrapped in flames. Her face, hands and body were badly burned as well as the mother's hands. Both were taken to the Mary Fletcher Hospital at Burlington but the child died the same night.

The body was brought here on Wednesday and a funeral service being held in the p.m. by Rev. F. Barnaby Leach, of the Episcopal Church. The remains were taken on Thursday to South Stukely, Que., the family's former home, the interment taking place the same day.

BISHOP LAROCQUE LEAVES FOR WEST.

Will Participate in Ceremony at St. Boniface.

HIS LORDSHIP IS ACCOMPANIED BY REV. E. C. FISETTE.

Mgr. Paul LaRocque, Bishop of the diocese of Sherbrooke, left to-day for Winnipeg, Manitoba to assist at the consecration of the magnificent new cathedral of St. Boniface, which takes place on Sunday next.

He was accompanied by Rev. E. C. Fisette, parish priest of St. Patrick's church.

MR. E. H. DRURY IN CHARGE OF SURVEY.

Party of Fifty Off For Hudson Bay.

WILL CARRY ON IMPORTANT WORK ALONG NELSON RIVER.

Mr. E. H. Drury, well known in Sherbrooke, son-in-law of Dr. F. J. Austin, of this city, is head of an important survey party now on its way to Hudson Bay. A copy of the Manitoba Free Press to hand says:

"Saturday morning marked the departure of one of the most important survey outfits which has ever been made up here. Fifty men left the city under the direction of E. H. Drury, C. E., for Hudson Bay. The men will go to Selkirk, where they will board the steamer for Norway House. All the provisions and equipment have already gone forward.

"Mr. Drury, who is in full charge, is one of the best known Canadian engineers and is a member of the Canadian and American societies of civil engineers. He is a graduate of the Royal Military College at Kingston, and in 1882 entered the service of the Canadian Pacific Railway. At a later time he was with the Canadian Northern and was chief engineer in charge of the construction of the line from Winnipeg to Warroad. He went with Sir William Van Horne to Cuba and with Messrs. Miller, Smith and L. A. Hamilton, conducted the original exploration for the railway line from Santa Clara to Santiago de Cuba. He was with the Algoma Central as chief engineer, remaining there until the completion of the line. He then went to Mexico and was the engineer in charge of construction in Mexico city and the federal district for the Mexican Light and Power Company.

HEADQUARTERS AT SPLIT LAKE.

"The men will arrive at Norway House early next week. From there they will begin the trip down the Nelson River. For this purpose nineteen canoes and six York boats have been provided. The travellers expect to reach Split Lake about the first week of October. The lake is distant about 260 miles from Norway House and 160 miles from Fort Churchill. From Split Lake three parties will be sent north, two going down the Churchill and one down the Nelson River. The parties which have gone north from the Pas will also make their way to Split Lake and will be directed in their future movements from that point. There will be thus five parties in the field during the winter in charge of the engineers of the Dominion Government, as follows: — From Split Lake parties go out under Mr. Gleeson, W. J. Glifford and Mr. Ord, and from the Pas parties are out under Mr. Murphy and Mr. Law. All of these engineers are experienced men who are well acquainted with the work of engineering in the northern winters."

CASH FOR THE SUPERIOR SCHOOLS.

Statement of How Money is Divided.

GRANTS TO ACADEMIES AND MODEL SCHOOLS FROM GOVERNMENT FUNDS.

At the meeting of the Protestant Committee of the Council of Public Instruction held Friday, the following grants were made to the Superior Schools of the Province:

It may be said that the total grant is made up of three grants. For instance all Academies get $200 as a regular grant. All Model Schools get $75 as a regular grant. Then there is the bonus based on the general standing of the school. This in the case of Academies runs from $100 to $174, and in the case of Model Schools from $75 to $132. Then there is the equipment grant according to percentage of marks given for equipment. This runs from $12 up to $28. Below is given the total of these three grants which compose the whole received from the Government by Academies and Model Schools.

LENNOXVILLE NOTES.

Still no trace of the burglars who recently broke into Messrs. McMurray & Hall's store, although diligent search is being made for them.

Mr. and Mrs. A. J. Brown, of Montreal, accompanied by the Misses Welsh and Horne, of Quebec, came to Lennoxville in an automobile and had dinner at the College House on Saturday.

Word has been received from Mr. James Mallory, who is at present in Edmonton, Alta., that he is enjoying his visit, calling on old friends from Sherbrooke.

OLD RESIDENT OF COATICOOK DEAD.

Charles Merrill Succumbs to Heart Failure.

ONE OF THE OLDEST BAILIFFS IN THE EASTERN TOWNSHIPS—FUNERAL TOMORROW.

Coaticook, Sept. 28.—(Special)—An old and familiar figure was removed by death on Saturday in the person of Mr. Charles Merrill, who had attained the age of 84 years.

He had lived here for very many years. He was perhaps the oldest bailiff in the Eastern Townships. In the earlier days of Coaticook he did a good deal of surveying work, and participated in the laying out of many of the present streets.

Saturday he was engaged in the yard sawing off the limb of a tree, when he suddenly fell to the ground. He was taken into the house and died about an hour later, at 7 p.m. The old gentleman had suffered from heart trouble and his sudden taking away was due to this cause.

He is survived by three daughters and one son.

The funeral will take place on Tuesday at 2 p.m. from the house, and will be conducted by Rev. C. S. Deeprose, of Sherbrooke.

ANNIVERSARY AT ST. ANDREW'S CHURCH.

Services Yesterday Very Largely Attended.

REV. W. J. CLARK, THE PREACHER—ANNIVERSARY CONCERT THIS EVENING.

The anniversary services held in St. Andrew's church yesterday were very attractive and largely attended. The preacher for the occasion was the Rev. W. J. Clark, of Montreal. At both morning and evening services Rev. Mr. Clark delivered a very able address. The church presented a very attractive appearance, decorated as it was with beautiful flowers and plants. During the morning service the choir rendered the anthems, "Let us sing unto the Lord," and "I will magnify Thee," by Spence.

The appeal for the special anniversary collection was liberally responded to at both morning and evening services, the total collection being about $800.

The members of the Methodist congregation united with the Presbyterians for the evening service and the church was crowded to its utmost capacity.

The music and singing were very much enjoyed, especially the anthem, "O Lord, Thou art my God," by Noyes and "Sing Alleluia Forth," by Schnecker, which were rendered by the choir.

Rev. Mr. Clark was assisted in this service by Rev. Mr. Deeprose and Rev. Mr. Nicol.

The anniversary celebration will be continued this evening when a concert will be given in the Church Hall. Miss Mabel Barker will sing for the last time in Sherbrooke before going abroad to continue her study.

THE WEATHER.

IMPORTANT ADDRESS AT PLYMOUTH CHURCH.

Rev. Mr. Read Speaks of Recent Congress.

GREAT SUBJECTS DEALT WITH — THEOLOGY, HIGHER CRITICISM, MISSIONARY WORK, SOCIAL CONDITIONS.

The Rev. G. Ellery Read, of Plymouth Congregational Church, spoke yesterday morning on his impressions of "The International Congregational Council," at Edinburgh, Scotland, which he attended as one of the delegates from Canada.

In the course of his address, he said:

"The Council of Congregational Churches is called together every eight or nine years, in recognition of the same principles that gave birth to the first Council in Jerusalem.

"The great topics discussed at Edinburgh were Theological, Biblican, Social, Missionary.

"I begin with the Theological feature of the Council's proceedings, because, notwithstanding the popular outcry against theology, men are essentially interested in theologic belief. What a man believes theologically, is not so unimportant a matter as some would have us believe. It has always been recognized that the

PLATE GLASS WINDOW CRACKED.

Knowlton, Sept. 28.—(Special.) — Mr. F. P. Williams had the misfortune to have one of his large front windows cracked by a small boy throwing a stone. Fortunately it did not smash the whole of the big plate, which is 6x8 feet.

SHEEP KILLED BY A BEAR.

Tolsta, Sept. 28.—(Special.)—A few days ago while Mr. Kenneth McCrae and his brothers were out in the fields they came across a bear and three cubs. They chased the bear but were unable to kill it, and also found a place where the bear had killed a sheep. The bear has since been killed.

CUT HIS FOOT WITH AN AXE.

Iron Hill, Sept. 28.—(Special.)—Mr. Edward Kavanah, a young man recently from the old country, who was splitting wood for Mr. George McCrum Friday, had the misfortune to cut his foot in a frightful manner. Dr. G. F. L. Fuller was summoned, who attended to the wounded member.

SUTTON FIGHTS BUSH FIRE.

Sutton, Que., Sept. 28.—(Special) — Mr. John Gane started a fire on Thursday to burn a lot of brush on his farm. It got beyond his control and a force of twenty men was required nearly all day Friday to put out the fire which was spreading on Mr. Gane's fields and it was working in the direction of Mr. Sweet's fields, and would have done lots of damage if it had not been got under control. Over six hundred pails of water were hauled on Friday to assist in the work of putting out the fire.

GATE RECEIPTS AT GRANBY.

Granby, Que., Sept. 28.—(Special) —The gate and grand stand receipt of the Horticultural Exhibition were $126. This was $137 less than last year. The serious condition of the Townships, caused by the dry weather probably accounts for the decrease.

RICHFORD'S WATER SUPPLY TO BE IMPROVED.

Richford, Vt., Sept. 28.—(Special)—At a special town meeting held here on Friday evening to consider the water question it was voted to take up the 4 inch pipes that bring the water into the reservoir here from the Lovering brook and replace the same with an 8-inch pipe, doubling the capacity of the flow. The work and material will cost between $4,000 and $5,000, and the work will be commenced at once. This should insure our village a permanent water supply sufficient for all that is required.

ODD FELLOWS AT LAKE MEGANTIC.

Lake Megantic, Sept. 28.—(Special.) —Lake View Lodge of Odd Fellows, of this place, received an official visit Saturday evening from the Grand Master of Quebec Jurisdiction, V. E. Morrill, of Sherbrooke. There was a good turnout of members. Lake View Lodge has over fifty members, but several of them are now residing in the west. It is understood the prospect of materially increasing the membership here is very good.

At the close of the lodge meeting supper was served by the ladies, mort

RICHMOND.

Rev. Rural Dean Hepburn and Mrs. Wadleigh and daughter, Miss Ethel Wadleigh, attended the funeral of the late Miss Sykes, of Kingsey, which took place on Friday.

The sad news reached here Saturday of the sudden death of Miss Laplante, of Magog, Quebec (formerly of Richmond). The deceased young lady has relatives residing here and many friends who tender their sincere sympathy to the bereaved relatives.

Major R. J. Hewton has returned from a pleasant two weeks' fishing trip up the St. Maurice.

Mr. and Mrs. T. P. Morrill returned on Thursday from a two weeks' visit to Boston, Mass., and other points.

A large number of our citizens took advantage of "Mappin's Special" to the Danville Fair held on Saturday.

Mrs. Verrill and son, Mr. Carl Verrill have returned to Portland, Me., after visiting relatives and friends.

Mrs. Fred Johnston, Janesville, had the misfortune to poison her hand recently and is suffering quite badly from the effects. Her many friends wish her a speedy recovery.

A delightful gramaphone open air concert was given by Messrs. Barrie Bros., in front of their store, Friday evening, which was very much appreciated by the large audience.

Mrs. George Howe, of Montreal, is the guest of Mrs. Robt. Rattray, Main street, for a few days.

Messrs. H. A. Clarke, of Montreal, and Frank Leonard, of Victoriaville, spent Sunday at their respective homes.

Mr. Fred Wadleigh is spending a few days in the St. Maurice district on a hunting trip.

FOSTER.

Mr. J. T. Ralston has sold his flour and feed business to A. M. Hunter and will move to Sutton on the 1st Oct., where he intends to open up in the same business.

Mr. Solomon Magoon, of South Stukely, has moved into what used to be the Queen's Hotel at this place.

The recent rains stopped the bush fires to a certain extent, but did not raise the water in the wells in the least. Everyone in this neighborhood has to draw water from the lake.

We regret that Mr. William Miles is very seriously ill and little hopes are entertained of his recovery.

NORTH HATLEY.

Mrs. P. A. Leduc, who was confined in the hospital for ten days, is now at home on a good way to recovery.

Rev. Father Beaudry, the new priest for North Hatley, arrived last night to take charge of the new parish. He is the guest of Mr. Leduc for the present.

Mr. Leduc will close his dining hall next Friday, October 2nd.

SUTTON.

Mr. William Curley went to Milletta on Tuesday, called there by the fire that destroyed Mr. P. Delaire's barn and sugar house and much other property.

There was a dance in the Town Hall on Friday evening.

Mrs. C. O. Smith and daughter, Mrs. W. H. Hurlburt went to Montreal on Wednesday to arrange for a complete outfit of electric lights equipment to enable them to install the electric lights in their store and residence.

The next Ladies' Aid of the Advent church meets with Mrs. Sidney Tryhorn on Wednesday, Sept. 30th.

Mr. J. G. Ruiter has moved from his old camp which was four miles from here, into what is known as the Moffatt camp three miles from the village. Mr. Ruiter has a force of ten men cutting and skidding logs in the woods, while he boards several from another crew of men who are at work on the mountain cutting logs. The volume of work now being done here by the various lumbermen is of a considerable amount.

Recent arrivals and departures here include: Miss Helen Squires, of Manchester, N.H., a guest of Mrs. T. French; Mr. John Hoskins, to Montreal on Friday; Mr. James Brown, of Farnham, here on Thursday; Miss Betsey P. Brown, from a week's visit to Farnham on Friday night; Mr. K. R. Turner to his home in Cowansville on Saturday after spending Sunday there; Mr. W. H. O'Regan, Jr., to Glen Sutton, for a hunting outing on Saturday; Dr. Macdonald from a call to Newport, Vt., on Saturday.

Two men were arrested and lodged in Sweetsburg jail on Friday that were thought to have been those that recently robbed the Messrs. Olmstead and Boright's store. The High Constable wired the firm who sent Mr. Arthur Tupper down to see if he could identify the men as the robbers, but they did not prove to be the parties implicated in the Sutton store robbery.

Deaths Reported.

LEON CARROLL.

The death of Mr. Leon Carroll took place at the Sacred Heart Hospital on Saturday morning.

Mr. Carroll was 50 years of age and was employed at the Rand Drill.

The funeral will take place on Tuesday morning from No. 53 Brooks street.

JOSEPH GIROUX.

Coaticook, Sept. 28.—(Special.) — Mr. Joseph Giroux died at the home of his son, Mr. Isaac Giroux, at 10.30 a.m. on Friday last after an illness of two weeks' duration, at the age of 84 years. The funeral left his son's residence, Pleasant street, at 9.30 Monday, thence to the Catholic church, where the service took place at 10 o'clock. He is survived by 4 sons and 3 daughters, who mourn his loss.

EDNA STANHOPE WOODARD, FORMERLY OF SUTTON.

Sutton, Que., Sept. 28.—(Special) — Mrs. Edna Stanhope Woodard died in a St. Albans, Vt., hospital on Sept. 15th, aged about 40 years.

Mrs. Woodard was the only surviving child of the late Harriet Courser, of Glen Sutton, and her husband, Mr. Dorman Stanhope, of Potton.

Mr. Henry Courser, of Glen Sutton, who is the only survivor of the late Nicholas Courser's family, Glen Sutton, was notified of his niece's death on Tuesday.

JOSEPH RASSICO.

Bethel, Sept. 28.—(Special.) — The death of Mr. Joseph Rassico occurred on Sunday evening, the 20th, at his home here of heart failure.

He had been ill for the past two years. He was in his 66th year, and leaves a wife and one son. The funeral took place on Tuesday at All Saints church. The pall bearers were Messrs. A. Phillips, A. Davidson, A. Ramsey, and H. Lancaster.

The funeral service was preached by the Rev. Mr. Wurtele, of Acton Vale. The church was crowded with friends who came to pay their last respects to the dead. The family have the sympathy of the entire community in their sad bereavement.

RICHARD PEACOCK.

Fulford, Sept. 28.—(Special.)—News has been received of the death of Mr. Richard Peacock, on August 4th, by Newago, Mich., formerly of the town of Brome. Mr. Peacock was born in the town of Martin, near Gainsborough, England, and while a young man came to Canada with his parents. The family settled first in Dunham, where he married Miss Matilda Lavery, who has been dead about sixteen years. Seven children were born to them, five of whom are living, to mourn their loss. He also leaves one brother and three sisters in the townships, viz., Mr. Robert Peacock, of Fulford; Mrs. Hamilton Clark, of North Pinnacle; Mrs. John O. Baird, of Iron Hill, and Mrs. Alexander Tibbits, Brome Center. About half of his life was spent in Michigan, but in the townships he will be pleasantly remembered by a great many of the older citizens. He lived to attain the age of ninety years and until a year and a half ago his brother used to receive letters from his own hand.

While he lived in Dunham he was successful in saving the life of Dr. Prime (now of Knowlton) from drowning in Dunham Lake.

SUTTON RESERVOIR RUNNING OVER ON FRIDAY.

Sutton, Que., Sept. 28.—(Special) — Sutton people were jubilant over the fact that the reservoir was again running over on Friday, and the C.P.R. was again allowed to take all they required for their engines as formerly. The previous shortage had caused the C.P.R. to install a pump just west of their station here to pump water from the brook back of the residences of Messrs. F. A. Jenne and Emerson Griffith. The increased supply of water comes from the tapping of the Summit Lake, which gave an increased flow into the water works dam and to the reservoir. The distance from Summit Lake to the reservoir is about four miles and it took the increased flow of water 36 hours to reach the reservoir—the ground on each side of the stream being so dry that a large amount of water was taken up on its passage down from the mountain. The stream now is regular and of good size.

MARRIAGES.

KELLEY—RUITER.

Rock Island, Sept. 28.—(Special.) — Miss Margaret M. Ruiter, Superintendent of Schools of Derby, Charleston, and Morgan, and Mr. Rufus S. Kelley, of Derby, were married at the home of the bride's mother on Friday evening. It was a quiet wedding, only the immediate family and a few intimate friends being present.

SMITH — WALKER.

Sutton, Que., Sept. 28.—(Special) — A very pretty wedding took place at Bedford on Sept. 16th, the contracting parties being Mr. Steve W. Smith, one of Sutton's best known farmers, and Miss Florence Walker, daughter of the late Mr. C. M. Walker, of Bedford, who were united in marriage by Rev. Jas. Pletts, of Bedford.

The wedding took place at the home of the bride. The bride was tastefully attired in a travelling suit of blue. The happy couple were showered with rice when leaving for a tour in Vermont.

Mr. and Mrs. Smith will reside on the Smith homestead near Abercorn.

GRANBY.

Through a clerical error the first prize in the stallion roadster class at the Horticultural Show was given to J. M. Hart, and the second to H. A. Sweet. The reverse was the case. Mr. H. A. Sweet was awarded the first prize and J. M. Hart the second.

Among those who attended the obsequies of Bishop Carmichael in Montreal, on Thursday were the Rev. Canon and Mrs. Longhurst and Mr. A. A. Wood.

Mr. E. Bradford is spending a few days in Toronto this week.

After spending a pleasant month in Granby, Miss Mabel Legge, sister of Mr. George Legge, sailed for England on the S.S. Dominion Saturday.

WOULD I CHANGE MY WORK?

(Edwin Markham, in "Success Magazine.")

The thought comes to me sometimes—would I change my life work, my choice of letters as a vocation, if I had my life to live again? Certainly I would not, for the literary life seems to afford a spacious and exhilerating field for the work of a man who wishes to think and grow. More over literature to me has been, not a preference, but a passion.

That I have been able to follow the choice of my heart places me among the fortunate few, for how many are forced by the tyranny of circumstances, into lines distasteful to their sentiments! And, no doubt, this misfit of environment and this misdirection of energy are the causes of much of the dilatory and imperfect work of the world. It seems an unfailing truth that the best work, like nest-building and honey-making, must be done in joy. Every one should be as free, at least, as the artist to select his career and to work out his ideals.

I began life as a shepherd boy, and even in those early years, I felt the lure of poesy. Many a time I stretched out on a rock, my sheep scattered about me on the hillside, and spent hours pouring over Byron's "Cain," and "Childe Harold," dreaming delicious dreams of a rosy future when I should have nothing to do but read books and to write them.

Since that hour of boyish vision, I have been a man-of-all-work— a cattle ranger, farmer, editor and teacher. But never once did I forget my boyish hope or waver from it—never once did my purpose flag or my interest falter. Into all these paths of life I went, with my whole heart; and each task was good for me, for it broadened the horizon of experience— made me know life.

I would recommend to every young man to set his heart upon some wise, central purpose, and to cleave to it to the end. Yet, if he is forced into uncongenial work, let him not sulk and sorrow, but be up and at it with conscience-care, knowing that the first duty of a man is to be manly, and knowing, also, that some day he may need the enrichment of this very experience, to fit him for the work of his heart's desire.

COATICOOK.

Mrs. W. J. Ryther, of Newport, is visiting her parents, Mr. and Mrs. T. Chesley.

Word has been received that Mrs. O. Sylvester underwent a very successful operation on the 13th, and is getting on nicely. She expects to stay there four weeks.

Mr. and Mrs. F. P. Young visiting friends in Coaticook and Barford were guests of Mr. S. B. Sylvester last Sunday.

Arrivals: Messrs. S. L. Smith, Portland, Me.; W. G. Luther, Pittsburg; W. J. Hunt, Canaan, Vt.

SAD DEATH MONTREAL YOUNG LADY

(Continued from page 1.)

vice-president of the Thos. Robertson Co., Ltd., was found lying unconscious beside the Canadian Pacific Railway track at Pointe Claire early yesterday morning. She was first taken to the summer home of her father, a short distance from where she was found, where everything possible was done for her, until she could be brought into the city on a train and taken to the General Hospital. She was still unconscious when she arrived at the hospital, and expired shortly after being admitted.

Miss Robertson was a sufferer from somnambulism and it is supposed that while in this condition she wandered from her home early yesterday morning to the track of the Canadian Pacific Railway, where she was struck and fatally injured by an incoming freight train.

She wore a night robe and boudoir slippers when found by members of her family, who commenced to search immediately after her absence was discovered.

One of the members of the family heard Miss Robertson moving around the house about 5 o'clock, and ten minutes later, her sister, on going to her room, found she was not there. She searched the house, and, not being able to find her, aroused the household. There was no sign of the missing girl anywhere around the house or outbuildings, but about an hour later she was found lying crushed and bleeding beside the Canadian Pacific Railway track, ten minutes' walk from the Robertson residence.

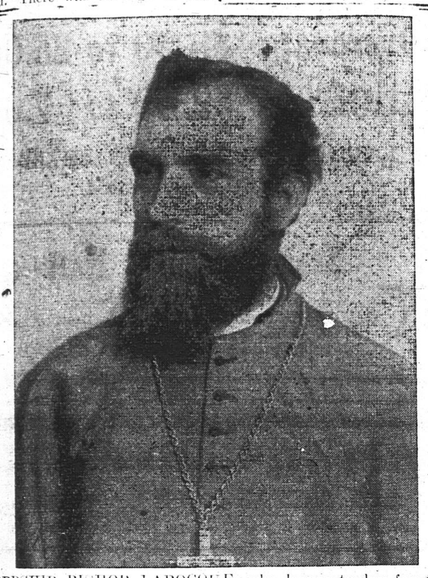
She must have been struck by a freight car that passed Pointe Claire at about 5.15 o'clock, but the conductor of the train made no report of an accident, and it was evident none of the train crew knew anything about having struck the young woman.

Ten days ago Miss Robertson was maid of honor at the marriage of her sister, Miss Hazel Margaret, who was married to Mr. Thomas Caverhill, and two months ago her engagement to Mr. Shearer was announced.

WOMEN COURT REPORTERS.

(From the Baltimore American)

"Throughout the West it is no uncommon thing to see women as official Court stenographers," said R. B. Spurgeon, of St. Louis, "but I believe that Mrs. Emilie Treat of Hannibal is the dean of her sex in our State, and she is still efficient and actively employed. Mrs. Treat, by the way, in the early days of her official career, back in 1873, did one of the biggest stunts a woman shorthand reporter ever performed. It was in a lawsuit before the United States Court at Hannibal, between a contractor and a railway company, involving a big sum of money. There was a tremendous amount of testimony, for the inquiry before the referee occupied six weeks. It took Mrs. Treat half a year to finish the transcrip, but when it was done she got $2000 for her work and high praise for its splendid execution."



HIS LORDSHIP BISHOP LAROCQUE, who leaves to-day for the West.

WOULD BUILD CITY HALL ON KING STREET.

Some Persons Think Top King Hill Good Site.

WOULD MAKE TERRACE EXTENDING THROUGH TO MONUMENT NATIONAL.

Alderman Denault, in conversation with a Record representative, said that now the city bonds had been disposed of, the electric light plant under the city's charge and the extension of the waterworks well advanced it was about time to take up the question of a new city hall. While he believed in delaying that project in favor of more pressing ones, still he believed that the time had come when this question should be taken up and pushed through with all despatch. Sherbrooke to-day was attracting the attention of industrial and financial concerns and it was only proper that they should have a city hall in keeping with the present standing and future growth of the city.

Many sites had been discussed, said Ald. Denault. There was one which seemed to find favor with many and that was the Pare property on King street, at the top of King Hill. The idea would be to form a terrace that would run up to the Monument National. The City Hall would stand out prominently on that site, and with a terrace it would add to the attractions of the city. He could not say how this project would be received in the City Council, but it was meeting with favor among a large section of the community.

BISHOP'S CROSSING.

Arrivals: Miss Klina Batley, of Robinson spending the week end with her grandmother. Mrs. William Hooker; Mr. W. E. Hooker, Brookbury, the guest of his sister, Mrs. F. R. Bishop, on Saturday.

There is to be a harvest festival on Wednesday evening. A service will be held in the Church of the Good Shepherd at 7.30 o'clock, after which supper will be served in the Academy Hall. Rev. Mr. Kerr will be assisted in the service by Rev. Mr. Murray, of Danville, and his assistant. A good time is expected, and it is hoped there will be a good attendance.

Miss Nellie Bishop is in North Stratford, N.H., spending some time with her aunt, Mrs. George Mason.

Mr. and Mrs. D. P. McHarg gave a party on Friday evening in honor of the birthday of their daughter, Margaret. A large number were present and enjoyed various games, which were played, and music, both vocal and instrumental. Little Raymond McHarg, who is five years old, sang beautifully "Are you washed in the blood of the Lamb." His sister, Mrs. R. C. Rolfe, accompanied him on the organ. Miss McHarg received some very nice presents. After a dainty lunch was served the party left, wishing her many happy birthdays.

VILLAGES WIPED OUT BY FOREST FIRES.

Fires in the Adirondacks Beyond Control.

HUNDREDS OF MEN ARE FIGHTING THE FIRES AND RELIEF TRAINS ARE GOING TO THEIR AID.

Utica, N.Y., Sept. 28.—The forest fires in the Adirondacks, fanned by a strong south wind, which prevailed yesterday, are now beyond the control of the hundreds of men who have been fighting them, and according to reports received here, large areas are being swept by the flames and several small villages and camps are being entirely wiped out.

Long Lake West, a village of about one hundred inhabitants, was burned yesterday afternoon and the damage resulting amounts to many thousand dollars. The village contained about a dozen buildings, the railroad station and a large storehouse, which supplied the camps for miles around. All were destroyed.

The preserve of Dr. Webb, at Nehasane, was threatened yesterday, and this city was appealed to for assistance.

YOUNG MAN MADE BAD MISTAKE.

Signed Another Man's Name to Cheque

ACKNOWLEDGES GUILT AND A STRONG PLEA FOR MERCY IS ENTERED.

John Beakey, 19 years of age, appeared before Judge Mulvena, this morning and was given a preliminary hearing on a charge of forging and uttering a cheque for $16. The name of A. W. McKay, North Hatley, was forged, and the accused had the cheque cashed by Mr. J. H. McDonnell, Sherbrooke. It appears that the accused formerly worked for Mr. McKay.

On being asked if he had anything to say the accused said he was guilty. Having made option for a speedy trial, a strong plea was made for leniency by Mr. John Leonard, K.C. The Court said the offence was a very serious one and he would remand the accused until Wednesday for sentence.

NEW GENERATOR HAS BEEN STARTED.

Increases City Power by About 50 p. c.

OVER 2,000 H. P. IS NOW AVAILABLE AT CITY POWER AND LIGHT PLANT.

The new generator at the city electric light and power station was started yesterday, and Mr. A. Sangster, superintendent, expresses to the Record the greatest satisfaction at the perfect manner in which it is working.

It was supposed to be a 525 h. p. generator but is actually producing nearly 700 h.p. It was ordered last spring and the cost of the generator is about $7,000.

Previously there have been only two generators at the station each of about 700 h.p. capacity. The new generator thus increases the available power by about fifty per cent, and the total available now exceeds 2,000 h.p.

The highest speed required during the past year for power and light purposes was 1,200 h.p.

So it may be said, with the new generator, the city has nearly 1,000 h. p. for sale.

The motors at the new Fairbanks works have already been started. They are figured for 190 h.p., but for some time to come the average power used at the works will probably not exceed 75 h.p.

RESCUED AT G.T.R. STATION.

Man Who Threw Himself in Front of Train.

FOUGHT HIS RESCUERS BUT WAS FINALLY PLACED UNDER ARREST.

There was much excitement at the Grand Trunk station this afternoon when the Grand Trunk afternoon express came in.

A young man, a stranger, threw himself in front of the train, and was rescued just in time by two men who pulled him out of the way of the approaching train.

His face was badly cut by coming in contact with the rail.

He fought hard to get away from his rescuers and seemed to desire to get back in front of the train.

He was finally carried off to the police station.

THE JEWISH NEW YEAR.

The Jewish New Year, which began on Friday evening at sunset, closed last evening at the same time. To-day is the first of the eight days of penitence or solemn assembly, which will end on October 5th, in the Great Day of Atonement.

RETIRES FROM ACTIVE SERVICE.

The Rev. Victor Chartier, brother of Mr. Etienne Chartier, of this city, who has been parish priest of St. Hugues for many years, has retired from the active work of the ministry, to spend the evening of his days at the Seminary of St. Hyacinthe.

On the occasion of his farewell, he was visited by his nephews, the Abbes Emile Vincent, and Edmond Chartier, and Mr. Philibert Ledoux, of Sherbrooke, and the Rev. Emile Chartier, of St. Hyacinthe, and a solemn high mass celebrated by the three young priests in the parish church. The sermon was preached by the aged priest, with all his old time force and eloquence.

WEDDING ANNIVERSARY.

On Saturday evening, Sept. 26th, a large number of the many friends of Mr. and Mrs. M. S. Perry, of Lennoxville, gave them a surprise party, the object of the party being to celebrate the fifteenth anniversary of their wedding.

It was truly a genuine surprise as the guests took possession of the house in the absence of Mr. and Mrs. Perry and quietly awaited their return.

After congratulations, tables were prepared and progressive euchre was indulged in for a couple of hours, the lucky winner of the prize (a neat little ink stand) being Mrs. Bayne.

On behalf of the friends present Mr. Clarke in a few well chosen words, presented to Mr. and Mrs. Perry a handsome cut glass bowl, expressing the wish that they might enjoy many years of future happiness.

Mr. Perry made a suitable reply for himself and Mrs. Perry. Delicious refreshments were served during the evening.

Miss Perry, who organized the party, is to be congratulated on its splendid success.

LIQUOR CAUSES DOMESTIC TROUBLE.

A lower town incident attracted a large crowd Saturday night.

On first appearance it seemed that a man had thrown his wife out of his house, and on the arrival of the police the former was asked to accompany them to the police station, which he did.

It appears that the woman had been drinking. The man returning home and finding the liquor, became exasperated and, it would appear, drove his wife out of the house and helped her along rather vigorously.

Quite an uproar followed and a crowd soon gathered. The woman's cries first brought the neighbors and then the people on Wellington street. She complained loudly that she had been attacked and choked.

The man had not been drinking. He said he had been exasperated by his wife drinking and neglecting her home. The police authorities, after investigation, came to the conclusion that the man was not the greatest offender in the case.

The police had just left, accompanied by the unfortunate husband when the woman fainted away. Dr. Gandier was called, revived her and advised a good sleep.

She claimed that she had been strangled, but the doctor did not discover any serious injuries.

"BROTHER SQUIRREL."

Yesterday at Plymouth Congregational church the pastor, Rev. G. Fillery Read, spoke to the children on the subject of "Brother Squirrel." Mr. Read said that it had come to his notice that the little creatures had been driven in hundreds from their forest homes by terrifying fire and smoke, to be hunted and caught, sometimes maimed by thoughtless children. He told a story of a little boy who was fond of hunting squirrels, and one night after indulging in his favorite amusement, he dreamed that he had turned into a squirrel, and in spite of his struggles, had been forced into a cage. He began turning the wheel as squirrels do, round and round, and very tiresome it was to work for nothing. Just then he heard another squirrel saying, "Well, how do you like it brother squirrel? Go on and on till night, and you'll know what it is to feel tired."

The bou squirrel finally fell exhausted on the ground and woke up. After that he never caught or punished squirrels again. The pastor said that he hoped the pretty little animals would be fed and taken care of for the future, and that so far as the people of Sherbrooke were concerned they might lead safe and happy lives."

IMPORTANT ADDRESS AT PLYMOUTH CHURCH.

(Continued from page 1.)

must exist with the Church. Take these away, and you remove some, if not all, of the reasons for the Church's existence, and inevitably the character of the Church's life must be changed. On the other hand, there is to-day a very frank recognition of the fact that religious beliefs while grouped around certain great facts of revelation and experience, are liable to modifications and changed interpretations. The history of the Church proclaims to all men that what is the heterodoxy of yesterday, may be the orthodoxy of to-morrow.

"We believe in God, but He is not the same God proclaimed in the 16th, 17th and 18th centuries. The omnipotent, arbitrary Sovereign, who willed to save whom He would, and damn whom he chose. Absolutism in diety has yielded to the Christ revelation of God as our Father.

"We believe in Jesus Christ, but not in Christ who came to snatch a few brands from the burning.

"We do not look upon Him as the Saviour of the few, but as the Saviour of all men, and especially of those who believe, and that His saving power here and now becomes active in aiding a man to work out his own salvation with fear and trembling. We believe in Christ as the great Companion and Brother of Men, the Saviour of all, the Inspirer of all, the Mother of all.

"This is our Christ in whom we believe. I would require more time than I have to spare to enlarge on this subject, but enough has been said to indicate that change is a necessary accompaniment of theological thinking and that the change has been in the direction of progress.

HIGHER CRITICISM.

"Another phase of thought which the Council reflected, was the modern attitude towards the Bible. I suppose most of you are sufficiently familiar with the method employed in the biblical study and research.

"The distinguishing name given to the method has been the cause of a great deal of unfortunate wrangling, and misunderstanding. The "Higher Criticism" as it has been called, might with greater accuracy be called Historical Criticism, since its method is largely historical.

"It seeks, through the history of events, language methods of composition, and the history and methods of revelation, to determine, with some degree of certainty, the authenticity and value of the sacred compilation we know as the Bible.

"It is not necessary to go into the history of this method, but I hold that in general, the results have justified the method.

"By this I mean that the value of the Bible as a living book, written by men, under the influence of the Divine Spirit, has been greatly enhanced. We know the Bible as a book, wherein is revealed the will of God, concerning man and that the revelation is given through men, who necessarily had to share the limitations of their age.

"The Council had no controversy concerning the function of the same.

"The recognition of the value done by such work was general and should do much to disarm the fears of those who imagine that the delight of critics has been in mutilating the Book of Books.

CHURCH AND MISSIONARY WORK.

"Another feature which commands our attention was the discussion of the relation of the Church to Missionary Work.

"An International Council could not but be concerned with the work of the Church in countries where the evangel of the Gospel has not yet been widely proclaimed.

"To be a Christian should recall the birthplace of Christianity—that it's origin was first of all in the Orient, and that it's genius and spirit are such that it is destined to be the universal religion.

"But it was pointed out by Professor Moore, of Harvard, in his able and thought-compelling address, that the future of Christianity in the Orient depends upon the naturalizing of Christianity in the minds and lives of the people. The work of the missionary is not to Westernize the Oriental, but to introduce into his life the spirit of the greatest coming from the Orient, the Lord Jesus Christ. The Oriental world, even when it shall have become thoroughly permeated with Christianity will be still the Oriental world. Thus, our own faith, will some day confront us in a different, and why should we not say, in a better and more universal light.

SOCIAL CONDITIONS.

"In conclusion, the Council was concerned with the question of social conditions and social reconstruction—a question that is being pushed to the fore by all classes of men, from the poverty stricken starved men and women who are crushed beneath the injustice and inequalities of life, to the millionaire, who having gained his wealth largely by the labor of those who have not shared in the fruits thereof, has come to feel uncomfortable in the possession of so much, while he hears the cry of the starving poor.

"Large employers of labor are coming to see that the best cannot be got from men unless they are developed under favoeable conditions and that a nation attains to true prosperity when there is an equitable distribution of the necessaries and comforts of life.

"The problem of to-day is how to work out an economic system that will give men a better start in life and a juster share of what they help to produce. Yet this is but a part of the problem. The great vices of our civilization, gambling, drink, sensualism, have to be met, and here we know that the power must come from within. Call in external aids, make a man see that we care enough for him to give him an opportunity to live under human conditions, but never forget that the movement for the soul's emancipation must come from within."

SEVEN MEN DROWNED.

PLEASURE LAUNCH STRUCK BRIDGE SUPPORT AND SANK.

Chicago, September 28.—Seven men out of a party of eight were drowned in the Calumet river at 126th street last night when the pleasure launch Lemon struck one of the supports of a railroad bridge and sank with all on board. The owner of the launch swam ashore, and he was the only one saved.

FINE SPECTACLE IN NORTH WATERLOO.

Opposing Candidates Manifest Extreme Personal Friendship.

MACKENZIE KING AND RICHARD REID DINE TOGETHER IN BERLIN.

Berlin, Ont., Sept. 28.—(Special.)—Mr. Mackenzie King, Liberal candidate for North Waterloo, addressed a meeting in Berlin on Saturday night, and welcomed Mr. Richard Reid, Conservative nominee, as an opponent worthy of his steel.

Mr. Reid used to teach Mr. King, both in the Public School and the Sunday School, and each still regards the other with admiration. They dined together at the residence of King's first lieutenant in Berlin, Harvey Sims, on Saturday, and in the evening King had supper at Reid's home at Bridgeport.

The Common Apple a Great Source of Health

THE JUICE OF THE ORDINARY APPLE IS ONE OF THE BEST THINGS IN THE WORLD FOR KEEPING THE BLOOD PURE.

Few people there are but enjoy a ripe, juicy apple. But how many realize that it is a medicine as well as a treat?

Apple juice has a very marked effect on the kidneys, increasing their power to throw off the waste products of the body, called urea, and thus prevent Rheumatism, Sciatica, Neuralgia, and similar troubles that come from poisoned blood.

Similarly, other fruits stimulate the action of the liver and bowels—others of the skin. Combined, they keep the blood pure—the body clean and healthy.

To get this effect, however, one must eat a great deal of fruit, or better, eat a little fruit and take "Fruit-a-tives."

"Fruit-a-tives" are tablets in which the juices of ripe fruits, with their medicinal value intensified, are combined with valuable tonics. They act directly on Bowels, Kidneys and Skin and put them in perfect condition—thus ensuring the thorough elimination of all waste matter and poisons from the body. Trial box 25c. Regular size 50c.—6 boxes for $2.50. Fruit-a-tives Limited, Ottawa.

A SAFE TIME TO TRAVEL.

(From the New York Mail.

This is the safe time to travel. There is less risk in a railroad journey today than for seven years. This may sound like an arbitrary statement. Statistics of accidents by rail prove it. The report of all casualties just filed with the Interstate Commerce Commission for the first quarter of 1908, beyond which data are not available make it very plain that the millionaire who automobile and the millionaire who American railroads is due to pressure on tracks, equipment and employees in periods of abnormal movement of traffic.

When business contrasts, as it has this year, and railroad managers are

THE CAPTURE OF MOSBY

A MILITARY EXPEDITION WHICH WAS NOT A GREAT SUCCESS.

(From the Youth's Companion)

General John S. Mosby, the Confederate cavalryman, used to tell of a comic incident which happened in the Shenandoah Valley in 1864. Near Millwood a regiment of cavalry halted one night and went into camp. One of the men, who was hungry, slipped away and went off in the neighborhood to get something to eat. He rode up to a cabin on a farm in the dark and called for the person inside to come out.

A Negro woman, known at that time as an intelligent contraband, opened the door and asked him what he wanted. The soldier wished to be assured of his safety before dismounting, and while eating his supper, so he inquired of the woman if anyone but herself was there.

She replied, "Yes, Mosby is here."

"What!" said he, in a whisper, "Is Mosby here?"

"Yes, she said, he is in the house."

The soldier put spurs to his horse and dashed off to his company to carry the news. When he got there he informed the colonel that Mosby was in a house not far away. The regiment was soon mounted, and went at a fast trot, thinking they had Mosby in a trap.

When they arrived at the Negro woman's house the colonel ordered his men to surround it to prevent Mosby's escape, while he went in with a few to take him dead or alive.

The woman—again came to the door of the cabin. The colonel inquired, "Is Mosby here?"

She innocently replied, "Yes," so he walked in.

After the colonel got inside he looked round. But the woman seemed to be all alone and utterly unconscious of having so important a person for her guest.

In a loud voice the colonel demanded, "Where is Mosby?"

"'Ere he," answered the terrified Negress, at the same time pointing to a cradle on the floor.

The colonel looked into the cradle and saw a little African pickaninny sucking its paw.

SPORTING NEWS.

THE ROAD RACE.

MANY HARRIER EVENTS FOR OCTOBER AND NOVEMBER—Y.M.C.A. TRIAL RACE SATURDAY.

October and the first half of November will see many Harrier races in Canada. Several are booked for Montreal for the latter part of October and the Herald is holding its annual race on Thanksgiving Day, November 9th.

Several of the newspapers in Ontario are conducting road races, the dates being in the latter part of October.

The first in local interest will be the Eastern Townships race at Sherbrooke under the auspices of the Daily Record.

Reports from outside the city indicate that the competitors from the towns and villages of the townships will set a fast pace for the Sherbrooke runners.

A LOCAL TRIAL RACE.

A very interesting road race took place on Saturday afternoon when six local runners covered the Record Road Race Course. The condition of the atmosphere was against the runners and for that reason they were unable to make very good time. The Y. M. C. A. runners, four in number, were running for points on the challenge cup and also trying for a place on the team that is to represent the Y. M. C. A. in the coming road race. All the runners finished in good condition: and were cheered as they finished by a large crowd in front of the Record office.

The runners finished in the following order: Russel, Metivier, Davidson, Hurn, Low and Robertson.

The following men will constitute the Y.M.C.A. team: Davidson, Hurn and Low, the two first mentioned not being members of the Y.M.C.A. Harriers.

The Y.M.C.A. runners having points on the challenge cup are the following: Davidson 40, Hurn 36, Low 36, Miller 19, Robertson 17.

The time was 50 mins. 7 sec.

GOLF.

RESULTS OF THE COMPETITION AT LINKS SATURDAY.

The winners in the mixed foursome handicap at the St. Francis golf links Saturday were Miss Dolly Hargrave and Mr. G. G. Woodward. The prizes, handsome golf clubs, were presented by Mr. Edwin Sinclair, the professional. Tea was served, the hostesses being Mrs. A. F. Fraser, Mrs. Frank White, and Miss Edgell, and the function was particularly informal and pleasant. The summer-like temperature of the day contributed to the enjoyment of the guests. Among these present from out of town were Mrs. Trenholm, of Montreal; Miss Dumbell, Washington, D.C., and Miss Mackinnon, Boston. The score was as follows:

	Gross.	Hdcp.	Net.
Miss D. Hargrave			
G. G. Woodward	49	10	39
Miss E. Bradford			
T. P. Macdonald	46	6	40

A CHALLENGE.

P. E. Ouellet, Manager for Romeo Gosselin, who claims to be the fastest roller skater in the Eastern Townships, has issued a challenge to F. Bazenette champion fast roller skater of Sherbrooke in which he says:

"On behalf of Mr. Romeo Gosselin, of this town I challenge you for a 'speed race' on roller skates. The distance shall not be less than two miles and as for the limit, I will leave it to you to decide. The race shall be for the gold medal and the championship of Sherbrooke, which you now hold. For further particulars I will be at your disposition every day at the G.N.W. telegraph office or every evening at the Stadium Roller Rink.

"Hoping this will prove satisfactory to you, I remain,

"Yours truly,
"P. E. OUELLET,
"Mgr. for Romeo Gosselin."

HIGH SCHOOL WON.

SPORTS HELD ON PARADE GROUND SATURDAY.

The athletic contest held on the Parade grounds on Saturday between the High School and Maple Leaf Club was well contested. The High School team won by a score of 33 to 24. All the events were closely contested and in the races some very good time was made.

Mr. Rex Hovey of the Sherbrooke High School was by far the best all-round athlete on the grounds and won 19 out of the 33 points credited to his club.

The following were the results of the various events:

100 yds.—Hovey 1, S.H.S.; Tate 2, M. L.C.; Odell 3 S.H.S.

Hop, step and jump.—Hovey 1, S.H.S. R. Tate 2, M.L.C., Lothrop 3, M.L.C.

The High School team won the relay race and in the mile road race there were no points given.

Mr. R. Neilson acted as starter and Mr. E. C. Irvine as judge.

BROKE AUTO RECORD.

CHRISTIE SET NEW WORLD'S MARK OF 1.10 FOR MILE ON TWO-LAP TRACK.

Montreal, Sept. 25.—Walter Christie, driving a 130 horse power car, broke the world's record for a mile on a half-mile track at Delorimier Park yesterday afternoon. The millionaire motor car expert, in a trial against time, did the distance in the remarkable time of 1 minute 10 seconds.

ROBLIN--WILLISON

(Continued from page 1.)

The political issues, past and present, and also the merits of the case, are to me for the moment of secondary importance. The charge made by Premier Roblin was against the good faith and common honesty of the Globe as a public journal. That charge was worth answering.

"No honorable man will affect to cavil at Mr. Willison's statement. On this question his word is final. The files of the Globe for two years before any shareholder had knowledge of or interest in the Crow's Nest country corroborate that statement. The essential sentences are the more significant because of present conditions. Flatly opposed as the News is to the Globe and to the Liberal party in the present political campaign, every interest except the primary obligations of honor and truth would have been served by silence. Having spoken his word settles the matter.

"But Mr. Willison's statement does more than vindicate the honesty and integrity of the Globe, it gives authority and occasion to throw back the slanderous charge at the man who made it. Premier of a great province though he is, Hon. R. P. Roblin is given back his false word, given it back in his teeth.

"When at Peterboro on Friday night Premier Roblin tried to evade the issue by pretending that his charge was not against the editor, but against 'the man behind the Globe,' he proved himself a coward as well as a slanderer. No matter what his motive, his charge carried with it the insulting assumption that the editor of that day was either a hireling or a poltroon. And when he made his new charge against myself of 'disloyalty' to Dr. John Pringle, his word was notoriously false to known and published facts.

"Surely this man should now be returned in disgrace to the province whose premiership he dishonors. Politics in Ontario may be undignified and sometimes corrupt, but we have nothing so stupidly and coarsely indecent as the Hon. R. P. Roblin, who everywhere boasts of being 'The minister of Manitoba.'

"J. A. Macdonald."

CONSERVATIVES AT WORK IN BROME.

Sutton, Sept. 28.—(Special.)—Mr. C. M. Boright, chairman of the Central Committee, in the Conservative interests in Brome county, is a very busy man these days, putting out printed and typewritten matter and requiring the assistance of two stenographers, as well as considerable other assistance in the work. A weekly letter is one of the features in the work. A meeting in the Conservative interest was held at Abercorn on Thursday evening, the local speakers being Messrs. L. E. Dyer and L. L. Jenne, of Sutton, and Mr. Lynch, of Mansonville. On Friday a meeting was held at Glen Sutton, when the Messrs. Dyer and Jenne again spoke, also Mr. Baker, of Montreal, son of Hon. Senator Baker.

The Liberals are also stirring themselves and there promises to be lively times from now to the date of the forthcoming election.

Mr. George W. Paige, Conservative candidate of Stanstead County, Saturday night, completed his personal canvass of the county. It is understood he has called personally upon every elector, Conservative and Liberal, in the county.

Meetings are now being held nightly throughout Compton County, which is again an interesting battleground. The Liberal convention will take place at Bury to-morrow. Among the speakers will be Messrs. Hibbard and Rheaume of Montreal.

ROCK ISLAND.

Messrs. H. A. Cullins and William Pike, Jr., have returned from a week's stay at White River Jct., Vt.

Mrs. Henry Hubbard and Master Donald Hubbard who have been spending the past summer here with relatives left on Friday for their home in Plainfield, N. J.

Mr. George Porter has returned from a two week's stay at Bellow's Falls and Keene, having had an unusually pleasant trip.

Mrs. Everett Hunt and son of Newport are spending a few days at Derby Line with relatives.

Mr. Jas Kelley's little son is reported much better.

Our streets are still in darkness, owing to the water being so low that we cannot have the electric lights.

Several took in the dance on Friday evening at the "Club House" Newport. All reported a pleasant evening.

Mr. Hector Gobeille who has been visiting relatives and friends here has returned to his home in Holyoke, Mass.

We understand that Begin and Lanctot intend dissolving partnership the first of the month.

Col. C. E. Nelson has recently been appointed chief on Governor Proutty's staff for Vermont.

ADDERLEY.

Mr. and Mrs. G. Cooke and Mrs. T. Harper, of Montreal, who have been visiting their brother, Mr. R. Dick for a few days have returned home.

Millanville school was re-opened on Monday by Mr. George Millar, of Inverness.

Mr. D. Cooke is slowly recovering from his illness.

Miss Ethel Currie is spending a wee with friends in Henderson Vale.

Mr. John Sillers who has been visiting friends in this vicinity has returned to his home in Missouri.

A good many from here attended the Inverness Fair on Thursday.

Master R. Hamilton returned to his home in St. Johnsbury, on Saturday, having spent several weeks with friends here.

FULFORD.

Another good shower and our bush fires are quenched for which all are truly grateful as the smoke has been so thick that at times the nearest houses could hardly be distinguished.

Mrs. J. Bockus and children have returned to Farnham.

Mr. Henry Joyal of Montreal was in town on Monday last.

Mr. William Myles has rented his farm to Mr. Alton Mizner and Mr. Mizener has taken possession.

Mrs. Mary Rhicard, who has been housekeeping for Mr. Myles, has returned to her father's, Mr. J. Joyal, of Bondville, for a rest.

DEATHS.

ROBINSON. — In Sherbrooke, Sept. 26th, 1908, John Malcolm Erle Robinson, aged 4 years 6 months and 17 days.

Funeral to-morrow at 2 p.m. at St. Peter's Church.

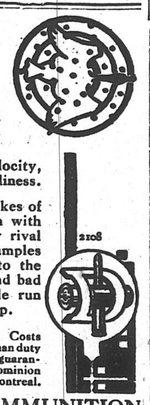
Only the Best

We are our own severest critics. Our experts test every batch of ammunition for accuracy, velocity, penetration and cleanliness.

We test with all makes of arms in competition with ammunition of every rival make. If our tested samples fail to measure up to the others under good and bad conditions, the whole run goes to the scrap heap.



For all makes of arms. Costs one-third to one-fifth less than duty paying ammunition. Our guarantee puts all risk on the Dominion Cartridge Co., Ltd., Montreal.

DOMINION AMMUNITION

IF TARIFF ON PULPWOOD WERE REMOVED.

AMERICAN PULP MEN WOULD HAVE TO GO OUT OF BUSINESS SAYS N. M. JONES, OF BANGOR, ME.

Appleton, Wis., Sept. 21.—Because raw material is much cheaper in Canada, and labor is considerably cheaper, we would have to go out of business, and would go out of business if the tariff on wood pulp were to be cut off, unless we could obtain higher prices for our sulphite than we are receiving at the present time, said Mr. N. M. Jones, of Bangor, Maine, manager of the Katahdin Pulp and Paper Company at Lincoln, Me., before the congressional investigating committee here yesterday. Continuing, Mr. Jones said: "Unless we can get our material as cheaply as the Canadian mills do, we would have to quit business, for we could not compete with them."

Mr. Mann, chairman of the investigating committee, asked Mr. Jones if, in his opinion, the pulpwood supply is amply sufficient for a most indefinite period. Mr. Jones replied by saying that in Maine the supply is perhaps practically inexhaustible, but in the middle west especially in Wisconsin, Michigan and Minnesota, where most of the paper mills are situated, the manufacturers will soon be obliged to procure their pulpwood from Canada. "The only thing I see to do," said Mr. Jones, "is to make a treaty with Canada. Not as a tariff, not as a Republican party to-day and a Democratic party to-morrow but a treaty whereby the tariff on wood pulp would by cut off and our mills were allowed to purchase pulpwood in Canada at the same figures that Canada mills do, but I would also increase the duty on European pulp 100 percent. Europe is our greatest competitor, not Canada. The market of the United States and Canada is large enough to use all the wood pulp, sulphite and paper manufactured in this country and Canada, if a treaty were made, and the duty on European goods increased.

A LONDON LANDMARK GOING.

THE TWO-HUNDRED-YEAR-OLD SCOTTISH CHURCH IN COVENT GARDEN COMING DOWN.

(From the London Graphic)

The most famous London building in the hands of the housebreakers at the present moment is undoubtedly the old National Scottish Church in Crown Court, Covent Garden, a little alleyway which runs north out of Russell street, opposite the stage entrance to Drury Lane Theatre. It is—or was—a veritable London landmark. It has, however, for long been too big for the calls upon it, and has been paying under stress a very large ground rent to the Duke of Bedford. It will be rebuild upon the same spot, but on a much smaller plot of land. Meanwhile the services of the church will be conducted in the Newton Hall, Fetter Lane.

The old church in Crown Court was originally built about 190 years ago. It realized the designs of its founders in a normal fashion for a long while. Then suddenly came a time when it was famous. John Cumming, who had been licenses to preach in May, 1832, by the Aberdeen Presbytery, was acting as tutor in Kensington, when he was invited to preach in the old church in Crown Court.

In August of the same year he received a "call" from the church. It was then small and inconvenient, and the minister's income was not over £200. But his preaching soon attracted a huge congregation, and the church was rebuilt in 1847 at a cost of £5000. It was opened in 1848 with sittings for a thousand persons. The income from pew rents reached £1500 per annum, but Cumming refused to accept more than £900, the remainder paying off the debt incurred for rebuilding. The church has remained, strangely picturesque and grimy, until today.

Now the fashionable congregation has drifted westward to the new church in Pont street, Chelsea, and the old Manse or dwelling, as they call it, built for Cumming, is being pulled down with the rest of the building. The big organ is to be sold and Lady Frances Balfour, one of the last patronesses, has, it is understood, secured the possession of some of the woodwork, which is beautiful and valuable, in the Manse.
