CANADA PROMISED GREAT BENEFIT THROUGH WHEAT PACT OPERATION

Canada's Exports of Wheat to Be Increased from Average of 32.9 Per Cent. of World Total in Past Four Years to 35.7 Per Cent.—Division of World Shipments in Excess of 560,000,000 Bushels Between Canada and United States May Cut Carryover.

Ottawa, September 14.—Several factors appear in the closer study of the London wheat pact which throw a more favorable light on Canada's status than a hurried survey would indicate. For the four years from 1929-30 to 1932-33, the average Canadian exports totalled 229,000,000 bushels, with the average world shipments reaching 696,000,000 bushels. In other words, Canada's shipments averaged 32.9 per cent. of the world total. But under the agreement for the present year, Canada will be allotted 35.7 per cent. of the world shipments. Another important provision is that if the world demand is in excess of the 560,000,000 bushels to be shipped by the four signatories,—Canada, United States, Australia and the Argentine,—the excess is to be divided between Canada and the United States, who are holding the largest carry-overs.

As a commentary on this export quota of 200,000,000 bushels for Canada, Broomhall on August 16th of this year expressed the view that Canada would ship 193,000,000 bushels during 1933-34 as compared with 200,000,000 bushels received under the quota, while in Broomhall's international review of the present month it is declared that "the world wheat agreement is giving buyers more confidence with all shippers' offers advancing."

During 1933-34 and before the 1934 crop is ready for the market it is estimated that Canada will have a total of 313,000,000 bushels of wheat for export, and as the agreement gives Canada an export quota of 200,000,000 bushels there would be a probable carry-over of 113,000,000 bushels in excess of a normal carry over of 80,000,000 bushels. If the estimates now made of this year's crop prove accurate, the carry over at the end of July next year will be approximately 173,000,000 bushels as against 211,000,000 bushels at the end of July this year. Canada's total wheat production in 1932 was 566,000,000 bushels, in 1929 it dropped to 304,000,000 bushels, in 1930 it rose again to 420,000,000, in 1931 it declined to the same figure as 1929, or 304,000,000 bushels, that of 1932 was 448,000,000 bushels, and the latest estimate of the present crop is 528,000,000. Of this 1933 total the prairie provinces' share will be probably 264,000,000 bushels as against an actual production last year of 428,000,000 bushels.

Statistics of wheat acreage expansion from 1914 to 1932 inclusive show that of the total world wheat acreage increase in that period Canada's share of the growth was 48.6 per cent., and the same compilation shows that a 20 per cent. cut, instead of the 15 per cent. curtailment provided in the wheat agreement, would restore Canada to her 1925 acreage position, would place the United States and Argentine back in their pre-war position, and Australia in its 1925 position. For the entire world the increase in wheat acreage in the period from 1914 to 1932, inclusive, was 34.78 per cent., while Canada's increase was 16.80 per cent., or 48.6 per cent. of the total increase.

VIOLENCE ONCE MORE SWEEPING STRIKE AREAS

Fourteen Men Shot, One Believed Fatally, as Pickets Attempt to Stop Miners Going to Work.

Uniontown, Pa., Sept. 14.—Fourteen men were shot and more than a score beaten and stoned today as rioting at three mines signaled the official start of a mining "holiday" in the southwestern Pennsylvania soft coal field.

The trouble flared as pickets tried to prevent miners from going to work. At Gates, deputy sheriffs are reported to have opened fire on pickets and in the battle that ensued a deputy's arm was blown off by gunfire.

Among the casualties at Edenborn are John Garrow aged forty, who suffered a fractured skull, and Mike Savage aged forty-five, who was severely beaten about the head.

All three mines are owned by the H. C. Frick Coke Company.

The violence signaled the official beginning of a mining "holiday" voted yesterday by representatives of more than 30,000 men.

Impatient at delay in signing the coal code, the men decided to remain out of the pits until an accord is reached.

Fourteen men, some of them shot, others beaten, were brought to a Uniontown hospital. Attaches said at least one of them will die.

CLAIMS OPERATORS WANT LARGE INVENTORIES AT LOW PRICES

Washington, Sept. 14.—After a conference with John L. Lewis, president of the United Mine Workers, Governor Gifford Pinchot of Pennsylvania said today he believed the delay in United States coal code negotiations was due to some operators' desire to pile up inventories under low wage scales.

A REAL FAMILY TREE

Simcoe, Ont., Sept. 14.—Mr. and Mrs. J. C. Backus, Port Rowan, today were showing friends sections of a tulip tree said to be 531 years old. The tree was felled recently on the Backus farm, which has been in the hands of the family for 135 years. According to experts the tree was ninety years old when Columbus discovered America.

GANDHI TO END DISOBEDIENCE CAMPAIGNING

Following Conference with Chief Lieutenant, Indian National Leader Decides Not to Court Imprisonment Until August 3, 1934.

Poona, India, Sept. 14.—Mahatma Gandhi promised today to refrain from aggressive civil disobedience acts, and thereby court imprisonment until August 3, 1934, even though he believes this restraint is a "bitter cup of agony."

He gave this assurance to Pandit Jawaharlal Nehru, a national leader like Gandhi, after they completed protracted talks.

"Since my release on August 23, darkness has surrounded me," Gandhi said. "It will take me several weeks to regain my health. So, after hard praying, I have decided not to court imprisonment until August 3, 1934, marking the termination of the sentence from which I was released after my latest fast."

"Nevertheless, this does not affect the advice I gave urging to the country to participate in individual disobedience against British authority."

"That I have suspended action myself is unfortunate but inevitable. This self-restraint is a bitter cup of agony. I can remain outside, but I cannot be a willing party to an undignified cat and mouse game if the government is contemplating one."

But if I am re-arrested and if an inter-urge is present shall not hesitate to undertake a fast to the finish, and if I am denied the right to work for the untouchable class not even release from jail would end my fast."

GIRL PAYS LOVER'S BAIL

Seattle, Sept. 14.—A young woman hurried into police headquarters yesterday.

"Here's the ten dollars fine for Harold Montgomery," she said, "please let him out of jail right away. We're supposed to be married at noon."

At 11:55 a.m. Montgomery aged twenty-one, and the girl, who refused to give her name, rushed out of the building.

Montgomery was fined for speeding. He couldn't pay and went to jail.

STERLING REGISTERED SUBSTANTIAL GAIN AT NEW YORK TODAY

New York, Sept. 14.—Pounds sterling and French francs registered substantial gains against the United States dollar as Canadian funds held steady on the foreign exchange market here today.

Sterling advanced 1 3/4 cents to \$4.61 3/4, while the French gold monetary unit moved up five points to 5.68 cents.

Canadian dollars held around 95 7/16 cents at noon, one-sixteenth per cent. higher than Wednesday's close. The United States premium on Canadian money eased slightly to 4 13-16 per cent.

DALLAS LOSES "HEAVIEST" CITIZENS

Dallas, Texas, Sept. 14.—Death has claimed Dallas' heaviest citizens.

A victim of apoplexy, Roy Ruff, 762 pound negro, died at the age of forty-one years.

DISCUSSING EMPIRE MATTERS

Above are some of the leading delegates to the British Commonwealth Relations Conference, which is being held at Hart House, Toronto, at which vital matters of Empire-wide importance are under discussion. From left to right the delegates are: Magbool Mahmood; Mohammad Zafrulla Khan, former delegate to the Indian Round Table Conference in London; Sir Herbert Samuel, British Liberal leader; Yudhisra Raj and S. Malan, former Minister of Mines and Industries in South Africa.

FEARED 'QUAKE' TOOK A HEAVY TOLL IN LIVES.

Istanbul, Sept. 14.—A heavy loss of life and property was feared as a result of an earthquake today at Hassanakale, in Ezerquerum province, near the Turkish-Soviet border.

Details were lacking because all lines of communication were broken, but it was believed the toll of lives and property loss in nearby villages also was great.

SENATOR MURDOCK SUSPENDED AS CHIEF OF CANADIAN RAIL UNION

Charging that Head of Railway Trainmen's Union Failed in His Duties in Handling Pending Wage Dispute, International Executive Orders Dismissal from Position Held for Quarter of a Century—Action Follows Internal Split in Brotherhood.

Cleveland, Sept. 14.—The office of Canadian vice-president of the Brotherhood of Railway Trainmen which Senator James Murdock held in 1905, is his for only another twenty-four hours. A removal order, to take effect Friday, was announced last night by the Executive Board of the Brotherhood, an outgrowth of charges the Senator made against President A. E. Whitney, made against the president of the Brotherhood of the organization and counter charges leveled at the veteran Canadian Union figure.

In all, Senator Murdock made eleven charges against Whitney. He appeared before the Board a few weeks ago and, among other things, accused the president of "vindictive and ruthless oppression and retaliation." The Board did not sustain him in any of the charges.

In turn Mr. Whitney made nine charges against the Canadian vice-president. One was an allegation that Senator Murdock failed in his duties as an officer in handling the now pending railway wage dispute in the Dominion.

Whitney said last night that "Murdock's whole attitude in the wage situation in Canada was found by the Board to be luke warm. Wages there now are 17 1/2 per cent. lower than they are in the United States."

The charges made by Whitney touched on Senator Murdock's conduct in the upper chamber of Parliament. This particular count read: "That as a Senator, on May 11, 1933, Murdock advised the Canadian Senate on legislation dealing with co-operation between the Canadian Pacific and Canadian National, and argued that the provision for 'negotiations with the representatives of the employees affected' in a bill dealing with the appointment of work, was unnecessary, but that it should be left in the bill 'to see what comes of it.'"

On this particular charge the Board did not sustain the Brotherhood president, but it did sustain him on six other allegations.

Senator Murdock, who was Mackenzie King's Minister of Labour in the late Liberal Government, took over the Canadian vice-presidency of the Brotherhood after fifteen years of service as C. P. R. trainman.

The eleven specifications preferred by Senator Murdock charged Whitney with: 1. Indulging in ruthless oppression and retaliation; 2. In the manner in which he carried out the sixth triennial convention's instructions for the erection of a suitable monument to the former president, W. G. Lee; 3. In the manner in which Whitney's reinstatement was made effective on the Chicago and Northwestern Railroad; 4. To secure the reinstatement of a certain dismissed employee, member of the brotherhood, in the Chicago and Northwestern Railroad; 5. In connection with the handling of certain matters on the Boston and Maine and New Haven railroads; 6. To secure the opportunity and authorization to have his own judgment prevail at the sixth triennial convention; 7. In exercising inhuman disregard for the rights of old members of the Brotherhood in the beneficiary department; 8. In the manner in which transfers from the beneficiary department to the individual reserve department of the brotherhood were effected; 9. In carrying on the affairs of the brotherhood by the use of coax, bluff, drive and coercion—affairs which were specifically referred to in this specification; 10. In the manner of and purpose for the submission to the lodges the question of postponing the next triennial convention until 1935, which was a display of rule with a big stick or ruin; 11. The board found that no charge of a wrongful act was contained in this specification.

Whitney's accusations against Murdock were contained in nine specifications which charged: 1. That Murdock circulated contrary to the duties of a member a printed pamphlet containing misleading and malicious statements calculated to injure the brotherhood; 2. That Murdock, contrary to instructions of the sixth triennial convention, with respect to placing in effect certain mileage and hourly limitations on certain eastern United States railroads, did neglect and fail to carry out instructions; 3. That Murdock had failed for two years to properly promote and support the interests of the brotherhood in connection with the individual reserve insurance department of the organization; 4. That as a Senator on May 11, 1933, Murdock advised the Canadian Senate on legislation dealing with co-operation between the Canadian Pacific and Canadian National, and argued that the provision for 'negotiations with the representatives of the employees affected' in a bill dealing with the appointment of work, was unnecessary, but that it should be left in the bill 'to see what comes of it.'"

PEACETIME STRENGTH OF CANADIAN ARMY IS PLACED AT 20,801.

Geneva, Switzerland, Sept. 14.—Canada notified the World Disarmament Conference today of her willingness to accept 20,801 as the maximum peacetime strength of the Canadian army.

Canadian sea armed forces were estimated at 2,461 and the armed air forces at 3,200. These figures were communicated to the League by Dr. W. A. Riddell, Canadian delegate.

SCHWAB MAY BE NEW PRESIDENT OF STEEL BODY

Resignation of Robert P. Lamont as President of American Iron and Steel Institute Taken as Protest Against N.R.A.

New York, Sept. 14.—Charles M. Schwab was mentioned today as probable successor to Robert P. Lamont, steel "czar" who stepped out yesterday with a declaration that government regulation of industry has begun and "no one knows how far it may go."

Lamont's resignation as president of the American Iron and Steel Institute, a post he had held for thirteen months at a salary said to be \$100,000 a year, came as a surprise to all except "insiders" quarters.

Talk about the reasons for the resignation was rife. The New York Times said "the tone of his letter of resignation clearly indicated a lack of sympathy with the N. R. A."

Institute officials said the resignation was not a protest against the recently-adopted steel code.

Lamont, who was Secretary of Commerce under President Hoover, was named steel "dictator" in 1932, and his task was described at the time as co-ordination of business practices, stabilization of prices and furthering the Institute's value as a service organization to members.

STORM CLAIMED LIVES OF MOTHER AND TWO CHILDREN.

Guadalajara, Mexico, Sept. 14.—A mother and two children were killed today when the roof of their home collapsed during a heavy storm. Fields were flooded by torrential rains.

ENGLISH ALE IS DESTROYED IN FREE STATE

Agitators Continue Anti-British Campaign by Breaking Seals of Freight Cars and Destroying Several Barrels of Ale.

Dunalk, Irish Free State, Sept. 14.—A dozen men carrying arms held up the staff at the Dunalk Junction railway station today and, when a freight train from Dublin arrived, broke the seals of several cars and destroyed a number of barrels of English ale.

The barrels were smashed with hammers and the tracks were deluged with bubbling brew. The train crew stood by helplessly, part of the raiders menacing them with revolvers.

The attackers did not touch the Irish beer aboard the train. There have been numerous instances recently of the destruction of English beer as part of the anti-British campaign in the Free State.

THE WEATHER

CLOUDY AND COOL.

Pressure continues high over Northern Ontario, with relatively low pressure to the immediate south of the Great Lakes and a low area is centered over Alberta. Light to moderate showers have occurred in the Lower Lake Region and in Northwestern Ontario, but elsewhere, the weather has been fair and continued cool from Saskatchewan, eastward.

Forecast: Northeasterly winds; mostly cloudy and cool today and Friday; occasional showers, chiefly in south portion.

Temperature yesterday: Maximum 63, minimum 35. Same day last year: Maximum 79, minimum 47.

INCREASED ACTIVITIES IN WOODS TO AID EMPLOYMENT AND REVENUE

Lands and Forests Department Hopes that Greater Cut Will Wipe Out Loss of \$1,500,000 in Departmental Revenues—Increase in Cut from 660,000,000 Board Feet to 760,000,000 Should Provide Work for Additional Eight Thousand Men.

Montreal, September 14.—Increased activity in the forests of the Province of Quebec this winter is expected to more than wipe out the drop in revenue of the Lands and Forests department of \$1,500,000 during 1932-33, according to departmental officials.

The Quebec Government, it was announced, has already authorized a reduction in stumpage and timber area rental fees, it was stated, upon recommendation of the Hon. Honore Mercier, K.C., Minister of Lands and Forests. By governmental act, these fees are fixed at the rate of \$2.70 per thousand feet board measure for stumpage fees, and \$8 per square mile of timber area for rental fees. During the 1933-34 timber season, these fees will be reduced as follows: Stumpage fees, \$2 per 1,000 feet board measure, and timber area rental fees, \$5 per square mile.

In reducing these fees, the aim of the Quebec Government is the encouragement of larger cuts in the province's forests, this year, thus guaranteeing employment to a larger body of men. Also, the Government seeks to assure Quebec of greater revenue from the activities under the Department of Lands and Forests.

Last year's cut, it is known, was one of approximately 660,000,000 board feet measure; this season it is hoped that the cut will be increased by nearly 100,000,000 board feet measure, or to one of 760,000,000 board feet measure. And while between 15,000 and 16,000 men found employment in the province's lumber camps last year, it is expected that an additional 6,000 or 8,000 should be employed this year.

The Hon. Mr. Mercier admits that activities in the Quebec northwoods will "increase greatly" this year as far as timber operations are concerned. "We hope for a very great increase in activities," he said. "The cut will certainly be larger, and a greater number of men will be employed."

Departmental officials point out that an increase in the sale of Canadian lumber to both the United Kingdom and United States markets will prompt a greater cut in Quebec this year, as well as in the provinces of Ontario and New Brunswick. Great Britain is purchasing a larger quantity of Canadian wood at present, and it is expected that its purchases will increase daily. And the United States also is becoming a heavy buyer of Canadian wood, ports in the Maritime Provinces reporting that lumber shipments to New York and Boston having increased twofold.

"HEREDITY AND HEALTH" COURTS TO START FUNCTIONING

Munich, Germany, Sept. 14.—It was announced today the Bavarian "heredity and health" courts will start functioning on January 1st, 1934. The courts are to choose mental and physical defects for sterilization.

The Ministry of justice today was completing administrative details.

BRITAIN'S NEW TARIFF TO AID CANADA'S TRADE

Canadian Fowl, Ducks and Geese to Enjoy Increased Preference on United Kingdom Markets.

Ottawa, Sept. 14.—The tariff which the United Kingdom will impose on dead fowl, ducks and geese from foreign countries after September 15 will be three pence a pound instead of ten per cent. ad valorem, according to word received by the Department of Trade and Commerce here. The Canadian produce will continue to go into United Kingdom markets free.

This may have an important effect on the Canadian trade this fall as Canada is planning on shipping dressed chickens, and perhaps some ducks and geese to British markets. All these will come under the increased preference.

Turkeys, however, are not affected. Canada will continue to receive ten per cent. preference on this product, and plans are being made to ship 1,000,000 pounds to the United Kingdom this fall. This trade was started last year and proved satisfactory.

A distinct revival is noted in the egg trade. Canadian eggs in shell get a preference of one shilling nine pence per dozen over foreign eggs in the British market. Information reaching the Department of Agriculture indicates that nearly 1,500,000 dozen eggs will be shipped from Canada to Britain this year.

TRUCK PROVES EFFECTIVE IN FIGHTING ANGRY BULL

Middletown, N.Y., Sept. 14.—Betty Birch, who lives on a farm near Duarville, has her own ideas about bull fighting.

When she saw an angry bull attacking her twelve-year-old brother in a nearby field yesterday, she rushed to the barn, took out a truck and drove to where the bull was pawing the boy.

Stepping on the gas she hit the bull broadside and knocked him down. She got out and helped her brother into the truck as the bull charged into the side of the machine. The boy will recover.

ARGUMENTS OVER OWNERSHIP OF DOG PROVED SERIOUS

AN IMPORTANT JAPANESE POST FILLED TODAY

Koki Hirota, Strong Nationalist Closely Connected with Army Clique, Succeeds Count Yasuya Uchida as Japanese Foreign Minister.

Tokyo, Sept. 14.—The resignation of Count Yasuya Uchida as Japanese Foreign Minister today was immediately followed by the appointment to that position of Koki Hirota, described as a staunch nationalist closely connected with the army clique.

The change was hailed as pre-empting an increased nationalist and uncompromising Japanese foreign policy.

Falling health was given as the official reason for Count Uchida's resignation, but reactionary pressure in favor of Hirota was authoritatively considered a major factor.

Count Uchida has held a number of important posts in the government. For years he has staunchly advocated naval parity.

Meanwhile, General Sadao Araki, Minister of War, advocated strengthening of defense means because of American sympathy and aid to China and the presence of the American Atlantic fleet in Pacific waters.

Hirota was formally installed in the presence of the Emperor at the Imperial summer villa at Hama, forty miles southwest of Tokyo.

A Foreign Office spokesman said Uchida was suffering from neuralgia.

BANKS PLACED THEIR VIEWS BEFORE COMMISSION TODAY

Final Public Meeting Is in Session in Ottawa — Commissioners Have Visited Every Province in Canada.

Ottawa, September 14.—Canadian chartered banks laid their views before the Royal Commission on Banking today. Led by J. A. McLeod, president of the Canadian Bankers' Association, the bankers filed submissions before Lord Macmillan and the four other members of the Commission. Today marked the opening of the final public meetings of the Commission, which has visited every province of Canada.

The Commission concluded its last public sitting in Toronto on Monday afternoon, coming to Ottawa this night. Since then private conferences have taken place among the Commissioners. After the Ottawa sittings conclude, Lord Macmillan and his colleagues will prepare a report for the government. It will be tabled in the House of Commons prior to the introduction of amendments to the Bank Act at the coming session.

FIVE MEN INDICTED FOR SMUGGLING WOOL IN U. S.

Alleged to Have Evaded Tariff and Offered Material For Sale at Higher Prices Than Prevailing in Canada.

Fargo, N.D., Sept. 14.—Five persons were indicted by a federal grand jury for smuggling wool into the United States from Canada, officials announced following their release on bond pending trial.

Federal investigators made the arrests several weeks ago after receiving reports that wool was being brought in to evade the tariff and for sale at higher prices than prevailed in Canada.

The five are James E. Keyes and Noel Stapleton, charged with smuggling 1,870 pounds into Tower county, Sam Reineke, charged with smuggling 2,480 pounds into Kennebec county, and Lee Dillage and Omar Loveland, charged with bringing 4,400 pounds into the city of Minot.

MANIFESTO TO BE ISSUED BY NEW PRESIDENT

To Demand Dictatorial Powers for Combatting Disorders and Opponents Threatening Further Bloodshed in Cuba.

Havana, Sept. 14.—Scholarly President Grau San Martin worked today on a manifesto in which his confidants expected him to demand dictatorial powers for combatting disorders.

Opposed by veteran Cuban leaders, plagued by labor troubles, unable to pacify five hundred officers who insist his predecessor be reinstated, the executive was said in palace circles to be ready to cite high state reasons for iron hand policies.

Rumors circulated that the army fuses dissension in its ranks. Two soldiers died violent deaths in the last twenty-four hours, one a suicide and the other a victim, as he was on guard duty near here, of unidentified machine gunners.

Several unidentified persons attacked the ninth police station and gravely wounded a student on duty there.

Strikes continued in Antilla, Balaguer, Tacajó, Pinar, and other Oriente province towns with unrest prevalent.

Posters throughout Havana today attacked American policies and "Yankee imperialism."

Hundreds of students, meanwhile, drilled at three Havana camps with sixteen machine guns and rifles, with the announced purpose of learning "to defend students and their ideals."

Leaders of the student directorate said they feared that the army, conscious of its new power sans officers, may again repeat and install their own president-dictator in place of Grau San Martin.

In the National Hotel, where employees quit after receiving threats of harm, the officers continued sweeping floors making beds, operating elevators and otherwise serving themselves while held virtual prisoners by soldiers, they held out against Grau San Martin and for the return of de Cespedes.

EXTRA GUARDS FOR MACHADO

Montreal, September 14.—Extra guards were posted about the hotel of Gerardo Machado, deposed Cuban President, living in retirement here, when it became known today members of the A.B.C., the Cuban secret society, were in Montreal. The A.B.C. is one of the organizations responsible for the overthrow of the Machado regime.

Members of the Montreal's small Cuban colony who were fearful of having their own names known were responsible for the statement A.B.C. representatives had been seen in the neighborhood of Machado's hotel. The colony was seething with rumors an attempt would be made on the person of the deposed President. Some Cubans said, however, the A.B.C. was merely keeping watch for fear Machado would attempt to return to his native land.

A HEAVY APPLE CROP EXPECTED FOR DOMINION

Commercial Yield of Four Million Barrels Considered Probable as Harvesting Gets Under Way.

Ottawa, Sept. 14.—A commercial crop of 4,000,000 barrels appears likely this year as the apple harvest in the Dominion is being gathered. Nova Scotia will produce almost half of them, according to reports reaching Ottawa. British Columbia's crop will be slightly below the big one last year. Ontario will have a better crop this year than last, Quebec about equal to last year.

Canada's largest crop in recent years was in 1921 when it totaled 4,187,000 barrels, figuring three boxes to a barrel.

The fruit branch of the Department of Agriculture started its weekly report this week on the export trade. Advisers from London showed that supplies of Australian and New Zealand apples are heavy and the market generally depressed. Recovery is not anticipated until storage stocks and early English varieties of which there is a heavy crop have been cleared up.

A shipment of Ontario Duchesse reaching Glasgow on September 6, brought 21 shillings six pence a barrel for numerous ones. Hampers brought six shillings.

BOY TRIES TO TAKE LIFE RATHER THAN CASTOR OIL

While Mother Was Preparing Dose of Castor Oil, Eight-Year-Old Boy Went Upstairs and Put Bullet in His Chest.

Red Bank, N.J., Sept. 14.—Making good his threat he would shoot himself rather than take another dose of castor oil, Edmund Sicksels, aged eight, put a bullet in his left chest. His mother, Mrs. Ralph B. Sicksels, was preparing the castor oil when the child, a fourth grade pupil, excused himself and went upstairs. Mrs. Sicksels heard a shot, and found her son in his bedroom, a .22 pistol nearby.

The lad was taken to a hospital, where it was said the bullet pierced his lung.

NATIVE CHIEF IS DEPOSED BY BRITISH ORDER

British Subject Who Was Flogged at Order of Deposed Chief Forbidden to Live in Any of the Native Reserves.

Serowe, Bechuanaland, Sept. 14.—Chief Tshetedi, who ordered the flogging of a British subject in violation of laws prohibiting native court trials of any Europeans, was deposed as ruler of the Bamangwato tribe today by order of Vice-Admiral E. R. G. Evans, of the British navy, acting high commissioner for the protectorate.

After an investigation yesterday at Palapye by a special British commission, the native court was summoned here to be informed of the decision regarding the young chief.

Tshetedi presided over a court which some time ago sentenced Phineas Mackintosh to flogging. The chief contended that Mackintosh had been "living like a native with the native woman" and that therefore the native court had jurisdiction. Mackintosh has been prohibited from living in any of the native reserves.

Tshetedi was ordered to live in the Tati district. In pronouncing sentence Admiral Evans said the chief frequently had flouted the administration.

MINIMUM GRAIN PRICE LEVELS ARE REMOVED

"Pegged" Prices, Placed on Wheat and Oats on August 15 Removed at Winnipeg Today.

Winnipeg, Sept. 14.—"Pegged" prices, placed on wheat and oats on August 15 by a vote of the membership of the Winnipeg Grain Exchange, were removed at an emergency meeting of the membership held on the trading floor here today. Ten minutes after the opening of the exchange, trading was resumed at a meeting of members called, and a unanimous vote was taken to rescind the motion of August 15, placing the minimum levels on Winnipeg grain values.

Operations at once became extremely active and the market slipped back about a cent. Export business was good, however, and prices came back to stand 1/2 lower to 1/4 higher with October 10, December option at 72 and the May future at 77 1/2 cents.

Minimum levels were imposed after prices had steadily tapered off from dollar levels under extensive liquidating sales, which it was said, emanated from southern interests.

It was believed farmers would be able to obtain a reasonable price for their 1933 crop with the supported prices. Values held above the price until last week and since that time trading has been extremely restricted, at or only fractionally removed from the minimum price.

No reason was given for the removal of trading restrictions and the emergency meeting, though anticipated, a few days ago by the grain trade, more or less took the exchange by surprise today.

LUSITANIA'S MILLIONS SOUGHT BY EXPEDITION

Simon Lake, Builder of First Submarine to Operate Successfully in Open Sea, Leads Venture.

Bridgeport, Conn., Sept. 14.—The lure of the Lusitania's fabulous treasure attracted a new expedition today—one led by Simon Lake, builder of the first submarine to operate successfully in the open sea.

At the old United States government shipyard on the Housatonic River near Stratford, crews proceeded today to prepare the baby submarine "Explorer" and a tender ship, the sloop "Normona," for the expedition.

The "Explorer" created in the fertile mind of Simon Lake and designed to penetrate depths hitherto unattainable by submarine diving apparatus, was the centre of the expedition's hopes. Through it they planned to reach the treasure room of the Lusitania, and to carry out the fortune, reputed to be \$4,000,000, which went down with the ship after she was torpedoed off the Irish Coast during the Great War.

No definite date was set for the start of the expedition, but the activity pointed to an early departure.

SOLIDIFICATION OF LAND FORCES IS BEING PLANNED

Roosevelt's Plan Will Mean that at Least Fifty Existing Army Posts Will Be Abolished.

Washington, Sept. 14.—Around a nucleus of fifty permanent army posts, to be improved and expanded through an allotment of \$50,000,000, President Roosevelt today planned a redistribution and solidification of the United States' land forces.

The President let it be known that his projected consolidation would mean that at least fifty and probably more existing army posts would be crossed from the lists and abandoned. Troops at these stations would be shifted elsewhere.

Several weeks ago the President first announced his intention of rearranging the army camp system both for economy and to concentrate troops more strategically from the standpoint of national defence.

PLANES TODAY BEARING LATE KING HOMEWARD

Great Demonstration Marks Landing of Body of King Feisal at Haifa — Impressive Religious Ceremony.

Haifa, Palestine, Sept. 14.—The body of King Feisal of Iraq, who died last week in Switzerland, was on the last stage of its homeward journey today.

Two Royal Air Force planes, one of which carried the coffin, left here for Baghdad, Iraq. The body was brought here aboard the British cruiser Despatch from Brindisi, Italy.

Police had great difficulty in handling the excited crowds after the cruiser's arrival.

When the coffin was taken to a point near the airfield for a religious ceremony, the officers appeared for a moment to have lost complete control of the situation.

Previously, 15,000 frenzied Arabs fought to touch the coffin. The throng, shouting "Allah Akbar"—God is great—broke through a police cordon and rushed toward the bier and dais on which Prince Ali, Feisal's brother, and other notables were standing.

Several persons were hurt when the crowd pushed against another platform on which religious dignitaries had assembled.

Finally, mounted police dispersed the crowd from near the planes. A very impressive ceremony occurred at the quayside where blue jackets bore the coffin to a hearse through a military guard of honor.

The Ladies' Aid of the United Church met in the class room with a fair attendance of members. The president, Mrs. de Gruchy, was in the chair and opened the meeting with scripture reading and prayer, the members all joining in the Lord's Prayer. The roll call was answered by clippings. Routine business was then taken up. Letters of thanks were read from friends thanking the society for fruit and other kindnesses received. After considerable discussion it was unanimously decided that the society would have an oyster supper later in the season. Rev. Mr. Smith was asked to close the meeting by prayer. Several visitors came in for the lunch hour, including Mrs. Smith and Mrs. Y. Bennett, of Brookbury. Lunch was served by the hostesses, Mrs. A. Mackey and Mrs. de Gruchy.

Mr. E. Lambourne, of Montserrat, Maine, is here visiting among friends.

Father's bedroom door opened in the middle of the night. He sat up in bed.

"Who's there?" he asked.

"Me, Dad," said a small voice.

"What is it, sonny?" asked the boy's father, mystified.

"I think there's a burglar downstairs, Dad," said the child fearfully.

Father yawned sleepily.

"That's all right, my boy," he said. "Tiddle back to bed. He'll get nothing here but practice."

TEXAS OFFERS HIDE-OUT FOR FOUR CONVICTS

Remnants of Prison Breaking Party Eluded Louisiana Officers to Cross State Line—One Dangerously Wounded.

Marksville, La., Sept. 14.—Texas officers today took up the hunt for four Louisiana convicts, remnant of a party of twelve who last Sunday shot their way out of the Angola prison farm and for four days carried on a fight against capture through central Louisiana that has caused severe deaths.

After stealing motor cars in relays, kidnapping passengers, looting stores and terrorizing the countryside through the central part of Louisiana parishes, this remnant group about midnight blazed their trail with guns through Vernon Parish, La., across the state line into East Texas and evaded two automobile loads of Louisiana officers who were in the area.

At Sabine River which separates the two states the band, armed with the guns obtained in a raid on the prison store room, kidnapped the master of the ferry boat "Hotter" and carried him along to Texas.

After a long and tortuous southwest bandit and kidnaped, wanted for crimes in Texas, Louisiana and Arkansas, was believed by officers to be heading the flight in Texas. From all reports he was suffering from gangrenous wounds he received in his Sunday battle at the prison.

A fifth convict at liberty, believed to be Cleo Carlson, aged twenty-five, burglar from Arcadia parish, was reported hidden in the marshes of Avoyelles parish where yesterday he escaped the gunfire of negro trusty guards which moved down his three companions with buckshot.

STRONGER TONE THIS MORNING AT MONTREAL

United States Inflation Talk Reflected in Stronger Tone on Montreal Stock Exchange Today.

Montreal, Sept. 14.—Buoyed up by the higher trend in New York where inflation was the stimulus prices on the Montreal Stock Exchange advanced along a wide front during the early dealings today. Turnover was substantial with approximately 17,000 shares being traded in during the first two hours.

A strong and bullish tone greeted the market at the opening and the uptrend continued until shortly before midday. A slackening off in demand was then experienced and as a result many issues had small amounts shaved off their early advances. Gains, however, showed a wide margin over losses.

The liquor stocks were the active leaders with Canadian Industrial Alcohol "A" rising 1/4 at 22 1/2, and the "B" issue holding unchanged at 19 1/2. National Breweries which was yesterday's strong feature in the late dealings moved within a narrow range and at midday was selling unchanged at 28.

Among the inter-listed issues, International Nickel gained 35 cents at \$21.75 while Canadian Pacific Railway was firm at 16 1/2, but Montreal Power was a weak spot, easing 1/4 at 36 1/4.

Canadian Celanese common continued yesterday's advance with a rise of 1 1/2 points at 24 1/2. Massey Harris, McColl-Fontenac, Consolidated Smelters, Shawinigan Power, Dryden Paper, Bruck Silk, E. C. Power, Canada, North Star Power, Winnipeg Electric and Canadian Car preferred were up fractions.

Bank of Commerce lost four points at 151 while Gurd eased 1/4 at 8 and Cement 1/4 at 7 1/2. B. C. Packers, Dominion Steel, Dominion Textile, National Steel, Canadian Power and St. Lawrence Corporation were unchanged.

STEPS ARE TAKEN TO HELP UNDERNOURISHED CHILDREN

"Child Health Recovery Conference" Will Assist Boys and Girls to Regain Pounds Lost During the Hard Times.

Washington, Sept. 14.—Secretary Frances Perkins, of the United States Labor Department, estimated that one-fifth of America's children are undernourished, today called a "child health recovery conference."

The meeting, which will have for its purpose regaining the pounds that boys and girls have lost as a result of hard times, will be held on October 6th, under the auspices of the Children's Bureau.

Its method will be to launch a country-wide campaign to find the "sore spots" where child malnutrition exists; to conduct physical examinations of the undernourished groups, and to apply remedies.

Secretary Perkins attributed the widespread malnutrition to "inadequate relief and improper utilization of the wage-earners' money."

LIVELY BUYING MOVEMENT FEATURED TRADING TODAY

New York, Sept. 14.—Stocks were in an inflationary mood during the early trading today, rising one to three points or so on a lively buying movement. Advances were checked by realizing by reaction from the highs of the first hour were moderate. Volume later contracted.

Groups that participated actively in the upward surge included motors, farm implements, mining and other industries. Rains were higher in less active dealings while utilities were quite narrow. American Telephone eased a minor fraction.

Homestake Mining rose 19 points, then eased a couple. National Distillers gained 5, while extreme advances of 2 to 3 were shown in Columbian Carbon, Case, Chrysler, U. S. Industrial Alcohol, U. S. Smelting and American Commercial Alcohol. General Motors, U. S. Steel, Goodyear, Western Union, Deere, Allied Chemical, Great Western Sugar, American Can and Sears-Robuck gained a point or more. Call money renewed at 3-4 of one per cent.

son took charge of the post office and store.

Mr. and Mrs. Tom Seale, of Haverhill, were guests of Mr. and Mrs. George Coxon for a few days last week. They also motored to Quebec, accompanied by Mrs. Coxon, where they spent a couple of days.

Miss Erlene Wark has left for Macdonald College.

COWANSVILLE FIRE BRIGADE RE-ORGANIZED

H. Hanver Appointed Chief and F. Dougall First Assistant Chief—Council Held Meeting.

Cowansville, Sept. 14.—A special meeting of the Cowansville voluntary fire brigade was called by C. H. Buzzell who gave an interesting lecture, explaining the reason why it was beneficial for the town to have a fire brigade, and proving that it was a great saving to the rate-payers, as the amount saved in insurance premiums alone each year was by far more than the total cost of upkeep of the fire brigade. In order to create more interest in the department, Mr. Buzzell said he wished to re-organize the brigade and asked for an election of officers, explaining that he wished to divide the department into two companies, namely one engine company and one truck company with officers to take charge of each.

The following were appointed: Chief, H. Hanver; first assistant chief, F. Dougall; second assistant chief, J. Seale; captain of engine company, M. B. Ruiter; lieutenant of engine company, M. Domingue; other members of

GREATNESS.

Myrtle J. Roe.

True greatness lies in doing the best way
Whatever comes to hand,
Whether we're called on by it to obey
Or to command
Means nothing, but to do it perfectly
Makes each task grand.

MONEY THAT IS SPENT AND BRINGS NO RETURN.

Let us take the Parliamentary Guide for Canada and find out the number of duplications in government which might fairly be cured by abandonment. With a deficit of seven millions in Quebec we are duly chastened for our boasting by comparison with other provincial governments, and are moved to more earnest consideration of the strangling costs of too much government in Canada.

There are ten Ministers of Agriculture in Canada—ten, count 'em—one at Ottawa, and one in each province. The provincial ones are purely political gestures intended to convince the farmers that the rulers are alive to the "bone-and-sinew" and to the "basic foundation of all industry." "Piffle!" the farmers reply.

Millions of dollars are wasted each year in this duplication of service, and for a few thousand a year a good Deputy at Ottawa could provide the needed attention to the different provinces with special needs. Dr. F. H. Pickel made a suggestion quite in line with this idea when he, sensing the lack of knowledge of diversified farming, sent forth the idea that an Eastern and Western portfolio would cure the shortcomings of a wheat and livestock farmer from the West.

Alberta has a Minister of Railways. For gosh sake, what for?

British Columbia has a Minister of Labour. Manitoba gets along very well without one, but Quebec has one. So, too, has Ontario; and Saskatchewan must follow suit, whilst Nova Scotia gets along without one. New Brunswick thinks it is quite the political fashion to duplicate the work of the Federal Department of Labour.

The Provinces must cease holding out petty political rewards to warhorses who are a bit spavined in the knees, and who do not justify the cost of unnecessary departments.

Quebec is the only province in Canada to cling to the antiquated Upper House, in which all the Legislative Councillors sit and mirror the policy of the government, or are, at times, given small unimportant work to do which should be the duty of a regular parliamentary committee. Well would it be to allow the Councillors to retain their titles and their indemnities, and tarry at home, the white no more appointments would be made.

An insurance company would amortize these payments on an actuarial basis, and at a moderate capital cost.

JUST WAITING AND WATCHING.

Planned Business Booming is on trial in the United States with doubt and hope of its success intermingling in the minds of the people. Whether or not the Roosevelt plan will be in the nature of a Mississippi Bubble is the question mark.

One statistician in the country says that the higher prices enforced have not reduced the army of unemployed.

This may be accounted for by the general air of waiting, by a certain lack of confidence in the fundamentals of a forcing policy.

The manufacturers and employers are waiting to see how it will work out before they undertake further commitments.

For ourselves we prefer the steady climb and the sturdy determination to win back.

WANTED: THE MAN OF ACTION.

The unrest in Europe has resulted in many overturns of parliamentary government, where demagoguery triumphed over democracy. The Montreal Star recently recalled to mind the parliaments which have been discarded and have been succeeded by autocracy.

So with a beware, the Editor of the Star says: "All Parliaments—take notice!"

A demagogue is a feckless fellow who talks before he thinks, and who loves to hear the giddy gurgle of his automatic mouth. He seldom arrives anywhere, for he starts from a centre to all points of a compass of wind and oscillation. Then he becomes a professed Communist, or a C.C.F., and there awaits the rise of a master mind like Mussolini, who properly spans him and his fellows with a weapon of fear.

General Draper, in Toronto, has all the sob-sisters in that city barking at him because he wished

to put the fear of the law into the hearts of the idle and shiftless fellows who talk and talk all day, and then mutter in their sleep.

In London, England, they allow these sad-faced Johnnies to talk themselves blind, or until they so weary their hearers that nobody listens to them. This is the pacifist way, and it is effective among a well-balanced people.

Austria, threatened by Germany, and in fear of a Soviet Hungary, has declared for Fascism, which is autocracy.

Elected Parliaments were futile in some countries because they were not educated for self-government, no more than was Cuba, or even the Philippine Islands, when they were under the protectorate of a Republic.

The Douma was the first to go, overthrown by the trained Nihilistic conspirators and Czar-killers. Italy was rescued from Communism to fall into the hands of a Soldier of Fortune.

Poland has chosen a Dictator in place of a Parliament.

Turkey no longer has a Sultan of the olden type.

Indeed, among all the warring nations of Europe, only England remains "as you were," though the United Kingdom fell by the wayside for a brief term with a helpless Labour Ministry.

Portugal chased its King and became a Republic of sorts.

Spain, the neutral country, distrusted by many, and courted by all the war nations, dethroned its King and is now a Republic.

Germany has been turned upside down by an Austrian Soldier of Fortune. Sitting at Doorn is the former Kaiser, who fled the country in fear of his life, and who has one ear to the ground listening to the call which Hitler will never send. The worn old President, Hindenburg, who gained glory through his ability to build ditches and abutments, is aged and weak, and was bullied into accepting the strongest remnant of the old Reichstag, which was a parliament of many stripes until it fell under the domination of the German army.

President Roosevelt, on the ripple of the big waves on the other side of the Atlantic, is an autocrat, such as "Teddy" would like to have been, and would have been, but the apples were not then ripe for his picking.

The Montreal Star feels that these and other minor upsets, such as there has been in China, are merely a strong suggestion that the restive people want action rather than talk. They are as tired of talk as is every parliamentary reporter who has to listen to forty forty-minute speeches which have been all summed up as "blah-blah."

It is an unprecedented era in which we live. Every country has its grave problems, and some have put their elected parliaments into the graveyard, with little present hope of resurrection.

We could welcome a real out-and-out autocrat in Canada who would relieve us from the scourge of errors committed in wartime hysteria.

Men of action must replace men of echoing ideas.

The talking man must take a seat in the car whilst the Man of Action seizes the throttle and drives the governmental trains straight and true to the goal of freedom from waste and extravagance.

Let us restore to our people all the highways which lead to personal initiative and individual incentive, with a promise of freedom from paternalism and from namby-pamby notions.

EDITOR'S NOTE BOOK.

Mr. Houde does not agree that Mr. Duplessis is a fit successor to himself as Conservative leader for the Province of Quebec. We have held that the Conservative party is well rid of Mr. Houde, and we await the framing of a platform upon which the new leader must stand or fail.

The mortality in the Canada Senate within two years has been eight. This actuarial record means around eight per cent. in a body of ninety-six. Counting one resignation, it is nigh ten per cent. of a loss.

AMHERST COUNCIL URGES A PUBLIC EXECUTION GROUND

Pictou, N.S., Sept. 14.—Resentful at the "undesired publicity" given the district by a double execution at Amherst, the town council has renewed its campaign for a central execution ground—far from neighboring towns or villages. Council considered neighborhood hangings not in the best public interest and again has forwarded to the Attorney-General a resolution suggesting all hangings be staged at some remote location.

EMBEZZLEMENT OF MANCHURIA FUNDS DENIED

Chinese Press Reports Alleged Embezzlement of 18,000,000 Mexican Dollars Intended for General Ma Chan-Shan's Campaign Against Japs in Manchuria.

Shanghai, China, Sept. 14.—Reports of the alleged embezzlement of 18,000,000 Mexican dollars in the war chest the Chinese public intended for General Ma Chan-Shan's campaign against the Japanese in Manchuria was vigorously denied in official quarters of the Nanking Government today.

The reports appeared in a section of the Chinese press following Ma's return from Europe after his defeat in Manchuria.

It was alleged that public subscriptions for the 1931 drive totalled 20,000,000 Mexican dollars of which the general was said to have received less than 2,000,000.

Following the publication of the allegations, in which vernacular newspapers held the public bodies collecting the funds responsible, General Ma in a statement said he received 17,000,000 only.

The National Government thereupon took a hand in the affairs and announced it was conducting an in-

vestigation. Later officials said no embezzlement had occurred since Ma's accounts were found correct and Ma received all funds subscribed, except the legitimate expenses for collections.

CHANCE TO BE CANDIDATE

Topeka, Kas., Sept. 14.—No one seems to want to be Logan County's representative in the state legislature at the special session this fall. H. L. Allen, Logan County clerk, in a letter to Frank J. Ryan, secretary-of-state, stated "we haven't a candidate for representative," and added, "unable to find one."

BROKE NECK IN FALL

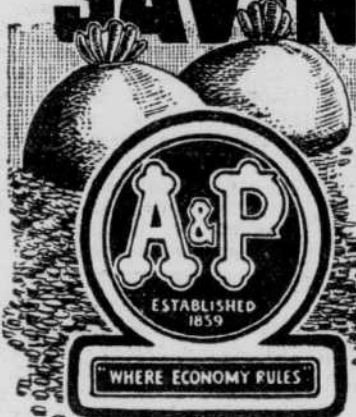

New Albany, Ind., Sept. 14.—Fellow workmen fled in all directions as John Cecil Austin, thirty-two, slipped and dropped a heavy box of dynamite he was loading on a barge here today. The dynamite did not explode, but the box fell on Austin's neck and broke it, causing his death.

Husband and wife were touring the shops in the West End of London. Presently they stopped outside a display of hats in a shop window. "There you are," he said, pointing to an attractive style, "buy yourself that hat. It'll suit you." She shook her head. "But that style is not worn now," she replied. He pointed to another hat. "How about that one?" he asked. "No, everybody is wearing that kind," she returned.

BISHOP'S AGAIN WELCOMES BACK STUDENT BODY

Collegiate Life Resumed as Returning Students and New Faces Gather About Famous Old Halls of Learning.

The halls of Bishop's University today took on all the more familiar aspects of collegiate life as a large attendance of students began to flock in for the new scholastic year. When the hustle and bustle of moving-in had died down, life for the poor freshman will be a grand round of running errands and carrying matches for vengeful seniors, who remember that not so long ago they were novices themselves.

Campus gossip has this autumn—as always—picked on the topic of football, and the prospects of the Bishop's squad are being discussed pro and con by every "ed" and coed. Under the leadership of a new coach, H. E. Griffiths, the wearers of the purple and white will turn out tomorrow afternoon for the first work-out of the season. Replacing Hal Chard as the helmsman of the Lennoxville squadron, Harry Griffiths arrived today to take over his new duties. A stellar quarterback at Ridley from 1926 to 1929, the new mentor proceeded to McGill, where coach Slaughtness ranked him among the top-notch players and where he held down the position of end.

Although many of the old regulars are back this year, the team has suffered severely through graduation, particularly in the loss of Gordie Titcomb, who last season was one of the outstanding middlemen in this part of the country. Dick Evans, Charlie McCulloch and Phil Broadhurst will also be very conspicuous by their absence from the line. In the back-field, Don Masson, last year's captain, and Bill Bradley at quarter will leave blank spaces which it will tax Coach Griffiths' ability to fill. Oggie Glass, who did a good job at kicking last term, will carry on the same duties this time, and Ken Ross and Bruce Munro will return as running halves. Carson, Pibus and Lang will probably compete for the end position, although this Carson may be pulled back at quarter. It is not yet known for certain whether this year's captain, Pete Curry, will make the long journey from San Diego to occupy his place at snap, but, if he does not, the team will find itself at back more than a couple of notches. Miles Wisenthal and Andy Porteous, who both tumbled the scales at about the two hundred mark, will give strong support at inside, while Larry Brooks and Jack Robertson, along with Muir and Olmstead, will be a great help to the middle position. The return of all these regulars alone will give a touch of brightness to the prospects of the Griffiths aggregation, but nevertheless the ranks of the freshmen are being eagerly scanned in search of new material.

The collegians will play in the Intermediate Intercollegiate League for certain, and there is no reason to suppose that they will not have another attempt at Q.R.F.U. honors. Practices start tomorrow, and a game is scheduled for twelve days later, which leaves the students but a short time to get into condition.

He pointed to another hat. "How about that one?" he asked. "No, everybody is wearing that kind," she returned.

HEAD OF ORDER OF FORESTERS TO VISIT SHERBROOKE

Sherbrooke is to be favored by a visit from W. M. Cooper, K. C., of Montreal, High Chief Ranger of the Canadian Order of Foresters, in whose honor the local members have arranged a social evening at the Masonic Temple, when the Chief Ranger will be presented with an address of welcome.

It is expected that a large delegation of brethren from Montreal will accompany Mr. Cooper, who, together with all members of the Canadian Foresters and their lady friends, will be lavishly entertained by the Sherbrooke members, who have arranged an elaborate programme for the entertainment of their guests on Saturday evening.

DEATH OF MRS. LEWIS S. KENT

Mrs. Lewis S. Kent, formerly of Sherbrooke, passed away in her sleep last evening at Richmond, from whence her body will be buried in the St. Andrew's cemetery at Richmond, Friday afternoon. She leaves behind her husband, who survives her, and who has reached the venerable age of eighty-five years. Mrs. Kent was Prudence Gileson. The old couple had lived in Sherbrooke for over fifty years before retiring to Wales Home in Richmond. Out of a family of eleven children, there remains but one brother, William J. Gileson, of Boston, who was with the Grand Trunk and Canadian National Railways for forty-seven years, is now retired, and who arrived in Sherbrooke several days ago on hearing of the serious illness of his last surviving sister.

VALLEYFIELD PEN HEADS EGG-LAYING CONTEST

With a total of 2248.2 points, the pen of Barred Rocks owned by L. A. Gneadinger, of Valleyfield, is leading the entries in the Lennoxville Experimental Farm Egg-Laying Contest.

Next in line are the birds of the same breed owned by C. R. Waldron, of Sawyerville, with a total of 2121.9 points. Third position is held by the entry of J. M. Scott, of Seaford, Ontario, also Barred Rocks, with 2117.6 points.

The contest has been in progress forty-five weeks, leaving only five weeks before the conclusion of this competition, which is the eleventh of this nature held at the Lennoxville Farm.

The following are the five leading pens, all Barred Rocks:

Y.M.C.A. DIRECTORS MET LAST EVENING

Activities at the local Y.M.C.A. have picked up considerably during the past two weeks, it was reported at the regular monthly meeting of the Board of Directors last evening. The Y's Men's Club and the Omega Alpha Club have both re-organized for the coming season, while the Hi-Y Club members will hold their organization meeting next week. The Eastern Townships Chess and Checker Club will hold a session on Friday evening to discuss the coming season's activities.

It was reported that the gymnasium has been renovated and is now ready for the opening of classes. The physical department will be inaugurated on Monday evening, September 18th, it is planned, with a supper and programme for the High School, employed boys, young men and business men groups. On Wednesday evening a get-together supper for the junior and juvenile classes will be held. There will be a few changes in class hours this year, with a new group for boys from seven to nine years included in the programme.

The dormitory rooms, it was further stated, have also been renovated, and it is hoped the number of permanent residents at the "Y" will increase as a result. Further discussion at the meeting centered about the membership campaign, and tentative dates were set from October 9th to October 14th.

FRENCH FLIERS LEAVE FOR MOSCOW

Le Bourget, France, Sept. 14.—Paul Codos and Maurice Rossi, French aviators who set a distance record last month, took off this morning on a flight to Moscow by way of Warsaw.

ALL VALUATION PROTESTS WERE TURNED DOWN

Council Maintained Decision of Valuers in All Thirty-One Cases—Routine Committee Reports Adopted at Last Night's Session.

Judging from the manner in which the thirty-one complaints against the 1934 valuation roll were rejected at a special meeting of the Sherbrooke City Council last evening, that body is perfectly satisfied with the work of its valuers. These protests were formally received at the regular meeting on September 5th and referred to a special committee comprising Aldermen Langis, Ross and Sylvestre, who submitted their report last evening.

The committee reported that it considered all valuations reasonable and that it could not recommend any change. However, the opportunity was given any complainant last evening to state his or her case before the whole Council, and several took advantage of this chance to explain why their particular property should be favored.

The principal grounds for requesting reductions were that the property was not producing as much revenue as formerly or that it was not worth the price. Appeals on the first ground were promptly rejected by the chairman of the special committee. Alderman Langis declared that in rejecting these appeals the city was trying to avoid favoritism. All appeals had their incomes reduced during the past few years, and if the Council reduced the valuations on these thirty-one properties, the valuations of all should be cut. This would be of little benefit, he declared, as it would have to be compensated by an increased tax rate.

Then, he said, the problem of the man whose property was mortgaged would arise. Mortgages were granted to a certain proportion of the city valuation, and if this valuation was reduced the property owner would see his equity reduced, with possible foreclosure following.

Only one case was given at all favorable consideration. Alderman Armitage moving that Walter Allatt's request that his valuation be reduced from \$25,000 to \$20,000 be granted. He failed to find a second, although Alderman Ross was willing to compromise, fixing the valuation at \$22,500. The other valuations would not be of this nature, and the valuation stood.

In only one of the cases complained of had the assessments been raised over the previous year, and that was where a large extension had been added to a residence. In four others, the charge had been cut owing to depreciation, and tearing down of buildings. The home-valuation of the valuation roll was moved by Alderman Langis and seconded by Alderman Gelin.

Besides the report of the special committee, reports were received from the gas and electric and fire departments. The gas and electric department approved the payment of \$500 to S. N. Bishop for the flooding of his mill near the Westbury dam. The charge for electricity furnished the E.T.A.A. was placed at \$300, and the sum of \$138.34 in accounts receivable was placed in the doubtful debts ledger. An order of two barrels of paint to recover the gasometer was placed with the Dominion Metal Company at Sherbrooke, the price being \$2.30 per gallon.

The finance committee recommended the renewal of the employers' liability insurance with the Employers' Liability Company at the same rate as last year, less a rebate of eleven per cent. for the good safety record.

The Council approved the payment of the following grants contained in the 1933 budget. Harmony band, \$1,700; E.T.A.A. annual, \$4,000; special \$2,500; Bien-Etre de l'Enfance, \$750; Ste. Elizabeth Creche, \$500; Library and Art Union, \$300; Bibliotheque Nationale, \$300; L'Assistance Maternelle, \$1,000; Anti-Tubercular League, \$1,000; Sherbrooke Regiment Band, \$150; Child Welfare Clinic, \$300, and Victorian Order of Nurses, \$800.

The following accounts were also transferred to the doubtful debts ledger: Tenant taxes, \$958.79; poll taxes, \$267.60; business taxes, \$255.95; professional taxes, \$168.79 and same rate as last year, less a rebate of eleven per cent. for the good safety record.

The various protests received were as follows with the valuations last year and this year:

A meeting of the Fifth Pack Sherbrooke Boy Scouts will be held tomorrow evening at seven o'clock. All members are requested to be present.

SHERBROOKE BOY SCOUTS PREPARE FOR LEADERS' CONFERENCE.
Arrangements are rapidly nearing completion for the Scout Leaders' Conference to be held in Sherbrooke over the Thanksgiving holiday week-end, when in the vicinity of one hundred and fifty leaders from various sections of the Eastern Townships will meet to discuss problems relating to scouting and to further the growth of the movement in this district.

The local committee in charge of this conference gave a very satisfactory report at last evening's regular meeting of the Sherbrooke Local Association, and everything points to a highly successful conference.

The report of the treasurer, submitted at last evening's gathering, which was held in the office of Lee D. Audet, Wellington street, with a good attendance of members, recorded that the Association had a fair balance on hand.

D.S.M. Clarence Price reported that the First Troop will be re-chartered at an early date and will be under the leadership of Frank Edwards.

H. G. Munro, who is conference chairman, was elected vice-president of the Sherbrooke Local Association at last evening's gathering. Votes of thanks were extended to C. Price, A. J. Phillips and L. D. Audet for the transportation of leaders to the Gilwell Training Camp for Scout Leaders, which was held during six week-ends at Georgeville.

ment of the following grants contained in the 1933 budget. Harmony band, \$1,700; E.T.A.A. annual, \$4,000; special \$2,500; Bien-Etre de l'Enfance, \$750; Ste. Elizabeth Creche, \$500; Library and Art Union, \$300; Bibliotheque Nationale, \$300; L'Assistance Maternelle, \$1,000; Anti-Tubercular League, \$1,000; Sherbrooke Regiment Band, \$150; Child Welfare Clinic, \$300, and Victorian Order of Nurses, \$800.

The following accounts were also transferred to the doubtful debts ledger: Tenant taxes, \$958.79; poll taxes, \$267.60; business taxes, \$255.95; professional taxes, \$168.79 and same rate as last year, less a rebate of eleven per cent. for the good safety record.

The various protests received were as follows with the valuations last year and this year:

L.Y.L. SESSION WELL ATTENDED; WATERLOO NEWS

Fine Programme Presented—
Successful Tea and Food Sale
Held—Items from Waterloo
and Nearby District.

Waterloo, Sept. 14.—A meeting of the Loyal Legion was held recently with an attendance of thirteen boys and girls. A fine programme, consisting of recitations by Master Gordon Norton, Miss Shirley Graves and Miss Margaret Yarnold and a solo by Miss Gwendolyn Allenby, was much enjoyed.

SUCCESSFUL TEA AND FOOD SALE.

A successful afternoon tea, food sale and musical was held in the United Church parlors under the auspices of the choir. Much of the success was due to the able leadership of Miss Graves, the organist, and Mrs. F. Colwell, the choir leader, and the efficient group of young ladies who assisted in the enterprise. The church parlors were beautifully decorated with greenery and flowers of various kinds. The color scheme was green and yellow. The flowers used were all of the yellow variety.

Mrs. Effenger, of Palm Beach, Fla., a pianist of note, entertained the large group of music lovers gathered on this occasion. The following selections were rendered: Rhapsody, A Minor, Hungarian Dance No. 7, Brahms; Reverie, Arabesque, Claire de Lune, Debussy; Alt-Wien, Godowsky; La Filleuse, Roff; Waltz in D Flat, Chopin; After the musical, Mrs. F. Colwell moved a vote of thanks to Mrs. Effenger for the very pleasant afternoon she had entertained the audience. Rev. H. Allenby, on behalf of the audience, thanked Mrs. Effenger for her valuable services. Tasty refreshments were then served and a very delightful half hour was spent around the tea table. The proceeds were for the choir fund.

ORGAN RECITAL MUCH ENJOYED

An organ recital was given by Mrs. Effenger in the United Church, when the following selections were played: Largo, Handel; Nocturne, Chopin; Memories, St. Clair; Audantins, Lemare; Adoration, Barowski; The remainder of the service was spent with the old hymns of the church, the singing of which the congregation thoroughly enjoyed. The Rev. H. Allenby gave a short address on "The Hymns of the Christian Church." In this address he said the hymns of the Christian church were almost half a million in number and published in more than three hundred languages and dialects. The preacher also stated that a good hymn should have simplicity, freshness and reality of feeling, a consistent elevation of tone, and a rhythm easy and harmonious, but not trivial.

Mrs. Effenger and two children, and Mrs. Blake, her brother's wife, later left by motor for Palm Beach, Florida.

APPLE CHUTNEY

Put them
through the chopper

Soak 2 lbs. of white onions in brine overnight. Drain them and put through the food chopper. Pare 4 lbs. of sour apples and put them through the food chopper. Mix 2 lbs. seedless raisins with the apples, pour 1 pint of cider vinegar over them and let stand overnight. Add the onions and 1 head of celery, 4 large red peppers, 1 1/2 lbs. of sugar, 2 tablespoons Keen's Mustard, 2 teaspoons salt, 1 teaspoon turmeric and 3 pints cider vinegar. Cook until the vegetables are clear and tender. Seal in sterilized bottles or jars.

Now you have pickles to delight the palate. And that subtle, appetizing tang is traceable to the mustard you've used. Nothing like Keen's for giving pickles distinctive, delightful flavour. Don't forget to include it whatever you do.

DEATHS REPORTED

FUNERAL OF CAPTAIN WILLIAM JOHN PRIOR JENKIN.

North Hatley, Sept. 14.—The funeral of Captain William John Prior Jenkin, whose death occurred, following a lengthy illness, on Tuesday, August 22nd, was held from the family residence at North Hatley on Thursday, August 24th. The service, which was largely attended by sorrowing friends and relatives, was conducted by Rev. F. R. Matthews, of the Lennoxville United Church.

Two favorite hymns of the deceased, "What a Friend We Have in Jesus," and "Jesus, Lover of My Soul," were sung, and the bearers were his three sons, John C. William T. and R. Cecil, two sons-in-law, Fred A. Conner and Fred E. Jackson, and his brother-in-law, Horace N. Atkinson.

The deceased is survived by his widow, the three sons already mentioned, three daughters, Grace P. Margaret M. and Evelyn E. Jenkin, as well as by four grandsons, three granddaughters and two sisters-in-law.

Captain Jenkin was born in Red Ruth, Cornwall, England, on September 18th, 1858, the second son of the late Mr. and Mrs. William Jenkin. He came to Canada forty-five years ago to follow his chosen work as a miner, holding positions in Mexico, Colorado, and several posts of importance in the Eastern Townships.

Being of a quiet nature, Captain Jenkin possessed sterling qualities and was ever ready and anxious to lend a helping hand to those in need. His passing will be keenly felt by a large circle of friends.

Interment took place in the family lot at Reedville, the body being laid to rest beside his eldest daughter, Eliza A., who predeceased him seven years ago.

The large number of beautiful floral tributes which were received and the many expressions of sympathy testified to the high esteem in which the deceased was held by those who were privileged to know him.

Funeral of Mrs. Robert M. Little, nee Eileen U. Kezar, North Hatley.

North Hatley, Sept. 14.—The funeral of Mrs. Robert M. Little, nee Eileen U. Kezar, R.N., second daughter of Mr. and Mrs. Albert G. Kezar, was held at the late residence on August 19. Rev. Mr. England, pastor of the Baptist Church, officiated, assisted by Rev. Mr. Hunter, of Sherbrooke, an old friend of both families.

The deceased, who passed away in the Sherbrooke Hospital, leaves to mourn her loss her husband; two infant sons, Robert and Percival; her father and mother; three sisters, Ella, Pearl and Lillian; one brother, Percy, as well as numerous other relatives.

Mrs. Little was a graduate nurse of the Jeffrey Hale Hospital, at Quebec City, and nursed for some months at Shawinigan Falls, New Brunswick, N.Y., and Brooklyn, N.Y. She also did specializing in the community until the time of her marriage on October 25, 1902.

The many beautiful flowers and expressions of sympathy received testified to the esteem and respect in which the deceased was held.

Of a bright and cheerful disposition, she will be greatly missed not only in the family circle but by all who had the pleasure of knowing her.

Among those from out of town were Mr. and Mrs. Glenn Powers and daughters, Glenna and Theresa, Mr. and Mrs. Davidson, Mr. and Mrs. Long, and Mr. and Mrs. North, of Montreal; Mr. and Mrs. Hazel and family, Mr. and Mrs. Percy and Mr. James Percy, of Sherbrooke; Mr. Hodgson, of Ottawa; Mrs. Cynthia Kezar, of Mrs. N. C. Kezar and Mrs. Jas. Tobin, of McConnell.

EDWARD LISTER, FORMERLY OF RANDBORO.

Grant's Pass, Ore., Sept. 14.—The death of Edward Lister, pioneer of Southern Oregon and former sheriff of Josephine County, occurred at his home in this city on Saturday, August 19, at the age of eighty-six years. A resident of this vicinity for the past fifty-six years, Mr. Lister, who had suffered from a lingering illness for three years, had been closely identified with the early history of this part of the state and his demise seems one of the few remaining links of former days.

Born in Randboro, Quebec, Canada, on March 22, 1847, he lived for a number of years, Mr. Lister moved to California in his youth and at the age of sixteen years served in the Canadian army for three months during the Fenian raids. For his military services, the government presented him with a medal, a purse of money and one hundred acres of land after conducting a long search to learn his whereabouts. Mr. Lister never claimed the land and in 1873 he returned to California.

In his adopted state, Mr. Lister married and married Miss Clara Jaquet in 1877 in Woodford, Cal. Traveling with a party in covered wagons, the young couple arrived here on November 30, 1877. They purchased a ranch near here and Mr. Lister entered into partnership operating a stage line between Grant's Pass and the coast.

Mr. Lister was the first person to introduce an automobile on the stage line in this city.

During the seventeen years that the partnership existed, Mr. Lister served two terms as county sheriff. In 1906, he and Mrs. Lister operated a hotel here and five years later Mr. Lister retired from active business, assisting Mrs. Lister in the management of a hotel until a few years ago.

Friends and relatives gathered on Tuesday, August 22, to pay their last respects to the deceased. The flowers which covered the casket testified to the esteem and regard in which Mr. Lister was held. Rev. F. L. Wemett, of the Newman Methodist Church, conducted the service, reading a biography of the life of the deceased. As an early

age, Rev. Wemett stated, Mr. Lister had united with the Episcopal Church, standing for right on moral questions. He died, the pastor concluded, with the universal respect of all who knew him and his loss would be keenly felt in this community with which his life was intertwined.

Interment took place in the Masonic cemetery, a short service being held at the grave side.

Left to mourn are his widow, one son, Ernest Lister, sheriff of Josephine County, two sisters, Mrs. Jennie Cable, of Sawyerville, Quebec, Canada, and Mrs. Sam Kerr, of Winnipeg, two brothers, David Lister, of Kilmer, Man., and William Lister, of Grant's Pass, two grandchildren and several nieces and nephews.

MR. JAMES DAVIDSON, GEORGEVILLE.

Georgeville, Sept. 14.—This community was shocked and saddened at the death of Mr. James Davidson, one of the oldest residents of Georgeville, which occurred here recently.

Mr. Davidson was a contractor and builder by trade. He was of a jovial disposition and always ready to lend a helping hand to anyone in need. He was one of the oldest members of the Masonic Order in this district and will be greatly missed, not only in his own home, but by the community at large.

The funeral service was held at the United Church of which he was a member, at 10 o'clock, the Rev. George Pye officiating, assisted by the Rev. Rive.

The bearers at the funeral were W. Rediker, Captain Clark, Fred McGowan and Douglas McGowan. The many beautiful flowers testified to the esteem in which the deceased was held.

Mr. Davidson leaves to mourn, his wife, two sons, Arlington and Bruce; two daughters, Marlene, Mrs. W. Farnham, of Saskatoon, Sask. and Vera, Mrs. Charles Brown. Seven grand children, apart from numerous other relatives and friends, also mourn his death.

Interment was made in the little cemetery near the village.

MRS. GERTRUDE S. SHEPARD, CALL'S MILLS.

Call's Mills, September 14.—Death removed a highly respected resident of this place in the person of Mrs. Gertrude S. Shepard, who passed away on August 23rd at the age of fifty-eight years.

Mrs. Shepard was the daughter of the late Benjamin Wilson and Mary Smith, of East Hill. The funeral was held on Saturday afternoon, August 26th, at her late residence, and was attended by many relatives and friends.

Comforting words were spoken by Rev. B. Mallard, of the United Church. The casket, which was covered with beautiful flowers, was borne by four brothers, Richard, Robert, Fred and Donald Wilson.

Mrs. Shepard leaves to mourn her husband, Mr. Edgar E. Shepard, and four daughters, Misses Doris, Kathleen and Laura, who reside at home, and Mrs. Howard Dudley, of East Hill; five grandchildren, Lawrence, Joyce, Gertrude, Winston and Doris Dudley, her stepmother, six brothers and five sisters, namely Richard and William, of Sutton; Robert Wilson, of Sutton Junction; Chancy Wilson, of Sutton; Clarence Wilson, of East Hill; Fred Wilson, of West Bromie; Donald Wilson, of this place; Mrs. Carl Stone, of Konul; Mrs. Lucien Willette and Miss Bernice Wilson, of East Hill; besides many other relatives and friends. Interment was in the Sweet Cemetery beside her son, Archie, who predeceased her twelve years ago.

Genuine sympathy is extended to her family in their great loss.

CANADIAN HOPE ADVANCED WITH TWO VICTORIES

"Sandy" Somerville Stole United States Amateur Golf Show Yesterday with Pair of Extra-Hole Triumphs—Goodman and Fischer Among Favorites Eliminated.

Kenwood Country Club, Cincinnati, Sept. 14.—The job of stopping C. Ross "Sandy" Somerville, the silent Canadian Scot of London, Ont., from winning his second consecutive United States amateur golf championship looked tougher than ever today.

Gone was Johnny Goodman, of Omaha, the United States open title-holder; gone was Johnny Fischer, of Cincinnati, the record-making medalist; gone were a host of other potential champions and other Canadians as the tournament entered the quarter-finals.

Still in the race against Somerville after yesterday's rampant charge of the "dark horse" candidates were four contenders from the east, and one each from the midwest, the far west and the southwest. The only ex-champion left among the seven was Max Marston, of Philadelphia. The first two rounds of the sixteen-hole play were the first round before he conquered the gallant former champion, Chick Evans, of Chicago. Then he came back in the afternoon to square his duel with Ernie Caldwell, Baltimore "dark horse," with a birdie on the eighteenth hole and on the flight with another birdie on the twentieth. Caldwell's tee shot on that last hole obligingly knocked Somerville's ball some eight feet nearer the pin, and the champion manifested appreciation by dropping it into the cup from the remaining distance of nine feet for a two.

Johnny Goodman, of Omaha, the open king and one of the big favorites, tasted the sort of a setback he handed the great Bobby Jones four years ago at Pebble Beach. Goodman was shipped in the first round by H. Chandler Egan, forty-nine year old former champion from Del Monte, Calif., who fired a sub-par seventy at the Nebraska, bagging a birdie on the eighteenth to win by two.

Egan, apparently tired by one of the greatest rounds he has shot in the national tournament since he held the title in 1904-05, was in turn eliminated by eighteen year old Jack Munger, of Dallas, a schoolboy making his first bid for the championship. Munger's margin over Egan in the second round was five and four as the veteran's game went to pieces.

Johnny Fischer, the home-town idol, followed Goodman out of the tournament in another stunning upset, falling before the slender Sidney W. Noyes, Jr., of New York, by one up, in the second round. Smashing the qualifying record with a score of 141 yesterday, Fischer put out the clever Gene Homans, of Englewood, N.J., by three and two, in the first round, but his game never was under real control against Noyes. As a climax, he drove out of bounds to lose the seventeenth, giving Noyes a margin he protested on the eighteenth with a sensational explosion from a trap, and an eight-odd putt for a half.

Noyes shot steady, if not brilliant golf in the morning to eliminate the young Toronto bidder for the crown, Nicol Thompson, Jr. Thompson was rolling along on an even footing with the New Yorker until he hooked badly from the tee on the ninth. He needed a six, went one down, and his long game failed him from there in.

The first round results were as follows:

Sidney W. Noyes, Jr., New York, defeated Nicol Thompson, Jr., Toronto, 3 and 1.

Johnny Fischer, Cincinnati, defeated Gene Homans, Englewood, N.J., 3 and 2.

Willie Turnesa, Elmsford, N.Y., defeated Will Gunn, Jr., Philadelphia, two up.

Max Marston, Philadelphia, defeated Craig Krayenbuhl, Louisville, 6 and 4.

Charles Yates, Atlanta, defeated Charles Seaver, Los Angeles, 3 and 2.

Jack Westland, Chicago, defeated Ben Cowdrey, Omaha, one up, 13 holes.

H. Chandler Egan, Del Monte, Calif., defeated John Goodman, Omaha, two up.

Jack Munger, Dallas, defeated Frank J. English, Denver, 4 and 3.

Ross Somerville, London, Ont., defeated Chick Evans, Chicago, one up, 21 holes.

E. F. Caldwell, Baltimore, defeated Hunter Hocks, Chicago, 2 and 1.

W. Lawson Little, Jr., San Francisco, defeated Denmar Miller, Des Moines, 4 and 3.

Maurice McCarthy, Jr., Cleveland, defeated Pat Sawyer, Minneapolis, 2 and 1.

Eddie Held, New York, defeated F. Paul Anderson, Summit, N.J., 2 and 1.

Bill Blaney, Boston, defeated William R. Long, Jr., Austin, Tex., one up, 18 holes.

Gus Moreland, Dallas, defeated Jim Milward, Madison, Wis., 4 and 3.

George T. Dunlap, Jr., New York, defeated W. B. McCullough, Philadelphia, 6 and 5.

The second round results were:

C. Ross Somerville, London, Ont., defeated Ernie Caldwell, Baltimore, one up, 20 holes.

Sidney W. Noyes, Jr., New York,

EAST AGAINST WEST IN CANADIAN WOMEN'S OPEN PLAY

Winnipeg, Sept. 14.—Champions all and seeking a new title—the Canadian women's open—four leading women golfers advanced last night into the quarter-finals of the Canadian women's open golf tournament here by negotiating the soggy fairways and greens of this difficult layout to win their second round matches.

Victor by the widest margin was Ada Mackenzie, Toronto holder of the Canadian close championship, who downed Mrs. W. G. More, her city mate, by seven and five. Mrs. More put up a courageous battle but failed to keep out of the traps that infest the layout.

The defending champion, Margaret Kirkham, of Forest Hills, Montreal, had a narrow squeak when she finished the first nine of the eighteen hole round, only one up on Donna Baxter, brilliant young Manitoba junior titlest. But the defending champion's open golf tournament here by negotiating the soggy fairways and greens of this difficult layout to win their second round matches.

Another outstanding threat to Miss Kirkham's crown, Mrs. K. K. Bearst, Manitoba champion, advanced at the expense of her fellow Winnipegger, Mrs. Arthur J. Bean, whom she defeated by five and four. Isobel Pappal, Ontario junior champion, turned in a convincing win over Mrs. M. A. McDowell, Vancouver, 5 and 3.

The surprise match of the day was the lengthy battle Mrs. Douglas Laird, Manitoba veteran, gave Maryon Murphy, Royal Ottawa Golf Club stylist, before she was finally vanquished by the easterner on the twentieth green. Miss Murphy's clubmate, Lorna Blackburn, was eliminated yesterday by Mrs. B. P. Pellenz, former Manitoba champion, by five and three.

Occasional drift of fine mist and leaden skies made play difficult for early starters in the second round. Gloves and short coats were much in evidence as competitors got the feel of a raw east wind.

It was the east against the west today as the eight survivors continued their quest of the title won by Miss Kirkham. Airway against Lois McLaren, Winnipeg star, while another Toronto representative, Isobel Pappal, Ontario junior titleholder, played Mrs. B. P. Pellenz, three times winner of the Manitoba championship. In the other bracket, Mrs. John Rogers, of Winnipeg, was paired with Miss Kirkham and Maryon Murphy, of Ottawa, with Mrs. R. K. Bearst, Manitoba champion.

MONTREAL COUNTRY CLUB QUARTERS DESTROYED

Montreal, Sept. 14.—The handicap competition of the Province of Quebec Golf Association, scheduled yesterday at the Country Club, was cancelled when fire destroyed the clubhouse at St. Lambert.

A number of players had already turned in their cards when the fire broke out shortly after four o'clock and in the ensuing excitement, the tournament was forgotten and finally cancelled.

Most of the players in the tournament were on the course when the fire broke out, and there was something of a race across the flat fairways of the Country Club toward the clubhouse when the fire became noticeable on the course. Most of the players had clothes in the locker room and several dashed in to save their belongings before the fire spread to that section of the building.

All the competitors escaped unhurt. Several lost belongings in the locker room and others suffered inconvenience when they were unable to get at their automobile keys.

CHICAGO BEGAN VITAL SERIES WITH VICTORY

Guy Bush Blanked League-Leading New York Giants and Cubs Gained Full Game on Terryman—Pittsburgh Kept Pace with Chicago

New York, Sept. 14.—Chicago's home-loving Cubs were credited with a first down today in the drive toward their goal of six straight victories over the league-leading New York Giants and a real place in the National League pennant picture. But there still were five games to go.

The Cubs weathered the difficulties of a rainy day. Carl Hubbell's famed pitching and what power the Giants' bats could muster to win the opener by two to nothing yesterday. It started out to be a double-header but after delays that totalled more than two hours and kept a crowd of 20,000 hanging around until six o'clock to see the finish of one contest, the second game was postponed, making a bargain bill today with another to follow tomorrow.

So far as the Giants were concerned the whole programme was a washout.

Their margin over the Cubs and the Pittsburgh Pirates, who also won a game, was reduced to six and a half games, and while they still can clinch the pennant with only nine more victories in seventeen games even if the Cubs and the Pirates should win all they have left, they would be ahead of Chicago by only a single percentage point in such an event.

It took just one inning to give the Cubs the decision after the game finally was started and the rest was just a matter of dodging showers and the pitching of Guy Bush.

Bill Herman, Kiki Cuyler and Riggs Stephenson rapped singles to produce one run in the first frame. Then after a pass had loaded the bases Adolph Camilli forced Fred Demaree at second.

Bill Terry juggled the relay for an attempted double play long enough to let Cuyler score the second tally.

Pittsburgh did its share toward climbing up on the Giants and the Cubs by turning back the Boston Braves by one to nothing behind the four-hit pitching of "Lefty" Larry French. It was the Pirates' third straight shutout. The only run off Ben Cantwell came in the first frame when Freddy Lingo, strom doubled, and Pie Traynor brought him home with a single.

The St. Louis Cardinals also got the benefit of fine pitching and downed the Brooklyn Dodgers by four to one. Dizzy Dean gave only five hits for his twentieth victory of the season.

All the leading American League clubs were idle as Cleveland and Washington were rained out and the New York Yankees and Detroit had an open date.

The Philadelphia Athletics and the Chicago White Sox split their final double-header, Chicago winning the opener by three to two despite Jimmie Fox's forty-fifth homer, and the A's taking the second game by four to two by landing on Red Faber for a three run rally in the sixth inning.

The Boston Red Sox finally halted the St. Louis Browns by three to one when Lloyd Brown, former St. Louis southpaw, held his old team-mates to four hits and the Sox bunched their hits in the sixth as Jack Knott struck a streak of wildness.

TERRY AND SIMMONS REGAINED BERTHS IN "BIG SIX"

Bill Terry and Al Simmons were back among baseball's "Big Six" today. Terry, with two hits in three times at bat yesterday, took undisputed possession of the first place in the National League's half of the sextette with an average of .327. Simmons cracked out four hits in six trips to the plate in a double-header, but had to share third position in the American League trio with Lou Gehrig.

LEDoux DOWNED "BILL" BECK IN CLUB TOURNEY

French-Canadian Star Caused Distinct Upset by Defeating Eastern Townships Men's Singles Finalist in Country Club Quarter-Final Yesterday.

An unsuccessful season in which his bid for the city men's singles tennis title was thwarted in the second round by Yvon Lanctot and his attempt at the Eastern Townships crown was smothered by Willard Crocker may yet bear fruit for Armand Ledoux, one of Sherbrooke's most stylish tennis reformers. Ledoux, who has yet to win a major tournament, yesterday gained the semi-final bracket in the Sherbrooke Country Club tournament by eliminating no less a star than "Bill" Beck, finalist in the annual Eastern Townships competition this summer.

Ledoux accomplished his conquest in three upsets of the brilliant Lennoxville player, who was one of the pre-tournament favorites, by scores of 6-1, 2-6, 6-3. In the rounds leading to the quarter-final, Ledoux disposed of John Blue in straight sets and advanced another step when Ashton John defaulted for "various" reasons.

His victory over one of the first five ranking players in the Eastern Townships came as a distinct upset and established Ledoux as a formidable threat for the club championship.

This afternoon Ledoux tackled another "seeded" player, Mac Dunsmore whose young tennis career already includes a long list of achievements in both Eastern Townships and city circles.

The present city men's singles title-holder earned the right to meet the French-Canadian star by reason of successive straight-set victories over Paul McKenna, Ernie Hall and Webb Cook.

In the lower bracket three players still remain in the running. Bob Dunsmore and Maitland Soles are slated for a quarter-final match, the survivor of which will be pitted against A. Reid for the right to advance into the final round.

Should the weather favor the tourney, the men's singles final will be played Saturday afternoon at the Country Club. Defaults in the present play have been few, the lone default of any proportions being that of Connor Gregoire, who was absent from the city.

The draw for the remaining events, ladies' singles, ladies' doubles, men's doubles and mixed doubles, will be made tomorrow, and the players will be advised by telephone about their respective opponents and the time they are scheduled to play.

RICHMOND WON AND LOST WITH DANVILLE TEAM

Belle-View Defeated Visitors in Ross Trophy Competition, but Bowled to Danville Representatives in Inter-Club Match.

Richmond, Sept. 14.—Successful in their attempt to prevent the Danville Golf Club annexing the trophy donated by R. McLeod Ross, president of the Belle View Golf Club, and defeated in the inter-club match which was played at the same time as the competition was the record compiled by the local golfers in their weekly scheduled event. By a margin of sixteen strokes, eight Belle View representatives defeated the Danville delegation in the Ross trophy play, when the eight net scores of a picked team were compared. The Richmond total was 603, and Danville's aggregate was 619.

Danville obtained partial revenge for their unsuccessful bid for the Ross silverware by downing the home team in the inter-club contest. The final reckoning gave Danville sixteen points against Richmond's fourteen.

The individual net scores of the eight selected players of both teams were as follows:

Richmond — E. Hibbard 68, W. Pope 68, D. S. Rattray 74, M. Boast 74, J. O. Michaud 76, W. Frazer 77, R. McLeod Ross 81, W. V. Moreland 85. Total 603.

Danville — S. Dawber 67, J. A. Wilson 72, F. Smith 74, D. Clark 77, W. Gifford 80, T. Herron 81, E. Findlay 82, H. Smith 86. Total 619.

The detailed score of the inter-club match were as follows:

Richmond
R. McLeod Ross 2 1/2
J. O. L. Michaud 2 1/2
F. Smith 2 1/2
W. V. Moreland 2 1/2

COUNTY SCHOOL FAIR ACHIEVED FINE SUCCESS

Fourteenth Annual Stanstead County School Fair Held at Ayer's Cliff Yesterday Morning and Afternoon—Exhibits of Better Quality and Quantity.

Ayer's Cliff, Sept. 14.—The sixteenth annual Stanstead County School Fair was held on the Fair Grounds here yesterday and the ideal weather which favored the officials attracted a record attendance. The morning programme was featured by a long parade and a baseball game between Corticook and Ayer's Cliff, while the afternoon attractions included the public-speaking competition and a field day.

The exhibits yesterday revealed an improvement in both quantity and quality, and testified to the success of the organization work accomplished by the district agriculturalist, W. G. MacDonald, and the acting county agriculturalist, N. H. Beach, both of Lennoxville. The prize list, amounting this year to \$340, was divided into seven divisions, field crops, garden, domestic science, home garden crops, livestock and miscellaneous articles. The donations for the prize money were obtained as follows: Stanstead County Council \$100, Quebec Department of Agriculture \$100, Stanstead County Women's Institute \$75, Stanstead Township School Board \$15, Ayer's Cliff School Board \$15, Barnston, East Hatley and North Hatley \$10 each, \$10, and Magog School Board \$5.

The school parade, open to all high, model and rural schools in Stanstead County, proved very interesting. Six schools took part, Georgeville, leading the procession, followed by Barnston, Baldwin's Mills, Way's Mills, Hatley and Ayer's Cliff. Each school depicted various interesting subjects. Ayer's Cliff, led by Miss Priscilla Jones on horseback, was awarded first prize among the town schools, with Way's Mills second and Hatley third, while Barnston was judged the best among the rural schools, with Georgeville Baldwin's Mills ranking in that order.

Prior to the public speaking competition, Corticook and Ayer's Cliff staged a baseball game in which the visitors were victorious by a score of nine to one.

The county building was the scene of the oratorical contest. Here fifteen entries spoke three minutes each, their efficiency being rated on the interest of their subject, the presentation and platform manners. Mr. Beach emphasized the importance of speaking directly to the audience, and claimed that there were many promising orators among the younger generation of the county.

Byron Stratton, of Stanstead, was considered the outstanding speaker, while Frances Dolloff, of Fitch Bay, provided a close second.

The winner's subject was "What Causes the Present Depression," while the Fitch Bay representative spoke on "Immigration." Other competitors who received honorable mention for their efforts were Donald Marvin, Loren Markwell, of Baldwin's Mills; Elizabeth Tilton, of Stanstead; Vivian Ketcham, of Magog; Billie Heath, Phyllis Birchall and Shirley Perkins. In congratulating the speakers, Mr. MacDonald mentioned for their efforts were Donald Marvin, Loren Markwell, of Baldwin's Mills; Elizabeth Tilton, of Stanstead; Vivian Ketcham, of Magog; Billie Heath, Phyllis Birchall and Shirley Perkins. In congratulating the speakers, Mr. MacDonald mentioned for their efforts were Donald Marvin, Loren Markwell, of Baldwin's Mills; Elizabeth Tilton, of Stanstead; Vivian Ketcham, of Magog; Billie Heath, Phyllis Birchall and Shirley Perkins.

The remainder of the afternoon was devoted to the track events, the results of which were as follows:

50 yard dash, girls, six years and under.—1 Gene Parker, 2 Vivian Hucksins, 3 Phyllis Gonthorp.

50 yard dash, boys, six years and under.—1 Emerson Bacheider, 2 Leslie Blair, 3 Donald Drew.

WINS AT ELGIN

Zooming around the historic Elgin, Ill., 8 1/2-mile course at an average speed of 88 miles an hour, Phil Red Shafer, above, of Des Moines, Ia., won the first race of the Elgin National Road Races staged since 1920. Shafer won the free-for-all event, the major race on the programme, covering 203 miles.

AUSTRALIAN ABORIGINES THREATEN MISSIONARIES

Special Police Force Despatched by Australian Government to Groote Island Mission Station.

Sydney, Australia, Sept. 14.—A posse of white and native policemen hurried today to Groote Island from Port Darwin to protect British missionaries believed in danger of an attack by aborigines.

The tribesmen are said to believe the missionaries disclosed the whereabouts of natives who killed five Japanese a year ago in Arnhemland.

The mission station is the nearest white settlement to the Arnhemland aboriginal reserve.

NEWARK AND ROCHESTER TIED: BUFFALO WON SECOND GAME FROM BALTIMORE

Newark, N.J., Sept. 14.—Newark's baseball Bears, who finished the regular international League season last week about fifteen games ahead of the Rochester Red Wings, today were on even terms with the St. Louis Cardinal "farm" team as they awaited the third game of the new play-off system of deciding the league championship.

Both clubs moved to Rochester last night after the Wings had taken a four to three decision here to even the series, and tonight they will meet under the floodlights.

POLICE NEEDED TO QUELL DISTURBANCE ABOARD SHIP

Irate Sailors Threatened to Blow Up Lake Steamer Tied Up at Its Chicago Pier.

Chicago, Sept. 14.—Federal deputies and three squads of police yesterday quelled a disturbance aboard the Isle Royale, a lake steamer tied up at its pier here, when several men allegedly threatened to blow up the craft.

The boat, owned by George M. Cox, New Orleans, was seized on Monday on a federal court order after 118 members of the crew claimed \$18,000 in back wages due them.

Fists flew in the brief melee, Deputy Marshal H. E. Goodwin reported. Two or three men he said were drunk invaded the engine room and sought to flood the boilers which were under steam. Flooding of the boilers likely would have caused an explosion.

Cox, 33, in his stateroom, did not comment on the affair. His agents, however, said the crew had been paid and that Cox expected today to post \$14,000 bond to permit the ship to leave for its winter quarters.

A NEW POLICY!

STATEMENT FROM Mr. N. ZAKAIB

My main store has just been enlarged and modernized and I have decided to merge my two stores in one. This policy will save me rent and heating charges and I will pass these economies onto my customers.

My main store in East Sherbrooke has been known for many years as the largest of its kind in the Eastern Townships; and all thrifty buyers are coming from all around, sure to find here the best possible values. With my new policy, I will be able to offer still greater bargains.

Now one can start for Zakaib's, and be certain to find there what is wanted at the price one can afford. And how easy will it be to shop at the enlarged and modernized Zakaib's Remnant Store, 24 King Street East.
