By this charter, which bears date December 8th, 1852, no change was effected in the constitution of the Seminary itself; but a Council, composed of the directors of the Institution, and the three senior professors of the several faculties, was empowered to possess and enjoy all the privileges granted to the Universities of the United Kingdom, and especially that of conferring degrees in the Faculties of Divinity, Law, Medicine and Arts. His Grace the Roman Catholic Archbishop of Quebec is, by virtue of his office, Visitor of the University. The superior of the Seminary, for the time being, holds the office of Rector.

The *Collegiate Department* is the Seminary as it was till 1852, and is under the control of a board composed of a Superior and at least four Directors. It is divided into two parts, called the *Grand* and the *Minor Seminary*.

↳ The asterisk (*) indicates that, in cases where it is affixed, pre-payment of the Letter Postage is optional. In all other cases, pre-payment is required to secure the forwarding of the Letter. a If specially addressed "Via Royal Mail Steamer from Boston," (i. e. the fortnightly Cunard Packet from Boston to Liverpool, *via* Halifax), a Letter to be so forwarded must be pre-paid as follows:—

For Newfoundland, 20 cents.

For Nova-Scotia, 13 "

b If addressed from office of publication to subscribers, may be forwarded on pre-payment of the commuted rate applicable to subscribers within this Province; or, singly, at a $\frac{1}{2}$ cent each, at option of the publisher.

REGISTRATION OF LETTERS.

Persons transmitting letters which they desire should pass through the post as "Registered Letters," must observe that no record is taken of any letter unless specially handed in for registration at the time of posting. Upon all such letters, with the exception of those addressed to the United States, 1 penny must be prepaid as a registration charge. If addressed to the United States the ordinary postage rate on the letter to that country *must be prepaid*, and in addition a registration charge of 5 cents per letter. The registry thus effected in Canada is carried on by the United States post office, until the letter arrives at its destination.

In like manner letters addressed to Canada may be registered at the place of posting in the United States, and the registry made there will accompany the letter to the place of delivery in Canada.

A Certificate of Registration will be given by a Postmaster if required.

It must be distinctly understood by parties who avail themselves of the privilege of registration, that such registration, with the certificate and receipt, are merely intended to afford the means of tracing the course of such letters through the post, and of ascertaining their delivery at destination, and will not be held to imply any liability on the part of the Postal department to make good any loss, or alleged losses, arising from the miscarriage of any such letter or its contents.
