Canada Day something special

By Craig Pearson

SHERBROOKE — Canada Day is something all Canadians should participate in because of the sense of "freedom, peace and well-being" this country promotes, says Dr. Georges Saine, one of the festivity organizers in the city.

Saine, who has been organizing celebrations in Sherbrooke for years, says July 1 serves as "a reminder to restart feeling proud of being Canadian."

For instance, he says Canadians are well treated when traveling abroad and are often allowed to pass through foreign customs with relative ease.

He spoke at a press conference Monday announcing the program for Canada Day Festivities in the Eastern Townships.

Speaking with Saine at the Pavillon Armand Nadeau in Jacques Cartier park was Sherbrooke Mayor Jean-Paul Pelletier who said he was not only glad Canada Day festivities were an integral part of July 1 in the Townships but proud.

"I'm an Acadian" he said and therefore "I'm a Canadian," not just a Quebecer, said the native of New Brunswick.

Also speaking at the conference was Sherbrooke MP and Minister of State for Youth Jean Charest

who is eager about festivities in the area, if not in one specific town.

"I'm not sure where I'll be on Canada Day but one of the places I'd like to be is in Bury. My mother was from Bury," and as such remembers the festivities well. "I have very fond memories of Bury. I hope that this year will be as colorful as when I was young."

Though Charest is booked for an engagement in Montreal on June 28 when celebrations are planned in Sherbrooke, he says he is trying to have the dates changed.

Though Charest is proud his Conservative government was able to sign the now-famous Meech Lake accord which, for the first time in history, included all provinces in Canada's own constitution, he says he doesn't think Canada Day will immediately become more celebrated.

At least, "probably not in the ve-

ry near future," he says. "These accords take a very long time to show interest." But he does say that the historical agreement is something that all Canadians should feel proud of.

Here are some of the festivities planned for the Townships. For instance, Sherbrooke has a country-style dinner, soccer contests, and a fireworks display; Cowansville has a triathlon and a drawings competition; Pike River has a play; Stanbridge East has a horseshoe pitch; Bury has a horse-pulling tournament; East Angus has planned a special evening show; Hatley has a parade; Georgeville has a lunch for the elderly; Weedon has a beach party; and Melbourne has hot dogs and soft drinks at the local legion, to name but a few.

Schedules and events are listed in the Canada Day supplement pages in the *Record*.

Hatley starts party with grand parade

HATLEY — If you haven't attend a Hatley Canada Day Celebration then plan to attend this year's on July 1st with a grand parade starting at 10:30 a.m. It is rated as one of the best with lots of floats and a family atmosphere. We don't have a liquor licence.

Traditionally the Whitcomb family have for the greater part of fifty years led the parade and this year will be no exception for the flag carrying members. The Lennoxville Highland Band will follow and it is a first time for this well known group. The parade marshal for the Municipal Association who organize the parade is Homer Cote and Howard Ayer looks after the prizes. MC for the day portion of the event is Doug Fletcher who makes sure all the antique cars and drivers are recognized. Members of the two government bodies have been invited to attend.

Upwards of fourteen floats have signified their intention of taking part and probably by parade time others will be added to compete for the valuable cash prizes offered. Antique cars and bicycles plus the Coaticook Majorettes will round out a very lively parade. The Majorettes will put on a demonstration following the parade.

The ladies of the Anglican Church are planning a cold buffet meal at the noon hour and following this the Georgia Country Duo of Tom Wheeler and Darlene Kerr will entertain the crowd with Western Music. The Richmond Cloggers will be on hand to entertain with their director Alice Mellish and this group is highly entertaining. The afternoon entertainment will feature Alex McKinven and His Border Collies around three o'clock. This was to be presented at last year's event but due to sickness had to be called off at the last minute. This year we are assured that this will take place.

Mr. McKinven will bring five dogs with him and he is one of the very few people who can actually work five or six dogs at one time. It will be a demonstration of dogs herding sheep and other animals and for those who have witnessed this they have found it highly entertaining and an event not to be missed.

Races for all ages will be part of

the afternoon events and this has also been something to win cash prizes along with this to have great fun.

Scheduled to start the evening's activities was to be a Fireman's Contest but to date it hasn't materialized and probably will be cancelled due to lack of competitors. However shortly after seven p.m. there will be a musical evening for a couple of hours prior to fireworks. John Foster and Réal a musical Duo will form the basis of the

performance to be presented. John will act as M.C. and introduce guest performers along with playing for a musical treat and maybe for dancing if people are so inclined. A singing group along with a number of individual singing artists and dancers have been contacted and it appears that a great show of local talent will be on hand to entertain.

There has been a good request for sales tables and any who would like to display their handiwork can call 838-5712 and reserve a space.

Two canteens will look after food items along with the Anglican women's group.

This year the Common will be fenced off for the dog show and cars won't be permitted on it until the completion of the dog show. Ample space will be provided for car parking at no charge.

The Municipal Association strive to put on a Canada Day Celebration for all that feel they wish to take part. Come and meet your friends in Hatley. We will be looking for you.

Boundary's Legion takes over procession

BOUNDARY — Canada day celebrations at the border entitled "Come and Participate" will be held this year on June 27, starting with a parade.

The parade starts at 10 a.m. from Emslie Transport garage in Beebe and ends in Standstead at the Canadian Legion. This year, the legion, led by president Gordon Marsh, is in charge of the activities.

Beside the parade under the direction of Gérard Vaillancourt, there will be other activities located at the Legion on Maple Street in Standstead. There will be a horse shoe tournament, a gun shoot, baseball, with canteen facilities.

The day will end with a dance by the orchestra "Gerry and the Jokers" at the Legion Hall. This event

is free and everyone is cordially invited.

For more information call Gordon Marsh, Gérard Vaillancourt or Richard Wing.
