(Associated Press Despatch) TORONTO, July 6.—Officials of the Canadian Steamship Company in Toronto yesterday refused to comment on the intimation from Ottawa that the Canadian Government might throw open Canadian ports to port traffic to United States vessels by a suspension of the coastal laws, because of alleged discrimination by Canadian vessel owners.

While declining to be quoted personally, however, they stand that no matter what tonnage was available the movement of grain to Liverpool was governed by the handling facilities at Montreal, which are limited to a million bushels a day, provided there is ocean space equal to that requirement on hand. If the grain was carried for nothing that was all that could be expected, they declared.

HORNSBY MADE ANOTHER HOME RUN YESTERDAY

Major League Teams Shift Battle Grounds Today—Detroit Won in Eleventh.

NEW YORK, July 6.—Rogers Hornsby, slugging second baseman of the St. Louis Nationals, promises to excel this year the National League season home run record that he weathered the test of time and clouting for thirty-eight years.

Hornsby clouted out his twentieth homer yesterday while the Cardinals were trimming Cincinnati by 11 to 4, and with the season only half gone his chance not only to exceed but to establish a figure to shoot at for years to come is especially bright.

Cravath set a modern National League mark with twenty-four homers in 1915. George Kelly, of the Giants, led the League last year with twenty-three, and Hornsby was second with twenty-one.

The Chicago Cubs hammered out an 11 to 5 victory over Pittsburgh, while Detroit grabbed an eleven inning triumph from Cleveland by 6 to 5, in the only other games played yesterday in the Major League.

Teams in both leagues shift battle grounds today, western clubs invading the east. The Giants start their trip against the skidding Pittsburgh Pirates, while the Browns open against Boston.

Frank Havrecock, who drove the truck looted in the skyscraper district, identified the trio as the men who held him up. Rioting also occurred at Zwickau, in Saxony, lasting far into the night. The fighting originated in an attack on the town hall, which had for its object the disarming of a police guard. Much firing occurred between rioters and police, and the mob finally gathered outside of the police barracks and ordered the latter to surrender arms. When the latter refused fighting was renewed. Ten workmen and eight policemen were wounded and one workman and one policeman killed.

BURY COUNCIL HAD QUITE A BUSY SESSION

Bills for Road Work Were Presented—No Election for School Commissioners.

BURY, Que., July 6.—The Municipal Council of the Township of Bury held its usual monthly meeting on Monday. Quite a lot of business was before the Council and the session lasted almost six hours. Every member was present, the chair being occupied by the Mayor, Jas. W. Dawson.

A request was presented to the Council that they would allow the use of the lower hall for demonstrations in cooking and sewing for the benefit of the school girls, these demonstrations to cover a whole week commencing August 5th next, and to be conducted by experts from Macdonald College. The request was most willingly granted, and that no charge would be made.

Several communications with Government Departments were read and the secretary's action in reply confirmed. Several overseers were granted extra money that work in their respective districts might be completed. A large number of road bills were before the Council. These were carefully scrutinized and accounts amounting to approximately \$2,500 were passed for payment. A somewhat lengthy discussion a motion for the purchase of one hundred folding chairs for the Town Hall was passed.

NO ELECTION NECESSARY. A poll for the election of School Commissioners will not be necessary, as Mr. D. E. Smith has withdrawn his name from nomination. As this left only two candidates for the vacant seats, the election was declared closed, and Mr. E. L. Gray and Mr. A. H. Pehlmann elected as Commissioners for the ensuing term of three years.

General Notes. Mr. and Mrs. Scoones, of Bishop's Crossing were visiting at Mr. and Mrs. H. Keyne's on Sunday. Miss Marjorie Scoones, who has been enjoying a vacation of some two weeks, returning home with her parents in the evening.

The Rev. E. M. Wilson, B.A., the newly appointed Methodist minister to the Bury circuit, occupied the pulpit at Bury on Sunday for the first time. All extend to Mr. Wilson a very hearty welcome, and feel that all recognize in him a virile young man that will count for good in this community.

The usual monthly song service on Sunday evening at the Methodist Church was not so well attended as is generally the case. Those who did attend, however, enjoyed the singing. The Rev. Mr. Wilson announced a series of talks on St. Paul for the coming Sunday evenings, and gave a most interesting introductory address.

The continued heavy rains are doing a lot of damage to many roads throughout the township. In some cases the work done early in the spring, especially on the earth roads, has been completely annulled; the present state in some instances being worse than when the snow and frost was leaving the roads.

The Bury Dramatic Club still find the play "Our Folks," a big drawing card. They presented this play at Bury for the second time on Wednesday, June 28th, and secured a very good attendance. The players received well merited applause at every turn, and if laughter is the good medicine it is supposed to be, then every one attending should have laid in a stock of health for some time to come.

The usual monthly meeting of the Bury Board of Trade will be held at the Town Hall on Friday evening, July 7th, at eight o'clock (Standard time).

On Tuesday, July 11th, there will be a lawn social, held under the auspices of the Ladies' Aid on the Methodist Church grounds. Strawberries and cream, ice cream, and other delicacies will be served.

(Associated Press Despatch) STE. SCHOLASTIQUE, Que., July 6.—Ossias Riopel was hanged in the county jail here this morning for the murder of Mrs. Marie Christiana Clermont. The execution was carried out by Hangman Ellis without a hitch.

Riopel spent most of the night in prayer with Father Leclair. He was asleep when the jail officials and executioner entered his cell. Asked if he had any statement to make, he said: "I have said all I am going to say."

He walked calmly to the scaffold. The murder of Mrs. Clermont occurred on Wednesday night, November 24, 1920. Her son, Alfred Clermont, who was the chief witness against Riopel at the trial, told how the latter had forced his way into their home, and after attacking them both, had set the house on fire, leaving Mrs. Clermont's body to be consumed by the flames. Young Clermont was left unconscious in a barn all night. In the morning, when Riopel found him alive, he tried to cut his throat, but did not succeed in inflicting mortal injuries.
