Accident on Stonewall Hill

George Gordon of Shawville was the driver of a tractor trailer at eight o'clock last Thursday evening, driving east on Highway 148 at Bryson. With a mobile home on board, the rig jacknifed and hit the soft sand on the shoulder of the road part way down Stonewall Hill, catapulting the load down the steep hill rising beside the Quebec Hydro sub station. The mobile home was a total loss. George Gordon sustained injury, was removed to an Ottawa hospital, and later returned to the Pontiac Community Hospital. A power pole was broken off in the accident, which caused a three-hour power interruption in the area. Most of the mobil home was removed during Friday morning, which blocked off Highway 148 to the west of the power sub station. Traffic was routed around by the "Bryson curves" during this operation.

This picture shows the few remaining scraps of the mobile home lying at the foot of the hill, almost against the fence of the power sub station. Two pairs of shoes have been mounted on the fence, presumably part of the contents of the house.

Anniversary Services at Quyon

A special service to observe the 50th anniversary of the founding of the United Church of Canada was held in the Quyon Church Sunday morning with Dr Geo. W. Goth of London, Ontario, as guest speaker.

Dr Goth, who recently retired after 27 years as minister of Metropolitan Church, London, as well as several years in Westmount, Brandon and Pakenham, has lost none of his eloquence or wit, just a couple of talents for which he has been noted during his forty two years in the ministry.

He was in reminiscent mood as he humoursly recalled events in his first charge after ordination - Quyon - and gave a resumé of some of those events before beginning his sermon. That sermon, very appropriately on the topic, "What shall I do with my life," he dealt with brilliantly.

Dr Goth was born on a farm near Ottawa and he was accompanied on his visit to Quyon by his wife and his sister, Miss Mary Goth and sister-in-law, Mrs Laura Goth both of Ottawa.

Many former members of his congregation while he was here returned for this opportunity to meet the Goths again, coming from Renfrew, Ottawa and other points for this special occasion.

A reception and luncheon was held in the church parlours following the service when the pastor, Rev Ernie Boggs acting as master of ceremonies, gave others an opportunity to personally greet the Goth family and where Dr Goth and his wife, Marjorie were able to renew old friendships and make new ones.

Although Dr Goth is now officially retired he is still very much in demand as a speaker, both in Canada and the United States. In the course of his career he has travelled widely in Europe, the Holy Land and other parts of world and he can give accounts of these trips and these places in a very informative and interesting way.

Two youths arrested

Two youths from Campbell's Bay have been arrested on a warrant issued by the Arson Commissioner of Quebec in connection with a fire which destroyed a dwelling in Campbell's Bay on September 8, owned by Mrs Larmond of Ottawa. Both were released after questioning, but charges may later be laid.

Employees locked out at Francon gravel pit

The thirteen employees of Francon Ltd., working at the gravel pit near Shawville, were locked out by the Company at the close of work at 5:30 last Friday afternoon.

The employees are members of the CSN, (the French initals for the CNTU), the Confederation of National Trade Unions. Last week the Union made representations to the Company for an increase in pay to give parity to the 13 Francon employees in Shawville with the 850 employees in Montreal.

The Company made a counter offer of $1.40, of which .40 was to be paid retroactively from the date the pit opened up last spring; .50 from the date of the offer, Sept. 19 until the pit closes this fall, approximately six weeks from now; and an additional .50 when the pit opens again next spring.

CSN negotiator Carroll Jobin, of Montreal, has informed THE EQUITY that the Union is asking for an additional $2.97 over the present base of $3.15 to give 6.12 base to the Shawville workers.

CSN local president Elwyn Stephens of Campbell's Bay stated that the Company counter offer of $1.40 was made on a take-it-or-leave-it basis, with no room for negotiation. The men were informed that if the counter offer was refused, they would be locked out. Refusal of the $1.40 offer was made, and the lock-out took place at the close of work Friday afternoon.

Efforts are now going forward by the CSN in Montreal to arrange a negotiation meeting with the Company, which is hoped will take place this week. Francon General Manager Giguerre was unavailable for comment.

The CSN negotiator advised that up until this year the Shawville employees of Francon were represented by a "Syndicat de Boutique", which refers to a union which has no national or international affiliation. Early in 1975 this situation changed when the men established a local of the CSN. The contract between the Union and the Company for the Shawville pit employees expired in January 1974, and negotiations on a new contract have never been completed. There is hope, says negotiator Jobin, that there will be a new contract agreed on, planned to expire at the end of December, 1976.

Work at the Francon pit is seasonal. Production of gravel to feed the two Francon cement plants in Ottawa takes place during the spring, summer and fall seasons only, and during that period averages about 35 rail cars per day.

Children's Program on CHOV

A fresh new idea in children's programming is being produced by CHOV-TV in Pembroke. A repertory company of local children and special guest children each week, tell jokes, play games, sing songs and generally have fun with the singing star of the propgram "Song Farm" Dave Todd.

Dave relates well to children and the age span ranges from 5 to 15. The children genuinely have fun because they help produce "Song Farm" as each program is in progress. The producer of the show is Mrs Rosaleen Dickson, managing editor and publisher of The Equity.

Dave Todd is the newest singing discovery by CHOV-TV and according to Brooke Duval, Program Manager, "he has that certain quality in his voice which sets him apart from other singers ... he should be seen and heard, because here is yet another Canadian who has great possibilities".

Song Farm is scheduled at 12:00 noon on Saturdays on CHOV-TV.

Snowmobile Club Donation

Directors of the Shawville & District Snowmobile Club attended a brief ceremony at Pontiac Community Hospital last Wednesday evening when a cheque was turned over to the hospital to cover the cost of four new stainless steel cribs for the Pediatric Department. Pontiac Municipality establishes wards

Last Thursday night a system of wards was finally agreed on for the Municipality of Pontiac which will be holding elections in November. To begin with the 100% agreement, on the part of Breckenridge residents that they wanted to stay in Pontiac and not be annexed to Lucerne, apparently carried weight in Quebec because any move in that direction has been dropped, for the time being anyway.

Eardley, which has 55 percent of the population of the Municipality of Pontiac, would have liked to have three of the six wards allowed, leaving one ward for each of the other three former municipalities of North Onslow, South Onslow and Quyon.

After long discussion which engaged a full council on both Monday and Thursday nights they finally came up with a compromise which seemed to satisfy everyone.

Onslow North will be Ward number 1 with about 250 electors.

Quyon will be Ward number 2 with about 600.

Onslow South will have one Ward with about 660 electors and a small portion at the east end of Onslow South containing 120 voters will be added to the west end of Eardley to form Ward 4. Wards 5 and 6 will take in the middle and the east end of Eardley.

The election in November will choose a councillor to represent each of these six wards, reducing the size of the Municipal Council from its present then members to six. An interesting battle for these six seats is anticipated, and especially for the mayoralty. The voters will also have an opportunity to choose a permanent name for the municipality.

Boards and teachers fail to reach agreement

The negotiating committee for the Western Quebec Protestant Regional School Board, and its sector boards - The Greater Hull School Board, Pontiac School Board and the Northwestern Quebec School Board, at a meeting in Gatineau on Monday evening, was unable to reach agreement with the Western Quebec Protestant Teachers' Association on teaching time for Elementary Teachers. The Boards offered that no teacher be required to teach more than 24 hours per week. Where possible the work load would be less, and, in fact it is less in most cases at present.

The Syndical Unit, representing the teachers, found the Boards' offer unacceptable.

Prior to this, negotiations had resulted in agreement on a number of items.

MUNICIPAL ELECTIONS

Everybody is watching with great interest the developments in the new municipality of Pontiac. Wards have been set up and representation for each of these wards will be earnestly contested by a number of people, all anxious to get the amalgamated municipality off to a good start. Such a keen interest in the welfare of the community should result in good municipal government in that part of the County.

But good strong and keen councils are also badly needed in all the other twenty one municipalities of this County. Leadership is always needed, and now more than ever, our County needs people who can put public welfare before personal or purely local considerations.

Newspapers across Canada are forever trying to direct the attention of their readers to the affairs of governments at all levels, federal, provincial and municipal. THE EQUITY tries too. We don't like to be forever finding fault with elected officials, so once in a while we do come out with a word of praise. But whatever we do we wish to focus the thinking of the citizens on the parliaments and the councils.

It may seem early to be drumming up interest in municipal elections but suddenly it will be too late. We feel it would be worthwhile for the citizens of each municipality to do some good thinking and some good planning for this year's municipal elections, with emphasis on working beyond the small rural area, with a thought for the larger area which is all Pontiac, and beyond to our situation in this Province and in Canada as a whole.

Broadminded, farsighted people are needed in positions of responsibility. Let's get more of them onto our municipal councils, starting this year!

NAVIGATION ON THE OTTAWA

Tom Lefebvre, M.P. for Pontiac, announced at County Council a couple of weeks ago that a meeting would take place next month in Pembroke to discuss the "Pleasure Craft Navigation Project for the Ottawa River".

A memorandum from Tom Lefebvre on this subject, addressed to all the mayors of Pontiac, has been issued, and is here quoted: "There will be a meeting sponsored by Renfrew County Council and everyone from Pontiac who is interested is invited to attend.

"It is essential that a large delegation from Pontiac be present. I hope that you, your Council, and other interested persons will attend.

"Date: Thursday, October 9 at 8.00 p.m. in 'Thee Place' at the rear of the I.G.A. Store, Main Street, Pembroke.

"In order that this project become a reality, we must show our support publicly.

"I hope to see you in Pembroke, on October 9th.

Thomas H. Lefebvre, M.P.-Pontiac"

The fact is that there is a possibility the government will give this magnificent project serious attention, if it can be shown that the public regards it seriously. The only way this can happen is for a large group of people to attend the Pembroke meeting. A small turnout would perhaps indicate to Ottawa little interest locally in the project, whereas an enthusiastic response would indicate the opposite.

Financial benefits directly to residents of Pontiac are an obvious reason for supporting the project. There are others as well. Not the least of these is that completion of the waterway would enable us to move by boat all the way up to Lake Temiscaming and all the way down to Ottawa, and thence to Montreal on the one hand and to Lake Ontario via the Rideau on the other. This latter route would in turn make it possible to go from our county all the way to Toronto by boat, explore the Trent Waterway, the Thousand Islands, and all the other marvellous places in between and beyond. These are some of the possibilities that this project opens to us.

For those not fortunate enough to live in Pontiac County, opening the Ottawa to pleasure boat navigation would make it possible to come here from all those other places near and far, to enable those people to discover the beauties and charms to be found here.

The project is huge in scope, exciting to contemplate, imaginative - and feasible. But it will need great support from us all.

LETTER TO THE EDITOR

Sept 19, 1975
Campbell's Bay, P.Q.

TO ALL CITIZENS OF PONTIAC COUNTY

The attendance at a special "Open" Public Meeting of the Pontiac Social Planning Council, held at the Parish Hall, Vinton, P.Q. on Wednesday, September 17th, was very disapointing.

Considering the fact that 150 special invitations were mailed 14 days in advance to all mayors and secretary-treasurers, the presidents of many, if not all clubs and associations, as well as to the managers of the major industries and finincial institutions, and also to the principals of our High Schools, within Pontiac County, along with the publicity obtained through the reliable Shawville Equity and with three days of "mentions" on CHOV-TV Billboard, one should be able to anticipate a better attendance than just the 25 or so people that did attend.

The very important subject of the meeting was about establishing a "Student Fund" for the benefit of our own Pontiac Students and County.

The object of the meeting was to expose as many people as possible to the terms of the program, and to solicit everyone's assistance and co-operation with either a personal donation to the fund or to return to their respective clubs, churches, associations, place of business or employment, community or municipality, and actively participate in "ways and means" to raise money for this very worthwhile and beneficial project.

In addition, we also held nominations and elected a finance committee which will act as a sub-committee to the Pontiac Social Planning Council, and assume the responsibility to interview all student candidates and make the necessary recommendations to the Planning Council as to the disbursement of the "Student Fund" that we hope will be raised annually.

Although, as already stated, the attendance was disappointing, the enthusiasm and response of those who did attend were overwhelming and most gratifying.

If this same attitude can overflow and "touch" every citizen of Pontiac, there is no question that the program will be a complete success.

Not everyone is able to donate money, and not everyone can donate of their time. But a combination of both types of donations is very much needed if we are to achieve our objective.

In this regard, our very sincere thanks must go to each and every person who did attend this "kick-off" meeting, with a big thanks to those who accepted the challenge and responsibility to "sit" on the Finance Committee.

But a very special thank you must go to those certain individuals who really started the ball rolling, by giving personal cash donations which allowed us to open a bank account and actually initiate "The Pontiac County Social Planning Council Student Fund".

We would be remiss if these generous human beings and fellow citizens of our County were not publicly cited for their unselfish financial support of this Student Fund.

Therefore, special thanks must go to Mrs Gwen O'Leary of Vinton, who was first to come forward to our Secretary-Treasurer with a personal cash donation of $20.00.

Mrs O'Leary was closely followed by Rev Father May of Vinton and Rev Father Pelletier of Bryson, with personal donations of $100.00 each.

The last donation of the evening, gratefully accepted by the committee, was from our own Manpower Officer, Mr Dan Ryan, with a personal contribution of $20.00.

Thanks to these people, we did have a productive meeting, by electing a good membership to the Finance Committee and by bringing us $240.00 closer to our ultimate goal.

However, many more people and dollars are needed to accomplish what we earnestly believe to be the most worthy cause in Pontiac, to-day, or even to-morrow.

Very briefly, the program consists of raising money to provide funds to students or graduates who are pursuing a career in the many and varied professions within the fields of Health or Social Services.

RE: COUNTY STUDENT FUND.

Basically, the student applicant must have completed his or her secondary education in Pontiac County and the students parents or guardians must be considered permanent residents of the County.

In addition, under certain circumstances, the applicant student must be prepared to legally and morally commit themselves to practise their chosen profession within Pontiac County for at least a pre-agreed minimal period of time.

The entire object of the program has three purposes:
First- To have funds available at the beginning of each school year for the qualified students who have been accepted by a college or university and who have applied for a Quebec Government sponsored loan and bursary, but who sometimes must wait for one, two or even three months for the documents and-or money to come from Quebec City.

As stipulated, if the applicant qualifies in all aspects then he or she may apply to the Student Fund Finance Committee for temporary assistance.

For such students we intend to supply an interest free "loan" of $200.00 to $300.00 on a short term basis. This would allow the student to start his college or university year on time and not lose those very important first few weeks of school.

This "loan" would be repaid by the student, without any interest, when he receives his documents or money from Quebec.

Secondly- To have funds available for qualified graduating students receiving a degree in the fields of Health or Social Services. In this instance the money would be given in the form of a grant to the qualified applicants on the condition that they would be prepared to remain in Pontiac County and work in their chosen profession for at least a specified period of time as determined and agreed to at the time of application.

In each case the amount of money that would be offered any applicant and the conditions of the loan or grant would be determined by the Student Fund Finance Committee in their recommendations to the Pontiac Social Planning Council.

Thirdly- In such a program both our students and our County stand to benefit . It would be an ideal situation to have some of our very own students return to Pontiac and bring with them their individual talents and contribute to the growth and betterment of this great community.

We have an urgent need in Pontiac County for a program such as this. A program that will assist our students today and benefit our County tomorrow.

We respectfully and very enthusiasticaly solicit the support of every industry, of every church, of every business, of every financial institution, of every municipality of every club, of every association, indeed of every citizen of Pontiac County, be they young or old, rich or poor.

No matter what your language, no matter what your religion, but just as a business person, as a member of a club or association, or just as an individual, please help with your time and money with a donation to your "student fund".

Mail your donation, small or large to: The Secretary Treasurer, Pontiac County Social Planning Council, Campbell's Bay, P.Q. Please specify "For Student Fund" and include your full name and return address so that an official receipt may be issued for income tax purposes.
Any and all donations will be gratefully accepted.

All donors names will be published in the Shawville Equity unless otherwise requested by the donor.
Come on Pontiac, let's really build a fund and future for more Health and Social Services for ourselves, our neighbours and our community.

Don't just be a good citizen, be a better citizen and support "The Pontiac County Social Planning Council Student Fund, today.

Yours in anticipation,
John A. Godmere, Program, Co-ordinator.

Pontiac's Problems

by Dorothy Yemen

Premier Bourrassa has a stock answer for questions on Bill 22, especially for the young: "GO BACK TO SCHOOL!" he advises in loud and impatient voice. This might work for the young if they put their minds on it but it is definitely not going to work for the old, and lately I've found myself humming that grand old WASP hymn: Shall we gather at the River, the beautiful -- the beautiful Ottawa River? How about you?

Concrete mental blocks prevent me from learning French -- even the variety as strangely accented as Premier Bourrassa's English! But let's give him credit. He is working at improving his English.

Back about 1918 on the prairies, school began in one of those little red jobs, without indoor plumbing, where nervous beginners during the winter caught colds in their bladders and wet their pants if seated too far from the wood-burning stove. Fortunately, a rush of immigrants from Poland, Germany, the Ukraine, Scandinavia and Britain, (with no pill at the drugstore and fertility at an all time high), forced the authorities to build a new school -- a magnificent structure containing 4 rooms. Unless one was retarded or did not have a clever older brother who spent his entire school years yelling WHAT'S WRONG WITH YOU -- HOW CAN YOU BE THAT STUPID? but who did grudgingly tutor sister in what she had not learned in school, one finally arrived at Room 4, bulging with inhibitions, where the "big kids" waited to pounce and the Principal taught all subjects in grades 9, 10 and 11 -- an impossible task. Ours was a do-it-yourself or get-your-brother-to-help system of education. How I ever learned to read and write remains a mystery.

Unfortunately, by the time sister reached French in grade 10, clever brother had thankfully fled to study grade 12 elsewhere. Father, a proud self-educated Scot, alarmed by this situation, constantly expostulated in stricken tones: "Now listen to me, Dorothy -- you've got to work HARD. You must not let those IMMIGRANTS beat your marks." This seemed very peculiar reasoning because Father was brought to Canada at age 2 -- also an immigrant, but the impression remained that Scottish people were superior to the general run, and almost automatically excelled in everything. The Principal was English. He could not pronounce French words. Neither could the students but some were worse than others. **The day always came, in spite of strange diseases that often kept one bedridden at home, when Teacher said: "Dorothy, please stand and read page 23 -- in FRENCH!!!" Actually, she could not rise without nausea in the presence of 50 smirking faces and read simple English. But brave unto death, near collapse, she mumbled gibberish to the bottom of page 23 while her beloved classmates in 9, 10 and 11 laughed themselves into hysteria. Traumas at school were a dime a dozen, and also at home where the honour and glory of Scotland had been destroyed -- but blessed amnesia has blotted out that final mark in French. God was good. In grade 11 French was dropped and Latin appeared. Not even the clever immigrants thought Latin was funny.**

Needless to say, WITHOUT ONE FRENCH KID plodding along beside us during those 11 years who might have helped with pronunciation, English won a smashing victory in the west. And where were those Frenchmen who should have been pioneering with other Europeans in my home village? All safely crouching in Quebec, no doubt.

Some people ask: "Why did you move here?" Honestly, folks, we never claimed to be omniscient. Could we visualize French signs on Shawville buildings? Did we know that English income tax forms might become extinct? Western WASPS, aware that the Jews were God's chosen people, believed that English was His chosen language.

If things get too tough, elderly prairie foreigners can move, but for people whose forbears settled in Pontiac generations ago, things are different. This is home sweet home for them -- in English.

A quote from a Michener book seems applicable here: "I have never understood this adultation of Moses. I calculate that in the 40 years he wandered about the desert, not knowing his ass from his elbow, he could have accomplished great things. For example, if he had led his people just 30 yards a day in the right direction, he would have landed them not in Israel but in England, and all this confusion would have been avoided."

The same goes for those British Moses-type forbears who settled in Pontiac County instead of Renfrew. Well, you can't win 'em all!

Grist and miscellaneous items

We hear from the Adult Education Service that two of the classes planned for this fall at Pontiac Protestant High School have been unable to start because they each lack a couple of students. The two classes are Typing (7 weeks, Mon & Wed, $24.00); and Bookkeeping (14 weeks, Tuesdays, $24.00). Anyone interested in either of these courses should contact Mrs. Hewitson between 8:30 a.m. and 4:30 p.m. at 647-5605.

Statistics Canada, in their most recent bulletin report on price increases in 14 regional cities across Canada, report that between August 1974 and August 1975 consumer prices indexes rose highest in St. John N.B. (13.3% and lowest in Ottawa (9.6).

Ponti Action is planning a members scenic bus tour on Sunday October 5. Buses will leave Campbell's Bay at noon and Fort Coulonge at 12.30. The tour returns to Fort Coulonge where a meal will be served at about 4.00 p.m. There will be a guest speaker. Ladies wishing to become members may do so by paying 50 cents to one of the following: Sr. Marie Massé, Ft. Coulonge, Alice Lawn and Jeanne Haley, Campbell's Bay, Grace Johnston, Otter Lake, Genevieve Cahill, Calumet Island, Rosaleen Dickson, Shawville, Juliette Trudeau, and Ellen Bronson, Quyon, Mme Bruno Alary, Luskville.

October 26 the first international flight is planned to leave the new airport Mirabel 34 miles northwest of Montreal, for Europe. Since Mirabel will be used exclusively by international flights, it will be necessary for most passengers going abroad also to make use of Dorval for flights from elsewhere in Canada. While a rapid transit system is planned to connect the two airports, it will not be in service until until 1980, and in the meantime a fleet of buses has been acquired to serve the purpose. It appears thus far that the authorities anticipate problems relating to the transfer of passengers and their baggage between the two airports. This is evidenced by the fact that they will not schedule anyone on a flight, from one airport, which departs less than three hours after the arrival of the connecting flight at the other airport. Adding to the problem is the fact that there are no arrangements for clearing baggage straight through, say, from London, England to Winnipeg. The passenger would have retrieve his baggage at Mirabel, arrange for its transportation over to Dorval, and hand it to his favourite airline there for hauling into Winnipeg. And all this by bus yet. Anyway, they assure us that things will be great after 1980, when those electric trains, operating at 100 miles per hour, and running at five minute intervals, whisk us, albeit clutching our bundles and bags, from one airport to the other in a matter of minutes.

Spending checks 'gone'

By KENNETH McDONALD

Ten years ago 495 separate votes were needed in the House of Commons to authorize Ottawa's spending.

But in 1969 rule changes reduced this number to 136, giving elected members less opportunity to vote on and criticize the various government spending proposals.

Committee chairmen, except in a minority government situation, are of the ruling party and are instructed to push estimates through as quickly as possible.

The Public Acounts Committee cannot examine the Auditor General's report on the previous year's spending until it is referred by the House of Commons. For its own political purposes the government delays referral of the report, sometimes for as long as four years. (In Australia, by contrast, the Auditor General's report must be referred for examination within weeks of the end of the fiscal year.)

As a result, Ottawa's spending has jumped from 5.7 billion in 1965 to $28.2 billion this year and that figure is expected to reach $32 billion by the time supplementaries, special loans and advances have been added.

• • •

How can this happen? How many small businessmen can afford to spend five times as much this year as they did in 1965?

• • •

Ottawa gets more to spend every year **without raising taxes** because rising incomes put people into ever higher income tax brackets and the revenue increases automatically. Even with indexing the income tax, the revenue still increases because the index is geared to past inflation and so lags behind the actual rate. Revenue in 1974, the first full year of indexing, was 17 per cent higher than in the previous year.

• • •

While this is happening Ottawa hires more and more "information officers" whose jobs are to present what Ottawa does in a favorable light. In 1973 the number of positions was increased from 747 to 1,125, many of them with salaries as high as $36,000.

• • •

The danger is obvious. On the one hand Ottawa removes the traditional parliamentary checks on spending. On the other it sets up a public relations screen to conceal the facts from the public.

• • •

In the end all politicians, even at the top, depend on votes. This is why the Canadian Federation of Independent Business urges its members and all Canadians to support their local MP. Individual MPs need visible support -- in the form of letters, telegrams, case histories -- to make themselves heard. Otherwise they are not listened to.

• • •

If Parliament loses its supremacy, if our MPs are prevented from exercising an effective check on spending and taxation, our free democratic society will be replaced by an authoritarian bureaucratic state.

Wyman Women's Institute

On Tuesday afternoon, the 16th of September, members of the Wyman Women's Institute gathered at the home of Mrs Roland Graham in Bristol to say, not "Goodbye" but just "So long", to one of their members soon to move to Ottawa.

Mrs Muriel Kelley, a member of the Institute since coming to the area thirty years ago and continuing that membership after moving to Shawville, now is going to Ottawa. She will be greatly missed but there is every expectation that she will often be back.

For there is something unique about the Wyman Women's Institute since it was formed over 60 years ago. It persists even though the authorities would have us believe the place is no longer in existence. Once a member of that Institute, always a member. The Elmside Institute joined in a body a few years ago. Now we find members in Bristol, Shawville and Renfrew. The latest development will be one in Ottawa for Muriel will often be back.

Nevertheless, the members met to wish her well, to give her a small token of their esteem and to enjoy a very pleasant afternoon together.

Ladysmith T.C.R.A. holds successful shoots

The second annual trap shooting contest was held at Ladysmith on September 7th, with ten competitors entered for the trophy donated by E. Schrankler. For the second consecutive year, Robert Hitz was the winner. In the doubles competition, a first-time event, Desmond Pasch emerged the winner.

The annual turkey shoot took place on September 14, and was attended by many out of townshooters.

Shawville Council minutes

Shawville Council met on September 16, 1975, with Mayor Young presiding and Councillors Black, Hobbs, Hodgins, Orr, Richardson and Schwartz present.

Minutes of the previous meeting, as circulated, were approved on a motion by Edgar Schwartz and Bill Orr.

Tenders for Caretaker-Manager of the Community Centre and for rental of the booth were read.

Moved by Bill Orr and seconded by Edgar Schwartz that the tender of Gerald Bean for the sum of $10,000 for eleven months, and $50 per month for ten months for the booth, be accepted.

Tenders for snow removal were read and discussed.

Moved by Royce Richardson and seconded by Allan Black that the tender of Grant Murray for snowplowing, at the rate of $21.00 per hour, be accepted.

Moved by Edgar Schwartz and seconded by Bill Orr that the tender of B & H Drainage for bulldozing the snow dump, at the rate of $12.00 per hour, be accepted.

Moved by Carson Hodgins and seconded by Bill Orr that the tender of Sydney Hodgins for loading snow, with Euclid loader, at the rate of $18.00 per hour, be accepted.

Moved by Edgar Schwartz and seconded by Allan Black that the tender of B & H Farm Drainage, at the rate of $7.00 per hour, the tender of Harvey Smith, at the rate of $9.00 per hour and the tender of Sydney Hodgins, at the rate of $10.00 per hour for hauling snow be accepted.

These contractors are required to produce proof of insurance and be responsible for property damage.

Correspondence was read.

Moved by Bill Orr and seconded by Allan Black that agreement be signed and arrangements completed with the Canadian Transport Commission for the construction of a railroad crossing at Victoria Avenue for a continuation of Victoria Avenue to the Site for the Home for the Aged.

Mrs Chega is to be notified that nothing can be done by the municipality to prevent surface water from running onto her property because her house was built below the level of the street.

Moved by Weldon Hobbs and seconded by Royce Richardson that we purchase on Olympic Imprint postage meter die for the sum of $150. in aid of the Summer Olympics 1976.

Application has been made for a grant for a Local Initiatives Program. It appears that no assistance is available from Canada Manpower in Campbell's Bay to complete these applications.

By Law Number 195- A By law to amend By-Law Number 83 and By law number 183, and to establish a rate of remuneration for mayor and councillors.

Whereas the Mayor and Councillors of the municipal corporation spend a considerable amount of time, energy and resources to administer the affairs of this corporation and to meet the needs of its constituents:

Whereas this coporation is empowered under the Municipal Code to enact a by-law concerning the remuneration to be paid to its mayor and councillors:

Whereas the council of this corporation deems it expedient to enact such a by-law and to repeal existing by-law number 83 and by-law number 183, concerning such remuneration.

and WHEREAS notice of motion has been regularly given; NOW THEREFORE it is hereby proposed by Councillor Carson Hodgins and seconded by Councillor Royce Richardson that:-

ARTICLE 1- By-law Number 83 adopted by this corporation on August 9, 1966 and By-Law Number 183, adopted May 5, 1970, be and are hereby repealed for all legal purposes.

ARTICLE 2— It is hereby enacted and ordained that the Mayor be paid a yearly remuneration of $2000 and that each councillor be paid a yearly remuneration of $1000.

ARTICLE 3— The present aforementioned remuneration to be paid to the Mayor and Councillors shall commence as of the first day of November 1975.

ARTICLE 4— The present by-law shall be and remain in force from the first day of November 1975 until otherwise revoked, repealed or amended according to the provisions of law in such cases made and provided.

Nothing in the present by-law will affect or change in any way the remuneration as mentioned in By-law No 83 and By-Law No 183, presently paid to the Mayor and councillors.

THUS ADOPTED by the Municipal Corporation of the Village of Shawville, this 16th day of September 1975.

Adopted by a majority of four to two.

RESOLUTION that a public meeting of ratepayers be held on Monday, October 6, 1975, between the hours of 7:45 and 10:00 p.m., for the purpose of approving or disapproving of By-Law Number 195.

Moved by Weldon Hobbs and seconded by Edgar Schwartz that $200 be donated to the Pontiac Historical Society.

Moved by Bill Orr and seconded by Carson Hodgins that necessary funds be transferred from the general bank account to the Bond and Coupon account.

Moved by Weldon Hobbs and seconded by Royce Richardson that the Assistant Assessor be paid $200 for 1975 assessment.

Moved by Carson Hodgins and seconded by Allan Black that the expenses of the secretary-treasurer be defrayed if she attends the Union of County Councils meeting in Montreal in October.

This council firmly supports the project under discussion to convert the Ottawa River into a navigable stream for pleasure craft.

RESOLUTION that town employees be instructed not in incur any expense over $100 without a purchase order and authority from a member of the committee in charge.

Accounts amounting to 5153.73 (with one exception) were approved for payment on a motion by Royce Richardson and Allan Black.

Moved by Royce Richardson and seconded by Allan Black that $108 be paid to Shawville Softball League for cutting grass.

Adjournment moved by Allan Black at 11:35 p.m.

Snowmobile Club reports on Activities

The Shawville & District Snowmobile Club reports a most successful year, culminating last week in the donation to Pontiac Community Hospital of funds to cover the cost of four new cribs. The money was raised last January 26, the day of the winter's worst blizzard, when 45 snow machines went on a hundred mile Marathon . A hot dinner was served that day to the drivers by the T.C.R.A. at Ladysmith, and in the evening, Club members served a hot supper to the snowmobilers and their supporters.

Prizes on that occasion went to Barry Bean, the youngest driver; Keith Bean, the oldest driver; Dick Meisner, the most highly sponsored driver.

Other Club activities during the year included the annual kick-off party last November, when Les Smart won a Rupp snowmobile helmet donated by Elburn Bean's Pontiac Wheel Alignment; The Carnival at the beginning of March, which featured trail-runs, games, a fashion show and beauty contest with Bill Black as commentator, and at which Harly Richardson and Tommy Orr were the most glamorous contestants; an outing and bonfire at the Sand Bay gravel pit later in March; the annual snowmobile dance; and finally, a special meeting in May where the Club voted to join the Pontiac Snowmobile Drivers' Association, which is designed to maintain better and safer snowmobile trails.

Council minutes from Calumet island

At a regular meeting of the Council of the Municipality of Calumet Island held at the usual place on Monday the 8th day of September 1975 at 8 p.m., present were Mayor Marcel Pigeault, councillors Pierre Asselin, Florimond Corriveau, Rejean Dumouchel, Gabriel Mantha and William Newberry.

Moved by Newberry and seconded by Corriveau that the minutes of the last meeting be accepted as presented.

Moved by R. Dumouchel and seconded by Asselin that the invoices for the month of August for the sum of $4,911.83 be paid.

M. Gerald Hamelin requested that the ditch bordering the road along his property be cleaned.

M. Oscar Dumouchel requested that the culvert, across the road between range 3 and 4 and in line with his property, be inspected and the necessary maintenance done.

The Fish and Game Club Cadieux du Grand Calumet Inc. represented by its president and M. Albert Berard requested that council consider keeping (if ajudged to the municipality) certain parcels of land for the use of all the population of the municipality, rather than to sell this land.

Moved by Mantha and seconded by Newberry that a letter be sent to the Ministry of Transport requesting that the necessary maintenance be done on the road leading into the municipality.

Moved by Asselin and seconded by Corriveau that the municipality purchase the necessary land in ranges 1 and 2 of the Reserve to improve Mountain road. The land required is part of lot 7, Reserve 1, 1.54 acres and part of lot 7 Reserve 2, 3.13 acres.

Moved by R. Dumouchel and seconded by M. Dumouchel that a donation of $50.00 be granted to the Pontiac Plowmen's Association.

Moved by Mantha and seconded by M Dumouchel that the municipality sell to Mrs Marie-Flore Berard lot 14D6 in range 1 for the sum of $300.00 . It is understood that this lot was purchased March 10, 1973, but that a resolution was not adopted at that time.

Moved by Asselin and seconded by Mantha that the trailer and pump property of the municipality be sold to Mr Albert Caron for the sum of $350.00.

Moved by Mantha and seconded by Asselin that the secretary-treasurer be authorized to sign necessary contracts and other documents pertinent to the application for a Local Initiative Program grant.

Moved by newberry and seconded by M Dumouchel that a construction permit be issued to Mr David Graham although his lot does not conform to by-law 105, provided Mr Graham installs a sealed sceptic tank.

Moved by R Dumouchel and seconded by Mantha that a letter be sent to the ministery of Transport requesting that they take over 12 months of the year the maintenance of the road between the village and Tancredia.

Moved by R Dumouchel and seconded by Newberry that the refrigerator offered to the municipality for $150.00 by Mr Sauve be purchased for use at the municipal hall.

Moved by Newberry and seconded by Corriveau that a party be organized to accumulate funds for the purchase of equipment for the fire truck.

Moved by Asselin and seconded by Mantha that the meeting be closed.

Shawville Hospital Auxiliary meeting

The regular meeting of the Shawville Hospital Auxiliary was held at the hospital Tuesday, September 9. There were fifteen present.

Meeting opened with a reading "The Best Part of a Vaction"

The President thanked the members for their many donations of food and variety of articles which helped to make the Trade Fair Sale a great success.

The minutes of the last meetings were read by Margaret Lang, Secretary, and approved. The Treasurer's report was given by Mrs Kenneth Smith in the absence of Miss Gamble, T reasurer.

Mrs Marks spoke on the news of the hospital and the needs at this time.

There is a considerable amount of mending to be done, so it was decided to have the four sewing machines put in order.

Each member was asked to donate a Bib instead of buying material to make them for the patients.

It was approved that bills be paid - Praying Hand pens $70.00, Material for afghan- $2.62.

There were six afghans brought in finished. This is a Christmas project for patients in Ade Home.

Donations- One Woolen Baby Set, one Candle.

Twenty two articles were mended.

It was decided to have a "Bring and Buy Sale" at our October meeting.

The meeting closed repreating the Mizpah. Benediction. Then refreshments were served.

McCambley - Lepine

On Saturday, September 13, 1975, in St Joseph Church, Ottawa, Betty Ann, daughter of Mr and Mrs K. Lepine of Ottawa, became the bride of Gordon McCambley, son of Mr and Mrs Tommy McCambley of Venostâ, Quebec.

Given in marriage by her father, the bride chose a floor length gown in white velvet. Her catherdral illusion viel fell softly from a Juliet Cap encrusted with tiny seed pearls. She carried a bouquet of American Beauty roses.

The bride was attended by Miss C Donavan of Montreal, wearing a floor length gown in yellow and carrying a bouquet of white carnations.

Bridesmaids were Miss Isobel McCambley of Venosta and Mary McCambley. They wore similar ensembles in floor length gowns in mint green and carried bouquets of yellow carnations.

The little flower girl was Cathy Carroll of Ottawa who wore a long white gown and carried a basket of mixed flowers.

The ring bearer was Master Shawn Hogan of Ottawa.

The groom was attended by his brother, Miachael McCambley of Venosta and the ushers were Paddy Henry, cousin of the groom, and Robbie Hayes, cousin of the bride.

Following a reception at Public Alliance Bldg, Ottawa, the couple left for a honeymoon in Niagara Falls, N.Y.

Mr and Mrs Gordon McCambley will live in Ottawa, Ontario.

As many homemakers are finding out, it's not enough to save money on food when you buy it. In these times you have to save after you cook it too. You have to know how to handle leftovers!

A large cut of meat, for instance, can make three

meals: a roast, a stew and hamburgers.

Leftover vegetables can be given a new lease on life when mixed together and covered with a tasty white sauce made from two tablespoons of butter, two tablespoons of flour, one-half teaspoon salt and two cups of milk for each cup of vegetables.

Cold fish can be turned into a delicious dish if you top it with a blend of dairy sour cream and pickle relish.

Bits of meat and vegetables too few to make a meal can be turned into a delicious casserole with noodles or rice and lots of cheese.

Treat you leftovers right the second time around, and there probably won't be any leftovers left over for a third time.

YOU AND YOUR DIET

SIBERIAN HERB GIVES LIFT TO COSMONAUTS

If you were a Cosmonaut or Soviet Olympic competitor, Siberian Ginseng would be part of your daily diet. The reason: research by USSR Ministry of Health indicates that a small quantity of this herbal liquid extract used regularly in their diet helps reduce fatigue, increase resistance to stress, and improve physical as well as mental capacity.

Siberian Ginseng actually comes from Siberia. Although a relative of Oriental ginseng, used by the Chinese for more than 4000 years, the Siberian variety (Eleutherococcus senticosus) is more effective and more uniform in potency. This is particularly true when alcohol is used in the extraction process and the ginseng is taken in the liquid form.

DIRECTORS: Allan Bruce, Iva Dale

REGISTRATION FEE - $1.00

JOYBELLS- A wonder program for four and five year olds which provide a program geared to their levels. They involve the child so he learns and feels and grows as he experiences the biblical message in a relaxed setting. The lessons take into account the whole child-- his body, mind, and spirit.
CYC (Christian) is an interdenominational Christian weekly activity program.

CYC is designed to help each child develop as Jesus did - mentally, physically, spiritually, and socially, "And Jesus increased in wisdom and stature, and in favor with God and man" (Luke 2:52).

Heralds is an exciting achievement program for wiggly primaries (grades 1, 2, and 3). The first-grade Herald begins an exciting climb up the Herald award ladder. Each of the four areas of emphasis is covered each year in greater depth with new and different requirements. The four award areas are: Help at Home, Know the Bible, Do Good Deeds, and Learn About Missions.

During his climb, the Herald earns a star on his award card for each requirement he completes toward earning the seal and patch. This award card allows the Herald to receive tangible and immediate recognition for his work. The Herald may wear the award patch received at Honor Council on an award sash or on his Herald beanie.

Cadets (grades 4, 5, and 6) participate in a three-year incentive program which provides the opportunity for each Cadet to earn up to 65 awards while working toward the Highest Award.

Cadets advance in rank each year. Fourth graders are Pals, fifth graders- Volunteers, and sixth graders - Messengers. Each rank has specialized requirements for earning the monthly pins. These pins are based on the description of the Christian soldier in Ephesians 6:10-17.

Crusaders (grades 7, 8, and 9) earn badges in Church Loyalty, Citizenship, Mission, Public Speaking, Sunday School, Youth, Camping, Hobbies, and Crafts.

Crusaders advance in rank each year. Seventh graders are Travellers, eighth graders - Explorers, and ninth graders - Discoverers.
Each rank has specialized requirements for earning various badges.

A banquet was held at the Forest Inn Hotel on Friday, September 12 to honour the three fastball teams of Bryson. The banquet was sponsored by the Bryson R.A. and the Bryson Lions Club, and was organized by Paul Ranger.

Congratulations to all ball club members were expressed by Lions President Real Sicard and by Ed Gutoskie, who also observed that there should be a great emphasis on coaching the youngsters, because "pretty soon the present league members will be too old".

Seated at the head table were Mr and Mrs Ron Tanguay, David Walls, Cathy Mathers, Mr and Mrs Paul Ranger, Mr and Mrs Dwight Tanguay, Mr and Mrs Real Sicard, Mr and Mrs Ed Gutoskie.

A Team Trophy was presented to Sonny Germain, sponsor of the "Big Red Machine" team, winners of the Playoff Championship.

The O'Keefe M.V.P. trophy went to co-winners André Bergeron and Ron Tanguay, presented to the winners by Ed Gutoskie.

League's Best Outfielder trophy was won by Wayne Troke, and was presented by Dwight Tanguay.

Playoff Championship trophy, won by the "Big Red Machine" team, was presented by Paul Ranger to David Walls and Pete Cahill.

The Shawville Open Fastball Tournament was won by the Bryson All-Star team, made up of the best players in the Bryson League. The O'Keefe Trophy for this win was presented to All-Stars coach Murray Ostrom by Paul Ostrom.

The O'Keefe Trophy awarded to the M.V.P. of the League champions team went to Sterling McCorriston of the Big Red Machines, and was awarded by David Walls, coach.

Best League Infielder award went to André Bergeron.

League Championship Trophy went to Ron Tanguay's team.

Dwight Tanguay presented a trophy to Bob Essiambre as M.V.P. of his team.

Rifle Shoot at Ladysmith

The Ladysmith Hunting and Fishing Club held a competition for rifle shooting on Sunday, September 21, with trophy prizes. There were two classifications - open sights and telescopic sights - and 22 competitors.

Winners were: Open sights - Desmond Pasch 1st; Douglas Bretzlaff 2nd; Rod Kelly 3rd.

Telescopic sights: Larry Hitz 1st; Ernest Schrankler 2nd; Rod Kelly 3rd. Two ties in this classification added to the excitement. Larry Hitz and Ernest Schrankler were in a first place tie after five rounds, and Doug Kirkham and Rod Kelly were in a third place tie. The winners were decided by a one-shot showdown.

RUN-A-THON

by John Petty

Saturday, October 4th, students of Pontiac Protestant High School will participate in a Run-A-Thon at the Shawville fair grounds. The objects of the run-a-thon are to assist athletics at the high school and develop a sense of responsibility in the student body. Students have now been given pledge sheets and will soon be canvassing the community for your support. Help give them the opportunity to achieve something on their own!

Pontiac High School cross-country teams are already off and running with one meet already under their belts. This Friday they host eight schools from the Upper Ottawa Valley league.

The measure of success gained in Petawawa last Friday offers encouragement for the coming season. Quantity breeds quality and with close to forty runners forming this years team, several newcomers have already made their presence felt. Some of the promising new additions among the girls team include Michelle Anderson, Kelly Brownlee, Tanya Fulford and Lorraine Nugent. Joey Richardson, Ron Lance, Alfred Beaudoin, Haim Cohen, Adrian Calvert are among those who add new strength to the boys team.

Returnees expected to have an impressive year include Esther Bronson, Phyllis Smart, Mary Horner, Royal Soucy, George Horner, Steve Jodoin, Ron Beattie, Les Orr, Tim Smart, Gerry Nugent and Brent Manwell.

Success in cross-country is a combination of perseverance and desire, qualities that seem abundant in this years team.

In Memory

DOUGHTERTY- In fond and loving memory of a dear husband, father and grandfather James H. Dougherty who passed away September 25, 1954.
There's a face that haunts us ever,
There's a voice we long to hear,
A smile we'll remember forever
Through we try to forget every tear,
There's a sad but sweet rememberance,
There's memories fond and true,
There's a sad token of affection,
And heartache still for you.
Sadly missed by wife Pearl daughter Geraldine, grand daughter Ann. 8488XS24

FLEURY- In loving memory of a dear Dad and Grandfather Lucien Fleury who passed away September 28, 1973.
Sadly missed, Lucille, Gil, Gillie, Joey and Julie. 7972BS24

RACINE- In loving memory of our darling daughter Francoise who died accidently September 25, 1971.
No one knows our heartaches
Only those who have lost can tell
God took her home it was His will
But in our hearts she liveth still
Days of sadness still come over us
Tears in silence often flow
For memory keeps her ever near us
That she died four years ago.
Sadly missed and always remembered, Mom, Dad and family. 8069XS24
