LATEST REGULATIONS AID AUTOISTS, PEDESTRIANS

Speed: 30 mph
Parking: 4 hrs

Pedestrians and motorists alike will benefit from the newest amendments to the Westmount traffic bylaws, Chief R. A. Byford told The Examiner last night.

"Great care has been taken" he said, "to protect autoists and pedestrians from each other".

Highlights of the newest amendments include a speed limit of 30 miles an hour, one of 20 in specific zones, and four hour parking except where otherwise specified.

Chief Byford has warned drivers that splashing pedestrians with water, mud or slush has been outlawed. Motorists must slow their speed to prevent splashing pedestrians or car windows.

The speed law has been set at

Eva Kun, Jan Erdely Lead Fencers To Victory As Canadian Titlists

Westmount "Y" fencers stole the show at the Canadian Fencing Championships at Palestre Nationale, Friday, Saturday and Sunday.

The ladies' crown was captured by Eva Kun, Westmount "Y" star, followed by her team-mate Mrs. Jarmila Vokeral in second place. Betty Hale, a third member of the Westmount "Y" fencing club, in a comeback appearance after a long lay-off, displayed fine technique in taking fourth place.

J. Erdely, a former fencing master from Hungary, and coach of the last British Olympic fencing team, who now fences at the "Y" took the sabre title easily. The sabre event was also dominated by "Y" fencers with Bob Cardoza, second; Roland Asselin, fifth and Allan Howard, sixth.

Geo Tully (McGill) a former Canadian Olympic fencer and three weapon Canadian champion for three successive years turned in a fine performance to take third place.

The tournaments were marked by many fast exchanges of attacks highest degree of skill ever displayed and counter-attacks. Probably the played in a Canadian fencing championship was to be seen during the sabre competition especially.

Canadians are very fortunate to have such Europeans as Eva Kun, Jan Erdely and Stephen Vamos here to improve their technique.

Mr. Vamos particularly, is responsible for the great improve-

Galaxy Of Local Sport Greats Greets Boys At Unity Dinner

Wesley Bennett, 12, of 806 Walker avenue, was just one of about 150 boys present at the first annual Father and Son Banquet and Sports Night at the Unity Boys Club Monday, but his reaction was typical of all — a real swell evening.

Unity officials presented 111 boys with crests for playing on club sponsored hockey, basketball, softball and baseball teams, while the boys stared wide-eyed at a galaxy of sport stars present.

All the major sports had stand-out representatives present, in addition to officials from the Red Feather Organization and Westmount Rotary Club.

Tex Coulter, Sam Etcheverry and Tom Hugo from Alouettes, Dickie Moore and Jean Beliveau of the Canadiens, boxer Armand Savoie, Joey Richman, commissioner of Biddy Basketball, Frank Shaughnessy, head of the International Baseball League and Al Parsley, columnist with the Montreal Herald, all participated in a question period, directed by Russ Taylor of CFCE.

The children present pointed their queries at one of the luminaries present, as a feature of the evening's program.

Entertainment by some of the children from the Unity Talent Parade was also served up, and the youngsters put on a topnotch show.

The head table guests were pre-

sented with souvenirs made in the Boys Workshop, by lads of nine and 10, at the end of the night. Another feature was a singsong conducted by Herb Davies and Fred Pennell.

The dinner was chaired by Bill Allison, president of the Westmount Rotary Club, sponsors of Unity Boys, while the official wel-

Vocational Service Rotary Lunch Topic Of James Busfield

Many ways to improve the vocational service of a Rotary Club were suggested at the weekly meeting of the Westmount Rotary Club by Jim Busfield, member of the Rotary Club of Montreal.

In a talk on "Vocational Service," he said that clubs might, to better employee-employer relationship fields, have groups of inspecting Rotarians visit other members' businesses. Panel discussions amongst members and classification talks were other topics.

Busfield, executive secretary of the Quebec Easter Seal Society, said it was necessary for all vocations to be dignified, as a means of serving society as a whole. Rotarians should also encourage and foster their friends to look

CONTEST
How Well Do You Know Your Club? Question No. 7. Last year Club members elected two boys and two girls to the Unity Boys' Club Royal Family — The King, Queen, Prince and Princess. Who were they? Submit your answer in writing to the Club Office not later than Thursday, November 26. The correct answer to question No. 5 which was: The Unity Boys' Club of Westmount is affiliated with five other M.B.A. Boys' Clubs. Name them . . . The answer: East End Boys' Club, 79th Battery, St. Columba House, Kinsmen Boys' Club of Verdun and the Lions Boys' Club of Montreal. There was some confusion regarding the new Point St. Charles Boys' and Girls' Club which is in process of being built, but as yet has not been officially opened and could not be included in the M.B.A. Clubs at the present time.
 Only three questions remain in the Contest. To-date 10 contestants have a perfect score — the total participation numbers 124.

Speed: 30 m.p.h. . . .
 (Continued from Page 1)
 30 m.p.h., on all Westmount streets and 20 m.p.h. in school and playground zones, in lanes, on curves, in commercial districts, when passing a safety zone or descending a steep hill and at intersections.
 The revised bylaw gives further protection to pedestrians waiting for trams at stops not equipped with safety zones.

When the tram is 50 feet from a zoneless stop motor vehicles must slow down so they won't pass the rear of the street car. Drivers can't proceed again until the tram has started. Where there are safety zones they must exercise caution.

On the other hand, the law prohibits pedestrians from entering crosswalks at intersections where there are special lights for them unless they face a green light or walk signal.

When parking their cars motorists must lock the door and ignition and set the hand brake. On an incline the wheels must be turned into the curb.

Horse drawn vehicles are prohibited from the streets between sunset and sunrise unless they are equipped with one or more lamps.

Drivers are prohibited from changing direction or crossing from one side of the street to the other except at an intersection or to enter or leave a garage, parking lot or private driveway.

When entering lanes or driveways on certain streets drivers must do so from the direction of the traffic lane on the same side of the street they are located.

These streets are St. Antoine, Dorchester, St. Catherine, Western, Sherbrooke, Cote St. Antoine, Westmount, the Boulevard, Atwater, Greene, Kensington between Sherbrooke and Cote St. Antoine and Victoria between St. Catherine and Sherbrooke.

On entering a street from a lane or driveway drivers must always turn to the right unless on a one-way street.

Parking is prohibited within 25 feet of any fire hydrant, fire station driveway, street excavation or obstruction, stop or slow sign.

It is prohibited within 40 feet of an intersection, 30 feet of a tram or bus stop, 125 feet of an intersection equipped with automatic traffic signal detectors and 75 feet of the other side of the intersection.

Parking is also prohibited in front of a private driveway and within 25 feet of an entrance or exit to a theatre, church, hospital, school or public assembly hall.

The four-hour parking limit on all street and public places provides for drivers who move their vehicles in the same block or public place. There cars will be considered parked continuously.

The bylaw amendments do not apply to public utility or emergency vehicles when operating and sounding their warning device.

Hell, Death, Punishment Is Topic Of Evangelist

"Hell! Death! Punishment!" is the subject of the Bible message to be given tonight in the Seventh-day Adventist Church by Harold Brendel, evangelist. He will show from God's word exactly what happens to a person when he dies. Do you believe in Hell Fire? How long will fire burn if there is a Hell? Will we be punished if we are not saved? God's word has the answers to these questions and with colored pictures tonight illustrating these truths, Mr. Brendel will bring the truth to the attention of all who attend. The place, The Seventh-day Adventist Church, 4250 Western Avenue, in Westmount. The meeting is tonight at 7:30 p.m. Come early and enjoy the inspiring music as well as the singing. This is the third in a series of evangelistic meetings by Evangelist Brendel, local representative of the "Voice of Prophecy."

Y.M.C.A. Notes

Senior Life Saving Class: A class for Y.M.C.A. Senior Life Saving Techniques begins Saturday, November 21, 12:00 to 1:00 p.m. at Westmount Y.M.C.A. A boy must be 17 years of age to register for this course. Methods of approaching and towing a person in distress will be taught, also the new Neilson method of artificial respiration. This is an excellent opportunity for a young man to qualify himself as a swimming leader. Registrations may be made with Lew Waller, "Y" Physical Director, by calling GL 3916.

Basketball: Men's and Senior boys basketball groups meet Wednesday evening 8:00 to 10:00 and Saturday afternoon 2:00 to 4:00. Visitors and guests are welcome to drop in for a game with the gang. Registrations are now being taken for the "Hit and Miss" Basketball League which will commence early in December.

Junior Girls Swim Class: Enrollment may still be made in the Thursday 4:00 to 5:00 special swim period for girls. The class is divided into two sections, 4:00 to 4:30 Beginners and 4:30 to 5:00 advanced swimmers.

The following girls have passed Y.M.C.A. Progressive Swim tests during November:

One Star Test: Mary Black, June Mack, Sherrill Ruthman.

Two Star Test: Lois Anne Clark, Monica Damont, Anne Hewitt, Louise Starr, Carol Young.

PARKS DEPARTMENT

Bulbs for spring flowering were potted and plunged in the frames in the Nursery Yard. 13,300 bulbs were potted, 1,478 bulbs were boxed, 700 bulbs planted in nursery yard, 515 greenhouse plants were potted, 7,600 cuttings placed in sand and 1,500 plants boxed. Begonia plants which were donated by the city to the members of the Friendship Club were judged by the Superintendent on Oct. 7. The number of plants entered for judging was fair, and the quality good.

Tree work consisted of 65 pruned and 1 given bark dressings. The six Coronation Trees at Queen Elizabeth Gardens, and 8 trees on Sherbrooke street were fertilized, a total of 140 lbs of mixed fertilizer being used.

Samples of wood and bark from three elm trees suspected of having Dutch elm disease were forwarded to the Dominion Department of Agriculture for cultures. 1 public and 1 private tree were considered diseased and will be removed.

The mowing of grass ended on Oct. 6. The flower beds and borders were cleared of annuals and bedding plants. The beds were manured and fertilized and dug over in readiness for bulb planting.

11,460 tulips were planted for springflowering as follows: Westmount Park 4,796, King George Park, 2,840, Queen Elizabeth Gar-

Scrolls Presented To Army Engineers

A special meeting of the Military Engineers Association of Canada, Montreal Branch, was held in the officers' mess of the 3rd Field Engineer Regiment, Thursday, through kind permission of the CO, Lt.-Col. J. F. J. Morazain, MBE.

Scrolls were presented to the five winners of the Royal Canadian Engineers Memorial Scholarships, at present attending universities in the area.

In addition, there was a showing of a color film, "Maps for the Army," which told the story of the production of military topographical maps.

Concert Hall — 48 in the Banquet Hall and the remainder are fairly evenly distributed between the Green Room, Oak Room, Club Room and Lodge Room.

PUBLIC WELFARE DEPARTMENT

The General Hospitals and Institutions applied under the Quebec Public Charities Act on behalf of 14 persons.

32 Wreaths were placed on the War Memorial at the Commemorative Service.

22 building permits were issued, having an estimated value of \$282,350.00 (all taxable). 10 of these were new buildings and 12 additions, alterations or conversions. 3 jobs were completed and there are 101 jobs under construction.

SCAVENGING

846 tons of garbage and 121 tons of ashes were collected at a cost of \$7,622.00.

There were 52,576 collections and the cost per dwelling per collection amounted to 0.145. 250 inspections of garbage receptacles were made, bringing the total for the year to 2,538. 76 new cans were placed in service, bringing the total to 755. 8 special loads were collected.

Although built like a bear, the wolverine is imperfectly plantigrade, and does not climb trees like most of its allies. It lives in dens and burrows and does not hibernate.

Commerce Bank Christmas Plan

The first nation-wide Christmas Club plan in Canada, intended to help banish Yuletide financial problems, is announced today by The Canadian Bank of Commerce.

Bank officials said that the plan, which goes into effect Nov. 16 in preparation for Christmas 1954, had been designed to suit any budget. "After choosing a suitable plan," a spokesman said, "you simply make a small deposit once every two weeks throughout the year. At the end of 50 weeks — or 25 deposits — a cheque is mailed to you in time for Christmas."

In the United States last year, Christmas Clubs organized in banks and other savings institutions paid out \$1,023,000,000 to approximately 11,712,000 "members."

Stamp Auction Raises \$387 For Famous Westminster Abbey Fund

Westmount Stamp Club held a very successful auction Thursday for the benefit of the Westminster Abbey Appeal, the sum realized amounting to \$387.

So many donations were received that a second sale has been arranged to take place tonight at 8 p.m. at Victoria Hall. This auction was the highlight of the club's activities during Canada's National Stamp Week which is held this year for the first time across Canada under the sponsorship of the Canadian Philatelic Society in conjunction with the Canadian Stamp Dealers Association. The sale was attended by some 150 people, the largest attendance at a stamp auction in Montreal in recent years. The first lot was auctioned off by Mayor Roy Campbell, Mayor of the City of Westmount. Arnold Heckle, the United Kingdom Trade Commissioner in Montreal, gave a

short address and said that he was certain that the support given by philatelists in Canada this appeal for the Church of Coronation would be deeply appreciated in the United Kingdom.

Among the lots sold was a page of stamps donated by boys at the Shawbridge Farm Training School whose stamp club is being sponsored by stamp committee of the North Club of Montreal. In appreciation for the Club's help in raising funds last February for the Governor General's Fund for European Flood Relief several interesting lots were donated by some of Dutch members of the club.

The President of the club, Reg. Haldimand thanked all those who had contributed so much making the auction such a success. He also thanked press and radio who had helped so much publicizing the event. The proceedings were also televised. Mr. A. Christensen, a vice-president of the Canadian Philatelic Society expressed the Society's thanks for the splendid co-operation being given to the suggestion that the Chapters hold auctions for Westminster Abbey Appeal during Canada's National Stamp Week. Similar auctions are being held other chapters of the society the Montreal area and in other parts of Canada. He said that had received several very kind letters expressing the appreciation of philatelists in England for philatelists on behalf of the efforts being made by Canada Church of the Coronation.

The Fox and The Grapes

A HUNGRY FOX saw some fine bunches of Grapes hanging from a vine that was trained along a high trellis, and did his best to reach them by jumping as high as he could into the air. But it was all in vain, for they were just out of reach: so he gave up trying, and walked away with an air of dignity and unconcern, remarking, "I thought those Grapes were ripe, but I see now they are quite sour."

MORAL: Instead of saying "sour grapes" when you can't immediately attain your ambitions, build a ladder to success by opening a savings account with The Canadian Bank of Commerce. Add to your balance regularly and you'll soon be in a position to get what you seek.

American Revolution Current Events Topics

A flashback meeting with strips of the American Revolution was the feature of the Westmount High School Current Events Club weekly meeting Tuesday. Highlights were the Boston Massacre and Tea Party, the first continental congress, John Adams, the Declaration of Independence and the election of George Washington as first president of the United States.

In between this and the second set of slides, adviser J. K. Snyder spoke on the development of cabinet government.

The second group of slides concerned England in the 17th century. Both sets proved informative and enjoyable to the 85 members present.

A reminder was given that John Sheridan, star Alouette line, would be speaking on Dec. 8, a representative from Eaton's would talk on Dec. 15 about organizing of the Santa Claus Parade.

← Caught by our Roving Reporter in Chicago

The West End's own skating daughter, a former graduate of the Montreal Figure Skating Club, MARGARET MILNE, as she was caught and interviewed by an Examiner reporter who happened on Miss Milne, appearing with the Ice Follies of 1954, currently playing in Chicago. Margaret, who has been with the Ice Follies going on two years now, is pictured in costume in one of the fine production sequences titled "The Poodle Number", with which the Follies abounds this season, is really a credit to her home town and Canadian skaters for her smooth performance, not only in this number but in the many others in this outstanding ice show which is said to be the finest show Montreal will have seen, when it plays here early in the New Year.

Margaret had nothing but the highest of praise for the ice show and, when questioned on the mass precision numbers, said that this was due largely to the fact that each member of the Follies is weighed in weekly and fined for any increase or for being late for rehearsal. Her parents, Mr. and Mrs. Dawson Milne, now residing on the Lakeshore, were visiting with Margaret at the time, as Mr. Milne, sound engineer with Montreal's United Amusement Theatres, was in Chicago attending a motion picture convention.

Lovers Legend' Lead Gregory Friend

Gregory Friend, a local resident well-known for his stage ability, portrays the role of Monsieur Henin in "Legend of Lovers," first production this year of the McGill Players' Club.

Written by the French author Jean Anouilh, it will be staged in arena style under the direction of Norma Springford, well-known in Montreal as the producer of the Mountain Playhouse.

The play is a modern version of the legend of Orpheus and Eurydice, and enjoyed successful runs in Paris, New York and London. In the McGill production, Orpheus will be played by Heiko Schlieper, Eurydice by Gerda Rother and Mother by Corinne Copnick.

"Legend of Lovers" will be given six performances and started yesterday. Dates are Nov. 19-21 and Nov. 23-25. It is being presented in the Ballroom of the McGill Students' Union, Sherbrooke near University Streets.

Gregory Friend in his career has much to draw upon for his role. He played in "St. Joan" for MRT and had the title role in "Hippocampus" for the McGill English Department.

"Legend of Lovers" marks McGill's sixth Theatre - in - the - round production. Starting in 1949, McGill pioneered Arena Theatre in Montreal and since then this medium has become extremely popular.

TROPICAL FISH

The next meeting of the West End Tropical Fish Association will be held at MacVicar Hall, 579 Charron Street, Tuesday, November 24, at 8 p.m. Joseph Bourque will be guest speaker and his subject will be "Aquarium Plants."

What is a boy worth?

YOU CAN'T put a price tag on any young person. What he is worth to himself as an individual . . . what he is worth to Canada as a citizen . . . depends on the guidance he receives, the friends he makes, the habits he develops while he is still a young man.

For over 100 years the Montreal Y.M.C.A. has worked with the youth of Montreal to teach them good sportsmanship, co-operation, leadership, how to think for themselves . . . how to become responsible Christian citizens.

To this end the "Y" operates branches in nine areas of the city, three camps, maintains and operates Sir George Williams College, performs many other public services.

The Montreal Y.M.C.A. is 86% self-supporting. All but 14% of its costs are met through fees and other income. The "Y" asks that you help make up this difference by contributing generously to this year's annual maintenance campaign.

Wild Words

Mosher's Statement Is Challenge To Canadian Business

Speaking in Montreal recently Aaron Mosher, president of the Canadian Congress of Labor, uttered as wild as unwarranted words as ever fell from the lips of a supposedly responsible speaker. Mr. Mosher was speaking of Canadian business and he described it as "anti-public, anti-social, anti-Canadian, anti-democratic and anti-Christian."

Mr. Mosher made no attempt to qualify his statement or to apply it specifically, so it stands as his challenge to all business, big and little. As most Canadians either operate or work in some such little or big business they have a right to ask themselves: "Is this true of the business I know best?" And, if it isn't, there remains another question: "What confidence can I place in any other words that Mr. Mosher may speak, or in the motives behind his words?"

Without co-operation of business the gains of labor over the past years would have

been negligible. Industry itself and not the worker, has provided the new techniques, the new machines, the new models, the new markets that have made the worker's progress possible. Granted that it wasn't all done for the benefit of the worker, he was still the main beneficiary.

There is a legal axiom that any dog is entitled to one bite before he is assumed to be an enemy of society. We suppose a similar leeway might apply to any speaker. In the heat of debate he may be pardoned for some wild words. But when such words appear as a set policy to break down public confidence, to gain benefits by discrediting industry, they go beyond the one-bite amnesty. To take advantage of temporary set-backs to emphasize the hazards to the worker and to make them appear a planned policy; to cry depression when there is no depression, or any present possibility; to attempt to make it appear that natural adjustments and the seasonal character of certain industries are considered policies aimed at shaking-down the worker is to imitate Hitler's policy of "the big lie."

The eagerness of certain labor leaders to foresee depression suggests that they have a stake in depression. They can use it to hold themselves steady in the saddle. They can use it to discredit the employer in the eyes of the worker.

No employer wants depression. No employer wants depressed workers, or workers with no work and no wage. All he wants is continuing production on an economic scale. It is the only way industry can benefit, the only way the worker can prosper.

Christian Science

That man's true nature is found only in his reflection of God will be emphasized at Christian Science services Sunday in the Lesson-Sermon entitled "Soul and Body."

The Bible reading includes the account from Matthew of Jesus healing the palsied man, concluding with this verse: "But when the multitude saw it, they marvelled, and glorified God, which had given such power unto men."

Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth and Love. Immortal man is not and never was material, but always spiritual and eternal."

The Golden Text is from Matthew: "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light."

Westmount Baptist

"Chains that Bind about the Feet of God" will be the subject of the morning sermon in Westmount Baptist Church Sunday. "When I saw Him, I fell at His Feet." When men get to God's Feet, God sets them on their own feet. The title of the evening address will be: "Then Cometh the End." This will be based on that very remarkable passage in L Corinthians, Chapter 16, verses 24 to 28. "Then cometh the end when He shall have delivered up the Kingdom to God, even the Father... that God may be all in all." Visitors are cordially invited to these services.

Advent Church Choir To Present Recital Friday, November 27

Annual recital by the Church of the Advent Choir, Westmount, takes place in the Church, Wood and Western avenues, Friday evening, November 27, at 8:00 p.m.

The 42-voice choir will present a programme of religious music by such great composers as Bach, Handel, Mendelssohn, and Mozart. The recital will be directed by the organist and choirmaster, Lorne W. West.

Among the selection chosen for the presentation are: "Come Christians", "Now Let Every Heart Adore Him" and "To Thee Jehovah", by Bach; Handel's "Come Unto Him" and "O Thou That Tellest"; "I Waited for the Lord", by Mendelssohn; and "Alleluia", by Mozart. Featured soloists will be Masters Ronnie Downie, Verdun; Allan Lamb, Peter Bildfell and David Ross, all of Lachine; and Wayne Horton, a resident of Notre Dame de Grace.

Although the Church of the Advent is situated in Westmount, choristers are accepted from all districts in Greater Montreal. St. Lambert, Ville LaSalle, and Lachine are but a few of the many communities represented in the ranks of this choir. The purpose of the annual recital is to foster interest amongst boys in choral singing. Proceeds of the collection at the recital are devoted to the extension of the choir and the training of new choristers.

The Mint at Ottawa has produced all Canadian coinage since 1908.

St. Andrew's Church Westmount

The service Sunday evening will be a young people's service conducted by members of the senior young people's group. The message will be given by Rev. H. W. Reid. His subject will be "Modern Quislings." Immediately after the evening service the Senior Y.P. will hold its regular meeting in the Church Hall.

On Sunday morning, in the absence of Rev. D. M. Grant, (who will be conducting anniversary services in Sherbrooke, Quebec), Mr. Reid will conduct the service and will preach on the subject "Maintaining the Spiritual Glow."

The evening group of the W.A. will meet on Monday at 8 o'clock. On Tuesday at 2 p.m. the woman's association will hold their regular bi-monthly meeting. The men of St. Andrew's will hold their "Father and Son" supper meeting Wednesday at 6.15 p.m. At 4.00 p.m. on Thursday the Bruce Copland Mission Band will meet.

Well-Known Book To Be Reviewed At Church Meeting

Calvary Business Women's Club will hold its monthly Supper meeting on Wednesday, November 25 at 6.15 p.m. At this meeting the Minister, the Rev. Walter J. Spence, B.A., will review the book entitled "THE CARDINAL" by Henry Morton Robinson. This is a well-known book and should prove very interesting and inspiring. There is a question box at each meeting, when Mr. Spence answers questions submitted by the members.

Among the questions at the last meeting were — "Do you think that the standard of literature being published today is high enough to be of value or enlightening to the business girl?" and "Could you give a brief summary of the Moral Re-Armament Organization?" and "Who were the Essenes and what was their belief?" There is also a period for the giving of current events.

Ladies who are interested in this organization should call the church office for further information and reservations.

THEIR WORK ALSO THEIR HOBBY: Jules L. Hess, of N.D.G. (left) and Phil Gollob, of Snowdon, are both members of the Society of Interior Decorators of Quebec. They originate, design and produce the products essential to well executed, originally designed interiors, both residential and commercial.

—David Bier photo

The Importance of Contemporary Design Is Stressed In Crusade of Hess, Gollob

Two young men, Jules L. Hess and Phil Gollob, active members of the Society of Interior Decorators of Quebec, are crusading to convey to the public the importance of contemporary design. Mr. Hess, who is a great admirer of Scandinavian design, especially Swedish modern, thinks Canadian creative designers could also produce a greater quantity of distinctive furniture for Canadian residences and places of business. With other craftsmen and colleagues they are striving through the medium of lectures to groups and organizations, to develop and raise the standard of design for interiors to an artistic and functional level on a par with the best in other countries. "If the public can be educated to appreciate Canadian contemporary art and design," says Mr. Gollob, "we can keep our creative talent in Canada."

Many homes throughout the city and district reflect the ideas of these designers in specially designed and built furniture and appointments. Both know textiles from the weaving, through to screen, roller and hand printing. As mentioned before, they build their own furniture, designing it to suit a specific need.

Mr. Hess, born in Germany, served four years as apprentice after completing his scholastic studies. He attended art school in Frankfurt (Fuldu) and in 1937 went to Israel where he practiced as an interior architect. He also spent four years in the British Army. To his credit are the interiors of the British Legation in Damascus, Syria; the palace of King Abdullah; the residence of Dr. Simon, Minister of Protocol of the State of Israel; the headquarters of Salena Airlines in Israel; Ritz Hotel, Nathania; Zion Hotel, Haifa; and the Park Hotel at Tel Aviv. To broaden his experience he travelled in 1949 and studied in France, Italy, England and the United States. In 1952 Mr. Hess came to Canada and is now in business in Westmount with his associate, Mr. Gollob. Recently he has been heard on programs over CFCF and CKVL radio stations.

Mr. Gollob, a Montrealer, studied at the Beaux Arts, Montreal Technical Institute, Valentine School of Art and the New York School of Interior Decoration. He served an apprenticeship in cabinet making, upholstering and designing and has done research on textiles, printing methods, fabric weaving and design, raw materials, dyes, paints, etc.

This versatile young man holds a license in the Canadian Flying Clubs Association, and when going out of town often rents a plane for travelling. He is also an in-

structor of Judo at the YMHA in Snowdon, and has given lectures to B'nai Brith on traditional and modern design, color harmony, symmetry of lines and curves and textures. His latest interest is in conducting experiments by means of which he hopes to convey a sense, or feeling, of color to the blind, through vibrations.

Blind Teachers Take Cooking Course Help Sightless Housewives To Make Meals

The Canadian National Institute for the Blind held a baking and cooking demonstration in the Sheraton Hall of the Mount Royal Hotel Wednesday. Gordon Sinclair, of CFCF, welcomed representatives of press and radio and introduced Miss Claire Wallace, Canadian woman commentator, who acted as hostess on behalf of the institute.

Miss Wallace explained that there are 12 sightless teachers for the Canadian National Institute for the Blind under the supervision of Miss Fernande Tremblay. Six have now taken the special cooking course which was supervised by Miss Frances Little and Miss Francoise Ehard, dietitians for Robin Hood Flour Mills. The courses will be continued for the benefit of the other six teachers of the institute.

Miss Wallace introduced Mr. J. A. Godin, superintendent of the Quebec Division of the Canadian National Institute for the Blind, who spoke of the aid given by the institute to the thousands of blind in the province and who said that greater efforts were being made to teach the sightless housewife to care for all family needs. Miss Wallace introduced Miss Little, Miss E. Mard, and Miss Giselle Fournier of Moffats Ltd., who explained the braille markings which had been especially adapted on the Moffat Range.

A cake with an icing, a pie, muffins and salmon loaf were among the items baked during the demonstration. Afterwards Miss

Wallace introduced Mr. H. S. Labelle, Chairman of the Quebec Division of the institute, who thanked Robin Hood Flour Mills and Moffats for their assistance and co-operation. Thanks were acknowledged for Robin Hood by Mr. C. E. Soward, Vice-president and General Manager, who said that Robin Hood had been very happy to assist the blind, and were acknowledged for Moffats by Mr. D. R. Moffat, President of the Company. Miss Wallace acknowledged the help rendered the blind of Montreal by members of the Ladies' Kennel Club, the Women's Auxiliary and the Canadian Council of the Blind.

Revenue From The Sale Of Israel Bonds Provide Bare Necessities, States Chairman

Dr. Anne T. Batshaw of Westmount, Chairman of the Women's Division of the Montreal-Israel Bond Drive, is heading a special committee preparing a dessert luncheon for Wednesday, November 25 at 1:30 p.m., at the Mount Royal Hotel, at which Mrs. Alexander Lowenthal, National Chairman of the Women's Division of the United States, will be the guest speaker, and where Gladys Swarhout, internationally-famous opera star, will be the guest artist. In a statement to this publication, Dr. Batshaw said that the challenge of Israel's present urgent needs makes it imperative for every Jewish woman in the city to help complete the first phase of our Drive to sell Israel Bonds. Only the com-

bined efforts of every member of every Jewish organization will help reach the goal of perfection, added the Montreal chairman.

The Women's Division includes members of B'nai Brith Women's Chapters, Hadassah, Mizrahi Women, ORT, Pioneer Women, and members of the Sisterhoods of the Synagogues and other organizations. Almost 10,000 local women have mobilized their energies and their abilities to assure the success of the future projects of this Division. The devotion and understanding of these thousands of women have been a source of encouragement to the women of Israel who depend upon the revenues from the sale of Israel Bonds in this country to provide them with the minimum housing requirements, cooking utensils, clothing, and other bare necessities for existence.

Hospital "Travel Cart" Celebrates First "Birthday" \$1,400. Cheque Presented To President Of Auxiliary

The "Travel Cart" of the Woman's Auxiliary of the Reddy Memorial Hospital, celebrates its first anniversary. Under the convenership of Mrs. Oscar Nutik, a member of the Reddy Memorial Hospital Women's Auxiliary, assisted by the enthusiastic co-operation of the complete auxiliary membership and their friends.

In one year the Travel Cart has made over \$1,400.00 net, and on this occasion Mrs. Nutik is presenting the president of the auxiliary, Mrs. M. B. Mackenzie with a cheque for \$1,400.00 to further the plans of the auxiliary.

The Travel Cart first started its rounds last November, with a borrowed \$200.00, and a show-case donated to the auxiliary by Henry Morgan & Co. This show-case is kept well stocked and is located in the lobby of the hospital.

The Travel Cart is an accommodation not only to patients who are hospitalized, but to their visitors and the hospital staff.

It contains beautifully knitted baby sets, smocked dresses, cookies, jams, jellies, candy, cigarettes, gifts and novelties all made by the auxiliary members and their friends.

An amusing incident occurred this summer while a doctor and his family were on vacation at Prince Edward Island, they were loading their car for the return trip to Montreal when the husband picked up several bags, of what he thought were children's trash, he was about to throw the bags and contents away when his wife rescued them, they contained sea shells gathered on the shores of P.E.I. to be used to make ashtrays for sale on the Travel Cart.

Another member makes candle holders out of birch logs, she also dresses dolls in bouffant plastic dresses to cover boxes of face tissues. Very popular are nylon bouffantiere's.

A member of the auxiliary has named the project "Profits from Pennies," very appropriately.

A group of school children are busy painting pine cones, with aluminum paint and other colors to be sold on the Travel Cart, for Christmas tree decorations.

Rabbi Solomon Frank of the Spanish and Portuguese Synagogue as participants. All are welcome. Mrs. Roy Hoffman will preside.

IN THE Women's Realm Canadian Club

The Women's Canadian Club will hold its meeting at 2.30 p.m. on Monday, in the Ritz Carlton Hotel. The guest of honor will be Raymond Daniell, journalist, and his subject will be "The European Situation in Relation to Canada and the United States".

Fashion Show

Tamima Temple No. 10, Pythian sisters present their 2nd annual Fashion Show, "Prelude to Winter", on Thursday November 26, at the Bnai Jacob Synagogue, 172 Fairmount St. West, sponsored by Phyllis King. Members and Friends are cordially invited.

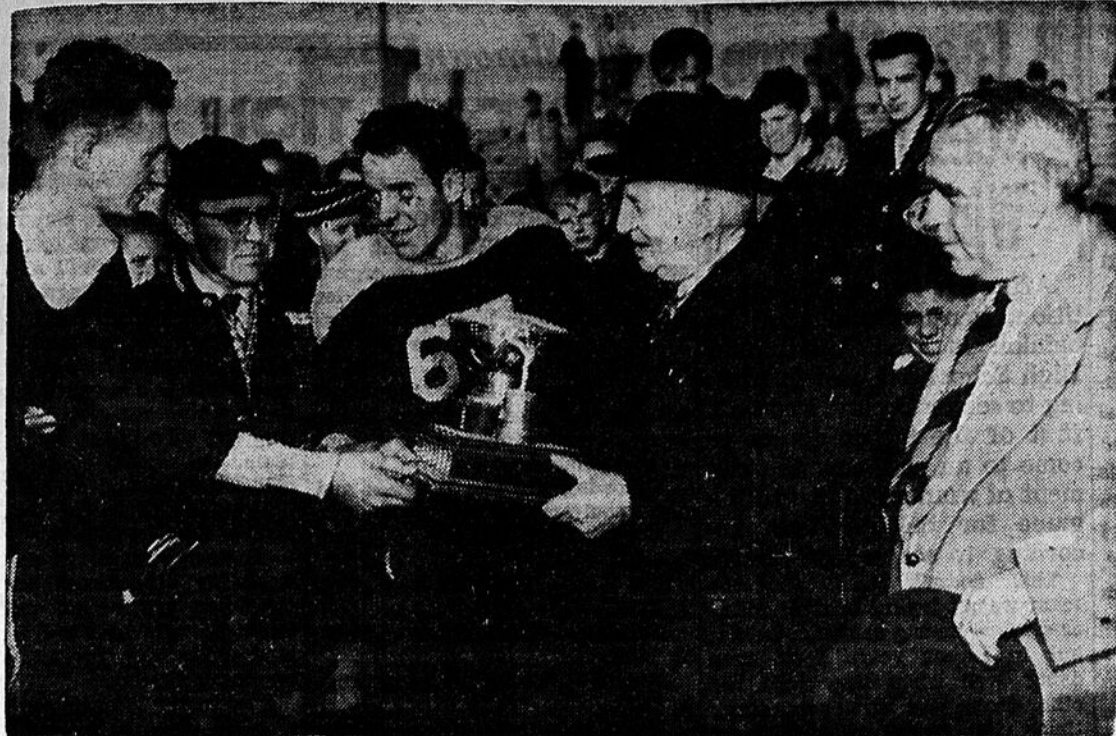

Zonta Club

Tuesday evening the Zonta Club of Montreal will hold a business meeting in Victoria School at 8 p.m. This meeting is for members only as reports will be submitted and discussions of importance will be held.

A classification talk will be given to the members by Miss Isabelle Sauberli of Imperial Tobacco Ltd. and a member of the Zonta Club of Montreal. Subject "This is my Line". Mrs. Emma F. Watt, president, will preside at the meeting.

Panel Discussion

An open meeting of Laurentian Chapter No. 520, B'nai B'rith, will be held at the Mount Royal Hotel on Wednesday evening, November 25, at 8.30 p.m. The program will consist of a Panel Discussion on "Maturity in Marriage", with Dr. George Streen, Gynecologist, Dr. Reuben Rabinovitch, Psychiatrist, Mr. Alfred Finetuck, Director of Jewish Vocational Service, and

Brilliant Hindu Dancer Seen In Recital Here

Shivaram brilliant Hindu Kathakali dancer, provided Montrealers at his formal debut with a breathtaking performance of dancing. In performances Wednesday and Thursday at Victoria Hall, he captivated his audience in a recital of Hindu temple and Indian folk dances.

He began with the traditional invocational dance and a short demonstration of the fundamental principles of Kathakali technique so that the audience could better understand the dances which followed.

He then went through Kamadeva, depicting the Hindu Cupid dancing in the springtime when love is most powerful and the Kite Dance, story of a maiden who interferes with her brother's kite-flying. He punishes her, but moved by her tears, makes a new kite which they fly together. He also did the Snake Charmer, where the character of a street entertainer is portrayed as he displays his snakes and cures himself of a venomous bite.

The Marwari Dance, the Hermit and Peacock Dance completed the program.

Shivaram did exceptionally well in the Hermit, a parable in rhyme inspired by the great Indian poet Kalidasa. The story was spoken

instead of sung in the Indian language while Shivaram translated it into gestures.

Indra Vijayam, the finale, saw the young dancer rise to his greatest heights. Portraying Indra, god of the heavens, he descends from his high abode, seizes the flying mountains, cuts their wings, puts them in place over India and dances in triumph.

The Second Session of the "Piano Clinic," a series of four lectures specially designed for parents, pupils and piano devotees, will take place in Willis Hall, St. Catherine Street, west, Thursday evening, November 26th at 8:30.

Frances Goltman, founder-chairman of the series will speak on "Examinations and Grading" a subject not often discussed in public. There will be demonstrations by several young pianists.

Guest speaker of the evening will be Inglis Willis, widely known music patron, who has chosen an interesting topic, "History of The Piano." The third and fourth lectures will be held in February and March, dates to be announced later.

Movies And Dog Show Highlight SPCA Event

Animal movies and a dog show will highlight the SPCA event at the First Presbyterian Church Friday, Nov. 27 at 7:30 p.m. Under general manager William Dunlop, the show will include dogs brought by Mrs. Alex Casgrain, president and training director of the Mountain City Obedience Club.

The show will take place in the church hall. A donation will be given to the SPCA, and every child will receive an SPCA membership badge.

A. Adrian Roberts At Canadian Club

A. Adrian Roberts, M.A., Q.C., High Commissioner for the Union of South Africa to Canada now returning home after a highly successful tour of duty, will be guest speaker at the Canadian Club of Montreal Monday, Nov. 30. The club meets at 12.50 p.m. in the Sheraton-Mount Royal Hotel.

His topic will be "Swan Song of a Diplomat."

Quebec Teachers Dance Workshop

The monthly meeting of the Quebec Dance Teachers Association was held Sunday evening at the Y.W.C.A. After a brief business meeting an exhibition of ballet paintings by Helene (Moffat) Sennecal were viewed by the members present.

A vote was taken on designs submitted for membership pins and the winner's name will be announced in the near future.

Avenue Stars defeated Royals 47-20 in the first game of Tuesday night's doubleheader. Al Turner, Hughie McDonald and Pat Lomasney with 19, 13 and 10 points respectively led the winners, while Royals, playing without their ace, Logue McDonald, were never in contention. Billy Graham was outstanding scoring 17 of his team's 20 points.

In the nightcap Staynor laced Frosst 51-16; despite the score this was the best basketball game of the season thus far. Referee Al Turner called but 11 fouls in this fast-moving contest. Earl McDonald led his squad with 25 points. Buddy Selby hit for 10 and Gray Easton played a sound game at guard. Allbut, Langley and Craig Uphold paced Frosst.

B Loop Change Sees Return Win Element

After one season of competition, general consensus of opinion is that Westmount High School did well in turning to senior B play. Football, first of the major sports to come to an end, saw the element of winning return to the game for the gridgers, according to coach Ron Sharp.

This doesn't mean that the team wasn't trying in their former seasons among senior A teams; but in recent years they were doing well when they held the other team to a small win. Many times the locals showed more fight and drive, but ended up on the short end due to their inexperience.

At Good Level

Now Sharp feels they are where they should be, at a good level of competition, and points to the B final against Lower Canada College for proof.

Westmount will have their ups and downs, it is sure, but certainly they will have more chance for success than they enjoyed in senior A play.

Even in the challenge match, which they lost 17-5, they had many opportunities to take the lead. In the end, it was a player only allowed to play half a game that made the difference. John Donaldson had previously been barred for fighting, but because of the importance of the match, was given permission to play in one half only.

Practice on Now

The school will enter teams in the senior B hockey and basketball leagues practices for which are taking place now. So far one third of the program has improved; in seven months time the other two thirds can be calculated.

Newly Named Locals Win 4-0 To Take Laurent Loop Lead

By virtue of a 4-0 whitewashing over the cellar dwelling St. Laurent Laurels, MacRae Electric jumped into sole possession of first place in the St. Laurent Intermediate Hockey League. MacRae, formerly Avenue Stars, are being supported by Ross MacRae, Electrical Contractor of the City of Westmount.

Doug Brambell earned his first shoutout of the season with a fine performance. The Westmounters played their best game of the season, virtually skating the Laurels into the ice.

Painchaud Scores

Big Bob Painchaud started the ball rolling when he rifled Bud Selby's pass into the rigging behind goalie Jim Kerr. Fred Hoffman put the Electric boys two up when he cut loose a sizzler that was labelled all the way; Mickey Bourassa and Bob Painchaud drew assists on the play.

Just 45 seconds after the start of the second period Al Turner and Jim Beasant combined to give the MacRae team a 3-0 lead. Turner was the marksman with a low driving shot that had the St. Laurent netminder beaten all the way. The final tally came late in the third period, when Bud Selby golfed a double relay from Turner and Bourassa high into the cage for his second point of the day.

MUNICIPAL HOCKEY

The City of Westmount Recreation Department will be organizing Minor Hockey Leagues under Quebec Amateur Hockey Association regulations for the 1953-54 season.

This means that Municipal League champions will play in the inter city playdowns and provincial playdowns.

Following are the Leagues and age requirements for each: Mosquito — Under 10 as of Aug. 1, 1953.

Pee Wee — Under 12 as of Aug. 1, 1953.

Bantam — Under 14 as of Aug. 1, 1953.

Midget — Under 16 as of Aug. 1, 1953.

Juvenile — Under 18 as of Aug. 1, 1953.

Example — Bantam: A boy 13 years of age before Aug. 1st, 1953, and a boy who turns 14 years of age after Aug 1st, 1953, is not eligible for bantam and therefore must play in a higher age group. If a boy has been registered before and has played a season under QAHA regulations he does not have to turn in a birth certificate. However, if a boy has never turned in a birth certificate he must pro-

duce one in order to play this year. A certified copy or original baptismal certificate will also be accepted as proof of age.

Boys 13 years of age and over may apply for refereeing duties. All referees will be paid. Team representatives are urged to register their teams as soon as possible. Any boy who is not attached to a team, but wants to play, should call John Garland at FI. 6975.

Tentative times for each league play will be as follows: mosquito — Saturday morning; pee wee — week-day afternoons; bantam — week-day afternoons; midget — week-day afternoons and early evening week-days; juvenile — early evening week-days.

Any further information required may be obtained by calling John Garland or Rockey Rothwell at FI. 6975.

Touch Rugby League

In the Grade 5 play-off St. Leo's Reds won the first game of the series by a 20- score over King's Colons, Ponzi and White were best for the Reds, while McLean and Carpentier stood out for King's. Second game of this series will be played on Friday afternoon, Nov. 20, at 3:45 on the RMR field.

Grade 6 section will play a sudden death game at Staynor Park on Friday, Nov. 20, at 3:45 p.m.

St. Leo's Whites came out on top of the 7th Grade play-off series by beating out WJHS, 7 B1 in a closely fought contest played at RMR. All the scoring was done in the last 10 minutes of play. 7B1 scored first on a 30 yard pass and run featuring Billy Brazier and Don Neilson, the Whites tied it up with 3 minutes to go as Sonny Gavin hit Cluny Maher with a long one deep in the end zone. With the game in the dying stages, Gavin carried up the field and lobbed one to Billy Gloyne who made no mistake to end the game 10-5 in favor of St. Leo's.

In the senior section the Saints won the first game of the series by a 5-0 count. This game was played at the WAG, as the remainder of the series will be. The boys felt the difference playing on a regulation field as proved in the one touchdown verdict.

SIDELIGHTS

on Sports

by MARTY GOODMAN

THE GRAND JOB Unity Boys Club is doing its best illustrated by the large turnout that appeared for the first annual Father and Son Banquet and Sports Night Monday. From all accounts, the evening was a complete success, and the boys enjoyed themselves most with all the sports luminaries present. Representatives from all the major sports were there, each a star in his own light, and they did a great job of promoting good-will.

DeWitt Coulter, more commonly known as Tex, was one man present who would surely do well at either his football or in directing the Boys Club. The affable American is a wonder with children, and has become much in demand because of his interest in youth.

Proof of this comes in a plan he proposed, one that is a little late for the current football campaign but would be well kept in mind for the next. His idea is to have a group of the best players on the Alouettes visit the different schools once a week, with the members switching each time.

They would go out to football practices, and the players could ask questions of the group. Seven would make an ideal "team" — an offensive and defensive end, a guard, tackle, center, halfback and quarterback. Then each one would answer the queries about playing his particular position.

The idea would not only be extremely popular amongst the schools, it would serve two other purposes. The calibre of high school play in Montreal would be improved, and the pro team would gain in public relations, to say nothing of the bigger effort that would be given by the boys to make use of their new found principles.

Tex is sure that the players would be willing to take this on; "But", he adds, in a manner that is so characteristic of him, "I'd even do it myself if the others couldn't come out."

For once this phrase is nice to hear — wait'll next year.

Question Period Popular

During the question period at the banquet, the boys posed some stiff ones to the assembled company, directing their queries each to an individual. Some of the answers:

Frank Shaughnessy, head of the International Baseball League, noted that Montrealers should not look for a good ball club right away if and when the city gets a major league franchise. He said there just weren't enough good players to go around, and it would take time to develop a consistent contender in any new city.

Joey Richman, commissioner of Biddy Basketball and outstanding all-around athlete, surprised many when he said basketball in Canada draws more spectators than any other sport, just as it does in the United States. As a major sport, he felt it would develop quickly especially if the short winters now in vogue continue to cut down outdoor hockey time.

Frank Carlin, Westmount Rotary member who did so much for the evening, singled out Doug Harvey, Bill Durnan, Gerry McNeil, Buddy O'Conner, Dave Neville, Johnny Atchison and Floyd Curry among the greatest players he had coached.

Highland Dancing As Relaxation

Saturday evening, as a respite after the hard fought rugby match in the afternoon, the Westmount clubs and friends settled down to a night of entertainment and partying, courtesy of the CO, 3rd Div. Col. RCASC, at the Officers' Mess on Bel-air avenue. Part of the evening consisted of highland dancing to the bagpipes, leading some to wonder whether this was a rest from the game or vice-versa.

The Scottish piping and dancing is a direct relative of square dancing, only there is no calling. Not only was there a piper for the social festivities, but the Barbarians here often come onto the playing field with one, of their players, Buff McCook, leading them to the airy strains of the pipes.

In the afternoon, the Scottish showed an edge in downing their sister club 5-3. This weekend may be the last rugby action for the year, but some good matches are in store. Toronto Irish, meeting Scottish here, are reputed to be a top outfit, while Barbarians will have their hands full with MIT and Harvard in Boston.

Bantams, Seniors Start Referees' Hoop Tourney

With the high school football picture ended for this season, coaches get no chance to rest with basketball and hockey swinging right into the limelight. This weekend sees the start of the high school basketball tournaments, commonly misnamed the Golden Ball.

While everyone calls the knockout games after its Montreal Basketball League title, the school set-tos are for a different purpose. They are sponsored by the Referees' Association, so that new arbiters can be tested and rated while under fire.

Seniors Play Lachine

At any rate, the local teams are not yet in what would be termed the pink of condition; they are more bright crimson. Today sees the seniors play Lachine at Lower Canada College while the bantams meet Rosemount at Mount Royal.

Saturday the seniors play two games, their opponents depending

on whether they win or lose, while the Junior High rests.

The seniors, only on the court for four days since the end of football, will not be desperately driving to win their division; rather coach Ron Sharp chooses to play all his men and concentrate on the fundamentals that will be necessary during the regular schedule.

The bantams have been having shooting practice for two weeks, and coach Walter Nickels figures on Barkoff, Baker, Cohen, Cessford, Gould, Jacobs, Levy, Lazar.

Scottish Face Toronto As Barbs Play Two In Boston

The Westmount rugger clubs face a full weekend of action, with both Scottish and Barbarians facing tough opponents. The Scots edged their sister club 5-3 Saturday in the only action.

Barbarians leave for Boston today where they face Massachusetts Institute of Technology tomorrow and Harvard Sunday. Scottish will meet Toronto Irish at 2.30 Saturday at Westmount Park.

The Barbarians expect a tough weekend ahead, with both the American colleges fielding good squads. In top condition because of everyday practicing, they boast an edge in this department but are less experienced than the local crew. In addition, Barbarians are hoping for a double victory to make up for their loss Saturday.

Scottish look for a stiff battle from Toronto, present hotbed of rugger in Canada with 17 teams in action. They will be out to keep their unbeaten record intact.

Scots Hold Edge

Saturday's game saw Scottish maintain a slight edge throughout, after coming from behind a 3-0 deficit. Alec Rudnick kicked a penalty goal from the 40 to put Barbs ahead, but Tom Parke scored a try and Ron Ruthvin converted for the winning markers.

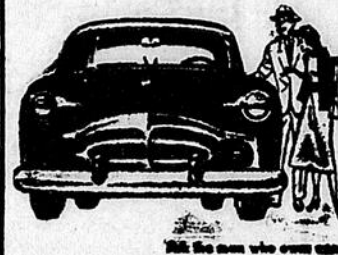

The game was well-refereed, fast and hard, though play was a bit scraggly at times. Both clubs were out to win, and showed a lot of fight throughout. Scottish are still unbeaten this year, while the Barbarians have dropped three, one to Ottawa and two to the Scots.

Malus, Morris, Schwartz, Singer, Smith and Zuriff to carry the load in today's match.
