Colossal Success

Santa Claus Parade Sponsored by Lions Club

The first annual Santa Claus Parade in Shawville was a credit to the Lions who organized it, to those who entered floats and to those thousands of people who came to watch the twenty four part parade wend its way through Shawville.

Starting at the Shawville High School, the parade went down King Street to the west end of town, turned back on Main Street to the Memorial Park, curved around to the western gate to the Fair Grounds and finally came to rest in the new Agricultural Building where Santa (R.S.) Claus handed out goodies to the children. As always under these circumstances some of the older "kids" came away with more than one bag of candy and lots of the little Santa Claus believers had to do without but everyone had a good look at old St. Nick and was delighted.

The parade then carried on up to the hospital where Santa Claus and the seven carol singers entertained patients on both floors.

A judgement was made of the entries with the Pontiac Community Hospital coming first. Their float contained an operating table with a nurse in attendance on what seemed to be a very sick patient with traction splints and bandages from head to foot. It was drawn by a red cross car.

Second prize went to the Pontiac Fish and Game Protective Association which included caged wild animals and drew a great deal of attention. Third prize was won by the Shawville Boy Scouts whose float was a replica of a winter camp complete with charcoal burners, bough lean to and Boy Scouts in uniform. Dean and Merritts were

Shawville Group Buys Properties

The Shawville Creamery will open, probably by spring. The properties belonging to Dominion Dairies, Toronto, Ltd. at Shawville and Campbell's Bay have been purchased by a group of Shawville businessmen.

The property in Campbell's Bay will be resold and a new plant will be established in the building in Shawville which is now being made ready for operation.

The entire community will be most encouraged to have this, one of Shawville's basic industries re-established here.

Certain new machinery will be purchased and some of the machinery there at present is in usable condition.

Dominion Dairies President, F. L. Hart has indicated that they will likely be purchasing butter from the new Shawville Creamery Ltd. when it begins production.

Bean To Lead Local NDP Group

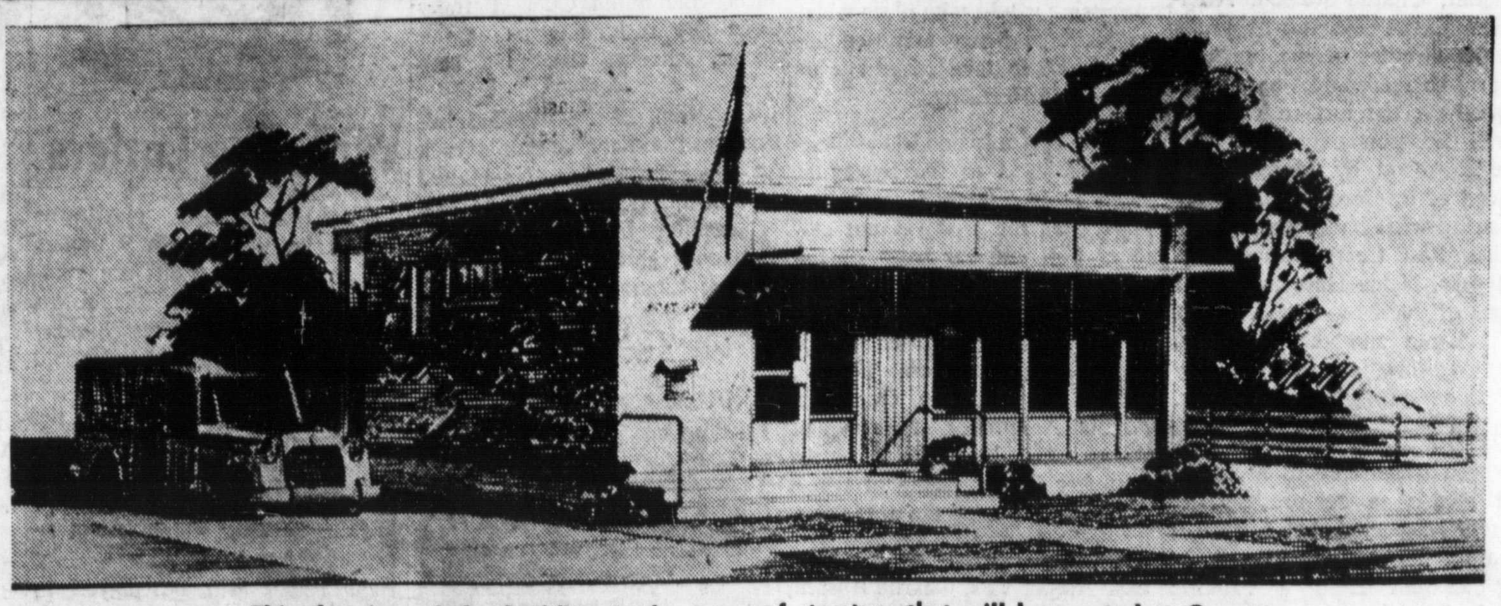

The New Democratic Party held an organizational meeting last night in the Club Room at Pontiac House and elected Elburn Bean president, Jason Howard vice president and Terrence Mulligan secretary of the Shawville NDP Club.

Harry Pope gave a rundown of the NDP situation in Western Quebec where there are now 12 clubs, about three hundred members in four constituencies. With 300 members in Pontiac Temiscamingue alone, said Mr. Pope they could win the constituency. Every member can accout for 20 votes, he feels. There were nine members in Pontiac previous to the meeting and about 20 now. The Hull group is the largest with 120 members and the entire executive is french speaking union members.

The Member of Parliament for Burnaby Coquitlam, Mr. Erhart Regier explained the belief of the NDP that government should be a means of doing for ourselves collectively what we can't do for ourselves as individuals.

Our primary consideration, he said, should be peace but Canada is doing much too little in that direction. The Government,

THE NEEDY

We have often heard it said that there are no poor people in Shawville but this is just not so. It is true that quite a number of district children who would otherwise be uncared for have been given a good home at Brookdale Farm but there are still others who are being very fondly cared for in their own good homes but who are nevertheless needy because their parents are poor.

For the children at Brookdale Farm various Womens Institutes, church groups and kind hearted individuals send tangible greetings at Christmas and throughout the year. In the past it has been the custom of The Equity to establish a Brookdale Farm Christmas Fund to assist people in giving to Brookdale at this special season. This year we hope you will send your contributions directly to Brookdale Farm, Farm Point, Que so that the otherwise homeless children there will know that the people of their home towns are still thinking of them. You know who they are — Rutleges, Hodginses, Burgesses, Lances and so forth — some of the finest young people we know.

But then there are the others right here. Children whose Christmas may not be as bright as it should be will be receiving a little something through the efforts of Shawville's two service clubs. The Lions and Rotarions have lists of needy families. At Christmas they will be taking gifts to these families. Everyone in Shawville is given the opportunity to help in this pleasant project by placing gifts under the Christmas trees in either of Shawville's two banks. Gifts should be marked on the outside as to contents and could be toys or any articles of clothing that a child would just love to receive at Christmas.

A gift for the Mom's and Dad's of needy children wouldn't be amiss either, and if you know of a needy family — tell a Lion or a Rotarian. If you don't know any Lions or Rotarians, send a note to The Equity and we'll forward it.

Lower Pontiac Red Cross Re-elects Jack Argue

The annual meeting of the Lower Pontiac Branch of the Canadian Red Cross Society was held in the office of the President, J. M. Argue, Shawville. While numerically there were only 15 out, a fair number of centres were represented, viz: Beechgrove, Maryland, Quyon, Bristol, Radford, Starks Corners, Charteris, Elmside, Portage du Fort and Shawville. Those present, while regretting that the 1961 activities had been limited in extent, felt that 1962 should show much better results.

The President being ill, the chair was filled by the 1st vice president, Charlie Russell. After welcoming the delegates he asked that the minutes of the previous meeting be read, and which were adopted on the motion of Mrs. Muriel Bronson of Quyon and were seconded by Mrs. Gilbert Telford of Radford. After briefly reviewing what had been done to further Red Cross during the past year, Nellis Hodgins moved a vote of thanks to the President Jack Argue and the Secretary, Capt. Winslow for the work they had done during the past year.

Gil Dowe, the Treasurer, having been transferred to Montreal and unable to be present, the Secretary reported that there had been no banking transactions of any account from a banking standpoint other than the transfer of funds to Montreal during the Financial Campaign. There is no balance on hand other than $25. in petty cash for use in case of any emergency. All postage, telephone calls, etc., had been paid for by the president and half of any advertising.

Nellis Hodgins, Chairman of the Financial Campaign, reported while he did not have final figures with him, it amounted to around $700.00, about half of the amount for the previous year. Weather conditions and illness had prevented a regular canvass during the regular period and the collectors had run into opposition canvassers of other organizations. It was agreed that future canvassing would take place when the National Board arranged the period and so take advantage of National Advertising.

There was only one Blood Donor Clinic held in the Spring at which around 90 had given blood. It was the best yet but still under 100 and far short of the quota of 125 pints. The next Clinic will be in Quyon the time of which will be advised by the Collecting Unit from Ottawa, with Dr. Hudson in charge in Quyon. A number of ways and means were discussed to obtain volunteer donors, some of which will be used during the next drive.

Officers elected were: Pres. Jack Argue; VPs, Charlie Russell, Elsie Gibbons and Muriel Bronson; Sec., Art Winslow and the Treas., Hugh Middleton.

LETTERS TO THE EDITOR

You're Welcome

Shawville, Quebec,
The Editor, The Equity,
Shawville, Que.

As publicity convenor for the Women's Institute for the County of Pontiac I would like to thank Mr. and Mrs. Dickson and the staff of The Equity office for printing the monthly reports of the nine institute branches in Pontiac.

Wishing you all a Happy Christmas.

Mrs. Wm. Crick.

Grains of Sand

Needed — one hockey writer soon. Pontiacs have played two games already — lost to Lumber Kings 8-5 last week and tied 6 to 6 with Trove Trailermen last night. Any fan who enjoys all the games would make a good reporter — all we want is the facts man, just the facts.

—o—

A farewell dinner for Bill and Ann Riddell was held at Pontiac House last night. That was quite an accomplishment — 40 filet mignons served at the same time! A good time, needless to say, was had by all and we wish Bill all the success he deserves in his new enterprise. Back to college!

—o—

Some people didn't join in the great Santa Claus parade but their contributions were noticed nevertheless. One who might not have been noticed was J. M. Argue who provided the float for the Pontiac Printshop tree and carollers.

—o—

Has anyone missed the thirty foot Christmas tree on top of the Pontiac House? You have to stand back a bit to see its full glory but its worth standing back a bit for. All lit up at night it is quite a festive landmark. How does it look from the air Iverson?

—o—

Shawville will play Aylmer in basketball in Shawville Friday night at 7:30. The High School students pay 35c to see these games; for the rest of us it is 45 cents and anyone who hasn't yet seen a high school basketball game should go over there and see one. Our boys beat Buckingham last Saturday, by the way.

—o—

Store hours in Shawville from now 'til Christmas are published here and there throughout this issue. Some stores don't publish hours at all which may not be such a bad idea either. If they could all get together on some system of staying open at the same times it would sure lessen the confusion. Best bet is just to look up and down Main Street and if the lights are on, chances are the stores will be open. At least when they are open we know they'll have what you're looking for because the stocks are better than ever this season.

—o—

A good leather childs mitt, brown, was found in Shawville during the Santa Claus Parade. Cecil Orr is holding it for the owner, whoever that may be.

On Nov. 29 Raymond Johnston read a fiery speech over a Montreal TV station. He blasted separatism, Lesage (who he said is marking time to step into Pearsons shoes), present day Quebec Liberals, Levesque, State control, and gerrymandering.

Well prepared for the cold were Percy Belsher and Dave Ranger driving the Sheppard entry in the Santa Claus parade with Danny Dubois playing his fiddle on the back seat. This picture was taken inside the Agricultural building. Equity Photo

Lions Doings

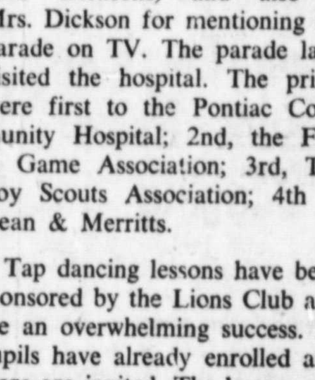

The first Christmas Santa Claus parade in Shawville was sponsored last Saturday by the local Lions Club. The response was wonderful and as a result they plan to make it an annual event. The club regret that although they had 1000 bags of candy they did not have enough. They pledge that this will not occur in the future. The Lions Club wish to extend their appreciation to the local merchants for their cooperation; many thanks to the carollers (Gord Mile, Scot Murdoch, Mike O'Reilly, and the four Dicksons) and also to Mrs. Dickson for mentioning the parade on TV. The parade later visited the hospital. The prizes were first to the Pontiac Community Hospital; 2nd, the Fish & Game Association; 3rd, The Boy Scouts Association; 4th to Dean & Merritts.

Tap dancing lessons have been sponsored by the Lions Club and are an overwhelming success. 35 pupils have already enrolled and more are invited. The lessons are held each Saturday afternoon in the New Agricultural Building.

The Club plan to send a number of baskets to various families this Christmas as has been the custom for years.

The Annual Charter night will be held Thursday Dec. 14 at the Pontiac House. The guest speaker will be Mr. Robert Geddes, Lucille Hodgins will again display her fine dancing.

We have again had the priviledge of helping a couple of families in our community and welcome the opportunity of helping more.

With The Curlers

The Dale Trophy playdowns started last night with 9 uppers and 9 lowers. 4 teams are eliminated every night. Playdowns will be every night but Sunday until finished. Monday should tell the tale.

Shawville has a team in the Victoria Jubilee — Ron. McCredie, Don Dods, Raymond Rowat and Frank Finnigan. The draw is Dec. 17 after which it will be known who they'll start against. First round will be played in Renfrew, the semi-finals in Petawawa and finals in Three Rivers. We hope our boys get that far.

First Aid Course After Christmas Sign Up Now

For the past 11 years there has been a First Aid Course in Shawville, and now that things do not look altogethr too promising in world affairs, it seems to be more important than ever for people to know something about First Aid. Once again Drs G. R. Green and Frank Cowley have volunteered to do the lecturing and examining. It is necessary to have at least 35 in the Class. A Class will be starting early in January, but registrations must be made prior to that date. Anyone wishing to take First Aid should phone Mr. or Mrs. L. H. Moore. If they have insuufficient regisrations by Christmas, they will just cancel any arrangements that have been made. Do not leave it to the last minute.

At the Annual Meeting of the Red Cross held recently support was given to the possibilities of a Home Nursing Course. This would be in charge of Registered Nurses who are well qualified to do this. It would require a Class of around twenty. If readers are also interested in Home Nursing, they should also phone Mr. or Mrs. L. H. Moore who will take the necessary particulars. If there are not sufficient registrations by December 31st, it too will be cancelled.

The local Rover Crew will shortly be taking a survey of the town in view of finding what emergency accommodation there is available in case of necessity and will also leave with each household a booklet, 11 Steps to Survival which has been made available by the Queen's Printer These Rovers are doing a volunteer job towards assisting Civil Defence.

Coulonge W.I.

Mrs. H. R. Rabb was hostess to the Christmas meeting of the Women's Institute on Thursday with Mrs. G. E. Colton presiding, and Mrs. Ira Whelen acting treasurer and Mrs. H. R. Rabb secretary.

The roll call was a Christmas verse and the program consisted of carols and stories of Christmas by Mrs. Whelen and Mrs. Colton. The ladies exchanged new ideas on decoration and recipes. A donation was voted towards TB seals. The president read the letter from their president Mrs. H. Ellard on education. Gifts were taken for the children at Brookdale Farm. Motto of the month "It is more blessed to give than receive". The meeting closed and refreshments were served.

Sonnet

For Christmas

Reflect upon that radiant dawn of Time
When Light was made Creation's embryo
For volution of all things that go
To make a Universe in Godly chime. . .
On Planet Earth, from life-invested slime,
Organic entities arose to grow
According to such Godly purpose so
Bid Man arise imbued with soul sublime.

Why should our pseudo-scientist deny
Adequate cause for limitless effect?
Since finit merges with infinity
Why set a bound on what the soul expect?
. . .Infinite love with triple diadem
Is born for evermore at Bethlehem.

It is with sorrow we have to say again that two more of our Norway Bay citizens have passed away. Mrs. Finless of Aylmer has came to the Bay for several years, took suddenly ill 5 weeks ago, while at her cottage was rushed to Ottawa Hospital, but passed away with a repeated attack this past week. The 2nd person was Mr. Percy Broadhead who has been coming to the Bay for some 45 years, passed away suddenly at his home in Hull. Percy will be missed on the Bay. He was always a congenial person. Our sympathy goes to his two sons Stewart and Kenneth who are also residents for the summer on the Bay.

Mr. Donald McCredie and Mr R. Workman were weekend visitors with Mr. and Mrs. J. N. McCredie. A number from here visited Mr. J. C. Jamieson in Aylmer this weekend. Mr. Jamieson celebrated his 90th birthday. Among those were Mr. Alix Murray, Mr. and Mrs. Melvin Stewart, Mr. and Mrs. Roland Graham. Mr. Jamieson was a former resident of Bristol where he was an active member in St. Andrews Church. Our best wishes go to him and Mrs Jamieson for many more years.

Mrs. M. R. Bailey spent Friday with her sister Mrs. McAra of Beechgrove who is still enjoying the memories of her 100th birthday.

St. Andrews Knox WMS

We hope and pray Gods Guiding hand will lead us on in the new organization, as he has led us in the past and may we still feel we are still WMS members. As the work in the missionary field is as great today as it ever was. Mrs. Garth Graham was in the chair and had a very nice program arranged. Mrs Small read the lesson from Luke. Responsive readings by Mrs. G. Graham and the fololwing Mrs. W. McCorriston, Mrs. H. Stewart Mrs S. McNeill, Mrs. H. Graham, Mrs. L. Stanley, Mrs. M.R. Bailey with hymns sung between each reading with Mrs. E. McCorriston at the piano accordian. A lengthy letter was read from Miss Ann Ward by Mrs. Roland Graham the secretary re the WMS. Interesting readings were given by Miss Sarah Campbell and Mrs. Jas. Campbell and Mrs. Hudson. Mrs. Hudson also gave out forms for us to put the last report of this meeting in.

Last minutes were read, get well cards are to be sent to three sick friends. On motion Mrs. Hudson, Mrs. Stanley and Mrs. M. Stewart treats to be sent to Mrs. Margaret Graham who is ill. Mrs. Robert Cartman the treasurer gave report of the year which is very satisfactory.

Motion Mrs. H. Graham and Mrs. Hudson that balance if any should be turned in and have all balanced for Jan. 1st, 1962 and all office holders to fillout their forms and return at once. We were pleased to have Miss Mary Campbell with us for this last meeting. Several sick visits were reported. Meeting closed with four verses of hymn 51 repeated in unison and closing prayer. A nice tea served and a pleasant hour enjoyed. We were glad Mrs. McCorriston enjoyed the meeting.

Bean To Lead

(Continued from Page One)

said Mr. Regier, is deliberately misleading the people.

The New Democratic Party is dead against nuclear weapons in Canada, over Canada, or in the hands of Canadians. They feel we can make no useful contribution to any good cause by adding ourselves to the four countries which have nuclear weapons.

As every form of transportation in Canada must be subsidized so they can have the privilege of competing with each other, the NDP would establish a national transportation policy covering air, rail, water and highway transport. They would also establish an energy board which included all power, not just gas and oil.

The present system allows all taxpayers to subsidize coal mining in Nova Scotia to b shipped to Ontario and burns oil from Venezuela in Halifax to make power for Nova Scotia, he said.

Mr. Regier also advocates portable pensions for he says very few Canadians of 65 can afford to retire. He deplores the high interest rates as a cause of unemployment. On the subject of loan companies, Mr. Regier got quite excited. He advises Canadians to do their financing through the banks.

Insurance rates, he feels, would be much lower if one state owned company handled it instead of the present situation where there are many competing offices in one town.

"Our modern society is such that the individual can no longer determine whther he will be useful or not," said Mr. Regier, "society should look after those who can't look after themselves —also their dependents".

Let those farmers and shopkeepers who want to look after themselves learn by experience— but all others would be under pension plan with funds vested in government annuities, he said.

There are nine elected MP's of the NDP, according to Mr. Regier, who stand ready to help any party member who needs to approach the government on any matter.

The newly organized Shawville NDP Club will meet again on Wednesday, January 18 in the Agricultural Hall if it is available. The public is invited to attend.

Holstein Breeders

(Continued from Page One)

stein Friesian Association of Canada of Brantford.

Mr. Leonard brought greetings from the Provincial Office and told us of the condition of our Provincial Secretary, Mr. Hermas Lajoie who has undergone surgery and is in very poor health at the present. He said that Mr. Lajoie missed meeting the breeders this fall and said although he was not able to work full time was very much interested in the welfare of the organization. He presented Certificates of Production to Edwin Pirie and Son, Clarence Brownlee and Son, Gordon Brownlee and Walter Kilgour, Mr. Leonard called on Mr. Powell to present a true type model cow to Allison Corrigan for perfect judging in the all-Canadian judging competition. He also mentioned the fact that we should be very proud to have a Master Breeder, namely Clarence Brownlee and Son in our community.

Mr. Grant Smith then brought greetings from Eastern Ontario Holstein Breeders. He said that they enjoyed the fellowship with Western Quebec at the Fairs. He added that the Quebec breeders always made the competition a little stiffer and that they were fine sports. He mentioned the fact that Pontiac breeders had played hosts on two occasions to busloads of breeders from Eastern Ontario during the past year.

Mr. Smith then introduced Mr. Powell. He told us that Mr. Powell was an exceptionaly busy man, putting in long hours and doing considerable travelling in his work. He had just recently returned from the Chicago Fair.

Mr. Powell gave a very interesting address on the growth of the Holstein breed, it's future and the present healthy state. He told us of some of the shows which he had attended lately and the interest taken in the Canadian entries. He told us about the new building in Brantord which carries on the many duties of the organization. There are 60 stenographers hired for office duty alone.

Mr. Powell spoke on the price of milk and how the farmers were effected and what steps they should take. With Mr. Powell's knowledge of the present situation and his manner of speech the time seemed all too short which he had been alloted.

These gentlemen were thanked by George Pirie.

Mr. Neil Drummond, our Agronomist spoke briefly and mentioned how fortunate we were in having such an active club and being able to have such capable speakers for the evening.

Mr. Vertel Smiley brought greetings from the Agricultural Society while Mr. Arthur Dagg, 1st vice-president of the Ayrshire Society of Canada brought greetings from that organization.

Following the banquet the annual meeting of the club was held. The president, Walter Kilgour in charge.

Mr. Leonard once more spoke to the club and brought several matters to their attention.

It was unanimously agreed that a resolution go from this meeting to the Department of Agriculture at Quebec asking that vaccination of calves for Bangs Disease be both compulsory and free.

It was decided that a donation for $100.00 be made to the new Agricultural Building.

Mr. Neil Drummond presided for the election of officers which resulted as follows:

Past President, Walter Kilgour; President, Dalton Hodgins; 1st vice-president, Keith Brownlee; 2nd vice-president, Hillis Conolly; Directors: Father Harrington, Bud Sauriol, Romulus Lasalle, Garth Graham, Elwood Dale, Gordon Brownlee, Irwin Hayes, Keith Brownlee, Dalton Hodgins, Arthur Kilgour, Walter Kilgour, Neil McDowell, George Pirie, Victor Findlay, Miller Gibson, Father Beaulieu, Elson Smiley, Hillis Conolly.

Wayne Mason, a 30 year old Brome County farmer from Sweetsburg, Que., and Joe Linnell, also 30, from Summerberry, Sask., have been named the recipients of the 1962 Nuffield Travelling Scholarships, which pro-

Wayne Mason

vide for six months of expense-paid study of British Agriculture. These Scholarships are provided by Nuffield Foundation in Great Britain, and are administered in Canada by the Canadian Federation of Agriculture. Each year the Foundation awards these scholarships to deserving young farmers from Canada, Australia, New Zealand, Northern and Southern Rhodesia, and Kenya. The winners will depart for Britain in Mid-February, and will spend a six month period travelling and studying agricultural methods and techniques in the U.K.

Wayne Mason, operates a 280 acre mixed farm in Brome County in partnership with his father. They have an Ayrshire herd, raise Yorkshire hogs, and operate a 2500 maple tree bush. He has been active in 4-H Club and Boy Scout work, and is a member of the Bedford District Ayrshire Breeders Association. Active in Farm Radio Forum work, Wayne Mason is married with three small children. He is the first Quebec winner of a Nuffield Scholarship in the 11 years that these awards have been offered in Canada.

Joe Linnell is also the first winner in his home province of Saskatchewan. He is single, and after operating the 560 acre farm at Summerberry in partnership with his father, he took over in 1959 when his father passed away. He has a herd of Holsteins, milking 20 cows the year around. He has a diploma in Agriculture from the University of Saskatchewan, and has been very active in 4-H Club work, both as a member, and later as a leader and member of the district 4-H Club Council He is a director of the Grenfell Co-op, a director of the Wolseley Artificial Breeding Co-op, and a director of the Grenfell-McLean Herd Improvement Association. He is a member of the Summerberry Wheat Pool Committee, and is also active in farm forum work.

These two young men follow in the footsteps of a fine group of young Canadian farmers who have won these scholarships. Last year's winners, Miss Ellen Fetterly of Chilliwack, BC and Fred Walsh of Berwick, N.S. returned home in late summer after a very profitable experince. Winners are selected on the basis of their farming background, their experience and ability, and willingness to improve their knowledge of agriculture in general.

The Early History of Pontiac Families

from the files of Rev. Jos. E. Gravelle

THE HODGINS (Contd No. 4)

Not knowing which of the many JOHN HODGINS was known as Pioneer JOHN, or that his wife was ELLEN PALMER, the same name as the wife of James, one generation later, we hesitated until we received definite information before starting to give the family of one of his sons, Thomas married to Ellen Strutt.

THOMAS, known as "Jack's Tom" will be found in the paragraph number 5. JOHN 1795 and ELLEN PALMER, etc. of our first article on the Hodgins, appearing in the issue of November 16. Now, in the next generation, under nuumber 386 we insert his children:

386 THOMAS 1840 and ELLEN STRUTT. Their children: 231A WILLIAM JOHN (.. Harris), 231B ROBERT (.. Havelin); 231C "LITTLE ALEX" (Mary Morrow); 231D, HIRAM and 231E MARGARET (1. Thomas Woods; 2. James Tubman). Some informants say that it was a sister of Margaret 231F who married James Tubman.

As a proof of the splendid cooperation we are getting and of the interest that is being taken in our articles on the HODGINS family. This comes through the kindness of Mrs. Fred Hodgins of Charteris, who speaks with authority, since her husband is a direct descendant of this line.

Those who are cutting out this series of families and pasting them away in their scrap book, should look up the first article on the HODGINS which appeared in the November 16 issue. Over the paragraph which began as follows: 6 JAMES 1800 and ELIZABETH DAGG etc paste the following correction:

6. JAMES 1800 and ELIZABETH DAGG 1811. This James is said to be the first of the Hodgins to die in Canada. Their children 38D GEORGE "Paddy" 1829 (Caroline Dagg); RICHARD 1841 (Jane Richardson); 38F JAMES 1839 (Ellen Palmer); 39 MARY ANN (John Howard) and 39A ELIZABETH 1833 (.. Moorhead).

We thank Mrs Fred Hodgins and we would be glad to receive any further corrections or additions that could be made. Especially would we like to see all these blank spaces filled up, which have been left blank because we did not know the given names or to whom the person was married.

CALL FOR A KINGSBEER

Yes Sir — Santa Claus Came to Town at Shawville last Saturday

Colossal Success

(Continued from Page One)

the only strictly commercial establishment which won a prize for their very charming display of beautiful girls enthroned on the back of the store's decorated truck.

Music at the head of the parade was supplied by seven teenagers singing Christmas Carols over a loudspeaker on the Pontiac Printshop float and by recorded carols on the Lions Club float at the rear. Leading off was the town's fire engine with its own siren giving the occasional sound-off.

Each of the floats was a masterpiece in its own way. Every sort of vehicle was represented both before and since the horse and buggy days.

For originality, resourcefulness and last minute ingenuity the people of Shawville would be hard to beat as the entire parade was organized in a very short period of time, some entrants only making up their minds to join up a day or two before Saturday.

Everyone agreed it was a colossal success and that next year there will be twice as many entries. Dave Ranger, who drove the anvient Ford for Sheppard Motors, had to get out and get pushing half way along the route of the parade but nevertheless insists next year the parade will take in Fort Coulonge yet! Mrs. Asa Smart, riding in her 1926 Model T said it took her to Atlantic City on her honeymoon but Saturday it was drawn by the Smarts Market truck because the batteries were not available.

There were surprisingly few horses on the parade but Warren Campbell's great draft horses towing the 5 to $1 float and young Lucille Hodgins', Garry Richardson's and Mickey Armitage's ponies were welcome additions. Mickey's entry was for the Shawville Driving Club and Garry's was for Pontiac Dairy. And Louis Judd's horse drawn surry with the fringe on top was the interesting entry of Pontiac Home Bakery.

Taking part aside from those already mentioned, were Alan McCaggs Service Station, H. I. Hobbs, Garrison Supply, Sly's Service Station, Cruckshanks Garage, W. E. Schwartz Imperial Oil, W. A. Hodgins IGA, Stonehaven Flowers, Canadian Tire Store, Gatineau Power and we're sure we've missed a couple which will be added in Grains of Sand next week.

Louis Welch was generally in charge of things and Lions turned out in force to direct traffic and see that all went as well ordered as possible.

Like we said, it was a colossal success and everyone is saying "Just watch us next year!"
