ANNOUNCEMENT.

STRONG, PROSPEROUS AND PROGRESSIVE.

The Sun Life Assurance Co. of Canada.

NOTICE

To Policy Holders and Intending Insurers.

wrote during the year 1897 over **SIXTEEN MILLIONS** of New Business. This speaks in louder accents and with better effect than anything we could say. The insuring public know a good thing when they see it, so the above fact demonstrates where **THE SUN** stands in their estimation.

WHY does THE SUN lead the procession?

BECAUSE

- 1st—Its aim has always been to please its patrons, so that its fair dealing has become a topic of household conversation.
- 2nd—Because its promises to assurers have been of such a nature as to leave no doubt of their being fulfilled and their patrons satisfied.
- 3rd—Because for conciseness, clearness and liberality the Policy of The Sun Life is not surpassed, if indeed equalled, by that of any other company in the world.

The New Policy contains guaranteed Tables of Reserves, Loans and Paid-Up Assurance, so that the Policyholder may determine for himself at any time the value of his Policy without consulting the Company.....

PREFACE.

THE PUBLISHERS have much pleasure in presenting this Directory to its numerous patrons, and trust that it will be found, alike by them and the public generally, a reliable index to the manufacturing, business, legal and agricultural interests throughout the section of country to which it belongs.

THE greatest care has been taken to render the work complete and accurate in all its details, and it is confidently believed that it will be found reliable. To the press, the many gentlemen who kindly furnished the publishers with much useful and interesting information, and the manufacturers, professional and business men and farming community for the generous support they so liberally bestowed upon the undertaking, the publishers beg to tender their sincere acknowledgments.

JOHN LOVELL & SON.

MONTREAL, May, 1898.
