DUNHAM FAIR WAS SUCCESS.

Exhibit of Roots and Vegetables Very Fine.

THE ATTENDANCE WAS GOOD AND FAIR WAS BEST IN YEARS.

Dunham, Sept. 16. —(Special)—The second day's attendance at the Dunham Fair, Missisquoi Horticultural and Fruit Growers' Association, was very gratifying and encouraging to the officers and directors. The potato show was phenomenal. Basket after basket and collection after collection of potatoes were exhibited with bushel lots displaying scarcely a perceptible blemish. In fact the general display of vegetables was away above the average. Cauliflower exhibits were especially noticeable, fine samples being excluded from winning prizes by finest samples.

The exhibits of pears grown in the County of Missisquoi were fine and it requires no stretch of truth to state that this is the very best fair held here in years. The ladies of the Methodist Church purveyed refreshments on the lawn in front of the Town Hall.

The Rev. Father Lamoureux of Richelieu, former cure of the Parish of St. Rose de Lima of Sweetsburg, visited the Fair for a short time and expressed himself as much pleased with the exhibits.

Mr, and Mrs. R. Emmet Fay of Abercorn were also present from outside the County. The other persons attending were nearly all from Missisquoi County.

The display of apples was good for this year but this year's crop is poor in this section. Farmers who want to raise apples in future have got to spray their fruit trees thoroughly. The railroad worm is doing sad damage to Missisquoi apples.

The number of members of the society is considerably larger than ever before and it is made up of a deal of new blood.

GREAT RECEPTION TO BISHOP OF LONDON.

Was Loudly Cheered by 4,000 People.

SAYS HE IS NOT ROMAN CATHOLIC BECAUSE HE IS ENGLISH CATHOLIC.

Montreal, Sept. 16.—"Why am I not a dissenter? Because there is nothing from which I dissent. Why am I not a Roman Catholic? Because, thank God, I am an English Catholic."

Four thousand people sprang to their feet in the Arena last night and cheered wildly for several minutes, as sharp as a sword thrust the Right Reverend Arthur Winnington Ingram, Lord Bishop of London, flung out his confession of faith. It seemed as though the pent up Protestant feeling moved by the events of the past week had suddenly found a vent and men and women stood on chairs, waved their hats and handkerchiefs and cheered themselves hoarse. The Arena has witnessed many remarkable scenes, and its roof has echoed back the plaudits of varied gatherings, but seldom has such a sight been witnessed within its walls as that of last night. It was only when Bishop Ingram had repeatedly raised his hand for silence that he was able to 'continue his discourse.

ROOSEVELT'S NEW POLITICAL CREED.

Say It Is Old Time Moralities Applied to Modern Conditions.

THERE IS NO RESOLUTION IN IT AND NO APPEAL TO MOB RULE.

Oyster Bay, Sept. 16.— Theodore Roosevelt said yesterday that he is not talking revolution in declaring his new political creed. Neither is he making an appeal to mob rule. In a staunch defence of his doctrine of the "New Nationalism," he declared that he was merely urging the application of old motalities to modern conditions. At the same time, he replied with spirit to those who have been opposing him and hotly denounced newspapers which he said attacked honest public men.

Col. Roosevelt's address was delivered at the Suffolk County Fair, at Riverhead, Long Island. His exposition of "new nationalism" came at the close of a speech in which he also denounced dishonest corporations, dishonest men of wealth and political bosses. He made no reference to the New York State political situation, although he was asked to do so by some in the crowd.

"I have noticed a good deal of comment on my speech on "new nationalism," he said. "All that new nationalism means is the application of certain old time moralities to the changed conditions of the country.

"I wish to see a greater movement of efficiency, because we live to deal with greater business efficiency. Simple laws are all that is necessary in small communities where there is no big business and each man works for himself. When you get masses of wealth gathered together and great corporations developing, conditions then become so changed that there must be an increase in Government activity to control the wealth for business efficiency.

"I would not do any wrong to the great corporation, but I don't intend to rely only on the big corporation's good nature to see that the corporation doesn't do harm against us. I want to see such control of the wealth now gathered for business uses is in favor of the honest man who does the work genuinely for the service of the public, and to make the dishonest man feel that he has to do what is right, and if he doesn't feel it we shall see to it that he does.

"That is my whole creed. That is all there is in it. There is no revolution in it. There is no appeal to mob rule. On the contrary, I recognize mob rule as an enemy of the public good, just as much as lawless wealth."

CROWDS WERE AT SCOTSTOWN.

Best Fair in History of Agricultural Society.

RECEIPTS WERE LARGE AND FINANCIAL POSITION OF SOCIETY IS GOOD.

Scotstown, Sept. 16. —(Special)—The second and last day of the Fair under the auspices of the Compton County Agricultural Society was a banner one.

From early morning teams loaded with people from the surrounding country began to arrive, and the trains were also well patronized.

The attendance was the largest ever seen on the Fair grounds at Scotstown and the gate receipts will put the Society on lazy street so far as finances are concerned.

The judging was concluded yesterday morning in all sections.

The races were very exciting and some close finishes resulted.

The Megantic mounted Indians created quite a sensation when they arrived on the grounds.

CANDY SENTENCED TO BE HANGED.

Jury Were Only Absent From Court Room Eleven Minutes.

PRISONER TOOK SENTENCE OF DEATH BRAVELY AND WAS COMPOSED.

Montreal, Sept. 16 . — Timothy Candy, the murderer of Constables Fortin and O'Connell, was sentenced by Mr. Justice Saint-Pierre yesterday afternoon to be hanged in the jail yard, on Friday, November 18, next.

No element which goes to make up a powerful civil dramatic scene was lacking in the court room. A prisoner terror-stricken as the import of the dread sentence of the law came home to him, and a human sympathetic judge whose nature was deeply touched as he realized that his sentence would usher a soul into the great Beyond constituted a spectacle which will not be forgotten for a life time by those who witnessed it.

All the sang froid which the prisoner had displayed on Monday, the opening day, disappeared on Tuesday and Wednesday. And yesterday, as he saw the relentless weaving of the net by the astute lawyers for the Crown, he collapsed. The jury retired at 4.24 after a powerful charge against the prisoner by the judge, and were absent only eleven minutes when it was announced they were ready with their verdict!

The prisoner took the sentence of death bravely and seemed composed after the long statement which he had made. He kept his eyes at the last fixed on the Judge and seemed relieved when it was over.

ROBBERS BOOKED FOR ST. JOHN QUE.

SQUADRON OF DRAGOONS CALLOUT — CRACKSMEN FAILED TO APPEAR.

St. Johns, Que., Sept. 16.— A report that a number of United States cracksmen were heading from the border towards this vicinity resulted in something of a small "protection" panic. So great was the consternation caused by the report that Mayor Gervais of the city called upon Major Nelles, of the barracks, to supply a squadron or two of the Royal Canadian Dragoons to assist the police in preserving the property of the place from the descent of robbers. It was supposed that the bands of robbers had come from New York, where a number of robberies have recently taken place, as usual, and the reports caused great activity at St. Johns. The banks put on extra watchmen, and citizens hunted up their firearms. However, if the army of robbers came along they were scared away by the warlike preparations for their reception.

ADMITTED HAVING STOLEN HORSE.

Ted Davey Pleaded Guilty Before Judge Mulvena.

WAS REMANDED UNTIL MONDAY FOR SENTENCE, AND HIS RECORD WILL BE LOOKED UP.

Ted Davey who was arrested, charged with the theft of a team of horses from Mr. Landon Sornberger, at Stanstead Plain on Tuesday, appeared before Judge Mulvena this morning.

The preliminary hearing in the case took place at Stanstead yesterday.

This morning he made option for a speedy trial, and pleaded guilty.

He was remanded until Monday so that his past record and the circumstances of the case may be more fully investigated.

As mentioned in yesterday's Record the accused took the team from the hotel shed, and drove away. When overtaken he left the horse and made for the woods where he remained until arrested there on Wednesday evening.

NEW AEROPLANE OR GLIDER INVENTED,

Will Float in Midair and Then Descends Slowly.

WILL RENDER FALLS IMPOSSIBLE AND INCREASE OF AEROPLANES.

Rome, Sept. 16.—Fernando Bernasconi, a native of Ascoli Piceno, has invented a peculiar aeroplane, or glider, which is able to float in midair, and which assumes a horizontal position automatically. The inventor has built models six feet wide, which when dropped from a height, instead of falling heavily to the ground, almost overcome the law of gravity and travel a great distance in the air before descending slowly to the ground.

According to recent experiments, a glider dropped from a height of 1,000 metres floated twelve miles before touching the ground. This scheme if applied to aeroplanes, the inventor claims, will render falls impossible, and will increase the speed of the aeroplane, as the motor will not be required to overcome the resistance of the air.

NO CASE AGAINST DR. CRIPPEN

MR. NEWTON HAS NOT YET SETTLED UPON HIS DEFENCE.

London, Sept. 16.—"So far the prosecution has failed utterly to make out a case against Dr. Crippen. Right now I can't see on what the prosecution is depending even to have Crippen bound over to go before the grand jury."

This statement was made by Mr. A. Newton, solicitor for Dr. Crippen and Miss LeNeve. Mr. Newton said he had not settled upon his defence for the reason that the prosecution had as yet brought out nothing that he would have to defend.

"Until the prosecution completes its case, I can't say what the defence will be. There won't be any unless the States forges a much stronger chain of evidence than is now apparent," he said.

Dr. Marshall agreed with Professor Pepper in his description of the remains. He also said he could not declare on anatomical grounds whether the body was that of a man or a woman.

POPE'S ILLNESS CAUSED BY WORRY

ATTENDING PHYSICIANS HAVE ORDERED COMPLETE REST.

Rome, Sept. 16.—The regular physician at the Vatican is holding a series of consultations with Professor Marchiafiava regarding the condition of the Pope, although no undue alarm is felt.

It is believed that the Pope's illness has been brought about by worry over the affairs of the Roman Catholic Church in Spain, Germany, France and Austria, where the Vatican's plans have met with reverses recently.

The attending physicians have ordered a period of complete mental and physical rest for His Holiness, which, it is believed, will result in the return of his normal health.

COURT NEWS FROM SWEETSBURG.

Mr. Justice Lynch Granted Six Months Leave of Absence.

VERDICT OF JURY IN ROY VS C. P. R. CONFIRMED— CIRCUIT COURT CASES.

Sweetsburg, Sept. 16. —(Special) — This week, the regular term of the Superior Court was held, under the presidency of Mr. Justice Lynch, who has made the announcement that he may not sit for some time, having asked for a leave of absence of six months for a well earned rest. After this announcement, Mr. A.J.E. Leonard, Batonnier, expressed the regrets of the members of the Bar, and tendered to His Lordship the wishes for a prompt recuperation, and the hope that he may sit again at the expriation of this enforced holiday.

VERDICT CONFIRMED.

The first judgment of the Superior Court was one to confirm the verdict of the jurors, who found for the plaintiff in the case of Roy vs the C.P.R., granting $800 damages, as it was reported a few days ago in these columns.

MARRIED LIFE WAS SHORT.

Two small judgments were rendered in the Circuit Court. The first one was in favor of Dame Sophia Varney, who sued her husband for an alimony. The Court granted her $5.00 a month, seeing that she had means of her own. Thae parties, who have passed the 70 year old mark, were only married a little over a year ago, but could not succeed to curb their respective habits to suit one another, and they parted company. The husband, by the marriage contract, having undertaken to support his wife, has been condemned accordingly.

BROE VS. ST. ARMAND EAST.

The plaintiff, a blacksmith, had a small claim for repairs against the Parish of St. Armand East. This bill was approved by the Council and ordered to be paid. When he presented in at the Office of the Secretary Treasurer, the latter took his receipt for the bill and presented him with a receipt for plaintiff's school taxes, which he was authorized to collect. The Secretary swore that this was done by mutual consent, whereas plaintiff contended that he positively refused and remonstrated at the time. The Court gave judgment to plaintiff, deciding that compensation could not be declared, as payment had been pleaded. Morover, this kind of forced payment could not be sanctioned by the Court.

FATHER VAUGHAN CONDEMNS RACE SUICIDE.

Toronto, Sept. 16.—Rev. Father Bernard Vaughan, whose utterances at Montreal have challenged so much attention in Protestant circles throughout Canada, showed at the Empire Club, last night that if he is a somewhat militant Catholic, he is also a loyal citizen and a fervent independent.

His speech was a stirring appeal to the citizens of Canada to build up individual character, which he held to be the foundation of an Empire's greatness, to cultivate home life and perform the duties of the married state, and hold fast to religion. The eloquent Jesuit preacher was scathing in his condemnation of race suicide, which he described as treason against the majesty of God, and fearlessly proclaimed his belief in Catholicism as the true religion.

Baby's Terrible Eczema.

Hands Tied to Prevent Scratching.

Five Doctors Failed to Relieve, but Zam-Buk Worked a Cure.

Mrs. Chas. Levere, of Prescott, North Channel, Ont., tells how Zam-Buk cured her baby. She says:—"My baby's head and face was one complete mass of sores. The itching and irritation were fearful, and the little one's plight was so serious that at one time we feared her ears would be eaten off by the disease.

"We had to keep her hands tied for days to prevent her rubbing and scratching the sores. Doctor after doctor treated her in vain, until we had had five doctors. They all agreed it was a frightful case of eczema, but none of them did any permanent good.

"As a last resource we were advised to try Zam-Buk. The first box did so much good that we felt sure we were at last working in the right direction. We persevered with the treatment until we had used thirteen boxes, and at the end of that time I am glad to say Zam-Buk had effected a complete cure."

Mrs. Holmes, of 30 Guise Street, Hamilton, is quite as eloquent in her praise. She says: "Zam-Buk cured my boy of boils and eruptions when he was so bad that he had been unable to mix with other children. Zam-Buk is a wonderful preparation, and mothers throughout the land should always keep it handy."

For eczema, eruptions, rashes, tetter, itch, ringworm, and similar skin diseases, Zam-Buk is without equal. It also cures cuts, burns, scalds, piles, abscesses, chronic sores, blood poisoning, etc. All druggists and stores at 50 cents a box, or post free for price from Zam-Buk Co., Toronto. Refuse imitations.

J. S. Mitchell & Co.

The marriage of Miss Margaret Smith, of Kingsey Falls, to Lewis A. Dunsmore, of Sherbrooke, is announced to take place on Wednesday, September 21, at the home of her father, Mr. John Smith.

A horse on the Brompton Road took fright, yesterday at an automobile, and became almost uncontrollable, finally backing into the ditch and breaking part of the waggon. The chauffeur, who was the owner of the car, from across the line, did all that was in his power to assist the farmer to repair damages temporarily.

The Sherbrooke Lacrosse Club will cross sticks with the National of Quebec on Saturday afternoon at Quebec and the Harmony will give a concert on the Terrace at Quebec, Sunday afternoon. The Quebec papers have already advertised this concert. The Harmony Band is very popular in the Ancient Capital and no doubt will play their concert to at least 10,000 spectators.

EXODUS FROM NORTH HATLEY.

The exodus from North Hatley, which has been going on for some weeks has nearly drained the popular resort of its summer colony. A special pullman is attached to the N. Y. southbound express daily and has been filled for some weeks.

The season at North Hatley has been a very successful one.

UNCLE SAM'S ADMISSION FEE.

The immigration officers of the United States, stationed at the gateways of the Republic, are collecting admission fees where ever possible.

An instance occurred one night this week between Sherbrooke and Newport. A woman who had lived in the States for years, was returning from a visit to her native land, Norway. She was on her way to her family in New York. It did not matter, she was not a native born American so was taken from the train at Newport and obliged to pay the head tax of $4.

An American on board protested that this was not the intention of the United States law.

The immigration officer, whom the trainmen called "Judge," however, stuck to his interpretation and the $4 admission fee was handed over.

It looked like a case of "no return checks."

RECEPTION TO CHOIR OF ST. ANDREW'S CHURCH.

The reception tendered to the choir of St. Andrew's Church, last night, by the members of the Session, was a most enjoyable function. The guests were received by the members' wives.

During the evening a number of addresses were given. In welcoming them Rev. Mr. Nicholson, pastor of the Church, referred feelingly to the laudible work in which the choir was engaged. He encouraged the members to attempt, better things during the coming year, and assured them of the great appreciation he had of their labors.

Mr. J.P. Watson, sr., who for upwards of forty years has been connected with choirs, gave some practical advice which was appreciated by the members. The other members who spoke were Messrs. J.T. Reid, J.H. Bryce and James Robertson.

A musical programme followed in which the following took part: Miss Baldwin, violin solo; Mr. J. Owens-Jones, solo; Mr. Clifford Price, 'Cello solo; Mr. Johnston, vocal solo. Every number was thoroughly enjoyed,

After the programme delicious refreshments were served, after which the gathering broke up with the singing of the Doxology.

Prof. Sawdon, the choir leader, in a few words thanked the members of the Session for the pleasant evening they had afforded the choir and for the helpful advice offered. He was always willing to listen to and act upon advice.

Deaths Reported.

MRS. LUCY A. FRELRIGH. BEDFORD.

Bedford, Sept. 16. —(Special)—The death of Mrs. Lucy A. Freleigh occurred here Wednesday, at the age of 83 years. Mrs. Freleigh had been in failing health for several months and for some days her death was momentarily expected. She was one of those substantial, strong minded characters which as time passes are becoming too few.

Possessed as she was with an extremely developed intelligence and the keenest business sense. She was held in respect by the entire community and it is safe to say that no person will be more deeply missed than Mrs. Freleigh. It was often a matter of remark that all classes were included among her friends, young and old, rich and poor, learned and unlearned and she commanded the esteem of all by the prestige of her strong personality. In Mrs. Freleigh's death the community loses a very forceful character which may never be replaced; and whose influence was felt even in the latter years of her life, when failing health compelled her to live in retirement. She survived her husband, the late G. Freleigh many years and leaves few immediate relatives, excepting her cousin, Mrs. St.L. C. Morgan, with whom she resided at the time of her death.

The funeral will be held this (Friday) afternoon at 1.30 p.m., at St. James Church, Bedford.

TRACKS WILL BE LAID IN THE CENTRE OF BELVIDERE ST.

A special session of the Sherbrooke City Council was held yesterday afternoon. The object of the meeting, was to consider the advisability of placing the street railway tracks on the west side of Belvidere street.

Some time ago the Council recommended that the tracks be laid on the west side, owing to the fact that the C.P.R. intended using the present station for a freight shed. The fact that the water pipes run on the west side, however, caused the Council to change their decision and order the tracks to be laid where they now are.

SHERBROOKE "WAR CANOE" CREW.

A party of young men had rather an exciting time of it for a few hours on the Magog River last evening. They went by launch up the river to the club house where they spent the evening. In the meantime a heavy fog had settled over the river, so that when they started for home about eleven o'clock, it was impossible to see ahead. The attempt was made, however, to get down the river. The launch ran into stumps, piers, ets. so that it was found necessary to stop the engine and paddle, no easy matter with twelve men in the launch Several times they nad about reached the boat house, but in trying to effect a landing they would go up the river again. It was not until three o'clock this morning that the party finally got a landing.

Men's Hats...

It is quite needless to say that we are in the Hat Business—most everybody knows that. To some who have not bought their hats from us in the past we would say that our Stores have always in stock the kind of Hats that stand right out from the common. We honestly believe that this establishment carries in stock and sells more Men's Hats by far than any other concern in the City of Sherbrooke. But unless our Hats were right this would not interest the fellow who wants the right thing in headwear — our Hats are correct in every detail, and embrace the pick of the best makers of both United States and Great Britain.

Our full complement of Autumn Hats are here for you to look at, and we feel assured that you can be fitted in both size and style.

Some of the makers which we represent — Carter, Wilkinson, Hawes, Glynn and Gordon, Bennet & Co.

Prices :—$2.00, $2.50 and $3.00—no higher.

SPORTING NEWS

RUNNERS UNDER 16 CANNOT ENTER.

Physicians Say That Course is Too Long For Such.

NO ENTRIES RECEIVED FROM RUNNERS UNDER SIXTEEN.

Dr. E. J. Williams was asked this morning if it were dangerous to allow a runner under sixteen to cover the Record Course. He replied that it was. Even at seventeen, unless the runner be exceptionally strong and robust, the course demands the expenditure of too much energy.

Mr. W. S. Maguire, physical director of the Y.M.C.A., fully endorsed

DR. E. J. WILLIAMS, who says no runners under 16 years should be allowed to start.

Dr. Williams' views and stated from his experience in athletics he knew that a boy under that age was not physically fit.

Under the circumstances the management of the race feels in duty bound to refuse the entries of any runners who have not passed their sixteenth birthday.

SPECIAL PRIZE.

The Sporting Editor has offered a bronze medal to the runner, outside of Sherbrooke, who, running under colors of a club of his own town, finishes the course in the best time.

NIXON DEAN HAS RETIRED FROM LONG DISTANCE RUNNING.

Applications for entry forms are now coming in. This morning an application was received from a runner from Sweetsburg.

A leteer was received from Nixon Dean this morning, stating that he had retired from the running game for good. Dean has won the Record Road Race on two occasions and it is regretted that he will not run this year. It will mean, however, that runners from outside will have a better chance for victory.

Mr. W. S. Maguire has been added to the list of officials. Mr. Maguire will look after the scoring of the runners as they finish.
