SCHOOL LOANS PRODUCE 6 NEW TEACHERS

Shawville United Marks Jubilee

On Sunday, Shawville United Church of Canada observed the 122nd anniversary of the formation of the congregation.

Services also marked the reopening of the church, since it has been completely redecorated.

The guest preacher was the former pastor of the charge, Rev. Dr. Alex F. Pokes, who marked at this time the 25th anniversary of his coming to Shawville and district.

The choir, under the leadership of Miss Kay Woodley and Mrs. Edgar Hodgins the organist planned special music for the two services.

The present church of which Rev. H. G. Lester, B.A., B.D. is the minister, was built in 1890; destroyed by fire in 1906 and rebuilt in 1907. However, this congregation has worshipped in at least two other churches in earlier Methodist years. The Clarendon circuit of the Methodist church, of which Shawville, or Clarendon Centre as it was then known was a part, began a separate existence in 1834. There had been missionaries in the district before that time, serving both sides of the Ottawa River for a time in the Bonnechère mission.

That which started as the Clarendon mission of the Wesleyan Methodist Church, joined in with other Methodists, to form the Methodist Church in Canada, in 1834. Then in 1925, they became a part of the United Church of Canada.

Anniversary of the present Shawville United Church is being held on the actual anniversary of the churches in 1925.

The old Clarendon Mission has grown to form two charges now, that of Clarendon to the north of Shawville and Shawville charge

Connaught Park Races Postponed

The Connaught Park Raceway management expressed the hope today that the postponed opening of the track would take place shortly, but there was no word of when the track would be permitted to operate. The opening of the racing season scheduled for tonight was cancelled yesterday on orders of the Quebec Government.

Owner T. P. Gorman said a Quebec Government official visited the track Tuesday and ordered that no racing be held until certain building alterations had been completed.

Pending the satisfying of these requirements the track would remain closed, but track officials felt that the situation would be cleared up in the near future. Horsemen were notified Tuesday afternoon of the postponement and Gorman said he would meet provincial authorities Wednesday.

Lucille Hodgins Wins Dancing Pederal

At Lachine on June 9 Miss Lucille Hodgins, 6, daughter of Mr. and Mrs. Lee Hodgins took first prize in the Highland Fling competition. This was in the eighth year and under class at the Caledonian Games with competitors from Toronto, Montreal, Cornwall, Glengarry and Ottawa.

This first prize marks a very important stage in the development of this little Highland dancer. With the prize comes a beautiful medal which Lucille is entitled to wear on her costume at all times except when in future competitions. Lucille also competed in the Sean Triubhas and Sword Dance contests in the class of twelve years old and under with over twenty other competitors.

itself, made up of Shawville and Zion congregations. The Shawville class has a communicant membership roll of just over 500 at present, while there are 900 people in all connected with the charge.

Anniversary celebrations were continued on Monday evening, when the congregation and their friends gathered for an anniversary supper in the Sunday School room, the ladies serving from 5.30 to 8.30 p.m.

Golden Wedding Celebration

Mr. and Mrs. Martin of McKee, celebrated their golden wedding this past week, attending church where a wedding service was conducted by Rev. Father McDonald. They then repaired to Burnham Hall where a delicious dinner was served surrounded by some 30 friends. We all wish Mr and Mrs. Martin many more years of wedded life.

Frank Bertrand Paid Final Tribute

Final and impressive tribute to Frank Bertrand, well known Calumet Island farmer, was paid at his funeral from his residence to St. Anne's Church.

The casket was met at the door of the church by Rev. J. J. Hogan of Campbell's Bay, who officiated at the Libera service. Requiem high mass was chanted on Monday morning.

Mr. Bertrand was born at Bryson Quebec in 1883. He was a son of the late Frank Bertrand and his wife Genevieve Lavigne.

He was married 48 years ago to Elizabeth Beauchamp, who survives. He also leaves three daughters, Rev. Sister Mary David of the Sisters of St. Joseph, Pembroke, Mrs. Joseph Lemay of Renfrew and Mrs. Fred Atkinson of Bryson; 3 sons, Eugene of Campbell's Bay, Alex at home and Alphonse of Fort Coulonge; one brother, Frank Bertrand; and two sisters, Mrs. Pierre Sicard of St. Catherine's, Ont., and Mrs. Alex Lepine of Renfrew.

Most Casually Run Library In The World

A half a dozen new additions to the Pontiac Community Library have been received this week from a donor who wishes to remain anonymous. The members of the Library are grateful for these books.

For those who may not know about it here are the facts about the Pontiac Community Library. The Library consists of about nine shelves of books, mostly fiction, located in the front office of the Pontiac Printshop in Shawville. This location is called a temporary location because it was anticipated when the library started that it would outgrow its present bounds eventually.

There is a Board of Directors of the Library consisting of a chairman, vice-chairman, secretary, treasurer and board members. These people are Mr. John A. Tolhurst, Mr. Reuben Smith, Mr. and Mrs. D. R. Dickson and Rev. R. G. Elliott.

A membership card can be bought for 50 cents and any number of books may be borrowed with this card. There are very few people taking advantage of this source of reading material although the number is gradually increasing.

The Library hours are the same as those of the Printshop because there is no librarian. From 9 to 12 and 1 to 5 every day but Sunday, members just drop in, return the books they have previously borrowed to the shelves and sign for whatever books they wish to take out. When they return a book they cross it out in the "sign out book".

This is probably the most casually run library in the world but for the few who use it regularly it is a real pleasure. Cataloguing of the books, organizing them on the shelves in some sort of order and rebinding some that are falling apart from use are all matters for the future. Meanwhile, the library is there for all to use and an open invitation is extended to everyone who cares to read a book, to borrow one from the Pontiac Community Library.

Home Nursing And First Aid Awards Go To 154

D. Kemp Edwards of Ottawa, Provincial Commissioner for Ontario, and Clifford Jenkins of the youth branch of the St. John Ambulance, also of Ottawa, attended the meeting of the society here when first aid and home nursing awards and certificates were presented.

Captain Art Winslow was in the chair, and presented the awards to the graduates of first, second and third years in home nursing, and awards to those taking courses as high as sixth year course. These numbered 154 in all.

A film was shown on fire prevention, and a second pictured the technique of bandaging the various parts of the body in case of injury.

In a brief address Mr. Jenkins explained how some branches were organized to help in home emergencies, and cited Richmond, Ont., saying that the farm women who had taken the course came to the help of suffering people and families that had been injured in some way.

The various classes that had been held presented their leaders with gifts in gratitude for their services, Dr. C. F. C. Powles, Capt Art Winslow, Mrs. R. Smith. The presentations were made by Mrs. Melvin Armstrong.

Pontiac Experiment Proves Successful Example For Rest Of Province

Educators throughout Quebec sat up to take notice last year when the Pontiac Protestant Central School Board embarked upon a scheme of financing their own future teachers through Macdonald Teachers College. Every school board was faced with the same problem of a teacher shortage and each took steps to solve it in its own way. The way chosen by our Pontiac trustees to alleviate the condition was different from any other and therefore received special mention in the Educational Record.

Now the first results of this original course of action can be seen. In the picture accompanying this article are the six girls whose teacher training was assisted by the Pontiac Protestant Central School Board. These girls were further assisted by a \$125 Department of Education bursary available for students from rural areas. Each of our Pontiac County in September and will repay the Central Board within their first two years of teaching. Each of the girls now intends to return to Macdonald for three summer schools to raise her Elementary Teacher's Diploma to an Intermediate Diploma.

If providing Pontiac schools with six new qualified teachers and starting six young women upon their teaching careers is worthwhile then the scheme can be judged an outstanding success and all credit is due the members of the Central School Board for their foresight.

Seen, left to right, in the picture are Margaret Smith, Vera Graham, Janice Yemen, Marie Cartman, Shirley Horner and Garbo John.

Margaret Smith, a Shawville girl had been teaching on a permit for three years before she was enabled by the Central School Board loan to attend college for her diploma. She had taught at the Rooney School, the school at Hodgins Post Office and at Bristol School No. 7. In September Margaret will take grades one to four at the Fort Coulonge School, not as a permit teacher but as an experienced qualified diploma teacher at a salary of \$2100.

Vera Graham of Wyman, graduated from Shawville High School last year and went straight to Macdonald on a School Board loan. With her Elementary Teacher's Diploma, Vera will be teaching grades three and four at the beautiful new Ladysmith Intermediate School at an initial salary of \$1900.

Janice Yemen will remain in her home town to teach at Shawville's Victoria Street School. A Shawville High School graduate last year, Janice will take on one of the grade four classrooms for the school year starting in September at a salary of \$1900 for the first year.

Marie Cartman, Stark's Corners, was also in last year's graduating class at Shawville High School. Her first teaching assignment will take her to grades three and four at Quyon. Her initial salary is also \$1900.

Shirley Horner of Wyman had taught for two years at Bristol School No. 4 before her course at Macdonald. With this experience as a permit teacher and the added qualification of an Elementary Diploma, Shirley will now be teaching grade seven at the Shawville High School at a salary of \$2100.

Garbo John is from Waltham. After graduation from High School two years ago, Garbo did an exceptionally good job of teaching at Ladysmith last year. Now with her Elementary Diploma, Garbo will take over all grades at Waltham with a starting salary of \$2000.

The picture was snapped in front of Stuart Girl's Residence at Macdonald College. The girls are wearing the college uniform of Mac-

donald, plaid skirts and navy blazers. Their success at college is proof that the experiment worked. Other school boards may now safely embark upon this course that the Pontiac trustees have opened up. This loan method may well become an important factor in beating the teacher shortage at least to some degree.

Picnic Grounds Open For Season

From Radford we have word that the tables are now in place for another season's picnics at Richardson's grove. This picnic ground was donated last year by Harold Richardson to the public so as to provide a comfortable place off the highway for through travellers to stop as well as a convenient spot for Sunday School picnics and the like for the people in the neighborhood.

The grounds are closed off from the highway by a gate. There is a field in which cars can be parked and also room for playing ball, holding races and such activities. Beyond the small field is the grove of cool pines under which the Radford Farm Forum last year built picnic tables and a fire place. Plans this year are to provide pure water to the spot, thus further improving its convenience. While other Forum groups tend to close down during the summer months, Radford Farm Forum swings into action and the results of their labors are much appreciated by their neighbors who use the grounds as well as countless strangers who stop there on their way up No. 3.

Signs on the Highway mark the grounds. The signs are black with silver lettering. The grove is a few miles west of Shawville.

gone to church. It swept rapidly through the building and into the connecting LaSalle store and warehouse and then jumped 30 feet to the Bernard store.

Fire apparatus from Campbell's Bay and New Calumet Mines, aided by 50 volunteer firemen, worked desperately to quell the blaze but the buildings were demolished in less than two hours. All of the buildings were of wood with the exception of the LaSalle store building which was brick.

The fire was first noticed by John Meilleur, on his way to church. He turned in an alarm but although neighbors worked hard before the arrival of the firemen nothing could be done to halt the rapid spread of the fire.

Cause of the fire is unknown but it is believed a transient may have slept in the mill building and left a burning cigarette butt.

No one was injured but the Bernard family was left homeless.

Dance Revue Friday At Campbell's Bay

The Campbell's Bay Women's Auxiliary to the Pontiac Community Hospital has planned a very ambitious event for tomorrow night Friday, June 15. They have arranged for the entire group which performed at the recent dancing recitals at both Quyon and Shawville to come to Campbell's Bay and repeat their previous performance. This group includes all the students of Miss Sylvia Casey from both Shawville and Quyon, as well as one from Campbell's Bay and a large number from Ottawa.

The show was well received on both previous occasions and should be even more so at Campbell's Bay as the dancers have had just that much more experience and practice. Rehearsals have taken place since the last performance and costumes are being brushed into shape so that the best performance of all may be presented at Campbell's Bay Town Hall Friday night.

Family Homeless After Calumet Blaze

Damage estimated at \$100,000 resulted Sunday morning when two general stores, a feed mill and a warehouse were destroyed by fire. The fire occurred at LaSalle's Corners. Razed were the store of Paul Bernard, the feed mill, warehouse and general store of J. H. LaSalle. All were covered by insurance.

The fire originated in the feed mill about 8 o'clock in the morning shortly after the LaSalle's had

FUTURE TEACHERS OF CANADA

At a recent provincial conference of the Quebec Federation of Home and School Association, it was agreed that parents have an important role in encouraging people to take up teaching careers. Today's teachers are also being urged to influence the youngsters in their classes to become teachers. With the tremendous teacher shortage it is no wonder that everyone is encouraging everyone else to take up this profession, but the desired ends will not be reached so simply.

In every high school graduating class there are actually very few pupils who will make good teachers. Those who are doing the best work academically might be the worst possible candidates for a successful teaching career. Those who love little children might also be poor teachers although in the early grades love goes a long way and will make the difference between mediocrity and excellence. Even those natural leaders who look and act like good teacher material might turn out to be poor ones in the final test.

It isn't easy to spot good teacher material in high school but it can be done, especially where there is a member of the staff with training in guidance. Rather than trying to encourage children to enter the teaching profession generally, consideration should be given to a plan of picking out particularly good teacher material from the classrooms. If they realize their own potential worth as future teachers they could be given special encouragement and even a little taste of teaching. Their particular importance in society could be signalled by a "Future Teachers of Canada" pin and they could be allowed free use of the school outside of school hours to develop their interests in many fields which a progressive teacher finds useful.

Planning of a school magazine, school paper, plays and revues, debates, show case exhibits orchestra and choir, hobby clubs, extra curricular study clubs and other enterprises could be left in their hands as preparation for demands which will be made on them when they take up their profession. These things are all taken up in most teacher-training courses but actual experience at the high school level provides a better background than any amount of classroom exercises later on.

Such a careful method of selection of future teachers combined with the Central School Board's excellent scheme of loans to teachers in training might well be the solution of the teacher shortage in Pontiac. If we carry it out year after year it will not be long before we have revitalized our own teaching corps and Pontiac will be supplying good young, experienced and qualified teachers for the rest of the Province — another wise use of our natural resources.

Letter To The Editor

Shawville Quebec,
June 6, 1956

Dear Mr Editor:-

Through the medium of your paper I wish to send the following message to all the Farm Forum members who recommended me for one of the National Farm Radio Forum Leadership Awards:

It would be quite unnatural if I were not deeply touched by this tribute to my work, and I want to thank you very, very much.

When Gilbert and I joined Radford Forum we were just another member in a group. However, that relationship soon changed, very quickly we discovered new friends in our neighbourhood, county, province and all across Canada. Each person provided new inspiration.

My years with the forums have been happy ones, because of the spirit of team play that prevades the entire Association. In all the work I had the help of my family,

forum friends in county, provincial and national fields when it was needed. Yes, I have been fortunate in my forum associates. I have received constant help from you, and when the Leadership Awards were mentioned, then I had the loyal co-operation and support of those who looked to me for direction.

As a matter of fact Pontiac, and Missisquoi counties and the Provincial Committee are in a large measure responsible for this honourable award. Without their willing assistance I'm afraid a lot of work accomplished would not have been so easily attained.

Therefore, forum friends, I appreciate your help and good wishes and I hope that I shall long enjoy forum work among such an appreciative "good gang". For your expressions of good will and support my sincere thanks.

OTTAWA Report:
by Anthony J. Wright

Ottawa—This has been a week when Parliament and the nation would have gained had television cameras been trained on the Commons here. It may be that members would be more dignified under the lens than they are now. Anyway, when you have up to 3,000 folk lining up and trying to get into the Commons after six in the evening to hear a pipeline debate, you have a measure of the public's interest in the fierce wrangle over the Speaker and Bill 298—lending \$70-\$80 millions to Trans-Canada Pipe Lines Ltd.

I would not have thought that there were ever as many as 3,000 willing to desert movies, TV etc. to watch the government force a bill through and to hear members wrangle, under the presidency of the Speaker, Hon. Rene Beaudoin, about Mr. Beaudoin's impartiality, but there were certainly as many folk as the galleries would take—and an overflow.

Mr. Speaker, having allowed a motion to censure the Ottawa Journal for publishing a letter attacking him, the next morning disallowed it. This is against the rules, whose guardian and champion the Speaker is supposed to be. On top of that he wished, it appeared, to cancel out a whole evening of debate on Thursday, May 31, by the simple expedient of declaring that a mistake had been made by himself at 5.15 on that evening and that therefore the House should "rub out" all that had passed since then and return to that time.

The Opposition believe, it appears, that the Government twisted the Speaker's arm obliging him to reverse his decision of the evening before. No one has yet denied this. Certainly it was all improper and George Drew's motion "that this House has no longer any confidence in its presiding officer" was to be expected. Certainly 57 members, as against 134 showed they had no confidence in Mr. Beaudoin by voting to continue talking about the motion when the prime minister wanted to have it forgotten. Seems Mr. Beaudoin is in a bad spot, likeable and able though he is.

He's the victim of a weak system. For years, nearly for decades, Liberals have been given the Speaker's high office, usually for the life of one Parliament, and then have passed to suitable reward, Senate seat, Judgeship or something better. They remain active Liberals in one sense. After all, Mr. Beaudoin is thought likely, or was thought likely, to get a cabinet post if Canada re-elects this government.

Jean Agnes Stark Weds Sherwood Hubert Storey

Starks Corners United Church was the scene of the recent wedding of Miss Jean Agnes Stark daughter of Mr. and Mrs. Albert O. Stark to Mr. Sherwood Hubert Storey, son of Mr. and Mrs. Archie Storey, Shawville, Que.

Dr. A. F. Fokes performed the double ring ceremony. The organist was Miss Faye Smart and the soloist was Mr. Dugal Sharpe, who sang "A Wedding Prayer" and "Because". Given in marriage by her father, the bride was attended by her sisters, Mrs. Emmond Bell as matron of honor and Miss Sandra Stark as flower girl.

Mr. Elwood Storey was best man for his brother, and the ushers were Mr. Gerald Watson and Mr. Robert Stark.

For her wedding the bride chose a full-length gown of nylon tulle over slipper satin, designed with a fitted bodice with long sleeves, extending to points over the hands of Chantilly lace. The high neckline had a peter pan collar trimmed with pearls, sequins. Her veil was of nylon net trimmed with satin and held in place by a bonnet styled headdress trimmed with pearls. She wore pearl earrings and carried a bouquet of red roses.

Following a reception at the Church Hall, the couple left on a trip to Niagara Falls. They will reside in Shawville.

For travelling the bride wore a blue flowered silk dress with matching duster white accessories and wore a corsage of pink mums.

The out of town guests included Mr. and Mrs. H. C. Brown of Oakville, Ont.; Mr. Edgar Stark, London, Ont.; Mr. and Mrs. Stewart Storey and Sharon, Mr. and Mrs. Emmond Bell, Mrs. Wilf McCara, Mr. and Mrs. Hubert Way, Miss Edythe Storey, Miss Dorothy Hobbs, Mr. Graham Murray, Mrs. C. E. Booth, all of Ottawa; Mrs. P. W. Young, Mr. and Mrs. Carl Ebert, Campbell's Bay; Mr. and Mrs. J. E. Pillator, Renfrew; Wilf Beaulieu, Almonte; Miss Betty Farrell, Brockville; Miss Winona Mohr and Mr. Dougal Sharpe of Quyon.

There is hardly a more active politician than a man likely to get a cabinet post.

The job should be made permanent, after a trial period for the government's nominee, agreed to by the whole House unanimously. Thence forward he should sever all connections with party politics, should be returned unopposed at elections, as he is in Britain, and would then be more able to do one of the toughest jobs in Canada. Many around here think such a change would help Parliament's work and prevent any more of the fantastic and riotous scenes witnessed here during the pipeline debate.

BRIEFS — Scenes of the week maybe the decade: red-faced George Drew and Major Coldwell belittling, above the din of Liberal singing, and advancing threateningly almost up to the Speaker's Chair. The late Jack MacDougall, (Vancouver-Burrard) offering heart pills (T.N.T.) to Mr. Beaudoin in case he should have a seizure—five days later Jack died of such a seizure in Commons wash room. St. Laurent, face waxen and ashamed, eyes downcast during the Parliamentary riot, but C. D. Howe, sane, doughty fighter, watching the gesticulating Opposition members as though they were in a "live" TV show. At least things are alive round here, at last.

St. Andrew's WMS Plans Garden Party

The members and friends of St. Andrew's W.M.S. held their June meeting at the home of Mrs. M. R. Bailey on the evening of the sixth. Miss S. Campbell opened the meeting with hymn 345, Oh for a Faith that will not shrink. Mrs. Cavender led in prayer. The lesson was read from the missionary monthly. Fifteen answered the roll call. Plans were made for the Baby Band Garden Party to be held at the manse June 15 from 1.30 to 5 o'clock. There were 13 pairs of mitts, 2 helmets, 2 pairs of socks, one scarf for the Indian school in Manitoba. There were 12 sick visits.

The treasurers report was adopted and the offering was \$415. On motion of Mrs. G. Stewart and Mrs. J. Campbell, Mrs. M. R. Bailey was selected to be delegate to the sectional meeting in Shawville.

On motion of Mrs. McCredie and Mrs. W. Graham the study book and packet shall be purchased if in stock and ordered, if not, from Miss Drummond, the Literature secretary. An invitation is to be given to have the sectional meeting in St. Andrews next year. The evening closed with singing hymn 148, Breathe on Me Breath of God, and prayer by Mrs. Stewart. Tea was served and a social hour of chatting enjoyed.

Mr. R. E. Hayes, Eng. of Gen. Supply Co., met with Council; Mr. H. Gerber of Hilton Mines met with Council; Messrs. Claude Elliott, Leslie Dale and Irwin Smart also met with council.

After a lengthy discussion with Mr. R. E. Hayes on conditions at the elevated water tank and the troubles with water supply to the houses on top of the hill, it was decided to have the levels taken at the water tank and the area on top of the hill as soon as possible, also pressure tests with the elevated tank shut off and reports of same to be further considered by Council.

Survey of Main Street, North side re parking meters and report to be turned in to Council as soon as possible.

Motion Cr. Tanner to adjourn. W. M. Hayes, Sec.-Treas.

Water Safety

What would you do in case of a cramp while swimming?

Explanation of Cramp: Like every system in the body, muscles require oxygen and sugar, which are carried in arterial blood to supply energy needed to perform the functions of contraction and relaxation. When the arterial blood supply is impaired, and the muscles continue to contract, a product called lactic acid is produced in the muscles. This gives rise to the spasmodic and agonizing pain which is known as a cramp.

- Treatment:
1. Rest
 2. Massage to loosen the muscle and to encourage circulation.
 3. When possible, gentle extension of the affected muscle.
- Causes:
- Cold over exertion, injury to the muscle, swimming when overly hungry, swimming too soon after eating.
- When swimming this summer, begin gently and cautiously. Never swim alone.

Eldon Keon Charges Neglect Of Farmers

Bryson—Bryson Liberals turned out 'en masse' to hear Provincial matters discussed by Liberal Candidate Eldon Keon in the Bryson Town Hall, Tuesday evening, June 5. Frank Cahill, president of the local Liberal Association was Chairman. Prominent Liberals on the platform were Mrs. Chas. Bolam, Campbell's Bay; Dr. S. E. McDowell, Shawville; S. Wyman MacKechnie, Wyman; J. J. Ayearst, Quyon; Jules Caron, Hull with Liberals from Calumet Island, Campbell's Bay and Lower Litchfield attending. Mr. Keon maintained that there is collusion between the Dept. of roads and the contractors in road building in Pontiac. He charged that the farmers were being neglected regarding grants to agriculture and that the cost of education was too high in the province. Mr. Keon received generous applause throughout his speech. Jules Caron, W. MacKechnie, J. J. Ayearst and Dr. McDowell also addressed the meeting.

The evening ended by a show given by Borts the Magician of Olds.

Keon Promises Tax Abolition

Quyon—A pledge that he would use his utmost efforts to speed the construction of the Quebec link of the Trans-Canada Highway was given Monday night by Liberal Candidate for Pontiac, Eldon Keon.

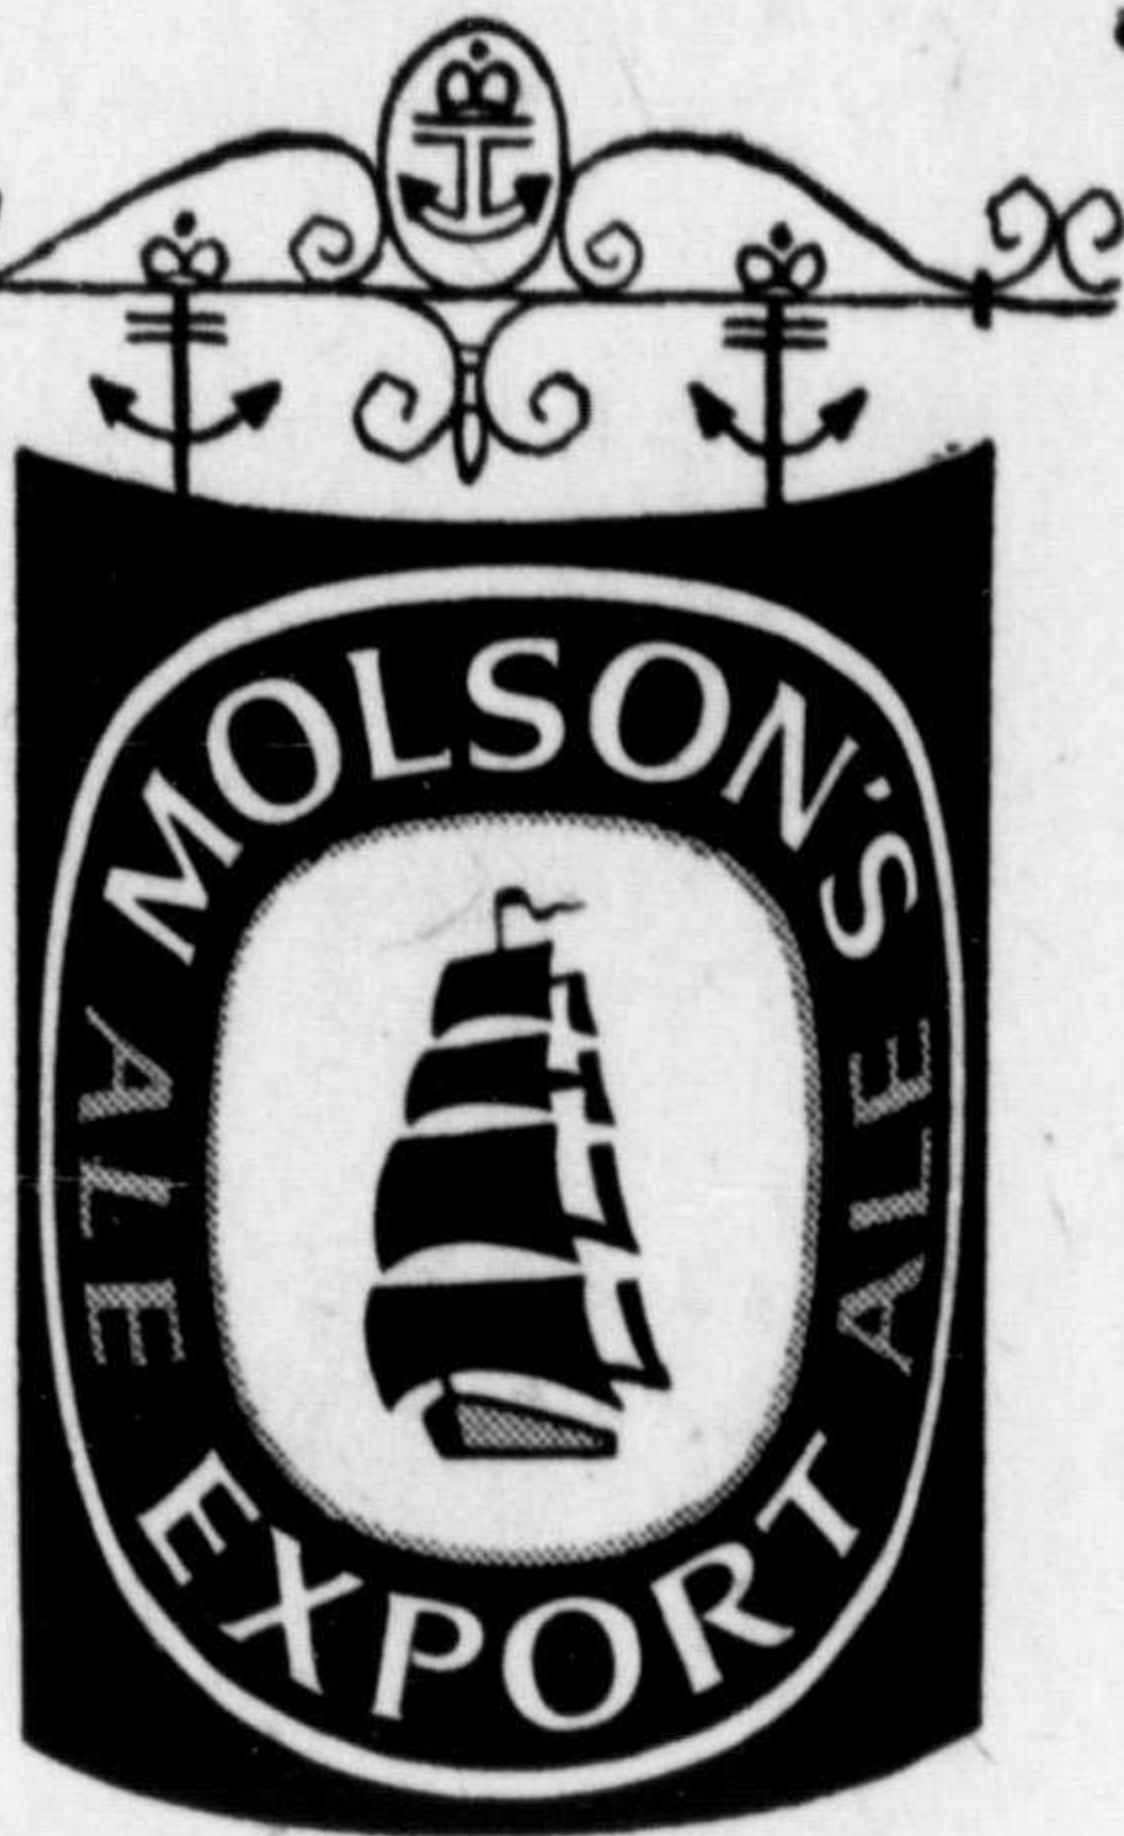

He also promised appointment of a marketing board for farmers, introduction of a health insurance plan, and abolition of the provincial income tax, if a Liberal government were elected, he said.

Other speakers at the gathering in St. Mary's School were Harold Maloney, Hull barrister, Hugh Proudfoot, MP for Pontiac, Bruce Ayearst, Paul Caron and S. W. MacKechnie.

Mayor C. R. Taber was chairman.

| NEW INDUSTRIES IN CANADA IN 1955 | |
|----------------------------------|-----|
| ONTARIO | 260 |
| QUEBEC | 33 |

In 1955, out of a total of 346 new industries (Canadian, American, British and European) in Canada, 260 established in Ontario whereas only 33 located in Quebec.

According to Canada Gazette, published weekly by the Queen's Printer, Ottawa, since 1952, 120 companies situated in Quebec have requested to transfer

their head offices to other provinces, the majority of them relocating in Ontario.

From 1952 to 1955, capital investments in the Province of Quebec increased to only \$7,547,000 or \$1,790 per person as compared to \$11,324,000 (or \$2,360 per person) in Ontario.

here's the PROOF

that Duplessis has discouraged new industries from establishing in Quebec

• Statement by Mr. Fred Gardiner, president of the Toronto Metropolitan Commission (February 17, 1956):

"Metropolitan Toronto would be foolish not to take advantage of Premier Maurice Duplessis' restrictions on industry in Quebec . . . It is most important to attract industry and since Duplessis — sometimes called "Do-as-he-pleases" — has been making the climate uncomfortable for industry in Quebec . . ." (On January 24, 1956, Metro Chairman Gardiner speaking to a dinner meeting of the Ontario Forest Industries said) ". . . the Quebec premier is double taxing, insulting and penalizing industry".

• Statement by Lands and Forests Minister M. Mapledoram (Fort William) published in the Toronto Globe & Mail, Feb. 24, 1956:

"Firms which have been operating in that province for upwards to three quarters of a century are now interested in Ontario forests. The Duplessis policies are driving them to us."

• Gordon Mines in "The Financial Post" (March 27, 1954):

"Quebec is definitely harder to sell as plant location. Industrial development men say prospects fear further tax troubles.

"Many of those concerned with industrial development in Quebec report that the tax has definitely affected the attitude of firms considering Quebec as a location for new plants or an expansion program."

ASSURE QUEBEC'S FUTURE ECONOMY CHASE DUPLESSIS FROM POWER

LAPALME SAYS:

"The economy of the province rises and falls according to whether the government is good or bad. The present Quebec administration has, out of all ten provinces, the greatest number of nuisance taxes. These only serve to encourage capital investors and industries to move to other provinces. At the same time new business is discouraged from establishing in Quebec."

Duplessis has increased

hydro electric power **CONSIDERABLY** in every Quebec area

Hydro electric capacity had to be increased to keep pace with Quebec's growing industrial development. Premier Maurice Duplessis faced up to the task in 1944 and in the subsequent decade boosted hydro electric energy from 5,800,000 to 8,000,000 horsepower. We now have an additional 2,400,000 horsepower under construction in the province and total output will soon exceed 10,000,000 horsepower. Quebec's hydro electric potential is known to be 26,000,000 horsepower.

establish

6,000 new industrial firms since 1944

With its forests, its mines, its electric power, Quebec, as with Ontario, is the most bountiful province in Canada.

The presence in Quebec of a far-seeing government, a social stability that subversive demagogues have been unable to shake, an honest and a hard-working population have attracted capital and industry.

In the last twelve years, 6,000 plants, factories and workshops of all kinds were opened throughout the Province.

The value of Quebec's industrial output last year grossed \$7,714,600,000.

Are you a litter-leaver?

Who me? A litter-leaver... certainly not! Far be it from me to leave empty beer bottles lying around picnic grounds and by the side of our highways. I always make a point of returning my empty Brading's bottles... and besides I save money that way.

That may be something most folks seem to forget... it's a lot less expensive to buy Brading's new carton of 12 returnable pints. And with Brading's you get a wonderful ale. It has a richer collar... superior aroma... mellow flavour. Try it to-day!

US: Doesn't apply to Pontiac.
YOU: Where's the difference?
US: Pontiac's specific... lots of information.
YOU: That so?
US: Sure. We give you all the facts.
YOU: Like what?
US: Go ahead... ask me anything you'd like to know.
YOU: OK... how many Pontiac series and models?
US: 6 series and 31 models... more than any other make of car.
YOU: Mm-hmm... now what's the story on engines?
US: 5—more and better than any other car.
YOU: How about color and upholstery combinations?
US: Literally hundreds... more attractive than any other car.

Plain talk from us to you

YOU: So far so good... tell me about transmissions.
US: 5 altogether... away ahead of competition.
YOU: How do these things affect economy?
US: Penny-pinchingest car you ever drove!
YOU: Sounds like there's more of everything.
US: Yes, sir... that's Pontiac all the way!
YOU: No wonder you're so free with the details.
US: Sure... Pontiac offers more. We're proud to talk about it.
YOU: Anything more I should know?
US: Nothing Pontiac can't prove—just drive one and see.
YOU: Now?
US: No time like the present.
YOU: Where do I go?
US: To any Authorized Pontiac Dealer... he'll treat you right!

Give it an INCH and watch it take the MILES!

Just a nudge of your toe . . . and there's nothing but pleasure ahead. Now's the time to discover how the frisky new Chevrolet loves to travel.

Drive the new Chevrolet — and get ready to reach for your road maps. There's something about this car that starts you dreaming of those exciting places that always seem to be across the country from where you live.

The fact is, Chevy's got an itch to travel — and it's catching. Nothing serious, you understand. You just want to pack your bags and start putting the miles behind you.

Because Chevrolet covers the miles as only a truly great road car can. That's something you sense instantly in its hill-flattening horsepower, in its solid sureness of control on the tightest curves and

its rock-steadiness on the straight-away.

These are the things that give Chevrolet — and you — an urge to go places. And they make the going sweeter and safer. But there's not the slightest need to take our word for all this; why not discover it for yourself? Your Chevrolet dealer will be happy to show you what a tall traveller this new Chevy is! Is your family all set for the fun?

Calf Club Hopes For 1956 Finalist

The Annual Shawville Calf Club Banquet was held Friday, June 1, in the United Church basement.

Welcome to the guests and fellow club members was given by the President, Hillis Connolly. Arthur Kilgour, Club Leader, stressed the need for parent's support and encouragement in club work. Also, this year being the 100th Anniversary of the Shawville Fair, our boys and girls will be extra busy. We hope we may have another club member reach the finals at the 'Royal' as Elwood Hodgins did in 55 and George Pirie in 54.

Greetings to the club came from Vertal Smiley, President of Pontiac Agricultural Society; Wilfred Huskison, teacher at Shawville High School; Eleanor Campbell, in the

Around The Valley Raceways

With Johnny Gemmill

Wednesday June 6th, the Arnprior Driving Club were blessed with a very fine day, the first for over a week. A crowd of about 2000 saw 88 very good races.

1st race—Countway owned and driven by Donald Cox, North Sydney, N.S. won in 2:27. Countaway hard to handle, can pace a lot when he will. He went away on top but made a break and dropped to near last in the 6 horse field. Dolly Day owned and driven by Hec. Clouthier of Pembroke, took over and led to the 3/4 pole, when Countaway again took over and lead and held it to the wire.

2nd race—Anna Mae Harvester owned by Cecil Pappin, Pembroke, and driven by Eric Connelly sat in 3rd position until the 3/4 pole, then took over to win in 2:20.

3rd race—Josedale Minty Lou owned and driven by Bruce Carleton, Kingston won a wire to wire drive in 2:21.1.

4th race—Black Velvet owned by Gilev Fillion, Angers, Que., won wire to wire in 2:16.2 for Herve Fillion.

5th race—Maybe C owned by T. N. Cecile Pembroke came out of 4th position in the back stretch and won in 2:18.

6th race—saw a bad spill on the first turn, when Dolly Day made a break and Andy K. Blue fell on top of them, with 12 horses jamming into the turn it's a miracle more didn't go down. Josedale held it to the wire in 2:21 to win Minty Lou took over the lead and the race off for the Hotel Madawaska Stake.

7th race—A consolation for horses finishing out of the money in the Stake was won by Josedale Beauty Brook driven by Bill Pike time 2:27.1.

8th race—The fastest and best contested race was won by Maybe

C in 2:14.1. Black Velvet took over the lead at the 1/4 and held the lead until entering the stretch when Maybe C came on to win by 1/2 a length The last horse of 9 was only 5 lengths from the winner for a good finish.

Double Heat winners were Josedale Minty Lou and Maybe C.

Johnston Promises 95% School Grant

More than 200 persons attended a political rally in support of Raymond Johnston, Union National Candidate, held in the Town Hall at Campbell's Bay, on Monday, June 11. The meeting was addressed by Mr. Johnston, who announced that the Department of Public Instruction was prepared to grant a 95% grant for the building of a new school at Campbell's Bay.

Mr. John O'Meara, Q.C. of Montreal, spoke of the great industrial and economic development of the Province of Quebec since the advent of the Union National government.

Other speakers included Keith McCleary of Shawville, Howard Brinkworth of Portage du Fort, Earl Ward of Bryson, Paul A. Martineau, Crown Attorney and Secretary of the County's Union National Organization, Lee Hodgins of Shawville Chief Organizer, Charles Imison, Assistant Organizer, and Mrs. Pheobe McCord of Charteris.

Hospital Auxiliary

The regular meeting of the Central Unit of the Pontiac Communism was held in the Pent House, Friday night, Hospital Women's Auxiliary, June 1st at 8 p.m. with the president in the chair.

The meeting opened with the Lord's Prayer in unison.

The minutes of the last meeting were read and approved.

It was moved by Mrs. Wilson, seconded by Mrs. Horner that \$12.39 be paid for flannelette. Sewing needs were also discussed. The roll call was answered with reports from the various Auxiliaries: Bristol, donation of one pair of pillow cases; Campbell's Bay gave in \$10.00 and for the show case donated 1 baby gown, one bonnet and bootie set, 1 set of booties, bonnet and sweater, 1 pair booties and three flannelette jackets. Three nurses' aid dresses were made, also 12 towel wraps; Clarendon, 4 towel wraps made; Zion \$1.00 fees, 4 towel wraps made, also three nurses' aid dresses.

A need for dish cloths were presented. Materials for sewing were distributed and the meeting closed with the Mizpah benediction.

Lunch was served by Mrs. Barber and Mrs. Wilson.

was paid at his funeral held from the home of his brother, Gerald Donnelly, to St. Anne's Roman Catholic Church. The body was met at the door of the church by the parish priest, Rev. J. W. Archambault. Requiem high mass was chanted by Rev. T. Tait, of Bryson.

Mr. Donnelly was born at Calumet Island on May 3, 1898. He was a son of William Donnelly and his wife, Bridget Newell. He was educated at local schools. For some time Mr. Donnelly lived at Timmins where he enlisted with the Royal Canadian Engineers. He served overseas for five years in World War II.

Mr. Donnelly was a member of the Holy Name Society.

Surviving him are three brothers, Gerald of Calumet Island; Thomas of Bryson and Edmond of Toronto, and one sister Katie Donnelly of Calumet Island.

Interment took place in the parish cemetery at Calumet Island where graveside prayers were recited by Father Archambault.

Laura May Bertrand Early June Bride

A quiet marriage was solemnized in the home of Dr. A. F. Professional Design HOSELINE AUTO

WASH BRUSH

Here's the "most wanted" style — at a low, low price —

- Generous, full-thick 2" bristles
- Flexible Plastic Head — won't scratch
- Water-Control Valve and Shut-off in Handle
- Fits any 1/2" garden hose
- Keeps hands and clothes clean and dry

A 'NATURAL' FOR FATHER'S DAY

Quick-Wash the Car in Easy Minutes

You can bet that Dad will give a loud cheer when he gets his hands on this good looking "Professional Design" Auto Wash Brush. Designed to do a better job, faster... neater, too — no slopping water over hands or clothes. Controlled spray forced through jets in the brush head quickly loosens dirt and floats it away. Wash and rinse in one easy operation. Shaped to fit all contours of the car, the soft rubber-like plastic protects car finish. It's colourful and handsome, built for natural convenient action with comfortable corrugated hand grip on handle. Simply attach to garden hose — Wash cars, windows, screens, in less than half the time. Yes, here's a gift that's "tops with Pops" — and it's priced right down your alley. IN MEMORIAM

Riley—In loving memory of a dear daughter and sister, Rosetta Riley who passed away June 12, 1954 in the Arnprior Hospital.

There's a face that is haunting as ever,
There's a voice that we're longing to hear,
There's a smile we'll remember forever,

Though we try to forget every tear
There's a sad but sweet remembrance
There's a memory fond and true,
There's a token of affection, dear,
And heartaches still for you.
