Brookdale Welcomes Over 400 To Meeting

Howard Harris, Treasurer of Brookdale Farm, reported great progress in 1960-61 at the largest annual meeting ever held last Sunday in the Farm's large living room.

Over four hundred people, including two bus loads from Pontiac County, gathered there to enjoy the service whose

Rocket Richard Dines At Coulonge

Maurice Richard caused a flurry of excitement at Labine's Hotel, Fort Coulonge, today when he innocently stopped for lunch on the way to hunt. The news soon got around and a sizeable crowd gathered to have a look at "The Rocket" in person.

theme was "Children are an heritage of the Lord".

Bandsman Linklater and the Ottawa Slater Corps Salvation Army Band got the meeting off to a rousing start. Hymns followed, interspersed with remarks, reports and prayers by Athol Dale, chairman, Pastor Eric Clayson who also unveiled a plaque to commemorate the founding of Brookdale, Mr. and Mrs. Lloyd Waterston, Rev. E. I. Johnston, Rev. Fred Elson and Rev. A. Bacon.

The Free Methodist Quartet from Campbell's Bay consisting of Mr and Mrs. Asa Smith, William Brown and Harry Hill sang several numbers; the girls and boys of Brookdale sang gospel songs and choruses and the Salvation Army Band played during the offering and also closed the meeting which was followed by the serving of refreshments to the large gathering in the spacious dining room.

The buses returning to Pontiac came by way of the Gatineau Park and stopped in the most beautiful places so all could enjoy the fall scenery at this most wonderful time of year.

Brookdale What Is It?

Is it a School? Is it a Home? Is it a Christian Institution? Yes, it's all of these and more. On December 16, 1953 it was eleven children and Jessie Hyde and an old farm home in Farm Point. About a month later Lloyd Waterston came; gave the home a true family atmosphere and his name to Jessie.

Since then, with the help of a devoted board of directors, the Waterstons have cared for, in the truest Christian meaning of care, over fifty children. Thirty eight are there now with a perpetual waiting list.

A new building was built in an H shape measuring 128' x 28' and a permanent staff of two school teachers is kept on the premises. These are Miss Shirley Orok whose training includes mental health, and Miss Betty Reside of Breckenridge. Two cooks, Miss Marjorie Moffatt and Miss Catherine Hesse are in charge of the kitchen where all the children also share in the chores, as they would in any proper home.

Mr. and Mrs. Alyn Denison are managers of the farming operations which include 140 acres, a registered herd of 20 Holsteins with about 15 grade cattle plus four head of beef cattle and a large practical vegetable garden to supply the kitchen. Excess milk is shipped to the creamery at Masham.

Farm revenue for year July 1960 to July 1961 was \$1,189.06. Other receipts were from general donations \$7,427.76; City of Hull Social Service \$11,781.50, care of children \$3,343.75, a bequest of \$3,000., and donations to the building fund of \$11,175.00, plus other small amounts.

Expenses are kept to a minimum with only \$5,911.50 going out as wages. This means of course that most of the work is being done on a voluntary basis by dedicated people. The bank balance as of this July is just under three thousand dollars and the need for expansion to care for ever more underprivileged children is always present.

The board of directors for 1961 is chaired by Athol Dale. Herbert Vipond is Honorary President, Gordon Crouse is vice president, Howard Harris

Suicide Ruled In Ladysmith Death

Twenty year old Kurt Peter Jeschke, a waiter from the Butler restaurant in Eastview who had only been in Canada for five and a half months, was found shot to death at Round Lake Tuesday evening.

He and another man recently arrived from Germany, Horst Segner, rented a cottage from Mrs. Russel Cobb near the lake which is above Ladysmith towards Otter Lake. At 3:30 on Tuesday afternoon Mr. Jeschke left the cottage alone, according to Mr. Segner. When dusk began to fall Segner went looking for his friend and found him by the waterfront with a .22 automatic revolver by his side. He was dead.

Mrs. Cobb was notified and called Dr. Frank Cowley, Coroner. Police were summoned, and found a "suicide note". The police investigation continues. The Coroner has ruled the death a suicide and there will be no inquest.

The body is being sent to Germany.

Queen Phones Mrs. McAra On Birthday

One hundred year old Mrs. John McAra was honored at a party October 15 at the home of Mrs. Athol Inglee and Mr. and Mrs. Carmen Inglee. At eight o'clock that morning the grand old lady of Beech Grove received a congratulatory telephone call from Her Majesty Queen Elizabeth II from Buckingham Palace. Words could not express Mrs. McAra's pleasure about such a call! She also received messages

from Prime Minister Diefenbaker and Mrs. Diefenbaker, from Paul Martineau MP and Ray Johnston MPP and from Wallace McDonald. Gifts poured in along with cards from far and near and Mrs. McAra enjoyed every message and greeting, recalling their senders clearly.

Some 125 guests came to congratulate their dear friend and neighbor including Rev. & (Continued on Page Seven)

Moose Hunter Charged By Pontiac Moose

Pat Davis of Fort Coulonge tells an exciting and what might have been a fatal moose hunt at Lynches Lake in Northern Pontiac; Davis and Tom Frost flew into this moose haven and son Pat got his moose. While bleeding it on the shore, another and bigger moose appeared from nowhere and made a charge at Pat who was so taken off balance that he fell in the lake, getting behind his boat and out of sight, the moose cantered off before Pat could get to his gun to fire at him, however, when Tom heard the details he followed the track and landed him with in the hour. Pat gets excited when he tells this story of what might have been a fatal moose hunt.

Among the moose killers in the Bryson area are Spencer Keon, Ivan Saunders, Ray Narlock, Irvin Shea, John Legarde and Maurice Hamelin.

Farmer Killed When Tractor Overturned

Florimond Normandeau, 39, whose farm is about a mile of Campbell's Bay, was out ploughing after dark Tuesday night. When he didn't return by ten o'clock his wife went out looking for him but couldn't find him. Again at two o'clock she went searching and this time kept right on looking until she discovered he had been killed when his tractor overturned.

Dr. Frank Cowley, the Coroner, was summoned as well as the Provincial Police. Cause of death was internal injuries.

Murray had pitched all nine innings Saturday in bitterly cold 40 degree weather, with scattered snow flurries. Tigers had trailed 6-1 at one point, fought back to tie it with five (Continued on Page Seven)

Shawville Hunters Bag Five Moose

On Friday morning, October 6, nine men of Shawville left for Lake Brulie to moose hunt. Eight of the men went by boat down the Coulonge River from Lake Pom Pom to Brulie where they helped unload the last load of supplies which were flown in by Iverson Harris.

On Saturday two moose were shot and three more on Mon-

day. Two of these were flown out Monday and the remainder on Tuesday.

Three of the men returned to Lake Pom Pom by plane and five by boat.

The men were John Hodgins, Minard and Melbourne Hobbs, Cliff and Irvin Cone, Arthur Mayhew, Donald and Lornie Rooney and Ebert Richardson.

CO-OP WEEK

This is Co-op Week, when Co-operatives right across Canada are pausing to take stock of their progress and do their best to bring to the attention of everyone else the benefits to be derived from the use of co-operatives.

Here in Pontiac, most people are aware of at least some of the benefits of co-operatives over other forms of enterprise, at least in some fields of endeavour.

Notable success has been achieved by local people in the Quyon Co-operative which operates a prosperous creamery; in the Pontiac Co-operative Medical Services which operates a hospitalization and medical expense insurance co-operative; and in the Mutual Fire Insurance Company operating in the fire insurance field. All have been in existence for some years and have operated successfully and to the direct benefit of their members.

We mention these three because they happen to come most readily to mind; but it should not be forgotten that there are others — like the electricity co-op at Fort Coulonge, doing yeoman service in providing power in that area; and more than one credit union, which encourage saving amongst their members. We are sorry not to be able to mention cheese factories also, but like so many other things these days, they seem to be a thing of the past, and we are unable to find even one of them still in operation in Pontiac County.

Part of the success of our co-operatives — and all co-operatives everywhere — surely stems from that extra interest and downright zeal that many co-op members seem to possess for things co-operative. These people are, many of them, imbued with an esprit de corps which enables their co-ops to surmount the many difficulties with which they are invariably beset, with a spirit and bounce that should be the envy of any business.

May their shadow grow long and prosperous!

Trees

The Equity,
Shawville, Quebec.

Representatives of the Quebec Department of Lands and Forests were in our county 2 months ago visiting the plantations just north of Shawville village owned by Mr. George Eades and Morley Hodgins. They were accompanied by representatives from different Forestry enthusiasts, who were very elaborate with their praises of the two plantations, which are extra fine.

During the visit of these officials, the question of more trees for Pontiac came up, and to our surprise we were informed that the people of Pontiac were not interested in getting pine, spruce and balsam trees to plant as very few applications had been received at Quebec from Pontiac. This from the official in charge of the raising and distribution of trees for Quebec Department of Forestry was quite a stunner. The answer to our demands to date, being we cannot get the trees.

Following this answer, Pontiac Council Committee on Forestry and Conservation had asked the Quebec Department of Forestry to send a representative to Pontiac to inspect the Tree Nursery operated at Campbell's Bay by Mr. Andrew Flood, with a view of making some working agreement with him so that pine, spruce and balsam trees would be available for the public. And — to be good enough to advise Mr. Flood and also Pontiac County Council several days in ad-

CBC Staff Changes Of Local Interest

vance of their coming.

They came, they saw and they went. But no one knew of their coming until they were accidentally met at the inspection of the above plantations.

Trees, if and when received from the Quebec Nurseries are supplied free, the only charge being that of transportation. Your lands must first be inspected before your order is recorded; this must be done a season in advance. So get in your order NOW.

Pontiac County Council have invited the Forestry Branch to send a representative to the December meeting of their council to outline their program for Pontiac for 1962.

With approximately three hundred and fifty thousand acres of run out lands in our county and sufficient trees for planting, there should not be any one out of work, and the country needs that land producing quality trees. Get your order in now.

Co-op Medical A Case History

By Norma Telford

There seems to be so many ideas concerning Co-operative 'purposes' especially Co-op Medical Services. October 15-21 is National Co-op week and in our opinion this is an excellent time to review the history of our own Pontiac Co-op Medical Services.

There were three principle reasons of organization:

1. Concern for the welfare of the community inspired the organizers of Pontiac Co-op Medical Services:

2. Keep the money in our own County to help our then new Pontiac Community Hospital.

3. To give an adequate hospitalization service at cost.

The spring of 1948 the first step was taken to organize our Co-op and the following spring the association was giving service to its members.

The project started with the Pontiac Farm Forums, who at the county council meeting appointed a provisional committee consisting of: Gordon MacMillan, Bristol; Dave Davies RR 2 Shawville; JG Elliott, Campbell's Bay; Mrs. Hillis Graham, Wyman and Mrs. Gilbert Telford, RR 1, Shawville. After ten months of study with weekly meetings, under the chairmanship of Gordon MacMillan, a charter was granted by the Quebec Government in December.

The charter was received in March 1949, an organizational meeting was held with S. Wyman MacKechnie presiding, with the assistance of our then active Provincial Forum Secretary Floyd F. Griesbach. The bylaws as prepared by the committee were adopted and a membership campaign was immediately started through Farm Forum, Women's Institute and Church organizations. By the first of May, 190 members were enrolled and from then on the association grew steadily.

At first, only hospitalization was offered. The premium was set at \$20.00 per family and \$10.50 single. This paid public ward rate and medicines in full. This was later raised in 1951 to \$22.00 and \$11.50, again in 1956 to \$26.00 and \$13.00, and in 1958 to \$34.00 and \$18. The latter rates of course included catastrophic protection.

1954 Surgical was added. The new plan was called the Combination and included hospital, surgical and catastrophic services. The cost was 60.00 and \$32.00, later on when hospital costs were increased the premium was raised to \$75.00 and \$38.00. The Catastrophe Fund aided members whose bills exceeded \$500.00.

Last year, when the Quebec Government instituted a provincial hospital plan, the Co-operative had to scrap their policies, and start over. After considerable study the directors were pleased to announce that arrangements had been completed, whereby the Co-op would supplement the Government plan by paying the difference between public ward and the cost of semi-private accommodations in any hospital up to \$3.00 per day, and still maintain the surgical and catastrophic protection. This new change, of course, lowered the premium from \$75.00 and \$38.00 to \$56.00 and \$29.00.

From a small beginning, without capital and not too much knowledge of what might be involved in such an adventure, but with concern towards our neighbour, Pontiac Co-op Medical Services has proven it is a neighbourly business trying to effectively solve the problem of payment for the high cost of sickness. It has been the means of bringing the people of Pontiac County closer than any other type of service.

It is interesting to note that at the first board meeting, in March 1949 four claims were paid in full amounting to \$151. compared with September 1961 Hospital and Surgical bills of well over \$2,000. This being

just a portion of amount of claims.

The 1st meeting was held in Shawville High School. Rev. P. Raymond Stote was the first president, Mrs. Gilbert Telford, Secretary and HI Smith, Treasurer. Directors Charles Russell, Mrs. Hillis Graham, William Hodgins and Hurst Hodgins (since deceased) were present. That fall Rev. Stote was given a new charge at Grenville, and Charles Russell was nominated president and has served the Co-op faithfully ever since. The Supervisory Committee were: Gordon MacMillan, S. Wyman MacKechnie and Dr. S. E. McDowell.

Directors of the 1961 board are: Charles Russell, president Walter Kilgour, vice president, Mrs. Gilbert Telford, Manager-Secretary; Mrs. Cecil Sly, Educational Director; Mrs. Henry McCord; Dave Davies and Ira Hanna. Supervisory Committee. Dr. SE McDowell, Gordon MacMillan and Lennis Dean.

The truth is that the co-operative movement has no 'purpose' which can be precisely described. It can raise income, reduce costs and develop people, but there is no definition of its ultimate purpose. Co-operation is a method

and its direction can only be successful if it follows the seven principles as laid down years ago by the Rochdale Pioneers. All this our members believe.

C W L Conference At Bancroft

Our Lady of Mercy Parish, Bancroft, Ont. was the setting for the First Regional Conference held Sunday October 15 at 3 p.m. in the Parish Hall, which was tastefully decorated with Autumn leaves.

Bancroft, a beautiful town situated ninety six miles from Pembroke can boast, among other things of the construction of four modernly designed buildings, a Church, Rectory, Convent and School within the last four years, under the direction of Father H. J. Maloney P.P.

Reverend Directors, Presidents, Reverend Sisters of St. Joseph and members from Whitney, Barry's Bay, Maynooth and Bancroft attended this meeting in goodly numbers attesting to the zeal and

interest in the work of the League.

Guests were welcomed by Mrs. Greg Gervais Dioc. Pres. Deep River, Rev. H. J. Maloney P.P. and Director and Mrs. C. Alpine Pres. Bancroft.

Mrs. G. Gervais chaired the meeting, which opened with prayer.

Recommendations were tabled by Mrs. W. Gleason Spiritual, Deep River, Mrs. C. Myles Organization Pembroke and Mrs. A. Labelle, Waltham, Que.

Mrs. John P. Conway, Education, Barry's Bay, who will represent the Pembroke Dioc. Council at the Canadian Conference of Education, to be held in Montreal in March, 1962 to which Twenty C.W.L. Delegates have been invited to attend gave a detailed account of the Programme this conference will undertake. Mrs. Conway urged the members to read and study the series of articles, dealing with the subject matter of these conference studies outlined by Eva

Jarmiecki in the Canadian Register, starting with the Sept. ninth issue.

"Let your light shine before men? That they may see your good work and glorify your father who is in Heaven" words spoken by Our Lord and quoted by Rev. J. Brown P.P. Whitney Guest Speaker, whose subject was "The Mystical Body".

Father Brown, whose first ministry after his ordination, was Bancroft, paid great tribute to Father Maloney and his parishioners for the many wonderful changes during these past eighteen years.

Father Brown was introduced by Mrs. C. Higgins and thanked by Mrs. Malloy, both of Bancroft.

All Directors voiced appreciation for the work the League is doing. Rev. Father Casertelli stressed the fact that the League goes beyond the

Parish, extending across the Nation.

Rev. Father O'Brien, Barry's Bay, welcomed the Reverend Sisters, thanking them for their help and prayers. He hoped the recommendations outlined would be put into practice, and liked especially the giving of a task to each member which creates greater interest.

Rev. Father Maloney felt this was a Reg Letter Day in his Parish with the holding of this Conference.

An interlude of delightful songs and dancing consisted of three songs rendered by the School Choir under the able direction of Sister St. Jude, a three hand reel by Gail Linton, Valeria McKenzie and

Heather Mackay, and a Horn Pipe Dance by Mrs. White, who originally came from Ireland, was thoroughly enjoyed by all present.

The Conference closed with the hymn "Holy God We Praise Thy Name."

A sumptuous and tasty supper was served by members of Bancroft Parish Council immediately following.

Returning to the old home town is one of the pleasures of life reserved to those fortunate people who have an "old home town" to revisit. Shawville gets its share of nostalgic journeys every summer. They can never recapture their joyous memories of earlier days here but the thoughts they do have are pleasant, friendly and often vastly interesting.

Thoughts from one revisiting Shawville have come to The Equity and here are published in part:

"The stores of Shawville are a credit to their owners; the new High School is a building that any town would be very glad to have. There have been many fine new homes built in Shawville and certainly the hospital is a building that any town many times the size of Shawville could be justly proud of.

"The new building in the Fair Grounds should prove a great asset to the community and just by no means least the new sewage system. After many years of much talk and very little action and a few persuasive editorials in The Equity it has finally become a reality and I would think that the people of Shawville should heave a sigh of relief to think that the sewage is finally going down the drain and not into their own back yards.

"But — there are some things in Shawville of which the citizens should not be proud. The streets have been much improved and a very fine job done of fixing over the excavations but I wonder how many feet of sidewalk have been laid in the last twenty five years.

"Twenty five or thirty years ago one could be proud of the Memorial Park but not any more. Surely there must be some group around that would assume the responsibility of caring for it.

"The hospital parking lot is very little different than it was when the hospital was under construction. Someone has tried to plant some flowers — but they surely look as though they came up the hard way. Someone at sometime has made a halfhearted attempt at fixing one of the main doors with what looks like a barn door hinge. The result is that they have gotten themselves a perfect duplicate for "Inner Sanctum" and I would say that there are things that sound better around a hospital after midnight.

"And the bears, seeing that there was so little going on in the way of repairs or maintenance to the outside of the hospital, must have decided that there was no better place to set up housekeeping for they built themselves a fine home over the main entrance to the hospital. I only hope the new Agricultural Building will be better looked after."

Clarendon W.I.

The regular monthly meeting of the Clarendon Womens Institute was held at the home of Mrs. Lloyd Connolly with the president Mrs. Walter Kligour presiding.

The program was in charge of the Citizenship Convener, Mrs. Harold Hodgins, who introduced Mr. Paul Beaupre of Hull, Field Secretary of the Canadian National Institute of the Blind.

The CNIB has been organized since 1918 with 13 districts in Quebec, the center being at Montreal. There are 6300 blind people registered with CNIB in Quebec.

Mr. Beaupre gave a most interesting and informative talk on the work they are doing with the blind. The first thing they must do to help a person after they have become blind is to help them to forget their blindness and try to lead as normal a life as possible. There are games for the blind, braille books and other aids to make life more enjoyable for them.

A canvas will be conducted in Clarendon the last of October by the Clarendon Womens Institute.

Mrs. Hodgins thanked Mr. Beaupre for coming to speak and everyone learned a great deal about CNIB.

At the close of the meeting delicious refreshments were served by the hostess assisted by Mrs. James Tracy.

Over 500 people attended the Annual Fall chicken supper at St. Edwards Parish, Bristol Mnes last Sunday evening. An electric frying pan was won by Mrs. Mahlon Hayes of Shawville and Ben Thompson of Bristol won the money doll on a raffle. Father Harrington was gratified by the great support from the area.

The Methodist parsonage in this village is being much improved in appearance by a sheeting of clap boards.

Heavy rain accompanied by terrific winds were the order on the evening of Thursday last. The weather of Friday and Saturday was cold with a slight snow fall at intervals.

Mrs. James Findlay, of Clarendon died on Wednesday evening the 13th Oct. The remains followed by a large concourse of friends were taken to Shawville on Friday for interment. Mrs. Findlay was 47 years of age and leaves a husband and large family to mourn her.

The home economics convener read two letters and was pleased to report that 21 people participated in the recent short course in leather craft given the first week in October in the Wesley Church basement by Miss Runnells.

One new member joined the Institute. A donation of money is to be given to the Quyon School Fair.

Following the business the spotlight turned to the grandmothers, who numbered 12 in all, with pictures and prizes galore. The oldest grandmother present, Mrs. McAr, would be celebrating her 100th birthday in a matter of a few days and for this she received a prize, as did the youngest grandmother, Mrs. A. Meredith; and also the grandmother with the most grandchildren, Mrs. W. Draper with 52. The twelve grandmothers laid claim to 153 grandchildren and 17 great-grandchildren.

The supper table which was daintily decorated for the purpose had as the center of attraction a pink and white cake which read "Welcome Grandmothers".

The assistant hostess for the meeting was Mrs. Bob Overton who also donated the tea prize which was won by Mrs. Athol Inglee.

A soap naming contest which was held by Mrs. R. E. Campbell was won by Mrs. E. Emerson with Mrs. W. Draper winning the consolation.

Wyman W. I.

The Wyman W. I. met at the home of Mrs. Everett McCarriston on Thursday evening with Mrs. Wm. Hudson and Mrs. Hill's Graham as co-hostesses.

This meeting took the form of a hallowe'en party and as most of the members were in costume very little business was done. Mrs. Hudson reported that in the last few months some 15 boxes had been sent to Brookdale farm through our Institute. The rest of the evening was spent in games and the judging of costumes. Mr. and Mrs. Clarence Sparling came from Shawville to act as judges. Mrs. Roland Graham won first prize.

from the files of Rev. Jos. E. Gravelle

From the files of Rev. Jos. E. Gravelle we drew the following answer to the Rev. Edmund McColl's inquiry in last week's issue of The Equity. The Rev. Thomas Wardrope, son of the Rev. Thomas W. For a time he was Principal of the Grammar School in Bytown and after ordination in 1845 was Pastor of Knox Church, Ottawa for 24 years. Later he became Pastor of Chalmers Church, Guelph, where he remained till his retirement in 1892. He was given two important appointments, in 1868 as Moderator of the Presbyterian Church of Canada and in 1891, Moderator of the General Assembly of the United Church by Queen's College, King's College. He was granted the title of Doctor of Divinity in 1892 and the University of Edinburgh.

Dr. David Wardrope was a younger brother of Rev. Thomas, D. D. Their sister, Jane Christina born 1828 at Ladykirk, married Samuel Dyde of Kingston. Their family of five lived mostly in Kingston. One daughter however, Mrs. W. H. Harrington, lived in Ottawa. Another family, who spell their name Wardrop, came lat-

er from Glasgow, Scotland and settled in Brockville. A Duncan Wardrope was born in 1850 in the County of Lanark. Later he kept a hotel at Westport where he died in 1891.

He married in May 1887 Elizabeth S. MacDonald, daughter of Dr. J. D. Macdonald of Hamilton.

Mr. William King referred to was an early Bristol settler, who had studied law and appointed Magistrate. His sister Mrs. La'rd built the first mill at Bristol, the exact date not known. In September 1858 he bought 500 acres of land on Concession 4, 5 and 7 in Bristol. He was buried in 1875 in the Norway Bay cemetery.

Mr Frederick William Thrun died October 8 at his home in Otter Lake in his 84th year. He had farmed all his life until his retirement a few years ago.

Mr. Thrun was the son of the late Otto Thrun and his wife Augusta Rose and was born at Thorne, Quebec and educated at Aldfield School.

On June 28, 1907 he married the former Margaret Adelaide Havelin in St. George's Angli-

can Church, Thorne Centre. In 1957 they joined with relatives and neighbours to celebrate their 50th wedding anniversary. He was a member of the Anglican Church at Otter Lake.

Surviving besides his wife is one daughter Mrs. Chas. Mahlitz (Lola) of Pembroke; four brothers, Herman and William

of Ladysmith; Walter, Shawville and Otto of Toronto and two sisters, Mrs. Chas. Myers and Mrs. Frank Deering both of Ladysmith.

The funeral was conducted from the W.J. Hayes & Sons Funeral Home on October 11 to St. George's Church, Thornby with Rev. T. D. Rowe and Mr. A. E. Lawrence officiat-

ing. Mrs. Gustave Bretzlaff was soloist.

Pallbearers were Messrs Ivan Thrun, Verner Thrun, Clarence Deering, Jack Frederick, Lloyd Coles and Wellington Havelin Jr.

Friends from Ottawa, Os- goode, Pembroke, Shawville & Arnprior attended the funeral.

Mrs Fred Aubry

Mrs. Fred Aubry nee Armeline Leblanc of Port Coulonge died last Wednesday after a long illness at the age of 87. She is survived by her husband, a barber in Port Coulonge; one brother Emeril of Mansfield; two sisters Mrs. Joe Grenier (Lena) and Mrs. Laurent Lamarre (Adeline) of Windsor, Ont.; eight daughters and three sons and forty-one grandchildren also two great grandchildren.

Interment was from her home to St. Peter's Catholic Church where service was held at 10 o'clock Saturday morning.

Up until the time of her death she was active in church and Sunday School work, as well as the WA of the church. For many years she was a member of Shawville United Church choir and tried to divide her efforts between the Shawville and Yarm churches, always ready to do her share in community work, a friend to all wherever needed.

Service in the Shawville United Church was conducted by Rev. L. Emard. The text that Rev. Johnston chose was Job 5:26. Pallbearers were William Hodgins, Harry Belsher, Stirling Hodgins, Ebert Richardson, Walter Kilgour and Dwight McDowell.

Interment was in the Maple Grove cemetery.

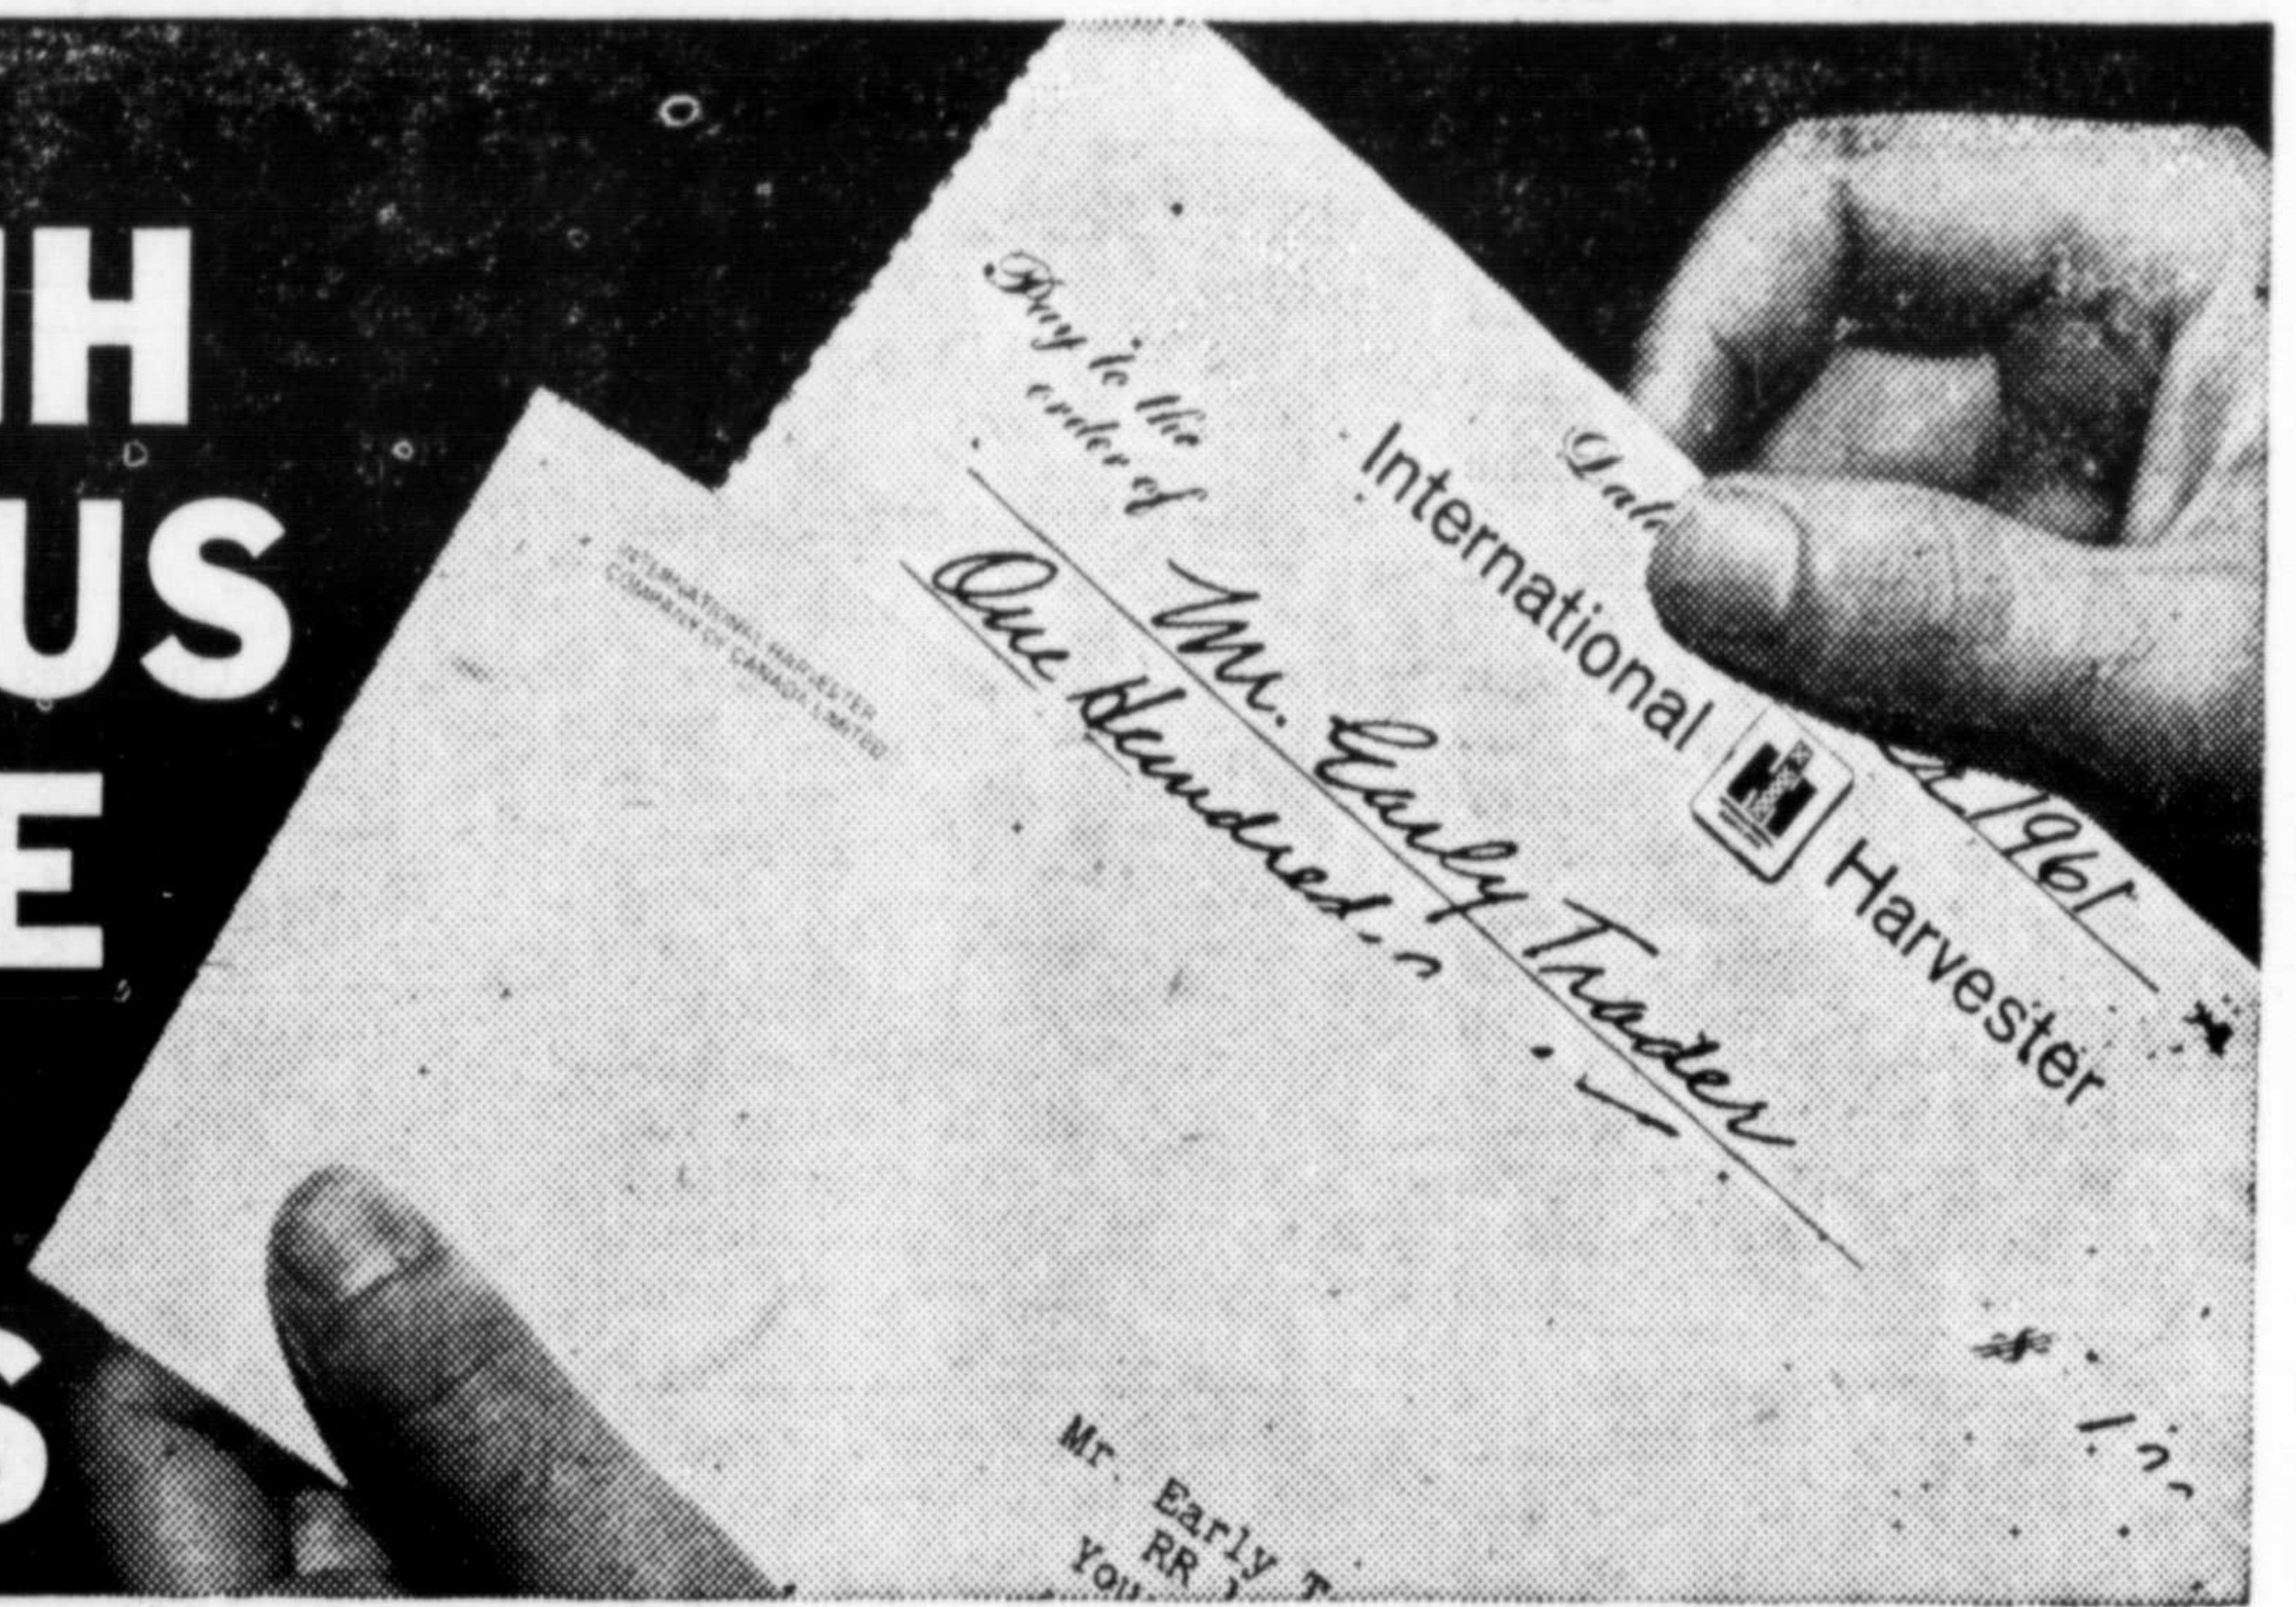

EVERY farmer feels the need for good lighting as winter nears. With good farm lighting, you work in greater safety; have more protection from prowlers; and it's easier to maintain sanitary conditions. Plan location of lights carefully.

For example: by placing one light at the corner of the barn, as illustrated, you can light both sides. Always provide plenty of switches to save steps. Paint interiors with light colors. Use flood lamps on poles and remote areas. Let Reddy brighten and lighten your work!
