

ALPHABETICAL DIRECTORY.

EXPLANATIONS :

The Names in CAPITALS are those of Subscribers and Advertisers.

ABBREVIATIONS USED IN ALPHABETICAL DIRECTORY : bdg. hse. *boarding house* ; bds. *boards* ; h. *house* ; r. *rear* ; sq. *square*.

The object of the ALPHABETICAL DIRECTORY is to find out a person's address knowing his or her name : the object of the STREET DIRECTORY is to find out a person's name by having reference to the No. and Street.

When hill, lane, place, road, square, or any other such word, does not follow the residence, the word *street*, is to be understood ; for example : Abgrall Victor, laborer, Champlain 809, *means* Champlain street 809.

When two numbers are given in connection with one name, and only one street mentioned, the number first given is the place of *business*, and the second the *residence*,—which is always indicated by the letter h—and both in the same street.

It will be noticed that the names of all members of a firm are added directly after the name of said firm. This, it must be understood, does not interfere with the regular insertion of the same names in their *Alphabetical order*.

Our advertising patrons may be found by referring to the Index, *page* 5. We feel justified, after many years acquaintance, in saying we believe them to be among the very best in their vocations in the City of Quebec.

For full indices to the CONTENTS, *see page* 6.

Names of residents in *houses of ill-fame not being inscribed* in the Street Key, will not, as a consequence, be found in the Alphabetical Directory.

There are about 1,600 proprietors in the City.

The number of landlords in each ward, including women, are about as follows : Champlain 100 ; St John 150 ; Montcalm 245 ; Palace 125 ; St Roch 325 ; St Peter 96 ; St Louis 190 ; Jacques-Cartier 390.

At the time of going to press, 3rd of May, there were still 271 lodgings, stores and offices unoccupied, a fact which will more than account for the few omissions that may be found during the year.

To find a name, first know how to spell it.
