## AN OBSTACLE TO PEACE.

### Boer Irreconcilables Said to be Holding Out For Better Terms And May Cause Failure of Negotiations.

London, May 28.—There is a distinct possibility of a breakdown in the negotiations concerning the conclusion of peace. Both the cables from Pretoria and the dispatches dealing with the cabinet concern in declaring that the questions raised by the Boer delegates constitute a grave difficulty, that will possibly lead to the breaking up of the conference. A despatch from Pretoria, dated Tuesday, refers to the irreconcilable minority, including several well-known Boer leaders, as opposing surrendering unless they are given important assurances, which Lord Milner has been informed are impossible. The Daily Mail's Pretoria correspondent says there is little chance of surrender unless the leaders, who have accepted the British terms, succeed in bringing pressure on some of their colleagues. The delegates are still in Pretoria awaiting Great Britain's final reply. It is stated in London that a majority of the delegates at Vereeniging probably include a majority in favor of peace, but if the minority is large and determined enough the majority will not detach themselves therefrom. NOT INSUPERABLE. The Standard says it understands that the delay in announcing the result of the peace negotiations caused some disappointment. A report was current last night that a serious hitch had arisen. While there is some difficulty on certain points, there is no reason to think it an insuperable obstacle to peace. The Telegraph notes that the stock exchange was disappointed by the delay, but does not expect it will exceed a few days.

## GEORGEVILLE CASE.

### WALTER MCGOWAN CONVICTED OF ASSAULT ON FISH OVERSEER HAND.

Yesterday afternoon Walter McGowan of Georgeville was arraigned before District Magistrate on the charge of assaulting (J. M. Hand, fishery overseer and mail carrier. It appears that on the 11th of May inst., Mr. Hand was driving mail from Georgeville to Magog.

When he arrived at the hill near Mr. Bennett's farm, Hand noticed a man coming across the field with his hands full of stones. He recognized the man as being Walter McGowan.

The latter shouted to Hand: "How do you like Sherbrooke, you d—?" alluding no doubt to a case Mr. Hand had against him on the 12th and which was dismissed by Judge Melvina. McGowan, plaintiff said, then began to throw stones at him and hit him two or three times. The horses were scared and the wagon overturned, Hand being thrown out and injured.

The defendant was fined \$10 and costs (\$31 in all) or 30 days in jail, and in security of \$100 to keep the peace for twelve months or another thirty days. He paid the fine and gave security. The evidence of plaintiff and defendant in this case was very contradictory. The judge in his remarks referred to the seriousness of the offence charged which was increased by the fact that plaintiff when attacked was engaged in the performance of his duties as a public official. The Court could not give full credence to the testimony of defendant.

## GAGNON VS. FENILTAULT.

His Lordship Mr. Justice White rendered judgment this forenoon in the case of A. Gagnon (Plaintiff) vs. Dr. P. H. Feniltault, (Defendant). It was a motion on behalf of defendant to have the instance in this cause declared "perme," as no proceeding had been had since two years. Defendant's motion was granted with costs.

## CORRESPONDENCE.

**EAST NIGHT'S CONCERT.**  
Editor of the Record:  
Sir,—It is to be regretted that the "Night at Home" of the Calotonians was enjoyed by so few of our Sherbrooke people. We know the weather did not offer any inducement, but aside from this it has come to be a regrettable feature of our best entertainments that they are not well enough patronized to warrant getting a good company here. Why is this? I may be wrong in my opinion, but it seems to me to show a lack of public spirit when we are not able to look beyond our own church or our own narrow groove to assist others. If this continues everything good will pass us by and we shall be left narrower than ever. At all events those who passed by the Calotonians last evening missed a good thing, for to hear Miss Ella Walker in "Old Robin Gray" and "W" a Hundred Pipes," and the bagpipe selections and dancing of Pipe-Major Fraser was worth a walk in the rain. I congratulate the young people of St. Andrew's church on the splendid entertainment they secured for the people of Sherbrooke.

**ONE WHO ENJOYED THE CALTONIANS.**  
A pleasant item was the song "Three Old Maids of Lee," sung by Mrs. Whitney, and impersonated by Misses Lawrence, Davis and Bellour. The total receipts of the fair and concert do not fall very short of one hundred dollars, and but for the inclement weather would have exceeded that amount. The Woman's Guild and Guild of St. Agnes wish to take this opportunity of thanking all those in Lennoxville and Sherbrooke who so kindly assisted in making the whole affair so eminently successful.

## SENATOR CLEMON DEAD.

Montreal, May 28.—(Special.)—Hon. Senator Francis S. Clemon died this morning in his 82nd year. He was born at Three Rivers, Que. Mr. T. W. French, of Sawyerville, was in the city last evening, the guest of Mr. W. H. Lovel.

## OUR FARM LETTER.

### Treats of Apples and Their Enemies.

HOW TO SPRAY AND WHAT TO SPRAY—VALUABLE INFORMATION FOR APPLE GROWERS.

Department of Agriculture, Ottawa, May 26.

The demand for Canadian apples of good quality and in good condition is an ever-increasing one, and in Great Britain the market appears to be unlimited, while the prospects for opening and continuing an extensive trade with other European countries are equally promising. Canadian fruit growers, packers and shippers are exhorted to see that the fruit that is exported is well and honestly packed, and that it is of such a quality that the demand shall not only equal our most sanguine expectations, but more than fulfill the desires of the most hopeful growers. In advocating the strictest regard to the requirements of the foreign market the Department is not sacrificing the legitimate home markets; because if the produce is equal to the necessities of the European consumers it must of necessity be all that the home consumer desires. In this way the advocacy of perfection catches two birds in one trap.

The apple grower is anxious to get the most out of his orchards, but sometimes circumstances combine to thwart his well-intentioned efforts, and to help him out of his difficulties this article is issued. The Department thus takes a hand in fighting some of his deadliest foes, provided he is willing to wield the cudgels provided for his succor.

There are four kinds of insect enemies against whom the apple grower has to fight. There are those which devour the foliage, those which bore in the wood, those which occur in the bark, and those which attack the fruit. But all insects fall within two classes, which can be separated by the nature of their mouth parts. In the intelligent use of remedial measures a consideration of this point is of the utmost importance. In the class of biting insects, which have jaws with which they consume the substance of their food, such as caterpillars, all that is necessary is to place on the food plant some poisonous material which will be eaten with the food. For sucking insects, which instead of jaws have a beak or hollow tube with which they suck up their food in a liquid form, such as the plant louse, something must be used which will kill by mere contact with their bodies. For borers in the wood, which cannot be reached by these remedies, preventive measures must be taken by which the plants are rendered distasteful to the mature insects when seeking a suitable place in which to lay their eggs. For this purpose various alkaline or strong smelling deterrent washes may be used.

It cannot be too forcibly emphasized that the operation of "spraying" does not mean sprinkling or showering. Spraying means applying liquids by means of a force pump and spraying nozzle with such force as to break up the liquid so thoroughly that it falls upon the plants treated as an actual mist or spray. Unless you carefully spray and do not sprinkle you cannot get an even distribution of liquids, therefore you cannot get the best results. The remedies are numbered for easy reference, and to avoid confusion.

1.—Kerosene emulsion. Dissolve half a pound of whale oil soap in one gallon of rain water by boiling; take from fire, and while hot turn in two gallons of kerosene (coal oil) and churn briskly for five minutes. Before using add nine parts of water.

2.—Paris green. One pound of Paris green, one pound of fresh lime, and add to 200 gallons of water. For dry application, take one pound of Paris green, with 50 pounds of flour, land plaster, slaked lime, or any other perfectly dry powder.

3.—Whale oil soap. For young insects (scale). Use one pound in 5 gallons of water. For Aphis, use one pound in 10 gallons of water. For San Jose scale in winter, use 2 pounds in one gallon of water.

4.—Tobacco and soap wash. For planthopper or aphid. Soak in hot water for five hours 10 pounds of tobacco leaves (home grown will do), strain off and add 2 pounds of whale oil soap, stir until all is dissolved and dilute to 10 gallons. Apply early and two or three times at short intervals.

5.—Alkaline wash. For borers. Recipe: Soft soap to the consistency of thick paint by the addition of a strong solution of washing soda in water. Apply with a brush during the morning of a warm day, this will dry in a few hours and form a tenacious coating not easily dissolved by rain.

6.—Poisoned Bordeaux mixture for fungi and insects on fruit trees. Dissolve 4 pounds of copper sulphate (blue)

(Continued on page 4.)

## CITY NEWS.

Mr. M. Matheson, of Lake Megantic, is in town.

Mr. L. Laurendeau, of Victoriaville, is at the Continental.

Mr. J. Carnell, of Elginburg, Ont., is a guest at the Central.

Mr. and Mrs. E. Brosseau, of Quebec, visited Sherbrooke Tuesday.

Mr. N. T. Dussault has returned home from a brief visit to Montreal.

Mr. D. A. Fontaine, notary public, of Marieville, was in town yesterday.

Messrs. George and Thomas Van Dyke, of Boston, are in town on business.

Mr. and Mrs. G. L. Sturbridge, of Woodsville, N.H., visited the city yesterday.

Mr. John Turnbull, managing director of the Paton Mill, arrived in town yesterday.

Mrs. William Drysdale has returned from a prolonged stay in Buffalo and Montreal.

Mr. Stephen LeTuray, of Montreal, spent Victoria Day in Sherbrooke with his parents.

Mrs. Ashe returned last evening from a visit to her daughter, Mrs. Arthur Scott, in Quebec.

Miss North Smith, of Montreal, who has been visiting friends in Lennoxville, has returned home.

The Rev. V. E. Duplin, vicar of the cathedral, has obtained permission to take a rest for some months.

Mrs. Holt, from Montreal, arrived in town last week to visit her mother, Mrs. Paton, at "Rockmount."

The regular meeting of the S.O.E.B.S. did not take place last evening, owing to the inclemency of the weather.

Mr. and Mrs. W. J. McManus, and Miss Norine were the guests of Mrs. P. McDonough, Richmond, on Saturday and Sunday.

Messrs. H. B. Brown, D. McManus and John Leonard have returned from their fishing expedition, having had very good luck.

His Lordship Bishop LaRoque was in St. Hyacinthe on Monday, officiating at the anniversary service of the late Mgr. Morlan, Bishop of St. Hyacinthe.

Capt. C. K. Fraser leaves tomorrow morning for Levis, where the Coronation contingent is to mobilize. Sergeant Major McAllister also goes to Levis tomorrow. The contingent will sail by S. S. Parisian on June 7th for Liverpool.

Mrs. Jos. Watson has returned from Phoenix, Arizona, where she has been for the past year and a half. During her journey home she visited Galesburg, Aledo, Chicago and Toronto. Mrs. W. G. Gilkerson and two children came through from Chicago with Mrs. Watson. Mrs. Gilkerson is the guest of her mother, Mrs. Avery. Mrs. Watson is stopping with her daughter, Mrs. R. Wyatt.

Mrs. Frank Elliott and her daughter, Miss Elliott, are at home again, after a long absence of nearly two years. During the past year Mrs. Elliott's brother, Mr. C. F. Mallory, and in Illinois, North Dakota and Minnesota, with other relatives. Mrs. Elliott's health, which has not been robust when she left home, has been much improved by the change.

Mr. Fred. Brooks, son of the late Dr. Samuel Brooks, of Sherbrooke, and brother of Mrs. J. M. Jencks, has accepted the position of organist and chor-master at Plymouth Congregational church, and will enter upon his new duties towards the last of June. The congregation of Plymouth church are to be congratulated on their good fortune in securing so talented and accomplished a musician as Mr. Brooks, whose abilities are far above the average.

Mr. J. C. Chapuis, assistant commissioner of dairying for the Dominion delivered a most interesting lecture before the members of the Farmers' Club of Ascot, at the Academy of St. Jean Baptiste, East Sherbrooke. The lecturer treated the subject of agriculture from a practical and scientific point of view, and pointed out the nobility of the work of the farmer, who is a co-laborer with the Almighty. The Rev. Abbe LeFebvre, Curé of St. Jean Baptiste, and Rev. Mr. Charest, agricultural missionary, congratulated the lecturer and Mr. N. S. Bourque moved a vote of thanks, which was adopted.

(City News continued on page 4.)

## THE BOARD OF TRADE.

### Regular Meeting Was Held Last Night.

TOPICS OF NATIONAL INTEREST LAID BEFORE MEETING IN LETTER FROM TORONTO BOARD OF TRADE.

The regular monthly meeting of the Sherbrooke Board of Trade was held last evening in the City Council chambers, with the president, Mr. J. M. Dufrane in the chair. There were present Messrs. G. G. Bryant, Jas. Mackinnon, John Millet, W. S. Dresser, W. R. Webster, Geo. Caruthers, C. H. Foss, W. W. Morency and Henry Veilleux. After the minutes of the previous monthly meeting had been read and confirmed, Messrs. Clark Gordon and F. L. Bean were elected members. The secretary read a letter from Mr. F. J. Campbell, the new superintendent of the Canada Paper Company, pointing out the extremely bad train service from the Sherbrooke district into Montreal, and saying that if there was a train leaving Sherbrooke at eight o'clock in the morning, instead of at nine thirty-eight, he could arrange to live in Sherbrooke, which he would like very much to do.

Mr. W. R. Webster moved, seconded by Mr. S. Dresser, that this matter of train service be referred to the Railway Committee and acted upon immediately. Carried.

In connection with the motion, the question of improving the train service on lines entering Sherbrooke was discussed at some length.

The president laid before the Board the special business which was to come before the meeting, in the discussion of the matters to come before the approaching conference of Canadian Board of Trade representatives to be held in Toronto next week.

The delegates from the Sherbrooke Board of Trade, elected at a recent meeting, are the president, J. M. Dufrane, vice-president, L. A. Bayley, and Mr. W. R. Webster.

A letter from the secretary of the Toronto Board of Trade set forth the purposes of the meeting as follows:

Toronto, April 21st, 1902. To the Secretary of the Board of Trade, Sherbrooke, Que.

Dear Sir:—The approaching conference of the Colonial Premiers to be held in London, England, being deemed an exceptional opportunity for the presentation of many questions of great importance to Canada, which are waiting for action, this Board has decided to invite representatives from sister Boards of Trade throughout the Dominion to a conference to be held in this city on the 4th and 5th days of June, and if necessary the 6th. The resolutions adopted at this conference will be submitted to Sir Wilfrid Laurier prior to his departure. In order that an official programme may be prepared, it is desired that copies of any resolutions that you may wish to introduce, together with the names of your delegates, should be forwarded to the undersigned not later than May 10th. Among the many questions which may be instanced as deserving the consideration of the conference may be cited the following: Trade relations within the Empire; transportation; defence; postal and telegraph communication; the recent action of the Imperial Government whereby a duty has been levied upon wheat and its products, without preference to the colonies.

With regard to the representation, it is desired that all Boards with a membership of 100 or less should be represented by two delegates, and those with a larger membership to send an additional delegate for every hundred members or fraction thereof. It is the intention to conclude the proceedings with a banquet to be tendered the visiting delegates by the Toronto Board of Trade. We sincerely trust that this movement may meet with the ready and cordial cooperation of the Board of Trade of the Dominion.

Yours truly,  
(Signed), PAUL JARVIS, Secretary.

The members of the Board present expressed their opinion regarding the subjects mentioned in the letter.

Mr. Mackinnon said he would like to see Canadians stand up like men and work with England, and do their share towards protecting our commerce and defence, and for strengthening and bettering our militia, but not to keep a standing army. The premier was not going to England to settle the matter, but simply to discuss the matters and settle them at home.

Mr. Webster said he believed that "Imperial defence" was the only question upon which there would be any discussion.

After further discussion, Mr. Webster moved, seconded by Mr. Morency, that

(Continued on page 4.)

## THE SIDEWALK BROKE.

### Over a Hundred People Injured in a New York Accident.

PEOPLE WERE PRECIPITATED TWENTY FEET INTO AN EXCAVATION—ONE MAN KILLED.

New York, May 28.—Evan L. Colledge, circulation manager of the New York Commercial, was almost instantly killed and about one hundred people were injured yesterday afternoon by the breaking down of a temporary sidewalk at 5th Avenue and 18th Street. Some of those hurt may die. Those who fell were part of a crowd gathered to watch the parade of militia in honor of the visit of the French Rochambeau commission to this city. Two hundred people were on the sidewalk when it gave way, and they were precipitated twenty feet into an excavation for a new building and fell on piles of building material.

## INQUEST IS HELD.

### INTO THE DEATH OF ROBT. MERCER—DEATH DUE TO POISONING.

The inquest into the death of Robert Mercer, of Almonte, Ont., and recently of Sherbrooke, who died at the Protestant Hospital Monday night, from the effects of a dose of sulphuric acid taken in mistake for liquor, was held last evening at No. 1 Fire Station, Dr. L. C. Bachand, coroner, presiding.

The jury was composed of the following: Charles Parker (foreman), Chas. Cheney, Thomas Cowan, W. Ballentyne, Thomas Scott, John Wood, Jas. Wood, Wood, Andrew Miller, John Muldon, J. P. Jutra, D. W. Stenson, Richard Martin and Joseph Trideau.

The following verdict was returned: "That the said Robert Mercer came to his death at the Protestant Hospital by taking an overdose of sulphuric acid in mistake in his room at the Windsor Hotel, at about nine o'clock of the evening of the 26th of May."

The principal evidence was that of Dr. Williams, who attended deceased. The doctor, in his statement, testified that the dying man had told him at the hotel that he had taken the contents of a sulphuric acid bottle in mistake for whiskey. He said he took it at four o'clock. When asked why he did not send for a doctor sooner he said he had been suffering and vomiting so much he could not. Later Mercer said that after discovering his mistake he drank a quantity of water, which was in fact the worst thing he could have done. The doctor was of the opinion that the sulphuric acid was taken shortly before his arrival at 8 o'clock and not at four o'clock, as deceased had said in his anti-mortem statement.

The Managers of St. Andrew's church meet in the Bible Class room Thursday at 8 p.m.

## LORD PAUNCEFOTE.

### FUNERAL OF DECEASED BRITISH DIPLOMAT HELD TO-DAY.

Washington, May 28.—(Special.)—Funeral services were held over the remains of the late Lord Pauncefote this morning. They will remain in the vault till taken to England for final interment.

The funeral ceremony this morning was imposing.

Doctor Bachand was in Stanhope on Monday night, where he held an inquest into the death of Mrs. Felix Morin, who dropped dead on Sunday. The verdict returned was that deceased came to her death from syncope of the heart.

## AT THE CONFERENCE.

### Methodist Ministerial Session Opens This Afternoon.

STATIONING COMMITTEE COMPLETES ITS WORK TO-DAY—REV. P. L. RICHARDSON MAY COME TO SHERBROOKE.

Each train, as it arrives to-day, brings its quota of delegates to the Montreal Methodist Conference in this city, and by night some two hundred and fifty of the clergy will be in attendance. The lay delegates will only begin to arrive to-morrow, but will probably all be here by Friday night.

The Stationing Committee continued its session this morning and although they expect to conclude their work by noon, it was decided not to make the first draft of ministerial appointments public before to-morrow morning. Nothing definite, as a consequence, is as yet known, with regard to the ministerial changes.

It is understood that the Rev. P. L. Richardson, B.A., B.D., will be the next pastor in Sherbrooke, succeeding Rev. T. G. Lett, whose four years' pastorate is now concluded. Rev. Mr. Richardson has been stationed at Sherbrooke street Methodist church, Montreal, during the past five years.

This afternoon the ministerial session will be convened, and as the matters which will occupy its attention are matters of church discipline, its meetings will be held behind closed doors. It is understood that the resignation of Rev. D. C. Sanderson and Rev. F. McAmmond will be considered at this session and the report of the committee appointed in this case received.

### NORTH HATLEY.

May 28.—F. W. Odell, of Sherbrooke, will take charge of the sewer construction, and is on the ground with a gang of laborers.

Mrs. Jay, of New York, arrived Tuesday and is looking after the finishing of her two cottages.

Among those recently registered at the Valley House are W. H. Archer and wife, W. R. Webster and wife, G. A. LeBaron and wife, and Mr. Dufresne, of Sherbrooke; ex-Mayor Beaupre and wife, T. Beaupre, Montreal; W. W. Pickett and wife, St. Hyacinthe.

At the picnic on Saturday nearly \$30 was raised for the Child's Cot Fund of the Sherbrooke Hospital.

Alber Putney is making repairs to Mrs. Conduit's cottage.

Mr. Jack Sims is taking charge of the blacksmith shop during the absence of Sam Campbell.

Holland Knowlton has the contract to erect a boat house for Maj. Bergland.

Mr. T. W. Reed spent Sunday at Spring Hill.

Mechanics have arrived from Montreal to erect the wind mills for ex-Mayor Beaupre.

Dr. H. A. McCrea is now connected with the office of Dr. Allen, of Sherbrooke.

Mrs. Davis, of Baltimore, is the guest of Mrs. Charles Jackson.

Charles Hunsell is making a business trip to Montreal.

The People's Telephone Co. are placing a number of new telephones in the town and will improve the summer service by putting an operator at the exchange.

The rain storm has done considerable damage to the new grading around the home of Charles Howse.

### STANSTEAD PLAIN.

May 28.—Mr. Norman Wheeler, of Way's Mills, has gone to Boston to care for her daughter, who is very sick.

Mr. S. S. Noyes has sold one of his houses on Park street to Eugene Barker.

Mrs. C. W. Fick of Washington, and maid, arrived in town Tuesday evening and will stay with Mr. C. W. Holmes until the arrival of Miss Pierce, when they will open their residence the "Castle," for the summer.

Mr. and Mrs. R. Miller and son, also Miss Ryan, spent Sunday in Newport.

### THE BISHOP'S PASTORAL VISITS.

Mgr. LaRoque begins his pastoral visits on the third of June, the itinerary being as follows: Millington, June 3rd; St. Cajetan, Mansonville, June 4th and 5th; St. Etienne de Bolton, June 4th and 5th; Ste. Anne, Rochelle, June 5th, 6th and 7th; St. Joseph Valcourt, June 7th, 8th and 9th; Ste. Marie, Dalling, 9th and 10th; Notre Dame de Bon Lecours, North Stukely, 10th, 11th and 12th; St. Edouard, Eastman, 12th, 13th and 14th; St. Patrice, Magog, 13th, 14th and 15th; Ste. Catherine de Hatley, 15th, 16th and 17th; St. Roch, Rock Forest, 17th and 18th; St. Elie, Glen Iver, 26th, 27th and 28th; St. Francis Xavier de Brompton, 28th, 29th and 30th; Ste. Praxede, Brompton Falls, 30th, 1st and 2nd July; St. Pilemon, Stoke Centre, 2nd, 3rd and 4th; St. Andre, Sutton, 15th, 20th and 21st; Sacre Coeur, Stanstead Plain, 2nd, 3rd August; Ste. Elizabeth, North Hatley, 9th and 10th August.

### WILHELMINA'S TRIP.

London, May 27.—The correspondent of the Daily Telegraph at The Hague, says, in a despatch that Queen Wilhelmina will shortly proceed for Germany to recuperate from the effects of her recent illness. Her Majesty will probably go to some place in Prussia in the neighborhood of Ems.

### Paine's Celery Compound.

Cures a Lady's Neuralgia, Banishes Nervous Debility and Builds up Her Whole System.

### THE WONDROUS MEDICINE GIVES A NEW AND HAPPY LIFE AFTER A LONG TERM OF TERRIBLE SUFFERINGS.

Neuralgia sufferers are liable to profound derangements of the nervous system, such as paralysis, epilepsy, hypochondriasis, softening of the brain and insanity. Neuralgia is usually seated in the face or head, attacking some important nerve or nerves; it may exist in any part of the body. The pains are violent, sharp and rending. The constitutional causes of neuralgia are general impairment of the health, mental or physical depressing influences, sleeplessness, debility and rheumatic tendencies. If you suffer from neuralgia your condition is one of extreme danger. Rest assured there is no royal road for any man or woman to the goal of security and health. You need the virtues of Paine's Celery Compound, the medicine which has rescued thousands of neuralgia sufferers from danger and death—which is now prescribed by our best and ablest physicians for dangerous neuralgia.

Mrs. M. Young, Jarvis street, Toronto, writes as follows: "I was a terrible sufferer from nervous debility, and was extremely weak and rundown. While in this condition I tried almost all kinds of medicines without a shadow of improvement. My sister finally persuaded me to try your Paine's Celery Compound. The first bottle helped me, and, after using six bottles, my health is restored, and I am now a new woman. I am pleased to say that Paine's Celery Compound is all you represent it to be—a banisher of disease and a health restorer. I thank God and Paine's Celery Compound for my renewed health and strength."

### SHERBROOKE CITY IMPROVEMENT ASSOCIATION.

A meeting to further the organization of a Sherbrooke City Improvement Association will be held in the Art Hall, at 8 o'clock, next Tuesday evening. A large attendance representative of every ward in the city, is hoped for. The objects of the Association, as enumerated in the draft of constitution made by a committee appointed for that purpose are as follows: 1. To promote the cleanliness, beauty and healthfulness of the city giving special consideration to the streets, public parks and squares and to its river fronts. 2. The protection and development of Sherbrooke's natural scenery. 3. The dissemination of general information and literature conducing to the increased interest and intelligent co-operation of all residents in the objects of the Association. Finally, the co-operation with the municipal authorities and active assistance in all their efforts in the direction named.

### ISLAND-BROOK.

May 28.—There are rumors of several weddings to take place shortly.

Mr. Levi Lyon is having a barn moved from his farm to the village, a distance of one mile.

The musical entertainment held at the Methodist church last week was one of the most enjoyable of the season.

At the Central yesterday were Messrs. W. A. Wilson, J. M. Davidson, Montreal; G. E. Hall, Toronto; E. W. Brooks, Brantford, Ont., and W. P. F. Ayer, of Boston.

Messrs. J. M. Learned, Learned Plain; J. McLeod, Richmond; L. LaChance, Quebec, and G. A. Malver, of Milan, were registered at the Continental Tuesday.

### DANVILLE.

May 28.—There will be no service in the Methodist church on Sunday next, June 1st, owing to the absence of Rev. A. A. Radley at conference.

Mr. C. F. Frost, of Beebe Plain, is spending a few days in town.

Mr. Gordon Brown visited Granby on Victoria Day and took part in the races held there, gaining three medals.

Mrs. Charles Boutelle left on Tuesday to visit her son in Boston, Mass.

### Market Column.

CHEESE. Ontario new make ..... 10 1/2c to 10 1/4c. Quebec new make ..... 9 3/4c to 9 7/8c. BUTTER. Butter was dull. There was 1,100 boxes of creamery sold at the wharf this morning for 19c.

Finest tps. creamery, 19 3/8c to 19 1/2c. Finest western do., 19 1/8c to 19 1/4c. Seconds ..... 18 1/2c to 19c.

### CATTLE MARKET.

London, May 27.—There has been a firmer feeling in the market for cattle since last week and prices show an advance of 1-4c per lb. with sales of choice American steers at 14 1/4c and Canadian at 14 1/2c.

### MONTREAL.

There has been no new developments in local export live stock circles during the past week. The volume of business passing has been fairly good, there being a steady demand for ocean freight space; in consequence, all vessels sailing had fair cargoes and rates show no change from the opening of the season.

At the East End Abattoir market yesterday morning the receipts of live stock were 500 cattle, 500 sheep and lambs, and 200 calves. The tone of the market for cattle was much firmer than that of last Thursday, owing to the smaller offerings and the improved demand; in consequence higher prices were paid. A feature was the demand from one or two exporters for shipping stock and 100 head were bought to complete shipments with, at prices ranging from 5 1/2c to 6c per lb. This also helped to some extent to stiffen prices up, as it is a rare thing for shippers to buy so many cattle on this market now. The demand from butchers was good, and trade on the whole was active, and few if any were left over at the close. Choice beefs sold at 5 3/4c to 6 1/4c; good at 5c to 5 1/2c; fair at 4c to 4 3/4c; common at 3 1/4c to 4c per lb. The demand for sheep and lambs was good and the offerings were larger, a more active trade was done, but prices ruled steady. Sheep sold at 2 1/2c to 3c, and yearlings at 4c to 4 1/2c per lb. Lambs brought from \$2.50 to \$4 each. An active trade was done in calves, but the quality was poor; in consequence prices ruled low at from \$2 to \$5 each. Receipts of live hogs was larger, for which the demand was slow for some reason, and up to a late hour only one lot sold at 7c per lb.

## Save The Duty

Our Cut Glass is made in Canada and by buying this make of goods you will save the duty that is paid on imported goods. We have many beautiful pieces of Cut Glass at three, four and five dollars each, and others as high as twelve and fourteen dollars each.

### H. C. Wilson & Sons

63 Wellington Street. Branch Store at Magog.

## I Will Cure You of Rheumatism. No Pay Until You Know it

After 2,000 experiments I have learned how to cure rheumatism. Not to turn boy joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever. I ask for no money. Simply write me a postal card and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, pay your druggist \$5.50 for it. If it doesn't, I'll pay him myself. I have no samples. Any medicine that can effect rheumatism with a few doses, must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of the blood. My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it, and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail, I don't expect a penny from you. Simply write me a postal card or letter. Let me send you an order for the medicine. Take it for a month, for it won't harm you in any way. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells you how I do it. Simply state name of your dealer, and address Dr. Shoop, Box 37, Sackets, N.Y.

### \$20.00 REWARD!

The Lake Mississippi Fish and Game Protection Club will pay twenty dollars to anyone giving them private information resulting in the conviction of anyone taking fish illegally from the waters of Lake Mississippi or tributary streams. Name of informant will not be made public. E. E. COCHRANE, Secretary, Sherbrooke, Que.

**RICHMOND.**

May 28.—Mr. Aug. Tessier, of the firm of Mackenzie and Tessier, has returned from Quebec, where he has been spending a few days' holidays.

At the first meeting of the Richmond Dairymen's Board of Trade of this season, held in the Court House, Richmond, the following officers were elected for the coming year: T. A. King, Corris, President; A. Stewart, Vice-President, and Robt. Dunbar, Secretary. Representatives from eight factories were present, but the cheese boarded was from only four and totalled 136 boxes. A. E. Armstrong bought 17 at \$7.8c, and 11 at 9c. Another buyer, Mr. Steel, was also present. The season is now on, and by appearances cheese will command a good price this season.

Mr. Frank Taylor left yesterday afternoon for South Dakota.

The funeral of Mr. Clifford Taylor, who died yesterday morning, will take place in Richmond on Thursday afternoon at 4 o'clock.

Conductor J. Gosselin left yesterday to attend a meeting of the delegates of the conductors and trainmen from throughout the entire system that will be held in Toronto to interview the General Manager, Mr. F. H. McGuigan, in regard to the general grievances of the trainmen. This is the regular annual meeting to discuss these affairs. Mr. Gosselin represents the third division.

Mr. Edward Mooney has returned to town after a few weeks' sojourn in Sherbrooke.

Mr. John Hall is home for a few days from Granby.

Mr. Clinton McCormick has gone to St. Hyacinthe.

Sergeant-Major Walsh, of the 54th Regiment, has been nominated to join the Canadian force for the Coronation, and left for Quebec yesterday, where the force will sail from June 9th.

**COATICOOK.**

May 28.—A dramatic entertainment for the benefit of the Free Library and Reading Room was given in Shurtleff's Hall on Saturday evening by several of our talented ladies and gentlemen, assisted by members of the Barnston Dramatic Co., whose kindness in coming (notwithstanding the inclemency of the weather) to assist a good cause, was much appreciated. The first piece, a short but laughable farce, entitled "Doctor McBeaten," was given by the visiting club in a spirited manner, with Mr. Geo. B. Hall, as "Denis McBeaten," a soldier of fortune, "Dr. Cromwell" as "Harry Hard-up," Mr. Orson Cleveland as "Sunflower," the colored servant, Mrs. G. B. Hall as "Tabitha Goney," and Mrs. C. H. Kenick as "Susan brier." The various characters were well acted, but the voices were hardly loud enough to be distinctly heard by those in the back of the hall. During the intermission Mr. J. J. Fiske made a few remarks on the subject of the Reading Room and Library, its present condition and its needs, as well as the great benefit such an institution is to the town, and expressing the hope that it may receive more patronage in the future than it has in the past. The curtain then rose on the comedy entitled "Raising the Wind," with the following cast of characters: "A. Smart Aleck," a playwright desirous of organizing a company to produce his great American drama, "The wiser singer of the town," Mr. W. L. Shurtleff; "Drawit Milde," wished to be the hero, but was cast for the villain, Mr. L. G. Moulton; "Michael O'Sitherigan, Smart Aleck's Irish servant," Mr. P. T. Thomas; "Miss Lavender Silke, who dotes on heroines," Mrs. L. M. Thomas; "Miss Posey Blossom, willing to shine as a soubrette," Miss Edith Thomas; "Miss Van de Kella who aspires to the operatic stage," Miss Nellie Shurtleff; "Miss Padorevski, a distinguished pianist," Miss Winifred Nunnis. This play was exceedingly funny, and was well acted throughout. "Mike" especially bringing down the house by his genuine Irish wit, and the clever way in which he managed to bring all subjects round to his demand for \$5, which his master owed him, Mr. L. G. Moulton gave a very clever impersonation of the "jude," "don'tcher know," and Mr. W. L. Shurtleff as the impetuous playwright scored a great success. The ladies took the several parts assigned them exceedingly well. Interspersed with the scenes of the play were several songs and recitations, the first of which, a song, "The biscuit, Miss Flannigan made," was given with great effect by Mr. P. T. Thomas in his character of "Mike." In this Mr. Thomas showed himself as much at home in comic songs as in those of a graver character. Misses Thomas and Shurtleff sang a duet, "Joyful Spring." There was also a song and chorus, "Sing me a song of the sunny South," with Miss Thomas as the soloist. The comic trio, "Ma-ha-ha," by the gentlemen of the company, received a determined encore. Mr. Shurtleff, as A. Smart Aleck, gave a laughable recitation, "No. 7 Colic St." and Mr. L. G. Moulton told in an exceedingly funny manner the experiences of "Mr. Drawit Milde" in a street car. The proceeds amounted to about \$80.

Tuesday night, Mr. Ellsworth Plumstead's impersonation gave an entertainment which was also for the benefit of the Reading Room and Library. It was very much enjoyed by those who were present, though their numbers were few. Mr. Plumstead is an artist in his line of business, and the entertainment was worthy of a good house. The audience was a very appreciative one, and were not sparing of applause. After all expenses were paid, \$15 was added to the Library fund.

Miss Emma Stevens, who has been spending some time with relatives in Dunham, returned home Monday night.

Mr. Russ Bullock, of the post office, is taking a brief holiday in Montreal, where he is the guest of his mother.

Mr. Wm. Edwards, of Megantic, brother of Mr. Henry Edwards, is in town visiting friends.

The Minto Baseball Club went to Barnston on Friday and played the second nine of that place. The Coaticook team were the victors, and were hospitably entertained by the Barnston boys, and treated to ice cream and cake galore. Mr. Sutton, of Barnston, acted as umpire to the satisfaction of all.

Among those who took advantage of the holiday excursion rates to Montreal were Messrs. F. C. Austin and Lucas, of the E. T. Bank, and Messrs. A. Hall, jr., and Harold Edwards.

Miss Edith Loxton spent Empire Day and Sunday in Montreal.

**WINDSOR MILLS.**

May 28.—Rev. A. C. Watts occupied the pulpit of the Presbyterian church on Sunday morning, and Rev. C. A. Tanner in the evening.

Our policeman had a lively chase on Sunday morning, but he caught this man at the old mill dam and put him in the lockup till Monday morning. The prisoner was then liberated on payment of a fine.

Mr. J. Clark has moved his family to Melbourne on a farm at that village.

Mr. Proulx has purchased the new house lately occupied by Dufresne Brothers. He is tearing the building down and moving it to his farm for building purposes.

The C. P. Co. has changed the driver at the dam and have now two others in his place, who work one in the forenoon

**WELCOMED RAIN.**

LUMBERMEN AND FARMERS BENEFIT FROM RECENT RAIN.

FALL.

The old proverb, "It's an ill wind that blows no good," is strikingly exemplified just at present. The unexpectedly heavy rain of the last few days has so swollen and raised the streams that millions of feet of lumber which have been "hung up" since the sudden and unexpected fall of the water early in the spring, can now be brought to their respective mills, much to the relief of the owners. Vegetation, too, has come forward with a rapidity that is little short of miraculous. One farmer positively asserts that grain grew three inches in one day, and the foliage from being scant and backward, has almost the fullness of summer, while the exquisite verdure, so intensely, brilliantly green, is beautiful enough to atone for any slight inconvenience caused by the incessant downpour of rain.

**MARTINVILLE.**

May 28.—The rain yesterday has raised the hopes of lumbermen around here. They are getting ready to run their logs. Mr. C. N. Cass has been sawing shingles, but has got nearly done, and the rain will give him the long-looked-for opportunity to run his drive.

Miss Jennie Hynds, who has had measles, and seemed to be getting along all right, was taken worse, and died suddenly Sunday afternoon. The funeral on Tuesday will be at the house, and conducted by the Rev. Mr. Jeffries, of Meeks River.

A few days ago as Miss Sadie Sherman was doing her work around the house, in looking out she saw a bear chasing the sheep, intending to have a noonday meal of mutton. Miss Sherman tried to drive Mr. Bruin away, but he not being quite ready to go turned and spoke loudly in his own language. Whereupon Miss Sherman ran to the house, took down a rifle, and returned to give Bruin "battle." Although the bullet missed its mark, the bear hastily left the field and betook himself to the woods, no doubt thinking it was better to run away and return for mutton at another time.

As Mr. J. Johnston was going into the woods a few days ago he was confronted by a large grey wolf. After looking at each other a few seconds they both turned and took their respective ways, not desiring any closer acquaintance.

## CITY NEWS.

(Continued from page 1.)

Miss Tootsy Mallett, of Montreal, is visiting friends in town.

Miss Minnie Glenday is spending the week with Mrs. Wm. Glenday in town.

Miss Birdie McMahon left town today to spend a few days with friends at Windsor Mills.

Rev. F. A. Read, with Mrs. Read and Ruth, are the guests of Mr. and Mrs. Orr, Lennoxville.

Mr. J. K. McKee has returned to Montreal, after spending a couple of days with his mother, Mrs. Samuel McKee.

Dr. Wm. S. Allen, dentist, Bell Telephone Bldg., 31 Wellington, Sherbrooke, Tel. 303, Night and day attendance.

His Lordship Bishop LaRoque left town this morning for the pastoral visit to Emberton, which he was unable to make last year.

Court Prince Albert, No. 149, I.O.F., held their regular meeting last evening, with a fair attendance. Only routine business was transacted.

Mrs. A. N. Worthington and her son, Master Ashton Worthington, left town yesterday afternoon for Toronto, to spend the summer with Mr. and Mrs. Cooke, Mrs. Worthington's parents.

There will be an afternoon tea, under the auspices of the Presbyterian Ladies' Aid of East Sherbrooke, at the home of Mrs. Bartlett, Friday afternoon. A cordial invitation is extended to all.

Work on the abutments for the new Wolfe street bridge is progressing. Owing to the necessity of tearing up one side of the bridge, the street cars have not crossed for several days, passengers transferring at the bridge.

### DEATH OF MR. B. BOURQUE.

Mr. Bernard Bourque, a well known and much respected French citizen of Sherbrooke died on Sunday at the age of 76. Mr. Bourque was born in St. Hyacinthe in 1826. In 1849 he married Miss Aurélie Barbeau. Seven children were born of this union, of whom five survive. One of the sons lives at Kawance, Ill.; and the other at St. Joseph, Mich. The daughters are Mrs. L. J. Codere and Mrs. Eugene Codere, of Sherbrooke, and Mrs. George O. Bourgoin, of Montreal. The deceased was a tailor by trade, and for some years pursued his calling in the United States. He came to Sherbrooke in the 1876, and twelve years later, retired from business, and with his wife retired with his son-in-law, Mr. L. J. Codere. In 1899 Mr. and Mrs. Bourque celebrated their golden wedding among their children and friends.

The funeral took place yesterday at the Cathedral, many of the prominent citizens attending, and the service was most solemn and impressive. Numerous offerings of masses were received from friends of the family.

### THE BOARD OF TRADE.

(Continued from page 1.)

the meeting adjourn till Friday night. This was carried.

Previous to adjournment, Mr. Dresser raised the question of Strathcona Square improvement, and suggested a committee of the Board to assist the Council in solving the Square problem.

Some thought this might be looked upon by the Council as an interference. The secretary was instructed to communicate with the Council and ascertain whether they would like the assistance of three members of the Board in the direction named.

### WEATHER PROBABILITIES.

May 28. - 11 a.m. - Forecast for the next 24 hours, issued by the Meteorological Bureau:

Northerly to easterly winds, fresh to strong until to-night; generally fair and decidedly cool; Thursday, a little milder.

### Lily, the Grammarian.

William Lily, or Lily, the grammarian, the friend of Erasmus and Sir Thomas More, was born at Orlam, Hampshire, about 1488. He was educated at Oxford and then travelled to the east, to acquire a knowledge of the Greek language. On his return to England he set up a private grammar school, and was the first teacher of Greek in London in 1512. Dean Colet, who had just founded St. Paul's School, appointed Lily the first master. In the following year he produced his "grammar," the old Eton Latin grammar, which in the sixties was still in use in St. Paul's School. The English and Latin preface to the first edition by Cardinal Wolsey, the Latin syntax chiefly by Erasmus, and the remainder by Lily, the book thus being the joint production of four of the greatest scholars of the age. Lily held the mastership of St. Paul's School for nearly twelve years. He died of the plague, February 25, 1523, in London, and was buried in the north chancel of St. Paul's, with a noteworthy stone to whose erection he had so essentially contributed.

## MCGILL NORMAL SCHOOL

### Results of the Examinations Announced.

SUCCESSFUL PUPILS FROM THE TOWNSHIPS—TWO SHERBROOKE YOUNG LADIES WIN HONORS.

The results of McGill Normal School exams are announced. The following successful students from this district appear in the list.

First in the Model School was Miss Alice J. Griggs, Sherbrooke, who wins the Prince of Wales' medal, honorable mention in the art of teaching, geography, literature, French, algebra, practical teaching, book-keeping, botany, drawing, elocution. Passed in wood-work.

Fourth in the same class of 41 successful candidates was Miss Annie Wilcox, Sherbrooke, honorable mention in orthography and orthoepy, geometry, practical teaching, bookkeeping and wood-work. Second grade staff certificate of the Tonic Sol-fa College.

There follows in the list:  
12. Hollis Corey, Kingscroft, the Honorable Superintendent's prize in French, honorable mention in geography, orthography and orthoepy and Greek. Second grade staff certificate. Passed in wood-work.

17. Hattie M. Patch, Bromie, honorable mention in geometry.

18. Michael L. Savage, Shelburne Mountain, and Pansy Young, Gould, equal.

22. Mary E. Bredon, Marbleton.

25. Lewis A. Sawyer, Coaticook, honorable mention in practical teaching; second grade staff certificate.

26. Bessie Cook, Sutton.

27. W. A. Saunders, West Shelburne, honorable mention in woodwork; second grade staff certificate.

28. Eva G. Mallory, Lennoxville, honorable mention in history.

31. Mary B. Anderson, Quebec.

32. Charles Bowker, Mansonville, honorable mention in woodwork.

34. Ruth G. Whitehead, Magog.

41. Maude Batcheller, Bedford.

In the advanced Elementary there were 30 successful candidates.

2. Maude M. Mansfield, East Farnham, the G. W. Parnele prize; honorable mention in orthography and orthoepy, Latin, physics, chemistry, book-keeping and first grade staff certificate.

11. Bessie Carmen Hall, Sutton, honorable mention in drawing.

14. Iva A. Bridge, Abbott's Corner, honorable mention in cooking; first grade staff certificate.

24. Amy H. Thomas, Inverness.

34. Margaret J. Morrison, Hatley.

35. Adelle Meyer, North Hatley, passed in woodwork.

36. Jessie J. Mackenzie, Danville.

38. Florence J. Purdy, Leeds Village.

47. Rubie M. Griggs, East Farnham. In the Elementary there were forty-five successful.

4. Persis A. Parker, Scottstown, honorable mention in practical teaching; passed in elocution, physiology and hygiene, chemistry, elementary certificate of the Tonic Sol-fa College.

7. Gertrude A. Mackenzie, Inverness.

9. Mary R. Morgan, Learned Plain, passed in elocution.

15. Mabel A. Larrabee, Cookshire, passed in physiology and hygiene.

17. Myrtle Chadsey, Way's Mills, passed in French; elementary certificate.

24. Sarah E. Pope, Hatley.

29. Estelle M. Oliver, Barnston.

32. Nora M. D'Arcy, Martinsville, passed in chemistry.

35. Audra B. Worden, Bromie Centre.

36. Mary E. Goodenough, Danville, passed in French.

37. Muriel B. Fraser, Inverness.

41. Winnie A. Oliver, Massawippi.

### German Students and Beer.

To speak of the pleasures of the German student and make no mention of beer would be like the play of "Hamlet" with the part of the melancholy Dane left out. As the student strolls about the country or the city, in his music halls and theaters, at his social gatherings of all kinds, at dinner or a supper, he steadily drinks his beer. The code of health drinking and the etiquette of the drinking bout are complicated and most punctiliously observed. All university functions include a great drinking bout—jubilation of renowned professors, club anniversary ceremonies in honor of a retiring professor. Any and every ceremony is complete without the formal knick with toasts. He has attempted to throw a poetical glamour around beer, to invest it with the charm of tradition and to follow it with old associations of college days.

In Europe the American prefers to drink water and this is a great luxury to the Germans, who cannot possibly understand how they can prefer this to beer. —Free Press.

## MRS. J. E. O'DONNELL

Was Sick Eight Years with Female Trouble and Finally Cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I have never in my life given a testimonial before, but you have done so much for me that I feel called upon to give you this unsolicited acknowledgement of

MRS. JENNIE E. O'DONNELL, President of Oakland Women's Riding Club. The wonderful curative value of Lydia E. Pinkham's Vegetable Compound. For eight years I had female trouble, falling of the womb and other complications. During that time I was good for anything, until one day I found a book in my hall telling of the cures you could perform. I became interested; I bought a bottle of Lydia E. Pinkham's Vegetable Compound and was helped; I continued its use and in seven months was cured, and since that time I have had perfect health. Thanks, dear Mrs. Pinkham, for the health I now enjoy. MRS. JENNIE O'DONNELL, 278 East 31st St., Chicago, Ill.—\$5000 forfeit if above testimonial is not genuine.

Women suffering from any form of female ill can be cured by Lydia E. Pinkham's Vegetable Compound. That's sure. Mrs. Pinkham advises sick women free. Address, Lynn, Mass.

### OUR FARM LETTER.

(Continued from page 1.)

stone) by suspending it inside a wooden or earthen vessel containing 4 or 5 gallons of water. Shake 4 pounds of fresh lime in another vessel. If the lime when slaked is lumpy it should be strained through coarse sacking or a fine sieve. Pour the copper sulphate solution into a barrel, or it may be dissolved in this in the first place; half fill the barrel with water and stir thoroughly. It is then ready for use. Stock solutions of dissolved copper sulphate and of lime may be prepared and kept in separate covered barrels throughout the spraying season. The quantities of bluestone, lime and water should be carefully noted.

7. Copper sulphate solution. This is prepared by dissolving one pound of bluestone in 25 gallons of water. As soon as dissolved it is ready for use, but must be used only before the buds open.

The worst enemies of the apple tree, attacking the foliage, are the eye-spotted bud-moth, which can be destroyed by spraying early with a strong Paris green wash consisting of one pound each of Paris green and fresh lime, in 100 gallons of water; the Oligar Case-bearer, the Pistol Case-bearer, and Leaf Rollers, all of which can be destroyed by the same means.

Destroy tent caterpillars by spraying the trees with poisons as given in either number 2 or 6 directly the young caterpillars are noticed. All tents should also be cut off and destroyed before the leaves hide them.

Green fruit worms should be treated to number 6.

Cankervorm can be destroyed with 2 or 6, as soon as the caterpillars appear. The apple aphid can be destroyed with 3 or 4.

The insects attacking the wood are principally the flat-headed borer and the round-headed borer, and the best remedy for both is a regular treatment every June just before the time the eggs are usually laid, with different washes such as number 5, or the same with crude carbolic acid added in the proportion of one pint to four gallons of the wash, to be applied with a large brush to the bark of the trees, trunks and larger limbs. When a tree is infested, the presence of the grub may be detected by the borings which it pushes out of its burrows and by the sunken discolored appearance of the bark. By cutting through the bark the grub can be destroyed. If it has penetrated into the wood it can be killed with a piece of stout pliable wire.

For the oyster shell bark louse use 1 or 3.

There are several other kinds of scale insects which occur upon the apple which may be treated in the same way as the oyster shell bark louse.

The codling moth is the parent of the destructive apple worm so well known to all growers and consumers of apples throughout the world. In Eastern Canada there is only one regular breed of the insect; but west of Toronto there are two broods; the latter of which is by far the more destructive. When there is only one breed spray with 2 or 3 three or four times in the spring, beginning immediately after the flowers have fallen, at intervals of ten days. That is all that is required. Where there are two broods band the whips of hay, or any "tree protector" Number 6 will destroy also many enemies which feed on the foliage such as cankerworms, tent caterpillars, leaf-rollers and the like.

These are facts which are of the utmost importance to apple growers at
