Poultry and Meat Under Export Permit to U. S.

The Canadian Government today acted with the United States to insure filling the American contracts for 30,000,000 pounds of chicken to feed the armed forces. Following an announcement from Washington that all imports of dead, dressed and processed chicken had been put under permit, Finance Minister Ilsley stated that tomorrow morning, dressed and live poultry and meat will be placed under export permit at all custom ports across Canada.

"Since chicken and meat were put under export permit at the customs port of Windsor on May 25, there has been an increase in American consumer purchases at other Canadian customs ports," said Mr. Ilsley. Our action in more effectively controlling the movement of chicken is in line with the system of import permits announced by the United States Government to safeguard supplies for the troops and other priority users."

Regarding the export control of meat, Mr. Ilsley said that Canada is committed to ship all surplus meat to the United Kingdom and other European countries for emergency relief.

MARRIED

LAUGHREN-ARMSTRONG

At two-thirty o'clock on Wednesday, June 20, a pretty wedding was solemnized when Edna Charlotte, youngest daughter of Mr. and Mrs. L. J. Armstrong, was united in marriage to Mr. Marshall William Jos. Laughren, eldest son of Mr. and Mrs. Everett Laughren, of Charteris.

The ceremony took place on the lawn of the bride's home, under an arch of evergreen, wedding bells, pink and white streamers. On each side of the arch were large baskets of iris, white phlox and bleeding heart.

The bride was given in marriage by her father and was charming in a street-length dress of heavenly blue sheer with round neckline, shirred bodice and embroidered bishop sleeves. She wore a white picture hat and white accessories and a corsage of American beauty roses, lily-of-the-valley and fern.

She was attended by her twin sister, Miss Evelyn, who was attired in turquoise blue sheer of the same pattern as the bride's. She wore a white hat and accessories and a corsage of pink roses.

The bestman was Mr. Keith Wickens, of Shawville.

Rev. G. Armstrong, of Cobden, uncle of the bride, officiated, assisted by Rev. J. Patterson and Rev. H. Kielly, of Shawville.

Miss Shirley Blanchard, Ottawa, played the wedding march and during the signing of the register, Miss Joan Major, Ottawa, sang "O Perfect Love".

The bride's mother was dressed in a blue figured crepe and navy accessories. She wore a corsage of Talisman roses.

The groom's mother was dressed in blue crepe and wore a corsage of Talisman roses.

A buffet lunch was served to about seventy-five guests.

For traveling, the bride wore a rose ensemble with navy accessories and a corsage of roses. They will visit points in Northern Ontario.

The happy couple were the recipients of many beautiful and useful gifts.

Out-of-town guests were, Miss Hazel Dunbar, Miss Dorothy Hobbs, Miss Shirley Blanchard, Miss Joan Major, Mrs. Albert Corrigan, Misses Evelyn and Mona Corrigan, of Ottawa; Mrs. Knipe, Ochawa, and Miss Beulah Mulcahy, of Montreal.

McLAREN-SHARPE

A pretty wedding was solemnized on Saturday afternoon by Rev. A. F. Fokes, of Shawville, in the First United Church, at Ottawa, when Elva Grace Sharpe, Reg. N., of Ottawa, daughter of Mr. and Mrs. T. J. Sharpe, of Caldwell, Que., became the bride of William David McLaren, son of the late John Alex McLaren and Mrs. McLaren, of Carleton place.

The altar of the Church had been decorated for the service with peonies and other Summer blooms. The bride entered the Church to the strains of the wedding march on the arm of her father. She was charming in a street-length dress of turquoise moire silk in dressmakers suit style, with navy accessories and a blue Chinese coolie hat, and she wore a corsage of American Beauty roses and bouvardia.

The bridesmaid attending her was Miss Jessie McBain, whose gown was of salmon pink butcher's linen cut on lines similar to the brides. Her accessories were in white and her flowers were Talisman roses.

The best man was Lieut. J. F. Langtry, of the Head Office at Lansdowne Park, Ottawa.

Later Mr. and Mrs. McLaren left by train on a trip to Toronto and Niagara, and on their return they are to reside at 366 Laurier Avenue West, Ottawa.

Civilians Advised to Keep off Train This Week-end

Transport Controller Lockwood warned today that a record movement of troops from overseas now is reaching Halifax-and that as a result Dominion Day week-end travel would be "a rather hazardous undertaking".

"Civilians on pleasure bent are low in railway priorities", Mr. Lockwood said, in urging that those who did not have to travel should stay at home this coming week-end.

"Every sleeping car that Canadian railroads have been able to send to the Maritimes" would be involved in troop movements, and "a number of the best day coaches have also been diverted."

Conventions Cancelled to Ease Train Travel

Providing urgently needed hotel and travelling space for servicemen returning to Canada at the rate of 30,000 a month, conventions and similar gatherings across Canada which had been planned to take place between June 20 and July 20, are being cancelled in response to the urgent request of Finance Minister J. L. Ilsley and Munitions Minister C. D. Howe.

At the request of the Government the Prices Board has instructed larger hotels to cancel all convention bookings between the two dates. By a previous arrangement with the Board these bookings had only been made on a tentative basis.

One of the first organizations to respond to the appeal of the government members was the Canadian Women's Press Club.

Ship Dairy, Draft Animals To Europe

About 50,000 dairy and draft animals will be shipped to five Balkan countries during the next 18 months to help replace Europe's decimated livestock herds, the United Nations Relief and Rehabilitation Administration announced last week.

About half the animals are scheduled to come from the United States and the remainder from other United Nations in the western hemisphere.

The first shipment, 300 dairy heifers and 900 draft animals, will leave the United States for Greece within a few weeks. In addition, 300 bred heifers and 300 mares probably will be shipped shortly to Yugoslavia.

UNRRA said its livestock program was designed to replace one percent of the 5,000,000 animals destroyed during the war in Greece, Albania, Yugoslavia, Czechoslovakia and Poland. The first shipment was directed to Greece, it said, because of her "extreme need."

Belgium is in desperate need of meat and is said to be slaughtering milk cows and young heifers in an effort to meet the daily meat allowance of 35 grams a person.

British Get Less Food That Needy May Have More

Life has been exceedingly tough for British civilians throughout five years of war, says the Minneapolis Star Journal. It will be tougher as regards both food and clothing before it gets better because of continuing shortages. There would be more to eat and more to wear for the British if they curtailed the war effort against Japan or shut their eyes to the misery of the liberated peoples of Europe. The British will do neither.

With commendable altruism the British are making plans to get along without further clothing and other relief from the United States in order that needier European liberated peoples may receive the fullest possible measure of American assistance.

The British War Relief, which during the past five years has contributed \$50,000,000 to needy Britons, will terminate its activities October 1. By British request funds raised in the national war fund campaign next Autumn will be utilized for sufferers on the continent while the United Kingdom will care for its own needy without American assistance.

Waterloo Bridge Across The Rhine

London's "temporary" Waterloo Bridge that was used for seventeen years until the permanent Waterloo Bridge was opened in 1942, now spans the Rhine at Remagen.

It was dismantled and shipped across the Channel after the capture of Antwerp in readiness for an emergency.

Its time came when Remagen Bridge—at that time the Allies' only bridge across the Rhine—collapsed soon after it had been taken by U. S. troops. Special trucks rushed the dismantled bridge to Remagen, section by section, and army engineers worked night and day under enemy fire to rebuild it over the Rhine.

Within a week tanks, guns, trucks and men were pouring over Waterloo Bridge and on into Germany.

Isaac McLellan Dies At Foxwarren

Isaac McLellan, a well-known resident of Foxwarren, Man., passed away on May 18th, in his 74th year, following an accident with horses.

Mr. McLellan was born in 1872, in Bristol, Que. He farmed at Wyman for a number of years and in 1914 moved to Foxwarren, Man., where he continued to farm.

He is survived by his widow; one son, Cecil, at home; a daughter, Mrs. J. Moulton, of Holtbyre, and two daughters of a former marriage, Mrs. T. V. Armstrong, of Winnipeg, and Mrs. J. Boddy, of Toronto, and five grandchildren; also surviving him is one sister, Mrs. Lewis, of Coppercliff, and two brothers, James of Foxwarren and Robert, of Weir, Sask.

The funeral service was held from the Foxwarren United Church of which he was a member for many years. Interment was at the Foxwarren cemetery.

Carroll Porter Dies After Lengthy Illness

At the age of twenty-seven years, Carroll Rufus Porter passed away on Friday last at the home of his parents, Mr. and Mrs. Gordon Carroll Porter, after an illness of several months.

He was born at Steam Mill Village, Kings County, N. S., where he passed his earlier years. On September 9th, 1939 he joined with the West Nova Scotia Regiment, but in the following year he transferred to the R.C.A.F.

He is survived by his parents; his wife, the former Ena Elizabeth Byron of Maryland, Quebec, who was with him during the final period of his illness and also visited him frequently at the N. S. Sanatorium; by two little sons, Carroll John and Gordon Weland; by four brothers: Cpl. Newton Porter, R.C.A.F., now in England; Jack, R.C.A.F., in Winnipeg; Edwin, R.C.N.V.R., Billie, at home; by three sisters, Mrs. LeRoy Feener, of New Albany; Mrs. Kenneth Gidney, Centreville, Digby county; Barbara, at home. All members of the family were present at the funeral service, with the exception of Newton and Jack, the latter arriving home the following day.

Carroll trained in the R.C.A.F. and was slated to go across, but on examination found medically unfit for the rigors of the air service, and received his discharge, and for some time worked with the Ottawa Electric. Illness necessitated his becoming a patient in the Sanatorium at Ottawa, and later he was taken to Kentville, where it was found that there was no hope for survival. About a month ago he was brought home and passed away on Friday morning last.

Funeral services were held in the Bridgetown Baptist Church after a brief service at the home was conducted by the Rev. A. G. Robertson and was largely attended, the Bridgetown branch of the Canadian Legion and personnel of the R.C.A.F. being present, members of the latter force acting as pallbearers, took part in the committal service, at Billtown, Kings Co., where interment took place in the Porter family lot.

The floral tributes were many and very beautiful.

The passing of so early age of the deceased is deeply regretted by his friends.

MARRIED

NORTHEY—CHATTERTON

Carnations, gladioli and spirea in tall standards formed an effective setting for the pretty wedding at 2.30 o'clock on Saturday afternoon in Knox Presbyterian Church, Oshawa, when the Rev. William Roberts united in marriage Elmira Chatterton, daughter of Mr. and Mrs. John Chatterton, of Hampton, and Raymond R. Northey, son of Mr. and Mrs. Reuben Northey, of Oshawa.

Owing to the illness of her father, the bride was given in marriage by her brother, Mr. Daniel Chatterton. She was attended by her sister, Miss Lorraine Chatterton, as bridesmaid. L.A.C. Kenneth Shepperson, of Toronto, was groomsmen and the ushers were George Northey, uncle of the bridegroom, and Fred Courteny, Mr. David Jenkins played the wedding music and the vocalist was Mrs. Mary Burtch.

The brides gown of white satin was styled with a long torso bodice and a shirred bouffant skirt. Her full length veil was arranged from a halo of lace and she wore the bridegroom's gift, a string of pearls. She carried a bouquet of American Beauty roses, stephanotis and baby's breath.

The bridesmaid wore a becoming gown of pink, with a pleated satin bodice and a long full skirt of net. She wore a flower headdress and a pink shoulder length veil. Her bouquet was of pink carnations, larkspur and sweet peas.

A reception was held at 306 King Street West, where the bride's table was centred with the wedding cake topped with lilies of the valley and forget-me-nots. The same flowers formed the floral decoration for the table.

Mrs. Chatterton, mother of the bride, chose for the occasion an ensemble of navy blue printed crepe, and a navy hat and accessories and a corsage of tea roses. Mrs. Northey was charming in a two-piece dress of Alice bluefaconne, navy hat and accessories and a corsage of pink roses and sweet peas.

Mr. and Mrs. Northey left on a wedding trip to Niagara Falls and Honey Harbour. For travelling the bride wore a dark brown tailored suit, a white flowered hat and a corsage of gardenias. They will reside on Frederick Street, Oshawa.

Mr. and Mrs. J.C. Stavenow Say Farewell

To the friends of Shawville and vicinity:

Hail and Farewell!

It would be impossible to bid good-bye to all of you personally, but we cannot leave without expressing to you our deep appreciation for the kindly co-operation and gracious hospitality you have extended to us since we came here almost three years ago.

We wish to especially thank the girls in central for their unfailing patience and helpful assistance. The Bank staff also were outstanding with their courteous efficient service. Our stay here was made very pleasant by the cheerful co-operation of all with whom the company has business relationships.

We will always follow the adventures and achievements of your "big little town" with deep interest. Your very generous parting gift leaves us feeling very humble.

Our best wishes for the future remain with you.

Thanks again for everything.

Jack and Isobel Stavenow.

Wyman Women's Institute

Mrs. George Meldrum was hostess to the members and visitors of the Wyman Women's Institute, when a pleasant time was spent at her home Thursday afternoon, June 14th.

The president, Mrs. S. W. MacKechnie, presided and following the usual opening exercises, the meeting was enlivened by each one responding to the Roll Call with "a Joke".

Some time was given to making further arrangements regarding the articles for the fall exhibit, after which a full report of the County Convention, recently held at Stark's Corners, was presented.

A humorous reading, entitled "Dorothy Dumb's Organ Recital"; an interesting and very instructive "Question Box"; and the singing of a favourite song, brought the program to a close.

Refreshments were served by the hostess, assisted by Mrs. Grant and Miss Ruth Meldrum.

Using new methods of mine laying, Canadian airmen bottled up thousands of German troops in Norway who were badly needed at home.

Gamma rays, given off by radium, the world supply of which comes from Canada, are powerful enough to penetrate eight-inch steel plates.

"We consider it a privilege..."

Extract from the Annual Report of Dominion Textile Co. Limited, presented to Shareholders by G. B. Gordon, President and Managing Director.

ALTOGETHER one thousand and sixty-five men

and women left us to join the colours, and of those there remain over eight hundred now in the Services awaiting discharge or transfer to different theatres of operations.

Plans are well under way for the reabsorption of these men and women into the various company occupations. There is, of course, a legal obligation on the part of all employers to reinstate their employees, now veterans, in jobs not less favourable than those they would be holding had they remained in civil employment. Your company's policy in this regard is to go as far as possible beyond the legal requirements. It is from no mere sense of duty that we will take back these men and women into the company's service. It is rather that we consider it a privilege to welcome them back. From this group will emerge those with qualities of courage and leadership who will eventually guide your Company's affairs and help maintain its leading position in the textile field.

We regret very deeply that twenty men will never return, as they laid down their lives in Active Service.
