IN every trembling bud and
bloom

That cleaves the earth, a flowery
sword,

I See Thee come from out the tomb,
Thou risen Lord.

Thou are not dead! Thou art the
whole

Of life that quickens in the sod;

Green April is Thy very soul,
Thou great Lord God.

Mayor Bruneau will officiate at Hobby Show

Mayor Bruneau will open the 22nd annual Westmount Boys and Girls Hobby Show Wednesday at 7:30 p.m. followed by the girls gymnastic competition and the boys swim meet at 8.

April 12, at 8:15 p.m. the Hon. William Hamilton, Postmaster General, will officiate at the closing ceremony. Mr. Hamilton was president of the Montreal Boys and Girls Hobby Show for three years in the early 1930s, and under his leadership the Hobby Show flourished to such an extent that it was subdivided. The Westmount show is an outgrowth of this subdivision. Mr. Hamilton will give a short address on the growth of hobby shows and award the three grand aggregate cups and the best-in-show cup.

Special exhibits in this year's show will include a skin diving exhibition Wednesday and Thursday following the swim meet and the operation of an amateur radio station each evening from 7-10 p.m.

Other prize winners will be demonstrating their craft ability each evening.

Miss Diane Geddes, entries chairman, has reported that entries are slow this year and children are reminded that Saturday from 10-12 a.m. and 2-5 p.m. are the last times at which entries can be accepted.

Exhibitors in the Art Department are asked to enter their exhibits by Saturday noon, as judging of the art will begin at 2 p.m. This year, the Montreal Museum of Fine Arts has contributed two \$50 scholarships to the prize winning exhibits in the Art Department.

Ten more prizes are needed for other departments and anyone wishing to donate an award should contact the "Y" at WE. 7-3916 or call Tory Liersch, chairman of prizes, at WE. 5-2223.

The music department needs a suitable piano which might be used this year and in succeeding shows. Anyone willing to donate or lend a piano to the Hobby Show committee is asked to phone the Westmount "Y" at WE. 7-3916.

Many of the departments have undergone a face-lifting this year and Diane Geddes, Hobby Show, entries chairman, urges all children to read the Hobby Show booklet carefully before coming down to the "Y" to enter their exhibits. The booklet may be obtained at the "Y" and further inquiries may be made by phoning Jim Hawkes at WE. 7-3916 or one of the department chairmen listed in the booklet.

88-year-old resident repair racket victim to the tune of \$600

A resident of Blenheim Place reports that he has been a victim of the "chimney repair" racketeers.

One morning recently a man rang his doorbell to tell him: "Your chimney has fallen down."

Asked how he knew, the man said he had been working on a roof on St. Catherine street, and could see the chimney "defect" from there.

He said he could fix it, and the householder told him to go ahead, and as the man was climbing the ladder, the Blenheim Place resident shouted: "Let me have an itemized account of the work to be done and the lowest price."

The "repairman" pretended not to hear.

The next day the householder was presented with a bill for \$600.

Asked what he had done for that amount, the man said he had repaired the brick work, the flashings, bricks and stones along the front of the roof, gravel and tar for the roof.

When the householder refused to pay the bill because it was too high, the "repairman" cut it by \$100.

Later, when the householder climbed a ladder and looked at the roof, he could see no signs of repair work. A neighbor went up on the roof and came to the same decision. Nothing had been done. Nothing needed to be done.

The resident, in making the complaint, points out that he is 88 years old and had recently completed a long stretch in hospital — recovering from a broken leg, hip, knee and eight ribs.

Says he: "The man knew I was in no position to go up on the roof — he took advantage of me."

Westmount goes on money mart for \$854,500

Tenders have been called by city secretary-treasurer Andrew W. D. Swan, for the purchase of \$854,500 of debentures of the city dated May 1st, 1958. Sealed tenders will be received up to 8 p.m., April 14th.

The bonds are being issued in connection with by-law 616 which provides authorization for a loan to cover expenses of sundry equipment, park improvements, artificial ice rink, garbage destructor improvements, parking lot improvements, street paving and debenture issue expenses and contingencies.

Each tender must be accompanied with an accepted cheque payable to the City of Westmount, equal to 1% of the amount of the loan and must specify whether interest accrued on the debentures to the date of their delivery is included or not in the price of the tender.

The debentures are presently being printed and it is anticipated that they will be ready for delivery on May 1st.

Tenders will be opened and considered at the council meeting on Monday evening, April 14th.

No one there

Sole distinction of the public meeting called yesterday morning to discuss proposed revisions of by-laws was the fact nobody showed up.

Mayor A. S. Bruneau and Aldermen J. C. Cushing were in attendance to answer queries or to explain facets of the by-law amendments — dealing with building construction and zoning — but they were called upon to discuss the affair only between themselves.

Another public meeting has been called for April 14th, at 9:00 a.m. to present new loan by laws.

We have received a shipment of genuine English and Scotch TWISTS, TWEEDS, LAMBS' WOOL, WORSTEDS, REVERSIBLE TWISTS and MOHAIRS of highest quality.

Webster wins Westmount with majority of 3,000

In line with the coast-to-coast swing to the PCs — Westmount electors trekked to the polls Monday in large numbers to give A. Ross Webster a tidy 3,000 majority over Hon. George Marler, former Liberal transport minister in one of the really surprising upsets of the Federal balloting.

Webster polled 15,803 votes and Marler 16,803. Amedee Jamin, the CCF candidate ran up a score of 687, while the fourth man in the field, Henri Naud, Social Credit candidate, polled 190 votes.

Checking the polls after the shouting and the tumult had died — it was evident that the city of Westmount and the St. Andrew's section of the riding had turned the trick.

Voting for PC candidate Webster was fairly heavy in the Upper Level sector, medium between Guy and Atwater and weak between Greene avenue and the Glen in the lower sector.

The Ridgewood sector, where both candidates held meetings, was about even.

Webster won the majority of the polls, but Liberal candidate took a fair number, and in some spots ran up quite high totals, while in others the figure for the former transport minister was surprisingly low.

A much greater interest was shown by the electors this time, campaign workers and officials reported, than in June last, when Hon. Mr. Marler had a majority of 2,683.

Mr. Marler conceded his defeat quite early in the contest, and in an interview over a local radio station said that while the loss was his first in many years of public life, and as a result was somewhat of a shock, he realized there was a national swing to the Conservatives, and that he had been caught in it.

His words and tone indicated

WINS IN WESTMOUNT: A. ROSS WEBSTER, successful PC candidate in the St. Antoine - Westmount riding, is seen here as he was congratulated simultaneously by his wife and daughter Monday night after he had rolled up an even 3,000 majority over his Liberal opponent, the Hon. George C. Marler, one of three former Liberal cabinet ministers to fall before the landslide that saw the Conservatives run up a 209-seat total across the country, highest in all Canadian political history, —Acme-Harrison Photo

Police report a quiet week despite voting

No election disturbance, no theft, no fire — this was the report of the Westmount Police and Fire Departments for this week. However the guardians of public safety and welfare managed to put in a busy seven days handling minor accidents and nuisance calls.

There were 20 accidents throughout the week, but damage was negligible. One person was transported to the Queen Elizabeth Hospital where injuries were diagnosed as minor and the patient dismissed.

A false alarm from Dorchester and Hallowell was the most annoying call received by the Fire Department. Trucks from two stations were alerted for the fruitless errand.

Steam from an overheated furnace, defective wiring, a smell of oil and to small rag fires completed the list of calamities which plagued residents and the ever-patient firemen were there in each case to allay any panic.

Mentally retarded people are those whose intelligence, broadly speaking, does not develop to the point where they can lead completely normal lives.

WE SAY

If in Ottawa, why not here?

CANADA's 24th Parliament will be meeting in a few weeks under the full gaze of the public and press galleries.

Its deliberations, whether formal or in committee, will be listened to by the public and reported in the press.

Once a month, at least, Westmount's City Council meets.

This is no less important — to Westmounters — than Parliament.

Yet Westmount's mayor and aldermen presume to abrogate the citizen's right to know about his own affairs by taking practically all the City's business behind closed doors, in committee — excluding the public and press.

What a travesty of local democratic government this is!

By what right do the "city fathers" bar those they were chosen to represent?

Westmount Municipal Association, whose creatures we still say mayor and aldermen are, has been challenged from within its membership on this question. Yet the association executive has taken few positive steps — as confirmed by President A. O. Leslie's letter on this page last week.

Westmount citizens have little to quarrel over with City Council other than this arrogant insistence upon making private what should be public — upon privacy instead of publicity.

Westmount is, so far as anyone can tell, a well-managed city. But rate-payers should be in position to tell for themselves, rather than to be told from time to time by "press release" what a paid city official chooses to tell them.

Election result good for country

THE hustings dust has settled.

Congratulations go to local victor and vanquished for a clean, hard-fought campaign.

The Tories and their supporters are elated; the slashed Liberals, the shattered CCFers and the dead Social Crediters are not.

But on all sides electors, who last June amazed themselves by turning the Liberals out, are now asking themselves if they have not gone too far.

One staunch Tory worker Tuesday morning was even gloomy, thought perhaps the record majority for his party was bad for the country, too much power for one group.

This is nonsense.

Our parliamentary system has come out all the stronger.

The "splinter" groups are all but gone. We are back virtually to a two-party Commons.

Excuse is gone for temporizing, indecision and political expediency in federal affairs. A strong, vigorous, fresh Conservative parliamentary group takes full, undisputed charge.

And the Liberals are plainly the Loyal Opposition. Their task is clear, essential and vital. Their numbers may be small, but their combined parliamentary and governmental experience is still great.

The country can look now for fully responsible government, clear air in the Commons, a better standard of House debate sparked by a compact and well-disciplined Opposition.

The Conservatives can get things done, the Liberals and the CCF octet see they do it and how.

It should be the democratic way at its best.

Something I Want to Say:

Macmillan should go alone

Canadian-born Lord Beaverbrook caused an international stir last week with his proposal that the British should go ahead with a summit meeting with the Russians even if the Americans are unwilling. Following is the complete text of that proposal as it appeared in his newspaper, the Sunday Express of Great Britain:

By Lord Beaverbrook

THE Sunday Express is a pacifist newspaper. Our people believe in "NO MORE WAR", now as always.

Peace, at almost any price, must be the watchword in this office. And, of course, there is a price to be paid for peace, now as always.

The price is arms and ammunition for the British Empire.

Under modern conditions arms mean airplanes, and ammunition is the hydrogen bomb.

This is an occasion when the necessity for arms and ammunition is pressing to a degree. Indeed, the necessity equals the need that confronted the nation in 1938 and 1939.

There is, however, one difference known to us all. This time the menace comes from Russia.

Let no one suppose that war is imminent. The minatory and menacing messages from Russia occasionally reflected by intemperate expressions of unnecessary hostility spoken by the Western Powers should not be cause for dismay. For history teaches that national animosities are swiftly reconciled.

This is the record of war and peace in one century.

It was just over a hundred years ago that Russia and Britain fought each other in the Crimea. Thereafter 60 years of peace. By 1918 Archangel was the battlefront, where Russian troops were hurled against the British lines. Then two decades of troubled though peaceful years.

At the outbreak of world war in 1939 it seemed likely that Russia would join with our enemies. Instead we supported her when Germany attacked in 1941. A close association followed, and our relations were friendly until, in 1948, Russian efforts to dislodge the Western Powers from Berlin resulted in serious and menacing threats of bloody war.

That is, in summary form, the record of the past century.

But can national animosities between Britain and Russia be reconciled for the third time?

Yes, of course. They can be obliterated and forgotten if wise policies are pursued.

The first and foremost need is an increase in trade between the two countries. All barriers to commerce should be swept away forthwith.

The notion prevails in some

quarters that a ban should be maintained on some goods for strategic reasons. This is nonsense.

It depends on a complete misconception of the Russian situation. Russia is as well equipped in strategic materials as any other country. Possibly she is better equipped.

A ban on the export of strategic materials is foolish and out of date, excepting

panion and ally, the United States of America, is determined to escape from a Summit negotiation, believing that Russia's intentions are not serious and her protestations are insincere.

There is, too, a further complication in the situation. The alliance between the United States and Western Germany is valued by the American above all other associations.

The West Germans, however, are irreconcilably opposed to any conference which excludes from its discussions a reunion of East and West Germany.

And the Russians will not take part in any Summit meeting where this topic is raised.

The British Empire should not be influenced in its decisions by German foreign policy or German desires.

Remember the last war was fought to break up Germany.

the actual weapons of war.

Commerce with Russia must be encouraged by the Government and by the business community, too, the men who go out and seek orders.

Negotiations at the Summit, so called, should be conducted without delay. That I believe to be the almost unanimous wish of the British race.

It is true that our com-

... and in Westmount?

We succeeded. Now we are asked to risk war again, so that Germany may be reunited.

Certainly Germany's claim for reunion should not be a barrier to talks between Britain and Russia.

The Prime Minister may persuade the American President to travel with him to a meeting place with the men of Moscow. But if the American Government resists, then Mr. Macmillan should go East and speak for the British Empire.

If, as a result of negotiations with Krushchev, Mr. Macmillan brings home the bacon, then he can ask President Eisenhower to sit down with him and take part in the feast.

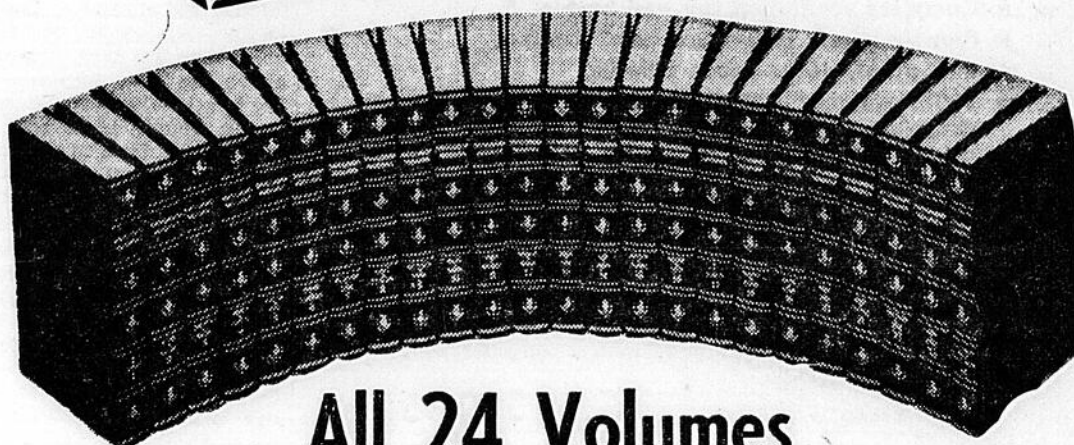

Should he succeed in his mission he will have won eternal fame and glory.

Rabbi Stern at the Temple tomorrow

Each year in the glorious spring season Passover comes and portrays for us most vividly the picture of Moses who comes in the name of God before mighty Pharaoh demanding — "let my people go that they might serve Me." Freedom as indicated in the declaration of Moses before Pharaoh is not merely to be released from bondage. Primarily it has to do with accepting the responsibility of serving God and through service to God that of serving fellow man, Rabbi Stern is scheduled to tell the Temple Emanuel Congregation tomorrow morning.

Along with political freedom we are in need of spiritual freedom. In an age of money culture and the worship of material things let Passover with its lesson of spiritual freedom awaken within us the truth that the greatest things in life are those we cannot see — love, goodness, justice and peace. Let us espouse those values by which we are spiritually free, the rabbi urges.

Passover speaks also of the faith in the eternal springtime of human nature. On this feast we are reminded that we can rise above the lower impulses of life, the irrational and frightening impulses found in every human heart which tend to become masters of our soul, he says.

And Passover too, we are reminded of our humble origin so that we can sympathize with the underprivileged of today. Not only are we to have sympathy with the oppressed wherever they may be but more than sympathy that of empathy. The name of tyranny may differ from age to age but the Pharaoh appears again and again we must challenge the tyrant and ever labor and sacrifice for the freedom of all mankind, he concludes.

Total commercial meat output in Canada during 1957 amounted to 35,000,000 pounds or five per cent over 1956.

Public O.K. to issue bonds to be sought April 14th

Two loan By-laws were given three readings by Council Monday and have been referred to a public meeting on Monday, April 14th at 9 a.m. The by-laws, which authorize the city to float a bond issue for the purpose of raising funds, provide for the financing of electrical and public works programs.

Extensions and improvements to sewers, sidewalks, roads and municipal buildings, as well as the purchase of new equipment, are projected in a public works program that is estimated to cost \$1,123,000. Authorization is only being sought, however, to seek a loan of \$996,000. The rest will be made up of the present public works surplus of \$127,000.

Included in this project is the resurfacing of Clarke and parts of Sunnyside avenues. Other parts of Sunnyside will be completely rebuilt.

Clarke avenue between Sherbrooke and The Boulevard will be widened five feet and completely rebuilt.

St. Catherine street is to be extended from Victoria to Claremount avenues. Demolition of some properties in this line has already started. Other properties will be bought and construction will commence shortly.

Plans are presently being prepared for an extension to the municipal public library and a small addition and improvements to the City Hall are contemplated.

The Chalet in King George

Park, the buildings in the Corporation Yard on Bethune street and the Glen Road snow melting pond are all in for additions or improvements.

Improvements to the electric light distribution system are planned at an estimated expenditure of \$645,000.00. This loan will provide for an acceleration of the work on modernization of the system which was commenced in 1952.

Additional transformer capacity will be provided at the Olivier avenue and Glen substations which will allow for the ultimate change over from the present voltage (2400) to a higher voltage (4160).

There will be improvements and additions to street lighting on Clarke, Victoria and Sunnyside avenues and street lighting will be installed along the extension of St. Catherine street. A new boiler plant for the snow melting pond is also projected.

The public meeting on April 14th, called by law to obtain public ratification of the decision to seek these loans, is open to the elector-proprietors of the City of Westmount. Any desired explanations or facts will be available at the assembly.

If, of the residents present, 10 or more object to the decision, it must be submitted to the public for ratification by vote in a referendum or poll.

Novice ladies get top honors for foil play

Westmount "Y" Novice Ladies took most of the top honors in the Province of Quebec Ladies Novice Foil Championship Thursday, at the Palestre Nationale Athletic Club.

Andrée Trudeau, won the Novice Championship with no defeats in a field of twelve entries. Elizabeth Vogt, placed in second position, being defeated only by Mrs. Trudeau. Maria Pluss, the third member of the Westmount team won place for her team.

This meet had one of the many years, and the quality of largest entry lists for ladies for the fencing shown was very promising. The winners will be able to qualify for the "B" Class ladies foil contest which is expected to be announced very soon.

Westmount has its own bomb scare

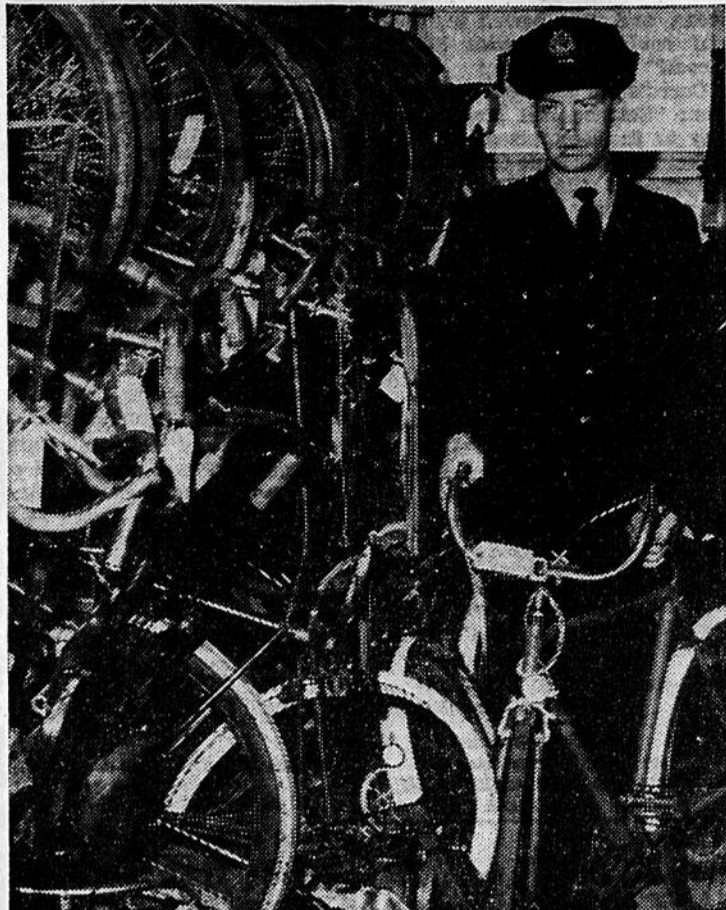

The second "bomb scare" in a month at Westmount Senior High School took the form of an April Fool joke Monday. It was April 1st and somebody played the fool.

At 8:40 a.m., the principal of the school received a phone call warning that a bomb had been placed in the building. He called the police. Ten policemen and 10 firemen were immediately dispatched from the station to the school, a distance of some 30 yards.

After a search, during which nothing more lethal than a pineapple (the edible variety) was uncovered, the all clear was sounded at 9:15 and the students were returned to class.

A previous scare, some time ago, was received when police got word that a bomb had been set to go off during a dance at the school.

Detective Sergeants A Jones and L. Lauzon are investigating the more recent alarm.

Work paid off, says Webster

By POWELL SMILY
(Special to The Examiner)

OTTAWA — For the first time in 13 years, St. Antoine - Westmount will be represented in the House of Commons by a back-bencher.

Ever since Supreme Court

Justice D. C. Abbott was appointed to the Mackenzie King cabinet in 1945, the riding has had as its representative either a cabinet minister or an ex-cabinet minister.

It is considered unlikely here that Ross Webster will qualify for cabinet status in the Diefenbaker government.

"We know he's a good man," said a Tory spokesman, "but his parliamentary ability isn't yet proven. Besides, we're going to have a hard enough time as it is, trying to find places in the cabinet for all the outstanding French-speaking PC members elected in Quebec."

There are several theories regarding the defeat of George Marler last Monday. Sentimentalists in the Liberal Party are inclined to describe it as a case of "getting caught in the machinery." These apologists feel that Mr. Marler was blown back into private life by the devastating Progressive-Conservative explosion which seared Grits from coast to coast right down to their grass roots.

One analyst believe that Mr. Marler planted the bomb under his own chair by offending the Irish element in St. Antoine.

Ross Webster has a third answer.

"I cut Mr. Marler's majority

in half last June 10th," he said, "And I've been working like the dickens ever since."

Perhaps that's as good an explanation as any of the tremendous Tory triumph. Ever since the pipeline debate in Commons, they've all been working like the dickens.

Does the prospect of having 209 House of Commons seats worry the party?

"Let's not be silly," said a veteran PC. "Does anyone really hate being rich?"

◆ THANK YOU ◆

Mrs. W. B. Perry, CGIT secretary, gave a report stressing the need of leadership for young people's groups as there is a decrease in six groups.

Miss Fern Wert presented the book news and stated that reading throughout the Branch had

increased by 658 books. Lachine Auxiliary was honored as the best read auxiliary in Montreal district.

The report of Christian Stewardship was read by Mrs. V. E. Raymond and the allocation of \$143,000 for 1958 was presented and accepted.

She outlined conditions in that country at the time she was there and told of the problems that confronted people who embrace Christianity when their families are opposed to it. She related how, in spite of such opposition, increasing numbers of people are deciding that Christianity is the only solution for their life problems.

Mrs. G. W. Irvine, a past president, conducted the installation of officers. Mrs. Herbert Van Allen of Iroquois, Ont., is the new president.

Sessions closed with a Communion service conducted by Rev. Norman Rawson.

MISS MARJORIE MAUREEN SIMMS, daughter of Mr. and Mrs. G. E. Simms, of Westmount, and MR. GERALD LAURENCE WELDEN, son of the late H. L. Welden and

of Mrs. Welden, of Lachine, whose engagement is announced. The marriage has been arranged to take place on Saturday, April 12, in St. Matthew's Church, Hampstead.

Good Friday

'Twas in an olive garden, long ago,
A lovely Mary, sat with head bent low.
White lilies, dew wet, silvered by the dawn,
Like candles round a bier, shone pale and wan,
While she sat facing life's great mortal blow.

EASTER SUNDAY

Heaven's trumpets sound for Him, her son today,
For death is vanquished, only life holds sway,
His step is heard in every wind that blows,
We touch, as through a veil, the fadeless rose,
Its fragrant incense falling as we pray.

One hundred organizations to participate in 2nd Women's Community Conference

The 2nd Women's Community Conference with over 100 participating organizations will take place on April 16 at the Windsor Hotel from 9 a.m. to 3 p.m.

This year's theme is "Community Kaleidoscope," which may be likened to moving shapes and patterns of groups and organizations with their various aims and services that go to make up community life.

All organizations have been asked to create visual displays of their most successful program in the field of Education, Community Service or Fund Raising.

Carrying through the theme of the Conference, the Manual, edited by Mrs. M. Wollock, Davies avenue, will be the mirror of the "Community Kaleidoscope" since these organizations actively participate in some twenty categories of interest. This book should serve as a handbook for future reference and will be of interest to many of the social agencies in calling upon organizations for volunteer participation. The Women's Community Conference Manual is listed with the Dominion Public Archives in Ottawa, at their request.

Mrs. M. E. Coshof, Wilson avenue is in charge of the program for the day. Mrs. N. Bruker, Cavendish boulevard is vice-chairman of Exhibits and Mrs. P. Baptist is a member of the Contacts committee.

MRS. M. E. COSHOF

Mrs. P. E. Morissette, instructor of the Effective Speaking group, is very pleased with her group's efforts and hopes they will delight the audience.

Mrs. I. K. Lowry, president, will receive the members and their friends assisted by Mrs. Herbert Fuller, chairman and Mrs. Robert Thomson, third vice-president.

Tea will be served at the close of the meeting with Mrs. E. Heuser as hostess.

Unity minor cagers win tie and lose to Ottawa

Ottawa Boys' Club have taken a three point lead over the Unity Boys' Club in the first three games of the annual inter-club, inter-city basketball series for the Goodwin Trophy. The remaining three games will be played at the Unity Boys' Club on Saturday, April 12th, starting at 1.30 p.m.

Richard Cessford's bantam team lost 55-34. The OBC bantams showed a good class of ball and their tall boys took advantage of their size with a consistent shooting accuracy and with a general command of both backboards.

The principal snipers for Ottawa were Ferrigan, Dodd and Burns with 13, 13 and 18 respectively while Unity's Larry Dallas accounted for 17 points.

Representing Unity were: — Ralph Walton, (3); Donald Genois, John O'Driscoll, Fred Power (6); Howard Blanchette (6); Stuart Adams, Malcolm Turner (2); George Joss, Gilbert Hamilton.

John McDonough's midget team helped to nearly equalize the series running score with a decisive 57-39 victory over the OBC midgets.

Unity's Billy Hotton and Ian Gill shared the scoring spotlight with Ottawa's Johnny Gouge on with each player scoring 14 points.

Representing Unity were: — Brian Sullivan (2); Donald Laviolette (4); David Tagieff (10); 12.

John Devlin, Douglas Rowland (3); Bobby Carter, Claus Jaster (10).

Bob Neal's juvenile team fought a nip and tuck game all the way coming from behind a half time score of 36-32 for Ottawa to tie up their first series game at 70-70.

A scoring battle between Unity's John McDonough and Ottawa's Bill Denofio was carried on throughout the game with McDonough edging Denofio by one point.

McDonough was high man for Unity with a 30 point effort while Denofio garnered 29 points for Ottawa.

Representing Unity were: — Richard Simmons (10); Richard Cessford (6); Ken Annable (4); Keith Gavin (7); John Westlake (4); Syd Cowan, Ross Britton (2); Rodney Wilson (7).

The entire party were guests of the Ottawa Boys' Club at a banquet which was tendered the visiting teams.

Club members, parents and friends are invited to attend the return games at the Club April 12.

Hamilton beats Unity for lady Dominion hoopla honors 103-93

By NORMAN YULE
COACH Larry Kaiman's Hamilton Nasco ladies' cage aggregation captured the Canadian Amateur Basketball Association Dominion senior 'B' crown, outscoring Unity Boys' Club 103-93 in a closely contested two-game total points final played at Catholic High school.

Doug Potvin's UBC cagettes took the series opener 9-48, but Hamilton wiped out this slim one point margin early in the second fixture and stayed ahead winning 55-44.

HIGH SCORERS

Hamilton's Boots Spurr had her left-handed hook shot working to perfection and racked up 25 points in the two game set. Speedball dribbling ace Joyce Cullen and guard Mary Hadall hooped 18 points apiece.

Blonde-haired centre Marion Hawley was a real threat everytime she came to the bonus stripe. She swished home seven consecutive free shots during the first half of the opening tilt, finishing up with a 9-12 record and a 13 point total.

Centre Lil DeAngelis sparked Unity's scoring punch with 28 points and played especially well in the second half of the final game. Forward Tillie Tillie Jankowicz was second high for UBC picking up 24 points. She was particularly alert in the latter stages of the final contest, pilfering the leather from her opponent on several occasions and turning them into quick baskets. Hard working Mae Ellefsen, besides scoring 14 points, was a real workhorse under the basket during the series for Unity BC.

OPENING GAME

Hamilton worked up a comfortable 33-19 half-time cushion in the opener of the two game final, mainly on the strength of some well executed field goals from near centre court. Unity just couldn't seem to find any defense to half Hamilton's consistent outside scoring shots.

UBC's shooting and passing throughout the opening half was not up to par. UBC came to life in the second half and started to play heads up ball exploding with all their scoring power and doubled the count over Hamilton 30-15.

SECOND GAME

Hamilton started to click early in the final game and held a 25-19 half-time advantage. Unity trailed 83-80 on the round at the conclusion of the third quarter and hometown supporters began to anticipate a rally at this point.

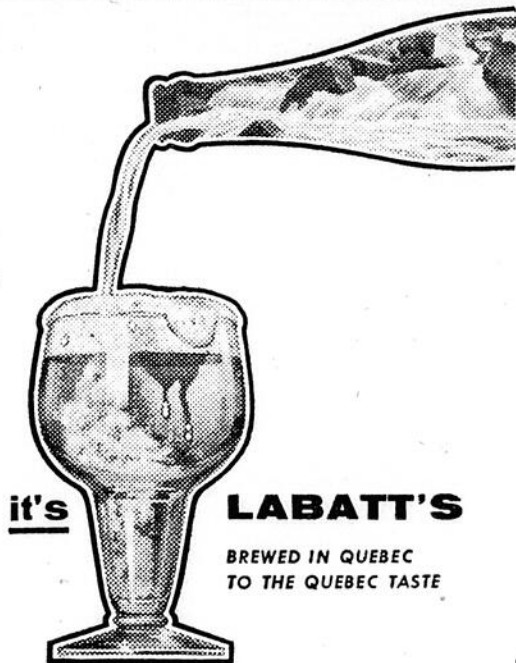

Hamilton had just too much on the ball during the final 10 minutes of action and consistently stopped Unity's offensive drives, while at the same time stretching their own point advantage.

UBC gave it all they had and fought like demons right down to the final buzzer, but could not duplicate their opening game comeback.

Guard Phyl McGlashan and high scoring Tillie Jankowicz of Unity and Hamilton's Marion Hawley each picked up five per-

sonals late in the final quarter and had to sit out the remainder of the game.

Rugger season opens with provincial game

The local rugger season which opens on the weekend will see two new teams in the fixture list.

One is a newly formed club from the Canadair company while the other is the revival of the RCAF St. Hubert squad which played two years ago.

These two teams will play several games against other Montreal teams during April and May.

The Canadair entry will play all its home games in Saint Laurent while the Air Force boys will play on the St. Hubert Airport field.

St. Hubert will be the site of the inter-provincial trial game on April 5 which marks the opening of the local season.

President of the new Canadair club which will have the full support of the company's employees Association is Ron Regan. Secretary-Treasurer is Ron Evans, the former Westmount star; committee members are Reg Ringrose, John Major and Les Green. The new squad will play its first game on April

12 against the powerful Westmount crew.

RCAF St. Hubert who made their mark on the local rugger group two years ago but had to fold because of the wholesale transfer of their players have had a recent influx of enthusiasts.

RMR beaten out by Black Watch

Ian MacAuley drove home Tommy Price with the winning run as Black Watch nosed RMR 15-14 in the clincher of a best-of-three series, semi-finals in the Officers' Section Military Football League at Highlanders' Armory.

The Kilties now meet Maisonneuve in a best-of-three final set starting April 11 on the Black Watch diamond. Winners will then tackle the Ontario champions in a series to be arranged.

Tears, roars end cage final

The Hamilton team representing National Auto Sales flew down to Montreal with one of their members flying back home on Sunday morning. The balance of the team tired but very happy left Montreal by train arriving home around midnight.

When the final buzzer went, coach Larry and the players on the bench met heading the players on the floor and let go with a wild Hamilton Tiger Cat roar. Two of the players were in heavy tears, a few more were shedding tears, the rest were hiding their victory with a war-hoop.

Each team suffered hard luck around the basket with Unity in particular missing out on a number of sure-fire points after the ball had juggled around loosely on the rim only to work its way out again.

Both bench mentors followed the usual cage tactics, employing the fast break or full court press on offense and sticking to the zone type method on defense.

A total of 86 personals were dished out to both clubs with Unity on the receiving end of 48 infractions. In free throws, Hamilton hit the target 23 out of 58 attempts while UBC pushed home 17 in 48 tries. Unity's Gwena Lord, incidentally, swished home all five of her attempts at the free throw stripe.

Each game was hard fought and both clubs feeling the pressure of this roughed it up on several occasions, noticeably in the latter portion of the first game which featured Unity's powerful comeback splurge.

Referees Nat Kaufman and Hugh Purdie handled the opening game. Barry Riddell and Vic Hryhorchuk called the plays in the windup match.

Phyllis Glenen, series convenor, presented the Ruth Carnell silverware to the winning club on behalf of the CABA. The trophy was originally awarded to Toronto's Crofton ladies' cage club back in 1947. Verdun Argyles, under coach Potvin, copied the coveted award during the 1955-56 cage campaign.
