Quebec's 17 Tops Traffic Death Toll In Canada

Violent traffic crashes on jammed highways and drownings sent the accidental death toll surging upwards during Canada's Labor Day weekend. There were at least 70 fatalities, 45 on the road.

The count of dead from traffic mishaps was frightening in Quebec and Ontario — 17 in Quebec and 14 in Ontario. Quebec and Ontario each had a total count of 25 deaths.

A Canadian Press survey from 6 p.m. local time Friday to midnight Monday showed 13 drownings during the three-day holiday. Five were recorded in one boating accident in the Kenora district of Ontario.

In addition there was one fire death and 11 fatalities through miscellaneous causes.

Early today the toll neared the total of 81 deaths for the 1955 Labor Day holiday. There were 55 traffic fatalities then.

Here is a provincial breakdown:

Quebec Traffic 17, drownings 5, fire, 1, miscellaneous 2.

Ontario: Traffic 14, drowning 7, miscellaneous 4.

British Columbia: Traffic 6, drowning 1, miscellaneous 4.

Manitoba: Traffic 3. Nova Scotia: Traffic 5. New Brunswick: Miscellaneous 1.

There were no fatalities reported in Saskatchewan, Alberta and Prince Edward Island and Newfoundland.

U.K. Soldier Wounded In Cyprus Violence

NICOSIA, Cyprus — (P) — A British soldier was wounded and a Cypriot policeman narrowly missed assassination by time-bomb on Cyprus today.

The campaign of violence against British rule showed no sign of letting up as French and British military supplies poured ashore in a buildup to meet any crisis over the Suez Canal.

The soldier was shot down in a crowded market place in the east coast port of Larnaca, about 25 miles southwest of where military stores were being unloaded at Famagusta.

The gunman, believed to be a Greek Cypriot youth, escaped in the crowd. The soldier returned the fire and a 76-year-old Turkish Cypriot was wounded in the cross-fire.

At about the same hour, a time-bomb exploded in an annex of the Acropolis Hotel in Nicosia. The interior of the annex, a cottage-type building, was wrecked but no one was hurt.

The bomb went off under the bed of George Pereira, an interrogation officer in the Cyprus police force. His job is to question Greek Cypriots suspected of activity in EOKA, the underground which backs its demands for union with Greece with bombs and bullets.

Cost-Of-Living Climbs Again For July Record

OTTAWA — (CP) — Living costs rose in July for the third consecutive month boosting the consumer price index by three-fifths of a point to a new high of 119.1 from 118.5, the bureau of statistics reported today.

As in previous months, higher food prices was the main cause of the rise. The July increase followed boosts of 1.2 points in May and four-fifths of a point in June. The index is based on 1949 prices equalling 100.

World News In Brief

QUEBEC. — (P) — Provincial police reported Monday that two youths drowned Saturday at Shelter Bay, some 350 miles northeast of here on the north shore of the St. Lawrence River.

Police identified the youths as Adrien Bouchard, 19, and Maurice Claveau, 18, both of St. Leon-le-Grand, a Matapedia county community.

COPENHAGEN — (P) — Queen Elizabeth and the Duke of Edinburgh will make a three-day state visit to Denmark starting May 21 next year, the royal Danish court announced Monday. The Royal couple previously made state visits to Norway and Sweden.

LONDON. — (P) — Herbert Morrison, veteran British politician, plans to visit Canada in December after a two-month tour of the United States.

Morrison, long deputy leader of the Labor party, was defeated by Hugh Gaitskell last December in the struggle for the succession caused by the resignation of Clement Attlee, now Earl Attlee.

WASHINGTON — (P) — A third explosion in the series of Russian nuclear tests in Siberia was announced Monday by the Atomic Energy Commission.

An AEC statement, issued by Chairman Lewis L. Strauss, said the latest blast Sunday was about the same size as the two the Russians have acknowledged setting off Aug. 24 and Aug. 30.

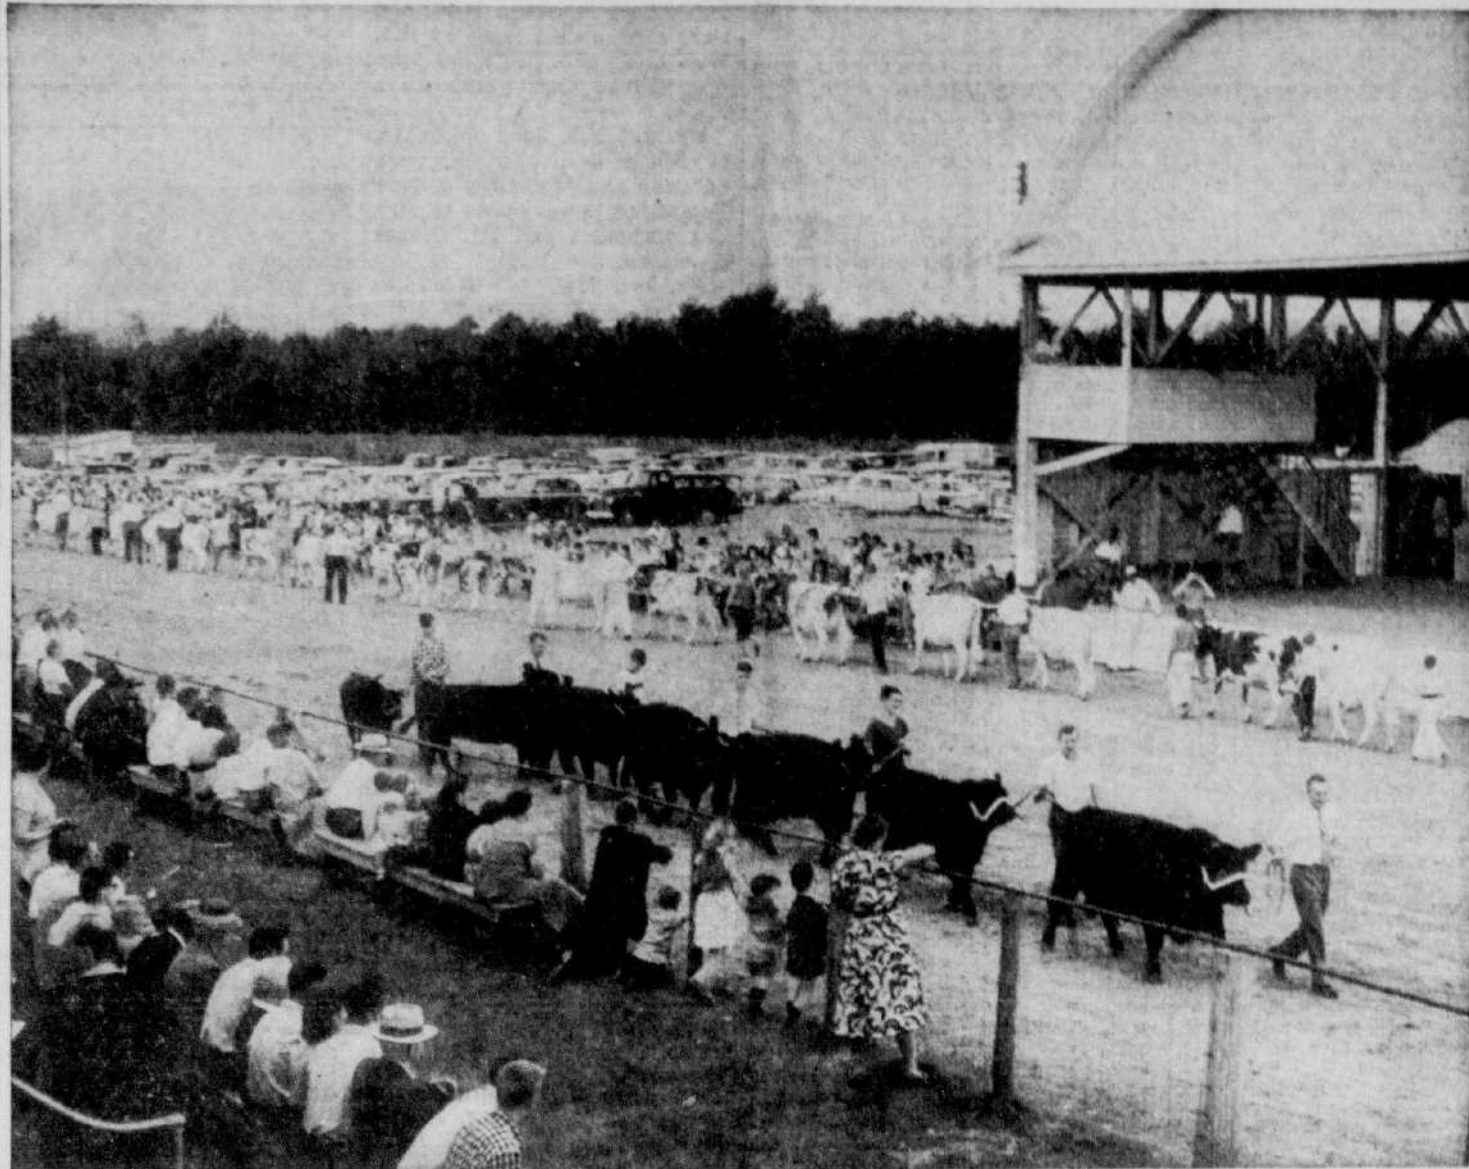

QUEBEC. — (P) — Gerard Picard, president of the Canadian and Catholic Confederation of Labor, Monday called for a general economic plan in Canada to find a "right balance" between producer and consumer goods.

"Our economy cannot progress blindly as was the case at the time of the 1929-1939 depression," he added. The capitalist system which for years only had profit in view must adapt itself to a world in full evolution and consider the working class as the nation's principal consumer.

OKLAHOMA CITY — (P) — Records set at the National Aircraft Show here have pointed up advances in the American aviation industry and the new jet strength of the armed forces.

The show was climaxed Monday with the announcement that a United States Navy supersonic fighter plane, the Chance-Vought F-8U Crusader, set a national speed record of 1,015.428 miles an hour in winning the Thompson Trophy event.

QUEBEC. — (P) — A woman lost her life early Monday in a three-alarm blaze that destroyed a four-story rooming house on uptown Ste. Anne St. Miss Louise Guay, 54, died in the top floor room of the old stone structure. Twenty-four persons escaped, some with minor injuries.

At Brome Fair — Over 5,000 people attended the Labor Day program at Brome Fair yesterday, highlight of which was a half-mile long stock parade, shown moving past the grandstand. The four-day fair, marking its 100th anniversary, will close tonight following a horse-pulling contest to be staged throughout the day. (Photo by Gerry Lemay)

Racial Disorders Spread

CLINTON, Tenn. — (P) — Racial disorders spread out Monday night in east Tennessee as this militia-pacified town waited tensely today's expected return of a dozen Negro students to Clinton high school.

A bullet-spattered riot broke out in Oliver Springs, 12 miles southwest of here, after dynamite blasts were set off in the little village's Negro residential section, but Clinton marked its first night of peace in eight days.

Sheriff Glad Woodward said a white mob member was wounded by a Negro during Monday night's riotous eruption after an unfounded rumor spread that segregation would end today at Oliver Springs schools.

A state highway patrol car was fired on at a highway roadblock, but nobody was hurt. An earlier report that a bullet had wounded a deputy sheriff proved erroneous.

Eighty of the 633 National Guardsmen and eight of the 10 tanks stationed here were moved out to Oliver Springs early today to quell the riot. They were sent by state Adjutant-General Joe Henry, in charge of the militia force here.

And near Dayton, 75 miles to the south, five men attacked two guardsmen who were driving to drill. They knifed one of the guardsmen, Garland Pew of Sale Creek, Tenn., when Pew told

them he would go to Clinton if ordered.

In Nashville, state Governor Frank Clement promptly offered a \$5,000 reward to find the attackers.

The tense situation built up when after five years of litigation, federal Judge Robert L. Taylor of Knoxville ordered Clinton high this year to admit Negroes.

But the day before school started, John Kasper, a professional segregationist from Washington, appeared urging a school strike.

He was promptly clapped in jail, but peaceful crowds and pickets nevertheless appeared at school opening when 12 of the Negroes reported to classes.

Tuesday the charge of inciting to riot against Kasper was thrown out of court, and he left jail to address a crowd of 500 Tuesday night and 800 Wednesday night.

Thursday he was jailed in Knoxville and Friday was sentenced to year in prison for violating a temporary restraining order issued by Judge Taylor Wednesday. The order prohibits anyone from doing anything to interfere with peaceful integration of the school.

But the crowds continued to grow at the school located in this little town of 4,000 with only 396 Negro residents.

The public square forum was taken over by another out-of-state Friday night — Asa Carter, head of the North Alabama White Citizens Council. And Carter's audience turned into a mob which terrorized the town for hours.

Then five Tennessee pro-segregation organizations announced a joint rally for Saturday night.

City and county officials, fearing that this would attract an even more dangerous crowd, called for state help, meanwhile forming their own vigilante group.

Clement ordered out the state highway patrol and the National Guard late Saturday. The 100-odd patrolmen roared in just as a mob of 1,500 was threatening to overwhelm vigilantes throwing tear gas.

Sunday the guard units rolled in to relieve the highway troopers, but all this force did not prevent another crowd — as large as Saturday night's but much younger — from forming Sunday night.

Again they became unruly and at one point cornered a Negro sailor in uniform who had to be rescued by militiamen in jeeps.

Monday, Henry issued tough orders which effectively prevented even small groups from forming Monday night — and when darkness fell, an eerie

quiet settled on the riot-torn square.

Roadblocks were set up on all main highways two miles out of town, turning back all cars without good reason to go into or through Clinton.

The night was well advanced when the more violent copy of Clinton's troubles was touched off by false rumors in Oliver Springs.

In Mansfield, Texas, another demonstration was reported planned today to prevent 12 Negroes from registering in the high school which has 275 white pupils. J. L. Curry, a filling station operator, confirmed reports that meetings were held Monday night to plan another demonstration.

Five Drowned In N. Ontario

KENORA, Ont. — (P) — Five persons lost their lives in the choppy waters of the Lake of the Woods Monday when their 14-foot outboard motor boat capsized during a squall. One man swam to safety.

None of the five was identified but reports indicated three young married couples — all in their 20s — were involved, including a Winnipeg Baptist minister and his wife. The others were from Kenora.

But Fresh Arrests Cloud Cairo Talks; Vital Meeting Today

CAIRO, Egypt — (P) — Talks between Egypt's President Nasser and the five-power Suez Canal committee moved into the hard discussion stage today after formal presentation of an 18-country plan for international control of the waterway.

The conference atmosphere was described as cordial but outside developments continued to cast menacing shadows.

Egyptian secret police arrested more persons, including another British subject, on charges of spying. The British-French military buildup continued, and Egypt said its army was "strategically deployed to meet any situation."

Prime Minister Menzies of Australia, chairman of the five-power delegation, outlined the proposal for international operation of the canal to Nasser Monday at the opening of the talks.

Today's meeting starting at 1 p.m. EDT was expected to dig deeper into the details of the plan put forward by State Secretary Dulles of the United States at the recent London Suez conference.

Nasser already had termed the international control plan unacceptable to Egypt, but hope was expressed that the talks here might find a basis for negotiations to develop a compromise solution to the controversy set off five weeks ago by Egypt's nationalization of the Suez Canal Company.

The committee met with Nasser and his aides twice Monday for a total of an hour and 40 minutes. Menzies said he did all the talking.

Nasser was in smiling good humor. Menzies also gave an impression of cautious optimism.

Other countries on the committee are Iran, Ethiopia and Sweden.

Nasser earlier said he saw room for compromise in President Eisenhower's statement Friday affirming Egyptian sovereignty over the canal but insisting that it be kept open to international shipping. Nasser maintained that internationalization of the canal would infringe his country's sovereignty, but offered to guarantee unimpeded passage.

U.S. Traffic Toll Falling Short Of Predictions

CHICAGO — (P) — The United States traffic death toll for the three-day Labor Day weekend had climbed above 400 today but the National Safety Council said it apparently would fall far short of its advance estimate of 480.

The traffic death total for the period from 6 p.m. local time Friday until midnight Monday was 422. Also, 88 drownings and 71 deaths in miscellaneous accidents were reported, for an overall violent death toll of 581.

Late reports still trickled in this morning, but the declining rate of traffic fatalities encouraged Ned H. Dearborn, Safety Council president, who said:

"At the present rate, the final toll should be far short of our prediction of 480 deaths. We stand a good chance of finishing below the record of 461 deaths in 1951 and a fair chance of going under last year's figure of 438."

May Drop Hatnap Charges

LONDON. — (P) — Nina Ponomareva, Russia's Olympic discus champion, was still a problem for London police today. They want her on charges of shoplifting £2 worth of hats and jumping £5 bail.

The 27-year-old, 168-pound redhead was safe from arrest for the time being in the Soviet embassy, where police have no right to enter.

But a Russian spokesman said she plans to leave England in two or three days. She could be arrested on the way out unless the charges are dropped—and there were signs today that they might be.

Nina came here last week with 59 other Soviet athletes for a week-end track meet against a British team. She was arrested Wednesday and charged with taking five hats from an Oxford St. chain store, C. and A. Modes.

Bail was posted for her appearance next day in magistrate's court. She did not show up, and a warrant was issued for her arrest. The Soviet team called it all "dirty provocation" to hurt British-Soviet friendship, and cancelled the meet.

Lawyers for the store said, without full explanation, that they had turned the matter over to the director of public prosecutions, who could ask that the warrant be withdrawn. The president of the complaining firm already had remarked that the amount of the alleged theft was not worth all the fuss "that had followed. London newspapers generally agree.

\$12,000 Robbery In St. Laurent

MONTREAL — (P) — Three armed men escaped with an estimated \$12,000 from the Modern Bread Company in suburban St. Laurent early today after surprising the night watchman.

Police identified the watchman as 55-year-old Willie Chalfoux, brother of the late Capt. Ernest Chalfoux who was slain in a gun battle in Ste. Agathe, Que., last month.

Priest Urges Unions Not To Form Political Party

OTTAWA — (P) — Abbe Gerard Dion, professor of industrial relations at Quebec's Laval University, told a labor union group in the capital that unions should work with political parties when their principles are identical but should not form a party of their own.

The Roman Catholic priest, co-author of a recent article criticizing political morality in Quebec provinces, Monday addressed the triennial conference of the joint protective board of the Canadian Brotherhood of Railway Employees.

He also said that labor unions, as they tend more and more towards unification and concentration, "are slowly building up to gigantic organisms which could endanger democracy if we do not take care."

During a question period following his address to 215 delegates, he said there should be a

"distinction" between labor unions and political parties. "Otherwise you will have a class party."

Normally such a party would reduce the general common good to the particular interests of a class. That had happened in Russia. And if it were true of a class party of workers, it was equally true of a class party of "big finance."

However, a labor movement and a political party which took inspiration from an identical concept of society normally could work together to make their common social ideal a reality.

"One must not conclude from this that a political party must become a tool in the hands of a labor union," Abbe Dion said. "Or that a labor union should become the laying on of a political party. Either move would lead to dictatorship, and democracy would cease to function."

At Least One Dead — Mrs. Violette Hartley, 40, of Verdun was killed instantly Saturday afternoon when these two cars collided between Sutton and Abercorn. Four other members of the Hartley family were taken to Sweetsburg Hospital where their condition is described as serious. Five Violent Deaths In Townships Over Labor Day Holiday Week-end

The Eastern Townships contribution to the Labor Day death toll was five, with four persons meeting their death on the highway and the fifth in a farm accident.

In the immediate Sherbrooke area, no deaths were reported by Provincial and Municipal police. Sgt. Eugene Morin, of the Provincial Police, said his men reported a quiet Labor Day week-end but he stated that four drunken drivers had been picked up. They appeared in court today.

Dead are:
 Edouard Couture, 34, Stanbridge Station.
 Ronald Monette, 33, Bedford.
 Mrs. Violette Hartley, 40, Montreal.
 Fernand Gregoire, 18, Warwick.
 Gilles Valliere, 8, Princeville.

Couture and Monette were both killed when the small pickup truck in which they were riding attempted to pass another vehicle on a hill between Bedford and Pike River about 9:25 p.m. Saturday and smashed head-on into another car coming from the opposite direction.

Police said an eye witness told them the truck was travelling at close to 85 m.p.h. and was on the left side of the highway when the crash occurred. Both vehicles were so smashed, police were still unable to ascertain who had been driving the truck.

A third man, Buster Ducharme, 37, was unconscious and in critical condition in Sweetsburg hospital.

Also critically injured and admitted to the same hospital were two men and three youngsters in the other car. They were identified as Lucien Messier, his brother, Roland, and the former's three children, Pierre, Daniel and Jean Guy.

Police said Chan LaRose, 29, of Stanbridge, whose car the truck was attempting to pass on the long steep hill, told them the Messier family "couldn't have known what hit them, the truck was going so fast."

Mrs. Hartley, of 3373 Wellington St., Montreal, died at 3:10 p.m. Saturday near Sutton when the car driven by her husband, Douglas, 44, and bearing their two children and the husband's brother were involved in a head-on crash. The body was taken to the Sweetsburg Morgue.

Injured were Douglas Hartley, his children, Larry 7 and Wendy, 8 and his brother, Charles, 40, all in critical condition in Sweetsburg hospital.

Three others, Roland Hétu, of Sweetsburg, driver of the other vehicle and his two passengers, Claude Daniel, 17, and Maurice Lebeau, 20, both of Cowansville,

awaiting transportation to Montreal where he was to meet his son.

A Quebec City resident collapsed and died in a North Hatley Hotel on Sunday night.

In Sherbrooke the only two accidents reported by Municipal Police were two young girls being hit by cars. Louise Dubuc, 2, was hit while crossing Belvedere St. South on Sunday. The car was driven by Henry Murphy, 33, of 929 Belvedere St. The child was taken to Hotel Dieu Hospital by a passerby.

A five-year-old girl, Christiane Henri, was struck on St. Francis Blvd., while running across the street. Driver of the car was R. J. Owen of 133 Clemenceau St. She is suffering from various cuts.

were admitted to the same hospital.

Fernand Gregoire was fatally injured at 10:15 p.m. Saturday when the car in which he was riding spun around out of control on the highway near Warwick and struck a post. He died four hours later in Victoriaville hospital. Driver of the car, Roland Landry, 24, of Victoriaville, is in the same hospital, police said.

Gilles Valliere, son of Rosaire Valliere, of Princeville, was killed at 8:30 a.m. Saturday near St. Norbert. Police said the boy was driving a tractor, with his father walking along behind it, when it struck the rim of a sand pit, overturned and crushed the youngster beneath it.

Provincial Police in Sherbrooke reported four people slightly injured near St. Mathias on Saturday night. The injured, all of Montreal, were Mr. and Mrs. Georges Quenville, their daughter, Therese, 17, and Mrs. Gilbert Dubois. No further details were available from police.

Alfred Broadbent, 74, of 214 Brooks St., Sherbrooke, was taken to Sherbrooke Hospital Saturday night with injuries to the nose received in an accident on the Stanstead road.

A Shawinigan Falls man, just released from the St. Francis Sanatorium in Sherbrooke, was reported to have collapsed in a chair in a local tavern yesterday. He was pronounced dead on arrival at the St. Vincent de Paul Hospital. Napoleon Bolduc, 61, had entered the tavern while

Municipal detectives are investigating.

Funeral Today For Prominent I.O.D.E. Worker

Mrs. Albert E. Bryant, the former Della Isabel MacKay, passed away at the Sherbrooke Hospital on Saturday night.

Daughter of the late I. J. MacKay and Mrs. MacKay, she was a resident of Sherbrooke for most of her life, and took an active interest in the work of the I.O.D.E. of which she was a past regent of the Duke of Wellington Chapter.

Surviving her are her husband and two sons, Gerald and Donald, two daughters-in-law and five

grandchildren, her mother, Mrs. Annie E. MacKay, of Montreal, a brother, George, of New London, Conn., and three sisters, Ethel, of Montreal, Florence, Mrs. J. B. Winder, of Lennoxville and Lilian, Mrs. Asa Moore, of St. Alban's Vt. Two brothers, Roland and Roscoe predeceased her.

The funeral is taking place this afternoon with prayers at the late residence, Victoria St., at 2 p.m. followed by service in St. Peter's Church, Rev. Guy Marsden officiating. Interment will be in Elmwood Cemetery.

100th Anniversary

Over 5,000 Attend Brome Fair Labor Day

Brome — (Special) — Over 5,000 people were estimated as attending Labor Day proceedings at Brome County fair yesterday, helping mark an all-time high record in the 100-year history of the fair.

Little was lacking in traditional Labor Day-Brome Fair celebrations, which took on an Old Home Week air as friends from all over the province attended the event. With the grandstand packed to capacity long before the afternoon program got underway, hundreds had to be turned away.

Favored by the weatherman for all three days, fair directors reported an all-round successful fair, and were exceedingly optimistic about the final day's program today when 35 entries are expected for the giant horse pulling contest, underway early this morning.

Entries are high in every class this year and an extremely good stock show, particularly in the cattle and horse sections was reported by committee chairmen.

Judges of this year's horticultural display announced that the exhibit of gladioli and other cut flowers was one of the best seen at any recent show in Eastern Canada. Some of the principal prize-winners were L. J. Allen, B. R. Mizener, Bert Phelps of Foster, William Chapman, H. W. Call, Sutton and Miss Cecile Darbe, West Brome.

Highlighting Monday afternoon events was a mammoth half-mile long stock parade before the grandstand. It was led by the Knowlton High School Band, conducted by Harry Long, while James Jolly acted as emcee.

First in the parade were saddle horses and ponies, followed by driving horses, and farm teams. Special attraction was a four-horse team owned by Marcus Blackwood, of Knowlton. Junior exhibitors followed with their burros, goats and dogs and Brome County Calf Club members led off the large cattle parade.

During the afternoon grandstand show, William Soles of Waterloo and Homer Salisbury, of Brome, the two oldest fair directors, were given special honor.

both afternoon and evening, while horse racing was held in the afternoon. Two races, one heat each, for \$150 purse were run off yesterday along with a free-for-all of two heats for a \$300 purse. Saturday and Sunday also saw racing events with two races, two heats each for \$300 held both afternoons.

Race judges were G. Gladu, J. C. Blackwood, Eddie Fleck, and Lucien Yvon.

Judging in most stock classes was completed last night. Jerseys and Holsteins were finished Saturday and the other breeds continued yesterday. Complete stock results will be announced later.

Other results are as follows:

In the Cooking, Mrs. Wesley Leavitt of Knowlton won the Sherbrooke Record special for her tray of miniature cooking, while Mrs. Baxter Williams of Foster won the F. W. Vilas special on collection of cooking. Mrs. M. B. Williams of Foster took the R. A. Savage special for bread and Mrs. Kenneth Miller, Knowlton, the Williams Hardware special on cherry pie.

Among other top prize-winners were Mrs. G. Hume and Mrs. Norman Sanborn, Knowlton, Mrs. G. C. Whitchee, Mrs. L. J. Allen of Foster, Gordon Marsh, Brome and Mrs. Ross Boyd, Fulford.

Mrs. Percy Honey of Foster won first in the best collection of vegetables, while other winners were B. R. Mizener, Gordon Marsh, G. C. Whitchee, L. J. Allen, Mrs. E. T. Bashaw, William Chapman, Mrs. Gillespie, H. S. Ball and Sidney Chapman and Son.

Time Study Course Opens Tonight At Local University

A series of time and motion study lectures will start tonight at the University of Sherbrooke, the lecturer being Dr. Jean-Paul Lesperance, professor of Industrial Management and also Director of the Time and Motion Study Laboratory at the University of Miami, Florida.

The lectures will start at 7:30 tonight and continue every evening until Sept. 11. The University officials report this morning that 84 persons have enrolled for the courses, of particular interest to industry.

These lectures will not be so technical as to interest only the few directly concerned with industrial engineering. They are designed to benefit management and labor alike, as well as the many whose organization and business is beginning to feel growing pains. The working language will be English.

The program of lectures sets ten chapters along the pattern used by the author himself in his well-known book on Economics and Techniques of Time and Motion Study.

Local Jews Plan Observance Of High Holy Days

With worship exercises and efforts at spiritual inventory, Jews throughout the world will fetter their High Holy days beginning at sundown Wednesday. The holy days, a ten day span, are devoted to religious self-examination. This period opens with the advent of Rosh Hashonah, the festival marking the beginning of the Jewish calendar year 5717.

The liturgy for Rosh Hashonah includes special prayers of penitence, stressing the theme of man's ability to better and improve himself. During the service on the morning of the New Year, the "shofar" or ram's horn is sounded as a call to conscience. At the dinner table, honey is served in token of the hope for a year of sweetness.

The Jewish Congregation of Sherbrooke, 531 Montreal St., will hold Rosh Hashonah services on Wednesday evening at 7 o'clock, Thursday morning at 8:30, Thursday evening at 7, and Friday morning at 8:30. Rabbi Eli B. Greenwald, of the Jewish Congregation, will deliver the sermon at each morning service at 10:45, immediately before the sounding of the shofar.

Record Beef Cattle Entries Mark Inverness Fair

Inverness — (Special) — Poor weather marred little the success of the annual Inverness Fair held here at the weekend as over 3,000 people, undaunted by heavy showers and overcast skies attended the two day event.

C. W. McVetty, secretary of the Megantic County Agricultural Society, sponsors of the annual exhibition, reported that entries were heavy in all classes, particularly in the cattle, where 350 head of Herefords and Durhams were shown.

Attendance for the first day, Friday was registered at 1,000 with the grandstand filled to capacity for the evening's entertainment. First day judging was confined to dairy products, ladies department and some livestock

Class V of the homecoming and preserves was one of the largest filled class of the horticultural department with a total of 394 entries. An outstanding exhibit of flowers and plants was also on display.

Cattle judging got underway Saturday morning, with judges hampered considerably by heavy showers. In the livestock division, 50 horses were registered, but entries in the swine, hog and sheep classes were fairly light, attributed mostly to the fact that Megantic County is primarily a beef cattle raising district.

Poultry entries were fair with around 50 entries. Forty-nine calves were also entered for the calf class.

The cattle parade was presented under overcast skies in front of the grandstand at three o'clock Saturday afternoon with over 1,000 people present.

Leading the parade were saddle horses, followed by the cattle which included eight herds of Jerseys, Holsteins and Ayrshires along with the beef cattle. Automobiles and trucks were also paraded by Plessisville dealers.

Judging of the Group Calf Club was held in front of the grandstand later in the afternoon. Don MacMillan, of Cookshire acted as judge of the beef cattle.

Saturday evening, special presentations were made to the two largest families on the grounds. First prize went to Mr. and Mrs. Arthur Bilodeau with their family of seven boys and seven girls while second was taken by Mr. and Mrs. Adrien Rodrigue with eight boys and five girls.

dance which closed the fair, a beauty contest was staged, ending with the crowning of the "Queen of Megantic County Fair."

John Hoy, assisted by C. W. McVetty presented each princess to the crowd. Participants were Miss Rilla Nugent, who was selected queen, Miss Rita Bolduc, Miss Yvette Gagne, Miss Marie Paul Cote and Miss Laurette Cote. Judges were members of the Montreal St. George Kiwanis Club.

HUNTINGVILLE—

Miss Jean Bowers returned recently from a seven week's conducted tour to England, Belgium, Germany, Austria, Switzerland, France and Italy. The group of 43 students visited many places of interest including Buckingham Palace, St. Peter's Cathedral in Rome, Venice, Paris and many other well known Old World cities. They travelled through the Bavarian Alps, ascended Mt. Blanc and took a boat trip down the Rhine.

Mr. and Mrs. C. H. Hunting have returned from a motortrip to Fredericton, N.B., where they visited their son-in-law and daughter, Mr. and Mrs. Sydney Carr.

Stolen Safe Recovered At Lennoxville

Provincial police over the weekend recovered a safe stolen from the home of Marcel Kirouac, 204 Mount Pleasant st. exactly a week ago.

The safe was found on the farm of Paul Proulx, on the old Huntingville-Lennoxville road. Sgt. Eugene Morin, of the provincial police said the safe contained papers and cheques when found in the woods near the farmhouse but that about \$40 in cash had been taken.

The safe was stolen Aug. 26 while the owner was at the Sherbrooke Fair. He reported that the 300 pound safe had been rolled from the house onto the sidewalk and into a waiting truck.

The provincial and municipal police are investigating.

Allegiance Slipping

Until recently, Canada's Liberal Government could count on several major Canadian newspapers for support in just about any set of circumstances.

The big break came on the pipeline legislation, when the majority of Liberal newspapers strongly opposed the Government's methods of pushing the bill through. This group included the big, brash, influential Toronto Daily Star, which for years could hear no evil, see no evil, speak no evil.

But the Star, its pipeline to Ottawa having sprung one leak, went out of its way recently to punch another hole in it.

Its target was the public-owned Trans-Canada Airlines, whose reputation for service, it suggested, was wearing a bit thin. Indirectly, it was another slap at the Federal Government, which has always pointed with pride to TCA.

Said the Star, in part: "... prosperity seems to have gone to TCA's

head. In recent years a number of annoying flaws in the service have become apparent. Ticket agents are not as affable as before. The whole system of reservations, though more streamlined, has lost a good deal of the personal touch. Nor is it as dependable as it used to be. One gets the unmistakable impression that TCA is far less solicitous about passenger goodwill these days. While it may be true that there is not enough business to support two airlines, there are often more people wanting to fly than TCA can take care of.

"TCA has kept up its high safety standards and is, on the whole, still a good air service. Yet those who travel regularly by air can't help wishing that TCA had either a little less prosperity or a little competition to make it more appreciative of the customer."

An interesting criticism of one of Canada's proudest transportation services and another interesting break in the Liberal newspaper chain.

Rundown Communities Lose Out

Recently, a United States town lost its chance for thriving prosperity because of its shabby, unpainted appearance and apparent lack of progress. The town council had interested an automobile manufacturing firm in a town site for a multi-million dollar assembly plant which would have employed 3,500 people. The real estate scout for the automotive firm admitted later that one of his company's reasons for rejecting the site was that many of the town's properties had not been painted for 25 years!

It would be interesting to know how many Canadian communities are guilty of having lost badly-needed industries because of such a needless reason. There is no doubt that most Canadian centres are anxious to attract industry. The more industries, the more employment opportunities there are for its citizens. The local per capita tax load is usually reduced. More money pours into the coffers of local businesses which in turn may

expand their premises and staffs.

Industry of course takes several factors into consideration before finally resolving where to locate. Is there a good water and power supply? Is the labor supply adequate? Are there suitable schools and churches? Several other factors are studied.

Suppose several communities possess equally suitable facilities, which one will be chosen as an industrial site?

As a veteran real estate scout from one large Canadian firm put it: "Considering all other things are equal, we would undoubtedly give the nod to the tidy, well painted and landscaped location. We believe the citizens of such a place are industrious, conscientious, and possess pride in their community. We feel they would make good employees and fine neighbors."

Has your community been bypassed by industry merely because it lacks a new paint job?

It's A Gamble

An excerpt from the book "Profits in Canada Securities" by Douglas P. Thomas has some rather interesting things to say about the so-called penny mining stocks.

In the first place, it advises those who look to penny stocks to stick to mines "where the race to big rewards is not so heavily weighted in favor of a large bankroll."

A fact that should be accepted is that you are gambling. "If you don't at least accept this fact — many don't — you're starting on the right foot."

Using as example the Province of Ontario which leads all other provinces in value of gold production, the author points a rather gloomy picture.

Of the 4,000 companies which have been incorporated in Ontario to develop gold properties, only five per cent — 200 — ever reached production. Only 73 earned enough even to pay mining tax to the government.

Only 51 paid dividends and a mere 35 were able to pay as much in dividends as it cost to get them to a producing stage.

Despite this gloomy picture, a high-profit potential exists in the "pennies," a profit that can best be realized if the following good judgment is used.

"Use only a set proportion of your funds in this type of speculation and get some decent information. If you are going to bet your money on the cats and dogs, make sure that your choice is at least alive and capable of running in the race. See if the company has money in the till, how much common stock has been issued and if there are any options outstanding. When you have made a mistake and bought a dead dog, don't be afraid to sell it and switch to one which has more signs of life."

Bygone Days

THIRTY YEARS AGO

From the Record of Sat., Sept. 4th, 1926.

A contract has been offered for the extension of the Canada Paper Co. mill at Windsor Mills at an approximate cost of \$149,000.

Harvesting operations through Western Canada have been set back considerably as a result of torrential rains which have caused considerable damage.

The British coal miners have granted the union officials full power to complete a settlement of the long-drawn-out coal strike.

Another international fisherman's race is expected this fall as Capt. Ben Pine, of Gloucester, Mass., has issued a challenge to the Canadian-owned world champion, Bluenose.

TWENTY YEARS AGO

From the Record of Fri., Sept. 4th, 1936.

Mussolini is holding a series of conferences with King Boris of Bulgaria in hope of bringing that country into an anti-entente alliance along with Germany and other Balkan powers. German manufacturers are protesting the compulsory military service order as endangering the whole productive system of the nation.

The fall of the Spanish Government stronghold of Irun in Northern Spain is believed imminent as the Rebel forces increase their pressure.

The committee in charge of the annual flower show in Farnham comprised Miss Irene Elmes, Mrs. A. Ingold, Mrs. R. G. Asch, J. Patterson, S. McPhail, H. Smith, and R. E. Inoe.

TEN YEARS AGO

From the Record of Wed., Aug. 4th, 1946.

Casualties resulting from the bitter Hindu-Muslim riots which took place on Sunday soared to 132 dead and 484 wounded today, following a night of sporadic fighting during which police several times opened fire to dispel the rioting mobs.

Hope rose in the long steel strike dispute as the government renewed talks with union officials. Representatives of the United Steel Workers of America (CIO) were scheduled to meet with Labour Minister Mitchell and officers of the department to discuss proposals which the government put before the Union last week.

Overzealous RAF Attempts To Save English Bathers

NEWQUAY, Eng.—(Reuters)—People who refuse to be rescued are embarrassing the Royal Air Force helicopter rescue service.

In one incident, a helicopter whirled over the beach near this Cornwall town, its crew scanning rocks and deserted stretches of sand for four persons reported stranded by the tide.

The crew spotted the four huddling against a rock surrounded by ocean.

"We've come to rescue you," the pilot shouted.

"We're all right. We don't want to be rescued," the four replied.

Just to make sure, one of the crew was lowered from the helicopter. No, the four did not want to be rescued.

So the embarrassed crew whirled back to base here. The four walked back to shore when the tide went out.

News of the incident brought chuckles to Britons who had enjoyed the recent story of a swimmer "rescued" by an over-zealous helicopter crew as he floated peacefully in the ocean.

The swimmer, 61-year-old James Henry Chatwin, said he had been floating for 30 minutes — "thoroughly enjoying myself" — when he saw a helicopter.

"It was not until it hovered over me that I realized I was to be the object of a rescue. I wondered whether to swim for the beach or be rescued."

"So I swam over to the man they lowered with the safety belt and from then on everything went swimmingly."

Britain's newspaper got hold of the story and the rescue crew's embarrassment was complete.

ment is not how Egypt is governed, or by whom, but essentially one of seeing to it that a tranquil and ordered flow of commerce goes through the Suez Canal without discrimination or extortionate dues, with the canal maintained efficiently.

To say that this can only be achieved by some particular hard-and-fast plan worked out in a few days in London hardly seems reasonable; and if Nasser or India or even Russia should have a substitute scheme (all are agreed basically that Egypt's sovereignty should not be impaired) it seems hard to believe that it would be rejected *holus-bolus* and summarily.

NEAT SWINDLE BAGS NO-TRUMP

When today's hand was played in the round robin of the Master Team Championship in the recent national tournament, my friend and associate Alfred Sheinwald engineered a neat swindle. He managed to make three no-trump when the opponents were cold for four spades! North's jump to three clubs was intended as a shut-out bid. Sheinwald's tremendous club fit made him realize that he could win a sizeable number of tricks at no-trump with reasonable luck. He therefore bid game in

BOY AT HEART

From the Winnipeg Tribune
A British doctor has attacked the hot bath. Writing in the British Medical Journal, Dr. S. C. Dyke denounced the hot bath as an anti-social habit that should be discouraged. He declared: "It is an obvious fallacy to think that frequent immersion in hot water has any hygienic value whatever." No matter what else he may be, Dr. Dyke is obviously a boy at heart.

BOMBERS OVER MONTREAL

(St. Thomas Times-Journal)
A few days ago 83 bombers of the United States Air Force flew over the city of Montreal with the consent of the municipal authorities and carried out bombing exercises. They didn't drop any bombs, no anti-aircraft gun was fired at them, and no RCAF fighters chased them back over the border.

About the same time a United States plane was shot down off the Chinese coast and 16 Americans lost their lives. The

Chinese claim the plane was flying over their territory, and make the excuse that it was a Nationalist plane from Formosa. No protest has been sent from Washington, and some Americans think the Air Force has something to hide, but the official attitude is that no representations will be made until the facts have been thoroughly investigated.

There is a striking difference between the two episodes. The United States could, if so minded, have double-crossed the Canadians, dropped a greater tonnage of bombs on Montreal than the RAF and other bombers dropped on Berlin or Hamburg during the last war; destroyed the usefulness of the harbor, perhaps blocked the St. Lawrence, and obliterated the business area of the city. Only one plane neared, or accidentally flew over the Chinese mainland, and the Chinese got panicky, and without giving warning, shot it down.

No sensible person would believe that the U.S. plane was on a militant foray, but such is the difference between nations living at peace, and living in a state of nervousness.

OBITUARIES

MRS. L. ARLINGTON ROYEA, OF SUTTON.

Mrs. L. A. Royea passed away on August 14th, at the B.M.P. Hospital in Sweetsburg, after a long illness. She was in her 65th year.

Born in Liverpool, England, Martha Doughty came to Canada when just a little girl and has made her home in and around Sutton since.

In 1912 she married Leroy Arlington Royea, of Sutton Jct., who predeceased her on September 16th, 1952.

Surviving are a son William (Bill), of Montreal, and a daughter Arlene, at home, also a daughter-in-law Dorothy, and two grand children, Billy and Cathy.

Prayers were said at Hastings Funeral Parlor followed by service in Grace Anglican Church, conducted by Rev. Brett.

The bearers were Royce Townsend, Henry Whitford, Lloyd Mandigo, Harvey Brown, Arnold Patten and Naaman O'Brien, all of Sutton.

The choir rendered two favorite hymns, "Jesus Lover of My Soul," and "Abide With Me."

Interment took place in the family lot in the Sweet Cemetery at Sutton Jct.

Many lovely floral tributes from relatives and friends paid silent esteem to a departed relative and friend.

Among those present were Mr. Gordon Russett and family, of Shawville, brother-in-law; Mr. and Mrs. George King, of Cowansville; Miss Edna King, of Carleton Place; Mr. and Mrs. Carl Royea and family, of Enosburg Falls, Vt.; Mrs. Lily Daniels and family, of Barton, Vt.; Mrs. Leon Gilbert and family, of Sutton.

STUART F. TAYLOR, OF DERBY LINE, VT.

DERBY LINE—The Boundary communities were saddened to learn of the death of another of its most respected citizens in the person of Stuart Frederick Taylor, of Derby Line, who passed away on August 22.

The funeral was held at St. Andrew's South church, Rock Island, where Rev. E. Geoffrey Tenneson, parish minister and Rev. E. H. Nickerson, of Manchester, Vt., a friend of the family for several years officiated. Mr. Nickerson referred to "The Taylor Ship" in speaking of the life of the deceased, in a very fitting way. Mrs. Winston Rollins, at the organ, rendered medleys of favorite selections before and after the service.

The pall bearers were, Arthur Palin, Newport; George Hayes, Morgan; Harry Goodall, Holland; Gordon Pocock, North Hatley; Wayland Ladd, John Webster, Roland Curtis, Winston Rollins, Derby Line; Ward Barrup, Morgan; Merrill Booth, Essex Jct.; Clarence Dubray, Newport, and Frank Johnson, Burlington, Vt.

The bearers were, Byron Ellis, Lawrence Tilton, Rock Island; Arthur Judd, Sr., Walter Curtis, Raymond Grow, and Lloyd Selby, Derby Line.

Interment took place in the Derby Line cemetery.

Mr. Taylor was born at Birchton, on November 22, 1887, the son of Frederick Arthur Taylor, of Birchton, and his wife, Gertrude McClary Taylor, formerly of Compton.

He received his education at the schools in Birchton, Hillhurst and Coaticook, graduating from the Sherbrooke Business College.

In 1908, Mr. Taylor came with his parents to Derby Line where they resided and operated a farm. In 1924 he entered the employ of H. W. Demick Inc., feed mills, later becoming a partner and business manager. He retired in 1953.

Mr. Taylor was twice married, on August 24, 1921 to Annie Brewer, of Holland, who with their infant son died on March 12, 1924. On September 25, 1929, he married Helen Livingstone of Newport, Vt., and to this union was born a daughter, Marilyn, Mrs. Rodney Barrup, of Morgan, Vt.

Mr. Taylor was a member of St. Andrew's South Church and for many years had worked hard for the best interests of the parish. He was a Deacon at the time of his death and a member of the Men's Own Society.

With his family he spent many happy summers at their cottage "Shady Nook" on Lake Seymour, where their friends were always welcomed as in their Derby Line home. Only a few days before his illness they entertained the Rock Island card club at their summer home.

Mr. Taylor entered the Orleans County Memorial Hospital in Newport on August 5, where he remained until his death a few days later.

days later.

The numerous friends who called at the Converse Funeral Home in Newport to offer sympathy, the gifts of money as a memorial fund to be used for cancer purposes through the Orleans County Memorial Hospital, and flowers, were all silent tokens of the love and esteem felt for this grand man who in life gave so much to others.

Mr. Taylor is survived by his widow, daughter and son-in-law, two sister, Miss Ethel Taylor and Mrs. Mabel Smiley, both of Lennoxville, and cousins.

Among those attending the funeral were Miss Taylor and Mrs. Smiley, Mr. and Mrs. Stanley Taylor, Mr. Reginald Taylor of Birchton; Mrs. William Parr, Sherbrooke; Mr. and Mrs. U. Livingstone, Orleans, Mass.; Mr. and Mrs. Clarence Dubray, Newport; Mr. and Mrs. Harold Abbott, Dr. and Mrs. Leigh Abbott, Orleans; Mr. and Mrs. Gordon Pocock, North Hatley; Mr. and Mrs. Lindy Pocock, Waterville; Mr. and Mrs. Frank Johnson, Burlington, Vt.; Mr. and Mrs. Merrill Booth, Essex Junction, Vt.; Rev. and Mrs. E. H. Nickerson and Jacquie, Manchester, Vt.

While the score favoured Waterloo by a considerable margin, it should be explained that a true Little League team must be comprised of players nine years of age up to 12. Sherbrooke did that, but Waterloo's team was made up of older boys, chiefly eleven and twelve year olds, and consequently much larger and much heavier hitters. About two hundred interested spectators roared their favourite on to victory.

Prior to the game, a parade was scheduled when all players of Sherbrooke and Waterloo were placed on an open truck with their coaches, and with a motorcade led by the Chief of Police toured the town. His Worship Raoul Deragon rode in an open car with president Joe Faucher, of Sherbrooke Kiwanis Club, and the Waterloo president Tom Wilkinson.

The first ball was thrown by His Worship with President Joe Faucher batting and president Tom catching, sharp single to left field resulted, and the battery was immediately pulled.

The youngsters playing for Sherbrooke were: Payette, Belanger, Bergeron, Thomas, Boutin, Boivert, Bourque, Bellavance, Rosenbloom and Provencier. For Waterloo the boys are Monty, Langevin, Malouin, Lewin, Sanschagrin, Graves, MacIntosh, Ott, and from Knowlton there were three boys, all members of the Knowlton team, namely Lapierre, Crandall and Worden.

His Worship Raoul Deragon rode in an open car with president Joe Faucher, of Sherbrooke Kiwanis Club, and the Waterloo president Tom Wilkinson.

The first ball was thrown by His Worship with President Joe Faucher batting and president Tom catching, sharp single to left field resulted, and the battery was immediately pulled.

The youngsters playing for Sherbrooke were: Payette, Belanger, Bergeron, Thomas, Boutin, Boivert, Bourque, Bellavance, Rosenbloom and Provencier. For Waterloo the boys are Monty, Langevin, Malouin, Lewin, Sanschagrin, Graves, MacIntosh, Ott, and from Knowlton there were three boys, all members of the Knowlton team, namely Lapierre, Crandall and Worden.

Special tribute at this time must be paid those men who have worked so hard to start

WATERLOO — The Kiwanis Club held a successful Gas Sale at the Imperial Esso Gas Station, operated by Maurice Lalumiere. Through the very kind offer and with the assistance of Dick Oulton, Imperial District Manager of Granby, a very successful weekend of gas sales was realized. All profit from this sale was donated by the Imperial Oil to the Little League Baseball of the Waterloo Kiwanis Club.

Members of the club were in attendance during the weekend, and one very special gas attendant was Emile Genest, who is possibly better known for the famous portrayal of Napoleon in the lovable TV presentation known as the Plouffe Family.

In keeping with the Little League theme, an exhibition game was played on the college grounds between the All Stars of Waterloo and the Kiwanis Little League of Sherbrooke.

While the score favoured Waterloo by a considerable margin, it should be explained that a true Little League team must be comprised of players nine years of age up to 12. Sherbrooke did that, but Waterloo's team was made up of older boys, chiefly eleven and twelve year olds, and consequently much larger and much heavier hitters. About two hundred interested spectators roared their favourite on to victory.

Prior to the game, a parade was scheduled when all players of Sherbrooke and Waterloo were placed on an open truck with their coaches, and with a motorcade led by the Chief of Police toured the town. His Worship Raoul Deragon rode in an open car with president Joe Faucher, of Sherbrooke Kiwanis Club, and the Waterloo president Tom Wilkinson.

IN MEMORIAM

LAROCHE—In loving memory of our dear son and brother, Wendell (Buddie) Laroché, who passed away September 4, 1953.

Deep in our hearts you will always stay.

Loved and remembered every day, No length of time can take away Our thoughts of you from day to day.

MOTHER, DAD, SISTERS, BROTHERS.

LAROCHE—In loving memory of our dear brother, Wendell (Buddie) Laroché, who passed away on Sept. 4, 1953.

Time takes away the edge of grief, But memories turn back every leaf.

Always remembered by, BROTHER, DONALD & FAMILY.

LAROCHE—In loving memory of my dear daddy, Wendell (Buddie) Laroché, who passed away Sept. 4, 1953.

September brings sad memories, Of my one gone to rest, He will always be remembered, By the one who loved him the best.

HIS DAUGHTER, GLORIA JEAN.

ASCOT CORNER — The death of a highly respected Ascot lady, Miss Margaret Green occurred at her home here on August 12th.

She was the daughter of the late Mr. and Mrs. John Green, of Spring Road, and had spent most of her life in this neighborhood.

Eight weeks before her death, a fall caused a fractured hip, and during that period Miss Green was confined to her bed.

The funeral service was held at St. Stanislaus Church, where requiem mass was celebrated by Rev. Father Morin.

The bearers were neighbors of the deceased: W. J. McCurdy, Lester Parnell, John Garfat, Rudolph Laliberte, Constant Talbot and Irene Blouin. Interment was made in the family lot at the Roman Catholic Cemetery.

Wardrobes For Back-To-School In New Materials

The smartest little girls in Canada will be going back to school soon in the most wearable, washable and colorful wardrobes yet devised. Constant improvements in the production of Canadian man-made fibres and finished textiles have developed school day clothes to delight the hearts of juvenile fashion plates and their mothers alike.

Heading the class this fall will be a wonderful variety of dresses, jumpers and skirts in sturdy, wrinkle-shedding blends of acetate and viscose fabrics in gay plaids, checks and tweedy designs. These hard-wearing fabrics get plus marks from mothers for their ease-of-care, being completely washable and shrink-resistant.

Arnel, the newest of the man-made fibres takes top honors in the blouse fields. Now available in a number of different weaves that require a minimum of ironing, the Arnel fabrics tailor crisply and maintain their fresh good looks through endless washings.

Washable Arnel taffeta appears too in party dresses with rustling full skirts and built-in petticoats that are guaranteed to be completely tubbable.

Styling of the newest crop of clothes for young fry is a fashion education. Canadian children's wear manufacturers display marvellous ingenuity in their use of fabrics and their interpretations of high-fashion points in clothes for little sisters.

Hidden seams and generous hems allow for the mysterious growing powers of little girls. Some manufacturers specialize in styling for "chubbies" with extra fullness and expanding elasticized waistbands. There are many fashion features designed to give clothes double-duty qualities such as completely reversible pleated skirts, said to be extremely popular with the very young set.

Acetate taffeta is also used in dress-up skirts with the reversible feature. Some are flare cut with, for instance, navy taffeta on one side and a complete red taffeta underskirt that can also be worn outside.

If someone asks you how much money you earn and you feel that it's none of his business evade the question if you can or just simply refuse to answer. You're right—it's none of his business.

BISHOPTON—

The Ladies' Guild met at the home of Mrs. T. MacDonald with Rev. G. Robins opening the meeting with prayer. The president, Mrs. M. Davis, was in the chair. The business consisted of pricing a number of finished articles and donations. There was discussion as to having the church organ repaired and the kneeling benches covered. Proceeds of the meeting including articles sold amounted to \$20.31. The next meeting will be with Mrs. Robins at East Angus, the date to be decided later.

Mr. and Mrs. Austin Joyce have returned to their home in West Springfield, Mass., after visiting Mrs. Joyce's brother, Mr. F. L. Gilbert and Mrs. Gilbert, Mrs. S. J. Pringley and Mr. W. Pringley of Bury, were visitors at the same home.

Mrs. Maude Howden, of Ormstown, Mr. Arthur Howden and Bobby, of Montreal, spent a few days with Mr. and Mrs. O. S. Joyce. Mr. and Mrs. Joyce recently spent a few days with Mrs. E. Chamberlain in Rock Island, and while there attended the Rotary Fair.

Mrs. J. Carrigan and grandson, Billy, of Glasgow, Scotland, Mr. and Mrs. D. J. Carrigan of Ville St. Laurent, and Miss Irene Porter of Valois, were weekend guests of Mr. and Mrs. Mark Porter.

Mrs. Horace Ainsworth and Mrs. O. Downes entertained at a kitchen shower in honor of Miss Thelma Gilbert at the former's home. About 25 relatives and friends were present and Miss Gilbert received many lovely and useful gifts. After they had been opened and admired, Miss Gilbert thanked her friends for the lovely gifts. The remainder of the afternoon was spent playing games. Lunch was served by the hostesses, assisted by Mrs. Linton Westman and Miss Irene Porter.

Recent guests of Mr. and Mrs. A. D. Smith were Mr. and Mrs. J. T. Johnson, Barre, Vt., Mrs. Harvey MacRae, Miss Jean MacRae, Scotstown, Mrs. E. Desmond, Newton, Mass., Mrs. M. Beliveau, East Angus, Mrs. B. Graves and Mrs. D. Harris, Northampton, Mass., and Mr. Henry Nicholson, of Gould.

Woman Couturier Heads National Association

MONTREAL — Marie Paule, a Canadian-born couturier who has won international fame, has been elected president of the Association of Canadian Couturiers to replace retiring president, Raoul-Jean Fourie.

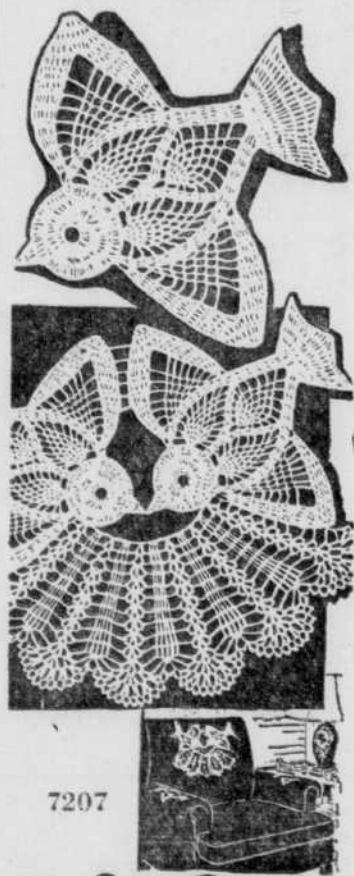

Other officers chosen at the annual meeting of the Association were: D'Anjou, vice-president; Germaine et Rene, secretary; Marie Antoinette, treasurer. Mr. Fourie, who had headed the group since its inception more than two years ago, becomes Public Relations Officer.

Marie Paule was born and educated in Montreal and has operated a successful haute couture salon there for 20 years. She assumes leadership of the ACC at a time when planning is underway for presentation of the third annual Fall collection.

The Association of Canadian Couturiers was founded for the purpose of better acquainting the Canadian public with the high quality of Canadian fabrics and fashions.

During the past two seasons members of the Association as a group in conjunction with Canadian fibre and fabric producers, staged successful showings of their designs in Montreal, Ottawa, Toronto, London, Ont., Niagara Falls, Vancouver, New York, Paris, Brussels and Milan.

'Meal-Ticket' Marriages Are Few And Far Between

By RUTH MILLETT
"Let's face it. All most women marry for is a meal ticket," says one of my more cynical male correspondents.
Let's face it—that man is at least 25 years behind the times.

Just a glance at statistics will show him that more than half of the women who are working today are married women.

They are earning their own meal tickets. And on top of that they're cooking the meals.

A great many of the young girls who are marrying today are getting excellent meal tickets for the future simply because they are ambitious enough to put their husbands through college, or are holding down a job while their husbands are taking the first slow steps up the ladder of success.

Still others are busy helping their husbands build up small businesses.

If, in the future, they have a good meal ticket for life it is because they worked hard for a husband's advancement and success.

Not many young women today have to marry in order to have a meal ticket. It's too easy for a woman to get a job these days and bring home her own bacon.

So women today aren't marrying for meal tickets, but for love, companionship and the hope of a family.

But some of my women readers do claim that a lot of young men today AREN'T marrying any woman who isn't willing to help provide a meal ticket by holding down a job after marriage.

GILMAN'S CORNER—

Recent guests of Mr. and Mrs. T. Cook included Mrs. Marcelle LeBlanc and son, Miss Dora Cook and Mr. and Mrs. William Whitling and family, all of St. Johns.

Mrs. W. Austin Lee and daughters, Audrey and Angela, spent a week at Lake Memphremagog, as guests of Mr. and Mrs. Donald Cousins, at their summer cottage.

Mr. E. J. Persons, of Sweetsburg, has recently built an airstrip on the Sunnymead Farm, where private planes can land.

Serious damage was caused at Mr. E. J. Person's gravel pit, when an explosion occurred, caused from a spark from a blowtorch igniting some oil in one of the buildings at the pit. One building was completely destroyed, as well as a compressor and other machinery. The Cowansville fire brigade was called to the scene.

Recent guests of Mr. and Mrs. Howard Jones were Mr. and Mrs. Ray Jones, of Orillia, Ontario. Mr. and Mrs. William Campbell and two children, of Brownsburg, were guests of Mr. and Mrs. Austin Lee.

They're all as near as your telephone

IT'S NICE TO KNOW — especially when you are alone at night — that you have only to pick up the telephone to summon the police or fire department — call the doctor — ask neighbors or friends for help.

The speed and dependability of the telephone and of the operators behind it not only mean prompt help in emergencies large and small, but a comforting sense of security through all the hours of day and night.

In time of need, no dollars can measure the value of your telephone.

Chrysler Windsor 4-Door Sedan

Chrysler Windsor Newport

Quite frankly, you're going to find that the actual cost of a beautiful, expensive-looking Chrysler is far, far lower than you ever imagined.

Low enough, as a matter of fact, to change your mind rather quickly, if you have been thinking of buying any other car.

For among the pleasant surprises the Chrysler has for you are many built-in conveniences which are classified as "extra equipment" on most other cars. For example, padded instrument panel, back-up lights and Chrysler's push-button PowerFlite automatic transmission are just a few of the additional conveniences which are standard equipment and, of course, cost you nothing extra when you purchase this superb motorcar.

Your Chrysler dealer is in an excellent position to put you into this great car. You'll find it advantageous to see him now.

Athletics Drop 13-7 Decision To Trois Rivieres In Close Battle

Jim Chambers Former Western Star Notches Lone TD For Visitors While Jim Fearnely Gets Locals' Marker

Experience and breaks played a big part in the defeat of the Sherbrooke Athletics at the hands of the strong Trois Rivieres squad 13-7 in a regular fixture of the Eastern Section of the Q.R.F.U. The win moved the Braves into undisputed possession of first place as they knocked over the Quebec Bulldogs 30-0 Saturday.

The Athletics held their own with the strong crew from Trois Rivieres which had experienced players from Montreal in their lineup. Jim Chambers, who performed in the Western Interprovincial League last season, posted the only touchdown for the visitors while playing coach Ed McLeod booted two field goals while his third accounted for a rouge. For Sherbrooke Jim Fearnely streaked across from the sixty-yard line for the lone marker. Pete Baird made the convert.

At the end of the first quarter both teams failed to tally although they had good opportunities. The Athletics held on their own one-yard line twice in a row and then took over. A roughing penalty to the visitors moved the ball to centre field. A Warner-Anderson pass put the locals in the Braves' territory. Pete Baird got away a beautiful drop-kick but it hit the cross bar and fell back into the field of play. It was a tough break for the Berwick squad who were holding the upper hand at this point.

A 25-yard placement by Ed McLeod accounted for the first points. This seemed to give the Braves a little extra drive and they moved down the field on a series of bucks. The visitors were called for offside and after a kick Sherbrooke moved up the field on a Warner-Fearnely pass which was good for 35 yards. After a couple of running plays the locals booted but it was too long and was ruled out on a ground rule.

After the opening whistle in the third quarter the Braves struck quick with Gallety pulling in a pass from McLeod which was good for 25 yards. On the next play McLeod heaved one to Jim Chambers deep in the end zone and the Trois Rivieres crew were out in front 9-0 as the convert went wide.

Sherbrooke came up with a series of passes to move down the field. Jim Fearnely intercepted a pass and moved to Quebec's 15 yard stripe before he was pulled down. A roughing play was called on Parks and the As were in possession on the

Redlegs Getting Tough, Just Won't Die; Split With Braves As Dodgers Divide With Pirates; Yanks Win Two

The Cincinnati Redlegs are getting downright uncooperative in that National League pennant chase. They just won't die. They refused to be measured in the Labor Day doubleheader at Milwaukee. They blew a 2-0 lead and lost the first game 3-2. Then they blew a 2-0 lead in the nightcap, but bounced back to pack it away on Ted Kluszewski's 34th home run and a long-haul relief job by Brooks Lawrence that beat the Braves 7-5.

The split kept the Redlegs within 3½ games of first place Milwaukee and in a second place tie with Brooklyn, which split a pair with Pittsburgh. The Dodgers rallied to take the opener 4-3, but then got beat at their own game as the Pirates pulled a squeeze bunt to win the nightcap 3-2.

The other twinnings also were split. St. Louis defeated Chicago's Cubs 4-2, then lost 8-0. And Philadelphia smacked the New York Giants 5-1 before losing 2-1.

In the American, Baltimore's Orioles kept Mickey Mantle homeless—putting him even with Babe Ruth's record 60-home run pace in 1927 with 47 in 133 games—but lost a doubleheader to the New York Yankees 6-1 and 5-0. Second place Cleveland slipped 8½ games behind, losing 5-2 in a morning game at Kansas City, then winning the afternoon contest 2-1.

Chicago's White Sox split with Detroit, losing 11-8 and winning 5-3. Boston walloped Washington twice, 7-5 and 16-0.

Frank Robinson hit his 36th home run, two shy of the rookie record, for the Redlegs in the opener, but Hank Aaron busted his 22nd and 23rd for a two-all tie. Joe Adcock then broke it up in the ninth with a run-scoring single and Lew Burdette had his 18th victory.

Cincinnati rocked 16-game-winner Bob Buhl early in the nightcap and Klu then packed it away with a two-run sock in the fifth. Lawrence came on in the third to win his 18th.

A double by Sandy Amoros broke a three-all first game tie for the Dodgers in the eighth against Bob Friend, but the 15-14 righthander then came back in relief to save the second game decision for Eloye Face. Dick Groat's eighth-inning bunt squeezed home Lee Walls.

Johnny Kucks' 18th victory was a cinch in the Yankee opener after Yogi Berra hit his 24th and

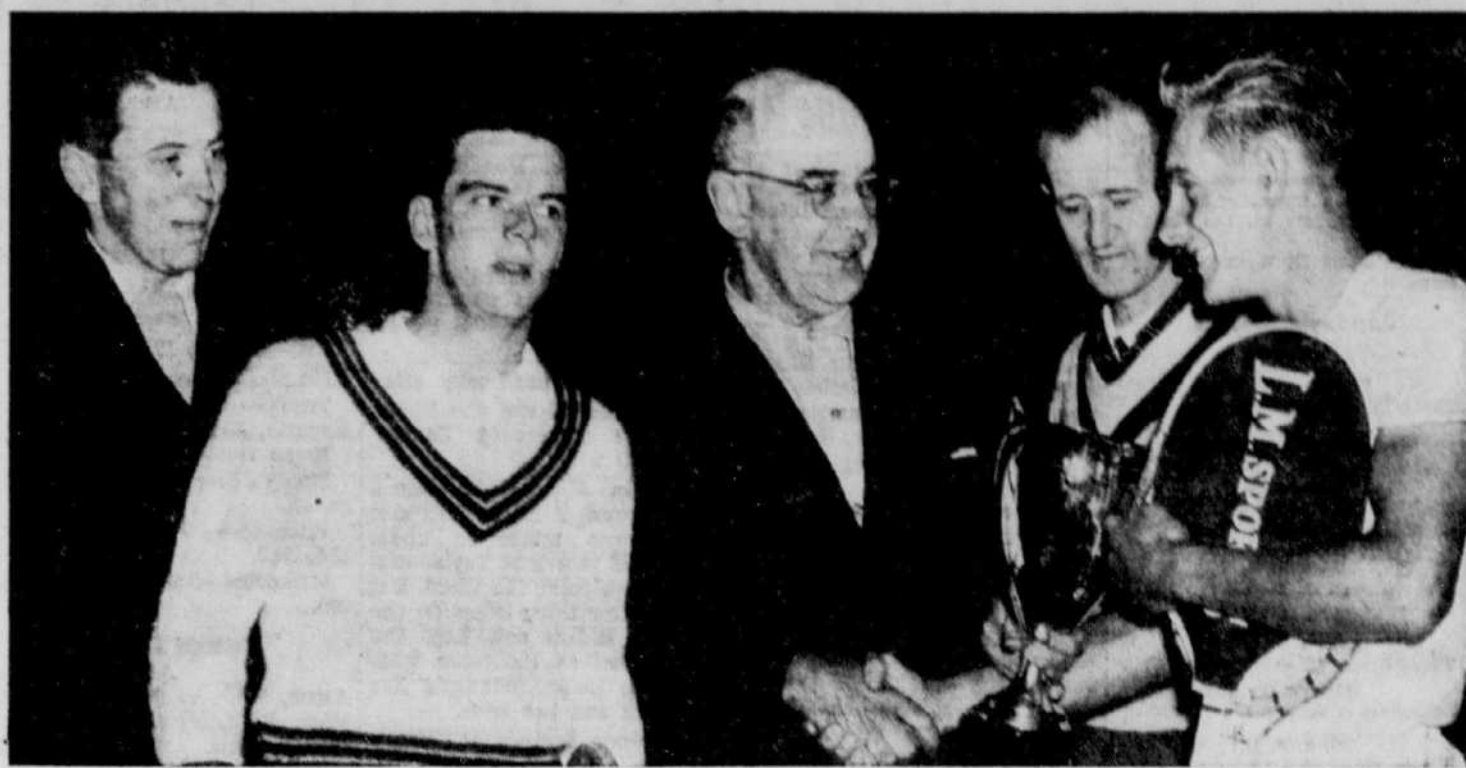

Dodgers Sign Ralph Branca

BROOKLYN—(P)—Brooklyn Dodgers, suffering from an acute pitching shortage in the late stages of the National League pennant race, Monday signed one of their former mound stars, Ralph Branca, as a free agent.

Branca, who was the Dodgers from 1944 to 1953, has been out of organized baseball since last season, when he had a 3-3 record with Minneapolis in the American Association.

Now in the advertising business, Branca offered his services to the Dodgers a short time ago and showed enough in working out with the club that he was given a contract.

Guy Durocher Wins Sherbrooke Record Trophy

COPS E.T. SINGLES CROWN — Guy Durocher on the right, is seen receiving the Sherbrooke Record Trophy from Len O'Donnell, Sports Editor, for winning the singles championship when he defeated Pierre Lambert of Victoriaville in the finals. On the left is Claude Metras, member of the committee, Pierre Lambert, Len O'Donnell, Jean de Lescluc, chairman of the match committee, and Guy Durocher.

Miss Jeannie Cote and Guy Durocher made a clean sweep of the Eastern Townships Tennis Tournament winning 3 crowns each.

Guy Durocher copped the Sherbrooke Record Trophy for winning the singles and teamed up with Roger Roy to take the local player possessed too many good strokes for his younger opponent who fell apart after losing a few close calls. Lambert was leading at the time but Durocher was quick to take advantage of the breaks and went on to win.

Lambert quit following these close decisions which were good, and from then on just wasn't in the game. Durocher on the other hand was going all out and was placing some good drives and his service was clicking.

Miss Cote was obliged to come from behind to win her title with Monique Joyal. Last year's defending champion posted a 6-2 win in the opening match but

she came out on the short end of the count in the next two as Miss Cote posted 6-2, 6-1 victories.

In the ladies doubles the combination of Cote-Gregoire was obliged to go all out before they won over the Chevalier sisters. The first set went 6-4 and in the second it was a close battle the whole way with the Chevalier sisters dropping a close 7-5 verdict.

Digs Into Ash Can To Find \$976 Ticket
CHICAGO—(P)—Several hundred persons—including Sam Shein of Chicago—gathered around two trash cans Monday at Washington Park race track looking for \$976.

That amount represented the worth of a daily double ticket absent-mindedly tossed into the receptacle by Shein.

"I had seven combinations going on the double," said Sam, a newspaper distributor "and in the excitement of having the winning one—Yea Bama in the first race and 50-to-1 Age of Consent in the second—I tossed away the wrong ticket."

After Age of Consent came through, Sam suddenly discovered his error and began going through the trash can like a gopher digging his hole.

A crowd of several hundred soon gathered, eager to help. Ushers helped to empty the cans. Finally things got to such a high pitch that Sgt. Paul Nolan, in charge of the track police, took charge.

After wading through cigar butts, hot dog wrappers, etc., Sam finally found his \$976 ticket and waved it high while the crowd cheered.

The former University of Southern California weight man, now with the air force, tossed the shot 62 feet, three inches on his first try and 62 feet even on his second.

The Olympic record, also held by O'Brien is 57 feet, 1½ inches set at the 1953 Olympic Games.

The four westerners teamed up with Montreal's Diane Matheson, 19, to win the 400-metre relay in Canadian record time of 47.2 seconds. The old mark was 47.8.

It was the first time the four, slated to go as a team to Olympic

Games, had raced together.

Alouettes Edge Rough Riders 22-20 While Tiger-Cats Dump Argos 31-21

23,014 Watch Thriller As Als Are Forced To Come From Behind; Fumble And Interceptions Costly To Argos

It might be mentioned in passing that Montreal Alouettes and Hamilton Tiger-Cats are running one-two in the Big Four football season as usual, but take a look at those attendance figures. The fans are practically busting down the gates to see their heroes.

The mighty Als squeaked past Ottawa Rough Riders 22-20 Monday to make it two straight in their home-and-home Labor Day series after plating Riders 42-10 at Ottawa Friday. Ticats stayed right in line, defeating Toronto Argonauts 31-21 Monday at Hamilton, following up their 18-0 run-away victory at Toronto last Wednesday.

Als now have six points, two up on Hamilton. Ottawa is still looking for win No. 1.

Two attendance records have been shattered and 23,801 football-happy fans stayed through a driving rain at Toronto last week, the biggest crowd for a league game in that city since 1952.

Then a record 17,870 fans crammed Ottawa's Lansdowne Park on Friday and Monday an all-time record crowd for Hamilton was set when 20,795 persons were shoe-horned into Civic Stadium.

A near-capacity 23,014 fans thronged to McGill Stadium Monday to watch the Riders-Als game.

The Als had to come from behind to keep their win record intact at three victories and no defeats. Ottawa took a 7-0 lead in the first four minutes, ended the quarter in a 7-7 tie and then nudged in front 13-7 in the second before the Als came up with two touchdowns to go ahead for keeps.

Behind 21-13 in the fourth, the rampaging Riders closed the gap to 21-20 when end Bobby Simpson intercepted a pass on the Montreal 41 and on the next play quarter Hal Ledyard let go a long touchdown pass to Joe Burton.

Riders kept pressing but brilliant Hal Patterson intercepted a pass and ran back 51 yards to snuff out the Ottawa threat. The Montreal touchdowns were scored by Patterson, Pat Abbruzzi and Bob Pascal. Bud Korchak kicked the converts and Tex Coulter added a single with one second remaining in the game.

Tom Lewis, Karl Hilzinger and Burton went over for Ottawa touchdowns. Don St. John kicked two converts.

Lured by glamor boy Ronnie Knox from UCLA, fans swarmed to Hamilton's Civic Stadium. And the 21-year-old quarter didn't show too much. He was used only briefly on offence and Menan Schriewer got behind him in the Toronto end zone to snare a touchdown pass.

It was a tough debut for quarter Arnie Galiffa, former all-American chopped by British Columbia Lions and rushed into the breach when Argonauts lost quarters Tom Dublinski and Gerry Doucette through injuries. He completed 25 of 49 passes, three of them for touchdowns, but a fumble and three interceptions

passes were turned into Ticat touchdowns.

Tex Robinson paced the Hamilton offensive with two touchdowns. Hal Waggoner and Howard Schnellenberger scored the others. Steve Oneschuk accounted for six points on two converts, a field goal and a single and lanky Cam Fraser added a single.

Earl Blair took two of Galiffa's passes for touchdowns in the fourth quarter and Schriewer got his in the second. Mike Falls kicked the converts.

Swaps Wins In Easy Fashion At Washington

CHICAGO. —(AP)— Swaps easily won the \$142,700 Washington Park Handicap by about 2 1/2 lengths Monday over Summer Tan.

Sea O Erin was third and Sir Tribal was fourth in the field of six Swaps, ridden by Willie Shoemaker, covered the mile at Washington Park in 1:33 2-5, only 1-5 second off his own world record speed mark. It was a track record, topping the old one of 1:33 4-5 set by Bernwood in 1951.

The victory was worth \$85,750, boosting Swaps' total to \$848,900 and a record which includes 19 wins in 25 starts.

The total pushed Swaps above Native Dancer and Armed on the all-time money-winning list. Nashua, Citation and Styrim are ahead of him.

Lake Ontario Is Conquered By Water Skiers

TORONTO. —(AP)— Lake Ontario was thrice conquered Sunday by water skiers from St. Catharines. Ron Pay made the 32-mile trip to Toronto skiing backwards. After a short trip he returned to St. Catharines on one ski.

Frank Barnard, 25, and Doug Crowther, 22, both came to Toronto on one ski but were so tuckered out they couldn't make the return trip. The one-way trip took them 90 minutes.

Toronto Beaches Topple Rochester 49-13 To Move Into Tie For Top Spot In ORFU; Sarnia Posts Win

The role of league doormats to other clubs in the Senior Ontario Rugby Football Union appear to be over for Toronto Beaches. The east end Toronto club is perched on top of the standings with Sarnia's Golden Bears and they could be tough to topple.

The club, reorganized and strengthened by addition of American and former Big Four players, joined the Bears at the top with a Labor Day 49-13 victory over the Rockets at Rochester. It was the first time that Canadian and American teams have met in a league game in the U.S.

The decision gave Beaches a perfect two-for-two record and the Bears made it two for three by defeating London Lords 25-12. Two days earlier Sarnia toppled the 1955-56 league champions,

Kitchener-Waterloo Dutchmen, 26-21.

Beaches, who earlier in the season edged Sarnia 22-21, had an easy time at Rochester. Their defensive team intercepted seven passes and picked up two Rocket fumbles and the offensive team took over to turn seven of these into Beach points.

Maurice O'Callaghan lead Beaches with two touchdowns. Sarnia found things much tougher in the Saturday-Monday games. They came up with two final-quarter touchdowns to beat the Dutchmen Saturday and scored two six-pointers in the last minute of play to down London Lords Monday.

Ottawa-born Matt Robillard was the big gun in both victories with four touchdowns—two in each game.

Edmonton Maintains WIFU Unbeaten Record With Touchdown Two Plays After Final Gun; Riders Stop Lions

A touchdown two plays after the final gun Monday night kept Edmonton Eskimos' unbeaten streak in the Western Inter-provincial Football Union intact.

The converted touchdown enabled Esks to come from behind and defeat Winnipeg Blue Bombers 21-20.

The result left Winnipeg, Saskatchewan Roughriders and British Columbia Lions tied in second-place with four points, four less than Edmonton. Calgary Stampeders are in the cellar of the five-team loop with two points.

At Regina Monday the Riders wiped out a 10-point deficit and trounced British Columbia 24-10. The Stampeders defeated Saskatchewan 27-17 in Calgary Saturday night.

A crowd of 15,000 Edmonton fans saw the weird finish that kept Esks unbeaten record intact.

Late in the fourth quarter Esks got possession on their own 42-yard line after a Bomber kick. Quarterback Jackie Parker threw four straight completed forwards.

That put Esks on the Winnipeg 17, and on the last play of the game Parker threw another pass to halfback Rollie Miles.

End Bill Walker of Edmonton caught the ball when it was deflected. As the gun sounded, the officials ruled illegal interference against Winnipeg, nullified the pass and called for another play.

Parker passed again and it was no good. But the officials ruled the Bombers were offside and ordered another play. The two penalties had moved the ball to the Winnipeg five. On the second play after the gun sounded Parker passed to Normie Kwong to tie the score at 20-20.

Needles Retires For Season

ATLANTIC CITY, N.J. (AP)—Owned by the D. and H. Stable Kentucky Derby winner Needles was retired for the season Monday and will be pointed for the \$100,000-added Widener Handicap at Hialeah Park in Florida next winter.

Trainer Hugh Fontaine said the Florida-bred colt "needs a rest from his busy campaign," but that there is nothing wrong with the three-year-old star.

Needles is the leading candidate for three-year-old championship honors, having won four races of \$100,000-added value the Flamingo at Hialeah, the Florida Derby at Gulfstream Park, the Derby at Churchill Downs and the Belmont Stakes in New York.

Johnny Longden New World Riding Champion; Registers 4,871 Wins To Pass Sir Gordon Richards' Mark

DEL MAR, Calif. — (AP) — On a day "way back in 1927" a willing but completely anonymous young jockey rode a horse with incredible name of Hugo K. Asher for a win at the fair grounds at Salt Lake City.

The exact date is obscure, the event most inauspicious, but the rider, a man named John Eric Longden, has come a long way since that afternoon.

For today Johnny Longden, almost 30 years later and some 25,143 trips aboard a horse around a race track, has won more races than any man in the history of the thoroughbred sport.

The galloping grandpa, 46-year-old Johnny, moved into the all-time winner's circle in dramatic manner here Monday when he tied and then surpassed the international record held by England's Sir Gordon Richards.

The mark was 4,870. It had held firm since Sir Gordon, now an old friend of Longden's, retired in 1964.

Monday America's Sir John hung up a riding triple, climaxed with win No. 4,871 registered in sensational fashion in the feature race of the holiday weekend, the \$33,350 Del Mar Handicap.

Longden scored on Mr. and Mrs. Dick Griegorian's Arrogate for the second straight year in the Del Mar feature.

He started the day with two to tie and three to break Sir Gordon's record. He advanced a notch in the second on a favorite, Dennis.

Then Longden tied Sir Gordon aboard a third choice horse, Big Rush, in the fifth, for a \$15.70 payoff.

But Johnny got nosed out in his next mount in the seventh, and came the eighth, Arrogate took the issue by a nose over Ho. neys Alibi.

Mrs. Longden, son Vance, a trainer, (of Big Rush, if you please), son Eric, daughter Andrea, granddaughter Roddy, aged 2, all swept into the winner's circle, along with a host of jockeys, track officials and one unidentified holder of a \$2 ticket on Arrogate.

"I'd say it was a great day all around," said Longden, adding with a wry smile, "a real long way since the crackers and cheese."

He has won in purses some \$15,600,000. He has won 4,871 races. He has earned all he has, which is a large bank account, a fine home, a fine family.

Next week he flies to England to ride Calgary Court, owned by Mav Bell and Alberta Ranches of Canada. Canada is where Johnny's folks came when he was just a kid, to Taber, Alberta. There young John was destined for a career as a coal miner.

He took the horse route instead. And came a long way strictly on the ability of the new all-time king of winners, John Eric Longden.

If you are in the least bit of doubt as to whether to hit a brassie—use the three wood.

The spoon gets most of the fairway business of the leading players.

This is because the three wood does not require as good a lie as the brassie. Because of the greater loft of the face of the club, the spoon will sweep the ball off a close lie where in using the brassie you would have to hit a perfect downward shot certain to contact the ball before touching the turf.

The three wood is for distances of from 210 to 225 yards. The ball is played closer to the middle of the feet than with the brassie and with a slightly closed stance.

Start the backswing low and slowly. Shift the weight to the right side. Delay cocking the wrists until the hands are leaving the waistline hitting zone.

There is terrific wrist action on the downswing as the clubhead is whipped through the hitting zone. The weight transfer to the left side has begun as the arms become horizontal. The

right hip is out of the way as the wrists begin to uncock. The straight line formed by the left arm and clubhead is pronounced at the point of impact.

NEXT: Vic Ghezzi on the four wood.

Olympic Group Short \$10,000

TORONTO.—(C)—Jim Worrall, vice-president of the Canadian Olympic Association, said Wednesday the association is short about \$10,000 of the \$216,000 needed to finance Canadian winter and summer Olympic teams.

Tuesday the association was short \$20,000 but \$10,000, set up originally as part of the prize money for swimming a marathon across Lake Ontario, was donated to the COA by the Lake Ontario marathon swim committee when none of the 10 swimmers finished.

Worrall said it will cost about \$185,000 to send a 90-member Canadian team to the summer Olympics opening in Melbourne in November. The winter Olympics called for \$31,000.

CAHA Wants \$75,000 To Send Team To World Hockey Championship In Moscow This Winter To Regain Title

KITCHENER, Ont. — (C) — Wanted, by the Canadian Amateur Hockey Association: \$75,000 towards expenses of raising, training and sending to Moscow next winter a full-time team to regain from Russia the world hockey championship.

Kitchener-Waterloo Dutchmen lost to Russia last year the title Penticton Vs had won in 1955.

Sports editor Len Taylor of the Kitchener-Waterloo Record quotes CAHA secretary-manager George Dudley as saying:

"Some time ago we had an application from an advertising agency for information about the event for a possible sponsor. I expect we shall have an announcement to make by next week."

Taylor's column says a CAHA executive meeting in Toronto three weeks ago, which produced little news at the time, decided to conduct a country-wide drive for funds should no sponsor be found. The \$75,000 was in addition to what the team might earn in pre-championship exhibition games.

Canada's team, the column says, is to be recruited from throughout the country and to comprise players prepared to devote the whole season to training, playing and other preparation.

"The team will assemble in Vernon, B.C., home of the Allan Cup champions, and will train there for about three weeks."

"Then it will work its way across the country, West to East, playing exhibitions here and possibly in the United States . . ."

"At the moment W. F. Bunny Ahern, president of the European Ice Hockey Federation, is busy lining up a 16-game tour of Europe for the team prior to the competition."

Actually the decision to send a team has not been confirmed and will not be settled until the matter of money is clearer. But it is evident the CAHA now expects there will be an entry and is going ahead on that basis.

Nominations for players would be sought from all Senior A and Junior A coaches throughout Canada, and the CAHA was prepared to draft any player wanting to try out if it feels he is of the calibre required.

Never needs painting to preserve it!

A cow's best friend

Any self-respecting cow likes to know that the precious food product she supplies is handled with greatest care so it will reach her customers fresh and pure.

From the dairy farm to your doorstep, aluminum is aiding the hygienic handling and processing of dairy products. Milk pails, cans and churns... tank trucks and dairy equipment... hoods for milk bottles and foil for butter and cheese... all are of aluminum. This modern metal's smooth surface prevents contamination, is easily kept shiny-clean. And it does not "pick up" foreign flavors or odors. As one European authority has said, aluminum and milk are made for each other.
