## SALVAGE DRIVE MAKES APPEAL FOR OLD TIRES

Also Seeks Discarded  
Tubes and Other Ar-  
ticles Manufactured of  
Rubber

The Westmount Salvage Committee is this week making a special appeal for old tires, tubes and practically all other discarded articles manufactured of rubber, one of the most vitally needed materials in the country's war production effort. Residents are urged to place them along with their garbage cans for collection on garbage removal day. Besides tires and tubes, worn-out hot water bottles, rubber gloves, etc., are of great value.

Officials of the campaign point out that the war in the East has brought about a great shortage of this material and ask that the campaign this week receive the greatest possible support from residents.

The use of rubber is essential in the manufacture of equipment for mechanized warfare. Unlike most other products, it does not deteriorate with use and when re-processed becomes as good as new.

There are, however, certain articles containing rubber which are of no value in war production and residents are asked not to collect rubber hose, rubber boots, etc. In such articles separation of the rubber from the cloth and other materials used has been found to be impractical.

City officials pointed out yesterday that residents were co-operating fully in the campaign and feel assured that it will be a marked success. They urge that all residents search their homes thoroughly for unwanted rubber goods. In instances where particularly large amounts of rubber are recovered the city will send a special truck for its collection.

The drive last week, when emphasis was laid on the collection of bottles and broken glass, was a marked success, officials of the salvage campaign stated at the City Hall yesterday.

## WOMEN, STRUCK BY CAR, ESCAPE SERIOUS HURT

Vehicle Becomes Out of  
Control and Strikes Pe-  
destrians on Sidewalk

Two women narrowly escaped serious injury when they were struck by an automobile which had become out of control, while they were walking on the sidewalk opposite 4465 Western avenue, at 3.10 p.m. on Saturday.

The women were Mrs. Thomas Sullivan, 69, of 251 Melville avenue, and her sister, Mrs. Emma McGuire, same address. The automobile, driven by Thomas Sheehan, of 4376 Old Orchard avenue, skidded on an icy surface of the road as it was proceeding from west to east on Western. The vehicle turned completely around, coming to a stop on the sidewalk, where it struck the women. It had practically come to a stop by the time it crossed this curb.

Mrs. McGuire escaped injury, but her sister suffered minor wounds and was taken to the Western Division of the Montreal General Hospital in a Police radio patrol car and treated by Dr. Fitzgerald.

At the time of the mishap, which occurred slightly east of Melville avenue, the women were walking east on the sidewalk on the north side of the street.

The driver of the car stopped immediately after the accident.

## DEATH OCCURS SUDDENLY OF HON. AUDETTE

Retired Member of Ex-  
chequer Court of Can-  
ada Was At Home of  
Son Here

The death occurred suddenly Monday night at the home of his son, J. de Gaspé Audette, K.C., of 498 Mount Pleasant avenue, of the Honourable Louis Arthur Audette, D.C.L., retired Justice of the Exchequer Court of Canada and for a number of years a prominent resident of Ottawa. He was in his 86th year.

The elderly former judge had suffered a stroke last fall but had appeared to be recovering his health until yesterday, when he was stricken with a second seizure. He had been residing with his son for the past month or so. A distinguished student and an authority on international law, Hon. Mr. Audette was another of those legal minds from the City of Quebec who rose to prominence in national life. First French-Canadian to hold office with the Exchequer Court, he gave practically his whole career to that judicial body, retiring at 75 after more than 60 years devoted to law.

He was honored by Laval University and the University of Ottawa in the early part of this century and figured prominently in several treaty disputes affecting the provinces of Canada and other countries as well. In 1893, he served as secretary of the Board of Arbitration to determine disputed matters of account between Canada and the Provinces of Ontario and Quebec, and later was appointed commissioner to investigate the claims of the Pelasgic Sealers under the Washington Treaty of 1911 and the Paris award regulations of 1893. These appointments gave him a clear insight into foreign relations and international law. As early as 1895, however, he had established a reputation as an authority on the Exchequer Court by writing a book on "The Prac-

## Lecture Courses On Food Open For Health In War

The lecture course of the Food for Health — Health for Victory nutritional campaign opened this week with lectures in 25 different districts in greater Montreal. Every woman who runs a home is urged to attend these lectures so that she can help in one of the country's most vital war services — keeping the health of the nation high.

The course consists of four lectures and these deal with all types of food — how to buy them most economically, how to prepare them, and how to combine them into well-balanced, attractive menus. The lectures have been prepared by a committee of experts under the sponsorship of Dr. David L. Thomson, chairman of the department of biochemistry at McGill University, and will be delivered by members of the Montreal Dietetic Association and the Home Economics Association.

The subject of the first lecture is "Stretching Your Food Dollar for Health"; the second, "Fruits and Vegetables"; the third, "Cereals and Bread... Fats, Sugars and Extras"; and the fourth, "Meats, Fish and Eggs." There is a 25 cent registration charge which also covers the cost of a cook book.

## JAMES COWAN FATALLY HURT IN ACCIDENT

Jury Finds Driver of Car  
That Struck Resident  
Criminally Responsible

A jury under joint Coroner Pierre Hebert, M.D., found LAC Francis Mead, R.C.A.F., criminally responsible, Friday, for the death of James Howard Cowan, 36, of 50 Bruce avenue, who was fatally injured when struck by an automobile shortly after midnight the previous Saturday. Cowan died at the Royal Victoria Hospital last Thursday and a funeral service was held at the D. A. Collins Funeral Home on Saturday afternoon.

The accident in which Mr. Cowan lost his life occurred shortly after midnight at St. Matthew and St. Catherine streets. The victim was standing in a safety zone waiting for a street car when he was knocked down by an automobile driven by Francis Mead, 30-year-old member of the R.C.A.F.

A native of Westmount, Mr. Cowan was educated in Westmount schools and by private tuition. Permanently crippled since infancy, he was employed by the Children's Memorial Hospital for a number of years. He was a member of the Park Toboggan and Ski Club, the Y.M.C.A. and the M.A.A.A.

For many years he was an instructor in handicrafts at the Y's Kamp Kanawana and filled a similar position with the Montreal Parks and Playgrounds Association.

Besides his mother, he is survived by three brothers, Gordon and Norman, of Montreal, and Flying Officer Reginald, of the R.C.A.F., in Toronto.

The coroner's jury based its verdict on testimony of two police officers — Det. Sgt. Charles Lavoie and Constable J. David — who expressed the opinion in the witness box that Mead was under the influence of liquor at the time of the mishap.

## FINAL TRIBUTE PAID TO LATE JOHN DAVIDSON

Murray Hill Resident Was  
Convention Traffic Man-  
ager of C.P.R.

Friends and relatives paid final tribute to John Davidson, of 626 Murray Hill, in the Church of St. James the Apostle, on Monday afternoon. Interment was in Mount Royal cemetery. Mr. Davidson, convention traffic manager of the Canadian Pacific Railway Company, and well-known hotel and convention figure, died early Saturday in the Western Division of the Montreal General Hospital, following a short illness. Mr. Davidson had held office in the Church of St. James the Apostle for many years.

John Davidson, who was in his 65th year, was known throughout Canada and the United States in hotel, convention and travel circles, having been prominent for his extensive contributions to the development of travel between the two countries.

Born in Montreal, and educated at Montreal High School, Mr. Davidson became managing director of the Montreal Amateur Athletic Association in 1906, remaining in that position until 1913, when he became manager of the Windsor Hotel. He stayed at the Windsor Hotel until 1923, when he joined the Canadian Pacific Railway as convention agent, and in 1927 was made convention traffic manager.

Mr. Davidson was one of the originators of the Montreal Tourist and Convention Bureau and of the Province of Quebec Hotel Association. In 1932 he was elected vice-president for Canada of the American Hotel Association. He was one of the oldest members of the Montreal Rotary Club, a veteran member of the M.A.A.A., a member of the Thistle Curling Club, and was prominent in the Masonic craft.

In his younger days, John Davidson carved a name for himself. (Continued on Page 2)

Minister, Capt. Rev. T. W. Jones, Also  
Celebrates 30 Years Association  
With Congregation

On Sunday Calvary United Church, Westmount, will celebrate its 65th Anniversary. It was founded by a group of well known men in the life of Montreal who were members of Zion Congregational Church, in order to serve the people who were moving westward in the life of the growing city. Some of the first meetings were held in Shaftsbury Hall, which became the Boys' Home of Montreal—and as an outgrowth of that splendid work we today have the Werdale House in Westmount and the Boys' Farm at Shawbridge.

John R. Dougall, one of the charter members of Calvary was a leader in the founding of the boys' work movement.

## BUSINESS MEN HELD MEETING HERE MONDAY

N. Eric Ohman, President,  
Refers to Activities Carried  
Out During Year

The Business Association of Westmount held in the past helped in the sale of War Savings Certificates here and in the future will also lend its support to the Victory Loan Campaign. N. Eric Ohman, the president, stated while addressing a meeting of the organization in Victoria Hall Monday night.

Mr. Ohman referred to the window streamers distributed to all local merchants with the objective of improving Yuletide shopping in Westmount. He also pointed out that the association was on friendly terms with the Westmount City Council and that the two bodies were co-operating in matters in which they were concerned.

He said the executive committee had been meeting regularly throughout the year.

The chairman of the publicity committee, W. Boyd Robson, told members that arrangements had been completed to supply the Westmount Library with paper book covers bearing the crest of the association.

Mrs. Manseau suggested that a fashion show be sponsored by the association in the spring and this matter was referred to a committee for further study.

The original Calvary Church, then in the Congregational body, was established on Guy St. where the C.P.R. tracks now cross that street. A most remarkable piece of work was carried on there, particularly on behalf of the people living in the area below the railway tracks. In addition to the boys work, activities were organized for young people, the first Christian Endeavour Society in Canada was opened in Calvary with the Pastor, the late Rev. E. Munson Hill, M.A., D.D., who later became the Principal of the Congregational College, as its first President. One of the active workers in the Christian Endeavour movement in Calvary was the Rev. W. T. Gunn, D.D., later Secretary of the Congregational Union, and a Moderator of the United Church of Canada.

## ACCUSED GETS 9 MONTHS IN LOCAL COURT

Also Receives Sentences  
Totalling Five Years  
When He Appears Before  
Montreal Judge

When he pleaded guilty to charges of breaking and entering and of theft, a man giving his name as William W. McTear, no permanent address, was sentenced to serve nine months in jail by Recorder Charles A. Hale in the Westmount Police Court Monday morning. Later in the day he was sentenced to serve a total of five years in jail by Judge Archambault in the Montreal Recorder's Court. The Westmount sentences are to run concurrently with those imposed in Montreal.

The accused was arrested by Montreal police and loaned to the local force in order to stand trial here. The police charged that he was the accomplice who was found in an Olivier avenue apartment house with a Mrs. Joan Gardner who was sentenced for breaking and entering, and of being in possession of burglar's tools last week. She was given a six-month term by Judge J. A. Cloutier when she pleaded guilty to the charge in the Montreal Recorder's Court.

The pair were taken by surprise by a woman resident of the apartment when she returned home after being out with her daughter. The man managed to make his escape but the resident, who wishes to have her name withheld, succeeded in capturing his companion after a brief chase through the building.

A travelling clock, stolen by the male member of the pair, was found in a nearby sewer by Westmount Police.

## PATRIOTIC ADVERTISING

The power of advertising has never been more forcibly demonstrated than during the present war. This medium of contacting the public has been employed to assist recruiting, to further the sale of war bonds and war savings certificates, to disseminate information respecting the war effort, to instruct the public in modes of procedure in emergencies, and for numerous other patriotic purposes. But probably the most remarkable use it has been put to in the present struggle has been by private industry, not to sell, but actually to urge the public to refrain from buying. One big manufacturer of refrigerators has been running a series of ads asking the householder to keep his present refrigerator as a patriotic gesture, and giving him hints as to its proper maintenance. Another company, a big rubber concern, has likewise been running advertisements on the conservation of house hold rubber goods, urging the public to wear rubbers, overshoes, and other such articles as long as possible before purchasing new ones. And there are other businesses doing the same sort of thing. This is real patriotism, spending money with no prospect of return other than good will and the satisfaction that our war effort is being helped thereby.

## HIGHER CRITIC TRAPPED

Sir Bernard Pares . . . recalled how in one (Russian) village a scientist attempted to dispel the peasants' belief in miracles by pouring water from a jug into a glass, the liquid assuming a red color in the process. He tried to improve on the Biblical example by changing the "wine" back to water. "You see there's nothing in it," he proudly pointed out. "All right, then," said a peasant, "now drink it!"—The Scotsman, Edinburgh.

## THERE ARE NO SIDELINES NOW

The entry of Japan into the war has brought more Canadians to the realization of the warn-

ing which people of this country have had for two years, — that nothing short of total war effort in Canada will be good enough to defeat the foes of free people. Now that Canada's western coastline is actually part of the battle front and now that we have the spectacle of unbounded energy set loose in the United States, there can be few people left in Canada who do not grasp the truth that no one in the country can escape some contribution to an all out war effort.

Sometimes it is easier to do the spectacular thing than it is to carry out the drab duty. Workmen in factories can be carried on to almost superhuman effort by the definite knowledge that their handiwork is needed desperately by the boys who man the guns. Sailors, soldiers and airmen can rise to heights of heroism knowing that the very existence of their country depends on them. But it can be harder for the civilian left at home to realize that his job is just as vital in its way as that of the war factory worker is, as that of the youth in the armed forces. Yet that is true. Canada cannot supply the ships and guns and planes and ammunition unless her citizens provide the money.

The issue of bonds being offered next month will meet people who are in a new mood. The man or woman who was satisfied to buy a hundred dollar bond last June will likely feel the need now to buy five hundred dollars worth or more. Few will limit his purchase of bonds now that the enemy is on Canada's doorstep.

## FORGET BUT REMEMBER

Forget each kindness that you do as soon as you have done it.  
Forget the praise that falls to you the moment you have won it.  
Forget the slander that you hear before you can repeat it.  
Forget each slight, each spite, each sneer, wherever you may meet it.  
Remember every kindness done to you whatever its kind or measure.  
Remember praise by others won and pass it on with pleasure.  
Remember good, remember truth, remember that Heaven's above you.  
And you will find, through age and youth that many hearts will love you.

— J. Y. BLYTH.

Conducted by HOWARD S. ROSS, K.C., D.C.L.

### In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper and it does not accept responsibility for them.

"Let's look at the educational record: When I was a boy in Gloucester, I attended a two-room school house with a stove at one end and an outhouse in the backyard. But we did learn how to spell, to add, and to work. Moreover, in those days our parents were more interested to have us get training than diplomas. In fact I did not even get a diploma when finishing my course in High School. Today, our children get their so-called education in palaces with the latest heating, ventilation, and lighting equipment, to say nothing of the extravagant toilet facilities. Mr. W. J. Cameron, of the Ford Motor Company, told me the other day that the number of students preparing to be mechanics is only about one-seventh the number now employed as mechanics; while the number now studying for the professions is about thirteen times those engaged in the professions! If young men would study these figures more and two-legged figures less, they would learn to be good mechanics, builders, and plumbers. The days when white-collar jobs offered the best opportunities have gone. — Roger W. Babson, Economist and Church Leader.

On its seventh anniversary, Sept. 13, 1941, the Cleveland Hospital Service Association announced that enrollment has passed the 500,000th subscriber. This remarkable record is a tribute to the co-operation of hospital authorities with sponsors of the plan which has brought adequate health protection within the reach of many persons of modest means.

Squirrels harvested a 13-acre plot of cotton. They picked all the immature bolls and placed them on nearby tree stumps.

On Sept. 4, 1941, President Roosevelt abolished the Defence Contract Service—sometimes referred to as the alleged friend of court of little business—and put in its place a Division of Contract Distribution which is to be coordinated with the existing divisions of OPM—Procurement, Production, Priorities, Labor and Civilian Supply.

The purpose of the order was stated as follows: "The Executive Order was issued in furtherance of a determined move on the part of the Administration to help the smaller business units of the country obtain a fair share of the defense orders, and to prevent, as far as possible, dislocation of industry and unemployment of workers in plants where production has been curtailed by priorities and material shortages."

The order continued: "Every available man and machine must be employed either on direct defense requirements or at work essential to civilian economy."

According to the White House statement announcing the order: "It is intended, on the one hand, to face the responsibility of alleviating the hardships which have resulted from the defense program and, on the other, to marshal our productive capacities to the objective that no plant or tool which can be used for defense shall go allowed to remain idle."

This, it is claimed, means that for the first time small business will work for defence without suffering by doing so and for the first time small business will be represented at the council tables of OPM through a Small Business Advisory Committee. this organization, which in turn, has shared in the founding of many other Brotherhoods in Greater Montreal.

As members of Calvary Church moved into the Western suburbs they felt the need of a church in that part of the city and in 1896 a group formed Bethlehem Church on Clarke Avenue, Westmount, with material assistance from the parent body. With the passing of time and changes in the city life it was deemed wise to sell the Calvary Church property on Guy Street, and accordingly in the year 1912 Calvary and Bethlehem congregations amalgamated forming the present Calvary Church. With the proceeds of both as a nucleus the present edifice on the corner of Dorchester St. and Greene Ave., Westmount, was erected, the cornerstone being laid by T. B. Macaulay as Chairman of the Congregational Union of Canada, in June, 1912.

In 1925 Calvary entered the United Church of Canada in conjunction with Methodist and Presbyterian Churches throughout the Dominion. In 1926, owing to the closing of Douglas Methodist Church, additional Sunday School accommodation was found necessary to care for the numbers attending, and with assistance granted by the Trustees of Douglas Church, a Church Hall was erected adjoining the original church building.

While no charter members of Calvary are now living, there are still members of the congregation who were present at the cornerstone laying of the original church. Mrs. S. T. Spindlo and F. E. Douglal are among those holding medals given to those present, the medal being designed by the late R. W. McLachlan, who will be remembered on account of his unusual service in the Archives department of the city.

## Dr. Wilkes First Pastor

The first acting pastor of the Church was the Rev. Dr. Wilkes, a great leader in the Congregational body. Mrs. W. D. Lighthall, still an active member of the church, is a granddaughter of Dr. Wilkes. The Rev. J. Lawson Forster served as the first regularly appointed pastor of Calvary and after five years was succeeded by the Rev. E. Munson Hill, who led the church in ever widening fields of service for 18 years until his appointment as Principal of the College. Following his resignation came three shorter pastorates with the Rev. Ernest Tippet, Dr. J. J. Martin and the Rev. T. W. Davidson, the first serving Calvary alone, the others serving Calvary and Bethlehem united congregations. Ministers who served the Bethlehem congregation were the Rev. Robert Hopkins, Rev. A. M. Shafer, the Rev. Wm. Munro, now secretary of the Montreal Presbytery of the United Church of Canada, and the Rev. J. K. Unsworth. The present Pastor, Capt. the Rev. T. W. Jones, M.A., D.D., became identified with the congregation as student assistant to the Rev. Dr. Martin thirty years ago this spring. During the Great War Mr. Jones enlisted for service with the Canadian Y.M.C.A. serving for over four years as Transport Officer. On his discharge from the Canadian Army in 1920 he was called as student pastor to take charge of the work in Calvary, and at the Anniversary of the Church in 1921 was called to the full pastorate. At this 65th Anniversary of the Church he therefore completes 21 years as minister in charge, and 30 years of active ministerial association with the congregation. In 1923 he was appointed chaplain of the 11th Hussars Regiment of the Eastern Township, which unit is now incorporated in the Royal Rifles of Quebec, one of the Canadian regiments in Hong Kong.

At the outbreak of the present war he was accepted for overseas service with the Canadian Forces under the auspices of the Military Y.M.C.A. He served with the 1st Division overseas until this last spring when he returned to the camps and airports throughout the Dominion of Canada and Newfoundland. He is now carrying on the work of the church, while giving whatever voluntary service is possible in camp and in giving addresses to civilian groups on the war work of the Canadians and British people. Capt. Jones will conduct the Anniversary Services in Calvary on Sunday, January 25, speaking at the morning service on the theme "A Glorious Ideal for the Church" and at the evening service on "Religion, A Noble Anchor," from one of Robert Burns' poems, whose birthday falls on this same day.

George and Alex. C., and two sisters, Mrs. A. S. Bain, of Vancouver, and Miss Annie Ellizabeth Davidson, of Montreal; also six grandchildren.

Mr. Davidson is survived by his wife, the former A. Edna Gowdrey; one daughter, Mrs. A. R. Hatfield, jr., of Utica, N.Y.; one son, Lt.-Col. J. A. Davidson, M.D., now in charge of a hospital on the island fortress of Malta; two brothers, William

## ALLAN CAMERON DIES WHILE AT FUNERAL

The funeral service for Allan Cameron, of 2071 Grey avenue, and formerly a well-known Westmount resident, is being held this afternoon at the chapel of Jos. C. Wray and Bros., followed by interment in Mount Royal Cemetery. A prominent business man and sportsman, Mr. Cameron died suddenly Tuesday morning while attending the funeral of Mrs. Tom Waite at St. Augustine's Church. He was 78 years of age and was in apparent good health when he left home to attend the service for the widow of a former business partner.

A veteran of the Riel Rebellion in which he served with the Montreal Artillery Battery in 1885, Mr. Cameron was engaged in the wholesale drug business here for many years. He retired five years ago.

Prominent in sports for nearly half a century, Mr. Cameron took a particular interest in lacrosse and hockey and was a keen golfer and fisherman.

A native of this city, Mr. Cameron began his business career with Lyman Bros. and later became a partner in the firm of McEwan, Cameron and Waite, Ltd. The name of the firm was changed to McEwan, Cameron, Limited, and this partnership continued until the firm was merged with Lyman's Limited.

As a young man, Mr. Cameron played senior lacrosse with the Montreal Amateur Athletic Association and was a member of the championship team in 1886 and 1889. He played hockey with the M.A.A.A. Crystals for ten years and was on seven championship teams. He was a member of the team which won the first Stanley Cup competition when M.A.A.A. defeated Queen's.

He was the guest of honor at the annual get-together of the Montreal Sportsmen's Association in 1939.

He is survived by four daughters, Mrs. Harry Rowlands, Mrs. M. L. Tucker of Montreal, Mrs. J. A. Pope of Welland and Mrs. H. G. Maker of Victoria, B.C. Two brothers, Dr. George S. Cameron of this city and Thomas Cameron of St. Lambert and two sisters-in-law, Mrs. K. S. Barnes and Mrs. A. Munro of Montreal also survive. Mrs. Cameron, formerly Margaret Allan Locke, died two years ago.

All-British Cast In American Film

That rare commodity, something really new in film-fare is presented in "Suspicion," the new Cary Grant-Joan Fontaine vehicle which opened yesterday at the York United Theatre.

The picture combines a spine-chilling mystery plot that has an entirely unexpected ending, and is a triumph for its two stars as well as another feather in the cap of its brilliant director, Alfred Hitchcock.

The story, laid in England in the period just preceding the current war, revolves around the dramatic married life of Johnnie, a charming but totally unreliable ne'er-do-well, and Lina, an unsophisticated country heiress with whom he elopes after a whirlwind courtship.

Gable And Turner Score In Exciting Action Hit

Thrills, comedy and romantic adventure are blended absorbingly in "Honky-Tonk," the new M-G-M film which opened last night at the Westmount United Theatre playing until Saturday night.

In few of his previous vehicles has he been engaged in a more exciting romantic contratemps, or stepped into the path of more rough-and-tumble adventure.

Few pictures of the year have been given such a sterling supporting cast as "Honky-Tonk." Claire Trevor, one of the most striking of Hollywood's Broadway stage alumnae, has an outstanding part as a girl vying for Gable's affections.

The marriage of Miss Margaret Anne Jaques, eldest daughter of Mr. and Mrs. Hugh B. Jaques, of Westmount, to Surgeon-Lieutenant Roderick C. ### WEDDINGS

The marriage of Theodora Marianne, daughter of Mr. and Mrs. D'Arcy Orde Hubbell, to Sergeant-Pilot William George Anglin, R.C.A.F., son of the late James Penrose Anglin and of Mrs. Anglin, took place on Saturday afternoon in St. Matthias' Church, Squadron Leader the Reverend Canon Gilbert Oliver, R.C.A.F., officiating.

Given away by her father, the bride wore a floor length gown of pale blue silk crepe, modelled on long lines, having a bodice trimmed with tiny buttons, log-o-mutton sleeves ending in points over the wrists, and a full skirt. Her tiny hat of curled blue feathers was worn with a long matching veil falling at the back.

## CATHOLIC WOMEN AMALGAMATE GROUPS TO HELP WAR EFFORT

Among the Catholic women of Westmount, various groups have been actively engaged since the outbreak of the war in supporting the war effort wherever and whenever necessity arose. At a meeting held at Victoria Hall recently these various groups, joined by many individual workers, decided to amalgamate in the interests of greater efficiency and increased effort.

The initiative for forming the group came from Mrs. A. A. Pare under whose leadership tentative plans have been made towards achieving the following aims:

To promote maximum efficiency by avoiding duplication of effort.

To develop ideas for co-operative war work.

To hold themselves in readiness to support any emergency demand that might arise from the national crisis.

To keep a record of the varied efforts of the group.

A second meeting of the Catholic War Workers of Westmount was held at Victoria Hall on Monday, and the formal opening meeting will be held in the Oak Room, Victoria Hall, on Monday afternoon at 3 o'clock, to which all Catholic women of Westmount, whether French or English speaking, are invited.

and her old-fashioned bouquet was of Sweetheart roses tied with pale pink ribbons. Her only ornament was a string of pearls, the gift of the bridegroom.

Miss D'Arcy Elizabeth Hubbell, her sister's only attendant, wore a floor-length frock of dusky pink silk crepe, fashioned on the same lines as the frock worn by the bride, with three-quarter length log-o-mutton sleeves. She wore a tiny hat of pink curled feathers, with a long tulle veil to match, and carried a small bouquet of pink carnations tied with pale blue ribbons.

Sergeant-Pilot Frank (Pat) Packard, R.C.A.F., was best man for the bridegroom, and the ushers were Sub-Lieutenant George Gault, R.C.N.V.R., Sergeant-Pilot Ian McRobie, R.C.A.F., and Mr. Robert Mitchell.

The reception was held at the home of the bride's parents, 4695 Westmount avenue, and later Sergeant-Pilot and Mrs. Anglin left for a skiing trip in the Laurentians, the bride wearing a frock of admiral gold silk crepe under a coat of airforce blue, trimmed with mink, and a hat and muff of the same fur.

## Home Furnishing First Aid

By CHARLES W. WILLIAMS  
Your problems mailed to The Examiner will receive personal attention in consecutive order.

A correspondent writes as follows: I noticed in your column that you advocate hanging a tinted mirror over a fireplace which has no mantel shelf. This would no doubt be very effective, but—what are we to do when our budget doesn't allow us to go in for things like that? Could you make any other suggestions for treating such a fireplace which would require very little financial outlay?

Answer: Assuming your walls are plain—papered or painted—a most attractive, effective and economical treatment is to choose a wall paper in a pronounced design, which shall embody the color of your draperies, or furniture covering or rug; and have it put on the entire face of your fireplace projection from baseboard to ceiling or cornice.

Modern Vases Suggested  
Another idea, modernistic in conception, is to secure a wooden salad bowl about 12 inches in diameter. Cut in across into two equal pieces, tack a heavy cardboard across what was the mouth of the half bowl. You will now have two wall vases. Paint these to match your woodwork or walls, hang on the face of the mantel-breast one above the other, with about 15 inches between them, the lower one being about 5 feet from the floor. Fill each with artificial flowers in colors harmonizing with your room color scheme. These should be about 3 inches from either the left or right side of the fire-sides wall projection according to which side you wish to emphasize.

Question: What do you consider the right color to use for an accent in a bedroom done in beige, brown dusty rose; that is, if you think a color accent necessary in this scheme?

Answer: The necessity of otherwise of the inclusion of a color accent in your room is purely a personal matter, which in turn is dependent upon your temperament. Your room should express you, and your presence in the room may supply all the accent necessary.

Accent "Peps Up"  
Accent is used to pep up a room and provide a "high spot," or several. A bedroom is a room in which you may relax. Perhaps it fulfills this function without

further treatment. If, however, you want to give it more character, I would suggest chartreuse if you are a blonde, brownette or auburnette; if a brunette, a bright-red accent will be effective, particularly for the winter months.

My husband likes to lie on the chesterfield reading and smoking, and my son puts his feet up on the furniture when he reads at night. How can I keep my furniture nice under such conditions? I want my room to look nice and at the same time keep my men-folk happy. Must I sacrifice appearance to their comfort?

Answer: Put Family First  
I would say my husband and son first, last and always. How would you feel if they went elsewhere to "feel at home?" I recall one lady who met a similar condition by providing quickly detachable slip covers for rough usage thus protecting her sood coverings. This is equally practical where there are small children.

Some day you may achieve an upstairs lounge or den, and thus save your living room. We must never return to the days of our forebears of two or three generations back, when the "parlor" was a sort of holy of holies, used only for company, weddings and funerals. There is nothing too good for one's loved ones, and it's up to you to make theirs a Home Sweet Home, regardless of any other consideration.

## FIRST 1942 MEETING HELD IN ACADEMY BY ASCENSION SODALITY

The Young Ladies' Sodality of Ascension Parish held its first monthly meeting of the new year on Monday evening 1:30 St. Paul's Academy, when reports were given by the various committees in the group.

Miss Carroll MacDonald, the prefect, thanked the members of the Apostolic committee for the charitable work they had done during the Christmas season, 25 baskets, containing food, clothing and toys having been distributed to needy families.

It was reported that the Eucharistic committee has achieved its aim of perpetual communion in the sodality, and that members of the Catholic Truth committee, under the chairmanship of Miss Allison, are renewing their efforts for the cause of Catholic action by the distribution of Catholic books, magazines and pamphlets, a number of such publications being sent to men overseas. Cigarettes are also being shipped overseas, with the help of the Apostolic committee under Miss Taylor.

Miss Alma Tremblay was thanked for the work as mistress of candidates, and the sodality's director, Reverend Father George Toms, spoke to the sodality on the subject, "Righteous Peace." Father Toms supported Monsignor Sheen's plan of a "holy hour day," including daily mass when possible, as well as other devotions.

Frances Willard W.C.T.U.  
Dr. J. S. Astbury, principal of Baron Byng High School, will speak on "Present Day Problems for Young People," at the meeting of the Frances Willard W.C.T.U., to be held on Wednesday in Dominion Douglas hall. Master Donald Harvie will be the soloist.

# Beavers And Victorias Head Local Midget Loop

## BERT READ'S TEAM DEFEATS FLYERS BY 3-0; CANADIENS DOWNED 7-2 ON HOME RINK

Two unbeaten teams, the Beavers and Victorias, head the midget section of the Westmount Municipal Hockey League. These two clubs ended up tied for first place in last year's midget race and bid fare to accomplish the same feat this season. The Victorias and the Beavers met last night and the winner of that game took over full possession of first place.

Four games were played in the midget group last week. In the Friday night double-header Bert Read's Victorias shut-out the Flyers 3-0 at Westmount Park, while at Staynor rink the Beavers swamped the home Canadiens team 7-2.

The Victorias won their second game of the week-end on Saturday afternoon when they beat the Cyclones 4-1 on the West rink while the Flyers hung on long enough to eke out a 4-3 victory over the Canadiens.

Dave Harvie shattered all scoring records in the Beavers 7-2 win over the Canadiens. Harvie scored four goals and assisted in the other three to rack up the impressive total of seven scoring points. The Beavers were

## Verdun Defeats Westmount 3-0

The Westmounts in the Westmount-Verdun Intermediate Hockey League dropped a 3-0 decision to the league-leading Verdun Orioles on Friday night. While the locals were in no way outplayed, the Orioles' finish around the nets made the difference.

Higgins, Noseworthy and L. Diver scored the Orioles' goals. Emmett Milne, Howie Hushion, Johnnie Hutchison and Ray Caron played effectively for the Westmounts.

Tomorrow night the Westmounts meet the Cozy Restaurant team of Verdun at Westmount Park, while on Monday night they play the R.C.A.F. Eagles. The Airmen and the Westmounts are the local teams in the loop.

Bussiere combined to assure the Victorias of a tie for the section lead when they scored three of the Vics four goals against the Cyclones to give their team a 4-1 win. McKissock tallied twice and was credited with one assist, while Bussiere picked up an assist in addition to his tally. Jim Wrigglesworth scored the other Vic goal. Rupert Rubens scoring ace of the Cyclones, accounted for their lone goal.

Scoring records of the section show Dave Harvie of the Beavers by virtue of his seven goal scoring spree, on top of the list with ten points. Harvie has scored seven goals and is credited with three assists. Jackie McKissock of the Victorias, is in the runner-up position with six points accounted for by four goals and two assists.

Only one midget game is on the bill for tomorrow evening and this a replay of an earlier game. The Canadiens will meet the Victorias at Westmount Park at 8:30 p.m. A single game is also carded for Westmount Park on Saturday afternoon when the Beavers meet the Cyclones. Other games during the week will see the Flyers travel down to Staynor Park on Monday night to play their postponed game while the usual Wednesday double-header will see the Canadiens play the Beavers and the Flyers hook-up with the Victorias.

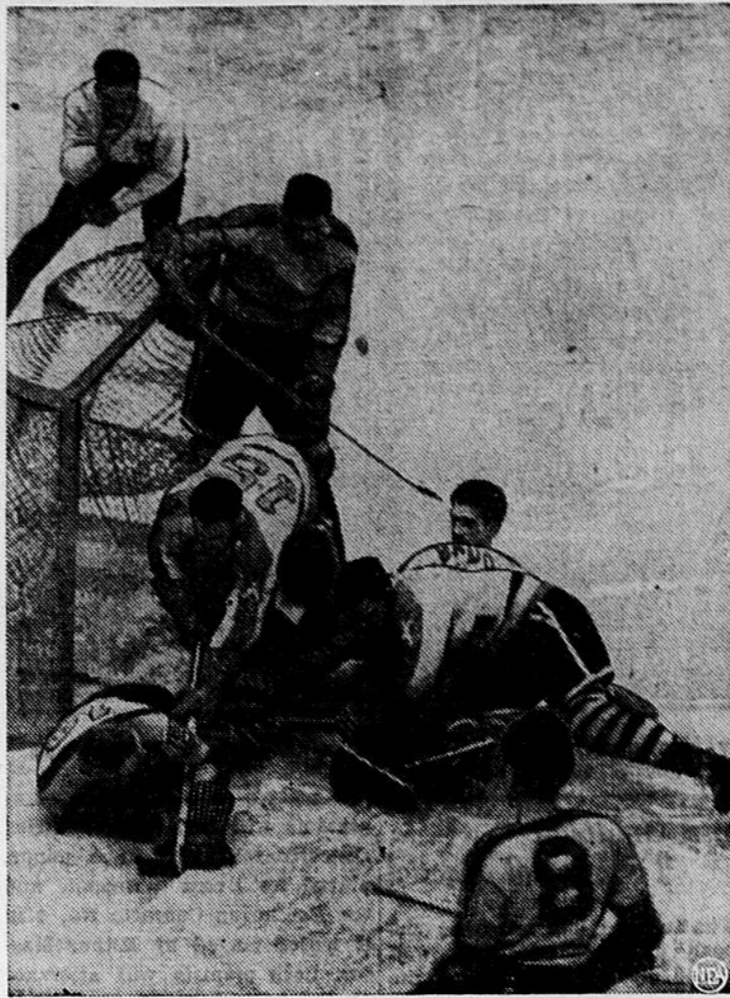

short-handed and had sub-goalie Herb Shayne in the nets, while Ross Miller their regular custodian played defence. Miller opened the scoring for the winners on a pass from Harvie. In addition to Harvie's four goals, Mickey Darling and Roland Wright counted for the Beavers. Gordie Craig and Lennie Chambers scored the Canadiens two tallies.

Donnie Bussiere was the big gunner in the Victorias 3-0 shut-out over the Flyers. Bussiere accounted for two of the winner's three goals. Jack McKissock up from the bantam ranks, scored the remaining goal. Frankie Read was credited with two assists.

The Flyers had their work cut out for them in Saturday's game with the Canadiens. The winners seemed to click in spots and at various times had a safe lead, only to see the Canadiens catch up with them. The winners ran up a two goal lead on counters by Glen Magae and Jim Robinson. Both of these tallies were scored on passes from Jim deLalanne. The Canadiens got back in the contention on a goal by Hubert DeJean. The Flyers made the score read 3-1 when Ronald Baxter counted unassisted. Prud'homme counted on a pass from Gordie Brace to make the score 3-2 but Ted Armstrong came right back with another individual effort to give the Flyers a 3-2 lead. Warren Prud'homme scored again for the Canadiens but this was the losers last chance as the period and game ended with the Flyers winning 4-3.

## NET RESULT

Boston and Brooklyn players are clustered at mouth of Americans' goal on Madison Square Garden ice in maze of hockey sticks, skates and pads. In there somewhere, among others, are Art Jackson of Bruins and Hazen McAndrews and Will Field, of the Amerks. Goalie Charlie Rayner is also present. He stopped thrust with considerable help. Amerks won, 3-2.

## SEA SCOUTS DOWN ST. MATTHIAS' 4-2

Pete Harling's Sea Scouts hockey team opened their season in smart fashion when they defeated Walter Mitham's St. Matthias' team 4-2 in the first game of the Westmount Intermediate Hockey League. The Sea Scouts will have a chance to win their second straight game when they meet John Bishop's 2nd Westmount Troop tonight at King George rink. The game is scheduled to start at 7:00 p.m.

The Inter-Troop league is a three team affair with single games being played every Thursday evening at King George Park.

## HOCKEY LOOP SCHEDULE TO OPEN JAN. 24

The Y.M.C.A. Boys Hockey League schedule is to start on Saturday with six teams taking part. With interest running high, the competition should be very keen.

The Senior Leaders' Corps meets quite regularly on Wednesday evening, and Saturday afternoon. Arrangements have been made for the Westmount Corps to act as hosts to other "Y" Corps throughout the city. The representative corps will meet at Westmount on Saturday at 6 p.m., for a combined gym period followed by a swim and supper. All interested leaders are invited to be present.

The Westmount "Y" swimming pool tests have been very good during the past six weeks. They have been so good in fact, that the Branch issues a challenge to any other "Y" in the city to produce a more satisfactory average of weekly test results. Mr. Drain, the building superintendent, deserves special mention for his unceasing efforts to keep the pool in A-1 condition.

The new Air Force Manning Pool at Lachine has been granted permission to use the pool and gym on Wednesday afternoon. Approximately 60 men use the facilities during this period.

## ROYALS SWAMP TORNADOS 8-0 THEN WHITEWASH THEM 9-0 IN TWO MUNICIPAL LEAGUE GAMES

Before the present hockey season is over, the Royals in the bantam section of the Westmount Municipal Hockey League, will have done their share to develop some very smart goal-keepers in this locality. If a goal-keeper has any talent, the section leaders certainly bring it out of him as in the first four games of their schedule; the Royals have kept up a continuous bombardment on their opponent's nets. Although the Royals took the measure of the Tornados 8-0 and 9-0 on Friday night and Saturday afternoon respectively, the standout feature of the games was the exhibition given by Angus Boright in the Tornados' nets. Boright was kicking them out from all angles, making impossible saves.

Norris Masterman turned out with the bantam leaders for the first time and harvested eight points in the two games. Ian Macaulay and Jack Patterson were the big suns in the 8-0 rout of the Tornados, each of the forwards getting two goals, while Masterman picked up three assists in addition to a lone counter.

Chuck McCrae led the Royals in their other victory over the Tornados, the 9-0 affair. McCrae counted three of the winner's goals and assisted in one other.

Two games were played in the "B" section of the group on the week-end. John McDonald's Sailors shut-out the Panthers in the Friday night game 2-0 with David Binmore and Donnie Wadworth sinking the winning counters. The other game resulted in a 1-1 stalemate between the Argos and the Bulldogs. The Bulldogs opened the scoring in the first period when Maurice Strachan scored an unassisted goal. The Bulldogs held their one goal lead until well into the third stanza when George McLanders got the tying counter for the Argos.

League records at present show the Royals far in front of the "A" section with four wins and no losses, while the Bulldogs

## FIRST TWO GAMES ARE WON BY PATS

Dickie Black's Pats have taken a firm hold on first place in the Staynor section of the Pee Wee League. The Pats have won their first two encounters, both against the Royals. The scores were 6-0 and 4-1. The Bulldogs won their only scheduled game so far, 2-1 over the Royals.

Earl MacDonald of the Pats leads the scoring brigade with three goals and two assists for a total of five points. Brendan Neeson is tied with MacDonald in points with two goals and three assists.

One Pee Wee league game is scheduled for this evening when the Pats play the Royals. Tomorrow night the Pats play the Bulldogs. Tuesday's game sees the Royals meeting the Bulldogs. Bad weather has forced the postponement of two scheduled games.

"Hitler Believes He is Infallible." We, too, believe he is infallibly wrong.

## EAGLES TRIM HAWKS 7-0 ON STAYNOR RINK

The Hawks won and lost in the only two games played in the juvenile section of the Westmount Municipal Hockey League last week. The Hawks created a bit of an upset when they defeated the Rebels 3-1 recently on Westmount Park. Unfortunately their winning streak was halted at one as the Golden Eagles shut them out 7-0 at Staynor rink on Friday night.

The game at Westmount Park last Wednesday was a close affair. Harold Burt led the winners with a pair of goals. Warren Duley scored the Hawks' third goal. Jimmie Macken scored the Rebels' only goal on passes from Dunc Patterson and Allan Bolduc.

The Golden Eagles were too good for the Hawks on Friday night. This marks the second time the Eagles have run up a 7-0 count on the Hawks. Sonny Provost led the Golden Eagles' scorers on Friday night, scoring three goals. Edward Read scored a pair of tallies for the winners, while single counters were scored by Stu Beaulieu and Johnnie Chenier.

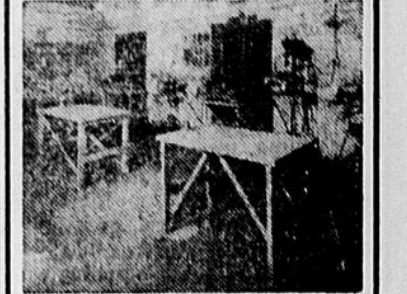

Johnnie Chenier of the Golden Eagles leads the section scorers with eight points, evenly divided with four goals and four assists. Teammate Johnnie Peirson is closely behind with seven points

accounted for by four goals and three assists.

The mild spell has put the juvenile section back on its heels a bit as two postponed games are now on the books. Tomorrow night the Golden Eagles make another trip down to Staynor to play the Hawks. The Rebels play the Golden Eagles on Monday night and the third game of the week sees the Hawks play the Golden Eagles at Westmount Park.

Dougie Alexander's Golden Eagles leads the juvenile race at the present time with three wins and no losses. The Rebels are in second place with one win and two losses, while the Hawks have one win and three losses.

# BOYS' BRIGADE UNIT VISITING FIRMS IN CITY

### First Westmount Company Prepares for Education Badge — National Service Hours Mount

In preparation for their education badge, boys of the First Westmount Company of the Boys Brigade are taking in educational tours, to various establishments, where they may learn how certain manufacturing is done. These tours are arranged by Captain Richardson twice monthly and prove a most popular feature of the company. Various points of interest in the city are scheduled for visitation and as the season opens up in spring, some longer trips may be developed, which may be taken by cycle.

National Service hours are mounting steadily and Lance-Cpl. Robert Burries and Pte. Gordon Patterson are topping the list, while Pte. Robert Krust is close behind. Since the announcement made recently that an additional award of a medal is to be made those with over 200 hours National Service, most of the boys have been stepping up their weekly work, that they may be eligible for this much coveted trophy. The badge is awarded immediately upon completion of the 1st hundred hours, while the medals will be withheld until the spring closing of the company.

The company library will open again this week, with Lance-Cpl. Robert Burries as Librarian. The books have been coming in steadily from many friends of the company and now offer a

# King's Association Opens Play School

A play school, opened about two weeks ago, is being operated by the lady members of King's Westmount Home and School Association, every Thursday morning, between the hours of 9 a.m. and 12 noon, in the primary room of the Westmount Park United Church at 4707 Western Avenue, just east of Lansdowne.

This service has been arranged to enable mothers of older children attending King's School, to leave their younger ones (ages 3-5) in responsible hands should they desire to go shopping or anywhere else. A small charge per child, per morning, is made, to cover expenses of material and janitor service, and of course it is expected that either the parent or some responsible person, will bring and call for the child.

For this experimental gesture, Thursday has tentatively been appointed. Offers of assistance, especially from any experienced in nursery school or kindergarten work would be welcomed by Mrs. A. W. D. Swan, 310 Grosvenor, or Mrs. Wm. Dawson, 78 Somerville Avenue.

# DICKENS LOVERS WILL HEAR TALK FROM DR. JONES

### Calvary United Minister to Speak on Victorian Novelist at Meeting on Tuesday

Captain Rev. Dr. T. W. Jones, of Calvary United Church, will be the speaker at the Dickens Fellowship in Victoria Hall, Westmount, on Tuesday evening. The subject of the address will be "If Dickens were alive today," a subject that should enable Dr. Jones to appear at his very best.

A novelty in entertainment, a "Dickens News-Cast," arranged by Walter Whitaker, will be submitted during the evening. There will also be musical numbers by an instrumental trio, with Miss Phyllis Rowell at the piano.

Arthur H. Carter, president, will be in the chair.

It may be added that the Dickens Fellowship, in view of the present state of world conditions, have decided to cancel the Dickens Birthday Banquet scheduled to take place during the week of February 7. Meantime the energies of the Fellowship Players Group are being directed to the presentation of the play, "Mr. Dickens Comes to Montreal," which is to be produced in the month of March.

This play, written by R. H. Mainer, of Notre Dame de Grace, a former president of the Montreal Fellowship, forms part of the celebration of the centenary

of the visit of Charles Dickens to this city in '842.

# AN IDEAL HOME FOR MEN

The Beaufort House has been conceived with the idea of providing a residence with all the comforts and atmosphere of a private home for gentlemen past middle age, who are alone in the world or when from lack of accommodation or for some other reason cannot live with their kin. Built and furnished in the French Colonial style, the olden time atmosphere has been created without sacrificing in any way the comforts and conveniences provided by modern equipment so necessary and appreciated by the elderly man.

The rooms are furnished as bed-sitting rooms with spring mattresses and basins, while the large and comfortable lounge with its quaint fireplace just makes one want to stay and enjoy the pleasant social intercourse that only men of their own generation could provide. The dining room with its colorful surroundings makes the meals doubly appetizing for those who desire them. Centrally located close to the theatres and business district.
