

TORNADO DEATH LIST PLACED AT SEVENTY-NINE

Reckless Driving Proves A Big Problem--Australia's New Tariff

Appalling Toll Claimed By Tornado That Swept Down Suddenly On St. Louis, Mo.

Seventy-Four Known Dead, 671 Treated for Injuries, Five Thousand Homes and Business Structures Destroyed or Damaged and Official Estimates of Damage Running from Ten Million to a Hundred Million Dollars—Downtown St. Louis Escaped Virtually Unscathed, But Some of City's Finest Homes Were Laid Waste—Black, Swirling Funnel Seemed to Have Appeared Without Warning in Vicinity of Forest Park, to Have Pursued a Zigzag Course for Six Miles, to Leap the Mississippi River and Dissipate Its Fury With a Last Twist at the Illinois Tri-Cities, Venice, Granite City and Madison, in Which Six Persons Were Killed and Twenty Injured.

(Associated Press Despatch)

ST. LOUIS, Mo., Sept. 30.—St. Louis awoke early today to full realization of the appalling toll of the four minute passage of yesterday's tornado—seventy-nine known dead, six hundred and seventy-one treated for injuries, five thousand homes and business structures destroyed or damaged over a devastated area of six square miles and official estimates of the damage running from \$10,000,000 to \$100,000,000.

The tabulation of deaths, injuries and damage mounted steadily throughout the night, and it was feared that further exploration today might increase the first two figures.

Downtown St. Louis escaped virtually unscathed, but some of the city's finest homes along Lidel Boulevard from Newstead Avenue to Grand Boulevard were laid waste.

The area of greatest destruction lay roughly southwest to northeast, bounded by Forest Park Boulevard, Sarah Street, Pendleton Avenue and Hebert Street.

The black, swirling funnel seemed to have appeared without warning in the vicinity of Forest Park, to have pursued a zigzag course for six miles to leap the Mississippi river and dissipate its fury with a last twist at the Illinois tri-cities, Venice, Granite City and Madison, in which six persons were killed and twenty injured.

ORDERS WERE GIVEN TO SHOOT DOWN LOOTERS

Every St. Louis policeman and fireman was called out on special duty, but their numbers were inadequate to patrol the stricken area and a regiment of the State Militia was ordered on duty. Orders to shoot looters were issued. Only two reports of looting were made last night, but neither was verified.

A citizen relief committee of thirty-eight, with Mayor Victor Miller, as chairman, hurriedly was organized to direct relief work.

The Red Cross placed a relief station in the centre of the stricken area and one hundred automobiles were secured for use as ambulances.

DAMAGE AT FROM \$10,000,000 TO \$100,000,000

The damage estimate of from \$10,000,000 to \$100,000,000 came from E. E. Christopher, builder commissioner. Insurance men made a flat statement of \$75,000,000 damage.

The tornado was the second in St. Louis' history. The first struck thirty-one years ago and claimed one hundred and forty lives in St. Louis and one hundred and sixty in the vicinity. The two tornadoes followed generally the same course. The estimated area of the twister of 1896 was eight miles in length and from one-quarter to a mile and a quarter wide.

RESCUE SQUADS WORKED THROUGHOUT THE NIGHT

Throughout the wilderness of crumpled houses, fallen trees, wrecked factories and business buildings, and twisted wires men dug frantically in the darkness all night. Shortly before four o'clock this morning explorers seeking the bodies of missing children in the recently remodelled Central High School found the bodies of two little girls. Seven school buildings, housing 6,500 children, were in the tornado swept area, but only at Central High was there a report of a fatality. Eighteen other pupils in that school were injured when a huge tower was sent crashing down on the auditorium.

OLD BRICK HOUSES CRUMPLED LIKE EGGSHELLS

That the death list did not soar high into the hundreds was attributed to the heavy construction of the buildings in the area devastated. Here and there the debris of what had been a wooden structure gave mute evidence of what might have happened.

Old brick houses were crumpled like eggshells. In one part of the area, however, the newer homes were not spared, and gaping holes where the wind wrenched off a wing or lifted the roof gave the district the appearance of a shell torn city.

RESCUE WORKERS RUSHING INTO ZONE FOUND PATHETIC SIGHTS

Rescue workers rushing into the zone found pathetic sights of men, women and children standing about dazed and helpless, while others dug into the heaps of brick and wood for loved ones.

The tornado played no favorites. Homes of classic design, the humblest structures, stores, schools, apartment buildings, police stations, all were wrecked and torn equally.

For an hour before the twister struck, the air was heavy and portentous with storm. The continuous low rumbling of thunder was punctuated with lightning. The oppressiveness was displayed by a rising wind and suddenly the tell-tale black clouds appeared in the sky.

Tell of Sheets of Flame.

In a twinkling the crashing of glass and the singing of the wind in the trees announced the coming of the tornado. Chimneys crashed, houses heaved and fell, while the air was dark with dust and flying missiles. Witnesses, telling their stories later, spoke of sheets of flames their origin a mystery, that

swept past and dissipated themselves by striking a building or tree.

Automobiles moved about, overturning and wrecking themselves like playthings of children. Everywhere the thud of falling walls and chimneys and the tearing sound of piazzas being wrenched from their foundations, filled the air.

Danger From Fallen Power Wires.

Swift in its coming, the tornado was as quick in leaving. From the ruined homes and stores the frightened, wet occupants appeared in a stream. They found a wilderness of fallen trees to block their way. Hysterical women supported by men picked their way out of the debris. As the danger from fallen wires became great, self-appointed guards stationed themselves until police arrived to take charge.

A cordon was hastily placed about the section, while elementary relief work began within. As the news was flashed to the downtown section, the police and fire

OIL FOR CHURCH

Thirty-seven years ago the site of Union Chapel of the United Brethren Church, near Marietta, O., was abandoned. Recently an oil prospector brought in a well on the property. Rev. Sager Tyrone (above), chairman of the church's East Ohio conference, announces that the church has just won a suit, and full title to the well, now bringing in about \$150 a day, rests with the church.

SOVEREIGN G. L. OF ODD FELLOWS FOR MONTREAL

Big Convention Coming to This Province Next Year—Quebec Grand Lodge Will Meet in Granby.

It is interesting to note that one of the largest fraternal order conventions is to be held in this province next year when the delegates to the Sovereign Grand Lodge of the Independent Order of Odd-fellows will come to Montreal for their annual session. This will probably mean an influx of twenty thousand people into that city. The convention takes place about the middle of September. Grand Sire Merrill who now heads the Order is a resident of the state of Maine.

The Grand Lodge of Quebec I. O. O. F. which holds its session in May will meet next year in Granby. Sherbrooke Oddfellows Will Attend

Church at Huntingville. Sherbrooke Oddfellows will attend church service at Huntingville next Sunday afternoon. Cars will leave from the Rosenbloom block at two o'clock for the service at Huntingville at two-thirty. It is hoped there will be a large attendance. Encampment Members, I. O. O. F. Hold District Meeting in Coaticook.

A number of Sherbrooke members of the Encampment branch of the I. O. O. F. went to Coaticook last evening to attend a district meeting at that place. Grand Patriarch James Johnson of Sherbrooke attended officially and in his address reviewed matters in connection with the encampment branch. Among those present was grand representative G. S. Heath of Stanstead, recently returned from the Sovereign Grand Lodge meeting. Brother Heath spoke reviewing the work done at the Sovereign Grand Lodge.

Report Made On English-French School Accepted By Ontario Government

The Necessary Orders-in-Council Were Passed Yesterday to Make Suggestions Included in Report Effective—Appointments Are Announced.

TORONTO, Ont., Sept. 30.—Formal acceptance was given yesterday by the Ontario Government to the report of the committee which investigated the English-French schools of the province, when the necessary orders-in-council were passed to make it effective. The matter was brought up before the Government ministers as the principal item on the agenda of a council meeting which occupied the afternoon.

The report advocated the appointment of a committee to consist of a director of English instruction, a director of French instruction and a chief inspector of the province.

This committee, appointed by the Government yesterday, and announced by Premier Ferguson, names J. A. Kerr, director of public school development, and Albert J. Benet, French master at the English-French training school at Sandwich, as appointees to the important posts of director in English and director in French, respectively. The chief inspector, who completes the committee, is V. R. Greer.

In absorbing the English-French schools into the public and separate school systems, certain realignments of the inspectors are made necessary. These were arranged yesterday by orders-in-council.

Inspectors James Walsh and J. C. Scanton, of Ottawa and Toronto, respectively, who are English-French speaking school inspectors at the present time will be transferred to separate school inspectorates and given English-speaking assignments. F. J. McDonald of Hamilton, will inspect the separate schools of the Rainy River, Kenora and Thunder Bay districts—an English speaking area.

Charles A. Latour, B.A., Louis Charbonneau, B.A., and Joseph Bechard, B.A., will be appointed to separate school inspectorates in French-speaking areas.

WILLIE WANDER MAY START NEW INDUSTRY HERE

May Organize Company to Dredge for Golf Balls at Island Green of Country Club—Thinks Big Money in It—More Tips for Sleuths—At Market Today.

Tip No. 3. I am a Resident of Sherbrooke.

To the Sleuths of Sherbrooke: Fellows you are all amateurs. I may, however, get a surprise. You may get me at the market, this afternoon. But I am going to be wary. To be frank with you, I would feel very silly if any of you should nab me this afternoon. I reckon my felt hat, 6 3/4 size, would be a bit big for my head if I should get caught the very first go off. On the other hand, if I avoid you for two or three weeks, I have to get a new hat of larger size. So I'm up against it, either way it goes.

About My Tips.

I want to tell you fellows, that you can depend absolutely on the daily tips which appear at the head of my column. There is a certain amount of bunkum in my letters, perhaps, but the tips are exact and placed together will eventually be my undoing. I always get caught finally by some fellow who studies my daily "tips."

Willie Nails False Rumor Concerning Him.

Now, fellows, I want to kill once for all a report that has been going around town about me.

It's not true that I am one of the things found in the City Reservoir. I don't believe Ned McKoon ever said I was. There have been a good many false rumors going about with regard to finds in the City Reservoir. Well, the report about me probably arose from the fact that I arrived about the time Ned began his work at the reservoir. That's not where I came from and, I am sure, Ned will confirm this if you ask him.

New Industrial Opportunity

Do you know, people, some of the fellows think I'm Reg. Bartlett, of the Board of Trade. Well, I'm not saying whether I am or not, but any way since I began to pose as Willie Wander, of your city, I have discovered an opportunity for a brand new industry in your community.

I don't go around a town with my eyes closed and if I can do anything to help the industrial growth of a place, I am always ready to do it. There's one fine opening for a new industry here that I am surprised some bright fellow hasn't taken up. I refer to the opportunity for a dredging concern at the new Country Club, in connection with the island green of the third hole. Fine chance to "float" a company here. Say, fellows, I don't know, but I'll take this on myself when I get through with you. They tell me there are upwards of a million golf balls in that pool which surrounds said third green. Most of them are new. Say they average in value 60c. There's \$600,000 worth of good golf property in your muddy water hole.

If you want to get in on the ground floor of my new company (Continued on page Nine)

New Australian Tariff Will Have Effect On The Canadian Automobile Export Trade

Duty on Unassembled and Assembled Canadian Chassis Is Raised—New Rates Become Effective Immediately.

(Associated Press Despatch) SYDNEY, Australia, Sept. 30.—The new Australian tariff, effective immediately, will have its effect on the Canadian automobile export trade with Australia, which during the past two years, has averaged \$7,500,000 in value. Canada comes under the intermediate tariff in Australia. Hitherto, the duty charged by Australia on unassembled motor chassis from Canada has been 12 per cent; this under the amended schedule, will be increased to 11 1/2 per cent, which the former rate of 12 1/2 per cent on assembled chassis is raised to 20 per cent.

The new tariff, in the case of the United States, will be increased from 12 1/2 to 17 1/2 per cent, on unassembled chassis, and from 17 1/2 to 25 per cent, on American made assembled chassis.

English made unassembled chassis will be admitted to Australia free of

duty, while an impost of 5 per cent. is put on assembled English chassis. The Minister of Customs, Hon. H. E. Pratt, in introducing the new tariff in the House of Representatives, said that during the last financial year the value of imported motor chassis was \$61,250,000, of which the United States share was \$37,500,000, United Kingdom \$15,000,000, and Canada \$5,000,000. It is not expected that these figures will be reached during the coming year.

The Minister said he hoped the new tariff might cause a good deal of the trade in motor cars to shift from United States to Britain and cause a stimulus to inter-Empire economic development. The new schedules were effective today. The increased revenue from it, it is expected, will be \$2,500,000, which will go towards the road development scheme.

QUEEN MARY DANCES ENTHUSIASTICALLY AT GILLIES' BALL

BALMORAL CASTLE, Scotland, September 30.—Queen Mary has set a dance record for queens. At the Gillies' ball, given here Wednesday night by the King and Queen to three hundred tenants and employees of the royal estates in Scotland, the Queen danced twelve of the fourteen reels, polkas and Circassian circles. She danced with gardeners, footmen, chefs and guests. Those present included the Prince of Wales, the Duke and Duchess of York, Prince Arthur of Connaught, and the Princess of Connaught.

British Foreign Office Scouted The Reports Of 'Mediterranean Entente'

View in London Is That There Was Little or No Significance in Meeting of Sir Austen Chamberlain, Foreign Secretary, With Premier Primo de Rivera of Spain, at Barcelona.

INTERNATIONAL ZONE OF TANGIER MAY POSSIBLY HAVE BEEN DISCUSSED

Pointed Out That Sir Austen's Recent Speech Before League of Nations at Geneva, in Which He Declared That Great Britain Would Make No Further Commitments in Middle Europe Under Any Circumstances, Applies to Mediterranean as Well.

(Associated Press Despatch) LONDON, Sept. 30.—The British Foreign Office today scouted reports in the continental press that a "Mediterranean Entente" is likely to result from the meeting of Sir Austen Chamberlain, Foreign Secretary, with Premier Primo de Rivera, of Spain, at Barcelona.

The question of the International zone of Tangier, over which Spain would like executive control, may have been discussed, but the view in London was that there was little or no international significance in the meeting, which was largely a courtesy call by the Spanish premier and largely of a social character.

It was pointed out here that Sir Austen's recent speech before the League of Nations at Geneva declaring that Great Britain would make no further commitments in middle Europe under any circumstances applies to the Mediterranean as well.

British officials declined to comment on the internal situation in Spain.

The Daily Express declares that the Spanish National Assembly, which has been summoned for October 10, is a sham assembly "packed" with nominees to bolster up the authority of Premier Primo de Rivera.

Spain's dissatisfaction with the present international administration of Tangier under the convention of 1925 is well known, but the British policy, it was stated, is unchanged. Great Britain wants Tangier to remain international with an open door policy in effect and wants the district to remain unfortified.

AGREED THAT IT IS TOO EASY FOR HALF-WITS AND ROAD-HEATHENS TO GET HANDS ON STEERING WHEEL

Delegates to Canadian Good Roads Association Annual Meeting Discover that Problem of Highway Accidents and Their Prevention Is Far Too Tangled to Solve in Half Day's Discussion—Debate on "Harvest of Death" Carried On in Presence of Cabinet Ministers, Government Officials, Highway Engineers and Citizens.

(Canadian Press Despatch)

NAGARA FALLS, Ont., Sept. 30.—Although the Canadian Good Roads Association tackled the problem of highway accidents and their prevention energetically at the annual convention of this organization in session here, they made the discovery yesterday that the problem is far too tangled to solve in a half day's discussion.

In view of that, a sheaf of suggestions has been handed to the executive committee, to be compacted and passed along to the next meeting of the Interprovincial conference in the hope of obtaining an essential and unified Dominion-wide legislation. The three hour debate on the "harvest of death" was carried out at the final session of the association, in the presence of cabinet ministers, government officials, highway engineers and citizens.

As Dangerous as a Maniac With a Loaded Gun

There were several points regarding automobile regulations, on which they appeared to be fairly well agreed—that it is "too easy for

half-wits and road-heathens to anchor themselves behind a steering wheel." As one delegate expressed it, all a person needs is two hundred dollars and a disregard for the lives of others. With those possessions he can walk down to the corner lot, buy a second hand car, pay for a half-hour's instructions and then start along his way, fully equipped so far as the law is concerned, but as dangerous as a maniac with a loaded revolver in his hands. He may not kill anybody, but that is not his fault.

Amazing the Chances Motorists Take

It was generally expressed by the delegates that it could be made more difficult for new drivers to secure an operating license, and if all drivers, new and old alike, could be taught courtesy while on the road, a big step would be taken in the direction of reducing motorist deaths to the minimum. If this could not be done, it was generally agreed that the harvest of highway accidents would cause public opinion to such a point that the whole motoring business may suffer a severe setback.

J. Prowse, a Nova Scotia locomotive engineer for forty years, declared it was amazing the chances motorists would take at level crossings.

He told of numerous motor cars dashing at his engine and just escaping a crash by an evasive, while many others struck the side of the train. He suggested that pedestrians should be taught that it is illegal to cross roads and streets at other points than intersections. If they violated this rule, a fine should be imposed. The convention was adjourned.

First Class Progress Is Being Made With Plans For Inter-Empire Airship Service

Two Airships Expected to Be Ready for Trials Next Year, But Will Be Required to Undergo So Many Tests That First Trip from England to Australia Is Not Contemplated Before 1930 and Regular Service Not Before 1934.

(Associated Press Despatch)

LONDON, Sept. 30.—Steady progress is being made in the plans for an inter-empire airship service, which were initiated some months ago. Announcement that the South Africa government has concluded an agreement with the Imperial Airways Inc., for the erection of a mooring mast at Tongaat, is an outcome of the Imperial Airship mission's visit there. The members of the mission, who are touring the Dominions in connection with provisions for the establishment of the needed mooring masts, are now in Australia for a similar purpose.

The airship service plans call for the construction of two giant air liners to carry one hundred passengers each. The first route will be from England to Australia, stopping in Egypt, India and Ceylon for refuelling. Nine days will be the scheduled duration of the trip. The two airships now are being

built at Howden, Yorkshire. They are expected to be ready for their trials early next year, but will be required to undergo so many tests that the first trip from England to Australia is not contemplated before 1930 and regular service not before 1934.

MR. ROY KENDALL RESIGNS AS ORGANIST OF PLYMOUTH CHURCH.

At a special short meeting of the committee of stewards of Plymouth United Church held last evening the resignation of Mr. Roy Kendall, organist and choir master of the church for the past seven years, was presented to the meeting by Mr. L. W. Cook, chairman of the music committee.

In his letter of resignation, Mr. Kendall referred to the very happy relations that have been maintained during his term of office, and the great grief that he and Mrs. Kendall felt at the prospect of leaving Sherbrooke. In accepting another post in Perth, Ont., he was moved by the prospect of larger opportunities in his profession.

The resignation was accepted with great regret by the meeting, many expressions of high appreciation of the excellent work done by Mr. Kendall being offered by those present.

A special committee was appointed to arrange for a wider expression of this appreciation before Mr. Kendall severs his connection with the church, and the music committee was authorized to take steps to secure a successor to him.

Mr. Kendall will leave Sherbrooke at the end of October for Ontario, where he will take up his new duties.

SAND ROADS ARE FAVORED BY TOURIST

New York Tourist to Canada Expresses Pleasure at Travelling Over Sand Road from Quebec to Sherbrooke.

According to the official monthly bulletin published by the Provincial Department of Roads, the roads in the vicinity of Sherbrooke are very popular with motorists, as a tourist from New York is reported as having said, "Partly as a result of the courteous attention given me by the Sherbrooke Ploughmen's Association, when they held their forty-eighth annual ploughing match on Tuesday, October 4th.

An event which should be of more than ordinary interest is being planned this year by the Sherbrooke Ploughmen's Association, when they hold their forty-eighth annual ploughing match on Tuesday, October 4th.

This event, which will take place on the Willowdale Farm, owned by Beattie Brothers, on the East Sherbrooke Road, midway between Sherbrooke and Lennoxville, should attract a larger attendance this year than ever. The fact that an association has been in existence for forty-eight consecutive years should be enough to prove that it has been a benefit to the community and is worthy of the support which it receives from the citizens of the cities and towns as well as the farmers of the community.

An added feature to the event is that the association have secured the aid of an instructor from Ontario, who will be in the community the day previous to the match in order to help instruct the younger ploughmen in the art of better ploughing. The directors hope to arrange for two or three places for forty-eight consecutive years should be enough to prove that it has been a benefit to the community and is worthy of the support which it receives from the citizens of the cities and towns as well as the farmers of the community.

A splendid prize-list has been prepared with over \$600 worth of prizes offered, including a handsome engraved Trophy Cup by the E. Eaton Company of Toronto, Ont., for the best ploughing with a walking plough by a boy over

sixteen years and under twenty years of age. Other valuable cups and trophies are also offered in the various classes.

The annual banquet and prize distribution will be held the evening of the match, at which Professor K. Summerby of Macdonald College

will give an address on "The Principles and Value of Good Ploughing". A short musical programme has also been prepared in addition to the distribution of the prizes to the winners.

Prize-lists may be secured from the secretary-treasurer, or entries

may be made previous to the match if desired.

The officers of the association are: President, Mr. E. C. Rose, vice-president, Mr. E. Ducker, and secretary-treasurer, Mr. J. D. Lang, with Mr. W. G. MacDongall as agricultural demonstrator.

THE MOTOR HIGHWAY PROBLEM.

The Good Roads Convention, at Niagara Falls, has been very much concerned with the motor accident situation. Having promoted the construction of good highways, thus encouraging the general use of motor cars, the good roads organizations are very properly studying ways and means of making these roads safe for the travelling public.

They start out with the assumption that most motor accidents are due to the carelessness of the driver. This is no doubt the case. Barring the occasional breaking down of the steering apparatus or of some other part of the car, throwing it from the road, carelessness at the wheel is present in about every mishap.

This makes the solution still more difficult, for carelessness and recklessness has always been characteristic of individuals and always will be. Some motor drivers have a bump of caution and some have not. Some will always round a curve, close in on the proper side, with car under absolute control to meet any emergency that may present itself, while others will take a chance. Some drivers lack a sure eye for distance and crashes occur in passing along crowded streets or in meeting cars on highways.

The fast driver is not necessarily the most dangerous driver, though recklessness and speed often go hand in hand.

The convention at Niagara is urging the "Safety First" principle. That is good and should be kept to the fore at all times.

But it is not enough. A careful classification of motor accidents would very possibly reveal certain causes as predominating. Liquor would have its place. Perhaps youthfulness of drivers would show up prominently. Old age might be there, also. This might suggest a closer scrutiny of the qualifications of those who take out driver's licenses.

The loss of life and limb through motor accidents is appalling. Stern measures, if practical would be justified, in an effort to lower the toll.

THE POTATO CROP.

What did civilized countries do before the potato became a staple article of food? At any rate we are, today, almost as interested in the potato crop as we are in the wheat harvest.

A week ago, a rumor of potato shortage sent the price of tubers up. A press despatch from New Brunswick, a source of a considerable part of the Canadian supply, says the crop is coming out of the ground in much better condition than had been anticipated and that the estimate that the crop would be about fifty per cent. must be revised, showing a smaller loss by blight.

In the Eastern Townships, there is said to be a fair yield, damaged in some places by rust and rot.

However it now looks as if the supply ought to be ample to hold the market steady at a fair price.

SOME WE'D LIKE TO MEET

We'd like to meet the man who lives
Some distance down the street
Who when the midnight hour is struck
And we're in slumber sweet,
Throws wide the windows of his home
So all the world may know
He's getting San Francisco
On his super-radio.

We'll like to meet the dapper chap
Who came to us last spring
And offered us in naming stock
A "simply certain thing."
He sent us our certificates
Embossed in red and gold,
He said that he was selling us
And now we know we're sold!

We're looking for a lot of boys
We've met at different times
Who fooled us with their pleasant noise
And glowing nursery rhymes;
Who've sold us books we'll never read
Of men of high renown.
On some dark street we'd like to meet
Those boys who did us brown.

THE CAREER OF JERDANOWITCH

(By Dr. Frank Crane)

The career of Pavel Jerdanowitch is instructive. His paintings have been exhibited in Chicago and New York and have been favorably commented upon by many of the art journals of America and France.

The French journal, the Review of the True and the Beautiful, asked for the artist's interpretation of his pictures and also for his autobiography. It published a reproduction of one of his paintings, saying, among other things: "This artist has a distinctly individual manner in representing people and objects, and uses the brush to symbolize the sentiments. Pavel Jerdanowitch is not satisfied to follow ordinary paths. His spirits delight in intoxication, and he is a prey to the aesthetic agonies which are not experienced without suffering."

The artist in question grew a beard, wrinkled up his forehead and, looking very Russian, supplied his photograph, also his autobiography.

He said he was born in Moscow and came to America ten years ago. He claimed his picture represented the breaking of shackles of womanhood. Women were prohibited from eating bananas on her native island. The woman in the picture had just taken a luscious bite and was waving the banana skin in triumphant new freedom!

As a matter of fact it was all a hoax. Pavel Jerdanowitch is none other than Paul Jordan Smith, an author, who doesn't know any-

thing about paintings and doesn't claim, to.

His wife is somewhat of an artist, Sarah Bixby Smith. Just for fun he painted a picture of a woman eating a banana and her mouth filled with the luscious fruit. Triumphant she waved the skin in her hand. A skull lurked in the background.

An artist visiting him took Paul Jordan Smith's picture for a Gauguin. Smith suggested that he couldn't see much in it himself but a crude daub. "Oh, but you can't see into the artist's soul," replied the other. "There is probably a great thought behind it."

So Paul Jordan Smith sent his picture to the Waldorf Astoria for an exhibition in the spring of 1925 and ascribed it to Pavel Jerdanowitch, a name he had made up. He called his masterpiece, "Exultation." The critics fell over themselves to praise his work and art reviews spoke highly of it.

All of which goes to show that some high brow talk is purely bunk.—Cpt. 1927.

All too frequently, "personality plus" is personality plus a loud mouth.

All of life is like that. The hard part of an endurance flight is the first climb.

There wouldn't be any capital punishment, however, if humans had no capacity for revenge.

PRESS COMMENT

HOME FRUIT.

The Mayor of Chicago declares that American boys shall not be cannon-fodder for the battlefields of Europe. The battlefields of Chicago come first, of course.

A SECRET NOT PATENTED.

The nine Ohio farmers who each produced more than three hundred bushels of potatoes on an acre last season have a farm relief system of their own, but it is not patented, not exclusive. It is available to every farmer.

Some farmers produced only one hundred bushels of potatoes to the acre last season, some as few as fifty bushels.

There is no urge at this time for increased food production, but a greater production from fewer acres means less investment in land, less plowing and planting and cultivating.

Flood, drought and unseasonable frosts cannot be prevented. They bring bad luck to the best farmers, but selection of the best land for certain crops, certified seed, good fertilizer and plenty of it and scientific methods will spell success in farming in the long run.

FLYING ONE'S SPORT-MODEL AIRPLANE.

Ten years seems a remarkably short time wherein to reach the state of navigation which the pioneer globe-circling automobilist, Lieut.-Col. Charles J. Glidden, predicts, when we shall all be flying in little machines, which will then be the ordinary means of transportation. As he puts it, when people go out to visit their friends, instead of taking their umbrellas, they will take their sport-model airplanes.

What renders this forecast particularly significant, however, is the fact that it points so emphatically to the extraordinary rapidity with which the limitations of mortal belief are today being overcome. What will be the situation fifty years from now—or two hundred? And this not so much from the standpoint of the actual material achievements, as from the point of view of what those achievements mean in the unfolding of human experience.

Little by little humanity is lifting itself out of the false beliefs which have for thousands of years prevented it from manifesting those qualities of greatness which are the inherent birthright of man. And the wonderful inventions of these later days point more and more clearly to the actuality of man's selfhood, untrammelled by any harassments of time, space or matter in any aspect.

As one looks back through the centuries, the development of mortals has been coincident with their throwing off of ignorance, and the superstitions and horrors of centuries gone by all sprang from the limiting beliefs which were allowed to frighten men out of the recognition of their true heritage. From flying one's sport model airplane it should be but a small step to the demonstration of man's real freedom from all material limitations, for the wonders of this present age point to the day when the universal brotherhood of man will have been wrought out as the natural status of humanity.

Social and Personal

Miss Newell, of Hanover, N.H., is spending a few days here, the guest of her sister, Mrs. G. H. Bradford, Montreal Street.

Mrs. George D. Crabbs, of Cincinnati, who has been the guest of Mrs. J. H. Blue, Elizabeth Street, has left for her home.

Mrs. H. Soanes, who has been the guest of Mrs. Alex E. Berwick, Quebec Street, returned to her home in Smith's Falls, Ont., this morning.

Miss Helen Cohen and her friend, Miss Daisy Topp, who have been visiting the former's parents over the Jewish holidays, have resumed their studies at Macdonald College.

Mr. and Mrs. Hilaire Roussie, of Washington, D.C., who have been guests of Mr. and Mrs. J. T. Hawkins, Fulton Avenue, left yesterday, accompanied by Mr. and Mrs. Hawkins, for Quebec City. They expect to return this evening and later will return to their home.

The bridge and sale which was given by the I.O.D.E. yesterday afternoon in the Masonic Hall was very successful. Altogether there were seventeen tables of bridge and "500," and six prizes were given. Mrs. G. S. Thompson was convener of the tea, and Mrs. L. Fuller of the food table. Mrs. G. Bambridge looked after the flower table and Miss Florence Ingram had charge of a cake that was raffled, the cake being donated by Mrs. Saunders. Mrs. Albert Wiggett and Mrs. Bambridge were in charge of the bridge tables. After all expenses were paid, a very gratifying sum remained, with which the I.O.D.E. intend to make some repairs at the Memorial Hospital.

The opening dance of the season at Bishop's College was held last evening in the gymnasium. The "introduction dance" or "Freshmen's Dance" serves the purpose of bringing the first year into closer acquaintance with the rest of the college. Last year the dance was held in conjunction with the visit of the McGill Rugby team. It was hoped this year that the "Old Boys" game would follow the same date, but unfortunately the game had to be postponed.

About one hundred guests were present. These were received by Mrs. E. E. Boothroyd, Mrs. A. V. Richardson, Miss Marion Burt, senior lady and Mr. F. Greene, president of the students' executive council. Rev. Dr. A. H. McGreer, principal, was also present, as well as other members of the faculty.

Conspicuous among the dancers were the freshmen with rattles on their arms, and their name on a card pinned to their coat lapels. The "freshettes" wore green ribbons and carried dolls.

Refreshments were served during intermission by the freshmen. A six piece orchestra was in attendance and furnished music until midnight. The affair was a decided success and proved another feature of the social life at Bishop's University.

STRICT WATCH OF TRAFFIC IS NEEDED IN CITY

This Morning Elderly Lady Was Very Nearly Trampled Under Feet of Horse as She Attempted to Cross Street—Traffic Officer Did Not Even See Occurrence.

It is felt that there is immediate need for more careful direction of traffic at the corner of King and Wellington Streets, especially during the week-end when there are many people crossing the streets as well as many autos and teams coming along in all directions.

This morning two accidents were narrowly averted and it was not in any way due to the efforts of the traffic officer on duty that the ambulances were not required.

At the time referred to the traffic officer was facing King Street west and was not paying any attention to what was going on back of him. The result was that an elderly lady started to cross the street, but just as she stepped onto the road a baker's team came around the corner, and it was only through good luck that the horse was directed out of the way of where the lady was standing. The pedestrian was very alarmed and for a few moments it seemed as though she could not fall but be trampled under the horse's feet. Fortunately, however, the incident passed without any serious mishap. The traffic officer did not even see what was taking place behind him, or if he did was not in the least interested, as he did not attempt to do anything.

A few minutes later another lady started to walk across the street as an automobile came around the corner and was forced to make a hurried jump to get out of its path.

This is a dangerous corner and the present difficulty seems to be that the officer somewhat overlooks the traffic coming up King Hill, with the result that rather than wait for the signal to go, motorists attempt to slip by without the officer's notice and hurry around the corner, often just as a pedestrian is about to cross the street.

After witnessing one of the near accidents this morning a prominent citizen was heard to remark that the time had come when there should be a strict control of both pedestrian and automobile traffic at the corner of Wellington and King Streets.

The engagement is announced of Islay Margaret, youngest daughter of the late Mr. Charles Campbell and Mrs. Campbell, of Richmond, Que., to Mr. Wm. Charles Hudson, son of the late Mr. F. W. Hudson, and Mrs. Hudson, of Montreal, Que. The marriage will take place quietly the latter part of October.

Mr. Robert Stenson, of St. Johnsbury, Vt., brother of the late T. W. Stenson, and Dr. J. A. Drouin, also of St. Johnsbury, Vt., were in the city yesterday to attend the ceremonies in connection with the installation of the Right Rev. A. O. Gagnon as Bishop of Sherbrooke. Dr. Drouin was during his student days at St. Charles Seminary one of Bishop Gagnon's pupils.

The opening session of the semi-annual meeting of the Quebec Provincial Chapter of the I.O.D.E. will be held here in the Art Hall on October 5 at 2 o'clock. There will be an evening session at the Magor House at 8 o'clock, and again the following morning a session will take place from 10 to 1 o'clock at the Art Hall. Following this, a luncheon will be held at the Country Club, when the visiting delegates will be guests of the Sherbrooke Chapters.

The regular September monthly meeting of the W. M. S., of Plymouth Church was held yesterday afternoon in the church hall, with the president, Mrs. W. H. Abbott, in the chair. The president conducted the devotional exercises, after which the regular routine of business was taken up. Miss Agnes Edwards brought before the meeting the fact that she had some very interesting lantern slides which she thought could be used with profit at some of the meetings. This matter was left in the hands of Mrs. Abbott, Miss Edwards and Dr. G. Ellery Read. It was decided to have the thank-offering meeting at the regular October meeting. Following the business meeting, Dr. Read introduced Mrs. Leask, of New Zealand, who gave a most interesting talk on work done among the Maoris, the aborigines of New Zealand. Mrs. Nakash delighted those present by singing several selections, accompanied by Mrs. G. Ellery Read. The hostesses at tea were Mrs. F. S. Rugg and Miss Ranshouan, assisted by Mrs. J. Lynn, Miss Alice Sangster and Miss Hope McLagan.

LARGE NUMBER OF CASES WERE HEARD TODAY

Several Cases Were Adjourned Until This Afternoon—Many Spectators on Hand.

With every possible space of the Magistrate's Court filled with spectators, Judge J. H. Lemay took the Bench this morning to open what proved to be one of the busiest days held in the local court for some time.

Several minor cases were heard. Philip Colby, of Ascot, appeared on a charge of stealing chickens from John Racey, of that place, on August 28th. The accused pleaded "not guilty" and the case was adjourned until this afternoon for hearing. The preliminary hearing of Ade-

lard Patrie, of Scotstown, who is facing a charge of guilty negligence in connection with the death of his four months old boy, was set for Wednesday next.

Joseph Lemay pleaded "not guilty" to a charge of selling liquor in the township of Whittow, which is under the Scott Act. The hearing was postponed to Wednesday next. Frank Malouin, of Coaticook, who was arrested yesterday afternoon by High Constable Philias Lancet on two charges in connection with selling and having in his possession cigarettes said to have been smuggled into Canada without the payment of duties, appeared before Judge J. H. Lemay this

morning and pleaded "not guilty" to both charges. The preliminary inquiry will commence on Wednesday next.

The cases of Mariette Cabana, 76 Cummings Street, and Therese Roy, 39 Drummond Street, who are charged with "abduction", by Adolphe Roy, of this city, will be heard this afternoon in the Magistrate's Court.

Manufacturers of Children's Wear Millinery A Specialty

Dear Madam:—

Since retiring from Millinery about a year ago, I have looked about for a new business, something that was in Sherbrooke.

After a careful survey I have found that our city needs—and needs badly—a store where CHILDREN'S WEAR can be procured.

OCTOBER THIRD I am opening on up-to-the-minute store at 126 Wellington North, with a complete line of WEAR FOR CHILDREN. A great number of lines will be manufactured by me, so that I will be able to sell to you at much lower than regular prices. The lines not manufactured by me will be sold at reduced prices, through an arrangement with some manufacturers.

I will also make a specialty of Wedding and Mourning Hats for Ladies and Kiddies' Hats, and will keep only the latest and most charming creations. Madame Laliberte, well known in Sherbrooke, will assist in this department.

I extend to all my previous customers and friends a cordial invitation to visit my store on the evening of its opening, and inspect this new line of CHILDREN'S WEAR AND LADIES' HATS. There will be models to demonstrate the Hats at 8 p.m.

Hoping to again have the pleasure of serving you, I remain,
Yours cordially,

Miss CONWAY

BABE RUTH TIED HIS 1921 HOME RUN RECORD

Smashed Out Two More Circuit Hits Yesterday—Pirates Need Only One More Victory to Capture Pennant.

(Associated Press Cable) NEW YORK, Sept. 30.—Baseball interest was divided today between Babe Ruth's effort to establish a new home run record and the closing manoeuvres in the National League race, where the Pittsburgh Pirates need only one more victory to clinch the flag, although St. Louis and New York are not altogether out of the running.

Ruth yesterday tied his 1921 record of fifty-nine home runs when he belted the ball out of the stadium in the fifth inning of the Washington game, which New York won by 15 to 4. The bases were loaded at the moment and Paul Hopkins a recruit was pitching. Ruth's fifty-eighth circuit smash came in the first inning with the bases empty and Liscombe on the mound.

More than 20,000 fans jumped to their feet and acclaimed the "Babe" as his fifty-ninth soared over the right field wall. In the seventh Ruth caromed the ball off the right field wall for a triple and in the ninth he drove a towering fly to right where it came down a few feet inside the playing field and in the outfielder's hands.

The captain of the home run in-

dustry has two more games to play against Washington and is confident he will get his sixtieth homer before the curtain is rung down on the American League season.

Much of the tenacity in the National League passed out yesterday when Cincinnati clapped on a 3 to 2 beating to the St. Louis Cardinals. With Pittsburgh players in the stands the Reds got to Frankhouse, Texas League recruit, for all their runs in the fourth.

If ever New York or St. Louis is to get into the running the Pirates must drop all their games at Cincinnati. Should that highly improbable upset occur and the Giants win their three games and the Cardinals win the two they have left to play, all three teams would be in a final tie. National League rules require that in such an event a series of nine games must be played, to determine the winner. That would hold up the world series for ten days or longer.

Two other games were played yesterday in the majors. In the American Boston defeated Philadelphia by 6 to 1, and in the National Philadelphia romped over the Boston Braves by 7 to 5.

(Associated Press Cable) NEW YORK, Sept. 30.—Baseball interest was divided today between Babe Ruth's effort to establish a new home run record and the closing manoeuvres in the National League race, where the Pittsburgh Pirates need only one more victory to clinch the flag, although St. Louis and New York are not altogether out of the running.

Ruth yesterday tied his 1921 record of fifty-nine home runs when he belted the ball out of the stadium in the fifth inning of the Washington game, which New York won by 15 to 4. The bases were loaded at the moment and Paul Hopkins a recruit was pitching. Ruth's fifty-eighth circuit smash came in the first inning with the bases empty and Liscombe on the mound.

More than 20,000 fans jumped to their feet and acclaimed the "Babe" as his fifty-ninth soared over the right field wall. In the seventh Ruth caromed the ball off the right field wall for a triple and in the ninth he drove a towering fly to right where it came down a few feet inside the playing field and in the outfielder's hands.

GOLF AS CHAMPIONS PLAY IT

THE PLAYER SHOULD BENEFIT BY STUDYING THE SCRATCH PLAYER

Can the average player benefit by watching the scratch player in competition?

By AL ESPINOSA
Famous American Professional

The average player will be greatly benefited by watching the scratch player in competition, especially so if he will study or analyze the manner in which the shot is played. First take note of the lie, then the club used, the stance, the action of the feet, knees, hips, shoulders, arms and hands.

preliminary examination in the \$62,500 suit brought by his former trainer, Theodore (Teddy) Hayes. The former heavyweight champion's counsel fought against admission of this testimony, but Justice Walsh of State Court ruled that he must answer about one that bore the caption "Dempsey has fallen victim to Hayes"; previously Dempsey had denied that Hayes was his trainer.

Shown the syndicated article, Dempsey said he had authorized the use of his name, but did not write the articles beneath his signature and seldom read them. He said he only saw them about once a year. The article stating Hayes was his trainer was unauthorized, Dempsey said.

The examination concluded without a date being set for trial, but before Dempsey had denied that Hayes whose real name he said was "Weinstein", had been employed by him at a fixed salary. Hayes, he said, was just "one of the boys around" and who was paid sums of \$50 to \$100 as Dempsey felt like rewarding a camp hanger-on as the ex-champion also categorized Hayes.

LAUNCHES CHARGE AGAINST RICKARD
(Associated Press Despatch) SAN FRANCISCO, Sept. 30.—Tex Rickard, promoter of the Tunney-Dempsey championship fight in Chicago, must come to San Francisco on October 12th, for a hearing on a charge of violating the federal law prohibiting transportation of fight films.

Eugene Bennett, acting United States district attorney, declared yesterday.

Rickard was named in a warrant issued after the seizure of the Tunney-Dempsey fight pictures at the Capitol Theatre here. The warrant was telegraphed east for his arrest.

Hearings on the charge against the promoter and eight others arrested here will be before United States Commissioner Francis Krull. The case is said to be the first felony action growing out of showing prize fight films anywhere in the nation. The crime is punishable by a fine of \$10,000 and two years in the penitentiary. Previous prosecutions have been on misdemeanor charges, federal officers here say.

DEMPSEY MUST ELIMINATE CONTENDERS
(Associated Press Despatch) NEW YORK, Sept. 30.—If Jack Dempsey wants another chance with Gene Tunney he must eliminate every serious heavyweight contender in the boxing game.

That is Tex Rickard's comment on a third meeting between the heavyweight champion and the Manassa Mauler.

"There are about six contenders who want to get a shot at Tunney," Rickard said today. "I am willing to give Dempsey his chance, but I am going to ask him to go up against all these fellows. He can have as many fights as he wants. If Dempsey can't beat Jack Sharkey again his challenge won't stand up. If Sharkey cannot clear up his full claim he ought to step aside."

BOY SCOUT NEWS

FIRST SHERBROOKE PACK HELD MEETING.

A regular meeting of the First Sherbrooke Pack was held last night and a splendid programme was carried out.

Games played during the evening were "Turtle and Ostrich Tag," and "Guess." A.C.M. Billson, or "Baghena," was in charge. Two of the games that have been chosen for next week are "Skunk Tag" and "Prisoners."

The opening exercises were in charge of Akela, and the closing in charge of Baghena.

A feature of last night's meeting was the investiture of Harold Green. This ceremony was very impressive and the new cub was heartily welcomed into the Pack.

Akela announced that Sixer Green had been successful in winning the Cub Handbook, offered by Mr. J. Rennie to the first boy to properly pass his Tenderpad and be invested as a Wolf Cub. This competition was very keen and Second Sundborg was a close second and was accordingly presented last evening with a waterproof matchbox.

It is expected that Sixer Green will be presented with the Hand Book at the next meeting, and another investiture will take place when Lloyd Davis will become a Wolf Cub.

2nd and 6th Troops Join for Fine Meeting

With an attendance very close to the forty mark a fine lot of enthusiasm was manifested at a joint meeting of the 2nd and 6th (St. Andrew's) troops held last evening. A.S.M. Waller directed the running off of the programme, with S.M. Lynn Trussler, of the 6th Troop, A.S.M. J. Blake, A.C.M. Mills, T. L. Bowdoin, and S.M. Giovetti looking after different items. S.M. Trussler led in some fine games, while A.S.

M. Blake also gave the troop a good game, and took charge of a big class in the instruction period. A game of hand football between chosen teams from the 2nd and 6th troops provided some good entertainment and was very keenly contested. The 6th Troop came out on top, the score being one goal, to nothing. S.M. Trussler captained the 6th Troop team while P.L. Carl Sjolander acted for the 2nd troop team. A.S.M. Waller was referee.

Brief talks were given by T.L. Brownlow and P.L. Sjolander and were delivered very creditably. Troop Leader Brownlow said in an interesting manner the operations necessary in the manufacture of the products of the Canadian Connecticut Cotton Mills, from the raw material to the finished article. P.L. Carl Sjolander dealt with the official winter uniform of Boy Scouts, and other articles supplied by the Boy Scout stores department. Both talks were applauded with three hearty buzzes. S.M. Giovetti expressed the pleasure of the 2nd Troop in the attendance of their brother scouts of the 6th Troop, and suggested three cheers for the future success of this newly organized unit.

S.M. Trussler briefly replied, and led his troop in their yell, which is certainly an excellent one, and was given with perfect rhythm. The 2nd Troop then gave their yell, after which the entire assembly joined together in the national scout yell. S.M. Giovetti gave a few announcements of particular interest to the 2nd Troop, after which the meeting was closed with the usual exercise.

Court of Honor Met
Quite a lot of business was discussed at the session of the court of honor which was held after the regular scout meeting. T.L. Brownlow was appointed chairman of the acting as manager in response to progress on behalf of the committee in charge of arranging basketball games and practices. It is stated that Cubmaster C. Blake, of the 1st Pack, is considering the proposition of acting as manager in response to the request of the committee. Mr. Blake has filled the duties of manager in former years with great credit, and it is therefore earnestly hoped that he will consent to act again in this capacity.

It was decided that a Halloween party would be held, and the various committees were appointed. The Scoutmaster announced that he had bought two new scout books for the library and was donating them to the troop, and also suggested that the troop Mothers' Auxiliary be asked to lend a hand in building up this troop asset. A motion to this effect was carried unanimously. It was decided that the leaders' talk next Thursday would be given by P.L. John Gardiner. Several other matters received attention prior to the adjournment of the meeting. The patrol competition stands as follows: Wolf patrol '208 1-2; Lynx patrol, 196; Beaver, 174; Eagle, 147.

QUESTION OF LICENSES TO BE SETTLED

Interesting Case Heard by Judge J. H. Lemay in Magistrate's Court—Member of Permanent Force Charged With Driving Motor Car Without License—Discussion re Legality of Action.

"Does a member of the permanent force, employed as a chauffeur, have to be in possession of a provincial license to conduct a motor vehicle in Quebec Province?" This question, which has for the past two years caused a controversy between the Provincial and Federal governments, came up again this morning before Judge J. H. Lemay in the case of Pte. E. Dougherty, of the Royal Canadian Army Service Corps, who is charged with driving a motor car without a license on July 3rd last. The charge was made by Lowell and Girard, local collectors of Provincial revenue.

E. Gagne, Provincial officer, who stopped Dougherty, was the first witness called to the stand. Outside of showing a copy of his report and identifying the accused to direct evidence was given.

Pte. Dougherty, in giving evidence, produced papers to show that he had been on the permanent force since 1926, and that he had been employed since that time as a chauffeur. Attestation papers, showing the witness' enlistments, were also shown.

According to his account, on July 3rd he was driving the Officer Commanding the Military District of Quebec, Col. Benoit, from Lennoxville to Quebec, when he was stopped by Gagne and asked to produce his license.

A license of the car which he was driving was given. On the license were the words, "Fees paid gratis". Lt. Col. McDonald, District supply and transport officer for military district number 5, under whose orders Dougherty had been, took the witness stand and showed a copy of the report to prove that the accused was on duty at the time he was stopped by the Provincial officer.

J. Joncas, controller of Provincial Revenue, in giving evidence, stated that motor cars of the property of the Dominion Government, were given the license free, but this did not apply to the chauffeur's license. He stated that for the past two years the Federal Government had refused to pay the chauffeur's license. When questioned, Mr. Joncas stated that Provincial officers had to pay for a chauffeur's license.

As several documents had not been received and as more witnesses were to be heard, the case was adjourned for the defense was Mr. Oscar Drouin, K.C., of Quebec, while Mr. Cesar Gervais, of Sherbrooke, represented the plaintiff.

TWO TRAINS A DAY OVER OLD HEREFORD LINE

Mixed Leaves Cookshire Daily Except Sunday at 10 a.m.—On Return Trip Pulls Out of Malvina at 1.30 p.m.

SAWYERVILLE, Sept. 30.—On Monday, September 26, the first regular trains started over the old Hereford Railway line. The train, consisting of passenger and freight cars, leaves Cookshire daily except Sunday and at present goes only as far as Malvina. The time of departure from Cookshire is 10 a.m., and it stops at Slab City, Eaton Corner, Sawyerville, Clifton, St. Isidore, St. Malo and Malvina. Returning, the train leaves Malvina at 1.30 p.m., and arrives in Cookshire at 4.30 p.m., connecting with trains 236 and 237 for Sherbrooke and Lake Megantic.

The station at Sawyerville will, it is expected, handle all the business and the people there are daily expecting their new station agent. The company has installed its own telegraph line and it will be a great boon to all residing on this branch of the C.P.R. to be able to have freight, express and telegraph facilities again.

PRINCES HAD NOTHING BUT CANADIAN CURRENCY WHEN THEY ARRIVED HOME

Found They Had No English Money With Which to Pay Their Dinner Bill.

(Associated Press Despatch) LONDON, Sept. 30.—Prince George came back from Canada with the Prince of Wales with a pocketful of Canadian dollar bills. The second night here he went with friends to an after-theatre supper and then when he went to pay his bill he could not find any English money in his purse.

The King's youngest son then appealed to his eldest brother, also a member of the party, but the heir to the throne was also without any currency. The two brothers looked at one another for a moment, and, desiring the facts to be kept a secret, whispered a few words to one of their friends, and the friend paid. No one in the cafe realized the financial embarrassment of the royal pair—not even the waiters.

MARRIAGES

BERWICK-SMITH
MAFLE LEAF, Que., Sept. 28.—The marriage of Vennie Lillian, daughter of Mr. and Mrs. Fred Smith, of Maple Leaf, to George Albert, eldest son of Mr. and Mrs. A. E. Berwick of Bury, took place on Tuesday, September 28th, at the United Church, Sherbrooke, Rev. W. S. Lennon officiating.

The bride was charmingly gowned in blue silk dress with hat, shoes and stockings to match.

A reception was held on Monday evening, September 12th, at the home of the groom's parents, at which over one hundred relatives and friends were present.

The young couple were recipients of many useful gifts.

Later Mr. and Mrs. Berwick left for a two week's motor trip to different parts of the United States.

On their return they will reside in Bury.

RYLANDS-PHILBRICK
DANVILLE, Que., Sept. 29.—The marriage took place quietly on Wednesday afternoon at four o'clock at the home of the bride's parents, of Reuby Alice, daughter of Mr. and Mrs. Ernest E. Philbrick, of Danville, and Mr. Edwin U. Rylands, of Lethbridge, Alta., Rev. W. E. Long officiating. Gladioli, dahlias, asters and ferns were used as house decorations.

The bride, who was given away by her father, wore a gown of radio blue georgette and chiffon velvet and carried an arm bouquet of sunburst roses. The bride's maid-of-honor was her sister, Miss Charlotte Philbrick, who wore a frock of ash of roses georgette, and carried a bouquet of bronze chrysanthemums. Miss Dorothy Flannery, niece of the bride was flower girl.

Mr. Frank Hewitt, B. Co., of Kingston, Ont., acted as best man.

During the signing of the register Miss Kathleen Armstrong sang "Because," Mr. Wright W. Gibson, B. A., of Quebec City, played the wedding music.

After a short trip Mr. and Mrs. Rylands will leave for their home in Lethbridge, Alta. Going away the bride wore a sport costume of beige and brown with suede shoes and hat to match.

The out-of-town guests were Mr. and Mrs. W. J. Flannery and little daughter, Dorothy, of Montreal; Mr. George Rylands, of Smith Falls, Ont., and Mr. and Mrs. G. Kenneth Poyer, of St. George East.

MORRIS-HALL
KNOWLTON, QUE., Sept. 28.—The marriage of Evangeline, daughter of Mr. Eli L. Hall, of Knowlton, to Cecil Rhodes Morris, of Boston, Mass., was solemnized at half-past two Saturday afternoon by Canon Carmichael at St. Paul's Church, Knowlton.

The bride, gowned in periwinkle blue crepe and large blue felt hat with touches of silver and silver shoes and stockings, carried a shower bouquet of yellow roses.

Mrs. D. E. Jennings, of Rutland, Vt., who attended her sister as bridesmaid, wore a gown of yellow georgette black hat with touches of gold, and carried yellow chrysanthemums and blue larkspur.

Mr. Mervyn Hews, of St. Johns, acted as best man, the ushers being Mr. Eugene Hall, of Montreal, and Mr. D. E. Jennings, of Rutland, Vt.

The bride's mother was gowned in black flat crepe with hat to match, and carried red roses.

The bride was given in marriage by her brother, Mr. Eugene Hall, the single ring service being used. The music at the church was furnished by Mr. F. J. Gaudet.

The reception, following the wedding ceremony, was held at the home of the bride's mother on Lansdowne Avenue. The house was attractively decorated in brilliant autumn leaves, purple asters and yellow chrysanthemums.

Those from out of town who attended the ceremony included Dr. and Mrs. Symonds, of Waterloo; Mr. and Mrs. Clair Eastman, of Sutton; Mr. and Mrs. Mervyn Hews and Mr. and Mrs. MacMillan, of St. Johns; Miss Margaret Hinton, Miss Esther Lewis, Miss Allison Munroe, Miss Ruth Windsor, of Montreal, and Mr. and Mrs. D. E. Jennings, of Rutland, Vt.

The bride's travelling costume was a navy blue and beige tailored ensemble with shoes and stockings to match, a fox fur with small felt hat.

After a trip through Quebec and the New England States, Mr. and Mrs. Morris will reside in Boston, Mass.

BRUCE-WITTY.
WINDSOR MILLS, QUE., Sept. 29.—A quiet wedding took place at the home of Mr. and Mrs. G. A. Witty on September 21st, at 7.30 o'clock when their youngest daughter, Ethel, became the bride of Mr. Chester A. Bruce, only son of Mr. and Mrs. Donald Bruce.

The bride, who was given in marriage by her father, wore a gown of white georgette crepe over crepe de chine, with tulle veil arranged in cap effect with band of pearls and sprays of orange blossoms on either side. She carried a shower bouquet of roses and lilies of the valley.

The bridesmaid, Miss Dorothy Morey, wore a gown of gold crepe charmeuse, with a gold and rhinestone bandeau in her hair. Her bouquet was pink roses and carnations.

The little flower girl, Miss Irma Ross, niece of the bride, wore a dainty frock of white crepe de chine with a bow in her hair, and carried a basket of white asters and pink sweet peas. Mr. Robins Morey attended the groom.

The bridal party stood beneath a beautiful arch of ferns, pink and white gladioli, asters and sweet peas, the same flowers being used profusely throughout the wedding.

The wedding music was played by Miss Elizabeth Witty, sister of the bride, who wore maize georgette, with corsage of mauve sweet peas. Dainty refreshments were served in the dining room at a "T" shaped table, which was decorated with marigolds, orange shaded lights and candles. A four-story wedding cake occupied the centre of the table. Dark red sweet peas and dahlias

were used to decorate the hall and living room.

Later, Mr. and Mrs. Bruce left for Stratford, Toronto and Buffalo, the latter wearing a navy blue dress and coat trimmed in grey, with grey hat, gloves, shoes and stockings.

The groom's gifts were a rope of pearls to the bride, a white gold brooch to the bridesmaid and a diamond, signet ring to the little flower girl, and cuff links to the best man.

ARMSTRONG-CRAHAM
A marriage ceremony was quietly solemnized on Wednesday afternoon, September 28th, at St. Andrew's Presbyterian Church, when Miss Margaret Ann Graham, of Scotstown, Quebec, until quite recently on the nursing staff of the Sherbrooke Hospital, became the bride of Mr. Carlos Armstrong, also of Scotstown.

Rev. Alfred Bright, minister of St. Andrew's Presbyterian Church, officiated at the ceremony.

Mr. and Mrs. Armstrong left the city for Montreal and other places and after their honeymoon, will reside at Scotstown.

PIKE-SMITH
SOUTH DUNHAM, Que., Sept. 30.—The marriage of Etta J. Smith, of South Dunham, to Mr. Richard Pike, of Montreal, was quietly solemnized at the bride's home on Thursday, September 28th, at two o'clock in the presence of a few of the immediate relatives of both parties.

The ceremony was performed by Rev. T. Knowles, now of Sawyerville, a former pastor and friend of the contracting parties.

Miss Margetta Fee, cousin of the bride played the wedding march.

Following the ceremony supper was served in the dining room which was tastefully decorated with autumn flowers.

The bridegroom's gift to the bride was a pearl necklace and cheque.

They received many useful gifts including china, linens and silver, some of the gifts having been sent from a distance by former pupils of the bride.

Mr. and Mrs. Pike are planning to leave for a holiday trip to Boston, Chicago and other points, and on their return will reside at the home of the bride's brother, Mr. Herbert Smith, for a time.

BARTON-MACY
BERLIN, N. H., Sept. 30.—An attractive church wedding was solemnized at St. Barnabas' Episcopal Church on Saturday evening, September 24th at 7.30 o'clock, when Miss Isabel Parker Macy became the bride of Charles Bradford Barton, Jr., Rev. L. W. H. Clifford, rector of the church, officiated. A trio composed of Mrs. E. R. McGee, violin, George Stevens, 'cello, and Mrs. H. Farrand played during the ceremony, and H. Tindell Reeburn, of Portland, Me., sang "O Promise Me" at the beginning of the service.

The bride was given away by her father, Mr. Charles Macy, and the hymn "O Perfect Love" just before the benediction.

The bride was beautifully gowned in white satin embroidered in silver with veil of tulle and lace caught up with orange blossoms, and carried a shower of white roses and lilies of the valley. She was attended by her sister, Miss Margaret M. Macy, who wore peach colored tulle with green velvet, appliqued in pastel. Her picture hat was of cream lace and green velvet. She carried sweetheart roses. Edward Barton, Winchester, Mass., a cousin of the groom, was best man. The ushers were: Messrs. Gordon Brown, Robert Rich, S. G. Blankenship, Robert Macy, of Berlin, and Robert Wolf, of New York City. The bride was given in marriage by her father, Mr. E. McCourt Macy.

Following the ceremony an informal reception was held at the home of the bride's parents, Perkins Place, Mr. and Mrs. Barton left immediately by motor for a tour of Maine and Canada, before going to Plainville, Michigan, to make their home, where Mr. Barton is assistant superintendent of the Michigan Paper Company, at Plainville.

Mrs. Barton is a graduate of St. Mary's School at Concord, N. H., and has been a teacher in Miss Chapin's school, New York, for three years. Mr. Barton is a graduate of Exeter, 17 and M. I. T., '21, and is a member of Phi Sigma Kappa. He is the son of Mr. and Mrs. Charles Bradford Barton, Prospect Street, Berlin, N. H.

The out-of-town guests included Mr. and Mrs. J. L. Barton, Miss Elizabeth Barton, Edward Barton, Winchester, Mass., Mrs. Robert B. Wolf, Miss Anna Wolf, Robert Wolf, Jr., New York City, Mr. and Mrs. H. T. Raeburn, Mr. and Mrs. T. W. Estabrooke, Portland, Me., and Mr. William Parker, Montreal.

Miss Macy is a granddaughter of the late Capt. Mac, of Melbourne, Que., and the late Mr. Frederick Parker, of Frelighsburg.

HAS DISCOVERED OLDEST DEED KNOWN CONNECTING WASHINGTON AND SULGRAVE

It Is Dated 1597 and Is Signed by Ancestors of George Washington.

(Associated Press Despatch) LONDON, Sept. 30.—What is understood to be the oldest deed in existence connecting Washington and Sulgrave has been discovered by John Bennett, a farmer of Addbury, near Banbury, in an old box of parchments which he purchased at a sale for a shilling. It is dated 1597 and signed by the ancestors of George Washington.

The deed is a transfer of land at Sulgrave, and bears the signature in plain handwriting of Laurence and Robert Washington. Underneath each is attached the seal of the Washington family. Hitherto the earliest deed known was that of Sulgrave Manor, underneath the date of 1599. Laurence Washington was the first of the family to own a manor.

Jr., New York City, Mr. and Mrs. H. T. Raeburn, Mr. and Mrs. T. W. Estabrooke, Portland, Me., and Mr. William Parker, Montreal.

Miss Macy is a granddaughter of the late Capt. Mac, of Melbourne, Que., and the late Mr. Frederick Parker, of Frelighsburg.

THANKSGIVING SERVICES WERE HELD AT BURY

Large Congregations at St. Paul's Anglican Church on Sunday—Stained Glass Window Dedicated to Memory of Colin Worthington Pope Ramsey—Personals and General Notes.

BURY, Que., Sept. 30.—The annual harvest thanksgiving service was held in St. Paul's Church on Sunday last. The interior was most profusely and artistically decorated with flowers, autumn leaves, fruit, etc., and presented a most attractive appearance. There were large congregations. The early service of the Holy Communion was taken by Rev. C. T. Lewis, and many communicants were present. The major portion of the service was taken by Rev. C. T. Lewis, assisted by the Rev. Frank Cooke, who has been appointed a missionary on the Labrador coast. Major Buckland preached stirring and earnest sermons both morning and evening on the subject of true thanksgiving.

During the morning service a new and very beautiful stained glass window was dedicated. Major Buckland afterwards paid tribute to the faithful and most efficient work accomplished by the deceased when colonel of the C.R.C.O., overseas, during which period he won the D.S.O. The inscription on the window is "Be Thou Faithful Until Death—To the Glory of God, in loving memory of Colin Worthington Pope Ramsey—Erected by his mother and sister, Florence Allen, Rural Dean Buckland complimented the Ladies of the Congregation upon the elaborate and artistic decorations and congratulated the congregation in adopting the true scriptural means of raising money for the church by giving a thank-offering. The special harvest thanksgiving hymns were very nicely sung by the choir. The thank-offerings amounted to nearly \$90.

The rector and wardens of St. Paul's Church have decided to enlarge St. Paul's Cemetery. On Tuesday last the following men of the congregation very kindly gave their services and assisted at the "bee" for digging the holes and sinking posts to fence in the cemetery: Mr. Forrest Barber, people's warden, Messrs. Robt. Kane, Gilbert Ross, Adam Ross, W. J. Morrow, Adam Pickford, Oliver Barber, Frank Cumming, S. J. Pringley, W. Matson, Duncan McLean and Clifford Anderson. The purchase of this additional piece of land has been made possible by the generous donation of Col. O. L. Pope.

On Sunday, October 2nd, the Lord Bishop of Quebec will administer the Holy Communion in St. Paul's Church at 8 a.m. and afterwards hold a confirmation service at 11 a.m.

GUARDING AGAINST COLDS
There is some truth in the common statement that you "catch a cold". The immediate irritating cause which often starts a cold is the breathing in of dust containing irritating bacilli which are ever present in the air above us. If we breathe this air into our noses and mouths, these bacteria catch on the mucous membranes and begin to propagate if there is sufficient soil in which to grow.

If the mucous membrane on the inside of the nose is discharging an over-accumulation, these micro-organisms will develop very rapidly. This secretion can only come from a blood stream loaded with the by-products of imperfect metabolism, excess food of all kinds, which is digested and assimilated, adding an extra amount of morbid material which the blood plasma must carry around the body until it is eliminated.

This heavily laden blood passes through all parts of the body from the feet to the head, and, when passing through the mucous membranes, if there is too much irritation there, the tendency is for these waste products to eliminate in the form of excessive secretion.

That is normal fluid secreted by the mucous membranes and the body uses this medium through which to throw bodily impurities when a cold is present. Through this discharge of mucous the irritating bacteria are thrown away from the

membrane and cleaned out by nose blowing, coughing, etc. If the blood stream is in perfect condition, no invasion of bacteria can take place and a cold cannot develop.

Enervation must be also cited as a principal cause of colds. If those whose blood is filled with extra food material come in contact with irritating bacteria when they are sick or tired, a serious cold can start within a few hours. Working too many hours at mental work, weariness, shopping, worry, and other mental troubles will cut down the body's vitality and lower the resistance of the body to such an extent that you invite the onset of a cold.

Those who are subject to chronic or acute colds must remember to avoid too large an amount of the "heavy" foods, such as the starches exerted towards the end of the winter to cut down on these kinds of foods so that when the warmer weather of spring comes the blood will not be over-loaded with unnecessary food material.

The first few warm days of spring bring on over one hundred million of the North American continent alone. There is probably, at the present time, over one hundred and twenty-five million people in North America and at least one hundred million of them will have a cold in the next month or two unless they learn to cut down on their food supply and avoid becoming over-tired.

DEATHS REPORTED

MRS. H. P. YOUNG, CLARENCEVILLE.
CLARENCEVILLE, Que., Sept. 30.—In the early hours of Monday, September 19th, there passed away Mrs. H. P. Young.

The sympathy of the community goes out to the bereaved husband and the sons, Messrs. Colborne and Frank Young and their families.

Mrs. Young's life has been spent here and as she was of an ardent temperament, she entered with the keenest zest into whatever she undertook. For years, she was a faithful Sunday School teacher and member of the choir, often acting as organist. She was indefatigable in her Red Cross work during the Great War, and she did her part in helping the Soldiers Relief funds during the Boer troubles. She was a member of the W. A., from the first and had long been a life member. Her keen dramatic instincts made her invaluable in the amateur performances for which Clarenceville has been somewhat noted.

For about eight years, Mrs. Young had been more or less an invalid. She had rallied so many times that

it was hoped she might again gain strength but her vitality had been so impaired that towards the end, she sank rapidly.

There was a large number at the funeral on Tuesday, September 20th. The members of the St. George's branch of the W. A., attended in a body. The floral tributes were numerous and beautiful. Her favorite hymns were sung, "Father, in Thy Gracious Keeping" and "Leave We, Now, Thy Servant sleeping."

MRS. COLIN C. POPE, COOKSHIRE.

COOKSHIRE, Que., Sept. 30.—There passed into rest at Cookshire, on Saturday, September 24th, a lady resident of this place who will be deeply mourned by her family and a large circle of friends, in the person of Mrs. Colin C. Pope, to whom death came as a release from long suffering. The deceased had been confined to her bed for almost a year. In October last, Mrs. Pope was taken to a Montreal hospital but her condition did not warrant an operation and she returned home to battle against insistent disease. At the home of her brother, Mr. A. H. W. Bailey, the invalid was tenderly and most efficiently cared for by Mrs. Bailey; all that medical skill and good nursing could do was done, but her condition gradually became worse and after more than eleven months of suffering, death released her.

The late Mrs. Pope, nee Gretchen Laura Luline Bailey, was born at Cookshire, March 5th, 1890, youngest daughter of the late Mr. and Mrs. W. W. Bailey. She was educated at the Cookshire Academy and Macdonald College. Following her graduation Miss Bailey taught school for three years at Buckingham, Que., and was married on September 3rd, 1913, to Colin C. Pope, youngest son of the Hon. Senator and Mrs. R. H. Pope, of Cookshire. The young couple went to Alberta where they lived until four years ago at which time they returned to their home town.

During her years of teaching Miss Bailey was organist in the church at Buckingham, and while living on their ranch in Alberta the young wife and mother was a favorite in musical circles, and a devoted worker for the Red Cross and other patriotic and charitable activities. Of an attractive personality and cheerful disposition, the late Mrs. Pope won friends in home, church and social life, and throughout her long illness, these characteristics were always evident; no word of complaint or impatience was ever expressed, and her sufferings were borne with a bravery that was a sermon in itself to those about her. During the period of her invalidism Mrs. Pope's room was brightened with the flowers she loved, while on every side there was evidence of love and sympathy of former school mates, neighbors and friends.

The funeral service was held on Monday afternoon, September 26th from the residence of Mr. and Mrs. Bailey to St. Peter's church, with the Rev. A. H. Buckland, Rector of St. Peter's, officiating. Prayers were said at the house, which was filled with relatives and intimate friends of the family, and the remains were followed to the church and cemetery by a large number of mourners, friends, and citizens of Cookshire and surrounding places.

The casket was borne by Messrs. A. Pope, L. Cleveland, Orin Farnsworth and Ross Cromwell, of Cookshire, Geo. Halliday, of Sawyerville, and Jack Westgate, of East Angus. The funeral was in charge of Mr. John Drennan, and Miss Georgia Coates presided at the organ. The hymns, "Nearer, My God to Thee," "Peace, Perfect Peace," and "There is no Night in Heaven," were sung by the choir, and a beautiful and fitting close to the service was arranged by the rector. The choir, during the singing of the Nunc Dimittis, carried the flowers from the church, then

formed two lines outside the church door, through which the funeral cortege was escorted. The surpliced choir, holding the beautiful floral designs, formed a most suitable tribute to the one who had gone from her beloved church, her family and friends.

The principal mourners were the husband, Mr. C. C. Pope, and three children, Billy, Bertha and Colin, Jr.; Mr. and Mrs. Arthur Bailey, Mr. and Mrs. H. S. Osgood and Mr. and Mrs. C. M. Macrae, all of Cookshire; Mr. and Mrs. C. E. Soles, of Rock Island, brothers and sisters; (one brother, Mr. Fred H. Bailey, was unable to be present); Mrs. Bertha W. Price, of Sherbrooke, aunt of the deceased; Messrs. Osborne and Trevor Bailey and Billy Soles, nephews; Mrs. E. L. Carke, of Montreal; the Misses Pauline Macrae and Sylvia Soles, nieces; the Hon. Senator and Mrs. Pope, parents; Dr. and Mrs. F. Gilday, Mr. and Mrs. Ives Pope and Mr. and Mrs. John Henry Pope, all of Montreal, and Mr. and Mrs. Nevil Lindsay, of Calgary, brothers and sisters of the bereaved husband.

Among other relatives and friends present from out-of-town were Mrs. (Dr.) A. R. Pennoyer, of Montreal; Mrs. R. P. Weston, of Concord, N.H.; Mr. and Mrs. L. P.

Bishop, of Sherbrooke; Col. Pope and family, of Bury, and many others. The interment was made in Senator Pope's family lot in Cookshire cemetery. In the same cemetery lies a sister of the deceased, the late Miss Lina Bailey, who died in 1918, during the epidemic of the "Flu".

The floral offerings, coming from members of the families, relatives and friends in Cookshire, Sherbrooke, Montreal, and other places, were expressive of love and sympathy. Among the many beautiful designs were tributes from Vera Lodge, (Robekahs) Unity Chapter, O. E. S., and the Ladies' Aid of the United Church in Cookshire, while the husband and family received many telegrams and messages of sympathy from absent friends.

LAKE MEGANTIC

Rev. Mr. Willis Ginn and his mother, Mrs. V. Ginn, who have been visiting relatives and friends in Richmond and other points, while Mr. Ginn was having his vacation, have returned home.

Mr. W. I. Miller and Mr. and Mrs. J. Miller and family motored to Gould on Sunday.

The Ladies' Aid of Knox United Church held a successful bean supper in the church parlors on Thursday, September 22nd. The sum of \$42 was realized.

Messrs. John Miller and W. H. Boyle, local hunters, have each secured a deer. They are the first to shoot any in this vicinity.

In Wednesday's issue, in the item regarding dedication of St. Andrew's Presbyterian Church, the omission was made of the statement that members of the Quebec Presbytery

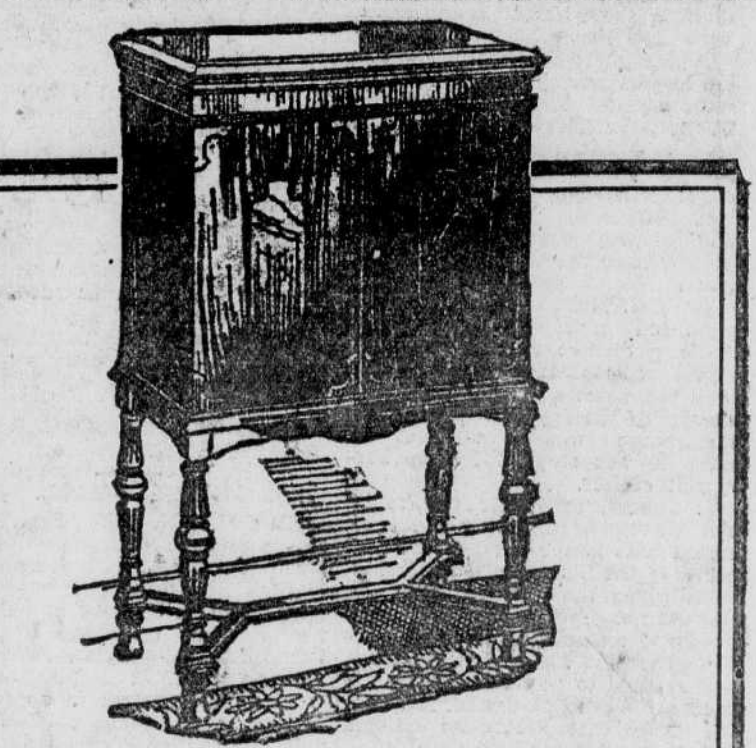

would be present at the service, which will be held on Sunday, October 2nd, at 2:30 p.m.

APPALLING TOLL CLAIMED

(Continued from page 1)
Now and laborious, and from Forest Park to the Mississippi river the city lay almost inert.

Telephone communication practically was stopped. Word reached a radio station and was broadcast, although persons outside the area little realized the extent of the catastrophe.

Newspapers were powerless to gather the details of the picture and sketchy reports only were made. Apparent exaggerations became realities shortly afterwards.

Fire Broke Out In Several Places.

The first movement was toward Central High School. Firemen found sixteen injured pupils who were immediately removed as the roof threatened to fall. Then the search for dead was begun in all parts of the area.

Fire broke out in several places and was extinguished by firemen with the help of a steady drizzle of rain which followed the tornado. The bodies of three women were taken from burning debris, two of them charred and unrecognizable.

The rain stopped and the sun came out, but shortly afterward

another storm threatened and the air itself seemed tinted green, later turning to a pale pink and frightening still more those who had an hour previous seen the elements on a violent rampage.

Governor Baker did not declare martial law, but gave local military authorities a free rein in marshaling the Missouri National Guard.

VILLAGE OF RUDY TODAY LAY TWISTED AND TORN

(Associated Press Despatch)

RUDY, Ark., Sept. 30.—Half of the village of Rudy, prosperous fruit shipping centre resting in a pocket surrounded by the Boston Mountains, lay twisted and torn today, attesting to the fury of a tornado which dipped down upon it yesterday, smashing everything in its path and injuring ten persons, one probably fatally.

Of the thirty-five homes and business houses that sheltered Rudy's 150 residents, only the Frisco Railway depot, five stores and half a dozen dwellings remained intact.

Mrs. Garvin Graham and her baby were injured when their home was toppled, and it was feared the infant was hurt fatally. The other injured were expected to recover.

ONE KILLED AND FIFTEEN INJURED AT POPULAR BLUFF

POPULAR BLUFF, Mo., Sept. 30.—A tornado swept through the

rural sections south and east of Popular Bluff yesterday, resulting in the death of one man and injury to about fifteen.

Jess Frizzal was killed by lightning. Three women were injured when the farm home of Mrs. John Glass, near Still Camp, was demolished. Elsie Wheeler was injured when his barn collapsed.

Heavy rain fell here, flooding the lower downtown business streets.

STORM ALSO TOOK ITS TOLL AT PONA, ILLS.

(Associated Press Despatch)

PANA, Ills., Sept. 30.—A heavy wind storm, bordering on a cyclone, struck Cowden, Ills., seventeen miles southeast of Pana, yesterday, resulting in one death and two critical injuries.

SAYS ROUYN LINE WILL BE OPEN DECEMBER 1

(Canadian Press Despatch)

TORONTO, Sept. 30.—On his return from Northern Ontario, Hon. J. Howard Ferguson, premier of Ontario, gave assurance that the Rouyn branch line of the Temiskaming and Northern Ontario Railway would be in operation by December 1st. He stated that all steel laying would be completed in about ten days and then some ballasting would have to be done, but by December 1, a regular train service should be in operation.

IS INVITED TO MAKE GOOD HIS THREAT

Declining Challenge to a Duel Hurlled at Him by General Rudolfo Herrera, Another Situation Now Faces Him.

(Associated Press Despatch)

MEXICO CITY, Sept. 30.—Declining the challenge to a duel hurlled at him by General Rudolfo Herrera, former minister of foreign affairs, Candido Aguilar invites Herrera to make good his threat to give him a thrashing.

In a statement published today, Senor Aguilar declares that General Herrera is disqualified under the code of honor and furthermore, was dismissed from the army by former President Obregon because he was "unworthy to belong to that institution."

The duel challenge follows charges by Senor Aguilar that General Herrera assassinated President Venustiano Carranza in 1920 while Carranza was fleeing the country, and that the crime was ordered by General Obregon, who later became president. Herrera maintains that Carranza, seeing his escape cut off, took his own life.

Senor Aguilar in today's statement invites General Obregon personally to answer the charge that he (Obregon) ordered Carranza's death at the hands of General Herrera, who commanded the troops which pursued and overtook the fleeing president.

As for General Herrera's threat that if Aguilar declined to meet him on the field of honor he would thrash him, the former foreign minister says: "I am prepared to defend myself."

FRENCH COMMUNISTS STAGE QUITE A DEMONSTRATION

Hundred Prisoners Broke from Their Cells and Sang "International."

(Associated Press Despatch)

TOULON, FRANCE, Sept. 30.—One hundred prisoners broke their cells and paraded the interior of the naval prison at Toulon last night singing the Communist song "International." They were brought under control after several hours without bloodshed.

Meanwhile two hundred workers from a nearby arsenal gathered outside the prison and answered the shouting of the prisoners with the "International" and cries of "death to the police."

The prison officials called upon the naval authorities, who sent a strong force and had little trouble in overpowering the rioters.

The trouble started when a dozen Communist prisoners, armed with smuggled tools, smashed the walls of their cells and then liberated the others.

Several prisoners who participated in last night's demonstration again raised a rumpus this morning but were promptly quelled and immediately isolated.

PLEADED GUILTY TO THEFT CHARGE

The participants in the theft of scrap brass and copper from the Brompton Pulp and Paper Company, Limited, at East Angus, Archie Fairbrother and A. E. Kerr, of East Angus, who optioned for a

speedy trial last week, pleaded guilty to the charge this morning in the Magistrate's Court and will be sentenced on Friday next.

Fairbrother was charged with stealing \$160 worth of brass and copper, while Kerr was accused of the theft of \$900 worth.

Col. Emile Rioux, K. C., attorney for the Brompton Pulp and Paper Company, Limited, petitioned Judge Lemay to give all clemency possible in these cases.

CORN ROAST PROVED A GREAT SUCCESS

Nearly seventy young men and young women, members and prospective members of the young men's and young women's Y.M.C.A. gym

classes, travelled to Little Lake last night for the annual corn roast. Leaving the "Y" at eight o'clock, Little Lake was soon reached. While those in charge were getting the corn and coffee ready, the group engaged in games under the leadership of Mr. George Walker, the Y.M.C.A. physical director, assisted by the officers of the ladies' gym class, and the men's gym class. Messrs. Newman Hunter, Nelson Lothrop and Harold McCullough.

About ten o'clock the corn was ready, after which sandwiches, cake and coffee were served. Then there was some group singing, closing with "Blessed be the Tie that Binds" and the National Anthem, after which the party returned to Sherbrooke satisfied that the annual corn roast for 1927 was one of the finest that has ever been held.

OLDER BOYS' CONFERENCE

The Older Boys' Conference, which opens today for consideration of the problems and the perplexities of youth, promises to be of exceptionally high value to the boys and young men of the Eastern Townships. The first meeting will be held tonight at the Y. M. C. A. A supper meeting for the leaders and workers, starting at six o'clock, will be held at the Y. M. C. A., when the speakers will be Messrs. C. Hammond and L. A. Buckley. This will be followed by the first general meeting of the conference and a sing song at 7.45 o'clock in the Presbyterian Church, and later a service of worship led by Dr. W. S. Lennan.

Addresses of welcome will be given by Mayor Edwards and Rev. A. Bright. Address will also be given by Mr. J. N. Barss, who has been said to have done more for the boys and boy life than any other man in the Dominion, and by Rev. Norman Coll on the "Christ's Call to the Youth of Today".

Tomorrow morning at seven o'clock, there will be group games and a dip at the "Y". Then will follow the regular session at the Presbyterian Church, and tomorrow afternoon the Eastern Townships inter-high school athletic meet will take place at two o'clock, at the Parade grounds. On Saturday evening the annual banquet will

be held with address by Mr. Barss and Mr. Buckley.

On Sunday morning at 9.30 o'clock in the Y. M. C. A., a round table conference will be held by Mr. L. A. Buckley. Conference leaders will be at the different churches, Rev. N. Coll at Presbyterian Church, Mr. J. N. Barss at the Baptist Church, and Mr. L. A. Buckley at Plymouth Church. Then will follow the most important of all the conference meetings at 3.45 o'clock on Sunday afternoon to which all men and boys are given a cordial invitation to be present.

DR. H. D. BAYNE ADDRESSED Y'S MEN'S CLUB

Last night the members of the Y's Men's Club had an exceptionally fine treat when Dr. H. D. Bayne, who for the past six years has been the moving spirit in the child welfare work of the city, was the guest and speaker.

Dr. Bayne pointed out that the work of the Child Welfare Association, so far as Sherbrooke was concerned, had three main divisions, prenatal, childhood and early adolescence. During the six years in which the work has been carried on in Sherbrooke eleven hundred different children have been cared for at the clinic where he supervises, besides a large amount of work done in the French Clinic, and as a result of the effort the little white hearse has not been so prominent on the streets of the city. The prenatal work is done through co-operation with the Victorian Order of Nurses, when prospective mothers are told what is best, and taught what is the most wholesome thing for the young life that is to come. This, the doctor pointed out, was extremely important, as prenatal condition determined the child's health for the first five years, and the first five years was the determining factor of the health in the later years.

The speaker also pointed out that the greatest care should be taken of the child life up to the age of ten, when the greatest habit-forming period was being present. The adolescent stage was a period of readjustment when children should be kept from great nervous strain and great nervous reaction. Through this and through the previous period, the school life being the large factor, the question of strict supervision, medical and otherwise, should be of prime importance to all parents.

In closing Dr. Bayne pointed out that it was these years that life was either made or wrecked. At the close of the address the doctor was heartily thanked by Y's Men Ripley.

BLAIS TO BE SENTENCED THIS AFTERNOON

This afternoon, Armand Blais, of this city, will be sentenced for participating in the highway robbery on the Brompton Road on May 28th for which his four companions are at present serving time in the St. Vincent de Paul Penitentiary.

Through the excellent work of local and provincial police, the five highwaymen were rounded up less than three weeks after the robbery in which Messrs. Irwin Page, Henry Humphrey and Albert and Euhem Nicol lost their valuables while returning to their homes from market. The five of the accused appeared before Judge J. H. Lemay in the Magistrate's Court and, with the exception of Blais, asked for speedy trials. Auguste Larochelle, Edouard Asselin and Reginald played guilty to the charges made against them and were sentenced to nine years each in the penitentiary. John Asselin was found guilty and received a sentence of three years. The four were sentenced on July 2nd 1926. Blais, however, pleaded not guilty and was ordered to stand his trial at the next session of the Court of King's Bench. On Monday last he again appeared, demanded a speedy trial, and pleaded guilty to the offense.

Sentence will be given this afternoon.

FUNERAL OF THE LATE MRS. EUGENE OLIVIER HELD YESTERDAY

The funeral of the late Mrs. Eugene Olivier, whose death occurred Tuesday last, was held yesterday morning and was attended by many friends and relatives of the deceased and of the family.

The funeral cortege left her late residence, Quebec street, and proceeded to St. Patrick's Church, where the service was held at ten thirty o'clock. At the church the remains were received by Rev. Canon E. C. Fiset, parish priest, who was also celebrant at the solemn Requiem Mass, assisted by Rev. Fathers Codere and Houle, as deacon and sub-deacon.

During the service Mr. Leonidas Bachand sang "Miserere Mei," while Miss C. Leclerc and Mr. W. Legare sang "Crucifix" (J. Faure). Mrs. M. Shea was at the organ.

The bearers were Messrs. A. S. Cleary, Arthur Gendron, George Murphy, Louis Audette, Philippe Authier and Dr. J. C. St. Pierre, with Mr. Alphonse McManamy acting as funeral director.

The late Mrs. Olivier who before her marriage was Florence Evelyn Murray, daughter of the late Mr. and Mrs. William Murray, was born in Sherbrooke and was in her forty-third year. She is survived by her husband, Mr. Eugene Olivier, and seven children, namely, Wilfrid, Raymond, Rudolph, Marcel, Evelyn, Irene and Claire.

Other survivors include: Mr. C. P. Olivier, father-in-law, William Murray, brother and Messrs. W. McManamy, V. Olivier, Dr. Ethier, G. Cordeau, all of Sherbrooke, and Edgar Kirouac, of Quebec, brothers-in-law. She is also survived by one sister, Miss Emilia Murray, also of this city.

AYER'S CLIFF

The services in the United Church on Sunday will be held in the morning at 9.30 o'clock, with the pastor in charge. In the evening at seven o'clock Rev. D. H. MacFarlane, M. A., B.D., of哈利, will be the preacher.

THE MYSTERY OF PARIS

By Lucile LaMarre

Paris and Fashion are synonymous. The answer to every question of where does a Fashion originate is "Paris"—in the same breath with the names of Patou, Poiret, Vionnet, Chanel, Robour, etc. That's supposed to satisfy all curiosity on the subject—but it never does—at least, not with me. One always visualizes these Kings and Queens of Fashion enthroned in their establishments and creating out of thin air the fashions that are to revolutionize the mode with each successive season.

The little scene is almost true but not quite. The Queens do not stay at their courts but they and their envoys roam the world—for ideas. Paris is not the source of Fashion; rather it is the world we live in.

While in Africa, Robour saw a comely African belle in her dress headdress, and with her infinite imagination saw an adaptation of this outlandish affair for the modern smart woman. Poiret in Russia was beguiled by a group of peasants working

in the field. Their rash blouses fascinated him, and so we have the present smart costume blouse because of his powers of visualization.

All these inimitable artists travel constantly—and from the lowliest object to the most exalted, they get their inspiration. From the Arabian desert at sunset came the colors that have been so much in vogue in hosiery for these seasons past. From the court costume of a lovely Spanish queen came the strichery of the new cuffed gloves. And, yes, from the dancing girls on our own stage came the first brief underthings. On, and on and on, ad infinitum.

The making of a fashion is an absorbing task—but it takes its creators far afield into strange lands among strange people—oftentimes into the hazy past just for that elusive will-o'-the-wisp—an idea. It may interest you to know that Kayser was first with the new desert shades in HOSIERY—with the new GLOVE strichery—and, the first brief styles in UNDERWEAR.

STYLE No. 101X will Wear and Wear and Wear

It is a known fact that Kayser full fashioned hosiery gives surprising wear.

Our Style No. 101X—clear in texture, silk to the hem, in a heavier weight and with the Square Heel—is now being shown in authentic Paris shades individual with Kayser.
