HIT AND RUN DRIVER INJURES 12-YEAR-OLD

Twelve year old Tommy, son of Mr. and Mrs. Gerald Griffin of Calumet Island is recovering from critical injuries in Pontiac Community Hospital after having been struck by a truck Sunday morning.

The boy was helping his father move cattle from one pasture to another. He went ahead to prevent the cows from entering a neighbour's farm and when he was just around a bend in the road the Volkswagon truck belonging to Wilfred Proulx Electrical Contractor struck young Tommy, apparently carried him 30 ft along the road and didn't stop.

The truck was being driven by Edmond Tauvette and Paul Proulx, 18 year old son of the owner was riding in the right hand seat. They told Constable Earl Bennett of the Quebec Provincial Police that they saw the boy standing by the road but did not realize they had struck him. They were travelling from Calumet Village to Aylmer.

No charges have been laid pending instruction from the Attorney General.

Missing Man Walks Home

Quyon Village turned out in force over te weekend to search for Thomas Curley, 39 year old husband of the former Clare Brown and father of a 12-year-old daughter. An estimated 150 men combed the dense bush surrounding the Curley homestead, Provincial Police Arthur Kingsbury was called in to assist in the search and Constable Earl Bennett came down from Campbell's Bay.

Curley had been last seen at Foran's store about seven miles north of Quyon, at 10:30 Friday morning. He had bought six soft drinks, some chocolate bars and some cigarettes and tobacco. When he didn't come home, the family became alarmed and by nightfall they were out looking for him.

His car was found on the roadside a few miles from the farm and the search was intensified in that area By order of the Provincial Police, the car was towed away to Davis Garage in Quyon.

The search continued allday Saturday, right through Saturday night and by Sunday morning people were talking hopefully about geetting RCMP bloodhounds on the job. This suggestion was never more than a rumour and in fact the Provincial Police notified The Equity that it was not their policy to enter into a search for anyone over 12, under 80 unless they had been missing more than 15 days. However they did help in the scarch for Mr .Curley at the insistance of his relatives.

Dust rose high on the North Onslow road all day Sunday as cars sped up towards the search area. Searchers from Ontario joined in. By Sunday night some of the best woodsmen in the area had covered the bush and the Curley farm home was surrounded by automobiles, not only of searchers but also of curious spectators who had just come to be where the crowd was.

Then on Monday morning, facing another day of gruelling search, Arthur Kingsbury Provincial Policeman, stepped sleepily to his front door to be told by a neighbor that the lost had been found. Tom Curley had turned up in his father's barn four hours earlier and was at that moment enjoying breakfast at home.

Until three months ago Mr. Curley had been employed by Atomic Energy of Canada Limited and lived in Deep River where his wife taught school. He had recently been worried about his health and it was for this reason that all his friends and neighbors were particularly concerned with his disappearance.

Fortunately nobody was reported injured during the arduous searching and nobody got lost, although many were travelling through treacherous and unfamiliar terrain.

THE TWELFTH

The weather was too beautiful to believe.

Three King Williams, (John Ade, Elden Morrison and Orange Marshall for Pontiac Versal Campbell) led the grand parade in Shawville on July 12. They did a complete tour of the village from one end to the other while a large crowd of spectators watched from the sidewalks.

As they formed up, the Williams were followed by Lodges from Douglas, Kazabazua, Campebll's Bay, Aylmer, Bonnechere Valley, Shawville OYB, Ladysmith, Cobden and more Cobden, Forester's Falls, more Douglas still more Cobden, Shawville Knox, Bristol, Charteris, Upper Eardley, Royal Enniskillen Shawville and Turner OYB Ottawa and County Chaplain, Past Grand Master Ludger Emard brought up the rear.

After the parade, there were speeches at the Fair Grounds.

Then came the horse races.

Then came the rain.

But it wouldn't have been the Twelfth without rain and as Twelfths go it was a great success with absolutely perfect weather until the cloudburst.

Everyone made a dash for the Hall where a substantial dinner was served to well over a thousand people. From the proceeds the Orangemen will be making a contribution towards the Protestant Home for the Aged.

Highway Accident

Last Friday morning on a greasy spot on Highway 8 below Quyon, Edmonton architect Kelly Stanley slid his 1960 nine passenger Ford station wagon slowly but surely into the path of a Loeb truck carrying 15 tons of merchandise.

The station wagon was demolished. Mr. Stanley suffered a shattered kneecap and will be off his feet for five weeks. His passengers, son Jim and nephew Bobby Stanley suffered cuts on the head and leg and a chipped ankle respectively. Both boys were knocked out. The truck driver assisted Stanley and the boys at the scene of the accident. As a result of the mishap the two Stanley families will be spending their holidays at the cottage of Elora Stanley's parents, the Nellis Hodgins at Norway Bay instead of going on their three weeks camping trip to the Maritimes.

A GOOD JOB WELL DONE

Observing three newly appointed members of the Central School Board take their oath of office last week recalled to mind the three veteran members who left the Board at the end of June.

Arthur Dagg, who was chairman of the Board for almost all of his nearly nine years on the Board, has been closely associated with education in this County for over 25 years, through the Clarendon Board for many years before he joined the Central Board in 1951. Much the same can be said of both Morley Hodgins and S. Wyman McKechnie, each of whom served eight years with the Central Board. Mr. McKechnie, indeed, was the first chairman of that Board, when it was set up in 1948.

These three men have served the cause of education well in this County. During their tenure of office it is fair to say that there have been more advances in education here than in the entire previous history of the County.

These three men were careful guardians of the public trust; and because of their long-term devotion to duty we take this opportunity to say thanks for a job well done.

They have been replaced by three others who will also undoubtedly serve the County well, for their interest in education and the public welfare over the years is well known. It is only to be hoped that they may find their duties less strenuous than the turbulent terms of office experienced by their predecessors.

Norway Bay Problems

Too Much Water Too Little Water

The Norway Bay Municipal Association has shown concern about the situation on the Ottawa River which allows for the flooding of cottages on low lying areas both there and in other summer resorts.

It was brought out at their meeting that the flooding conditions do not only affect cottagers but also farm lands adjacent to the river.

Some members of the Association said they had seen the waters above the dams at Portage du Fort and at Rapides des Joachims at the time when lower Pontiac water was high and that at these higher up places the water was below summer level.

Chairman W. A. Brown felt that now was the time to ask whether these dams are solely for private interest or should there be a larger conception in the way of flood control.

Another opinion expressed was that the reserve dams upriver were actually full to capacity during the peak period. It then became clear that before any official representation was made it would be necessary to ascertain the facts of the case.

Criticism of The Upper Ottawa Improvement Company was countered by the fact that E. B Eddy's is a member of that group and they suffered tremendous damage during this spring's flooding. It was pointed out that this wouldn't likely have occurred had there been any way to prevent it.

A motion was finally made that a person who represents authority for the adjusting of the dams on the Ottawa River be invited to come to Norway Bay and answer some of the questions in the minds of the residents. At this meeting it was proposed to invite people from other summer resorts who would be interested.

Having thus disposed of the problem of too much water outside the cottages, the meeting turned its attention to the problems of too little water inside the cottages. The fact that many cottagers on the Bay must carry water or dig vastly expensive wells through hard granite has spurred the Cemetery Committee to wonder if they should be enlarging on their proposed plan to pump water to a reservoir for grass-watering purposes.

To put the Cemetery Committee into the water works business was not, it was decided, the affair of the Municipal Association, but they did feel that they would do everything they could to assist in this obviously beneficial project. To this end, the Norway Bay Association will provide its mailing list to the people who will be building the cemetery watering system, who will then doubtless contact all the Norway Bay property owners and use the size of intake pipes, pumps and reservoirs to provide water for the number who designate their intent to patronize the waterworks. It will be on an individual basis with fees payable to and collectable by the owners of the waterworks.

Other questions discussed at the meeting involved the spilling of garbage off the truck from the wharf road to the dump due, according to one member, to either excessive driving speed or overloading the truck; the deplorable habit of children playing with garbage at the playing field and strewing it about; the nocturnal habits of one coon at Mr. Cowley's place doing the same thing; adults spreading their smoking and drinking leavings along the roadsides; dog nuisances in the east end; the permissability of trailers on cottage property; the insufficinecy of street lights for children to see by after dark; the disappearance of bulbs where street lamps do exist; the lack of any resident police at the Bay at present; the proposal to the Cemetery Committee cum Waterworks Company that they also provide hydrants for emergency use to fight fire.

A number of Pontiac people who are interested in the rise to fame of Bryson born Donnie Gilchrist are planning to write letters to the Canadian Broadcasting Corporation, Toronto, to say how much they enjoy seeing Donnie dance on the Don Messer show next Monday night, July 18. On this particular show he is doing his "dancing up the Pontiac" routine which we have all seen so many times and which never fails to entertain.

Constables Earl Bennett and Arthur Kingsbury of the Provincial Police have highly praised the tremendous cooperation they received from a hundred and fifty men at Quyon last weekend. They were extremely willing to take direction from the police which enabled an orderly search to be carried out.

Smart people at the Orange parade were the ladies who carried white umbrellas, just in case, and were thus protected from a very hot sun. Also noticed was the sensible motto on the Aylmer banner: "Defence not Defiance", the brilliant band from Forester's Falls who saved their feet by riding on Warren Campbell's wagon, the inspired pipe music brought by Douglas and the three pretty majorettes from Ottawa.

Father Harrington's Porch last Sunday was the stage for a special show put on by CFRA's talent pool plus a few local additions. Master of Ceremonies was Graham Cameron who can be seen playing his accordian for some of the step dancers.

Parish Picnic At Maryland

Last Sunday Rev. J. F. Harrington and his parishioners at St. Edward's Catholic Church, Bristol, were hosts to a large enthusiastic crowd at their annual summer picnic. A hot bean and ham supper, with all the extras, was served in the church basement, games of chance were played in the open air between the church and the priest's house, prizes were drawn for and a very special entertainment was provided by the CFRA talent pool.

Graham Cameron was the singing master of ceremonies. He brought with him a small band of musicians including Gerry Lafleur, old time fiddling champ. Beverley Kippen demonstrated a wonderfully agile and smooth manner with her highland dancing, her sailor's hornpipe and her irish jig. This young lady, in her first performance in this area, gave a finished professional performance, accompanied by Pipe Major MacKenzie, director of the RCAF Pipe Band at Rockcliffe.

The remainder of the program was step dancing by George McKenney of Ottawa and Wolf Lake, Charlene Mulligan, Lucille Hodgins, Elizabeth Dickson and their dancing teacher Donnie Gilchrist of television fame.

In introducing Donnie Gilchrist, Mr. Cameron noted that he will be appearing on the Don Messer show on Monday night July 18.

The entire show was performed on the front porch of the rectory with the audience sitting and standing on the lawn outside. During the stepdancing, several little parish children took advantage of the fine music to stage their own little step dance show on the cement porch of the church proper.

Among the distinguished guests seen during the evening were Mr. Paul Martineau, MP, and Mrs. Martineau from Campbell's Bay.

A Good Fish Story

Congratulations to Mr. Mike Bedford, who on Friday last caught a nice sized musky in the Ottawa River just out from the pumping station in Quyon.

The fish was taken to Greenshields Meat Market to be weighed, where it tipped the scales at 25 lbs.

Mr. Bedford then took the fish to be entered in the contest in Ottawa. Notwithstanding the very high water, several good catches of pickerel have been reported.

The musky was the first ever taken by Mr. Bedford, but he is determined that it won't be the last.

SCHOCK — In memory of Christopher Schock who passed away, July 15th, 1957 at Mt. Vernon Washington, U.S.A.
The dearest Husband the world could hold,
A cherished smile, a heart of gold.
Those who knew him all will know
How much we lost three years ago.
Always a smile instead of a frown.
Always a hand when one was down
Always so true, thoughful and kind,
What a beautiful memory Chris left behind.
—Wife Sophia, daughter Edris Stanwood Wash., U.S.A. x

DUNLOP— In loving memory of a dear Father and Grandfather Geo. V. Dunlop, who died July 13, 1959 as a result of an accident.
We had a dad,
We were proud to own,
How much we miss him,
Will never be known.
The heartaches in this world are many,
But to lose our Dad,
Was the greatest of any.
So today our love,
Is mingled with tears,
And fervently wish to,
Turn back the years.
To have you Dad,
And your loving ways,
And to live once again,
Those happy days.
What would we give if we could say
Hello Dad in the same old way
To hear your voice and see you smile,
To sit and chat with you awhile.

MRS. McARTHUR FOUND DEAD AT HER COTTAGE

Mrs. A. H. McArthur of 502 Churchill Avenue, Ottawa, died n her Thorne Lake Cottage on July 4. She had been brought up to her cottage by Mr. and Mrs. Hilliard Birtch on the second of July and was to have signalled to them if she wanted to drive back to Ottawa. There was no signal so the Birtch's didn't pick her up.

Mrs. Birtch and another neighbour Mrs. Clare Daley called Dr. Cowley the following weekend when they found the lifeless body of Mrs. McArthur lying in her cottage. Dr. Cowley called the Provincial Police from Campbell's Bay who investigated. It has been decided that death was due to natural causes and no inquest was held.

Mrs. McArthur was known to have had a serious heart condition. She was 72 years old.

The former May Styan, Mrs. McArthur was the daughter of Rev. Mark and Henrietta Daniels Styan, born in Magog in 1886. Her husband Bert McArthur, whom she married at Lachute, predeceased her in 1951. The only living relatives are brothers Sydney of Winnipeg and Reuben of Magog and a number of nephews and nieces.

The funeral was from Hayes Funeral Home on July 11 to the village Cemetery, Shawville. Rev. E. I. Johnston was the officiating clergyman and pallbearers were William Reid, H. G. Gonthier, and Herman Emmerson.

In Memoriam

GRAY—In loving memory of our dear father and husband, Allan Gray, who passed away July 16, 1957.
Though his smile is gone forever,
And his hand we cannot touch
Still we have so many memories
Of the one we loved so much.
His memory is our keepsake,
With which we'll never part;
God has him in his keeping,
We have him in our hearts.
—Sadly missed by
Wife Elizabeth, son and daughter Mayme and Ray. x

CAVENDER—In loving memory of our dear Mother Mrs. I. E. Cavender who passed away July 14, 1958.
God gave us a wonderful mother,
Her memory will never grow old,
He fashioned her heart out of sunshine
He moulded her heart of pure gold
He needed a new start in Heaven,
A beautiful light to shine,
So out of this world of sorrow
He took that dear Mother of mine.
—Always remembered,
The Family. b

All Are Welcome Without Obligation

The Shawville Recreation program continues ever popular with more children joining the fun daily. The Equity has been informed that there are some children who think they can't go because they haven't registered. This is not so. Any child can go any day he wants. Registrations will be taken up to the last day of August which will also be the last day of the summer program. And those who do register are not required to go every day or even all day. Children are invited to come when they like leave when they like and no strings attached. That's the whole point of the summer grogram — it is JUST FOR FUN.

Leader Garry Nesseth was a guest of Rotary this week and at that meeting the Rotary donation was handed over. The Council donation and the Mines donation have also been received. To ease the financial situation, Joe Russell and Mrs. Robina Richardson are going to give some of their time over the weekend on a canvass of the town.

Originally planned for children 5 to 12, the program is being expanded slightly so that children who are 4 but will be 5 this year and also 13 year olds are now being included. This will be good news for a lot of 13 year old soft ball enthusiasts and a few little brothers and sisters who aren't quite 5.

Secil Slys Anniversary

An overflowing houseful of neighbours and friends gathered at the home of Mr. and Mrs. Neil Sly on July9, to honour Neil's mother and father who were celebrating their twenty fifth wedding anniversary.

The evening was spent in games and renewing old friendships and the Sly's were presented with an end table and coffee table, as well as a purse of money. Lunch was served to sixty-seven people.

On Sunday, July 10, the immediate family honoured their parents with a turkey dinner at the home of their son and daughter-in-law, Neil and Mary Lou where they were presented with an electric frying pan.

No Donkeys

There wasn't a jackass in sight as the Shawville Tigers played host to the Douglas; Ontario Ball Club in an exhibition baseball game last Sunday at the fair grounds. The Tigers got along well without long-eared friends as they won 11-6 to preserve their winning streak against competition from the South Renfrew Baseball League.

Brian Murray pitched all the way for Shawville to earn the victory. He gave up 3 hits, walked 3, and struck out 7. Wayne Chamberlain received. The Portage pair of Ed Vaughan and Harv Smith paced the Tiger offensiye, with arge Ed getting four runs batted in on a pair of hits and the smaller Smith hammering four hits good for three runs and two RBI's. Harv Sweetman batted in a pair of runs while Bruce Yemen scored three and drove in another. Brian Murray blasted a three-base hit for the longest poke of the day.

This Sunday Tigers play their final home game of the regular schedule. The visitors will be Sheenboro, who held Shawville to a 3-3 tie earlier this year. Shawville needs a victory to keep up its chances of a first-place finish while Sheen will be battling for one of the Upper Ottawa League playoff spots and possbly a second try at the league title. Game time at the fair grounds is 2:15.
