RECIPROCITY UP IN COMMONS AGAIN.

Trade Agreement Debate Resumed
by Mr. Arthur, Parry Sound.

MOTION TO GIVE GRANT TO PEN-
IAN RAID VETERANS
DEFEATED.

Ottawa, July 19.—The first day
of the rejuvenated session brought forth
some lively incidents and also demon-
strated the fact that the Govern-
ment is determined to keep reciprocity
before the House. At nine
o'clock last night the motion to go
into committee of ways and means
was carried, and the debate on the
reciprocity resolution, which com-
menced on January 26 last, was re-
sumed by Mr. Arthur, the Conserva-
tive member for Parry Sound.

Only half the full complement of
members was in attendance yester-
day, and in spite of the urgent whip
sent out, the Government benches
were only sparsely filled. When the
House opened, the only ministers ab-
sent were Sir Frederick Borden and
Hon. Frank Oliver.

Last night W. P. Maclean caught
the Speaker's eye and delivered one
of his characteristic monologues re-
specting state ownership. This time
it was the cable and telegraph com-
panies which came in for attention
from the member for South York. He
wanted Canada to join with the Im-
perial Government in a state owned
cable.

Hon. Rodolphe Lemieux said that
personally he was not adverse to pub-
lic ownership. In other countries,
such as England and Germany, the
public utilities, such as telegraphs
and telephones, were owned by the
state. He pointed out that in Can-
ada, by the expansion of the juris-
diction of the Railway Commission,
any one having a grievance against
telephone and telegraph companies
could bring them before the board.
Mr. Lemieux outlined the discussions
he had with Postmaster-General
Samuel of England, and his pro-
cessor, Sydney Buxton. On two separate
occasions he had taken up with these
gentlemen the question of cheaper
cable rates. He admitted there was
a strong opinion in Canada that
these rates should be cut, and both
Buxton and Samuel agreed with this.

Then came the renewal of the re-
ciprocity debate. Mr. Arthur said that
while he was opposed to the pact be-
fore the recess, he was still more
strongly opposed after he had visited
his riding. He found that all the
farmers got was the privilege of sell-
ing in a free trade market and buying
in a highly protected one. He op-
posed the agreement on the ground that
it was unwise to enter into entan-
gling commercial relations with a
country which was Canada's bitter
competitor. There should have been
a thorough investigation by a tariff
commission, and, thirdly, the pact
was against the best interests of the
farmers.

To-day the reciprocity debate will
be continued.

CENSUS RETURNS.
Mr. Borden asked Mr. Fisher for
some information respecting the cen-
sus. In what condition was it? Was
the enumeration completed, and when
were the results likely to be given
out? Mr. Borden also wanted to
know when it was expected the cen-
sus would be finished.

Mr. Fisher said he was not pre-
pared to make a statement. Offhand,
he would look into the matter and
give a more definite reply to-day.

SEALING REGULATIONS.
Dr. Sproule asked for information
respecting the negotiations over the
seal fisheries. He saw that these had
been discontinued and asked the reason.

Sir Wilfrid Laurier said a treaty had

STRIKERS CAUSE RIOT AT CARDIFF.

Fire Brigade Turned Hose on Men
Who Created Trouble.

WAREHOUSES WERE BELIEVED
TO HAVE BEEN SET ON
FIRE.

Cardiff, July 19.—Striking seamen
and dockers got a damping yester-
day when the brigade turned streams
on the strikers. The water did not
quench their tempers and only aroused
them the more. The strikers stoned
the firemen and police, and there en-
sued a desperate struggle. Finally
the strikers were driven off, but they
returned to the docks in a little
while and stoned the members of a
steamship's crew. Encouraged by
this, the men returned to the ware-
houses and stoned them. There fol-
lowed a fight with the police, and a
dozen men were seriously injured,
while the police suffered from stones
and kicks.

Later in the day there was an at-
tack upon another warehouse. Goods
were thrown overboard and the po-
lice were pelted with chunks of beef.
There was another hand-to-hand
clash and more strikers and police
were hurt. After several hours the
police managed to clear the docks.
London was telegraphed for assist-
ance and 300 constables were dis-
patched to aid the local police.

The warehouses of the Liverpool
and Dublin Steamship Company were
burned. It is believed that the fire
was started by incendiaries. The
strikers interfered with the firemen
upon their arrival, and out the lines
of hose as soon as they were laid.
The warehouses were full of perish-
able goods that blazed fiercely. Nev-
ertheless many strikers invaded the
burning buildings and looted. Many
barrels of stout were captured and
the strikers became uproariously
drunk. It was then that the fire-
men attempted to drive the men
away by the use of the streams of
water.

DUNHAM.

Mr. Benj. R. Stevens is now in the
West with Mr. E. Nelson Brown, visit-
ing Mr. A. J. Longway and other
friends.

Miss Jackson former principal of
Dunham Ladies' College is now visit-
ing Miss Emma L. Baker.

Mr. Mark Wilson of Hartford, Conn.
is visiting his sister, Mrs. Geo. W.
Wilkinson.

Mr. Wm. E. O'Brien has sold his
fine large farm of 150 acres to Mr.
Jos. Therrien of Adamsville, who
takes possession immediately.

The W. C. T. U. and the Y. W. C.
T. U. will hold a lawn social on the
Academy lawn, Tuesday, July 25th.

At the "Y" business meeting, Miss
Alice O'Brien was unanimously elect-
ed as president to act during the ab-
sence of Miss Hazel Wood, who is
spending the summer in Montreal.

**QUEEN MARY TO VISIT GER-
MANY.**

Ferlin, July 19.—According to
Monday's papers, Queen Mary of
England, the Princess of Wales and
Princess Mary, will attend the great
German naval review at Swinemunde
on August 30th, at which the Aus-
trian and Turkish fleets and the
Fleet of Monaco will also be
guests. The British party will first
visit their elderly relative, the
Dowager Grand Duchess of Mecklen-
burg-Strelitz, and following the na-
val review will proceed to Potsdam,
to be present at the review of the
autumn parade of the guard of Sep-
tember 1st.

KING REVIEWED ROYAL ARCH GUARD.

Scottish Capital is Quite Gay in
Honor of Their Majesties Visit.

LEVEE WAS HELD AT HOLYROOD
PALACE. MATTENED CERE-
MONY AT ST. GILES' CA-
THEDRAL, SCOTLAND.

Edinburgh, July 19.—King George
reviewed the Royal Archer guard yester-
day in the grounds of Holyrood
Castle.

The company dates back to 1876
and includes three dukes, two mar-
quises ten earls and five barons, the
number of those on parade being 300.
The Duke of Buccleugh is captain-
general. The company wore mediae-
val uniforms and was armed with
bows and halberds.

Following the review the King held
a levee in the palace.

The Scottish capital is bright with
color, the decorations being the most
elaborate that the present generation
of Scotchmen has seen, in honor of
the visit of King George and Queen
Mary.

The way from the railway station
to Holyrood palace was lined profusely
with obelisks, columns and
Venetian masts with magnificent tri-
umphal arches at all vantage points.
Yesterday afternoon the King paid
a visit to the grim old castle, where
the Scottish crown jewels are kept,
and to-day he will attend St. Giles
Cathedral for the dedication of the
chapel of the Order of the Thistle.

On the station platform the lord
provost presented the King with the
keys of the city, made of silver in
1628, for presentation to Charles I.
Subsequently the procession was
formed and Their Majesties traversed
streets hedged with cheering Scots,
to the eight century old palace which
has been rejuvenated in the interior
in anticipation of the royal visit.

inity have finished haying and re-
port a good crop.

CONDITIONS ON MAGOG RIVER.

Subject of Complaints to the Auth-
orities.

CARELESS BOATING. — PASSEN-
GER BOATS MUST BE LICEN-
SED.—OTHER MATTERS.

Mr. M. T. Stenson, collector of cus-
toms, having received complaints, is
taking steps to have all boats carry-
ing passengers on the Magog River
comply with the law. Licenses are
required for regular passenger boats,
proper inspection, life preservers, etc.
The complaints are to the effect that
passenger boats are often danger-
ously overloaded, without any precau-
tion in case of accident.

The joys of boating, and especially
of canoeing, have been greatly affect-
ed by the gross carelessness of some
of the launch owners on the river.
They run without lights, shooting
across in front of canoes and other
boats, passing to advantage on the river
in a most reckless manner.
This has been going on all summer,
and that there has been no serious ac-
cident can be attributed only to good
luck.

The Magog River offers fine oppor-
tunities for boating. It is an im-
portant city asset. The oversight of
the civic authorities, however, should
be more constant here than it is in
the city parks. The damage from
accidents is greater.

The authorities should also observe
conditions at and surrounding the
entertainment grounds known as Riv-
erside Park.

It is understood that the police
authorities have already taken up
the question of supervising conditions
on the river. If necessary, a police
boat will patrol the river, to see
that the regulations relative to
lights, etc., are complied with.

Mr. C. J. Wright, of Sherbrooke,
has been appointed a justice of the
peace under authority of article 3361
of the R.S.P.Q., with jurisdiction
over the districts of St. Francis, Bed-
ford and Three Rivers.

HAD TERRIBLE TIME IN PORCUPINE.

Lingwick Road Resident Tells of
Her Awful Experience.

WERE HEMMED IN ON ALL SIDES
BY FIRE AND DID NOT EX-
PECT TO GET OUT
ALIVE.

Mrs. K. D. McRae, of Lingwick
Road, is in receipt of a letter from
her daughter, Mrs. M. A. McLeod,
who was in Porcupine at the time of
the recent disastrous fire. Writing
from South Porcupine under date of
July 12, she says:

"Here I am safe, but had a close
call. My life is safe, but I am very
ill. Two minutes, more or less, we
would have gone, as we were smothered
with smoke and gas of this town
also Golden City and Pottsville and
the mines all on the other side of us.
Not a stick is even left."

"Oh, it's an awful sight. They say
people, cattle, dogs and horses are
lying together scattered through the
country. It's awful, and I hope I'll
never have such an experience again.
If the track is gone I am afraid we
will starve. I don't believe there is
anything to eat. Mack and S. and
the two superintendents, bookkeeper
and one other man were in the
"rute" house. The wood in front
caught fire, and smoke and fire poured
down the ventilators. We had to
put wet clothes on our faces to
breathe through and lie flat on the
floors. Even then we were all in
and couldn't get out as the front of
the place was all on fire. There was
no water to put it out. Oh, we suf-
fered during those few minutes. It
was a terrible, terrible awful. Well, guess
you'll have to rely on the papers for
news, as I am not able to give you
all the details now."

"This mine saved all their men and
the compressor. Well, don't worry,
as the worst is over. We can't go
through the same thing again. It's a
wonder we weren't killed by the pow-
der cars and magazine house. It was
only a quarter of a mile away from
us, with six tons of powder (the sup-
ply for all the mines).
"You can write to the same old
address. Put Foley-O'Brien on, so I
will be found when it comes. I might
leave here when the relief train
comes. Murdo's eyes are pretty
bad."

UNIVERSITY

EXAMINATIONS.

TOWNSHIP OF CLEVELAND BOY
SECOND IN PROVINCE.

Montreal, July 19.—In the Univer-
sity School leaving examination, the
following corrections in the list are
announced: Chester Windfold Boast, of
St. Francis College High School,
Richmond, should have been credited
with 879 marks instead of 779, thus
placing him second in the list for the
Province. Robert DeWitt Scott, of
the Montreal High School for Boys,
obtained 590 marks instead of 564
as first announced.

COATICOOK HAS BOARD OF TRADE.

Officers and Committee Elected at
First Meeting.

OBJECT OF BOARD IS TO AD-
VANCE INTERESTS OF THE
TOWN.

Coaticook, July 19.—(Special)—The
Coaticook Board of Trade took an-
other step forward when its members
met for organization. A committee
appointed the week previous to draft
a constitution reported, and the
adoption of the constitution took up
a good part of the evening. The ob-
ject of the Board, according to the
constitution, is to foster, encourage
and develop the mercantile and man-
ufacturing interests of Coaticook; to
encourage, advise and assist in local
improvement and embellishment; to
collect and circulate useful informa-
tion concerning the town, its trade,
industries and advantages, and to
strive with united effort to increase
the wealth, influence and population
of Coaticook.

The Board will meet on the second
Tuesday of each month. The officers,
consisting of the honorary president,
president, vice-president, secretary
and treasurer, were elected at this
meeting.

There was considerable discussion
regarding the method of election. The
constitution as submitted provided
for the election of officers by ballot.
After a good deal of discussion it
was finally decided to leave the meth-
od of election with the meeting after
nomination had been made. The
officers elected were as follows:

Hon. President, Mr. C. H. Lovell,
M.P.; President, Mr. H. Verret, K.C.;
Vice-President, Mr. E. F. Tomkins;
Secretary, Mr. L. M. Thomas; Treas-
urer, Mr. A. Rousseau.

The following committees were also
appointed:
Industries—Messrs. H. C. Fontaine,
E. W. Akhurst, R. H. Cooley, A.
Gerrin and A. A. Woodman.
Local Improvements—Messrs. P. L.
Baldwin, D. S. Bachand, G. M. Moul-
ton, J. A. Vezina, B. Hopkins.
Advertising and Printing—Messrs.
E. P. Dupuis, A. C. Hanson, A. La-
joie, A. A. Pomeroy, E. C. Drolet.

These various committees will elect
their own chairmen. The executive
committee will consist of the officers
above named and the chairmen of
these three committees. After the
election of officers considerable dis-
cussion was had regarding the work
of the board and what it can do to
assist the council and the general
growth of the town. Before the next
general meeting of the Board there
will be a meeting of the officers and
committees and it is expected that
they will have some definite propo-
sition to lay before the August meet-
ing.

ALLEGED THEFT AT GRANBY.

HORACE CONTENT CHARGED
WITH HAVING STOLEN A
\$10 BILL.

Granby, July 19.—(Special)—High
Constable Boisvert, of Sweetsburg,
arrested Horace Content, of this
place, charged with the theft of a \$10
bill from Joseph Major. The accused
was brought before Mr. T. H. Ken-
nedy, J.P., and given a preliminary
hearing, after which he was commit-
ted to Sweetsburg jail. He will ap-
pear before Judge Mulvena on August
3.

At the preliminary hearing the ac-
cused admitted having found the
money lying on the floor. Proof was
made to the effect that Major had
lost the \$10 in the Windsor Hotel on
Saturday afternoon, and he (Major)
asked the accused if he had seen it.
This he denied, but shortly after-
wards accused changed a \$10 bill and
it was shown that previous to that
accused had no money.

ASSAULT CASE AT EAST ANGUS.

FATHER ARRESTED CHARGED
WITH BEATING HIS FIVE-
YEAR-OLD CHILD.

East Angus, July 19.—(Special)—A
regrettable occurrence took place
here last evening when the authori-
ties had to order the arrest of a man
named Taft. From the information
at hand it would appear that Taft,
who was considerably the worse of
liquor, went to his home where an al-
tercation took place between him and
his wife. The husband then turned on
his five-year-old child, and beat it
severely. The mother gave the alarm
and had it not been for the interven-
tion of the neighbors serious results
would no doubt have followed. The
child was taken care of and the father
placed under arrest.

Taft has been in this place for
about three months, while his wife
only arrived about two weeks ago
from London, Eng.

The accused was brought before Mr.
Palmer, J.P., this forenoon and com-
mitted to Sherbrooke Jail to stand
his trial.

SCHOOL TAX IN BROME.

Brome, July 19.—(Special)—At a
recent meeting of the School Com-
missioners held at Brome, the chair-
man, Mr. E. W. Bullard, was re-elected
by a unanimous vote of the Board.
It was again decided to levy 31 mills
for school purposes for the ensuing
year.

**MR. ARTHUR SHORT AND FAM-
ILY ARE SAFE.**

Granby, July 19.—(Special)—Word
has been received from Mr. Arthur
Short, who, with his family, was in
Porcupine at the time of the fire, that
they escaped with their lives, but Mr.
Short will suffer severe financial loss
in the destruction of his goods.

SNAG HAS BEEN REMOVED.

Scottdale, July 19.—(Special)—It
is reported that the matter of the
town of Scottdale making a loan of
\$40,000, which ran up against a snag
some time ago, has been fixed up in
some way so that the Lieut. Govern-
or at Quebec has given his consent,
and the matter of a loan by this
town is at present a settled fact.

**DOGS ATTACK CATTLE AND
SHEEP.**

Brome, July 19.—(Special)—Dogs
are a considerable source of annoy-
ance and at the same time cause con-
siderable injury to cattle and sheep
here. Mr. S. Fletcher found dogs
chasing his cattle in the pasture the
other night, and Mr. Edward Owens
had both his sheep and cattle attack-
ed by some worthless curs.

WORK ON ROAD SUSPENDED.

Brissette Corner, Hatley, July 19.—
(Special)—Work on the macadamized
roads at North Hatley has been
postponed until the haying season is
over on account of the scarcity of
men and teams to supply the stone.
It is understood that the road will
be extended towards Reed's Crossing
as far as the corporation limit if the
funds are forthcoming to advance this
great benefit to this hustling town.

SECOND FIRE IN TWO YEARS.

Ayer's Cliff, July 19.—(Special)—
The storm of Sunday afternoon,
though quite severe here, did no seri-
ous damage other than burning out a
few telephones. Following one of the
sharpest flashes of lightning a smoke
and immediately a large blaze was
noticed in the direction of Massawippi
which proved to be the large barn
on the farm belonging to Mr. Wesley
Badger, proprietor of the "New Cliff
House" here. It contained fifteen tons
of hay, two mowing machines, hay-
loader and other farm machinery,
in a surprisingly short space of time
lay in ashes. This is unfortunately
the second heavy loss to Mr. Badger
by fire within the past two
years, and much sympathy is felt for
him. During the same storm the
chimney at the home of Mr. F. Dux-
ton was demolished but no fire was
started.

MINISTER HAS EXCITING TIME.

South Bolton, July 19.—(Special)—
Rev. Mr. Payne, Episcopal minister
of this parish, had an exciting time
after the morning service at the
church, last Sunday. The horse he
was driving ran away tipping the
buggy over throwing Mr. Payne and
young daughter out. It seems that
a part of the harness broke letting
the shafts drop to the ground. The
animal made a record run from the
church to the McManis House turn-
ing onto the Knowlton road where
the turnover took place. Only
through Mr. Payne making every ef-
fort to stop the horse and keeping
him under partial control a serious
accident was avoided, as luckily the
occupants were not seriously injured
although they received quite a shock.
No damage was done to the rig ex-
cept a much broken harness.

LIGHTNING KILLED CALVES.
East Bolton, July 19.—(Special)—
During the recent electrical storm
lightning ran along the wire fence
belonging to Mr. Bettington and killed
two calves which were lying along-
side the same.

FACTORY WAS CLOSED DOWN.
Richmond, July 19.—(Special)—The
heavy rain of Monday night damaged
the main driving belt of the Boston
Last Factory. As a result work was
suspended yesterday until the dam-
age could be repaired.

WATER IN BROOK DRIES UP.
Tingwick, July 19.—(Special)—The
water in the brook known as the
North Branch on the Government
Road has stopped running, which
has never been known before. Several
farmers have to draw water for
their cattle.

BROME FAIR DIRECTORS.
Brome, July 19.—(Special)—A
meeting of the directors of Brome
County Fair will be held on August
4 to make arrangements for the com-
ing fair. The privilege for the sale
of refreshments, etc., on the grounds
will also be let.

HORSE AND COW KILLED.

Spring Hill, July 19.—(Special)—
During the recent storm no damage
was done here, but in Stornoway the
lightning was very severe. A horse
belonging to James Matheson was
struck and instantly killed, and a
cow belonging to Mr. McAl-
lister was also killed. Although
it was very severe it will help along
the crops, which were in great need
of rain, as the ground was getting
completely dried up.

SUTTON RESERVOIR FILLING.

Sutton, July 19.—(Special)—It is
pleasing to note that the recent rains
have replenished the streams and
raised the natural flow of water in
the reservoir to nearly, if not quite
its normal depth. It had during the
dry weather fallen some three feet
in the reservoir and an order had
been issued to all water users to re-
frain from using hose or sill cocks
till the supply was again normal.

and will leave next spring in time
to reach the St. Lawrence by the
opening of the St. Lawrence. Two weeks
after its arrival it will be ready to
receive vessels.

**WILL CROSS ATLANTIC IN MOTOR
BOAT.**

New York, July 19.—Captain John
Weller, the mariner of Carlstadt, N.
J., who will try to cross the Atlan-
tic in his fifty-foot motor boat,
Romania, has started on his voy-
age. After an official farewell at the
home of the Jamaica Bay Yacht
Club, the boat anchored at the North
River until Saturday morning, when
she moved down to the Yacht Basin
south of Pier A at the Battery. The
start was made from the battery at
noon yesterday.

Capt. Weller expects to reach
Queenstown the first port to call on
August 4.

GRANITEVILLE.

In the demise of Mrs. Alonzo Kilborn, whose death was previously reported, and who departed this life at her home at Lineboro, Que., on Sunday, July 9th, the entire community has met with a great loss. Mrs. Kilborn, whose maiden name was Eliza Tilton, was a daughter of Manly Tilton, Sr., of Bolton, Que., where she spent the early part of her life. During the past six months three of her sisters have been taken away by death. There are three sisters and one brother left, Mrs. Chas. Achilles, Mrs. D. T. Eldor and Mrs. Dennis Ward and Mr. Manly Tilton. The sisters all have very poor health. There are also left to mourn her loss a husband, three sons, a daughter, and a daughter-in-law, besides grand-children. She was in her 79th year and her health had been gradually failing for a year and a half, but not until the past three months had her condition been considered dangerous. Her daughter, Mrs. E. L. Scott tenderly cared for her during her sickness and had always been a constant companion for her. Her two sons, Messrs. Frank and Edward from Lawrence, Mass., were also with her when she died, but her son, George, who lives in Anthony, Kansas, was unable to come, for the day he received the sad news he had an operation for appendicitis. Her life was quiet and beautiful and all who knew her respected and loved her. Her memory will be endearingly cherished and her presence greatly lamented. The funeral services were held at her late home. Rev. Mr. Smith officiated. Mr. George Somerville was manager. The casket was laden with beautiful flowers from kind friends and relatives. The interment was in the family lot at Marlinton Cemetery.

ADDERLEY.

The little village of St. Pierre Baptiste was the scene of a very gay spectacle on Thursday, the occasion being the twenty-fifth anniversary since the parish was formed, and was fittingly celebrated by the raising of three large bells on the parish church.

The ceremony of the Baptism of the bells was performed by the Archbishop, assisted by ten priests. Excellent music and singing was rendered by the choir. There was a very large assembly of people present, many strangers coming from a distance. In fact it was the largest crowd that was ever gathered together here. Amongst those present were Mr. D. H. Pennington, M.L.A., of Lyabert; Mr. F. T. Savoie, M.P., of Plessisville, and many other prominent business men. The village was beautifully decorated with flags, bunting and mottoes for the occasion. On the evening preceding the ceremony there was a fine display of fireworks, and the whole village was lit up by Chinese lanterns. The majority of the Adderley citizens attended the celebrations and much appreciate the beautiful musical chime of the bells, which is heard far and near. About \$750 was contributed that day to the bell fund.

Mr. Editor,—

Please allow me a little space in your column to pay a debt of gratitude to Dr. Bachand of Sherbrooke for the kind and skilful attendance he has given me when I was under his care. I must say right now that my cure was considered to be incurable by all the physicians I spoke to. Dr. Bachand, himself, thought my chances were pretty slim, but after a thorough study of the case he came to the conclusion that I had a chance. He then went to work with his new method and I began to feel at once that he was going to achieve more for me than what he promised to do.

His electrical treatments are entirely different from anything I

commanded by His Majesty to thank the members and friends of the Holy Trinity Church, Iron Hill, Quebec, Canada for their kind congratulations upon the occasion of His Majesty's Coronation."

A VETERAN OF THE TOWNSHIPS.

Farnham Centre, July 19.—(Special)—This place boasts one of the oldest residents of the Eastern Townships in the person of the venerable Mr. Townsend Hall, who is quite hale at the advanced age of one hundred and one years and six months. It is unfortunate that this pioneer of the Townships is blind and has been for some years, otherwise he takes much enjoyment in living.

SUTTON VILLAGE SCHOOL COMMISSIONERS MEET.

Sutton, July 19.—(Special)—At the meeting of the Sutton Village School Commissioners in the Town House, there were present Messrs. R. A. Wilson, L. L. Jenne, E. B. Greeley and Sec. H. A. Parsons. Mr. Wilson was appointed chairman. The audit report, which was accepted, showed an amount of cash on hand of \$290.61; arrears on land rate, \$155.80; tuition arrears \$318.15. The Commissioners then adjourned to meet on July 22nd, to transact further business.

OFFICERS WERE INSTALLED.

Cowansville, July 19.—(Special)—The officers installed for the current six months as heading Restoration Lodge No. 32, were installed by Bro. M. E. Baker, D.D.G.M., assisted by P. G. Bros. Jos. Seby, W. A. Doherty, F. T. Curley, A. E. Seby and J. I. McCabe.

The officers installed were: Bro. L. E. Scott, P.G.; Bro. W. C. McCabe, N.G.; Bro. W. H. Smith, V.G.; Bro. W. N. Hawk, Rec. Sec.; Bro. Alex. Burnet, Treas.; Bro. John Foster, P. G., R.S.N.G.; Bro. W. H. Shufelt, L.S.N.G.; Bro. G. W. Johnston, chaplain; Bro. C. Landan Hall, P.G. Organist; Bro. W. V. Rice, Warden; Bro. H. C. Strong, R.S.V.G.; Bro. T. Laroque, L.S.V.G.; Bro. G. L. Burnet, Conductor; Bro. G. H. Ingalls, R.S.S.; Bro. Henry Jones, L.S.S.; Bro. Paul Feurter, I.G.; Bro. J. F. Dougal, O.G. After the installation ceremonies were completed, there was an enjoyable little supper partaken of by all, at which all the gentlemen of the installation team spoke in very fitting terms and eloquently of their regard for their Order. The L.O.O.F. is in a very flourishing condition in Cowansville and vicinity.

SITUATION IS SERIOUS.

Lake Megantic, July 19.—(Special)—The dry weather is becoming quite serious here. Everything is suffering for the want of rain, wells are drying up, and garden vegetables are withering right up. Small fruits are ripening out before they are half grown. The uncultivated here, where it is quite heavy, is drying out before it is fully headed, and in light lands is now past hay and will only be poor straw. Some of the farmers who commenced early have already got in the best half of the crop in extra good shape, but those who are only commencing now wish they had got it earlier. The usual time to

DOCTOR SAID SHE WOULD DIE

"Fruit-a-tives" Saved Her Life

RIVIERE A PIERRE, QUE., May 9th 1910

"I look upon my recovery as nothing short of a miracle. I was for eleven years constantly suffering from Chronic Dyspepsia, Indigestion and Constipation. The last two years of my illness, I was confined to my bed nearly all the time. I was so thin I weighed only 90 pounds, and I vomited everything I ate. Even water would not stay on my stomach. The doctors gave me up to die as the stomach trouble produced heart weakness and I was frequently unconscious. At this time, a lady friend strongly advised me to try 'Fruit-a-tives' and how thankful I am that I did so. When I had taken one box, I was much better and after three boxes, I was practically well again and had gained 20 pounds. I have taken thirteen boxes in all and now weigh 150 pounds and am absolutely well—no pain—no indigestion—no constipation—my heart is sound and complexion clear."

commence having in this district is about July 20th.

There was a very heavy thunder storm north of here on Sunday evening without giving Lake Megantic any rain. It threatened to break over here for two or three hours, but a strong southerly wind that was blowing all day, carried it to the north and east. The thunder and lightning was incessant and at Spring Hill and St. Cecile rain fell copiously.

SUTTON TOWNSHIP SCHOOL COMMISSIONERS MEET.

Sutton, July 19.—(Special)—At the meeting of the School Commissioners of Sutton there were present Messrs. J. C. Reid, E. J. Wyatt and H. H. Allen, and Secretary H. A. Parsons. Mr. Reid was appointed chairman for the year. The audit report was read and accepted, which showed Cash on hand \$808.93; Arrears \$181.63; Scholar tax arrears, \$66.80. Mr. L. A. Hurlbut was re-appointed auditor. A rate of 3 mills on the dollar was levied for current expenses for 1911-12. A raise in the monthly scholar's fee was made from 5c as heretofore to 10c per month to be paid by the rate payers. The 20c fee per month for non residents remains as formerly. A special rate of 9-10th of a mill was levied for repairs to school houses in No. 18, and 7-10 of a mill for repairs to school building in No. 14. There are five Protestant teachers to be engaged to finish out the number of teachers required in the town, the hiring of which was left in the hands of the chairman. No bills were accepted at this meeting and an adjournment was made to September 9.

FINE SAMPLE OF MAPLE SYRUP.

Scotstown, July 19.—(Special)—Mr. Neva Asker, of Canterbury, who has always been noted for making something good in the maple product line, seems to have made an impression on the government analyst. During the maple syrup season last spring Mr. Asker sent in a sample of the goods he was making to the government analyst for inspection. He had heard nothing in regard to the matter until he received the following letter a few days ago: "Ottawa, July 11, 1911. 'Neva Asker, Esq., Canterbury, P.Q. 'Dear Sir—A sample of Maple syrup forwarded by you for examination and certified as genuine, gives quite exceptional results on analysis.

Another large crowd is looked for this evening.

THE RECENT ELECTRIC STORM.
To the Public:—

We wish to state that no damage loss of any nature occurred to buildings where the Dodd & Struthers Lightning Apparatus was installed, during the storm of July 16, 1911.

We also positively assure that if the Dodd & Struthers rod had been installed upon the buildings damaged and destroyed during the late storm, the insurance companies and individuals would have been saved these losses.

Yours truly,
DODD & STRUTHERS,

CONCERT AT THE MONUMENT NATIONAL.

It was late when the first number on the programme was given, but Paul Dufault was at his best, his rendition of the Grand Air de Jeanne d'Arc being that of a master rendering a masterpiece, and his reception was but an earnest of the deep appreciation of those present. The singing is already so well known here, that few words will suffice as to his personality. It is one that impresses itself on his hearers deeply, from the first number, and to few is given the great gift possessed so abundantly by Paul Dufault. His contributions to the programme were generous, comprising, in addition to the opening selection, three numbers of four songs each, giving ample scope for his magnificent voice. In his dainty Irish love song, he took all hearts by storm, and in his closing song "A Toi" held his audience spellbound.

Miss McBain's opening number showed her great capability as a violinist. Her technique is admirable, and her selection was well calculated to give it the prominence it deserves. But in her second numbers, the dainty minuet and mazurka, she showed her ability to interpret on the greatest instrument in the world, the music that touches the heart and commands appreciation, and the hearty encore she gracefully responded to was well deserved.

The third selection was the Jewel Song from Faust by Mrs. F. H. Bradley. One of the finest selections from a world famous opera, it was sung last night superbly. Mrs. Bradley's voice was in perfect condition and she retted with the richness of melody which has made her such a favorite, and the Jewel Song showed her splendid training to the greatest advantage. Her encore "The Rosary" was simply exquisite in every note.

The duet between Mrs. Bradley and Paul Dufault, may surely be called a star number, for the perfect rendering of the two voices in "Nuit de Venise" was a wonderful exemplification of the power and knowledge of music, and the audience insisted upon an encore.

Mrs. Bradley's last numbers were two exquisite little gems of melody and harmony, the composition of Mrs. L.E. Codere. Had the composer chosen, she would have selected no better interpreter of her settings than Mrs. Bradley.

A beautiful bouquet was presented to Mrs. Bradley at the close of the concert and she graciously acknowledged it in co-operation with the gifted composer, who seemed to desire no recognition.

One seldom listens to such an accompanist as Mrs. Codere. Her exquisite touch and close sympathy with her singers, are not often met with, and last evening she was an indispensable and perfect part of a most profitable and refined entertainment.

1870 by our Canadian volunteers. This was rejected after three hours' debate by 61 to 45, or a majority of 16.

Sir Wilfrid Laurier called upon his supporters to reject the amendment, and in any event some other method should have been adopted in bringing the question up. There were strong feelings in the West that land grants to the 1885 and South African veterans were of no benefit to the country or to the men themselves. For his part he would not be disposed to treat these men of 1867-70 on a universal system. Some of them had seen active service in defence of their country. Some had seen no service at all. He himself was one of the latter. Yet he had received a medal which he felt he did not deserve. Those who really saw service were the ones to be considered, and he would make a distinction between that class and the other. Then the Premier sat down.

FAREWELL TO OVERSEAS MEMBERS.

Premier Asquith Says Mother Country is Not Moribund.

KING SENT A MESSAGE—MR. BALFOUR ALSO ADDRESSED GATHERING.

London, July 19.—The King sent a message of farewell to the luncheon to the representatives of the dominions, given by the Parliamentary Committee, yesterday, conveying the hope that they and their wives had enjoyed their visit to the Motherland. He expressed pleasure at having seen them at Buckingham Palace, adding his wishes for a safe and pleasant journey home.

Premier Asquith said he thought that as a result of their survey of various parts of the United Kingdom, the visitors would carry away two abiding impressions: "First, that whatever the pessimists and cynics have said to the contrary, this mother country, the home centre of the Empire, is not yet moribund. (Cheers.) Wherever you have been you have seen 'abundant' evidence of vitality and progress—I do not wish to speak of politics—in all the social, industrial and other walks of our common life; and, next, but not least important, you will all go to your various dominions and colonies of the King feeling that there is identity of ideals and aims between the different parts of the Empire, quite independent of all political parties, which constitutes the abiding safeguard of Empire co-operation, with sympathy, freedom and unity. Local patriotism and imperial unity are said to be the characteristic features of our Empire. Some people think it an accident; some think it a miracle. It is enough for you and me, good, true and loyal subjects of the King, to recognize in it, as everyone must feel, the best solution which the political genius of mankind has yet provided."

Mr. Balfour, leader of the Opposition, in his speech, said: "I associate myself absolutely with the Premier in what he has said in optimistic vein, in a vision of true optimism, with regard to the vigor and vitality of every part of the Empire. We are not a decadent Empire, and we in this country are not a decadent part of the Empire. (Cheers.) We in this country, the Mother Land, are personally ready to bear all the weight, all the responsibility, belonging to our position, and we know there is an eager, growing sentiment in every part of the Empire that we should not bear that burden alone." (Cheers.)

SUSPICIOUS CASES AT QUEBEC

FOUR OF CREW OF BENDU BELIEVED TO BE SUFFERING WITH CHOLERA.

Quebec, June 19.—It now appears that the reason the steamer Bendu was detained at Grosse Isle, as before reported, was that four of her crew were suffering from illness strongly resembling cholera. The vessel arrived at quarantine on Sunday morning from Baltimore, but had previously been in the West Indies. When she reached Grosse Isle her captain reported that the four men had been taken ill after leaving the American port. It was then decided that all on board should land on the Island at once, the four sick men being sent to the hospital and the remainder isolated and placed under observation. As the detention of the steamer for a great length of time at the island would be a heavy loss to the owners (Elder, Dempster & Company), she was thoroughly fumigated on Sunday and Monday. Captain F. X. Pouliot, of the C. G. S. Montmagny, and a crew recruited in Quebec and Montreal, were sent down to Grosse Isle and brought the steamer up here on Monday night, proceeding on to Montreal direct.

FRANCE WILL TAX BACHELORS.

Paris, July 19.—(Special)—For first time in France, resolution in favor of tax on bachelors was voted by Lyons Municipal Council yesterday afternoon. Council thus proposes to raise \$80,000 which it needs for alleviation of distress suffered by innumerable large families among laboring classes in city. It is proposed to make all single men residing in Lyons liable to a tax of \$2 and supplementary tax of \$1.25 if they pay weekly rent of \$1, or more. Parliament has been asked to pass the bill to bring the proposed tax into operation.

BRIDGE WAS BUILT IN A NIGHT.

ERECTED BY REAL ESTATE AGENT AND MAY CAUSE TROUBLE.

Ottawa, July 19.—There has been considerable talk in Ottawa of a bridge over the Rideau River from Stratheona Park to a new suburb opposite. There was a surprise in the situation yesterday morning for Ottawans when they got up, for a bridge had been built in the night.

The oddity arose from a desire of a real estate agent who was pushing the lots on the west side of the river. He asked no permission, said nothing, but just had a foot bridge put up from the walk of the Ottawa Improvement Commission over the Rideau. It does not actually touch the Park, but you can step on to the structure from the walk.

An interesting situation now ensues as to rights and injunctions and the midnight bridge is likely to become famous.

that he had been picked off the street and made president of two concerns and secretary of a third at a total salary of \$5 a week. The witness, Herman S. Robinson, said he was homeless when hired to run errands. He was told he must "dress up" and said that one of the defendants had outfitted him at a clothing store. At the end of the hearing the three officials, David Belaity, Jacob Malschick and Chas. Weinberg were held under bail for trial.

FOREST FIRES IN NOVA SCOTIA.

Amherst, N.S., July 19.—The forest fires which have been raging here for the past eight or ten days continue with unabated violence. During the past twenty-four hours the fire must have run eight or ten miles. The conflagration has crossed to the east side of the Shullee River and has practically destroyed all the green timber on the lumber areas of Robinson and Wright. On Monday the fire was fully two and a half miles from any of the residences at Shullee and this morning the flames were within three quarters of a mile of where the village stands.
