

Canadian Troops Now In Complete Control of Vimy Ridge

Over 9,000 Germans Fell Captive To The British In Operations Yesterday

Opening of Spring Offensive Yesterday Between Lens and St. Quentin Proved More Successful Than Earlier Accounts Indicated. With Vimy Ridge Gone Any Retreat By Germans Will Be Uncertain And Precarious. Anglo-French Forces Are Drawing Chain Tighter Around St. Quentin

(Canadian Press Despatch.)
LONDON, April 10, 1 p.m.—It is officially reported that the British forces captured over 9,000 prisoners and more than forty guns in yesterday's operations.

OFFENSIVE IS STILL IN PROGRESS.
(Canadian Press Despatch.)
LONDON, April 10.—The British offensive between Lens and St. Quentin, with which the spring operations have been opened, and which is still in progress, has proved even more successful than the earlier accounts indicated.

General Sir Douglas Haig today reports that yesterday's captures exceeded 9,000 men, while forty guns fell into the hands of his troops.

CANADIANS OCCUPY VIMY RIDGE.

The Canadians, who had one of the hardest bits of the front to contend with, are now in complete occupation of the famous Vimy Ridge, even the eastern slopes of the ridge having been cleared of Germans. The Canadians also have repulsed German counter attacks.

These reactions by the Germans indicate the importance they attach to this position whence the conquerors look down over the plain of Douai. With Vimy Ridge gone the whole German line covering the French towns and industrial districts to the north becomes a wavering one, and any leisurely retreat the Germans may have planned is made uncertain and precarious.

CHAIN TIGHTENS AROUND ST. QUENTIN.

With the capture of the famous ridge, the British made a considerable stride along the road to Douai, while the capture of the high ground north-west of St. Quentin tightens the chain which the Anglo-French forces are drawing around that town. A German division south-east of Ypres, according to General Haig's report, met with no success.

GERMANS RECOIL FROM HEAVY BLOW
DELIVERED BY BRITISH IN ARRAS REGION

(Canadian Press Despatch.)
LONDON, April 10.—The news of the successful opening of the new British offensive has stirred intense interest and high hope among the people throughout the country. Whatever the enemy may have claimed as to the retreat in the Somme sector having been prearranged and strategical, it is contended that their recoil before the blow delivered in the Arras-Lens region cannot be explained away in any such manner. It is urged that there is no possible voluntary element in this retirement, and that there can be no dispute as to who took the initiative.

A new chapter in the conflict on the western front has begun, and, whether or not it is to prove the beginning of a decisive battle, it is bound according to the prevalent opinion here to lead to results of the highest importance.

STRUGGLE FOR VIMY HEIGHTS.
The main feature of the battle thus far on which attention has been focused is the capture of Vimy Ridge. The immense value of this series of heights, which dominate the plain from an elevation of 400 to 500 feet, has been recognized throughout the war and great sacrifices have been regarded as justifiable if they resulted in its possession.

The French and Germans fought

fiercely for control of the Ridge in the summer of 1915, both sides suffering heavy losses, but in the end the Germans held the main portion of the position.

Later the British took over the French line and were ousted by the Germans from the part of the Ridge which had been won by their predecessors.

BASTION OF ENEMY'S WESTERN LINE.
One military critic commenting on the present battle thus describes the importance of the Vimy Ridge. "They are admittedly the bastion of the enemy's western line. Whatever else has been allowed to go he held Vimy Ridge with grim resolve and lavished upon it all the arts in fortification and defensive skill that the war has taught him. Upon it hinges the whole strategy of the enemy's retreat in the west. With Vimy firmly held he can swing his line farther South slowly back, until each part of it reaches the position where he has a mind to stand, and he can cover the French industrial districts upon which he depends so much for supplies. But with Vimy gone the defense of these districts can hardly be maintained, the pivot of the whole retreat shifts and gives backward and is in instant risk of fracture."

at 11.50, is as follows:

"During the night there was severe fighting at the northern end of Vimy Ridge, where the enemy had retained a footing. He was ejected, and an attempted counter-attack failed to materialize. The eastern slope of the Ridge has been cleared of the enemy and counter-attacks repulsed.

"Our troops advanced and seized the village of Fampoux and neighboring defenses north and south of the Scarpe.

"The number of prisoners taken yesterday exceeds 9,000, and over forty guns have been captured.

"In the neighborhood of St. Quentin the enemy has been driven from the high ground between Le Verguier and Hargicourt. Fighting continues throughout the whole battlefield.

"After an intense bombardment the enemy made a strong attack last night on a narrow front southeast of Ypres, and succeeded in reaching our

(Continued on page 10.)

CANADIANS CAPTURED 2000 GERMANS

Casualties Were Surprisingly Light In View of Importance of Ground Won.

CANADIAN HEADQUARTERS IN FRANCE, via London, April 10.—The crest of the Vimy Ridge has been carried. The strongest defensive position of the enemy on the western front has been captured by the army of Sir Douglas Haig, and the Canadian corps was given a place of honor in the great event, being strongly supported by some of the most famous of the British formations. The attack was preceded by a bombardment which continued for several days, and in which guns of the heaviest calibre, formerly used on only the biggest battleships, took part. The results, as revealed by aerial observation, were a repetition of the Battle of the Somme. Aeroplanes, flying low, could find only shapeless masses of churned up earth where the enemy's first line had been.

CLEARED IN 7 HOURS.
On a difficult part of the front, on the southern end of the Canadian front, the Germans yielded ground more readily than in the north. Many prisoners were taken, and as for the guns, which had been strongly held before, our guns hammered it to pieces. It did not long hold out. By 12.20, seven hours after the battle began, no organized body of the enemy remained on Vimy ridge, save the nest of machine gun sections on Hill 145.

Of the casualties it can only be said this moment that they are surprisingly light, especially in view of the importance of the ground won. The prisoners on the Canadian part of the front probably total close to two thousand. The British troops on the adjacent part of the front captured over three thousand. The men are splendid, and proud that they have been counted worthy to furnish a striking force in so important an operation as the re-capture of Vimy ridge.

No ground in all France is more dear to the hearts of the French people than the front from which the Canadians set out to drive the enemy from his positions on the ridge of Vimy, the chapel of Notre Dame de Lorette, Souchez, and the sugar refinery, to conquer the crumbling ruins of which men died in thousands. The Cabaret Rouge, Neville St. Vaast, the Labyrinth, are names that will be forever glorious there.

ELATED OVER SUCCESS OF CANADIANS

To Be Assigned to the Front in Offensive is Considered Great Compliment.

(Canadian Press Despatch.)
OTTAWA, ONT., April 10.—The splendid performance of the Canadian troops in the capture of the Vimy Ridge causes intense satisfaction at headquarters in Ottawa, and felicitous cables went forward to General Sir Julian Byng, commander-in-chief of the Dominion's forces. That is such a momentous offensive, making what may well be the turning point of the war, Canadian troops should be assigned to the very forefront is regarded in itself as a signal honor and compliment to their steadiness and efficiency. How their work maintained the magnificent record at St. Julien and elsewhere is told in the cable despatches which give much more detail than the brief messages which have come here. What divisions and brigades took part is not yet known.

It is assumed that a victory so remarkable as this has not been accomplished without some resultant losses, but the intimation that they are slight is particularly gratifying.

MEXICO CITY.—Nine persons were killed at Mexico City on Sunday during the automobile races. Twenty persons were slightly injured.

PARIS.—Owing to continued heavy bombardment of Rheims by the Germans, the Government has ordered that civilians evacuate the place, and women and children will be taken to the rear.

BRAZIL MAY BREAK WITH GERMANY TODAY

Action Will Be Taken After Consideration of Report on Sinking of Steamer Parana.

RIO JANEIRO, April 10.—The official report regarding the sinking of the Brazilian steamer Parana, which the Government has been awaiting before taking definite action toward Germany, is believed to have been received to-day from the legation in Paris. It is expected the Government this afternoon will sever relations with Germany.

RECONSTRUCTION OF THE CABINET IS EXPECTED

(Canadian Press Despatch.)
RIO JANEIRO, April 10.—President Braz has informed the Cabinet that he will summon it for a conference immediately upon receipt of information regarding the Parana, which he is said to have requested from the legation in Paris. It is learned from a reliable source that a reconstruction of the cabinet was discussed at the last council of the ministers. It is proposed that the present administration chiefs should resign in a body as soon as relations are broken with Germany.

RECOGNIZES NEW RUSSIAN GOVERNMENT.

(Canadian Press Despatch.)
RIO JANEIRO, April 10.—Brazil has recognized the new Government of Russia.

GERMAN MILITARISM IN BRAZIL.
(Canadian Press Despatch.)
RIO JANEIRO, April 10.—A note, under the title of "German Militarism at Home," takes up the question of the German rifle societies in the south of Brazil. It denounces these organizations for their affiliation with the League of German Marksmen of Nuremberg, which it says gives them an undeniable military character. The paper declares that Brazil should take warning in time.

DEMAND MORE OVERTIME PAY

Workers in Hamburg Say Present Rate is Insufficient to Meet Present Conditions.

(Canadian Press Despatch.)
COPENHAGEN, April 10, via London.—A Hamburg despatch says that the employees of the big Vulcan shipbuilding works, who went on strike recently for an increase of wages, did so on the ground that the existing war bonuses were insufficient to meet the distressed conditions. They also demanded extra pay for overtime.

The sectionmen at a meeting on Thursday last decided that they would accept nothing less than an increase of 33 per cent. It is also reported from Hamburg that an engineer of the Germania shipyards was sentenced to four weeks' imprisonment for selling black bread to Russian war prisoners employed there. The engineer pleaded that he was moved to pity by the Russians' evident hunger. The judge ruled that the engineer's action was likely to lower German workmen in the estimation of foreigners and lessen the reputation of the Germania works.

E. T. MEN ON CASUALTY LIST

BEEBE, April 10.—(Special).—Mrs. Homer Worthen received a message from Ottawa, Sunday afternoon, stating that her husband, Pte. H.R. Worthen, had been admitted to a hospital in France, suffering from gun shot wound in the arm and seriously ill. Pte. Worthen went overseas a year ago.

Mr. Wilson Davis received a message from Ottawa, that his son, Pte. Rufus Davis had been admitted to a hospital in France, suffering from gunshot wound in arm. Pte. Davis went overseas with the 117th Battalion, and was transferred to another corps when the regiment was broken up.

ISLAND POND, VT., MAN WOUNDED

(Special).—Mrs. Amelia Parsons received word from Ottawa, that her son, Henry D. Parsons, had been wounded in the left arm by gunshot, March 29, and had been admitted to the Hospital at Etaples, Pte. Parsons went overseas as Q.M.S., but when the 117th was broken up, he joined the infantry, going to France March 2nd.

AMERICAN NAVY READY TO JOIN ALLIED FLEETS

Arrangements for Full Co-Operation Expected to be Completed This Week.

WASHINGTON, April 10.—Arrangements for full war co-operation between the United States and the allies may be completed this week. Conferences will be held at the state and navy buildings between representatives of the allied powers particularly naval agents, and the heads of American navy and diplomatic services.

That the United States will work in full harmony with the allies was officially stated at the navy department. In keeping with President Wilson's message to Congress, "valuable co-operation will be undertaken."

Secretary Daniels declined to say when this co-operation goes into effect or to what extent it will be carried. The presumption is that it is already under way, in part.

For the present it is likely that the American navy will direct its efforts at clearing a part of the Atlantic of submarines and raiders, giving the allies a greater freedom of action than has been possible without American aid.

MAY COMMANDEER SEAL OIL OUTPUT

Great Britain is Expected to Take Action on Newfoundland Catch.

(Canadian Press Despatch.)
NEW YORK, April 10.—An Associated Press despatch from St. John's, Nfld., today says "It is understood that the British Government will commandeer the entire output of seal oil in this colony this year. Glycerine extracted from the oil has been found valuable in the manufacture of explosives. As a result of the assured demand, the price for seal pelts still on the market has risen from last year's quotation of \$6 a quintal (112 pounds) to \$7.25."

CONGRATULATIONS FROM KING GEORGE

Canada Will Be Proud That Her Troops Won Vimy Ridge.

(Canadian Press Despatch.)
LONDON, April 10, 2.55 p.m.—King George sent the following message to-day to Field Marshal Sir Douglas Haig, commander of the British armies on the western front: "The whole empire will rejoice at the news of yesterday's successful operations. Canada will be proud that the taking of the coveted Vimy Ridge has fallen to the lot of her troops. I heartily congratulate you and all who have taken part in this splendid achievement."

MARTIAL LAW IN GUATEMALA

Disturbances Along Frontier Created With German Assistance.

(Canadian Press Despatch.)
GUATEMALA CITY, GUATEMALA, April 10.—Martial law has been declared in Guatemala. The action was taken on information of disturbances along the Mexican and Salvadoran frontiers, supposed to have been created with German assistance.

PETITION AGAINST USE OF FOODSTUFFS FOR ALL LIQUOR

(Canadian Press Despatch.)
LEEDS, ENGL., April 10.—At the conference here of the independent labor party a resolution was unanimously adopted calling on the government to prohibit absolutely the use of foodstuffs in the manufacture of alcoholic liquors during the war.

WASHINGTON.—No strikes or labor disputes of any kind during the war, is the programme laid down by the Labor Committee of the Council of National Defence Advisory Commission.

AMSTERDAM despatch says that recklessness shown by German submarines is due to the big financial awards offered the crews by the German Government.

THE HAGUE.—German newspapers comfort their readers with assurances that German submarines will prevent any American ships from bringing troops to Europe.

RIO JANEIRO.—Brazilian press demands immediate and energetic action against Germany.

HEAVY TOLL OF GERMAN SUBS.

British Reported to Be Destroying Them at Rate of One a Day.

(Canadian Press Despatch.)
NEW YORK, N. Y., April 10.—The New York Times this morning publishes the following:

The British have been destroying U-boats at the average rate of one a day since February 1, and latterly at an even higher rate, according to information brought to New York yesterday by persons returning from Europe, who said they had the authority of naval officers, and officials high in the Admiralty for the figures.

In the month following the declaration of unrestricted warfare British ships sank thirty-two submarines. Since then, it is said, the average number destroyed a week has been between seven and fifteen. With the number running as high as twenty-three in the week.

FORESTERS' CONVENTION

High Court I.O.O.F. of So. Quebec Holds Two Days' Session in City.

A High Court convention of the Independent Order of Foresters, for the jurisdiction of Southern Quebec, was opened in the Odell block, Wellington Street, this afternoon. The business transacted at this afternoon's session consisted principally of routine matters.

An important session is being held this evening and it is expected that the meetings will be continued all day tomorrow. The principal officers present are: E. Fleury, Knowlton, H. C. B.; W. Shannon, Valleyfield, H.V.C.R.; P. M. Hayes, West Shefford, High Treas.; James Lowe, Sherbrooke, High Secretary; Dr. H. Spencer, Sherbrooke, High Physician. Seventy-five delegates are in attendance.

WEATHER REPORT

WEDNESDAY FINE WITH A LITTLE HIGHER TEMPERATURE.

The disturbance which was off the Middle Atlantic coast yesterday has moved into the Maritime Provinces, accompanied by gales with snow and rain. The weather continues very cold throughout Ontario and Quebec, but in the Western Provinces a change to somewhat there has been milder conditions.

Ottawa, Valley.—Strong northwest winds, fair and cold. Wednesday, fine with a little higher temperature.

Maritime Provinces.—Western portion, northwest gales, colder with light snowfalls. Wednesday, fair and cold.

WHAT IS DOING
IN KNOWLTON VILLAGE

Interesting and Instructive Ad-
dresses Given on Object of
School Affairs.

KNOWLTON, April 10.—(Special)—
Miss Campbell and Miss Babb of
Macdonald College recently gave a
cooking demonstration at Knowlton
Academy for the benefit of the pu-
pils.

Next September a school fair is to
be held in connection with the Brome
Fair and it is hoped that all the pu-
pils will compete. Miss Campbell
will judge the cooking and preserving.
These two ladies brought with them
a full equipment of all the utensils
necessary for their work.

At the morning session Miss Cam-
bell demonstrated cake making and
explained the method of judging
bread and cake at the School Fairs.
She emphasized the necessity of using
good materials in cooking and also
the necessity of being accurate in
all measurements.

In the afternoon, Miss Babb de-
monstrated bread making and can-
nery fruit and vegetables. Both de-
monstrators were very clear in their
explanations and went thoroughly
into the method of doing every-
thing.

OBJECT OF SCHOOL FAIRS

In speaking of the School Fair, Miss
Campbell told the pupils that the
Fair will be a way in which the
boys and girls can show their patrio-
tism. They will be doing something
for King and Country just as truly
as the boys who are fighting for the
Empire on the field of battle. And
if they do not show any interest or
try to do what they might do, they
will be "slackers" just as much as,
and perhaps more than those boys
who have not yet enlisted. Many
men have good reasons for not en-
listing, but the boys and girls have
no reason for not doing their part in
producing food when there is such
urgent need for it. She emphasized
the necessity of girls being good
cooks.

Badly cooked food is poi-
sonous to the body. By writing to
Ottawa, information can be obtain-
ed concerning the kinds of baking
powder that are pure and harmless.
The Government is only too glad to
furnish such information since it pays
chemists large salaries for analyzing
and testing baking powders, etc.

Both morning and afternoon ses-
sions were crammed full of interest
and instruction and the pupils should
profit by the days teaching.

NOTES.

Among those spending the Easter
holidays here were: Mr. Cyril Davin-
son with his parents; Miss Mildred
Greaves and Miss Julia Richards,
Montreal at the Lakeview House;
Miss Jean Erskine who is attending
Compton Ladies' College, with her
parents; Miss Fiesher, Montreal, with
friends; Miss Lenore Wilson of
Huntingdon with her parents; Mr.
Orrin Rexford, Montreal, at his sum-
mer cottage on Conference Heights;
Miss Phoda Marsh, Montreal with
her parents here; Miss Louise Chrys-
ler, Montreal, with her parents; Mr.
Arthur Macfarlane of Fredericton,
N. B., Mr. Roger Macfarlane of Mon-
treal, Miss W. Wells of Sweetburg,
and Miss Donahue of Montreal, guests
at Mr. Macfarlane's.

Mr. K. Erskine was in Montreal
last week.

Mr. R. Ball, formerly of the Cana-
dian Bank of Commerce staff at
Knowlton now in Alberta, is spend-
ing his holidays here.

Miss June Johnson has returned
from the Royal Victoria Hospital in
Montreal.

Mrs. A. A. Swift has returned
home from Montreal where she has
been spending a few weeks.

Mr. and Mrs. J. H. McKeown,
Montreal, were recent guests here.

Those spending the Easter holidays
away from Knowlton were: Mr. H.
Rose at Derby Line; Mr. A. DuBois
at St. Cesaire with his parents;
Miss Lena Derby to Clarenceville;
Miss Sarah Mayhew to Scottstown.

Among those spending the Easter
holidays here were: Mr. and Mrs. L.
M. MacMillan, Montreal, at Mr. J.
P. Hall's; Mr. Murray Reid, Mont-
real, at Mr. H. S. Foster's; Mr.
Fred Harriott at Mrs. H. W. Mac-
Gowan's; Mr. Irvine Lynch of Mon-
treal with his mother, Mrs. W. W.
Lynch.

Mr. Jim Carmichael returned to
Montreal on Monday.

Miss Melissa Ball went in to Mon-
treal on Saturday to meet her brother,
Pte. Stanley Ball, who arrived
in Montreal on Saturday from Hall-
fax after returning from the front.

Mr. Channing of the Bank of Com-
merce spent the Easter holidays in
Montreal.

over the week-end; Mr. A. B. Coutin
to Montreal for a few days; Miss J.
Gilman home for the Easter hol-
idays visiting her parents, Mr. and
Mrs. Gilman; Mr. Geo. Ruiter visit-
ing friends here during Easter; Mr.
Gordon Eyslam the guest of his par-
ents for a few days; Miss M. Jamieson
the guest of her parents over the
week-end; Mr. Peter Lang to his
home in West Shefford for the week-
end.

PARSLEY AS GARNISH

How to Secure a Good Supply of
Useful Flavoring

Parsley, as every cook knows, is al-
most indispensable as a flavoring for
soups and sauces, as well as for gar-
nishing meats, fish, and salad dishes.
But what everyone does not know is
that parsley may be wintered over
indoors and thus be made to do duty
all the year round. For this purpose
the best way is to start the plants in
open ground in early fall, and on the
approach of cold weather transfer to a
light kitchen or cellar window. The
seed may be started in the house, but
it germinates somewhat slowly, and
the plants are feeble at first. Use a
rich loam, and keep moist, but not too
much so. There are several varieties
of parsley.

PIMPLES and BOILS

ALL OVER FACE AND BODY

When the blood becomes impure
you will find that pimples and boils
will break out all over the body, and
although they are not a dangerous
trouble, they make you appear un-
sightly both to your friends and your-
self.

Burdock Blood Bitters will cleanse
the blood of all the impurities and
poisons which cause the skin to break
out in these eruptions.

Miss Sylvia Swanson, Theodore,
Sask., writes: "I am letting you know
what great value your B.B.B. has
been to me. A year ago I started to
grow pale and weak, the cause being
bad blood. I got so many pimples
and boils all over my face and body
that I would not let strangers see
me, and I used to avoid company. I
tried many remedies but all seemed a
failure. I read about how good your
B.B.B. had been to thousands of peo-
ple so I got a bottle and after I had
finished the second one my pimples
and boils had all disappeared. Peo-
ple thought it a miracle how well I
looked."

"Your grand old remedy sure has
been as good as gold and better, to
me."

Burdock Blood Bitters has been
manufactured for the past forty years
by The T. Milburn Co., Limited, Tor-
onto, Ont. See that our name ap-
pears on the wrapper.

HAPPENINGS IN
TOWN OF WATERLOO

Appointment of Assistant
Road Superintendent Put
Over Until Next Council
Meeting.

WATERLOO, April 10.—A regular
meeting of the Waterloo Town Council
was held on Wednesday evening in
the Council room. There were
present: Councillors E. W. Phelps, E.
J. McKenna, G. Poirier, J. F. Cle-
ment and Bissonnette. Owing to the
absence of the Mayor and pro-mayor
on motion Councillor E. J. McKenna
presided.

The following bills were passed:
T. Lajoie, \$20; Brome Lake Electric
Power Co., \$312; Bell Telephone
Co., \$5.90; C. H. Welch, \$6.20; N.
Marquis, \$33.75.

The question of appointing an as-
sistant road master was the only
matter to be brought before the
meeting. The question was put over
owing to the absence of the Mayor
and pro-mayor. The Councillors pre-
sented considered it a very important
matter which should be considered
by the whole Council.

The Council then adjourned un-
til Saturday evening, April 28th,
when the assistant road master
will be engaged, and other impor-
tant business transacted.

VETERAN ENGINEER RETIRES.

Mr. William Dalton, who has for
many years been an engineer in the
employ of the Central Vermont Ry.,
during the whole of which time, 45
years, he has been running between
Montreal and Waterloo,
Waterloo and Montreal, has retired
from active service and receives a
pension. Although the C.V.R. has no
pension fund, the company has tak-
en into consideration his many years
of faithful and careful service, and
many friends are gratified at this ex-
granted him a pension. Mr. Dalton's
pension of appreciation of his ser-
vices by the company and trust
that this relief from responsibility
will add many years to his life.

NOTES.

Miss Essie Fessenden, of St. Lam-
berts, in town for a few days, the
guest of Mr. and Mrs. E. Graves.

Mr. Phil Temple, home for Easter-
the guest of his parents, Mr. and
Mrs. M. H. Temple.

Miss Lucia Graves home after a
week spent in Montreal.

Miss Freda Racicot, of Westmount
home to spend the Easter holidays
with her parents, Mr. and Mrs. A.
A. Racicot.

Mrs. J. J. Ryan to Worcester,
Mass., to visit her daughter, Mrs. J.
R. Cannon.

The Junior Auxiliary of the St.
Luke's Church will give a sugar
social in the basement of the Church,
Thursday evening, April 12th.

Mrs. George Moynan, who has
been away for some time visiting
her daughter, Mrs. K. Robinson at
St. Jerome, returned to her home
this week.

Defying Moths
When putting away woollen clothes
it is a good idea to pin each suit or
dress carefully in a separate news-
paper. If moths should get into the
closet or trunk where the clothes are
put away the papers will protect the
garments from being eaten.

When the blood becomes impure
you will find that pimples and boils
will break out all over the body, and
although they are not a dangerous
trouble, they make you appear un-
sightly both to your friends and your-
self.

Burdock Blood Bitters will cleanse
the blood of all the impurities and
poisons which cause the skin to break
out in these eruptions.

Miss Sylvia Swanson, Theodore,
Sask., writes: "I am letting you know

RHEUMATISM PAIN

The exact cause of rheumatism is un-
known, though it is generally believed to be
due to an excess of uric acid in the blood.
It may be also said with equal truth that no
remedy has been found which is a specific
in all cases. In fact the literature of rheu-
matism shows that there are but few drugs
which have not been given a trial. In the
hands of one observer we find that a certain
drug has been used with the utmost satis-
faction; others have found the same remedy
to be a great disappointment. All physi-
cians however agree that every method of
treatment is aided by the administration of
some remedy to relieve the pain and quiet
the nervous system and Dr. W. S. Schmitt
expresses the opinion of thousands of prac-
titioners when he says that anti-rheumatic
tablets should be given preference over all
other remedies for the relief of the pain in
all forms of rheumatism. These tablets can
be purchased in any quantity. They are
also unsurpassed for headaches, neuralgias
and all pains. Ask for A-K Tablets.

Mr. John Brown and Mr. Chas. G. Brown who have been spending the last three months in Florida, have left Tampa for home. Mr. John Brown, will stop for a couple of weeks at Schenectady while Mr. Chas Brown will visit his sister at West Pittston, Penn.

CHIMNEY FIRE.

The brigade was called at 9.30 yesterday morning for a chimney fire at 56 Peel street, the property of Miss Papineau. No damage was done.

CORRECTION.

Bradley & Son's private ambulance was called by Dr. Lambly to remove Mr. W. A. Steff of 16 Esplanade Avenue, to the Sherbrooke Hospital.

BICYCLE RIDING ON SIDEWALKS FORBIDDEN.

A young boy of this city was fined \$1 and costs by Recorder Duffett this morning for riding a bicycle on the sidewalk, contrary to the by-law. It is hoped this example will act as a warning to others.

PLYMOUTH CHURCH WEEKLY NOTES.

Wednesday, 8 p.m., Mr. Franklin, representing the Belmont Home for Boys and the Society for the Protection of Women and Children, will speak of his work in Plymouth Hall. The philanthropy he represents is one of the most important in our Province. It is hoped that there will be a large number, especially of men, to hear the address.

Thursday, 3.30 p.m., the Woman's Association will meet for the transaction of business. At 4 o'clock Mrs. E. C. Hargis will read a paper on Armenia and Turkey. There will also be a programme of music. Members of the Association are requested to bring in their Easter thank-offering. Hostesses for the tea, Mrs. McKinstry, Mrs. Frank O. St. Pierre and Mrs. J. A. Baker.

Friday, 8 p.m., Choir rehearsal.

EAST SHERBROOKE

Mrs. Geo. Arkley, Mrs. E. Rowe, and daughter, East Angus, who were the guests of Mrs. Hodson, Bowen Ave., have returned home.

Mrs. Causler spent the Easter holidays with friends in Richmond.

Word has been received that Ptes. Sam Smith and Aleck Breckenridge, 5th Royal Highlanders, have arrived safely in England.

Pte. Darrell Gage, R. C. H. A., who has been in training at Kingston, was home on short leave, and to bid farewell to his parents, Mr. and Mrs. J. S. Gage, King St. E. He left for Kingston on Sunday.

Mr. R. A. Bartlett, who underwent a serious operation at the Sherbrooke hospital, has recovered sufficiently to leave the hospital, and with Mrs. Bartlett is the guest of Mr. and Mrs. Wm. Hutchinson, King St., E.

EASTER SERVICES

The services at the Church of the Advent on Easter Sunday were bright and most impressive. The altar and chancel were made beautiful with flowers, and the choir sang the Easter music in a pleasing way. Communion was celebrated at 7, 8, and 11 o'clock and Choral evensong was sung with an excellent address by Rev. Prof. Vial, of Bishop's College.

VESTRY MEETING

On Monday evening the annual vestry meeting was held, and was well attended. The incumbent, Rev. Philip Callis, presided, and much important business was gone over.

The annual report was read, and was most satisfactory. The appointments for the coming year were as follows: Rector's warden, Mr. A. E. Armstrong; People's warden, Mr. G. Knapp; Synod delegate, Mr. W. Hutchinson; substitute delegate, Mr. E. J. Mills; delegate to St. Francis District Association, Mr. T. Loughheed; The auditors, Messrs. A. E. Wiggett and P. Johnston were re-elected.

ST. JEAN BAPTISTE CHURCH.

The services at St. Jean Baptiste were most inspiring, and largely attended. Special Easter music was ably rendered by the choir under the direction of Prof. Cartier, who played for the opening prelude, Dubois' "Alleluia," and Postlude, "Fanfare" Lemmens, Messrs. Archambault and Boucher were soloists.

EXCITING RUNAWAY.

A team belonging to the St. Charles Seminary farm, East Sherbrooke bolted this morning and was caught after a chase near the Exhibition grounds. The rig was smashed but the horses escaped injury. Young Maher, son of the owner, jumped just in time to prevent being thrown out at the corner of Stoke Road and King Street.

SMASH UP ON KING STREET.

On Saturday one of LePage's coal teams which was standing by the coal pocket started to run, struck a post near Cantin's blacksmith shop, and ran across the street in front of No. 3 Fire Station. It collided with a team belonging to Adelaire Bolduc of Compton and took a wheel of the waggon, but the frightened horses were caught before much damage was done, although quite a little excitement was caused at such a busy part of the day.

Chickering Pianos

Established 1823

"The oldest in America." "The best in the world."

Its career of over 90 years has been one of uninterrupted honor—and honor because of excellence—and honor with success.

The beauty of the Chickering tone is the despair of its imitators. We have two specially fine Chickering Grands in stock this week. One is the very small "Quarter Grand" in Art finish mahogany. The other is one size larger, "The Parlor Grand," in polished mahogany. They are splendid instruments in every sense. The prices are reasonable and you would not find one too large for your home. The piano you now have would help out in the payment for a "Grand." We invite you to call and see these two new Chickering's, and let us submit prices for an exchange.

gether, don't
they?
Yes, they rep-
resent a strange
paradox.
What do you
mean?
Peace without
harmony.

DAILY NEWS SPECIALS

GAVE TALK ON BRAZIL.
THETFORD MINES, April 7.—
(Special)—The war is just now call-
ing our attention to South America,
and last week's London papers an-
nounce that they consider Brazil the
next in importance, after the United
States, to join the Allies. The public
are being deeply interested in that
country by the Rev. J. D. McEwen's
lectures. On Thursday night he ad-
dressed a splendid meeting at Thet-
ford. The attention of the audience
was riveted from beginning to close,
as the speaker gave graphic word-
pictures of that great country, with
its romantic history, natural beau-
ties and untold resources, its people,
religion, social life and customs, as
well as his own work there for four-
teen years.

TEACHING STAFF OF NORTH
HATLEY SCHOOL.
NORTH HATLEY, April 10.—(Spe-
cial)—The Board of School Com-
missioners have engaged the following
staff of teachers for North Hatley
Model School for term 1917-18. Prin-
cipal, Miss F. A. Bryant, Model.
Miss Marjorie Reed; Elementary,
Miss L. Dorcie Ives; Primary, Miss
Amy Davidson.

Toronto, Ont., April 10.—Next to
personal experience the sworn state-
ments of reliable people is the strong-
est evidence obtainable. If you have
any doubt that Dr. Chase's Ointment
will positively and completely cure
piles, these letters should convince you.

Mr. Samuel Parker, fruit grower,
Grimby, Ont., has made the follo-
ing declaration before M. W. W.
Kidd, Notary Public of the same
place: "I do solemnly declare that I
was troubled with bleeding piles and
was advised to go to the hospital to
have an operation performed. My wife
said, 'No, get a box of Dr. Chase's
Ointment.' I did so and have
used it according to directions while
living in Manitoba and obtained a
complete cure, for I have never been
troubled with piles since. I am now
seventy years of age and want to re-
commend Dr. Chase's Ointment to all
sufferers from piles. My wife has
used it for itching skin and obtained
complete cure."

Mr. Donald M. Campbell, Camp-
bell's Mountain, N.S., writes: "I have
used Dr. Chase's Ointment with great
success for hemorrhoids or piles of
fifteen years' standing. After trying
all kinds of so-called pile cures, three
boxes of Dr. Chase's Ointment gave
me a complete cure. I have also used
Dr. Chase's Kidney-Liver Pills, and
there are no others so good. You
may use this letter, if you wish, for
the benefit of others who may suffer
as I did."
Sworn before me, Murdoch Gordon
Campbell, J.P., in the County and for
Inverness County.
If you would like to try Dr. Chase's
Ointment at our expense, send a two
cent stamp to pay postage and we
shall mail you a sample box free. Full
size box 60 cents, at all dealers, or
Edmondson, Bates & Co., Limited, To-
ronto.

VESTRY MEETINGS IN TOWNSHIPS

VESTRY MEETING AT ST. PETER'S

The annual vestry meeting of St.
Peter's Church, was held last even-
ing in the Church Hall, Montreal St.,
the rector, Rev. H. R. Bigg in the
chair, those present being the War-
dens, Messrs. E. Hargrave and Wil-
liam Spier, and Mrs. James Mackin-
non, E. May, A. R. Holmes, Darey,
Moorcroft, Whitehead, W. H. Wilson,
R. N. Robins, Hillhouse, James, C.
H. Bowen, P. M. Robins, H. R. Fraser,
W. A. Hale, E. W. Jones, Dr.
Laubly, Messrs. Wm. Bailey, A. Man-
cor, Chas. Cotterill, H. W. Welsh,
D. Wilson, Haultain, Geo. Mitchell,
W. H. Wiggitt, E. O. Grundy, Edw.
Cotton and others. Mr. Bigg request-
ed Mr. R. N. Robins to act as vestry
clerk for the meeting with the as-
sistance of Mr. P. M. Robins, he did so.
The minutes of the Easter meeting of
1916 and several adjournments of
same, were read by the people's war-
den, Mr. Spier, and on motion, ap-
proved. The Warden's report for the
past year was also presented by Mr.
Spier, together with the financial
statements for the same period. During
the year the Mission Hall in the
West Ward has been erected on the
lots donated by Messrs. James Mac-
kinnon and Chas. Moe, and the ex-
penditures in this direction were dis-
cussed and plans made for meeting
the coming year's expenses in this
and other directions.

The election of officers was then
proceeded with, after the reading of
Canon II by the Rector, who first
spoke of the assistance rendered him
during the year by the Warden, ex-
pressing his sincere appreciation of
their work. The retiring people's war-
den, Mr. William Spier, having de-
clined to accept re-nomination, the
name of Mr. J. P. Wells was pro-
posed in this capacity and unani-
mously accepted by the meeting. Mr.
Hargrave, at Mr. Bigg's request, re-
mained in office as rector's warden
for the coming year. The list of
sidesmen was read, and it was de-
cided to add several names to the
number. The sidesmen for this year,
therefore, are Messrs. A. F. Simpson,
E. J. King, Robt. Wyatt, C. E. Cot-
terill, Thos. Moorcroft, R. N. Rob-
ins, R. A. E. Aiken, H. W. Welsh,
David Wilson, W. H. W. Wilson,
W. E. Hillhouse, W. A. Hale, R. J. Sa-
muel, Geo. E. Borlase, A. N. E. Bay-
ley and A. Moncur.

The delegates of last year to the
Synod, Messrs. Wm. Farwell, H. R.
Fraser and James MacKinnon, were
re-elected, with Messrs. W. A. Hale,
Jas. Price and C. H. Bowen as sub-
stitutes.

In connection with the construction
of the West Ward Mission, Mr. H. G.
James explained some of the obsta-
cles which had been met and over-
come in connection with the build-
ing, and at the conclusion of his re-
marks a vote of thanks was passed
to Mr. James for the excellent work
which he had done for the Church in
overseeing the work.
The Rector spoke of the need for
special assistance for Sunday-School
work. He also drew the attention of
the vestry to the sterling work done
by Mr. Harold Hodder, of Bishop's
College, during the last eight months
in St. Peter's parish, and to the
great assistance rendered him by
Deaconess Patterson. It was decided
by the vestry to invite the Deaconess
to take up her work again next au-
tumn, which it is hoped she will
do.
The discussion of routine matters,
and plans for the year occupied the
remainder of the evening, and the

BISHOP CARMICHAEL MEMORIAL
CHURCH, FOSTER
FOSTER, April 10.—(Special)—The
annual Easter Vestry meeting of the
Bishop Carmichael Memorial Church
held on Monday afternoon was the
best attended of any meeting in the
history of the parish.
The following officers were elected:
People's warden, Mr. C. A. Martin;
Clergyman's warden, Mr. Edw. Gillis;
Delegates to Synod: Messrs. H. N.
Rockwell and A. M. Hunter; Sides-
men: Messrs. A. M. Hunter, H. N.
Rockwell, H. W. Parry, and A. L.
Chamberlain.
Refreshments were served by the
ladies of the Guild, at the close of
the business meeting.
ST. JOHN'S CHURCH, WATER-
VILLE
WATERVILLE, QUE., April 10.
—(Special)—The annual Vestry meet-
ing of St. John's Church, was held
on Monday evening, in the Victoria
Jubilee Hall, when the following of-
fice bearers were elected: Clergy's
Warden, Mr. M. L. Hodgson; peop-

le's warden, Mr. R. J. Walsh; clerk
to vestry, Mr. J. Parry; sidesmen,
Messrs. H. Burton, F. Burton, F. H.
Rowe, J. Masters, and R. Barrett.
The financial statement of the
church's affairs was submitted by
Mr. R. J. Walsh, and showed that
despite the strenuous times and the
absence of many of the young men
subscribers, who are now doing duty
overseas for their King and Country,
that the finances of the Church are
in a highly satisfactory condition.
The Rector, Rev. E. K. Wilson,
paid great tribute to the untiring

FUTURE OF THE EMPIRE

Britain to Invite Daughter Nations to After-war Councils

The big Imperial problem for all alike—which is as real to the Canadian as to the South African and New Zealand—is the future organization of the British Empire as an actually living and organic whole. Let it be observed that the present insistent demand for reorganization has not originated in this country. If it had, its significance would not be half so great, and it would require to be approached with far greater caution. Any attempt, on the part of Great Britain to foist a new organization on the Dominions would have been regarded with the gravest suspicion. But, whatever blunders have been made in recent times, that fatal one, at least, has been avoided, and for the last twenty years the old appropriate phrase, "Downing-street rule," has fallen into complete abeyance.

England learned the painful lesson of 1783 well and truly. She tried the policy of Colonial Interference in the eighteenth century, and it ended in disaster, with the result that our statesmen rushed wildly to the other extreme, and some even of the most sagacious grmly believed that the natural and desirable end of Colonial self-government was emancipation and complete political independence. The entire delusion of that theory is gloriously established by the spectacle which it presented to our eyes at this present moment. The Dominions are in arms for the common cause; they have sent, not contingents, but armies thousands of miles to the European battlefields; and it is they and not we who have taken the lead in saying that the time has come for closer organization. It is our part at home to accept the men with thankfulness, and to enter the Council Chamber of the Empire prepared to discuss far-reaching projects which only yesterday were deemed abstract and visionary, and far removed from the sphere of practical politics.

THEY WERE RUNDOWN

How often we hear it said of a man or woman that "they were rundown in health" which accounts for their present sickness. For that reason it is important that when you find you tire easily, when your nerves are troublesome or your work is irksome, you should strengthen your system immediately with the blood-enriching, tissue-building food in Scott's Emulsion which contains the purest cod liver oil and is free from harmful drugs.

Scott & Borden, Toronto, Ont.

MUFFINS FOR BREAKFAST

Ways of Making Them Quickly—How to Reheat

To have muffins fresh and hot, "just from the oven," means that some one must rise two hours earlier than the breakfast hour and take dough from the light bread that was left to rise over night and make them. A short cut to quick muffins is appreciated. There are no better muffins than those made in this way. If breakfast is to be at seven o'clock an hour earlier will be plenty time to start them. Warm one-half cup of milk until it is hot enough to melt the same amount of butter, add two tablespoons of sugar and a pinch of salt. Into this beat the yolks of three eggs and about what would measure two pint cups of light dough that was set to rise for bread the night before. Beat until all is thoroughly mixed. Hold the bowl over heat or set it in hot water while you are beating the ingredients together. Put into a warm place to rise for thirty minutes and then drop into muffin rings and bake thirty minutes. The batter should be too thin to handle, but not thin enough to run. If you bake the muffins in gem pans you can let them rise in them.

Muffin rings are almost three inches across and one inch deep. Heat them and grease with melted butter and place them in a greased pan; fill them but half full of batter and put them into the oven at once. Increase the heat as soon as the muffins reach the top of the rings and continue to increase it until they are done. With a first class gas range oven they will bake in twenty-five minutes, and heating the batter slightly as directed hastens the rising, besides making them exceedingly light. Rolls, biscuits and even muffins can be re-baked to taste as though fresh baked if they are not more than twelve hours old. Place them in a deep pan and cover with a cloth dipped in water and wrung almost dry. Place in moderate oven, and in ten minutes they will be heated through and as good as when first made.

Six war shrines have been erected in Chatham, Ont.

GUNNERY COMES FIRST IN ALL NAVAL FIGHTS

Jutland Battle Furnishes Evidence, Writes British Officer From Observation—Air Scouts Needed

A gunnery officer, describing the Horn Reef fight from his special point of view in the London Times, says: "One thing made evident was that ship for ship we are much more than a match for the Germans. A more accurate gauge of relative strength would be to say that if they came on two to one we could still be equal to them. I do not say this in any spirit of boasting. It is a considered opinion formed on knowledge very little of which I can divulge to you."

"All sorts of lessons can be deduced from the fight. Our gunnery was much better than the enemy's. At the start, as a rule, the German fire was accurate and deadly and their guns were well served while they were in superior strength and able to throw four or five ships against every one of ours, but as soon as they came under the fire of our Battle Squadron the Germans began to deteriorate and their marksmanship fell off considerably, though they still worked their guns hard. I am not surprised that the crews became to some extent demoralized, for our guns wrought awful havoc among them."

Tremendous Hitting Power

"The following will give you an idea of the tremendous hitting power of our Dreadnoughts. One of our 12-inch gun ships—the Hercules, I believe—put her salvos into a German ship so accurately that the enemy vessel heeled right over under the heavy blows which the Hercules dealt her. Of course, that German went out of action. If the 12-inch guns would do that to a ship, how much more destructive must be the well-directed fire from 12.5-inch and 15-inch guns. The British people do not thoroughly grasp the fact that of the German ships which escaped most certainly the greater part of them were so crippled by our gun fire that they can be of no further use for some months to come. They are like a pugilist leaving the ring with both eyes closed, his nose broken, and the wind knocked out of him."

Importance of Gunnery

"One result of this battle has been to fix definitely the importance of gunnery. It was the big calibre that told, and it was a gunner's battle. I do not say that disparagingly, because I am a gunner myself, but such is the fact. Our gunnery was better at all points than that of the enemy, and we are absolutely certain of our superiority in marksmanship. But we do want some big airships to scout for us. The presence of the Zeppelins was a great advantage to the German fleet."

Sour Milk Doughnuts

Two eggs, 1 1/4 cups sugar or a little more, three tablespoons butter, 1 1/4 cups of very sour milk, salt, one even teaspoon soda, 3 1/2 cups flour, more if needed. The less flour the better the doughnuts. Add a little nutmeg if you like.

Scalloped New Cabbage

Place a layer of shredded cabbage in a baking dish. Add seasoning, butter and a layer of cabbage, and so on until the dish is full, making the cracker crumbs the last layer. Bake in a moderate oven.

A woman always stops talking enough to give a man a chance to propose

Hurrah!

KING Hot Water Boiler

"KING"—a name that stands for Honor and Worth. This name well accords with the royally good qualities of our Hot Water Boiler. The King Boiler is built and sold on Honor and is worthy of the confidence of every owner of a Residence, Apartment House, Factory or store who plans to install a new heating system. The King Boiler is the climax of expert knowledge and discovery in the science of heating. It embodies the best ideas and the most approved designs, adopted only after years of testing. The "King" is what every house owner wants as a quick warmth producer, an economical fuel consumer and an easy Boiler to operate and regulate. If you are thinking of installing a new heating system, it is a duty you owe yourself to find out about the King Boiler and it will be a pleasure to us to give you all the information you want including estimates to suit your plans without obligation to you. Write us NOW while you think of it.

This Book gives general information about the advantages of Hot Water Heating and illustrates the quick heating principles of the King Boiler and Radiators. The Book also shows by illustration the comfort any home will derive from being heated by King Boiler and Radiators. SENT FREE ON REQUEST.

KING Radiators

King Radiators are made of only the best grade of iron and are subjected to the most rigid test and minute inspection that it is possible to give. It is this care and resulting quality, which enables us to place our unqualified guarantee upon every radiator we sell. King Radiators are made in every size and every style to suit every possible space and use. They are installed and giving utmost satisfaction in some of the largest buildings in the country. For effective radiation of heat for domestic purposes, their special quick-heating features make them without an equal. For best results in heating a home specify a King Boiler and King Radiators.

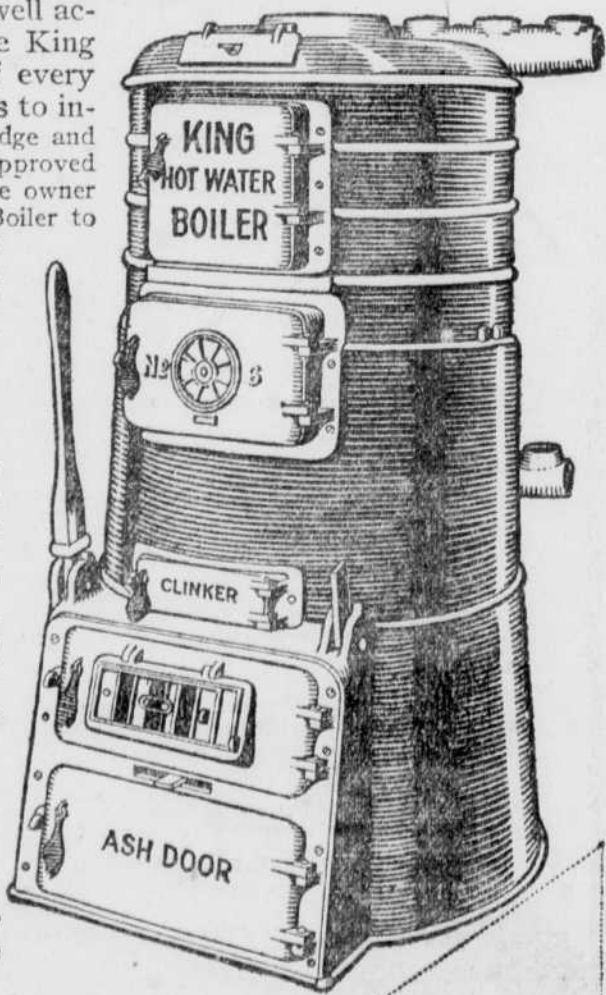

Fifteen Advantages!

There are fifteen good reasons why anybody buying a Hot Water Boiler should prefer the King over all others; in a few words they are:

1. The Dustless Ash Sifting Device.
2. The Tight-fitting Doors.
3. The Easily Cleaned Flues.
4. The Firepot with a real corrugation and Extended Heating Surface.
5. The Ample Combustion Space in Firepot and Flues.
6. The large Area of Surfaces for Direct Intense and Effective Heating.
7. The Thin Waterways and Rapid Circulation.
8. The Even Metal Line, the result of using Iron Patterns.
9. The Quality and Weight of Iron.
10. The Simple Method of Erection.
11. Easy to Manage.
12. The Guaranteed Ratings.
13. Double Shaker.
14. Removable Grate.
15. Made-in-Canada.

Do you want to know what a King Hot Water Heating System would cost? Write us—We will send you full information. Free.

NAME

ADDRESS

MONTREAL LIVE STOCK MARKET

TRADE AT CATTLE MARKET VERY DULL

Montreal, April 10.—The offerings at the West End Cattle Market yesterday were very small, amounting to only 50 cattle, 10 sheep and lambs, 1,000 hogs and 800 calves. For the past week the receipts were 250 cattle, 25 sheep and lambs, 2,400 hogs and 3,000 calves.

There was little trading in view of the strictly limited supplies available and prices were kept at about last week's level. There was an attempt to lower the price of hogs, but it failed miserably. They are still \$17 per 100 lbs.

We quote prices per 100 lbs: steers, \$8.50 to \$11.50; butcher cows, \$7.75 to \$9.85; butchers' bulls, \$8.50 to \$9.50; sheep, \$10.50; lambs, \$14; hogs, \$16.75 to \$17; calves, \$12 to \$14. Receipts at East End Cattle Market (C.P.R.) yesterday were 100 cattle, 25 sheep, 425 hogs, and 600 calves.

F. B. McCurdy & Co.

HOW TO INDUCE SLEEP

Relaxation is the Secret of Deep, Dreamless Sleep

Too little sleep is bad, too much is even worse. Many people go about complaining that their rest does them no good; looking dull and heavy; feeling drowsy—when nothing is wrong but a torpid liver and a clogged colon. Some need more sleep than others. No one should get less than eight hours, children need from nine to twelve, grown women who are weak or anemic need nine or more.

To induce sleep have your windows open, have lightweight, warm covers on you, be sure all garments worn during the day are removed before you lie down, so the skin may breathe new air; have only one pillow under your head—or none at all. Relax your body and mind when you blow out the light. Only in this way can you bring deep, refreshing sleep. Let go all thoughts from your mind, release the tension on all muscles in the body. Relax absolutely! You may have to learn how to relax, but when you do, you have mastered the secret of deep, dreamless sleep.

Industry's Every Hose Requirement Met

Large Sums Spent to Make Better Industrial Hose For All Needs

Increasing efficiency in every line of industrial endeavor calls for better equipment. Equipment manufacturers are working with industry to eliminate waste and reduce overhead costs.

In the transmission of power and conservation of energy, the Goodyear organization serves many industrials. Mines, mills and factories know Goodyear quality and the worth of Goodyear service.

Extra Power Belting has won an enviable place because it transmits more power, is more economical.

Goodyear Industrial Hose is as good as Extra Power Belting. It should be. Every industrial

condition has been studied to find why hose fails. A great deal of time and money has been spent in Goodyear laboratories perfecting hose that would overcome these conditions.

Scientists busied themselves selecting materials to meet special conditions. Workmen of long experience were put to work at the most modern machines. A distinct, individual hose was developed for each need—strong, durable, flexible.

Below we describe the more important kinds. The service these lines of hose have rendered has won for them recognition throughout industrial Canada.

"Extra Service" Air Drill Hose

A good hose for hard service. Has thick, long-wearing cover of tough rubber; heavy fabric; extra sturdy inner rubber tube. High-grade rubber is forced thoroughly into the fabric. Specially built to meet the extreme conditions of use—dragging over rock and ore, through tunnels.

"Goodyear" Quality Pneumatic Tool Hose

An inner rubber that is oil-resisting. Strong construction that holds the strain of great pressure for a long time. A heavy wall that prevents kinking.

You may have had hose trouble. We have solved many hose problems for others. If you will write our nearest branch stating just what your difficulty is, we can probably help you.

The Goodyear Tire & Rubber Co. of Canada, Limited St. John, Montreal, Ottawa, Toronto, Hamilton, London, Winnipeg, Calgary, Regina, Edmonton, Vancouver

GOOD YEAR

MADE IN CANADA

"Goodyear Quality" Steam Hose

The inner rubber tube is crack-proof and steam-proof. Cover stock made to adhere firmly and avoid blisters, cracking or separation from the fabric. Rubber between plies remains elastic and active, welding fabric together.

"Goodyear Quality" Water Hose

The strength of Goodyear Water Hose lies in the quality of the materials used. It wears long under severe conditions of pressure and kinking. The cover does not expose the fabric to attack by peeling. The inner lining protects the fabric on the inside.

Straws and the Wind

NEWRAY owns 321 acres in the Hollinger-McIntyre-Newray area in Porcupine—one of the largest holdings in the richest producing section of the camp.

NEWRAY is directly in the line of strike of the Hollinger-McIntyre veins, and has proven the existence of extensive ore bodies at depth.

NEWRAY is driving a crosscut to intersect these on the 400-foot level, where the gold-bearing area has been entered and the first vein intercepted.

NEWRAY is proving up the western portion of its property by diamond drilling, which promises spectacular results.

NEWRAY will join the list of producers within 30 days. Substantial production and profits are assured.

Straws show which way the wind blows. We advise the purchase of NEWRAY—Now

Directory First!

WHEN you call a telephone number from memory or when you guess at it you are apt to be wrong.

¶ The mind has a trick of transposing figures—instead of "1263" you are quite likely to say "1623."

¶ And when you thus ask for the wrong number, you waste your own time, the operator's, and the time of the person called through your error.

¶ Directory first is a good principle. In the end it saves time and temper to first consult the latest issue of the telephone book.

The Bell Telephone Co. of Canada

"Good service *** our true intent."

NEWFOUNDLANDERS' FLAG

In the courtyard of Chelsea Hospital a company drawn from the remnant of the first Newfoundland Battalion received from Princess Henry of Battenberg colors and a silver shield given by the women and children of England through the League of Empire. Many wounded Newfoundlanders paraded. Nearly every man in the battalion of honor had seen active service. They were all young, many of them old fishermen and "lumber jacks."

The setting for the ceremony was perfect—the old chapel in the rear, with its torn battle flags of 300 years and tablets of Chinese heroes. In front of the steps were the bearded drums, where the standard-bearer knelt and where Colonel Whittaker acknowledged the gift.

BOB LONG UNION MADE GLOVES OVERALLS

Known from Coast to Coast R. G. LONG & CO. LIMITED TORONTO MONTREAL

WORTH REMEMBERING

When your shoes squeak go to a shoemaker and have him put a peg in the middle of the sole and there will be no more loud proclamations.

An oiled cloth wiped around the edge of a kettle in which syrup is boiling, making an oily streak just below the rim, will prevent its boiling over and must be looked to in candies which cannot be stirred.

Salt water will clean bamboo furniture and Chinese and Japanese matting, and will prevent it from turning yellow.

If a spoonful of lime is kept in the pantry where the jellies and preserves are stored, it will prevent them from moulding.

When making hot starch always add soapy water, as it gives the necessary shine to linens, and the irons will not stick.

Shoulder of pork is delicious when stuffed. Buy a nice fresh shoulder, have the butcher bone it, then stuff it. Sew it up tight, roll it in a cloth and boil it two hours. Then remove the cloth from it, put it in an iron baking pan and bake it two hours.

To save time and work we should follow the example of the Japanese and eliminate all useless things in the house. A profusion of things in the room detracts from the feeling of space and makes endless care and dusting necessary.

"Friend Not a Friend" "Your friend was not a friend to give you the extra drink," said the magistrate at East Ham to a driver in the R.F.A. who pleaded that a friend gave him an extra glass of whisky.

MAKING TREES BEAR

The Question of Cultivation Around Trees is Important

Hard, impervious soil is the tree's greatest obstacle to maximum thriftiness. Plowing the surface between and around trees helps, but when a tree is eight or ten years of age, or older, its roots go down several feet. The plough cannot break up the hard subsoil, and thus little or no relief is afforded the feeding roots by ploughing. In fact, surface ploughing encourages shallow rooting, which every horticulturist knows is bad for a tree.

To date the only practical remedy that has been found for hard soil is blasting with dynamite. Its use enables the orchardist to deeply stir and break the subsoil.

The blasting, usually an inch and a half soil auger being employed to put down holes to a depth of about three to four feet. One-quarter pound charge of a slow dynamite, five or six feet out from the trunk is generally sufficient for a tree under five years old. For larger trees from two to six charges, planted at different points around the trunk, will be required. The proper point to place the holes for the older trees is out at about the edge of the foliage line.

The effect of blasting is to break up the hard soil, enabling the roots to advance easily into new feeding beds; also to increase the water-storage capacity of the subsoil so that the tree may not suffer from lack of moisture during periods of drought.

Rolls Sandwiches

Use only fresh, warm bread, cut with a thin, sharp knife and spread with a silver knife, using butter that has been creamed. Any sweet or savory may serve for filling, the crustless slices being rolled and tied at once.

PEACE AMID WAR

Farms Within Zone of Fire Remained Undamaged

A Canadian soldier writes: There is a big bush all around us, and the country is quite hilly. One or two farms, still under cultivation, are nearby. The country shows no evidence of warfare; there is hardly so much as a shell hole to be seen. The bush is, as bushes go here, a new one. It is very pretty and furnishes a nice quiet place to roam about in, and there are plenty of delicious berries and nuts. It sounds kind of funny, does it not, to get an hour's leave to pick berries and nuts, and have the former served with cream (procured from a farmhouse 100 yards away) for breakfast?

Last night we went to this farmhouse and had eggs and coffee. It seemed a bit queer to be having lunch and watch people milking the cows practically on the firing line. I don't know, but I should judge there are several batteries in position and in action once or twice a day on various parts of that farmstead. Yet the people are happy and feel perfectly safe. Their stock and holdings are undamaged, nothing is stolen by the soldiers, a good trade is going on, and still the section has been in the zone of shell fire for two years. The conditions that exist speak well for the coolness and nerve of the civilian population, and also for the discipline of the British soldier.

May Cherry Pudding

Stir a pinch of soda into a pint and a half of milk and add the yolks of four eggs, one cup of sugar, one cup of drained canned cherries. Slice stale bread and cut away the crusts; butter and cut into dice. Put layers of the bread dice and the custard into a well buttered baking dish, set this in a pan of water in the oven, and cook one hour. Eat with hot sauce.

Recipe For Mint Sauce

Chop two tablespoons of mint fine and heat in about half a cup of white or cider vinegar. Keep covered while heating, but do not let the vinegar boil. Add one tablespoon of sugar and strain into a sauce boat. Put a few fresh, small leaves into the sauce and pass this after the lamb is served.

She Suffered For Eight Long Years

Then Dodd's Kidney Pills Came to Her Relief

Mrs. E. S. Thompson is Telling Her Many Friends What Caused the Great Improvement in Her Health. Minahico, via Sleeman, Ont., April 9th (Special).—Mrs. E. S. Thompson, an old and respected resident of this place is telling her numerous friends that her recent wonderful improvement in health is the result of using Dodd's Kidney Pills.

"My sickness dates back about eight years," Mrs. Thompson says. "My sleep was broken and unrefreshing, there were dark circles under my eyes, my appetite was fitful and I suffered from backache. I had frequent headaches, I felt heavy and sleepy after meals, and I was depressed and low spirited. Rheumatism and Bright's disease were soon added to my afflictions."

"I was far from being well when I started to use Dodd's Kidney Pills. I only took two boxes of them, but the results are so good that I am recommending them to all my friends." All Mrs. Thompson's troubles came from sick kidneys. Dodd's Kidney Pills cure sick kidneys. And sick kidneys are responsible for nine-tenths of the pain and weariness suffering women are heir to.

Outstanding! In every community the name **Certain-teed** stands conspicuously for quality, good value, satisfaction, and fair dealing.

Certain-teed Paints and Varnishes

get their quality from the character of materials used in their manufacture and from the exactness with which they are mixed.

The formula of ingredients printed on the label shows honestly and unmistakably the real worth of the paint.

Modern, up-to-date machinery eliminates the uncertainties of mixing by hand and insures absolute conformity to the experts' printed formula.

The price of CERTAIN-TEED Paints and Varnishes is based on the most favorable manufacturing, distributing and selling costs, plus a margin of profit smaller than is generally customary. This low price

would not be possible if we had to depend upon an exclusive paint organization to market our paints and varnishes.

CERTAIN-TEED Paints and Varnishes are guaranteed to give satisfaction. This guarantee is backed by the enormous resources of the Certain-teed Products Corporation.

Whether you do your own painting or employ a professional painter your interests will be best served if you insist upon getting CERTAIN-TEED Paints and Varnishes.

Any good dealer can tell you CERTAIN-TEED Paints and Varnishes. If he doesn't carry them in stock, he can get them for you.

Certain-teed Roofing

For factories, office buildings, farm buildings, garages, etc. CERTAIN-TEED is the efficient roof. It costs less to buy, less to lay, and less per year of life. It is light-weight, clean, sanitary, weather-proof, and fire resistant. For residences CERTAIN-TEED Slate Surfaces Shingles have all the advantages of CERTAIN-TEED Roll Roofing, plus artistic beauty. CERTAIN-TEED is guaranteed for 5, 10 or 15 years, according to thickness (1, 2 or 3 ply). If you are building, or need a new roof, it will pay you to investigate CERTAIN-TEED before deciding upon any type of roof. Sold by leading dealers all over the world.

CERTAIN-TEED PRODUCTS CORPORATION

General Roofing Mfg. Co., Greys Varnish Co., Mount City Paint & Color Co.

Distributing centers: Montreal, Toronto, Winnipeg, Vancouver, Ottawa, Quebec, Edmonton, London, Halifax, Regina, St. John's, Sherbrooke, Brandon.

Deaths Reported

MRS. J. A. PRETTY, WATERLOO, WATERLOO, April 10.—(Special)—Mrs. J. A. Pretty, widow of the late Mr. J. A. Pretty, died after a long illness at the home of her son, Mr. S. T. Pretty on Friday last.

MRS. GEORGE MOYNON, WATERLOO, April 10.—(Special)—Mrs. George Moynon, (nee Amy Bridge), died on Wednesday night. Mrs. Bridge was for months a great sufferer. The funeral service was held in the Methodist Church on Saturday afternoon at half past two.

MRS. JACK HARDEN, KNOWLTON, KNOWLTON, April 10.—(Special)—Mrs. Jack Harden died on Thursday evening after an illness of several months. The funeral took place on Monday morning at the Methodist Church, and the interment being in the Knowlton Cemetery.

MR. JOHN BROWN, BRIGHAM, BRIGHAM, April 10.—(Special)—Mr. John Brown passed away yesterday afternoon at three o'clock as a result of a shock of paralysis. He was 70 years of age, and leaves a widow, one son and four daughters. The funeral will be held at the Congregational Church on Thursday afternoon at 2 p.m. to the Congregational Church.

MR. JEREMIAH HARRISON, BRIGHAM, BRIGHAM, April 10.—(Special)—Mr. Jeremiah Harrison passed away on Sunday evening of typhoid fever, aged 47 years. He leaves a widow and two daughters, Miss Annie Harrison and Mrs. Charles Simpson. The funeral will be held on Thursday afternoon at 2 p.m. to the Congregational Church.

MRS. J. S. REED, MARLINGTON, GRANITEVILLE, April 10.—(Special)—Mrs. J. S. Reed, Marlinton, passed away last Wednesday morning. Although she had not been in her usual health, nothing serious was anticipated, and her death came as a surprise and shock to her many friends in the neighborhood.

Mrs. Reed was a staunch Methodist and very much interested in Church work, especially the Sunday School. She had been a life-long resident and every effort for the good of the community had her warmest support. The funeral was on Friday and the condition of the roads prevented many from going, but even as it was there was quite a large gathering. There were many beautiful flowers including a wreath from the Ladies' Aid and a spray from the Sunday School scholars. Much sympathy is felt for Mr. Reed and the other members of the bereaved family where her cheery spirit and wise counsel will be much missed.

MR. EDWARD PRECOURT, NORTH HATLEY, NORTH HATLEY, April 10.—(Special)—In the death of Mr. Edward Precourt which occurred on Monday of last week as previously reported, Hatley has lost another of its old citizens.

For a period of about six years Mr. Precourt has been in failing health although during part of that time he followed his usual employment. The past winter, however, he has been confined most of the time to his room and during the later part of the winter failed rapidly.

Had he lived until the ninth of the present month he would have been seventy-three, having been born April 9th 1844.

On the 8th of June, 1876, he was united in marriage to Celestia M. Woodward, who survives him. Mr. Precourt was a kindly man, a good citizen and for many years, a member of the Methodist Church.

The funeral services were held at North Hatley, Holy Thursday afternoon, Rev. E. E. Margraf officiating.

MRS. LEWIS MEIVER, FORMERLY OF BURY, PASSES AWAY, BURY, April 10.—(Special)—The mortal remains of the late Mrs. Meiver, relict of the late Lewis Meiver arrived on the C.P.R. Halifax Express on Thursday night, Mr. A. L. Meiver and Mr. Lewis Terrill accompanied them.

The deceased lady was over 80 years of age and was a life long resident of the village of Bury until nearly two years ago when she moved with her son to Toronto. She was highly esteemed by one and all who knew her. To those in sickness or distress she was ever ready to extend a helping hand. This, coupled with her bright, cheery and sympathetic nature made her much beloved. As a communicant of the Anglican Church she was most loyal and faithful and a generous contributor.

In her hospitable home she often entertained the Bishop and clergy of the Diocese.

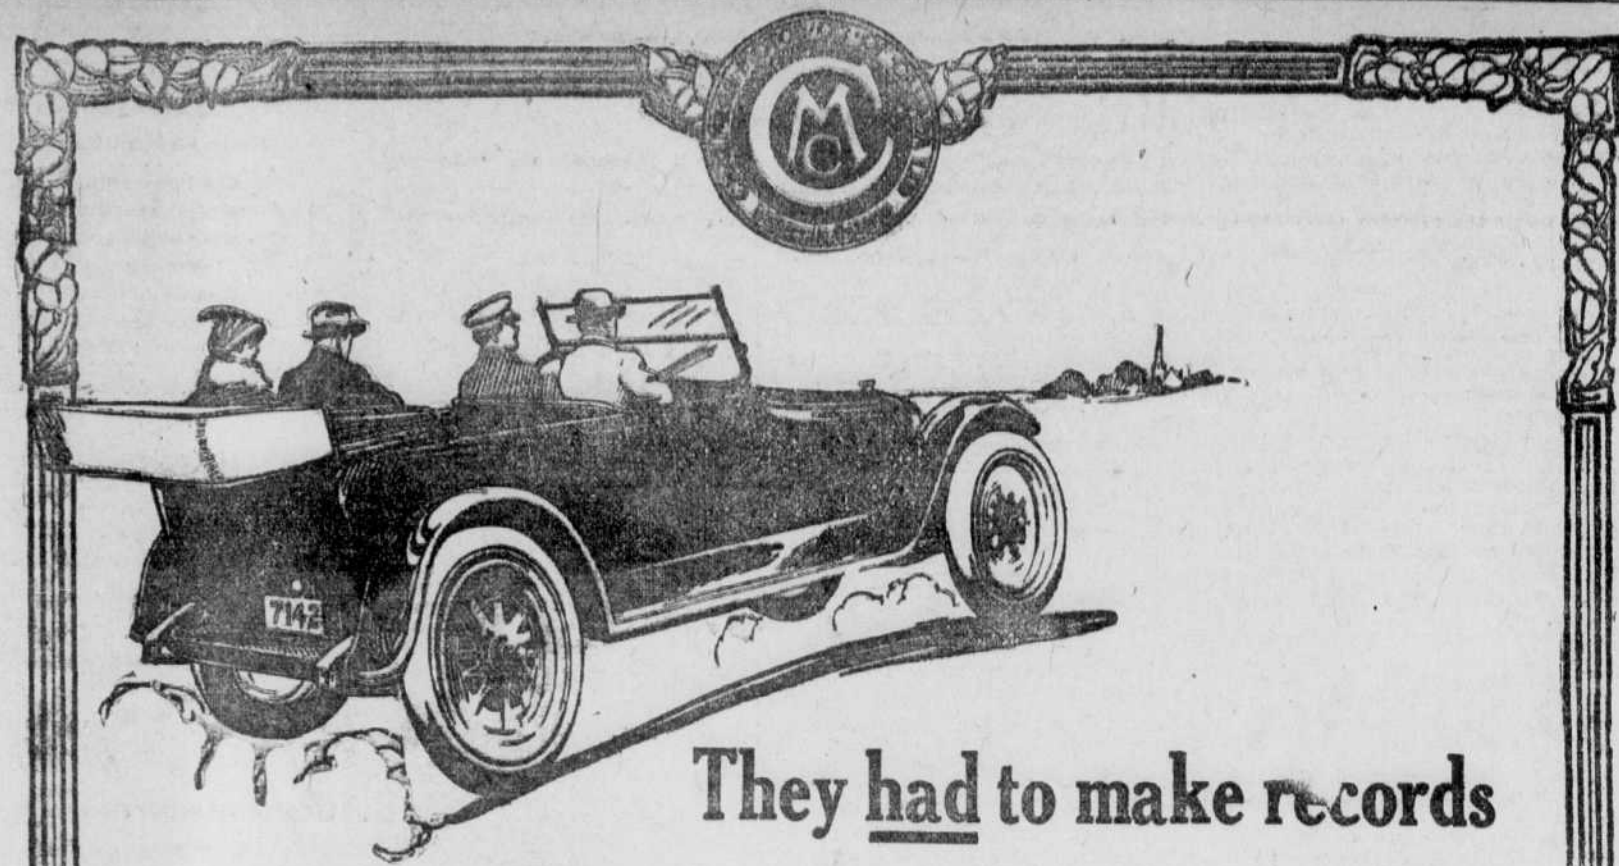

Her illness was of short duration. All the medical skill and nursing could do was rendered by her loved ones and trained nurses. She passed peacefully away.

The funeral took place on Friday afternoon from the residence of Col. P. M. Pope to St. Paul's Church where the beautiful service of the Rev. C. T. Lewis, Rector of the parish. The musical portion was nicely rendered by the large choir. The casket was covered with choice wreaths and flowers.

The bearers were Messrs. Thos. Morrow, S. Cooper, Wm. Dunsmore and D. McVillar.

Interment took place in the family lot in St. Paul's cemetery.

MR. JAS. HOSKINS, EAST FARNHAM, EAST FARNHAM, April 10.—(Special)—Mr. Jas. Hoskins, a highly respected citizen of this place, passed away on Sunday morning at his residence.

They had to make records

The Chalmers was made for every-day business.

What measure of success the world accords Chalmers came from building a sensible car. Chalmers was content to let others speed to fame. Not so the Chalmers owners.

Business men seek adventure beyond the fields of markets and finance. Owners of Chalmers cars set out to gather speed—and endurance records for Chalmers.

These are but sidelights on the sensible car. Canadian Chalmers is essentially a business man's car.

It has the class, appearance, finish—the best of cars should have. A family car with comfort for five. A motor to put it through hard travel, over hills, crowded traffic.

Speed for emergencies, power to spare. There's safety in the way it holds the road. It was built to the Chalmers ideal for the man of sound motor-sense.

Chalmers efficiency holds down the cost. The Canadian Chalmers factory produces the ideal car for \$1,625.

See this car. Talk with Chalmers men. Learn why men speak with pride of "their Chalmers." Drive the car that brought to Chalmers the big men of motordom. Feel the life of it. Swing it around in the road. Its a MOTOR Car and More.

Chalmers is a car, a man, an institution.

Chalmers 6-30 5-passenger	\$1625
" 6-30 Roadster	1825
" 6-30 7-passenger	1775

"ABSOLUTE WASTE"

London Rector's Striking Comment on Harvest Festival Decorations

The Rector of St. Augustine's-with-Faith's, London, commenting on harvest festivals in his parish magazine, says that in these days of war economy it seems absolute waste, "What could be more incongruous," he asks, "than a harvest festival, with all the customary decorations of flowers and vegetables, in the centre of bricks and mortar?"

"No one has seen the things grow, nor had the slightest personal interest in them, and the worshippers would not suffer if the harvest were good or bad. As long as these things were to be got, and they had the money, they would have them." The rector adds that it would have been of real value to have sent the cent of the fruit and flowers used in the decorations straight away to some charity.

Earl as a Collector

The Earl of Crawford, who is serving as a private in the R.A.M.C., is a collector of walking sticks. The latest addition to his collection is a heavy rosewood, ivory-headed one, which Lord Crawford found in a captured German trench.

RECRUITING FOR

E. T. CYCLE CORPS

Many Young Men Are Joining Up With This Branch of the Service.

Quantity as well as quality is included in the type of young men signing up for the Eastern Townships Cycle Corps, being organized at Richmond by Lieut. A. N. LaBrecque, Archibald M. D. Drummond of Sherbrooke is the latest recruit and has the honour of being the largest man recruited for the special unit, being six feet and one inch in height. Drummond signed up at the headquarters of the Corps at Richmond Friday and went to Quebec Saturday for his uniform. He is a product of the Sherbrooke High School and is the second member of his family to don the khaki. His brother Charles is doing his bit with the 20th battery "Somewhere in France." Drummond has had considerable military experience having served with the 68th regiment of Sherbrooke and the 22 battery.

He is the third Sherbrooke young man to enlist in the Cycle Corps last week, and a large number of other boys of this city are taken advantage of the opportunity of enlisting in what is considered the best branch of the service. Though only started a week ago the unit is making a fine record.

Cleaning White Spats
To make soiled white spats look like new, take a basin of warm water and some good white soap; wash well and rinse, but do not wring out. Hang them up perfectly wet at night in a warm place, and in the morning they will be smooth and ready to wear.

Sometimes a man does a sensible thing by mistake.

Your dealer has a supply of fresh Sunkist Oranges every day. These are the uniformly good oranges. Order a dozen today.

Uniformly Good Oranges

California Fruit Growers Exchange

A Good Supper Dish

One cupful of cooked rice, three cupfuls of canned tomatoes, one-half an onion (sliced), one slice of bacon cut in small pieces, salt and celery, suit to taste. Put the bacon in a frying pan and fry out the fat; then slice the onion into it, add the tomatoes and rice and cook until it is a good consistency; then add the seasonings. This takes the place of potatoes and is exceptionally good served with cooked meats.

OXO CUBES

have proved of remarkable value in the Great War

They are equally valuable in the home. They yield warmth and sustenance in a moment.

AN OXO CUBE to a cup IN BOIL AND BOIL TIME

HOW TO CAN MEATS

Hints For Home Canning of Vegetables and Meats

The "cold pack" method of canning consists of putting the vegetables or meat cold into a clean cold can or glass sander and these are placed in a boiler and water added half way up or some cover the cans or jars. They are almost sealed tight and sterilizing is proceeded with. In the case of meat there is a shrinkage of about 17 per cent, and in order to have the jars full it is well to boil the meat for about 20 minutes in the open with enough water added to make up for the shrinkage which takes place and when the cans are filled they remain full. For home canning glass jars are the best unless they are put up for sale. A quart jar will hold five times as much as a quart can but it may be used five times and more before being broken. In the case of meat, corn, peas and even beans it is safer to use pint jars, although quarts will succeed if sterilizing is well done.

Open up a Health Account by eating foods that make you fit for the day's work without overtaxing the stomach, kidneys or liver.

The continued eating of indigestible foods with large percentage of waste means diseased livers and poisoned intestines. CALL ON FARMERS FOR MORE PRODUCTION

U. S. Congress Will Be Asked to Fix Price for All Farm Products.

(Canadian Press Despatch.) NEW YORK, N. Y., April 10.—A despatch to the Tribune from St. Louis says: Representatives from all parts of the U. S. met in an all day conference here yesterday to plan an appeal to Congress to pass law guaranteeing a minimum price for all farm products and a minimum wage for farm laborers. There will also be a call upon the bankers to lend money to the farmers to buy seeds, and a demand upon farmers to increase farm production by a greater acreage and more scientific methods of cultivation.

HAVANA—Attempt to blow up the Bavaria, one of four German ships interned at Havana, frustrated by the authorities.

Diamonds

LOOSE AND MOUNTED

Conditions governing the diamond market are different to any we experienced and prices have as a consequence shown a steady increase. Despite these conditions we believe we can do as well for our customers as formerly. All we ask is the opportunity to prove it.

HOLD UP AT CROSSING. One of the worst "hold ups" of the season occurred at the railroad crossing, King street, last evening at eight o'clock. An engine attached to what appeared like an endless line of cars started to cross King street and instead of increasing speed, crept

LATEST TELEGRAPHIC DESPATCHES**FOE ADMITS SUFFERING HEAVY LOSSES**

(Canadian Press Despatch.)

BERLIN, April 10.—via London 4.50 p.m.—Regarding the heavy fighting on the western front today's army headquarters statement reports that the "battle north of Arras continues."

"In stubbornly resisting the superiority of the enemy," says the statement, "two of our divisions suffered considerable losses."

"The British," continues the statement, "succeeded in penetrating our positions on the road radiating from Arras, but did not break through."

TURKS BEING DRIVEN BEFORE RUSSIANS

(Canadian Press Despatch.)

PETROGRAD, April 10.—Via London.—Russian troops of the northern army in Persia are again on the march into Mesopotamia, from Banah just south of the latitude of Mosul, according to today's war office statement. The Turks have been driven out of the defenses they had been holding there for some time and the Russian offensive is being continued.

South west of Khamlan the southern column of Russians which recently effected a junction with the British from Bagdad, has occupied Kizil Rohat, eighty miles north east of Bagdad.

DIPLOMATIC RELATIONS BROKEN.

(Canadian Press Despatch.)

LONDON, April 10, 1.15 p.m.—Diplomatic relations between Brazil and Germany have been broken off, according to the Evening News.

Switzerland will take charge of the Brazilian interests at Berlin.

"VIOLET DAY" WAS A SUCCESS. The exhibition of articles donated to the General Hospital (St. Vincent de Paul), which took place on Easter Monday, was a very pleasant and successful affair. The articles, which included all kinds of bed furnishings, linens, and children's clothing, were tastefully displayed on long tables in one of the main reception rooms.

The visitors were graciously received by Mrs. J. P. Jutras, president of the Ladies' Committee, and the Rev. Sisters of the hospital. After a time spent in looking over the numerous garments, etc., the visitors were seated, and Mgr. Chailfoux gave an address of welcome. Mrs. Jutras then gave a report of the donations, which was most satisfactory, and thanked the ladies who had so generously contributed and had assisted in making the affair such a success. Mgr. Chailfoux followed with an interesting address, and then presented the prizes to the young girls who had worked so faithfully on "Violet Day." The prizes were awarded as follows: 1st, Miss Alice Albert, (amount collected, \$55.18), \$2.50 in gold; 2nd, Miss Pauline Mignault, pendant, Little girls: 1st, St. Pierre (\$16.24), \$2.50 in gold; 2nd, R. Durand, gold pin. The consolation prize, a gold pin, was then drawn for by the little girls who had not won a prize, and fell to Miss S. Gendron.

The total amount received from the sale of flowers was \$538.15.

Mrs. Jutras and the Rev. Sisters of the hospital wish to extend their thanks to the ladies who contributed articles, The Record, Tribune, Messrs. Lanctot and Marcotte, and all those who so generously gave assistance, both on Saturday and Easter Monday.

Following is a complete list of donations to the General and Sacred Heart Hospitals:

To the St. Vincent de Paul Hospital: 9 operation aprons, 12 doz. operation towels, 44 sheets, 19 bed spreads, 111 pillow cases, 83 bath towels, 34 dressings, 15 bignau covers, 9 lunch covers, 187 towels, 17 abdominal bands, 44 night gowns, 107 handkerchiefs, 5 centrepieces, 41 napkins, 4 blankets, 13 rubber sheets, 4 yds. rubber, 4 yds. linen. Total, 884 pieces.

Donations to the Sacred Heart Hospital: 10 pairs socks, 2 pairs shoes, 6 doz. handkerchiefs, 2 night gowns, 1 chemise, 15 camisoles, 15 pillow cases, 4 pairs drawers, 8 pairs corsets, 1 petticoat, 11 bed spreads, 2 blankets, 15 sheets, 102 towels, 111 yds. flannelette, 8 yds. cashmere, 32 yds. linen, 37 yds. cotton and 2 yds. gingham. Total, 317 pieces.

LINER NEW YORK STRUCK MINE

Vessel Was Able to Proceed to Liverpool Where Passengers Were Landed.

(Canadian Press Despatch.) WASHINGTON, April 10.—The American liner New York struck a mine at 7.40 p.m. last night five miles off the Liverpool bar. No casualties were reported. The vessel later proceeded to Liverpool.

Consul Washington at Liverpool reporting the incident to the state department today said: "The American liner New York struck a mine 7.40 p.m. last night, five miles off Liverpool bar. Company reports passengers landed at Liverpool except four who are still on the ship. No casualties. Vessel proceeded under her own steam and is now entering dock. The American liner Steamer New York left this port on March 29th for Liverpool with 58 passengers, cargo and mail. She carried a naval crew of gunners and was armed. The ships crew consisted of 234 men and is commanded by Captain W. J. Roberts."

SENSATIONAL DROP IN PRICE OF PROVISIONS

Condition Bordering on Panic Prevailed in Pit in Chicago.

(Canadian Press Despatch.) CHICAGO, ILL., April 10.—Sensational breaks in the value of provisions pulled down with a crash today the corn market and then almost instantly wheat and other grains.

A general rush to sell found the different commodities without any aggressive support and there was soon a condition bordering on panic in the provision pit. Where pork made an almost sheer descent of 31.55. Other extreme losses were 5 cents in wheat and corn. More than half of the set back in cereals was afterward recorded, but provisions showed much less power to rally.

Opening wheat prices which ranged from 4 to 2½ c. lower with May at 2.05½ to 2.06 and July at 1.82½ to 1.83½ were followed by drops respectively to 2.02 and 1.80 and then a partial recovery.

LIEUT. ROBINSON, WELL KNOWN AIRMAN, REPORTED MISSING

(Canadian Press Despatch.) LONDON, April 10.—The Evening News says that Lieut. William Leefe Robinson, the first aviator to bring down a Zeppelin in England, is reported missing.

WELCOME TO KNOWLTON SOLDIERS

Pte. Stanley Ball and Pte. Jack Fowler Returned From Front Wounded.

KNOWLTON, April 10.—(Special)—A rousing reception was accorded Pte. Stanley Ball, and Pte. Jack Fowler, on their arrival here on Monday evening. Flags were flying on the station and other buildings, and as the train drew into the station the band gave a selection, and the large crowd of people broke into cheers for the returned wounded soldiers. After the cheering and the reception from the company the soldiers were driven to their homes.

Pte. Stanley Ball is the eldest son

of Mr. and Mrs. J. Raymond Ball, and enlisted with the 73rd Highlanders. He was wounded last November in the arm and chest while carrying the wounded from the battlefield. He was in an Hospital, in Bristol, England, for some time and later in one of the Canadian convalescent homes. He returned on an hospital ship and after passing through the station at Quebec, he came on to Montreal on Saturday evening. He will visit his family for some ten days and will then return to Montreal for treatment. The doctor's have given him much encouragement, and believe that he will regain the full use of his arm in time.

Pte. Fowler belonged to the 69th, and enlisted in Montreal. He came to Knowlton from England some years ago and worked for different people here. He was invalided home suffering from shell shock. He is staying at Robinson's hotel, having previously worked for Mr. Robinson.

EASTER AT THE CHURCHES

At St. Peter's Church Easter Day, the two early celebrations were largely attended, and at the eleven o'clock service the Church was filled.

The Rev. H. Reginald Bigg, was assisted by the Rev. E. C. Russell, formerly curate of St. Stephen's Church Montreal and the sermon, dealing with the great fact of the Resurrection, and its significance to all Christian people, was preached by the Rector.

The evening service was fully choral and the anthem was the "Hallelujah Chorus" (Hansel) with the bright, Easter hymns was notably well sung.

The preacher was the Rev. Mr. Russell.

AT THE CATHEDRAL.

At St. Michael's Cathedral, the Easter Festival lost nothing of its splendour, the retreat of the Roman Church being always impressive.

Mgr. Paul LaRoque, celebrated pontifical High Mass. The assistant priests were the Rev. P. J. A. Lefebvre of St. Charles Seminary. The deacon and sub-deacon of honours were the Rev. Abbes Couture and Bellemeur, and the deacon and sub-deacon of office, the Abbes Bois and St. Laurent. The Rev. Abbe Richard was master of ceremonies, and the sermon on the feast of the day, was delivered by the Rev. Napoleon Codere, who preached for the first time in the cathedral. The musical portion of the service was magnificently given by Mr. L. E. Codere at the organ. The soloists were Dr. F. A. Gadbois, Messrs. C. E. Bachand, Wilfrid Legare.

At Pontifical vespers in the evening, Mgr. LaRoque again officiated, assisted by the Rev. H. A. Simard, Rector. The deacon and sub-deacon were the Abbes Couture and Bellemeur.

AT ST. PATRICK'S

At St. Patrick's Church, the Easter Candles, burned upon the altar, with lilies and many flowers about the sanctuary, and rail.

High Mass was sung by the Rev. Abbe Gosselin, and the special sermon was preached by the Rev. E. C. Fiset, pastor. The choir, under the direction of Mr. B. A. Dugal, choir master rendered Salome's Mass most effectively, the solos being taken by Mr. Antonio Genest, Mr. Horace Roy, Messrs. Eddy Fortin and Eugene Olivier. Miss Doherty presided at the organ.

AT PLYMOUTH CHURCH.

Easter Day was marked at Plymouth Church by special services. The church was beautifully decorated with quantities of flowers, Easter lilies predominating, with two flags, the Union Jack and the Stars and Stripes side by side. Exceedingly good music was furnished by the choir, which was vested for the first time.

The soloist in the Anthem "Hallelujah Christ is Risen," was Mrs. Melville.

Easter hymns were joined in by the large congregation. The pastor Rev. G. Ellery Read, delivered an eloquent sermon, upon "The Souls True Easter-tide." At the close of

the service, the communion was administered, and six young people made the confession of faith, and confirmed their baptismal vows.

In the evening an interesting musical service was held by the choir, and Sunday School with an address by the pastor.

The Anthems was "Lift up Your Heads" (Hopkins.)

AT ST. ANDREW'S

St. Andrew's Church was bright with flowers, and potted plants, tastefully arranged for Easter day, and the congregations at both services were unusually large.

The Rev. Alfred Bright B.A., preached to the morning and evening, the subjects being respectively, "The Power of the Resurrection" and "Evidences of the Risen Christ in the World."

Mrs. Malcolm MacKay sang a lovely solo, "I know that my Redeemer liveth," and the large choir contributed the splendid "Hallelujah Chorus" (Handel) and "Blessed be the Father," (Wesley.) Miss Laura Rugg presided at the organ.

AT ST. ANDREW'S CHURCH.

Special Easter services were held in St. Andrew's Presbyterian Church on Sunday, at which Easter music was a prominent feature in the services of the day. A choir of thirty voices rendered the anthems, "Blessed be God and Father" (Wesley), "The Risen Lord" (Noble), and the "Hallelujah Chorus" (Handel), and Mrs. Malcolm MacKay sang in beautiful and well-sustained voice, "I know that my Redeemer liveth."

The solo parts in the anthems were well taken by Dr. M. and Mrs. MacKay. The manner in which the Easter music was presented reflected great credit upon the able leadership of Mrs. J. R. Sangster as choir leader and Miss Rugg's masterly accompaniment at the organ.

The church was tastefully decorated with Easter lilies, cut flowers, and emblems of the Easter festival. Large congregations were present, and Rev. Alfred Bright gave Easter messages at both services. Mrs. Geo. Ogston gave a beautiful Easter solo at the children's service in the afternoon.

AT THE METHODIST CHURCH

The floral display at the Methodist Church was especially noticeable on Sunday, the platform being banked with potted plants, hydrangeas, Easter lilies, etc. in the branches of daffodils and other blossoms of Spring.

The Anthems in the morning were "They have taken away my Lord," (Stainers), and "Who will roll us away the stone" (Spence) in the evening "Hosanna" (Granier) and in the evening "Hallelujah, Christ is Risen" and "Inflamatus" from the "Sabbat Mater."

Mrs. F. H. Bradley, and Mr. A. L. Parker were the soloists and the preacher at both services were the Rev. Geo. A. McIntosh.

AT CHURCH OF NOTRE DAME

High Mass at the Church of Notre Dame de Sherbrooke was sung at 10 o'clock on Easter by Rev. F. X. Gosselin, and the sermon was preached by the Rev. Rene Fabreau.

The musical portion of the service was furnished by the augmented choir, Rossignol's Mass being sung. The soloists were Mrs. Crochere, the Misses Bladon and Mr. Hebert. Mrs. St. Germain played the organ.

AT ST. GEORGE'S LENNOXVILLE.

At St. George's Church Lennoxville the Rev. R. W. E. Wright, was assisted at the early celebration by the Rev. F. Vial, M.A., and at the eleven o'clock service by Rev. Principal Parrock and Rev. Mr. Vial. The altar and chancel were beautifully arranged with Easter lilies, carnations, ferns, etc., and the music was appropriate to the festive season.

The morning Anthem was "Rejoice the Lord is King," and in the evening "I am he that liveth, and was dead" (Simpson) was rendered with the joyful Easter hymns.

The Rector Rev. Mr. Wright preached at both services.

LENNOXVILLE METHODIST CHURCH.

Large congregations assembled at the Methodist Church, Lennoxville, Easter Day, and the services were very bright.

The pastor Rev. J. B. Hicks, preached on both occasions.

MEXICO CITY—Mexico's part in world war will be decided by newly elected Congress, which meets on April 15.

CANADIAN TROOPS NOW OCCUPY VIMY

(Continued from page 1.)

support lines. He was immediately ejected from our trenches, leaving several dead."

MUCH BOOTY CAPTURED IN RUSH OF ASSAULT

(Canadian Press Despatch.)

WITH THE BRITISH ARMIES IN FRANCE, April 10, via London, 2 p.m.—(From a staff correspondent to the Associated Press)—Under blinding snow squalls, with intermittent flashes of sunshine, the British pressed their attack against the Germans today all along the line from a point south of Cambrai to the vicinity of Lens. So much booty was taken in the first rush of this new assault, that it has not all been reported, but it is believed a large number of guns were captured.

Yesterday's fighting and gains far surpassed the first days of the battle of the Somme last July. The Canadians today command the Vimy Ridge and are reported to be well beyond it at some points.

More villages were captured today in the direction of Cambrai and the fighting there is intense. Clearing weather yesterday afternoon permitted the airplanes to detect German trains moving toward the railroad, apparently for a counter attack on Vimy Ridge. This fact was reported to the artillery, and all long range guns for ten miles around were concentrated suddenly on the indicated points in what probably constituted a new record for long distance barrage fire with heavy guns. Thus the plans for a counter attack were absolutely destroyed before the reserve troops could detain.

KRONSTADT EXPECTS ATTACK BY GERMANS

(Canadian Press Despatch.)

KRONSTADT, April 8, via London, April 10.—Kronstadt is feverishly preparing to repel an expected German naval attack when the gulf of Finland is free of ice. A correspondent of the Associated Press reached the famous island fortress by travelling over the vast ice waste which separates it from the mainland, and found the garrison working night and day in anticipation of the long predicted assault.

The fortress is entirely controlled by a council elected by the troops, which is unanimously resolved to defend Russia freedom and territory to the last. The council is equally resolved against fighting for the annexation of foreign territory. One member of the council said that as long as Germany was unwilling to abandon its plans of annexation, there was nothing to do but fight. He said that everything possible had been done to put the defences of the fortress in first class order and that the stronghold was as strong today as ever.

FRENCH MAKE FURTHER ADVANCE SOUTH OF OISE

(Canadian Press Despatch.)

PARIS, April 10.—A further advance was made south of the Oise by the French last night, the war office announced. The statement follows: "North of the Oise the enemy's artillery showed less activity than on preceding days. South of the Oise we made progress east of the Lower Forest of Coucy."

"The artillery fighting was rather heavy in the region northeast of Soissons, and especially severe in the sector of Laffaux. Southeast of Rheims we repulsed a surprise attack against one of our trenches north of Sillery. Fighting with grenades occurred in the Champagne, west of Malsoude de Champagne."

PORTLAND, Me.—Rev. Charles E. Joy, pastor of the First Unitarian Church, the oldest and one of the

VESTRY MEETING IN TOWNSHIPS

(Continued from page 5.)

efforts of the Ladies' Guild, and the St. Faith's Guild, in the work they were accomplishing and also made mention of the harmonious feeling that existed among the parish helpers.

A special vote of thanks was tendered Mrs. H. Swanson, who has officiated as organist during the past year, and also to the choir. Messrs. Walsh and Parry were also accorded a hearty vote of thanks for services ungrudgingly rendered during the past year.

ST. PAUL'S CHURCH, KNOWLTON.

KNOWLTON, April 10.—(Special)—The annual Easter Vestry meeting of St. Paul's Church was held in the Church Hall on Monday morning at 10.30 o'clock. There were several members of the congregation present. Rev. Canon Carmichael opened the meeting with prayer and followed by reading his report for the past year. The financial report was read by the treasurer Mr. F. A. Morgan, and showed a balance of \$14 on hand, the balance being more than the financial report of last year.

The envelope system was brought up and a resolution was passed to have each member of the Church adopt the system, which is now being used in the Church, but which has not been adopted by every member. A committee was appointed to take up the matter and is composed of Messrs. K. Erskine, H. S. Foster, F. A. Morgan, J. E. Fay, F. N. Williams.

During the past year about \$225 was raised by special subscription, and it was pointed out that if the envelope system would be adopted by every member the finances of the Church would be better.

The question of a surplus choir Mr. F. A. Morgan, Mr. L. H. Pibus, Mrs. J. E. Fay and Miss M. Macgowan.

The pipe organ was also discussed, but on account of the lack of funds, it was left over for a later date.

Mr. J. E. Fay was re-elected Rector's Warden; Mr. L. H. Pibus, re-elected People's Warden, and Mr. F. A. Morgan re-elected Treasurer.

BETTER LOOKING

A handsome high-grade roofing, made from long fibre wool felt, soft and pliable, thoroughly saturated with pure asphalt and surfaced on both sides with a white crystal mica finish. It will not dry out or crack and will stand any climate condition.

The RUSTIC composition consists of a strong felt, thoroughly saturated with mineral asphalt heated to a very high degree, so that it will penetrate through the fibre. It is a recommendable product at a moderate price and backed up by our guarantee.

RUBY and RUSTIC Roofing are put up in rolls containing sufficient material to lay 100 square feet. Each roll contains necessary cement and nails for its laying. An illustrated sheet shows how to lay roofing on any kinds of roofs, around and over gutters, openings and chimneys, which is the easiest thing to do—even for the less experienced man.

Head Office
QUEBEC

Sherbrooke, Que.

paid \$12,000.00

for this name

Four people receive \$3000 each

We have made our selection without regard to the number of duplications. The word chosen was submitted by the four following contestants, to each of whom we are paying \$3000.00:

Mrs. F. C. Grow, 1219 2d St. N.E., Watertown, S.D.
Katherine W. Hand, 1501 Mulvane St., Topeka, Kan.
Miss J. M. Schurz, 289 2d St., Union Hill, N.J.
Bertha A. Wilson, 413 Park Ave., Medina, N.Y.

DAYLO fulfills in a masterly way the requirements specified, viz: a coined word that we can register as a trade-mark and a name easy to remember and entirely simple to pronounce. "DAY" suggests perfect light, and "LO" means "Behold!"—"See!"

The true significance, the living ideal of the reliability and service characteristic of our product will be made find its expression in the new name, Eveready "DAYLO."
