

RMR's new colors mark 5 decades in war, peace

City loans, works cost \$4,603,236

City Council approved commitments totaling \$4,603,236 Monday night quickly running through a 12-item agenda. Included were Dorchester expropriation payments, 2 new loan by-laws, Glen Yard improvements and other public works.

Continuing its expropriation of property on Dorchester and Tupper streets for widening and redevelopment, Council agreed to pay \$160,150 for five lots between Greene and Bruce avenues. Payments exceeded the initial valuations of the properties by \$78,900.

First reading was given to a loan by-law of \$2,984,400 for "sewers, improvements to municipal buildings and parks, purchase of equipment and property, purchase of land and buildings and for the disposal of previous loan funds." A public meeting of ratepayers to consider the by-law will be held after third reading next month.

The Light and Power Department too, seeks funds and council gave preliminary reading to a similar by-law to provide funds for improvements to street lighting and the electric light and power system and purchase of equipment. Amount is \$835,660.

Glen Yard improvements

Council accepted tenders of the Cite Construction Cie Ltd., 175 Beaubien street in the amount of \$284,351 for construction in the Glen Yards which will add what officials term, "badly needed storage space."

Additions will include a three storey frame storage building, brick and concrete yard offices,

Royal Montreal Regimental colors that had been proudly carried by this great regiment through five decades of war and peace joined the glorious pageant of history Sunday afternoon at Westmount Park — to be superseded by new colors presented by Governor-General George P. Vanier, in his own right also a distinguished Canadian soldier wearing the DSO and MC.

More than 5,000 men, women and children turned out for the once-a-century ceremony and long before the appointed hour citizens of Westmount were to be seen walking towards the vantage point to put their stamp of civilian approval on the occasion.

By coincidence areas of Westmount park nearby — presently undergoing reconstruction — in part resembled some of the broken fields over which the RMR colors have waved in the past fifty years, complete with cannon.

The Royal Montreal Regiment has had the distinction of receiving three sets of colors: in 1919 at Unter Eschbach, Germany, presented by H.R.H. Prince Arthur of Connaught. This was the first time that a regiment had been presented with Colors on foreign soil at the end of a victorious campaign. Another set was presented at Amersfoort, Holland in 1945. The new Colors, presented this week contain additional battle honors.

Week-end reunion

The presentation was a focal point of the week-end reunion to mark the 50th anniversary of the regiment. About 500 RMR veterans, some from as far away as California attended, joining with other local dignitaries of military and civil life. The Color Ceremony followed a Saturday night dinner at the St. Catherine street Armory.

The Governor-General after making the presentation in the name of the Queen paid tribute to the courage and selflessness of the men of the celebrated regiment that made Canadian military history in two major conflicts.

'Heroism and sacrifice'

He remarked that he had read the two volume history of the RMR and was "greatly moved by its story of heroism and sacrifice." Members of his family, he noted, had lived in Montreal for over 200 years and he knew personally many of those who had passed through the ranks of the regiment.

A consecration service for the colors was conducted by Lieut. Col. J. L. Rand, CD, Command Chaplain, assisted by Regimental Padre Capt. J. N. Doidge, minister of St. Matthias' Church.

"Let us therefore, pray Almighty God, of His Mercy, to grant that they may never be unfurled save in the cause of

Westmount Park work 'completed' next week

Work on Westmount Park moved into its final stages this week and is expected to be completed within days. Crewmen - frustrated since early August in their attempts to start seeding operations finally completed the job Tuesday. Only minor "touch-up" jobs remain.

The workmen claimed that they needed at least a three day

unbroken stretch of hot dry weather before final grading and seeding operations could begin. Not until last Friday was this achieved.

Now they want rain. Parks Department officials expect to see a "fairly substantial" growth of grass before the ground freezes if there is sufficient rainfall.

Rotary told of Hidden City here

A representative of the voice of 'the hidden city' invaded Westmount Wednesday noon when Casimir G. Stanczykowski of radio Station CFMB addressed members of the local Rotary Club at Victoria Hall.

The Rotarians were visibly impressed.

"The Hidden City" the speaker explained, is the population of 400,000 non-English and non-French-Canadian origin who live in Greater Montreal.

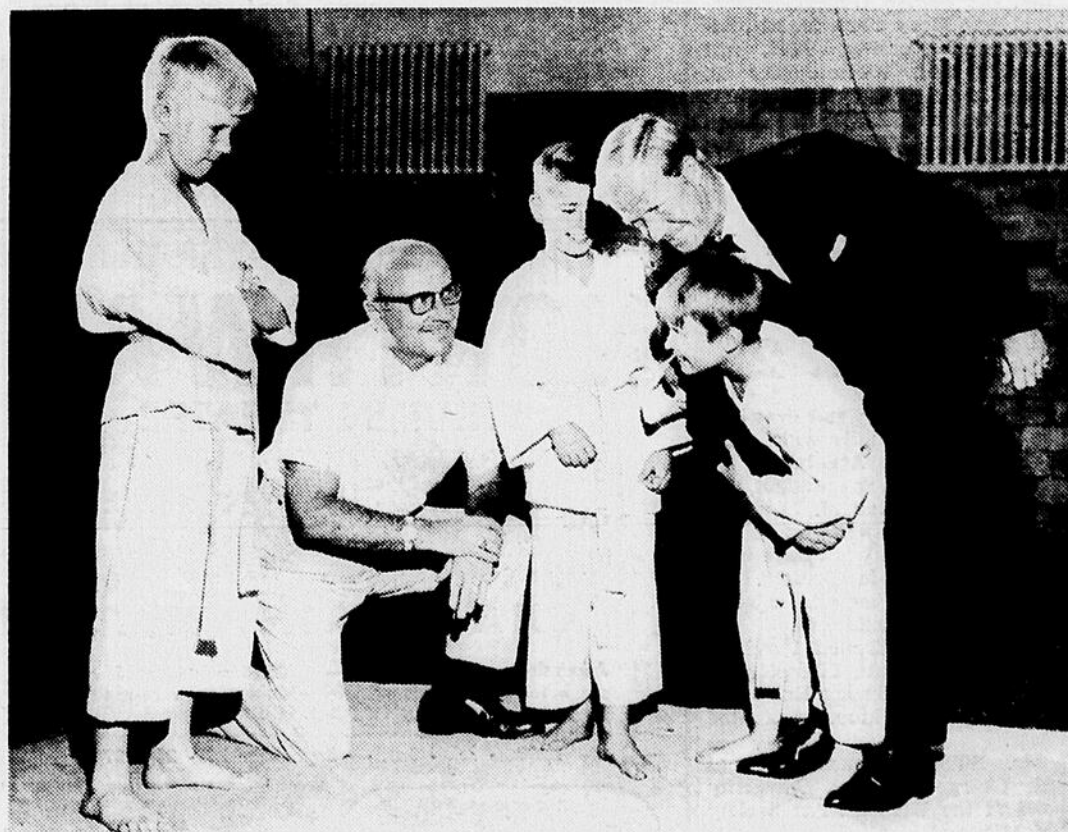

This group, he said, second largest in the city, spends a half-billion dollars a year, has an average age of 32, has no formed purchasing habits on arrival and no brand-preference.

One third of the number dwelling in self-contained or semi-detached homes, he said, own their own dwellings and only 25% report a mortgage on the premises.

The group, he added, has over a billion dollars worth of insurance in force.

While CFMB is the only radio station of the Hidden City it has many daily, weekly, bi-weekly and monthly newspapers and periodicals, he added.

New Canadians, he said, look on Canada as their own country and are proud of it. They enjoy living here, he concluded, and would die for Canada, if the need arose.

J. David Molson, far right, president of the Canadian Arena Co., and chairman of the advance gifts division for this year's Red Feather campaign, drops into the Unity Boys' Club of Westmount in time for a judo demonstration. The Club is under the direction of the Montreal Boys' Association, one of the 36 agencies supported by the Red Feather campaign. Above, Club Director, Maurice Mariasine, looks on as Timmy and Wayne Kitchen and Michael Howard demonstrate a few holds for Mr. Molson.

Karen Gaiser of Lansdowne avenue were among the 88 graduates who received their pins and certificates certifying they had successfully passed the Verdun hospital's special 1-year training program for Psychiatric Nursing Assistants. The graduation exercises took place in Douglas Hall of Verdun Protestant Hospital on Tuesday, September 22.

Miss Nessa Leckie, RN, Director of Nursing Education, said she was particularly well pleased with her graduates this year. She believes the general high calibre of the students, their educational background, interest and enthusiasm in this area of nursing lends further prestige to both the program of training and the Psychiatric Nursing Assistant's role in the Hospital. "The contribution that is being made by the trained Psychiatric Nursing Assistant has become very important to the hospital's Psychiatric Team," Miss Leckie said. "The Hospital looks to the Nursing Assistant to assume responsibility for the care of the mentally ill in a way which is different from that of general hospital routine. The expectations are to treat the daily needs of people who are usually up and around all day, every day — The patient learns to become independent through the reactivation and remotivation programs carried on by the Nursing Assistant, as part of the treatment program."

The Psychiatric Nursing Assistant Course conducted by the hospital is the only 1-year course of its kind for English speaking residents of the Province of Quebec. It is recognized and approved by the Association of Nurses of the Province of Quebec. Each student is prepared for service not only as a Nursing Assistant in a general hospital, but receives special training for Psychiatric Nursing Care. The number of male students enrolling for this course has increased over the years. Some 39 male students will graduate this year.

MISS JOAN GILCHRIST TO ADDRESS GRADUATES
Special speaker for graduation will be Miss Joan Gilchrist, RN, BN, MSc, Director of Nursing, the Jewish General Hospital. Mrs. Mary Christie, RN, Director of Nursing, VPH, will preside and Westmounter D. Ross McMaster, QC, President and Chairman of the Board along with Miss Leckie, will

Billmeier exhibition set Sept. 25

Recent paintings and drawings by Richard Billmeier will be exhibited at the Artlenders, 318 Victoria avenue, Westmount, beginning September 25.

Several one-man shows of this Montreal artist's work have been seen here and in Toronto. His paintings have been in a number of group exhibitions.

The Canada Council Purchase Award went to the Billmeier entry in the 1960 Spring Exhibition of the Montreal Museum of Fine Arts.

Mr. Billmeier teaches art at Sir George Williams University and at the Women's Art Society of Montreal.

His show at the Artlenders will continue until October 10.

School Certificates ready for graduates

Former Westmount High School* students who wrote grade eleven examinations last Spring may now pick up their High School Leaving Certificates at the school office, principal N. T. Wood said Wednesday.

They have just been received from Quebec.

If not called for, the certificates will be mailed out at a later date, the principal added.

Enrollment at the school, meanwhile, remained relatively constant with last year although a greater number of new pupils were admitted. Total is 1,241—seven less than the previous year.

About 20 students from just outside the city limits were also admitted.

Hospitality consists in a little fire, a little food, and an immense quiet.

Firemen search school

Westmount Firemen responded to a call, Tuesday afternoon, from the automatic alarm system in the newly completed private Miss Edgar's and Miss Cramps Girls School on Montrose but found no fire.

Officers believe that a defect in the water pressure system was responsible for the alarm. Pupils remained outside on the street for about a half hour while the system was investigated.

'Mums Show

Westmount's annual Fall Chrysanthemum show will open Wednesday November 4, the Parks Department announced this week. Over 3,000 plants are used in the show which features about 160 varieties of mums in almost every possible color.

City gardeners began preparation for the event last January when many of the mums were planted.

The display will be open to the public from 10 a.m. to 10 p.m. daily except Sunday when the Greenhouse closes at 6.

With the exception of the war years, the show has been an annual event since 1928.

Four policemen are promoted

City Council Tuesday approved the promotion of four members of the Westmount Police Department.

Public Safety Officer B. Hunter was raised to the rank of Detective. Constables G. M. Kerr and R. I. Swailles and Public Safety Officer K. E. Garrett were promoted to the rank of Sergeant from September 1, 1964.

Appointment of the three Sergeants will fill two vacancies created by recent promotions to the rank of Lieutenant and one vacancy resulting from a resignation, it was explained.

In other business, Council granted a taxi permit to E. Gallagher on behalf of Lansdowne Taxi Reg'd. to establish a stand for two cars on the property of the Cliffside garage, 4428 St. Catherine street.

WE SAY

Mackay appeal should be heeded

WESTMOUNTERS will not let go unheeded the call for funds to complete the new Mackay Centre for Deaf and Crippled Children.

The appeal is made by a prominent Renfrew avenue resident whose seemingly undiminished energies seem almost exclusively devoted these days to the Center and another of his just-out-of-Westmount favorite projects, the Queen Elizabeth Hospital.

Mr. A. Hollis Marden, president of the Center, said Saturday at the cornerstone laying that the Provincial Government's \$1,000,000 grant made possible the project — which combines the resources of the former Mackay School for the Deaf and the School for Crippled Children — along with some \$1,500,000 already provided by public appeal.

But at least another \$380,000 is needed, or will be by the time the new building on Decarie boulevard nears completion.

An appeal to benefit children usually brings generous response from Westmount residents. When the beneficiaries are the crippled and deaf youngsters who still come among us despite the advances of medicine, the call should command ready response.

BY THE WAY

WHOA, MAYOR!

A TITBIT about a lady who "exhales the smoke of her cigar through her nose" ought to make us sit up. Is it a "gimmick" to make her stick out like a sore thumb at parties? Some rival is sure to try to make the smoke come out of her ears, like the musical-ball comedian who was elected mayor of his native place.

YOU SAY

Seeks return of Children's books

Sir: I wondered if it would be possible to make an appeal to the parents of children who have overdue library books?

The books may be returned during library hours to the Children's Department every day from 2-6, and Saturday from 10-12 and 2-6.

We would greatly appreciate the cooperation of the parents.
Catherine Fraser
Children's Librarian

Civic awards should be given

Sir: As young and youthful and bouyant as it is, the City of Westmount is still, I venture to say, old and princely as origins are concerned.

There are, as everybody knows, centennial buildings and institutions in old and new Westmount. There are older things there of the civic spirit, national loyalties of the finest, as well as archaeological, geographic and historical lore and saga.

When, for instance, Montreal through political tendencies became British in place of French, the advancing armies had to pass through Westmount nearby territories. So it might be said that Westmount is by no means an ordinary or an uninteresting municipality.

Only recently we noted the 60th Anniversary of the Bank of Montreal in Westmount with a patriotic Westmounter in the person of John S. England as the financial leader therein.

There are other old enterprises in fast-moving Westmount. Unfortunately, in our hurry-up and civic haste we seem to miss the obvious duty to pay respects and tributes to these enterprises and to the citizens who bring reality to them. Yet, it is rare, or almost rare, to note any civic institution in Westmount, to make any special celebration or public "fuss" about it.

It is to be deplored that civic Westmount seems so busy as to neglect official recognition to these anniversaries. We ought to give civic merit awards where due. I do feel like saying, and do say it: "Wake up Westmount! Please become more human, more appreciative, and more openly friendly!"

A. Jacob Livinson, M.A.

MACKAY CENTRE CORNERSTONE PLACED

Mrs. Paul Gerin Lajoie, wife of Quebec's Minister of Education, laid the cornerstone of the Mackay Centre for Deaf and Crippled Children last Saturday afternoon. She took the place of her husband, who could not attend because of illness. With her are Dr. L. P. Patterson, executive director of the Centre, and Kenneth Mackay, a director.

This week in Westmount

By VALENTINA RAHR

Westmount honored this week to have Governor General Georges Vanier present new colours to the Royal Montreal Regiment in Westmount Park where a crowd of several thousand attended the ceremonies, part of the fiftieth anniversary celebration of the founding of the RMR. Rev. J. Doidge of St. Matthias Church blessed the new colours, while special guests watched from a raised dais. The wife of the Governor General of Canada, chic and resplendent in moss green frock and hat in matching colour, with a mink stole, arrived with the Governor General in an automobile, flying the Governor General's pennant on the hood, and accompanied by an escort of City of Montreal Police on motorcycles. Cheers and applause and the order of the ceremony reminded many of the time not too long ago when the Queen Mother came to Canada to present new colours to the Black Watch.

Tot's are able to wander away out of sight even if only a few feet away. The unfenced, unguarded

horseshoe pond which workers say will be about four to five feet deep in the middle near the small wood bridge, when finally completed, present a problem for children and parents alike. Extra lighting installations when the park is finished will not alleviate the privacy and lack of safety which are a feature of the park in the evenings, due to the many mounds and dark shadows . . . **K. An imaginative, richly humorous work, it is the story about Adrien and Theresa, who are in love with each other, and involves not only difference of people of various extractions, but conflicts due to differences in religious feelings.

The two families involved cause a division among the inhabitants of a small Canadian village and result in two feuding factions, the "Frenchies" and "Les Anglaises". The book satirizes the pretensions and foibles of both.

and residence, concrete outside storage shed and retaining wall. Architects for the project are, Ross, Fish, Duschenes and Barrett.

A meeting of elector-proprietors held September 7 to consider a change in the master zoning by-law and permit Roslyn School to expand its school playground drew no objections, it was reported. Council subsequently approved the change.

Mackay milestone passed

The Mackay Centre for Deaf and Crippled Children attained another milestone of progress Sunday for its \$2,500,000 new building on Decarie boulevard with the laying of the cornerstone by the wife of Paul Gerin Lajoie, Quebec Education Minister.

Mrs. Gerin-Lajoie was substituting for her husband who was ill.

A. H. Marden, president of the Centre addressed the gathering at the building before and after the ceremony and commented that it marked the "culmination of our dreams and hopes to improve the education and rehabilitation of our children so that they will be better equipped to meet the problems of this competitive and troubled world."

Completion date for the centre is next spring with the opening set for Easter. Work is on schedule.

"During the more than half-century that we have operated our schools our achievements have been incalculable," said Mr. Marden. "Thousands of children who were so unfortunate as to be deprived of hearing or speech or were physically disabled, have become rehabilitated and educated."

The new building with its additional and greatly improved facilities to do substantially more effective work than was possible in the two "old and obsolete" buildings it is replacing, he noted.

Mr. Marden paid tribute to the work of Education Minister Paul Gerin-Lajoie in raising the educational standards of the Province and helping support the Centre. "He freed us from the yoke of the past and introduced educational and administrative reforms on a scale and with an energy seldom before witnessed," said Mr. Marden.

"Because of his sympathy, support and kindness, the Provincial Government granted the magnificent sum of \$1,000,000 towards the construction of this building. We can assure him that this grant will pay substantial and increasing dividends in the education and care of the children of this centre — where all children are welcome be they French, or English, Protestant, Catholic or Jew."

ROVING REPORTER

By Oliver Towne

The "long-awaited" Greene avenue parking lot which the city recently opened was not really worth waiting for at all. Rates — payable in parking meters — are higher than most to be found anywhere on the Island and certainly appear far too high for a suburban shopping district. The charge is twenty-five cents per half hour with no reduction for long stays. The lot has seldom been more than half-filled.

Architects for the Heather Curling Club's new building in Hampstead have now completed final plans. Details of the new headquarters to replace the aging Westmount premises have not been released but construction is expected to begin in November.

Petitioners against the Westmount Centre projects still waiting for a decision from the Superior Court. Final arguments were submitted in June. The West End Plaza action is apparently in the same boat. After an initial bust of digging, all is now quiet on the Atwater site. Developers claim they have not been delayed by the petition and are simply waiting while construction bids are sorted-out.

Victoria Barkoff at N.Y. College

Victoria Barkoff, daughter of Mr. and Mrs. Edward Barkoff, 653 Roslyn avenue this week enters Sarah Lawrence College in Bronxville, New York.

The college is beginning its 37th year with 613 students. Entering students total 186 from 32 states and seven foreign countries including Greece, Spain, Philippine Islands, and El Salvador.

An integral part of the Sarah Lawrence College educational program is study abroad. During the coming year 14 students will be studying in France, four in Switzerland, four in Italy and one in England. Three students will be studying at other universities in the United States.

Fifteen students will be enrolled in the Sarah Lawrence Graduate Studies Program, a program of graduate studies in the liberal arts leading to the degree of Master of Arts.

Thirty six women will continue their interrupted college work at Sarah Lawrence's Center for Continuing Education.

Scholarships amounting to approximately \$30,000 have been granted to entering students from a total scholarship budget of approximately \$125,000.

The Convocation Address will be given on September 25 by Harold Weiner of the literature faculty, and classes will begin on September 28.

TWO MINUTES

WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO 35, ILLINOIS

Did you read, recently, about the man, named Zimmerman, who spent nearly twenty-five years in prison for a murder which, it is now clear, he never committed? The mistake was discovered two years ago, and he was released, of course, but only after spending almost a quarter century in prison as an innocent man!

This was a grim mistake, but even at that, it must be wonderful in such a case, to be free — and to have people actually sympathize with you! Yet, after two years of liberty, Zimmerman says he still feels a bit numb. Waking up mornings he still imagines he hears the harsh sound of the prison bell, and looking about he still thinks he sees bars on the windows.

Things could be worse though: Suppose he were guilty of the crime, merely pardoned and released. Then every one would be saying: "There goes that mur-

derer. They pardoned him. Don't get to friendly with him." The stigma would always remain — as long as he lived.

Let us thank God that believers in Christ are not merely pardoned. Rom. 3:24 declares that we are "justified freely by God's grace, through the redemption that is in Christ Jesus."

Christ died for our sins and satisfied the just claims of the law, and more; through the Holy Spirit He revolutionizes our lives and makes new creations out of us, for "If any man be in Christ," says II Cor. 5:17, "he is a new creation."

"For by grace are ye saved, through faith, and that not of yourselves; it is the gift of God: not of works lest any man should boast. For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them" (Eph. 2:8-10).

Rally Day set

Next Sunday will be Rally Day in Dominion-Douglas with the commencement of all departments of Sunday School.

Dr. Smith will preach on "Christian Nurture". At 7:30 p.m. a Home-Coming Church Family Worship will be followed by social hour. Mrs. Davidson will report on the General Council.

Presentation of special awards will be made by Mrs. McMaster and the Valedictory address will be made by 19-year old John Farrell. This year a new award will be presented to a student for recognition of demonstrated progress and ability by the Life Governor's, Mr. McMaster, will present the Life Governor's first award. A special reception for graduates, family and friends follows the exercises.

justice and righteousness . . . said the Chaplain.

Before the presentation, The Governor-General inspected the regiment, riding in a special reviewing vehicle with Lt. Col. D. Ward, the commanding officer of the regiment. With the red-coated RMR playing Auld Lang Syne, the old colors were marched off past the reviewing stand in slow time.

New colors, carrying battle honors ranging from Ypres, 1915-17 to Calais and Northwest Europe, 1944-45 were inspected by the Governor-General and placed on an altar of piled drums.

RMR cadets from Lower Canada College and Macdonald High School lined the field as Keepers of the Grounds.

The Governor-General, accompanied by his wife, was greeted on his arrival by Mayor C. H. Drury, Hon. Col. Brigadier G. V. Whitehead and Lieut. Col. J. A. Calder.

To do justice to the event—Color ceremonies, anniversary celebrations and reunion — in story and picture, The Examiner will issue a special supplement next week depicting every phase of the week-end activities and displaying some of the scenes that took place, recorded in full detail.

From the annals of the regiment in two world wars, data has been extracted to provide a full and complete coverage.

Christian Science

Public lecture planned Monday

How mistakes and failures can be replaced with wisdom and success through the understanding of God as the source of all right ideas, will be discussed in a Christian Science lecture to be given next Monday evening in the auditorium of the Christian Science church on McGregor avenue at Cote des Neiges road in Montreal. The lecturer will be Sylvia N. Poling, CSB, of Phoenix, Arizona, a member of the world-wide Christian Science Board of Lectureship.

The title of Miss Poling's lecture, which will be open to the public without charge or collection, will be "Are You Thinking?"

Has mankind discovered anything of a really permanent nature, other than the laws which govern the universe? This question will be explored at the services in Christian Science churches this Sunday, in the reading of the Bible Lesson on the subject "Reality".

Park Church opens new Webster Hall

Open House was held last Wednesday at Westmount Park Church, corner of Lansdowne and Western, when the official opening of Webster Hall took place.

Church parlour furnishings were a gift from Miss May Bartram, and the interior decorating effect was achieved by Mrs. D. Crossen.

The memorial window in memory of the late Very Rev. T. W. Jones, DD, was dedicated by Dr. Norman Rawson, chairman of the Montreal Presbytery.

Merton Crawford, vice-chairman of the Building Committee, expressed appreciation for the attractive furnishings donated, and made a presentation to Mrs. A. J. Wishart, who accepted on behalf of the Committee on Furnishings.

The new Christian Education Director, Mrs. David Belman, B.Sc., MA, was welcomed by the Minister, Rev. Callum Thompson, CD, BA, BD, Rev. Charles Cochrane, BA, BD, greeted those

Unity Club membership is growing

By MAURICE MARIASINE

Over two hundred boys and girls have already registered for activities at the Unity Boys' Club — registration for the 1964-65 program season began September 1, and will continue indefinitely. It is expected that another 1,000 members will have joined the Club by the end of the year and will participate in a variety of program designed to suit the inclination of any boys or girl from six years of age to sixteen.

ST. JOHN AMBULANCE BRIGADE

Mrs. Josephine Thornhill has resumed her Brigade activities at the Club and courses have already begun in First Aid and Home Nursing. The class is conducted every Saturday afternoon — the average weekly attendance is twenty-four.

GYMNASTIC CLASSES

Senior Club member Douglas Fisher has organized three gymnastic classes at the Club. This year, the Club is sponsoring two boys teams, one Junior and one Senior and one Girls' team in the junior age group. Brian Vaux is assisting Mr. Fisher.

LARKS MEET

The Larks Group Club is the first of Unity's Group Clubs to get started this season. The group met last Monday night with their Advisor Charles Howes.

STUDENT FIELD WORK

Four Sir George Williams University Students under the banner of Boys' Clubs of Canada have been assigned to the Unity Boys' Club for Field Work purposes. They are: Allan Bechard, second year student and in his second year at Unity; Allan Bechard has been appointed Sports Supervisor of the Club. William Bain of the Hamilton East Boys' Club in Hamilton, Ontario, first year student; Marilyn Tuck of Niagara Falls, Ontario, third year student, first year at Unity and Peter Dawson, second year student and second year at Unity.

ADVANCE NOTICE

The Ladies Auxiliary are planning another Card Party in the not too distant future. The date has not as yet been set, however, it is slated for a Monday in October.

The Ladies Auxiliary have rendered much valuable service to the Club and to the Club members.

BROOM BALL

Allan Bechard is introducing Broom Ball to the Club. He is planning a four team house league in the junior and intermediate age category. Allan is not only looking for players but he is also looking for some old brooms.

The League will have its beginning in October.

BASKETBALL

Also in the same category, the Club is planning a Basketball House League and registration for that League is now taking place.

BANQUETS

The Annual Father and Son and Mother and Daughter Banquets are also being planned. The dates have been set, the former will be held on Tuesday, December 1, and the latter on Wednesday, December 2.

RED FEATHER CAMPAIGN

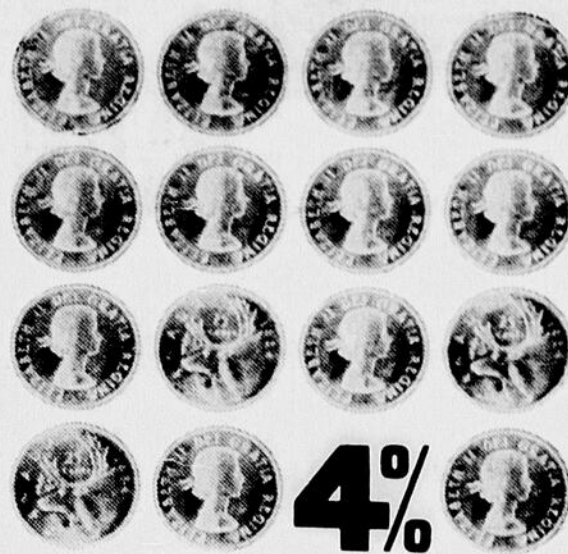

The Unity Boys' Club is supported by funds from the Red Feather United Services. This is a crisis year for Red Feather. If the objective of \$2,475,000 is not reached this year, some Unity service may have to be curtailed. Don't let this happen.

Arts Dean named at Loyola

The appointment of Rev. Gerald MacGuigan, SJ, chairman of the department of English at Loyola to the position of Associate Dean of Arts has been announced by Very Rev. P. G. Malone, SJ, president of Loyola. Father MacGuigan attended St. Dunstan's in Charlottetown; he entered the Society of Jesus in 1929 and received his B.A. degree (Montreal) 1936 and his MA in English (Toronto) in 1939. He was ordained to the priesthood in 1943 and received his Licentiate in Sacred Theology (STL) from Immaculate Conception, Montreal.

Father MacGuigan taught at Regopolis College, Kingston prior to joining the staff of Loyola as Lecturer in 1944. He succeeds Rev. William F. Ryan, SJ, who was recently appointed to conduct economic and social research for the Canadian Catholic Conference of bishops in Ottawa.

Falls from ladders are mostly incurred by men when they are working on the outside of the house; women have more accidents when they are engaged in housework, reaching heights by using ladder substitutes. Almost all the troubles can be blamed on reaching for high spots off to one side from insecure ladders or to ladders in need of repair.

The individual and democracy

People Have Power, by Dorothy Henderson — Harvest House, Ltd., 269 pages, paper \$2.50, cloth \$5.00

This book, the third from the pen of Dorothy Henderson, is a book on human relations, designed to interest not only the general reader who enjoys the solitude of his own thinking, but also family, school and community groups who wish to use chapters of their choice as stimulants to further study and discussion.

The author quotes such great people as John Buchan, Tennyson, Franklin D. Roosevelt, Abe Lincoln and many others. Also references to periodicals and newspaper items of interest on democracy.

Many books have been written on democracy but this book tends to wake one up to the power one has as an individual in this world.

Married to Douglas Campbell Henderson, the author lives on a farm in Ontario, and has written this book with authority, gleaned information from world travel and her forty years experience with voluntary groups.

David Smith, who collaborated with Dorothy Henderson, in the writing of "People Have Power," is a unique Canadian "social engineer." His creative bent took him from Regina College, where he taught English and history, to direct the pioneer Adult Education Division of the Saskatchewan Department of Education. From 1953 to 1958, he worked with the people of Thailand as a UNESCO technical assistant officer. His contribution permits this book to be adapted easily to group study and discussion.

curling
meet setA new national Canadian
curling championship for senior
players 55 years of age and over
was announced recently in a
joint statement by F. A. Skin-
ner, President of the Dominion
Curling Association and Charles
R. Bronfman, of Westmount,
President of The House of
Seagram.To be known as "The National
Seniors Curling Championship
for the Seagram Stone", the
new competition will be open to
players who are 55 years of
age or over by January 1 of
each competition year. Rinks
from each province, with two
from Ontario, will compete in
the national final.Competition will be for The
Seagram Stone, a suitably
mounted silvered replica of a
curling stone, reported to be
the first national bilingual
trophy in the history of Cana-
dian curling.Mr. Skinner, of Edmonton,
said he was pleased to tell the
Canadian curling fraternity that
the House of Seagram has
agreed to sponsorship of the
new event which he anticipated
would become one of the most
popular tournaments in the
sport."This move by the House of
Seagram now provides national
competition in all age groups
and will serve particularly to
sustain the competitive interest
of the senior curlers," said
Skinner. "I am particularly im-
pressed with the interest and
co-operation shown by the spon-
sor."Under the terms of the agree-
ment, the Dominion Curling As-
sociation will handle all tourna-
ment arrangements for the na-
tional competition, while the
member associations in the
provinces will handle provin-
cial playdowns.Mr. Bronfman said his com-
pany was pleased to have asso-
ciated itself with the Dominion

Musical

Sharps, Flats & Naturals

By FRANCES GOLTMAN

BASIC RULES FOR PRACTICE

The most important phase
of any activity is forming good
working habits from the start.
In music, the parents may
select the best instructor they
can find, buy the best instru-ment, have an intelligent child,
but if the youngster does not
practise correctly or regularly,
how can one expect good re-
sults or progress?How many teachers tell the
pupils HOW to practise? How
many TIMES to do each part
of the assignment? How MUCH
time to spend each day? At
WHAT hour to do their prac-
tising?Curling Association in making
the competition possible."The growing popularity of
curling across Canada, and the
desire of the DCA to preserve
the competitive interests of the
senior curlers were sufficient
reason in our judgment to un-
dertake support of this event,"
Mr. Bronfman said."I am also happy to announce
that Sam Rothschild of Sud-
bury, upon retirement after
serving this company for 37
years, and a past president and
life member of the Dominion
Curling Association, has agreed
to act as co-ordinator and na-
tional liaison officer for this
national seniors competition,"
he concluded.A former member of the
Montreal Maroons hockey team,
Sam Rothschild is well known to
the curling fraternity across
Canada.with the same amount of prac-
tice.Parents invariably ask (be-
fore the child has had a les-
son) "How much should he
practise?" This immediately
shows they are interested but
a good instructor would tell
the child what he should do.
Before a pupil starts his first
day at school, parents do not
ask "How much homework
should he do?"Again I repeat, it is the par-
ent's duty to see that the
assignment given, whether
school work or music lessons,
is done correctly and at the
same hour (approximate) every
day. When this schedule
has been set, it should be kept.Progress shows more as the
amount of practise increases.
There is a very important fac-
tor to be remembered — it is
not the amount that is of the
utmost importance — it is the
quality. Forty minutes of good
concentration is worth more
than an hour's careless prac-
tise. For younger pupils it is
better to practise in smaller
portions than doing the whole
lesson at one period.And always impress on a
student that when a mistake
is practised for a whole week,
it has become a habit and is
twice as hard then to "un-
learn" the wrong notes.NEXT WEEK: STIMULA-
TION.SAYING OF THE WEEK:

low him will certainly be be-
low his place. J. F. SAVILLE

Yoga courses held at YMCA

Registration is now open at the Westmount YMCA for Yoga courses under the direction of Mrs. Diane Bachley. Classes - held in the evening for mixed groups aged 16-25 - start Monday, September 28 at 8 p.m. The courses consist of 60 minute Yoga exercises, a 40 minutes lecture, and 20 minutes relaxa-

tion and concentration exercises. The teacher Mrs. Diane Bachley, a University graduate was initiated in the science of Yoga at an early age when she lived in the Far East with her Dutch Colonel father. She believes in "scientific reasoning" at every stage and for every step her pupils do, instead of following the ritualistic exercises automatically, and has adapted her program to the Western way of life. The program, she says, excludes Eastern rites and cults.

For readers unacquainted with Yoga, Mrs. Bachley explains: "The aim of Yoga is not merely the superficial development of muscles, but the normalisation of the functions of the entire organism. This is achieved by placing the body in various positions while simultaneously relaxing, deep breathing and practising concentration. Age, vocation, occupation make no difference."

Lafontaine golf meet

An effortless 71 strokes over the St. Hyacinthe golf course, Saturday, won for Jean Lafontaine, of Islemere, class A honours and top position among the 126 Quebec golf club title holders competing in the 1964 O'Keefe "Champion of Champions" golf tournament.

The class B title went to Walter Golfman, of Hillsdale, with 81. Guy Cliche, of East Angus topped the class C players with 87.

The 126 starters in the 18 hole medal play tournament set a new record for the traditional closing event of the O'Keefe amateur golf circuit, representing close to double the participation in the 1963 "Champion of Champions" tournament at Beloeil.

Competitors in Saturday's invitational tournament were all champions, in their class, of individual clubs within the limits of the 12 zones of Quebec's largest sponsored amateur golf circuit.

Hunt Races set Sunday

On Sunday September 27, The Lake of Two Mountains Hunt will hold their 10th Annual Hunt Races at St. Lazare.

Again this year, proceeds from the event will be in aid of the Montreal Association for Retarded Children. Commencing at 1:30 p.m., the afternoon's events feature a 9 race program including steeplechases of various distances and two flat races with professional jockeys brought in from leading Canadian tracks.

Those wishing to attend the event should take the Montreal-Ottawa Highway 17 as far as the Cote St. Charles crossroads at Hudson Heights, then turn south and follow the signs to the Hunt Races location.

The Patrons for the Hunt Races are: The Hon. Paul Gerin-Lajoie, Minister of Youth; Louis Levesque, President of Blue Bonnets Raceway; Sydney J. Langill,

Lighter Lexington

Lexington avenue residents are bound to find things somewhat brighter soon. City Council recently approved a commitment of \$815 to install an additional street light at the northern end of the street.

City Badminton Club registration is open

The City of Westmount Recreation Department Badminton Club will commence activities on Wednesday, October 7, at Westmount Park School.

Registration is open to adult residents. Anyone interested is asked to call the Recreation Department at WE. 5-8531 Local 68.

The Club will operate every Wednesday from 7.00 p.m. to 10.00 p.m. through April 1965.

All players must supply their own racket and birds.

Standard equipment: a bank loan

It has become almost standard practice today for people to go to their bank to finance the purchase of cars and other family items. You, too, may have found it a good idea to borrow where you save — at your local bank. It is often simpler, because the bank already knows you as a savings customer. And it also may save you money because bank loans are low-cost loans. For borrowing and saving, and for any other bank service you may need, just visit your local chartered bank. It's the one place where you can get *all* your banking done, under one roof.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Through 5,650 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.
