C.C.C. Supper Dance Opens New Drive To Complete Objective

Above are some of the patrons of the Buffet Supper Dance sponsored by the County Civic Centre on Saturday evening at the Chateau to open the new drive for funds for the swimming pool. Seated at the table during the supper period are Mr. and Mrs. Tetrault, Father Gareau and Mr. and Mrs. Talbot. All in attendance reported an enjoyable evening.

The Buffet Supper Dance which opened the new campaign for funds for the Huntingdon County Centennial project was not as well attended as hoped for. A very nice evening was enjoyed to the music of the Albuway Trio and an excellent buffet supper was provided by the Chateau. Groups had reserved tables for the supper and these enjoyed the supper together at the appropriate hour.

The county was well represented by a cross section of people from various parts. Mrs. Ann Cameron and her committee did everything possible to make the evening pleasant and enjoyable for everyone. The music was enjoyed. During the evening a halt was called while Mrs. Ann Cameron informed those present the purpose of the occasion and gave some information of the progress that had been made toward getting the swimming pool underway. She addressed the gathering in both English and French and appreciation of this information was given by various people attending.

This dance was therefore the send-off for the new campaign and in due course canvassers will be calling on people throughout the county for contributions and pledges to put the objective over the top this summer. The pool has been ordered and part of it has been paid for. Work is expected to start in April or as early thereafter as weather conditions will permit. It is expected the installation process will take about one month to six weeks and that the pool may be in operation soon after the schools close for the summer vacation. No doubt some form of official opening will be held but this has yet to be decided upon. At that time there will no doubt be a special program of swimming events for the public to watch to give some idea of the useulness of the pool. No doubt from time to time special water displays will be held for public viewing and to show the advance made by those who will be taking swimming instruction. It is the hope that the pool will be one of the busiest spots in Huntingdon all summer and used by both children and adults. The island too will provide a place where picnics can be held and other sports indulged in. The whole should become a centre of attraction and a place to go for old and young alike.

In order to make this come true, the help of everyone is needed and those who have not already contributed to the fund are asked to do so during this renewed campaign. This campaign will be much more thorough than the previous one because the objective is in sight and it only needs a little more effort to push it over the top. There have been many comments on the artist's sketch of what the County Civic Centre has in mind and more people are able to see a better picture of what is in the offing. Other much smaller centres than Huntingdon have pools in operation and successfully so, thus there is no reason why we here cannot do as well. All it wants is a shoulder to wheel to push the objective over the top. That one last heave is the one most likely to do it.

Industrial Development To Be Studied For Huntingdon

The regular monthly meeting of the Town Council was held on Monday, March 5th at the usual time and place, with Mayor Cappiello presiding and all aldermen present.

It was stated that at the adjourned meeting held on February 12, the financial report presented by the auditors was approved and that the firm Quesnel & Masse will be the auditors for the present year.

Mr. Elie Roger Leduc addressed the Council to ask for a permit to transform his property into a two tenement house. This was granted providing Mr. Leduc follows the regulations of the building by-law.

The monthly bills were read and approved.

Correspondence

In reply to a request from the Chateauguay Valley Music Festival, it was moved by Mr. McGerrigle, seconded by Mr. Murphy that the amount of $50. be granted.

The Huntingdon County War Memorial Arena will also receive a grant of $250. following a resolution moved by Mr. McGerrigle, seconded by Mr. Legault.

A letter was also received from an industrial commissioner, offering his services to discuss and study the possibilities of our town in the industrial development field. The Council will invite this gentleman to a special meeting in order to see what can be done on the matter.

The next meeting will be held on April 1st.

Young Farmers' Club Being Organized For Huntingdon

A club known as the Huntingdon Young Farmers' Club has now been formed and takes the place of the former 4-H Club. Anyone over the age of 12 years can become a member and those who would like to join should contact one of the following: Sheryl Ann Murphy, Secretary, telephone No. 264-5864, or Gloria Arthur, Treasurer, telephone No. 264-3974.

The club is for both boys and girls and the first meeting will be held some time toward the end of March, the date will be announced later. It is intended to hold interesting studies and competitions and in order to compete in these events, boys and girls should apply as soon as possible before the end of this month. The Club is for the development of local youth.

Boys and girls between the ages of 10 and 11 years may attend the meetings ,but are not allowed to take part in the actual competitions, or join the Club until they have reached the age of 12 years.

This Club should prove of great benefit to the boys and girls of the area and it is hoped that many of them will get in touch with persons named here and signify their intention of joining. With a good membership the Club can really go places and become of interest to all who join. Watch for further reports on this Club.

HUNTINGDON ACADEMY EDUCATIONAL WORKSHOP

The Directing Committee of the Educational Worshop held their second meeting on February 29th., with the chairman, Mr. A. M. Brockman, presiding. Two of the teacher members were unable to be present.

There was further discussion at this meeting of recommendations to be brought up at the next meeting of the General Assembly of parents, the main one being to have the Home and School Association reactivated, and, if at all possible, a new slate of officers formed. Surely the parents of our elementary students have enough interest in our school to do something about this.

A copy of a resume of the school staff meetings held last year, regarding the implementation of Regulation One in Huntingdon Academy, was handed out. This was read and discussed at some length. The change this year of the class groupings was noted and it was the general feeling of the Directing Committee that it was working out to the advantage of the students. Everyone was interested to hear one of the teacher members describe the method of letting children choose their own reading material from the library, rather than follow the usual type of textbook.

It was decided that a meeting of the General Assembly of Parents should be called in May, the date to be announced. The Educational Workshop Directing Committee will meet again on March 21st.

Evening Of Entertainment At Regional School Ormstown

Through the efforts of Mr. and Mrs. Bill Howieson, another fine evening of entertainment is in store for residents of the Chateauguay Valley.

The members of St. Paul's Operatic Society of Lachine, having already presented their season's performances of H.M.S. Pinafore, have graciously agreed to come to the Regional School and perform this operetta again, this time in aid of the Ladies Auxiliary of the Huntingdon County Hospital. The performance will take place on Saturday evening, March 30th., at 8:30 p.m., and will be enjoyed by all who will come to see it. This fact can be attested to by the many people from the area who attended the performance in Lachine last month.

One of the leading roles in this operetta will be sung by Bill Howieson, who is becoming well known in this area, and the production will be directed by Mr. and Mrs. Harry Norris, who for many years have directed productions of Gilbert and Sullivan for all the leading Montreal Operatic groups.

Tickets are now on sale, and can be obtained from any member of the Ladies Auxiliary, or by phoning 264-2153, or 264-5064.

ECUMENICAL ACTIVITIES IN ORMSTOWN AREA

There is a very active group in Ormstown which concerns itself with ecumenical matters, and which has arranged for a number of activities which have piqued the interest of many folk in that town and well beyond. In fact, it is perhaps accurate to say that this group — which calls itself 'Ecumenica' — has been the engenderer of an interest in matters ecumenical in other areas of the Valley.

Under the chairmanship of Mr. Bruno Beaulieu, our congenial Mayor and man-about-town, a memorable Ecumenical service was held in the glitteringly fresh surroundings of the Chateauguay Valley Regional High School. Thanks to this man's efforts and the co-operation of the rest of the group, a series of lectures will be given in the near future — lectures designed to remove ever more irrevocably the barriers of prejudice which have often very effectively set one branch of Christendom off from another.

Members of 'Ecumenica' are Mr. and Mrs. Douglas Sproule and Mr. and Mrs. James Winter representing St. Paul's United Church, Mr. and Mrs. Alan M. Hooker and Mr. and Mrs. Merrill Tannahill acting for Ormstown Presbyterian Church, Mr. and Mrs. Bruno Beaulieu and Mr. and Mrs. Albert Chabot from St. Malachi's Roman Catholic Church, and Mr. and Mrs. John Sancton and Mr. Leigh Coffin who speak for St. James' Anglican Church. Mr. Coffin is the Secretary for the group.

Early in the new year it was decided to hold a service at the Regional Scrool. Amongst the factors which led to this decision were the facts that the service would be held on neutral territory, and that it seemed appropriate for the members of all the churches to meet together in the building which itself stands for unity in that the various communities of the area are more closely bound together by its presence, and are called upon to share in so many ways in its operation and development.

It turned out that a first-rate speaker was obtained for the occasion when Father Duplessis, a man well steeped in both Anglican and Roman Catholic theology, and vitally concerned with the need for tolerance, understanding and unity within the Christian Church, was procured. His fine scholarly address, delivered in both languages, impressed very profoundly those who heard him. Many have been the favourable comments about this address; it is correct to say that people went from the service carrying with them thoughts to ponder on a very important subject.

It was a refreshing experience to gather together afterwards for coffee, and converse with people of different religious and language backgrounds. Not for a long time had one had such a grand opportunity to switch from one language to another, in medias res, so to speak. And this is good too — for so often people shy away from trying to convey his thoughts in any language but his own.

In February, Ecumenica has again met to plan more ecumenical activities. This time their aim was to organize, with the assistance and co-operation of the Ecumenical Center in Montreal, a series of lectures on topics relative to ecumenism. A programme has been set up, and plans are going forward for this important activity which begins on March 11, and to which all people in the area are invited. A detailed account of the program follows this article, and copies will have been distributed at Church on Sunday. Further information will be obtained from any of the members of Ecumenica, and registrations may be sent to any of the four registrars whose names appear below.

A Lecture Series on ECUMENISM sponsored by 'Ecumenica'

A series of lectures will be given at Ecole Jean XXIII, Cross Street, Ormstown, Quebec. The speakers for this course in ecumenism will be prominent church leaders who have a vital interest in the growth of unity among the various branches of Christendom.

The general public is invited to attend this series of talks. Each topic will be dealt with by two speakers, one addressing the English - language group, while the other speaks to the French-language section.

The lectures will be given on three successive Monday evenings — March 11, 18 and 25 — from 8 — 10 p.m. Both groups will be able to meet together afterwards and discuss the evening's topic over a cup of coffee.

Those who wish to register for this exciting look at one of the most important developments in the Christian Church

HOWICK SCHOOL WINTER CARNIVAL A SUCCESS

Quite a number of parents, grandparents and younger brothers and sisters (one 5 mos. old) joined in the fun at the Winter Carnival held at Howick Elementary School on Thursday, February 29th. It was a mild day, good watching weather, but poor for skating. However everything went off as scheduled except the boys' hockey game all under the direction of Principal William White and staff. Hot chocolate and cookies were served in the cafeteria when the prizes were awarded. Two exciting broomball games were played later and won by the staff and the Old Timers.

Earlier in the week great interest had been shown by the students in the making of ice sculptures. Grade V won with their Porky Pig. A bathroom scene was so realistic, I posed in the bathtub, fur coat and all, for a snapshot. This was a Grade 7 boys effort.

This happy event made a real break in the regular curriculum and the students will no doubt feel refreshed and ready to cope with more book work.

SUCCESSFUL MILITARY WHIST

A very successful Military Whist, sponsored by the Ladies Auxiliary of the Royal Canadian Legion, Branch No. 81, was held in the Legion Hall on Thursday evening, February 29th., with 30 tables of players participating. First prize table for the evening was captained by Mr. James Willock and Mrs. Willock, Mrs. Norah O'Hare and Mrs. Mary Elder. Second prize went to captain Mr. Robert Chambers, Mrs. Henderson, Mrs. O. Taylor and Mrs. Robert Chambers. The door prize was won by Mrs. Norah O'Hare.

The first drawing was actually won by Mrs. Madge Smellie, who drew her own ticket and therefore chose to turn the ticket back in. She pulled a second ticket and the prize was won by Mr. Nicol Stark. The second drawing was won by Mrs. Robitaille and the third by Mrs. Delbert Goodfellow.

Donations were gratefully received for this party from the I.G.A., Mrs. Mollie Oldfield and groceries donated by Auxiliary members. Mrs. Frank Napier, convener for Ways and Means of the Auxiliary expresses a very hearty thanks to all those who donated, those who attended this Whist, and to everyone who helped make this evening of cards such a success.

A Second Brief Prepared By L'Union des Municipalités

At the close of a meeting of the executive committee of l'Union des Municipalités of the Province of Quebec held on February 22nd 1968, Mr. Maurice Tessier, president of the group, said he was very happy at the way the brief on municipal functions had been received by the provincial authorities as well as by the information media. The president is certain that a meeting of the provincial authorities and representatives of U.M.Q. will take place in the near future.

The members of the executive committee, at their meeting held at the secretariate, prepared the main items of a second "brief" which will be presented in the near future to the Quebec government and which is a follow-up of the cruise-congress of September 1967. All the resolutions of that congress pertaining to municipal functions had been regrouped in view of the preparation of the first "brief"; however, as Mr. Tessier declared, a considerable number of the adopted resolutions concern other municipal problems and their solution will require the intervention of many Quebec Departments such as: Municipal Affairs, Trade and Industry, Family and Welfare, Justice, Revenue, Natural Resources, Health, Transport and Communications and Labor.

Municipal elections, water pollution, normalization of economic zones and sectors, exemption of income tax on municipal obligations, uniformity of electricity rates, upkeep of regional offices of Health Units, right to strike, civil protection, will be the subject of specific recommendations in this second "brief" which the U.M.C. directors are preparing for presentation to the government.

U.M.Q. furthermore asks to be consulted before the adoption, by provincial authorities of a law which would govern the activities of municipal police forces. This proves more and more its vitality and will to occupy the place it is entitled to each time that a problem arises which is of interest to all Quebec municipalities.

Franklin Elementary News

Grade two is having a Stamp Collection contest. They have already collected close to 4,000 stamps and they're still bringing them in.

Most of the students of Franklin Elementary School participated in the events held on Tuesday, February 27th., in the morning and afternoon. There were four teams, the Red Rebels, Green Hornets, Blue Birds, and Black Angels. Obstacle and relay races were held in the afternoon, and every team had a senior and junior relay team for both boys and girls. In the forenoon, forward and backward races were skated. The teams' standings are as follows: Fourth place Red Rebels with 190 points, third place Green Hornets with 197 points, second place Blue Birds with 201 points and first place Black Angels with 213 points. There were only 23 points difference between first and last, so all teams did very well.

Grade seven has been busy editing a newspaper — "The Franklin Flyer." Contents of the paper include an editorial, current events, sports, fashions, humour and many other items. Buy your copy of the Franklin Flyer for only five cents!

On February 21st., fourteen boys from Franklin Elementary School went to Ormstown Arena to play in a hockey tournament. Out of five, twenty-minute games played by our team, one was won and two were tied. The goal scorers were Donnie Baxter with four Ivan Robertson with two and Steven MacCuaig with one. Everyone had a wonderful time including the coaches. We wish to thank the parents, who watched the games and provided transportation to and from the rink.

GRAND INTERNATIONAL SNOWMOBILE MEET HELD IN HEMMINGFORD

The grounds and Club House of the Hemmingford Golf and Sport Club were packed to capacity on Sunday afternoon, February 25th. for the International Snowmobile race. Wide swaths had been bulldozed through the snow for a distance of about 1800 feet, about half way round the well-laid out track and the double line of cars closely parked the whole distance along was well-protected by a thick bank of snow. It was estimated there were about 2,000 people present for this exciting afternoon of races. Security was good, there were 27 ski-doos constantly patroling and there were no accidents among the spectators. One or two of the racing ski-doos tipped but there were no serious injuries. The course for this meet was longer than the previous one, it was 3,112 feet and there were a number of big machines taking part. This meet was one of the largest held in the Province and the satisfied officials agreed it was a bigger success than they had anticipated. A very efficient P.A. system was installed by Molson's and Jacques Viau presented a number of Trophies. Other Trophies were presented by Fortin Express and Gagnon Snowmobiles, Napierville. The grand total of prize monies presented was $1,000. Officiating at the meet were Leonard Priest, Referee, Gaetan Fortin, Starter, Ron. Lee Assistant Starter, G. Morey, Timer, E. Keddy and P. Farrell, Checkers.

The results of the races were as follows:

Stock Class. A. — 1st. J.P. Fortin, Hemmingford. 2nd. Bill Challis, Mooers.

Stock Class. B. — 1st. R. Frechette, Plattsburgh; Gilles Lanoue, Notre-Dame de Stanbridge; 3rd. F. King, Ellenburgh Depot.

Stock Class. C. — 1st Lemay; 2nd. G. Drown, Ellenburgh; 3rd. F. Lagoy, Cadyville; 4th. G. Blow, Chazy.

Modified 10 lap Feature — (the biggest and hardest fought race of the day), 1st. G. Desormeau, St. Eustache; 2nd. D. Koralaski, Randolph; 3rd. L. Lamoureux, Iberville; 4th. B. Lamoureux, Iberville; 5th. ? N.Y.

Open Race, any machine — 1st. L. Lamoureux, Iberville; 2nd. D. Nephew, Mooers. (It is regretted that some of the names on the entrance cards were too indistinct to read and therefore cannot be printed. Any errors in the spelling of names are also regretted.)

The trophies awarded by Fortin Express and Gagnon Snowmobiles were presented personally by the donors. Jacques Viau presented the Molson trophies Mr. J.-P. Galipeau presented the purses in the Club House.

Another Snowmobile Day was held at the Club this past Sunday, for members only this time. A feature of this event was a Treasure Hunt with two persons to each machine. It is understood an enjoyable time was had by all.

Hemmingford Sport and Country Club.

A meeting of the Board of Directors was held recently. Mr. Norman Fortin was re-elected President, Mr. Edwin Keddy, V-President, Directors are W. Smith, R. Bourgon, J. Y. Provost, R. Gibeau, C. Priest, A. Germain and Dr. Ferdais. Substitute Directors, G. Hill and U. Lauzon. General Golf Chairman and Club Captain, Edwin Keddy. Nomination Committee 1968. A. Germain, G. Nickols, R. Menard, J. Laurie, Real Fortin. Social R. Gibeau. Publicity, C. Priest. House, W.B. Smith. Grounds, J.Y. Provost. Official Opening Committee, R. Gibeau, C. Priest, U. Lauzon, G. Hill, P.S. Farrell. Committee Chairmen appointed by the General Golf Chairman are: Tournament Commitee P.S. Farrell, Handicap, G.H. Smith, Junior L. Keddy, Trophy, A. Germain, Rules J. Fritz and Twilight League J. Laurie.

The addition to the kitchen is progressing rapidly and the staff hope to set up operations in there very soon. The addition to the Club House is also progressing well. In a brief speech the President announced the 18 holes will be ready and an official opening will be held early in June, the exact date to be announced later. There are still a few vacancies for week-end tournaments.

THE FIDELITY OF JESUS AND OUR FAITH

The Year Of Faith

The Bishops of Canada have expressed their desire that the week of March 3rd to 10th should be consecrated in a special manner through the medium of the press, radio and television to a deeper and more profound study of our holy faith.

This week of reflection has been promulgated by His Holiness, Pope Paul the Sixth. On this solemn occasion the Pope has strongly suggested that we give more serious and conscientious consideration to this greatest of gifts... our faith.

Why, we may ask, is this year consecrated in so striking and in such a particular manner to faith? The world in which we live today and of which we are so much a part is questioning faith from all its aspects. At the close of the council it is but fitting, therefore, that we give more intensive and profound consideration to this great gift ...our faith.

Let us consider for a moment the fidelity of Jesus to His faith in His heavenly father. Today's liturgy invites us after the example of Christ to remain steadfast in our belief.

1. We recall that on the occasion of the exodus Christ permitted the crowd that followed him to suffer a little from hunger in order to test their faith and confidence in God. But they began to complain and doubt Jesus. So God sent them Manna from heaven, thereby showing them, that not by bread alone doth man live but by every word which cometh from the mouth of God.

2) When Moses led the chosen people through the desert they complained of thirst and instead of trusting in God's providence to supply them with water they obliged Moses to strike a rock from whence flowed water.

3) In taking possession of the promised land the Jewish people were tempted to adore the false Gods already established there. While they forgot Him who had brought them there.

CROWNED QUEEN OF K of C

Miss Michelle Decloitre was crowned on Saturday evening Queen of K. of C. of Huntingdon after winning a sales contest. The picture was taken as Lily I, former queen of the organization crowned her before almost 200 persons who attended the party held at the K. of C. hall. Congratulations to Michelle and the duchesses who also helped in the fund raising project, the profits of which will be used by the Knights in various ways.

This and That in Town

✔ **"4TH DEMENSION" — BRENDA BLAIR, Editor of Chateauguay Valley Regional High School Annual for '68, accompanied by six members of her staff visited The Gleaner early Thursday afternoon. The various committees have been working diligently and from what we have seen to date, the first CVR annual will be excellent, cover to cover. Present plans call for one hundred pages, mostly pictorial. A combination of letterpress and offset printing will be used. Miss Blair's committees include students from Huntingdon, Ormstown, Valleyfield, Howick and Hemmingford. "4th Dimension — CVR '68" goes into production this month.**

✔ IF YOU'RE A PAT OR MIKE or begorrah even if you're not, dont forget the card party and entertainment at Notre-Dame School in Ourtown on Thursday, March 14. (See advt.)

✔ **SONNY (Harold) COSGROVE, stationed at Tam Son Nhut air base near Saigon in Viet Nam writes that things there get pretty hectic at times, but that he is well. He has great praise for the Army and Air Force helicopter pilots, also the M.P.'s and A.P.'s. He expects to return home in September or October.**

✔ MR. FRED ANDERSON, vice-president of Cleyn & Tinker Ltd. returned on Sunday from a ten-day business trip to Germany, Switzerland, Northern Ireland and England. While in jolly old England he enjoyed a brief visit with his mother and brother Brian, both of whom are emigrating to Canada in a few months. The v-p reports spring is well advanced in the particular region of England he was visiting: some types of flowers are starting to bloom and the thrush (kissin' cousin of our robin) has returned.

✔ **SPEAKING OF ROBINS, have you valued readers caught sight of any yet? A lady who resides on Prince St. in Ourtown phoned Sunday a.m. to report she could hear one but just couldn't get her peepers on him. Florida friends will be pleased to learn we at home experienced a windy week-end (gusts to 25 m.p.h.) and the mercury was at zero Sunday morning. "Sunny but cold" for the next couple of days is the forecast. Word drifting back from the sunny playland is that it's been pretty chilly there too: the Ken Ferns and Bury McGerrigles report it was snowing when they went through Jacksonville last week (needless to say they kept right on south). Dr. and Mrs. J. W. Abraham, contacted in Florida, have promised first-hand news concerning their unscheduled, undesirable trip to Cuba when their plane was hijacked and we hope to have this for next week. Meanwhile, friends can rest assured Doc "Johnny" and Mrs. Abraham are well and we'd even hazard a guess that Dr. Abraham wouldn't have missed the trip for the world.**

✔ GUESTS OF ROTARIANS at Monday's luncheon meeting were Messrs. Terry Lalonde of Manpower and Lou Neville of Cleyn & Tinker Ltd. The former was a guest of Rotarian Cecil Brown and the latter of Richard Tinker. Rotarian Hector Provost provided the questions for the quiz and stumped his fellow-members, proceeds going to the club's coffers. Members voiced general approval in a number of ways with regard to the absence of Prez Mac Brockman's beard (hah hah) and Rotarian Fred Anderson drolly drawled "He must have found his Wilkinson Swords, now his chin matches his pate again."

✔ **MRS. ROSEMARY COSGROVE, Sonny's mother, leaves on Sunday to take up residence at Concord, California. Rosemary, after twenty years of service in the local area as a Customs Official, put in her final working day last Thursday. Quite to her surprise, co-workers of the Huntingdon Port gathered at the office just before it was time for her to leave and Mr. M. A. Sanschagrin presented her with a set of matched golf clubs as a going away gift. Rosemary will be joining her brother John Ouimet, owner/proprietor of the Concord Funeral Home and we won't be at all surprised to hear some day that Big Brother John is opening a flower shop with Rosemary as manager. Richard (Dicky), second son of Mrs. Cosgrove, is already settled in California. We all wish you the very best out in the west, Rosemary!**

✔ FLOP — The County Civic Centre dance Saturday evening at The Chateau was a flop with regard to attendance. Those who did attend report a very good time and the music à la Albuway Trio was at its usual best and the buffet supper was excellent, but as far as profit was concerned there just wasn't any. "Too many things going on" is the only answer. Too bad for those who are working so hard to raise funds. Downright disappointing. Some people who should have been there but just weren't are paying for tickets to help minimize the loss, which is a good idea. The swimming pool is a sure thing, we'll have it this year, but encouragement is needed. Too many people thought they wouldn't be missed in the crowd, but it didn't work out that way . . . too many people were conspicuous by their absence.

✔ **TRAGIC ACCIDENT — Mrs. Leon Keefe, 43, of nearby Fort Covington, N.Y. lost her life on Sunday, February 25th, following a skidoo-automobile accident near her home. Besides her husband, this popular woman, who is known to many on this side of the border, leaves three sons. Mrs. Keefe was pronounced dead on arrival at the Alice Hyde Hospital in Malone. To make the tragedy even more heartbreaking, the car involved in the accident was owned and driven by a close friend, Mr. Warren P. Gorrow.**

✔ BRUCE BARNES, 46, president of the Chateauguay, N.Y. Rotary Club when the Rotary Park there was started, died at his home at Merrill, N.Y., on February 23rd. Other Chateauguay Valley people knew him as the owner of the Bellmont Beach Club on Lower Chateauguay Lake.

✔ **MISS MICHELE DECLOITRE was crowned K. of C. Queen Saturday evening in Huntingdon and Mrs. Germaine Haineault, St. Anicet, won a beautiful bedroom set for holding the lucky ticket number 24468 while Fred McCaffrey of Huntingdon, with ticket number 2769, won a handsome liquor cabinet complete with bar accessories. Congratulations to all.**

✔ RABIES AT VALLEYFIELD: Recently near Camp Bosco in the Grand-Ile section of Valleyfield, a fox approached a house and engaged in a fight with the family dog. The owner phoned Dr. Dinel, veterinarian, explaining that the fox appeared to be wavering and unsteady on its feet. The doctor had the fox killed and the head sent for autopsy. The report from the laboratory was precise: distemper. Spread of this killer disease is made when a diseased animal bites another animal or even a human being, therefore residents of Valleyfield are warned to beware of animals, even household pets, if they act in a peculiar or unusual manner. The population is advised to have all household pets vaccinated by a veterinarian. Children especially, should be warned to keep away from strange animals.

✔ WM. R. (Bill) WILSON, district Customs Broker, recently came across a half-dozen pairs of eye glasses in his residence. Reluctant to throw them away because they might be of value to some people, he parcelled them up and forwarded them to The Salvation Army. Last Wednesday, Blil received the following letter from Lieutenant-Colonel N. B. Bell, officer-in-charge of the Public Relations Department of The Salvation Army.

Mr. Wm. R. Wilson,
Huntingdon, Quebec.

Dear Mr. Wilson:

Recently we received from you a parcel of spectacles, for which we thank you. As we have a project to provide glasses for the use of inmates of prisons, we have taken the liberty of using yours for this purpose, which we trust meets with your approval.

May we express our appreciation to you for the trouble you have taken in sending these to us.

Yours sincerely,
N. B. Bell.

This was followed by another letter yesterday (Tuesday) in which Lieut.-Col. Bell stated that The Salvation Army would be most grateful for any additional pairs of spectacles. Mr. Wilson conveyed the message to The Gleaner in the belief that many families in the Chateauguay Valley may have eye glasses tucked away that aren't doing anyone any good but which could serve a useful purpose. With this in mind, Mr. Wilson has generously offered to accept any and all eyglasses on behalf of The Salvation Army. He will forward them to Lieut.-Col. Bell at regular intervals, with or without donors' names. How about it folks, let's look around and send every pair of unused glasses we can get our hands on to Mr. Wm. R. Wilson, Customs Broker, Huntingdon.

✔ **OLD NOAH 'didn't have no unicorns' because the darn things dilly-dallied around too long and just plain missed the ark. Would you believe some of you readers are going to miss the boat too if you don't pull up your socks and get your tickets to the Gala Easter Ball sponsored by the Huntingdon Rotary Club on the eve of April 13? It's being held in the main dining room of The Chateau Huntingdon and music will be by the Albuway Trio. Tickets are limited. Enough said?**

✔ LAST NIGHT (Tuesday) an excellent turn-out of Progressive-Conservative supporters met for the purpose of electing a new executive for the Federal County of Beauharnois. Huntingdon was well represented. The meeting was held at Edgar Hebert School and special guests included Mr. Léopold Carrière, provincial president of the Association; Mr. Claude Dupras, vice-président; Mr. Georges Valade, M.P., Montreal Ste-Marie; Mrs. Gertrude Lessard, president of the ladies' section. The following were elected: president, Mr. Jean-Guy Philie, Notary, Valleyfield; six vice-presidents, Guy Boyer, Beauharnois; Mme Léa Angelac, Valleyfield; Jon Proudfoot, Huntingdon; Adrien Rhéaume, Valleyfield; Maurice Dorais, Valleyfield; Elzear Maheu, St. Stanislas de Kostka. Secretary is Mr. Paul Derepentigny, Beauharnois; Treasurer, Mrs. Jeannine Langevin, Valleyfield. Directors include Messrs. Earl Fournier and Emile Senecal of Huntingdon.

✔ **CHATEAUGAY, N.Y. — At an official meeting held on February 20 in the Town Board Rooms, Francis Ryan presented his resignation as Mayor of Chateaugay, effective April 1st. (Townsfolk regret it is no April Fool joke).**

The report of the Howick Aubrey Riverfield Branch was given by Mrs. Norman Simms. In addition to the financial report as stated in the Treasurer's report it was noted that there are four marathon card clubs in Howick now and the Brown Bonspiel will be held at a later date. A special thanks was given to Mrs. Marie Murry of Ste Martine for her time and effort given to the Hospital Membership campaign.

The Bursary committee report was given by Mrs. Fearn. Four bursaries were awarded in August 1967. One recipient has since withdrawn from her training school. One student is in her third year of training and will be joining the staff this Fall. There is one Bursary student now on staff and two applications have been received for the 1968 term.

For the refreshment committee, Mrs. D. McEwen reported the serving of refreshments at two of the general meetings, the third being taken care of by the Howick Aubrey Riverfield Branch. In addition, refreshments were served to 44 girls and 10 ladies on Hospital Day. At the Christmas bazar coffee and donuts were sold to the amount of $35.85. Our profits being $17.99. She gave thanks to all the members on the committee who had helped her during the past year.

Mrs. M. Barrington reported on the Ways and Means Committee. She thanked the many people who have assisted in the committee's fund raising activities, such as the Spring Fashion Show, Tag Day at the Ormstown Fair and the Fall Bazar, and mentioned that the advance sale of tickets for the Caledonian Games was progressing very favorably.

For the Publicity Committee Mrs. J. Harris reported that notices of the General meetings, the Hospital bazar and Hospital Day had been sent to the Gleaner and to the ministers of the Protestant Churches Mrs. J.P. Beaulieu sent notices to the Catholic Churches. A report on Hospital Day was written for the Gleaner in addition to the reports of all the General Meetings. Mrs. J. Whitehead reported on the Membership Committee. The annual membership drive started a month earlier this year and resulted in 719 members, $30.05 in donations for a total of $749.05. Over fifty canvassers covered the area with Dewittville having 44 members, Franklin and Covey Hill 118, Havelock 13, St. Antoine Abbé 31, Hemmingford 4, Valleyfield 40 and Nitro 32. The rest were in the Ormstown area. She thanked her committee and all the canvassers for their hard work.

The reports of the committees being concluded, Mrs. Fearn was asked if she had any suggestions for the use of the auxiliary money. She mentioned that a cardiac monitor was needed and would be greatly appreciated. Mrs. Norman Simms took the floor and proposed that the Howick Aubrey Riverfield Branch would like to use their money to purchase the cardiac monitor. Mrs. Fearn expressed her thanks and was then asked if she had any further suggestions. She mentioned a few other things namely an adding machine and two chairs for the office, a recovery room stretcher and an attachment for the Kidd Tourniquet for the operating room. It was moved and seconded that this equipment would be purchased by the auxiliary.

Mrs. Fearn then asked the members if the $500.00 in the Bursary Fund for postgraduate courses could also be used for postgraduate administrative courses and this was agreed upon.

Mrs. Eugene Sauve then took the floor and warmly thanked everyone for the cooperation she had received over the past two years. She said that although she was stepping down from the Presidency she would continue to give her time and effort to the Auxiliary.

The chair was then declared vacant. Mrs. C. Moore read the slate of officers for 1968, prepared by the nominating committee.

Ormstown Legion Branch 196

The Legion in Ormstown is revamping, not only its hall, but its procedure in the entertainment field. It has long been the opinion of the members that someone must think of new ways to get more members interested and to get the Legion back to its rightful status in the town.

Many meetings, both official and off the cuff have resulted in new ideas and plans for the future.

Last Saturday evening a party, celebrating the opening of the new extension, was enjoyed by a good crowd. On Saturday, March 16th, a St. Patrick's Supper will be served to a limited number of people. It would be wise for anyone interested to get tickets as soon as possible. A phone call to President Com. Rennie, to Sec. Com. Cavanagh, or to Treas. Com. K. Storey, will assure you of a ticket, which will entitle the holder to attend the supper, enjoy Irish entertainment and a dance which will follow.

An entertainment committee has been named, Chairman, Com. B. Rennie, with Com. F. Patterson, Com. K. Storey, Com. G. Smith, Com. H. Cairns and Com. B. Cullen. A meeting was held at the home of Com. Rennie on Wednesday evening. Suggestions for future evenings were many and included such excitement as, an old fashioned dance night, with invited guests who might demonstrate some of the old dances, A Western night, which could produce some hidden talent in country and western singing, a Skit Night, where the Thespians of the town may have a chance to dramatize. There are such things as "Come as you are Parties, Pot Luck suppers and a host of other ideas. The Legion members are open to suggestions from anyone and ask everyone to give their support to the welfare of Canadian Legion Branch 196.

Ormstown Junior Hockey

Ormstown is producing some excellent Junior hockey teams, due in great part to the efforts of Doug. Glover, and of course the Ormstown Lions. The boys are now equipped with brand new hockey sweaters, bought by the Lions, and it appears that the old adage, "Clothes Make the Man," is true. Last week the Pee Wees played Hemmingford with a one-all tie. The Ormstown Bantams won over Dewittville and Ormstown Elementary School won over Howick Elementary school. The Bantams lost their game to Hemmingford on Saturday, but the Pee Wees won in a 5-2 game against Ville Emard. The Ville Emard team was sixth place in the Quebec Carnival games in Quebec City a few weeks ago, so the Ormstown boys feel rather elated and much credit to Bobby McEwen who sparked that 5-2 lead. They have been invited to a return match in Ville Emard.

The Lions have generously donated money to the furtherance of sports in Ormstown, especially the rink and equipment. It is hoped that members and parents will attend the games. Hockey might well become the future of one or two of our Ormstown boys, if for no other reason than that we may be able, one day, to say, "I remember seeing him play many years ago", parents and sponsors should see one or two games and thus encourage the future Bobby Hulls and Richards. We should not overlook the untiring efforts of Doug Glover who has a very great interest in the young hockey players, often working against great odds. There will be games again next Saturday, shall we see you there?

Mr. and Mrs. Robert Cullen of Montreal, spent Saturday with Mr. and Mrs. W. S. Cullen.

Mr. and Mrs. Jim Linahan of Montreal were week-end guests at the home of Mr. and Mrs. Boyd Campbell.

We are pleased to report that Teddy Campbell has returned to his home after a lengthy and painful stay in the Montreal Children's Hospital.

Mr. and Mrs. Angus McNaughton were Sunday guests of Mr. and Mrs. Alan Hooker.

Mrs. D. E. Barnard and Miss Pat Herbert of Montreal were week-end guests of Mr. and Mrs. Robert Younie and Malcolm.

Mr. and Mrs. Ivan Barrington attended the funeral on Tuesday of Arthur Dagg in Shawville. He was the husband of the former Olive Curren of Ormstown.

Peter Collier Speaks On TV

Many friends and neighbours of Mr. Peter Collier of Ormstown were pleased to hear him speak on TV. Tuesday a.m. on his work and study with the blind. Being of very limited sight himself, Peter has a great interest in the welfare of the blind. He is presently taking a course in public speaking and is still able to work at his job of salesman. He demonstrated the use of a collapsible cane now in use by those who have partial sight only. He also spoke of a workshop set up to help those who in future will require the skills needed with specially equipped machinery.

World Day of Prayer

The World Day of Prayer Service was held in the Ormstown Presbyterian Church, on Friday afternoon, with Mrs. Howard Smith in charge. Mrs. Margaret McBain was guest soloist accompanied by Mrs. C. Garette. Others taking part included, Sister Superior, Mrs. B. Beaulieu, Mrs. T. Goyer, Mrs. A. Hughes and Mrs. P. Cowper, Mrs. Rennie of Huntingdon was guest speaker.

Women's Auxiliary Royal Canadian Legion 196

The Women's Auxiliary met at the home of Com. E. Baird on Monday evening, March 4. Discussion on plans for a new kitchen, for catering at the dining hall for the Caledonia games on June 29 and a card party to be held on Wed. March 20th; and other business were the items on the agenda.

A gift from the members was presented to Com. H. Cairns, who will be hospitalized in Montreal for the next ten days.

Refreshments were served by the hostess assisted by Com. McAdam.

Huntingdon Academy News

by Michael Scott

News from school this week is mainly in sports. In basketball the boys played with the following results:

Gold 2, 14 to Black 2, 8
Red 2, 21 to Black 3, 0
Red 1, 10 to Gold 2, 4
Red 3, 11 to Gold 2, 4

The girls' scores were:

Black 1, 6 to Gold 1, 2
Red 2, 6 to Black 1, 4

In the house system Red leads with 655 points then comes Gold with 613, and last of all Black with 512 points.

Cheerleaders started again this week; they have not had any meetings for quite a while. They are getting ready for an upcoming basketball tournament.

In junior hockey Red won the championship, and Red also claimed it in senior hockey.

Ski club is still going on steady with trips to Moon Valley every week-end.

The school public speaking finals for the Academy will be held on March 27. The Chateauguay Valley finals will be held on Friday evening, April 5th., at Hemmingford.

That is about all the news from school this week. Read future Gleaners for more news.

ST. JOSEPH'S DEFEATS C.V.R.

Malone N.Y., Feb. 26 — St. Joseph's Academy of Malone N.Y. defeated Chateauguay Valley Regional High School senior boys in an exhibition game at Malone. The game stood even at half time, but the powerful U.S. high school team pulled away in the second half to win the match 42-36. For both teams it was a defensive effort, with Robert Gillies doing an excellent job for C.V.R. under the boards. Steve Heizler of CVR was the top scorer with 10 points.

In a junior Varsity game Chateauguay Valley Regional managed to slip past St. Joseph's with a 32-28 score. The top playmaker and scorer for CVR was Keith Rorison with 16 points to his credit. D. Palmer scored 8 while Gates Billette scored 6.

Editorial Notes..

The Danger Is Not Past

As we suspected last week the Government survived the crisis it brought upon itself a week before, but danger still lurks in its future footsteps. The 5% tax on income was killed and actually is illegal now. Contingent upon a demand from Creditiste Leader Caouette and forming part of the bargain for his casting his vote in favor of the Government was that the tax already paid will be returned to the people. Justice Minister Trudeau gave the assurance that this would be done, but in the form of a credit and not cash.

We get a little bit of chuckle here, for it will be the first time a credit has been allowed the taxpayer. We think that perhaps Mr. Caouette should have gone a little further and suggested that interest be paid also, the same as the Government demands when taxes are not paid on time. We have even experienced that a miscalculation has been made and has been corrected by the tax office. This of course some months later after the tax return. Because of this a penalty in the form of interest has been added. We maintained we had paid our tax in good faith and on time and therefore any correction was not subject to penalty or interest. After a few determined letters the penalty was dropped. But the refunds have never carried interest when they have been paid months after the return. Now we are to continue paying this illegal tax until new deduction tables have been received and then at the end of the year we are to be credited with what has been overpaid in this way. Well that's something, Thanks to you Mr. Caouette.

Mr. Caouette is an honest man, he kept his word as far as the vote of confidence motion was concerned, but he says now he is free to vote against the Government if he so chooses on other issues. Mr. Pearson says he has to get more revenue to balance the budget and with the loss of this income tax, he will have to get it some other way. Mr. Caouette says he is not in favor of increased taxes of that nature. Thus it looks that a new budget will probably be brought down and this will mean new taxes to support it. It is then that the fireworks may again begin to fly and the Government will need to be on its toes.

As we stated before, it would be better to get this Leadership convention out of the way before anything happens that might bring on an election. We believe that is why Mr. Stanfield changed his attitude and looked at things in a softer light. In so doing however, he lost one of the Party stalwarts and there was a stir in the ranks. It may be found later that he chose the wiser course. It is now only about a month before the Leadership Convention is to be held and the new Leader of the Liberal Party in Canada and perhaps the new Prime Minister will be known. All parties will then be on an even footing and if the battle starts they will go into the fray with even honors.

The Government will have to work fast to get its affairs into shape and keep the country functioning during the next month, so that everything will be in readiness for the new leader to take over after this convention. This period will be watched with anxiety and it is hoped that nothing will be done that will cause another crisis within that time.

Mainly About Women

THE past week we had a telephone call from a lady and she enquired if we were going to have something in The Gleaner about "The Royal Commission on the Status of Women". Vaguely we remember reading something about such a commission, so she volunteered notes on where we could look up some information on the subject. Well this we did, then it came back to us. Perhaps we have been neglecting the women, but not purposely, for we are in agreement with what is set forth in the reasons for this Commission.

In early years and up until quite recent times, woman has been labelled a chatel. Then the suffragette movement got underway and women secured the right to vote. This still did not give them equal rights with men on numerous matters. Women of that era, for the most part, were expected to marry and keep house. A few had an education for the teaching or nursing professions. Since that time however, women have entered into the business world in many capacities and are now even in the political world and among the professionals. They have proved their equality with men by their work during the wars and times of emergency as well as in normal times. It is only natural then that they feel they should be entitled to a greater share of the rights allowed to men.

With this in mind they recently campaigned for and won the chance for the set-up of a Royal Commission on the Status of Women. Now comment is being invited from women at all levels of Canadian society in every Province. Briefs must be in by March 22nd. They should be sent to the Executive Secretary, Royal Commission on the Status of Women in Canada, P. O. Box 2520, Station D. Ottawa, Ont.

This newspaper has never been against women taking a place in the public life of the community or the country. We believe there is a place for them on municipal councils, school boards and such and on numerous community projects. Hearings for this Commission are to be held in Victoria on April 16th; in Ottawa on October 11 and also in Montreal on another date. After these have been held and the summing up has been done, no doubt a report will be issued. It will be then that we should learn just where women stand in this country and what rights they will have earned.

Meantime we can only suggest that if local women have not already done so, that they check more thoroughly on this matter and then prepare a brief, or have their society prepare one, or both and submit it to the address given. To get something one has to go after it. Women are just as much entitled to rights as anyone else.

Letter to the Editor

The Editor,
The Huntingdon Gleaner,
Huntingdon, Quebec.

Dear Sir,

During the past winter six Pee Wee and four Bantam hockey teams were operated by the Huntingdon Minor Hockey League at the Huntingdon County War Memorial Arena. As the parent of a boy who took part in this program, I am sure that I speak for all the parents when I say that the men who are responsible for this operation, deserve only our highest praise and respect.

I will not try to name them, for they are a unit, working as one for the good of our children. Each one had his job to do and did it well, raising money, keeping score, coaching, looking after the uniforms, scheduling games, cleaning the ice, refereeing and keeping things going, everyone pitched in and did his part.

This season is fast drawing to a close there will be winners and losers in the hockey games, that have been played, but our children cannot lose no matter on which team they played. They have all won something, just by having the chance to participate, for this we thank the gentlemen who made it possible.

Yours sincerely,
Jon. Proudfoot.

John Rennie Wins C.V.R. Tournament

Ormstown — John Rennie High School junior boys (14 and under) won the first Chateauguay Valley Regional High School Basketball tournament. John Rennie High met Cowansville High in the final game and after a close game managed a 52-42 win. Throughout the first half Cowansville had John Rennie on the run, with CHS taking a 28-14 lead. In the second half Cowansville ran out of steam and dropped the game to John Rennie in the last quarter. The consolation was won by Chateauguay Valley Regional over Lake of Two Mountains 37-29. In the championship match Dan Hunter of Cowansville was top man with 17 points while the top scorer for John Rennie was Bob McPhee with 14.

In the junior girls section Chateauguay Valley Regional took the championship by edging out Cowansville 13-12, with J. McKell as the top scorer for Cowansville with 5 points. In the consolation game John Rennie beat out Lake of Two Mountains 13-10.

SUGAR AND SPICE
by Bill Smiley

Gloom and doom

Voices of alarm were heard in the land recently. Amid the excitement of the constitutional conference and the quickening Liberal leadership race, Canadians were told that the country could be in for serious trouble in 1968.

The voices were not of the wilderness, nor did they cry without being heard. They were neither voices of crackpots or unknowns, and they told us that "economically, Canada is in the dumps" and that the U.S. and Canada face a stock market crash which will make 1929 look like a small ripple on the seas of distress.

There it was, stark and simple: "Canada is in the dumps". The words were those of Quebec premier Daniel Johnson, and it was evident when he spoke that there was little or no political motivation to his words.

The other warning, about the stock market, came from the noted (and controversial) American economist and writer, Elliot Janeway. This is the man who was until recently one of the chief advisors to President Johnson. He now says the U.S. is under such severe economic attack that there is serious doubt whether it will be able to avoid devaluating its currency. And when that happens, the plug is out for every other currency around the globe, says Janeway.

The Quebec premier's assessment of Canadian conditions comes at a time when the nation stands at the peak of an all-time prosperity, but seems incapable of solving the problems of galloping inflation, a worsening housing crisis, and growing unemployment.

Little or no progress has been made in the struggle to bring the Atlantic provinces and parts of the West up to Ontario's living standard.

While big governments gather ever more tax revenue to themselves — Ottawa alone will spend 10 billion dollars in the next fiscal year — the little governments such as the municipalities find their tax sources actually drying up.

While Canada's growth rates show signs of stagnation, many nations appear to be retreating into ever more narrow orbits.

Instead of the industrial nations expanding their trade by progressively cutting away tariff restrictiones — as was envisioned by President Kennedy in the trade negotiations since known as the Kennedy Round — the countries of the world show signs of repeating the economic nationalism which followed World War I, and begot World War II.

This, at least, is the thesis of Mr. Janeway who says the U.S. will face a grave economic crisis this spring. To protect the dollar, drained off by the war in Vietnam and U.S. business investment abroad, the American government will have to slash trade, hike interest rates and possibly devalue the U.S. dollar itself.

Janeway says the nations of the world are repeating all the same mistakes of 30 and 40 years ago, and that the economic infighting now going on can lead only to business collapse, followed by a fighting war.

Britain devalues the pound to give it an edge in foreign trade. France seeks to undercut the U.S. international financial position by selling its American dollars so as to reduce confidence in the U.S. economy. Japan appears poised for a huge devaluation of its money in order to put its exports back on a more competitive footing.

Meanwhile, every economic signpost which springs up in the U.S. stands out in ever bolder type in Canada. When the U.S. ship of state rocks, the Canadian rowboat is swamped. Three percent unemployment there produces a jobless rate of six percent here. A hike of four percent in prices there pushes up the cost of living eight percent here. The prime interest rate surges up half a percent there, a full percentage point here.

And at the bottom of it all lurks the U.S. military involvement in Asia. At a cost so great that the richest nation in the world is unable to meet the burden abroad and achieve its social goals at home, America is trying to carry out Britain's old role of the empire maker east of Suez. But the days of empires are gone.

HUNTINGDON LOCALS

W.M.S. Meeting

Huntingdon W.M.S. met on Wed. Feb. 28 at the home of Mrs. Gladys Reid, with a good attendance. The president, Mrs. Reid, opened the meeting and the devotional period was taken by Miss Fox. An interesting outline of the work day of prayer partner Miss Doreen Morrison of India, was given by Miss Frances Turner. "Count me in", as a mission helper, was suggested as a good motto for the year. In the absence of Mrs. Mennie, Mrs. McCleery gave the treasurer's report, reading a letter from Miss Jean Ferguson, provincial treasurer, asking that givings be increased. The roll-call was responded to by members repeating a Bible verse containing the word "Trust". The word for next month will be "Faith".

Mrs. Wallace Douglas gave the report of the Presbyterial meeting held in Ephraim Scott Church, Montreal, on Feb. 13. Three local members attended and all report an enjoyable day, with many inspiring speakers. Part of the city mission work is the "Meals on Wheels" project, where a hot meal is supplied regularly to the needy. Miss Margaret Kennedy, missionary from India, told of the work which was started there sixty years ago. The natives then were illiterate and lived in a world of fear of evil spirits. Many changes have taken place since that time. Other speakers were Miss Lois Cooke of India, Dr. Jeffrey Johnston and Mr. and Mrs. Craig, who spoke on the work in Nigeria.

To further the interest in missions it was agreed that a fund be raised to buy books to start a library for our W.M.S. One new name was added to the membership list, Mrs. Anna Bernhardt. At close of meeting refreshments were served and a social time spent.

Huntingdon County Hospital Notes

The Huntingdon County Hospital gratefully acknowledges the receipt of an Annual Membership from Mr. and Mrs. Tom Duke, a donation in the amount of $10.00 from Mr. and Mrs. Leon Robidoux in memory of Mark and a $28.35 donation from Plant 6, Cleyn and Tinker Ltd., in memory of Mr. Emmet Duheme: also a bushel of apples from Mr. Cecil Tedstone.

Ladies Curling Club Notes

Mrs. C. H. Woods, Mrs. A. Kerry and Mrs. Iva Oakes entertained the bridge club on Thursday, February 29th. There were four tables and the prize winners were Mrs. R. Daniel and Mrs. Austin Lefebvre.

Mrs. A. Hughes, chairman of the Huntingdon Branch of the Canadian Red Cross Society, attended the recent annual meeting of the Quebec Divisional Council. Speaking at that meeting, Mr. Andre Marcil, outgoing president of the Quebec Division, stated that some Red Cross services in Quebc may have to be eliminated or curtailed unless a solution is found to the society's financial problems, due to the failure of the 1967 fund campaign. The lack of funds prevents this society from growing and expanding at a time when there is a vital need for its services. Mr. Marcil expressed the hope that the 1968 campaign would be a success.

WORLD DAY OF PRAYER

The Women's World Day of Prayer at St. Joseph's Church, was well attended by women of all denominations of the Community. Msgr. David welcomed the women to the service with a few well chosen words in French and English. Sister Eliosa Arsenault, Superior of the Congregation of Notre Dame, Huntingdon, spoke in French and English on the World Theme, "Bear One Another's Burdens". The organist was Mrs. M. Latreille, Mrs. N. Laurendeau directed the singing of the hyms. E. E. McDermott and Mrs. A. Lefebvre received the offerings.

The prayers were read by Mrs. M. Stark, Mrs. G. Caldwell, Mrs. E. Fennell, Mrs. C. Reid, Mrs. R. Greenbank, Mrs. W. Todd, Mrs. W. Douglas, Mrs. E. Hart, Mrs. M. Legault; Mrs. M. Laberge, Mrs. D. McIntyre.

The offering of $99.15 will be used by The Women's Inter-Church Council of Canada to further the work of the Council in the Have-Not areas of the world.

Mr. William Ottney of Hamilton, spent two days recently with his parents, Mr. and Mrs. Ed. Ottney. Visitors at the same home for the week-end were Mrs. Carmen Crosbie, Edward Crosbie and Kenneth McPhail of Ferguson Falls, Ont.

Mr. and Mrs. Harold Arthur and family of Ottawa, spent last week-end at the home of Mr. and Mrs. Wilber T. Arthur.

The Misses Muriel and Irene Martin of Montreal and Mr. and Mrs. Jim Robb, Laura, John and Andrew, spent Sunday at the home of Mr. and Mrs. Alex Robb.

Miss Winona Wood of Montreal, spent the week-end at Turkeys Deluxe Inc., Dewittville.

Mr. and Mrs. Fernand Primeau and family of Ormstown were recent dinner guests at the home of Mr. and Mrs. John Hurteau.

Miss Marguerite McGinnis of Montreal spent the week-end at the home of Mrs. Mae O'Connor.

Mr. Everett Tremblay attended the funeral of his cousin, Jerry Tremblay at Churubusco, N.Y. on Saturday.

Bon voyage to Miss Shirley Benoit, an airline stewardess, who left yesterday for a two-week stay in California.

Miss Helen Donnelly and Miss Rita Donnelly of Saranac Lake attended the wake of the late John Brady at the Brady home on Sunday and also spent an hour with Mrs. Mary Myre. Mrs. H. Alman of Fort Covington and Mrs. Louis Roy of Huntingdon spent Tuesday afternoon at the same home.

Mrs. Ken McQuarrie and daughter Chelley Lyn returned to their home in Belleville, Ont. the past week-end after spending five weeks with her sister, Mrs. Gladys Duheme. Bruce Clauesson also returned to his home in Calgary after spending the past three weeks with his sister, the reason for their extended visit was due to the illness of their brother-in-law, the late Emmet Duheme.

Monday night of this week Orange took the final game for the Bantam this year by eliminating the Red by 6 to 0. Goal scorers were J.L. Ricard with 2, D. Racine, P. Ricard, F. Quinn and C. Derepentigny with one each. Congratulations to the Orange team for winning the cup in their division this year.

Franklin Centre

Seven Churches Participate

FRANKLIN CENTRE — The World Day of Prayer Service held in the Franklin Centre United Church on Friday evening was quite well attended. The women of seven local churches assisted in the service, reading appropriate selections as given in the "Order of Service Pamphet". Mrs. Wm. Holmes, of Ormstown, was the guest Speaker. She spoke on the World Theme, "Bear one another's burden", which was interesting and appropriate at this time. Mrs. Ronnie Duncan was the organist and the junior choir led the congregational singing.

Mr. and Mrs. Floyd Stevenson were guests at the Kenneth Hardy home at Springfield, Mass., and also visited at the home of Mr. and Mrs. Richard Frier.

Mr. and Mrs. James Brooks and family from Chambly were Saturday guests of Mr. and Mrs. Martin Brooks and Mr. and Mrs. Russell Brooks. Mrs. Mary Jackson of Hemmingford is spending sometime at the same home.

Mr. Gerald Cassidy and sister Mrs. Mario DuMesnil are spending a couple of weeks in Barbados at present.

In Memoriam

BOUGIE, Mrs. Georges — In loving memory of a dear wife, mother and grandmother who passed away on March 11th, 1967.

"Just a prayer from all
who loved you
Just a memory fond and true
Just to say how much
we miss you
Because we thought
the world of you.
It's lonely here without you
We miss you more each day
For life is not the same to us
Since you were called away.
You gave us love in fullest
measure
Care, devotion and memories
to treasure
You shared our hopes,
our love, our fears
Thank you dear mother
for those precious years.
Treasure her Lord
in your garden of rest,
For while on earth
she was one of the best."
Always remembered by
her husband,
children and grandchildren

News From Howick

Mrs. Gerald Roy has returned from the Barrie Memorial Hospital, where she spent ten weeks. Her illness came during the time she had planned to visit Winnipeg for the Canadian Ladies' Curling Championship Games. Mrs. Roy was an official delegate and this year had donated a plaque for the winning rink. It would have been her pleasure to present this plaque which was won by an Alberta Rink skipped by Mrs. Jamieson with two of her daughters, on the team. Mrs. Roy knew this rink from previous championship games and was glad to hear they had won the plaque.

Ian Bustard, son of Mr. and Mrs. John Bustard, has gone to Sudbury, Ont., where he is working with the London Life Insurance Company.

Mr. and Mrs. Paul Tellier visited last Sunday with Mrs. Tellier's sister, Mrs. Lefebvre of Bois des Filion, who has been ill since October.

Mrs. Bruce Ness spent several days last week at Toronto and Barrie. Bruce joined her there on the week-end, following the Senior's Bonspiel.

World Day of Prayer Services

Approximately 200 people, which included four different groups, attended the World Day of Prayer services in this community.

The children met on Wednesday at Howick Elementary School with Debbie McKell as leader, Thyra Tolhurst as story teller.

Women from Georgetown and Riverfield Presbyterian Churches, Roman Catholic and United Church met at Howick, United Church on Friday afternoon and evening. The afternoon meeting was led by Mrs. Bradley, the speaker was Mrs. Melville Brown. Joan Ness led the evening meeting and the speaker was Evelyn Lamb. Th music was led by a joint choir, with organist Mrs. R. Stewart.

A meeting at the Preston Home was led by Mrs. Jim Crawford, with Mrs. William M. Brown as speaker. Mrs. John S. Anderson assisted and a duet was sung by the Rev. Wm. M. Brown and Mrs. Jim Crawford.

The same programme will be used in part by the C.G.I.T. group at their meeting on Monday evening.

The theme of the meetings was "Bear one Another's Burdens", which involves loving one another. Each speaker approached the subject from a different angle but their fine addresses were thoughful and inspiring.

Some of the leading parts were given in French and responses were in both languages. The offerings amounted to about $80.00.

Seniors' Meeting

Due to milder weather and an improvement in the health situation, thirty-nine Seniors gathered at last week's meeting. Wallace Elliott skipped the winning rink, coming from behind to defeat J. Roy Younie's rink. Third player was Bruce Cairncross, 2nd Mervyn Craig, lead Melville Kerr. The spot prize donated by Mr. Robert Hight was won by Mrs. James Marsden.

The President, Mrs. J. Roy Younie, with Leap Year in mind read an amusing verse and Mr. Younie and the Rev. John Anderson added a few jokes. Mr. Anderson had been invited to speak about his experiences during his career in the Armed Forces. Nine years of that time was spent at Ottawa when he worked in National Research which included some of the first experimental work in radar. Unfortunately he and his fellow-workers were not guided by radar, when one day they made the daily mad rush to a nearby restaurant for a hurried lunch. As they raced through the doorway three of the highest ranking officials in the Armed Forces and Government, met them and were sent flying. Needless to say the young men disappeared but a notice was posted that afternoon that they should act with more decorum.

Jim Lang gave a reading, "How to Grow Old", which should be re-read at intervals. Mrs. W. Logan's reading of, "I'm Fine, How About You?" Reminded us of the days when our slippers were red and we danced the whole night through. The local Seniors are young at heart yet. We watched a lively game of euchre last week which included as partners two young men 92 and 87 versus a new Canadian from Holland playing his first game of euchre, and the United Church Minister.

A singalong and piano selections brought the day to a close. Hostesses were Mrs. Muir, Mrs. Gallie, Mrs. McColm, Mrs. McMahon, Mrs. W. Logan, Mrs. M. Craig and Mrs. W. Anderson.

Curling Club Nws

Mr. Walter Stonehouse arranged for a party of friends from Williams and Wilson Carborundum Company to curl at the local club during the past two Saturday afternoons. There were 24 in the group on March 2 and they stayed on at the club for the Bean Supper and social evening.

Six or seven rinks were curling away from home on Saturday night, but more than 100 people attended the Bean Supper followed by curling and cards. The evening was convened by the Ways and Means Committee, Elmer Black, Bill Ness, Donald Gay, Lon Gagnier and their wives.

Four senior curlers from the men's club spent four days last week at Three Rivers when they played in the Provincial Seniors' Competition. It was won by the Ron Wright rink which will go on to Edmonton.

Bruce Ness skipped the local rink with Ken McRae 3rd, Harold Robertson 2nd, Clarence Kerr lead. There was strong competition. They won 3, lost 4 but had a good time. The rinks were divided into sections A and B and played in two rinks, Three Rivers and Laviolette. A banquet was held at the latter club.

Last week Montreal West Curling Club held a 50th Anniversary celebration. Brenda Black skipped the rink from Howick with Beatrice McCaig, Marion Houldsworth and Frances Reddick. They won two games on Monday and lost the third one on Wednesday. All the curlers were invited to return on Thursday for lunch and entertainment. Each visiting rink had a hostess — the hospitality was wonderful.

Rinks came to Howick from Lacolle and Valleyfield to play on the Centre Shield. It was won by Lacolle with Skip Ruth Smith, Margaret Dawson, Lydia Hope and Bertha Wright. The Valleyfield rink was skipped by Marguerite Cook and Mrs. McFarlane of Valleyfield presented the shield.

Tea was served by Mrs. Douglas Ness, Beatrice McCaig and Joan Cole. Mrs. John S. Anderson assisted with the baking.

Ellen King (skip) Audrey Scott, Shirley Beezer and Doris Hiber attended a friendly bonspiel at Pointe Claire one day last week.

OBITUARY

The Late Mr. Albert Charette

The funeral of the late Mr. Albert Charette was held on Saturday, February 24th., from the J. Marc Loiselle Funeral Home, Ste. Martine, to the tres St. Sacrement Church, Howick. The service was conducted by the Rev. G. Jeanotte assisted by the Rev. G. Legault of St. Timothée.

Mr. Charette was born at Hemmingford on July 27, 1888, son of Exevier Charette and his wife Adele Berthiaume. He died at the Notre Dame de la Mercy Hospital, Montreal, on February 21st. He was employed by the Canadian National Railway for 45 years as section man and section foreman where he was highly regarded as a reliable man and a gentleman.

Neighbours, who had known him during the past 50 years, remember him as a kind man who, without being asked, helped them in many ways, especially during the gardening season or when they were ill.

He was predeceased by his wife, Julie Dupuis, on March 20, 1965. Those who survive are his eight children, Cecile, Claire, Sylvie, Marie Rose, Alice Gerard, Georgette, Therese. There are 17 grandchildren and 4 great grandchildren; one brother Mr. Cyprien Charette of Quebec and his wife (Mrs. E. Charette); brothers-in-law and sisters-in-law, Mr. and Mrs. Jean Denault, Mrs. Napoleon Laplante, Hemmingford and Mr. and Mrs. Romain Charron of Huntingdon.

News of D.H.A.S. met at Macdonald Thursday

Last Thursday on Feb. 29 the dairy herd analysis service of Macdonald College held a general meeting for farmers enrolled in the service. The meeting was completely bilingual and dealt with explanations concerning the service and results obtained on 143 herds enrolled with D.H.A.S. for more than one year. More than 450 farmers attended the meeting from all over the province as far as Montmagny county and Rivière du Loup. There are now over 500 farmers enrolled in D.H.A.S. so the meeting was a complete success. The farmers were hosted by Dr. Dion, dean of the faculty of agriculture of Mac. In the afternoon the dairymen had the opportunity to visit the college laboratory and computing centre as well as the stock farm. Rudi Dollinback, farm manager, was on hand in the livestock pavilion to answer questions on general dairy farm management. The day was over at about 3:45 p.m. — (Roger D'Aoust, District Supervisor, Dairy Herd Analysis Service, Macdonald College.

Milk has Many Advantages over Synthetic Product

Speaking at the Annual Meeting of the Holstein-Friesian Association of Canada held February 14th in Toronto, Prof. A. M. Pearson, of the Dept. of Dairy Science, University of Guelph, Guelph, Ontario said that while imitation and filled milks represent a serious challenge to the dairy industry in the future, there was no doubt that milk producers could, if they exerted the proper effort, retain the major part of their present markets.

Prof. Pearson pointed out that coconut oil provides the major part of the fat in imitation and filled milks and that this is a more saturated fat than is the butterfat in natural milk.

Prof. Pearson also noted that milk has calcium in a form easily assimilated and that the only known source of lactose is milk which helps in the assimilation of calcium and phosphorous by the body.

He felt that in meeting the challenge of imitation milk, producers must be prepared to spend large sums in the advertising and promotion of their product and must make every effort to make sure that the dairy products of a uniformly high quality, adjusted to the taste of the public, are offered for sale.

According to Prof. Pearson, the current cost of producing 100 lbs. of imitation milk is $4.41 while the cost of producing 100 lbs. of natural milk is $6.10. Under these circumstances, the cost of natural milk is always going to be higher than that of the imitation product but it has such built-in advantages that with proper presentation of its natural advantages to the consuming public it should hold its own. **The Holstein-Friesian Association of Canada. Brantford, Ontario.**

Prcpaganda and Production:

Have you ever sunk your teeth into a scoop of ice cream and thouyht you hit the local gravel pit?

It has happened and that, of course, is only one exaggerated case where the quality of dairy products is detrimental to the volume of consumer sales.

The restrictions that have been imposed on milk producers in years gone by, were on some occasions, resisted, and probably thought to be unnecessary.

The "Count down" hour is at hand now, the product must be nothing but the best, and his includes every precaution by every dairyman, not just he usual conscientious few.

The dairies must also play an essential role in processing products that will enhance the eye and the palate, the consumer will be the judge.

Imitation milk products cannot be fought with price rises in mind, so efficiency of production is the alternative.

Some might have thought that the "Proven Sire Concept" was an over-worked propaganda program. The push for herd production testing programs has been strengthened. Both of these programs have become essential, to identify the efficient producers and mate them to sires that are most likely to transmit high producing animals.

The herd average is the fighting factor.

Dairyman have too much invested in land, buildings and cattle to take a back seat from imitation products.

GENUINE MILK is the world's "BEST" food product.

CONRAD ALLEN ORCHESTRA
For Your Dancing Pleasure

Local Pipe Band To Play For Celebrities At Ormstown

After the rousing success of the Scottish concert presented by the Chateauguay Valley Highland Pipe Band in January, the members of the band have settled down to some really hard work. Pipe Major Ken Ireland, who delighted the audience at the concert with his renditions of old favourite Scottish tunes is now putting the band members through their paces each week, including the new members who hope to be on parade this summer.

The band has been asked to pipe Madame Georges Vanier, who will be presenting the Vanier Cup for Scottish dancing, and T. C. Douglas, national head of the New Democratic Party, who will be opening the games, not as head of the New Democratic party, but as "one of the Clan", from the Town Hall, where they will be signing the Golden Book, into the grounds where the games will be held. This is a great honour, and the band has been pleased to accept.

With some regret, at the last business meeting of the band, the resignation of Melvin Harrigan as president was accepted. Melvin has been president since the band's organization in 1964, but feels that his teaching duties with the band leave him too little time to be a good president. New Officers elected were President — Gordon Tannahill, Secretary — Mrs. Gordon Tannahill, and Reid Kerr of Ormstown remains as treasurer. At present there are seventeen student pipers, and three student drummers in addition to the present band members, so if all goes well we hope to have a really fine band in a year or two.

Which reminds us about an ominous sign outside a local hospital — "Trespassers will be prosecuted to the fullest extent of the law." It was signed, "Sisters of Mercy."

St. Andrew's Presbyterian Church Annual Meeting

The annual meeting of St. Andrew's Presbyterian Church was held recently in the Church Hall. The meeting opened with a Bible reading, a hymn and prayer led by Mr. C. Coombs. The Rev. Mr. Pottinger introduced the new Interim Moderator, the Rev. Mr. A. Ross McKay from the Mission Board in Montreal. The Rev. McKay, said Mr. Pottinger, had had wide experience in all types of Church work and he was sure he would be of great assistance to our Church.

Mr. Pottinger expressed his sincere thanks to the congregation for their kindness and hospitality and said it was with regret he had to resign as Interim Moderator due to pressure of work in his own Church.

Mr. McKay thanked Mr. Pottinger for his kind remarks and hoped he would be able to fulfill his duties here with efficiency and was looking forward to his association with us. He then accepted the Chair and acted as Chairman for the meeting.

Mr. R. Paul was elected Secretary for the meeting.

The minutes of the last meeting were read and approved. Reports were given by the various organizations:

SESSIONS

Mr. R. Paul read the report as he has succeeded Mr. G. McKay as Clerk of Sessions. Mr. McKay retired from this office owing to ill health. The Sessions Board expressed their appreciation and thanks to Mr. McKay for his long and faithful service. Sincere thanks were also extended to Mrs Peggy Kyle, the Organist, to those who assisted when Mrs. Kyle was ill and to the members who looked after the cleaning of the Church and the grass cutting during the summer. Mr. Paul extended the thanks of the Board to Mr. Coombs for his devoted service to the Church and for his interest and attendance at all activities regardless of the weather.

Sincere appreciation was accorded Mr. Pottinger for his help and interest and, said Mr. Paul, he would always be very welcome in our midst in either an official or unofficial capacity. In conclusion Mr. Paul said the Elders would be visiting the members in the near future to discuss Church matters and to get to know their problems.

BOARD OF MANAGERS

The Secretary, Mr. K. Bachelder, read this report. Repairs had been carried out on the Hall during the year and the basement windows in the Church had been repaired. A furnace had been installed in the Church, a new electrical approach had been installed and, as payments on the Hall furnace had now been completed, the Hall was now clear of debt.

LADIES GUILD

This report was given by the President, Mrs. E. Napper. A very successful year's activities included a Variety Show, the Booth at Havelock Fair and the Congregational Supper, among other things. As a Centennial project the members had planted flowers in front of the Hall and had donated 12 new hymn books to the Church. The members of the Guild had also entered a float in the village Centennial Parade, depicting old time activities and dress. Mrs. Bachelder expressed the thanks of the members to the Congregation for their unfailing help in all their activities and their generous response when asked for assistance and donations.

SUNDAY SCHOOL

The Superintendent, Mrs. K. Bachelder, reported that 40 children were enrolled in the Sunday School with five regular teachers and one relief teacher and Mrs. R. McKay who assisted with the music. At Christmas time, instead of a concert, the teachers gave the children a party. Plans were now being made to purchase a projector as an aid to teaching. The Congregation were thanked for their aid and support.

HALL COMMITTEE

It was reported there was no change on this committee this year, the members are Mrs. E. Merlin, Mrs. R. Curry, Mr. K. Bachelder and Mr. F. Boone.

NEW BUSINESS

Mr. J. Emmerson and Mrs. A. Churchill tendered their resignations from the Board of Managers and Mr. E. Orr and Mr. C. Elvidge were elected in their place. The members of the Board are now as follows, Messrs. A. Fisher, K. Bachelder, F. Boone, E. Merlin, A. Churchill, R. Paul, E. Orr, C. Elvidge and Mrs. A. Orr.

The Guild was asked to look after the Social Committee as they had done in the past.

There being no further business the meeting adjourned and Mr. McKay gave the Benediction. Refreshments were served and a social hour enjoyed.

CARD PARTY

The Annual Shrove Tuesday Card Party was held on February 27th., in the Figsby Memorial Hall, under the auspices of St. Luke's Anglican Church Women. The President Mrs. Malcolm English welcomed everyone and wished them an enjoyable evening. Cards were played at 17 tables. Prizes were won by the following Ladies: — First, Mrs. Florian Dauphenais; second, Mrs. John Clark; Third, Mrs. Leah Pedersen; Fourth, Mrs. Allan Campbell; Fifth, Mrs. J. R. Ouimet; Sixth, Mrs. Albert Robert; Seventh, Mrs. Emile Dubois; Consolation, Mrs. Lila Stewart.

Gents: — First, Mr. A. Palmer; Second, Mr. J. R. Ouimet; Third, Mr. Gerald Ellerton; Fourth, Mr. Lynwood Cookman; Fifth, Mr. Albert McKay; Sixth, Mr. Chas. Whyte; Seventh, Mr. Aylmer Hadley; Consolation, Mr. Robert Petch. Door Prize, Mr. Rufus Fisher.

A penny sale was held which not only helped the evening's proceeds but seemed to be enjoyed by everyone.

Une série de cours parrainée par

'ECUMENICA'

Une série de cours sera donnée à l'école Jean XXIII, située sur la rue Cross à Ormstown, Québec.

Les conférenciers pour ces cours en oecumenisme seront d'éminents chefs religieux qui ont un intérêt vital aux progrès de l'unité parmi les différentes branches du christianisme.

Le public en général est invité à assister à cette série de rencontres. Chaque sujet sera traité par deux conférenciers: un pour le groupe de langue française, l'autre pour ceux de langue anglaise.

Ces rencontres auront lieu trois lundi-soirs de suite, soit: les 11, 18 et 25 mars de 8 hres à 10 hres.

Les deux groupes pourront ensuite se rencontrer autour d'une tasse de café et discuter ensemble du sujet traité à chacun de ces soirs.

Ceux qui aimeraient s'inscrire pour ce regard passionnant sur l'un des plus importants mouvements dans l'Eglise Chrétienne de notre temps pourront le faire aux adresses suivantes;

The Fidelity of ....

(Continued from page 1)

Let us remember too that during His pubic life Christ could have chosen a spectacular manner by which to impress and attract the multitudes. Instead he cast aside all human glory and accepted to serve His Heavenly Father in humility and obedience to the very end... To Calvary and the cross.

During this year of faith we also are invited to surrender our wills unconditionally to God the Father by a livelier and firmer faith. Lent provides us with an added opportunity for a sincere renewal of loyalty and faith in Him who has said "I am the Resurrection and the Life".

Aubrey-Riverfield

The February meeting of Riverfield Women's Missionary Society was held on Monday afternoon, Feb. 26. Nine members answered the Roll Call. The text word was "Believe". Mr. Keith McCaig was a guest.

The devotional period was conducted by Mrs. Wallace Craig followed by Glad Tidings Item by Mrs. Margaret Stewart. Minutes of last meeting were read and approved. Mrs. Wm. Brown reported on Montreal Presbyterial Meeting, also read a letter from one of our Missionaries. Cards were signed by the members to two of our members, Mrs. G.A. Roy and Mrs. John Craig who are in Barrie Memorial Hospital. The meeting closed by singing a hymn followed by Prayer by Mrs. Brown.

Covey Hill

COVEY HILL — A Memorial Service was held on Sunday afternoon for Mrs. Wilfred Robinson, who passed away in Florida, January 30th. It was an impressive service. The meditation was "A Purpose in Living". We must try to keep the vows that we took in joining the church and be a disciple of Jesus. Appropriate hymns and two anthems "The Old Rugged Cross" and "The Lord's My Shepherd", were sung by the Choir and members of St. Andrew's choir. Our deepest sympathy to Wilfred and the family.

Little Miss Kimberby Sample received a big present on her birthday, a baby sister, Debra Susan.

Mr. Brent Sutherland spent the week-end with Mrs. A. L. Stewart and Miss W. E. Stewart.

Mrs. E. E. Perry is celebrating her 93rd birthday on Friday, March 8th. Congratulations, Mrs. Perry.

Mrs. Jas. McAllister and little Miss Debbie Beattie are guests of Mr. and Mrs. Don Elvidge and Donna Leigh in Lucerne.

Mr. Fred Moore of Montreal, spent a day recently at the home of his parents, Mr. and Mrs. Fergus Moore.

Rockburn

ROCKBURN — Wednesday guests at the home of Mr. and Mrs. Rod Arthur were Mrs. E. Wood and daughter, Mrs. Bourassa of Ormstown. Friday guests at the same home were Mr. and Mrs. Arden Douglas of Ormstown and Mrs. Mary Renaud of Franklin Centre.

Sorry to learn Master Blake Farquhar, son of Mr. and Mrs. Hilton Farquhar, is now a patient undergoing tests in the children's Hospital, Montreal. We hope his stay there will be brief.

Sympathy is extended Mr and Mrs. Ernest Lindsay in the loss of her father, Mr. Hogar of Malone, N.Y., who was involved in a car accident on Friday morning, passing away in the Alice Hyde Hospital on Wednesday.

Havelock

Mrs. John Laurin was a caller at the home of Mr. and Mrs. R. Proudfoot on Wednesday afternoon.

Mrs. Rita Thurston and Mrs. J. Elvidge spent Saturday in Huntingdon and called on Miss Mary Crowe.

A number of relatives and friends attended the baby shower in honor of Mrs. John Collum on the evening of February 28th., at the home of Mrs. Jerry Côte given by Theresa Harris. Mrs. Collum was taken by surprise but graciously opened the present and thanked everyone for their thoughfulness. Refreshments with a shower cake in the shape of a crib were served by the hostesses.

Sincere get-well wishes are extended to Mrs. Bernard Lebir who is a patient in the Barrie Memorial Hospital.

Chateauguay Y.M.C.A. Announces Swimming Classes

Another activity in the ever growing number of offering by the Chateauguay Y.M.C.A was announced last week-end In co-operation with the La chine-Dorval Y.M.C.A., swim ming classes will be offered for boys and girls five years and up, beginning Saturday March 16th., at John XXIII High School pool in Dorval.

There will be two classes available for children. A special beginners learn-to-swim for children 5 to 9 years of ge will be offered twice a week for five weeks, classes being held on Wednesday evenings and Saturday mornings. The second programme will be a regular swim instruction programme for beginners through intermediates for children 7 to 12 years, with classes being held on Saturday mornings for ten weeks. The Special Learn-to-Swim programme is held only once a year and is offered especially to instruct beginners. The regular programme will be offered three times a year with sessions in the fall, winter and spring. The community can look forward to these programmes being offered on a regular basis in the future.

Further information is available from Lachine - Dorval Y.M.C.A. at 637-2511.

Chateauguay Centre Ward 6 To Be Divided

A recent meeting of the Chateauguay Centre Council voted in favour of sub-dividing Ward 6 into three wards — Numbers 6, 7 and 8. The present Ward 6, represented by Alderman Joseph Petrilli, contains 42% of the total population of the Town of Chateauguay Centre.

This measure requires the approval of the Quebec Legislature, and a Private Bill is expected to be introduced within the present session.

Assuming Provincial Government approval, elections for the new Wards 7 and 8 would be held in November 1968. Ward 6 is not due for another election until November 1969.

Community Association Of Greater Chateauguay Formed

Mr. Vanderleden, President of the Seigniory Park Home Owners Association, has announced the formation of the Community Association of Greater Chateauguay. Mr. Vanderleden, whose Home Owners Association has taken the lead in recent months on plans to take over the operation of the Seigniory Park Country Club stated that the formation of the Community Association recognized that continuation of Country Club operations depended on wide-spread support from the Chateauguay Valley. An organizational meeting of the new Community Association will be held in the near future.

Town of Chateauguay Increases Land Evaluation

The Gleaner learned last week-end that the current re-evaluation of the Town of Chateauguay property rolls, apart from normal improvement increases, incorporates an increase of over one cent per square foot. On an average lot of 6,000 square foot the increase in evaluation is approximately $100.

Sleigh ride for Brownies and Guides

On Saturday, March 2nd., the Brownies and Guides of the 9th Chateauguay Company and the Brownies and Guides of the 14th Company got together for a very enjoyable Sleigh Ride, at the Shady Lane Farm. Four sleighs were used and the girls and their leaders had a very enjoyable time riding through the countryside singing many old favorite camp songs. To Miss Pat Gillespie and Miss Louise Boulet of the 9th Guide Company a very sincere thank you for organizing this wonderful outing for the girls. And to the ladies of the Women's Auxiliary who took time out from their busy day to prepare and serve the hot chocolate and cookies a very warm thank you. And last but not least thank you to the parents who were so good to drive the children to the Shady Lane Farm.

Citizens League's Future Uncertain — Extension Given

An extraordinary meeting of the Citizens League of Greater Chateauguay was called for last Sunday evening in the Georges P. Vanier Cultural Centre Building. In the event, the 160-member league general meeting had to be abandoned, as less than a quorum (10% of members) was present. President Frank Hasenhuendl proceeded with an executive meeting in lieu, and opened the meeting with his offer to resign his position and recommendation to dissolve the league due to lack of support.

Mr. Hasenhuendl's resignation was not accepted by his executive, which voted unanimously for the League to remain in existence for another eight months, that is, until next November, when election of office-bearers must take place, according to the league's constitution. The future of the league would at that time be re-evaluated. It was further decided to advise those of the present directors who are in default of their duties that unless they show good reason, they shall be considered as having resigned their directorships. Eight directors were reported as being in default.

Mr. Hasenhuendl reported on the League's achievements since its formation ten months ago. On representation by the League, the Chateauguay Centre Council had agreed that all borrowing by-laws be read and made available in French and English. The President stated that the League's greatest achievement was in securing the Council's agreement to sub-divide Ward 6 into three Wards — Numbers 6, 7 and 8.

Two of the League's executive had been appointed to the Zoning Commission of Chateauguay Centre. The Commission continues working on a new zoning by-law.

Mr. Hasenhuendl stated that the League had taken the position that it was not pushing for a Sports Arena, but was merely campaigning for the facts to be disclosed.

In accepting the executive's motion that be continue in the office of President, Mr. Hasenhuendl stated the League's present aims as follows: —

1. To encourage the amalgamation between the Towns of Chateauguay and Chateauguay Centre.
2. To strive for further development in bilingualism in Council affairs.
3. To seek further co-operation between the League and the Centre Council.
4. To maintain a watching brief on development of the new zoning by-law.
5. To encourage the further efforts by Council necessary to make the sub-division of Ward 6 effective.
6. To study the proposed extension of the terms of office of the Mayor and Aldermen of Chateauguay Centre.

Special Meeting Addressed By R. Mosher, Director General Protestant Regional Board

On February 20th a special meeting was held at Mary Gardner School. Introductions were made by Mr. Ingram, President, Mary Gardner Home and School and opening remarks made by Mr. McDade, Vice-President, Mary Gardner Home and School. Members of the Executive of all Home and Schools were in attendance. We had the privilege of hearing three speakers.

Firstly, Mrs. Sutterlin, Area Director, spoke on the duties of an Area Director as follows:

1) — To attend regular Federation Board meetings which take place in Montreal.

2) — To attend and take an active part in the annual Home and School Conference.

3) — To attend Federation's combined Presidents meetings which are usually held 2 or 3 times a year.

4) — To arrange to have our own local combined Presidents Meeting.

5) — To convey information from Federation and

6) — To endeavor to pool our resources and information to the best advantage.

Secondly, Mrs. Fraser, Area Director, spoke on the setting up of a District Council in Chateauguay. A Council is a conference and advisory group composed of the associations within a given area, such as Chateauguay, organized for the following purposes:

1) — To give guidance and inspiration.

2) — To exchange ideas.

3) — To develop leadership.

4) — To interpret to the associations the work of the Canadian and Provincial Federations.

5) — To create a favourable public opinion of Home and School and its policies.

6) — To coordinate the work of member associations and

7) — To encourage high standards of Home and School work.

Thirdly, Mr. R. Mosher, Director General, Protestant Regional School Board of the Chateauguay Valley, spoke on the crisis in Quebec education and how it applies to us.

Prior to 1960, education in the Province of Quebec had experienced little in the way of change and virtually no progress over a period of more than 20 years. For the most part, educational reforms since that date have been based on the findings and recommendations of the Royal Commission as contained in its 5-volume report — the now famous Parent Report. That the Protestant minority made substantial gains in education over the Roman Catholic sector prior to 1963 may be attributed largely to the closer ties which existed between the predominantly English language group and its neighbours in the neighbouring provinces and across the border in the northern U.S. states. It is perhaps unfortunate that the Parent Commission made much of the superiority of the Protestant system over the Roman Catholic system in their Report. The smug Anglo-Saxon minority took it

What Is A Toastmasters Club?

My conception of the Toastmasters' Club, and of the training which it affords while based on certain fundamental principles of education, is quite largely the result of experiences and observations through the past fifty years. Our work is based primarily on the principles of learning by doing and improving through practice and criticism. A definition of Edu-

DRUNKEN DRIVER WHO KILLED BOY TAKEN OFF ROAD

A 39-year-old Ville St. Pierre man who was in an advanced state of intoxication when his auto killed a young cyclist last March was fined $1,000 last week and lost his driver's permit for three years.

The accused, electrician Marcel Gauthier, who was charged with criminal negligence, was permitted to plead guilty to the reduced charge of dangerous driving.

Mr. Justice Yves Leduc imposed the penalties with an option of 23 months in jail in lieu of the $1,000 fine.

The court observed in passing sentence that the accused had no prior criminal record.

According to the record, Gauthier's car struck two boys on their bicycle as they pedalled along a road near the Lachine Canal last March 28.

PERSPECTIVE: IS TRUDEAU FRENCH ?

by Russ Faughnan

Daniel Johnson, Premier of the Province of Quebec seems determined to discredit Pierre Elliot Trudeau, candidate for Liberal leadership and Prime Minister of Canada. As Johnson tells it, Trudeau is anti-French, a sell out to the English, and the Canadian press takes up the cry, it is a nationalistic Frenchman against a traitor to his people.

I say nuts!

I say that the press has played right into our Danny boy's hands and made a language issue out of this. They play it up that Canadians will support Trudeau simply because he is French and it will help placate the Quebecers if we have a French Prime Minister.

Again, nuts.

Is Pierre Trudeau French? Does anyone give a dam? Is this a reason to support a Liberal candidate? Of course not. Trudeau has the popular support because he is a man. Not because he is French or from Quebec, but because he is the only one, so far, who speaks his mind. He is a breath of fresh air in the stagnation of federal politics. He is what Stanfield seemed to be before he loused up the "confidence" mess.

Let no one be fooled by the Quebec Premier. Our Danny is a smart cookie. If he is against Trudeau it is because he is scared. Afraid that here is someone who can speak up. Here is someone who has a cold grasp of political realities, who is not afraid to offend. In these uncertain times, it is impossible to please all men. Johnson tries and Trudeau rejects. The latter has his political philosophies and to hell with what you think. Here I am, judge me on what you see. Maybe this is what we need at this time. Not a compromise of principles but a firm statement of aims.

I cannot believe that the Canadian public is turning to Trudeau because he is French. We are not that stupid. Maybe I am naive but I firmly believe that we see him only as the best available. Not French, not a traitor to the English, not even anti-Johnson. Just a dam good Prime Minister. If it be so, so be it.

St. Patrick's Day Festivities

It's that time of the year again when the Irish people and those who want to be Irish get together to celebrate the feast of St. Patrick. The residents of Chateauguay Area are having a dance in Our Lady of Perpetual Help Church Hall, on March 15th. This is sponsored by all the Parish Organizations. The Chateauguay Irish Society in co-operation with the Holy Name Society are entering a unit in the St. Patrick's Day Parade on March 17th. Parade time is 2 p.m. There are 72 units participating in this parade which promises to be the greatest ever.

St. Patrick was born in the year 373. He became a Missionary and Patron Saint of Ireland. He was the son of Calpurnious, a Deacon and his wife Conchessa. At the age of 16 Patrick was seized and sold to an Irish Chieftan, with whom be remained for 6 years. He eventually escaped to Gaul, where he became a Monk, studying under St. Martin at Tours, after which he journeyed to Rome. Pope Celestine sent Patrick to Ireland, where his mission met with tremendous success. Patrick founded a number of Churches including the Cathedral and Monastery at Armagh. He is believe to have died and been buried at a place called Saul, near Down Patrick, (Ireland). On March 17th Irish men and women all over the world celebrate this great day. The Chateauguay Irish Society extends an invitation to all Irish folk and all the residents of Chateauguay to put on their Shamrocks and Green Tie to show the people of Montreal that Chateauguay is proud of its Irish heritage and faith. If you would like more information please call 692-0477 or 692-8442.

CHATEAUGUAY VALLEY CONSUMERS LEAGUE PRESENTS BRIEF TO GOVERNMENT

After several months' hibernation, the Chateauguay Valley Consumers League has again swung into action by submitting a brief to the Provincial Government.

The League, a branch of the Canadian Consumers' Protest Association, claims to represent 15,000 households in the Chateauguay Valley, have protested against the possibility of having a sales tax levied on food, children's clothing and educational books, which would mean a considerable hardship for most families in the Province.

The brief quotes an average family take-home pay of approximately $360 per month, and claims that such a family's food costs would increase by $14 per month. The brief goes on to point out that approximately 20% of Quebec's population has an income below the quoted average.

The League goes on in its brief to suggest means where by the Government could find other ways of raising the necessary revenue, including a Government - run lottery, a higher cost of annual licences on pleasure craft such as private aircraft and boats with more than 50 h.p.

The brief states that if — and only if — it is absolutely necessary, sales taxes on luxury items such as jewelry, furs, perfumes, cosmetics, antiques, giftware and alcoholic beverages could be increased to 10%.

The League's Acting President, Mrs. Ellen Harnest, reports that last Fall an appointment was held with the Federal Miniser of Consumers' Affairs, Mr. John Turner, at which protest was made against the high prices of drugs and medication, Mrs. Harnest states that she has been assured by Mr. Turner that action will be taken on the outcome of the investigations of the special Joint Committee of the Senate and the House of Commons on consumer credit.

INDIANS AIM TO PROTECT INTERESTS

Quebec Indians, wanting to "run our own affairs, our own house", have formed a fully-autonomous association to protect their interests.

And with the association's establishment — replacing the Federal Government's Indian Advisory Council — has come a request that Indians be given a voice in any conference considering possible changes in Canada's constitution.

Caughnawaga Chief Andrew Delisle yesterday announced that representatives of Quebec's 25,000 Indians have formed the Indians of Quebec Association.

The association, he said was established to give Indians more "autonomous authority" and to force recognition of their "aboriginal sovereignty".

Chief Delisle, who said the group now is the sole spokesman for the province's Indians, hoped the idea would spread to other parts of Canada, resulting in other self-controlling and self-governing associations.

The federal Advisory Council, he continued, is powerless and has failed to accomplish anything positive.

'No Consultation'

The council was convened at the discretion of the government. We never had the ability to consult, since the agenda, prepared by the department, was given to us just the day before the meeting."

Chief Delisle said Quebec's Eskimos and Métis have expressed interest in joining the association "because they feel they can get better protection".

The Caughnawaga chief said Indians had requested representation at the recent federal-provincial conference in Ottawa, but had been told Indian Affairs Minister Arthur Laing would protect their interests.

"Only Indians can speak for Indians and protect their own interests," he said.

Drugs And You

By TONY CORNFORD

The availability of drugs through illegal means is a reality. Many of the former frames of reference around drug use are outdated and rather inadequate for dealing with this question. Many beliefs that were accepted in a general sense previously may stand to be re-examined now, as the topic 'drugs' becomes one that is close at hand.

"A younger group of people is actively interested and engaged in taking drugs of various types. Large numbers of young people from the beginning of their teen years — and in a few cases even younger — are experimenting with various forms of illicit drugs.

In order to exaluate the best way in which to deal with this subject effectively, it is wise, essential, and mandatory to have considerable knowledge about drugs in order to understand the various implications that are present. It is no longer sufficient to possess the usual negative attitude toward drugs and expect to dialogue with teenagers who have a subjective understanding. The sophistication of teenagers places a demand on adults to be able to honestly and objectively discuss the subject, extending sound knowledge and rationale.

"Virtually every drug known to man is obtainable through legal or illegal (Black market) channels. Heroin may only be available in large cities, while Marijuana is found almost everywhere. OF ALL NON-ADDICTIVE DRUGS WHICH ARE ACQUIRED ILLEGALLY, THE EASIEST AND CHEAPEST TO OBTAIN IS MARIJUANA.

"There are an abundant number of problems that we have to deal with today and although we may discuss 'what possible solutions can be found to eliminate **this** problem, in the long run the continuing education that we all ignore will have to be looked at.

As I can tell you that if we wait until some teenager who has experimented with some of these drugs gets hurt and that we still sit and watch the idiot box, we in Chateauguay are in trouble. **Drugs are a problem in all areas of Montreal and Suburban communities NOW.**

If your Service Club, Church Group, Home and School, etc. are interested in obtaining a speaker on this subject or further information call me at 691-2135. "DRUGS AND THE EFFECTS."

Respectfully,
TONY CORNFORD,

CENTENNIAL PARK SCHOOL HAS OFFICIAL OPENING

Last Sunday afternoon almost three hundred attended the "Open House", marking the official opening of the Centennial Park Elementary school in Chateauguay Terrace.

Guided tours, by members and executive of the Home and School Assoc. were provided: display of materials and books: teaching aids; audio visual equipment and the gymnasium.

All the teachers were on hand to answer the many questions concerning methods of teaching. The whole school is quite impressive. A library with hundreds of books is available to all the students from Grade one up to six.

Two of the H. and S. members are in the process of building easels for art work and one of these was on display, built by Messrs. Miller and Brown.

May we take this opportunity to congratulate Mr. H. Dorrance and his staff on their school.

Mount Royal Fashion Show For Northern Electric Employees Feb. 19 To March 15

Nearly 1,000 members of the Northern Electric Office Employees Association, many of whom live in Chateauguay were on hand last Friday evening in the Mount Royal Hotel to enjoy a fashion show modelled by some of their own colleagues. Star turn of the modelling was undoubtedly Chateauguay's Art Dorey, who swept on in the approved manner as the last turn of the evening to model a topless swimsuit! To roars of applause from the audience and from the professional commentators alike, let it be added. Some initial nervousness on the part of the girls modelling the spring fashions soon disappeared, and in this they were much helped by the smooth, witty, and appreciative comments from Miss Dinah Christie and Mr. Laurier LaPierre, who had both most generously given their time to this event, proceeds of which all went to the March of Dimes.

The ballroom on the 9th floor of the Mount Royal was filled to capacity as Susan Dawes, Kerry Kearney, Sheila Edwards, Coleen Milmine, Louise Martineau, Linda Ferguson, Rita Poirier, Carole Ward, Pat Davies, Antoinette Camplone, Pauline Bouchard and Monique Leduc showed some stunning spring fashions — career girl clothes, sport clothes, at home clothes — the lot.

Nothing to do with fashion shows, but the Northern Electric Office Employees Association is now a member of U.A.W. the United Auto Workers International Union. In my ignorance, I had supposed that those who belonged to the United Auto Workers, whose president is the

OPEN LETTER TO MAYORS RICHARD SUTTERLIN AND JOSEPH LABERGE

We wish to thank you, Mayor Laberge, for your letter. It took a long time to reply considering the answers you came up with. Concerning figures for Chateauguay Centre, if you are trying to answer for Mayor Sutterlin, we do not accept. We are addressing our questions to two different Mayors and Municipalities. As we have not received a reply from Mayor Sutterlin, we are not ready to let this gentleman off the hook so easily.

As for your cordial relations between the five municipalites, it's not worth a dime, if it takes your helpers thirty minutes to respond to a fire call, when all it can take is five minutes to destroy a home. In the meantime, what happens to the police protection when you have every available constable in the five municipalities at a fire?

When we refer to the Iron Works fire, we feel that it was bad enough, when you stop and consider that the fire station is only three doors away, and that the four walls are made of cement blocks, leaving only the roof to burn, and that is exactly what happened. How many homes in the area are made of cement blocks? Also what has the time element in repairs got to do with the fire loss?

The fire alarms that were responded to in the Town of Chateauguay in 1967 are, we admit, low, but when you lose one in every nine and as you stated, one in every five in Chateauguay Centre, we would not rejoice too loudly. Mr. Laberge that is nothing to be proud of, — it's a disgrace.

We also question your conservative figure of $250,000 per annum for operating costs. We know that fire fighters are making between $6,000 and $7,340 per annum. So your figure of $162,500 means you would pay 50 men a starvation wage of $3,500 per annum. A permanent department of twenty-two men costs $129,244.00, and we might add this is the total cost of this fire department. Also, Mr. Laberge, your fifty men working fifty days is ridiculous and you know it. Is it not in fact true that the fire fighters are working forty-two hours a week, or two hours more than the constables? We suggest, Mr. Laberge, that any figures you give to the public be the proper figures and that you quit trying to snowball the people.

Mr. Laberge, since you have resorted to name calling, we must in fact assume we have finally touched a sore spot of the council. Just because two citizens, and we might add that there are other interested parties concerned on this subject, it does not give you cause to reply in this manner. If you cannot accept the questions put to you without replying in a sarcastic manner, then we suggest that you and your council resign from office. There must be other interested citizens who are capable of helping Chateauguay area to progress.

Chateauguay News Notes

A Letter to the Iditor of considerable interest to Chateauguay readers appeared in last week's Huntingdon section (page 2). The subject of the letter was amalgamation of Heights and Town and the letter claimed to be a representation of the disadvantages of amalgamation.

Mayor Richard Sutterlin is out of town for the next two weeks. Centre Pro-Mayor is Alderman Joseph Petrilli.

Chateauguay Centre's valuation roll is now deposited at the Town Hall. See public notice eleswhere for times and dates when property owners may go and inspect the roll.

One of our observers reports that a late model car flipped over and landed on the shore ice of the Chateauguay River early one morning last week. The car, with two men inside failed to negotiate the curve in the road in front of the Salaberry Hotel (near the bridge over Highway 3) and went right across the road, down the bank and upside down. Both men were fortunately not seriously hurt. Two tow trucks were required to get the car up the steep bank and on to the road once more.

Billings High School students are entertaining the patients at Douglas Hospital this week, with their Variety Show. The show will be abbreviated for obvious reasons. Equipment and personnel require a lot of work to move.

Next Sunday evening, try to get out to hear the Choral service to be put on by two local and one Candiac choirs. Locale is Maplewood Church on McLeod Avenue near Maple. Admission free.

Town of Chateauguay Council has given a grant of $25.00 to the Quebec Foundation for Heart Disease.

The two benches sponsored by the Town last year at Expo '67 are being given to "Man and His World' permanently.

That construction work going on beside the pumping station at the corner of Youville and St. John Blvd is for a "comfort station" to serve the adjacent St. John park and playground.

The valuation roll of Town of Chateauguay is still available for tax-payers to examine — up until closing time, March 13th.

Town Police report only four minor traffic accidents since Feb. 26, up to the time of writing (March 4).

Town Constable Gagnon, working in plain clothes this past week, has been instrumental in arresting four local juveniles (all boys) in connection with three restaurant break-ins and two thefts from Laberge School. In the latter, one theft in January netted the boys $83.00 and in February $120.00 from the automatic vending machines in the school.

The boys were taken to court in Valleyfield last Thursday, Feb. 29th, when the Judge released two on probation and the other two are to be held until the 15th of this month, when the Judge will make a decision on their fate.

Some of the money was recovered and some mechanics tools, drills and wrenches.

Two homes in the Heights were broken into during the past week-end, one on Hamilton and one on Gilmour St. At time of writing Police were still investigating, but it is known that color television and radios were among the articles stolen.

A bus service is now being run in the Parkview area, into the city.

At a recent meeting of the Centre Council, a lengthy discussion was held concerning the Industrial Park.

Editorial

Congratulations On Keeping It Alive

As announced in the news section of this issue, the Community Association of Greater Chateauguay has been formed. It is the intention of the new Association to operate the Seigniory Park Country Club's facilities as a Community Centre and Swimming Pool, starting on June 1st 1968 — less than three months from now.

The Country Club has played a notable part in community life since it opened its doors in the summer of 1961. Originally conceived as an incentive to prospective home purchasers to locate in Chateauguay, the Country Club can fairly be said to have played a significant role in the phenomenal population growth in Chateauguay in recent years, during which the total evaluation of the Chateauguays has increased by several hundred percent.

The decision of the present owners of the County Club, Concordia Estates, Limited, to discontinue operations was announced early this year, and it was early recognized that the future of the Club would in all probability be limited to that of a community project. The circumstances of 1961, which made the creation of such a club attractive to private enterprise, no longer exist today. In its day, the club offered to Montrealers the unique combination of swimming pool and social facilities which were new to the Montreal area. This is not so today, when no new high-rise apartment building would ever appear without its accompanying pool. In Chateauguay itself, community-type pools abound. In spite of the fact that the reason d'être of the Country Club was to attract home-builders to Chateauguay, Club Management always seemed to adopt the apparently self-contradictory policy of placing almost complete economic reliance on non-Chateauguay membership. This policy has of course been resented by Chateauguay residents.

The newly-formed Community Association comes into existence with substantial support already pledged. A well-known Chateauguay resident has been reported as willing to undertake the Presidency, and full co-operation has been promised by local service clubs and the Chateauguay Y.M.C.A.

Club grounds cover 23 acres of woods and shaded picnic grounds which include a children's playground, wading pool and barbecue pits. The Clubhouse is available for dancing and has a kitchen with full catering facilities.

Downstairs is an attractive lounge. Summer activities will include water polo, swimming instruction with racing and diving competitions, basketball, badminton, archery, table tennis and deck tennis. Winter activities, while mainly centered in the clubhouse, will include outdoor hockey and skating.

The Chateauguay Gleaner extends greetings and best wishes to the Community Association of Greater Chateauguay.

too much to heart and has been generally slow to respond to the need for change in education. While they wasted their time expressing their fears that they would be held back for the Roman Catholics to catch up, the Roman Catholics have made most remarkable progress in many areas of education. If we don't soon conquer our smugness I question who will be leading whom.

A most significant change in educational organization was the regionalization of the entire Province with the creation of 55 Roman Catholic and 9 Protestant regional school boards. The underlying purpose of regionalization was to establish larger groupings of students at the high school level in order that it might be practically and economically feasible to provide a wider range of course offerings and levels of these courses to more adequately meet the individual student needs.

Passed in May 1965, Regulation One was the first important regulation drafted by the new Department of Education. The underlying philosophy of the regulation is based on the fact that Children differ greatly in ability, interests, aptitudes and rates of achievement, as well as in personality, emotional and social adjustment.

Mr. Mosher reported on some of the achievements attained in Chateauguay during the past few years.

Today under the Regional High School system we offer 26 High School leaving courses (with more to be offered next year) as compared to 10 courses offered previously which met the major academic needs of 10-15% of the student body.

In 1963-64 the first high school guidance and student counselling programme was initiated at Chateauguay High School.

In 1964-65 pre-school education at the Kindergarten level was introduced in the Chateauguay school system. At the high school level the grade promotion system was replaced by the introduction of subject promotion. Also the Chateauguay Board provided for its first special class and gave recognition of the special needs of a particular group of Children.

A comprehensive library development programme for the elementary schools was initiated and an excellent librarian was engaged. We now have a Remedial Consultant and Helping Teacher to offer assistance and guidance to other teachers. A reading-to-level program was initiated in the primary grades. This was an essential first step in the development of continuous progress in the elementary schools.

In 1965-66 the reading to level programme was more fully developed and a modern mathematics programme introduced. At Chateauguay High School subject promotion was further complimented by a completely individualized system of student time-tabling.

This school year has seen more changes. The Regional Board assumed full responsibility for all high school and special class education throughout the Chateauguay Valley. The new Chateauguay Valley Regional High School the first new Protestant comprehensive high School in Quebec, opened in September to an enrolment of 960 students including English language Roman Catholics as well as Protestants. The Howard S. Billings Regional High School opened to an enrolment of 1532 students of both denominations.

Thus many changes have been introduced in our school system over the past few years. The real success of our undertakings rests with a complete involvement by the teaching personnel and no small degree of dedication on their part. A large part too must be played by the parents. With the welfare of your children so deeply involved, it would seem that you should be so keenly concerned as to press your teachers and school administrators for an active dialogue and forum to discuss all phases of the progress of education in Quebec.

cation. Toastmasters believe that Education is a process of drawing out the person to be educated, rather than pouring into his mind information from the exterior. Added to these basic concepts is my conviction that the power to communicate is one of man's greatest endowments. To learn more about our club come any Monday night to the Rustik Restaurant and see Toastmasters in action.

On Monday, February 26th, the Toastmaster of the evening Des Harwood did an excellent job. He was assisted by Bill LaBelle as Topic Master, Pat Gilmore as timer, Clarence O'Connell as grammarian and Tom Kavanagh as General Evaluator. There were two six minute speakers. Fred Leuille made his Ice Breaker, and he did a wonderful job for his first attempt. The second speaker Colin Jones spoke about his journey through Bombay and our final speaker Bill Gills spoke about the second Judas, General Charles DeGaulle. This concluded the regular part of the meeting.

We had a visit from our area Governor Archie McGowan. He was introduced by our President Bert MacLaughlan. There were three guests at this meeting, Harold Potter, Al Hill, and Tony Croft. To these men we extend an open invitation to come back again. The meeting was adjourned by our President at 10 p.m. For information call 692-0477 or 692-6894. See you at the next meeting.

CHIEF ANDREW DELISLE OF CAUGHNAWAGA TO SPEAK AT BILLINGS HIGH SCHOOL

The Interim Committee of interested parents of Howard S. Billings Regional High School have invited Chief Andrew Delisle of Caughnawaga to be their guest speaker Wednesday, March 13.

With the integration of another school area (Sept. 1968) in the Protestant Regional system in Chateauguay, it is hoped parents will be present to hear this notable speaker.

Chief Delisle's topic will be, "The Aims and Aspirations for the Education of Indian Children in the Regional High School in Chateauguay".

The meeting will be held in the gymnasium of the Junior High School 214 McLeod Avenue, at 8 P.M.

Before the talk, a short business meeting will be held. Coffee will be served after a question and answer period.

Parents of the community are invited to attend this meeting.

ST. GEORGE'S NOTES

The Social Relations Committee are once again sponsoring a children's movie next Saturday, March 9th, at 1:30 p.m. Parents are asked to please note there is one showing only. A cartoon comedy and the movie "Sign of Zorro" will be presented. A small admission charge will help to defray cost of rental of the film. This is open to all children.

The Communications Committee need assistance in the collation and mailing of "The Crusader", six times a year. One and a half hours is all that is required, for the mailing to be completed. If any of the ladies (or gentlemen) are able and willing to help, please contact Mrs. Ferguson at 692-0910. She will be happy to hear from volunteers.

Last Sunday at the 9:30 A.M. service, the Choir sang the anthem, "Turn Thy Face From My Sins", by Thomas Attwood. Miss Anita Huntley Peck, a recent addition to the Senior Choir made her debut as a soloist in St. George's, singing the soprano solo part of the anthem.

Miss Huntley Peck has just been in Canada three months, and joined the St. George's Senior Choir shortly after her arrival in this country.

Quote Of The Week

"The ability to identify, participate in and lead the way towards solutions to real contemporary problems has long been a characteristic of the Y.

With ways of life in our communities changing at an unprecedented rate, in hitherto unthought of ways, this ability is being more severely taxed than ever before.

Aim of your Chatauguay Y is to provide meaningful programmes to meet immediate needs of young people".

Chateauguay Minor Hockey

The East and West finals are over and there are some happy teams and some disappointed ones too, over the results. In the Atoms the Terrace won out. Now in the Mosquito section, the Terrace were the winners, I do not know how their games came out but I was told the Terrace won.

In the Pee-Wee's it was between the Terrace from the East and the Kings from the West. The first game was played last Thursday at the Terrace rink. After three periods of play the game was tied 3-3 and so they were forced to play overtime. In the first 10 minute period of overtime there was no scoring from either side, so another 10 minutes was played and still no one could score. Then the third ten minutes was played and don't ask me what happened but it seemed the roof fell in on the Terrace as the Kings exploded and scored six goals (Yes I said six goals) inside of eight minutes. So the Kings won the first game 9-3. The big guns for the Kings were F. Doucet with three, R. Tetherien with three and G. Peters, I. Craig and D. Laxton with one each. The second game was played last Saturday at the University of Montreal and it was quite a game. At the end of the first period it was tied 1-1 with goals by M. Trottier for the Terrace and F. Doucet for the Kings. But this was just the start as the game ended 4-3. F. Doucet got his second goal in the second period and G. Peters got one for the Kings. M. Trottier got two more and the game was tied 3-3 till about one minute left to play in the third, when M. Parent scored and won the game. So the Kings come out on top by taking two games straight. I might say the Kings did well as they played their first game right in the Terrace backyard and beat them.

Now in the Bantam section the Beavers took on the Gardens in their first game and clobbered them 5-0. The big guns for the Beavers were K Doherty with three and P Didkowsky with two.

In the second game the score ended the same as the first 5-0 for the Beavers. But I'm sorry to say it didn't end in a very sportmanship like way. The boys seemed to start the ball rolling by a bit of rough stuff. But when the fans start getting on the ice and putting their two cents worth in it, well it's not nice to see. We are trying to teach the boys to be good sports and play the game the best way they can. M. Couture and R. Lee did a good job of keeping things in control up to a point, but when things seemed to be getting out of hand they called the game. So Beavers were awarded the game and they win the championship. The scoring was shared by five boys in this game. They were B. Garnier, C. Miller, T. Crawford, P. Didkowsky and K. Doherty. K. Doherty also got three assists. I might say at one point of the game the Beavers were short handed by two men and T. Crawford did a fine job of checking and keeping the puck out of his end of the rink. He also got two assists.

I have not heard how the Midgets ended as yet, so I'll try and get the results for next week.

VETVILLE VIEWS

By Mrs. Jalbert — 692-2044

As I mentioned last week, the St. Hubert Legion Branch 159 came to Vetville to entertain us. Jimmy and Betty Stevens did very well. Quite a few Vetville people contributed to the entertainment. Mrs. Lucy Wyatt sang the old Yorkshire folk song "On Ilkla Moor Bat At". Did you non-Yorkshire folk know that this being translated means "On Ilkla Moor without a hat?" Other performers were Mrs. Jessie Gowan, who recited an old Scots poem, Mrs. Mary Milloy and old reliable Dave Finlayson.

Mrs. Betty Stevens tells me that next time, instead of Branch 159 coming to Vetville, they are going to send a bus to fetch us.

There will be a general meeting on Tuesday, March 12, at 8:30 p.m.

It was nice to see so many at the cards last Wednesday. It was good to see Mrs. Pitts around again, also Nellie Lecouffe, Bill Cooper, Mrs. Teague, Nellie Meilleur and Mary Marks.

ST. ANDREW'S NOTES

The New Testament Scripture Lesson (Luke 9: 18-26; 51-62) at last Sunday's Morning Service was read by Mr. Robert Douglas. Mr. Douglas is Vice-Principal of the Howard S. Billings Regional High School in Chateauguay, and his presence in St. Andrew's pulpit was in salute to Education Week in Canada. The theme "Don't quit — choose," is meant to encourage young people to stay in school and to select those courses that will help prepare them for life. More and more courses are also being offered to adults who wish to continue their education, to specialize or to take refresher courses after normal school days are over.

Mr. Howard C. Fraser's sermon topic was "Followers of the Way", and the Choral Anthem was Isalaw's "Sanctus".

"All Things New" is the theme of a series of Bible studies to be used by the women who meet at the Manse on Tuesday mornings.

Next Sunday a special Service is to be put on by a group of St. Andrew's young people on the theme "Is God dead?"

On Sunday, March 17th, there will be morning and evening Worship Services at St. Andrew's, commemorating the 135th anniversary of the congregation. Dr. Donald M. Grant of Montreal will be the guest preacher. The Anniversary Supper will be held in Memorial Hall the following Friday, March 22nd.

Catholic Women's League News

The C.W.L. of Our Lady of Perpetual Help Parish Council will hold its general monthly meeting on Monday, March 11th., at 8:30 p.m. in the parish hall.

Mr. Gauthier of the Canadian Cancer Society will present the film, "Two Women" and a companion feature. A doctor will be in attendance. Members of the Beauharnois and Hudson Councils have been invited to attend.

So till next week, I'll see you at the rink.

BILLINGS JUNIOR HIGH CHATTERBUZ

(By Leslie Ann Faughnan)

A Student Council meeting took place last Wednesday, February 28th. As you probably know, George Aslanian, has resigned as vice-president. We have been without a vice-president for some time now which is pretty unusual for any organization. So the Council finally took some recognition of the matter and the class and club representatives voted for a new vice-president for the Student Council. Gervase Bushe of 7-9 was elected.

An entertainment committee was appointed for several reasons. For one the constitution says that the Council must have one and secondly we would like films to be shown on a regular basis. And to do this we need to have a special committee. The members of our entertainment committee are: George Carroll, Debbie Burns, Linda Laxton, Carl Noble and Grant Mitchell. This committee will be our permanent entertainment committee.

Look forward to more news on a swim meet and two dances coming in the spring.

Our sincere apologies go to the King of H.S. Billings. In last week's issue we announced the King as being Gary Clark. We are very sorry and we hope Allan McIsaac, who was the real King will accept our apologies.

Are you bored? Tired of dull monotonous games like poker or tiddly winks? Do you have nothing better to do after school besides homework? Do what lots of H.S. Billings students do to beat the boredom: join the chess club. What do they do at the Chess Club? Well, there is chess playing in Room 22 after school. All games are recorded and there is a real great prize for the person who wins the most games. There are tournaments, general meetings and lots more. The executive consists of: President, Warren Walker; Vice-President, Mike Walley; Treasurer, Peter Ascroft; and Secretary, Danny Levaque. Their staff advisor is Mr. Hallem. They're a team you can rely on. Now that you've heard about the Chess Club, we are sure that you'd like to join. Here's how: you can contact Peter Ascroft in Grade 8-3 or Mike Walley in 7-2, come to room 22 after school or put your name grade and home-room number on the registration sheet you will find on any bulletin board. So don't stay in the rat race; get up and join the Chess Club now!!

Rev. John Allan To Leave Maplewood

It was announced recently, that Rev. John Allan, minister of Maplewood Presbyterian Church, on McLeod Avenue, would soon be leaving Chateauguay to take up duties in Willowdale, Ont.

Rev. Allan has been in this area for about seven years and had become well known, not only locally, but through the Valley.

Although the congregation all regret Mr. Allan's decision to leave, they also realize that one cannot just stand still. To broaden one's outlook it is sometimes necessary and wise to go further afield.

Mr. Allan will be leaving during the Easter week, with his wife Marjorie and their baby daughter, Susan.

To date, there has been no news about a successor to Mr. Allan.

Maplewood Presbyterian Church Notes

Sermon topic last Sunday was entitled "The Kingdom — Come and Coming" and was a further development to the theme of The Lord's Prayer which Rev. Allan is using during the Lenten period.

Hymns sung were "Jesus Shall Reign", "Hail to the Lord's Anointed", "Come Children Join to Sing" and "Come, Thou Everlasting Spirit."

Next Sunday evening at 8 p.m. the Choirs of Candiac and Chateauguay Centre United and Maplewood will present their Choral Service at Maplewood. The Service will consist of Anthems by the combined Choirs, together with solos by members of the respective choirs. The public is cordially invited to attend. There is no charge for admission.

On Saturday, March 16th, at 5:30 p.m. a Family Buffet Supper will take place with entertainment by the various Youth groups.

C.V.R. ADVANCES IN SENIOR HOCKEY

February 26, Valleyfield — Chateauguay Valley Regional High School of Ormstown advanced to the quarter finals of the Provincial High School Hockey Championships by defeating Chambly County High School of St. Lambert 3-2. The score was close, but in shots on goals there was no contest. CVR dominated the play on ice with 28 shots on C.C.H.S. goal. C.C.H.S. managed only 5 shots on the CVR goal.

In the semi final C.V.R. has to play Lachute High. The winner of this contest will go on to the Provincial Tournament at Bishop's University.

PUBLIC NOTICE

County of Chateauguay
TOWN OF CHATEAUGUAY-CENTRE
PROVINCE of QUEBEC

PUBLIC NOTICE is hereby given by the undersigned Laurier Legault, Town Clerk of the Town of Chateauguay-Centre:

That the valuation roll for the year nineteen hundred and sixty-eight (1968), as prepared by Mr. Pierre L. Monette, Ing.P., Municipal Evaluator duly appointed, has been deposited at my office, at the Town Hall, 25 d'Anjou Blvd., Chateauguay-Centre, on the 28th, day of the month of February 1968.

PUBLIC NOTICE is also given that the said valuation roll will be at the disposal of all interested parties for inspection, during the THIRTY (30) DAYS following the day of the deposit of the said roll, to wit: until the 29th day of March 1968 inclusively, and in the meantime, anyone who has a complaint to make against the said valuation roll as prepared, for himself or for another person, can appeal to the Revision Board by giving to the Town Clerk a WRITTEN NOTICE to this effect, containing his reasons for complaining and the amount of valuation he deems just and fair for his property.

THAT at the request of Municipal Council, the Town Hall will remain open to the public, as follows:

Every day of the week, including Saturdays, from 9:00 o'clock A.M. to 12:00 o'clock (noon) and from 1:00 o'clock P.M. to 5:00 o'clock P.M. Every Tues. and Thursday betwen 7:00 o'clock and 9:00 o'clock P.M.

Given under my hand and the seal of the Town of Chateauguay-Centre, this 29th, day of February 1968

LAURIER LEGAULT,
Town Clerk,
Town of Chateauguay-Centre

H. S. BILLINGS HIGH NOTES

by Barbara Allen

With the exhilaration of Activity Week gone, last week seemed dull and routine. The end of winter slump season has hit everyone.

There were, however, a few bright notes. Students were warned to watch their step in the hallways as a turtle was believed missing from Room 45. This produced a remarkable effect on student morale for a while until the turtle was found.

The Variety Show will be presented today March 6th., at the Douglas Hospital in Verdun. Part of the show will be cut out to reduce the amount of equipment and technical people needed. Rehearsals were held last Saturday.

The Grade nine Agriculture classes went to Macdonald College on Friday afternoon, February 23rd. I heard all about it the following Monday. Apparently the Agricultural Exhibits are bigger and better than ever. I think all Science students, (this includes Physics, Biology, Chemistry) should go on a trip to Macdonald as it has many areas which would be extremely beneficial for these 10-11 course students. I went in Grade nine and from what I learned there, I feel a second trip would be very valuable.

Volleyball practice for girls is being held now. The team will be picked in a month or so for the tournament games.

The number of people adorned with casts in school is astounding. Even the teachers haven't escaped it. There are leg casts, arm casts, wrist casts, and foot casts in abundance. At this time of year, I imagine the reason for the casts are the many skiing mishaps which have a way of occurring on school ski trips.

I'm sure everyone is looking forward to the Teacher's Convention holiday — March 28 and 29th. Then, following that very closely will be Easter holidays. It seems rather regrettable that they couldn't give us the few days in between the two holidays off. By "they" I mean the School Board. However, the more we learn, the more money we can make in that big business world outside. So, we shouldn't really complain. That's all for now.

THE PRO SHOP

The Russians have a great hockey team. After this year's Olympics, there can be no doubt about that. They played great, almost perfect hockey on this particular Saturday against Canada. It was not only the 5.0 score. Watching the live telecast, we saw the tremendous power and skill of this team. Almost every pass was right on the mark. Wings flew over the blue-line a split second after the puck-carrier. A magnificent display — as far as it went.

Perhaps it went too far. It demonstrated the futility of trying to play the game as it is played in Europe. It seemed to us as if we have sent boys to do the work of men. Strength was the name of the game and the Russians' superior strength was most apparent inside their opponents' blue-line. Everyone of them could wheel in front of the net, brushing a Canadian aside as easy as the Rocket of old.

We have two choices. Drop world hockey if played on their rules or develop players to use their style. Big players. Strong but fast. Of course we could always insist on our rules. Even at that, it would take our best to beat teams like Russians, consistantly. The N.H.L. Canadians would kill them. European players would cross that blue-line with a little less confidence if they knew they would be hit by a Terry Harper. They would not be so loose in their own end when faced with the strength of a John Ferguson or the speed of a Cournoyer. But this will come, and soon. If only because there is little progress to be made on the present. "Amateur" basis.

Dick Duff scored his second hat-trick of the year and his team mates survived another sloppy third period on Saturday night. They were great for two periods with Jacques Laperierre seeming to break up rushes at will. Rousseau was flying and it's only a matter of time before he hits the score sheet with a few Maybe just in time for the Playoffs. Meanwhile, Chicago has a four point week-end with Mikita and Hull recovering their scoring touch. New York also goes for four points on some great team effort and now sit in third place. Boston slips to fourth without Bobby Orr and Toronto seems to be out of it. It couldn't happen to a nicer coach.

ProPics: Even the Leafs must win against the Orr — less Bruins. Minnesota should handle Detroit and the Hawks will take Los Angeles. Pittsburgh will beat Oakland and the big game should be the Rangers in Montreal. It should be a corker but we see the Canadians putting a sudden halt to the New York drive.

Chateauguay Centre United Church

The United Church Women are in the midst of a very interesting and busy schedule. Their inspirational and Educational program sounds very interesting and a warm welcome the first Tuesday Evening of each month awaits any lady wishing to attend the meetings. The place is the Church Building, 161 Parkview Blvd.

Next Sunday, March 10th., at 8 P.M. a Singspirational Evening at Maplewood Presbyterian Church. Our Choir along with Candiac United and Maplewood will be taking part.

The Senior Choir members have had a busy (but very pleasant) schedule during the past couple of weeks, therefore, there will be **no** practise on Saturday March 9th. However, **all** are to make every effort to attend practise on Wednesday Evening at 8 P.M. at Maplewood — and Thursday 8:45 P.M. at St. Andrew's United Church.

Are you new to Chateauguay Centre? Perhaps you would like to know what happens locally. Well we don't know everything, but the following is the programme for the week of March 4th., at the Church Building 161 Parkview Blvd. For further information, please call Rev. Goold at 691-3750 or 691-0425.

Monday, 7: P.M. — Rangers

Tuesday, 8: P.M. — United Church Women.

Wedenesday, 3: P.M. — Messengers; 8 P.M. — Senior Choir at Maplewood.

Thursday, 3:30 P.M. — Junior Choir; 6:30 P.M. — Brownies; 8:45 P.M. — Senior Choir at St. Andrews.

Friday, 7 P.M — Ping Pong.

Saturday, 10 A.M. — Explorers.

Sunday, 9:30 A.M. — Sunday School; 11 A.M. — Worship Service at St. Paul's School; 1:45 P.M. — Confirmation Class; 3 P.M. — Coffee House (Grade 9 Students and up); 8 P.M. — Choral Evening and Fellowship at Maplewood Presbyterian.

much respected Walter Reuther, had at least something to do with making cars, but Art Dorey assures me this is not necessarily so. He says one shops around for a union to guard one's rights, much as one shops around for the best possible insurance policy, or the best purchase of any kind. U.A.W. seemed to the negotiators to offer the best security, the best conditions and the best training and technical courses, and so after some hard bargaining a successful service contract was signed which runs until February 28, 1970.

Ayrshire Appointments

With further reference to the Annual meeting of Ayrshire Breeders' Association of Canada, held at Holiday Inn, near Toronto, Ont., February 15, 1968. In addition to the appointments and elections previously reported by this writer it is noted that four of the five Ontario directors were re-elected for further terms of two years each, including Alex M. Wallace, Smiths Falls, Ont.

Alex Wallace is a son of the late James M. Wallace, Athelstan, Que., thereby a brother of Henry and Matthew Wallace of Athelstan, and John M. Wallace, Ormstown. Professionally, he has been the Eastern Ontario Representative of Swift Canadian for a long number of years. However, he also personally owns and operates the Wallaceburn Ayrshire herd of Smiths Falls. Ayrshirewise, and before joining the Swift Canadian Field Staff, he earned an outstanding reputation as a Herdsman during the several years he had charge of the then noted Credholme Ayrshire herd of Streetsville, Ont.

The other three directors to be re-elected were W. G. Reid Ashburn (subsequently appointed Vice-President); Marvin Green, Brantford and R. Roy Simmons, Finch.. Rowan Stansell, Aylmer, Ont., was the fifth director to be elected.

During the business meeting, says a report, the members exercised their prerogative by amending a recommendation from the Board of Directors in connection with the selection of an Ayrshire Judge at the 1968 Royal Winter Fair. In brief, it was recommended that the exhibitors be permitted to record their choice of one of the six men named in the recommendation. However, the meeting proposed the name of Owen Richards, Red Deer, Alta., as Judge, rather than by a vote by exhibitors. Mr. Richards was Reserve Judge last year and was one of the six proposed by the Directors to be voted on by exhibitors.

Holsteins to France

A Holstein-Friesian Newsletter reports that a plane load of 58 purebred Holstein cattle has been shipped from Canada to France. Included were 9 bulls and 49 females. The females were selected and shipped by Anthony Roman, Unionville, Ont.; six of the bulls by Rockwood International, and the other three bulls by Interag, Port Perry.

The females, consisting of nine cows, nineteen bred heifers and twenty-one open heifers, were consigned to nine different breeders, none of whom will receive more than six head each. These cattle will be tested on French farms, under the same conditions as the average dairy cattle in the herds, and will give French dairymen an opportunity to see how Canadian Holsteins compare with their own.

The cattle are all of good quality, says the report, the cows having completed official production records, and the heifers are all from dams with official production records and classified at least Good Plus for type. Many famous Canadian bulls are represented in the bloodlines of these animals, in the sires and service sires.

Oakburn Red Aster

The February issue of The Ayrshire Digest carries a report of the Ayrshire section of the first World Dairy Show at the World Food Exposition which was held at Madison, Wisc., U.S.A. last September. The Dairy Show having been comprised of more than 1,100 head of dairy cattle.

One of the features of the Digest's report is a photograph, titled: "Oakburn Red Aster, nearly 10 years old, was Style's Grand Champion". A description which well fits the appearance of that animal.

The report reads, in part: "Ayrshire breeders from several mid-western states assembled a fine quality Ayrshire exhibit. Showing real style but not her age, a 10-year-old cow, Oakburn Red Aster went all the way to Grand Champion honours for her owner Henry Bartel, Hastings, Minn."

As indicated by her name, Oakburn Red Aster was bred by G. A. Roy and Son, Oakburn Farm, Howick, Que.

All American Contest

The February issue of The Ayrshire Digest also carries the photographs of the 1967 All-American Nominations, in the various classes. It is noted that one of the bull calf nominees is Melody Lane L. Challenger, owned by Fred J. Bova, Burke, N.Y. That calf was first, Junior and Grand Champion at Penn-All American, Malone and Plattsburg Fairs; second at New York State Fair.

Springbrae Miss Fancy 2nd., one of the six nominees in the four-year-old class, is also owned by Fred J. Bova. Her credits are: First, Senior and Grand Champion New York State Fair, Malone and Plattsburg Fairs.

Late Mrs. Louden

The many Ayrshire people of this side of the border will have regretted to learn, as we did, of the passing of Mrs. Samuel Louden of Maple Dairy Farm, Champlain, N.Y.

Mrs. Lowden passed away on December 5, 1967, after a short illness. "She had been an active and enthusiastic supporter of Ayrshire activities in Northern New York which included unselfish and dedicated service to the Clinton-Franklin-Essex Ayrshire Club, of which Club she was Secretary for several years.

She taught school from 1921 to 1956, the last 22 years at Perry's Mill. In 1968 she was to have been recognized as a 50 year member of the Mooers Alumni Association.

Survivors are her husband, to whom our sincere condolan. to whom our sincere condolences.

Eleven fathers attended last Saturday morning's special Father's Day at the Nursery School. Biggest surprise to me personally was the gymnastics feature, which has been introduced for the first time this school year. Mrs. Valerie Campbell and Assistant Mother of the Day Mrs. Edith Vincent worked to a closely scheduled programme, and there was literally no let-up in pupil interest from start to finish. Congratulations to Mrs. Campbell for a grand morning's work, and to Mrs. Vincent for volunteering to do the special assistant duties. I had but one nasty moment — when cups first appeared. "Good", says I, "here comes the coffee". But no, this was the normal mid-morning refreshment break for the pupils. Coffee for the Fathers followed shortly thereafter.

The first General Meeting of the Home Owners Association in a long long time is being held tonight (Wednesday) at the Rustik. The Agenda includes a report on Beach Club developments, a discussion of the new Zoning By-Laws and the Executive's report on coming activities. So all new members anxious for a real live look at the Association's famous brief cases — this is your big chance!

I discovered last week that until six years ago or so, the present wards 6, 7 and 8 were all included in Ward 6. It was only when the boom in Chateauguay's new housing starts got into gear that the old Ward 6 became completely unmanageable by only one Alderman. Wards 6, 7 and 8 are now, evaluation-wise, nearly 75% of the total Town of Chateauguay. Incidentally, Mayor Joseph Laberge, in his Aldermanic days, was the old Ward 6 representative for several years.

Official opening ceremonies for the spanking new Robert A. Jobber School on Bonaventure Avenue, were scheduled for yesterday (Tuesday) evening.

What a pity that Jean Beliveau seems fated to get his 1,000th N.H.L. point during the Canadiens' current road-trip. Can you imagine the scene at the Forum if Big Jean had clicked for No. 1,000 there? It might have saved the owners a lot of money as part of the old Forum is due to be demolished anyway!

Congratulations to Mrs. Charles Field who celebrated her birthday last Tuesday with, among other things, a call from her daughter in New Zealand, which is the longest telephone call I ever heard of — and the connection was as a local call. Now it's not much of a secret that Mrs. Field was born in England, but it is not so well-known that Mrs. Field's birthday this year fell on a really English festival — Shrove Tuesday, that is to say, the Tuesday before Ash Wednesday, the first day of Lent. The occasion was the more noteworthy, because Mrs. Field's original birthday was also on Shrove Tuesday, and Mrs. Field's mother complained for years that she never had any pancakes that year!

Next Tuesday there will be a demonstration by players from Montreal at the Seigniory Park Badminton Club's session in Laberge School. There will also be instruction offered by a representative from the Provincial Association.

Dundee

DUNDEE — On Saturday Cary Carpentier, elder son of Mr. and Mrs. Charles Carpentier, left Montreal by train for British Columbia. Cary will begin his officer's training at a large military base in Chilliwack, beginning with the rank of Second lieutenant. Since his father came to Dundee as a student minister in Zion United Church, Cary has attended Salmon River Central School in Fort Covington, N.Y., where he graduated in 1967. He will be missed by young and older, being an active young man. The best wishes of the community are extended to him.

Miss Martha Armstrong left on Sunday from Dorval Airport to resume her studies at Mount Allison University in New Brunswick after a week's recess.

Mrs. W. D. Fraser spent a recent week with her family here.

Mr. and Mrs. Donald Fraser and Bill spent a recent Sunday in Farnham with Mr. and Mrs. A. E. Barber.

Mrs. W. S. Smellie has returned home from a week in hospital following a fall when she injured her knee.

David Fraser of Carleton University, Ottawa, and Anne Fraser of McGill University, spent the week-end at their respective homes.

Kilbain

KILBAIN — The sincere sympathy of the community is extended to the Misses Lena, Mabel and Annie Brady on the death of their brother John, who passed away on Friday at the Montreal General Hospital; also to Mrs. Elmer Duheme on the sudden passing of her mother, Mrs. Sauvé.

Miss Rita Curran of Montreal spent the week-end at the home of her brother-in-law and sister, Mr. and Mrs. Wm. Smythe.

Mr. and Mrs. John Cosgrove and family spent Sunday at the home of her parents, Mr. and Mrs. Willis Bolt in Ormstown.

Mrs. Thomas O'Connor accompanied her son-in-law and daughter, Mr. and Mrs. Bruce Anderson of Malone, N.Y., to Montreal the past week to visit with her daughter Eileen, at the Royal Victoria Hospital on her birthday. Eileen was pleased with all the beautiful cards she received from her friends and neighbors for her birthday. Mrs. O'Connor spent the week-end in Malone at the home of Mr. and Mrs. Anderson.

Mr. and Mrs. Arthur Authier and Mr. and Mrs. Hugh Cosgrove spent a recent Sunday at the home of Mr. and Mrs. Wm. Cosgrove at Plattsburg Airforce Base.

Mr. and Mrs. Arthur Authier spent the past week-end at the home of her brother-in-law and sister, Mr. and Mrs. Harold Rogers in Mattydale, N.Y.

Franklin Centre

Mr. and Mrs. Gaetan Tremblay and family of Montreal and Mr. and Mrs. Norman Moneypenny of Ste. Martine spent the week-end with Mr. and Mrs. Stewart Moneypenny.

Mr. and Mrs. Tony Tabi, and Mr. and Mrs. Cecil Parsons from Montreal, were Sunday guests of Mr. and Mrs. L. W. Parker, also Mr. and Mrs. George Marlin of Hemmingford and Miss Upton of Ormstown.

Liturgy — In his encyclical last Easter the Pope told us as plainly as possible that it is our moral duty to do something for the poor and the suffering, for the underprivileged of the world. If we ignore the needs of others, we are not very Christian.

Activités du Cercle de Fermières de Huntingdon

L'assemblée mensuelle du Cercle de Fermières de Huntingdon avait lieu mardi soir le 13 février sous la présidence de Mme A. Léger qui remplaçait Mme C. Ringuette. Un résumé des activités du mois de janvier fut lu par Mme J. Caza, secrétaire. Ensuite on projeta deux films que le comité éducatif avait choisis pour nous. C'était "Caroline", et "A la découverte du Mackenzie".

Après chaque film, M. l'abbé Gareau nous incita à donner nos commentaires. Ce fut une fin de soirée très bruyante et très intéressante.

Jeudi le 15 février, c'était la journée des Cercles de Fermières à l'aréna Maurice Richard. Le Cercle paya le voyage à tous les membres qui désiraient s'y rendre et Mme Loiselle (H'don Auto Parts) nous fournit les passes pour entrer à l'aréna gratuitement ce qui fut très apprécié. Merci Mme Loiselle.

Durant la journée il y eut un colloque pour tous les Cercles réunis, ensuite Parade de Modes. Nous étions très peinées de ne pouvoir assister au cours d'art culinaire mais malheureusement l'autobus nous attendait pour 4.30 hres, mais nous revenions au foyer très contentes de notre journée. Samedi le 17 février avait lieu à la Salle des Chevaliers de Colomb notre danse annuelle. L'assistance ne fut pas très nombreuse à cause du mauvais temps mais tous s'amusèrent ferme. Nous organisons pour le mois de mars un cours d'art culinaire chinois. Voir annonce chez les marchands. La prochaine assemblée se tiendra au sous-sol de la Salle Paroissiale le 12 mars à 8 heures.

Bienvenue aux nouveaux membres.

In Memoriam

BOUGIE, Mme Georges — A la douce mémoire d'une tendre épouse, chère maman et grand maman qui a laissé ce monde le 11 mars 1967.

"Seulement une prière
de tous ceux qui vous aimaient
Seulement un souvenir
ineffaçable
Seulement pour vous dire
comment nous vous regrettons
Parce que nous pensions
que vous étiez tout au monde
C'est ennuyant ici-bas
sans vous
Nous vous regrettons de plus
en plus chaque jour
Dans la vie rien n'est pareil
pour nous depuis votre départ
Amour vous nous avez
donné sans mesure
Soins, dévotion et souvenirs
à conserver
Vous avez partagé nos
espoirs, notre amour et
nos peines
Merci, maman chérie pour
ces années précieuses
Dieu, surveillez-là dans
votre céleste paradis
parce que sur terre
elle était une des meilleures
Toujours elle sera dans la mémoire de
son époux,
de ses filles
et de ses petits enfants

QUEBEC YOUNG FARMERS WORKSHOP IN MARCH

The Rod and Gun Motel will be the scene of a Workshop for Quebec's Young farmers on March 8, 9, and 10th. The main aim of the group will be to present the subjects which were discussed in December, at St. Hilaire, and to achieve agreement and get additional comments from a large provincially represented group. It is hoped that young farmers will learn how to be valuable members of a group discussion, and that a solution will be found for the problems and discontent which now exist in 4-H Clubs and organizations.

Young people between the ages of 16 and 30 and any others who are interested in the rural youth programme in Quebec are welcome to attend the workshop. Meals and accommodation for the week-end are most reasonable and if transportation is a problem, information may be obtained from any committee member. It is hoped that each club will do its utmost to send at least two delegates in addition to those who were asked to attend the previous conference. If clubs are short of funds, it is suggested that fund raising projects, such as toboggan parties, dances, card parties, etc. might help defray expenses. English speaking clubs are especially invited to participate. Registration closes on February 22nd.

It is to a club's own advantage to send delegates to such workshops, as the information gained is of invaluable service to other members and to the club as a unit. It is up to YOU, the future Quebec Farmer, to do something about your future. Committee members: Max Dellenbach, Macdonald College; Ken McFarlane, Howick; Carolyn Templeton, Howick; Wayne Crossfield, East Farnham; Chris Judd, Shawville; Colleen Coates, East Angus; Gaston Allard, Agronome, Dept. of Agriculture, Ste. Martine; Galen Driver, Dept. of Extension, Macdonald College.

LENT

Steal away from the cares,
the worries and glare,
To your chamber
with God alone:
Meditate how His grace
and His goodness and care
And His infinite love atone.

Steal away from the every-
day worldly desires
To this haven of perfect
peace,
Where, forgetting what
business and friends
conspire,
Your soul finds refreshing
release.

Steal away from the mad
crowd each day
for a while
And dwell on the things
that are real:
His omnipotent truth will
break through as a smile
The best in yourself to
reveal.

Aubrey-Riverfield

AUBREY - RIVERFIELD

The February meeting of the Riverfield Evening Auxiliary was held in the Church Hall, on February 20, at 8 p.m. Ten members answered the roll call by naming their favourite hymn. Mrs. John Bustard had charge of the devotional period after which Mrs. Wm. Brown reported on the 54th Annual Meeting of Montreal Presbyterial held at Ephraim-Scott Memorial Presbyterian Church on February 13. At the evening session. Miss Margart Kennedy missionary from India, was guest speaker. Mrs. Walter Brown gave the introduction to the new study book. "The Bible and the Faith of Men". At the close of the meeting refreshments were served by Mrs. Walter Brown and Mrs. John Bustard.

Mr. and Mrs. Robert Templeton are spending a few days with Mr. and Mrs. Dick Bunbury at Summerstown, Ont.

Dundee

DUNDEE — The monthly U.C.W. meeting was held Wednesday, February 21, in the upstairs classrooms of the local school. Mrs. Alma Fraser led the devotional service using an article from the Guideposts' magazine. "To Get More Out of Your Bible." Two favourite gospel hymns were sung, accompanied by Mrs. V. Elder on the piano. March 1, is World Day of Prayer and Dundee, along with other small churches, will worship with Huntingdon in St. Joseph's Church. The March meeting will be held at the Manse with Mrs. C. Carpentier as hostess and also taking the worship service while Mrs. L. Fraser is in charge of the program.

During the afternoon Mrs. G. Sutton showed coloured slides of the family's trip to the Yukon and B.C. last summer. There were several scenic pictures, views of the ghost town of Dawson City, Robert gold, the journey by rail from Whitehorse to Skagway and also pictures around Prince George, B.C. where her daughter Fern and family reside. As commentator, the slides were all the more interesting. She remarked about how friendly the inhabitants were.

At the close of the meeting Mrs. Sutton served dessert and coffee.

Personals

Mr. Robert Staveley of Ottawa, was a guest of his brother and wife, Mr. and Mrs. Stanley Staveley, during the week-end.

Miss Anne Fraser of McGill University, also David Fraser and Kari Jaatinan of Carleton University spent last week-end at their respective homes. This week, being free of classes, Kari remained at home while David returned last Sunday night to the University.

Mrs. W. S. Smellie returned home last week after spending four weeks in Cornwall at the Gallinger home, while Mr. and Mrs. Lloyd Gallinger enjoyed a holiday in Jamaica and Florida.

MAPLE LEAF GRANGE

The regular meeting of Maple leaf Grange No. 11 was held Tuesday evening with Cecil O'Connor presiding as Master and 25 members and one guest present. Evelyn Chambers reported for S. and H. Committee; sale of cook books is going well. The baking contest will be donuts and chocolate cake. The sewing contest is again a garment made of 100% Cotton either suit or dress of McCall's pattern, however, Mrs. Chambers and her committee have decided to hold a sewing and knitting contest open to all the ladies in the community and "Carole's Boutique" has generously donated a prize to the winner, if the material or wool is purchased in her store. More details can be obtained from Mrs. Chambers, who is hoping there will be a good response. The sewing will have to be ready for the end of April.

Neighbor Night has been changed to Thursday of the following week. Mr. O'Connor was presented with a small gift by Mrs. Cosgrove for his services last year as Lecturer. The Lecturer's program with Rosetta English as Chairman opened with a game of Musical Bingo, the winners were Mrs. Etta Herdman, and Mr. and Mrs. Burgess. Elva Moore then read an article on "Love" and asked several questions on various customs, etc. A few musical numbers were played by Gladys Ryan and John Ryan. This was followed by a "Mock Wedding" with Mr. and Mrs. Hunter, Elva Moore Rosetta English, Gerald McDowell and Anita Smith played the wedding march. Next month's program will be under the direction of the Youth Committee.

Mid-Atlantic Conference will be held in Delaware the beginning of April and Sis. Levers is hoping that there will be someone to represent Maple Leaf. Don't forget Neighbor Night and also the sewing and knitting contests.

Pomona Grange meets in Bangor Grange Hall on Thursday, March 7 at 2 p.m. Kenneth Dumont will be the Master presiding. An evening program will be held at 8 p.m. In charge of the lecture is Eunice M. Jones. An Irish shenanigan will be put on. Rev. John Weir of St. Augustine's Church will be guest speaker. Twenty-four couples will do an Irish dance.

This prpogram is open to the public.

Pedersen of Burlington, were recent visitors at the following homes, Mr. and Mrs. Lloyd Naylor and family; Mr. and Mrs. Douglas Naylor; Miss Lillian Ross and Mr. and Mrs. Versil Taylor. Miss Doris Naylor returned to spend some time with Mr. and Mrs. Hardy.

Mrs. Vivian Robinson passed away on Sunday February 25th., at her home here. Sympathy is extended to the family.

Obituary

The Late
Mrs. Allan C. McDougall

On February 13th, 1968, Margaret Alice Marshall, wife of the late Allan Cameron McDougall passed away at the Pleasant Valley Nursing Home, Ormstown, Que., at the age of 69 years.

Born at Ste. Martine, on May 23rd., 1898, Alice was the youngest of the five children of the late David Marshall and Mary Jane Cameron. Two brothers, Ernest of Regina, Sask. and Archie of Ormstown, pre-deceased her several years ago.

About 1905, the Marshall family moved to Upper Ormstown and the deceased received her education at Tatehurst School and Ormstown Academy.

United in marriage in 1926 with Allan Cameron McDougall, this union was blessed by six children. Mr. McDougall pre-deceased his wife in 1955.

Mrs. McDougall was a devoted wife, mother and grandmother. Incapacitated by rheumatoid arthritis, she was confined to a wheel chair since 1948. With the help of her family, Mrs. McDougall managed to maintain her home until 1959 when the family farm was sold to Robert Eastwood and the deceased spent the remainder of her life in nursing homes, the Bussey Nursing Home, Lachine, Ormstown Convalescent Home, and the Pleasant Valley Nursing Home. Through the years, she bore her affliction with patience and courage.

Probably one of the outstanding experiences of Mrs. McDougall's life came in 1962, when, though an invalid, she travelled along, by jet from Dorval to Calgary, where she visited with her son Eric and family, toured interesting points in the vicinity, and was joined by her son Milton from Edmonton.

In July, 1967, Mrs. McDougall had the comfort of having all her children with their families around her for several days.

The deceased leaves to mourn her loss her three daughters and three sons, Isabel (Mrs. A. Neely) of Huntingdon, Eric of Calgary, Atla., Thelma (Mrs. G. Lang) of Howick, Calvin of Montreal, Ruth (Mrs. R. Beattie) of Huntingdon, Milton of Edmonton, twelve grandchildren, one sister Isabel (Mrs. George McWhinnie), one brother William of Plainfield, N.J.

Funeral services were held on February 15th., from the McGerrigle Funeral Chapel, conducted by her minister the Rev. Howard Smith, a regular visitor since his arrival in Ormstown.

Pallbearers were Messrs. Merrill Lindsay, Willand Hamilton, Wilfred Bryson, Allan Marshall, Donald Chisholm and Merrill Tannahill.

Floral tributes were numerous and beautiful.

Interment was at the Ormstown Union Cemetery.

Howick

Curling News

Members of "The Branch" visited every curling club in the district last week-end. They reached Howick on Saturday evening near the close of a busy day. Those present were Mr. Burt, President from Arnprior, Russ Smith, Secretary, Fred Soucy, Archie Hughes and Bruce Clark.

Elmer Black (skip) Ronnie Reddick, Malcolm Reddick and Archie Borland, all of Green Giant won the Men's Bonspiel at Riverfield. When they received a trophy which had been donated by Ian Watson.

The Late Mrs. Benoit Trudel

The community was saddened last week when they heard of the death of Mrs. Benoit Trudel of Chateauguay. The former Berthe Meunier, 22 years of age, she was brought up by her uncle and aunt, Mr. and Mrs. Romeo Dubuc and many remember her as cashier at the Dubuc Store.

Since her marriage 3 months ago, she and her husband continued to live with Mrs. Dubuc at her home in Chateauguay. She is survived by her husband, Benoit Trudel, her father Marcel Meunier, one sister and three brothers.

The funeral was held at Montreal on Saturday, February 24th., at 10 a.m. Interment was at Cote des Neiges Cemetery.

Deepest sympathy is extended to her family and other relatives in Howick.

The Late
Mrs. Gordon E. Evans

The funeral of the late Mrs. Gordon Edward Evans was held at the McGerrigle Funeral Home, Ormstown, on Friday, February 23rd., at 2 p.m. The service was conducted by the Rev. John S. Anderson of Howick United Church. Death occurred at the Grace Dart Hospital, Montreal, after a lingering illness.

Born in England on March 24, 1891, Susan Jenner Evans was the daughter of Mr. and Mrs. Norman Jenner. She came to Canada 47 years ago and for many years lived in Howick with her husband, a veteran of W.W. I, who predeceased her on May 11, 1952. She is survived by one daughter Nellie (Mrs. Westlake) of Howick, four grandsons Albert, Robert, Glen and Dale Westlake, and one brother, Mr. W. M. Jenner of Plumstead, England.

Mrs. Evans will be remembered kindly by many people in the community whom she helped during the years. She was a devoted mother and grandmother, often denying herself comforts so that she could give to others. She was most appreciative of any kindness shown to her.

The minister in a short eulogy spoke of a recent visit with her at the Grace Dart Hospital. She was in great pain, but her main concern was for her family and her church. Everything that happened in her life only served to strengthen her faith.

Personals

Lacolle

Mr. Gordon Boyse of Ste. Martine Agricultural College spent the long week-end with his parents, Mr. and Mrs. Jack Boyse.

Mrs. Hope of Montreal and Mr. Ken Van Vliet of Sir George Williams College, spent the week-end with Mr. and Mrs. John Van Vliet.

Mr. Darrel Brock of Danville and Mr. Peter Denison of Lennoxville were visitors at Honey Bee Farm recently.

Miss Jean Van Vliet, former supervisor of The Sheltering Home in Montreal, was the recipient of a silver tray recently, which is inscribed "In honour of Mrs. Lachlan Van Vliet". This tray was presented to the home at the time of Miss Van Vliet's mother's death. The Sheltering Home owing to shortage of competent help has been taken over by the Welfare Federation. It will be supervised by the United, Anglican and Presbyterian Churches and used for University and High School unmarried mothers.

Miss Sandra Hadley of Mount Allison College, N.B., is recently spent a week's holiday with her parents, Mr. and Mrs. L. Hadley.

Broken Window

If one is replacing a broken window pane, pass a red hot poker slowly over the putty, and it will greatly facilitate the removal of the pane.

Valleyfield

VALLEYFIELD — The Women's World Day of Prayer Service was held in the Valleyfield United Church on Friday, March 1st., with the ladies of the St. Ignatius Guild as leaders. The Theme this years was "'Bear one another's Burdens". The service was a bilingual service and was very well attended by members of the three Protestant congregations and the English and French Roman Catholic Churches.

Representatives from each congregation took part in the service, the Meditation being given by Mrs. D. Hannah. The solo "'God Hath Not Promised" was sung by Mrs. B. Stewart during the Offering.

The ladies' of St. Mark's Anglican Church held their annual Shrove Tuesday Tea on Tuesday, February 27th., in the Church Hall. The minister, Rev. R. Newman, opened the tea with a word of welcome to all those present, and a thankyou to all those who had worked so hard to make the tea a success.

Everyone had a chance to buy some of the delicious home baking from the Bake Table. There was also a Parcel Post which was very popular with the children. Then every one sat down at gaily decorated tea tables to enjoy a cup of tea and delicious refreshments.

Mr. and Mrs. A. Chaplin, Craig, Kenneth, and Lynn spent the past week-end in Portland, Ont., visiting at the home of Mrs. Chaplin's sister and brother-in-law, Mr. and Mrs. H. Palmer. While there, they also visited, Mr. Chaplin's father wo is in the hospital in Kingston.

Mr. Allan Molyneaux, Mr. Nelson Beattie, and Mr. Jean Lavallee attended the Bell Telephone Company Eastern Arena First Aid Banquet on Friday, March 1st., in Quebec City. At this banquet, Mr. Lavallee was presented with a letter of commendation from the President of the Company for having used his first aid knowledge in saving the life of a young Valleyfield resident last spring. Congratulations, Johnny!
