IT'S HERE! NOW! — Yes, this is a subway car, and you can step out and see it any day, right in Westmount. Of course, this is only a model — the real cars are in Toronto. But if you want to see the 1-16th scale model, it's at 4018 St. Catherine West, and will be there for ten days, at Bepco, whose traction motors power the genuine article.

Penfield Book Is Praised In Sermon By Rev. Berlis

"A new story about one of history's oldest themes, the search for God," was the description given the congregation of the Church of St. Andrew and St. Paul of the novel "No Other Gods," by Dr. Penfield.

Rev. Dr. R. J. Berlis told his congregation that the book is "absorbing, readable, authentic and persuasive." Dr. Penfield, director of the Montreal Neurological Institute, is an elder of the church.

The plot was simple and straightforward — the story of Abram, a priest who, with his

people, a wandering tribe called the Habiru, worship the Moon God of Ur.

But the Habiru were without honor in the cities, and lived in a vague atmosphere of distrust — "The suggestion of what we today would call anti-semitism."

Abram, a priest and leader of the Habiru, brought matters to a stormy crisis, rebelling against "the whole priestly system built on lies and oppression."

"On a night of high festival, Abram smashes the idol of the Moon God in a chapter which

Paraplegic Story Told To Rotary

By NORM BRACEGIRDLE

"The cure and rehabilitation of a paraplegic is little short of a miracle" said Major-General E. deB. Panet C.M.G., in addressing members of the Rotary Club of Westmount on Wednesday.

"It is just since 1942 that this miracle has been able to be performed," he said, "prior to that the cripple could look forward to spending the rest of his days in bed."

The General told of the formation of the Paraplegic Society in Canada. The man behind the movement was John Carrol, the first Canadian to become a paraplegic during the past war. Carrol was wounded at Dieppe while serving with the Canadian army. He is now President and General Manager of the Paraplegic Association.

The object of the association the General said was to assist all those who are suffering from paralysis.

To help paraplegics a team of medical experts and social workers are needed, the general said. This team consists of a doctor, a physio-therapist, nurses, orderlies, social workers, and employment officers.

"One of the most important members of the team is the medical social workers who contacts the patient's family and explains the nature of the crippling illness," the General said.

"It must be understood that the paraplegic is not seeking charity, sympathy, or life long dependence. All he wants is a chance at rehabilitation and finding a

Abbott Raises Veil's Corner

The Federal Finance Department may be mailing civil service pension cheques to dead persons.

Finance Minister Abbott told the Commons this week this possibility came to light following distribution of a questionnaire among retired Government employees.

Mr. Abbott said the questionnaire sought to obtain information on whether cheques are being sent out in the name of people who are not alive.

"... Some envelopes containing the questionnaire are coming back marked 'Address Unknown' whereas the envelopes containing the pension cheques are not being returned."

Mr. Abbott did not elaborate, but Finance Department officials said the mystery is being investigated. They said that cheques are being cashed. Officials declined to say how many cases now are being investigated.

PC Leader Speaks To Riding Group

Conservative Leader George Drew — speaking to the riding association here Tuesday night at Westmount Junior High School — urged Ottawa to allow Quebec taxpayers the full 15 per cent deduction.

He also urged Ottawa to call an immediate federal-provincial conference on taxation and constitutional issues.

Mr. Drew blamed the taxation impasse in Quebec on Prime Minister Louis St. Laurent's unexplained refusal to reconvene the conference that was adjourned in 1950.

Although in Quebec the tax issue raises a particular problem, across the country the wider problem is general. All the other provinces were seeking clarification on constitutional problems.

Mr. Drew said that the Canadian Government that rejected Quebec's request for full federal deduction of the provincial 15 per cent income tax is the same one that recognized the right of Quebec to collect a full 15 per cent tax, and collected the levy under a single tax form and remitted its share to the Quebec Government.

Cites Details

He pointed out that more than two thirds of Canadians paying income tax were paying federal and provincial taxes under a single form.

This method continued until the Wartime Agreements Act was signed in 1942. Similar methods of collection existed in Ontario, Manitoba, and Prince Edward Island.

"When the federal government promised to restore the province to the position they had vacated in 1942 surely it was reasonable to expect that a method which had worked out so satisfactorily, and

for some time, would have been resumed when the war emergency passed," Mr. Drew said.

Mr. Drew remarked that we have had no explanation from either the prime minister or the finance minister why a system which was working so smoothly is now regarded with horror.

The federal government is bound to recognize the right of the province to employ its own taxing power, and to co-operate in working out the arrangements that are made, Mr. Drew said.

He said that there is no reason why the inconveniences with which the Quebec tax payer is now faced, cannot be solved by the federal government. A deduction of the amount paid in provincial tax should be allowed.

He could see no problem being raised because all governments have fixed the current rate of taxes.

The meeting was chaired by Peter F. Kerrigan, and Mrs. Thelma McCarthy thanked Mr. Drew. Among those seated on the platform were, Egan Chambers, R. L. Hunter, Dennis Gougeon, and David DeVolpe.

would grace the best stories in thriller-fiction." Then he set out to meditate in the solitude of the Great Marsh, to find the true God.

Abram did not fail. Alone in the Great Marsh, he reported later, "I walked with God. I know now there is one God. To fear Him is undemanding. To obey Him is the beginning of wisdom..."

Having found God, Abram returns to his people and prepares to lead them into the land of Canaan where they will be able to worship the true God in perfect freedom.

Abram tells his people: "This God will go with us through the wilderness and danger to guide and to protect us... To every man who puts wrong thinking out of his heart, He will speak, as He has spoken to me."

"In these concluding words of the book, we feel we are listening not only to Abram, but to Dr. Penfield, speaking out of his heart," Dr. Berlis declared.

But the novel was not merely a historical sermon. "It is much more than that. It is a brightly-lighted stage across which move vivid personalities whom we cannot forget."

Dr. Berlis was sorry that Dr. Penfield has not had opportunity to develop one character in the book further, and hoped "to meet him again in the novel's sequel."

This was Dudu, the Sumerian physician, who "is surely speaking for Dr. Penfield himself when he declared: 'It is easier to cure a sick body than it is the sick of heart... The most serious of all ills is wrong thinking. But although wrong thinking is so common an ailment, it is not incurable.'"

Dr. Berlis said: "It is abundantly clear that Dr. Penfield chose his theme because he is a 'Man of the Book.' To him the Bible is the book of life in which he finds man at his best and God at His nearest."

good, self-supporting job", he continued.

200 Cases

The General noted that there were approximately 200 paraplegic cases from the second World War in the Canadian army, and that the Korean war produced four cases.

He said that it was a veteran who suggested to the government that they open the doors of the military hospitals treating paraplegics to civilians. Before this was done he said most civilian cases could be found lying on their backs in incurable hospitals across the country.

It is not only the war that brings on cases, but swimming, diving, skiing and automobile accidents have resulted in civilians becoming paraplegics.

Although most cases can now be treated successfully, the treatments are of long duration, lasting from eight to 12 months in the hospital, and then returning for periodic check-ups, the General pointed out.

Capabilities

The General said that a good portion of the public are still ignorant of the capabilities of paraplegics in industry. He said that one of their biggest problems remains transportation. Unless the patient can buy a car with special controls, travelling to his job can be very inconvenient for himself and others.

"The paraplegics do not want your charity, they only want your moral support," the general said in conclusion.

After Major-General E. deB. Panet's talk, the members heard a short address by Harry Ward, secretary treasurer of the Paraplegic Association.

Mr. Ward, who is a paraplegic himself, told members just what the condition was, and how it affected a person and his family.

The guest speaker was introduced by Dr. John R. Lochead, and thanked by Beverley Daley, President Bill Allison, chaired the meeting.

Fine Arts Museum Flower Show Date

Almost every type of flower arrangement will be on display at the "Fete des Fleurs", annual flower show being held at the Montreal Museum of Fine Arts on June 1st. The contest of flower arrangements is sponsored by the Ladies Committee of the Museum, and is open to everyone.

Mrs. Leslie Haslett, 6 Belvedere Rd., a member of the committee for the event is most enthusiastic about the many interesting classes that have been added to the program this year. She tells us of a new class being introduced which will be a real challenge to the amateur flower arranger. It consists of making an original display with identical flowers and container provided by the Museum, which must be arranged within 45 minutes. The resulting combinations of individual techniques and points of view under the same conditions should prove most interesting.

There will be 7 other classes, giving contestants unlimited scope for their imagination and ingenuity.

WILD FLOWERS — Wild flowers and wild-blossoming branches.
SHOW CASES — Accessories such as china figurines, materials, dried grasses, driftwood etc. may be used.

CLASSIC — These arrangements must not be under 18 inches high, and the container if possible should be an urn or bowl of some importance.

JAPANESE — Background, such as a decorative panel, oriental embroidery, or fan may be used.
MINIATURE — Not to exceed 3 inches in any dimension.

UNIFORM CONTAINER — The container (Bread tin 8" x 4" x 3") supplied by contestant.

FREE STYLE — In any type of container. These arrangements may be any shape or type, horizontal, low bowl or centre piece.

Local Officials Are Named For S.A. Fund Drive

Westmount campaign officials have been named for the Salvation Army Eventide Home Building Fund Campaign, which will get underway next week.

They are: Mrs. Edgar F. Tolhurst, Mrs. E. T. Bourke, Mrs. T. H. Mather, Mrs. W. Redfern, Mrs. J. K. Wilson, Mrs. T. J. Kennedy, Mrs. A. H. Billham, Mrs. F. W. Ross, Mrs. C. E. Swift, Mrs. J. F. Rutherford.

Campaign dates are set for May 3-17 and the objective this year is \$890,000. This is five and one half times greater than in 1953 when the objective was for \$165,000, for maintaining the Army's work for one year.

The reason for this increase, said Sr. Major T. L. Carswell, campaign director, is to provide a new Eventide Home in the western section of the City of Montreal for aged people to include women and married couples, in addition to the one now being used by men exclusively. The regular 26 Red Shield Services of The Salvation Army are also included in this year's objective.

Baha'i Conference At Victoria Hall Saturday Evening

Canadian members of the Baha'i World Faith will come from all parts of the Dominion to attend their 7th Annual Convention, to be held in Victoria Hall, Westmount, April 30 through May 2.

Delegates to the convention will consider the tasks of the year ahead, including national, inter-racial and intercontinental teaching. The theme of the meeting will be "The Ten Year Spiritual Crusade" and ways to carry the Baha'i teachings to the remotest corners of the earth, will be discussed.

The Baha'i World Faith had its beginning in Persia, where on May 2, 1863, its founder Baha'u'llah, son of a Persian nobleman, made His prophetic announcement originating a new Universal Cycle of world brotherhood and peace. Since that time the Baha'i Faith has been established in over 200 countries, islands and territories of the world.

Attending the Convention will be two prominent Baha'is from Western Canada, Mr. Donald R. MacLaren, D.S.O., M.C. and Bar, D.F.C., from Vancouver, and Dr. Arthur B. Irwin, from Edmonton, both of whom will participate in a panel discussion at Victoria Hall May 1, to which the public is invited.

The outdoor department handled 20,255 cases as against 19,164 for 1952.

Dr. Harld R. Griffiths, medical superintendent, in a brief address, outlined the circumstances sur-

rounding the birth of twins at the hospital, and used it as an example of how the resources of the institution are sometimes depleted by the unexpected.

L. B. Unwin was reelected president, and other officers are: A. H. Marden, first vice president, Fred Atkinson, second vice-president; N. P. Woods, treasurer and Dr. J. J. Griffith, secretary.

Miss E. Geiger, director of nursing, paid tribute to the large amount of work done by her staff, and the high standard maintained.

"Snow White"

Feature of Children's Theatre Set For May 8

All the wonders of Snow White and The Seven Dwarfs the most beloved of all fairy stories, will unfold before the eager eyes of the children who attend Victoria Hall, Saturday afternoon, May 8th, when this delightful play will be presented by the Children's Theatre under the direction of Dorothy Davis and Violet Walters.

From the raise of the curtain on the throne room of the queen's palace, the play moves through picturesque scenes of the forest, the home of the Seven Dwarfs, and the grand finale when Prince Charming finds his lovely Snow White.

The Children's Theatre gave this same show six years ago, when Dick Easton, (who appeared last season with the Stratford players and was taken to London, England by Alec Guinness) played the role of the Prince. Milton Shutler will be seen in the same role on this occasion, and Sheila Mittleman, already well known to Children's Theatre audiences, will be entrusted with the role of the lovely Snow-White. Felicia Bonaparte will play the vain Queen Brangomar. Judy Smiley will be Witch Hex, and the balance of the cast includes Linda Raff, Edith Myers, Suzanne Rayner, Barbara Yats, Judy Arter, Alena Chiro, Carol Jacobson, Cynthia Rill, Joan Cordeau, Gloria Rosen, Leiba Berlin, Rosalind Warhaft, Jill McGregor, Eleanor Kalmanasch, Fred Blitstein, Stephen Jacobson, Perry Phillips, Stephen Maron, Burton Irwin, Glen McKenzie, Derek Collett-White, and Walter Wakefield.

Delightful music, dancing, and a play full of action will await the children who are fortunate enough to see Snow White at Victoria Hall.

"SNOW WHITE AND THE SEVEN DWARFS," will be presented by the Children's Theatre at Victoria Hall Saturday afternoon, May the 8th. Appearing in the scene above, Fred Blitstein, Stephen Jacobson, Eleanor Kalmanasch, Perry Phillips, Stephen Maron, Burton Irwin and Glen McKenzie.

Avon Players New Production

Kempy, the Avon Players' next production is now in rehearsal under the very capable direction of Mr. Bill Owens.

This play is one of the finest situation comedies to ever appear in the American Theatre. It is the story of a plumber who hopes to be an architect and what happens to him when he meets a headstrong girl.

There will be two performances of this play on Thursday and Friday evenings May 14 and 15 at the Westminster Central United Church, corner of Atwater avenue and St. Antoine street. Curtain time is 8:30 p.m.

Herbert Lewis Is Prizewinner

Herbert Lewis, 96 Lansdowne avenue, has been awarded a university scholarship by Johns Hopkins University, Baltimore, Md., it was announced this week. He is Prince of Wales prizeman in philosophy at McGill University.

A native of Montreal, Mr. Lewis was educated first at Stratheona. Entering McGill, he took an honors course in philosophy, graduating last spring. He entered the graduate school and is a candidate for an MA in philosophy at McGill, as well as lecturer in philosophy at Sir George Williams College.

He will study for a doctorate degree at Johns Hopkins and plans to become a university teacher in philosophy.

Special Constable R. Doucet, of the Royal Canadian Mounted Police, will team up again this year with Sgt. J. H. Blais to represent Montreal on the Canadian Bisley team.

They qualified at the Dominion of Canada Rifle Association annual shooting competitions last year. Blais is a veteran at Bisley shooting, while this is the second time for Doucet.

HOW TO USE DACCORD READY MIX LAWN TOP DRESSING

1. Cut grass as short as possible.
2. Rake up lawn thoroughly, in order to remove all dead grass or debris.
3. If bare patches, loosen soil with rake, hoe or pick and break large lumps.
4. Spread **DACCORD READY MIX LAWN TOP DRESSING** evenly, at the rate of one bag per 100 square feet (10' x 10') more or less.
5. Rake lightly and evenly with a straight iron rake.
6. Roll with medium heavy roller.
7. Water well and keep the soil surface constantly damp until the seed has germinated.

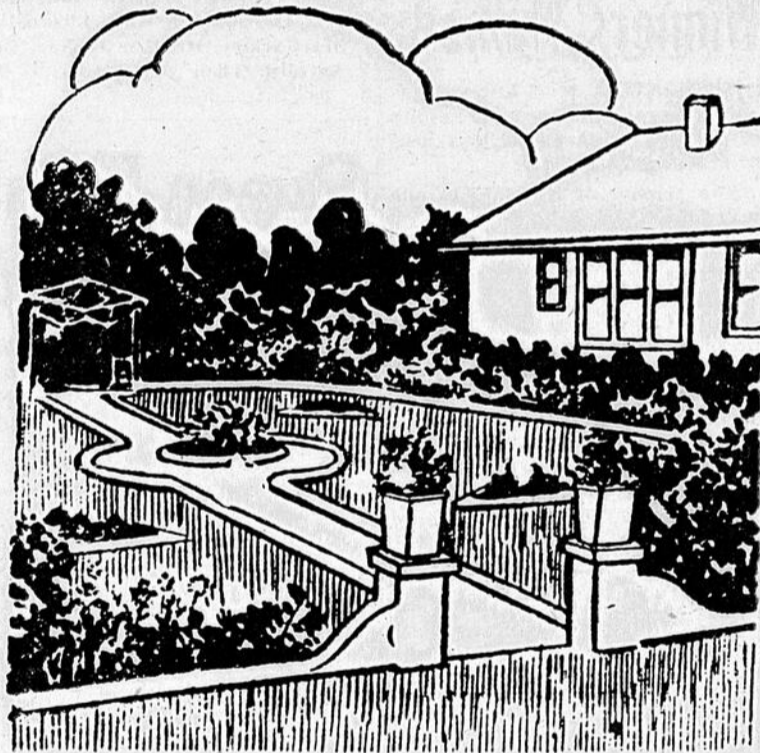

The most frequent reason for failing to obtain a velvet-like lawn is the inadequate preparation of the soil and particularly the lack of sufficient water after the operation. So please remember — do not use Daccord Ready Mix Lawn Top Dressing on hard surfaces.

Our many years of experience in creating lawns as well as general landscaping is invaluable if real value is to be obtained for the money spent. This top dressing will definitely eliminate your problem of ordering soil that, on many occasions, is not the correct material and also not the correct quantities.

★ **Refused Hollywood Says Eleanor**

Miss Parker Turned Down Talent Scout's Offer

"Don't be afraid to gamble on yourself," declares Eleanor Parker.

Primarily interested in the job of being an actress, the silky-haired star with the slumbering eyes means what she says. The film industry still remembers the shy but determined youngster who flaunted tradition by being spotted, not on the stage of the Pasadena Community Playhouse, but in the audience. What's more, the girl turned down the talent scout's offer for a screen test.

"Yes, I said 'No,'" admits Miss Parker. "At the time I

was a student at the Playhouse and there was a rule against students taking such tests before completing the full course. So, I finished first.

The actress has lived up to her convictions, slowly building from role to role until her performances today vary from the hair-shorn prisoner of "Caged" to the siren of "Scaramouche" and the war-time wife of "Above and Beyond" to her first outdoor characterization, the Southern beauty of M-G-M's

"Escape From Fort Bravo," in which she teams with William Holden, is now playing at the Westmount until Tuesday night.

Hi-y Girls Held Business Session

The Westmount Girls Hi-Y Club had their last business meeting of the season Tuesday at the local YMCA. Elections for next

year's executive were held and Andie Gross was elected president, succeeding Mickey Brown.

Nancy Willis is secretary replacing Jan Henderson. Eleanor Bowles was elected treasurer, succeeding Heather Cross while Noreen Murphy replaces Joan Fish as chaplain.

Installation of the new officers was held Thursday.

Playmakers Please In Pleasant Comedy

A three days' run of a lively comedy took place at St. John the Evangelist Church Hall last week as The Playmakers presented "Miss Tracy", by Ireland Wood.

Margaret Cammell in the title role showed taste and restraint in her way of handling the various situations, from sentiment to slapstick. She was at her best in the first act, as the untransformed Miss Tracy, as yet untouched by the ministrations of hairdresser and couturier. Character parts are obviously Miss Cammell's forte, and her first appearance in a sophisticated London entourage in her home made finery, straight from a country vicarage, was good comedy.

Roberta Lubert as Mrs. Lancaster gave a well-thought-out character study. It was a pleasure to watch young Magda Yurkovitz acquit herself of her part as a fluttery English middle-aged spinster, a type she could have had no opportunity of studying at close quarters.

N.D.G. girl Rosalie Keller looked and played her part with grace and sincerity, as did another local resident, William Mahon. The sets by Sleeman were more than adequate. The play was well directed by D. McDermott.

Any lack of pace could be attributed rather to the play itself which showed signs of having been adapted from a lengthy novel, and not to direction or players. On the whole The Playmakers have shown in their last production that they are making steady progress in the realm of voice projection and acting.

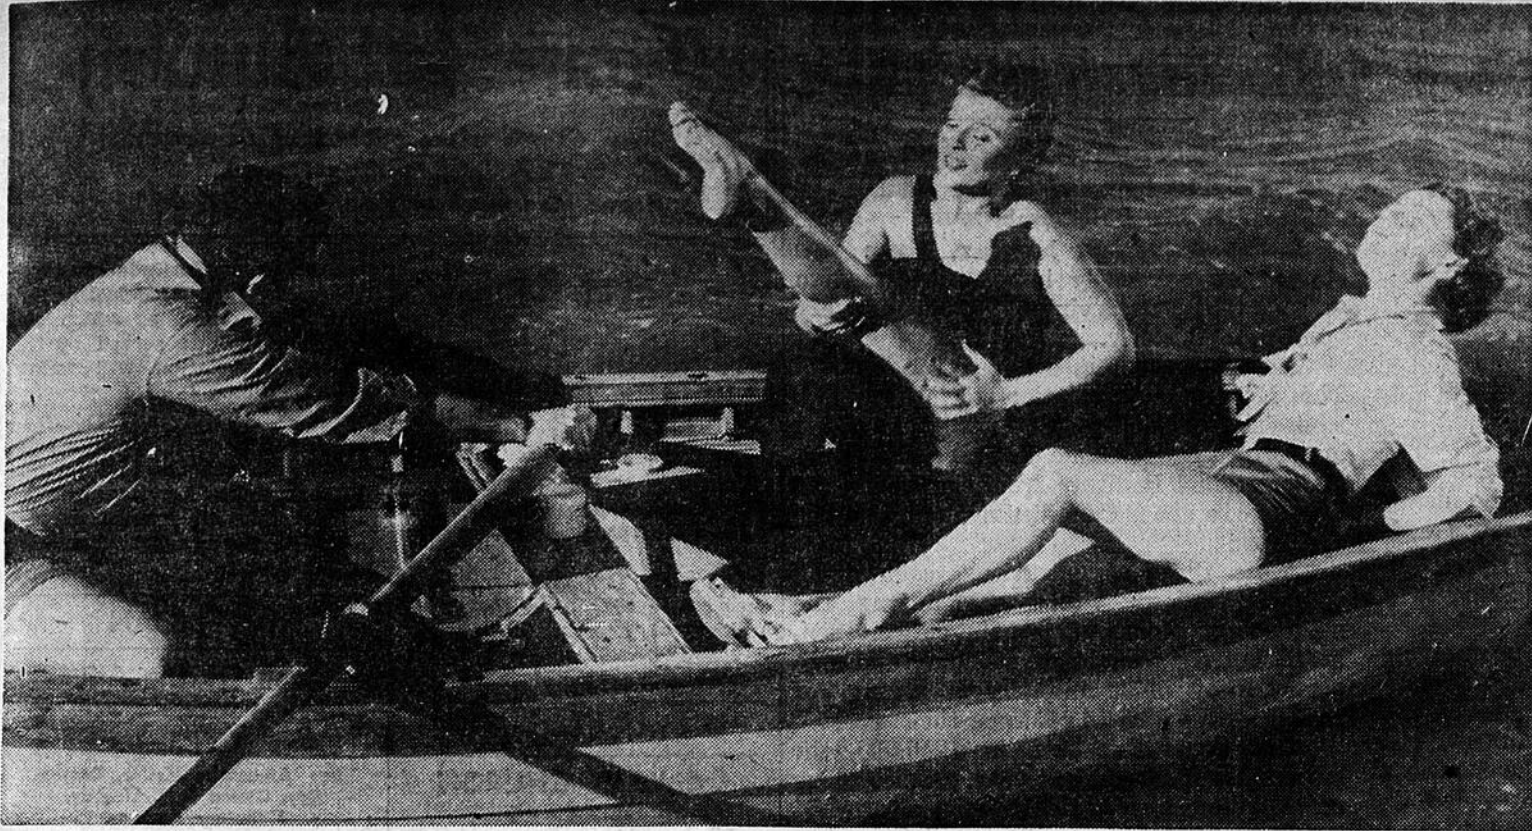

I know the Bible is inspired because it finds me at greater depths of my being than any other book.

"THREE FORBIDDEN STORIES," the dramatic Italian film with English titles, which will be Montreal premiered on Saturday at the Avon, Monkland and Normandie theatres. Eleonore Rossi Drago, Antonella Lualdi and Lia Manda play the roles of three misguided girls in the feature.

★ "The Miser"

MRT's Final

Closes Season At The Westhill Auditorium

In the Montreal Repertory Theatre's final production this season of "The Miser", MRT's costume designer will play the leading role.

Tom Owen, whose profession has been the theatre ever since he left Dartington Hall, where he studied designing under a special scholarship, will be Harpagon, the miser, as well as the designer of several of the costumes worn by the cast.

Earlier this season, Mr. Owen played the Dauphin in MRT's "Saint Joan", directed their production of "The Deep Blue Sea" and was responsible for all the costumes in each play.

Winnifred Dennis is the matchmaking Frosine, who tries to extract money from the miser. Mrs. Dennis, who played professionally in England, has appeared in a number of MRT productions ("Pygmalion" and "Anna Christie" last year), and recently went to Ottawa to appear in the Canadian Repertory Theatre production of "The Marquise".

The part of Valere, who takes the position of steward in the miser's household because he loves the miser's daughter, is taken by Bruce Raymond, who played Freddy in MRT's production of "The Deep Blue Sea". Mr. Raymond is business manager of the Mountain Playhouse, and does freelance writing for the CBC.

"Gentlemen Prefer Blondes"

Technicolor Musical At 4 Theatres: Seville, Snowdon, Strand and Outremont

The Seville Theatre, for the past few years the home of Vaudeville in the city, becomes another in the United Amusements' chain of First-Run Motion Picture Theatres starting Thursday.

Equipped with a New Giant Full-Stage Screen, the Seville will henceforth present, in conjunction with the Snowdon, Strand and Outremont theatres, First-Run feature productions.

The feature photoplay at the Seville, Snowdon, Strand and Outremont starting this afternoon will be the glittering Technicolor musical "Gentlemen Prefer Blondes" with Jane Russell and Marilyn Monroe as the central figures in the story. The return of this photoplay will mark its first presentation in the city at regular prices and on the Giant Full-Stage Screen. The Anita Loos story, which has chalked up quite a record since 1926 when it was first published, has been brought up-to-date and filmed in color by Technicolor as one of Hollywood's most lavish musical comedies. Although it has a rich, new look, the original theme and the two principal characters, Lorelei Lee, the beautiful

blonde, and her friend Dorothy, still dominate the comedy. Charles Coburn, Elliott Reid, Tommy Noonan and six-year-old George (Foghorn) Winslow head the large supporting cast.

The second feature at the Seville, Snowdon and Outremont is "The Limping Man", a mystery thriller co-starring Lloyd Bridges and Moira Lister. The sec-

ond feature at the Strand is "Within These Walls".

The Late W. H. Goodwin One of Westmount's Most Esteemed Residents Passes in 86th Year

Many local residents, particularly those of the older generation, will mourn the passing of William H. Goodwin, whose death occurred here last week. The late Mr. Goodwin was in his eighty-sixth year, and had been living in retirement for the past thirty years.

The name "Goodwin's" will be familiar to those who remember the huge department store that stood on the site of the present T. Eaton Co.'s establishment. Mr. Goodwin was founder of one of the country's pioneer department stores, and guided its continual growth for some twenty years, until his decision to retire.

An ardent churchman, he worked hard in this field during his entire life, particularly after retirement. His church and welfare work was vast, but was achieved with a self-

less lack of publicity that was characteristic of him.

His passing will be deeply regretted by friends and admirers in all parts of Canada.

Important Campaign Combined Appeal for the Blind Needs, Deserves Support

In Montreal, last Monday, there was started an extremely important campaign and one that is deserving of support of every resident of this city.

This is the combined appeal for funds of The Montreal Association for the Blind, whose school is located on Sherbrooke street in Western Notre Dame de Grace, the Canadian National Institute from the Blind, and l'Association Canadienne-Française des Aveugles.

These three organizations, each doing valuable, indeed, vital work among the sightless of Montreal, remain entirely separate, but for reasons of economy and efficiency, they unite annually is asking for money with which to continue their work.

Their goal this year is \$250,000, the same amount sought last year, despite rising costs in almost every field of expenditure.

The appeal will continue until Saturday, May 8.

It would be a shame, indeed, if the citizens of Montreal, through forgetfulness or disinterest, made it necessary for these three organizations to curtail their services.

A Common Point Of View II

By Rev. Canon R. Kenneth Naylor
(Rector of Trinity Memorial Church)

Last week we spoke of a common point of view on which Jews, Protestants and Roman Catholics could agree (not forgetting Anglicans and Orthodox). There is some need of further explanation. We are so accustomed to battling for our special point of view that we may feel that we must go on, and that we would be traitors if we collaborated with one another. Just imagine a Jew collaborating with a Christian after these nineteen centuries! Or imagine an Irish Roman Catholic collaborating with an Irish Presbyterian after four centuries of enmity!

It is almost inconceivable. And yet the outsider - say the Communist, or the Mohammedan or the Buddhist - does not see too much difference between the Irish Roman Catholic and the Irish Presbyterian. From any one of those three points of view there is little to choose between them; they are both Christian and that is enough, to condemn them. They have a Christian point of view. But narrow the limits a little. In the Anglican Communion there are Evangelicals and Anglo-Catholics, not to speak of those who belong to neither party; but both to themselves and outsiders as well they have a common point of view: they both regard the Bible and the Book of Common Prayer as the most important books in the world. Or take the Roman Catholics: there are Jesuits, and Dominicans and Franciscans, not to speak of those who belong to none of the orders; there have been deadly battles between them, but no one would deny that they have a common point of view in their allegiance to the Papacy.

So in the Christian Church as a whole: there are many differences, and very serious ones at that, but there is also a common

point of view in our devotion to the Lord Jesus Christ.

Is there then any way in which we can emphasize that common point of view in the face of the world? Such a common point of view would not prevent us emphasizing our differences. I should continue to present my Anglican point of view and sell it to as many Roman Catholics and United Church people as possible, and I am quite sure they would continue to do the same thing to my flock. After all, I am quite sure that my way of thinking is right, and I should be committing a sin if I did not try to share it with others. But when one of my flock felt that the Roman or Presbyterian form of Christianity was closer to the truth than the Anglican, I should not consider him a lost soul if he followed his conscience and his understanding. I should try to remember that even though he had left my congregation he still raised up the Christian banner in the face of a hostile world; and I should hope that when I steal an occasional Roman or Presbyterian their former pastors

would exercise the same Christian charity.

People will sometimes transfer their allegiance from one group to another without the slightest attempt on the part of the receiving group to proselytize. The reasons may be matters of faith or they may be largely emotional, but they are none the less real and should be recognized as sincere; and the person making the change is still living within the philosophy of life which recognizes the over-ruling power of God.

Christian Science

How the selfishness and egotism which would impede man's spiritual progress can be overcome through obedience to God, divine Love, will be brought out at Christian Science services on Sunday.

The Lesson-Sermon entitled "Everlasting Punishment" includes the following verses from the King James Version of the Bible: "As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me" (Revelation 3: 19,20).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will also be read: "In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error, — self-will, self-justification, and self-love, — which wars against spirituality and is the law of sin and death".

The Golden Text is from Job: "Surely it is meet to be said unto God, I have borne chastisement, I will not offend any more".

C.W.L. Subdivision Elects New Officers

The Catholic Women's League of Canada, Westmount Sub-Division recently elected new officers as follows: Mrs. J. H. McMahon, president; Mrs. J. A. Ryan, vice-president; Mrs. K. St. James, second vice-president; Miss Jessie Brady, third vice-president; Mrs. W. J. Keating, recording secretary; Mrs. R. L. Hale, corr. secretary.

Mrs. J. W. Erly the past president was presented with a corsage of orchids and a pair of silver rosary beads. Mrs. Keating paid her a very nice tribute for the work she had accomplished for the league while she was in office.

Theatre-Fair Planned By Hospital W.A. Proceeds To Help Purchase New Autoclave

The Women's Auxiliary of the Reddy Memorial Hospital plan to make available to the hospital a new autoclave for the purpose of sterilizing all items of equipment for use in the Operating Rooms and Nurseries as well as on the Wards and in the Out-Patients department. The Auxiliary plans to replace some apparatus and add new equipment as soon as possible with manual controls and a recording thermometer. A new hot air sterilizer equipped with a fan for circulating the hot air within the instrument. This autoclave will be used for sterilizing instruments, dressings etc.

This is the biggest undertaking the Women's Auxiliary of the Reddy Memorial Hospital has attempted and will cost several thousand dollars. To help raise the necessary money to meet their obligations the Auxiliary have planned a Theatre-Fair to be held the evening of Wednesday, May 5 at 8 p.m., in the Town Hall of the Town of Mount Royal. The choice of a movie to be shown is a new re-cast version of "Ninotchka" starring Greta Garbo, this will be the first showing of this new release in Montreal. Recently when "Ninotchka" opened in an American theatre every previous record was broken, to quote a U.S. publication at that time, "this proves that Garbo is an all-time great and one of the biggest box office attractions the industry ever had".

As well as showing "Ninotchka" there will be games, door prizes and refreshments. Tickets can be purchased at the hospital switch-board or at the door of the Town Hall of the Town of Mount Royal the night of the event, or by calling Mrs. J. D. Fieldman at DEter 9056.

Card Party At Loyola To Aid Foreign Missions

Catholic missionary priests of the Scarboro Foreign Mission Society in Japan, British Guiana and the Dominican Republic will benefit from the proceeds of a card party to be held this evening, April 30, at Loyola College. The work of these priests was described recently by His Excellency Bishop Turner of Montreal who visited them in Japan and the Dominican Republic after his expulsion from Red China late last year. The proceeds from the forthcoming card party will assist in the upkeep of churches and schools for the younger children and the maintenance of native catechists.

Regarding his visit to Japan, Bishop Turner reported that the Japanese people are well disposed towards the missionary priests at work in their country. Though the work of the Scarboro priests only started in Japan in 1948, he announced slow but steady progress.

In the Dominican Republic (located in the Caribbean near Puerto Rico) Scarboro priests are heartened by new governmental regulations which since January have permitted the teaching of religion in the schools.

At the card party at Loyola College tomorrow His Excellency Bishop Turner will be the guest of honor. This will mark the tenth occasion of this benefit which is held annually under the auspices of Scarboro Lay Missionary League, Montreal Unit.

Some of the Scarboro foreign missionaries ousted from China in the past few years started work in the autumn of 1953 in British Guiana under the direction of Bishop Weld, S.J., and their work in this new territory will also benefit from card party proceeds.

Mrs. Anna Raginsky To Be Honored Wed. At Annual NEGEV Dinner

When Montreal Jewry pays tribute to Mrs. Anna Raginsky at Wednesday night's (May 5) Negev Dinner at the Mount Royal Hotel, it will be the first occasion when a Canadian woman will be so honoured. After a seven-year tenure of the National Chairmanship of the Jewish National Fund of Canada, Mrs. Raginsky will be the recipient of a city-wide testimonial at the Annual Negev Dinner, the highest form of recognition which can be paid to any Canadian citizen, among whom were such veteran Zionist personalities as Edward E. Gelber, Samuel E. Schwisberg, Sam Kronick, Col. David Croll, Eli Pullan and others.

No woman has yet had the distinction of a Negev Dinner in her honour. This year, the Montreal Negev Dinner will be dedicated to the untiring efforts of Mrs. Raginsky on behalf of Zionism, whether in the fields of J.N.F., Shekolim, Hadassah or Israel Bonds.

This will be a fitting tribute after having been so closely identified with Keren Kayemeth Le

MRS. ANNA RAGINSKY

Israel since 1909. She was among those who in that year helped Canadian Jewry to raise \$10000 — at that time a record achievement — for a Canadian colony in the Holy Land.

A Marikimer by birth a former Torontonion and a long-time resident of Montreal, Mrs. Raginsky has been active in community work for over four decades. Her introduction to political Zionism dates back to 1908, and in 1910 she was President of the B'nai Zion Kadimah, the second women's society in the Queen City. When a few more Zionist groups were organized in Toronto, Mrs. Raginsky became the first Vice-President of the Toronto Zionist Council, in 1911. Among the projects of these groups was to send money to promote the use of the Hebrew language — instead of German — at the Haifa Technion.

As Chairman of the Ontario Council of Hadassah in 1916, Mrs. Raginsky toured her native Province, to set up similar chapters wherever groups of Jewish women could be found. When Hadassah became a National Organization, in 1921, she was elected Vice-President at its inception, and has ever since held important offices, including the National Presidency from 1941 to 1947, and is now one of the first Honorary Presidents for life.

Among her many activities, which are not specifically Zionist, Mrs. Raginsky has held important offices in the Montreal Council of Women, the National Council of Women, Canadian Jewish Congress, Women's Committee for Canadian Government Bonds during World War II, Ladies Auxiliary of United Talmud Torah, Maternity Aid Society of Toronto, Women's Canadian Club, Daughters of the Empire, Women's Auxiliary of the Jewish General Hospital, Women's Division of the Federation of Jewish Philanthropies, United Talmud Torahs and the National Board of the Joint Distribution Committee of America.

Having increased the revenues of the Jewish National Fund in Canada, from less than \$200,000, when she took over the Chairmanship, to more than \$300,000 at the time she relinquished the position a few weeks ago, Mrs. Raginsky belongs to that school of Zionists who never relax and will always find time for the next big "job" for Zionism, for Canadian Jewry, and for Israel.

Student Nurses Plan To Attend Convention

On Monday evening April 19, the representatives from the combined councils of student nurses gathered at the Montreal General Hospital to discuss their forthcoming trip to the convention at Banff, Alta., on June 6, realizing their responsibility as future leaders in their profession. During the winter months the students have held dances and bazaars to raise funds in order to finance the expenses incurred by their representatives.

The hospitals represented at this convention will be St. Mary's, Jewish General, The Queen Elizabeth, the Royal Victoria and the Montreal General Hospital.

clusters, goldings and fuggles

Henry VIII did a lot more than eliminate wives. He eliminated hops in brewing, too. Thought they were harmful.

This didn't make his subjects too happy. They missed the "tang" hops give to ale, so the brewers sneaked them back in. Still, there were sighs of relief when Henry expired and Elizabeth gave the green light again on hops. "Good Queen Bess!" shouted her subjects, happy again.

Hops have been cultivated since William the Conqueror. Improved a lot since William's time, though. Today there are more kinds of hops than Henry had wives. Like *Fuggles*, *Clusters*, *Goldings*, *Bramblings*, *Brewers Gold* and *Early Bird*.

Each September, London trains are jammed with cockney pickers heading for the Kent hop fields. Better than a sea-side holiday, they claim. The work's hard, but at night there's fun and games, and a competition to choose the "Hop Queen".

Hop picking on this side isn't quite so gay, but the hops are just as good. Some even better, reported English hop experts to the *Anglo-American Council on Productivity* when they hopped over to look into the situation a year or so ago. And our ale proves it.

A lot of Canadian subjects who used to hop about from brand to brand have settled on Molson's, and no wonder. Just combine hops with barley malt, water, and the distinctive Molson strain of yeast, and you have an ale whose flavour is so pleasing even Henry VIII would have melted. "Make Mine Molson's!" he'd have cried, just as do more Canadians today than ask for any other brand.

Public Invited To Visit Hadassah "Ideal Home"

World wide Hadassah has shouldered a gigantic task which will go down in history as one of the outstanding humanitarian efforts ever to be undertaken. During the last twenty years, 62,000 sick and orphaned children, deprived of home and family, have found a haven and sanctuary in Israel. Hadassah schools, settlements and children's villages assure these youngsters the education, the spiritual and psychological guidance in an atmosphere of loving kindness and understanding which will make them self-reliant, responsible adults. In rescuing these thousands of children, Hadassah has given Israel the manpower which will produce its future statesmen, its scientists, and agriculturists, as well as the well-trained parents which this young democracy so greatly needs.

The work of Hadassah continues. New groups of children arrive from North Africa and the Middle East, to be housed and integrated into the group life which Hadassah projects offer.

In order to further support the many responsibilities which Montreal Hadassah has undertaken, its 65 chapters have organized the Ideal Home Subscription Campaign. Located at 4901 Kensington Avenue, and architecturally designed and decorated for the family in the average income bracket, the Ideal home has a feeling of luxury, of elegance and quiet dignity which makes it an outstanding example of what good taste, combined with clever planning can accomplish.

The Ideal Home is open to the general public from ten o'clock in the morning to ten o'clock in the evening. There is no admission fee. Visitors are taken on a tour of inspection by members of the organization who are in attendance as hostesses.

Neutral though sunny shades predominate in the decoration, harmonizing with the feeling of spacious simplicity which prevails throughout the Ideal Home. Window treatments are effectively carried out in such fabrics as rayon gauze, damask, lurex thread and printed antique satin.

The moneys raised by Canadian Hadassah is spent in this country in the purchase of materials and equipment so greatly needed in Israel.

Both Westmount Rugger Teams Start Seasons

By JIM ADAM

Westmount's two rugger teams met with mixed fortunes when they hit the road for matches last weekend.

The powerful Scottish travelled to Ottawa to play the Bytown Beavers and returned with a comfortable 17-0 win to add to their victory skein. The Scots, unbeaten since being formed last spring, were never troubled and after a slow start settled down to completely dominate the game against the plucky capital crew.

The Scottish opened the scoring after 10 minutes when Bill Adams barged his way over following a line-out on the Beaver line. Bob Hatt, the Scottish drop-kick specialists, put his side further ahead with one of his finer efforts when from fully 45 yards out he drop-kicked the ball through the posts to make the tally 8-0. The blue-shirted Westmounters made it nine a few minutes later following a foot rush by the forwards, Jim Adam fell on the ball over the Ottawa line for the TD.

Just before the interval Bill Cullen, a constant threat for the Scots all afternoon, went over near the corner for a fine try. The teams changed round with the Scottish leading 12-0.

Face Slows Down

Face slowed down in the second half and there were many stoppages for minor injuries. The Scots were dealt a cruel blow when vice-captain, George Ewan further aggravated his nose injury and had to leave the field. It is feared that George may be lost to the team for the balance of the season.

The only scoring in the second half came when after a passing movement amongst the forwards George Simmons scored near the posts. Bob Watt with his first conversion attempt of the afternoon made it good for the extra point. The final whistle went with the Westmount crew easy winners 17-0.

Barbarians Lose

Westmount's other team, the Barbarians did not meet with such good fortune on their trip south to Boston for their game against Harvard.

Inability to travel weakened the Barbs but they were no match for the better-conditioned and faster college team and they were well beaten 28-0. Joe Conzelman, Harvard's speedy left winger, was

Five Local Players On Squad At Bermuda Rugger Tourney

Five players from Westmount's two rugger teams represented eastern Canada in the recent International Rugger tournament held in Hamilton, Bermuda.

The Canadian squad who played fine rugger throughout the tournament lost in the final to the Bermuda Athletic Association team by an 8-0 count.

The team who left Montreal for the sunny island played their first match and defeated

Harvard University 16-0. Two days later they schellacked the American Naval Ordnance Base 28-0. Jim Hastings of the Westmount Barbarians who was a sparkplug in the team's attack scored two fine touchdowns in this game.

Lose in Final

In the final the fitter and faster Bermuda crew scored a well-merited win against the always-fighting Canuck squad. This Bermudian team will visit Montreal on May 18 for a game against the Montreal All-stars at the Westmount Athletic Grounds.

mainly responsible for his team's fine attack who crossed the Westmount line eight times.

After last week's good showing against Toronto, Barbarians heavy defeat against Harvard as a surprise but the Barbarians this heavy defeat against Harvard came as a surprise but the Barbarian players are out to finish off the season in good style and promise to get their revenge against the Boston college next year.

Dartmouth Play Here

Dartmouth College will be in town for a game Saturday, but as yet it has not been decided which Westmount team will play them. The game will be played at the Lakeshore Flyers ground at Valois, kick-off 2.45 p.m.

The following Saturday, May 15, sees an attractive double-header at the Westmount Athletic Grounds when the Scottish play the Brantford Harlequins with the Barbarians clashing with the Bytown Beavers in the nightcap.

All-stars Meet Bermuda

The following Tuesday the game of the year takes place at the W.A.G. when the Montreal All-stars will play the visiting team from Bermuda. This team representing the Bermuda Athletic Association won the recent International tournament in Bermuda defeating Eastern Canada in the final. This game of the year at the Athletic Grounds. The kick-off will be at 5.45 p.m. Admission for this attraction will be 50 cents and tickets may be obtained from any club members or at the grounds before the game.

This is only the second year that eastern Canada has entered the International tournament and both times they have lost close games in the final. It is hoped, however, with this two years experience behind them they will bring back the cup next year.

Heat Proves Strain

This year's crew found playing in the 75 degree heat quite a strain and this told in the final which was their toughest match on the tour and they tired quickly towards the end.

Jim Nairn of the Westmount Scottish who captained the team did an excellent job and along with Jim Adam, also of the Scottish played in the All-star game which was played as a wind-up to the tournament.

Garbutt, Hastings Hurt

Pat Garbutt and Jim Hastings, both of Barbarians suffered similar heels in the first match but, despite

injuries when they bruised their this both were stand-outs for the team. Brian McPhillips, Barbarians wily hooker, was in great form in all games and in the game against the Naval Ordnance Base gave one of the finest exhibitions of hooking ever seen in the Island.

Rule Break Leads To New Game

By Larry Clarke

Early in the 1820s an excited soccer player in England is said to have picked up the ball and started running with it, instead of merely kicking it according to the rules.

And that excited individual, legend has it, inspired the roughest, fastest game man has yet played on his own two feet. The name of the game is rugby-football, more commonly known as rugger. It took nearly a hundred years to reach any sort of popularity here in Canada.

In the 1920s, however, with immigrants flooding over here (Continued on Page 19)

Athletic Awards Presented To Students by St. Leo's

St. Leo's Academy senior B hockey champions came in for the lion's share of the awards given out at the school's annual athletic award presentation night, held recently in the Academy hall.

The players were presented with school pennants from the school commission and received crests from the Greater Montreal Interscholastic Athletic Association.

Individual awards were also presented. Tommy St. James received the Rev. Msgr. Wilfrid E. McDonagh trophy, given to the best athlete of the year.

Joe Froio received the Catholic Mothers Club trophy for the best junior athlete.

Dunnigan MUP

Kevin Dunnigan was chosen most valuable hockey player and received the Hon. D. C. Abbott trophy.

Bob Cardinal received the John Rogers memorial trophy for sportsmanship, and John Roche was presented with the Dr. J. T. and Mrs. Rogers trophy as the outstanding football player.

Dave Donohue received a presentation from the Catholic Mothers Club for school spirit, while team managers Andy Bleau and Paul Amos were rewarded for their work during the year by coach Andy McGillis.

Morin Guest Speaker

Dr. J. T. Rogers, chairman for the occasion, presided. Guest speaker was Pete Morin, coach of

the QHL Montreal Royals. Doug Harvey, defence player with the NHL Montreal Canadiens, also was present, and proved a big hit by giving out autographed pictures to the swarm of youngsters who besieged him.

Also present were Rev. Father John Colford, Gerard Coté, school director, Edward Connelly, B. A. Rothwell, J. Lavoie, Jean Rinfret, Hector Caron and some parents. The lack of support from the parents of the Parish was the only disappointing note of an enjoyable evening.

Students Entertain

Entertainment was provided by students of the Academy: Jean Clermont, Mike McNally and a group under the direction of Mr. Shanahan.

George Spare of the mosquito Canadians also received a prize for his contribution to his team. Other individual award winners were Mike McNally, Giles Laren-deau, Jean Rinfret, Joe Gallagher, Chuck Casey, John O'Brien, Jimmy Grant, Sandy Morrison, Dave Farrell, Karl Hurley, John Manus and John Audecent.

Unity Juveniles Ousted by NH In Final Series

Unity Boys Club juvenile basketball team lost a two game series to Neighborhood House, and with it the Montreal Boys Basketball League crown.

The NH crew beat Unity 51-48 Monday, taking the round 110-91. They won the opener 59-51.

Ralph Whims of Unity was high scorer, putting in 18 points. Babbs had 15 for NH.

Down at Half

The game was close, with the locals down one point at half 29-19. Early in the game they made up the eight point deficit from the first encounter, but NH fought back and kept it tight the rest of the way.

Play remained even for the next three quarters, as did the score. With only minutes left, Unity was desperate to make up their losing margin, and pressed repeatedly.

NH took advantage of these breaks, and poured in three quick baskets to sew up the series.

Cardinals Lead At Halfway Mark In Spring Loop

The mid-way mark in the schedule of the Unity Boys' Club spring basketball house league has been reached. The Cardinals, captained by Jack McKissock are in undisputed possession of first place as a result of their third straight win.

The victims were the Eskimos and score was a close 61-59.

John Reddon's Eskimos failed to retain a slight lead in the dying moments of the game and when the whistle blew the Cardinals had won another.

In the second game of the double-header, Dave Barnard's Braves won their first by defeating brother Mike Barnard's Tornados 53-48, they are now established in a three-way tie for second place in the standing.

Grant "Oscar" Peterson and Douglas Mariasine were the big guns in the scoring parade each garnering 26 points.

May 10 Deadline For Inters, Jnrs.

Final date for all entries in west end intermediate and junior softball leagues has been extended to Monday, May 10, but definitely no later, Roger Bastien, district supervisor, announced this week.

At a meeting Friday, five of last year's eight teams in the intermediate section signified their intention of entering teams; two are likely, and only one is doubtful.

St. Augustine's, Dow, MacRae Electric, Columbus and Trenholme will all sponsor squads, while only a final word is needed from Bnai Brith and the champion Oxford team.

The Royal Canadian Mounted Police reported they were interested in entering a team. This would be either entirely composed of Westmount residents, where the barracks are located, with the two outside imports allowed this year, or entirely of members of the regular and active force.

Anyone desiring more information should contact Roger Bastien, PL. 6111, local 162, or DE. 2279.

Stayner Winners Over Stars 45-27 For League Title

Stayner won the Municipal Basketball League championship Tuesday, beating Avenue Stars in a sudden death final 45-27.

The winners were in complete control of the game throughout, and were presented after with the Alderman Panet-Raymond trophy, emblematic of the loop title.

Earle MacDonald sparked the winners with 20 points, while Pete Seimers collected 13. Al Turner was best for the losers with nine. Stayner led the Stars by seven points at the end of the first quarter, sparked by Seimer.

Athletics Glow at Hobby Show

The Westmount Y.M.C.A. Boys' and Girls Hobby Show Athletic program was a marked success this year, Pat Scharfe, chairman and organizer of the sports section, said yesterday.

There was a boy's basketball game between Roslyn and Kings Schools Wednesday. Roslyn came out on top, winning 21-10 with Motherwell high men scoring 10 points.

The girls swimming meet also took place Wednesday. Jane Ellis earned the most

points in the meet, followed closely by Pamela Larratt and Margot Wray who placed second and third respectively. Little Leaguers Near Opening Day

Little league baseball opens May 15, and Unity Boys Club coaches Jack McKissock and Dave Barnard have been busily engaged in getting their charges ready.

The Indians have been working out regularly at Stayner park for two weeks, and the mentors report that only one or two more boys are needed to round out the team.

Any boy under 12 years of age, living in Westmount or St. Henry, is eligible. Particulars may be obtained from Russell Skinner at the club.

from the old country it attained a measure of popularity, but since the last war its popularity has increased in leaps and bounds.

Three Clubs Here

At present there are three clubs on Montreal island — the Westmount Scottish, Westmount Barbarians and McGill University. Toronto has eight clubs, with Ottawa, Hamilton, Brantford and St. Catharines also in the league. British Columbia is reportedly even stronger.

Unlike Canadian or American football, rugger has two seasons a year, being played in September, October and November and again in the month of April and May.

This latter season is the tough one. Local playing fields are closed to cleats while the frost is still in the ground. This means that March training must be done indoors, in armouries or other concrete floored halls. Since no protective padding is used either in training or in competition skinned knees are common for tackling is fast and hard.

Practice At Park

The Westmount teams however, now hold their practices in Westmount Park on Tuesday and Thursday evenings. Donald Munro, secretary-treasurer of the Westmount Scottish, bemoans the fact that more men from the other side do not rally around and increase the number of clubs on Montreal island.

At present there are approximately 75 players here. Don feels Montreal island could easily bring this total well over the 200 mark making a 10 club league possible.

Fees are \$5 a season and uniforms, low in comparison to the cost of Canadian football uniforms. A complete outfit would not run much higher than \$25.00.

Send Teams South

In the last two years Montreal and Toronto have sent a combined team to Bermuda, where they have competed in five matches. Other teams also travel down U.S.A. way to compete against University teams in New England, such as Harvard, Yale, Dartmouth, Massachusetts Institute of Technology as well as the New York city team.

There are several Canadians playing on the local teams and Don and the boys wish more of them would drop around to the Park some Tuesday or Thursday evening to look the game over. Among the many Australians, South Africans and British Islanders here on our island, he also feels sure there are homebrews who would like a shot at it. Munro can be reached at DE. 4193.

Hold Soccer Clinics To Form Bantam Squad

The first of a series of soccer clinics, with an eye to forming a bantam soccer team, was held Saturday by Ian Campbell of the Unity Boys Club. Attendance was good, and a larger turnout is expected tomorrow. Anyone interested should report to Campbell at the clubhouse.
