PLACES IN THE NEIGHBORHOOD OF MONTREAL OUTSIDE CITY LIMITS.

TOWN OF HAMPSTEAD

A Township adjoining Notre Dame de Grace ward of the City of Montreal, from which it is separated on the south by Cote St. Luke Road, and on the east by Macdonald av. Queen Mary road is the stopping point for Hampstead, which lies three blocks west along Queen Mary road. The Snowden junction stop on the Cartierville line lies five blocks east of Hampstead. Queen Mary road leads right into the township.

Hampstead is a beautifully laid out garden Township, and has very rigid building restrictions. All houses must be of solid construction, with gabled roofs. Lots vary in size from 5,000 to 8,000 sq. feet, thus ensuring that each house has ample front lawn and garden space. The roads are laid out on gently curving lines and are paved with asphalt. Queen Mary road is a beautiful curved boulevard with a central garden space along the whole length. All the roads have been planted out in maple and elm trees.

Water is supplied to the town and is metered to the residents.

The Hampstead Golf Club, which has a splendid course of 18 holes, lies north along Finchley road, and about seven minutes' walk from the car stop on Queen Mary road.

The Sun Life Tennis Club is situated on Cote St. Luke road, adjoining the township. Many of the residents of Hampstead are members of this club, which allows a certain proportion of the membership outside of employees of the Sun Life Insurance Co. Pop. 400.

LACHINE

A City on the St. Lawrence and on the Island of Montreal (Seignior of Montreal), county of Jacques-Cartier. It is the summer residence of many Montrealers and one of the most prosperous manufacturing centres of the Province of Quebec. Its works are very numerous and thousands of men are employed yearly.

In winter months it is greatly frequented by pleasure parties, while in summer, thousands of tourists pass through Lachine to run the Lachine Rapids, also cross the St. Lawrence River on the ferry for Malaga N. Y., Ogdensburg N. Y., etc.

Regattas and other sporting events take place every summer and are largely patronized by visitors. Lachine is now provided with up-to-date hospitals where surgical and ordinary cases are attended to by a skilful staff of surgeons and physicians. They are known as the Lachine General Hospital and St. Joseph Hospital. They are provided with automobile ambulances that attend all emergency cases.

The leading citizens of the city have provided a Board of Trade where all important business matters are discussed. There are four banks, viz., la Banque Provinciale, la Banque Canadienne Nationale, the Bank of Montreal and the Royal Bank of Canada.

The Canadian National Railways run several trains daily to Montreal. Montreal Tramways have also a line of electric cars running from the City of Montreal to the western limits of the City of Lachine, in twenty minutes. Cars are running at ten-minute intervals from 6.20 a.m. to 8.20 a.m. and from 4.20 p.m. to 7.40 p.m. The Montreal Tramways Company are also operating an autobus service running at 10 minutes intervals for 18 hours a day, from the intersection of 18th Ave. and Notre Dame, Lachine to Montreal and vice-versa. The tariff charged by the Company for riding

with the autobus is absolutely the same as that charged for the tramways. The above Company has extended its line from Stoney Point to the western limits of the City of Lachine comprising a distance of one mile. New granolithic sidewalks have been laid on mostly all streets, and tar has been laid on St. Joseph street, to prevent dust, and make the road bed as level as possible for automobiles. A ship canal connects the navigable waters of Montreal with Lake St. Louis. Trees have been planted on all avenues, so as to give shade to the residential districts.

The Canadian National Telegraphs have offices here. There are three post-office branches, also the Bell Telephone Co. The City is lighted by electricity, and has a fire alarm system and a complete system of waterworks and drainage. There are, besides the convent, a first class commercial college, two Catholic academies and three Protestant academies.

Distance from Montreal City Hall, nine miles. Mail three times daily. The City of Lachine is inviting manufacturers to ask for all facilities and advantages offered by Lachine, Que. Population 17,862.

LA SALLE.

A town on the North Shore of the River St. Lawrence, situated between Verdun and the City of Lachine, directly connected with Montreal West and Ville St. Pierre on the north, and by the celebrated Lift Bridge at Lachine, the largest of its kind in the world.

The part of the town located on the river bank is exclusively residential and is the home of many wealthy Montrealers. There are some beautiful farms which are well cultivated. There are also several dairies which supply milk and butter to the City. The northern boundary on the Lachine Canal is an ideal location for business and several large plants being now in operation.

The Federal Government has a branch of the Income Tax Bank. There are also a Post Office Branch and a Royal Bank Branch; three Catholic churches, two Catholic schools and one Protestant school, telephone and telegraph communication with the City of Montreal.

The town of LaSalle is a beautiful summer resort and was formerly the Parish of Lachine. It has fine views of Lake St. Louis, Lachine Rapids and the Nuns Islands as well as Laprairie, Caughnawaga and the Indian Village and the western part of the City of Montreal. The population is about 8100.

The Town Hall is located at No. 13 Strathroy av. Council meets on second Wednesday of each month. Fire and police departments are located at Town Hall.

The C. P. R., N. Y. C. and Delaware & Hudson R. R. Co., supply service, "Highlands" being Railway name of town.

There is also a frequent motor bus service between Montreal West and LaSalle operated by the Montreal Tramways Company. TOWN OF MOUNT ROYAL

THE MODEL CITY

Eight minutes from the heart of Montreal via the electrically-operated Tunnel of the Canadian National Railways, lying on the northwest slope of Mount Royal and adjoining the cities of Montreal and Outremont.

The Town is conveniently reached by automobile from Outremont along the Cote St. Catherine road to the following avenue, crossing the Canadian Pacific Railway tracks. The Town of Mount Royal's territory commences at this point and the westward it can be reached by the Cote des Neiges rd which is the continuation of Guy street.

Tramways—The Cartierville Branch of Montreal Tramways crosses directly through the Town and the service to Mount Royal connects with the Beauriville car at the corner of Park av. and Atlantic av., Montreal.

Water Supply—Water consumed in the Town of Mount Royal is supplied by Montreal and is metered to the residents at two-fifths of the cost of the supply.

Sewers—All streets in the developed portion are laid with the most modern domestic sewage system.

Streets—The streets are at least sixty-six feet wide, and the main boulevards, Graham Blvd. and Laird Blvd. are eighty feet wide. The thoroughfares are concrete and tarvia macadam. Special attention is given to the roads in winter months so that all times they are kept open and free from snow by the most modern caterpillar tractor equipment.

Building Restrictions—All residences are placed at a set back from the street line and must be either detached or semi-detached, must be well built on stone or concrete foundation with substantial walls.

All residences constructed with slate and are of high-grade construction. No stores or flats are permitted in the residential section but arrangements are made to take care of these on the main arteries of the Town. Outside streets are permitted to be of any grade.

Education—For Protestant and Catholic School purposes the territory of the Town of Mount Royal has been erected into a separate school district. The Protestant missionaries have built a fire-proof two-story and basement school, built of brick and reinforced concrete, where elementary and high school grades are taught. A new fireproof school has been built to accommodate the first four grades. The classes are conducted by teachers of high scholastic degree. The Catholic education is taken care of by a new Catholic school modern in every detail.

Police—The Town is well policed by an efficient and experienced police department, assisted by a motorcycle patrol.

Taxes—The taxes are lower than in other well-developed adjacent municipalities.

Recreation—Ample parks and playgrounds have been provided and there are tennis courts and bowling green with the most modern electric lighting for evening play. As a healthful, convenient residential district easy of access by either street car or by the suburban railway service of the Tunnel, the Town of Mount Royal offers unusual inducements to those who wish to live in a quiet, well-planned and well-managed residential section where their investments are safe-guarded by the best of restrictions and surroundings.

Population 1800.

LOVELL'S DIRECTORY OF VILLE ST. PIERRE

WESTMOUNT, CITY OF

The City of Westmount is beautifully situated on the western slope of Mount Royal, and from the upper level a magnificent view of the St. Lawrence River, Lake St. Louis and surrounding country is obtained. The city is almost exclusively residential and may be designated a "city of homes." Available properties for building sites are rapidly being occupied. During the past year building operations were carried on to the extent of \$3,616,132.00. The city is governed by a mayor and five aldermen, elected for a term of two years by the city at large. The city manager form of government has been in vogue for 16 years, and the city's progress is evidence of the wisdom of the adoption of this system of government.

The finances of the city are in a very sound state and bonds issued command high prices and are considered as securities of the highest class. The police and fire forces are maintained at a high standard of efficiency. The building by-laws are stringent and closely applied, and fire losses are very low.

The streets are well paved and kept in good condition, and in the winter months, with the use of up-to-date equipment, the roadways are kept clear of snow and in splendid shape for motor traffic.

The city owns and operates in a very efficient manner an electric light and power station and garbage destructor plant.

Park spaces owned by the city cover an area of about 57 acres. Three greenhouses are maintained. A flower clock has proved to be a novel attraction.

Twelve municipal tennis courts are in great demand during the summer months and every facility is given for the enjoyment of winter sports. Four additional courts are being built in the new park.

The city owns a free public library. During the year, 99,231 volumes were circulated in home use. The reading-room contains a splendid selection of the best magazines, and the reference library is constantly appealed to as a source of information on all subjects.

The Victoria Hall as a community centre is continually in use for church, charitable,

educational, fraternal, municipal, political and social activities.

Public education is provided by the school commissioners of Westmount and the school commission of St. Leon de Westmount. In addition there are numerous private schools.

The city is supplied with filtered water and a 98 per cent. efficiency is required. The water is regularly tested and reported upon by the Provincial Board of Health, to assure that a maximum of purity is maintained. Population about 25,000.

City Hall—Sherbrooke at cor Argyle av. Mayor—George Hogg.

Aldermen—Robert L. Scott, commissioner of finance; S. F. Rutherford, commissioner of roads; Dent Harrison, commissioner of light; A. L. Robertson, commissioner of police, fire and health; Armand Chaput, commissioner of parks.

Officials—G. W. Thompson gen. manager; A. E. Bell, city clerk & treasurer; C. W. Houston, assistant; P. E. Jarman, city engineer; E. C. Barry, city acct.; J. W. Weldon, city attorney; Dr. J. A. Hutchison, medical health officer.

Police Dept.—W. Wren, chief; A. Ridge, sub-chief; W. Gilhooly, captain; E. McMahon, magistrate.

Fire Dept.—W. Wren, chief; A. Riddoch, sub-chief; L. Marechal, captain; E. Vickers, captain.

For names of residents and a guide to the streets see *Montreal Street and Alphabetical Directories*.
