

YOUTHFUL LITIGANTS—Another of those interesting cases peculiar to the Montreal Police Court came up for ventilation this morning. The son of Mr. James Suttie, a Corporal and foreman, and one of Michael Tuoy, of Quebec Gate Barracks, who are youths being about 20 years old, were fighting Saturday last. Two seniors, entering the occurrence, came out, but Suttie in the head with his hand, and the other knocked it (the head) against the wall. Suttie therefor brought an action in the Police Court.

STEARING AT A ROUND.—Complaint was made at the Police Court this morning that one Edith methilde Lavoie, 25, a few days ago went to the tavern of Mr. Macle at the corner of Ontario and St. James streets, and there, on the night's lodging. Mr. Macle at first refused to let her stay, but she persisted, and he allowed her to stay all night, and in the morning he found that the woman had got taking twenty dollars with her. She was very much distressed, and he had to go to the magistrate, she having got on a spree, the money had been taken from her. She was put in a cell with a woman of unsound mind, and he was told to get her out of the cell, so that her companion had stolen her chain and 25 cents. No attention was paid to her complaint.
