RUSSIA WINS OLYMPIC GAMES

Fellow Canadians — Maj.-Gen. E. L. M. Burns of Ottawa, commander of the United Nations emergency force, inspects a Canadian guard of honor at Abu Suweir in Egypt. Behind Gen. Burns is Maj. I. R. Green of Ottawa, and at left is Sgt. Alex Lafferty of Fort Simpson, N.W.T. (CP)

Canada Wins 16th Position

MELBOURNE — (CP) — Russia formally clinched first place today in the unofficial Olympic point standings, carrying a lead of more than 100 points over the United States into the final day of the Games with only the soccer championship to be decided.

The result was a foregone conclusion since Russia's big harvest of points in gymnastics Thursday which had sent them far in front of the 67 competing countries in the point table, which is computed on a 10-5-4-3-2-1 basis for the first six in each event.

- The Standings:
1. Russia, 712.
 2. United States, 593.
 3. Australia, 278½.
 4. Germany, 223.
 5. Hungary, 220½.

Fatal Accident — Roland Lamarche, 33, of 361 Notre Dame St., Victoriaville, was instantly killed when his car collided with a Quebec Central locomotive early yesterday morning at the crossing near the National Asbestos Company's private siding on the outskirts of Theford Mines. Engineer on the train was J. H. Paradis and the conductor, J. P. Leblanc, both of Sherbrooke. QCR constable Roland Forget and Provincial Police Officer Emery Roy investigated the mishap. Austria Expects New Wave Of Refugees From Hungary

VIENNA — (Reuters) — Austrian officials expect a big new wave of refugees to arrive in the next few days because of increased tension in Hungary.

Reports reaching Vienna today said Russian troops have taken over the guarding of the Parliament buildings in Budapest.

At each entrance door stand two Russian guards with tommy-guns at the ready.

Visitors were being allowed everywhere in the building except into rooms occupied by Premier Janos Kadar. Two armed Russians turned away anyone who came near.

Other reports said government posters set out in Budapest were being torn down or defaced within minutes of their appearance and that sellers of government newspapers were having their stocks burned or ripped into shreds by crowds.

At the same time, anti-Kadar posters appearing in Budapest were left untouched and widely read by crowds.

Refugees say Russian troops in Hungary appear badly fed. There had been cases when they sold their pistols and tommy-guns for a loaf of bread.

Before the uprising Russian troops in Hungary lived off the land, but now there was no food to be had and Russian transport of food was irregular. In some places the Russians got only about half a pound of black bread a day with a small piece of bacon.

The intergovernmental committee for European migration announced that 116,696 refugees had come to Austria by Thursday and that 43,979 were moved to other countries.

Hungarian circles in Vienna estimate that the present distress in Hungarian industry has cost the country at least 500,000,000 forints daily, or a total to date of at least 20,000,000,000 forints.

If this is reckoned at the purchase value of the forint, rather than at the official rate which would give unreal results, this would mean a daily deficit of nearly \$2,800,000 and a total deficit of \$14,000,000.

Egypt Back Normal By New Year—Nasser

CAIRO — (Reuters) — President Nasser's government expects that conditions in Egypt will be back to normal by the end of this month—about the time when the Anglo-French withdrawal from Port Said is due to be completed.

Cairo, which has lived under a complete blackout since the Israeli attack on Oct. 29, is getting ready to turn on the lights again.

An official announcement said electricity and gas companies have been ordered to prepare to lift the blackout "some time next week."

An education ministry official said it is still impossible to fix a date for the reopening of schools.

Commerce Minister Mohammed Abu Nasseir stated that Egypt's economy has not been affected by the Anglo-French invasion.

"On the import side, many countries have expressed their willingness to provide Egypt with their full requirement of goods formerly imported from Britain and France," he said.

"New export markets opened up by Egypt have absorbed all our surplus production."

The undersecretary at the ministry of industry, Sayed Hussein Halawani, said "our oil supply will not be affected adversely by the closing of the Suez Canal."

He said the Red Sea district, the Sinai Peninsula and the Western Desert have rich petroleum resources for exploitation, and that offers have been made by several companies.

Abdel Latif Bogtadi, minister of municipal and rural affairs, has been supervising plans for relief of war-stricken areas, especially Port Said. He said he will go there as soon as the Anglo-French evacuation is completed, and already has consulted contractors who will undertake the city's rebuilding.

Plans for repatriation of thousands of refugees from Port Said are being made by the ministry of social affairs.

Public donations for the relief of the Port Said population have exceeded \$2,000,000 (Egyptian).

Premier Opposes Sitters

QUEBEC — (Special) — Canada's conscientious bachelor, Premier Maurice Duplessis, claims that parents should not have too much recourse to the modern system of baby-sitters.

"If parents have children they should look after them themselves," he said.

This considered opinion came out in a discussion of a bill submitted by the city of Dolbeau in the Lake St. John district. One clause provided for a curfew at 8 o'clock for children 15 years of age and under.

The acting leader of the Opposition, Rene Hamel, a father of five, raised the question of the clause's effect on baby-sitters. "If this law was passed," he said, "what would happen to baby-sitters? A lot of people have baby-sitters who are 14 and 15 years old. It would mean they would have to go and get them, and bring them home if this system were imposed."

"I don't believe in this system of baby-sitters," said the Premier. "I believe that there is an abuse in the use of baby-sitters. Too often parents leave their children in the hands of children who are not competent to look after them. It is a practice which can become dangerous."

The Premier apparently tried to mollify Mr. Hamel by proposing that the curfew be fixed at 10 o'clock instead of eight.

Budapest Opera Group To Toronto?

TORONTO — (CP) — Interest in establishing the Budapest Opera Company, now in an Austrian refugee camp, in Toronto, is being shown here by representatives of music, ethnic and business organizations.

An immigration department spokesman in Ottawa has said the department's officials in Vienna are investigating "a hint" that the company would like to move in a body to Canada.

In Toronto, Edgar Burton, president of the Robert Simpson Company, said he believes the newly formed Canada Council could sponsor the company as a contribution to Canadian culture.

Dr. Ettore Mazzoleni, principal of the Royal Conservatory of Music, said Toronto would be fortunate to get a well-known opera company of international reputation.

Walter Susskind, conductor of the Toronto Symphony Orchestra, said he last heard the Budapest Opera before the war and at that time it was regarded as one of Europe's better opera companies.

Vancouver and Stratford Festival societies have expressed interest in sponsoring the company, it was reported.

Three Convicted In Acid Blinding

NEW YORK (AP) — Three men were convicted Thursday of conspiring in the acid blinding of labor columnist Victor Riesel.

The three were found guilty of aiding the acid-thrower who hurled the blinding liquid into Riesel's face outside a Broadway restaurant April 5. They face up to five years in prison each or a \$10,000 fine, or both. Federal Judge William Herland set today for sentencing.

The three are Domenico Nick Bando, 47; Gondolfo Shiekie Miranti, 37, and Leo Telvi, 26.

The specific crime for which they were convicted was conspiracy to obstruct justice.

Britain Feeling Oil Pinch

LONDON — (Reuters) — About 1,500 British workers have been laid off and another 40,000 put on short-time weeks as a result of the fuel shortage.

In announcing this official estimate in the House of Commons Labor Minister Ian Macleod said most of the workers were from the auto mobile industry. He did not think other industries would be seriously hit.

Bus, taxi, and freight services all over the country are contemplating increasing their charges to offset the new peak gasoline price of around six shillings a gallon.

London Transport officials spent Thursday discussing fare increases to meet the extra £2,000,000 bill imposed on them for the running of their 8,000 buses and coaches.

In Edinburgh, the Scottish Omnibus Group has decided to apply for permission to raise fares by 12½ per cent. Smaller companies all over Britain have declared service cuts, and say fare increases are "inevitable."

The nationalized trucking industry has announced a surcharge of 7½ per cent on all charges for general haulage, parcels and tank haulage effective from today.

London taxi drivers will apply to the government for permission to raise their basic fare increase by sixpence a trip. Elsewhere, taxi firms have applied for similar increases to their local authorities.

United States Air Force bases in Britain have been ordered to cut "less-essential aviation" to save fuel. And U.S. servicemen dependent on reaching their bases by private cars have been given permission to use American government gasoline.

Today's Chuckle

The Texan drove his car onto the toll bridge. The gatekeeper stopped him. "Fifty cents," said the gatekeeper. The annoyed Texan fumbled through his pockets. "Son," he drawled, "I never carry 50 cents. How much do you want for the bridge?"

Pay Boosts At Quebec?

QUEBEC — (CP) — Premier Duplessis said yesterday the government is considering an increase of \$2,000 annually in the indemnity of members of both houses of the Quebec Legislature.

The increase would bring the indemnities of the 93 members of the Legislative Assembly and of the 24 members of the Legislative Council — Provincial Upper House — to \$8,000 from \$6,000 annually.

It would also boost the salary and indemnities of cabinet ministers to \$18,240,000 instead of \$22,000.

Mr. Duplessis said he was considering an increase after Dave Rochon (L-Montreal St. Louis) suggested members of the legislature should get more money.

A government bill providing for an increase in the salaries of the speakers of the two houses and the deputy speaker of the Legislative Assembly was adopted unanimously. It called for a \$1,000 annual increase in the salary of each official.

Speaker Jean-Louis Baribeau of the Council and Maurice Teller of the Assembly now receive \$15,000 annually while deputy speaker Daniel Johnson of the Assembly now receives \$11,000 annually.

Mr. Rochon, who was the only opposition member to speak on the bill, said Legislature members are faced with increasing obligations.

The last increase was in 1951 when indemnities were boosted to \$6,000 from \$4,000.

Mr. Rochon said many members now need the help of secretaries to handle correspondence. They are asked to contribute to various campaigns.

"I am not going to beat around the bush about this need for an increase for the members. I am making my demand quite openly and if my electors don't like it they can judge my acts when the time comes."

Mr. Duplessis said the government would take the matter under consideration.

The Assembly gave approval in principle to government legislation providing for increased allowances to needy mothers.

The new basic allowance will be \$60 monthly for mothers with one child. The government will also grant an allowance of \$3 for each additional child. Needy mothers may earn up to \$800 annually and still receive the allowance.

The new rates will take effect March 1.

Cost of the new increases to the government will be about \$5,500,000 annually. Cost of the allowances was \$7,894,479 in 1955.

U.N. Clash Expected On Security Seat

UNITED NATIONS, N.Y. — (CP) — Britain and the United States were expected to clash with Russia today when the United Nations General Assembly met to decide on a new member for the Security Council.

Russia announced Thursday she will back Czechoslovakia as the new member, and hinted that she will veto the proposed expansion of the Security Council unless her candidate is elected.

Britain and the U.S. are supporting the Philippines in the election.

Kuznetsov told a press conference that the lottery settlement was a violation of the UN charter, and that the Soviet Union did not agree to it at the time.

Kuznetsov said Russia will determine its final attitude to the plan to enlarge the Security Council from 11 to 13 members "depending on the results of the election to the seat vacated by Yugoslavia."

The council now is made up of five permanent members — Britain, France, the U.S., Russia and China — and six non-permanent members.

The vacancy was created by the resignation of Yugoslavia which agreed last December to serve only one year of the usual two-year term. This deal was worked out after neither the Philippines nor Yugoslavia got the required majority in 35 ballots. Finally Yugoslavia was seated as the result of a lottery, and it was understood that the Philippines would serve the second year.

Soviet delegate Vasily V. Kuznetsov told a press conference that the lottery settlement was a violation of the UN charter, and that the Soviet Union did not agree to it at the time.

Kuznetsov said Russia will determine its final attitude to the plan to enlarge the Security Council from 11 to 13 members "depending on the results of the election to the seat vacated by Yugoslavia."

The council now is made up of five permanent members — Britain, France, the U.S., Russia and China — and six non-permanent members.

Warm Reception Offered Sherbrooke Delegation

By WARREN SPAFFORD
HALIFAX — (Staff) — The skirl of bagpipes greeted a Sherbrooke delegation of 43 persons headed by Mayor Armand Nadeau and members of the city council on their arrival in their twin city last night for a three-day visit.

The delegation was met at the station by Mayor Leonard Kitz and his council and left immediately for HMCS Stadacona officers' mess for a reception. The mess is part of the huge naval base here.

The arrival of the Sherbrooke delegation coincided with the 39th anniversary of the famous Halifax explosion which killed 1,700 people, destroyed 1,500 homes and wrecked the entire north end of the city. The cause of the explosion was the collision of two ships, one carrying 1,000 tons of TNT, in The Narrows, a part of the Halifax Harbor, Dec. 6, 1917.

During their stay here, the Sherbrooke delegation will stay aboard their three special cars at the station which adjoins the hotel.

Today the Sherbrooke group is making a visit to the 40-Fathom division, National Sea products, ocean terminals to the rear and south of the Nova Scotian Hotel.

This morning the group also was taken on a tour of the Nova Scotia Light and Power Company plant, located near the railway station and this afternoon will visit the Imperial refinery at Dartmouth, across the harbor.

Other receptions have been scheduled for tonight.

Tomorrow morning there will be a tour of the City of Halifax and in the afternoon a harbor cruise has been arranged.

During the many gatherings various gifts will be presented to Halifax officials. Included in the presentations will be an oil painting of the City of Sherbrooke donated to the City of Halifax, and sets of cuff links and gloves, donated by various Sherbrooke business concerns, to Mayor Kitz, Halifax aldermen and other dignitaries.

World News In Brief

UNITED NATIONS, N.Y. — (CP) — V. K. Krishna Menon, India's chief delegate to the United Nations, said Thursday a world divided on the grounds of color or creed could bring about its own annihilation.

He said India will continue to maintain her strong ties as a Commonwealth member although she opposed the Anglo-French intervention in Egypt.

NEW YORK — (AP) — Vice-President Richard Nixon called Thursday night for the United States to give financial aid to Britain to help her out of difficulties stemming from the Suez crisis.

"An immediate problem which confronts us as a result of the crisis in the Near East is the financial plight of our friends in Britain now face," Nixon said in a prepared address.

WASHINGTON — (AP) — Soviet tactics in Hungary have clinched Iceland's decision to reverse its demand that U.S. troops be withdrawn from the island.

The state department announced Thursday that the Reykjavik government has agreed that "recent developments in world affairs" call for the continued presence of defence forces in Iceland.

See More Hungarian Bloodshed

BUDAPEST — (AP) — The central workers council said today that if the Hungarian government continues harassment against local councils "the end will be a general strike, bloodshed and a new national tragedy."

The central council said in a proclamation:

"It appears that an organized hunt has been started against the workers councils throughout the country.

"If this continues, the confidence of workers will be lost completely and those who direct provocations will reach their goal turning the workers' class definitely against the government.

"The end will be a general strike, bloodshed and a new national tragedy."

Health Talk Given To Bury Home And School

BURY — Mr. G. Boynton, president of the Home and School was in the chair and welcomed the members and visitors to the November meeting which was held in the Auditorium of the Pope Memorial School. Mr. Sutherland reported the rink ready and waiting for cold weather to get ice. The report of the Dental Clinic was heard and it was decided that the responsibility of the clinic should remain in the hands of the Women's Institute and not with the Home and School Association. Mr. Sutherland spoke of the MacLean Hunter Magazines subscriptions contest and several points were clarified. An invitation to join the Bury Home and School to be extended to parents of children who are attending Bury School from Island Brook. A letter to be sent to the Central School Board asking that there be a reconsideration of the ruling, that scripture be taught only by the teachers in the school, as the pupils are keenly interested in the Bible Stories told them by a non resident teacher. The group were unanimous that a recommendation be made to this effect. Bury will have charge of the December program and Canterbury with Mrs. L. Groom as chairman, the January meeting. Mrs. Watson, district health nurse was introduced by Mr. Gordon Boynton, and spoke on the work of the Health Units, giving a most comprehensive and interesting talk on the tests and treatments each child receives, and the benefit derived from early diagnosis of unexpected defects, thus ensuring an early cure. Mrs. Watson also gave useful and helpful advice on communicable diseases. She was thanked by Mrs. K. Hodgins. The meeting closed and a social hour enjoyed with refreshments being served.

Mayor Nadeau Declares Pastoral Letter A "Bit Strong"

Morals Of Sherbrooke Youth Held No Worse Than Elsewhere

HALIFAX — Two Sherbrooke, Que., civic officials said here Thursday night an appeal to Roman Catholics by officials of the archdiocese of Sherbrooke to shun "immoral, modern dances" and to practice temperance was a "bit strong." A third official had no comment.

The three, Mayor Armand Nadeau, W. F. Steele, and Frank Thibault, members of the Roman Catholic school board, are part of a delegation visiting here under a scheme introduced by the Canadian Federation of Mayors and Municipalities.

Mayor Nadeau said in an interview the appeal was in keeping with a Quebec drive to curb dancing but said he does not think the morals of Sherbrooke youth are "any more corrupt than those of young men and women in other parts of Quebec or in Canada as a whole."

Mr. Steele said the appeal is strong but declined further comment until he has chance to study the pastoral letter. Mr. Thibault had no comment.

The Archbishop and Bishops of the Archdiocese of Sherbrooke have appealed to Roman Catholics to shun modern dances, describing them "as immoral, and to practice temperance."

"Modern dances appear to have been invented to provoke sin," the church authorities said in a statement. "The immoderate use of alcohol is one of the greatest evils of the century in our country and in the world."

The statement was signed by Most Rev. Georges Cabana, Archbishop of Sherbrooke, Most Rev. Arthur Douville, Bishop of St. Hyacinthe, and most Rev. Albertus Martin, Bishop of Nicolet. It was published Thursday in Le Messager St. Michel, weekly distributed to Roman Catholics in the archdiocese. The statement is to be read next Sunday in all churches in the archdiocese.

The statement said: "Of itself, the dance is not an illicit action; it is an expression of joy and may call for artistic rhythms, grace and agility. But a transformation was made in the

dance at the end of the 19th century and we come to the so-called modern dances which involve provocative stances and embraces.

"Faced with this type of entertainment the church has frequently raised a stern voice, drawing attention to the grave dangers to morals. These dangers arise from two causes—the nature of the dance and the circumstances.

"By their very nature and by their execution modern dances appear to have been invented to provoke sin."

"And what can be said about the circumstances surrounding organized dances—such frequent sensual music, the use of alcoholic beverages, immodest dress, loose talk and questionable gesture? This encompassing atmosphere favors indecent advances and unfortunately leads to the gravest licentiousness in cars or in other unsupervised places."

The statement said municipal authorities responsible for regulations covering dance halls should see to it that permits granted do not constitute an encouragement or an approbation of licentiousness and sin. Teachers were asked to recall to their pupils the church's teachings on the dangers of modern dances. Owners of dance halls were urged to consider their responsibilities to protect the morals of young people.

Church organizations were urged not to organize dances or to rent church or school halls for dances. The statement said "In our province temperance is particularly pernicious among our young people."

Excessive drinking led to immorality, to reckless driving and fatal accidents and to shameful profligacy.

No Tip-Off Provincial Chief Says

QUEBEC— (CP)—Lt.-Col. Leon Lambert, Deputy Director of Quebec Provincial Police, said Thursday night he is not in the habit of tipping off interested parties before he sends his officers out on a raid.

His remark was made in reply to a statement by Mayor Armand Nadeau of Sherbrooke, Que., after provincial police seized about 100 pinball machines in restaurants in the Sherbrooke district last weekend. The mayor said local police should have been warned in advance and city authorities should have been notified because owners paid a municipal tax on pinball machines in their establishments.

Lt.-Col. Lambert said "I myself signed 85 warrants and it is not my custom to forewarn the interested parties."

Fine Response To Campaign By Trinity Church

Within a week after the Trinity United Church Building Fund campaign was instigated the objective of \$20,000.00 was exceeded. To date the final figure has not been established but it is now a fact that this campaign was one of the most successful in the history of Trinity Church.

The campaign project was presented to the congregation at a congregational loyalty banquet at which the guest speaker at this banquet was Rev. Fred Williams, a past minister of the church. Other speakers were the general chairman, Senator C. B. Howard and C. E. Joslin, the canvass committee chairman, Dr. G. B. Loomis and L. A. Curtis. John York, the team committee chairman outlined the plan of the canvass.

Other officers and workers of the campaign are as follows: Publicity chairman, K. Halpenny, W. Mutchler, arrangements chairman, J. G. Armitage, M. Long; training committee chairman, R. Bauman; team committee chairman, J. York, Lorne Campbell and A. Wright; special gifts chairman, G. C. Hall, Dr. E. A. Cooper and C. L. Campbell, canvass treasurer, J. Riddle; team captains, J. D. Joslin, J. Allen, A. Lavalliere, C. Rublee, F. Doyle, M. Soles, D. MacLennan, Cecil Campbell, G. Brault and Dr. T. Cadman.

The canvassers were: R. Allworth, G. Armstrong, S. Barnes, K. Beattie, C. Caswell, L. Clarke, H. J. Fraser, S. H. Faulkner, R. Gittel, E. Heath, J. Hodge, W. E. Hodge, L. Humphries, E. Loomis, M. Loomis, F. Lohrop, S. MacLean, H. MacKinnon, L. McKee, T. G. Masterson, L. Moore, J. Pick, R. Wilkin, J. Wright.

A special service of thanksgiving will be held this Sunday morning with Rev. Henry Matthews, M.A., Toronto, Ont., as the guest preacher. Special music will be rendered by the choir. All members and friends of Trinity United Church are cordially invited to attend this special service of celebration.

Hunting, Mill Accidents Send 2 To Hospital

Two people are in Hotel Dieu Hospital today as a result of injuries suffered in accidents yesterday.

Gerard Sylvain, 18, of 2734 Hertel St., suffered a broken wrist and injuries to the head when he fell down an open elevator shaft at a local hosiery mill yesterday. He is under the care of Dr. Gilles Parenteau and his condition is considered serious.

Gaetan Marois, 19, of East Angus, was operated for the removal of 12 gauge shot-gun pellets from his shoulder. Marois wounded himself yesterday when he attempted to cross a fence and his gun accidentally discharged. His condition is reported as satisfactory.

Memorial Dedication — E. J. Struthers, guest speaker at the dedication ceremonies of the North Hatley School Memorial Hall, is shown unveiling the plaque containing the roll of honor.

Greater Place For Music In Schools Urged

Music should play an important part in a child's education, Dr. Wilfred Pelletier told members of the Women's Canadian Club of the Eastern Townships at their dinner meeting last night in the Hotel Sherbrooke.

The director of the Montreal Conservatory of Music and of the Montreal Symphony Concert Association said that with the proper training from good teachers and with the chance to hear and study good music, there was no limit to a child's potential development. He told of the growing popularity of the children's symphony concerts both in Montreal and New York and of the children's own demands for more serious music.

There is no limitation in a child's mind, said Dr. Pelletier, parents alone impose the limitations and a child's talent will grow only if there is encouragement in a musical home.

He deplored the situation in schools where music was not given its rightful place as an equal of other subjects. It should not be a substitute for a recreation period but included on the curriculum, he stated. European educators have come to recognize the value of music as a co-ordinator of the body in addition to its cultural value.

There are in the province a number of young artists with outstanding talent but they must be encouraged to continue their studies with the best teachers. Good teaching, Dr. Pelletier maintained, was the basic necessity. The artists should be able to earn a living as well as well and the public should support them in concerts and by paying a reasonable amount for their services.

"Government subsidies would be a great boon to the many projects for music, all of which are important," said the maestro. "We have the talent and the organization but it takes money to carry on."

Dr. Pelletier was introduced by Mrs. Raymond Provencher and thanked by Sylvio Lacharite, conductor of the Sherbrooke Symphony Orchestra.

Seated at the head table were Mrs. Jan Pick, president, Mrs. Newman Hunter, Mrs. Peter Beaudry, Mrs. Provencher, Dr. Pelletier, Mr. Lacharite, Mrs. F. H. Bradley, Mrs. Gordon Loomis and Mrs. A. N. Langford.

STRUCK BY CAR, BLACK LAKE MAN DIES INSTANTLY
BLACK LAKE — (Special) — Adalard Fortier, 65, of Black Lake, was killed yesterday when hit by a car while crossing the intersection of highways one and 49.

Elzear Lafamme, of Disraeli, driver of the car, apparently tried to avoid Fortier, but was unsuccessful.

NORTH HATLEY—(Staff)—Impressive ceremonies last evening marked the dedication of the recently-completed Memorial Hall and the unveiling of the honor roll at the North Hatley Consolidated School, both of which pay tribute to those from North Hatley and district who served and laid down their lives in World War II.

The ceremonies were opened with an address by Mayor C. J. Reed who recalled the contribution which the people of North Hatley had made during the war, the losses they had sustained and the effort that had gone into the construction of the Memorial Hall.

Following the singing of Kipling's famous "Recessional," Rev. F. C. Amery pronounced the invocation and led the gathering in the singing of the 23rd Psalm. Two Scripture readings were given by Rev. B. Mallalieu, who also gave a short prayer.

The Honor Roll plaque was unveiled by E. J. Struthers, of Stanstead, Quebec representative on the Dominion executive of the Canadian Legion and former mayor of Stanstead.

"The reason we put up memorials is to make people remember," Mr. Struthers said and referred to the memorial at Rouen, France, in memory of more than a million British dead. He also stated that a national memorial is to be erected near Ottawa to honor the many Canadians, men and women, who had served in World War II.

"The finer side of war," he concluded, "is evidenced in memorial halls like this."

Optimists Plan Christmas Aid At Lennoxville

The Lennoxville Optimist Club met this week at a new location, The Rolling Hills Motel, on the outskirts of the town.

President Bert Keenan conducted the meeting and Gerry McKindsey was appointed to take charge of publicity for the club.

A committee was named to look after Christmas packages for distribution to needy families. Anyone knowing families which need help is asked to contact any of the following members: Wes Nichol, chairman, Don Clark, Stan Taylor, Larry Chertier, M. Hudon and Ed Siveright. A donation of \$25 was voted to the YMCA to cover the 1957 dues of five Lennoxville boys to the YM program.

A feature of the meeting was the playing of the recording made by the young 15-year-old American who won the international oratorical contest held in Los Angeles, Cal.

The president extended a vote of thanks to Alan Hill for his hospitality in placing the Motel at the Club's disposal.

REV. FENWICK L. LEAVITT, D.D., of Barre, Vt., will conduct the service at the North Hatley Universalist Church on Sunday evening at 7.15. Dr. Leavitt is well known to Universalists in this district, having been here on several occasions. He did his theological training at St. Lawrence University and received an honorary degree of Doctor of Divinity from that institution. He has served the Barre Universalist Church for 15 years and on Jan. 1, 1957, will assume the pastorate of the Universalist Church of the Restoration in Philadelphia. His subject will be "Universalism or Partialism."

Following the singing of Kipling's famous "Recessional," Rev. F. C. Amery pronounced the invocation and led the gathering in the singing of the 23rd Psalm. Two Scripture readings were given by Rev. B. Mallalieu, who also gave a short prayer.

Establish Headquarters For Hungarian Aid Group

Temporary headquarters for the Hungarian Relief Committee will be established in the old Central School building on King St. West, formerly occupied by the Unemployment Insurance Commission, it was announced at an organization meeting held last evening. The committee, comprised of representatives of service clubs and other groups was formed at the request of Archbishop Georges Cabana to co-ordinate the work of various organizations and individuals in the area.

Arcadius Denis, committee chairman stated that Aid. Carrier Fortin had obtained permission from the city to use the vacant quarters, which will serve as a clearing house for offers of employment, lodgings, furnishings and clothing.

A committee of eight interpreters, four speaking fluent Hungarian and four conversant with a number of European languages was set up to meet the immigrants when they arrive in Sherbrooke and guide them to the reception centre. A special appeal is being made for more interpreters as the committee not only must see that the immigrants are properly settled but become accustomed to the Canadian way of life.

A Reception Committee was also appointed to work in close liaison with the interpreters. Its members will prepare meals for the refugees on their arrival and officially welcome them to their

new homes. The Clothing, Furnishing, Food and Milk Committee will supply the immigrants with immediate necessities while the Financial Committee will care for the business aspects of the work. A Christmas Dinner Committee will be formed shortly.

Lodgings, employment and furnishings continue the most pressing needs. Anyone interested in aiding the projects are asked to phone the central committee at either LO. 7-7290 or LO. 7-7340. Both these phones are expected to be in operation today.

Archbishop Cabana thanked the committee workers following the meeting last night and said they must help the Hungarians since "they are our brothers in faith."

A meeting will be held in the central committee rooms from 7.30 to 8.30 p.m. next Tuesday evening.

**P.C.'s Claim
Sensational
Comeback**

TORONTO — Wilfrid Dufresne, Progressive Conservative Member of Parliament for Quebec West, said Thursday night his party is making "a sensational comeback" in Quebec.

"The next election will see many more Quebec members on the Conservative side of the House of Commons," he told the University of Toronto Progressive Conservative Association.

The text of his address was released to the press before delivery.

He said his party's vote increased to 424,471 in 1953 from 109,755 in 1945.

"That remarkable recovery, due in part to the growing respect in Quebec for George Drew and also to the growing dissatisfaction with Liberal policies in Ottawa, is one of my reasons for saying that the picture will improve even more at the next election, and that we will definitely elect more Conservative members."

A former vice-president in charge of Canadian operations of the Julius Kayser Company and a former director of Perrin Freres Co., and Perrin Kayser, Mr. Austin founded the Austin Glove Co. in 1940 and was its president until he retired 10 years later.

Born and educated in Montreal, he married the former Lorie Curtis Sprague who survives him. A cousin, Morris Austin, lives in Ayer's Cliff.

Remains are resting at the William Wray Chapel, University St., Montreal, where the funeral will take place Monday at 11 a.m.

**Charged With
Robbing Bank
At Rock Island**

A Montreal man was ordered to undergo a preliminary hearing in connection with the robbery of the Caisse Populaire at Rock Island last summer when arraigned before Judge Joseph Marier in Court of Sessions yesterday.

Paul Drouin was charged with stealing \$120 from the Caisse Populaire and ordered to post two personal bonds of \$950 or \$500 cash as bail. He chose to appear before a judge and jury.

Last August three men broke into the bank but were frightened off when a woman in a nearby house notified police. Provincial and municipal police arrived to find the three men attempting to rifle a safe containing over \$5,000.

Two of the men fled through a rear exit with the police in pursuit while a third burst from the front entrance as a constable walked up the path. When the officer's order to stop went unheeded, the constable fired two shots at the fleeing man who cried out as if hit.

**Lock Plane
After Death
Of Infant**

BURLINGTON, Vt. — (AP) — Forty-five passengers and four crew members of a Trans-Canada Air Lines DC-6 were quarantined several hours Thursday after a five-month-old boy died aboard the plane.

The child, Joseph A. Cormier of House Harbor, Iles de la Madeleine, Que., at first was thought to have died of contagious meningitis and the quarantine was ordered by the regional medical examiner, H. B. Levine.

The quarantine was lifted after an autopsy when state pathologist Dr. Richard Woodruff, said the condition of the baby's body "has the characteristics of a virus infection involving the lungs and perhaps the brain."

"It is not of a contagious nature and it is not meningitis," he added.

The Cormier boy, accompanied by an aunt, Mrs. Beatrice Delaney, was being flown to Montreal from Moncton, N. B., en route to hospital in Quebec City when heavy weather at Montreal forced the plane to land at Burlington airport.

**BACKACHE
May be Warning**
Backache is often caused by lazy kidney
action. When kidneys get out of order,
excess acids and wastes remain in the
system. Then backache, disturbed rest
or that tired-out and heavy-headed feeling
may soon follow. That's the time to take
Dodd's Kidney Pills. Dodd's stimulates
the kidneys to normal action. Then you
feel better—sleep better—work better.

CAN I GET LIFE INSURANCE FOR NOTHING?

Of course not. But Sun Life of Canada has a policy which will give you all your money back, plus dividends, if you live to 65.

"Think of it! You can buy a Sun Life policy that provides life insurance protection for your family until you are 65, and guarantees that all the money you pay, plus accumulated dividends, will be returned to you if you live to 65.

"At that time, if you do not wish to take the money in a lump sum, it can be left on deposit with a guaranteed rate of interest, or used either to provide an annuity or to provide* a paid-up life policy.

"No. You can't get life insurance for nothing. But the value this policy offers as protection for your family in the event of your death or for yourself if you live to retirement age, is something well worth investigating."

With its first policy issued 85 years ago, Sun Life of Canada is today one of the great life insurance companies of the world, with branch offices and agency representation from coast to coast.

Stanstead Couple Will Observe 65th Anniversary

STANSTEAD — On September 9, 1891, a bouncing baby boy was born to one of Stanstead's pioneer families, Mr. and Mrs. John Curtis. Several months later a daughter was born to a neighboring pioneer family, Mr. and Mrs. Joel Ives. They called these infants Arthur and Mabel. These two young people played together with other young people of the "Curtis" neighborhood, attended school together, enjoyed the social life of the community, the summer drives behind a horse and buggy in the cool of a summer evening, or in cold, moonlit winter, over the crusty snow with horse and sleigh, the bells ringing out in the crisp air.

On December 9, 1891, this young couple were united in marriage, and on Sunday they will observe their 65th wedding anniversary. They have had a life time of happiness, lies have been made stronger for occasional sorrow, they have raised a family to be proud of, and their home, which has been his for 90 years, and where he took his bride, has for 65 years been a place where friends or passersby received a welcome.

For the past few years, Mr. and Mrs. Curtis have lived in the village, returning in summer to the home farm where he was born. In his younger days, Mr. Curtis played an active part, as did his forefathers, in developments and betterments of the County of Stanstead and the Eastern Townships. Mrs. Curtis in her way also helped in the area, and stood behind her husband, giving encouragement and help when needed.

Although the health of Mr. and Mrs. Curtis is not as good as their many friends would wish, they maintain their own home, doing their own household chores. Mrs. Curtis reads a great deal for her own pleasure and many times reads the news of the daily and weekly papers aloud to Mr. Curtis.

The many friends of this fine couple join in wishing them a happy day, with many more to follow.

Co-operation In Conservation Of Game Urged

GRANBY — (Special) — Hon. Camille E. Pouliot, Minister of Fish and Game for the Province of Quebec, called for closer co-operation between the government and fish and game clubs throughout the province in addressing the closing banquet at the convention of the Federation of Fish and Game Associations for Quebec held here.

"It gave me pleasure," he said, "to attend your discussions and I can assure you that the government will see to it that hunting does not begin as soon the coming year." Dr. Pouliot said in referring to a resolution adopted by the Federation to have the Moose hunting season limited from Oct. 18 to 23 in order to protect moose population.

Referring to stream pollution of water, the Minister said the investigation committee would be happy to receive any suggestions from the Federation. He said the government will spend a considerable amount of money to purify provincial waters.

At one session, the Federation adopted a resolution to have the

government ban the use and the sale of dead or live minnows for bait. The resolution was accepted by 430 associations throughout the province, representing some 6,000 members.

In a second resolution, the Federation asked the provincial government to build roads and allot a certain amount of shoreline around lakes to various fish and game clubs. Complaints were received that many lakes were not available to fishermen because the shore was privately owned.

Two more resolutions were adopted: one, to have all hunting shacks equipped with fire-fighting equipment and to work in closer co-operation with the Provincial Government biologists, statisticians and other experts.

A heated debate arose over whether the female and young deer should be hunted or not. Clubs from Zone A wanted the law to remain as it was while Zone B clubs demanded that the law be enlarged to include the female and young.

J. B. S. Huard and C. C. Peasley were appointed to study the question and present a report to the liaison committee during December.

The following were re-elected to the executive board by acclamation: President, Gerard Lajoie, of Quebec City; 1st vice-president, Arthur Wood, of Shawinigan Falls; 2nd vice-president, A. G. Farquharson, of Montreal; 3rd vice-president, Mr. Huard, of Sherbrooke and treasurer, Maurice Masse of Quebec.

Leadership Course Report Given At Cookshire W. I.

COOKSHIRE—The Cookshire Branch of the Women's Institute met at the home of Mrs. P. Cassidy with Mrs. H. Osgood and Mrs. J. W. Robinson as co-hostesses.

Plans were made for Card marathon to be held in the new year. The Round Robin has been a success so far and it is hoped that \$25 will be realized.

Miss W. Hodge gave a talk on the preservation of eggs, and on thread and its strength and color. Mrs. J. W. Butler held a quiz on Canada.

Miss Betty MacRae gave an interesting report of her week at the Leadership Course which she attended in the fall. Mrs. H. Barter reported on the Junior Red Cross.

Carol singing was enjoyed by the members under the leadership of Miss B. MacRae with Mrs. D. MacRae at the piano.

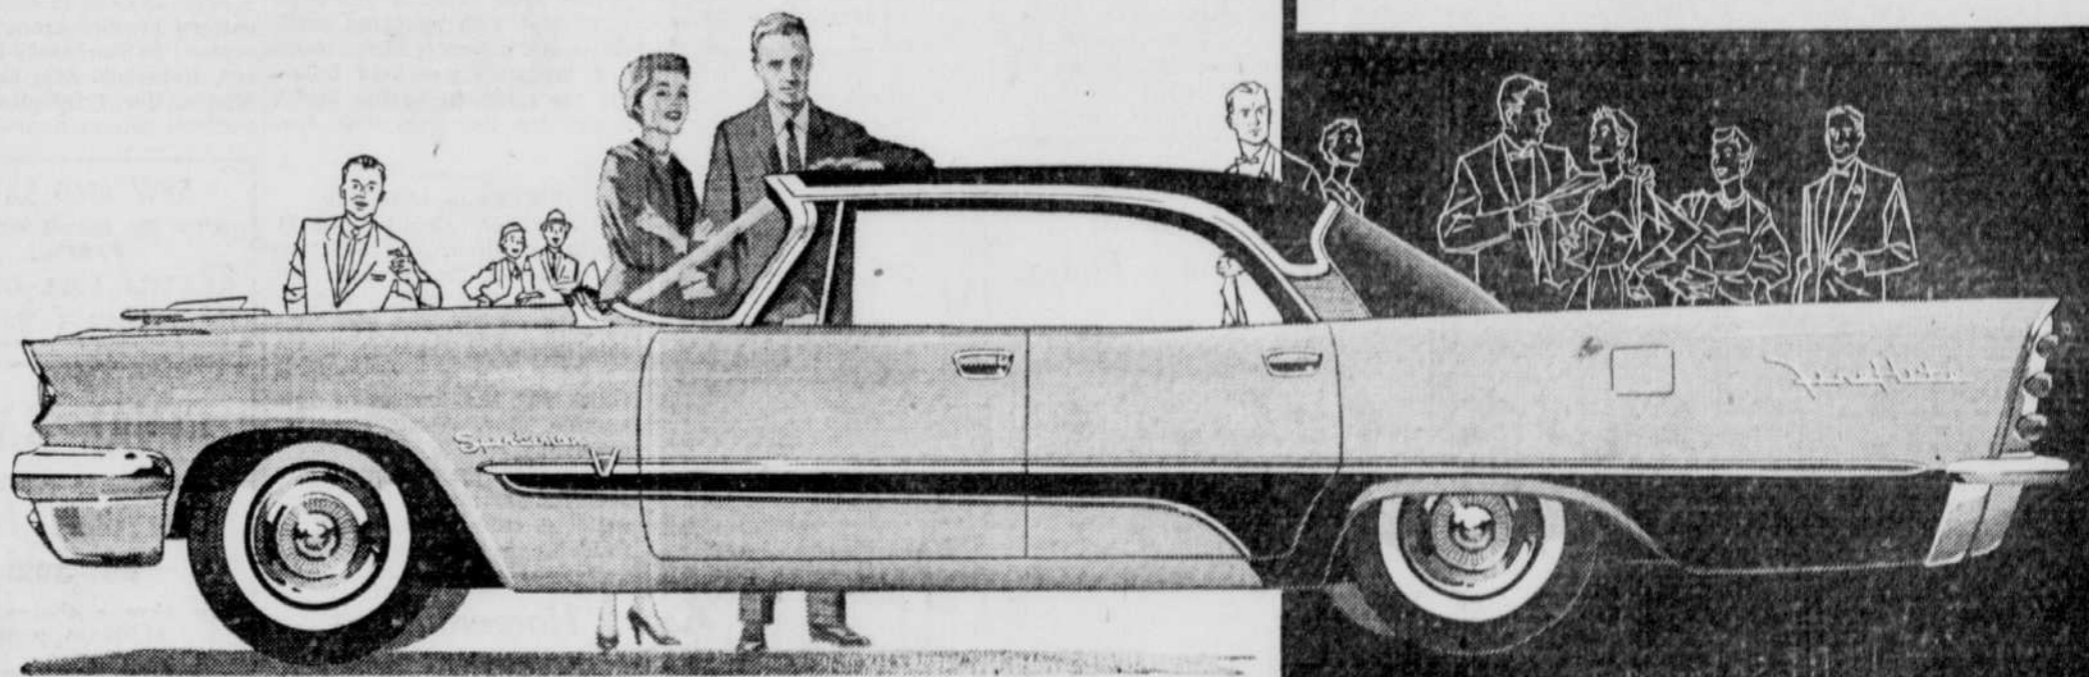

A social hour was enjoyed and refreshments were served by the hostess, assisted by Miss Mary Cassidy.

General Notes

Mr. and Mrs. Wilfred Lepitre and family, who have been spending three weeks with Mr. and Mrs. George Gill, have returned to their home in Coaticook.

PRESENTING... the car that makes yesterday seem years ago!

All-new DeSoto for 1957

Introducing the most modern of all driving advances... Torsion-Aire Ride

You can see the difference at a glance. De Soto for '57 is no ordinary car! It's so excitingly new, so distinctively modern that it outdates everything else in its field!

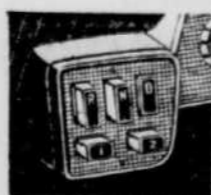

For here is styling so vividly tuned to the excitement of modern living that you feel drawn to it almost instinctively. And, of course, that's only the beginning! De Soto

for '57 has a totally new suspension system... a new, lower centre of gravity... a new 3-speed push-button Torque-Flite transmission... and the biggest, most powerful new V-8 engines in De Soto history.

See the '57 De Soto now. Drive it. Price it. You won't be satisfied with anything less!

CHRYSLER CORPORATION OF CANADA, LIMITED

New push-button Torque-Flite GO!

Just press a button... step on the gas... and you're off! New three-speed Torque-Flite transmission brings you increased breakaway acceleration... maximum efficiency at all driving speeds... top fuel economy, too! And every De Soto has it!

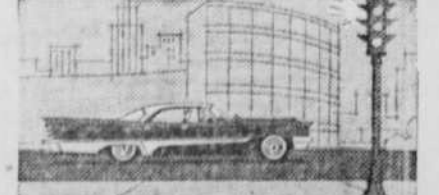

There's much more that's new for '57, too!

• New! Two great series—Firedome, Fireflite... 9 exciting models! • New! Flight-Sweep '57 styling—longer, lower, distinctively different! • New! Two high-powered V-8 engines, the biggest powerhouses in De Soto history! • New! Bigger wrap-around windshield, more vision area at sides and rear! • New! "Super-soft" tires have more air volume for softer ride.

Here's what De Soto's new Torsion-Aire Ride means

New De Soto "levels" around corners and curves like a sports car without swaying... smooth and flattens the bumps for the greatest ride on wheels!

New De Soto comes to a smooth, even stop without usual "nose-dive". New anti-brake-dive mountings help eliminate annoying forward pitch.

You're always a step ahead in cars of the Forward Look!

Marriages

KING-DENNIS
COWANSVILLE — The marriage of Miss Violet Dennis, of Cowansville, only daughter of Mr. and Mrs. Earl Dennis, of Montreal, to Mr. Roland King, son of Mrs. Fannie Smith, of Sutton, and of the late Mr. Joseph Roy, Jr., was solemnized in Trinity Anglican Church on Tuesday afternoon, at three o'clock, Rev. John O. Peacock officiating. Mr. C. M. Weddell, of Sweetsburg, played the wedding music and the hymn, "O Perfect Love," was sung as a duet by Mrs. Ellwood Johnson, of Cowansville and Mrs. James Williams, of Sweetsburg. White and bronze mums adorned the altar.

Given in marriage by her father, the bride wore an ankle length gown of white nylon net over satin having a full skirt and a long sleeved bolero jacket with pearl trim on the collar. Her full length veil of tulle illusion was

HEATHER ANNE, daughter of Dr. and Mrs. N. J. Campbell of St. Andrew's, N.B., and granddaughter of Mrs. A. M. Campbell of St. Andrew's and of Mrs. W. J. Duffy of Sherbrooke.

held by a pearl trimmed head-dress and she carried a Colonial bouquet of American Beauty roses.

Miss June Grenier, of Waterloo, as bridesmaid, wore a gown of pink net over satin with a

matching hat and carried a Colonial bouquet of pink carnations.

Mr. Homer King, of Sutton, acted as best man for his brother and the ushers were Mr. Frank Dennis, of Montreal, and Mr. William Poirier, of Sutton.

Mrs. Dennis, mother of the bride, wore an afternoon dress of blue with sequin trimming, a matching hat and a corsage of white carnations.

Mrs. Smith, mother of the bridegroom, was in a grey afternoon dress trimmed with white and she wore a red hat and a white carnation corsage.

About 60 guests attended the wedding reception in Trinity Memorial Hall. Mrs. George Barker assisted by other members of the Shut-In Club of Trinity Church were in charge of table arrangements and Mrs. Napoleon King made the three-tier wedding cake. Music for dancing was furnished by Neil King and his Border Pals.

Following the reception, Mr. and Mrs. King left on a motor trip, the bride wearing a navy blue suit with matching hat and white accessories.

On their return they will take up residence at 123 North St., Cowansville.

Among the out of town guests were Mrs. T. Armitage, of

Federation Group Hears Address On Early History

Mayor L. M. Watson was guest speaker at the meeting of the Women's Federation of Lennoxville United Church held in the Gertrude Scott Hall, his subject being the Early History of Lennoxville.

Mayor Watson stated that one of the earliest records shows the establishment of an Episcopal Church and rectory in the area where Elmwood Inn now stands, Rev. L. P. Doolittle of Lyndon, Vt., being one of its first rectors.

Early names recorded include Haskell, Moulton, Mallory, Huntington and Elliott, the last mentioned having given the land for the church and the old cemetery which is still reserved.

Lennoxville, said the mayor, was incorporated as a village in 1870 and as town in 1920. A large part of it was destroyed by fire in 1874 and the present United Church was built a year later. He outlined many interesting incidents which occurred in these early days.

Mrs. D. Bennett, convener of the program committee, introduced the speaker, who was thanked by the president, Mrs. W. J. Lane.

The business meeting preceded the program and was conducted by the president.

In the absence of Mrs. A. Scott, Mrs. A. E. Abercrombie acted as secretary. A letter of thanks was read from Miss Jane Lessard, secretary of the H.-Y.-P.-U., for refreshments provided by the Federation and also a season's greeting from Mrs. V. Hurley.

The treasurer's report was most satisfactory and she asked that all groups turn in their contributions as soon as possible, after their December meetings.

Mrs. S. Hamilton in reporting for the congregational committee noted silverware repaired and cleaned, boards and brackets installed for drapes in Douglas Hall and commented on the new gowns for the junior choir, thanking the women for their help in making the white collars.

The nomination committee reported two vacancies to be filled before the annual meeting. Arrangements are to be made to obtain two suitable stands for flowers in the church. A twenty-pound parcel especially of children's clothing, material, yarn, toys, etc., is being prepared to be forwarded to Miss Sandell in Korea.

Dr. L. M. Outerbridge closed the business meeting with prayer.

MONARCH helps you make the most delicious **TOURTIÈRE** ever!

YULETIDE FAVOURITE

1½ lbs. pork shoulder or butt, minced
1 small onion, cut fine
½ cup water
½ tsp. ground cloves
¼ tsp. ground cinnamon

¼ tsp. celery salt
¼ tsp. ground sage
¼ tsp. black pepper
½ tsp. salt
3 medium-sized boiled potatoes, mashed

Put all ingredients in 3-quart saucepan. Cook gently until meat is a light gray colour—about 25 minutes or until liquid is reduced to about half its original quantity. Do not brown meat. Add the mashed potatoes and mix well together.

Prepare MONARCH Pie Crust as directed on package for 2-crust pie. Busy cooks at Christmas time rely on Monarch Pie Crust Mix. It handles easily and gives you a tender flaky crust. Line a deep 8" pie plate with pastry. Fill with meat mixture and cover with top crust. Make three gashes to allow steam to escape. Bake 450°F. 10 minutes, then reduce to 350°F. and continue to bake for 30-40 minutes or until crust is golden brown. Cool.

Tourtières may be baked ahead of time and frozen for future use. If frozen, before serving place in a hot oven and heat through thoroughly.

Stanstead Group Wants Clothing For Hungarians

STANSTEAD — At the December meeting of the Stanstead Chapter I.O.D.E., a letter from the secretary of Services at Home and Abroad was read, voicing an appeal from the Municipal Chapter of the district for donations of warm clothing and blankets for distribution to the Hungarian refugees.

The clothing should be new or in good condition for the outfitting of adults and children.

Members of the Chapter and

friends are requested to leave all donations at the Southern Canada Power Building before the end of this week.

A committee was formed to make up toys, which will be distributed to the Hungarian children as they arrive.

SUTTON—

Miss Elva Hawley, of Bishop's University, was at home with her family over the week-end.

Mrs. John Jones has gone to hospital for medical treatment.

The fire siren, silent for a long time, blew on two occasions this week. The alarm on Monday evening was for a chimney fire at Eric Jones' home; the second,

more serious, was at the silk mill, where there was considerable damage more caused by water than by the flames. As always, Fire Chief Jack Shepard's brigade was right on the job to distinguish the conflagrations with its usual efficiency.

Practice of Christmas carols and readings and recitations are being held by the members of the various Protestant Sunday Schools, and there will be Christmas trees at the churches, or church halls. Also, of course, at the High School.

Attendance at the Red Cross weekly work sessions is large this season. Twenty-five were there this last Monday, and much work was done. Next week fin-

ished articles will be packed for shipment to Headquarters. Then the Red Cross room will be closed until January 14th so that the workers can enjoy a well earned holiday. This week, the hostesses were Mrs. Bowden and Mrs. Gruer.

The United Church last Sunday were in memory of Mr. Frank Harvey from his family.

Australia's Swimmers Continue Winning Pace, Pick Up Two Gold Medals

Lorraine Crapp Sets New Record In 400-Metre Freestyle Event; Russia Cleans Up In Gymnastics, Wins 11

MELBOURNE — (CP) — Australia's incredible swimmers collected two more gold medals tonight, one of them on a record-breaking performance, as the 1956 Olympic Games neared an end. Lorraine Crapp raced to victory in the women's 400-metre freestyle event in 4:54.6 which broke the short-lived Olympic record of 5:00.2 she set in a trial heat less than a week ago. Murray Rose captured the gold medal in the 1,500-metre freestyle swim to register his country's second first placing of the night in a time of 17:58.9. It was only the third time in history that a swimmer has broken 18 minutes for the exacting 1,500 metres.

Dawn Fraser, another speedy Australian, finished behind the 17-year-old Miss Crapp in the 400 metres in 5:02.5. Sylvia Ruuska, a 14-year-old from Berkeley, Calif., was well back in third spot with a time of 5:07.1. Miss Crapp also holds the world's record of 4:47.2 in the 400-metre freestyle. She set that mark last October in Sydney.

Rose emerged victorious in a three-way fight against Tsuyoshi Yamanaka of Japan and George Breen of Buffalo, N.Y. The Australian forged into the lead at 800 metres and was never headed thereafter. The Japanese was timed in 18:00.3 and Breen, obviously weary and disappointed in 18:08.3.

The 400 metres was the first individual victory of the 1956 Games for Miss Crapp and her country's seventh in all swimming competitions. Three of the gold medals were in women's events.

For Rose, it was gold medal No. 2; he defeated Breen earlier in the men's 400 metres. The Buffalo world, however, established a world's record in the 1,500 metres two nights ago of 17:52.9 when he won a heat.

Russia's gymnasts contributed a whopping 181 points to their country's total in the unofficial standings when the competition ended today but Agnes Keleti, 35-year-old coach of the Hungarian women's team collected four gold medals.

Miss Keleti, a Budapest physical education instructor who said afterwards she thought she was

"too old to compete," received her fourth gold medal tonight as a member of Hungary's winning dance team. She had won titles earlier in the parallel bars and beam exercises and tied for first place in the free standing division.

Only Larisa Latynina of the Russian team matched Miss Keleti in number of gold medals received.

Despite their coach, the Hungarian girls lost the team title to Russia, 444.80 points to 443.50. The Russians took the men's team title Thursday.

Of the 15 gold medals in gymnastics, Russia won 11 and tied for a 12th. Japan's Takashi Ono was the only athlete to break their monopoly in the men's events.

Canada's two gymnasts, Ernestine Russell and Ed Gagnier of Windsor, Ont., finished back in all divisions. The Olympics end Saturday with the championship final soccer game between Russia and Yugoslavia and the official closing ceremonies in late afternoon. Bulgaria clinched the bronze medal for third place in soccer by beating India today 3-0.

Except for the swimming events and the water polo final, today's activities were concluded at a comparatively early hour.

Hockey's Big Seven

Ted Lindsay of Detroit collected a pair of assists Thursday to cut Jean Beliveau's lead in the National Hockey League scoring race to seven points.

Lindsay, who has played three less games than the Montreal centre, boosted his points total to 28. Linemate Gordie Howe kept pace, with a goal and an assist.

Rene Pepin Pots Winner For Lions

SHAWINIGAN FALLS, Que.—Trois Rivieres Lions overcame a two-goal deficit Thursday night and hung on for a 4-3 Quebec Hockey League victory over Shawinigan Falls Cataracts.

Rene Pepin's goal with just more than two minutes left in the game did the trick, pushing Lions into a tie with Cataracts for third place. Each has 18 points.

Ron Atwell, Norm Corcoran and Jacques Gagnon scored other Lions goals. Eddie Kachur and Dick Wray put Shawinigan Falls ahead 2-0 in the first period and Wray's second goal tied the score 3-3 late in the third.

Ted Lindsay Draws Blast From Wings' General Manager Jack Adams For Poor Play; Edge Bruins 3-2 In Close Duel

Detroit Red Wings today share first place with Boston Bruins in the National Hockey League but their star left winger, Ted Lindsay, is deep in the doghouse.

The Wings edged Boston 3-2 Thursday night in Detroit and both the Bruins goals were blamed by Detroit Manager Jack Adams on complacent play by Lindsay, who has scored 300 goals since he joined Detroit in 1944.

Lindsay picked up a pair of assists when the Wings scored three second-period goals, but that didn't save him from a managerial blast.

"I don't care how many assists he got," said Adams, "he scored his 300th goal on Nov. 18 and he hasn't scored a single goal in seven games since."

"Not only that, but both those Boston goals were scored because of Lindsay's complacency. And both of them came just after he got on the ice, so it couldn't have been fatigue that caused it. All I want is an honest effort. If I can't get that, we'll find a replacement."

The Detroit scoring was handled by Norm Ullman and Gordie Howe, Lindsay's linemates, and Dutch Reibel. Don McKenney and Jerry Toppazzini tallied for the Bruins, who suffered their sixth loss in 24 games.

A short time ago Lindsay was benched in Toronto for what Coach Jim Skinner called "lack of hustle." And after Thursday night's contest, Skinner was obviously displeased with Lindsay, who was relieved of the team captaincy before the club went to training camp.

Gordon Wallace Faces Tough Opponent Tonight With Tony Anthony At Gardens

NEW YORK—The only Canadian among the top 10 light heavyweights takes on a rugged opponent tonight at Madison Square Garden in a fight that could lead to a crack at Archie Moore's world title for the winner.

Gordon Wallace of Brantford, Ont., comes up against tough Tony Anthony of New York in a 10-rounder that could well decide who gets the first chance at Moore when he defends his crown.

Wallace, a one-time lumberjack who holds the British Empire light heavyweight title, has 31 victories in 43 fights, including 21 of the wins coming by knockouts. His 21-year-old opponent has a 28-4 record with 21 of the wins coming by knockouts.

Anthony, rated No. 5 by Ring Magazine, is a 2-to-1 favorite to defeat Wallace.

The Canadian, who won the Empire title June 16 by outpointing Ron Barton in London, is ranked seventh by Ring. The National Boxing Association places him fifth among the cruiserweights and ranks Anthony ninth.

Both fighters were declared in top shape for the fight by their managers. Frank Bricker, who handles Wallace, said his man is "much improved" since 1953, when he was knocked out in three rounds by the now heavy-weight champion, Floyd Patterson.

Anthony's manager, Ernie Braza, was confident in predicting victory for his boy.

"The way we figure it," he said, "Tony will beat Wallace and then meet Chuck Speiser for the American title and then the winner will challenge Moore. If Arch doesn't come out fighting, then we'll be boss of the world."

Speiser currently is rated No. 3 by Ring Magazine among the light heavyweights.

Both fighters come into the ring tonight with win streaks going. Wallace has six straight victories, Anthony has five.

The bout will be nationally televised, starting at 10 p.m. EST.

Indians Offer Mike Garcia And Al Rosen As Bait In Deal With Tigers; Redlegs After Third Sacker

By JOE REICHLER JACKSONVILLE, Fla. (AP) — The Cleveland Indians have offered pitcher Mike Garcia to Detroit and slugger Al Rosen to Detroit for a much needed first string catcher and the Cincinnati Redlegs have made a concrete offer to Brooklyn for third baseman Randy Jackson.

This information was among a few choice items learned at the minor league convention came to an end today and the baseball folks unpacked their winter clothes for the major league meetings in Chicago starting Monday.

A Tiger official revealed that Hank Greenberg, general manager of the Indians, had offered them Garcia and second string receiver Hal Aragon for Frank Pig House, the lefthanded hitting bonus catcher.

"It's an interesting offer and we're considering its possibilities," said the Detroit official.

CBC Network To Carry All-Star

Fifty-four radio stations, including all those affiliated with the CBC's Dominion network, will broadcast play-by-play coverage of Canada's All-Star football game on December 8.

The network of stations will extend close to 4,000 miles, relating action at the stadium in Vancouver to an estimated 2,500,000 football fans from Victoria to Sydney, N.S.

Edmonton's Fred Sgambati and Toronto's Al Shaver have been contracted as radio commentators for the game. Broadcast time will be 3:45 p.m. EST.

CBC television coverage, routed along American microwave facilities, will provide an estimated audience of an additional 3,500,000 Canadians — including those who will see the game on a delay basis via film recordings. "Live" TV coverage will commence at 4:00.

Acers Upset Loop Leading Chics 6-2

QUEBEC—Quebec Aces scored four unanswered goals in the opening period Thursday night and went on to post a 6-2 Quebec Hockey League victory over the league-leading Chicoutimi Saguenens.

The Quebec win broke Chicoutimi's winning streak at eight games and tightened the Aces hold on second place in the five-team loop. They now trail the Saguenens by three points but have played three more games than their opponents.

In the first period, Bill O'Ree, Orval Tessier, Marius Groleau and Mike Labadie drove in the counters. Ross Watson of Chicoutimi picked up the single marker in the second period.

In the third, Quebec again outscored the Saguenens as Dick Gamble and Floyd Hillman beat nemesis Ray Frederick while Lou Smrke notched the only Chicoutimi tally.

Caddies Holding Top Spot In Bowling League

The Caddies are holding top spot in the Lennoxville Ladies Club Bowling League while the Sand Traps follow two points off the pace.

The leaders have amassed 28 points with the Sand Traps in the runner-up spot. The Putters are next in third with 16 while the Wedges and Greens are deadlocked with eleven each. The Drivers occupy the cellar with only four points to their credit.

Mrs. J. Mathieu is leading for individual honors with an average of 116 while Mrs. J. Tarte is in the runner-up position with 106. Mrs. M. Roy and Mrs. G. Harmer follow with 102 each and Mrs. Y. Roberge completes the top five with 99.

Paul Duchesne Stars As Magog Aces Nip Beavers 4-1

Turns In Outstanding Performance As His Team Posts Their Second Straight Win In Massawippi Loop

Paul Duchesne, a chunky little net-minder for the Magog Aces, was the stumbling block last night for the Sherbrooke Beavers and the Bedard squad was forced to settle with a 4-1 defeat. It was the second win for the Aces since their opening in Asbestos Sunday.

The agile Magog goalie did everything but stand on his head during the second and third periods as he worked overtime in order to keep the hard-pushing Beavers from scoring. Duchesne's work was the main reason that the Aces emerged on the long end of the count.

The Aces moved into an early lead in the first period when Vaillancourt, Pinchaud and Marius Goyette tallied but following this it was all in Duchesne's lap. In the middle session Bob Bedard got the lone Sherbrooke marker while Thibeault notched the other Magog tally.

It was a hard checking tilt with sixteen penalties plus a misconduct being handed out. G. Goyette, Magog's sturdy rearward, drew the extra ten when he banged his stick on the ice following a nod to the cooler for using his elbows.

Vaillancourt was credited with the first tally when his passout from the corner hit Courchesne's stick to deflect into the net. It was a tough break. Pinchaud got the next tally on a passing play with Thibeault.

George Donahue, who was making his first appearance of the season with the Beavers, was a tower of strength and it was only the outstanding work of Duchesne who prevented him from registering a couple of goals.

Just before the end of the period Marius Goyette shoved home another easy goal to give the Aces a 3-0 lead at the end of the opening frame.

For the next two periods, the Beavers just threw everything they had at Duchesne but he was turning it all aside. He kicked, batted and caught all the rubber which came near him. He was just unbeatable from any position and he had all the angles shut off.

Bob Bedard came up with the Beavers' first real scoring opportunity but his drive missed the open corner when he had Duchesne out of position. A few minutes later the Beavers' pilot snared a passout from Ossie Gagnon and this time he made no mistake to register the Beavers' only goal.

The final frame saw a steady parade to the cooler with a total of nine penalties being dished out. The Aces drew six, three times leaving them short handed with two in the sinbin at once, but despite this the Beavers couldn't get the disc behind Duchesne.
