TIGHTEN PURE MILK LAW

Local Council To Debate Bacteria Cut On Monday

A proposed bylaw which will appear before city council for first reading Monday will cut down the amount of bacteria allowed per cubic centimeter of milk from 100,000 to 50,000, bringing Westmount regulations in line with those of the City of Montreal.

In recent years, according to general manager T. J. Hughes, the trend has been to reduce the allowable count of bacteria in milk when delivered.

Tests are made from samples taken at random from delivery vehicles in the street. They are sent to the provincial laboratory where the bacteria count is determined.

If it exceeds the amount allowed, the matter is taken up with the dairy.

Tests made in Westmount of the dairies, which supply Montreal too, have shown some milk to have counts of over 50,000. Strict supervision will be kept if the bylaw is passed.

It would then read:

"Section 71 — Pasteurized milk which conforms with all the following requirements;

(a) All the component parts of the milk have been heated uniformly for a period of thirty (30) minutes at a temperature of not less than one hundred and forty two (142) degrees and not more than one hundred and forty five (145) degrees Fahrenheit during the whole of said period;

(b) the milk must have been cooled down to a temperature of not more than forty five (45) degrees Fahrenheit within forty five (45) minutes immediately after said period, and must have been kept at such temperature until delivery to the consumer;

(c) the plate count of pasteurized milk as delivered to the consumer shall not exceed fifty thousand (50,000) bacteria per cubic centimeter, and its coliform organism content shall not exceed fifty (50) per cubic centimeter in more than one sample out of the last four samples taken on separate days; provided, however, that milk which has been pasteurized by any other physical process approved of by the Health Department of the City, and which has been kept at a temperature of not more than forty five (45) degrees Fahrenheit continuously thereafter and until delivered to the consumer, shall be deemed to be pasteurized milk."

Rotary Club Hears Story Of Plastics

The plastics industry is still young, and there are many mistakes still to be corrected, but it is quickly taking its place as one of the fastest developing industries today, H. A. Kushnarov, development engineer with Dominion Rubber, plastics division, said Wednesday.

Many bad products come out as a result of these mistakes, but they are not made with an eye to cheating the public, he said in an address to the Westmount Rotary Club at their weekly luncheon meeting.

The element that deliberately produces inferior products slows down development of the industry considerably, he commented.

He gave the history of plastics, from its discovery in 1830 through the various stages it has undergone until now predictions are that it will rank second only to steel and timber in total output after the next 10 years.

There has been a 10 per cent increase per year in the industry within the last decade, he pointed out, and it jumped from 97 million in 1934 to 2.7 billion in 1953. This is in comparison to a three per cent growth in the national economy.

"Application of new materials is usually very far removed from the final type," he said. "Plexiglass, for instance, was first made into knife handles."

As many synthetic materials are now being made out of plastic as rubber, he said. People can guard against inferior products by buying only from reputable dealers and checking that there is a label telling not only what the plastic will do, but also what it will not do.

If any fault is found, the product should be returned to the store, which in turn will make a complaint to the manufacturer.

"We know the industry has many mistakes that must be corrected," he said, "but the prodigious must come from outside, not within."

Council Notes Death Of Pitts

Westmount city council Monday passed a resolution noting the death of Gordon MacLeod Pitts, member of the Montreal City Council.

They expressed their regret, saying that for many years he "has made a forceful and wise contribution not only to the counsels of his own city, but also to the wider area embraced by the Montreal Metropolitan Commission.

"This council wishes to extend to Mrs. Pitts and to the city council of Montreal its sympathy in their great loss."

When Rt. Rev. D. B. Marsh, D.D., Anglican Bishop of the Arctic, was entertained at tea in Boy Scout Headquarters on Monday, he was presented with some of a shipment of toys which are to go forward to his diocese, which

is the largest in the world, from the Scout toy-repair shops. The presentation was made by Mrs. A. E. Anderson, West-end resident, President of the executive board of the Ladies' Auxiliaries of the Montreal region.

Westmount Students Study Parts In 'Berkeley Square' March 10-12

The story of "Berkeley Square," this year's Westmount High School drama production which will take place March 10, 11 and 12 in the Auditorium, centers around seven main characters, all played by students at the school who have put in a lot of time learning their parts.

Four of these people belong to the Pettigrew family of the late 18th century — Lady Ann is the flighty mother of Kate, Helen and Tom Pettigrew. An intricate plot weaves around them and some modern day counterparts.

Joan Fish plays the role of the busy mother. A football cheerleaderette at the beginning of the year, she, heads the decoration committee of the Friday Night Club. She was in the school play last year, and has worked with the MRT.

In "Berkeley Square," Joan, at four-eleven, has been blessed with two beautiful daughters, both standing five-five.

One of these attractive daughters is Ilene Riddell, a trim miss who finds boys' basketball to her liking in off moments.

Nedra Salmon portrays the other daughter, recently recovered from two broken fingers suffered in gymnastics.

Ian Pemberton plays Tom, fourth member of the Pettigrew family. He is an avid badminton fan, and is a Students' Council representative. He does well in a complex part.

Romance is one of the main

morsels of the play, and the two heroes, Peter Standish and Mr. Throstle are enacted by John Seely and Phil Johnston.

Seely is president of the Students' Council, aside from being an active member of the Glee Club.

Phil Johnston worked last summer at the camp for crippled children, and got so interested that he is now taking the Counsellors' Training Course being given every Monday at Westmount Junior High School. He is also treasurer of the Glee Club. He played the lead role last year in the Junior High's drama production.

Heroine of the 20th century is Carol Cumming, a newcomer to Westmount High School who won the public speaking contest recently. She is a staunch supporter of her class in volleyball.

The play, characters, gay and hard times that have gone with it have all been supervised by Mr. Schaffelburgh, Miss King, Phyllis Allen, John Lothead and Miss Ross — producer, director, assistant directors and head of the costumes committees respectively.

Praise is also due the various committees, who have worked long and hard at their duties.

All work done — to build a stage, lighting and electricity — has been done by the students themselves. Forecasts are for some 325 to attend each of the three nights — Wednesday, Thursday and Friday.

Theft, Violence Charge Denied

Albert McPhee, 28, of 25 Notre Dame west, pleaded not guilty to a charge of theft with threats of violence before Municipal Judge A. E. Laverty, Tuesday and was remanded without bail until today. He was accused of a \$15.81 holdup in a taxi shortly before his arrest.

Lorenzo Caron, 3638 Verdun avenue, told police that he was driving a fare picked up at Atwater and St. Catherine to Oxford Avenue, when the man in the front seat turned to him at Western and Victoria avenues and told him to hand over his money.

The man took the \$15.81, he said, got out of the cab and ran away.

Caron immediately went to police headquarters where he reported the theft and a general call was sent out.

Const. O. Bunclerk saw a man lying in a snowbank in a driveway on Greene avenue, answering the description, and brought him to headquarters. Caron identified him, and he was brought before Judge Laverty later in the day.

St. George Club

The St. George Ladies' Curling Club is entertaining rinks from Royal Montreal, Heather, Hudson and Montreal West Curling clubs on Tuesday afternoon at the Club House, 3635 The Boulevard. Curling will begin at 2 p.m. followed by afternoon tea when the "Club heads" will be hostesses.

ROVING REPORTER

By FRANK FAIRVIEW

People have been asking what firm it was that Don MacCallum left before forming his own firm (with associates). The firm he left was Charles Warnock and Co. Ltd., which has now been bought by Peter Thomson, the son of Mr. Thomson of Nesbitt Thomson & Co. Ltd. . . .

Gerald Aikman, Oliver avenue, caught a robber the other day. A man selling ash trays called at his house and was refused. Minutes later two neighbouring girls told Mr. Aikman that a man had entered their house and made off with two purses, and that he was now walking down the street. Aikman caught up with him and simply walked along beside him. The man protested, "If you follow me any more, I'll knock you down." Aikman, six feet tall and very broad in the shoulders, replied, "I'd like to see you try it." He stayed with him until, on Claudioboye avenue, the police arrived. (The girls had relayed directions to the police) . . .

Ernie Jones, who operates a door company on Green avenue, has a new man working with him

in the person of Jack Carter. Ernie and Jack used to command a corvette together on the Atlantic: now they are selling doors together on Green avenue. . . Tom Savard, Hudson avenue, was walking home peacefully on Monday evening at 6.15 when a youth flung a well-packed snowball which hit him square on the head, almost dislodging his hat. Tom stopped, crouched, and for a moment wondered what had happened: the youth stood at a safe distance, laughing . . .

Mrs. Howard Horner has a new Cadillac, a deep cream colour: Mr. Horner prefers a black Bentley. . . Mrs. Robert (Cynthia) Vaughan has a new German daschund, two feet long and two inches off the ground. . . Wednesday evening three plays were presented at Loyola College, two by boys of Loyola, and one by girls of Marionapolis College: the girls outshone the boys in every respect. . .

The graduation ceremony of Mrs. Casgrain's Obedience Training School for Dogs, will be held in the Palais D'Or Monday evening, February 8th, the proceeds going towards the new SFCA shelter. Mrs. Casgrain realized \$153 for the same purpose last year. . . Orville Gracious, Chester avenue, is in Scotland on business for a year. . .

Mrs. Samuel Bronfman gave \$1,000 to the Save the Child-Chrysler limousine rolled ren Fund. . . A splendid around town over the weekend without any license plates whatever. Behind a white-coated chauffeur sat Lieutenant Governor Gaspard Fauteux. In England the Queen is driven about in a Rolls-Royce or a Daimler, both of which have license plates, for which she pays every year, the same as anyone else. . .

Mr. Emile of Emile's Beauty Salon will attend the Hairdressers' Convention taking place in New York next week. He will undoubtedly bring back many new ideas for Milady's coiffure. . . Floman Exclusive Furs moves next Friday to 1235 Greene Avenue opposite the Avenue Theatre. Formerly located on Mountain St., the company is owned and operated by Messrs. Flomen and Lussier, experienced fur designers who specialize in made-to-order fur garments. . . Mr. and Mrs. Sacoransky of May's Ladies Wear arrived back in town on Tuesday from their annual holiday at Miami. . . Someone should tell the cruce bulbs planted along the side of the Avenue Theatre that winter isn't over yet. Silly little things insist on poking their heads out of their bed to see what's going on. They'll be sorry when they find out!

ROADS DEPARTMENT

Scavenging: 818.85 tons of garbage and 347.70 tons of ashes were collected at a cost of \$8,903.08. There were 52,744 collections and the cost per dwelling per collection amounted to 0.1688. 198 inspections of garbage receptacles were made and 40 new cans were placed in service. 5 special loads were collected.

7 building permits were issued, having an estimated value of \$16,375. 1 of the permits was for an addition, 1 a conversion, 1 a fire escape and 4 were for alterations. 11 jobs were completed and there are 104 jobs under construction.

Winter Roads: The snowfall at 30.9 inches was higher than in any January of the past 7 years, and was only exceeded in any one month period twice, in the past 7 years. Snow fell on 17 days and by the end of the month, operating crews were near the exhaustion point and the equipment was showing definite signs of fatigue.

The total expenditure for the month on winter roads was \$88,125. This is the highest expenditure for the month of January in the past 7 years.

Comparable expenditure was experienced in the period December 15th, 1951 - January 15th, 1952, when the cost at this year's wage rates equalled \$92,600.

The cost of overtime amounted to \$10,226. - \$6,202. at time and one-half and \$4,024. at double time. This plus the cost of the equipment used is in effect an extraordinary expenditure because of the need for night and weekend work, occasioned by snowstorms originating in the late afternoon or evening, or on weekends.

In the School Health Service, 33 teachers were examined. The nurses made 43 class-room and 532 individual inspections, gave 88 treatments excluded 18 pupils, held 56 Teacher and 10 Parent conferences.

POLICE DEPARTMENT

There was a total of 133 accidents reported resulting in injuries to 33 persons - an increase of 65 accidents and 12 persons injured compared with the previous month. There were no fatalities reported. 119 of the accidents were traffic and 6 were street accidents - 8 were miscellaneous mishaps. In the traffic accidents, 19 persons were injured.

This is the highest monthly figure ever recorded for traffic accidents. However, for the most part they were not serious and most of them could be attributed to the weather, the combination of heavy snow storms and low temperatures being responsible in many cases. In previous years, December has been the highest accident month. In December, 1953, the total was approximately 30 below normal.

525 cases were made during the month - 718 were carried forward from the previous month. 349 court tickets were issued 74 arrests effected, 102 Summons were issued. 52 arrests were made and Summons issued for offences other than traffic infractions.

6 cases of Purse Snatching and 2 cases of Attempted Purse Snatching were cleared by the arrest of a man shortly after he had snatched a purse on Clarke Avenue. The culprit appeared before Deputy Municipal Judge A. Stalker, pleaded guilty to the case where he had been caught and not guilty to the others. He was remanded for Trial and later through his Lawyer pleaded guilty to four charges in all.

ELECTRIC LIGHT & POWER

Maximum power demand was 10,440 K.W. This is 240 K.W. higher than the December peak, and 1,170 K.W. higher than that for January last year, representing an increase of 12.6% over the year.

City Prepares Capital Works Roll Of Costs

Statement of costs of capital works for 1953 which are assessable have been accepted by the Westmount City Council and the secretary treasurer has been instructed to prepare a special assessment roll for the apportionment of the cost of these works.

The roll must be deposited by March 31 and will go to council for homologation April 5.

It covers Blenheim Place roadway, Irvine avenue roadway, Lewis avenue roadway, Willow avenue roadway and extension, Mount Pleasant avenue between St. Sulpice road and Cedar avenue, and the extension of the Willow avenue sewer.

Gross cost is \$69,942, and the portion assessed \$50,602, with the difference being paid by the city.

Method of distribution on all pavings up to 30 feet in width is based on frontage, with proprietors paying one-third each and the city the remaining third.

Costs of all pavings exceeding 30 feet in width are spread over the whole city.

Kathleen Jenkins Speaks To Dickens Fellowship

"The Art of Reading Books" is the intriguing title of the address to be given at the meeting of the Dickens Fellowship in Victoria Hall, Westmount, Tuesday. The speaker is Miss Kathleen Jenkins, B.A., chief librarian at the Westmount Library, who is well qualified to speak on this subject.

W. H. Spearman will preside and introduce the speaker.

Gratton Brothers Going Places

ANTOINE GRATTON

The Jones boy may be the current hit on the juke box, but in Verdun, it is the Gratton boys who are going places.

The Gratton brothers, Rosaire, Antoine and Albert, are well known in Verdun and their modern three-story store under the name A & R. Gratton, 5355 Wellington street, is the centre of upholstery and all phases of furniture building.

Their new location occupies 10,000 square feet in three storeys. There is the department which upholsters furniture, a department of polishing and repair and a department where new furniture is built to specifications of the buyer.

Despite the fact that the company is owned by the three Verdun brothers it is well known outside Verdun. The firm has many contracts for hotels, theatres, and there are also letters from far-off Bermuda and Colombia, thanking the company for its excellent work.

Everything in living-room furniture or furniture construction can be procured at A & R Gratton. It is a firm composed of Verdun men, situated in Verdun, and carrying on a trade and business that is widespread.

Antoine Gratton, superintendent of production, was born in Point St. Charles. After a commercial course in 1929 he entered the employ of the old Grand Trunk Railway, which later became the Can-

adian National Railways, as an apprentice upholsterer. His apprenticeship ended, the company sent him to work shop at Transcona, Man., and a little later recalled him to Montreal where he remained, in the CNR employ until 1946.

During his apprenticeship, he won first prize for commercial drawing at the Toronto Exposition. He is a member of the Knights of Columbus.

Rosaire Gratton, manager of sales and purchases, was born in Verdun. After finishing his studies at Academy Richard, he entered the employ in 1936 of the Canadian National Railways as an apprentice upholsterer. He was fortunate in visiting many workshops of the company and worked with many workmen from different sections of Europe. During his apprenticeship at the Point St. Charles shops, he worked on the Royal Trains which was used for the visit of King George VI and Queen Elizabeth to Canada.

After taking many courses in theory offered by the CNR, Rosaire took night courses in drawing in Montreal consisting of industrial drawing, decorations and junior engineering at the Arts and Trades School of the Montreal Technical School. In 1948, he left the CNR to establish the business with his brothers, Antoine and Albert, at 394 Church avenue. Two years later, the spot was too small for the 10 employees and they decided to move to a large site at 638 Gordon avenue. They handled business at this latter spot for five years and had 25 employees on the pay-roll, when they decided another move was necessary.

Last year, they decided to build their own business establishment on Wellington street, between Melrose and Argyle avenues.

Albert Gratton, secretary-treasurer of the company, was in the Canadian Army from 1940 to 1946 and was discharged with the rank of quarter-master sergeant. He is a member of the Knights of Columbus and the Richelieu Club of Verdun, and is business manager of the company.

Local Businessmen On Commerce Group Delegation To U.S.A.

Several local businessmen are included in a top-level Canadian business delegation which left yesterday for Edgewater Park, Miss., where they will hold a two-day meeting with leading United States businessmen.

Included on the Canada-U.S. Committee are Herbert H. Lank, C. C. Thackray, Edward C. Wood, F. J. Cunningham, and W. J. Sheridan and Doug Henderson of the Canadian Chamber of Commerce secretariat, Montreal.

The discussions, sponsored by the National Chambers of Commerce of both countries, will feature a continental approach to economic and resources development problems.

Both the Canadian and U.S. delegates will be meeting on March 4 and 5 as members of an international business group — the Canada-U.S. Committee, jointly maintained by The Canadian Chamber of Commerce and the Chamber of Commerce of the United States. Chairman of the Canadian Section of this joint business committee is Francis G. Winspear of Edmonton, past-president of the Canadian Chamber of Commerce.

For the past 20 years, the Canada-U.S. Committee has been meeting twice a year to discuss common economic problems. Subjects to be discussed at the coming meeting include a general review of the Randall Commission report, foreign investment and capital flow, defence, agriculture, fisheries, energy resources.

Human Destiny Lecture Title

"Human Destiny" is the title of a public lecture arranged by the Spiritual Assembly of the Baha'is of Westmount for Wednesday, March 10th, 8:15 p.m. at the Westmount Y.M.C.A., 4585 Sherbrooke St. W.

Mrs. Yvonne Estall and Mrs. Lillian Sala, commentators, will show a series of documentary col-

oured slides which reconcile the bible story of creation with the correct findings in geologic history, evolutionary biology and history of mankind, emanating at the apex of civilization in a universal religion as the crowning achievement of the spiritual destiny and unity of mankind.

The slides are produced by the Audio-Visual Educational Committee of the Baha'is of the U.S.A. and are trying to support the Baha'i principle that "Religion and Science must go Hand in Hand."

Shakespeare's Tragi-Comedy

Seldom Played "Measure For Measure" March 11-12-13

The first Montreal showing of Shakespeare's tragi-comedy *Measure for Measure* will be offered at McGill University on March 11, 12 and 13. This controversial play was chosen by the Department of English in accordance with the University's new policy of giving to Montreal audiences a chance to see great but unfamiliar masterpieces, seldom presented on stage.

The play is by turns poetically tragic and bawdily farcical, asking bold questions about law, morals and religion, and demanding Professor Stephen Porter, who is directing *Measure for Measure* has selected a cast from the most experienced talent in McGill. Julia Anne Holden, who has been featured in several Red and White Revues as well as last year's successful *Hippolytus*, takes the leading role of Isabella.

Gregory Friend, a veteran of the MRT's memorable *Saint Joan*, and many campus productions plays the Duke. Edward Bell, who has handled classic roles both at McGill and in his native England appears as Angelo, the most dramatic figure in the play.

Other important roles are taken by Gerda Rother, Peter Salzer, Brian Jones and Bernard Miller, who will be remembered for his success as the Grandmother in the *Big Bad Wolf*.

Professor Porter has designed the settings which are being constructed by Gordon Dorey. The elaborate costumes are being designed and made by Althea Douglas in the colorful and incredibly fantastic style of the German Renaissance. Lighting will be by Creighton Douglas. Professor Porter, Mr. and Mrs. Douglas performed these same services for last year's revival of Euripides' *Hippolytus* which started the classic series.

The Canadian Pacific Railway employs approximately 83,000 persons and has more than 20,000 miles of railway serving the chief Canadian centres of commerce, industry and agriculture.

Shakespeare's "Julius Caesar"

With Famed Shakespearean Star
John Gielgud In Hollywood Debut

Three years ago, John Gielgud told a group of London interviewers that he detested appearing in films and that he would stick to the stage as his medium. His words were however thrown at him when he arrived in Hollywood for his American film debut as Cassius . . . he of the 'lean and hungry look' . . . in the M-G-M film version of "Julius Caesar" which is now being shown twice daily at the Kent Theatre, at 2:30 and 8:30 p.m. with extra show on Saturday at 5:30.

★ In MRT Play

Kenneth Cully, who had a distinguished record as an officer with the Royal Canadian Navy during the last war, plays the part of a British admiral in the Christie comedy, "His Excellency," the Montreal Repertory Theatre production which will be seen in the Westhill Auditorium, Wednesday until Saturday, March 17th to the 20th.

Dogs To Graduate On Monday Night

SPECIAL BENEFIT GRADUATION — of Mrs. Casgrain's Obedience School for dogs, will be held Monday, at 8.15, at the Palais d'Or Ballroom, 1226 Stanley St. Proceeds will be donated to the S.P.C.A. Building Fund. Mrs. Casgrain is on the Board of the SPCA, which plans to build a new Animal Shelter this spring. The SPCA is responsible for the beginning of Obedience training in Montreal. In 1946 the Society arranged for Miss Blanche Saunders, foremost authority in the USA, to come to the city and show her films on training, give a lecture, and exhibit her trained poodle, Jester. Training classes were organized in 1947, and obedience for dogs has flourished here ever since.

Judges will be Miss Dorothy Budge, vice-president of the Mountain City Obedience Club, and Raymond Cottier, huntsman for the Lake of Two Mountains Hunt at Como, Que. Miss Budge has been active in Obedience Training since attending one of the first classes in 1947, and has two trained dogs of her own, a Cocker Spaniel, Pal, C.D.X. Int. C.D., and a German Shepherd, Trudi. Mr. Cottier has many years' experience behind him in the management of Foxhounds, and is now in charge of the Hunt kennels at Como, last year exhibited his hounds in Senneville at the M.C.O.C. Trials.

Following the presentation of prizes and diplomas Monday, the Mountain City Obedience Club will give a demonstration of Obedience Teams. This will be the first exhibition of its kind in Montreal, and consists of teams of four handlers with their dogs in a precision drill. A team of little dogs will include Mrs. Jean Ferrabee (N.D.G.), with her Cairn Terrier, "Scone", Int. C.D.; Miss Connie Smyth with her Miniature Poodle, "Penny", CD; Mrs. Paul Haynes (Town of Mt. Royal), and Basenji, "Brig"; Mrs. R. C. Christie (N.D.G.), and Cocker "Chippy", CD. The other team will be four Standard Poodles: Mrs. R. H. Bryson (Westmount), "Boko", Int. C.D.; Mrs. Alex Casgrain, "Becky", CDX, Int. CD. (Westmount). Mrs. James Dempster and "Bally", Int. C.D. (Hudson Heights) Mrs. R. W. Tyner and "Mandy", Int. CDX (Senneville). Bally, Becky and Boko were bred by Mrs. Dempster and are all from the same litter.

Gielgud, who had appeared in half a dozen British pictures during the 1930's, recalled them as 'dismal.' He had sternly resisted all of Hollywood's previous advances. Yet he cut short a highly successful run in "Much Ado About Nothing" at a London West End theatre to accept the film role of Cassius. The celebrated Shakespearean actor explains his sudden about-face on the question of picture-making as being due to a talk with Director Joseph L. Mankiewicz, who flew to London to offer Gielgud the role.

"Of all Shakespeare's plays, 'Julius Caesar' is probably the best suited for filming," he states. "It's a play of action, with a minimum of soliloquizing. Mr. Mankiewicz assured me the M-G-M version would be faithful to Shakespeare and would emphasize character rather than spectacle."

In addition to Gielgud, considered one of the foremost Shakespearean actors of the day, the cast of 'Julius Caesar' includes Marlon Brando as Mark Anthony; James Mason as Brutus; Louis Calhern as Caesar, Edmond O'Brien as Casca; Greer Garson as Caesar's wife and Deborah Kerr as the wife of Brutus.

"Julius Caesar" and Marlon Brando have both been nominated as "Year's Best Picture" and "Year's Best Actor," respectively.

Laughton In "Hobson's Choice"

John Mills Also In Outstanding Hit

Whenever a list is assembled of the great motion picture performances of all time, one actor invariably stands out head, shoulders . . . and paunch . . . over any other for the number of times his name will be mentioned. Oddly enough, he is not one of the screen's handsomest and dashing young romantic heroes, but a hulking individual who in appearance resemble somewhat "the hind quarters of an elephant."

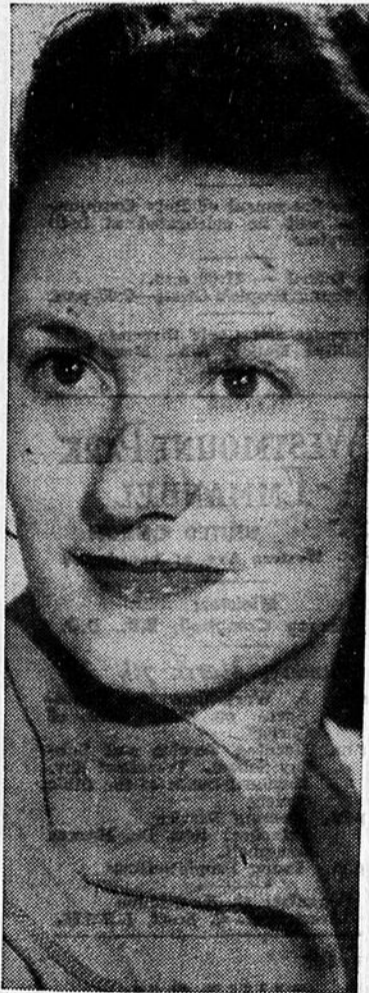

The description is Charles Laughton's own, for himself. His performances as the pompous British Monarch in "The Private Life of Henry VIII"; as Captain Bligh in "Mutiny On the Bounty"; as the embittered and domineering father in "The Barretts of Wimpole Street" and as Ruggles in "Ruggles of Red Gap" are cited as four the most memorable the screen ever has known. He won an Academy Award for his portrayal of "Henry VIII". That was about 20 years ago. The intervening decades have been marked by repeated Laughton triumphs.

Charles Laughton is currently starred in the delightful British comedy "Hobson's Choice" which is being held a third week at the Avenue Theatre. Sharing stellar honors with Laughton are John Mills and Brenda de Banzie.

★ **Pickford In N.Y.**

New York, Mar. 1 — Mary Pickford now in New York in connection with the publication of her autobiography in McCall's Magazine, also made a late entrance on Ed Sullivan's "Salute to Metro" tv show, which was regarded as curious as Miss Pickford was never identified with Metro.

★ **Bernice Besson**

. . . who will appear in the Verdun Operatic Society's production of "The Wizard of Oz" at Her Majesty's Theatre, March the 16th to the 20th, with a Saturday matinee. Mrs. Besson has appeared with the VOS in a leading role for many seasons and will appear this year as the wicked witch of the West. Now a resident of Verdun, Mrs. Besson is a native of Toronto and Belleville, Ont., where she was winner of the Best Actress Award in the Drama Festival.

★ **H-Bomb Tests To Be Released On The Screen**

Washington, Mar. 1 — A heretofore restricted motion picture, showing the destructive power of the H-Bomb, revealed at its tests in Eniwetok Atoll in the Pacific, is to be released to film theatres.

Film in full version was shown to top Federal officials and members of Congress. Later, an abridged version was screened for lesser Federal officials and those from states and cities. Decision now is to make the American people aware of what will happen if H-Bombs fall on the United States.

person of Bernard Downes, the family servant, who has no mean part in the goings-on of the household.

Others in the play are Ethel Figsby, a comic servant, Helen Smith, a not-too-bright friend of the family and Gordon Porter, a man of resourcefulness.

★ **John Barrymore Jr. On Bermudian Theatre Stage**

Hamilton, Bermuda, Mar. 1 — John Barrymore, Jr., who made his debut on the legitimate stage at the Bermudian Theatre last week, received excellent notices from the local reviews. The Mid-Ocean News and the Royal Gazette were high in their praise of Barrymore's performance in "Design For Living," in which Sylvia Sidney is starred.

Although Barrymore at 22 years of age has appeared in a number of films, his engagement here marked his first legitimate performance.

★ **Happy Endings Now?**

New York, Mar. 3 — Film stars aren't what they used to be, says Jean Negulesco, 20th Century-Fox director now on location for "A Woman's World" in New York. He finished this by remarking, "Today you almost have got to have a happy ending in a picture — it's because we've

got hardly any stars left who can afford to die at the final fadeout!"

Hit Technicolor Musical Feature

Co-starring Ray Milland and Jane Wyman

"Let's Do It Again," Hit Technicolor musical featuring Ray Milland and Jane Wyman with Aldo Ray, — and "Flight To Tangier" in Color by Technicolor comprise the programme now playing at the Westmount Theatre until Tuesday.

Dances with a quiver to 'em; songs with a shiver to 'em; and a love story that separates the men from the boys are some of the delightful ingredients in "Let's Do It Again". Jane Wyman sings and dances her way through a role that is rich in comedy. Ray Milland returns to the sleek and sophisticated romantic comedy of his earlier screen successes and Aldo Ray rounds out the trio of stars in another joyous performance as a good-natured illiterate. The sparkling comedy of "Let's Do It Again" is told against the lush and plush background of Broadway's smart crowd. Miss Wyman plays a former Broadway singer whose uneasy marital relationship is put into a state of crisis when Milland, Wyman plays a former Broadway husband with a roving eye, roams once too often in the pretty direction of Valerie Bettis, a torrid night club dancer. The film is replete with musical and terpsichorean diversions. In top featured roles are Leon Ames, Tom Helmore and Karin Booth.

★ **Crime Photographer**

With The Avon Players Starred

At Westminster Central United Church Hall, Atwater Avenue

"Crime Photographer," the exciting mystery comedy by Stephen Bristol will open at the Westminster Central United Church Hall, 920 Atwater Avenue, Friday evening and Saturday evening, as another presentation of the Avon Players.

The home of a very wealthy metallurgist is the scene of all manner of skullduggery, from a mysterious disappearance and the appearance of a ghost to impersonation and blackmail.

Alf Gielen will be seen in The Avon Players' production as Casey the famous crime photographer, and Phyllis Gielen will portray his friend, the reporter. Pat Copland will be playing the role of an impersonator who is out to steal her cousin's inheritance, and Jean Funchion will be seen as her able henchman.

Bill Owens will portray Captain Logan, the loveable but bullheaded detective, who never seems to get the right clue, while John Royal will be seen in the role of a famous metallurgist whose mysterious disappearance is blamed on Donald Davidson, a play-boy of unsavory character. Thelma May and Lorna Sly have been assigned the roles of wife and sister to Sumner Powdrell who so mysteriously disappeared. These two characters, who are continually bickering, have a foil in the

Conservative Bureaucracy ?

* * *

"Arming the Opposition" Won't Help
Future PC's — We Want Less,
Not More, Bureaucrats

Searching for an explanation for the Progressive Conservative party's dismal showing in the last summer's general election, 'The Ottawa' Journal seizes avidly upon the suggestion of 'Maclean's Magazine' that the thing to do is to "arm the Opposition." Clearly 'The Journal' feels that Pro-

gressive Conservative candidates might have made a much better showing were Mr. Drew provided with something better in the way of a Parliamentary staff than "a handful of overworked stenographers and two official secretaries."

Arming the Opposition, at the taxpayers' expense, with its own paid bureaucracy, is not the sort of proposition that will commend itself to most thoughtful Canadians. Nor does the lack of such a bureaucracy have any bearing on Progressive Conservative fortunes at the polls. In the first place, the services of departments of government at Ottawa ought to be as readily available to the Opposition as to the Government. Nor has it been asserted by Mr. Drew, or any one else in authority in Opposition circles, that such is not the case. If 'The Ottawa Journal' feels that the Opposition is under a disability because it lacks a bureaucracy, the situation could be equalized much more cheaply and expeditiously by cutting the Government's arsenal of 'experts' down to size.

Christian Science

How permanent peace and harmony can be attained by mankind through the spiritual growth that reveals the true, spiritual nature of man in God's likeness, will be emphasized in the Lesson-Sermon entitled "Man" which will be read at Christian Science church services on Sunday.

Selections from the King James Version of the Bible include the following from Romans: "And we know that all things work together for good to them that love God, to them who are called according to his purpose."

Relevant citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "Mortals must gravitate Godward, their affections and aims grow spiritual, — they must near the broader interpretations of being, and gain some proper sense of the infinite, — in order that sin and mortality may be put off."

The Golden Text is from Psalms: "Mark the perfect man, and behold the upright: for the end of that man is peace."

First Approach Must Important Says Dr. Fisher

The first approach in the training of retarded children is of paramount importance in establishing self confidence, Dr. Adele Caprioli Fisher, consultant psychologist at the Lachine School of the Association for the Help of Mentally Retarded Children, said in an address at Westmount Baptist Church.

"Mentally retarded children, if not cared for properly at an age when they can be helped, can be a great problem to society when they grow up. Parents of such children make a great mistake when they are reluctant or

ashamed to bring them to those who can help," she said.

The Association, at present, teaches 30 children at its two schools in Snowdon and Lachine.

Dr. Fisher said the first approach in the training of retarded children was of paramount importance in establishing self-confidence.

To ensure the maximum improvement she recommended children be divided into groups according to their mental status to enable individuals to develop according to their aptitudes and dispositions.

"Hard but fascinating work," she called her vocation. Financial aid from the government will soon be necessary if schools for retarded children are to expand as they should, she said.

Melchers Distillers Net Earnings Down

Melchers Distilleries, Limited, in report for the year ended December 31, 1953, shows net profit of \$92,547 after depreciation and income taxes. This profit is equal to 74 cents per share of preferred stock, and compares with 1952 net income of \$101,679 or 81 cents per share of preferred.

Hon. Victor Marchand, chairman, states that gallonage sales during the year showed a moderate increase, but dollar receipts were down slightly due to the public buying less expensive brands. He noted that purchasing power in many of the industrial and mining areas was considerably reduced—as much as 50% in some cases — by strikes and lowered employment due to a slowing-down in industrial activity.

Costs of labor, raw materials and bottling supplies continued to rise, Mr. Marchand states, so that the percentage of profit per gallon showed a decrease. This resulted in a reduction in net operating profit, before depreciation and income taxes, from \$341,346 in 1952 to \$272,865 in 1953. Depreciation provision was \$72818 in 1953 against \$78,667 in 1952, and income taxes amounted to \$107,500 against \$161,000, leaving net profit as noted above.

The balance sheet shows current assets of \$2,284,326 and current liabilities of \$701,553, indicating net working capital of \$1,582,773, an improvement of \$84,993.

Mr. Marchand states that total fire insurance carried on buildings, equipment and stock amounts to approximately \$13,000,000 "so that your directors believe your company is fully protected in these respects."

Manufacturing costs in 1954 should not increase further and may even show a slight decrease, Mr. Marchand anticipates. This is because, during the latter part of 1953, prices of certain grains showed a decline.

Canadian Bank Of Commerce Issues Electrical Booklet

Have you ever stopped to think of all the things electricity can do to help make farm living easier?

"Switch on the Power," the latest in a series of Farm Educational booklets published and distributed by The Canadian Bank of Commerce, outlines and illustrates many of the ways to get the greatest benefit from electrical power.

Some of the advantages in electrical living outlined in "Switch on the Power:" An electrical pig brooder can save up to one and one-half pigs per litre; a hay drier can increase the ton-value of hay \$5 to \$10; poultry house lighting and water warming are capable of increasing egg production 11 to 19 per cent; an increase of 5 to 10 per cent in milk production is gained when an electric water system is used; and a farmer can save up to 684 hours a year with an electric milking machine.

Tests at the Swift Current Experimental Station in Saskatchewan, the booklet continues, show that one Kilowatt hour-per-month separates 1000 pounds of milk and that 3.75 k.w.h. broods 100 chicks per month.

The booklet explains that approximately half the farms in Canada are electrified, providing conveniences formerly associated with town life. "Electricity can be defined as 'energy,' which is another name for work," the author writes. "On the farm, this work includes turning an electric motor attached to farm equipment, or to an appliance, or for the production of useful heat. It is the ability to do work that makes electricity useful."

A note of caution about the way a farm house should not be wired for electricity is sounded in the booklet, as well. It is pointed out that the householder should wire once—not once a year. In providing adequate circuits and outlets in the initial wiring job, a saving of money and a loss of nuisance are the results. Wiring for future use pays.

Other words of wisdom include: "Do not try to solve an electrical problem yourself; consult a reliable electrical contractor."

The hazards of showing disrespect to electrical wiring systems are portrayed in cartoon drawings. The drawings show what can result if outlets are overloaded, extension cords are frayed, fuses are replaced in the dark, or if plugs are pulled out from the wall socket by the cord.

"Switch on the Power" may be obtained from any branch of The Canadian Bank of Commerce, or by writing to Mr. B. E. Langfeldt at the Head Office, 25 King Street West, Toronto.

78 U.S. Boy Scouts To 'Invade' District

Continuing their annual "invasion" of the west end of Montreal a party of 78 Scouts and Leaders from Burlington, Vt., will visit troops of Western and Westmount districts next week-end, March 13th and 14th. Under the leadership of that veteran "invader", Scoutmaster L. W. Dean, assisted by Scoutmaster Charles Barnes and others, boys from Troops 1, 3, 8 and 15 will be billeted with Scouts and Scouters of St. Leo's Westmount, and Willingdon and St. Augustine's troops.

The programme will include a camp-fire and sing-song on the Saturday evening, church parades on Sunday morning, visiting, sight-

seeing, in the afternoon and early return on Sunday evening.

This friendly interchange was started several years ago and is entered into with gusto by boys from this district who generally return the visit in the spring. Many of them spend some time at the American Scout camps in Vermont and New York states, and there are always a number of visitors up at Camp Tamaracouta in the summer time.

periods, reports showed. Most were English-speaking and Protestant, but other languages and faiths were represented too. The Home has adopted a policy of having a few older, permanent persons to give a background of stability and continuity for the younger transients who benefit from the agency.

One of several case histories cited as examples of the work, told of a mature woman who had been turned away from several prospective refuges for various reasons. Her daughter became totally unemployed. Neither could speak much English and no French. Eventually jobs were found for both on the service staff of a local hospital.

CHANGE OF PRESIDENTS: Mrs. Alfred Powis, left, outgoing president of The Sheltering Home, and Lady Aylmer, newly elected president. The Home — one of Red Feather's oldest agencies — held its annual meeting on Tuesday, Feb. 23.

The Sheltering Home Forced To Turn Away Needy Cases For Want Of Accommodation

One of Montreal Red Feather's oldest welfare agencies, The Sheltering Home, 1675 Lincoln has reported recently the necessity to turn away several needy cases during 1953 for want of sufficient accommodation.

At its 66th annual meeting, the second after a full year's occupancy of its relatively new quarters, the Home reported continuing advantages over its previous quarters on St. Urbain street. Its function is "to provide temporary shelter, care and medical attention for women and girls while plans for their rehabilitation are being made by other welfare agencies. "It works particularly closely with Family Welfare Association, Children's Service Centre, Girls Counselling Centre and several other Red Feather services.

The meeting elected Lady Aylmer to succeed Mrs. Alfred Powis as president of the Home. Reports were read by Mrs. E. A. Durnford, Dr. John Lohead and Mrs. R. N. McLeod, as volunteer officers of the organization. Miss Jean Van Vliet, R.N., superintendent, reported in detail on the year's operation. Mrs. R. G. Gilbride, president of

How To Be Marriageable Outlined In New Course

"A normal young woman who wishes to marry and is willing to try, can succeed," states Dr. Paul Popenoe in the March issue of Ladies' Home Journal, making public for the first time the successful results of a Marriage Readiness Course conducted by the American Institute of Family Relations.

In an article titled "How To Be Marriageable," Dr. Popenoe relates the work of the Institute in guiding young unmarried women "who are willing to face their problem realistically and honestly to make themselves appealing and acceptable as mates." He reports, "Our experience in

studying the personality problems of thousands of young women over the years has produced evidence that the majority of women who do not marry, but wish to, have not learned how to be marriageable."

Dr. Popenoe emphasizes that "a girl must be prepared to stay with the program at least a year before she can hope to achieve the new attitudes and perspectives that will overcome the handicaps which have kept her from marriage." The case history of "Marcia Carter," which begins in the March issue, tells the story of a 29-year-old girl who was able to "carry her counseling through to the realization of her cherished dream, a husband whom she loves."

Women To Pray For Persecuted

Today, when women take part in the services for World Prayer Day, special supplications will be made for those who are being persecuted in other lands and those in deadly peril. Help will be asked for the women of China in the grip of communist terror, who yet pack their churches to overflow, despite Red soldiers guarding the church doors and marking them for punishment as leaders of the democratic way of life.

In Montreal services will be held in Anglican churches with Baptist women leading the devotions, as follows:

Ascension, Mrs. E. G. Smith; All Saints, Mrs. C. H. Miller; Christ Church, Mrs. P. H. Roberts; Church of the Redeemer, Mrs. M. Lee; Grace Church, Mrs. A. Sullivan; St. Albans, Mrs. F. The 15th annual oral competition of the Canadian Association of Reading Clubs was held in the church hall of Melville Presbyterian Church, Westmount on Friday evening.

The president, Mrs. L. M. Hyland opened the meeting with a greeting to all. Mrs. J. Martin Colton of the Breslay Club was the co-ordinator of the evening's program. Mrs. Robert Binning of the Cymbeline Club was book convener. Mr. J. G. S. Brash, Supervisor of English for the Department of Education at Quebec and Mr. Taliesin Jones, Vice-Principal, of Verdun High School were the Judges of the Book Reviews. Mrs. B. Johnston of the Discussion Club received first award the second going to Mrs. C. L. Bryson of the Wayfarers Club and the third to Mrs. R. Emerson of the Discussion Club.

Mrs. Eric Hanson Honorary president, gave a delightful musical interlude.

The meeting came to a close with refreshments being served by the Wayfarers and 1936 Clubs.

"It's for you, Dad!"

When one of the family calls you to the phone and whispers, "I think it's business," it reminds you how important calls of that kind are, even at home.

You don't have to upset your evening's plans, because your telephone gets things done quickly, nearby or far away.

Whether it's a matter of sales, or service, whether it's early evening or late at night, you can depend on your telephone.

Just give it a thought next time one of the family says, "It's for you, Dad!"

Homemakers Told Budgets Do Work

"Money sickness" is the true cause of a lot of the ills that take people to doctors these days. Yet, you don't have to unbalance your mind in order to balance your budget, says an article in the March issue of The American Home magazine. Called "Budgets DO Work," the author says that most people low-rate budgets because they believe that a strict

budget robs them of all the whipped cream of life in order to pay the meat and potatoes bill.

It isn't true at all if the budget is individually and personally planned to suit the needs and desires of your particular family. It may be important for one family to spend a disproportionate amount of the budget money for good clothes, dinners out, and entertainment for the husband — if he is at a crucial point in his career where this kind of spending is advisable for him to advance in his job. It may mean pinching on other things, but it may pay big dividends in the future.

Be brutally honest about yourself and your income, says the author. Make out a Want List of absolute necessities, then list the other things that seem necessary or desirable to you. There may be ways of saving on things that you think are necessities in order to make the desirable things more attainable.

Calvary W.M.S.

The monthly meeting of Calvary W.M.S. will be held on Wednesday, March 10, at 8 p.m. in the Ladies' Parlors. The conveners will be Mrs. E. M. Roberts and Mrs. C. Misener. The subject of the meeting will be "Japan", with Miss Gwen Suttie, a former missionary to that country, giving the address. There will also be short reports presented by the delegates to the recent Presbyterian. All friends are welcome.

Pythian Sisters

The members of Wingate Temple No 3, Pythian Sisters, are holding a money shower, fashion show and miniature bazaar on Monday, at the B'nai Jacob Synagogue, proceeds to be used for monthly parties for the members of Cedar Association, who are the adult handicapped, graduates of the School for Crippled Children, the majority of whom are confined to wheel-chair, crutches and braces. Mrs. B. Shaposnick is the overall convener, Mrs. B. Fitelberg and Mrs. B. Berlin miniature bazaar conveners.

Montreal Contestants To Compete At McGill Alumnae P. S. Contest

The finals of the McGill Alumnae Public Speaking Contest for high school girls will be held at the next regular meeting of the Alumnae Society on Tuesday, March 9, at 8.15 p.m. in the Royal Victoria College.

The eight finalists were chosen at the semi-final contests held last week at The Study, the Mount Royal High School, and at Three Rivers and Ormstown. The Montreal contestants are Vivian Rapoport, Joan Pollard, Anna Guthrie, Rosemary Richardson, Handa Bray and Elizabeth Richards. They will represent the High School for Girls, St. Dominic's High School, The Study, Mount Royal High, Hudson High and Chambly County High School.

The contest, now in its sixth year, is open to girls in grades 10, 11 and 12 of public and private high schools in Montreal and other provincial areas. The topics chosen by the finalists range from Speaking in Public to Canada's Obligation to Help Less Fortunate Nations.

Chairman of the Education Committee which sponsors the contest is Mrs. K. C. Berwick.

Young Women's Group

The Young Women's Group of Knox Crescent and Kensington Church will held their monthly meeting tonight at 8 p.m. sharp, in the Ladies Parlour. Miss Elizabeth Lablond, B. A. will talk on child psychology, and a film entitled "Shyness" will be shown. New members are cordially invited.

Musicale

The Westmount Women's Club Musicale will be held on Friday, March 12 at 2.30 p.m.

A very interesting program has been arranged with Mrs. Olga-Guileroff, pianist, as the feature attraction.

The choir will sing under the direction of Mrs. F. G. Sharpe who is chairman of the day.

Club's Semi-Annual Report On S.S. Work

The American Woman's Club, in its semi-annual Social Service report, has reason to be happy over its accomplishments to date.

So far this year they have completed 9 layettes and 28 baby jackets which have been distributed to the School for The Blind, the Salvation Army, the Catherine Booth Memorial Hospital, Montreal General, Herbert Reddy Memorial and the Childrens Memorial Hospital.

For the Veterans' Hospital at St. Hyacinthe they have given two parties, 40 Christmas boxes and 4 magazine subscriptions.

The Children's Service Center has been given a donation specified for supplementary training among older girls who have proven their ability to complete certain vocational training, and a small additional gift to help put on their annual Foster aPrents and Children's Christmas party, plus mittens, caps, baby mitts and booties.

The Children's Dental Clinic has received money to help carry on their work of free dental care for needy children of Greater Montreal, and, through the Social Service Committee, the Hobby group of the club donated a small financial gift to the Friendly Home, quite aside from the club's annual donation.

It is of interest to note that many of the members, besides giving their time, contribute financially to promote the efforts of this particular group.

Through the personal interest of Miss Edna Martin a few members

of the committee started a new project this year, and completed 28 dolls and 31 toy animals which were sent to children in the Tuberculosis Hospital in Korea through the Women's Voluntary services.

Mrs. Joan Bayer, Chairman of the Social Service Committee, is pleased with the co-operation of the members given to this department and it is her aim to have more club members give their time, as she feels no women's organization is of real value to the community without its Social Service work.

Social Service room will be open this Friday, and will be closing Friday, March 12. Plans are being made for a rummage sale to take place on May 4 and 5.

Brewers Edged In Big Game 58-57 MAAA Needs Win to Take Crown

By MARTY GOODMAN

In any playoff series, the second game is usually counted as the big one to win. Either it ties the competing teams, or pushes the odds solidly in favor of one.

Dow Brewers missed their big chance Tuesday to tie their final senior B Montreal Basketball League series with MAAA, winners by a 58-57 count, and now rest solidly behind the eight ball. Their chances of taking the title are slimmer than a well worn dime, but they can't be faulted for trying.

MAAA, behind six-four Doug Mc Nichol, were well-favored to sweep the best of five series, and looked as if they were going to do better than their press notices when they swamped the Brewers 72-41 last Thursday in the opener.

Come Back Strong

But coach Doug Alexander's squad, upset winners over league-leading Giants in the semi finals, came back strong in the second match at Mont St. Louis and seemed to be a cinch to square the series as late as the fourth quarter, when they held a 10 point margin.

Erratic refereeing, especially for a playoff game, led to John Field

and Pete Siemers going out on fouls, and the Dow offensive came to a near stand still. What was even worse was that their defense fell down too.

Behind Bill Oliver, who led the marksmen with 23 points, MAAA caught up and went ahead by a 58-55 count in the final minute of play. The Brewers, fighting to keep their championship hopes alive, sliced the margin to one point on a basket by Ian McIntosh.

Fast Break Attempt

MAAA came back up the floor, and instead of the expected freeze, took a shot. McIntosh grabbed the rebound, and threw a lead pass down the floor to Gerry Rowntree, ahead the pack.

A trifle short, Rowntree was forced to hold up a second and was swarmed over as he went up for the shot, and missed. McIntosh, following closely, fondly gathered in the rebound, laid it up, and missed too.

McNichol then picked it up, was fouled with one second left, and missed both shots. Of a total of 19 free throws taken, big Doug hit on only seven.

O'Toole Hot for Half

Mike O'Toole paced the third stanza offensive as he picked up nine markers. Ian McIntosh also turned in a stellar game, holding McNichol to two baskets and a total of 11 points, while hitting for 13 himself.

Oliver was the big man for the winners, while McNichol was his usual potent self under the boards. He made the whole difference in the first game, as MAAA, always hot on their own floor, kept Dow away from the ball under each basket.

Third game of the series will be played next week.

Schwendie Winner Silver Foil Trophy

Twenty-one foil fencers participated in the Y.M.C.A. Silver-foil Handicap Tournament Saturday.

Carl Schwendie of Palestere Nationale won the Silver Foil Trophy. Roland Asselin of Westmount Y club took second place and third place was taken by Mrs. Heidi Jack who had the distinction of being the only lady fencer in the finals.

The Quebec Ladies C Class Foil Championship tournament will be held at Westmount YMCA 8:30 p.m. Thursday, March 11. Entries are being received by Allan Howard, c-o the Westmount Y.M.C.A.

Unity Boys Club cagers advanced another notch along the road to the city Intermediate basketball crown last week when they downed a battling Northmount YMCA aggregation 134-103 in a two-game, total-points series.

The Unity larrigans won the series wind-up 60-53 last Friday night after copping the opener by the healthier margin of 74-50. Both games were played on the winners' home court on Westmount's Greene avenue.

Though they won the series, Unity displayed little in the way of championship ball. George Presho's Phellows were weak in ball-handling, shooting and defensive-ly.

After taking on early lead on Friday, the Unity laddies began to falter. At one point in the rather ragged proceedings the Northmounter were a scant one point behind the host club.

THE SCORERS

George Cochrane, the Melrose avenue tobogganist, topped the United Boys in the scoring department on Friday with 11 points, made up of five field goals and a free throw. Jack McKissock and John Reddon were next in line with 10 points apiece.

Teddy Rice, the UBC's starry guard, missed the Friday tussle due to business commitments. The big fellow is expected to be out for the rest of the playoff run.

Also missing on Friday was coach George Presho. Maurice Marriane, director of the Unity Club, filled in capably for the missing mentor.

Aley Morrison was the big gun for the losers, potting 25 points in the course of the Friday evening tussle.

UNITY LINEUP

D. Barnard 6, oCchrane 11, McGrail 8, Sutherland 6, McKissock 10, Reddon 10, Peterson 7, M. Barnard 2.

Unity Top Valleyfield Club 54-29

George Presho's Unity Boys Club cagers added another victory to their skein Saturday night when they downed the Merks of the Canadian Arsenal Ltd. at Valleyfield by a decisive 57-29 count.

The Unity aggregation, playing without many of their regulars, still had too much moxie for the host club and were never in serious trouble.

Trying to get in as much hoopla action as possible before they hang up their suits for the season, the Unity larrigans have been lining up a series of exhibition jousts. The Wheel Chair Wonders of the Canadian Paraplegics Association will be at the Unity Boys Club on March 31. The UBC'ers will have to play this one in wheelchairs.

There is a possibility that representative teams from the Ottawa Boys' Clubs will come to Montreal on Saturday, April 3 to participate in a home and home series with the Unity Club. The return games would be played at the Capital City on either April 10 or April 17.

Unity Cagers All Victors In Play

Unity Boys Club bantam, midget and juvenile basketball teams all registered victories this week playing regularly scheduled games in the Montreal Basketball League.

Bantams trounced Lions Boys Club 24-10, midgets edged Lions 31-30 and the juveniles beat Point St. Charles 39-33 to complete the clean sweep.

Teams are composed of:

Bantam — Keith Gavin, Kenneth Annable, Fred Simms, James McCourt, Rodney Wilson, Bobby Carter, Fred Wood, Kenneth Gibbons, Donald Laviolette and Anthony Lark.

Midget — John "Bugs" McDonough, Guy Adam, Stanley Penny, Oscar Katorsky, Louis Lafferty, George Alevissatos, Ronnie Williams, George Bird, Terry Gray and Kevin Lyng.

Juvenile — William Green, Ralph Whims, John Beaudoin, John Parris, Eugene Tabb, Mervyn Green and Carlton Palmas.

Intermediate — David Barnard, George Cochrane, Dick McGrall, Hugh Sutherland, Jack McKissock, John Reddon, Teddy Rice, Grant "Oscar" Peterson, Michael Barnard, Norman Gooding and Richard Hubbard.

With basketball schedules nearing completion, the gymnasium program has been altered to include gymnastics and volleyball. Monday night and will continue every Monday until further notice. Volleyball is starting tomorrow.

Play Resumes Tuesday In Municipal Basketball

The Municipal Intermediate Basketball League will resume the second half of the schedule Tuesday at Westmount Junior High School. All teams held practice sessions this week with the boys showing signs of fatigue after the winter layoff.

PLANS FOR THE British Empire Games take shape in Vancouver as Stanley V. Smith, general chairman of the Games committee, signs contract giving rights for radio, television and film coverage of the event to the CBC. Looking on (left to right) are Jack McCabe, CBC, co-ordinator for coverage of the games; W. H. Ralkes, chairman of the organization's finance committee; and Kenneth Caple, the CBC's regional representative in British Columbia. The Games get underway in Vancouver July 30.

MacRae and Royal Pharmacy Open Final Series Tomorrow

Playoffs will resume Saturday in the St. Laurent Intermediate Hockey League Saturday, after a week's layoff, with Royal Pharmacy and Westmount MacRae Electric meeting in the first game of the finals.

The winner of the best of three series will be presented with the Dr. Rondeau Medical Trophy.

The Druggists are fresh from two straight wins over the NDG Regents, whom they ousted in the semi finals two games to one. They dropped the opener 4-2, but came back to blank the Regents twice 4-0 and 6-0.

Westmount Defending Champs

They'll meet tough opposition in the Westmount crew, trophy winners for the past two seasons.

Last campaign the Regents disposed of Royal Pharmacy in the semi finals only to lose to Westmount Avenue Stars in the big series. This year the role is reversed, and Westmount carries the new handle of MacRae Electric.

Layoff May Hurt

There is little news from either camp, but both teams will be at full strength with Westmount ruling as slight favorites after their end of the season spurt. The week's layoff may also have served to cool off Royal Pharmacy, who were really sizzling in their final encounters.

Starting time is 2 p.m., with the NDG Regents and St. Laurent Laurels playing an exhibition match afterwards.

LADIES GOLF CLASS

The golf class has been cancelled for Monday, March 8 and will continue March 15. A golf movie will be shown prior to the instruction period.

LADIES' BADMINTON

A girls' badminton club is being formed by the Recreation Department. Roslyn School's fine new gym will be available for this group on Monday evenings. The club is open to Westmount residents. Call Rocky Rothwell or Johnny Garland at FI. 6975 to register.

Boys Now Drilling For Spring Show At Westmount Y

Perhaps the earliest sign of spring in Montreal is the arrival of the government ice-breakers. The earliest sign in Westmount though is the Spring Exhibition of the Physical Department of the Y.M.C.A. on Friday, March 26.

Already the gymnasium, club-rooms and corridors of this popular institution are resounding with the shouts and cries of the Priory Boys, rehearsing their drills and pyramids, Howard Fairbairn's rhythmic chant as his square dancers perform intricate evolutions, the clashing of foils and sabres in the Salle d'Armes presided over by Maitre Stephen Vamos.

Don LeClair's gymnasts are practicing timing their giant swings and turning flip-flops to music. The Weightlifters' Club with a couple of girls from the

Square Dance group will be responsible for the presentation of Westmount "Y"'s famous specialty, the series of tableaux of "Silver Statuary."

Reibel Doubles Lead

With the exception of Camille Henry of Rangers, Earl (Dutch) Reibel, Detroit Red Wings' center, had racked up more than twice as many points as any other rookie. Reibel had 54 points on the morning of February 25. Henry had 32, and Canadiens' Jean Beliveau was next with 22.

Unity Edges Point Cage, 41-39

One of the hardest fought contests in the Montreal Boys' Basketball Juvenile League was staged Friday night at the Unity Boys Club gymnasium when the visiting Point St. Charles Boy's Club squad were edged out, 41-38.

Pt. St. Charles led at the end of the half 24-19, but the score changed hands in the third quarter to 35-34 in favor of Unity and the final quarter saw the home team emerge victors.

Ralph Whimms with 17 and Billy Greene netting 13 were the high scorers for Unity. Tommy Girdle with 16 points and Burness 10 were the top men for the point.

Coached by Doug Mariasine, the Greene Avenue quintet had 19 free shots sinking 7 as against 2 out of 7 attempts by their rivals. Point St. Charles had 13 personals called against them and Unity came out of the battle with only 5.

Unity play their next two league games at home Friday night against East End Boys' Club at 7:30, and on Wednesday, March 10, they are scheduled to take on the Neighbourhood House aggregation with the game time set at 7 p.m.

Two Millionaire Sextets In Race; Hope To Expand

Through the Westmount Barbecue! Millionaires are out of contention for the city parks and playgrounds championship, in the junior C category, the midget and juvenile Moneyman are still very much in the running.

Having won the Municipal hockey league crowns, they now oppose Town of Mount Royal champs in the first round of the city playdowns.

The Millionaire organization is even now looking ahead to next season, when they hope to be able to expand to other categories.

Juveniles Come Up

Juveniles who seem destined to make the junior squad are Mario Chartrand, John Donaldson, Dick Dunbar, George Robillard, Grant Gill, Ron Ahearn, Frank Jago and Harry Seifert.

To fill these vacancies, Bob Anderson, Chris Carr, Bob Perry, Brian Kietstead and Brendan Guilfoyle will be coming up from the midget team.

Many Helped Club

A lot of people helped the Millionaires this season, among them: Rocky Rothwell and Johnny Garland, conveners of the Westmount parks and playgrounds, who took an interest in the organization and helped them out in every way possible;

Roger Bastien, convener of the Montreal parks and playgrounds; Marc Legeault, owner of the Westmount Barbecue, who sponsored the Junior C team and donated a free dinner;

Steinberg's Ltd., who sponsored the midget team;

Bruce Johnson and Gerry Snyder, who turned in a rush job on sweaters and stockings for the three teams;

Cliff Gill, Ritchie Bell and Grant Gill, coaches of the junior C, juvenile and midget teams respectively;

Dave Ross, who helped Cliff Gill with the junior squad, Bob Impey, who aided with the juveniles, Bruce Wilson, helpmate on the midgets;

Buddy Selby, who looked after the home rink at Staynor Park.

Skiing Package This Week-End

Scores of Montreal skiers were planning today to take advantage of the Canadian Pacific Railway's second skiing "package" of the season at the Chateau Frontenac in Quebec City this coming week-end.

Popular with novice and expert skiers alike, the all-expense ski week-end attracted some 125 ski enthusiasts from Montreal for the first special in January. The group going this weekend will leave Montreal at 7:10 Friday and get back to Windsor Station at 10:10 p.m. Sunday; with two full days of skiing near the Capital city.

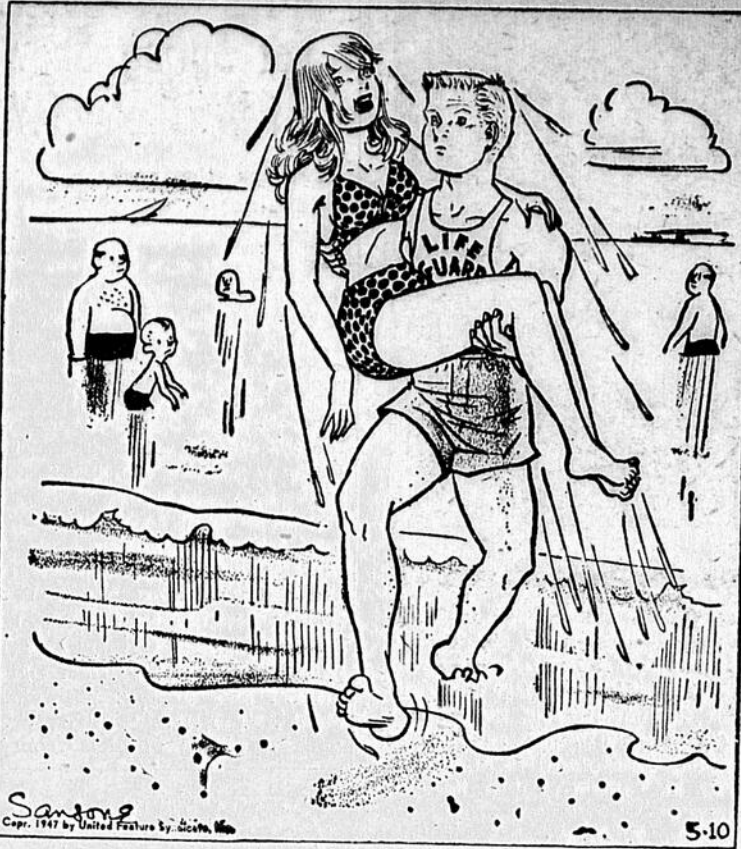

Primarily designed for the "budget-wise" skiers in and around Montreal, the "weekend package" includes rail transportation from Montreal to Quebec and return aboard the crack Canadian Pacific "Viger" train, transportation from Palais Station to the famed Chateau Frontenac, room, all meals as well as transportation to and from the ski slopes of nearby Lac Beauport.

Back at the hotel with all the comforts of home, the visiting skiers can make use of the Chateau's "Ski Hawk Club" as well as partake in other winter activities, including the mile-a-minute toboggan slide and the ice-skating rink on adjoining Dufferin Terrace.

Long Time Overdue

Jim Thomson, steady defenseman of the Toronto Maple Leafs, has played 195 games in regular scheduled National Hockey League play without scoring a goal. The last time he scored a goal was against the Rangers in New York on March 14, 1951.

Table Tennis Tournament

The Third Annual Unity Boys' Club Table Tennis Tournament was conducted at the Club Monday with the following clubs participating: Lions Boy's Club of Montreal, Kinsmen Boys' Club of Verdun, St. Andrews Youth Center and the Unity Boys' Club. Watch this column for the results next week.

Penny Carnival

On Monday, March 29, the Annual Penny Carnival will be held starting at 7 p.m. The theme for this year's Carnival is "Fun for the Whole Family" and both members and parents are cordially invited to attend. A teen-age committee has been set up to handle the organization and operation of the Carnival. Others who wish to assist are asked to report to Russell Skinner.

Hobby Show

Girls' Work Supervisor Elizabeth Anderson who is in charge of the Hobby Show preparations reports that all craft and hobby groups are busily engaged completing articles for display at the Annual Hobby Show which takes place on Friday, April 2.

Barn Dance

Plans are also underway to hold a Barn Dance as a fitting climax to National Boy's Club Week which will be held from March 29 to April 4. The Dance will be held on Saturday, April 3. Invitations are being prepared and will be

mailed to members and parents.

Bus Trip

Tickets are available for the second in a series of Bus Trips to Nowhere to take place on Friday, March 19. All teen-age members of the Club are urged to make their reservations early.

16th Straight Series

Detroit Red-Wings will take part in their 16th straight Stanley Cup playoffs later this month. No other N.H.L. team can match Detroit's record over the past 16 years.

CYCLING CARE

With the arrival of March a youngster's thoughts turn to longer days, clear sidewalks and cycling. But too many youngsters think their bicycles are ready to be used once they put air into the tires. But, that, says the Province of Quebec Safety League is not the case. Brakes need to be checked and this is important and should not be overlooked. Children planning to ride their bikes after dark should equip the bicycle with a light in front and a red reflector at the rear. Before you take off you should remember one more thing: the street is not reserved for the cyclist. Remember the motorist and be cautious. Sidewalks are for pedestrians and aren't racing tracks for bicycle drivers.

Mosienko To Be Honored

Bill Mosienko, one of the most colorful and gentlemanly players to ever perform in the National Hockey League, will be honored on March 19 at the Chicago Stadium when his many fans will honor him with a special "Bill Mosienko Night". Wee Willie has been with the Black Hawks since 1941-42 and has played all his National League hockey with the Hawks. He has scored more than 30 goals in a season and was winner of the Lady Byng Trophy in 1944-45.

First Time Out

The 1953-54 season will mark the first time in two decades that Sid Abel, coach of the Chicago Black Hawks, has missed taking part in playoff competition. This goes back to Abel's days as an outstanding amateur in Saskat-

onewan, 12 years with Detroit and two years in an Armed Services League with an R.C.A.F. team. Last season, his first as a coach, he piloted the Chicago Black Hawks into the Stanley Cup playoffs.

The Wolf and the Crane

A WOLF once got a bone stuck in his throat. So he went to a Crane and begged her to put her long bill down his throat and pull it out. "I'll make it worth your while," he added. The Crane did as she was asked, and got the bone out quite easily. The Wolf thanked her warmly, and was just turning away, when she cried, "What about that fee of mine?" "Well, what about it?" snapped the Wolf, baring his teeth as he spoke; "you can go about boasting that you once put your head into a Wolf's mouth and didn't get it bitten off. What more do you want?"

MORAL: Many a man who takes long chances has nothing to show for it afterwards. Isn't it wiser to put part of your salary, every pay day, into a savings account with The Canadian Bank of Commerce? Then you will really be able to laugh at the wolf of adversity.
