HOTEL

HOTEL IS THE STORY OF A PLACE AND ITS TRANSIENT TRAVELERS...

Cirque Éloize welcomes you into this timeless art deco hotel, a place where strangers of all walks of life meet. **HOTEL** is the story of a place ... but it is mainly a place full of stories.

This is the place where we mingle with strangers for a moment. From the Maître d'hôtel, overwhelmed by the events to the mischievous maid, to the devoted handyman and his inseparable dog, Carpette, the hotel's staff is like each of us, the privileged witnesses to the lives of colorful individuals.

Carried by the voice of a client on the top floor who comments, testifies and tells the story, meet the lovers who still do not know they are meant to be, these improbable travelers and this celebrity who goes out of her way to win her place to the firmament while revealing the depth of her being.

Enter the lobby doors of this grandiose place and discover with us the intricately woven story of these travelers!

This new series of shows has been launched and produced or co-produced by Place des Arts.

HOTEL is presented in co-production with *Les Spectacles Place des Arts* and co-presented by TOHU.

Place des Arts is proud to present HOTEL at Théâtre Maisonneuve, perfectly designed for presenting the art of movement. This partnership with Cirque Éloize and TOHU is helping to increase the presence of the circus in programming the largest cultural performing arts complex in Canada and to widely embrace all the performing arts in our theatres.

HOTEL has benefited from the Place des Arts residency and co-production program, and it's financially supported by the Place des Arts Foundation.

About PLACE DES ARTS and its Residency and Co-Productions Program

A multi-disciplinary cultural complex in the heart of Montreal, Place des Arts has six theaters and public spaces, seven rehearsal rooms for artists and creators, including resident artists, who perform there.

Through the residency and co-productions program, supported by the Place des Arts Foundation, performing artists benefit from strong support for research, experimentation and artistic creation.

By providing one of its many creative venues and supporting creators financially, Place des Arts actively contributes to the liveliness of Quebec's cultural milieu. Over the years, dozens of artists have benefited from the residencies and co-productions program. Whether it's a financial investment, the loan of a rehearsal space or a technical residency in a theatre, support is adapted to the needs of the creator.
