Verse

molto A boy and a girl, A Lau-ren-tian re-treat,
His arm steals a-round her, She doesn't seem to mind,
Viens, nous par-ti-rons pour la bel-le sai-son,

Moun-tains a--bove, A lake at their feet.
Here is ro-mance that's so hard to find,
Vers cet-te na-ture en-chan-te-resse.

The scent of the pines, The fresh dew on the ground
While na-ture's put-ting her chil-dren to sleep.
Qu'im-por-te le res-te puis-que nous a-vons.

What is this won-der they've found..
They're buil-ding mem'-ries to keep...
Noire a-mour com-me ri-chesse...

C'EST QUE JE T'AIME.
