Next week's weather

By ERIC NEAL

May 1 to 7

This transition week into true spring commences clear and mild, with morning rime frosts; showers in the Townships with some risk of thunder. Light flurries in the north. Temperature range 30-65°F, with 55 hours of sunshine during the week. Farewell to snow.

Sunny into mid-week but cooling for more cold mists or frosts, then some wind. Light snow in the north, storms for the east, then clearing generally.

Improving, bright and milder for the weekend, although with morning mists for some places. Trees in leaf. Fishing fair at dawn.

LOOKS GOOD: On a tour of Salvation Army centres in Montreal, members of the campaign committee for the Red Shield Appeal watch chef Nick Buhak of the Army's Rehabilitation Centre serve heaping plates of dinner for his customers. Shown with Nick are, left to right: Mrs. Gordon Copping, vice-chairman of Metropolitan Division; Mrs. Donald N. Byers,

chairman, women's special names; J. E. Reid, vice-chairman, commerce and industry; and W. T. G. Hackett, general chairman. Mrs. Copping, Mrs. Byers and Mr. Hackett are Westmount residents, and are lending active support to the appeal. The campaign runs from May 1 to May 15.

Unity Boys' Club

Annual hobby exhibition will wind up activities

By MAURICE MARIASINE

As a fitting climax to a busy season, the Unity Boys' Club will wind up their Fall, Winter and Spring activities on Friday night, May 20, when the Annual Hobby Show Exhibition takes place. Also scheduled is the Annual Variety Revue which will be provided by the Unity Boys' Club Talent Parade. Throughout the evening, the Ladies Auxiliary will be on hand to conduct their food sale.

Members, their parents and friends in the community are invited to attend. Come to the Unity Boys' Club for an interesting and entertaining evening — come and see what the boys and girls have accomplished in a constructive way throughout the past year. Enjoy a two-hour variety show featuring junior talent "at its best". Including in the cast are many singing and dancing stars who have achieved considerable success before local and international audiences. Many have won renown on radio and television. The entire cast recently received a standing ovation before an American audience.

The Unity Boys' Club Talent Parade is under the musical direction of Fred Johnston, choreography by Danny Smith, staging by Joan Amirault and produced by this reporter.

The Hobby Show Exhibition which is being made possible through the efforts of Unity's volunteer staff is under the supervision of Crystal Cunningham and will be open at 7 p.m.

Parents are also urged to support the Ladies Auxiliary food sale. Proceeds from this sale will be used for some worthwhile Unity project.

PROGRAM NOTES: Baseball time is here again: Unity's Little League baseball team "The Indians" welcomes back again as coach, Manny Barnoff. Manny has been with the team for several years and last year led the team to the American "B" pennant. The boys have been working out every Saturday morning for the past two months and will continue every Saturday until the league opening.

The seventh annual Unity Boys' Club track and field meet will

be held at the Verdun Stadium on Saturday, May 28. The meet will be under the supervision of Sandy Spence, noted McGill track star, who is currently conducting track sessions every Monday night at the Club. The meet is open to boys and girls from eight to 16 years of age inclusive with a special event for six and seven year-olds. Unity members who plan to participate may sign up now.

Registrations are now being taken for Camp Lewis. Boys eight to 15 years of age are eligible to go to camp. Camp Lewis opens June 30, and ends August 22. The camp is situated near St. Adolphe de Howard in the Laurentian mountains.

The Junior Dramatic Club under the direction of Miss Jean Rose is actively engaged rehearsing twice-weekly for a presentation later this year.

UNITY QUIZ CONTEST: The Unity Quiz Contest which began February 5, and extended for 10 weeks will be officially closed on tonight. Results are being tabulated and announced at the Hobby Show. Winners will receive their prizes at that time.

Obituaries

DR. I. Y. PATRICK

Funeral for Dr. Ivan Young Patrick, 69, 4459 Western, who died Thursday night, was held privately this week from the Chapel of Tees and Co.

Born in Halifax, he attended Dalhousie University and McGill University Medical School.

After graduation from McGill, Dr. Patrick entered the Royal Canadian Army Medical Corps, serving with them as Captain during the First World War. Upon returning to Montreal he completed his medical training and joined the Montreal General Hospital, specializing in obstetrics and gynaecology.

He joined the Royal Victoria Hospital in 1930 and when he retired from the active staff in 1952, he was a senior obstetrician and gynaecologist. In the same year, Dr. Patrick resigned as assistant professor in the field at McGill University.

Despite his retiring, Dr. Patrick kept up his private practice.

Dr. Patrick was a Fellow of the Royal College of Obstetricians and Gynaecologists, and a director of the Montreal General Semantics Society.

He is survived by his wife, the former Motie Munnis; a son, Donald; and a daughter, Mrs. John Cannon, of Long Island, N.Y.

H. R. PERRIGARD

Funeral service was held Tuesday from the chapel of D. A. Collins, for Harold Ross Perrigard, 418 Claremont, 69, ARCA, noted Canadian painter, who died suddenly Saturday.

Mr. Perrigard, who was born and educated in Montreal, has held exhibitions in many Canadian cities as well as in the U. S. and Europe. His work is represented in the National Gallery in Ottawa, in the

High school bands vie for honors at Ottawa

This year at the Ottawa Music Festival, the Westmount High Schools will be represented by two bands; the Westmount High School Band and the Westmount Junior High School Band. Three years ago the Westmount High School Band was the only band to make the journey from the Montreal area, and this year the Montreal district will be represented by some 10 bands.

The Westmount High School Band, under the leadership of Morley Calvert, placed third in their first year of competition, and the following year walked off with top honors in their class. Last year they placed second to the fine band from Ottawa Technical School.

This year, they are joined by the band from the Junior High School under Mr. Calvert's leadership, making its first appearance in competitions. This band will be entered in the "B" class, and both bands will be trying to top their respective classes.

The bands are comprised of the following players:

Westmount High School Band—Flute: Joanne Buckmaster, Cecilia Leslie, June Mack, Susan Sinclair; **Oboe:** Joan Maron, Derek Harris; **Clarinet:** Angela Stathatos, Nancy Hausner, Bradley Paterson, Betty Eaves, Bonnie Graul, Sharon Roth,

VERSATILE MATERIAL

Glass fiber, now one of the most versatile manufacturing materials, was unknown commercially until the 1930s. From it now are made air filters for furnaces; heat, cold and noise insulation; battery separators; insect screening and fine curtains and draperies. In combination with plastics, it is used in furniture, bathtubs, sports car bodies and luggage.

This Week in Westmount

King's will send delegates to provincial conference

By VALENTINA RAHR

Delegates representing home and school associations from all over Quebec will gather at the McGill University Physical Sciences Centre to take part in a conference sponsored by the Quebec Federation of Protestant Home and School Association on Friday May 6, and Saturday May 7. Each school is entitled to send three delegates.

Mrs. G. Churcher, Ingleside avenue, Mrs. R. G. Goddard, Burton avenue; and Mr. A. Aspler, will represent King's School. The program contains many important activities.

On Friday: resolutions, reports, workshops, discussion groups, leadership training, presidents report, address from the national president Mr. H. Simpson, followed by "Operation Bootstraps." This is an explanation of the educational system in the province of Quebec and how it directly affects parents and children. Mr. A. Haisly will

introduce the subject, and a skit will follow in which members of the executive committee will take part. A reception will close the evening.

The program for Saturday: workshops, luncheon at Royal Victoria College, where delegates will be grouped at tables according to the areas they represent, thus facilitating discussions; discussion of new constitution, election of new officers, treasurer's report, and annual committee reports. At 7 p.m., a banquet will be held at the Sheraton Mount Royal Hotel. Guest speaker will be Dr. David A. Thomson, vice-principal McGill University.

Presentation will be made of the Brazil Award to William Asherman, chairman of the citizenship committee, for outstanding work he has done. Exhibits will be: new national handbook, traffic safety book, new program manual, family living literature, and publicity.

Delegates will be asked to vote on resolutions covering: sale of fireworks, compulsory polio inoculation, centres to accommodate out of town students wishing to write examinations, school libraries, special programs for gifted school children, the raising of qualifications and salaries of teachers, and acquiring more male teachers in the teaching profession.

The Independent Art Association exhibition at Val David has terminated and winners of the three prizes are: Alice Kalnines for her entry "Roses"; Miss Patric Giles, "Wild Surf"; B. de Garthe for "Atlantic Spray". Prizes given: Picture Encyclopedia of Art by Praeger, large vase by L. Treimane, and art supplies.

The next interesting activity arranged by the members is a trip to the National Gallery in Ottawa, to take place on Satur-

WMA meeting is planned for May 10

The Westmount Municipal Association has announced they will hold their annual general meeting May 10 at 8:15 p.m. in the Concert Room of Victoria Hall. The meeting will be preceded by a short concert by students of the Westmount High Schools under the direction of Morley Calvert.

The principle item of business on the agenda will be the election of officers for the new year, as reported by a nominating committee, and the election of two members at large to serve on the Civic Nominating Committee.

One amendment to the association rules is on the agenda: "The executive shall have power at any time to appoint members of the executive to replace any who shall have ceased to hold office."

Westmount Mayor, J. C. Cushing, will give an address on the state of the City.

Another item of importance is the question and discussion period, which has always proved interesting at these general meetings.

In an effort to keep the meeting as brief as possible, in order to get the required business conducted, the association has ruled that questions and items for discussion must be submitted to the secretary treasurer, Mrs. G. Lyman Duff, no later than Friday, May 6.

Following the meeting, refreshments will be served.

Taxpayers to question St. Leo's building plan

The St. Leon de Westmount School Commission has posted notice that they intend to borrow \$350,000 from the Westmount branch of the Canadian National Bank to help pay for the \$575,000 additions and extensions to St. Leo's and St. Paul's Academies.

The money will be borrowed for a period of five years at an interest rate later to be decided.

The addition to St. Leo's will contain a new gymnasium and classes for a total cost of \$375,000. The addition to St. Paul's will amount to \$200,000.

SCHOOL CONDITIONS

The Parent-Teachers Association of the academies held a meeting Monday night at which Bill Wallace was elected the new president, replacing Frank Megan. Mr. Megan will remain active, taking over leadership of a rate-payers group of citizens who will go after improvements for the school, beyond the extensions and additions already planned.

"We are naturally pleased," Mr. Megan said, "with the work to be done, but we have certain questions to ask."

The PTA charged they were not consulted in the decision to spend the money. They feel the money would be put to more good use in renovating the existing building, especially St. Leo's.

The group said they had a private inspection made and found the school was below minimum standards.

"We are going to question this expenditure," Mr. Megan said. "We want to know what they are going to do about the existing part of the school."

No more free bulbs

City updates bylaws, can rent appliances

By LARRY McINNIS

How many Westmount residents realize they can have their 16 candlepower clear bulbs replaced if they burn out free by the City, according to Article 13 of By-law 146, a 1904 law still in existence? Not many people these days have such bulbs, and Council has come to realize it.

City Council Monday night gave first reading to a by-law which will change the 1904 by-law and bring it more in line with present day standards.

There are many minor changes to make in the by-law to update it, such as revising the estimated population figures from the 1904 figure of 20,000 to the 1960 figure of 35,000 persons, and calling Westmount a city rather than a town.

When finally approved, the article dealing with the replacement of clear lamps will be replaced with an entirely new article authorizing the City to "sell, lease or otherwise deal with or dispose of, to consumers of electricity within the limits of the city, lamps, appliances, motors, machines, heaters and other apparatus which may be operated by electricity."

Reading of the new by-law by Irving S. Backler brought a question from Alderman Drury: "Does this mean the City can rent hot water heaters and such, the same as is done by Quebec Hydro?"

And the answer is, yes!

Another part, section 10, is to be replaced with a lengthy paragraph on the requirements for wiring in newly constructed houses and other buildings.

The wiring responsibility belongs to the consumer, the new section states, and he must insulate and protect it, and provide for its future maintenance. City responsibility extends only to connecting the consumer's wiring with the electrical supply source, provided the consumer's wiring meets the approval of City inspectors.

The City inspectors may have power cut off from dwellings which do not meet specifications.

Mayor Cushing said the changes were just part of a series to bring old by-laws up-to-date.

WE SAY YOU SAY

Roland Bartlett story one of success, plus

AFTER 16 years as principal of Westmount High School, Roland Bartlett is retiring at the end of the school term to devote his full time to private business.

Mr. Bartlett, with typical modesty, does not say much about his private business, although it is an Horatio Alger story of the first degree.

Many years ago when Mr. Bartlett was teaching in some northerly mining communities, he became interested in the colorful characters who would bet their 'bottom dollar' that the undeveloped country held untold riches. As time wore on, and his interest increased, Mr. Bartlett did a little prospecting on his own.

And there the story really starts, but it would take volumes to tell. His expeditions were initially successful and he staked a claim. Success followed success until now he can show a long list of achievements in the mining and prospecting field, just as he can in the educational field.

And yet Mr. Bartlett is still modest about his accomplishments. He says he has always treated prospecting the same way other people treat golf or fishing — strictly as a hobby.

Mr. Bartlett has stated he will devote much of his time, now that he is retiring, to more expeditions in the field of prospecting and mining, and we feel confident his list of successes will grow proportionately to the time he spends on it.

While we wish Mr. Bartlett the best of luck in his "new" endeavors, we also wish his successor, Norman Wilson Wood, the best of luck in his new position as principal. In keeping with Westmount High tradition, he brings to the school a long and varied career in the educational field.

THEY SAY

The execution of the laws is more important than the making of them.

— Thomas Jefferson

Why should Council gather in secrecy?

Sir:—I would like to congratulate our high school band which played so well in St. James' United Church on Sunday evening a few weeks ago. Also I congratulate the City on the excellent Spring Flower Show, but most of all I congratulate the citizens of Westmount for winning the great victory of the service station battle against great odds, which illustrated once again the complete bankruptcy of the managerial concept of government whose operatives are cloaked in secrecy, usually according to the will of those who live above Cote St. Antoine road as illustrated by the obsolete wading pool and the selling-off of Selby and York Parks.

We reserve the mountain top for the birds and flowers and welcome those who live outside our boundaries to see our expensive flower show, but justify the selling-off of York by saying that N.D.G. children use it. They immediately move up the street into the already overcrowded Summerville Park and make a little hell of it. Surely N.D.G. children are as much value as birds and lilies. May the Great Judge never say of us, "Depart from me ye cursed, I never knew you".

Sure we need flowers, birds, fish, lily and duck and aesthetic pools, but we also need modern, creative, imaginative play centres NOW! and the swings should be up NOW! And we need drinking fountains, more park space where it is needed, modern wading pools, and a year round swimming pool attached to our high schools. NOW.

And we need our new high school plant available for City use on all off-school hours just as soon as it is built. How wonderful it would be. Why should we turn down our retired teacher's idea so abruptly?

We need slum clearance, and modern low-rental apartments for elderly people to cut down their overhead, and make their dreams come true, and we could do it with a 90% loan from the Federal Government.

We need a long-range overall water plan that all sections and groups of our city would be encouraged to help plan, not just a city manager and a privileged few. Increased real estate values alone would pay for all of these many times over.

Sure the citizens are apathetic, and for a good reason. We can beat the drum all we want

(Continued on page 17)

Wood named principal of Senior High School

The Supervisor of Course of Study for the Protestant School Board of Greater Montreal, Norman Winslow Wood, has been appointed principal of the Westmount Senior High School to take the place of Roland Bartlett, who has announced his retirement at the end of the current school year.

Mr. Bartlett joined the school as principal in 1944. In his letter of resignation, submitted to the Board early in March, he said he was retiring to devote more time to private business.

Mr. Wood was born in Chatham, N.B., in 1915, receiving his early education at the Aberdeen School in Moncton. He achieved his B.Sc. at the University of New Brunswick and his M.A. at Columbia University.

He brings a long list of teaching experience to the High School, where he taught from 1946 to 1948. He also taught at the Junior High School from 1943 to 1946. He has also been on the staff at Quebec City, Noranda, Sawyerville, Baron Byng High School and Montreal West High School.

Active in many professional associations, Mr. Wood is chairman of the Arithmetic and Science Committee, the Education Week Committee and the Visual Education Committee of the Provincial Association of Protestant Teachers. He also serves on the Convention Committee, Status of Teachers Committee and the Curriculum Committee.

Mr. Wood is active in many committees of the Canadian

N. W. WOOD

Teachers' Federation, and is president of Montreal West High School.

Although most of his time is taken up with his educational profession, he finds time to be an alderman of Dorval, secretary of the Quebec YMCA, director of the Victoria Curling Club, Quebec, a trustee of the Sillery School Board, examiner for the Department of Education, a member of the Montreal West Curling Club and St. Philip's Church in Montreal West.

Dawe made acting GM

Westmount City Council, with a "better late than never" attitude, Monday night approved a proposed redivision of lots at Redfern and St. Catherine to permit Reader's Digest to erect a two-storey office building on the site.

Construction of the building has already started, and complete sketches and plans were released early last week by Reader's Digest.

Alderman Ouimet, who introduced the motion, said the redivision had been approved by the General Committee at its meeting of April 4.

In a more up-to-date motion, Alderman Ouimet also proposed the redivision of lots on Grosvenor avenue, owned by J. M. Wredde, who plans to erect a detached dwelling on the site. The plans had been submitted, he said, to the Architectural Commission and found acceptable.

NEW GM

Alderman Common introduced a motion, which had not originally appeared on the agenda, asking for official approval of the appointment of Norman T. Dawe as Acting General Manager, effective April 14.

Mayor Cushing, speaking on the motion, addressed Mr. Dawe: "I feel sure I can speak for the entire Council in saying we hope to see you in service with the City for many years to come."

Mr. Dawe, who is replacing the recently retired Thomas J. J. Hughes, expressed his thanks for the confidence of Council in his new position.

Engineers, Sigs to hear talk on Army role

The Combined Officers' Mess of the 3rd Field Engineers and the 11th Signals Regiment will hear a talk on the Army's new role in National Survival, given by Major-General Arthur E. Wrinch, CBE, CD, at their annual Mess Dinner, to be held Saturday night at the Hillside Armoury in Westmount.

Maj.-Gen. Wrinch was born in Hazelton, B.C., in 1908, gaining his early education there. He attended the Royal Military College, Kingston, and is a graduate of Queen's University.

He began his military career in 1931 as a lieutenant in the Royal Canadian Corps of Signals at Camp Borden, where he became adjutant of the Signals Depot. Later he became District Signals Officer in Quebec City.

He went overseas in 1941, and in 1942 was appointed commanding officer as a lieutenant-colonel of the 1st Canadian Corps Signals. From July, 1943, to January, 1945, he was commanding officer of the 5th Canadian Armoured Divisional Signals in Italy. In January 1945 he was appointed Chief Signals Officer, HQ, 1st Canadian Corps.

Maj.-General Wrinch held various staff appointments in Canada and the U.S. until he went to the Imperial Defence College in early 1955. He assumed the appointment of Director General of Army Personnel in September, 1958, and was appointed Director General of Survival Operations in May, 1959.

He was promoted to the rank of Major-General and appointed Major-General Survival on September 1, 1959.

Although Maj.-Gen. Wrinch's background has been signals, his new post with national survival operations calls for close liaison with all units of the Army. The 3rd Field Engineers, who play an important role in survival operations, will take advantage of the Mess Dinner to celebrate their annual Corps reunion, and to invite all officers, serving or who have served, in the Corps of Royal Canadian Engineers, and all members of the Military Engineers Association of Canada, Montreal Branch, to attend the function.

WMA lists nominations for new committees

The Westmount Municipal Association has distributed the report of the nominating committee listing the proposed officers for the new executive, to take office after

their annual general meeting on May 10 at Victoria Hall.

The committee is made up of: Retiring president J. G. Harper; two immediate past presidents, F. W. Gross and A. O. Leslie; two non-officers of the executive, Crosby Lewis and Lyman Williams; four members from the association at large as elected at the December general meeting, Rev. Wm. Morris, John W. Kennedy, G. B. Puddicombe and D. B. Ross.

NEW EXECUTIVE

The list as submitted by the nominating committee: President, Geoffrey H. Merrill; vice-presidents, J. Murray Savage and Mrs. J. A. Hodgson.

Proposed for re-election: R. W. Coristine and A. S. Keator, who have served four terms; P. G. Edgell, W. P. Gall, A. L. Ham, G. H. Kohl, J. H. Richer and L. S. Webster, who have served three terms; J. C. Barry, Mrs. John Birks, Dr. L. Brunton, J. R. Herbert, Mrs. J. S. Howlett, M. O. Kirsch, J. A. Laing, Crosby Lewis, P. Martin, Mrs. J. Porteous, who have served two terms; R. M. Everson, J. A. Fuller, R. G. Gammell, R. L. Hunter, A. Janelle, Mrs. B. Job, Mrs. T. R. Meighen, A. M. Minnion, J. St. Pierre, J. Stairs, who have served one term.

This part of the slate calls for the re-election of 28 persons.

New members: Charles Aspler, Peter T. M. Barott, Peter Bronfman, Hugh C. Burritt, David M. Chenoweth, Martin D. Collier, Walter A. Eversfield, Mrs. J. A. D. Falkner, John B. Francis, R. G. Keefer, Harold Lande, Mrs. Helga Malloy, Mrs. Helena F. Reusing, Bruce S. Russel, John W. Sharp, W. John C. Stikeman, Frederick A. Tees, Abe Usher, A. Patrick Wickham, A. Iyle Williams, and Dr. Mary Winspear.

Council notes gas station closing hours

Mayor J. C. Cushing made it quite clear at Monday night's Council meeting, that an item read by Alderman C. H. Drury confirming the action taken by Acting General Manager Norman Dawe in regulating the gasoline station closing hours was not a motion, or a bylaw, but simply a matter of record.

"Oil company representatives and gasoline station operators in Westmount have reached agreement on gasoline station business hours," the item reads. "Both parties agreed that stations would be open for business after 7 a.m. and would not close later than 9 p.m. on Mondays to Saturdays inclusive."

No mention was made of Sunday hours. The operators have not been opening on Sunday since the agreement came into effect two weeks ago.

Alderman Drury said the notice was simply a reversion to the hours of operation in use before one station started remaining open until 11 p.m. nightly and on Sunday from noon until 7 p.m., thereby forcing the other operators to stay open in order to meet the competition.

I SAY!

Stolen bikes are recovered by residents

It pays to read your newspaper carefully, and Inspector Andy Lowson of the Westmount Police Department can testify to that fact.

Several weeks ago The Examiner published a warning to residents to keep their bicycles locked up when not in use, and advised them if they had already lost a bike to check with the police.

As a result of the article, several people examined the stock of bicycles at the Stanton street police station, and found their machines were actually there. In two cases the bikes had been stolen last Fall, and the owners had figured they would never be recovered. Since they were not registered, the police could not tell who owned them when they were picked up.

Inspector Lowson repeats his warning to keep bikes locked, and urges those who are unfortunate enough to have one stolen to check with police without delay.

Unity celebrates 10th anniversary

Some weeks ago, a committee of former members of the Unity Boys' Club met to make plans to celebrate the 10th anniversary of service to the youth of the community. Sylvia Rosvald, Mary Slaney, Douglas Brambell, and John C. McDonald arranged a grand reunion for those who were members in 1950 and in previous years. A banquet followed by entertainment by the Unity Boys' Talent Parade took place in the gymnasium Wednesday night in honor of the occasion.

The anniversary actually celebrated the 10th year of the existence of the present building on Greene avenue. But the Unity Boys' Club met at different places before that — temporarily at least — in Calvary Church basement, Queen's School, and Westminster Church.

Donald B. Ross introduced the head table guests to the assembly. Present were: Louis Thomas, well known to Unity since 1947 for his instruction in fretwork and Indian lore; Albert Boire, member, Westmount Rotary Club; D. T. Youngson, Unity Boys' Club and Westmount Rotary Club member; Mrs. Maurice Mariasine, volunteer worker since 1948 at Queen's school and Greene avenue; W. W. Allison,

president, Unity Boys' Club; W. G. Moxley, who became inspired with the idea of founding Unity Boys' Club back in 1945; C. A. Wylie, executive director; Frank Sharpe, president Rotary Club Westmount; Miss Madeleine Dalme, girls worker Unity 1950 and 1951; P. G. Delgado, Westmount Rotary; J. S. Cameron, former Mayor of Westmount; Maurice Mariasine, Club Director Unity Boys' Club.

A special message was received from the former Minister of Finance D. C. Abbott, now Justice of the Supreme Court of Canada, expressing his interest and best wishes for the continued success and good work at Unity. Mr. Abbott was present at the corner stone ceremony held in 1950.

Woman returns wallet, refuses a cash reward

Honesty pays, even if the payment is not reflected in the pocketbook.

Wednesday morning at Park Place and St. Catherine street west, the school guardian, Mrs. Thomas, noticed a man drop his wallet as he rushed by. She tried to call him, but he hurried away.

The wallet contained some valuable papers and \$81 in cash which Mrs. Thomas immediately turned over to police.

It was found the wallet belonged to Tommy Ford, 1220 Fort street. He expressed his thanks to both the police and Mrs. Thomas for the quick work in recovering the papers, wallet and money.

Mrs. Thomas refused any reward.

City calls bond sale bids May 2

Tenders have been called by City Council in accordance with three loan bylaws revised at their meeting of April 4 to provide for a more realistic sale of debentures. The amount involved is \$1,010,000, to be used mainly for the City's program of modernizing the lighting system.

A special meeting of Council has been called for 2 p.m. on May 2 to open the tenders, which were called for in the Quebec Official Gazette on April 16. Announcement of the successful tenderer will be made at 8 p.m. when Council holds its regular general session.

The special meeting has been called because it is expected tenderers will offer varying interest rates. The secretary-treasurer will telephone the Quebec Municipal Commission immediately after the meeting, and obtain a reply the same afternoon, with the Commission's recommendation as to which tender is the most advantageous to the city.

Bids will be subject to mathematical checks to verify the correctness of the tenders.

The secretary-treasurer will report at the general session, and the award to the successful tenderer will also be made at that time.

RETIREMENT PRESENTATION: Roslyn Home and School Association president W. G. Buchanan Tuesday night presented gifts to four retiring teachers: Miss Elsie Dewey, a teacher for 38 years; Miss Ruby Hair, 36 years; Mrs. Muriel

Robertson, 30 years; Miss Linda Lee, 35 years. Miss Lee and Miss Dewey actually retired last year, while Mrs. Robertson and Miss Hair will retire at the end of this school term.

City catches up

Daylight Saving Time official in Westmount

It is now official! Westmount is on Daylight Saving Time until October 30, after which they will revert to Standard Time.

The official motion was made by Alderman Frank B. Common at the Monday night meeting of City Council that Standard Time, four hours behind Greenwich Mean Time, be five hours behind from Midnight last Saturday until October 30, subject to the approval of the Minister of Municipal Affairs.

Mr. Common offered an explanation as to why Westmount was so far behind the other municipalities in making this decision: The secretary-treasurer received on April 19 a copy from the Montreal city clerk of a motion by Montreal Council on March 17, recommending the dates for Daylight Saving Time, and which was approved by the Minister on April 12.

At this time Westmount decided to act.

Regarding the smiles on the faces of the councillors, Mayor J. C. Cushing remarked, "I feel certain that no resident of Westmount failed to advance his clock last Saturday night."

ACTING MAYOR

Another item on the Council agenda was Alderman C. H. Drury appointed acting mayor for the months of June, July and August.

CLAIMS

Alderman Common introduced three accounts for approval of Council to the total of \$43, with the explanation that for some years the general manager has been authorized by Council to settle claims of minor accidents without referring individual cases to the Council, and that the three claims would bring the issue up-to-date.

Bell Telephone collected \$22 for an October, 1958 accident with a City vehicle; A. G. Robinson col-

Man injured in accident

A two car collision at the St. Catherine and Wood intersection Sunday afternoon saw Brian Ben Chin, a passenger in one of the vehicles, taken to the Montreal General Hospital for treatment to minor bruises.

The driver of the first car, Jimmy Ben Chin, 28, 2114 St. Catherine street west, was driving east on St. Catherine when he slowed down at Wood to make a right turn. His car was struck from behind by an auto driven by Zeweigman Saul, 47, 6255 Mountain Sights.

Damage to the cars was only slight.

Westmount Y

Second learn to swim campaign starts May 2

By the time this column reaches the public, the Hobby Show will be only a memory at Westmount Y. Many of our junior members will be sporting ribbons won in the different events, and all the rest will at least have happy memories!

A thousand thanks are due to the hard-working committee whose efforts made the show such an outstanding success: Judy Davis, president and chairman, Dave Developi and Sue Mackenzie, vice-chairmen and Heather McMartin, Maureen Atkin, Judy Bryant, Peter McCabe,

Alice Naismith, Frank Carpenter, Barbara Clarke, Suzanne Langlois, Doreen Connors, Peter MacGregor, Rod Holmes and Gail Marshall, who each worked on different aspects of the program.

In the gymnastics section 27 boys and 32 girls competed. First and second of the senior boys were Dodd Dixon and Ernie Smith and of the Senior Girls were Pat Foster and Anne Schoen. We especially noted Shirley Vickers, who brought a teddy bear nearly as big as herself by way of mascot, and Linda Walker, whose dad was once our physical director.

On May 2 we are starting the second course of our Learn-to-Swim Campaign for ages six to 12. A course takes about five weeks with two classes per week for each student. We usually teach from 200 to 250 in this campaign each year. If your heirs or descendants fall into this category, be sure to bring them in.

Of course adults are not neglected and no one who wishes to learn will be turned away. Special instruction is given to adults by John Ray, our physical director, on Mondays, Wednesdays and Thursdays between 6 and 7 p.m.

In our usual foresighted way (plug), we are already planning our Fall program. Volunteer leadership has always played a great part in YMCA affairs. Thus we are ready, willing and able to accept volunteer leaders in a number of different fields, such as swimming, photography, gymnastics, diving, square dancing, crafts, judo, Gra-Y, Jr. Hi-Y, Hi-Y clubs, etc.

Your reporter was present at the Provincial Gymnastics Championships which were held in Lachute on Saturday, April 23. Our champions are Ernest Smith, Quebec Junior Champion, Scott Rowell, Quebec Novice Champion and Dodd Dixon, who missed the Senior Championship by two-tenths of a point. Tough Luck, Dodd. Scott's brother Ken was also entered and did very well.

The Provincial Fencing Championships also took place last week. Hans Adlhoch won the B Class Epee and Herbert Obst won the B Class Sabre with Luigi Calderisi second. In the A Class Ladies Epee, our Maria Plus and Elizabeth Hullay placed 3rd and 4th respectively.

Hope

By
The Venerable
R. Kenneth Naylor, D.D.,
Rector, Trinity Memorial Church

Easter has come and gone — or may we rather say, Easter has returned and is still with us. For Easter does not go. Something happened at Easter which still effects us and will do so to the end of time. A man was expected in a cruel and shameful death. He was buried; and His enemies could say "That is the end of that trouble-maker." They were wrong; it was not the end, for He rose from the dead to confound all the politicians and schemers. The universe is of

such a nature that it could not tolerate His defeat.

We live in a troubled time, and there are times when we are inclined to give up the struggle. We live in times which should be exhilarating because of the mastery that man has achieved over the natural world. But the exhilaration fails when we realize that man has not achieved the mastery over himself; but is spending his energy in trying to secure the mastery over his fellow-men. It is a display of the same mind that brought our Lord to the Cross — and, therefore, another defeat.

It is at this point we stand still and review what happened. The cross seemed to be a defeat; in fact, it was the outstanding victory of history, and the Resurrection only proved the victory. The Cross was man's victory over self; the Resurrection was the ascent of God and Nature to that Victory.

If that is so, then no apparent defeat of righteousness can be a final defeat. And no temporary defeat can destroy men's hopes. For the world before the Resurrection could be described as a world without hope, but to the Christian hope is one of the three fundamental virtues.

CHRISTIAN SCIENCE

God's infinite, eternal mercy and goodness will be brought out at the services in all the Christian Science churches this Sunday, in the reading of the week's Lesson-Sermon on the subject "Everlasting Punishment". Relevant selections from the King James Bible will include this verse from Psalms: "Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plenteous redemption." Explanatory passages from the denomination text book "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include: "The pardon of divine mercy is the destruction of error."

Red Shield campaign starts drive Monday

Final details of Westmount's participation in the Salvation Army annual Red Shield Appeal have been completed and canvassers are ready to get the drive off with a push on Monday morning.

This year, residents of Westmount, who have always participated on a large scale in this campaign, are involved to an even greater extent. Apart from the work in this area which has been fully organized under Mrs. Gordon Copping of 803 Upper Belmont avenue, who is also vice-chairman of the Metropolitan Division, Westmount has provided many leaders for the overall committee.

W. T. G. Hackett of 448 Argyle avenue, is general chairman of the committee, with E. F. Griffin of 437 Mount Pleasant as vice-chairman of men's special names. Mrs. D. N. Byers of 618 Upper Belmont avenue is chairman of women's special names.

Mrs. Copping's committee, which has been actively recruiting canvassers during the past few weeks, has divided Westmount into districts under the following district chairmen: North, Mrs. W. L. Forester, 61 Summit Crescent; East, Mrs. C. H. Drury, 56 St. Sulpice road; west, Mrs. S. A. MacDonald, 697 Aberdeen avenue; Mrs. M. B. MacKenzie, 260 Cote St. Antoine road; Mrs. E. P. Rees, 540 Argyle avenue; Mrs. H. Tingley, 75 Rosemount Crescent; west, Mrs. D. H. Starkey, 465 Cote St. Antoine road.

The \$300,000 being sought represents only a small proportion of the total Salvation Army budget for this area where it operates 25 service centres.

Many of these departments, such as the Men's Hostel, the Women's Receiving Home, the Eventide home for the aged, and the Men's Rehabilitation Centre, work quietly without fanfare but are well known to Montrealers. Other departments doing equally important work are not so familiar.

For example, the Army operates a missing persons bureau which, in conjunction with Salvation Army centres in other

countries, works continually at re-uniting families, tracing lost relatives, and even providing proof of death required for the settling of an estate in some far off land.

The Army's labor bureau last year found temporary employment for more than 3,000 persons and placed more than 42 in permanent jobs.

The family welfare division in the past year provided benefits for more than 14,000 persons. Families were supplied with food, fuel, clothing, furniture and even in meeting the rent.

Some of the Army's most important work is done in the prisons and police courts where, last year, the department undertook to take charge of more than 2,000 prisoners. Visits were made to the families of men in prison who were assisted in many ways.

In addition to its many other welfare activities, the Army operates a fresh air camp at Lac L'Achigan, a youth centre in Point St. Charles, and an immigration bureau for the assistance of those arriving from overseas who are without friends or families in this country.

The campaign will continue for two weeks.

Theatre to give new performance

Hundreds of children sat and thrilled to the story of Aladdin and the Wonderful Lamp when presented last Saturday at Victoria Hall by the Children's Theatre. The show will be repeated next Saturday with a new cast performing.

The entire cast headed by David Smith, Jen Weinstein, Rita Fishman, David Light, Mary Patricia O'Boyle, Rickie Angen, Buddy Solloway, with fine supporting players, did a creditable job, and there was great excitement when the princess, Mary Patricia O'Boyle, made her grand entrance down the aisle in her golden litter with a procession of ladies-in-waiting and soldiers.

Emanu-el sanctuary dedicated

The usual Sabbath Eve service at Temple Emanu-El in Westmount last Friday night held a very special significance for members of the congregation. The occasion was the long-awaited Dedication of the new sanctuary and buildings of the temple.

The original house of worship was destroyed by fire and other buildings damaged Dec. 13, 1957.

Joining with the congregation in the colorful dedication service were clergy and laymen of Christian denominations in this city. Greetings were extended by Rev. Dr. Daniel M. Grant, chairman of the Montreal Presbytery of the United Church of Canada and minister of nearby St. Andrew's United Church, Westmount.

In addition to the Temple Choir and cantor, Miss Maureen Forrester and the choir of St. Andrew and St. Paul Presbyterian Church, under the direction of Phillips Motley, took part in the musical program of worship.

Guest preacher at the service was Rev. Dr. Julius Mark, senior rabbi, Temple Emanu-El, New York City. Following the dedicatory sermon, the new organ was dedicated in memory of members of the congregation who died in World Wars I and II. Rev. Dr. Harry J. Stern, temple rabbi, delivered the dedicatory remarks.

A reception was held immediately following the service in the new social auditorium.

Feed your dog sparingly before travelling, advises The Canadian Kennel Club. Dogs can disgorge at will and are likely to do so at the slightest discomfort if they are travelling on a full stomach. Better to feed at the end of a day's journey. If you are travelling late, a few dog biscuits will serve to keep the can-

MEMORABLE SEDER: On Monday evening, April 11 one of the largest of Congregational Seders took place. Dr. Stern conducted the Seder and was assisted by officers and leaders of the congregation. The musical responses were chanted by Cantor Staeren and the Temple Choir under the direction of Fred McLearn.

Shaar Hashomayim

Children's school will be started this September

PRE-SCHOOL REGISTRATION: Plans are now being formulated for the coming year of the Foundation School. The pre-school division of our educational system provides a program of activities suitable to the needs of very young children between the ages of 3 to 5. The kindergarten class follows the same curriculum prescribed for the public school system, in addition to Hebraic and religious values. Registration is now open, and parents of young children are urged to make inquiries now as the registration is limited. The school office will be pleased to discuss any details with interested parents.

Children must be three years of age as of September 1 for nursery school and five years of age as of September 30 to qualify for the kindergarten class.

BREAKFAST FORUM: The Men's Association of Shaar Hashomayim is pleased to extend a cordial invitation to the B'nai Mitzvah of the year 5720 and to their fathers, to attend the annual breakfast forum in honor of the Bar Mitzvah Boys of the year, on Sunday, May 8.

A Special Shaachris service will take place in the Beth Hamedrash (Chapel) at 9:15 a.m.; followed by breakfast in the community hall at 10 a.m.

Rabbi Wilfred Shuchat will deliver his traditional message to

the B'nai Mitzvah while Mr. Nathan Gaisin, president of the Association, will preside.

The Bar Mitzvah Book will be inscribed by the Guests of Honor, the recipients of Bar Mitzvah Pins.

YOUTH ACTIVITY PROGRAM: The youth clubs of Shaar Hashomayim will meet for the following functions during the closing term of their activities:

Sunday, May 1: A general program featuring an athletic personality, and film on Israeli sports and Maccabia (Jewish Olympics).

Sunday, May 8 at 7 p.m. the Abraham Ansel Levin Lodge fete the youth of Shaar Hashomayim at a dessert supper in the community hall. A program of Zion-

ist content, drama, song and dance featuring the dramatic group of young Judea dance groups will be presented.

The youth of Shaar Hashomayim are cordially invited to attend this evening as the guests of the Youth Club Council.

Sunday, May 15 the concluding event of the season for the youth of Shaar Hashomayim will take place in the form of a giant outdoor picnic and field day, at the outskirts of the city on the green.

Awards and recognition will be granted at the conclusion of the day. The proceedings will begin at 2 p.m., will conclude at 8 p.m.

This event has a two-fold significance; the marking of the closing of the clubs activity program and honor Lag B'Omer.

Not bread alone . . .

For those in trouble, The Salvation Army keeps an open door. In its hostels, havens, homes and hospitals, workers who understand the human heart know that bread alone is not enough.

While the body is cared for, the spirit is healed and uplifted by the message of hope. Men, women and children are "made whole", and shown the way to loving service of God and man.

In this work of mercy you can share. Your contribution will bring the glow of happiness to your heart.

MRS. JOHN E. CHRISTOFFERSEN

*Mrs. John E. Christoffersen
marks one hundredth birthday*

Mrs. John E. Christoffersen, who celebrated a century of living on April 25, is pictured here proudly holding in her hand two precious cables of congratulations from two reigning monarchs — Her Majesty Queen Elizabeth of England and King Olav of Norway. Prime Minister John Deifenbaker and Postmaster General William Hamilton sent letters of good wishes, as did also the Notre Dame de Grace Community Council, through its President, Mr. W. G. Macdonald. The City of Westmount, where Mrs. Christoffersen lived for many years and where she is still a property owner, sent one of the many baskets of flowers which arrived almost every hour of the day. The Notre Dame de Grace Women's Club and the Women's Auxiliary of the Catherine Booth Hospital, two organizations to which she formerly belonged, sent felicitations and flowers. The Lutheran Church of the Redeemer, where she is the member of longest-standing, honored her on this special occasion. Flowers, gifts, cards and telegrams came from many parts of Canada, the United States and Norway.

navian WCTU and a worker for the Fresh Air Fund for mothers and children.

When she first came to Montreal and saw the results of a smallpox epidemic, she was appalled to learn that vaccination against this disease was not compulsory here. She told a reporter friend about such laws in her native Norway. When this story appeared in the press, interest was aroused and eventually laws were passed here which brought about compulsory vaccination.

Although, Mrs. Christoffersen has impaired hearing and is becoming enfeebled, nevertheless, she is up and about everyday.

Mrs. Christoffersen, one of the oldest Norwegians living here, if not the oldest, was born Elise Christensen, 1884, she came from Oslo, Norway, with her mother, two sisters and a brother to join another brother, who had preceded them here. Four years later, she married John Christoffersen also from Norway. They had two children, a son, who died at an early age, and a daughter Martha, who is now Mrs. Sydney A. MacSween. Donald MacSween is a grandson. Her sister, Mrs. Robert Hoey, in her ninety-first year, joined in the birthday celebration.

As a young woman, Mrs. Christoffersen, was an active church worker, President of the Sandi-

The Collector's Choice for the month of May at the Montreal Museum of Fine Arts, sponsored by the Ladies' Committee will be two contemporary works from the collection of Gerard O. Beaulieu Esq.

A bronze sculpture "Cavalier" by Marino Marini and an oil painting "Terrasse Romane" by Massimo Campigli. Both artists started with the same influences, typically Roman, and their work strongly shows the Etruscan influence. Marini is particularly well-known for his horses and riders and Campigli was first a journalist in Paris, then changed to painting. He is considered one of the best contemporary Italian painters.

The monk, Dionysius Exiguus, was famous for having introduced the present custom of reckoning time by counting the years from the birth of Christ.

Mary's Day celebration

The annual Mary's Day Celebration of the Quebec Chapter of the Canadian Federation of Convent Alumnae will be held this year at the Social Centre of the University of Montreal, 2332 Maplewood avenue, on Saturday, May 7 at 3:15 p.m.

Mrs. K. J. MacKinnon, governor of the Quebec Chapter, assisted by Mrs. V. J. McDonald, vice-governor, and the presidents of the affiliated Alumnae, will receive the guests.

N.D.G. Club plans tour to Ottawa

The Notre Dame de Grace Women's Club has made arrangements to visit Ottawa on Thursday, May 19. A bus will leave the corner of Marcell avenue and Sherbrooke street promptly at 8 p.m.

It is planned to arrive in Ottawa in time to work in a tour of the tulip lined streets of the city and proceed to the Parliament Buildings for luncheon in the Parliamentary Restaurant.

Following lunch there will be a conducted tour of the Parliament Buildings prior to a meeting with the Member for Notre Dame de Grace, The Honorable Mr. William Hamilton, Postmaster General, after which the group will be taken to the Speaker's Parade and then on to the galleries for the question period.

Before returning to Montreal a tour of the National Gallery will be made.

As this trip is by reservation only it is suggested that interested parties get in touch with either Mrs. D. K. Gowans or Mrs. H. D. Bourne as early as possible.

"WIDOW'S WALK"

Along the coast of colonial New England, many sea captains added a cupola to their home roofs as well as a balustrade, which sometimes was called the "widow's walk".

African violet annual show

Mr. W. J. Tawse, well-known N.D.G. horticulturist, will officially open the annual show of the African Violet Society of greater Montreal on Friday afternoon at Wesley Church Hall.

The exhibits will be open to the public on Friday, April 29, from 3 p.m. to 9 p.m., and on Saturday, from 10 a.m. to 8.30 p.m. Admission is free.

There will be competition in thirty different color groups, including both single and double blooms. Expert hybridizing has resulted in many new shades, with brighter reds, double pinks, and more vivid bi-colors. Many of these will be shown in competition. Mrs. Merle Hardy, the African violet expert, will have on display over 100 new varieties.

African violets are the most popular houseplant grown today. Although many people have a green thumb in growing them, there are some who are not so fortunate. Free expert advice will be available at the show to answer your questions, and to help you grow better plants.

Mrs. A. J. Hood and Mrs. Gordon Small will pour tea for the specially invited guests, who include Mr. and Mrs. Nathan Steinberg, Mrs. Robert Adair, Dr. A. Blain, Mr. George Boland, Mr. and Mrs. Roy Campbell, Mrs. R. T. Gaunt, Mrs. Vance Johnson, Mr. Henry Teuscher, and Mrs. A. E. Walford.

MRS. JAMES DEMPSTER, newly elected president of the Ladies' Kennel Club of Canada, is shown above with her three Standard poodles. The dog show is on April 30 and May 1, at the Town of Mount Royal Skating Arena. The show is part of the Club's campaign to provide guide dogs for Canadian blind. Mrs. Dempster has been associated with the Club for more than 25 years and since 1947 is seriously interested in the breeding of poodles.

Spring

Though the trees are still budless and bare,
Cold winds, and dark clouds over-head,
I see, at my feet, a little blue flower,
Life's promise, — where all seemed dead.

After winter's long silence, and sleep,
Nature wakens, and waves her bright wand,
Thrilling still, as in centuries gone,
As she paints in bright colors, the land.

Westmount Baptist

Masons to hold annual service

Sunday evening

The Masonic District No. 2 will attend the evening service at Westmount Baptist Church in their annual church service. The minister, the Rev. Edgar Bailey, will preach on "The Wise Master Builder".

At the morning service, when Mr. Bailey will speak on "Faith for Tomorrow", there will be a celebration of the Lord's Supper and a reception of new members. The minister will also speak on the devotional programme "Triumph" at 8:35 a.m. on CFCE.

The Rev. Rubin Bonney, a member of the church and missionary to Bolivia, will speak at the mid-week meeting on Wednesday, May 11 at 8 p.m.

Library display features books from other lands

The Westmount Public Library has on display a small collection of children's books, not in the English language, which have won International prizes. The books are in the Adult Department, where they will remain until Wednesday, May 4.

A lifetime to live . . .

. . . thanks to a weekend in Quebec City! Read, in May Reader's Digest the story (by a noted Montreal lawyer) of an airplane being bombed over Quebec — and of the horror he escaped only because of his wife's whim.
 "Murder by Airplane" describes the blackest crime in Canada's aviation history, — from the first news report of the mass murder to the judge's final verdict: "Nothing escapes the justice of God". Get your May Reader's Digest today — 40 articles of lasting interest.

for the next municipal meeting but only a very few will bother to come. Why? Because they are really NOT WANTED. Then, if necessary, we will make a big production out of APATHY, ring our hands and weep crocodile tears and damn John Doe Public but at the same time reassuring ourselves that we are still in power and all is well. If this is not the case and we are really not hypocritical about apathy bred by secrecy then we will take positive steps to do something about it. Mr. Harper is to be congratulated on the important town meeting planned for the Fall.

But what about secrecy, Mr. Tucker? You said the platform of the Voters' Association was just like sin, which everyone was against. But what have you done since the election to eradicate secrecy? Where do you stand on York Park? Can't you do something to save it? What about the awful need of a comfort station in Selby for children who live in that area as compared to the supplying of a stupid wading pool above Cote St. Antoine for a comparative few children who spend much of the summer away No apartheid here!!!

What sort of a mumbo jumbo explanation can the new Public Relations Committee come up with to explain away SECRECY or will it continue its GOLDEN SILENCE on important matters?

We can't make men of mice overnight, or responsible citizens of 30,000 puppets. It took many years for the early Britons to learn how to govern themselves after the Romans left.

We have practically a one-party rule, with all its efficiency, secrecy, and many accompanying evils, and practically NO PUBLIC DEBATE.

Public Council Meetings that I have witnessed are not much more than ridiculous and hypocritical window dressing sessions. One of these more or less came out for the medieval toll system for the Metropolitan Blvd. which has plunged the

AS LOCAL AS YOUR NEWSPAPER

Its pages may carry news from around the world but you think of it as your local paper. And it is—reporting local events, identifying itself with local causes and the daily life of the community.

In much the same way, the branch of the chartered bank where you do your banking is a vital part of the local scene, serving local needs—serving you.

At the same time, however, the local branch is part of a larger, nationwide banking system. As such, it puts at your disposal knowledge, experience and resources that extend far beyond local horizons, linking your community with the rest of the world.

More and more fishermen enjoy life at its best!

There's a certain satisfaction in landing a big one; and a definite satisfaction in O'Keefe Ale. You know that this is how ale should be: refreshing, mild-tasting.

The mild taste of O'Keefe Ale is natural—brewed right in with costlier seedless hops. Try it once and you'll know what mildness means.

Change to O'Keefe — and enjoy life at its best.

Fusiliers lead ball playoff

Fusiliers Mont Royal are a step closer to the Military Fastball League championship after stunning Maisonneuve in the club's first game of a best-of-three finals.

Fusiliers walloped out 16 hits for a 14-5 victory behind the nine-hit pitching of Gaston Proulx. Next game in the series is set for Friday night at Fusiliers.

Maisonneuve pitchers Jacques Boileau and Claude Bastien were unable to stop the Fusiliers' bats from swatting out hits as the winners went about wrapping up the victory in sharp fashion.

Proulx was the main cog for the Fusiliers. He smashed four hits in five tries while limiting his opponents to nine hits in a rout-going mound performance. He received solid backing from his teammates who committed only two errors while Maisonneuve fielders were charged with four miscues.

Proulx's battery mate, Remi Lussier, also had a good night at the plate collecting three bingles in five trips.

Andre Lalonde and Boileau provided the spark for the losers although it wasn't enough to overcome the powerful Fusiliers.

Tennis permits being issued by the City of Westmount

City of Westmount Recreation Department are issuing Tennis Permits to Westmount residents at the Westmount Recreation Department Artificial Ice Rink, 4675 St. Catherine St. W.

In order to obtain a permit, proof of residence must be pro-

duced. A car license, bicycle license, Light Department receipt, house lease, school transportation pass, or a satisfactory official document will be accepted.

Roomers and boarders are required to show a letter from their landlady or landlord, stating that they live at the given address, as well as one of the above.

The Recreation Department office will issue permits 12 p.m. to 2 p.m. and 4 p.m. to 5 p.m., Monday through Friday. During the month of May, the office will remain open Wednesday evenings until 6:30 p.m. for those who cannot come during the day.

Westmount award night slated May 5

Quebec tennis '60 committees

The newly appointed council of the Province of Quebec Lawn Tennis Association appointed committees to handle the 1960 activities.

PQLTA president, Brendan Macken, will chair the Executive and Finance Committee, with Guy Dorval, Pierre Dessaulles and Ralph D. Linton.

Other committees named were: Tournament, Fred Carpenter, Pierre Dessaulles; Public Relations, Claude Murray; Inter-club, Andre Glen; Constitution and By-Laws, P. Dessaulles, Brendan Macken; Exhibition, Claude Murray, Moe Brenhouse, Gilles Ledoux; Ranking, Ellis Tarshis, Lionel Lemay; Junior Development Moe Brenhouse, Gilles Ledoux, Gerard Caron; White Ball, Guy Dorval, Brendan Macken and Ralph Linton.

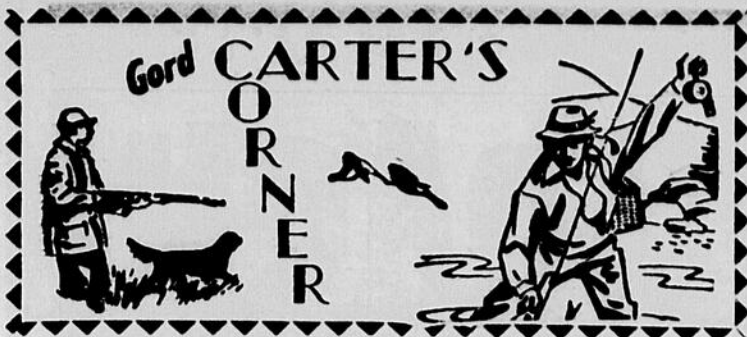

Dates for major tournaments will be announced. These will include Provincial championships slated for the Notre Dame de Grace tennis club and the Montreal Cup Tournament.

Mrs. Pluss places in foils event

Miss Louise Laliberte won the Provincial Ladies Foils Championship at Immaculate Conception Centre.

She went through 36 matches to beat out Laurette Campeau and Mrs. Maria Pluss of Westmount Y.M.C.A.

For her victory, Miss Laliberte was awarded the Bonne Waite Memorial trophy.

Angling is just around the corner. Welcome to the 1960 season. It gives me great pleasure to supply some of the know-how about fishing you might like reading in my column this coming season.

What's new for the 1960 season?

There have been some important changes in the Molson fishing contest. These changes include the addition of Atlantic salmon to the eligible species, the establishment of special categories for members of private clubs and outfitters, and the requirements that all entry forms be sworn to before a Justice of the Peace or a Commissioner of the Superior Court.

I had a long talk with Mr. Richmond Pelletier, Director of the Molson Fishing Tournament and he has at his finger tips all sorts of information in regards to places to go and fish, also has tried them out for himself. If you require any information do not hesitate to drop him a line, he will be only too pleased to help you. Write to Molson's Fishing Club 1555 Notre Dame street, east.

Congratulations to Gerry Snyder's on Queen Mary road. They have been made an official weigh-in center for any angler and his catch. A Board has been made to take a photo of the angler and his proud fish instantly in the store. He is also having a fishing contest for his customers.

Intermediate ball league meets May 3

An Intermediate Softball League is being formed by the Westmount Recreation Department. Four teams have signified their intention to participate.

A meeting will be held for team managers Tuesday, May 3, 7 p.m., at the Westmount Artificial Ice Rink, 4675 St. Catherine St. W.

The league will be restricted to residents of Westmount, however, teams will be allowed to carry three (3) non-residents.

Further information may be obtained by calling the Recreation Department, WE. 2-4293.

Entry forms may be picked up at the shop. Prizes will be awarded at the end of the season.

To enter any of these contests an angler must belong to a fishing club or an association to be eligible. So make sure you become a member of a club or an association of your own choice. In this way you will help our natural resources and conservation to keep the Province of Quebec a favorite choice among anglers.

Fishing Enterprises Reg'd has a new guide service operating in Montreal. For more information write to Larry Crooks, 4810 Victoria avenue or call HU. 8-2418 after 6.

Ice is completely out of Lake Memphremagog and the fishing is reported fairly good. Lakes up North have spots here and there of open water but by this coming week-end they should be all wide open for good angling.

The Monitor, this season will give you a weekly report on the best time of the day to fish and also the depth that they are found feeding at.
