Fire Frightens Campbells Bay

Great excitement was caused on Tuesday at Campbells Bay by a fire of undetermined origin in the shed behind Vibert's restaurant. Flames lept many feet in the air and the reflection could be seen all over town. Most people thought the Ottawa House was on fire, and fire trucks from Shawville, Fort Coulonge and New Calumet Mines were called to assist Campbell's Bay. However due to the fact that the fire began shortly after a heavy rain, and the speedy and efficient action of the Campbell's Bay Fire Department, the fire was soon under control. The public had just cause for alarm as the buildings in that particular area are mostly wooden frame buildings, and had it been a dry evening, with a breeze, the outcome might not have been so uneventful.

Ed Vaughan to Study For Anglican Ministry

The congregations of St. Albans, Parkman and St. George's, Portage du Fort met in the Upper School Room on Friday to make a presentation to Rev. Frank and Mrs. Burton and to Mr. Edward Vaughan.

Rev. Burton leaves on Aug. 14 to have holidays with his family in Montreal and New York USA and will be entering a University for special training in clinical work at Hartford, Conn., early in September.

Edward Vaughan will be leaving about the middle of Sept. to take special training at Bishops College, Lennoxville, Que. to prepare himself for the Ministry of the Anglican Church. Ed will be greatly missed in the congregation and work of St. Georges. He has held the office of Ministers Warden; Sec.-Treas. of the Church; Supt. of the Sunday School and filling in and assisting as Lay Reader whereever and when-ever he was called.

Mr. A. E. Lawrence of Shawville has been appointed in charge of St. George's Campbell's Bay; Moorehead, Parkman and Portage and he will officially take over his duties October 1. Until then we will be supplied with lay readers, Ed Vaughan and Wallace Sparling.

The evening was spent in games and the presentations took place following the refreshments served by the ladies of both parishes.

Ed spoke very fittingly of the support we have had from Rev. Burton and how the church will feel the loss. He extended the good wishes of the parish and hoped the Burtons would return to us sometime. Mrs. Mary McCallum, Pres., of the St. Georges Guild presented the purse.

Lorne Stewart called Ed to the floor and outlined his past assistance in the work of the church and expressed the feeling of the members that these vacancies would be hard to fill. He extended Ed the good wishes in the field he has chosen and that we are proud that a young man from this village is giving up his life to work of the church. Ed was touched and after extending his appreciation asked everyone to "Pray for him". Mrs. Lorne Stewart presented him with a purse from the congregation.

Mr. Orville Smart on behalf of St. Alban's Parkman, expressed their regrets at Mr. Burtons departure and felt it will be a great loss to the Parish and on behalf of the members presented him with a sum of money.

Rev. Burton expressed his thanks for their kindness and hospitality during the past 3½ years that he has been ministering among them.

How About That!

The fire at Campbell's Bay Tuesday night might well give people food for thought. Are we prepared in the event of a fire next door or in our own back shed or basement or attic? Do we take the necessary precautions to see that these things do not happen? We would do well to ask ourselves these questions.

Roly Wickens Station Wagon

As it now rests behind Anderson and Taylors Garage in Shawville, Roly Wickens' car is a sorry looking thing. What happenned was first a collision on the road to Ladysmith and then a fire in Shawville. Equity Photo

THE BEST OF EVERYTHING

Whenever one embarks upon a new enterprise one tries for the best and that's what Gord Archibald and company are aiming at in Pembroke with their new television station. Their audience is large and represents a very wide variety of interests, but a look at their proposed schedule shows they have something for everyone.

They'll be on the air on Channell 5 (which comes in very well throughout Pontiac County we are told) from five o'clock until after the feature film each night, starting August 19. The film start at 8:30 p.m. nightly and are followed by a late news report for the nightowls.

Children will enjoy Junior Roundup at five each day. Sportsmen can tune in around 6:20 for the day's results. Everyone will be interested in news and weather at six and the best TV drama available is on daily at 6:30 in Playhouse 90 and a wonderful line up of movies is scheduled for 8:30 each night.

Special attractions have been chosen from the CBC to especially suit the local viewer. These are Some of These Days, Singalong Jubilee, Jake and The Kid, The Superior Sex, Parade and Red River Jamboree.

We'd like to congratulate CHOV on their schedule and wish them good luck and a lot of support from local viewers. We also want to encourage our readers to let CHOV know they are watching. After all this is quite a big step up for the Ottawa Valley — to have our own local TV station — and to truly reflect the area in which they exist they must hear from us often. So keep in touch with them and they will find it easier to keep in touch with you.

THINGS HISTORICAL

Another congratulation must go to the people down St. Lawrence way who have organized the Upper Canada Village. Many of us from hereabouts have been down to see it and the Historical Socitty is hoping to organize a bus trip to take a lot more. The Village is a replica of what any Canadian Village was about a hundred years ago. It is so interesting and so well done that everyone, sooner or later, should see it. Every room in every house is a perfect replica of a century ago and people all over Canada have contributed family treasures to make it authentic. Even the vehicles on the roads are ancient horse drawn roadsters and delivery wagons.

We recommend it to everyone of every age, and especially the youngsters.

Grains of Sand

We are informed reliably that communication from the Prime Minister's office confirms his date to officially open the Shawville Fair, September 8th. Also today it has been announced that The Rt. Hon. J. G. Diefenbaker, P. C., Q. C. Prime Minister of Canada and John M. Argue of Shawville were named Honorary Presidents of the Progressive Conservative Association of the County of Potiac. Two ex-officio members of this body are Paul Martineau, M.P. and Ray Johnston, M.P.P.

You dont get much for nothing these days but sometimes it happens. F'rinstance —at the Ottawa Ex (once you have paid your admission) everything at the Bandshell is free for all to sit and watch. Mr. and Mrs. Ben Anderson of Youngstown, Ohio, were married in Shawville August 2, 1911. Their friends and relatives in this area wish them a happy golden anniversary Mrs. H. C. Brigger of Rexdale Ont. (the former Ella Hayes of Shawville) attended the anniversary.

—o—

Mr. Milton Donaldson, 87, has returned by train to Winlock, Washington, having spent a few weeks in the Shawville, Thorne Area, renewing acquaintances with old friends after an absence of 59 years.

While here he spent some time at the home of his niece, Mrs. Wilfred Bean, Shawville, called on the Milton McGuire's, Radford, the Sam Harris's and Jack McNeil's, Charteris and passed an interesting afternoon with Mr. Robert John Woods, his one time head trail-cutter of the Gillies shantying days. Mr. Donaldson was teamster 65 years ago. You should have been there, for not often is one lucky enough to hear such tales of adventure on the logging trails, rough and tumble fights, practical jokes, or ghost stories fit to make the hair stand on your head.

On his way home he visited his sister, Mrs. Sam Hewitt, Ottawa, who accompanied him to North Bay to call on their sister, Mrs. Albert Horner.

Profuse in his thanks to friends old and new for their kindness, Mr. Donaldson promised to return in three years, and in solid comfort — by air.

Letter To Editor

Auust 14th, 1961

The Editor, The Equity,
Shawville, Quebec.

Dear Sir:

Last week my family and I visited Upper Canada Village for a few hours, unfortunately due to a previous appointment our time was too limited to really do justice to the place.

We discussed the possibility of a visit to this very interesting plaie at the last meeting of the Pontiac Historical Society.

I believe this would be a very rewarding visit for our local society and would do much to stimulate interest in the presentation of our Pontiac History.

If a sufficient number of people are interested we could charter a bus for a day at Upper Canada Village. If you are interested please leave your name with Mr. Gordon Crouse or myself.

I can assure you that the visit would be very rewarding.

W. J. W. Hodgins
President, Pontiac Historical Society.

Farewell to Burtons

Poet's Corner

by "Cambrian"

The contribution of the Bronte family to English literature is immeasurable in value and at the present time Bronte societies and clubs are flourishing in the world's cultural centres. Charlotte, Emily and, to a lesser extent, Anne Bronte have given us such memorable works as "Jane Eyre", "Wuthering Heights", and "Agnes Grey", respectively. That small, isolated, windswept parsonage on the bleak and robust Yorkshire moors saw the birth of some of the finest novels ever to enrich our literature.

It is not generally known that the Bronte sisters first publishing venture was in the form of a volume of poetry under the aliases "Currer, Ellis and Acton Bell". The poems were highly commended by literary authorities of the day and were eventually re-published under the Bronte name.

Our selection is from that same volume of poetry and is generally believed to have been written by Anne Bronte.

"The Wounded Stag" (an extract)

Passing amid the deepest shade,
Of the wood's sombre heart,
Last night I saw a wounded deer,
Laid lonely and apart.
Pain trembled in his weary limbs,
Pain filled his patient eye,
Pain-crushed amid the shadowy fern,
His branchy crown did lie.
Did he feel what a man might feel,
Friend-left and sore distressed,
Strive in his mangled breast?
No! leave to Man his proper doom,
These are the pangs that rise,
Around the bed of state and gloom,
Did Pain's keen dart and Grief's sharp sting,
Where Adam's offspring dies!

Eardly Womans Institute

The August meeting of the Eardley Women's Institute was held at the home of Mrs. Sherwood Beattie. Mrs. Ken Campbell was joint hostess.

Mrs. Eric Watson, president of the Gatineau County Women's Institutes, two guests and 18 members were present.

Mrs. Joseph Kennedy the president opened the meeting with the singing of the Ode, followed by the Creed.

A few plans were discussed for the Fall Convention of the Gatineau Women's Institutes to be held at Hall No. 70 Eardley, October 12, 1961.

Mr. Eric Watson showed slides of their trip to Florida and Mrs. Watson commented on them. It was most entertaining.

Mrs. Frank Cornu thanked Mr. and Mrs. Watson for being so kind as to share her trip with us.

Mrs. Frank Cornu held a contest which Mrs. Cecil Faris won.

Mrs. Cecil Faris read two articles "What is a Home?" and "Leave the strain out of house work."

The members brought their articles for the Central Canada Exhibition.

The mystery prize donated by Mrs. Frank Cornu was won by Mrs. John Robinson.

The tea prize donated by Mrs. Joseph Kennedy was won by Mrs. Hector Dowe.

Mrs. Joseph Kennedy declared the meeting adjourned. Refreshments followed.

THIS GIRL IS SWINGING ON TWO NYLON CORDS

--just this size

Pretty Judy Cox and her graceful 109 lbs. swing through the air with the greatest of ease and safety on two tire cords like those in Canadian Tire's

DOUBLE-STRENGTH TWIN-PLY NYLON

In every 750/14 Super-Lastic Twin-Ply Nylon Tire there are 2168 similar cords—sufficient to support, with absolute safety, 1084 young ladies (59 tons of beauty at one time).

This is living proof that the DuPont Nylon cord in the NEW Super-Lastic TWIN-PLY tires by being TWICE AS BIG is TWICE AS STRONG as the tire cord used in conventional tires.

"SAVE SAFELY"

A NEW CONCEPT IN TIRE BUILDING . . . that gives the SOFTEST RIDE on any road . . . the COOLEST running Tire ever built!

- SO SAFE — that millions of miles of driving on over 100,000 of these tires in the past test year have not produced a single, solitary reported case of a blowout. Bruise damage caused by striking curbs, pot-holes and stones is shown to be a mere 1/100th of 1%.
- DOUBLE STRENGTH TWIN-PLY NYLON — contains by weight the same amount of finest DuPont Nylon Tire Cord, but by being twice as big, is twice as strong as the tire cord used in conventional tire building. This new method allows the production of a tire that is "ALL MUSCLE" — like a well-trained athlete, so completely flexible and ready to respond instantly to every call for action. Yes, flexibility is the secret of the success of the new Double-Strength Twin-Ply NYLON.
- DARE TO COMPARE — Examine this new Super-Lastic Double-Strength Twin-Ply NYLON tire — FEEL IT! You'll be amazed at the lightweight flexible resilience. Like a champion boxer, the Twin-Ply NYLON "rolls with the punch," that's why it soaks in and absorbs every variation in the road surface — resists heavy impacts that cause breaks and blowouts in the kind of tires you've been riding on.
- LONGER LIFE — Tire cords flex at every turn of the tire; in conventional cord tires this causes heat buildup — tires run hot and the hotter they run, the weaker they get. This "flex fatigue" is like over-burdening a strained heart, for the tire cord is the heart of the tire. Super-Lastic Double-Strength TWIN-PLY NYLON runs appreciably cooler — minimizes the damaging heat buildup that is a major cause of premature tire failure.
- SPEED SAFE — Super-Lastic Double-Strength TWIN-PLY NYLON TIRES have successfully proven capable of sustained high speeds, hour after hour; with sidewalls that are all but impervious to breaks, even from the most brutal impacts. The Full-Thick TREADS are the latest in tire design for traction and quiet running.

A FULL YEAR AHEAD OF THE NEW CAR MARKET

1962 cars will feature TWIN-PLY TIRES as original equipment. You can get these new, finer features NOW — but only at Canadian Tire.

- **SAVE SAFELY — From a service life angle, Super-Lastic Double-Strength Twin-Ply Nylon could command a much higher price; but in keeping with Canadian Tire's 40-year-old policy, the consumer price is our factory cost, plus a small, direct-selling profit margin. Investigate Super-Lastic Double-Strength Twin-Ply Nylon this week end . . . at CANADIAN TIRE. Road Hazard Insured, plus 5-year Guarantee.**

Shawville Blanks Bay

By Bruce Yemen

If you don't believe lightning can strike twice in the same place, just ask the Campbell's Bay Red Sox.

For the second time in less than two months, the Red Sox have been struck by Bryan Murray's own special brand of lightning — a no-hit no-run pitching display.

The 18-year-old Shawville righthander in a sparkling show of mound biiliance struck out 13 batters, walked three, and gave up not a single safe hit as his Tiger mates crushed Campbell's Bay 15-0 in their final Upper Ottawa Valley Baseball League game here Sunday.

Not one Red Sox Player reached third base against Murray. Only three made it to second. Wayne Chamberlain called the shots from behind the plate.

On June 25 in Campbell's Bay Murray racked up his first no-hitter as Shawville beat the Bay 9-0.

Tigers pounded three Red Sox pitchers for 15 hits and took advantage of several errors to pile up a big lead for Murray. Harv Smith rapped three hits including a double and drove in a pair of runs. Murray, Dave Ranger, and Bruce Yemen chipped in with a pair of RBI's.

The winners secored three in the first, four in the fourth, three in the fifth, and five runs in the eighth inning. Campbell's Bay pitchers were Elmer Belanger, Delacy Sloan, and Denis Therrien, who also shared catching duties with Belland.

On one occasion a Tiger struck out on a low pitch which eluded the catcher, took off for fist base, and landed safely on third after three errors had been committeed and two or three runs had scored.

It was a rough ending for a Red Sox rlub that had surprised everyone by making a strong run for the playoffs, only to falter in its last two games.

SIDELIGHTS: Ed Vaughan coached Shawville in the absence of holidaying Keith Horner . . . The weathe rwas cool and breezy, but no rain fell for a change . . . The game was run off quickly and efficiently with umpires John Stafford, Ozzie Cuthbertson, and Elwood Dale in command.

Mrs. Corrigan Reports To WI On Convention

27 members and 3 visitors attended the W. I. meeting which was held Monday Aug. 14th at the cottage of Mrs. C. E. Hodgins at Green Lake, 17 hostesses prepared buffet supper which began at 7 o'clock.

With the president Mrs. Reuben Smith presiding, meeting opened at 8:30 in the usual form. Treasurer reported a substantial bank balance. Letters of thanks were read from 2 members who had received potted plants during their recent stay in hospital. We were informed that we had received third prize with our display at Quyon Exhibition in June.

Bridge convener reported on present bridge marathon, not quite completed, also made a donation to CARE.

It was unanimously decide" to make our annual donation of $75.00 to the Village Cemetery Fund.

Mrs. Bob Carswell, Home Economics Convener received names of volunteers for donations of sandwiches, squares and also assistance at the W.I. Tea in the Hall at Shawville Exhibition.

Mrs. G. Paul and Mrs. L. Dale will assist with decorating the booth for W.I. display. Mrs. M. Hayes and Mrs. R. Smith will set up our exhibits.

Coulonge Downs Dow

Dow softball team played an exhibition game with Fort Coulonge and lost 7-4.

C. Sanscartier pitched a four hit game and Geo. Gagnon was catcher.

Dow started with M. L'Ecuyer and was replaced by R. Leblance in the fifth inning. Marcel Parent was catcher.

Shawville's Bert Murphy was balk in uniform after a bout with illness. Veteran outfielder Arnie Garrison was still sidelined by an ankle injury picked up the previous Sunday. The club is in good shape for the playoffs, which begin this Sunday at the fair grounds.

Fort Coulonge Defeats Vinton At Vinton

Fort Coulonge went to Vinton last Wednesday to play baseball and defeated the home town 20-4.

Clifford Romain started on the mound for Coulonge and pitched three perfect innings and George Gagnon went to finish and got the credit for the win. Muldo Francoeur was behind the plate.

Jackie Romain hit three doubles and batted in five runs.

Junior C. Soucie hit 3 for 4, 1 double; M. Francoeur hit 3 for 5, 1 double; Geo. Gagnon hit a home run and a single, 3 runs batted in.

Vinton team was short of regular catcher and ace Gerry Hearty.

And a note to the Quyon fans: Those "Astronauts" returned to earth long before they lost to your high-flying Flyers. The Tigers were well-grounded by Fort Coulong and Bryson. By the way, if Quyon "took the Tigers by the tail", it must have been done from behind. Now that's kind of sneaky, isn't it?

Missing Brother Found Dying

The funeral of the late Robt. Alfred Farrell was held on Saturday afternoon at 2:30 p.m. from the home of his parents Mr. and Mrs. Alfred Farrell to St. George's Anglican Church with Rev. Frank Burton conducting the burial service. Burial took place in the Portage du Fort Cemetery.

Robert A. Farrell was 31 yrs. of age, had received his education in the local schools and some 10 or 12 years ago had left his home to find employment in Western Ontario. He had travelled as far as Vancouver, B. C. It was some four years since he had visited his home and the family did not know of his where-abouts until the radio announced Tuesday that an unconscious man age 31 had been found lying under a railroad bridge near Leamington, Ont. The only identification was a paper bearing the name of Robt. Farrell. Immediately the family got in touch with police and through their description believed him to be their brother. The father and sons Jack, Kenneth, Carl and a brother-in-law Donald Malette left by motor to identify him at the hospital. He passed away the following morning after which an autopsy was held that revealed he had died of cerebral hemmorhage.

He leaves besides his parents, 3 brothers, Jack, Kenneth and Carl all of Portage du Fort and 3 sisters (Elva) Mrs. Joe Larocque of Portage du Fort, (Phylis) Mrs. Donald Malette of Pembroke and (Shirley) Mrs. George Dubeau of Campbell's Bay.

dish towels at the school cafeteria, it was suggested and decided that each member bring a towel to the next meeting for a "Dish Towel Shower".

All members were in favour of a suggestion made that in the future when members take cars to accommolate others on planned W.I. trips over 25 miles, that they be re-imbursed accordingly for expenses incurred.

Members paid an extra .50 each to help raise the County Funds.

Mrs. Lawson Corrigan gave an excellent report of the 4 day W.I. Convention at St. Anne de Bellevue, June 27-30. The president mentioned how proud our Institute was of the part played by our Honorary President Mrs. R. W. Hodgins on the final afternoon of the Convention. Mrs. Hodgins accepted these kind words graciously. Mrs. Mahlon Hayes gave an account of the July 12th picnic and tour to Almonte which included a visit to the mill of Kentail Collie Woollen Mill and the new Hospital.

Because some of the members had never seen the Assembled Quilt Block Book which was entered in the Tweedsmuir Competition, the program committee had it on display for everyone. The president remarked that Mrs. Keith Hodgins had donated the prizes for the last Canasta Marathon.

Meeting adjourned.

Military Funeral For Guardsman E. M. Angell

The body of Guardsman Edward Munden Angell was recovered from the Ottawa River after the deceased had been reported missing at Camp Petawawa for nearly two weeks.

The body was taken to the Ringrose funeral home in Campbell's Bay, and arrangements were made for the funeral to be held in St. Andrews United Church cemetery in Campbell's Bay on Wednesday afternoon, August 9th at 2:30.

The coffin was draped with the Union Jack and funeral procession was led by a Guard of Honour and the piping of Regimental Airs and the Larrent.

Officers of the Battalion were present including the Padre, the Rev. A. Martin who assisted in the service. Service was conducted by Rev. R. S. Smith of Quyon.

A cousin of the deceased was present, Guardsman Flood.

Guardsman Angell was 23 years of age. He leaves a mother Mrs. Blanche Angell to mourn his loss of Grand Falls, Newfoundland to whom we offer our sincere sympathy.

Accident Coorrection

In last week's collision near Ladysmith the injuries were not all sustained by Roly Wickens. We have been informed that Glenn Hodgins has suffered a very bad knee and also shock. We are given to understand that the reason his drivers permit was for Ontario is because Glenn has been working there and was on a visit here to help his brother build a new home when the accident occurred. This should clear up any false impressions gained from last week's information and we are sorry for any embarassment caused thereby.
