

**CANCER FIGHT CONTINUES:** Andrew Armstrong (centre) co-chairman of the Canadian Cancer Society Campaign, watches Dr. D. R. Webster, left, surgeon-in-chief, Royal Victoria Hospital, and Dr. S. C. Skoryna, project director of the department of experimental surgery at McGill, conduct tests to determine the presence of stomach cancer in gastric juices. This particular work is financed by the Canadian Cancer Society.

## Patience yields dividends in McGill cancer discovery

After five years of experimental work, two Westmount doctors of the McGill department of Experimental Surgery have developed a method of inducing cancer in the stomachs of rats. The Canadian Cancer Society revealed today.

Dr. D. R. Webster, 565 Roslyn avenue, surgeon-in-chief, Royal Victoria Hospital, and professor of surgery at McGill University, and Dr. S. C. Skoryna, 4459 Sherbrooke street west, project director of McGill's department of experimental surgery, have perfected a technique which makes possible new studies of stomach cancer that is responsible for 25 per cent of all cancer deaths in humans.

Research on the project was financed by the Canadian Cancer Society who are currently staging a campaign with a minimum goal in Montreal of \$300,000.

Research on stomach cancer, Dr. Skoryna explained, has been greatly handicapped in the past by the fact that it never occurs in the lower animals such as cats, dogs, rats and mice. Scientists were able to induce cancer of the skin and liver almost at will but up until now attempts to induce stomach cancer had been unsatisfactory.

"We've been working on this for more than five years," Dr. Skoryna explained. "We tried feeding carcinogens (cancer-causing substances), injecting them into the stomach walls, painting them on the stomach, injury and everything else under the sun. Nothing worked."

Two years ago the research team began experimenting with cotton threads soaked in a powerful carcinogen called Methylcholanthrene. These were implanted in the wall of the stomach and fixed there with sutures. Gradually they sank into the wall. After this was repeated three times with each rat eight percent of them developed stomach cancer.

This method of inducing tumors, Dr. Skoryna explains, will enable investigators to study the manner in which tumors de-

velop in the stomach, as well as factors that enhance stomach cancers — such as types of foods, drugs and other substances.

More important, the investigators will be able to test substances that inhibit tumor growth, and the effects of pre-cancerous lesions — such as stomach ulcers.

The effects of alcohol on the development of stomach cancer can also be studied Dr. Webster suggests. All that have been carried on so far indicate that alcohol is innocent of any involvement with stomach cancer.

## Collard, Theriault win letters awards

Two Westmounters have been announced among top winners in the 1958 Provincial Literary and Scientific Contest. Edgar Andrew Collard, Sherbrooke street west, editor-in-chief of the Montreal Gazette, and author Yves Theriault, Victoria avenue, have each received \$600 prizes.

"Canadian Yesterdays," by Collard shared first prize honors in the English section devoted to moral and political sciences with Marius Barbeau of Ottawa.

Yves Theriault was declared ex-aequo first prize winner for his book entitled "Agaguk."

## Rotary appoints 1959 executives

Harold F. Kerrigan, 5 Hudson avenue, Westmount, and Fred N. Dundas 359 Kindersley avenue, have been appointed president and vice-president respectively of the Montreal Rotary Club.

## Next week's weather

By ERIC NEAL

April 11 to 18

Bright and relatively warm to begin the week with flurries in the north and occasional showers in the south. Some mist or fog with frosty mornings. Temperature range nights 25, afternoons 50°F with 50 sunny hours this week.

Mainly sunny and cool mid-week then clouding for a little fluffy snow and freezing drizzle, glaze frosts and rain in the south. Local floods.

Improving generally but windy for the end of the week, with some frosts. Morning fishing fair.

## Fire threatens new sanctuary

Fire broke out Tuesday at 9:47 a.m. at the Temple Emanu-El, Sherbrooke and Wood avenue, when sparks from the oxy-acetylene torch of steel-worker Pierre Goulet ignited combustible material near the top of a temporary plywood wall.

Goulet was working on the steel frame of a new sanctuary, replacing the 50-year-old edifice which burned to the ground in December 1957.

The wall, extending three storeys from the ground, separates the east wing of the Temple from the central part of the building, now under construction. It was covered at the top with a tarpaulin apron, which was ablaze when Westmount firemen arrived on the scene after an unknown person rang the alarm at Wood and Sherbrooke.

The fire, which damaged several sheets of plywood on the wall, tarpaulins, and some wooden scaffolding, was under control by 9:55 a.m. Firefighters returned to the station at 11:37 a.m. Possible water damage to the assembly hall in the basement of the Temple was estimated.

## Figure skating, races ice carnival features

A gala ice carnival featuring two figure skating exhibitions, a mothers' and fathers race, and a costume parade, is scheduled to take place tomorrow, 1 p.m. to 5:30 p.m., at the Westmount Artificial Ice Rink.

Any citizen of Westmount is eligible for the costume parade or races, and post entries will be received if the person does not attend any of the Westmount Schools notified.

## Committee chairman cheered as 23rd Hobby Show ends

A large crowd gathered in the gymnasium of the Westmount YMCA Saturday evening to witness the closing ceremonies of the Westmount Boys and Girls 23rd Annual Hobby show, at which Mayor J. C. Cushing officiated.

Probably the most surprised and happy participant was Hobby Show committee chairman Sue Mackenzie, who was interrupted in her closing speech by a fellow committee member presenting her with a gift "paid for out of the pockets of everyone on the hobby show committee". Loud cheers and clapping accompanied the presentation.

Top winners of the show were Bruce Anderson, winner of the D. C. Abbot Cup for best exhibit; Ross Graham, who received the P. J. Usher Cup as senior aggregate winner; Gillian Naylor, who was awarded the George S. Marler Trophy as in-

termediate aggregate winner; and Richard Lamartine, junior aggregate winner who received the Frank B. Common Jr. Trophy.

After congratulating the committee for the time and work which went into the show, Mayor Cushing presented the new J. C. Cushing Cup for senior male athlete in the show. Marie Claire Lawson, who as senior woman athlete won the Edouard Charbonneau Trophy, collected the new trophy for Gilbert Larose who was in Lachute at a gymnasium demonstration. Junior male athlete of the show was Scott Rowell, junior woman athlete, Suzanne Gauvin. Special awards for athletics went to Don Guadagni, Mark Latour and Carolyn Tanner.

Best in the music and entertainment section was Robert Mayerovitch, special awards went to Mariana Strauss and Mary Copland. Photography winner was Lindsay Eberts.

Best in the collection department was Deborah Brakely, special winners, Tony Usher and Linda Waller. Penmanship and literature winner was Carol Freeman, specials to Ross Graham, Maureen James, Mariana Strauss and Harriet Feb.

Cathy Halpenny won the household science section, Penny Ramsey, Carol Sawyer and Nancy Jefferys won special awards. Gary Anderson won the crafts department prize, Susan Gold and Bill Foster specials in this section.

Best in the art category was Charles Douglas, with Vanessa Compton, Judith Adelman and Tommy Caplan winning specials. Owner of the winning pet was Barbara Damligh, and David Linnell and Suzanne Levan came in for special awards for their pets.

## SUBSCRIPTION SAGA:

Once upon a time there was a resident of Westmount. He had been receiving The Examiner free at his door for two decades. Every week, on Friday, when he went to the door, there it was. He read it avidly. He likes the local news and the pictures. He never missed a line of the sports events. He agreed with some of the editorials, others made him fighting mad. He once wrote a letter to the editor. To his surprise, it was printed, and a neighbor even commented on it as they sat smoking in the park one night. **THEN IT HAPPENED.** One Friday he picked up his copy of The Examiner to see a notice on the front page that shortly the paper was to cost five cents a copy. He could hardly believe it. Why, this broke a precedent! He had always received the paper free. So he did nothing about it. Now each Friday he goes to the door and there it is, still free. **NOW, here is the shocker: IF THIS FELLOW DOESN'T CALL HU. 1-2771 NOW FOR A SUBSCRIPTION, on Friday, May 1, his Examiner won't be there.**

**Unity travellers visit Canada, U.S.**

By MAURICE MARIASINE

During the past two weeks, for the next two weeks, and also early in June, members of the Unity Boys' Club, have and will further their historic and geographic knowledge in national and international exchange visits to Calgary, Alberta, Burlington, Vermont and Toronto, Ontario.

The week of March 30, our Senior Girls' basketball team participated in a Canadian basketball tournament at Calgary, Alberta, and although losing their two games with Vancouver and Saskatchewan, came back to Montreal richer with knowledge of Western culture and western hospitality plus memories of having visited many great Western landmarks, such as Banff and Lake Louise.

At home last week-end, Our Junior Hawkettes, although beaten in a two-game total point series for the Canadian title, provided hospitality and fellowship to the Toronto, St. Cecilia girls who were guests at a luncheon given in their honor. His Worship Mayor J. C. Cushing of Westmount officiated at the opening ceremonies at the start of the series.

The boys will have their day next Saturday, April 11. Some 40 boys, coaches, managers and Club officials will travel to Burlington, Vermont to participate in a basketball series with the Burlington Boys' Club. Three teams will represent the Club; the Bantams, Midgets and Juveniles.

During National Boys' Club Week, the following organizations were guests at Unity: Negro Community Centre, Point St. Charles Boys' Club, University Settlement, St. Lambert High School and the East End Boys' Club.

Just prior to this event, the Unity Senior boys competed with a number of outside organizations: Taurus Athletic Club, Yvan Coust Institute, Holy Cross Boys' Club and the Maisonneuve Club.

Guests during the 1958-59 basketball season included: Snowdon YMHA, St. Jean de Matha, Northmount High School, McGill University, Golden Knights Southwestern YMCA, St. Hubert, RCAF, Rosemount Boys' Club, Chambly County High School, Greenfield Park, Manoir N.D.G., East End Boys' Club, University Settlement, Lions Boy's Club, Tyndale House, Victoriatown Boys' Club, Aetna Factors, Mont St. Louis College, Lakeshore YMCA, and Toronto St. Cecilia.

**TALENT TRIP**

A trip to the United States still on tap, is the Talent Club's trip to Lake Placid New York on June 3. At that time the Unity Boys' Club Talent Parade will provide entertainment to some 900 Rotarians from all over the world at the Rotary International assembly.

Regular Talent Club rehearsals begin on Tuesday, April 14, at 6.30 p.m. All members of the group are asked to be on time next Tuesday. Choral singing will also be started with Mrs. Ruby Pearson as choir master. The choral group are planning to sing two Rotary songs at Lake Placid.

**CHECKER TOURNNEY**

Club Champions in the Midget Checker Tournament were Diane Atherton and Christopher Butler; in the Junior and Intermediate Checker Tournament, Noel Butler and Peter White-side.

Three clubs remain in the Unity Boys' Club Invitational Basketball Tournament. The Unity eagens meet Point St. Charles in the sudden death semi-final; the winners to meet St. Lambert in the finals. The East End Boys' Club, University Settlement and Negro Community were eliminated last week.

**E. PERCY ROBERTS**

Edward Percy Roberts, 702 Roslyn avenue, well-known importer and former athlete, died Sunday at his home in his 67th year. A funeral service was held from Dominion Douglas Church Tuesday.

A native of Cornwall, England, Mr. Roberts came to this country with his parents at the age of 15. He entered the fruit importing business as a youth, joining John T. McBride and Co. In 1924 he joined the Saxonia Fruit Preserving Co. Ltd. as a partner, becoming president in 1940.

A championship footballer in his youth, he played on the winning Grey Cup team in 1919, and later became coach for the junior and intermediate football teams of the MAAA.

He had been member of the Kiwanis Club of Montreal since 1921 and was among the founders of its Christmas Cheer Fund. During World War II, he acted as first chairman of the Kiwanis Air Cadets.

A member of Dominion Douglas Church, he served on the Board of Stewards and was a member of the Session. He was chairman of the committee for the church's benevolent fund, and a member of the music committee.

Mr. Roberts was a life member of the MAAA and the Seignior Club, the Engineer's Club of Montreal, and the Kanawaki Golf Club. He was a governor of the Julius Richardson Convalescent Hospital and a member of Mount Royal Lodge, AF and AM.

He is survived by his wife, the former Edna Jane Harrison; an aunt, Mrs. W. Wightman of England; and a cousin, John W. Wightman of Montreal West.

**High school stages Mikado with all — original production**

Donald Mackey, producer and musical director of Westmount High's presentation of "The Mikado", which closes tonight at St. Matthias parish hall, believes the current production to be one of the few today which is entirely original.

"Costumes and sets have been designed and executed especially for this production," says Mackey, who has been working on the musical end of the show since last fall. The bulk of the cast was drawn from the school Glee Club which began rehearsing the score for the three-night run seven months ago.

Stage manager Derek McLearnon with 18 assistants, and Janice MacLeod, wardrobe mistress, with her 19 seamstresses get credit for much of the hard work involved. The set itself was

designed by J. D. Lawley, vice-principal of the high school, and well-known Canadian artist, who also painted the backdrop.

"Over 100 people are involved in the production altogether," Mackey pointed out, "as well as 10 staff assistants, stage director Miss Dorothy King, accompanist John McKay and his assistant Margaret Boake."

Although the production is entirely original, the staging follows the D'Oyly Carte tradition, Mackey says. For this purpose, Mrs. Harry Norris of the Montreal West Operatic Society was called in as advisor.

The cast is as follows: the Mikado, Steve Lipper; Nanki-Poo, David Dinsmore; Ko-Ko, David Francis; Pooh-Bah, Steve Roth; Pish-Tush, Peter Haley; Yum-Yum, Isobel Marks; Pitti-Sing, Annette Hazan; Peep-Bo,

Bernda Fisker; Katisha, Anneleen Debrentani.

Chorus of school-girls: Jennifer Robinson, Chris Baum, Sylvia Vogan, Lynda Raff, Ruth Michelson, Pearl Mauer, Mary Harbert, Pamela Tait, Judy Davis, Joan Henderson, Frances Sommerfreund, Annabelle Thorne, Dorothy Gaul, Johanne Parkins, Carole Turkenik, Vicki Kornbluth, Beverley MacRae, Wendy Portnuff, Nancy Roberts, Joan Sadler.

Chorus of nobles: David Kirtledge, Eric Culley, Duncan Anderson, Stewart Davis, Tom Lewis, Michael Greenman, David Linnell, Michael Scott, Gary Anderson, Richard Chalk, Robert Deachman, Ron Parker, Frank Carpenter, Ross MacCormack, David Gibson, Robin MacLaurin, Claude Kazaks, Barry Reynolds, Paul Wisenthal, Bill Rayside.

Guards and attendants: Preston Thom, Chris Robb, Doug Rowland, Norman Burrows, Alan Ruddy.

THE FLOWERS THAT BLOOM IN THE SPRING: The three pretty flowers on the right may have provided artist Doug Lawley, left, vice-principal of Westmount High School, with inspiration for the Japanese-style backdrop he designed and executed for the current "Mikado" production. Fluttering their fans and eyelashes with true geisha charm are singers Annette Hazan (Pitti-Sing), Isobel Marks (Yum-Yum), and Brenda Fisker (Peep-Bo), who perform one of the most popular trios of The Gilbert and Sullivan operetta.

Lauds coverage of Lent series

Dear Sir:

On behalf of the Life and Lent services Committee, I would like to thank you for the space which you devoted in your paper to the announcement of our Lenten Services.

These Services have achieved a wide significance in the life of the West End of the city and this may be in some measure, at least, due to the very co-operative attitude of our newspapers in affording them publicity.

While 1960 seems far away at this present moment, we look forward once again next year to this happy co-operation of Church and Press.

LCC principal thanks paper

Sir: Thank you for the excellent coverage your Editor and Staff gave to the opening of the Baillie Science Wing recently. This was a historic occasion in the life of the school and all of us feel that you did it ample justice.

I would also like to express my appreciation to the lady who wrote my profile in a recent number of the Monitor and the Westmount Examiner. Many people have commented on it and members of my family all enjoyed reading it. Thank you very much.

D. S. Penton, Headmaster.

Don't abandon pets Bill Dunlop pleads

Dear Sir,

Through your kindness, I wish to beg all those who have dogs and cats and are going away for the Summer to either take them along and bring them back, and make sure they will be well looked after or turn them over to the SPCA, before leaving town. It is heartlessly cruel and disgraceful the way many people simply shut their houses and turn their former pets out to starve, while they go off to enjoy their holidays; it is useless to say the neighbours will look after these animals, they probably have their own or are going away also.

Unwanted animals may be brought to the SPCA, 5215 Namur street, between 8 a.m. and 9 p.m. Should it be impossible to bring animals to the Shelter, the SPCA will call on request. Please telephone a day or two in advance, if at all feasible. The SPCA does not board animals.

Thanking you for your co-operation,

W. N. Dunlop

Examiner profile:

He pilots TCA on upward flight

By CYNTHIA JONES

FAST-GROWING Trans-Canada Air Lines, with a gross revenue of more than \$100,000,000 in 1958, is the world's eighth largest airline in terms of passenger miles. TCA's president is handsome, soft-spoken Gordon Roy McGregor, OBE, DFC, a native Montrealer who lives in the West End.

In the past 12 years, since assuming the presidency, Mr. McGregor, famed commander of the famed Canadian fighter squadron 401 in World War II, has guided the company through financial straits to solid footing and pre-eminence in civil aviation. Only three other countries — United States, France and the United Kingdom — have larger airlines than TCA, which is more than twice the size of any other Canadian airline.

"The growth of TCA has been phenomenal," said Mr. McGregor during an interview at his home. "In August, 1958, we chalked up our highest monthly revenue ever at \$12,400,000, equalling the entire revenue for 1946. In other words the company's revenue increased 12-fold in 12 years."

Looking ahead

Mr. McGregor, brown-eyed and quiet-mannered, points with pride to TCA's leadership in the introduction of the most up-to-date service aircraft. "TCA ordered Vickers turbine-powered Viscounts in 1952 and put the first 12 in service in the spring of 1955, becoming the first airline in North America to operate a scheduled service of turbine-powered aircraft," he said. "The company ordered four Douglas DC 8s to be powered with Rolls Royce Conway, full-jet, by-pass engines in the spring of 1956. At the same time we took an option on two more DC 8s, an option which has been translated to a confirmed order. These six will go into long-range service with TCA in 1960.

"In the early fall of 1956 TCA ordered 20 Vickers Vanguard turbine-propelled aircraft to be powered by Rolls Royce Tyne engines. These will go into service in the spring of 1961 at which time TCA's fleet will be all four-engined, all turbine-powered and, it is believed, will be the first airline in the world to achieve this status."

With the inauguration of the Douglas DC 8s next spring flying time to London will be cut from 12 hours to six hours and 10 minutes. Aircraft accommodation will be 120 passengers compared to the present number of 62. (After the war TCA carried on the transatlantic air service initiated by the government as an airmail service to the troops and the Lancaster ex-bombers transported only 10 passengers).

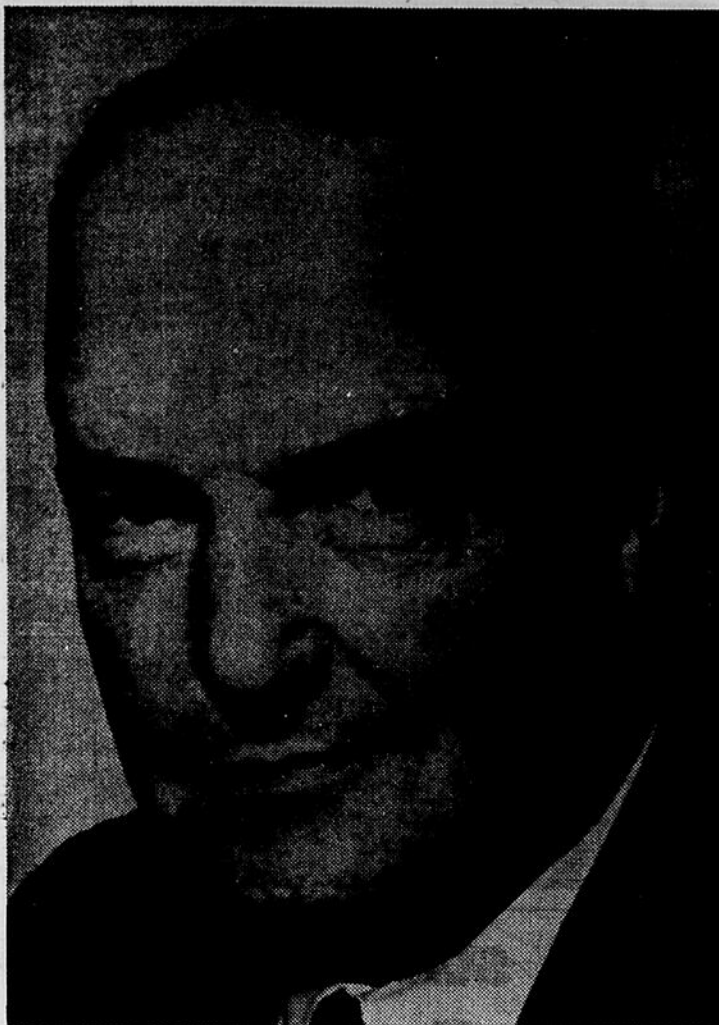

Evidence that Canadians are on the move and demand more and more air transportation is the fact that TCA is inaugurating a new air service to Austria next May. Austria will be the fifth European country to be serviced by TCA during Mr. McGregor's

regime as president, the other countries being France, Belgium, Switzerland and Germany.

Foresees peak

Mr. McGregor anticipates a peak year in overseas air travel. "TCA bookings to Europe

including two overseas trips, Mr. McGregor still has to see Asia, Australia, New Zealand, India, Russia and several countries in South America. "I haven't gone round the world but I hope to," he said. "I got my Russian visa last year but had to scrub my trip because of urgent business. I have been to most of the West Indian islands, the ma-

GORDON ROY MCGREGOR

have trebled or quadrupled in the past five years," he said. "We expect the statistics will be 20 per cent higher this year than last year's peak. We estimate that 32,000 Canadians will fly by TCA to Europe during the busy 16-week period. Oddly enough the war engendered this air travel. The people who were over there for the war want to go back to renew acquaintanceships. Of course, there are the inter-marriages and the children must be shown off to grandparents and relatives."

The TCA president said that having four different overseas fares — deluxe (one way \$471, return \$848) first class (one way \$421, return \$758) tourist and economy (\$247 one way, \$445 return) is "idiotic." As there was little difference between tourist and economy, tourist had been discontinued as of April 1. "Eventually we'll probably have only two classes — a cross between deluxe and first class and economy," Mr. McGregor said.

While there is an interest in the Far East, in Tokyo, there is nothing like the volume of travellers going in that direction.

Asked what he thought of women flying the 100-minute trip to New York to have their hair done, he said he was delighted to hear it but he wouldn't like to be the husband who paid the bill. "People do fly to New York to see hockey games and the shows," he remarked.

Mr. McGregor has just returned from a European trip. He travels to Austria and Tokyo for the first time next year. Travelling on an average of 40,000 miles a year,

majority of European countries with the exception of Greece and Portugal."

Sixty hops

He has flown the Atlantic about 60 times since the end of the war. During the war he crossed twice by boat, once in convoy. As flying is his hobby, Mr. McGregor gets a kick out of piloting his executives about the country for business meetings. "A few years ago we did a Western and an Eastern tour and I took the controls," he said. "Only trouble with that is, it takes too many of the administration away at the same time."

The only child of the late Dr. T. B. McGregor, a dentist who died in 1932, and Mrs. McGregor who died in 1947, the TCA president was educated at Montreal High School, St. Andrew's College, Toronto, and McGill University. In 1922, at the age of 20, he took a summer construction job on the Montreal Aqueduct.

The next year Mr. McGregor joined the engineering department of the Bell Telephone Company. In 1929 he was transferred to the administrative side, served in Kingston and Ottawa, and at war's beginning when he went on active service, he was district manager here.

Mr. McGregor had been a pilot for seven years when he joined in 1933 No. 115 auxiliary squadron which was amalgamated with No. 1 squadron of the permanent force and went overseas as No. 1 squadron. When the Canadian squadrons were reorganized in (Continued on Page 17)

## Blood drive set April 30

An active group of Westmounters who, this time last year, were asking for the citizens' votes are now out for their blood.

Executive members of the Westmount-St. Antoine Young Progressive Conservatives met Monday evening at the Red Cross Blood Donor Clinic to discuss plans for the first Westmount blood drive, to be held Thursday, April 30, 3 p.m. to 9.30 p.m.

Under the chairmanship of Brian Gallery, 283 Clarke ave-

nue, the group are aiming for a minimum of 300 pints which have been promised to the Red Cross.

"Officials of the Red Cross clinic have emphasized that the shortage of blood is acute at this time," said spokesman Gerry McRae, "and they have expressed gratitude to the group for undertaking such an ambitious program."

Celebrities are being asked to lend their support to the drive, with Red O'Quinn heading the

list to date. Westmount-St. Antoine MP, A. Ross Webster, will be on hand to donate a pint of his own blood.

The committee plans to have door prizes, entertainment, and refreshment. "We'll have a TV set in case anyone is afraid of missing his favorite program; music, and even hope to have radio programs originating from the clinic during the drive," said McRae.

"A car pool has been organized to transport donors to the clinic and back," he concluded, "and as an incentive to housewives to arrive early, a special prize is being offered to the first group of ladies at the clinic."

## Wake up and read, Canadians, urges Westmount Library head

Canadians are ignoring treasures which are theirs for the reaching, according to officials of the first Canadian Library Week, April 12 to 18. The task of making Montrealers "Wake up and read" (the Library Week slogan) falls to Miss Kathleen Jenkins, chief librarian of the Westmount Public Library.

All of English speaking Montreal is the target of Miss Jenkins and Miss Grimson of the Mechanic's Institute Library.

"Plans are already underway," says the Westmount chief librarian. "CBC's 'Critically Speaking' will feature author Hugh MacLennan on April 12; Edgar Andrew Collard and Walter O'Hearn, prominent Montreal newspapermen, are supporting Canadian Library Week plans; and Prime Minister Diefenbaker will appear on television in connection with the Week."

The Week's sponsors - the Canadian Library Association, Book Publishers' Association, and La Société des Éditeurs Canadiens des Livres Français - in a sport survey of homes found that Canadians as readers rank far below all other western nations except the United States. The most recent Gallup Poll on reading habits showed that 32 per cent of those surveyed had not read a book in a full year or more! "This is a shocking record,"

says Canadian Library Week Council chairman Dr. J. R. Kidd, National Director of the Canadian Association for Adult Education. "Sir William Ooster used to say that 'money invested in a library gives much better returns than mining stock'. Naturally we know Canadians spend money on things other than books and libraries, but our aim is to improve the lamentable situation of reading in Canada with an active 'Wake up and read' campaign."

In explaining the aims of the first Canadian Library Week, the Executive Committee issued the following statement:

"We want to heighten the national interest in reading, and shorten the step from curiosity to conduct - to encourage people to visit a library, bookshop, or newstand. That step may be short, but it can lead to new frontiers for millions. The reading habits of a nation cannot be changed overnight or in one week. What we can do is open a door for many who do not know it is there, or what tantalizing rooms lie beyond."

"We want to remind Canadians what the printed word means to free men in a free society. We want to stimulate more Canadians to open their minds. We want to reveal to Canadians some of the treasures which are theirs for the reaching."

## Westmount Park alumni to preach

Anniversary services will be held Sunday in Westmount Park-Emmanuel Church with two former Sunday School scholars, Donald Bardwell and Bruce Cunningham as guest preachers.

Rev. Donald Bardwell, BA, BD of Ottawa, will preach in the morning and will be assisted in the service by Rev. Bruce Cunningham. In the evening at 7.30,

Rev. Bruce Cunningham BSc, held in Webster Memorial Hall BD of Toronto, will preach and at 6 p.m. to which friends are being assisted in the service by Donald and Bruce and their wives, informally. A reception and tea will be held.

**JEANNINE BEAUBIEN**, Grosvenor avenue, shapely founder of La Poudrière, Montreal's international theatre on St. Helen's Island, has made one more of her dreams come true. With a long range plan to present plays in the languages of the different ethnic groups contained in Montreal, she has come up with another success.

"The Beaver Coat", a story about a washerwoman in the country near Berlin at the turn of the century, is one of the most popular German comedies of the year in its English translation. It was presented last fall in its original German version. Manitoba born Louis Turenne, who directs this production has played at North Hatley Playhouse, MRT, with Everyman Players and the Lachine Civic Theatre. He also has extensive training in radio and television production.

For a better read, better informed Canada is one of the aims of Canadian Library Week, which has become a necessity for our country. The printed word, the very basis of education has assumed new importance. Canadian Library Week, sponsored by Miss Kathleen Jenkins of the Westmount Library, together with Miss Grimson of the Mechanics Library, will take place April 12 to 18. Libraries, publishing houses, and other interested parties will try to make Canadians snap out of lethargic reading habits. With one book store

to every 18,125 people in Canada, our country ranks fourteenth among the world's nations in book shops per capita. A famous editor once wrote: "Canada has the money — but would rather spend it on whiskey than on books."

Miss Alice Lighthall, Metcalfe avenue, has accepted the presidency of the Women's Art Association of the Montreal Museum of Fine Arts.

Westmount Rotary Club heard J. E. Cavanagh, vice-president of Premium Iron Ore Co. Ltd. here recently to express his views and experiences during two visits to Russia. He has been a guest of Russian scientists in Russia, and finds that: "Some Russian steel plants are good and outperform North American equipment. But we could do exactly as they do and we did in the last war. If we were to run our furnaces as hard as we could, we could get the same results. But it would cost us too much for us to do." Mr. Cavanagh found Russian engineers "Almost desperate to talk to people in their own line. They get very little impartial criticism of their plants and plans."

Billy McKay, 14, of St. Leo's School, won a first in the essays division of the final concert of the season of the Young People's Concerts given by the Montreal Symphony Orchestra in Montreal High Auditorium with Dr. Wilfred Pelletier conducting. Prizes were appropriately long playing classical records. A special prize was given to John McKay, 19, piano soloist, as one of three contestants signalled out for outstanding talent.

Newest addition to the local scene at Westmount High School is a big placard outside the building reminding the public of the date of the production of "The Mikado" on April 8, 9, and 10, by the students.

Rev. Angus De Mille Cameron, Grosvenor avenue, is suffering from hepatitis (more familiarly known as yellow jaundice), which came shortly after his announcement to resign from the pulpit at the Church of the Messiah. Members of the congregation are hoping that he will be fully recovered by April 21, when a send-off party is being planned.

"A smile is the quickest cure for tension" says Marion McCormick, St. Catherine street

## Blood clinic set for JGH

An urgent call for blood has been made by Mrs. L. I. Frohlich, chairman of this year's Red Cross Blood Donor Clinic at the Jewish General Hospital, which will be held on Tuesday, April 14, from 2 pm to 5.30 pm, and from 7 pm until 10 pm.

The clinic, sponsored by the Women's Auxiliary of the hospital, will be highlighted by the appearances of Red O'Quinn, Ted Elsbey, Mike Kovac and Bill Bewley — members of the Alouette Football Team. Valuable prizes, including an expense-paid weekend at a Laurentian resort, will also be offered to lucky donors.

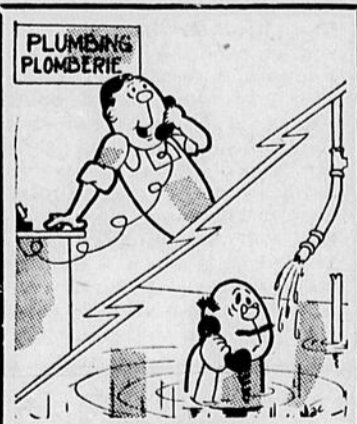

The clinic will be held in the Nurses' Residence of the hospital, at Cote des Neiges and St. Catherine roads. Coffee and doughnuts will be served to all donors.

## Classical concert held at Institute

A concert of classical music was held yesterday at the Ecole Normale de Musique, 4873 Westmount avenue, after a successful choral competition on Saturday. Featured on the program were the school choir and soloists Michele Clerk, Therese Gingras, Louise Fleury and Gaetane Hinse.

The annual choral competition, held Saturday, organized by the Congregation of Notre Dame de Grace and held at the Institut Pedagogique, attracted 53 contestants.

In class A. First place went to Elizabeth Cote, Academie Saint-Paul, Westmount, and Louise Laurin, Sainte-Therese-de-Blainville; second place, to Nicole Lavole, Academie Saint-Paul, and Claudette Legault, Pension Notre-Dame-de-la-Trinite.

Class B: first place — Christiane Laurin, Sainte-Therese-de-Blainville and Pamela Smith, Villa Maria; second place — Sylvia McManus, Academie Saint Paul, Marcelle Demers Terbonne, Lise Desmarais, Pension Notre-Dame-de-la-Trinite, and Danielle Gray, Notre-Dame-de-la-Trinite; third place — Nicole Landreville, Academie Saint-Paul and Helene Dagenais, Villa Maria.

Class C: first place — Suzanne Demers, Terrebonne; second place — Christiane Bouchard, Pension Notre-Dame-de-la-Trinite and Nicole Desroches, Terrebonne; third place — Lorraine Bayrad, Pension Regina Assumpta and Lise Bourbeau, Sainte-Anne-de-Bellevue.

Class D. First place — Louise David, Ecole Notre-Dame-de-la-Paix; second place — Gaetane Burton, Laprairie.

Class E: First place — Lise Mailloux, Pension Notre-Dame-de-la-Trinite; second place — Lise Gamache, Pension Notre-Dame-de-la-Trinite; third place — Mavourneen Dwyer, Pension Villa Maria.

Judges for the competition were Albert Cornellier and Rev. Sister Saint-Romeo, prefect of musical studies at the school.

# Cancer imminent for 1 in 3 males

"One out of every three males on the North American continent is destined to contract cancer of the lungs by 1985 if the present rate of increase continues," said Dr. D. B. Munroe of the Canadian Cancer Society in an address to the Westmount Rotary Club on Wednesday.

Dr. Munroe stated that there has been a real and alarming increase in lung cancer during the last 20 to 25 years. "Earlier," he disclosed, "discovery of cancer was a rarity. Since 1920, there has been a 50 per cent increase in the disease in England and Wales while the U.S.A. has seen 2,500 deaths annually as a result of cancer."

"Cancer is more common in men than in women, proportioned by 80 to 90 and 10 to 15 per cent respectively. For every male death in the U.S., one of every 18 has been caused by cancer; and cancer of the lung is the most common in the male."

He related that cancerous incidents occur with an advance in age and that environment is a determining factor of the disease.

"The smog of the city," he said, "the atmospheric pollution and the lack of sun in industrial cities are more apt to cause cancer than is a country environment where these conditions exist to a very small degree."

About tobacco and lung cancer Dr. Munroe said: "Study and research groups in the U.S. and Britain have disclosed that tobacco is a principal cause of the disease. The British group stated that the relationship of cancer and tobacco is one of direct cause and effect."

"But that is nothing really

new," he added. "As early as 1912, an Englishman named Adler wrote about the relationship of tobacco and cancer."

Dr. Munroe stated that the bio-chemical and physiological makeup of the human body may combine with the tobacco inhaled thus causing a chemical reaction which may result in cancer. "But," he added, "some people do not contract this disease because they may lack this particular makeup."

He was emphatic about discouraging youth from smoking and inhaling tobacco-tars.

Dr. Munroe described cancer as a silent invader that may be diagnosed through persistent coughing, coughing up flecks of blood, whistling and wheezing of the chest.

"Mind you," he cautioned, "coughing, although a prominent danger signal, is a fairly common thing and many persons spend a part of their day having coughing fits."

He warned that persons over 40 should have a routine semi-

annual X-ray and checkup treatments. He warned that "Surgery," he stated, "may provide a cure, but some people wish to avoid surgery."

Dr. Monroe disclosed that the survival rate was rising because of early diagnosis and new research and new treatments are continuing every day, thus furthering the survival chances of lung cancer.

## Masonic service set for April 26

The annual church service of Westmount Chapter No. 17, Royal Arch Masons, will be held this year at the Presbyterian Church in Saint Laurent. This church is situated at the corner of O'Brien and Lapointe and the minister is the Rev. Eric A. Beggs, MA.

Westmount Chapter has made it a practice of spreading these annual services around; last year the service was held in the Anglican church in Valois and many Blue Lodge Masons as well as Royal Arch Masons accepted the opportunity of attending a Masonic service held near their homes.

Westmount officers and Companions desire to share this year's service with the Brethren and Companions residing in the northern sections of the community and extend a cordial invitation to all Brethren and Companions to set Sunday evening, April 26 apart so that they may meet many old friends and possibly become acquainted with new Brethren and Companions.

It is particularly desirable that Masons from districts other than that under the jurisdiction of the Grand Chapter of Quebec attend this service. Whether they are Chapter Companions or Blue Lodge Brethren they will receive a cordial welcome.

Regalia will be worn. If you are a Master Mason bring your apron and Royal Arch Masons will wear the Royal Arch Apron and sash. It is probable that the officers of Grand Chapter resident in Montreal will grace this service with their presence.

**Therefore**

By  
**The Venerable**  
**R. Kenneth Naylor, D.D.,**  
Rector, Trinity Memorial Church

Outside of the Divine Names and the self-disclosure of God, one of the most important words in the Bible is "therefore". It is the word which links together the revelation of God and the activity of man. Because God is holy therefore His people must be holy. Because God has created man in His own likeness, therefore man must show forth that likeness or else he denies his own nature. "Therefore" is the word which indicates that God has a lawful claim upon His creatures. He did not create them and send them on their way to work out their own salvation. True, they must work out their salvation but they must remember at the same time that it is God who is working in them.

That word "therefore" comes out most strikingly in the Epistle for Easter Day. It is a very brief lection from St. Paul's letter to the Colossians. In the beginning of the third chapter he reminds his readers of what they have received through the Resurrection of Christ and through their faith. They have risen with Him. Then comes the

result: "Seek those things which are above, where Christ sitteth on the right hand of God . . . for ye are dead, and your life is hid with Christ in God. When Christ, who is our life, shall appear, then shall ye also appear with him in glory." Then comes that most impressive "therefore". "Mortify therefore your members which are upon the earth." Then follows a short list of unpleasant bodily sins, and the one simple spiritual sin of "covetousness, which is idolatry."

I used to dislike this lection very much because on Easter Day I wanted to remember only the triumph and the glory. But I realize now that in spite of the triumph of our Lord, and our share in that triumph, we still live on earth obsessed by all the sins of human nature. Our Lord does not free us from temptation but provides us with power to overcome the temptation; that is, to put to death our bodies in regard to those sins. Perhaps the most universal and the most insidious of them is covetousness; the desire for something to which we are not entitled, the setting up of the desire for that

**McGill graduates hold 'sugar party'**

"Sugar on the snow" will be provided McGill graduates at the Annual Spring Sugaring-Off Party slated for next Saturday at the Morgan Arboretum, Macdonald College, from 12 noon to 3:30 p.m.

Under the sponsorship of the McGill Society of Montreal, this popular spring event is open to all McGill graduates and associates in the Montreal area, as well as members of the University staff, their families and children.

Special buses will be provided for passengers without their own means of transportation, leaving the lower campus at 11:30 a.m., returning to the city at 3:30 p.m.

thing in our hearts, the making it into an idol.

St. Paul expresses the remedy in a simpler way in his first letter to the Corinthians when he says: "Covet earnestly the best gifts." If we are to avoid the evils which the Apostle mentions there is one safeguard: "Seek those things which are above . . . set your affection on things above, not on things on the earth." We cannot help coveting, but we can train ourselves to covet the best, because our Lord has departed from earthly things and has taken our human nature into the very presence of God. There is nothing in heaven which is alien to us, for we are risen with Him and share in heavenly life.

*This Glory*

The flower, and tree, though dying, live again,  
 Each spring, after the long, cold, winter's sleep,  
 They break in floods of glory o'er the earth,  
 That we again, may dreams of beauty reap.

Since they return from their brief stay in earth,  
 Again to light the world, and warm the heart,  
 Of much diviner mold, than flower or tree,  
 Have we not in this glory, too, a part?

## Dr. and Mrs. A. Lloyd Smith feted by Women's Auxiliary

Honoring Dr. and Mrs. A. Loyde Smith at a recent meeting of the Women's Association of Dominion-Douglas Church, a most delightful touch was added to the luncheon when the waitresses bore into the hall a unique dessert consisting of individual cup cakes with ice cream, each cup cake having a lighted candle in its centre.

The assembly rose and sang "Happy Anniversary to You," in honor of the 28th anniversary of Dr. and Mrs. Smith's coming to Montreal and to Dominion-Douglas Church.

Mrs. Trenholme Armitage had composed a special poetic tribute to Dr. and Mrs. Smith which reads:

Two wandered down a path, to come our way,  
But could not see the end, and odd byway.

They found us needing them and stayed as friends,

Altho' the stay was peopled by wars and sadness blend.

They found us all with interests, such as they.

Some with sons daughters to fill each day.

But now as grandparents, They too have won out strong.

And we in our hearts feel they genuinely belong.

We count the years and treasure everyone.

We thank them for their journey, twenty-eight years ago today.

We love them dearly as silently we pray.

1941 No. 1 became the famed No. 401. Gordon McGregor went overseas as a flight lieutenant, took over command as a squadron leader in the late '40s, became a wing commander in 1941. In 1945 while in Alaska, Mr. McGregor was made a group captain. Returning overseas in 1944 he was given command of 126 wing in Normandy.

The group captain often went on operations himself. He has no idea how many tours of duty he made during his five years of active service. "I like England very much," he remarked. "During the Battle of Britain we were stationed at Croydon, then at Northholt, moving to Scotland, back to the Midlands, to Digby, Lincolnshire. We did not have too many leaves and not much travel but I did explore Scotland a bit."

**Important cable**

At the end of the war while on retirement leave, Mr. McGregor received a cable from Herbert Symington, the president of TCA, asking the group captain to look him up on his return to Canada. At that time Mr. McGregor had every intention of returning to the Bell, but on realizing that his return might cause somewhat of an upheaval in personnel, he decided to take the TCA offer, which tickled his imagination anyway, joining the company as general manager of traffic on December 1, 1945. On February 4, 1948, he was appointed president by the board of directors.

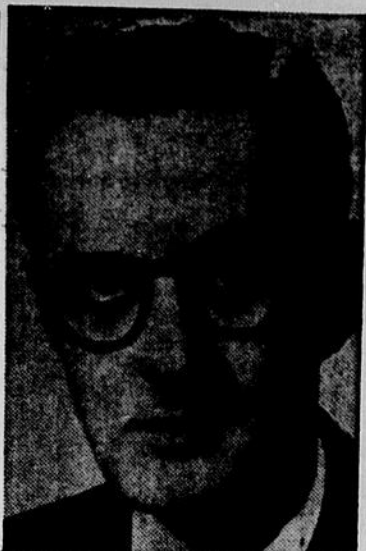

A member of the executive committee of the International Air Transport Association, Mr. McGregor finds their meetings intensely interesting. "Last year one meeting was in New Delhi," he said. "Unfortunately I couldn't make it but next year the conference will be in Tokyo."

Mr. McGregor is a Scottish-rite Mason, a Fellow of the Royal Aeronautical Society. He is a member of the following clubs: Mount Bruno, Mount Royal; Bucks Club, London, England; York Club in Toronto; Rideau and Royal Ottawa in Ottawa; Wings Club in New York; and the Forest and Streams Club near Dorval.

Mr. McGregor and his wife, the former May Ramsey, whom he married in 1928, live at 3526 Grey avenue. They have no children.

His hobbies are flying, golf, sailing and carpentry. He finds the latter tremendously relaxing and spends as much time as he can afford in the well-equipped workshop in the basement of his home.

Mr. McGregor predicts that within the next two or three years almost every transcon-

tinental traveller in Canada will take a plane instead of a train. Comparing notes with American airlines, he said while the U.S. airlines have increased their fares six and one half percent, there have been no fare increases on TCA routes in the last 10 years. "In fact our fares have gone down," he said.

During Mr. McGregor's TCA presidency the number of pilots has increased from about 170 to 756, the number of employee from about 3,000 to 10,000.

**Parks Dept. gets ready for spring**

A total of 805 greenhouse plants and 8,130 bedding plants were boxed by the Parks Department in February, and 4,000 cuttings were placed in the propagating benches and 34 varieties of seeds were sown. 500 plants were given to the children of the Elementary Schools to grow for the Fall Competition.

The tree maintenance work force was engaged principally on pruning trees on private property to clear Light and Power Department service wires.

By Peter Johnson

THE OLD BOYS hockey game turned out to be better than average, with Mike Lunny's collection of former Academy boys romping to a 4-1 victory on the strength of a second period rally that netted four goals.

The senior's 'B' club held a 1-0 lead at the half way mark by virtue of a smart goal by center George Spare but the second half saw coach Andy McGillis charges fade away and not able to match strides with such active speedsters as John Roche, Joe Froio and Larry Grant.

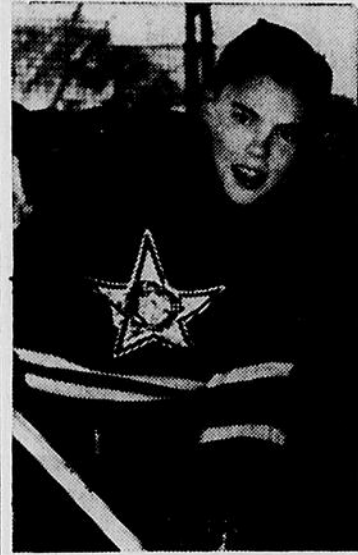

The seniors defence trio of Allan Keith, Paul Froio and Pierre Leduc showed up well and were called upon to do most of the checking in the second half. The forwards ran out of gas.

**ACADEMY BRIEFS:** The bantam Lions were extended to the limit, before downing an all star team picked from the school intermural hockey league. It was a dull hockey game, with the Lions outlasting their opponents to win 2-1. Peter Johnson and Fred Fisher notched the goals for the winners, while Bob Fournier scored the loser's lone counter.

**ACADEMITES** had a field day at the expenses of the Indians, in a pee wee exhibition hockey game that saw Pierre Desjardins, Ray Langelier, Vince Nucci, run wild against the depleted Indian crew to rack up an 8-0 win. Academites Pete Rassenti, Jim Erly and Ray Maynard played a fine game. Dan McCormick and Andre Camelli tried to restrain the avalanche of goals.

IT WAS ANNOUNCED that Paul Froio, 16-year old, 4th high student was selected as St. Leo's

top senior athlete and 1959 winner of the Rev. Msgr. Edward J. Lapointe trophy, awarded annually to the student who is proficient in sports, condition and co-operation. Co-captain of the senior 'B' hockey club the past season, Paul, though very active in sports is also an excellent student and is held in high esteem by both faculty and student body. The selection was a popular one and for Paul a fitting climax, as he graduates this term.

## Rookie curlers win at Heather

Larry Janis of Outremont and his rookie team took the Westmount Heather bonspiel in an exciting 12-11 extra-end win over Dr. Russell Ward of Thistle. Janis and Ward staged a thrilling battle in the final at the Heather Club.

Down 9-3 Janis scored eight points without a reply from Ward to go ahead 11-9. On the final end Ward picked up two to tie the game.

On the extra end Ward drew in with both rocks. With last stone, Janis played a take-out and stayed to count one for a 12-11 victory.

In the runner-up final Bernie Sauders of Royal Montreal turned back Graham Russell of Thistle 11-6.

Consolation honors went to Bill Isaac's Caledonia Curling Club rink 12-8 over Dave Turnbull of Town of Mount Royal.

In the runner-up section of the Consolation Carl Ott, skipping a Canadian Branch entry, edged Ted Thompson of St. George 11-10.

## Avenue Stars beat Bombers to win intermediate crown

Avenue Stars were crowned champions of the Westmount Municipal Intermediate hockey league when they beat Bombers in straight games of their best-of-three series. The scores were 4-3 and 5-3.

The first game saw the Stars jump into a three-goal lead in the first period on markers by Phil Martin, Don Gagnon and Mike O'Donnell.

O'Donnell counted again early in the second period to put the Stars ahead 4-0. Frank Jago and Wayne Hibbard scored for the Bombers to put them back in the game.

Jago added his second goal in the third period and the Bombers yanked goaler, Mike Lunny, in an effort to tie it up. But Stu McCowan, in the Stars' net, held the Bombers from scoring and the Stars skated off with a 4-3 win.

In the second game, Stars rapped in two quick ones off the sticks of Jim Beasant and Mike O'Donnell. Tom Grant got one

back for the Bombers, but Phil Martin tallied for the Stars to make it 3-1.

O'Donnell gave the Stars a three-goal lead early in the third period, but Tom Grant scored his second goal and Frank Jago added one to put the Bombers back in contention.

Don Gagnon drilled a low shot by Lunny to score the insurance goal for the Stars.

The defense corps of Gagnon, Gallery and Dunbar played rugged hockey in front of goaler, Stu McCowan, who made many sensational saves throughout the playoffs. Tom Grant, Frank Jago and George Robillard were outstanding in both games for the Bombers.

The Stars knocked off Wanderers two straight to gain entry into the final against Bombers.

Sixty-seven games. That's how long it took Buffalo's Bisons to clinch the American League championship.

## Toronto downs Hawkettes 121-95 in Dominion junior title play

Toronto's St. Cecilia Shamrocks defeated Westmount's Unity Hawkettes 121-95 in a two-game total points series played at Unity Boys' Club, to capture the Dominion junior ladies' championship.

Coach Dot Unroe's Toronto cagettes took the opening game 68-55 on the strength of a strong fourth quarter finish.

The second game saw the Hawkettes move to within five points of the round score near the end of the first quarter. Shamrocks opened up with a tremendous second quarter rally to overpower Unity and take the lead 20-15 at the half.

The Toronto club kept ahead of the UBC throughout the balance of the game to finish up with a 53-40 victory.

### TOP PERFORMERS

Centre Gayle McDonald was the top scorer for St. Cecilia's with 28 points. Erin Martinak tallied 22 points during the two games. Mary Grace and Pat Smith added 21 points apiece for the winners.

Unity's Dot Mariasine played a strong game for the losers. She also took the individual scoring honors in the series with 37 points. Nickie Johnson was second high for UBC picking up 14. Guards Gail Gollan and Sandra Thomas turned in a fine game for Hawkettes. Each scored 10 points. Forward Willa Smart also pumped in 10.

### OPENING GAME

In the opening fixture, Shamrocks grabbed an early lead in the first quarter. Hawkettes started to find their shooting eye in the second and quickly surged back. Toronto managed to move in front 30-27 at half time.

Unity came alive once again in the third quarter and at one stage were leading 46-42. Toronto pushed ahead early in the final quarter and used their height and fast breaking attack to a good advantage to outscore Unity 68-55 and take a comfortable 13 point cushion into the second contest.

Three members on Unity's starting lineup were forced to the bench in the opening minutes of the final quarter with five personals and this hurt the home club's chances of staying alive on the scoreboard.

### SECOND GAME

Unity opened up the second game with a sparkling display of ball handling and shooting to vault ahead 7-0 after two minutes of play.

Hawkettes led 13-5 near the end of the first quarter to move within five points of the two game score. The round

score stood at 73-68 in favor of Toronto at that point.

Shamrocks came right back with a blistering second quarter rally to overpower Unity and take the half-time advantage 20-15. The Saints kept the lead throughout the final half and finished up the game with a 53-40 triumph.

Both squads provided the fans with a wide open back and forth brand of basketball throughout the two game series.

**DOT MARIASINE**  
... Series' high scorer

The clubs did not fare too well at the free throw line. Toronto could only click on 15 out of 58 tries during the twinbill while Unity completed 17 out of 43 attempts. Unity juniors collected a total of 47 personals compared to 34 called against Toronto.

For coach Norman Yule's Hawkettes it was the end of a very successful season. The team did not drop a single game before meeting the Toronto invaders.

They picked up the Montreal Ladies' Basketball League crown

in easy fashion and went on to beat the St. Lambert juniors for the PQABA silverware.

Two Montreal foremost rugby clubs found opening day assignments south of the border a bit too tough as local clubs saw their first action of the spring campaign.

Barbarians travelled to New York to tangle with the local team and came out on the short end of a 6-0 count.

Although holding their own in the opening half Montreal tired in the second half and the New Yorkers tallied twice to wrap up the game.
