Le Mont de l'Immaculee College Erected Near St. Anicet, Is Beautiful Building

Here is seen the beautiful entrance to the new college near St. Anicet, Que., which was recently officially opened. The large column with the cross and statue is 102 feet high. The statue of the Blessed Virgin Mary is 42 feet in height. The stone steps lead up to the main entrance.

A very fine new building has been erected on Route No. 3 near St. Anicet, Que., on land that was formerly the John Leslie farm. The land raises in a knoll on the side of the road on which the building is erected. The building is a beautiful red brick and stone structure and is named Le Mont de l'Immaculee College.

It is built in the form of a Y, the foot of Y being the chapel, while the two upper branches of the Y form the living quarters and class rooms of the college. At the foot of the massive steps which go up to the very impressive entrance is a large stone column rising into the air to a height of 102 feet. Cut into this, in about the center, is a statue of the Blessed Virgin Mary, which is a full figure 42 feet in length. This column and statue stands in such a way that it looks out across Lake St. Francis, which it faces, and is also seen in other directions quite clearly as approach is made along the highway.

The building has been under construction since June of 1954 and was recently completed ready for occupancy in September. The official opening took place 3 weeks ago, on September 18th. It is under the direction of the Brothers of The Sacred Heart. The overseeing of the work of construction has been in the capable hands of Brothers Aubin and Andre, while the contractors were Bernier and Gagne, of Granby, Que. Many parts of the job were let to subcontractors and a number of local workmen have been employed there as well as some of the students who eventually will attend the college.

The official opening ceremonies of the college were held on Sunday, September 18th, with the blessing being given by Bishop Percival Caza, Auxiliary of Valleyfield. The official opening was by Rev. Brother Josephat, Superior General of the Brothers of the Sacred Heart and Brother Gaetan, Provincial of Granby.

Brother Gervais is the director of the college and Father Joseph Viau, formerly from the Valleyfield Seminary, is the chaplain. Father Viau was with the Valleyfield Seminary for 23 years.

This college could be said to be a part of a similar one built at Granby, Que., which had become overcrowded. For this reason the site at St. Anicet was chosen and the new building erected to accommodate the increased enrollment. The college at Granby will now accommodate lower grade students, who are preparing to become teachers.

present only 100 will be in residence. It will accommodate 213 for the Apostolate, or retreat. At the moment the staff will comprise 16 persons, all Brothers, and everyone will help with the work that has to be done. For instance, a number of students will be told off to prepare vegetables for each day's meals. A special part of the kitchen has been prepared for the peeling of potatoes. The potatoes are placed on a special table and the peeling can be dumped right into receptacles while the potato goes through a washing process in readiness for cooking.

At the present the grounds are not properly laid out, but as time goes on these will be landscaped and parts will be laid out in gardens, lawns, etc. Among the gardens will be a number of vegetable and other crops gardens. Across the highway on the shores of the Lake, this part will also be prepared for a bathing beach and the original farmhouse will be converted to use as dressing rooms, etc. The Gleaner representative was shown a picture in color of the sister college at Granby and was told that eventually the one at St. Anicet will be laid out in similar fashion. When that happens, this new college will be a place of great beauty. Also included in the planning of the grounds will be different types of recreation fields for all forms of outdoor sports. The property is one mile deep and 1.150 feet wide.

On some parts of the upper floors there are outside balconies which overhang and have an ornamental railing about 3 feet high. This ornamental iron railing was made in the shops at the Granby college and were erected by students attending there. When the Gleaner representative made his visit, a number of the Normal School students from Granby were busily engaged in cleaning up the new building in readiness for the opening. In fact they were the advance guard of the students who are now in residence.

As the college settles down to its regular routine, further developments will be carried out until the whole is completed as per the plan outlined.

The cost of this structure completed is approximately \$800,000 and with the furnishings, \$900,000.

Two Lives Lost In Accidents

Two accidents in different parts of the district on October 7th, resulted in loss of life for two persons. One occurred at Aubrey, Que., at 5:45 p.m., when Julien Laberge, 12 year-old son of Constant Laberge of California Range, was killed by a truck. Leo Primeau was driving the truck west to east on the range road, when the youngster ran out from behind a parked car and was knocked down. He was taken to the Barre Memorial Hospital, Ormstown, where he died from his injuries. Dr. J. L. Pilon, Coroner, will hold an inquest at a later date.

The second accident occurred in the Village of Ormstown, at 6:50 p.m. Leo Daigneault, age 53 years, was walking along with Albert McDermid, both of Ormstown, and Daigneault was pushing a wheel barrow with two welding tanks on it, when he was struck down from behind. Gaston Racicot, of Valleyfield, was the driver of the truck which struck the men and Daigneault was killed instantly, while McDermid suffered a broken leg. McDermid was taken to the Barre Memorial Hospital after Dr. M. R. Stalker arrived on the scene of the accident. Dr. J. L. Pilon, Coroner, opened an inquest and adjourned it for a definite date. Det. Sgt. John L. Ross and Traffic Officer J. G. Bernier, of Valleyfield, investigated this accident, while Det. F. Wilmot of Huntingdon, investigated the first accident.

The classrooms are spacious and the teachers' suites lead off from these classrooms, so that the teacher is at all times close at hand. The private rooms are equipped for individual study, with desk and bookshelves and cupboards. The dormitory is wide open with rows of beds and lockers for each individual. Baths and showers, washrooms, etc. lead off from the dormitory. One part of the building is kept separate for hospital cases and there is an isolation section. The college has its own laundry.

The college will accommodate a total of 150 persons, but for the

Mr. Jack Cluff Died On Monday in His 65th Year

It is with regret that it was learned at the beginning of this week of the death of Mr. John "Jack" Cluff, well known citizen of Valleyfield, Que., which occurred at Three Rivers, Monday night, October 10, at the age of 64.

Mr. Cluff had gone to the Three Rivers region over the week-end for a hunting trip with friends. Not feeling good on Saturday he was taken to the Three Rivers Hospital, where he died on Monday after an operation.

The deceased, foreman at the Montreal Cottons for many years had been employed by that company since 1927. He was to retire in a few weeks.

Born in Montreal, on November 17, 1890, Mr. Cluff came to live in Huntingdon in his childhood. He served in the first world war and was demobilized in 1919.

Mr. Cluff was a lover of fishing, hunting, an excellent curler and lawn-bowler. He spent the summers at his summer residence in St. Lewis, where he was well liked. He was a former president of the Valleyfield Curling Club.

He leaves to mourn him, his wife (Ada Dewick); two sons, John and McKie, of Valleyfield; a daughter-in-law, Mrs. John Cluff (Audin Reddick); a niece, Mrs. Ralph Reddick (Frances Winter) of Howick; and many nephews and nieces.

The funeral service will take place Thursday, October 13th, at 2 P.M. at the Presbyterian Church in Valleyfield and the interment at the Huntingdon Protestant Cemetery.

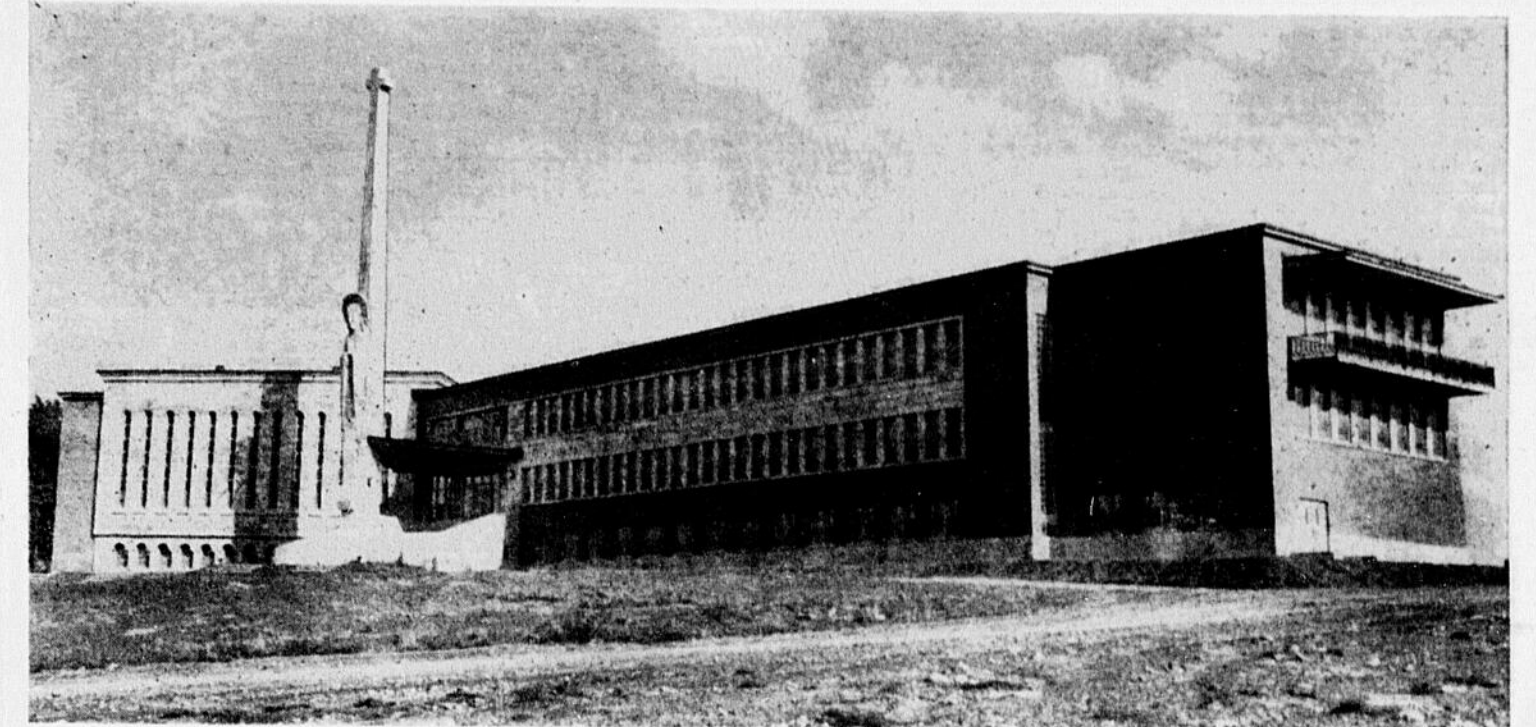

Huntingdon High Basketball Girls Sponsoring Dance to Procure New Uniforms

Huntingdon High's girls basketball team is going all out to get new uniforms—striking black shorts and vivid red blouses. The girls feel that such uniforms will help make the team distinctive and promote a better school spirit than white shorts and blouses with school crests which they have used in the recent past.

Miss Jean Pryde, coach of the girls' team has given the team much encouragement in this matter of uniforms and all members are working hard to put on a very successful dance on Friday, October 14th, to raise money for the uniforms which will cost about \$80. Posters have been designed by Isobel Donnelly, Susan Phillips, Sandra Phillips, Jean Charron and Shirley Dobson and placed in strategic places in town and the invitation committee of Sandra Stark and Judy Montgomery has invited other schools to attend.

Very effective decorations are planned by Isobel Donnelly, Denise

Front View of the New Le Mont de l'Immaculee College, Near St. Anicet, Que.

Le Mont de l'Immaculee College, which has just been officially opened near St. Anicet, Que., is a really magnificent structure and very large. It is a sister college to one in Granby, Que. It is constructed in the shape of a Y and above is seen the foot and one of the branches of the Y. On the extreme left is seen the foot of the Y in which the chapel is situated. Also the entrance and the large column which

goes 102 feet into the air in front of the entrance. The arm of the Y is part of the school proper, which houses the classrooms, etc., and the living quarters for the students and staff. This part faces Lake St. Francis, and Highway No. 3 passes in front, the building is on a knoll and thus commands a prominent view.

Major League All Stars To Play In Huntingdon

The Huntingdon Merchants Baseball Club has made arrangements for a team of Major League Baseball players to play a game in Huntingdon, on Sunday, October 23rd.

The Major Leaguers are led by Spec Sizer of the Washington Senators and the line-up will have Eddie Yost and Ed Fitzgerald of Washington, Norm Zuchin, Ted Lepcio and the famous Jim Piersall of the Boston Red Sox. From Chicago White Sox there'll be Jim Busby, Walt Dropo and pitcher Dick Donovan. Chet Nichols of Milwaukee Braves and Don Hoak and Clem Labine of the World Champion Brooklyn Dodgers. This makes quite an impressive line-up, and you'll have a chance to see these stars in action on Sunday, October 23rd.

The Merchants need all the support they can get in this venture and ask the baseball fans of this area to get behind them and help make October 23rd a big success.

The Merchant pitching staff for this big game will be Billy Stafford of Albany, N.Y., and Ernie Drolet of Verdun, Que. Both these boys are fast balling righthanders and are being scouted by Major League clubs.

An Article on our part in the Peace Garden was read. Each member all over Canada has been asked to give five cents to pay for the new seats and fountain recently erected on our plot of land.

The Press Supt. noted that the

Ray Lozoff, Huntingdon, on Sunday, October 9th, at 3:15 p.m. The accident took place in front of William's Garage and Miss Lozoff was proceeding toward Montreal.

Damage to Monier car amounted to \$125 and to the Lozoff car, \$100. Const. R. Goyette investigated the accidents.

Robbery at St. Chrysostome—The St. Antoine General Store in St. Chrysostome, was broken into on the night of October 3rd and 4th, and between \$1,000 and \$1,200 in cash was stolen. Det. F. Wilmot of Huntingdon investigated the case and on Thursday, October 6th, arrested Roger Pouliot of St. Chrysostome. The culprit appeared in court in Valleyfield on Friday morning and pleaded guilty, but sentence was delayed. Very little of the money was recovered as the thief had bought a car and had a real good time with the cash.

Collision at McCoy's Corner—A collision occurred at the intersection of Prince Street and Dalhousie Street, on October 7th, at 3:45 p.m. A truck driven by Roch Dupuis of Glenfield, came off the bridge and entered Prince Street, just as C. Myre of Huntingdon, who had stopped at Prince Street, pulled out to proceed in a west to east direction. Damage to the Myre car amounted to \$35 and no damage to the truck. Chief L'Heureux investigated.

Bicycle Rider Injured—On October 8th, at 5:25 p.m. an American car driven by John F. McLaughlin, of Muthie, N.J., hit a bicycle rider by Alderice Lablanc of Huntingdon, about a mile west on Route 4 from Huntingdon. Lablanc was proceeding toward Huntingdon and the car was going in the opposite direction. The bicycle rider was badly injured and taken to the Huntingdon County Hospital for treatment. The bicycle was a total wreck and damage to the car amounted to about \$50.

Garage, Ormstown—Roma Monier of Montreal, was proceeding west on Route No. 4 between Brysonville and Ormstown, when he came in collision with a car driven by Miss

News from Ormstown

Covering the Activities of the
"Little Royal" Exhibition Centre

The monthly meeting of the Women's Institute met at the home of Mrs. H. Patton and Mrs. P. Martin on Oct. 4th with a good attendance of members and 2 visitors.

A card party was planned for the 20th of Oct. at the Community Hall. Mrs. W. Rember gave a talk on the conditions of our care of a Greek child, which was explained at the Semi-Annual Meeting held at Huntingdon.

Convenors reports were: Mrs. A. Marshall, who gave a splendid reading on punctuality, how it pays to be on time for meetings, etc., thus saving a lot of confusion for everyone concerned.

Welfare and Health, by Mrs. W. McCormack who spoke of our chance to obtain a call from the Salvation Army Truck. A motion was made by Mrs. McCormack and seconded by Mrs. Marshall that the Salvation Army be asked to call in the near future. Agriculture by Mrs. H. Ovens: reporting glomias.

Publicity by Mrs. R. Ovens: The efforts of real good work done by Mrs. Eleanor Roosevelt. Peaches were processed at the home of Mrs. Martin and was assisted by 6 other members for the O.H.S.

The October meeting is a yearly event when we entertain the teachers of the O. H. School and also the teachers of the R. C. School. They were very cordially welcomed by Mrs. A. McNeil and she was very

ably thanked by Principal King, also for the neighbor school by Sisters Ursuline and Therese, who fittingly responded to the welcome.

The meeting was fortunate to have present the Rev. and Mrs. W. Dawson from Lacolle, Que.

Mrs. Moe introduced the Rev. Mr. Dawson, who was guest speaker, his topic being a resume of our county and also of Huntingdon, the names of the different localities and roads being much the same as when first explored. Many changes have taken place since that time both in our way of working and our mode of living, which goes to show how much we owe to our forefathers and the hardships they endured that we could enjoy an easier livelihood today. All enjoyed his talk very much. He was sincerely thanked by Mrs. C. J. Bryson.

At the close of the meeting most delicious refreshments were served to all by the members. Tea was poured by Miss K. Murphy and Mrs. A. A. McNeil.

Ormstown High School Notes

The invitation committee, Mary Catherine Hooker, Dorothy Beattie and Dorothy Manning have been busy issuing invitations for the Annual School dance. It is hoped that no one has been overlooked, but should anyone wish an invitation for himself or a friend he may get in touch with any member of the committee.

School closed on Wednesday afternoon for Teachers' Convention and the Thanksgiving recess.

More than thirty attended the school party at Howick on Wednesday evening and report an enjoyable time.

C.V.T.A. Inservice Training
The success of the Chateaugay Valley Teachers' Inservice Training Programme a year ago has led to a decision to resume courses this year. It is expected that Professor C. Wayne Hall of McGill School for Teachers will conduct the lecture series. His topic will be "The Improvement of Oral and Written Composition in Chateaugay Valley Schools." Lectures will be held at Ormstown High School Thursday evenings beginning on October 13.

Teaching staffs from the following schools are expected to attend: Athelstan, Beauharnois, Chateaugay, Dundee, Franklin, Hemmingford, Howick, Huntingdon, Ormstown and Valleyfield.

Last year our Cafeteria Account showed a deficit. To offset a recurrence during 1955-56 our Director is faced with two alternatives — either to lower the quality of the meals or to increase the price of meals slightly. The current price of dinners is thirty cents daily or twenty-seven cents daily in cases where students pay by the week.

Athelstan

ATHELSTAN — Miss Gwen Way of Quebec spent the Thanksgiving week-end with Mr. and Mrs. Carman Perkins.

Week-end guests at the home of Mr. and Mrs. G. Green were — Mrs. D. Reynolds, Red Rock, Ontario, Mr. and Mrs. R. J. Cosgrove and daughter Roberta, Verdun, Que.; Mr. and Mrs. D. A. Beck and daughter Barbara, Mr. W. Bremner, Mr. and Mrs. Allen Beck and son Allan Jr. all of Montreal.

Master Merrill Collins of Malone, and friend Master James Vaughn of Chateaugay, N. Y., spent the week-end at the home of his grandparents Mr. and Mrs. T. J. Graham. Other recent guests at the Graham home were Mrs. Jack Dooling and three children of Ormstown and Miss M. Dooling of Newfoundland. Mr. and Mrs. Douglas Murray and

The new price has been suggested as THIRTY CENTS PER MEAL FOR ALL STUDENTS. This measure will have to be reinforced by a special appeal to parents and friends in our community to send donations of fruits and vegetables to the school Cafeteria through the year. As you know the Cafeteria has been operating on a non-profit basis so that it is relatively easy to go under during the course of a year. Any gifts of farm produce will therefore be greatly appreciated. In this regard we should like to thank the following families for recent generous donations: Mr. and Mrs. E. Elliott, Mr. and Mrs. Thomas Duncan, Mr. and Mrs. A. Bryson; Mr. and Mrs. Alan Cavers; Mr. and Mrs. Manning of Franklin and the Ormstown Branch of the Women's Institute.

Ormstown High School will hold its annual Commencement Exercises and Prize Giving on Friday evening, October 14. Doctor M. R. Stalker, formerly of the Ormstown School Board and President of the Provincial Association of Protestant School Boards, will be guest speaker. A cordial invitation is extended to parents and friends to attend.

Glee Club
Our readers will be interested to learn that the Ormstown High School Glee Club has been resumed this year with Mrs. Eleanor McEwen as Director and Miss Betty Forrester as accompanist. The membership has risen from forty-five during 1954-55 to eighty this year. The Glee Club plans to make its first appearance at Commencement Exercises on October 14 and will perform again on Chateaugay Day, October 26.

Library Tea
The school Library is now open to members of the Club in fact, to all interested members of the community upon payment of a small annual fee. Included in the available library is a number of McLennan Travelling Library books received during the past few weeks. Those interested in borrowing from the library are requested to contact either Mrs. Willa Hooker or Mrs. Margaret Campbell of the High School Staff.

New Erin

Silver Wedding
NEW ERIN — Mr. and Mrs. Burton A. Rankin were "At Home" to their many friends and relatives during the afternoon and evening of Wednesday, October 6th, when they celebrated twenty-five years of happy married life. Mr. and Mrs. Rankin, the latter wearing a very pretty charcoal grey gown, complete with a lovely corsage of dark pink carnations, received the guests, assisted by their daughter, Mrs. Kenneth Hanly, of Lacchuette. The tea table, centred with the traditional wedding cake, the gift of Mr. Charlie Grant, was presided over in the afternoon by Mrs. G. T. Betts and Mrs. A. P. Armstrong, and in the evening by Mrs. C. Anderson and Miss L. Rankin. Assisting in serving the delicious refreshments were neighbor friends: Mrs. Leslie Sherry, Miss E. Rankin, Mrs. Roy Goodfellow, and Mrs. Bennie Douglas.

The home was tastefully decorated with many beautiful autumn flowers given by kind friends. Congratulations and good wishes were extended with the wish that all would be with them on their Golden Wedding Day. But and Elizabeth graciously shared everyone for their good wishes and lovely gifts.

Guests were present from Lacchuette, Lacolle and Montreal. An honored guest was Mrs. Rankin's Mother, Mrs. M. A. Van Vleet, who is in her nineteenth year.

During the evening a long distance telephone call was received from their daughter, Mrs. Jas. Dryer in Casper, Wyoming.

A poem, composed by Mrs. Edward Brown, was read by Mr. Basil Kelly.

"The hills got out their opals,
And wore their silver veils
The trees were dressed
In all their best
Clouds raised their pearly sails—
The River, not to be outdone
A sapphire circlet wore
To be a foil and complement
For the emerald-studded shore.
I wondered why the brave display
And what the Great Occasion?
The Breezes murmured "Don't you know?"
It's a "Wedding Celebration!"
And then I knew the reason
For the beautiful display—
Of course, dear Lib and Burton,
Your "Silver Wedding Day!"

Mrs. H. J. McLean, Beverly and Keith, of Montreal, spent a few days with her sister, Mrs. Leslie Sherry.

Mrs. Margaret Cameron, Mrs. H. Ferns of Cornwall, Ont. visited over Thanksgiving week-end with Mr. and Mrs. G. Capsey, in Bedford, Que. Mr. Douglas Cameron was a Friday over-night guest at the same home.

Diane Starr enjoyed the long week-end with her sister, Mrs. L. West and family, in St. Lambert, Que.

Week-end guests of Mr. and Mrs. C. L. Starr were, Mr. Clarence Starr of St. Lambert, Mr. Warren Starr and Robin of Valois, Que., and Miss Esther Lavery of Montreal.

Recipe Suggestions For Zestful Living

TRIED AND TESTED FOR SATISFACTION

THIS WEEK — "WAYS WITH FALL VEGETABLES"

Make the most of the fine assortment of fall vegetables now available. Good buys and abundant they are a modern miracle. No other food offers such a selection of colours, shapes, textures, flavours, minerals and vitamins. The home economists of the Consumer Section offer a few suggestions for dressing up fall vegetables in simple family style.

Rutabaga, Canada's table turnip, may be mashed and sprinkled with grated cheese or sliced and baked with a sprinkling of brown sugar dotted with butter. For a particularly attractive way to serve two vegetables in one scoop out the centre from cooked thick slices of turnip and fill with a vegetable of contrasting colour.

To bring out their delightful nutty flavour, roll cooked cubes of parsnips in finely grated cheese and bake them in a moderately hot oven until golden brown. For something different to serve with baked ham try glazing cooked parsnip sticks with a mixture of butter, brown sugar and dry mustard. They are delectable.

From the kitchens of the Consumer Section come also these ideas for serving several other fall vegetables. Cooked shredded cabbage in a small amount of boiling tomato juice seasoned with sugar, salt and paprika. The chewy quality of cabbage is a welcome antidote for soft rich foods. Garnish a dish of steaming buttered beets with spoonfuls of fluffy, creamy white mayonnaise to give them extra flavour appeal. Chop freshly cooked carrots and beets and enhance this combination with a little butter and a few drops of vinegar or lemon juice. Pan-fry shredded carrots and onions together spicing them with curry powder. Its wonderful aroma will be sure to tease sharp fall appetites. If a sweet touch is desired glaze a paraf of carrots in a mixture of honey and ginger. This is delicious with roast chicken or pork chops.

Vegetables lend themselves especially well to oven cooking for they may be glazed, baked whole or stuffed, scalloped or combined with meat, eggs and other such foods in tempting casseroles. For a special treat the Consumer Section recommends a scalloped dish of cauliflower.

These freshly prepared vegetables can also be included in the school lunch box either as they are or added to the sandwich spreads. Shredded carrots, cabbage, turnip, celery and green pepper will give a crisp crunchiness and a new flavour to the sandwiches. The children are sure to like any of these vegetables in their cheese, peanut butter, egg and ground meat fillings.

On nippy autumn days freshly cooked piping hot vegetables should have a conspicuous spot beside the

The Chateauguay Street Problem

THE general consensus of opinion on the present regulations for operating traffic on Chateauguay Street, Huntingdon, seems to be that for the circulation of traffic it is the best system yet tried. However, there is some dissatisfaction as to the parking on this street. The businessmen on the street presented a petition at the last council meeting and a lengthy discussion took place on the whole matter.

It would seem that the general layout of this street is the main fault and one that cannot readily be changed at this time. In view of this, the council can only plan according to that which will benefit the majority. This they believe they have done in regulating the street for two-way traffic by limiting parking to one side only. It would appear that there is no prospect of being able to widen this street and that is the only way that two-way traffic and two-side parking can safely be permitted.

The council has tried to make a compromise and has examined the prospects of getting more parking space on this street and under the present regulations. The Gleaner has been informed that this has been found to be impracticable and therefore will not be done.

It is felt that if the power poles are moved off the street that this will be a great help. Another suggestion was made during a discussion of the question and this was that the width of the sidewalk on the north side of the street could be cut down by about two feet and the street widened by this amount at the narrow point. With the removal of the poles also, it was felt that the street would then be sufficiently wide to allow two-way traffic and parking on both sides. It has been understood that the sidewalk is to be repaired at some time on this side of the street and that this would be an appropriate time to decrease the width of same. If the

poles cannot be removed from the street entirely, then they should be moved in onto the sidewalk as suggested, when the change in width would be undertaken. It was also felt that the expense of this would be at a minimum. The question of this would be to decide which is the most important, the width of the sidewalk or the width of the street. It does seem to have merit however, in view of the protests which are being received.

One thing which the council will have to agree upon is that when the winter storms come and the snow piles high, that Chateauguay Street will have to be cleared to the ground immediately after each storm, or the regulations as far as traffic is concerned on this street will amount once again to nothing. It must at all times be kept clear of snowbanks. A machine was offered to the council a short time ago which could well be used for such purpose and it might be a good plan to invest in such a machine.

There must be agreement with the council that a firm stand has to be taken as to what is done on Chateauguay Street, it cannot go on being changed this way and that, for truly it is being made a joke of. Some people ask if the regulations will still be in effect tomorrow. It is actually not a matter for joking, it is serious and there must be a solution forthcoming which will be satisfactory to everyone. First, however, it is necessary to give each plan a fair trial and to watch it in operation for signs of improvement or otherwise. We feel sure the council is not wishing to be arbitrary in its attitude, the only wish is to settle a question in the best interests of all concerned. This can only be done by the full co-operation of everyone and if there is to be criticism, it should be constructive. There are bound to be problems, but there is no reason, if given time, that such problems cannot be solved.

The Cost of Education Today

EVIDENCE that education is costing much more today than even a few years ago, is quite evident in our own area. At the meeting of the Huntingdon High School Board on Thursday night, a number of bills were read pertaining to text books which have been purchased for the use of the students and teachers throughout the entire school. Hundreds of dollars were involved in almost every bill that was read and the total could easily go into the thousand mark. Much of this is due to the recent decision of the Board to provide free textbooks for all throughout the school. A number of bills were also read pertaining to renovations and changes made at the school for the accommodation of the increased enrollment. The Board has temporarily at least overcome the problem of accommodation, but not without a great deal of extra expense. In addition, extra staff had to be obtained in order to take care of dividing some grades into two classes.

The Board is also toying with the idea of purchasing outright an additional bus for the transportation of the students to the school. A number of the buses on the various routes are crowded to capacity this year and in some cases it has been necessary for the buses to have a little longer route in order to pick up all the children. One such instance is going to cost the Board another \$100 which is a further indication of the increased cost of education. The Board therefore feels it

can cut its expenses by operating more buses of its own.

Actually, by what the Board has done this year, it has saved the ratepayers considerable money. It is felt that the changes made will defer the necessity of adding new building to the school for a few years. What has been done will make no difference to the rate of taxation for this year; thus the ratepayers will have gained this extra accommodation for their children at no extra cost to themselves. However, there is bound to be an increase in the expenses of operation of the school, but fortunately much of the costs will be covered by increased grants which will help to offset them. Nevertheless, this does not deviate from the fact that education is costing more today.

Education is a most important matter in our life today, for more and more employers are demanding certain standards of education for those they wish to employ. The fast pace at which the world is travelling and the greater science which is employed in all work, demands that workers shall be well equipped by way of education. Almost every job today demands that the worker shall be skilled in his work as well as in knowledge. Laboring has become so much a part of the machine job that there is little field in this direction. Therefore in order to benefit our children for the jobs they may be expected to fill later, they must have the best education possible. Naturally as more equipment is required, there must be a corresponding increase in the cost.

The Provincial Taxation Issue

IT SEEMS that it is not possible from one short conference to come to an agreement on the full return to Provincial taxation rights. In the case of Quebec it never agreed to a tax rental of its privileges, thus the problem is different. The new plan offered by the Federal Government while a generous one, does not meet with the approval of all concerned. Quebec, for instance does not want anything whatever that might be construed as subsidy from the Federal Government. The \$30,000,000 to \$40,000,000 bonanza to Quebec which has been talked about, does not meet with the approval of the Government of this Province. On the other hand the fact that this could be available to some of the other provinces who could not obtain large amounts. It is a case of all the other Provinces looking for a higher amount than the Federal Government is ready to agree to. It is pointed out that the Federal Government is unwilling to do anything which will result in increased taxation and such would be the case if the amounts to the provinces are made higher.

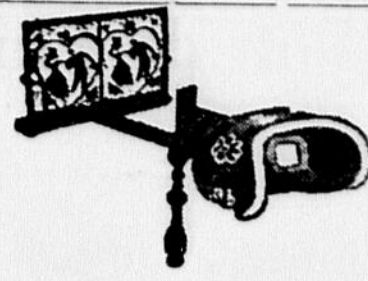

All provinces in Canada are not populated in the same proportions and neither do they all have the same amount of wealth, natural or from taxation. Yet, in some cases the territory which has to be taken care of is the same size or more, than the more wealthier provinces. In the case of some Prairie provinces, roads have to be built through long stretches of territory from which very little taxation can be derived. These roads have to be maintained at all times. The help that these provinces have been obtaining from the Federal Government has done much to keep

these services in operation. Whereas in the more populated provinces a greater amount of taxation can be obtained on account of the fact that there is a greater source for it to come from. Herein, apparently, lies the greatest difficulty to reaching an agreement as to the present proposals.

The Federal Government appears to be acting very generously, for it looks as if it will suffer a great loss in the fields it would be relinquishing. It would allow for a percentage deduction from the Federal taxation to compensate for the Provincial imposition of the taxes. Then it proposes to make up the difference where necessary, between the amount collected by the provinces and what they would have received under the rental agreement. It is quite possible therefore that as a result, the Federal Government would receive less from its revenue. How the loss would be made up is not made clear. However, if the Federal Government should pay more than what has been specified, it could easily lead to an increase in some other forms of taxation in order to meet the deficit.

The more wealthier provinces object to a part of their money be taken to help the less fortunate provinces. This should not be, for all provinces should consider themselves a part of the whole. In a business which has several units operating in different towns or cities, oftentimes the profits of one are used to keep the other operating and it is only the overall which is considered. Canada operates as a whole, it could not operate on one province, or two provinces, therefore help must be given to those in need in order to keep on an even keel. However, the prov-

May 10th: Huntingdon — There is going to be much excitement when Mr. Sullivan makes his report to the Town Council. Mr. Sullivan has been defining the street lines and finds a great many buildings on the public allowances. Chateauguay Street is said to be the worst offender.

May 17th: Howick — Week after week the people throughout the Howick section have been experiencing robberies of their hen roosts. Sometimes part of a flock would be missing, sometimes all, even to the hens setting for hatching eggs. It was with pleasure that the news was circulated early in the week that arrests had been made. A rubber tired buggy has figured in all the robberies and on Sunday night Roy Sayers of Howick landed the rig. He was driving home from Hemmingsford when he met a rig with a bag of hens in it. He was suspicious and after getting his father got into touch with Mr. Wm. Wilkinson whose hens were disappearing. They followed and overcame the rig. The rig was empty of occupants but well supplied with hens. Two coats, mitts and gloves, etc., proved two men belonged to the party.

The following day the outfit was claimed by one Boucher and yesterday the police made an arrest. Mr. Chrystomoe and took the prisoner to Valleyfield.

May 24th: Ness Bull Again Champion — Tuesday morning the judging of the cattle started at the one breed show that is being held at Boston this week. The aged bull class found Strathmore Gold Chink at the head of it, which meant a \$100 prize to R. R. Ness & Sons. Then he won the senior and grand champion ribbons and three trophies valued at \$50 each. He was then led back to his stall having made a clean sweep of everything that was available for the senior bulls. In the two-year-old bull class

Gilbert McMillan brought out South Craig Sir John and he was in fine mettle. The class was a heavy one and one of the strong classes so his placing at third was another plum to the Quebec men. In the yearling bull class Burnside Prim Guide of the R. R. Ness & Sons herd came third and J. W. Logan of Sunnyside Farm, Howick, came eighth with Sunnyside Ralph. In the next class for bull calves E. C. Budge of Beuharnois was in the prize money taking eighth prize in a Class of 13.

June 7th: Huntingdon — Sunday was the warmest day of the year up to that date, the thermometer going to 85.

June 14th: Town Tries Out Its New Fire Engine — Friday ex-Fire Chief Tremblay of Montreal demonstrated his fire engine in Huntingdon. The engine was put on the river bank opposite the Methodist Church and after considerable adjustment lifted the water 15 feet and then threw a good stream of water over the Methodist Church roof. It also in a height test washed the tiles above the cupolas in the spire of the church. It was tried out at various parts in the town, by direct connections with the water mains. Here it was found that more than normal pressure was necessary to give it a water volume to work with. On the whole the tests were considered satisfactory and the Aldermen felt that the town has better protection than has been the case for some time past.

The cost of the engine is \$2500 of which the share of the Town of Huntingdon will be \$1000. The Provincial Government will pay the balance. The Canadian Signal personnel who had made the supreme sacrifice.

The Week At Ottawa

OTTAWA (CP) — The four-day federal-provincial conference ended here last week with most of its major problems unresolved.

As the provincial premiers dispersed, Prime Minister St. Laurent said he may call another conference later this year if the leaders cannot settle their differences by correspondence. Still unsettled are such issues as tax-splitting methods and the launching of a national health insurance scheme.

Premiers will carry on their fight for a bigger share of the federal coffers but there were indications the federal administration may yield a little ground.

Mr. St. Laurent indicated he will gather all the provincial proposals and submit them to a committee of federal ministers. But the outlook for the scheme was none too bright. Some provinces as well as the federal administration questioned whether they could carry the financial load.

The premiers agreed to set up a permanent body of federal-provincial deputy ministers to provide a continuous economic link among the 11 governments. Each member would report back to his government. The committee would have no power to make recommendations as a body.

The premiers also agreed to have federal-provincial ministers meet later this year to consider ways of speeding up work on the trans-Canada highway and study other provincial proposals for public works.

The prime minister did not say so in so many words but it appeared likely that once the firm proposal is hammered out, the government

may hand it to the provinces on a "take-it or leave-it" basis.

Opposing Views — He described the conference as "successful as far as it went" but British Columbia Premier Bennett said it was a "fiasco" and that the work accomplished could have been done by letter or by clerks.

Award of a contract to prepare a design and cost estimate for a small low-cost "swimming pool" type experimental atomic reactor was announced last week. Canadian Ltd., of Montreal, Canadian manufacturer of the Sabre jet, was awarded the contract. The reactor's cost is expected to be between \$250,000 and \$300,000.

Also announced was award of a \$200,000 contract to Canadian Westinghouse Co. Ltd., of Hamilton, for design, development and fabrication of test equipment for the new \$40,000,000 NRU reactor now being completed.

Main job of the new "swimming pool" reactor will be to determine the extent to which various types of reactor fuels absorb neutrons, agent used to split uranium atoms and produce energy. Finding a method to prevent this absorption is one of the major problems yet to be solved.

Canadians to Pakistan — Canadian workers and their families next year may occupy 60 or more brick homes at a power project in Pakistan, a trade department official said last week.

The project is being built 19 miles from Peshawar by Angus Robertson Company of Montreal as part of Canada's Colombo plan assistance to Pakistan. The huge dam, powerhouse and other parts of the project are expected to cost approximately \$40,000,000.

It is expected approximately 60 Canadian workers will be employed largely as foremen and overseers—but the official declined to estimate how many dependents will accompany them to Pakistan.

MISSING FROM THE Christening

Aluminum was named by a man who never saw it. In 1807 the great scientist Sir Humphrey Davy decided that alumina had a metallic base, but failed to find a way to extract the metal. But he went ahead anyway and christened the unseen metal "aluminum". Later he changed his mind and re-named it aluminum. Both versions are still used.

Wonder if the English scientist ever dreamed of the day when, in far-off Canada, millions of hydro-electric horsepower would unlock the riches of alumina to produce more than 500,000 tons of aluminum a year?

inces have not yet been convinced of this and therefore there is no agreement.

The only other way this can be done, is by more concentration of population in the sparsely settled provinces and more industries from which to derive taxation wealth. It would mean prohibiting new settlers in the more populated provinces and making only available those provinces where the population is small. Such a plan would be well nigh impossible to carry out, for all persons would

not want to settle in Saskatchewan, for instance. People want to settle where they have a chance for employment and a decent living. They will only go where the opportunities are for what

In Memoriam

HAMIL — In loving memory of a dear mother, who passed away Oct. 17, 1951.
What would we give if we could say:
"Hello Mom", in the same old way.
To hear your voice and see you smile.
To sit and talk with you awhile.
A silent thought, a secret tear,
Keeps your memory ever near.
Always remembered by:
Daughter Lillian, Son Jack,
and Son-in-law Jimmy

SAMPLE — In fond and loving memory of dear Mel, who passed away Oct. 14th, 1941.
The month of October again is here.
To me the saddest of the year.
The blow was hard, the shock severe.
To part with one we loved so dear.
No length of time can take away
Our thoughts of you from day to day.
Always remembered by your loving
Mother, Father, Sisters and Brother Will

to pick up extra pupils. He claimed that the extra mileage entailed would be approximately 460 for the year. He asked for 25c. per mile. The Board was of the opinion that this should all be considered in his present contract as applying to the job in the area. Mr. Milne said he did not think he should be expected to drive and operate his bus for the extra mileage for nothing. The Board said he would not be doing it for nothing, but they did not think the charge should be 25c. per mile. One of the Board members offered a flat increase of \$60, but Mr. Milne refused. Another member of the Board said that before another year had passed, there would be some changes made as to the rates and contracts of the buses. Mr. Milne said he thought there should be a fixed rate for cases such as his and then it would be known what to expect. He certainly would not do it for nothing and no one else would either. It was finally decided to grant Mr. Milne another \$100 per year, a figure which he suggested, for one year only, starting from September 1st.

It was mentioned that the girls' basketball team were endeavoring to get themselves new uniforms for the coming season and they asked if the Board would be willing to assist them in the cost of these. They intended to stage something as a means to raising money for the uniforms, but did not think they could raise sufficient on their own. The Board agreed to help the girls in this matter.

The matter of renting parts of the school for various events and purposes again came before the Board and it was decided that a nominal fee would be charged in all cases of activities outside the school connections. The projector can only be used when the school operator is operating it and cannot be taken outside the school, a

New Minister Chosen

At a congregational meeting held at St. Andrew's Presbyterian Church, on Sunday morning following the regular service, it was decided to engage Rev. J. Grant, who answered a call here recently. It is not known just when the new minister will be able to take over his duties here, as several formalities have to be gone through before the change can be made. St. Andrew's has been without a resident minister since about the end of March. Since that time several ministers have answered calls to this church and now finally the congregation has decided upon Rev. Grant.

Mr. and Mrs. Bert Brownrigg of St. Johns, Que., spent Thanksgiving at the home of their sister, Mr. and Mrs. R. E. McWhinnie.

St. John's Church was very prettily decorated in the hall for the Thanksgiving service on Sunday. The spirit of the bountiful harvest was well demonstrated by vegetables, flowers, etc.

Several sidewalks in various parts of town are being torn up and re-laid. This work is presenting a great improvement wherever the work has been undertaken. Presently work is being done on Chateaugay Street from the Canadian Bank of Commerce corner to the United Church. A stretch has recently been completed on Henderson Street.

Holiday guests at the home of Mrs. Thomas Ruddock were: Mr. Sandy Campbell and Mrs. Helen Hindle, also Mr. and Mrs. Alex Seton, all of Montreal.

Among those who have returned recently from a summer visit to their homes in various parts of England, are: Mrs. H. Spencer and children, Mrs. J. Cockshott, Mrs. W. Atkinson, Mr. and Mrs. A. Fawcett. All report excellent weather and a very enjoyable holiday, the return crossing was a little on the rough side, due to the high winds then prevailing.

A party was held at the week-end at the Rod and Gun Club, Port Lewis, in honor of the birthday of Miss Lina Lindgren, daughter of Mr. and Mrs. A. Lindgren, owners of the club. Guests were present from Montreal and Huntingdon and there were two birthday cakes. The guests were entertained with dancing and a daughter of Mr. and Mrs. Kelly staged a tap dancing and ballet steps as a special number. Several of young men put on several choruses and one young man played piano selections. Everyone had a most enjoyable time and wished Miss Lindgren many happy returns of the day.

Mr. Brian Smith, who is attending Macdonald College School for Teachers, spent the Thanksgiving holiday with his parents, Mr. R. Greenbank, who is also taking a teaching course at Macdonald, spent the holiday with his family.

Will This One Take Grand Prize

Last week we published some of the catches that anglers have made in Lake St. Francis the past while and have entered in the Molson Fishing contest. Now above we show Miss Helen McCartney of Howick, who landed a big muskie weighing 38 pounds quite recently and this one too is going into the contest. She's caught no less than nine muskies this year. She fishes with the Buffalo Spoon and uses No. 7's and doubles, that is, two in tandem. She takes such fishing in her stride and does not make a great fuss over catching such a big one. You see in the photograph Miss McCartney, her rod and line and the muskie she caught — not bad eh! Lake St. Francis can still produce the big ones, it seems.

Maple Leaf Grange

The regular meeting of Maple Leaf Grange No. 11 was held on Tuesday evening, Oct. 4th, with worthy Master Allan Mack in the chair.

During the business part of the meeting Bro. A. Goodfellow reported that the work on the wood shed had been completed by voluntary work on a recent afternoon.

Bro. W. L. Carr presented the financial statement for the year ending Sept. 30th, 1955, and showed the Grange in good standing.

Bro. Howard Dunn, Pomona Master, conducted the installation ceremony, assisted by Sis. Dunn and Sis. Doris Tanner as emblem and regalia bearers. The Grange were pleased to have with them Bro. and Sister Farquhar, also of Bangor.

The officers installed were: Master, Allan Hunter; Overseer, Basil Kelly; Lecturer, David Rankin; Steward, Willis Sadler; Chaplain, Pearl Graham; Gatekeeper, Peter Tully; Ceres, Grace Booth; Pomona, Mary Whyte; Flora, Anita Smith; Sec'y, Rupert Hawley; Treas., Ruth Goodfellow; Lady Asst. Steward, Lenore Lindsay; Member of Ex. Com., Wm. H. Graham.

Lee, Bro. Rankin called on Bro. Hawley at this time and he in turn called Sis. Minchinton, pianist, to the floor and on behalf of the Grange members presented her with a nice leather brief case in recognition of the splendid service she has given the Grange on the Degree team and any other special occasions that came up from time to time. Sis. Minchinton, very much taken by surprise, thanked the members for the lovely gift.

Past Master A. Mack congratulated the new Master Allan Hunter and also thanked the officers and committees for their help and co-operation during the past two years. Worthy

A Bargain Sale

H-H Ayrshire Club

It was truly a buyers bargain day at the annual Howick-Huntingdon Ayrshire Breeders' Club Sale, held at Ormstown, Que., on October 5, 1955.

Fresh or nearly up to freshening cows and heifers were apparently favoured over similar animals that were later calvers, but, of course, as the results of the sale show, only up to quite a moderate level. Even at that the difference in the price paid could not be said to be any criterion as to why any animal sold higher or lower than the animal which either preceded it or followed it into the ring. However, that is really a common occurrence in any auction sale.

There were, of course, a number of the animals that were of the top rank, both as regards their physical appearance, their own or

ment: Minister of Finance \$100.30; L. R. Ross \$116.99; Shawinigan Water & Power \$103.57; Municipal Forms Reg'd \$162.92; M. E. Barrington \$100.00; Francis Hankin & Co. Ltd. \$190.97; Romeo Brunet \$21.20; Goyette Transport \$33.09; E. Robitoux \$1.50; A. Beaulieu & Fils Reg'd \$46.80; Marc H. Viau \$55.38; Ormstown Medical Centre \$2.90; Ormstown Bros. \$20.00; Imael Dandurand \$23.50; Wallace Collins \$74.30; Olivier Emond \$79.50; Calvin Martin \$4.50; Donald Primeau \$12.00; A. A. McCormick \$11.50; Lamb & Waller \$24.00; Willard Hamilton \$42.00.

Moved by Coun. Roy, seconded by Coun. Rennie that the plan D-7080-1 of the Shawinigan Water & Power Company for the improvement of street lighting be accepted.

Moved by Coun. Roy, seconded by Coun. McGerrigle that this Council accept from The Barrie Memorial Hospital a portion of a parcel of land designated as Lot No. 80-48 the portion being donated being 66 feet in width by 340 feet in depth on the north side of Highway No. 4.

Moved by Coun. Rennie, seconded by Coun. Dahme that we request the Quebec Roads Department to gravel a portion of a street bearing Lot No. 80-48 leading from No. 4 Highway and running north for a distance of 340 feet in depth by 22 feet in width.

Moved by Coun. Beauchamp, seconded by Coun. Roy that the rate of pay for workmen from the 1st of April to December 1st be 75c per hour and from the 1st of December to the 1st of April the rate be 60c per hour except when doing excavating work for purposes of water and sewer repairs the rate be 75c.

On motion of Councillors Beauchamp and Roy the Road Committee were instructed to investigate further and seek the advice of Mr. Leclavallier for better drainage on Roy Street bordering the Notre Dame du Rosaire School property.

On motion of Councillors Sault and Rennie the Police Committee were authorized to outfit our Town Policeman with clothing.

A delegation of farmers from the Upper and Lower Concession of Ormstown with a petition signed by 22 names concerning the Martin Creek and its branches was presented.

Moved by Coun. McGerrigle, seconded by Coun. Beauchamp that the Council of the Corporation of the Village of Ormstown has no objection to the Martin Creek and its branches being cleaned out in its natural course.

The Road Committee was appointed to investigate the cost of plowing the streets during the winter months by some private person.

A letter from the Board of Trade was read concerning the reckless and careless driving of motorists in the Village. The Police Committee were instructed to investigate further into this matter.

Coun. Dahme was appointed in charge of town workmen until next meeting of Council.

ORMSTOWN PARISH COUNCIL

Ormstown Parish Council met on Tuesday, members all present, Mayor Arnold Bryson presiding.

Minutes of meeting of September 6th were read and confirmed.

On motion of Councillors Dandurand and Bryson Lots P-1041-1042-1043 and 1044, Romeo Guerin, were ordered changed to Robert Gibeault in the valuation roll.

On motion of Councillors Kilgour and Smith the following accounts were ordered paid: Minister of Finance \$69.32; L. R. Ross \$11.84; Township of Godmanchester \$125; Village of Ormstown \$150; Shawinigan Water & Power \$6.81; Robert Younie \$40.00.

On motion of Councillors Smith and Bolduc the Mayor was authorized to sign hospital card of Joseph Ayon.

Moved by Coun. Kilgour, seconded by Coun. Bolduc, that all properties on which taxes are past due be sent in to the County Council to be sold if said taxes are not paid by December 24th, 1955.

Allan's Corners

Reception for Mr. and Donald Lang ALLAN'S CORNERS - On Friday evening September 30th, a wedding reception was given in honor of Mr. and Mrs. Donald Lang at the Brysonville Community Club Hall.

The hall was tastefully decorated with blue and white streamers. On their arrival Esther was presented with a corsage of red roses, followed by the grand March. Congratulations were then received and dancing commenced to the music of "Wilson's Westernaires."

At Midnight delicious refreshments were served by the groom's parents, Mr. and Mrs. J. D. Lang. Mr. Gerald Duncan, who was best man at the wedding, acted as Master of Ceremonies. After congratulating the bride and groom and telling a few jokes, he called on Mr. Merrill Tannahill who welcomed Esther on behalf of the Community Club Members. Mr. Douglas Kyle offered good wishes on behalf of relatives and friends from Hemmingford.

Messrs. Clinton McWhinnie and Kenneth MacDonald on behalf of relatives and friends presented the newlyweds with an envelope of money to which Esther and Donald replied thanking everyone and inviting all to visit them in Montreal.

All joined in singing "For They Are Jolly Good Fellows". Dancing was resumed for the remainder of the evening.

All departed wishing the bride and groom every happiness.

ed the eastern Toronto property just above the lakefront. On his retirement he established a stud farm on the 80-acre area.

In 1874 he sold the land to two partners, Messrs. Pardee and Howell, who built a trotting track, a stand, and an even more popular roadhouse. After a few years fire destroyed the roadhouse and the property reverted to Mr. Duggan.

Then in 1881 the enterprising Mr. Duggan approached a Toronto journalist, T. C. Patterson, to form a racing club and take charge of racing. The club was organized that year, and was granted a royal charter by Queen Victoria.

In 1939 new prestige was added to Woodbine when the late King George VI and Queen Elizabeth sat in the royal box. They were the first reigning monarchs to witness the running of the Plate. That year the king presented the 50 guineas to George McCullagh, late Toronto publisher who owned the winner.

Although the OJC has announced it will retain a one-half mile harness strip the future Woodbine is still in doubt. The city has been seeking the land for the extension of an expressway along the waterfront and has been eyeing the 80-acres as a future housing development and park site.

Covering the Activities of the "Little Royal" Exhibition Centre

Ladies' Curling Club Executive Meets — An executive meeting of the Ormstown Ladies' Curling Club was held at the home of Mrs. Earl Sault on Wednesday afternoon, October 5th, to start preparations for the second annual McGerrigle Bonspiel to be held this year from November 21-26 with play-downs on Nov. 26th.

The date of the opening tea for the club was set for Wednesday, November 2nd. It was hoped that those wishing to become members will get in touch with the President, Mrs. H. J. McMahon; Secretary, Mrs. Earl Sault, or Match Committee Convenor, Mrs. J. Davidson.

The Women's Auxiliary, Barrie Memorial Hospital — The monthly meeting of the Executive of the Barrie Memorial Hospital was held in the Board Room at 3 p.m. on Oct. 3rd.

Mrs. G. Elliot presided, with eleven ladies in attendance.

Mrs. Elliot reported that 64 woolen blankets had been delivered to the hospital at a cost of \$421.76.

The Board of Governors approved with gratitude the request from the Howick, Riverfield and Aubrey Branch that their donation of

\$500.00 go towards furnishing a living-room in the nurses' home. In due time the branch name will appear on the hospital's Donors' Equipment Board.

The latest returns from the Supper and Bazaar held on Sept. 15th showed receipts of \$1301.27. The executive felt that the cafeteria arrangement and extra seating space helped greatly in doing away with the long wait experienced in previous years.

A general meeting of the Women's Auxiliary has been called for Oct. 24th at 8 p.m. in the Board Room, when a short program will follow the business meeting. A request has been made for the old fashioned Fashion Show to be re-enacted. This item made a big hit at the opening of the Study Club. The raffle drawings will take place at this meeting.

Refreshments to be served by the Howick ladies. There will be no executive meeting in November.

Shower to Honor Miss Shirley Rice — Miss Shirley Rice was pleasantly surprised by a number of friends and relatives at a miscellaneous shower on Thursday night, Sept. 29th, at the home of Mrs. Donald Lang, Ormstown.

As Shirley entered, Mrs. Percy Osmond played the Wedding March and Mrs. Lang escorted her to a prettily decorated chair under a wheel of fortune. To the spokes of the wheel were attached by pink and blue and white streamers many gaily wrapped gifts.

Roberta and Heather Wallace presented Shirley with a corsage of "mums" and then assisted her as she proceeded to open the gifts. After these had been passed around for everyone to view, Shirley very graciously thanked all and invited them to visit her in her new home in Laprairie.

Mrs. Rice and Mrs. Whyte poured coffee at a table lit by pink candles and centred with the bride's cake which was decorated in pink and white with miniature bride and groom.

Decorations were carried out in pink, blue and white with varied fall flowers.

Delicious refreshments were served by the hostesses, Mrs. Donald Lang and Mrs. John Wallace, assisted by Mrs. Ivan Rember, Mrs. John Whitehead, Miss Anna Struthers, Mrs. Gail Waddell, Mrs. Herb McComb and Miss Annie Sangster. Everyone departed wishing Shirley every happiness in her new home.

W.C.T.U. Meeting — The October meeting of the Ormstown W.C.T.U. was pleasantly entertained at the home of Miss Black on Thursday afternoon, with an average attendance of members.

Mrs. Harold Parkinson presided. Devotions in charge of Mrs. A. Marshall were in keeping with Thanksgiving.

A splendid Thanksgiving message by the leader, and all repeating the Lord's Prayer in unison closed this worship service.

Necessary business was attended to which included a donation toward a memorial for the late Mrs. Dobson, and a contribution to placing benches in the International Peace Garden.

Nitro

Bowling League organized for Season

NITRO Employees of C. A. L. Nitro, and other Nitro residents, interested in bowling, met in the C.A.L. Community Center last week to organize bowling for the season.

The following officers were elected, President, Frank Burke; Secretary, Mr. I. Ruppert; Treasurer, Phil Boudreau; Match Committee, D. Campbell; Prize Committee, M. Zakem. A bowling tournament was held last week. The prizes went to Mrs. Frank Dawson, Mrs. M. Montpetit, Mr. Laforme and H. Thompson.

The bowling season will officially open on Monday, Oct. 17. The Girl Guides and Junior choirs of Nitro Protestant Church, under the direction of their leaders Mrs. Frank Barley and Mrs. S. St. Onge, decorated the church on Saturday. It was beautifully decorated with colorful Autumn leaves and flowers. Rev. Mr. Pelletier had the service Sunday morning, which was well attended.

On Saturday, Sept. 24, the Girl Guides and Brownies under the direction of their leaders sold home made cookies, cup cakes and candies from door to door. There were twelve guides. It was considered to be a success as they made \$27.31.

Mrs. J. Flynn and her daughter Miss Maureen Flynn were weekend guests of Mr. and Mrs. Bert Furlong.

Mr. Bernard Campbell has flown back to Baffin Island, after spending two weeks visiting his wife and baby daughter Laurie and other relatives.

Mr. and Mrs. Gaston Crepeau and family are spending the week-end in Magog.

Congratulations to Mr. and Mrs. William Keays on the birth of their daughter in the Hotel Dieu Hospital, Valleyfield.

Mr. and Mrs. H. Southern of Port William, were weekend guests of Mr. and Mrs. S. Clendenning.

Mrs. Allison Robertson and Mrs. Edna Heustis of Saint John, New Brunswick, have been guests of their daughter and son, Mr. and Mrs. Don Heustis.

Mr. and Mrs. Frank Yates of Beaurepaire and Mr. and Mrs. Holis London and Jackie were weekend guests of Mr. and Mrs. Kenneth Steele.

Mrs. E. Quesnel entertained about fifteen friends at a miscellaneous shower for Mrs. William Keays. Mrs. T. Brady assisted Mrs. Quesnel in serving refreshments.

Miss Alice Phene of Toronto was a weekend guest of her brother, Mr. William Phene and family.

Mr. and Mrs. J. A. Smith and family of Deep River, Ontario, were weekend guests of Mr. and Mrs. B. F. Clarke and family.

Mr. and Mrs. E. S. Kennedy and daughters spent the week-end in Toronto.

Mr. and Mrs. David Prosser and Michael spent the week-end in Ormstown with Mrs. Prosser's parents.

The Teachers of Nitro Protestant School, Mrs. Gordon Sneddon of Nitro, Mrs. Tucker of Valleyfield and Mrs. Gail Pert of Nitro attended Teachers' Convention in Montreal on Thursday and Friday.

Among those from Nitro, attending the Campbell-Lang wedding in Aylmer, were Mr. and Mrs. Frank Burke, Mr. and Mrs. Geo. Pert, Mr. W. Fung-ling, Miss S. Bergeron and Miss P. De Marchais.

Friends of Nitro were shocked and saddened to hear of the sudden passing of Mr. O. P. (Pete) Drummond at his home in Nitro, on Sunday evening.

WEDDINGS

Brooks-Anderson

The Gore United Church was the scene of a very pretty wedding on Saturday, Sept. 24th, when Helen Elizabeth, younger daughter of Mr. and Mrs. Nelson Anderson, The Gore, became the bride of Ross Allen, son of Mr. and Mrs. Kenneth Brooks, Franklin Centre.

Rev. J. P. Travis officiated at the double ring ceremony. The church was tastefully decorated with Gladioli and Asters. The guest pews were marked with white satin bows and candy tufts.

The wedding music was played by Miss Roberta Ruddock. Mrs. Marion Reese of Atholstan sang "The Lord's Prayer", and "Oh, Perfect Love".

The bride who was given away by her father, wore a floor length gown of white nylon net over taffeta skirt, with white velvet bodice and nylon net stole and mittens. Her finger-tip veil was held in place by a crown of Lily of the Valley. She carried a white Bible with a corsage of blue Delphinium. Her only ornament was a single strand of pearls, gift of the groom.

Her Maid of Honour, Miss Shirley Marshall, wore yellow net over taffeta. The bridesmaids, Mrs. Kenneth Stevenson, sister of the bride, were green net over taffeta and Miss June Brooks, sister of the groom wore pink net over taffeta. They carried bouquets of multi-coloured snap-dragon and wore pearls, gift of the bride.

Little Susan Erskine, cousin of the bride, as flower girl was dressed in a short pink frosted nylon dress and carried a nosegay of pansies. She also wore pearls, gift of the bride.

Little Johnny McMillan was ring-bearer, carrying the two rings on a white satin pillow.

Mr. Gordon Brooks, brother of the groom, acted as best man. The ushers were Mr. Ronald Livingstone, brother-in-law of the groom and Mr. Kenneth Stevenson, brother-in-law of the bride.

Mrs. Nelson Anderson, mother of the bride wore a two-piece dress of Burgundy Bemberg crepe, with black accessories and a corsage of Gladioli.

Mrs. Kenneth Brooks, mother of the groom, wore a blue suit with black accessories and a corsage of Gladioli.

The reception was held at the home of the bride's parents. The house was decorated with white, pink and blue streamers and wedding bells, a beautiful three-tiered wedding cake centred the Bride's table.

After the reception the happy couple left for a trip through points of interest in the U.S.A. The bride wearing a grey wool dress with matching hat and red accessories with a corsage of red Gladioli.

Out of town guests were Mr. and Mrs. Ronald Livingstone, Greenfield Park, Quebec, Mr. and Mrs. Robert Anderson, Toronto, Ont.

Cullen-Dickson On Saturday 8th, at 3 p.m. at the home of the groom's mother, Mrs. John Cullen, Howick, Que. the marriage was solemnized of Mrs. Margaret Dixon, daughter of the late Mr. and Mrs. Colin McKenzie, to Mr. John Cullen, son of the late Mr. John Cullen and Mrs. Cullen. The Rev. Mr. W. A. Edwards of Howick United Church officiated at the ceremony.

The wedding music was played by Miss Janet Page, niece of the groom. The house was tastefully decorated with Autumn flowers.

The bride was given in marriage by her brother-in-law, Mr. John Smith of Toronto.

She wore a street-length frock of cocoa brown nylon taffeta, a small pink satin petal hat, pink gloves and brown accessories, and an orchid corsage. She was attended by her sister, Mrs. John Smith as matron of honour. She wore a street length dress of forest green satin, with black accessories, and a corsage of American Beauty Roses.

Little Miss Elaine Dixon, daughter of the bride, acted as flower girl. She was charming in a frock of sheer brocaded nylon, with matching hair ribbon, and wore a bracelet of sweetheart roses.

Mr. Roy Cullen acted as best man for his brother.

Following the wedding reception, Mr. and Mrs. John Cullen left for a motor trip through New York State.

Quenneville-Robidoux

The marriage of Jeannette, daughter of Mr. and Mrs. Zenophile Robidoux, of St-Anicet, Que., to Raymond, son of the late Mr. and Mrs. John Quenneville, of St. Agnes de Dundee, Que., took place on Oct. 1st, 1955, at St. Anicet, R. C. Church. Rev. Father Deguire officiating. Miss Mariette Latraille was organist and Miss Lucie Benoit, Solist.

The Church was tastefully decorated with autumn flowers.

Given in marriage by her father, the bride's only attendants were little Miss Collette D'Aoust as flower girl and Master Maurice Haineault as page boy. Mr. Athanase Lavoie, Montreal, was witness for the groom.

The bride looked charming in a floor-length gown of white nylon lace over white dacton. Her finger-tip veil of nylon net was held in place with orange blossoms and rhinestones and her only ornament was a pearl necklace, the gift of the groom. She carried a cascade bouquet of red and white roses. The flower girl was gown in pale blue nylon and carried mixed rose buds.

The bride's mother wore old rose crepe, with black accessories and a corsage of pink roses.

The groom's sister, Miss Lucille Quenneville, wore blue dacton, with pink accessories and a corsage of pink roses.

After the ceremony some 145 guests were entertained at a delicious dinner at St. Agnes Hotel. At the head table was a beautiful four-tier wedding cake, which was cut by the bride and groom.

During the afternoon music for dancing was supplied by The Morin Bros. of Massena, N.Y. At 5 o'clock the happy couple left for a trip to Quebec City and other places of interest in Quebec, the bride travelling in an old rose suit with blue accessories, and the groom in a tuxedo, brown suit. On their return they will reside at St. Agnes de Dundee.

Mr. and Mrs. R. Quenneville received many lovely gifts.

Guests from a distance were Mr. and Mrs. Robert Kenville, Penn. Yan, N. Y., Mr. and Mrs. Joseph Quenneville, Cornwall, Ont., Mr. Eugene Latulipe, Miss Estelle Latulipe, Bombay, N. Y., Mr. and Mrs. Philias Langevin Helena, N. Y. and from Montreal Mr. and Mrs. A.
