It is said this decision was reached after negotiations with Independent Socialists led by Dr. Cohn, in which the latter had threatened to attack the new Government forces with armed workmen.

A Wolff Bureau despatch from Berlin states that Colonel Bauer, confidential adviser to General Ludendorff, has been assassinated. A general strike is effective over nearly all of Germany.

(Associated Press Despatch)

PARIS, March 17.—The news that came through during the night from Berlin and other German points, telling of sanguinary clashes at Dortmund, Leipzig, Mannheim, Frankfurt and Brunswick, together with a report that a Council of Workmen had assumed power at Chemnitz, has given the impression here that there is more to be feared from the revolt of the Spartacan movement than from the activities of the Kapp Government in Berlin. According to the latest despatches, the military movement has resulted in bloodshed in twenty-four German towns. The Spartacans are reported to have risen in Dresden, where a clash with troops is declared to have resulted in a casualty list of 100 dead and 300 wounded. Government Formally Introduced Legislation for State Control of the Liquor Traffic.

(Associated Press Despatch) KINGSTON, J. A., March 17.—The Government formally introduced legislation today for state control of the liquor traffic.

The governor of Jamaica, Sir Leslie Prynne, in his address at the opening of the Legislative Council today, submitted a proposal to reduce by 50 per cent. the duty on cotton and woollen products in the British Empire on entering Jamaica. This would have the effect of diverting trade from the United States to the United Kingdom.

It is proposed also to impose a tax on sugar exported from the colony, and to establish a cement factory to augment the revenue of the Government. A loan of \$15,000,000 is to be floated for carrying out works of improvement.

BRITISH STEAMER WENT ASHORE AND STARTED TO BREAK UP — MEMBERS OF CREW FORCED TO TAKE TO BOATS

Disaster Overtook the Steamer Tewkesbury with Such Suddenness that it Was Impossible to Render Assistance, and it Will Be Some Hours Before Help Arrives at the Scene.

(Associated Press Despatch) ALIFAX, N. S., March 17.—The British steamer Tewkesbury, eastward bound from Hampton Roads, went ashore at two-thirty o'clock this morning, four miles north-west of Cape Hine, Nfld., according to information reaching the Naval Department here. Further advices stated that the ship began to break up shortly after striking, and that the crew of approximately thirty men seized their own opportunity and took to the boats in an endeavor to find shelter at the base of the two hundred foot cliffs, which line the Newfoundland coast at this point. Disaster overtook the ship with such suddenness that it was impossible to render assistance and it will be some hours, it is believed, before help arrives at the scene. At two-thirty a. m., the wireless operator aboard the Tewkesbury reported that the steamer was ashore and thirty-seven minutes later he reported that the crew had been forced to take to the boats, in an endeavor to land at "Bay Last." The last word from the Tewkesbury, previous to her going ashore, was received at noon yesterday when she asked for and received her position from the directional finding stations at Cape Race and Canso. Her position at that hour was 48.03 north, 56.15 west, or forty-two miles south (true) of St. Pierre, Miquelon. The Tewkesbury was a steamer of 2704 tons.

Chairman Mack of the Soldiers' Settlement Board, announces that plans have been completed for throwing open, about April 20th, a number of former Indian reserves for the benefit of returned men. These reserves, which are in Saskatchewan, will aggregate some \$4,000 acres.

DEBATE ON EMPIRE CENTRALIZATION

Concerning the rumor that there was a movement to centralize the British Empire, there were some stirring speeches made by Hon. Mackenzie King, Hon. W. S. Fielding, Hon. C. J. Doherty and Hon. Geo. Foster. The latter stated that there was no ground for the report.

The House unanimously approved the ratification of the Peace Treaty with Bulgaria.

Third reading was given to the bill transferring the powers formerly vested in the Dominion Police Commissioner to the Commissioner of the Royal Canadian Mounted Police. The bill to reduce the amount of silver in Canadian coins was also given third reading, and the bill to amend the Annuities Act was formally reported.

The debate was concluded by Hon. N. W. Howell.

CANTEEN FUND QUERY

Col. J. A. Currie will ask the following question in the House: "Is there a sum of money as a surplus from the operating of the army canteens in Great Britain and France? How much is that fund and who holds it at present? How much is Canada's share? Has any decision been arrived at in the matter of the disposal of such a fund, if any?"

Tomorrow A. T. Leger, Kent, N.B., will ask the cost and maintenance charge for the armory building at St. John; whether this expensive building is permanently occupied and by whom; and how much, rent the Government is paying for several offices occupied by it in the city of St. John.

PLEADS GUILTY TO STEALING FROM HOTEL

Man on Parole from Penitentiary Robs Roomers of Clothes and Effects.

For some time mysterious thefts have occurred at the "Hotel des Voyageurs," and until quite recently no clues were available as to the perpetrator. Yesterday, however, two boarders at the hotel missed their clothes and effects, and later found some of them in the possession of Armand Jacques, who is on parole from a penitentiary term for thefts committed some years ago from cottages at Lake Elmer.

At first accused denied his guilt, and when he appeared before Judge Mulvins pleaded not guilty, and asked for trial by jury. As evidence was strong against him, some of the clothes being found in his possession, he changed his plea to one of guilty and asked for a speedy trial. He will be sentenced today.

The complainants, L. Cirino and C. Talarico, claim that they lost effects amounting to \$96 and \$77 respectively. Some of the property had been sold and some has not yet been recovered.

HAD ECZEMA For Over 28 Years

Eczema or Salt Rheum manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust is formed, and the intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat is almost unbearable.

The success which Burdock Blood Bitters has met with in skin diseases of such severity is due to its wonderful blood cleansing and purifying properties, and we know of no other remedy that has done or can do, so much for those who are almost driven to distraction with the terrible torture.

Mr. James Walker, 152 Niagara St., Hamilton, Ont., writes: "I have been using Burdock Blood Bitters for some months past, and find it an excellent remedy for skin eruptions. I have suffered with eczema for over 28 years, and have tried almost everything you could think of, I was recommended to use Burdock Blood Bitters, and I am now clear of my skin trouble. It is certainly a good remedy and I shall recommend it to all my friends."

THE SCOTSTOWN LADIES HELD GOOD MEETING

Missionary Society Appointed Delegates to Sherbrooke Convention — Other Church and Social Events.

SCOTSTOWN, March 17.—A largely attended meeting of the Women's Missionary Society was held on Thursday afternoon, at the home of Mrs. R. A. Scott. After the opening exercises, a paper on the twenty-third Psalm was read by Mrs. Robert Murray, also one on "The Joy of the Christian Life" by Mrs. A. Sherman, which were very instructive and helpful. These papers took the place of the regular lesson, which was on the Indians, as the time was taken up with a good deal of business, which had to be attended to. Delegates were appointed to attend the Provincial Convention, to be held in Sherbrooke, on the 24th, and 25th, of March. The hostess, assisted by Miss Margaret MacKay, served a dainty lunch. The meeting closed with the "Mizpah" benediction.

General Notes.

Mr. Ward, a Lay reader from Bury, led the services in St. Alban's church on Sunday, in the absence of the pastor, Rev. P. R. Roy.

The Model School have a full attendance once more after the temporary closing, and are working hard to make up for lost time.

The services in the churches on Sunday were not very largely attended, owing to the weather being so stormy.

A meeting of the Ladies' Aid was held at the home of Mrs. Robert Scott, on Wednesday afternoon, this being the first meeting held for weeks, owing to so much sickness in town. A good number were present and a nice amount of work was accomplished. The hostess served a lunch at the close of the meeting.

Mrs. Christie, from Lachute, was the guest of her parents, Dr. and Mrs. J. R. MacLeod at the Manse.

Miss Ethel Sherman, from Cookshire, was the guest of her parents, Mr. and Mrs. A. L. Sherman, for the week-end.

Miss Margaret MacKay, from East Angus, was the guest of her parents, Mr. and Mrs. Angus MacKay.

Miss Maud McRitchie returned from Lingwick to resume her duties at the Model School.

Mr. John Taylor has closed his camp, at McGill Lake, for the season.

Mr. Alexander Tossell and family, from Moosehead, Maine, arrived in town last Saturday. Mr. Tossell is a former resident and intends making his residence in town in the future.

Mr. Napoleon Duquette, of St. Leon, was in town last Friday, on his way to Chertville, where the body of his son was expected to arrive from the Maine woods, where he lost his life in the severe storm about a week ago.

Word has been received from Rev. P. R. Roy, who left here for Quebec some three weeks ago, that he is still in the hospital there, but is recovering from his illness.

There is, at present, quite a shortage of fuel. Several families who thought last fall they had plenty of wood and coal now realize that, on account of the very severe weather, their stock of fuel is gone, and people are finding it hard to obtain either wood or coal.

News has reached here that there is a bad epidemic of "grippe" in the Township of Dutton and Chesham. On the Cacohie Range every family affected. The town officials have had to take the matter in hand so that the sick ones may have the proper care.

The services at St. Alban's Church, last Sunday forenoon were conducted by Mr. Ward, a Lay reader from Bury.

There will be a special business meeting at the Advent Christian Church, next Thursday evening at 8 o'clock.

A HIGHLAND STOIC

A man walking past a graveyard in Scotland beheld an aged friend seated on the wall, and evidently under the weather.

LARGE AMOUNT OF LUMBER NOW AT SPRING HILL

Expected that Most of Wood Will Be Out from Woods Before Roads Break Up.

SPRING HILL, Que., March 16.—(Special).—With the prevailing high market prices for all kinds of lumber and pulpwood, a larger amount of it is being brought into town this year than for many years previous.

The severe storms of the past few weeks have delayed hauling operations to a certain extent, but it is thought that the larger amount of it will be out of the woods before the roads break up.

There has been but a small quantity of pulpwood shipped from here as yet, owing to the present shortage of foreign box cars, and an embargo which has been placed on certain ports in the United States. However, a considerable quantity of sawed lumber and logs are being shipped.

Mr. Alphonse Lapierre, who purchased this year's cut of lumber from Mr. Bernard, of the White River Mill, has already shipped the larger part of it to Portland, Maine. Mr. Nap Portier has sent several carloads of logs to the Guelph Patent Cask Co., while Mr. Joe Lecour has shipped a number of carloads to the Megantic Broom Co., for manufacturing purposes.

Messrs. Rousseau and Guertin have finished the hauling of their railroad ties.

SCHOOL BOARD AT BURY HELD BUSY SESSION

Teachers Were Appointed for the Ensuing Year — Other General Bury News.

BURY, Que., March 17.—(Special).—An adjourned meeting of the Protestant School Board of the municipality of Bury was held in the town hall on Saturday afternoon last, with Dr. Alex. Macdonald, the chairman, presiding. There was a full attendance of commissioners. The chief business of the meeting was the engagement of teachers for the various schools for next season. After considerable discussion the following were engaged:

For Bury Intermediate School: Model room, Miss Primrose Lindop; elementary room, Miss Olive McLeod; primary room, Mrs. L. D. McLeod.

The undermentioned were engaged for the district schools: No. 4, Miss Cecelia S. C. Coates; No. 5, Miss M. McDonald; No. 7, Miss E. S. Fehleman; No. 9, Miss Agnes Buchanan; No. 11, Miss Annie McLeod.

The salaries for the district school teachers with diplomas was set at \$45 per month. There are several other teachers to be yet engaged, and the meeting was then adjourned until Saturday, March 27.

Extensive Lumbering Operations. Quite extensive lumbering operations have been carried on in this vicinity during the present winter season, in which Messrs. F. M. Pope & Son, mill have received about two and a half million feet of lumber, and the Bury Pulpwood and Lumber Co. have received about two million feet, this all being in logs, together with large quantities of pulpwood, which has been delivered at the various sidings along the railway line.

The lumbermen have now about concluded their operations after a long spell of hard weather, which made it very hard on the teams that were hauling their logs on account of so much snow and the intense cold weather. On Friday last appeared the first real thaw of the winter, which has greatly relieved the numerous farmers who have been compelled to haul water for their stock for the most part of the winter owing to the severe weather, which froze up their supplies.

Ladies' Aid Held Meeting. A meeting of the Ladies' Aid of the Methodist Church was held at the home of Mrs. William McAuley on Thursday afternoon last, with Mrs. Herbert Keynes and Mrs. McAuley as hostesses. There was not a large attendance of members of account of several cases of sickness among the members. The president, Mrs. R. Crawford, presided, and after some discussion it was decided to hold an afternoon tea and sugar social about the first of April, the question of setting the date to be left with the president and vice-president.

General Notes.

The post office which has been an eyesore to the public so long, has lately been enlarged, but only for the benefit of the postal staff. This was very necessary as previously there was hardly room to weigh a large parcel. However, it is high time the powers gave this growing town a real post office.

The local Health Officer has at last removed the ban on public gatherings and once more the movies and dancing are underway. Owing to Lent being with us the usual crowd is much reduced.

The future of the travelling butcher is at stake, as negotiations, if developed, will see a butcher's store opened here.

RECITAL HELD AT COATICOOK MUCH ENJOYED

Large Audience Gathered at Baptist Church to Hear Programme—Other General News.

COATICOOK, Que., March 17.—That Coaticook music lovers are becoming increasingly interested in good organ music was evinced by the large audience, that despite the storm, gathered at the Baptist Church on Saturday evening to hear the excellent recital given by Prof. Stone, assisted by the choir of the Baptist, Methodist and Episcopal Churches. The organ was first opened by the president of the Baptist Mission Circle, since it was owing largely to their efforts that the organ was purchased. An interesting and well selected programme followed including two numbers by the united choirs, Anthem, "Peace be Within Thy Walls" and "O Pray for the Peace of Jerusalem," Quartette, "Hail to the Lord Anointed," by the Methodist choir. Solo, "There was a Green Hill Far Away" by Mrs. M. T. Lovell.

In his own recital Prof. Stone gave several interesting and well selected numbers. Throughout the varied series he showed excellent mastery of organ technique, interpretation and full command of the tonal capacities. He invariably evinced a determination to interpret the true message of the composer, rather than emphasize the organist. The sum of fifty-five dollars was received by the collection.

At the close of the concert, those who assisted in the programme were invited to the vestry, where delicious refreshments were served by the ladies of the Baptist Church.

RECEPTION TO MR. AND MRS. BISHOP

On Friday evening, March 5th, Mr. and Mrs. D. S. Bishop were given a reception, which was a surprise to the aged couple, by their children at the home of their only daughter, Mrs. Joseph Grady. The occasion was the 55th anniversary of their marriage. The evening was pleasantly spent in recalling old time happenings of their wedding years, and in listening to piano and violin music rendered by their children and grand children. Thirty-five guests were present to take part. This number included their own children, grand children, and great grand children. A few other relatives and intimate friends were also present.

During the evening Mr. G. C. Fletcher, an old friend of younger days, expressed a few remarks appropriate to the occasion, in which he had been present to celebrate, and wished Mr. and Mrs. Bishop many more years of happiness.

General Notes.

At the hospitable home of Mrs. B. J. Smith on Tuesday, March 5th, a very pleasant afternoon was spent. A number of Mrs. Smith's intimate friends gathered to give her a surprise and wish her many happy returns of her birthday. A social time was spent, after which delicious refreshments were served in the dining room. Unknown to Mrs. Smith the table had been arranged for the occasion by her daughter, Mrs. Stuart Smith. A birthday cake with lighted candles decorated the centre of the table and pink tulips were very prettily arranged and formed the other decorations. Mrs. Stuart Smith was assisted by Mrs. Welch, who presided over the tea tray. The tea hour was delightfully spent, after which the guests expressed their good wishes and departed.

Mrs. Wm. Akhurst, who has been the guest of her mother, Mrs. Mary Nunn, left town on Thursday evening for St. John, N. B., sailing from that port aboard the steamship "Empress of France" for England, where she will join Mr. Akhurst and spend a few weeks with Mr. Akhurst's relatives in England, returning in the spring. The Empress of France sailed on Sunday instead of Saturday owing to the storm.

A meeting of the W. C. T. U. will be held on Friday afternoon at the home of Mrs. G. L. Masten on Baldwin street.

Mrs. Lovell expects to return to the hospital in the course of a few weeks for further treatment.

The pleasant home of Mr. and Mrs. G. L. Masten on Baldwin street was the scene of a delightful surprise party on Wednesday evening last, when about thirty of Mr. Masten's old pupils and friends were pleasantly entertained by Mrs. Masten in honor of Mr. Masten's eighty-fourth birthday.

Mr. Henry Elliott has returned home, after having spent a few days with his son, Mr. Carol Elliott, in Lynn, Mass., also a few days with his mother, Mrs. Chas. Elliott, and other relatives in Berlin, N. H., on his way home.

"I think he must be, 'cause I heard say last night that he raised his ante."

ACTIVITIES OF VARIOUS KINDS HELD AT MAGOG

Memorial to "Boys" Erected—Sunday Schools are Busy—Speaker from Ceylon Addressed Assembly.

MAGOG, March 17.—Scouts are planning to attend church at Easter, in memory of those who made the supreme sacrifice, and to commemorate the great battle of Vimy Ridge. Plans are also under way for an early camp. The sick duty squad have done excellent work assisting the sick during the "flu" attack. All but one of the members, unfortunately, are themselves sick with the same malady, the exception, Corp. A. Harrison, still carrying on the work.

There was no parade last week, owing to the fact that S. M. Kingsland was laid up with the "flu," and A. S. M. Price was at home nursing a hand from which two fingers had been amputated. Three samples of Scout naturalists' mountings were sent to the Scout exhibit, and have been returned. The contributors are as follows: Corp. R. Moffatt, K.S.; Corp. R. Moffatt, 2nd group; Corp. R. Kingsland, 3rd group.

Troop Leader R. Gravel has been asked to prepare some animal and bird mounts for the summer hobby show, and if in the same class as the mount which was too late for the present exhibit, he will, no doubt, win first place. There will also be several samples of local work going in, as some excellent samples have come to the S. M.'s attention, aeroplane work a specialty. Corp. Cecil Gaunt had his model out this week for a trial spin, and it went well, but it will need to be tightened up a bit. The Cubs will start parade again after Easter.

Sunday School Institute.

A Sunday school institute was held here on Friday of last week in the Methodist Church parlors, in spite of the fact that there was a heavy rain-storm, accompanied by thunder and lightning, there was a good turnout of Sunday school workers in connection with the various local Sunday schools. In the afternoon there was a short programme, as follows:

Chairman, Rev. A. E. Shorten; address, "Efficiency in the Sunday school," A. E. Smith; address, Sunday school work and some of its problems, Rev. E. B. Husband; solo, M. S. W. Potter; address, Blackboard work, Mrs. M. McKenna; questionnaire, conducted by the Rev. M. Doyle, of Toronto. During the course of the afternoon, Mr. Doyle also addressed a number of the Sunday school scholars in the Sunday school room: of the church.

In the evening another programme was given as follows:

Chairman, A. E. Smith; scripture reading, prayer; solo, Mr. B. W. Buckley; address, Rev. A. F. Shorten; solo, Miss Alice Evans; address, Rev. M. Doyle.

The last address soon developed into a round table conference, during which this expert in Sunday school work gave considerable information relative to Sunday school work. The Sunday school has become the most important branch of church work, and it is widening its sphere of usefulness in every direction, and is looking not only after the spiritual welfare of the youth on Sunday, but is also endeavoring to look after his mental, moral and physical needs during the week day as well. The evening programme was cut short owing to the fact that Revs. Doyle and Shorten had to leave to board the evening Halifax train.

Memorial to Heroes Unveiled.

An interesting ceremony was held in the Sunday school room of the Methodist Church at the Sunday school hour on Sunday last, when a memorial tablet was erected in memory of the boys who paid the supreme sacrifice during the great war, and who, previous to their departure for the front, were members of this Sunday school. In spite of the blizzard, the Sunday school room was filled by the Sunday school scholars, parents, friends, etc. The unveiling was held just after the scholars had convened for a curtailed Sunday school lesson period. The actual unveiling was made by Mr. Cunningham, secretary of the local branch of the G.W.V.A., who was well acquainted with all of the boys whose names are inscribed on this memorial tablet. The following is the programme as rendered at this event:

Hymn, "Onward Christian Soldiers"; prayer, Rev. S. W. Boyd; response, by Sunday school choir; solo, Miss Alice Evans; lesson, reading; address, Mr. A. E. Smith; address, Rev. S. W. Boyd; address, Rev. J. De Pinto; unveiling, Mr. G. Cunningham; prayer in concert, by all present; solo, Miss M. Broadbent; solo, Mr. E. Buckley; hymn; benediction, Rev. S. W. Boyd.

In the address by Rev. S. W. Boyd and Mr. Smith, it was pointed out that the memory of these young lads would ever remain dear to all, and that this tablet, erected in their memory, should ever spur us on to overcome all obstacles as they had done, and that it should prove a perpetual reminder of their courage and fortitude in times of stress and danger.

Rev. Mr. DePinto stated that while he did not know the boys personally, he could bring a message from that far off crown colony of the same Empire, Ceylon, and that the whole Empire had faced the danger shoulder to shoulder.

Mr. G. Cunningham, however, who performed the unveiling, was brought up with the lads, enlisted with them, trained with them, and went into the trenches with them, and he is therefore well acquainted with their whole life history, so that he was peculiarly fitted to carry out this part of the

There is also a sixth name to be attached at a later date. The names of the boys who paid the supreme sacrifice are as follows: C. Sandell, F. Browne, M. Bullard, G. Bottoms and H. Cox. The sixth name to be added is C. Naadin.

Anniversary Services.

Arrangements are under way for the annual anniversary services in the Methodist Church. These services will be held the last Sunday in March. The annual church supper and programme will be held the following evening. A former pastor, Rev. T. Roy, will be present on this occasion, and will preach at both services. It will also afford his old friends and acquaintances an opportunity to renew pleasant memories of his sojourn here. There will also be a new departure in connection with the anniversary supper, that in place of the ladies taking charge of the function, the men will try to manage affairs.

Native of Ceylon Spoke.

Rev. J. P. DePinto, a native of Ceylon, at present taking a post-graduate course at McGill University, preached at both services on Sunday in the Methodist Church, and also delivered a lecture on his native country on Monday evening. At all of these functions he held his audience almost spellbound. This was due to a variety of reasons. Not only was the West receiving a message from the East, but was getting the viewpoint of the East on questions of the West. Another remarkable feature was his diction and his command of English, which is not his native tongue. Mr. DePinto explained that his aim in life is the translating of the Bible into certain dialects in his native land, which has been described as the second Garden of Eden.

Are Game Laws Observed.

It is rumored, and probably on good foundation, that as is quite customary during the winters here, hunters here and there are not paying much respect to the law, but are shooting deer whenever and wherever possible. Another feature is that at this season they are so lean that only small portions of them are brought home.

ST. PATRICK'S DAY FITTINGLY OBSERVED HERE

National Feast of Ireland Daily Celebrated by "Wearing of the Green" and Entertainments.

Today, the 17th of March, will be celebrated throughout Christendom as the festival of St. Patrick, the patron saint of Ireland.

Thousands of Irishmen and their descendants the world over will wear the green ribbon or the tiny knot of shamrock, perhaps grown on the old soil, in honor of the day, while the stirring strains of "St. Patrick's Day" will resound from thousands of bands.

The green flag of Ireland, with the golden harp, will be carried proudly at the head of many parades, and from eloquent lips will be heard burning words of love and hope for the dear green country across the sea.

St. Patrick was born, tradition says, in or near Kilpatrick, Dumbartonshire, in the year 387. When in his nineteenth year he was kidnapped in an invasion of the Scots, and taken to Ireland, where, for six years, he was in captivity, and herded sheep.

He escaped in a pagan vessel to England and became a priest, but yearned to return to Ireland as a missionary and carried out his design, sailing immediately.

For a long time he met with little success, but little by little he won the hearts of the people, and they learned of the true God from Patrick.

It is said that he taught the doctrine of the Trinity through the trefoil, the little three-leaved plant, the national emblem of Ireland. When he was forty-six, he was consecrated Bishop, and continued his work, ordaining many priests, who assisted him with zeal. All the whole country was Christianized and religion reigned supreme.

St. Patrick died in the year 463, deeply lamented, and was buried at Downpatrick. He was canonized, and the name of St. Patrick is revered and honored, for his entire life was a benediction.

His cross appears with that of St. George and St. Andrew on the flag of Britain, the Union Jack, which will be flung to the breeze today, in honor of the apostle of Ireland.

Locally, St. Patrick's Day is observed quietly but effectively. The "Wearing of the Green" and the "Dear Little Shamrock" proclaim that today is "The Seventeenth." This is also the titular feast of St. Patrick's parish in the city, and High Mass was celebrated there at 8.30 o'clock this morning, followed by a panegyric on the Patron of Ireland.

This afternoon, the ladies of the Catholic Women's League will serve tea in the basement of the Church, and this evening an entertainment will be given by the pupils of St. Patrick's Academy and St. Patrick's choir in the Knights of Columbus Hall, where Mr. J. O'Callaghan, of Montreal, will deliver an address.

furniture, etc. Apply Mrs. B. C. Howard, 62 London Street.

The young peoples secretary of the Salvation Army will pay a visit to this city on Thursday and will speak at a public meeting in the evening.

Lord's ambulance was called to Lennoxville, to remove Robert McCrea, from Bishop's College, to the Sherbrooke Hospital.

All members of the Salvation Army Band of Love are requested to be on hand tonight at half past seven, and the children are asked to bring along their little friends. A surprise is in store for the children.

It is likely that two more parties will be brought over in May and June.

PROMINENT BUSINESS MAN OF LAWRENCE, PASSED AWAY.
The death occurred at Lawrence, Mass., on Saturday, March 6, of Mr. Burton D. Todd, a well-known business man, and a prominent member of Masonic orders in that city.

The late Mr. Todd was 52 years of age and was born in Compton, where his early life was spent. He had been a resident of Lawrence for the past thirty-two years, and became a member of the Currier-Todd Company, one of the city's best wholesale grocery concerns, in 1904.

He was a member of the United Congregational Church, a degree Mason and member of the Phoenixian Lodge of Masons, a past secretary of the Merrimack Valley Poultry and Pet Stock Association, and prominent in social work.

Mr. Todd had been in poor health for some time, but his condition was not considered serious until a short time before his death.

He was held in high esteem by all who knew him, and his death will be a distinct loss to his family and the community. He is survived by his wife and one daughter, four sisters, Mrs. Merrill, Lawrence, Mrs. Wm. Munroe, of Compton; Mrs. D. Flinders and Mrs. A. E. Rowell, of Sherbrooke, and one brother, Mr. Fred Todd.

The funeral was held on Tuesday afternoon, and among those attending was a delegation from Phoenixian Lodge of Masons. The Weber quartette from Boston sang the favorite hymns of the deceased, and as a tribute of respect, the Currier-Todd Company and other wholesale grocers closed their shops at noon.

is your child a mimic?

Can your child mimic the things he sees or hears? If he can, encourage it. If he can't, develop it. You may have an embryo Charlie Chaplin or a Mary Pickford in your family. When children "make-believe," don't laugh at them—their childish art of mimicry is the finest way to develop self-confidence and poise. Amateur acting and dramatic dancing will oftentimes cure childish fears. An exhaustive article, profusely illustrated, on "Character Development Through Impersonation," in the March issue of **EVERYWOMAN'S WORLD**, tells you how to cure the bashful child and develop mental and physical poise.

CITY BRIEFLETS

EASTERN TOWNSHIPS LIBERAL-CONSERVATIVE ASSOCIATION TO MEET.
The annual meeting of the Eastern Townships Liberal-Conservative Association, being the first since the war, will be held at the Art Hall on Tuesday, March 23rd, at three o'clock p.m. There will also be an evening meeting at the same place at eight o'clock, which will be addressed by prominent speakers. A special invitation is extended to the ladies of the Eastern Townships.

A PRESENTATION TO MR. BARTLETT.

A very happy event took place last evening in the home of Mr. Henry Bartlett, East Sherbrooke, when the session of St. Andrew's Presbyterian Church gathered in his home to convey to Mr. Bartlett a slight appreciation for his faithful and long services in the Session and congregation and his sterling worth of character. Mr. Bartlett has been an Elder in St. Andrew's Church for 35 years and most of that time he has acted as clerk of the Session and recently owing to failing health he asked to be relieved of the duties of clerkship. The Session did not wish the opportunity to pass without showing in a tangible way some token of gratitude. Mr. Bartlett was asked to accept a purse of money accompanied by an address which enumerated some of his splendid services in St. Andrew's Church covering a long period of years.

Short addresses were made by Messrs. J. H. Bryce, J. T. Reid, W. B. MacCaw, James Stewart, Joseph Sawyer, W. S. Moy, Thomas Coburn, A. A. Gunning and Rev. Alfred Bright. This visit to the home of Mr. H. Bartlett was a complete surprise to Mr. and Mrs. Bartlett. Mr. Bartlett replied in a few, well chosen words of a reminiscent character and stated that his services in St. Andrew's had always given him great pleasure and that he considered the opportunity of serving the community through the church a great honor.

FUNERAL OF LATE MRS. LAMONT

The death took place on Saturday, March 13, at the home of Mr. R. A. Lamont, Montcalm street, of Mrs. Helen Elizabeth Lamont, widow of the late James Lamont. Although the deceased had reached the advanced age of eighty years, she was in apparently good health up till within a day of her death, so that the end came with a shock to the family. A short service was conducted at the home of Mr. R. A. Lamont on Monday afternoon by Rev. Alfred Bright, of St. Andrew's Presbyterian Church. This service was followed by divine service in the Anglican Church at Bromptonville, where interment took place in the family lot. The service was conducted in the church by Rev. Alfred Bright, with the assistance of the Rev. Geo. Pye. A message of comfort was given, and the hymns, "Praise, Perfect Peace," and "Nearer My God to Thee," were sung.

The late Mrs. Lamont was born at St. Hilaire, and is survived by Mr. R. A. Lamont, Sherbrooke; a son and two daughters, namely, Mrs. Hugh Gunning, of Montreal, and Mrs. (Rev.) Joseph Ames, of Fall River, Mass. The many floral tributes spoke of the high esteem in which the deceased was held. The following gentlemen acted as bearers: Messrs. A. A. Gunning, James Lowe, Wm. Scrimgeour, R. Whitney, Milo Lothrop and J. Kavanagh.

St. Francis College Notes

The rink is closed for the season. The pupils had almost three months' skating. There was quite a number of games played on the rink. Although St. Francis lost the debate with St. Andrew's College, the highest individual score was made by Austin Huxtable, of St. Francis. All who were present admired his easy style and his effective speaking. Miss Lane was the most effective speaker for St. Francis. She was highly complimented by Rev. G. Ellery Read, one of the judges, after the debate. The school play had to be postponed owing to the illness of many who were to take part. In answer to many inquiries as to the date, it has been arranged that it come off after Easter, probably April 14. The St. Francis College staff for 1920-1921 is likely to have a large number of changes. Most of the teachers are not returning. Better salaries and conditions elsewhere seem to be the reason for their departure. The smaller towns will find it difficult to compete with the cities if they do not offer the same attractions in the way of salaries. Some of the townships are advertising for academy teachers at salaries much below the minimum set for model teachers in the cities.

WHO SAID PEACE?

Just as hopeful prognosticators of
 international weather were beginning
 to look upon Germany as sane, settled,
 and well whipped, that country has
 added another to its political movies,
 and the film of another revolution is
 being unrolled before the interested
 gaze, and the gaping mouths of the
 people of the world. Germany, once
 again, is in the spot light. And be-
 tween the activities of this new revo-
 lution, and the outside world, is Foch,
 who like the little Dutch boy who
 saved his country by holding his finger
 in the hole of the dyke, is the saviour
 of the allied military situation.

A house divided against itself, how-
 ever, cannot easily assume concerted
 action, and Germany is harmless so
 long as she is torn by internal strife.
 The Kaiser has seen his day, the Spar-
 tacist leader, Dr. Carl Liebnicht, his,
 and now von Ebert is wondering
 whether he is suffering from a tempo-
 rary, or permanent dislocation of
 political office. This much is sure,—
 the whole political fabric of a large
 number of the nations of the world
 is hopelessly dislocated. Before any
 more doves of peace become pigeons
 of revolution or discord, before any more
 poets weary us with psalms of praise
 for happy humanity, let the fact be
 admitted that there "ain't" no peace.
 The world was never in a more hope-
 less turmoil than at this very hour.
 Saints and sages are necessary for the
 task ahead. And, here again, must ex-
 perience cause us to exclaim, "there
 ain't no saints nor sages," to under-
 take the task. There are many men but
 all are human, and the work of read-
 justment of this chaos calls for super-
 human understanding and effort.

The self-determination of peoples,
 this little god of each man, each color,
 and each personal interest, for him-
 self, is raising the dust of a long ca-
 valcade of black camels of despair. Some-
 one is needed to preach the brother-
 hood of man, to a distracted world of
 yellows, reds, blacks and whites. Be-
 cause the brush of the Creator was not
 not always dipped in the same paint
 pail, is no reason for the different
 colors so murderously to hate one
 another. Self-determination of peoples
 may become idiotic if systemati-
 cally applied. Why should not the
 blacks of the U.S.A. segregate them-
 selves into an American African re-
 public? They have exactly the same
 grounds for such action as have the
 Jugo-Slav, or the Irish, or the Czecho-
 Slovak. Yet the American African can
 not even vote. Why should not our
 Doukibours, or Germans, or Indians,
 work out their "self-determination"?
 The word is a pretty one to use, but a
 stupid one to practise, unless common
 sense and a few other good qualities
 are embodied with it. What every man
 wants is freedom and a good govern-
 ment, and what the racial color of the
 government may be, is less important
 than its character.

If one could find a hill a little high-
 er than all the other hills in the world,
 it would be worth while to climb it, and
 "look abroad on foreign lands." Per-
 haps the saints and sages of a higher
 ether see divine purposes in the picture
 that would be spread panoramic be-
 fore one. But to ordinary eyes would
 appear but streams of blood of red,
 yellow, black and white. To the ears
 would rise the horrors of the inferno
 of famine, the cries for bread—the
 wails of despair—the gasp of death.
 And black and lurid, from the very
 bottomless pit, would belch forth from
 every direction the fire and smoke of
 hate, murder and revolution.

FAVORABLY DECIDED.

The decision to have a Canadian re-
 presentative at Washington is said to
 have been made, and one will be sent
 to the American capital to co-operate
 with the British ambassador on all
 matters pertaining to this country.

This is a very noteworthy departure
 and the first instance in Canadian
 administrative affairs that foreign re-
 presentation in diplomatic circles has
 occurred. It marks also the first en-
 trance into international affairs, as a
 nation of Canada. Undoubtedly, the
 usefulness of such a representative
 will be very broad. Particularly as
 many interests between Canada and
 the United States are of common con-
 cern.

REAL MONEY.

One of the few good things about
 the present money distribution, is the
 fact that emphasis has been placed on
 the vast importance of real money.
 For so long have stocks, and paper
 money, and bonds, held the deluding
 charm of supposed value, that only
 now is it being forcibly impressed
 upon the world at large that there is

Gosh! Wish We Had a St. Patrick!

nothing like the yellow metal. When
 it comes to actual payment of national
 debts, and adjustment of international
 exchange, the only word and metal of
 importance is—gold. Not in the days
 of the California gold fever, or the
 Klondike gold hunt, has there been
 such a lust for the true coin, as to-
 day. Bonds, notes, and bills, are mere-
 ly substitutes for the yellow god of
 commerce.

LETTERS TO THE EDITOR

EAST BOLTON MUNICIPAL AFFAIRS.

Editor of the Record:
 Sir—The Municipal Council of East
 Bolton has requested me to advise the
 ratepayers of the Municipality,
 through the columns of the Record, of
 the facts regarding my recent audit
 of the accounts of the Municipality
 in its relations to the account of the
 late Secretary-Treasurer, Mr. J. F.
 Bryant.

An audit of the books of the Munici-
 pality of East Bolton has been made
 by Mr. P. E. Morin covering a period
 of several years up to March 29th,
 1919, and Mr. Morin's report exhibited
 a balance of \$2,722.24 due Mr. J. F.
 Bryant as on March 29th, 1919,
 at the expiration of his term of office
 as Secretary-Treasurer.

The writer was engaged to audit
 the accounts for the year 1919, com-
 mencing at date of March 29th, 1919,
 at which date the new Secretary-
 Treasurer took office. The Council did
 not ask me to go back into transac-
 tions prior to March 29th, the date to
 which Mr. Morin had carried the au-
 dit, nor did I do so.

In compiling a statement of Assets
 and Liabilities of the Municipality as
 on December 31st, 1919, I exhibited
 on the Liabilities side the amount of
 \$2,722.24 which the former auditor
 claimed to be due Mr. J. F. Bryant;
 but I advised the Council that as they
 were not satisfied that such an amount
 was due Mr. Bryant they should re-
 cord their approval of the statement
 with the reservation that "the item
 of amount due Mr. J. F. Bryant be
 not accepted" but be held over for
 further investigation and adjustment.

This reservation was made as shown
 by copy of resolution, herewith, as
 recorded in the minutes of the Munici-
 pal Council. No provision was made
 on the statement of Assets and Li-
 abilities for interest accrued on the
 amount claimed to be due Mr. Bryant.
 Very Truly Yours,
 J. H. BRYCE
 Certified Accountant.
 Sherbrooke, March 13th, 1920.

COPY OF RESOLUTION.
 "Resolved that this Council do hereby
 approve the report of the audit of
 accounts of this Municipality as made
 by J. H. Bryce, Certified Accountant,
 in January, 1920, save and except
 that part of the report relating to the
 account of ex-sec-treas. J. F. Bryant
 which this Council wishes to take
 further advice on."
 Certified a true copy of the minutes
 of the Municipal Council of East Bol-
 ton, at session held on January twen-
 tieth, 1920.
 (Signed) WM. E. JUBY, Sec-Treas.

LURID POSTERS.
 Editor of Record:
 Sir—I have noticed some of the
 posters advertising performances in
 this city of a very lurid type. In a
 number of windows there is one at
 present exposing firearms in such a
 suggestive way as to influence a weak
 mind.

I labored under the impression that
 the exhibition of firearms in public
 posters was prohibited. Possibly I
 am mistaken.
 Who is responsible for the censor-
 ship of posters placed in public places
 in this city? Certainly I, for one, feel
 that it is about time a little supervi-
 sion was given to the subject. I am,
 Yours truly,

MANY KILLED IN FIGHTING IN GERMANY

Citizens Clash with Baltic Troops
 in Hamburg — Troops in Con-
 trol at Munich.

(Associated Press Despatch)
 COPENHAGEN, March 17.—Thirty
 persons were killed, including
 some women and children during
 the fighting in Hamburg between
 citizens guards and Baltic troops, ad-
 vices from that city state.
 Among the killed was Captain
 Berchold, commanding the Baltic
 troops. The Hamburg advices report
 the signing last night of Baron von
 Wangenheim, the senior garrison of-
 ficer there. Herr Lampier, a support-
 er of the Ebert government, succeeded
 him.

A Munich telegram received here by
 way of Berlin, says that quiet prevails
 at Munich and that the troops are
 masters of the situation. A new cabi-
 net is being formed. The gas plants,
 the water works, the postal service
 and the railways are declared to be
 working normally. It was expected
 that the tramway service would be
 partially resumed shortly, it was ad-
 ded.

SEVERAL KILLED AT LEIPSIK.
 BERLIN, March 17.—Fusillades oc-
 curred again yesterday afternoon in
 various parts of Leipzig, especially
 near the general post office and a
 number of persons were killed or
 wounded, a despatch from Leipzig.
 The middle of the town has been en-
 tirely cordoned off by troops, the des-
 patch adds.

RECEIVE HEAVY REINFORCE- MENTS.

(Associated Press Despatch)
 LONDON, March 17.—The new
 reinforcements were received yester-
 day by the new government in Berlin.
 The troops marched into Berlin from
 various nearby garrisons.

Chancellor Kapp, who was carried
 into office on the point of only eight
 thousand bayonets three days ago, has
 thus far been able to produce only mi-
 litary backing for his government. The
 basis of his political authority and the
 source of the support, other than mi-
 litary, which he claims, continue to be
 matters of profound mystery.

Notwithstanding this, the new chan-
 cellor appears buoyant with optimism
 born of the conviction that the insur-
 rection which he heads, will win the
 people. The Chancellor yesterday lock-
 ed horns with organized German la-
 bor in a struggle for mastery. How-
 ever, if the general strike which is al-
 ready partly successful in Berlin by
 reason of its unexpected ramifications
 and which is reported swiftly spread-
 ing to the nation's vital industrial cen-
 tres, should be maintained for only
 three days, the view of many observers
 here is that it would be unreasonable
 to assume that he would establish his
 government firmly, despite his armed
 forces.

FOSTER

A splendid response to the appeal
 for the Anglican Forward Movement
 resulted in the sum of \$1,816 being
 secured in Bondville and Foster. For
 this, all who have the cause of the
 church and missions at heart are de-
 voutly thankful, both to the givers
 and those who canvassed. The equip-
 ment is no assured for the great
 work which faces the church. The
 first instalment, due on March 15, is
 to be attended to by the local canvas-

sers. Owing to the great amount of
 sickness now prevalent, it is very dif-
 ficult for the canvassers to get time
 from their other duties to call for this
 first payment. All who are to make
 payments will kindly aid by sending
 the amount, either by cash or cheque,
 to A. M. Hunter or the Rev. G. J.
 McCormack, Bondville. Parishioners
 can leave their amounts with Mr. J.
 R. Gillingham. One cheque for the whole
 first payment will then be sent to the
 Toronto headquarters. The incum-
 bent, on behalf of himself and the

other canvassers, Mr. G. H. Durrell,
 Mr. A. P. Hillhouse and Mr. A. M.
 Hunter, desires to thank everybody
 for their very courteous reception
 and very generous response.

FELT SORE OVER IT

Father had been interviewing his
 offspring with a leather strap. "Now,
 my son," he said, "you stand correct-
 ed."

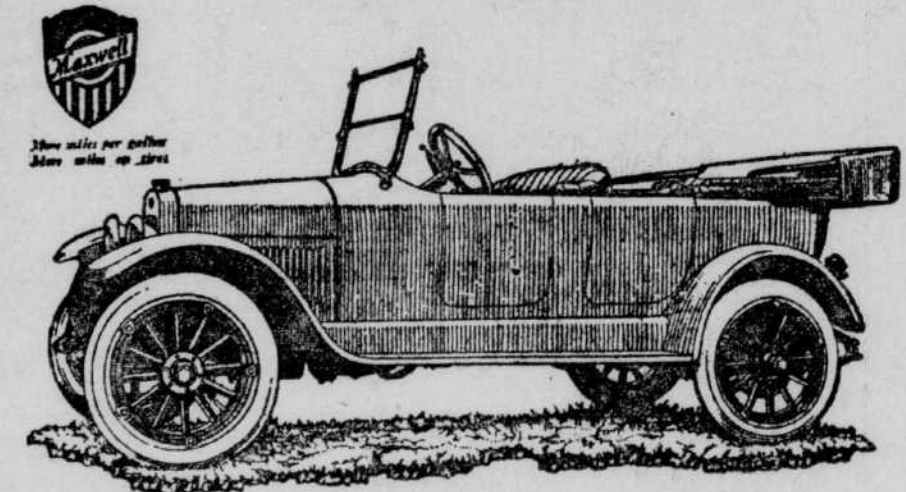

"I've—I've got to," sobbed the
 youngster. "It'll be a week before I
 can sit corrected."

Her House In Order

Carpets swept; rugs, mats, furniture, bookshelves,
 walls, pictures all dusted—everything as spotlessly clean
 as a new coin—regularly every week for a few trifling
 cents only.

The Electric Vacuum Cleaner is the only CLEAN
 way. It absorbs every particle of dust and dirt from
 fabrics and from every nook and cranny of your house
 by clean pure air suction; does the work quickly, noise-
 lessly and without the usual dust nuisance.

LET US TELL YOU HOW

MAXWELL Has Won Its Following Through Its Quality

THE metals used in the Maxwell chassis com-
 pare favorably pound for pound with those
 in the best cars that the world has produced,
 according to metallurgists.

There is a real reason for this quality in a
 Maxwell.

The fundamental purpose of the Maxwell is to
 carry the same passenger load over the same roads
 and at the same speeds as larger and more ex-
 pensive cars.

But it must perform this mission in an extremely
 economical way.

Therefore the Maxwell has to be light. But to
 make it strong as well as light only the very best
 of materials can be employed.

Hence, the quality metals.

And it is through the quality of its metals that
 Maxwell has developed its following.

This is a following that began five years ago
 with a foundation of 5,000 and now reaches a
 mark of 100,000 new Maxwell enthusiasts in 1920.

300,000 Maxwells now on the highways of two
 continents are a daily endorsement of the merit
 of this great car.

SUTTON BOARDS HOLD MEETINGS IN PAST WEEK

Township, Village and School Boards Meet and Discuss Many Affairs.

SUTTON, March 17.—(Special.)—As only the chairman and Commissioner Hextell were able to be present at the March meeting of the School Board, the meeting was adjourned for a week. The questions to be discussed then were outlined and are here presented to allow any opposition that may be made to be heard at the meeting.

It is proposed to take the scholars from No. 1 school to the Junction, also those who used to attend number three. Those who attend numbers six and eight would be taken to the village. School number sixteen would be closed for the year, and the scholars would attend number twelve.

This will leave several families in Dunham without a school nearby. This change might be differently made, or abandoned, if satisfactory financial arrangements can be settled upon.

It is also proposed to discuss the amount to be paid to teachers this year. The schedule would be \$60, \$45, \$40 and \$35, according to qualifications. The Board is willing to pay \$50 all around if enough teachers can be obtained with first-class diplomas.

The meeting will take place on the 20th at 2 p.m., in the secretary's office, and will be public.

COUNCIL MEETING.

The Village Council meeting was held with Mayor E. B. Greeley and Councillors R. J. Buckle, Wm. Moffatt, G. N. Thompson, H. Larive, G. Webb present.

Bills and pay sheets to the amount of \$431.79 were passed.

The permanent committees for the coming year were chosen as follows:

Water—Messrs. Greeley, Bates and Larive.

Light—Messrs. Webb, Buckle and Moffatt.

Roads—Messrs. Thompson, Moffatt and Bates.

Health—Messrs. Bates, Thompson and Larive.

Park—Messrs. Moffatt, Larive and Webb.

Finance—Messrs. Greeley, Thompson and Buckle.

Fire Stations, re-appointed, Messrs. H. H. Dyer, J. Murphy, G. Jodry; Auditors, re-appointed, Messrs. A. Jernie, H. C. Reid; Poundkeeper, Road Inspector, Rural Inspector and Water Superintendent, Mr. J. Kemp.

Notice was given of the intention to submit a by-law at the next meeting, levying a rate of 35c. per hundred dollars for all purposes except schools for the coming year, and allowing a discount of five per cent. if paid by July 1st.

Mayor Greeley reports the possibility of getting a steam roller for the Maple street concreting job from the Township of Bromes.

Mayor Wilson is back looking fine. He says he had a good time and is glad to get back, as "there is no place like home."

TOWNSHIP COUNCIL.

The Sutton Township Council had a full board save the Mayor and was presided over by Pro-Mayor Fuller.

Notice of rate by-law was made and the levy fixed for the coming year at 60 cents on one hundred dollars for winter roads; one dollar on one hundred dollars for summer roads, and 85 cents on one hundred dollars for bridges and general purposes. Payment before August 1st will obtain a five per cent. discount on the last item.

The price to be paid for labor was fixed as follows, to become effective on May 1st, namely: 60c. per hour for a man and a good team that will draw a yard, and 30c. per hour for a man.

Mr. A. W. Westover was re-appointed Auditor.

Rural Inspectors appointed are the same as last year: Geo. W. Logan, L. V. Cote, Thos. Hextell and Geo. Hawley.

H. G. Bates was made Municipal Inspector.

Valuators for the year are as follows: E. Eastman, E. Farmer and P. Lassonde.

Road Division No. 7 was added to No. 8.

The Road Inspectors will be the same as last year, save in the following cases: E. E. Bates in place of H. Salisbury; D. Findlay in place of Wm. Prentice; E. E. Bates in place of M. E. Darbie; Lionel Laliberte in place of D. Mudgett; John Bolsbridge in place of A. A. Westover; Roy Jacobs in place of G. G. Logan; Wm. Eastman in place of Jesse Leplant; Rex Davis in place of N. Davis; B. L. Wilson in place of Jesse Judd.

It was resolved that no person be appointed to take the place of Hector Dandaneault, resigned, but that the division be run by Inspector H. G. Bates, or an appointee of his.

Mr. Spencer and Mr. Thibault are responsible for the following changes in road divisions:

The tax of H. E. Fuller on \$250, and Jas. Taylor on \$300, be taken from No. 1 and added to No. 3;

That the tax of Noah Judd on \$200 be taken from No. 68 and added to No. 67;

That the tax of Mrs. J. A. Robinson on \$700 be taken from No. 58 and added to No. 52;

That the tax of Mrs. S. Brouillette on \$800 be taken from No. 52 and added to No. 58;

That the tax of Albert O'Brien on \$1,100 be taken from No. 18 and added to No. 30;

That the taxes of Sweet-Cummings on \$3400 and E. Eastman on \$100, be taken from No. 69 and made into a new road division called No. 82, with E. Eastman as first inspector.

Pay sheets on the Sutton Junction to West Bromes road to the amount of \$431.50 for drawing stone during the two weeks ending February 14th were accepted, and other small bills to the amount of \$40 were passed.

The Valuation Roll was amended by recording the transfer from William Courser to Richmond Manufacturing Company of his timber land and of the N. French farm from Emile Bianchette to Norbert Guilbert.

It was resolved that the Secretary-Treasurer be instructed to pay \$25 as a subscription towards the Abercorn street lights for the past year and for each year hereafter.

Four hundred and ninety-two dollars have been sent by the Government on account of last year's operations, up to March 14th.

The statements for 1919 of municipal affairs have been prepared and are being printed by The Barker Sign Company and will soon be distributed.

Village Council.

The secretary of the corporation of the village of Sutton received the following letter:

"I want to express my appreciation of the kindness of the mayor and councillors of your corporation in sending their roller to break the road ahead of the hearse on the date of my father's funeral.

"Please thank them for me most sincerely.

"Yours faithfully,
"A. M. WESTOVER"
Sutton Junction.

A REPLY TO ST. REGIS

To the Sporting Editor,

Sir:—In reply to the letter from the St. Regis Hockey Club in which their acting manager stated that the St. Patrick's were not in their class, mentioning at the same time that if the Knights of Columbus wanted another chance to lower their colors that the Knights of Columbus should come out in a straightforward way and issue a challenge, I have only one thing to say. This is that the St. Patrick's did not intend to lower the St. Regis' Club's colors any worse than the Hochelaga team did in Montreal by a score of 13 goals to 2.

Thanking you for the use of so much of your valuable space,

Yours truly,

CANADA'S PLACE AMONG NATIONS IS DISCUSSED

Hon. Messrs. King and Doherty Pay Tribute to Work of Other's Party.

OTTAWA, March 17.—Parliament listened yesterday to able addresses on the national status of Canada by Hon. W. L. Mackenzie King and Hon. C. J. Doherty. Both agreed that Canada is a nation and that there is equal credit to the two parties for this desirable attainment. As Hon. Mr. King proceeded, he said that the peace delegates from Canada, "having done their duty and done it well, are entitled to the thanks of this Parliament," and added that he would be satisfied if, in the allotment of credit for Canada's nationhood, "honors were even."

Hon. C. J. Doherty, not to be outdone in the courtesy, declared that "he would throw up his hat for the glorious achievements of Sir Wilfrid Laurier" in the endeavor of this objective.

Hon. Mr. King defended Sir Wilfrid Laurier's claim to a large share in securing Canada's autonomy. He claimed that autonomy had been secured twenty years ago, and during the past seven years "there had only been a clearer definition of our position within the Empire and the world's recognition of that position."

Hon. N. W. Rowell, in stating the Government policy, had said that Canada, in considering its course, in view of the United States entry into the war, had to choose between the recognition of the Empire and the world's recognition of that position.

Hon. C. J. Doherty's reply to Hon. Mr. King was keen in criticism and in the face of the opposition. He urged that all parties meet on common ground and rejoice in the recognition of Canada's national status.

SYNOD OF THE DIOCESE OF MONTREAL TO MEET

One of the Items of Business Will Be the Finding of a New Name for Anglican Church.

(Associated Press Despatch)
MONTREAL, March 17.—The annual meeting of the synod of the diocese of Montreal has been convened for Tuesday, April 13, and following days. Among other business to be transacted there is the question, left over from the last session, of the finding of a new name for the Anglican Church, or the Church of England, in Canada, as it is styled officially.

A new Top Coat

AN OVERCOAT for a Spring or Fall wear is necessary in our changing climate.

Where many men still cling to the old-time tailoring methods they will accept the dominant fact that Semi-ready Tailoring means a finer fitting overcoat at a saving in price.

The perfect shoulder-fitting and artistic draping of the new-forming coats make them attractive.

We have many other styles in Spring Top Coats—all with the value in the pocket—the same price West as East—"Semi-ready" of course.

ACCUSED SHOWED GREAT CHANGE ON HIS RETURN

Fridolin Lecker is Found Guilty of Attempted Murder at Montreal.

(Associated Press Despatch)
MONTREAL, March 17.—Before the King's Bench yesterday, Fridolin Lecker, a returned soldier, was found guilty of the attempted murder of Anna Lesperance. The verdict was accompanied by a strong recommendation to mercy. The father and mother of the accused, who persisted in repeating that he still loved the girl and never meant to kill her, stated in the box that their son was sound in body and mind before going to the front, but showed a great change after demobilization and that he would get up at night, pace his room and talk of his love for the girl, becoming nervous, taciturn and half deaf. Sentence will be given at the conclusion of the sessions.

GREAT DAMAGE IS DONE TO THE FRUIT TREES

Apple Trees in Rhode Island Badly Damaged by Field Mice and Rabbits.

(Associated Press Despatch)
PROVIDENCE, R. I., March 17.—Damage of thousands of dollars has been done during the past few weeks to fruit trees, particularly to apple trees in Rhode Island by field mice and rabbits according to officials of the state board of agriculture. Field mice and rabbits, deprived of their usual food by the thick layer of snow on the ground, have stripped the bark from thousands of trees for a distance of from a foot to two feet above the ground. Orchardists declare that so badly are most of the trees gnawed, it will be impossible to save them.

It is estimated that nearly twenty-five per cent of apple trees of the state are affected.

GRANBY HAVING BUILDING BOOM THIS SEASON

Many New Buildings Will Go Up This Spring — Social, Church and Personal Items.

GRANBY, March 17.—Building will be brisk in this city as soon as spring opens. The Bank of Montreal intends building on the corner of Main and Dufferin streets, opposite the post office, on the site recently purchased by them from Dr. C. K. Cowley. A new convent, costing \$130,000, is to be erected, and the Elastic Webb and the Giddings Companies are both building extensions to their factories. The Miner Rubber Company will build a large warehouse and there are also several residences to be constructed.

Mr. H. E. Comtois had the misfortune to fall and break his leg on Sunday morning. He had been attending early Mass at Notre Dame Church, and upon leaving church, slipped upon the icy pavement, which was covered with snow, thus causing the painful accident.

The Literary and Social Club of the Methodist Church met at the home of Mrs. C. H. Bradford on Tuesday evening last, when an Irish programme was presented. The house was decorated with shamrocks, flags, mottoes, etc. in honor of St. Patrick and presented a gay and picturesque appearance. Irish songs were sung by Mrs. A. J. H. Strike, Miss Mabel Bradford, Miss R. MacDonald, Miss Eva Skinner and Mr. W. Legge. A reading by Mrs. W. D. Bradford, and a paper on "St. Patrick, the patron saint of Ireland," by Mrs. A. E. Solomon, were all very much enjoyed. Current events were given by Rev. A. J. H. Strike, after which two guessing contests were followed by quincy refreshments served by the hostess.

The organ and vocal recital, which was to have been held in the Congregational Church on Sunday afternoon, has again been postponed on account of the storm. All being well, it will be given on Sunday next, March 21st, at three in the afternoon.

The Ladies' Aid Society of the Methodist Church was entertained by Mrs. W. T. B. MacDonald, at her home on Mountain street on Friday afternoon last, and although it poured rain all afternoon, there was a very good attendance. In the absence of the president, Mrs. C. H. Bradford, Mrs. Strike took the chair and conducted the business meeting. During the afternoon the playing of Mrs. H. Giddings and the singing of Mrs. Strike were much enjoyed. Several gentlemen joined the ladies at the tea hour, when refreshments were served by the hostess.

A thunder storm in March is quite an unusual event, yet Granby experienced one on Friday evening last. The lightning was very vivid and was followed by a heavy downpour of rain. Saturday afternoon a driving snow storm set in and continued all night long, so that on Sunday morning the roads were all filled in, making walking very difficult, and consequently, the attendance at all the churches was very small.

Mr. Jas. Glidden has sold his house on Denison Ave., to Mr. Taylor, of Frelighsburg. The reported price is \$3,500.

Mr. H. E. Frye, of Lennoxville, was in town last week, the guest of Mr. and Mrs. A. E. Solomon.

The Women's Missionary Society of the Methodist Church will meet at the home of Mrs. Bradley Smith, on Friday afternoon next at three o'clock.

Mrs. Wm. Mock, of Indian Head, Sask., is visiting her parents, Mr. and Mrs. D. M. Mitchell, Denison Ave.

Mrs. W. E. Gray and daughter, Gladys, left on Wednesday last for their new home in Guelph, Ont.

Miss Maud Wallace, of the Bank of Montreal staff, is suffering from an attack of grippe.

Mrs. Remi Guillet, of Marieville, who has been spending the past few weeks in town with Mrs. Ellis Longan returned home on Wednesday.

There was a lengthy and interesting discussion on the coming city by-law to raise three hundred thousand dollars for the operation of the Two Miles Falls plant. Several of the members took part in the debate and the general opinion was that, to operate the plant at a profit, the management should be under thoroughly trained and competent men.

Following the views of the members, a motion by Mr. D. J. Steele, seconded by Mr. J. W. Genest, was adopted to the effect that the Council and Advisory Committee of the Board of Trade meet the City Council as
