ESTABLISHED
M. 1850. W
J. H. WALKER
DESIGNER AND ENGRAVER
ON WOOD
126 ST. JAMES STREET,
(Opposite the Post Office.)
MONTREAL.
The people of the Dominion have awakened, to the fact that imperfect illustrations are injurious to the subject thus portrayed; the most artistic design may be easily ruined by a novice in the art of engraving, or by careless workmanship.
Manufacturers whose products are imperfectly delineated, or the impression given of inferior finish, are positively harmed.
J. H. WALKER has established an engraving business in Montreal (*the first established in Canada*) that he proposes to maintain by the execution of First-class Work only; he has confidence that Canadian taste will fully appreciate only eminently superior Wood Engraving.
By means of the most competent assistants, he is prepared to compete with all now engaged in the business for ordinary work where cheapness is the object.
