## SLIGHT EARTH TREMORS WERE NOTED IN CITY

Several Citizens Declare They Felt Earthquake Last Evening—Montreal, Quebec and Different Sections of Province Report Tremors.

Several Sherbrooke citizens declare they felt the earth tremors which were reported in Montreal, Quebec and different sections of the province at 7:15 o'clock last evening. The shock was very slight and caused no damage.

Two distinct tremors were felt in Westmount and in the west end of Montreal, while reports from Quebec, Victoriaville and Shawinigan all reported an earthquake shock. Other parts of the province also noticed the tremors; and in Ottawa yesterday an earthquake of sufficient strength to make houses tremble and window panes rattle was reported.

## OMEGA-ALPHA CLUB DRAWS UP PLANS

The regular weekly meeting of the Omega-Alpha Club was held on Tuesday night in the Y.M.C.A. when, after reports had been given on poor relief and "Theatre Night," it was agreed that the Club help look after a deserving family in the North Ward for some eleven weeks or longer.

Mr. Lyman Tomkins, the new president, in a few choice words thanked the members present for the honor that had been conferred on him, and asked for the continued support of the members of the club to make the year they are just entering the most successful in the Club's history.

## TRAFFIC ONCE MORE RETURNS TO NORMALCY

With Streets Gradually Being Cleared of Snow, More Automobiles Make Their Appearance.

Although Sherbrooke motorists are finding travel much easier following the work of the road department in clearing the streets of the snow left by Tuesday's storm, the task of the snowfighters will not be completed before the week-end, by which time it is hoped that the huge snow piles lining the principal streets will all have been removed.

While the city streets are gradually being cleared, the same condition does not apply in the rural districts, although attempts are being made to clear the roads between Sherbrooke, Eustis, Waterville and Windsor Mills, the contractors hoping to complete their task some time today.

The street railway, who were able to maintain nearly normal service on their lines throughout the blizzard, report conditions becoming easier, while the city autobus services have returned to normal, after experiencing considerable difficulty in operating for a couple of days.

Railway service is again being maintained at its usual standard after several days during which delays of two hours or more in operating schedules were not infrequent.

The heavy fall of snow proved a boon to the unemployed, for in addition to the sixty-five extra men taken on by the city, the railways reinforced their regular staffs, while calls were sent out by many private householders for men to remove snow from long walks, driveways and roofs. The city treasurer estimates that at least a thousand dollars will be expended in extra wages by the city alone as a result of the recent snow-fall.

## CAPTAIN'S NIGHT AT THE SHERBROOKE SNOWSHOE CLUB

The first snowshoe tramp of the season in connection with the Sherbrooke Snowshoe Club was held last night when some fifty members of this club took advantage of the ideal winter condition to celebrate the Captain's Night. With flaring red torches, this goodly company led by their Captain, Mr. Reggie Smith, wended their way through forest and over hills to the Club House, where they awaited their arrival.

After a splendid supper and routine business had been disposed of, a short musical programme consisting of a quartette composed of Messrs. Carl and Hawley Griffith, Robert Smith and Gault Parker, rendered two vocal numbers, and the clarinet solo by Mr. Carl Griffith, provided good entertainment. President H. V. Haight, who has recently returned from a trip to Japan and Korea, was welcomed home by the president, and Mr. Haight, in reply, gave a brief but most interesting talk of his trip. This coming Saturday afternoon the Club will entertain the children of the members, when a snowshoe tramp will be held, meeting at the corner of Portland Avenue and Quebec street at three p.m. Supper will be served at the Club House at six o'clock followed by a bon fire. Next Wednesday night the Red Party will entertain in a "Fuller Review."

**CAMPBELL WILL ATTEMPT TO SET NEW AUTOMOBILE SPEED MARK NEXT MONTH**  
Will Be Second Briton to Attempt to Pass Record of 231 Miles an Hour Set by Late Sir H. O. D. Segrave.

DAYTONA BEACH, Fla., Jan. 8.—Captain Malcolm Campbell, last of the four dare devil racers officially credited with driving an automobile faster than two hundred miles an hour, will risk his life on the beach here early next month in challenging for the "speed king" crown.

Campbell will be the second Briton to attempt to pass Segrave's mark. Kaye Don made an unsuccessful attempt last March in the Silver Bullet.

Campbell, who thrice has held the highest crown in the racing firmament since he set a mile straightaway mark of 150.76 in 1925 at Pendine Sands, Wales, plans to leave England January 14th for the United States.

Young people's work was the keynote of the programme, and this was carried out in both the music and addresses. Miss Nellie Gibbey gave a report of her trip to Springfield to the 4-H Club's conference, to which she went as a representative from Quebec.

Mrs. M. E. McCurdy, vice-president of the Short Course committee, presided, and introduced the speaker of the evening, Miss F. J. Coutts, of Newport, Vt., who gave an address on the work of the 4-H Clubs. The symbol of the clubs, she explained, was the four-leaf clover, and represented the head, heart, hand and health. The movement originating simultaneously in the United States and Canada during the war, had spread to Europe, Asia and Australia, and had taken form as a great organized agricultural movement, recognized by the government departments of agriculture, and laying the foundations for better home and living conditions wherever it had been organized.

Miss Coutts brought greetings from Orleans County, Vermont, and an invitation to visit them whenever the Canadian boys and girls might find it possible.

Community singing, led by Mr. P. O. Ripley, with Mrs. Ripley at the piano, brightened the programme, which concluded with the National Anthem.

**FORMER NAVAL COMMANDER FACES BAD CHEQUE CHARGE**  
Douglas G. Jeffreys, Member of Shackleton Polar Expedition, Connected With Development Company at Sarnia.

SARNIA, Ont., Jan. 8.—Douglas G. Jeffreys, former commander in the Royal Navy and a member of the late Sir Ernest Shackleton's polar expedition, was brought here yesterday from Toronto, to answer charges of obtaining money by false pretences.

Jeffreys was arrested at Toronto on Tuesday on warrants issued here and charging he obtained lodging for himself and a woman companion at a local hotel and also a certain amount of cash on a cheque issued on a London, England, bank. The cheque was not honored by the bank on which it was drawn, hence the charge. Police state Jeffreys was engaged some time ago in taking options on land in Lambton County on behalf of a development company.

## LOCAL POLICE REPORT ACTIVE TWELVE MONTHS

Arrests During 1930 More Numerous—Large Increase in Amount of Wood Delivered to Poor.

Statistics issued by the police department for the city of Sherbrooke indicate that the past year has proved to be a very busy one for the local officers of the law, the number of arrests alone exceeding by far the total of any twelve months for the past nine years. Figures compiled by Chief of Police H. O. Camirand reveal that there were ninety-five more arrests last year than in 1929. The total number of arrests for 1930 was 756; for 1929, 661; for 1928, 673; for 1927, 489; for 1926, 635; for 1925, 647; for 1924, 629; for 1923, 623; for 1922, 402; and for 1921, 535.

The greater percentage of the arrests during the past twelve months proved to be for drunkenness, 318 having been taken in by the officers on this count. Next came violation of the municipal by-laws, for which 155 people were arrested. Vagrancy accounted for 145 arrests, theft for thirty-five, being inmates of disorderly houses for twenty-five, violation of the Quebec Liquor Commission Act for sixteen, violation of the motor act for twenty-six, theft and entrance for eleven, conducting disorderly houses for nine, refusing to provide for five, simple assault for three, false pretences for two, interference with the police for two, indecent assault two, murder for one, and violation of article 216 of the Criminal Code for one.

Of these 756 persons arrested, 384 appeared before the Recorder for hearing. Of these 269 made default to appear, and as a consequence forfeited their deposits, while 103 were ordered to face trial before the District magistrate. In 1929, seventy-six persons were ordered to appear before the magistrate; in 1928, seventy-two persons; in 1927, sixty-one persons; in 1926, sixty-two persons; in 1925, 149 persons; in 1924, 106 persons; in 1923, fifty-nine persons; in 1922, twenty-nine persons; and in 1921, seventy persons.

Three hundred and seventy persons paid the fines imposed by the Recorder, while a hundred and ninety-four were returned to their homes on payment of fines. Eighty-two suspended sentences were handed down, while six cases were dismissed.

During the past year there were 999 police calls answered, from which 756 arrests resulted. Persons that received protection from police headquarters totalled 1,002. Fifteen cases of goods exposed were reported, 208 doors were reported unlocked after hours, 701 lights were reported unlit, sixty-five dangerous places were noted, eight lost children were found and returned to their parents, thirty-seven ambulance calls were answered, thirteen corner's inquiries were held, twenty stray animals were returned to their proper owners, and 17,468 loads were weighed on public scales.

An astounding increase in the number of loads of wood delivered to the poor during the past year, over that of the previous twelve months, was recorded. The past three months especially have brought a heavy demand from unfortunate families for protection from the cold of winter. Two thousand five hundred loads of wood were conveyed to different sections of the city in the past year, an increase of 867 loads as compared with the total for the previous year.

Various sums of money were found upon the 756 persons brought to the local jail, a total sum of \$3,629.22 being guarded by the police while the owners were awaiting hearing or confined to jail terms. Eighty-four watches of more or less value were also taken care of.

### —An Income for Life

A \$100.00 cheque to cash and use as you wish, will come the same day each month as long as you live if you adopt this plan.

It will be an income safe, certain, never reduced, never subject to loss of employment or affected by any business depression. This sure income would be especially welcome if you should become totally disabled by accident or disease.

We mention \$100.00 a month, but the amount of your cheque will depend upon your present age and the amount of money you wish to put by regularly — and the sooner you start saving the more you will have with less effort.

This income starts at age, say, 50, 55 or 60, or before then if you should be totally disabled.

Another feature may be included if you desire, to provide \$100 a month for your dependents, but this may not be necessary.

From the moment this income plan is arranged all worry about future living expenses can be dismissed from your mind, because the carrying out of the contract is guaranteed by Canada Life's well-invested assets amounting to over \$175,000,000.

## DEPRESSION IS DISCUSSED AT BANK MEETING

In Annual Addresses, Sir Herbert Holt and C. E. Neill, President and Vice-President of Royal Bank, Review Present World-Wide Economic Condition.

MONTREAL, Jan. 8.—"Abnormal credit conditions during 1928 and 1929 must be held primarily responsible for initiating the present world-wide depression," Sir Herbert Holt, president of the Royal Bank of Canada, stated at the annual meeting on the bank here today. "The concentration of sixty per cent of the world's gold supply in the United States and France has placed the potential control of the world's price level in the hands of these two countries. I fear that neither country has fully realized its duty in this respect to its own citizens and the rest of the world, and until this responsibility is fully understood the world can never attain that stability which business has every right to expect," declared Sir Herbert. He reviewed conditions in various industries and advocated co-operation and elimination of wasteful competition in regard to the railways.

The suggested formation of an agricultural credit corporation to assist farmers to purchase stock was approved by the president of the institution, who also is in favor of the West being less dependent on the production of grain, substituting mixed farming. In connection with Government finances, Sir Herbert said that the Dominion Government was confronted with grave difficulties due to falling revenues. "While I am in favor of many of the appropriations which are being made for the public works, such as roads and bridges, there is special need for wise economy in governmental expenditure at this time."

C. E. Neill, vice-president and managing director of the bank, also commented on the world depression and the relation of the price level to gold supplies and central bank policy, advocating a conference of the leading financial powers to formulate a plan whereby the countries in need of financial assistance could tap the surplus supplies of New York and Paris.

Mr. Paul Herrick, of Springfield, Mass., entertained at dinner last evening at St. George's Club, after wards taking his guests to Canada Theatre. The guests included Col. and Mrs. W. W. McNulty, Dr. and Mrs. W. W. Lynch, Mr. and Mrs. H. L. Allen, Mr. and Mrs. L. R. McKee, Mr. and Mrs. O. R. Webster, Mrs. J. H. Blue, Mrs. F. A. Baldwin, Miss Monica Morris and Mr. McGannon.

Mrs. C. A. Turner, president, presided over the meeting of St. Andrew's Auxiliary held yesterday afternoon in the church hall. Several items of business were brought up for discussion, including a rummage sale. At the conclusion of the business period afternoon tea was served to the members and many visitors. The hostesses at the tea were Mrs. C. A. Turner, Mrs. P. Powers, Mrs. C. Robertson and Mrs. A. J. Johnson. The table was decorated with the usual which Mrs. J. R. Graham presided.

A very pleasant incident occurred at the conclusion of the evening service at Trinity United Church, on Sunday when Miss Madeline Rider, the retiring organist, was the recipient of a gift from the choir. In a happy little speech Mr. C. E. Soles voiced the regret felt at Miss Rider's departure, at the same time expressing the kindest wishes for the happiness and that of her mother during their sojourn in the South. Mr. Soles then presented Miss Rider with a leather hat bag from the choir. Miss Rider is leaving shortly with her mother to spend the winter months in New York, Georgia and Florida.

A largely attended meeting of the King George Fifth Chapter Imperial Order of the Daughters of the Empire was held at the home of Miss A. Bennetts, High street, on Monday afternoon. Mrs. W. E. Loomis, the regular, presided, and opened the meeting with the customary ceremonies. Many interesting reports were heard, including one from the special committee, namely, Mrs. A. Sangster, Miss Van Vliet and Miss Hunt, who distributed baskets to needy families at Christmas time. Members of a family in need have also been assisted for several months by Mrs. W. S. Allen, acting on behalf of the Chapter. A library has been donated to the rural school at Labrador. The chapter gratefully acknowledges the receipt of \$50 from the Misses Twose for the Flag Color Fund of the King George Fifth Chapter. At the conclusion of the business meeting afternoon tea was served by the hostess, assisted by her sisters, Mrs. E. A. Powers and Miss Sylvia Bennetts.

Mrs. A. Sangster, the president, presided at the Victorian Order of Nurses' meeting held on Tuesday afternoon in their room at the MacKinnon Memorial Building. The minutes were read and the treasurer's report showed that there would be nothing left in the treasury. Committees were appointed for the nomination of officers, and also to make arrangements for the musicale and tea in connection with the annual V.O.N. meeting, which is always open to the public. Miss Dwan's report was very interesting, for apart from the regular monthly routine, she told how \$25 donated to her by the "Thimble Club" had been invested for special Christmas gifts, many little necessities being purchased to make happy and help families in need. All the families visited by the V.O.N. at Christmas time were well remembered. During the month 596 visits were paid, 296 of which were nursing, and 300 educational. There were 100 free cases and twenty-five new patients. Fifteen being English and ten French. The total amount received for these visits was only \$42.75. Mr. and Mrs. Dwan are always required by the V.O.N.

MacLeod, on Monday evening, when they held a farewell party for Miss Annie Lavalliere, who left on Wednesday to take up her duties as nurse-in-training in the Sherbrooke Hospital, Rev. Mr. Roy, on behalf of the teachers and scholars, presented Miss Lavalliere with a very nice fountain pen, expressing the deep regret that would be felt by the congregation by her removal from the community and extending their good wishes to her in her chosen profession. Miss Lavalliere responded in a few well-chosen words, ex-

pressing her appreciation of their gift and good wishes. The evening was pleasantly spent in playing games and music, refreshments being served by Mrs. MacLeod, assisted by the young ladies of the congregation. A very enjoyable Christmas tree and entertainment and supper was held in the Sunday School rooms of Knox United Church on Tuesday, December, when the ladies of the congregation served supper to the Sunday school and congregations. The tables were very prettily decorated with poinsettias and cut flowers, and the Sunday school rooms were festively arrayed with Christmas decorations for the occasion. After all had partaken of the bountiful repast provided, an entertainment was given by the children under the direction of the Sunday school teachers. This was very much enjoyed by those present and the arrival of Santa Claus with a well-filled sack brought a very pleasant evening to a close. ## DEADLOCK BETWEEN HOUSE AND SENATE NOW BROKEN

U. S. House Conferees Agreed to Government Building of Power Transmission Lines.

WASHINGTON, D.C., January 8.—The long standing deadlock between the House and Senate on Muscle Shoals legislation was broken yesterday when the House conferees agreed to government building of power transmission lines.

This was the major point in controversy between the two houses.

Conferees said they believed it may open the way for final disposition at this session of the ten-year-old problem of what to do with the government's \$150,000,000 power plant on the Tennessee River at Muscle Shoals, Alabama.

## CLOSE MATCHES AT OPENING OF LOCAL CIRCUIT

Southern Canada Power Defeated Victoria Stores and Julius Kayser Won from Sherbrooke Cottons in Inaugural of Industrial Hockey League.

The fourth season of the Sherbrooke Amateur Industrial League was successfully inaugurated at the Arena last evening when two closely fought games were the piece de resistance for the spectators. Owing to the extremely cold weather prevailing, the turnout of fans for the opening night was not up to expectations, only about two hundred followers braving the elements to cheer their favorites on.

Last year's champions, Southern Canada Power Company, began the season with a smart two to nil victory over the newcomers in the league, the Victoria Independent Stores, while Julius Kayser shared the top rung of the ladder with the Power boys as a result of their victory over another new entry, the Sherbrooke Cotton Company Limited, by a four to two margin.

Introduced by the president of the Industrial League, Mr. John G. Watson, Mr. Charles C. Cabana, local amateur sportsman, addressed the fans briefly in French, felicitating the initiative of the League's executive in promoting amateur hockey in Sherbrooke and expressing his confidence in the successful future of the circuit. Col. Sydney Francis, secretary of the Eastern Townships' Agricultural Association was then called upon to make a few remarks in English. Col. Francis also had words of congratulation for those responsible for the development of hockey in this city in an effort to put Sherbrooke in the forefront of amateur sport and regain the prestige it formerly held in hockey circles.

After the players of both contending teams in the opening contest had been given instructions by the president of the circuit, photographs were taken and Mr. Watson faced the puck to start the fourth season of the circuit he has presided over since its inception.

Two rapid goals within three minutes of the end of the game was the margin by which Southern Canada defeated the Victoria Stores. As the fans sat back in anticipation of an overtime session, Bud Harris made a beautiful solo effort, and culminated a fine evening's work with a pretty goal which had Harper beaten all the way. Hardly had the puck been faced off when Lloyd Ludgate duplicated the first, real scoring feat and nullified all the chances of the new team winning their initial appearance. Both Nichols and Russ Harper had several narrow shaves during the first five minutes of play. The Victoria boys tried the better part of the play until Ludgate relieved, and play shifted into the Power Company's territory. Glen Guild, Gerry Mathieu, Charlie Clark and Trudeau worried Nichols considerably, and in retaliation Bill Gordon and Pergau furnished the first, real scoring threat, when the former made his way through the Chain Stores' squad and passed to his team mate. Pergau's shot rebounded to Gordon, and Harper had to extend himself to keep his net intact. Clark drew the first penalty of the game, but Gordon and Pergau did effective work until his return. As the first session ended, Nichols made a sensational one handed save of Turgeon's hard shot.

The Power Boys were intent in entering the scoring column and gave Harper several anxious moments. Jack Kelly relieved and Rolly Lacasse drew a penalty for tripping Glen Guild when the latter was in a good scoring position. Mathieu was through on one of his characteristic lone rushes, but Trudeau missed an open net on his pass, his shot hitting the goal post. Clark was again sent to "the cooler" and during his absence Kelly worried Nichols. No damage was done, however, both goalies pulling off wonderful saves when the opposing forwards broke through. They were peppered with rubber as the period ended, but the teams started the final twenty minutes with no score on either side.

Rolly Lacasse started the third chucker in the penalty box, but Nichols was in exceptionally fine form. The banished player on his return got in several hard shots which Harper, however, turned aside. The Victoria had several fine opportunities, but offides spoiled their chances. Lacasse missed a fine chance on a pass from Pergau, while Nichols, at the other end, had several close saves to his credit. With but three minutes to go, Bud Harris secured the puck near his own end and rushed completely through his opponents to have Harper at his mercy and score the first goal of the 1931 league season. Shortly afterwards, Ludgate did the same thing, and Harper was beaten a second time. Content with their lead, the winners resorted to defensive hockey, and try as they might the Victoria were unable to penetrate into scoring positions.

For the victors, Bud Harris, Ludgate and Rolly Lacasse played good games while Nichols' work between the posts was a highlight of the encounter. Gordon, Pergau and Clark were not far behind in effective play, while the remainder of the squad showed the result of careful coaching. Gerry Mathieu, Glen Guild, Maurice Trudeau and Jack Kelly were the pick of the losers, while Harper, like his confrere, Nichols, displayed stellar form.

The second game started exactly ten minutes after the culmination of its predecessor, in keeping with the important rule that games should start on time. The superiority of the Kayser's forward line in speed and generalship was too great for the younger and less experienced members of the Cotton sextette, who, however, put up a

## HEAVY FOG IS STILL CAUSING MUCH TROUBLE

Estimated that About One Hundred Ships from All Parts of World Were Held Up Today in Various British Ports.

LONDON, Jan. 8.—Although there has been a slight lessening of the heavy fog of the past few days in northern England, the paralysis of shipping in the "islands" large ports continued unabated today. The Mersey was still shrouded in a fog and numerous ships anchored there feared to move. The Ansonia, which should have landed New York passengers at Liverpool Tuesday morning, tried again yesterday evening to reach the landing stage, but was compelled to anchor outside once more.

It was estimated that about one hundred ships from all parts of the world were held up today in the various British ports. The first passenger boat to Belfast since Sunday succeeded during the night in getting away from Liverpool Harbor, which was crowded with boats which left Dublin and Belfast Monday night. Manchester reports said that fog of intensity unknown for a generation had persisted there five days.

The death rate of the cities has risen seriously since the advent of the mist, bronchitis and pneumonia accounting for the increase. Traffic everywhere on land has been greatly impeded morning travelers suffering the utmost inconvenience. There have been many accidents and injuries.

splendid battle before succumbing. Merrier, in the losers' nets, did wonderful work, stopping many likely shots after the Silk Company's forward lines had penetrated his outer guard. He was beaten only once in the initial chucker when Mayo Thibault scored the only tally secured in the first twenty minutes.

In short order in the middle period, Paul Thibault gave his team a three-goal margin when he talked a brace of counters, and shortly after his second successful attempt Daniel combined for the latter to score one of the prettiest goals of the evening. The Kayser goaler, meanwhile, was only subjected to shots from outside his blue line which he handled easily.

Scarcely had the whistle sent the teams into the final period when Johnny Baker shot from the Kayser blue line. The disc hit one of the Silk players and was deflected into the nets. Having reduced their deficit to a single point, the Cotton boys attempted to deadlock the score, but Charlie and Mayo Thibault staged a combination effort which permitted the latter to score his second goal of the evening and his team's fourth counter. Although the losers, led by Charlie Gordon, attempted to beat Asselin in the final minutes, their efforts were fruitless, and the teams left the ice with victory safely tucked under the Kayser boys' belts.

Next Wednesday's double-header will alter the standing of the league's victorious teams in last evening's encounters will oppose each other in the opening game.

Fred Povey and Mayo Langis gave satisfaction to the four teams in handling the two games last evening. Their tasks, however, were not very arduous, as all the squads played clean hockey.

The line-ups for the two games were:
