

FRENCH DEFEAT GERMAN ATTEMPT TO RECAPTURE GROUND TAKEN IN FLANDERS

On Verdun Front Enemy Broke Into Advanced French Positions But Were Repulsed. Allies in Flanders Consolidate Positions Taken in Recent Offensive. Counter Attacks Repulsed. British and French Troops Advanced Under Most Trying Conditions. Italians Repulse Heavy Attacks Made on Lines by Enemy.

(Associated Press Despatch.)

PARIS, Oct. 11.—The French last night defeated a German attempt to recapture ground taken in the French offensive in Belgium this week, the War Office announces. On the Verdun front the Germans broke into advanced French positions, but were repulsed after a spirited engagement.

FRENCH AND BRITISH HOLD ALL POSITIONS.

(Associated Press Despatch.)

British Front in France and Belgium, October 10.—The French and British Allies this morning were fighting both the weather and the enemy in maintaining the positions which they reached in yesterday's drive to the east and north of Ypres. The night brought virtually no change to the Verdun front, where the enemy had been attacking the French positions in the northern section of the advance.

From the region of Poelcapelle southward the British were establishing themselves along a line somewhat in the rear of the most advanced posts reached yesterday. The condition of the ground, rather than the opposition of the Germans, made it unfeasible for these pioneer troops to attempt to remain in the farthest posts reached.

Several enemy counter-attacks along the Ypres-Staden Railway, and south of Houtholst forest, were quickly repulsed by artillery and machine-gun fire.

TRYING CONDITIONS. It rained hard again this morning and the Allies were digging themselves in over a wilderness of mud and water such as only Flanders can produce. It was a trying situation. The troops were drenched with the cold rain and all the operations had to be conducted in mud, in which they were wallowing to their knees and deeper.

Sharp fighting still continued today around Polderhoek Chateau. In the zone of a small separate attack by the British south of the main offensive. But the operation in that sector had accomplished all that had been planned for it, and the situation at the Chateau gave no cause for uneasiness.

MERE BOYS ON FRONT LINES. Prisoners, some of whom were boys of 18, said they were well provided with food while on the front lines, but that in the interior of the country the privations were great.

FRENCH AGAIN ADVANCE. French troops to-day, despite the condition of the ground, made a further advance, straightening out their line toward the borders of Houtholst forest, and taking additional batches of prisoners.

STRENGTHENED FORWARD IN MIRE. South of Poelcapelle the British early pushed through to a depth of a hundred yards or more, but owing mainly to the awful condition of the ground were forced to withdraw somewhat from the most advanced positions they had attained. In this region the infantry had to cross the Lakerbotereek and Stroombek rivers, and the ground in the neighborhood of these streams was of the most violent possible description.

The British advanced in a thin line toward the German position which was thickly held here. As the British struggled forward miserably in the deep mire, their barrage somewhat outdistanced them, and the Germans rushed from those pill boxes which had escaped shells, and poured a heavy machine gun fire into the advanced line.

REUTEL TAKEN OVER BY BRITISH. In small operations in the Reutel and Polderhoek region the fighting was still continuing today about the Polderhoek Chateau which the Germans appeared to hold. Reutel was taken over yesterday by British troops. The ruins of the hamlet apparently were not occupied by the Germans, but the latter made a stiff fight with machine guns in the juniper wood to the south.

NEVER SHORT OF FOOD. A large number of Germans hidden in trenches covered with screens were attacked with rifle and bayonet, and either killed or captured. The ground here was indescribably bad, but the British were never short of food or ammunition because of poor communications. The rifle play had a prominent part in this attack.

ARTILLERY ACTIVITY ON BRITISH FRONT. (Associated Press Despatch.) LONDON, Oct. 11.—The official statement issued today by the British War Office regarding military operations on the battlefield in France and Belgium says:

"There was a heavy rain again last night. The enemy's artillery showed considerable activity during the night west of Passchendaele. Otherwise there was nothing of special interest to report."

Operations in the Castagnavizza area. Fighting followed, but our positions were all firmly maintained and the enemy was repulsed with losses.

"Yesterday evening between Vipacco and Castagnavizza violent destructive fire begun by the enemy, which had the character of artillery preparation, was promptly crushed by our batteries. Numerous strong parties, which afterwards attacked our positions in that section, were driven back with heavy losses."

(Associated Press Despatch.)

On the Aisne front an enemy patrol, which was seeking to approach our lines in the region of Cerny, was dispersed by our fire.

"On the right bank of the Meuse (Verdun front), in the region of Hill 244, the Germans made an attack which enabled them to gain a footing momentarily in a portion of one of our advanced trenches. After a spirited engagement we repulsed the adversary and remained masters of our positions."

"Sub-Lieut. Beyan yesterday brought down his tenth enemy airplane."

ENEMY COULD NOT HOLD SHELL CRATERS AS SHELTERS

(Via Reuter's Ottawa Agency) LONDON, Oct. 11.—Reuter's correspondent at French Headquarters telegraphs as follows:

"Two interesting points emerged from the latest battle in Flanders: First, the enemy system of echelonment proved a failure; second, the substitution of prepared lines of shell craters for battered trench lines is almost valueless, because, after shelling, the craters are little good as shelters. Prisoners admit that the higher command realize that during heavy fire the men cannot be trusted to hold them. Officers in 'pill boxes,' or similar shelters are unable to exercise effective control or even know what the men in the craters are doing. Hence at the moment of attack the men are either not at their posts, or are in a frame of mind which makes surrender the wiser course than fighting."

ITALIANS REPULSE ENEMY WITH HEAVY LOSSES

(Associated Press Despatch.) ROME, Oct. 11.—The official report from Italian headquarters yesterday reads:

"Yesterday between the Adige and the Brenta, and on the Bainsizza Plateau, there were lively artillery duels. East of Gorizia the activity of reconnoitering parties was noticeable. An enemy patrol was captured."

"On the Carso Monday evening, by repeated attacks, preceded by intense concentrations of gunfire, enemy storming parties attempted to gain

Reported That Sailors Threw Guns Overboard and Refused to Obey Orders.

(Associated Press Despatch.)

BERNE, Switzerland, October 11.—A naturalized American citizen of Berne, who escaped to Switzerland from a German seaport in order to escape military service, as the Germans refused to recognize the legitimacy of his naturalization, declared to the Associated Press yesterday that the events to which Admiral Von Capelle referred yesterday in the Reichstag include the sailor organizations on many ships, which dismounted and threw guns overboard, assaulted officers and refused to obey orders.

The mutineers he said were quickly checked and a majority of them shot. Although the movement was entirely suppressed, it was asserted the dissatisfaction in the navy had been in no wise subdued. The American said he had visited many seaports and conversed with the sailors, and that he was aware of the mutinous spirit of the men before the rumors of disaffection began to spread. He adds that the movement was not limited to the navy, but that it flourished in certain regiments, in which mutinies have occurred.

PERUVIAN MINISTER ASKS FOR PASSPORTS.

(Associated Press Despatch.)

AMSTERDAM, Oct. 11.—The Peruvian minister to Germany has handed to the Government a note announcing a rupture of relations between Peru and Germany, and has also requested his passports, according to a dispatch received here from Berlin.

Peru severed diplomatic relations with Germany, October 4, by an almost unanimous vote of Congress.

ASSURE FUEL OIL SUPPLY FOR BRITAIN

(Associated Press Despatch.)

WASHINGTON, D. C., Oct. 11.—An ample supply of fuel oil for the British Navy was assured yesterday at a conference between their Government representatives, Standard Oil officials and members of the Shipping Board. Oil reserves in Great Britain have run so low, the conference disclosed, that many British warships have been forced to remain inactive.

To remedy this situation the Shipping Board will rush construction of fifty-eight oil tankers recently commandeered in shipbuilding yards, and is considering building at least forty more.

SHERBROOKE MAN GETS D.C.M.

Lieut. J. Patterson Rewarded for Distinguished Services at the Front.

Lieutenant John Patterson, of Sherbrooke, has won the D. C. M. for meritorious services in the war. The news is contained in a letter received in Sherbrooke from Lance-Corporal W. Choat, of the 14th battalion. "He well deserves the honor, for he was a good soldier, one of the best, and all the boys like him," says the writer.

Lieut. Patterson is a veteran of the Boer war. He enlisted here in the first contingent in the present war, going overseas as sergeant and winning his lieutenantcy on the field. He formerly belonged to the 53rd regiment, and while living in Sherbrooke was employed at the Jencks Machine Co.

G.T.R. EMPLOYEES AFTER INCREASE

Representatives of Conductors, Trainmen, Engineers and Firemen Confer With Vice-Presidents.

(Canadian Press Despatch.)

MONTREAL, Oct. 11.—Representatives of four thousand conductors and trainmen of the Grand Trunk are conferring with U. E. Gillen, vice-president in charge of operations, with reference to a demand for an increase in wages. The engineers and firemen of the Grand Trunk are conferring with W. D. Robb, vice-president in charge of motive power, with a view to increased wages. Both conferences so far have been of a friendly nature.

Engineers and conductors at present earn from \$125 to \$175 per month, occasionally running up as high as \$225 per month, where the trains are unusually important.

CANADIAN LABOR AND RAILWAY BATTALIONS

Roland Hill Tells of Work of Corps on Fringe of the Battlefield.

(Canadian Press Despatch.)

OTTAWA, Oct. 11.—The Militia Department has issued the following article by Roland Hill, forwarded from War Correspondent's Headquarters in France, on the operations of Canadian troops other than the Canadian Corps. These include railway construction and home battalions:

"To many at home Canada's association with Ypres is but a memory, yet along the fringes of the great battle which is now progressing so favorably there are still Canadian troops doing work which has gained them special commendation. You can find them in places historic in Canadian minds—Langemarck, St. Julien, Willebeke—starting new lines for the guns, repairing the old railways, building new dugouts for Imperial and Australian troops, and making roads. Sometimes little parties go out and help the ambulance men on their railways, always overworked in great battle."

"Today I visited the camp of a Canadian labor battalion in the neighborhood of Ypres. I found two Canadian Scottish veterans attached to the labor battalion who had actually fought on the very ground where they were now working. There were others, too, for the line the Canadians held that April day is now the railway and the road zone. The new labor men have proved themselves soldiers, too; all through the Hun bombardments of the last two days they have been working hard with the Royal Engineers."

"The Dominion railway troops, too, have done their little share so well that this morning the General Director of Transport came over and congratulated them. All these Canadian units are delighted to be near the battle that is driving the Hun farther than ever from coveted Ypres."

GENERAL RETURNING OFFICER.

(Canadian Press Despatch.)

OTTAWA, Ont., Oct. 11.—The appointment of Mr. W. F. O'Connor, K.C., as general returning officer for the Dominion elections, has been recommended to Council, and the appointment will undoubtedly be confirmed. Mr. O'Connor will receive the returns from both Canada and Overseas, which, added together, will decide the result in each constituency.

NOT ONE NORSE SHIP SUNK LAST WEEK

(Associated Press Despatch.)

NEW YORK, N.Y., Oct. 11.—Three men charged with conspiring to blow up ships in New York harbor in 1916, were arrested here last night by members of the bomb squad. The prisoners are Eugene Riester, 32 years of age, a restaurant proprietor; Joseph Zeffert, 37 years of age, a printer, and Walter Uhda, thirty years of age, a lithographer. Uhda never has been naturalized. The others are American citizens.

The conspiracy in which the three were involved, according to the police, was responsible for the destruction by bombs and fires of \$5,000,000 worth of ships and cargoes.

NOT ONE NORSE SHIP SUNK LAST WEEK

(Associated Press Despatch.)

LONDON, Oct. 11.—Not one Norwegian ship was sunk last week by German submarines, for the first time in more than a year, according to a dispatch to the Morning Post, from Christiansia. The Tidens Tegen, a Christiania, prints a diagram purporting to show that Norwegian sinkings have decreased as the efficiency of the Allies in dealing with submarines has increased.

TRANSPORTATION CRISIS IN DENMARK.

(Associated Press Despatch.)

COPENHAGEN, Oct. 11.—The hope that the railways this year would be able to handle coal shipments necessary to keep the people warm has proved vain, and there again is talk of a transportation crisis, though the scare is less extensive than last winter.

MONTREAL AND TOWNSHIPS ROAD IS GREATLY NEEDED

Missing Link in Provincial Good Roads System. Montreal Men Interested and Working From That End. Up to Eastern Townships People to Look After Movement Here.

Mr. A. L. Caron, president of the Auto Club of Canada, was one of the speakers on the Good Roads' question at the Waterloo meeting of the Eastern Townships Associated Boards of Trade.

After expressing his sincere appreciation for the kind invitation to address such a representative meeting, he assured the gathering that he should report to the directors of the Auto Club the great enthusiasm that existed amongst the delegates in the matter of building a highway from Sherbrooke to Montreal. Mr. Caron insisted that the automobilist was not altogether the unmitigated evil that people had been led to believe, for as a matter of fact the auto was beginning to be considered as an item that must be reckoned with, as evidenced by the statement of the Provincial Treasurer that motorists were paying into the treasury annually the sum of nearly half a million dollars in license fees, which in itself constituted a reason for extending the Good Roads' propaganda.

Referring to the benefit which Col. Schier had mentioned as accruing from good roads to farmers, who were by this means enabled to sell their produce at their own doors, the speaker told of an instance in his own experience. Being a farmer "on the side," and being interested in poultry, he stopped one day at a farm on the Quebec-Montreal highway to buy some hatching eggs, but found that so many autoists had passed over the road before him and they had cleared out the stock. "The autoist uses the roads, we are all fond of good roads, we do all we possibly can to get them and we are all paying our share but the great benefit to be derived therefrom goes to the farmer. Strange to say, he is the man whom we had the most difficulty to persuade to have these good roads built."

"Not long ago, as the directors of the Auto Club of Canada, we used to journey to Quebec and have interviews with Sir Lomer Gouin Hon. Mr. Caron and other ministers to try and explain to them the great advantages that the province would derive from the building of highways, and to-day, through their construction, the most substantial lessons possible have been brought home to them. What is the result? The Government has spent over \$16,000,000 on our highways, and they are going strong. They intend to continue it because they have found it was the most solid investment they could make for the province of Quebec. I had the pleasure of being invited to different conventions in Ontario and New York state and elsewhere, and I have felt very proud to tell these gentlemen of the work that Quebec province has done towards improved highways. This province is in the vanguard in this respect in the Dominion, and we should feel proud of it. We have an efficient Government, they have done their duty, let us not stop there. If we realize what highways are doing for our province we certainly will continue to build them and will profit by the lessons we have learned in building them."

Mr. Caron said that if any proof were needed of the benefits conferred on the city of Montreal by the King

Edward highway, the tradespeople, storekeepers, hotelkeepers, and in fact everyone in that city would tell of the thousands of dollars spent there by auto tourists. He had a very soft spot in his heart for the Eastern Townships, and he had wondered why the people of this district had not built a highway connecting with Montreal, one of the greatest cities in the world, containing with Westmount, Maisonneuve and Outremont a population of 800,000.

"Do you realize what such a highway would mean to the Eastern Townships? You are not alive to your opportunities if, with the ideal conditions that seem to obtain here to-day towards building that highway, you do not have it well under way between now and next fall. Mr. Mitchell has told you all you have to do is to get together and go to Quebec and the Government will give you what you want. Line up your municipalities, the Government is waiting to give you all the grants you require. The Auto Club of Canada, the premier organization of this country, pays hundreds of thousands of dollars in the provincial treasury; we have a little say and are right behind you, and will do all we possibly can to help you."

PRESIDENT OF CANADIAN GOOD ROADS' ASSOCIATION.

Mr. J. A. Duchastel, president of the Canadian Good Roads' Association, followed. He was sure that the sound advice given by the Provincial Treasurer and Col. Schier would be very beneficial in determining the kind of road to be built. As an engineer he emphasized the importance of proper maintenance, whether the road be gravel, macadam, or even concrete. The Canadian Good Roads' Association would always be pleased to give advice, help and moral support in the construction of the Sherbrooke-Montreal highway and other roads, and would cordially welcome members of the Associated Boards to their meetings.

MONTREAL TO TOWNSHIPS ROAD NEXT.

Mr. McNamee, secretary of the two organizations, who was present, submitted an interesting pamphlet on the Montreal-Townships road, and also exhibited an interesting map illustrating the contrast between good and bad roads. He pleaded that the efforts of all good road enthusiasts should now be to bring about the construction of a road connecting Montreal with the Townships.

This was the missing link.

AYER'S CLIFF HAPPENINGS

West End of Hatley Created a New Municipality.

AYER'S CLIFF, Oct. 10. —(Special.)—A proclamation appears in the Official Gazette creating the west end of Hatley into a municipality, to be known as "The Municipality of the West End of the Township of Hatley," taking effect the second day of October.

NEGLECTED CEMETERY.

Attention has been called to the cemetery in the midst of this progressive little town. Though in a neglected and sad condition of the wooded section of the country, it is as bare of trees as if it were on the prairie. In most places people take pride in the upkeep of God's acre, making it as beautiful as they can. The fence has decayed and fallen down, allowing cattle to roam about, as hoof prints on some of the lots will show. A few months ago this topic was brought before the public, as under the new municipal code a by-law was passed to create a fund for this purpose. To this fund anyone can contribute. It will be invested and the interest only used each year. On Tuesday, the 16th, a meeting will be held to rebuild the fence, and everyone is asked to help either by labor or financially. There are many people living at a distance who have relatives buried here who could contribute, and the improvement made by even a small sum would mean much to all concerned. Contributions can be sent to Mr. L. L. Clough, secretary of the municipality.

PTE. WORTHEN HOME ON SICK LEAVE.

Private H. R. Worthen is visiting his mother, Mrs. Julia Worthen, and calling on his old friends. He has a ten days' leave of absence before going to Montreal, where he is to take electrical treatments and massage for his injured arm. The doctors hold out every hope for a full recovery in four or six months' time.

RESOLD FARM PROPERTY.

Mr. W. S. Hartson has resold his farm to Geo. W. Bowen, the former owner, and is moving into the village, renting a house from Mrs. Mildred Dustin.

NOTES.

The Guild will meet with Mrs. Geo. Davis on Thursday afternoon. Supper from 5 o'clock. The gentlemen are invited to attend.

Mr. Bowen has rented his farm for a year.

Mr. D. M. Ross has moved into the flat recently vacated by Mr. A. E. Rawlings.

Mr. and Mrs. P. A. Salls, who have been at Elmwood Park since early in June, left Saturday evening for Beebe.

Mrs. A. E. Fish was in Newport on Monday; Mrs. E. P. Lyon, Mrs. Ralph Cass and Miss Cora Rowell were in Sherbrooke on Tuesday; Mrs. S. E. Hill is entertaining her sisters, Mrs. Bowen, of Hatley, and Mrs. Avery, of Manchester, and her niece, Mrs. Bullock.

Mr. A. A. Drew is shipping his household goods to Beebe, where they will reside in the future.

The formal opening and distribution of prizes at the Academy will be held on Friday evening, the 19th. It is expected the speaker for the occasion will be the Rev. G. Ellery Read, of Sherbrooke.

The Ladies' Aid will meet with Mrs. Thomas Morrison, on School street, Tuesday afternoon, the 16th.

Miss Flora Paul has returned to her school in Bishop's Crossing, after spending the holiday with her parents, Mr. and Mrs. D. L. Paul.

Mrs. Warren Hall, of Suncook, N.H., is visiting her mother, Mrs. Clarissa Dustin.

The Rev. C. W. Shattuck, of Lynn, Mass.; Mr. and Mrs. G. H. Prior, of Morrisville, Vt., and Mrs. Samuel Boy, of Scottstown, were guests of Mr. and Mrs. A. E. Fish on Thanksgiving Day.

SULTAN OF EGYPT REPORTED DEAD

Hussein Kemal Was Appointed to Succeed His Father Who Threw Lot in With Enemy.

LONDON, October 10.—The Daily Telegraph says it learns that the Sultan of Egypt died at noon Tuesday.

Hussein Kemal was chosen by Great Britain in 1914 to succeed his uncle, Khedive Abbas Hilmi, as ruler of Egypt simultaneously with the proclamation of a British protectorate. His father was Khedive from 1865 to 1879.

The British acting High Commissioner in Egypt in his letter notifying Hussein Kemal of his appointment said there was ample evidence that Abbas Hilmi had thrown in his lot with enemies of Great Britain, with the result that "Rights over the Egyptian executive exercised by the Sultan of Turkey and the late Khedive are forfeited."

EXTREME SOCIALISTS LOSING GROUND AMONG MEMBERS

BORDEAUX, Monday, October 10.—The proceedings of the National Socialist Congress yesterday showed that the extreme section of the party is losing ground owing to the spirit of conciliation manifested by the majority Socialists. The first definite trend of the situation came in the afternoon, when the minority proposed that Deputy Raffin-Dugens should preside at one of the sessions, but the proposal was defeated by a vote of 1,433 to 1,369, after a long and heated debate. There were eighty-three abstentions.

Pains Over Left Kidney

Warned This Captain That the
Kidneys Were Responsible
for His Pains and Aches
— Freed of Pain and
Suffering by a Well-
known Medicine.

HEREFORD, Que., Oct. 11. —
Captain Peabody is well known all
through this section, and his cure by
use of Dr. Chase's Kidney-Liver Pills
has aroused great interest in this
great medicine.

The Captain had been suffering for
a long time, and could never get any
treatment to afford lasting relief un-
til he began using Dr. Chase's Kid-
ney-Liver Pills.

Captain A. Peabody, Hereford,
Que., writes: "For years I suffered
from indigestion, rheumatism, and
neuralgia. Lightninglike pains would
shoot all through my body, and I also
had severe pains over my left kidney
and through the hips. I doctored for
years and tried all kinds of remedies,
but the only result was money spent
without relief. At last I read in Dr.
Chase's Almanac of his Kidney-Liver
Pills and decided to try them. One
box made such a change that I sent
for five more. Before I had finished
them the pains in my kidneys and
hips had disappeared, and I was clear
of those sharp shooting pains through
the body. I still take these Pills oc-
casionaly to keep my bowels regular,
and would not be without them, as I
have them to thank for my cure."

"I can also speak highly of Dr.
Chase's Catarrh Powder and Linseed
and Turpentine. The former cured
me of catarrh in the head, which
caused frequent headaches. I am
completely cured of this now, and
breathe freely as when a boy. The
Linseed and Turpentine proved of
great benefit for a bad cough which
bothered me continually for three
winters. Last winter I took one bot-
tle of the Linseed and Turpentine,
and have not been bothered with a
cough since."

WIFE OF DEPUTY TURMEL ARRESTED

Alleged That She Often
Changed Swiss Notes at a
Paris Bank.

PARIS, Oct. 10.—Madame Turmel,
wife of Louis Turmel, deputy for
Cotes du Nord, was arrested yester-
day. The newspapers say she often
changed Swiss bank notes at a Paris
bank.

Louis Turmel recently has been un-
der investigation by the French Cham-
ber of Deputies because of a charge
that he had been dealing with the
enemy. Hints of a German bribe in
connection with his case were an-
swered by Turmel that he had received
a large amount of money for acting as
legal adviser for Franco-Swiss firms.

EARL GREY LEAVES MESSAGE TO EMPIRE

Regarded by Lovers of the
Empire as Something of a
Battle Cry.

(Via Reuter's Ottawa Agency)
LONDON, Oct. 10.—A new book,
entitled "Earl Grey: A Last Word,"
will be published shortly. It will con-
tain a farewell message to Harold
Begbie, for his fellow-citizens of the
British Empire, with the object of
encouraging those who are working
for ideal causes and securing atten-
tion to those causes from those hith-
erto indifferent to them.

Viscount Bryce, who has contrib-
uted to the book says: "No more
beautiful or more lovable character
has adorned our generation."

Lord Milner declares: "Great as
was Earl Grey's achievement, it is
entirely dwarfed by his personality."
The message itself is stated to be
full of inspiration and encourage-
ment, and will be regarded by lovers
of the Empire and believers in Ang-
lo-Saxon unity as something of a
battle cry.

UP-TO-DATE MODEL SCHOOL AT FARNHAM

New Courses of Study Intro-
duced by Principal. Will
Give Business Course.

FARNHAM, Oct. 11.—(Special)—
The Teachers' Conference held here
in charge of the Rev. Mr. Taylor,
of Knowlton, was well attended, there
being about thirty teachers present,
from the near-by rural schools. Ma-
ny helpful subjects were discussed,
and the new principal, Mr. Caldwell
Jacobson, made known to the assem-
bly a new departure in the work
here, namely: the introduction of a
practical business course of instruc-
tion into the Farnham Model School.
This course will cover not only the
useful training in bookkeeping and
business forms as specified in the
course of study, but will include a
thorough training in shorthand, type-
writing, business English and cor-
respondence, as well as the very es-
sential but often neglected study of
spelling. It is a well-known fact that
many college graduates are very
poor spellers, and it has been found
upon investigation that there are
one hundred words which cause more
than 60 per cent. of all the misspell-
ing. Nearly all of the misspelling is
confined to 2,000 words, whereas our
spelling books contain nearly 30,000
words. Now, by making a special
study of the terminations and for-
mation of the words which cause the
trouble, it will no longer be thrown
up to us that "our Model School pu-
pils are far behind those of the rural
schools in the subject of spell-
ing."

The country is waking up to the
great need of such training, and
large government grants have been
made to some of the colleges and
universities in order that business
departments may be installed, but
there are as yet only three or four
Model Schools in the Province where
any provision has been made for such
training. The town of Farnham is to
be congratulated upon the fact that
business employers and the School
trustees have recognized the impor-
tance of this form of instruction and
have secured the services of a teacher
of wide experience in this line of
work. Miss Williams, who has been
engaged to take charge of this de-
partment, received several months of
training in the Montreal Business
College; afterwards taking a com-
plete course of instruction in the Bos-
ton Commercial College, from which
institution she received a diploma.

Further special training for the
teaching of such subjects was re-
ceived in the Salem Normal School.
A special diploma was granted her
by the Educational Board of the
State of Vermont for the teaching of
commercial subjects in high schools,
and Miss Williams was in charge of
the Stenographic department of the
Rutland, Vermont, High School for
five years, after which she accepted
a position at double the salary in the
Eagan Business College at Hacken-
sack, New Jersey, where she remain-
ed four years. She also taught sev-
eral months in King's Business Col-
lege at Charlotte, North Carolina.
Her father's illness and death recall-
ed her to her old home in this Prov-
ince, and she is now trying to "do her
bit for her country," by assisting in
the organization of a department sim-
ilar to that found of such benefit
to the youths of the land just across
the border.

the representative of
A. CLAVERIE
so well known in our District,
will be again at the

GRAND CENTRAL HOTEL

All sufferers from Rupture will undoubtedly take advantage of this opportunity to try a greatly improved apparatus, which FINALLY SOLVES THE PROBLEM of the treatment of Rupture.

This apparatus is a recent invention of the Famous French Specialist, Mr. A. Clavier, who has won the admiration of the whole world, and has obtained the most enthusiastic APPROVAL OF EMINENT DOCTORS, medical colleges, and the gratitude of all sufferers from Rupture.

Simple and strong, the latest apparatus of Mr. A. Clavier is able to PERFECTLY MAINTAIN ANY RUPTURE, however large, WITHOUT CHANGING ITS POSITION AND WITHOUT CAUSING EITHER PAIN OR ANNOYANCE.

On account of its softness, it can be easily worn DURING THE NIGHT, which is an INDISPENSABLE CONDITION FOR AN EFFECTIVE CURE.

That is the reason for which the apparatus of Mr. A. Clavier is worn by nearly TWO MILLION (2,000,000) people in all parts of the world.

SHERBROOKE HIGH SCHOOL SECOND.

All those interested in the Sherbrooke High School will be pleased to learn that the standing of the school is excellent, being second to Lachute, which is first in the Province. Sherbrooke had 85 points and Lachute 86, so it is very probable that another year may see the local school at the head. The Commissioners and staff are well satisfied with the result.

PTE. W. J. L. BEATTIE RETURNS FROM FRONT.

Pte. W. J. L. Beattie, of the 73rd Highlanders, returned from the front Sunday morning. He left Canada March 29, 1916, and went to France the 11th August, 1916. Although only in France four months, he has had some very hard times and thinks himself very lucky to come home the way he is. He was wounded in both legs. The people were very good to him while in English hospitals as well as Canadian hospitals. Pte. Beattie went to Lyndonville, Vt., last night to visit his relatives, and expects to return Thursday.

ST. ANDREW'S CHURCH YOUNG PEOPLE'S SOCIETY.

The Young People's Society of St. Andrew's Church held its first regular meeting of the season in the Church Hall Tuesday evening, a large number of young people being present. The meeting opened with devotional exercises conducted by the Rev. Alfred Bright, after which a programme of music and games was presented to the gathering, including a violin solo by Mr. Jacob Dick and piano solos by Mrs. Bright and Miss Eva Lamont. An excellent address was given by Mr. William Barr, of Montreal, now residing temporarily in Lennoxville in charge of the building of the new Preparatory School. He dealt with the subject of the splendid opportunity being offered by the Young People's Society to learn to speak in public and for training in Christian work. The Rev. Alfred Bright outlined the work for the coming season, and the election of officers was then proceeded with, resulting as follows: President, Mr. George Dick; Vice-Pres., Mr. Evan Cathcart; Secretary, Miss Eva Lamont; Treasurer, Mr. Gordon May. Refreshments were served by the young ladies and the singing of the National Anthem closed the evening.

Work is proceeding rapidly on the new extension to the Canadian Rand shops. It is understood this will be used in connection with marine engine construction, which the Rand has undertaken. The company, it is understood, has several orders in this connection, and the future holds great possibilities in this connection. In the meantime the shops are being equipped to handle the new national orders recently received. The Canadian Rand is advertising for men, and it is expected will operate with full night and day shifts this winter.

The King street pavement will be watched with interest in regard to its durability. The street, as finished, will have a very fine appearance, and if it stands the wear of traffic and weather it will be very satisfactory.

DRUMMOND ROAD

It is understood that the city will do some work on Drummond road this fall. This road, leading through the industrial section, is much in need of permanent construction work.

CHILD DRANK PART BOTTLE SOOTHING SYRUP

The three-year-old daughter of Mr. Charest, merchant, of Galt street, has quite recovered from her experience of last Saturday, which so nearly ended fatally. The little girl got hold of a bottle of soothing syrup and drank nearly half of it. Four doctors were summoned and put up a big fight to save her life. She was given quantities of milk, and every device was employed to keep her awake. Late in the evening she was so far recovered that it seemed safe to allow her to sleep. It was a very close call for the little one.

ACTIVITIES AT THE Y.W.C.A.

The regular monthly meeting of the Board of Management of the Y.W.C.A. was held yesterday in an association parlor, a fair number of members being present. Mrs. S. A. Jones presided. The report and financial statement of the Superintendent were submitted and were very satisfactory, showing a small balance in the bank after all expenses had been met. A number of questions came up for discussion bearing upon questions which are a problem in all institutions. One of the two cases mentioned was arranged by the timely aid of one of the members of the Board, while in the other the superintendent, Miss Coleman, was authorized to act according to her best judgment.

The report of Miss Lindsay, the secretary, was interesting and was as follows:
"During the last month classes have been organized for the winter, which are now all going except the dress-making, which I hope to organize next month. Many girls come to our Association weekly. In the Maple Leaf Club there are about 20 members. In the home nursing class I expect a class of 23. There were 25 present at the last meeting of the physical training class at the Y. M. gymnasium, and since then a number of names have come in. The prospects are for a good class. The English night class has seven members, all bright girls between the ages of 14 and 22; one of them I teach in the afternoon; it is difficult taking them all together. The Pollyannas and Sunbeams had 20 present at each meeting, and are sending a box to a lonely soldier for Christmas. Miss Sutton has kindly offered a prize for Scripture verses perfectly recited, and am hoping a second prize will be offered. I consider myself fortunate in having Miss Bostwick again to help Miss Sutton to assist in preparing work for the class. Fully 100 young women and girls are enrolled in one class or another, and this with a boarding department of 26 girls gives a fair idea of the activities of our Y.W.C.A., and does not include the girls who come to us daily to make use of the parlor, piano, etc."

WHAT ABOUT ST. RAILWAY

West Ward Extension Greatly Needed But Nothing Being Done.

What about the street railway situation? Very little has been heard of it of late. The uptown is very greatly concerned in the question. At last accounts the city was appealing to the Utilities Commission to hold an enquiry and assist in making all adjustments of difficulties. Then there are the advocates of a new franchise, and some are found who argue that the city should buy the road and operate it. In the meantime the much-needed extension to the west ward is held up. The people in that section of the city are very patient. The manufacturers themselves, particularly the cotton mills, feel need of street railway accommodation very keenly. Will the question prove as interminable as the Wellington street paving question.

DISCUSS FILTER PLANT FOR CITY

Mr. Hunter, of New York, is in town to consult with the city regarding a proposed filtration plant for the city. He met the water committee last evening and is going over the ground to-day.

It will be recalled that at a recent meeting the city authorized the committee to procure preliminary plans and estimates in this connection. The filter plant might be located near the reservoir or at the pumping station. The public will be glad to know that the water committee are taking the matter up seriously. of the activities of our Y.W.C.A., and does not include the girls who come to us daily to make use of the parlor, piano, etc."

LOCAL BRANCH OF R.F. CORPS

Prospects for Enlistment in Aerial Service Appear Good in This District.

A branch of the Royal Flying Corps has been established in Sherbrooke. At the request of Lieut. R. E. H. Daniel, R.F.C. the following gentlemen have consented to act as the interviewing committee for this district with Sherbrooke as headquarters: Messrs. James Mackinnon, W. A. Hale, H. W. Welsh, C. W. Cate, J. E. Poutre, Lieut. Col. H. R. Fraser, Jas. Codere, V. E. Morrill, J. H. Walsh, W. E. Paton, R. A. E. Aiken, Major E. W. Farwell, Lieut. Col. F. C. Bowen and Lieut. R. W. Hogg to be temporary members. The organization meeting was held yesterday at the head office of the Canadian Bank of Commerce, at which Major E. W. Farwell was elected chairman and Lieut. Col. F. C. Bowen, secretary pro tem. Any young man in this district desirous of taking out commissions in this interesting branch can obtain full information from any member of the committee. Complete details of the course of training were published in the Record of the 9th inst. Already many applications have been received for the local committee to deal with and it looks as though this district will be well represented in the premier branch of the army.

A meeting of the Entertainment Committee, will be held in the patriotic rooms on Friday evening, October 12th, at 7.30 p. m.

PATRIOTIC ASSOCIATION. The regular monthly business meeting of the Patriotic Society was held Friday afternoon, Mrs. Bowen presiding. The minutes of last meeting were read by the secretary and the treasurer's report given. A letter from the trenches was read, which speaks for itself, regarding the appreciation of the work done for our soldiers. "The Sherbrooke Patriotic Association. Dear friends,—I thank you very much for the fine socks which were received by us on 12th. Just wishing your society the trust and best blessings. Sincerely yours, Corpl. R. Hill." The report of the work committee showed that 25 cases of individual parcels of Christmas cheer had been forwarded to the C.W.C.A., London. The report of the entertainment committee could not be fully given, but the convenor announced that one

CITY NEWS

Mr. Alban Genest, K.C., of Montreal, was in town recently on legal business.

Mr. Neilson, of the Bell Telephone Co., Montreal, was in the city yesterday.

Miss Alicia Hale, Portland avenue, has returned home, after spending a week at Orford Lake.

Mr. George A. Veale spent a couple of days in the city, renewing old acquaintances.

Mr. Jethro Brooks, of the Asbestos and Asbestos Co., Asbestos, was in the city yesterday.

Mr. and Mrs. Holton Learmont, who have spent the summer at their cottage, North Hatley, went to Montreal for the Thanksgiving holiday.

Mr. J. W. Bowman, of Boston, Mass., and Dr. A.W. Klein, of Greenwich, Conn., were in town on Tuesday, attending a meeting of directors of Mackinnon, Holmes, & Co., Ltd.

Mr. Porteous, of Montreal, was in the city yesterday, paying a visit to his son, who is at Bishop's College, Lennoxville.

Mrs. John S. Hall, has returned home from the Sherbrooke Hospital, where she underwent an operation, and has nearly recovered her health.

Mrs. Macfarlane, Demonstrator, from Macdonald College, was a guest at the New Sherbrooke House, during her stay in town.

Mr. and Mrs. Allan L. Carr and their family arrived in town from Montreal yesterday and have taken possession of the former residence of Mrs. Walter Tomlinson on Melbourne street.

Dr. McConnell and Mr. Sears returned from Montreal yesterday by automobile, coming via Burlington to avoid the terribly bad roads on the direct route, having to cover more than double the distance on the trip.

Mr. and Mrs. L. A. Poulin spent the Thanksgiving holiday in town with Mr. and Mrs. F. L. Bean, Prospect street. Mr. Poulin has returned to Montreal, while Mrs. Poulin is remaining for the week with her parents.

The regular monthly meeting of the Lennoxville Patriotic Association will be held on Friday, October 12th, at 3.30. A short business meeting of the Relief Committee will be held just before the patriotic meeting.

One of the interesting features of this meeting will be the reading of the annual Red Cross report. Everybody welcome.

HOME FROM THE CONVENTION.
The teachers of the Central and Lawrence schools have returned from the teachers' convention in Montreal, and the classes have resumed. The teachers of all the Protestant schools have the privilege of attending the convention. This gives the pupils an extra holiday or two and they have raised no objection to the arrangement.

RETURNS FROM ENGLAND.
Mr. J. M. Jencks has returned from a trip to England to visit his son, Lieut. Kennan Jencks, C.F.A. Mr. Jencks was joined in Boston by Mrs. Jencks, and on their way home they made a short stay at Wellesley, Mass., where their daughter, Miss Eleanor Jencks, is at College.

CORRECTION
In the report of cases decided on Tuesday, in the Superior Court, an important error was made, in relation to the case of Couture et al. vs. Dame A. Laberge. It was stated that the opposition is "maintained but without costs." This was wrong. The opposition was maintained with costs as to part of the goods seized, with the exception of the piano and a portable electric lamp, which were declared to be liable to be seized and sold in satisfaction of the judgment in favor of the plaintiffs. The ruling as to costs was upon the ground that the contestation of the opposition was successful only in part. This ruling is not in accordance with the ruling of the Court of Appeal in the case of Dorval Fontaine, upon which the plaintiffs relied. Hence this case may go to appeal.

SHERBROOKE COUNCIL, KNIGHTS OF COLUMBUS.
The first meeting of the Sherbrooke Council, Knights of Columbus, since the new election of officers was held in the council chamber, on Gordon street, last night. The new grand knight, Dr. J. C. St. Pierre, occupied his chair, while the new deputy and knight, J. J. Fitzgerald, occupied the chair opposite. Among the other officers present were the Worshipful Warden Charles Migneault, Secretary J. T. Hawkins and Financial Secretary Eugene Olivier. The principal business was the discussion of the date for initiations, and it was decided that this should take place at the end of November, the date being left open until the required number of applications had been received and accepted. It was decided that applicants would be admitted to the so-

cial features of the club before initiations. The secretary was instructed to accept an invitation received from the Ladies of Charity to attend supper at the hospital bazaar Tuesday evening, October 16. Every effort will be made to secure a good attendance of members on this occasion. A committee of five was appointed to sell tickets.

The first "at home" of the season will be held on Thursday evening, October 25. The worthy lecturer, H. W. Mulvena, was instructed to issue invitations to the members and their lady friends.

MUSIC PUPILS ENTERTAINED.
Saturday evening last Mrs. A. C. Hawk and fourteen of her piano pupils motored to "Blinkbonnie," the residence of Mrs. Fred Odell, in the vicinity of the city, where they were delightfully entertained by the Misses Odell, assisted by Miss Virginia Jarvis. Excellent instrumental solos were rendered by the young players in a manner that reflected credit on both pupils and teacher. Gottschalk's "Sopiero" (Valse Poétique) by Miss Viola Bush showed good touch and technique. A violin solo by Allan MacIver, accompanied on the piano by Valmore Bouchard, was appreciated by all present, and "Hungarian Dance," a duet by Miss Doris Odell and Mrs. Hawk, was well rendered, as were all the other numbers.

The pupils received their "Roots" diplomas in the following order: 3rd grade: Eileen McPhail, Evelyn Hallett, Viola Bush, Valmore Bouchard; 2nd grade: Doris Odell, Margaret Breckenridge, Priscilla Tuite, Aileen Davis, Ima Hilliker, Sarah Krakowsky, Virginia Jarvis, Olive Gillis; 1st grade: Eva Pearce, Mabel Wright. After very nice refreshments had been served the visitors motored home after a very pleasant evening.

PRESENTATION AT C. P. R. SHOPS.

Mr. Frank Eastman, chief car inspector of the C. P. R. at Sherbrooke, was married at 7 p.m. last night at Richmond to Miss Lottie McKee. His wife was presented at the C. P. R. shops at noon yesterday with a parlor suite from his fellow-employees. He was also presented with the following address: "We have gathered together to congratulate you on the day of your wedding and to wish you all the happiness possible, and also the best of luck in your new home. We, the undersigned fellow-workmen, also wish to present you with a remembrance, which we hope you will receive, as it is a great pleasure to us to make this presentation, by which we endeavor to express our friendship towards you and the future Mrs. Eastman. We hope your path through your married life will be full of contentment, and that your orders will be 'line clear,' always remembering that life is just what we make it. So we all say 'Bon voyage.'" The presentation was made by A. E. Palmer, locomotive foreman, on behalf of the employees. Mr. Eastman very fittingly responded. On his return with Mrs. Eastman they will reside at 284 Wellington street.

FORESTERS PASS RESOLUTION OF CONDOLENCE

At the regular meeting of Court St. Francis No. 2 Canadian Order of Foresters, held Friday evening last, a resolution of condolence was drafted to be forwarded to the relatives of a brother who had fallen fighting for his country. While a feeling of sadness prevailed, in speaking of the 437 members of the C.O.F. who have made the supreme sacrifice, yet the brethren feel they have reason to be proud, not only because of the fact that over 4,000 members are now overseas with the Expedition force, which speaks volumes for the Order, but of the work of those at home. The amounts paid thus far to dependents is \$391,458, and the dues of those in khaki are being kept up by the brethren here.

A pleasant feature of the evening was the election of Bro. Douglas Odell to the office of Treasurer. A most satisfactory appointment to all the members. After the business of the evening was finished a social hour was enjoyed, refreshments being served, the newly appointed Treasurer acting as purveyor. The singing of "Auld Lang Syne" brought the evening to a close.

B. & M. DIRECTORS RE-ELECTED.

(Associated Press Despatch)
BOSTON, Mass., Oct. 11.—Stockholders of the Boston and Maine Railway, at their annual meeting yesterday, re-elected the present board of directors, and adopted a resolution introduced by Conrad Crocker in support of the company's petition for an

"FEEDING THE FAMILY"

Subject Dealt With by Mrs. Macfarlane at Meeting of Housewives' Leagues.

Yesterday afternoon in the Assembly Hall of the Y.W.C.A., an exceedingly interesting address was given at a special meeting of the Housewives' League, by Mrs. Macfarlane, Macdonald College Demonstrator for the Homemakers' Clubs. The members turned out in large numbers, the subject, "Feeding the Family," being one that naturally appeals to all housekeepers, especially at the present time, when so many problems have to be seriously dealt with.

The speaker was introduced by Mrs. Odell, president of the league, in a few pleasant and appreciative words, and Mrs. Macfarlane began her address, saying first that Sherbrooke was not in her itinerary, but that she never refused an invitation to speak to any society of women: as the subject was a vital one.

Many people were rather contemptuous in regard to these questions, and she often heard it said "that it is all nonsense," our forefathers were healthier and longer lived than we are." This was quite true, but could easily be explained. Food, in the early days of this or any country, was plainer, coarser and more thoroughly masticated because of its coarseness, and people led very different, and less sedentary lives. In addition, doctors were not so clever as they are today and weak children died, only the strong lived. It was "the survival of the fittest."

The relation of the food to health is beginning to be better understood, but she would begin her talk with the first lesson, the four classes or elements necessary for the human body. They are first, protean, which includes meat, cheese, milk, peas, beans and lentils, which are all rich in tissue building substances; the carbohydrates, sugar, starch, and everything which contains them; fats, found in both vegetable and animal food, and minerals, such as iron, phosphates, sulphur, etc. Condiments, pepper, mustard, and spices did not enter into these classes, and were not necessary, but conducive to health, as pleasant to the taste and inducing the low of the digestive juices. The foods mentioned should all be considered by the housekeeper when planning a meal, but the meal, nevertheless, might be very simple, as many foods contained several of these constituents.

The human body was described, very cleverly, the hydrogen, oxygen, and nitrogen, etc., which entered into it, and their uses pointed out, the burning up of the food to furnish energy, and the elimination of waste matter.

Mrs. Macfarlane referred to the enormous waste in bad cooking, as well as its injurious effects upon the system and outlined several excellent well-balanced menus. Strangely enough, she said, even when people knew nothing of food values, instinct taught them that certain substances should be eaten together. For instance pork and beans was a perfect food, and the same applied to oatmeal and milk. Distinction should be made however, between food for the working man, and for those leading a sedentary life.

The best foods for children were pointed out, and many subjects were touched upon, including the importance of ventilation in the houses, to insure a proper supply of fresh air, and the drinking of pure water, which was energetically advocated and insisted upon.

The bulletins issued by the Government would furnish much useful information, but too often these were not read but throw aside as waste paper.

A cordial vote of thanks was moved, seconded and unanimously carried to Mrs. Macfarlane for so kindly coming to speak to the Housewives' League, which must profit by what she had said. Mrs. Jones, secretary of the League, distributed some literature to the members and the meeting closed.

Later Mrs. Macfarlane was entertained at tea in St. Peter's Church Hall.

increase in freight rates. The by-laws were amended so as to make the second Wednesday in April the date for the annual meeting.

CURRENT EVENTS

In the Balkans

The early advertising of the campaign in the Balkans ought to give the Germans and their allies an opportunity to be prepared when two months hence, the 500,000 allied troops, and 600,000 Greek soldiers, and the 150,000 Serbians, proceed in two sections, one by Lagos bay, the other through Servia, to attack, simultaneously, the Turks, the Bulgars, and the Germans. Also we are told the Greek fleet will assist.

Assuredly, this is not intended for a surprise attack. Everyone will expect it, even the Germans, and if they are not there to meet the Serbians in numbers sufficient to check them, it will not be the fault of the press agent.

Finland

The Senate of Finland is moving for separation of Finland from Russia. This move has been imminent ever since the revolution, and effort to keep the political situation tranquil in this part of all Russia appears difficult. Undoubtedly a free Russia inspires all peoples toward freedom, and Finland and Poland must eventually demand the national liberty which Russia is now endeavoring to establish.

In 1713, Peter the Great, conquered Finland. France was busy with the war of the Spanish Succession, and the Russians were driving the Swedes from Pomerania and annexing Finland. Their allies were the Prussians and the King of England. Amidst a general European conflict Finland lost her chance for independence, but she has not suffered as has Poland. She has conserved her national integrity even while a part of Russia. She has not been in the path of international European conflict, but she has been affected by German influence. In 1863 Russia confirmed to Finland her national privileges, and with this the Finns have, perforce, been content, until the Russian Slav, himself claiming freedom, taught his fellow aborigine, the Finn, the way to be free.

The Finn, like the Slav, is a race developing, not deteriorating. His national future is ahead of, not behind, him. Naturally he demands democracy.

Saving Men

Not until after three years of war has the conservation of the men been adopted as a part of the German system of warfare. The people have been urged to save food, the army to save munitions, but the men of the country have been sent, regardless of slaughter, to fight, sometimes futilely, sometimes to purpose, on the several fronts.

Not only in Germany, but in all the warring countries this matter of saving men, has been given slight consideration. At the beginning of the war all the countries were reckless of their men. There were millions of

men to be had, more men than munitions, and the fighting went on with an assurance on all sides of early victory. Men were sent on such expeditions as that to Gallipoli, by the English, and the recklessness of the German army was proverbial. Perhaps the French, alone, were grave over the question of the conservation of men, for France had no surplus of manhood.

Three years have very nearly exhausted the fighting men. There are millions still, on all sides, but not many of them remember the battles of three years ago. The first enthusiastic, cheering men are gone, and relays of serious successors are fighting in the trenches.

Do not waste food, has been the war slogan for all peoples. Do not waste munitions, was granted of such importance early in the war, that the Russian second line soldiers were without rifles, depending on the weapon of the fallen soldier in the first line for defence. Thousands of lives were sacrificed because of lack of munitions on all allied fronts.

Lastly, and most important of all, comes now the injunction, not to waste the men.

Towards the Frontier

The last drive on the Flanders line seems to have won more territory for the allies, which means that the Germans are a little nearer home. In 1914 the French territory invaded by the Germans, was over 8 per cent. of all French territory. Within three years the Germans have been driven from more than half of this occupied land. The enemy had caused damage to this now liberated territory of France to the value of three billions of dollars. Northern France, a garden of town and country beauty and prosperity, is now a ruin. Only years of labor can restore it.

The Germans held a little over 3 per cent. at the beginning of 1917. Since then a considerable portion more has been taken from them. In Sir Douglas Haig's latest drive the enemy was put back another three miles nearer Berlin.

COAL SHORTAGE ON GERMAN RAILWAYS.

LONDON, Oct. 11.—The German state railways are faced with a great shortage of fuel and drastic limitation of traffic has begun, according to reports reaching here. The railways propose to levy heavy excess fares on express trains so as to discourage all except unavoidable business journeys. A large number of fast trains have been eliminated from the winter time tables. The Wurttemberg railways will charge heavy excess fares for traffic on Saturday afternoons and Sundays.

NEWS ITEMS FROM BURY VILLAGE

Many Attend Annual Har- vest Supper Given by Lad- ies' Aid of Methodist Church.

BURY, October 11.—(Special)—The Annual Harvest Supper of the Ladies Aid of the Methodist Church was held in the Town Hall on Thursday evening last with a good attendance considering the inclemency of the weather. A bounteous supper was served in the lower floor of the hall afterwards a very interesting programme was rendered with the Rev. L. E. Roy acting as chairman. A letter of regret was received from the Rev. C. T. Lewis regretting on his inability to attend. A very interesting part of the programme was served selections recited by Mrs. F. Desruisseaux of Randolph which were exceptionally well rendered. The Rev. G. A. Sisco of East Angus was present and rendered two solos after which he gave a fine address taking for his subject "The War" which was most thoroughly expounded making the people feel glad that they were Canadians and taking such a noble part in the present conflict. Miss L. Hall of Bury also rendered some very good instrumental solos in her usual good manner. After the main part of the programme was finished an Auction Sale of fancy articles was held followed by a very fine play presented by local talent entitled "Rosella" with the actors appearing in good form. The proceeds amount to nearly \$100.

SCHOOL SECRETARY'S OFFICE.

Mr. G. A. Atkins, Secretary Treasurer of the Protestant School Board of the Township of Bury, has moved his office from the Town Hall into the Fairview school where he will be on Wednesdays and Saturdays to transact school business.

L.O.O.F. HOLD SESSION

A fairly well attended meeting of Aberdeen Lodge No. 23 L.O.O.F. was held in their hall on Saturday evening last at which a large amount of business was transacted including several new improvements which were decided to be made. A degree was afterwards conferred on one new candidate.

CATTLE FOR MARKET

Mr. E. W. Leonard shipped another car of mixed stock from here on Saturday evening last to the Montreal market. This makes several cars that this cattle dealer has shipped from here this season.

UNDER MILITARY SERVICE ACT.

Major A. MacDonald has been notified to report to the Director of Medical Services at Montreal for duty in connection with the Military Service Act and proceeded on Monday morning last.

LADIES' AID MEETING

A meeting of the Ladies Aid will be held on Thursday afternoon next at the home of Mrs. Henry Allison at which a full attendance of members is anticipated.

MUST PAY TAX ON DOGS

Under the provisions of a bye law passed by the Municipal Council during the past summer all owners of dogs are obliged to pay a tax on their dogs which became payable at the Secretary's office in September. Several of the local owners are now getting busy paying the tax as notice has been given that all Municipal arrears must be paid at once to save collection.

GOT SHOT AT BEAR

While Mr. Robert Kane was hunting in the woods on Saturday last he saw a large black bear up a beech tree gathering beech nuts, but as soon as Bruin saw him he started down the tree with the result that Mr. Kane only got one shot at him which wounded the bear, but not being sufficient to kill him, and he got away in the thick brush. This is the third one that has been seen in these woods during the past week.

DEATH OF MARY BEATRICE LILLIAS GREENLAW.

A gloom was cast over this place on Saturday evening last when the death occurred of Mary Beatrice Lillias (Bluebell) only daughter of Mr. and Mrs. J. B. Greenlaw at the age of 12 years and 8 months. The end came very suddenly as on Friday morning she appeared in good health and spirits, but during the afternoon she was taken seriously ill and continued so enduring extreme pain until the end came at seven o'clock on

Saturday evening, after everything that medical skill could do to relieve her. "Bluebell," as she was always called, took a great interest in Sunday School and other studies, and will be greatly missed by her many school friends and sorrowing parents who have the deepest sympathy of a host of friends.

Arrivals and departures: Mr. John Lavalliere of Megantic in town for a few days the guest of his parents; Mr. and Mrs. Jas. Whitehead to Montreal on Sunday to spend the Thanksgiving holidays; Mrs. B. C. Doyle of Sherbrooke the guest of her daughter Mrs. Maurice T. Stokes; Mr. John Lapointe to Sherbrooke over the week end; Mr. C. O. Gustafson of Sherbrooke spending a few days the guest of Mr. A. Brouillette at "Camp Comfort"; Mr. Harold Lavalliere from Farnham spending the holidays with his parents; Miss Overing of Montreal with her sister, Mrs. J. B. Greenlaw.

BROOKBURY

The annual Thanksgiving service was observed in the Methodist Church here on Sunday last. The Pastor, Rev. L. E. Roy, conducted the service. The church was prettily decorated with autumn leaves, flowers and potted plants. A good congregation enjoyed the meeting.

Mr. G. W. Francis has raised on his farm this year fourteen hundred bushels of grain, which would be an average of 45 to the acre.

A surprise was given Mr. and Mrs. G. C. Batley, on the evening of September 18th, it being their 40th wedding anniversary. A most pleasant time was enjoyed by all. Refreshments were served and congratulations with a purse of money were extended to Mr. and Mrs. Batley.

Rally Sunday was observed in the Methodist Church here by the children who took part in the special entertainment prepared for that day. The attendance was very good in spite of the inclement weather.

On Friday evening a very enjoyable surprise was given Mr. Charles Turner, it being his 20th birthday. Over 30 of his relatives and friends were present from Bishop's Crossing, Bury, and Sawyerville. Dancing was one of the amusements of the evening. Besides other gifts was a very nice gold watch and fob from his mother. A dainty lunch was served during the evening. Among the guests present were his two sisters, Misses B. and A. Turner, from Stanstead, and also Mr. W. Libby of Boston.

Mrs. A. H. Batley gave a miscellaneous shower for Miss M. Vintinner, on Thursday afternoon, whose marriage will take place on Wednesday the 10th. A pleasant time was spent. Tea was served by the hostess.

Arrivals: Mrs. H. R. Johnson, of Rock Island for the Thanksgiving holidays with Mr. and Mrs. E. W. Tite, "Ernridge"; Mesdames De Roches, and Rennie, of Cookshire, the guests of Mr. W. F. Batley; Mr. and Mrs. R. O. Boucher, and little Dorothy, of Stanstead, with friends here for the week-end; Mr. C. O. De Roches to Angus after a two week's stay with Mrs. McAdams and family; Mrs. R. Rolfe and two children, to Sherbrooke after a visit here; Mrs. F. J. Bennett home from Coaticook, where she attended the Epworth League Convention and was the guest of Mrs. Chas. Baldwin while there; Mr. and Mrs. W. De Roches and Miss M. De Roches, the guests of relatives for the week-end.

SAWYERVILLE

The regular weekly meeting of the S.O.S. Society was held at the home of Mrs. John MacDonald. Ten were present. Knitting and sewing kept everyone busy. The meeting next week will be held with Miss Gifford.

Arrivals and departures include: Miss K. Scott home from Sherbrooke for the holidays; Mrs. W. P. Berwick of Sherbrooke, visiting Mrs. R. Murray; the Rev. J. R. McLeod, D.D., home from Montreal; Miss Pearl Scott to Montreal to attend the Teachers' Convention; Miss Remick and Miss Sherman to their homes for the week end.

Mrs. Wm. Smith is improving in health and now able to be down stairs.

Mrs. Dobson and two children from Stanstead staying a short while with Mrs. Elwin Bowker; Misses Iva and Beatrice Cooper the week end with Mrs. (Dr.) Thompson; Miss Julia Hurd, Thanksgiving with her mother, Mr. and Mrs. Herbert Bowker to New York visiting Mr. Bowker's brother, Edmund.

Mr. and Mrs. Louie Bowant and two children to Boston for a few days; Misses Embry and Buckland and Mr. McBain of Sawyerville Model School to Montreal attending the School Convention.

WHAT IS DOING IN COOKSHIRE

Call on Housewives to Con- serve Meat. Harvest Festival.

COOKSHIRE, October 11.—(Special)—About the First of October Miss Babb, assistant demonstrator, will begin a tour of the clubs with an important demonstration on "Meat and Wheat substitutes." The women of Canada are asked to save wheat, bacon and beef, in order that the soldiers and the people of the Entente Allies may have enough to eat. Doubtless every woman is anxious to do her part. It is urged that these meetings be well advertised in every way possible.

WILL DRAW FOR BOOKS

The Brown Books will be drawn on Saturday evening from 7.30 to 9. o'clock at the residence of Mrs. A. A. Learned. Members will kindly bring this in mind. It is hoped the new books will be ready for the 15th.

HARVEST FESTIVAL

The Annual Harvest Festival and Thanksgiving Service was held in St. Peter's Church Hall last Sunday morning. An excellent sermon suitable to the occasion was preached by Rev. E. Roy, and special music by the choir was much enjoyed. The church was beautifully decorated for the occasion. A large congregation was present.

GERMAN WAR MACHINE.

Those who attended the Lecture "The Background of the German War Machine," given by Rev. Gordon Sisco of East Angus, on Monday evening enjoyed a rare treat. Mr. Sisco was thoroughly familiar with his subject, dealing with the history of Germany and surrounding countries, from the time of Frederick the Great to the present time, and held the close attention of his audience for nearly two hours.

PLAN TO CONSERVE FOOD

The Homemakers' Club will meet again on Friday evening, October 19. A letter has been received from Mrs. Frederica McFarlane, Demonstrator, in which she says: "Last year our Clubs played a most worthy part in the Campaign of Saving and Conservation to win the war. We ask that the effort be renewed. Continue to encourage the interest of the Clubs in the study of foods, canning, the school lunch and the School Fairs."

GOLDEN WEDDING
ANNIVERSARY

Mr. and Mrs. Harvey Bennett, Black Lake, Celebrate Interesting Event.

BLACK LAKE, Oct. 11.—(Special)—A very pleasant family gathering of quite unusual interest took place at Black Lake on Tuesday, the 9th of October, when, at the home of Mr. and Mrs. Harvey Bennett, their children and grandchildren assembled to celebrate the golden wedding anniversary of their host and hostess.

On the 9th of October, 1867—the year of Canadian Confederation—Mr. Harvey Bennett and Miss Louisa Cross, both members of well known and much respected Maple Grove families, were married at the Maple Grove Episcopal Church by the late Rev. R. G. Ward, the parish minister. The late Mr. Fred Bennett, one of the members of the firm of lumber merchants, King Brothers, was groomsmen, and Miss Margaret Bennett, bridesmaid. During the half century that has elapsed since that date Mr. and Mrs. Bennett have resided at Maple Grove, Black Lake and Lennoxville, returning from the latter place a few years ago to resume their residence at Black Lake, where their children and grandchildren live. In the rounding out of fifty years there has been the blending of sunshine and shade that goes to deepen and enrich experience and mould and shape character.

Eight children were born to them, Sarah Cross, Mary Jane (Minnie), Della Louisa (Mrs. J. M. Johnston), Bertha, Victoria Adelaide, Atchison Gosford, Edmund Oswald, and Maud. Of these there remain Mrs. Johnston and Messrs. A. G. and E. O. Bennett to sustain and gladden life's eventide to their parents, while the remembrance of those who have crossed the flood before to the great meeting place remains a hallowed recollection and promise of an ever-brightening hope. To few persons in the community has it been given to possess so wide a circle of friends and acquaintances. Their business connections in former years brought Mr. and Mrs. Bennett into close contact with many people, and they always had the happy talent of being able to make acquaintances, whom they met in business, their admirers and friends.

None have been blessed more fully with the affectionate regard of their children and grandchildren and the respectful esteem of those who have been and are privileged to know them. Present at the gathering on Tuesday were Mr. and Mrs. Joseph M. Johnston with their children, Thomas R., Harvey, Arthur, Ralph, Misses Sarah, Emma, Bertha and Beatrice; Mr. A. G. Bennett; Mr. and Mrs. Edmund O. Bennett, with their little daughter, Miss May Louisa Bennett. Many valuable gifts, emblematic of the "golden" occasion, were presented to Mr. and Mrs. Bennett by their children and grandchildren. With these tokens of affectionate esteem there go out to the recipients the heartfelt congratulations of a host of friends, near and far, and the expressed hope that they may be spared to see many more glad anniversaries, each one growing brighter with the golden glory that ushers in the dawning of the endlessly perfect day.

CONSCRIPT ALIEN ENEMIES FOR WORK

REGINA, SASK., Oct. 10.—The Army and Navy Veterans last night passed a resolution calling on the Dominion Government to conscript alien enemies, and others not friendly to the cause for which our soldiers are fighting, for necessary productive work.

GIANTS WON
THIRD GAME
OF SERIES

Defeated Chicago Team Yesterday by Score of 2 to 0.

POLO GROUNDS, New York, October 11.—The Giants made it two to one, yesterday afternoon when they defeated the Chicago White Sox 2 to 0, before one of the largest crowds that has witnessed a world's series game.

After losing two straight the Giants, came home with the intention of winning from their opponents and every man put up a great game out hitting the Chicago team eight to five, and having more men than the White Sox left on the bases.

Davy Robertson of the Giants was the hero of the day getting three hits and starting the rally that won the game in the fourth.

The Giants won the game in the fourth on Robertson's three bagger, Holke's two bagger, Rariden's sacrifice, Burns enfield hit which Clotte threw wildly past first.

The Chicago team never threatened to score no men reaching third. Chicago had three errors and New York two.

Benton twirled a fine game having plenty of speed and fine control. Clotte also pitched a good game, but was hit harder than his opponent.

The following is a summary of the game:

1st INNING
Chicago—Mayor Mitchell threw out the first ball to Benton. John Collins fouled out to Rariden who took the ball near the grand stand. McMullen struck out. Eddie Collins got a single into centerfield. Benton threw out Jackson at first. NO RUNS, ONE HIT, NO ERRORS.

New York—Burns struck out. Herzog flied out to Felsch who did not have to move to take the ball. John Collins dropped Kauff's fly the batter going to second. Zimmermann scratched an infield hit. Kauff going to third. Fletcher forced Zimmermann, McMullen to E. Collins. NO RUNS, NO HITS, ONE ERROR.

2nd INNING
Chicago—Felsch fouled to Holke. Gandil sent a high fly to Holke. Weaver stung a single over short. Schalk flied out to Burns. Weaver stole second. The umpire had called him out, but then discovered Fletcher had dropped the ball. NO RUNS, ONE HIT, ONE ERROR.

New York—Robertson singled over second. Eddie Collins took Holke's grounder and touched Robertson, but Holke was safe at first. Rariden singled, Holke going to third. The stands were in an uproar. The Chicago infield played in on the grass. Benton flied to Felsch, but Holke held third on the throw to the plate. Rariden went to second. Burns struck out. NO RUNS, TWO HITS, NO ERRORS.

3rd INNING
Chicago—Clotte up. He was warmly applauded by the crowd. Clotte sent up a high foul to Rariden. Zimmermann scooped J. Collins' grounder and got his man at first. Rariden gobbled McMullen's foul. NO RUNS, NO HITS, ONE ERROR.

New York—Herzog up. Herzog fanned after a fast inshoot for a third strike. John Collins dropped Kauff's long fly and the batter reached second. It was John Collins' second error on Kauff. Weaver threw out Zimmermann, Kauff going to third. Eddie Collins threw out Fletcher at first, cutting down what seemed a certain hit. NO RUNS, NO HITS, ONE ERROR.

4th INNING
Chicago—Chicago failed to score. NO RUNS, NO HITS, NO ERRORS.

New York—Robertson drove a long hit to right center for three bases. The Giant supporters rooked the stands with their cheers. It was Robertson's second hit. Robertson scored on Holke's hit to left for two bases. Rariden sacrificed Clotte to Gandil, Holke going on to third. The Chicago infield came in. Benton fanned on three pitched balls. Holke scored, when Burns got an enfield hit which McMullen took and Clotte threw wildly past first base, Burns going to second. Herzog up. Herzog fouled out to Gandil. TWO RUNS, THREE HITS, ONE ERROR.

5th INNING
Chicago—Fletcher threw out Weaver at first. Schalk struck out, but Rariden had to throw his man out at first. Clotte was another strike out victim. NO RUNS, NO HITS, NO ERRORS.

New York—Kauff fouled to Schalk. Zimmermann up. Zimmermann hit a long fly to Felsch. Fletcher fanned. NO RUNS, NO HITS, NO ERRORS.

6th INNING
Chicago—John Collins went out by the Fletcher-Holke route. Benton knocked down McMullen's grounder and threw him out. Eddie Collins went out to Holke unassisted. NO RUNS, NO HITS, NO ERRORS.

7th INNING
Chicago—Herzog tossed out Jackson at first. Felsch fanned. The third strike cut the heart of the plate. Zimmermann took care of Gandil's grounder and threw him out. NO RUNS, NO HITS, NO ERRORS.

New York—Benton fanned on three pitched balls. Weaver threw out Burns. Herzog got a Texas leaguer over second. Kauff flied out to Felsch. NO RUNS, ONE HIT, NO ERRORS.

8th INNING
Chicago—Weaver got a two bagger to left. Benton took Schalk's grounder and ran over and tagged Weaver at the line. Clotte struck out, and

FOOD SUPPLY OF DOMINION

Food Controller Will Be As-sisted in Regulating Prices By Boards of Trade.

(Canadian Press Despatch.)
MONTREAL, October 11.—Hon. W. J. Hanna, Food Controller, in an interview here last night said, with reference to newspaper critics: "With an election imminent there are a great many newspapers that cannot apparently resist the temptation to make capital out of it against the Food Controller."

The Food Controller's chief object in visiting Montreal yesterday was to confer with the Board of Trade on the proposed appointment of a committee that would be representative of all the Boards of Trade of Canada to be at the controller's disposal to deal with all questions involving special trade knowledge. It was agreed that representatives of the Montreal Board of Trade and Chambre du Commerce; the Boards of Trade of Toronto and Winnipeg, with representatives from the Maritime Provinces and Western Provinces should comprise the committee.

Mr. Hanna, in the interview, said the fixing of prices was a misnomer. "In fixing the price of commodities here," he said, "whether milk, potatoes, fruit or bacon, we can do so only by finding out what is a fair allowance to the producer, to which we must add the fair cost of distribution, which will take time, and a lot of expert work."

Mr. Hanna stated that the result of the meatless day the first month, an incomplete figures, showed a saving of several hundreds of tons of beef and bacon, as compared with the months immediately preceding.

GEN. KORNILOFF'S PART IN REVOLT

Order of Day to Army is Reply to Charges Made Against Him.

(Canadian Press Despatch.)

LONDON, Oct. 11.—(Montreal Gazette.)—The Times says: "Accounts of the Korniloff movement hitherto have been entirely one-sided. No word has reached this country except through channels under control of Petrograd. We are able to place before our readers an interesting document, namely, the order of the day to the army on September 10, which gives Korniloff's version of some events attended with the movement. In this document Korniloff gives his reply to most, if not all, the charges that have been brought against him. He merely intended to concentrate four cavalry divisions on Petrograd to crush the threatened uprising planned by the Bolsheviks, who also intended to proclaim an armistice and conclude a shameful separate peace."

"When Korniloff realized that he had been betrayed, and could no longer help the country, he surrendered himself to Kerensky, a man whom he had been willing to loyally cooperate in the country's cause. He is still a prisoner, but his well-intentioned efforts have not been all in vain. The formation of a coalition against the lines set forth may be regarded as an indirect result of his movement."

CITY NEWS

Mr. W. H. Henderson, general secretary of the Y.M.C.A., Montreal, has returned to his home, after a two days' stay with the local secretary, Mr. Heywood.

THE Y.M.C.A. MEMBERSHIP CAMPAIGN.

The two thermometers representing the commercials and industrials of the present campaign are commencing to show a climbing tendency in the red line, which represents the number of members coming in. Thus far the commercials have succeeded in gaining five on their opponents. Both sides have just got down to business and an interesting time is anticipated this evening, when making up the result of last night's and to-day's work.

There is every evidence of a large number of young men using the association this fall and winter, especially through the means of game contests, several of which have already been arranged. The first will probably be a billiard tournament, represented by a three-man team of Y.M.C.A., Jencks Machine Co., Canadian Bank of Commerce and Canadian Ingersoll-Rand Co.

PLEASANT EVENING AT PLY-MOUTH CHURCH.

The social evening at Plymouth Church Hall last night was one of the most successful, as well as the most enjoyable in the history of the organization, the hall being really crowded.

A delightful programme was carried out as follows: Piano duet, "The Dance of the Demons"; song, "Lorraine, Lorraine Love"; (by request) Mrs. Alberta LeBaron Adams; humorous reading, Mrs. T. E. Read; songs, "A Border Ballad," Mr. E. Armitage; address by Rev. G. Ellery Read, who dealt in his usual happy vein, with some aspects of church life; song, Mrs. Gordon Kearns, of Montreal.

Several of the numbers were enjoyed, and all were much appreciated. Refreshments were served by the members of the Women's Association, and the evening closed with "God Save the King," "My Country 'tis of Thee," and "God Save Our Splendid Men."

The accompanists were Mrs. Cross, Miss Spearing and Mr. Albert Hurley.

FOOD CONTROL IN AMERICA

Twenty of Principal Food Stuffs Will Be Under Direction of Controller.

(Associated Press Despatch.)

WASHINGTON, Oct. 11.—The machinery of the food administration was set in motion today to complete preparations for Government control on November 3, of twenty of America's principal foodstuffs. Authority to assume supervision over the leading articles of diet is vested in Herbert Hoover, by a proclamation of President Wilson, issued last night.

Under the terms of order, licensed will be required for the manufacture, storage and distribution of flour, bread, meats, potatoes, sugar, milk, butter and dairy products, canned foods, rice, staple vegetables and other stipulated commodities. Farmers and small dealers are specially exempted.

BRITISH SHIPPING LOSSES ARE HIGHER

FOURTEEN VESSELS OVER 1600 TONS SUNK BY SUBMARINES OR MINES.

LONDON, Oct. 11.—British merchant vessels over 1,600 tons sunk by mines or submarines in the past week number fourteen, according to the official statement of the British Admiralty last night. Two vessels under 1,600 tons and three fishing vessels also were sunk. The summary follows:

Arrivals, 2,519; sailings, 2,632.

British merchant vessels over 1,600 tons sunk by submarines, including one previously, 14; under 1,600 tons, including one previously, 2.

Fishing vessels sunk, 3.

British vessels unsuccessfully attacked, including three previously, 5.

The above report shows an increase of three vessels of more than 1,600 tons over the Admiralty's weekly report of last week, but the figures are the same as those of the previous week with regard to vessels in the smaller category.

VALCARTIER CAMP CLOSES

SATURDAY

QUEBEC, Oct. 11.—It was officially announced by Brig.-General A. O. Paget, O. C. 5th Military District and Valcartier Camp, that the big training grounds at Valcartier will close for the season on Saturday, October 13th.

A number of engineers, however, will be left behind to clear off the camp before the snow makes its appearance.

LATEST TELEGRAPHIC DESPATCHES**NEW RUSSIAN GOVERNMENT ISSUES POLICY**

To Restore Fight Power of Army With Strong Men in Command of Forces.

(Associated Press Despatch.)

PETROGRAD, Oct. 11.—The new Russian Government, in a declaration today regarding its participation in the forthcoming allied conference, says that, while discussing questions connected with the common war, the Russian representatives will seek to reach an understanding with the Allies on the basis of the principles proclaimed by the revolutionary government at its inception.

"The Government," it adds, "will extend its whole strength in support of the common decision of the allies to defend the country, to oppose every attempt at the conquest of territory of our nations, and every attempt to oppose the will of others on Russia."

"In restoring the fighting power of the Russian army," it is declared, the Government will follow the democratic principles already promulgated by the War Minister. The declaration says: "The rigorous selection for high command of men whose technical capacity is equal to all demands of modern warfare, and who at the same time are devoted to the republic, as well as the close collaboration of the high command with the naval and military organizations both at the front and in the rear, will constitute the basis of the re-organization of the army."

The Government's statement explains at length the civil and military programmes, and appeals for national support.

RUSSIAN REBELS ARRESTED.

(Associated Press Despatch.)
PETROGRAD, Oct. 11.—Despatches received here from Tashkent, capital of Russian Turkestan, says a detachment of troops under General Kerovnichenko, has arrived there and occupies Liberty House, the headquarters of the local Workmen's and Soldiers' delegates. The rebels were arrested, together with the Governor they had nominated.

MAY BAN MAKING OF CANDIES AND CONFECTIONERY

Sugar Supply so Short in Can-ada and U.S. That Situation is Serious.

(Canadian Press Despatch.)

MONTREAL, October 11.—The possibility of the banning of the manufacture of candies, confectionery and jam because of the sugar shortage was hinted by Food Controller Hanna in the course of his address to the Housewives League here yesterday.

Mr. Hanna said that the amount of raw sugar available for the refineries in Canada and the United States was so small as to be the subject of alarm in both countries. During the past ten days a crisis had developed, but drastic measures were taken by the Departments of Food Control at Ottawa and Washington to ensure a steady supply.

Cuba, since the war began, was the world's main source of sugar and the United States was in close contact with the Island and Canada was not.

Mr. Hanna said that a member of his staff had been in New York trying to secure even a moderate supply, but had not succeeded. The last consignment of raw sugar for Canada was now on its way here.

The Food Controller said that arrangements had been made whereby Nova Scotia apples would be delivered to the retailers in Quebec and Ontario, which were suffering a shortage from the poor crop this year.

Mr. Hanna said that oleomargarine might go on the free list within a week. He deprecated "Price fixing" because it tended to dry up the sources of supply.

CHINA WILL GIVE UNLIMITED HELP TO ENTENTE

Will Control Enemy Subjects and Prohibit Trading With Enemy.

(Associated Press Despatch.)

PEKIN, Oct. 11.—The Chinese Government replying to the representatives of the Entente Allies concerning China's entry into the war, thanks the Allies for their postponement of the Boxer indemnity, the revision of the Boxer protocol, and the revision of the customs tariff.

China promises to give facilities for unlimited supplies for the Allies, and for the recruiting of skilled labor, and she will observe the strictest control of enemy subjects, will prohibit any possible trading with the enemy, and permit posts vacated in the Government service to be filled by the Allies. The reply says internal disturbances will be quelled, thus allowing allied commerce to proceed without interruption. Enemy shipping, according to the reply, can be boycotted from the present date, but enemy possessions must be controlled by China.

WHAT IT COSTS TO ESTABLISH NEWSPAPER

Montreal Paper Lost About a
Million in Just Three
Years.

MONTREAL, Oct. 11. — About \$585,000 is the amount owing by the Daily Mail Publishing Company, Limited, and the Evening News Company, Limited, of this city, so it was stated here in the course of proceedings before Mr. Justice Allard in the practice division of the Superior Court, in connection with a meeting of creditors of the two defunct newspapers in question. The creditors number nearly three hundred, of whom one hundred and twenty-five are former employees, who claim unpaid salaries. John D. Wallace was appointed liquidator, and five inspectors were appointed. Both the Mail and the News were under management, the News ceasing publication a few months before the Mail, a morning paper, went on the rocks. As several hundred thousand dollars capital was put into this enterprise, the total loss on the two newspapers in the three years is in the neighborhood of a million dollars.

COMMITTED ON THEFT CHARGE

J. Campeau to Stand Trial on
Accusation of Stealing
Auto. Bail Allowed.

Stanislas Levesque pleaded guilty before Judge Mulvena yesterday to a charge of damage to property of Mrs. Cyrille Lapins. Defendant was fined \$2 and ordered to pay \$2 damage for trespassing.

A MIXED-UP AUTO CASE.

The taking of evidence in the case of Blanche Veilleux against Joseph Campeau on the charge of stealing an auto at Cartierville, was continued and occupied most of the day.

After a lengthy argument the Court held that the evidence was sufficient to send the accused for trial upon the charge laid, but that at the preliminary hearing the Court had no right to weigh the value of conflicting evidence—that was a matter for the trial—and in any event, even if the defendant had been authorized by the owner of the car to deposit it in the garage of St. Laurent at Cartierville in his own name, and change the number of the auto to avoid identification of the machine, that did not give the accused the right to take from the garage an auto which manifestly did not belong to him and move it across the line. Defendant was admitted to bail.

"ALL'S WELL THAT ENDS WELL." The charge of abduction laid by Tomaso Caminero against Giuseppe Parisi, and another charge against Rosanna Caminero, the daughter of complainant, for aiding, abetting and conniving, came up again before the Court this morning. Defendants, who were both minors, having been married by special dispensation, the complainant declared he had no evidence to offer, and the accused were discharged.

STIRRING GAME EXPECTED TODAY IN WORLD SERIES

Two to Nothing Victory Has
Greatly Heartened New
York Players.

(Associated Press Despatch.)
POLO GROUNDS, New York, Oct. 11.—The weather prospects at 10:45 a.m. indicated that the fourth game of the World's Series between the Chicago Americans and the New York Nationals would be played here this afternoon as scheduled. Although the sky was still overcast, no rain had fallen and the sun appeared about to break through the clouds.

(Associated Press Despatch.)
NEW YORK, N. Y., October 11.—The New York Giants, flushed with their victory of yesterday, and the Chicago White Sox stung by their defeat, were prepared for a stirring battle today in the fourth game of the series for the baseball championship of the world.

The two to nothing victory has greatly heartened the New York players and baseball sharps would not be surprised if they carry the fight home to the White Sox and lengthen the series to seven games. The fact that the Giants were able to get the mastery of pitching of Ciootte, Manager Rowland's best pitcher, has done more to revive the waning hopes of the Giants than anything else. They admit Ciootte was not hit to any extent except in the fourth inning when Robertson's slashing triple, Holkes double and Burns infield single netted two runs, but they felt the defeat would tend to shake Ciootte's confidence in his ability to hold the New Yorkers if he is again sent against them.

The Giants are more than anxious to take today's game. To win the fourth contest will put them on even terms with their western rivals and give them increased confidence in the games to come.

Fans looked for Manager Rowland to send either Russell or Faber to the pitching box this afternoon. The Giants would like to see Faber pitch again. He won his game when all the Giant's pitchers were being hit hard and New York followers feel he will not have as easy a time in the next game he twirls. McGraw's choice probably will be either Schupp or Salles. Which ever one does not pitch will be held in reserve for the fifth game.

The Chicago White Sox cannot see another victory today for the National Leaguers. Schupp was knocked out of the box in Chicago last Sunday, and they feel sure he cannot come back so soon and beat them. The Sox have looked over Salles' pitching and expect to hit him harder the next time he works.

PROBABLE BATTING ORDER
The probable batting order for today's game follows:

Chicago—J. Collins, 1.f.; McMullen 3b.; E. Collins, 2b.; Jackson, r.f.; Felsch, c.f.; Gandil 1b.; Weaver, ss.; Schalk c.; Russell p.
New York—Burns, 1.f.; Herzog, 2b.; Kauff c.f.; Zimmermann, 3b.; Fletcher ss.; Robertson, r.f.; Holke, 1b.; Hariden c.; Schupp p.
Umpires—Rigler, Evans, O'Loughlin and Klem.

DUDSWELL JUNCTION

SUDDEN DEATH AT RICHMOND

Mr. A. Taylor Was Well
Known Citizen. Corp.
Hepworth Killed.

RICHMOND, Oct. 11.—(Special)—Returning from dinner yesterday afternoon, Richmond people learned of the startlingly sudden death of Mr. Albert Taylor, who just over an hour before had been around town apparently in his usual health. Mr. Taylor who belonged to a well-known family here, carried on a carting business. He was of a quiet, obliging disposition, and was widely known. He is survived by a widow, one son and one daughter, and a large number of other relatives.

L.-CORP. S. C. HEPWORTH KILLED.

The casualty lists this week contain the name of Acting Lance Corporal S. C. Hepworth, Weyburn, Sask., under the heading of killed (by train). Mrs. Hepworth (nee Miss K. Scott) is well known here where she formerly resided, and has a large circle of friends and relatives.

\$14,500 FOR FARM PROPERTY.
Colonel W. R. Stevens has sold his fine farm in the Township of Cleveland to Mr. Geo. K. Noble, of Bromontville, who takes possession immediately. It is understood the price was \$14,500.

SELECTIONS WERE ENJOYED.
On Monday evening at the College Principal Mills read a few selections from the works of Stephen Leacock, and Mr. Dooley, for the benefit of the funds of the Athletic Club. The attendance was below the average at such meetings, due no doubt to counter attractions, but the Principal was very happy in his selections, which were much enjoyed.

SCHOOL SPORTS.
The annual school sports at the College were postponed on account of the inclemency of the weather from Monday afternoon to yesterday afternoon, and were most successful. The official prize list is being compiled and will appear in our issue of tomorrow.

SUNDAY SCHOOL CONVENTION.
The 26th annual convention of the Richmond and Drummond Sunday School Association was held in Chamber's Church on Tuesday. Among the out-of-town visitors were: Mr. J. A. McCallum, Danville, President of the Association; Misses Alice Wilson and Della Barnard, Danville, Secretaries; Rev. A. C. Manson, D.D., Field Secretary; Rev. L. A. MacLean, Danville; Rev. W. T. B. Crombie, Kingsbury; Rev. J. Pinel, Danville; Rev. W. O. Robinson, and Rev. J. D. Ferguson. The local clergymen also took part, and the attendance at the various sessions were good, and splendid addresses were delivered. Mr. J. N. Casswell, Windsor Mills, was elected President of the Association for the ensuing year.

NOTES.
R. W. Bro. McIver, Lingwick, the District Deputy Grand Master, will pay a visit to St. Francis Lodge, A. F. & A. M., this evening.
Mr. and Mrs. C. Nelson Lyster have returned from a trip through the West and are in residence with Mr. H. P. Wales.

COATICOOK

A very appropriate Thanksgiving service was held at the Methodist Church, on Sunday, which was suitably and tastefully decorated. Special music was rendered by the choir, in which a solo by Mrs. Stanley was much enjoyed.

A sale of the vegetables and other articles donated to the Methodist Church for Thanksgiving, took place on Monday morning at H. J. & Allan's store. The proceeds amounted to over \$15, to be used to defray expenses of improving the church grounds.

Among the visitors in town for Thanksgiving were: Mrs. W. Stanley, and daughter, Edith; Miss Elizabeth Nunns; Mr. Geo. Nunns, the guests of Mrs. Mary Nunns; Miss Hilda Moore home from Bishop's College; Mr. and Mrs. A. F. Andrews returned from Sherbrooke, where they were called to attend the funeral of Mrs. Andrews' mother, Mrs. McCormack; Messrs. A. Dupuis, A. A. Woodman, E. E. Akhurst, and Dr. McHarg, returned from Waterloo, where they went to attend the meeting of the Associated Boards of Trade; Mrs. Jamieson, of North Coaticook, calling on friends in Upper town, previous to her departure for Colorado, where she will spend the winter; Mrs. A. Macdonald returned home from visiting friends in Montreal for three weeks; Mr. and Mrs. Raymond Heath to Waterville; Mrs. Lothrop to Boston; Mrs. Thos. Christie to Montreal; Mrs. S. Morgan Powell and Mrs. H. Thomas and daughter, Rita, who have been visiting Mrs. Lowe, returned to Montreal; Miss Cora Bonner to Richmond.

Mr. M. A. Cummings, who was operated on for appendicitis on Monday at his home, is as comfortable as can be expected.

PLOUGHING MATCH WELL ATTENDED

Successful Event Under Auspices of Sherbrooke Ploughmen's Association.

The thirty-eighth annual ploughing match, under the auspices of the Sherbrooke Ploughmen's Association was held yesterday at Mr. John Nichol's farm, "Holmurst," and was conceded one of the best matches ever held by this Association. Thirty-six ploughmen took part in the matches, which were closely contested. Good weather and many interested visitors among whom were several ladies, all combined in making the event an interesting one. At noon an excellent lunch was served by Mr. Nichol, the ploughmen being well looked after.

THE BANQUET
At eight o'clock in the evening, the directors and their guests, repaired to the main room of the town hall, where a banquet, in charge of the Homemaker's Club, was in readiness, and to which ample justice was done. Covers were laid for 140 guests, and several late comers were served, making in all, one of the largest and most enjoyable events in the history of the Association. Music was given by Mr. and Mrs. R. Giff during the banquet, and was much appreciated. The president, Mr. John McClary, was in the chair, and after a few introductory remarks, the presentation of prizes took place.

Generous applause greeted the lucky contestants as they came forward, but which increased in volume as the small boys came up to receive their hard earned trophies.

Master Howard Nichol was quite the hero of the hour, being the winner of several prizes.
Mr. McClary introduced Mr. F. N. McCrea, M. P., who expressed his pleasure at being present, and said that though he was the son of a farmer, he was not well versed in farming, but knew good work when he saw it, and congratulated the men for the work done at this match.

"In the history of Canada there has never been so much need of agricultural produce as now; hence the great need of getting the most out of everything."

Mr. McClary briefly referred to the many difficulties encountered and overcome by the promoters of the Association and introduced Mr. Hale as "one of the upholders of the ploughing matches."

Mr. Hale referred to the great improvement in farming during the past few years and attributed much of it to this annual event. In speaking of changes in rules, etc., Mr. Hale happily referred to the presence of the ladies at this banquet as an innovation of the right kind, and spoke of the splendid work women are doing to help win the war. His only regret was that "we did not see any of the ladies ploughing."

In speaking of the destruction of sheep by dogs, Mr. Hale compared difference in price of wool 27 years ago, and now, this product having increased over 300 per cent, and advised the farmers to do all in their power to have this present evil remedied.

Interesting addresses were given by Messrs. Wm. Morris, John Leonard, A. M. Sangster, and Mr. Jardine, one of the judges, who expressed his satisfaction at the general improvement in the ploughing.

The speeches were interspersed with songs by Messrs. Balfour and Stewart; recitation by Miss A. Fearn, and humorous habitant monologues by Mr. Bradley, all kindly responding to encores.

A hearty vote of thanks to the ladies was moved by Mr. E. W. Farwell, and seconded by Mr. H. Irwin, and the social part of the day's proceedings was finished by singing the National Anthem.

OFFICERS APPOINTED

Directly after the banquet the annual business meeting was held in the Demonstrator's office and the board of directors for 1918 were appointed as follows:

J. A. McClary, re-elected president; Mr. E. Ducker, newly-elected vice-president; D. L. Herbert, re-elected Secretary; Directors: W. S. Armistage, R. Collins, E. Ducker, E. Wheelwright, W. The Store That Sets the Pace.

Accurate Support for Shafting is Certain with Dodge Universal Hangers.

The frame is machine moulded and cast complete. Through the use of special splitting cores the frame is afterwards "cracked" or "broken" so that when the bottom is drawn up on the supporting bolts a perfect fit is obtained. The junction is secured by square head bolts that will not turn in position.

A ball and socket feature is maintained. The socket being in the top and bottom of the bearing, the retention of the adjusting screws centrally at all times with the shafting is assured. Ask us for a Demonstration.

ASCOT CORNER

Mr. and Mrs. M. Dube, of Lennoxville, spent Sunday in town visiting the former's mother, Mrs. R. Dube. Miss Lillian Johnson, of Linda, calling on her grandparents, Mr. and Mrs. T. Winget on Sunday on her way home from Montreal, where she has been spending some time with her uncle and aunt, Mr. and Mrs. W. Johnston; Mr. E. Burns, Spring Road, visiting Mr. and Mrs. R. Disrael, the first of the week.

Threshing is the order of the day in town and the crop is light, especially late grain. Now is the time to prepare for an early crop of another year. The land is in fine condition for ploughing, and every day's work done will be so much for an early crop. An acre well prepared is worth three left over.

Your correspondent saw a swallow on October 6th. A rare sight to see so late in the season, but he seemed to be happy.

HUNTINGVILLE

The W. C. T. U. Social held in the Gamsby Hall on Tuesday evening was attended by a large and appreciative audience who testified to the well rendered programme. Much credit is due the home talent that entertained so successful as well as to Mrs. G. G. McCurdy for her inspiring address and to Mr. A. W. Bradley who never fails to please. At the conclusion of the programme Miss Phillips of Huntingville and Miss Moore of Bellow's Falls "drew" for the economy quilts, the lucky ticket holders being Mrs. Gamsby of Huntingville and Mr. Jas Stewart of Lennoxville after which the ladies served sandwiches, cake and coffee. The receipts were exceptionally satisfactory.

The Union will hold their October meeting at "Maple Braes" the home of their President Mrs. F. R. Mitchell on Tuesday October 16 at 2:30 p.m.
