Westmount 'Y' Financial Drive Goes Over Top

At the closing banquet of the Annual Maintenance Campaign of the Y.M.C.A. last night all teams reported over 100% of an objective of \$167,000.

Don Novinger reporting for the "Westmount Wizards" complimented team captain Doug Bremner and Mrs. R. Rogers for their fine work. Westmount division reported 104% on their objective of \$6,812,000.

The Vice-Chairman of the Metropolitan Y.M.C.A., Eric Leslie thanked all workers and team captain for their efforts on behalf of the Metropolitan Board. Denys Cadman, General Campaign Chairman, expressed his personal appreciation to the workers for the fine manner in which they had supported him during the campaign.

G. W. Beaton, General Secretary of the Montreal Y.M.C.A. in his closing remarks reminded the gathering of the vital part they had played by once again securing for the youth of Montreal the funds by which the Y.M.C.A. could provide them services.

Recreation Dept. To Hold Weekly Dances at W.A.G.

The weekly Saturday night dances are being resumed, and will be held at the Westmount Athletic Grounds Clubhouse on St. Catherine St. The first one will be held tomorrow night at 8 o'clock. Admission charge will be 25 cents per person, prizes will be given, and cokes will be available at the usual cost.

As this is the first dance of the season let us see a big turnout not only of the old crowd but new friends too. A good time should be had by all, so let's make a good start with a big gang.

Rotarian Murray Sails for England

Ex-Westmount Rotarian Ralph Murray, sailed for England on Thursday. Mr. Murray who was secretary of Westmount Rotary will take up a new position in London, England.

He had planned to be present at the luncheon meeting on November 22 to say goodbye to all his fellow Rotarians but just couldn't make it.

He had asked to be remembered to all his friends and wishes the members of Westmount Rotary all the best in the years ahead.

Rotary members are reminded that Ladies' Night will be held on Wednesday evening, December 6, at the Unity Boys' Club, Greene avenue. The Programme Committee hopes that there will be a large turnout of members and their wives or lady friends.

Westmount Couple Have Golden Wedding

Col. Hon. R. O. Grothe, M.L.C., and Mrs. Grothe, 400 Kensington avenue, Westmount, celebrated the 50th anniversary of their wedding on Sunday. A reception was held at their home here. Col. Grothe, retired tobacco manufacturer and formerly of the old 65th Fusiliers (Fusiliers Mont-Royal) and Mrs. Grothe are the parents of three daughters and four sons.

Atwater Park Project Is Rumoured Delayed

It is learned by The Examiner that the construction of the super modern underground garage and other buildings planned for Atwater Baseball Park will not go ahead this year.

It will be recalled that this large parcel of land was sold early in the spring, and that an announcement was made at that time that construction would start just as soon as the Atwater Baseball League had finished its schedule.

The reason for the postponement of the extensive building program by the new owners is not known, but probably the scarcity of certain materials may have something to do with the delay.

It is understood that the Atwater Baseball League has been offered the use of the ground for season 1951, but as the property is now taxable it is possible that the total of the taxes may prove too much for the league to handle.

Previously the ground was owned by a religious order and consequently the tax problem did not arise.

The loss of the Atwater site to organized baseball will be keenly felt by the large number of spectators who lined the field every night in the week, during the playing season.

Heads Society

Arthur L. Melling, 662 Victoria Avenue, Westmount, who has been re-elected president of St. George's Society of Montreal at the 116th annual meeting of the national group.

Arthur L. Melling Again President St. George's Society

Arthur L. Melling, 662 Victoria avenue, Westmount, was re-elected president of the St. George's Society of Montreal at the annual meeting of the society held in the Windsor Hotel.

In his address, Mr. Melling declared that the society planned an organized drive this season to enlarge its active membership of Canadians of English extraction.

The assistance of needy fellow-countrymen has been the aim of the society since its foundation he said. With the aid of a full time social worker, those in need had been given financial help, clothing and food and Christmas parcels, the president said.

Other officers elected were: Sir Frederick Tymms, first vice-president; Sir William P. Hildred, second vice-president; the Rev. Canon Gilbert Oliver, third vice-president.

Nine directors were also appointed, these being: L. W. Bond, A. H. Cole, John Cowling, H. A. Cresswell, Keith R. J. Horner, C. N. Knowles, H. G. Norman, Arthur Randles, and John H. Vale.

Municipal Association To Nominate Aldermen

The annual meeting of the Westmount Municipal Association will be held in Victoria Hall on Tuesday, December 5 at 8.15 p.m.

Mayor J. S. Cameron will deliver an address, following a program of choral music by the Glee Club of Westmount High School, under the direction of Gifford Mitchell.

Those who attended the last meeting of the association will recall the fine singing of this group of students which evoked much favourable comment.

Added importance is given to this year's meeting as the association will make nominations for aldermen to be elected at the civic elections to be held early in January. It is understood that with the exception of one member all the present aldermen will present themselves for re-election.

Nominations for officers of the association for the ensuing year will also be called for at the meeting as well as for school commissioners, and library board members.

The highlight of the evening will be the question period when anyone may ask information on any subject affecting Westmount.

In the newsletter sent out by the association it is requested that any question regarding research for the answer be submitted in writing at least two days before the date of the meeting. However any question may be put verbally from the floor said president J. R. Fenwick.

Following the business part of the meeting refreshments will be served.

A cordial invitation is extended to all Westmount residents whether or not they are members of the association to attend the meeting.

Mrs. George McIntosh Wins Booster Prize

The Mariella Lingerie Shop, 1383 Greene avenue, advises that the Booster Week prize of \$10 worth of merchandise was won by Mrs. George W. McIntosh, 459 Clarke avenue, Westmount.

Names of other prize winners appeared in last week's issue of The Examiner.

Westmount Business Association members were very gratified by the results obtained during Booster Week and feel that the effort was well worth while.

Chairman

Mayor James S. Cameron, of Westmount, above, is general chairman of the Christmas tree sale being sponsored for one day next month by the Montreal Association for the Blind. It is hoped to sell 40,000 trees to aid the work. It is the first appeal for funds made by the association since 1910.

Westm't Spared; Gale Does Little Damage Locally

The 70-mile-an-hour gale which swept the Montreal area over the week-end did very little damage in Westmount according to the Police and Fire Departments.

The Parks Department reported that only a few branches were blown down.

The winds which reached gale proportions and which were followed by torrential rains created quite some damage in the metropolitan area, toppling trees and poles, tearing off frail walls and roofs, disrupting power service and slowing traffic to a virtual crawl.

Unlike Westmount, Notre Dame de Grace, and Outremont, seemed to get the full force of the storm and street lighting circuits were put out of order which left the area affected in darkness for some hours.

Five persons died in the outskirts of Montreal as a result of traffic accidents caused by the storm.

One man died when a stone block fell from the Aviation Building on Dorchester street west.

Delegation Asks Change In By-Law

The Westmount City Council received a delegation of merchants whose businesses are situated on Sherbrooke street, between Greene and Elm avenues, who requested that the zoning by-law be amended effecting that part of Sherbrooke street.

The merchants, who were invited to the meeting by the Council following a petition which they signed earlier, asked that the present by-law be amended to allow occupancies in addition to those already warranted.

It was pointed out that under the present rules, professional offices are allowed, but no commercial offices. They asked that the Council make the amendment to include such offices as insurance brokerages and accounting offices, or others of a similar nature.

The City Council took the proposal under consideration and said they would make their views known at a future meeting.

PERMIT GRANTED

A permit was granted the Veteran's Taxi Association by the Westmount City Council, to establish a stand in a vacant lot at the east end limits of Westmount at Sherbrooke street.

Unity Boys' Club News

Well, all festivities are over at the Unity Boys Club new, until Christmas, and the members are swinging into an uninterrupted program of inter-house and inter-club sports. Regular gym periods and woodcraft, leathercraft, painting, decorating, cooking, metalcraft, photography and newspaper groups are hard to work. The Games Room, the "Bee Hive" of the Boys Club is constantly in use, equipped as it is with ping pong, shuffle board, etc., with boys and girls always waiting their turn.

Other facilities in the clubhouse are also being well patronized by members. The boys and the girls showers, which are open to all members daily are a popular spot after games. You supply your own towel — the club supplies the hot water and the soap! The snack-bar and the library are two other popular spots — and the movies on Saturday night — well just go and have a look see at the attendance!

And all this goes on from Mondays to Fridays, from 3 to 5 p.m. and 6.30 to 10 in the evening. On Saturday 9.30 a.m. to 12 noon-1.30 to 3 p.m.—7 p.m.—movies.

One stipulation, though, about the evenings. Bantams must go home at 8.30, Midgets at 9 p.m. and Juniors at 10 o'clock.

But I forgot, there will be one more slight interruption next week. It will be on Wednesday, December 6, when the Rotary Club of Westmount will take over for the day and bring their wives and friends to show off the club. And don't they deserve it after working so hard to build it? So on that day the clubhouse will be closed to all members of the Unity Boys Club. The Travel Club will thus be held for both boys and girls on Tuesday evening, December 5, instead of on the 5th and 6th as it is generally operated.

Westmount Mun. Putters Club Plan Xmas Party

Monday night was movie night, and a good show was seen at the Victoria Hall. We would like to have seen more of our members. Maybe the weather and Christmas being so near kept you at home. It was decided to keep members in touch with the forthcoming events. A monthly program would be drawn up and copies sent to each member to assure in advance of knowing when your favorite pastime will take place.

Christmas will be celebrated this year in great style on Monday, December 11th. A party will be held at Victoria Hall in the Green Room at 8 o'clock. We would like to see members and friends turn out to greet Santa Claus and partake in the evening's fun of movies, games and refreshments.

Santa will have a surprise for each and every one. Let us know if you will be able to come by mailing the form you will receive in the post or handing it in at the next meeting.

The December-January 1950-51 program will be as follows: December 3rd, Court Whist, Victoria Hall; December 11th, Xmas Party, Victoria Hall, Green Room. Club will close on Dec. 10th until Jan. 8th, 1951. January 8th, Bingo, Victoria Hall; January 15th, Open Card Games, Victoria Hall; January 21st, Movies, Victoria Hall; January 28th, Beetle Game, Victoria Hall.

For any further information, please contact Mrs. R. Peirson, of the Westmount Recreation Department, FI. 6975.

Rodeo — The Rodeo Show was a huge success and prize winners will be announced next week.

Pemberton Smith Dead Will be Buried Today

PEMBERTON SMITH, widely known insurance broker of Montreal, and an authority on the history of the city, prominent Mason and Rotarian, died Tuesday evening at his residence, 42 Windsor avenue, Westmount, after a brief illness. He was in his 82nd year, and while he had not been active in business for some years, owing to ill health, it was only a few weeks ago that he became seriously ill, and passed away Tuesday.

and holding the post of treasurer* and trustee for many years. He had been a member of the Rotary Club for 36 years, joining in 1914 and serving as a director before being elected president in 1924-25, and recently made an honorary member. He was also interested for many years in Municipal affairs, being one of the original members of the Westmount Municipal Association, which he served as president for three years.

His interest in the interest of Montreal was indicated by a brochure that he published which is quoted as authoritative. He was a life member of the Canadian Historical Association, and also a member of the Art Association, of Montreal. He joined St. Paul's Lodge No. 374 E.R., in 1908 and was a Past Master of his lodge. He was a member of the National Fire Prevention Association and of the Art Association of Montreal. He was a former member of St. James' Club, the Montreal Club and the Garrison Club of Quebec.

Bishop's College Graduate

Mr. Smith was born at Leeds, Megantic county, in 1869, the son of Rev. F. A. and Elizabeth Ogden Smith. He was educated at Bishop's College School, Lennoxville, and commenced his business career in the lumber industry in Quebec City and then turned to fire insurance with the Guardian Assurance Co. of London in 1890. He became inspector and loss adjuster and later was named Agency superintendent. In 1902 he formed his own firm of general insurance brokers and in 1919 it became a limited corporation under its present names of Pemberton Smith and Co. Limited, of which he was president, holding that position until his death, with his son, George Pemberton Smith, as vice-president and manager.

He married Muriel Gwendolin Durnford, daughter of George Durnford, in 1898, and she survives him as do two sons and two daughters George Pemberton Smith and D. P. Smith, Mrs. C. Morgan Bennett and Miss Freda Pemberton Smith, all of West-

mount, and one nephew, Frederick A. Smith, of Ottawa.

The funeral service will be held at St. Matthias Church, Westmount at 11 o'clock this morning by Rev. Canon Gilbert Oliver, with interment in Mount Royal Cemetery.

Westmount Women Give Ditty Bags To Navy League

The Westmount Women's Club recently presented 50 ditty bags to the Navy League of Canada, to be sent to the naval units in Korean waters for Christmas.

Miss Sara Gardner, chairman of the post-war services for the club some time ago formed a special committee to prepare the ditty bags.

The date of the delivery of the bags was advanced one week by the League, necessitating an even more hurried and conscientious effort on the part of the committee of which Mrs. Harold Mills was chairman.

Mrs. J. C. McKean, president of the Westmount Women's Club presented the bags to E. D. Cornell, vice-president of the Navy League of Canada who thanked the ladies for the gift which he said would be very much appreciated by the lads in the navy now on active service in Korea.

Major-General A. E. Walford was also present at the ceremony. The Rev. Wilfred McDonald asked the blessing for the recipients of the bags.

Cubs Attend Annual Meeting

The annual meeting of the Boy Scouts Association, Montreal district, was held at Scout Headquarters on Bishop Street recently during which some scouts and cubs entertained the gathered council members, and wolf cubs from Westmount Park Wolf Pack performed a Jungle Dance.

At the pack's meeting, Bruce Anderson completed his 2nd Star work by passing the Signalling test. Michael Redden passed his Signalling and Exercise tests. George Christie also passed these two tests, but has still some work to do before he can be presented his 2nd Star.

Peter MacLaurin passed the Signalling and Cleanliness tests. Denis Reid and Jackie Yuille passed the time telling test in the 1st Star work. Tony Hinds and Edwin Barlow passed the Tenderpad tests, and they will be invested in the pack soon.

Council Sends Letter Of Sympathy To Mrs. Burriss

A resolution to write a letter of sympathy to the widow of William Burriss, was passed by the Westmount City Council at its meeting, Monday.

The letter will be sent to Mrs. Burriss, wife of the former deputy chief of the Westmount Fire Department who died on November 21 at St. Andrew's East, Que.

A member of the Westmount Fire Department for more than 25 years, he retired in March 1944.

"The Goldbergs" have been a 21 year favorite of radio and television and have recently completed a film for Paramount.

Basketball House League: The Saturday afternoon Basketball House League is underway with a Hit-or-Miss league starting at 1:30 every Saturday afternoon. The House League Committee, elected last Saturday afternoon, is as follows: Nelson Creamer, referee; Gilbert Young, recording; Doug Reed, timers and scorers.

Badminton Club: All members are reminded of the tournaments in the near future — ask Bob Morissette for further information. The club still plays Tuesday and Friday nights at the "Y" and Wednesday night at the Westmount High School gymnasium.

Fencing Club: The Monday and Thursday sessions of the fencing club under the watchful eye of Coach Roland Asselin, finds a very enthusiastic group. Coach Asselin stated that visitors or guest fencers are welcomed to drop in either of these evenings to watch or participate with the Club.

Gymnastic Club: The motto of the Club — "A Trick a Week" is being surpassed by most of these turning out. Honorable mention should be made of Ronnie Law — shaped up to be the most improved gymnast of the year! All those turning out on Monday and Thursday evenings are now busy working on their routines. Guests or new members are welcomed to

turn out with the club. Call the "Y" for further information.

Swim Club: A group of 12 boys are training regularly under the watchful eye of Swim Team Coach Gilbert Young for the coming Inter City "Y" swim meet to be held in the Westmount Pool Friday, December 15. Young is pleased with the progress of those turning out and stated there are still vacancies on the team. Next work-out — Saturday 11:30 a.m.

Young Adult Section
December Dance: The Annual Christmas Social for the Young Adult Membership and friends will be held on Friday, December 8. Beside many surprise features the evening will include all types of dancing, games, singing, and prizes. Refreshments will be served. All, whether members or not, are welcomed to enjoy this event.

Residents' Supper Club: As usual the Supper Club meets every Thursday for a home-cooked meal. Vice Chairman Herb Vaughn conducted the meeting on Nov. 23 followed by the showing of the "Wingslow Boy" through the courtesy of Ben Langbord, the program chairman. Anyone interested in a home cooked meal and pleasant fellowship may join the supper club.

Monday Card Night: Ardent card enthusiasts are coming to the "Y" on Monday's around 8:00 o'clock to play the game of their choice.

Union's Place in Society Outlined at "Y" So-Ed

Last Friday evening Claude Jodoin, President of the Montreal Trades and Labor Council, spoke at the Westmount Y.M.C.A. So-ED program on the timely topic of the Union's Place in Society. Mr. Jodoin is also the Vice President of the Trades and Labor Congress of Canada, a former member of the Quebec Legislature for St. James district and a present member of the Montreal City Council. In the Trades and Labor Congress he heads the important committee to combat Racial discrimination.

Lionel Fournier Revamps Stamp Club Programme

At a recent meeting of the Junior Stamp club it was announced by Lionel Fournier, Recreation Supervisor, that, as of the new year of 1951, the Stamp Club would be meeting in new premises, that is to say, the Westmount Athletic Grounds Clubhouse, on St. Catherine St.

Together with the move, there would be some changes made in the program of the Club. With larger facilities there would be the opportunity to extend the program to cover recreation. Shuffleboard, ping-pong, games, sing-songs and various other activities could be included.

The program will be compiled by the Junior committee and it would be responsible for running the meetings. Together with the help of an advisory committee of six Senior members who have volunteered to come down once a week to help the boys with their stamps.

The City Recreation department supervisor and another Senior member would be on hand to help with the recreation activities. It was felt that, as the job of the Junior committee would be bigger, more help would be needed and therefore, new members should be added. An election took place last night prior to the movie program, the results will be published next week.

The Junior Stamp Club has the opportunity of growing into a bigger better and happy club. It is up to the present members to give it the best support and to welcome new members.

Bren Macken Proud Father Of Baby Girl

Bren Macken, Westmount's own tennis star and Canada's Davis Cup singles ace, became a proud father on Sunday. A seven pound 7 ounce baby girl arrived at 12.05 just in time for lunch, said her equally famous tennis aunt "Pat".

The baby has been named Nancy Elizabeth.

The grandparents, Mr. and Mrs. J. R. Macken, 59 Arlington ave., Westmount, are overjoyed at the new arrival.

Bren was at a loss for the usual cigars as he is a non-smoker, but his face shone brighter even than it did after winning the Canadian title last summer.

Aunt Pat was almost as excited at the proud father, which looks as if Nancy Elizabeth will not want for tennis coaching.

Fall Flower Show Continues Conservatory Open Daily

E. J. Anderson, Superintendent of Westmount Parks Department, wishes to correct a statement which appeared in last week's Examiner regarding the closing date of the annual fall flower show now being held in the conservatory in Westmount Park.

Mr. Anderson advises that the exhibition will be continued until further notice and that the greenhouse will be open at night as well as during the day.

followed by the topic "Skiing in Quebec — What to buy, where to go," conducted by the Westmount Ski Club.

Next week will be the grand finale party combined with the Annual Adult Christmas Dance.

Westmount Singers May Crash Gate Into Radio

The Westmount singers, instrumentalists and other types of entertainers will be interested to learn that the CBC "Opportunity Knocks" will return to Montreal on Dec. 18 but this time it will be presented from the stage of the Imperial Theatre, on Bleury St. Director-conductor John Adaskin got the talent show's machinery rolling during a recent trip to Montreal, to conduct the first auditions. Ken Withers, the program's Montreal producer, is handling audition arrangements and appointments can be made by calling PL. 5111, Monday to Friday, from 9.00 a.m. to 5.00 p.m.

The show will continue to be heard on the air at its regular time—Mondays, at 8.30 p.m., EST, on the Dominion network. Lamont Tilden will again be the announcer.

The idea behind the CBC program is to bring young Canadian professional talent to the attention of the public in general and to bookers in particular. In consequence, it confines itself to artists of professional calibre. In other words, to appear on the program, artists must be actually making a career for themselves as professional entertainers.

There are no restrictions, on the other hand, of the type of entertainer. So far, singers, both operatic and popular, quartets, pianists, violinists, wind instrument players and a drummer have competed on the air.

Each performer is paid a regular professional fee, and, in addition, the artists adjudged each week as the most popular by the theatre applause and the letters from listeners, is given a return engagement at a fee of \$50.00 as well as a chance to compete in the semi-finals for the grand award—

a CBS network series. Since the last Montreal series a new feature has been added to the program: the commissioning and presenting of original works by Canadian composers. Each composer receives \$50.00 and an additional \$50.00 goes to the author of the work judged the most original.

"Opportunity Knocks" is now completing the twelfth cycle of thirteen-week series. It was inaugurated in July, 1949, by the CBS, under the direction of John Adaskin. At the end of the eleventh series 720 young artists had been given the opportunity of appearing on the air and thereby the professional careers of many of them given a considerable boost. Bernard Johnson, Kalle Ruusunen, Betty Carr, Marie Germaine Lebranc, Esther Ghan, Betty McCaskill, Doreen Hulme, Pierre Boutet, Phyllis Marshall and many others, now well-known on the CBC networks, first came to the attention of producers through their appearance on the CBC talent show.

Employee Owned Company Will Work, Rotary Told

"It is my considered opinion that no one has a better right to share in profits than the workers who invest their money in shares, Thomas J. Delaney, president of the Parmenter and Bulloch Mfg. Co., Ltd., told members of the Westmount Rotary Club, Wednesday.

The speaker, who was instrumental in putting the company on a one hundred per cent employee ownership basis in 1946, to set a precedent in Canada, outlined how the plan works, and said that under such a system there can be no possibility of a strike, since the employees would be striking against themselves.

He also claimed that since the adoption of the plan, where only employees can own shares in the company, production output has increased 14 per cent, and personnel requirements have decreased 15 per cent.

Under the title, "Every Worker a Capitalist" the speaker, who's company is situated in Ganoque, Ontario, told how the operation first came about. He said that the employees raised \$252,000 among themselves to purchase the company, and the executive then sought ways and means of establishing some procedure to make the plan work.

Outlining the success of the plan, Mr. Delaney claimed that the ratio between current assets to current liabilities at the time of the purchase was about one to one, while today it has a ratio of seven and three-quarters to one. He also claimed that a bank loan of \$130,000 has been wiped out entirely since the transformation.

He discredited the idea that it was a move in socialized planning, claiming that every worker is a capitalist and that it was not a co-operative since the customers have no part in the management, which is controlled by a five man board of directors.

Before closing he invited anyone of the club who was travelling in the vicinity of Ganoque, to drop in and see the entire scheme in operation.

The speaker was introduced by Mike Tansey and thanked by Tom Stokes. Frank Kenwood presided. Also at the luncheon meeting Wednesday, was the induction of two new members. Norman Millington and George E. Beck were inducted by past president Percy G. Delgado of the Westmount Rotary Club.

Jack Webb, who scores as a different sort of heavy in Paramount's "United States Mail," started his career in radio, has starred in many shows.

Bank of Montreal Mark Is Record

Passing the half-billion dollar mark in its current loans for the first time in its history, the Bank of Montreal published its 1950 annual report in a simple, clear, humanized form of statement — free from the mystery traditionally attached to bank statements.

In presenting its annual statement in terms which anyone can understand, the B of M continues the course it has pioneered for six years. Unique among bank statements, the report aims to inform all Canadians, and B of M customers in particular, of the bank's operations in employing its two-billion-dollar resources.

Dr. Frank Laubach, Noted Cleric, to Speak Monday

Dr. Frank C. Laubach, world-known missionary educator and literary expert, will visit Montreal Monday, Dec. 4. He will address a public meeting in Westmount Park-Emmanuel United Church at 8 p.m. where he will discuss liter-

acy as a weapon against Communism and as a means of bringing Christianity to the backward areas of the world.

Dr. Laubach has helped governments and Christian missions in 75 countries set up campaigns against illiteracy. By his literacy method and modifications influenced by his method, it is estimated that approximately 50,000,000 people have learned to read in 206 of the world's languages. Dr. Laubach is most widely known for the phonetic picture-word charts he developed for teaching adult illiterates, and for the "Each One, Teach One" method he originated in the Philippines in 1930.

In 1946, he assisted the United Nations Educational, Cultural and Scientific Organization to prepare

DR. FRANK LAUBACH

recommendations for a world plan of fundamental education. On a six months' tour in 1949 he began an associate literacy project with UNESCO in Siam, helped revise lessons in 12 languages in India and Pakistan, developed primers in 17 languages for backward peoples of Australia and New Guinea, and worked out a course of lessons in the Korean alphabet. His literacy party has just returned from French, Portuguese and British areas of Africa.

He is the author of "Toward a Literate World," "The Silent Billion Speak," "Teaching the World to Read," and "The Streamlined English Series," including "The Story of Jesus."

While in Montreal Dr. Laubach will address a public meeting for women at First Baptist Church at 3 p.m., sponsored by the Ladies' Committee of the Montreal Auxiliary Bible Society. He will also speak to clergymen at a luncheon in Central Y.M.C.A. under the auspices of the Montreal Ministerial Association.

Mikes for Buses Suggested Here

A suggestion has been made by an Examiner reader that Westmount City Council recommend to the Montreal Tramways Company that the Winnipeg example of installing microphones in buses and trams be adopted here.

The Winnipeg plan is to have the driver announce at each stop the names of the next two streets.

It is believed that the service will be speeded up considerably as passengers will make for the exit door as soon as the next street stop comes over the loudspeaker.

CHARACTER REALISM

Gertrude Berg, star and creator of Paramount's "The Goldbergs", finds little difference in writing for radio, stage, television, or movies.

Major D. MacRae, R.M.R. Re-elected Pres. P.Q.R.A.

Major D. MacRae, of the Royal Montreal Regiment, was re-elected president for a sixth consecutive term at the annual meeting of the Province of Quebec Rifle Association held in the Canadian National Recreation Association hall on Saturday.

The past president is Col. S. Rolland. W. Dean O'Connor was also re-elected secretary-treasurer which will be his 23rd. year in office.

Major-General C. B. Price, a patron of the P.Q.R.A., congratulated the membership for successes obtained during the past year. Gen. Price stressed the necessity for teamwork not only in competition but in the organization of the association.

Secretary O'Connor in speaking of the activities of the association said that the past year had been a "banner one." He noted an increase of 12 teams and 215 individuals over 1949.

Total membership is 467 with 26 clubs members of the association, 28 armed forces units and six Canadian Legion Branches.

The appointment of Major MacRae to the command of the Canadian Bisley team was praised, as was the appointment of Major W. Strachan, regional vice-president for Hull, as assistant military attache to Sweden.

Hope was expressed that the new hunters' section created two years ago will become one of the most important branches of the association. One of the main objects is to prevent hunting accidents by lessons in the handling of firearms.

Other officers elected were: vice-president in charge of the armed services section; Major W. J. Anderson; directors, Lt. Col. A. D. Robertson and Capt. J. R. Ferguson; vice-president in charge of target rifle section; W. J. Lifferty, directors, H. W. Wilson and W. L. Tremblay; vice-president in charge of hand gun section: R. H. Peterson, directors, L. Guenette and H. Y. Maranda; vice-president in charge of sporting rifle section: A. J. Kilkinson, directors, G. Perdeau and D. M. Johnson; vice-president in charge of junior section: G. L. Fulford, directors, K. N. Morris and A. W. Seaman; vice-president in charge of the new hunting section: R. A. Snowball, directors, A. H. Fraser and P. Baby; vice-president in charge of Canadian Legion section Major H. W. Wood, directors, M. Cooke and J. Stein.

Major Anderson, Mr. Peterson, Mr. Lafferty, Mr. Morris and Mr. O'Connor were elected to represent the P.Q.R.A. on the council of the dominion of Canada Rifle Association.

Canadian Legion Requests Gifts For Vets in Hospital

The Quebec Command of the Canadian Legion is appealing for gifts to be handed to veterans in hospital on Christmas morning.

The annual Christmas tree has again been placed on the ground floor of the Jas. A. Ogilvy department store corner of Mountain and St. Catherine street, west.

The objective this year is 6,000 gifts. The tree will remain in the store until closing time Christmas eve. Slogan for the campaign is "Give a Gift to Those Who Gave" and members of the public are asked to "Make it Yourself" Buy it Anywhere! But place it under the Christmas Tree at Ogilvy's.

Cash donations for the purchase of gifts are also welcome, the Legion says, and should be sent to C. Hampton, Apt. 3, 1699 Graham boulevard, Town of Mount Royal, Montreal 16.

Gifts for women veterans, particularly cosmetics, are also needed. Every gift should be separately wrapped and the contents noted on a card supplied by the Christmas Tree helpers in the store.

The gifts will be distributed to veterans in all Montreal hospitals and also at St. Anne's, Senneville, Ste. Agathe, and St. Hyacinthe.

Special services were held last week in the Point St. Charles Baptist Church to commemorate its founding 56 years ago.

Baptists' Case At Val d'Or Gets Priority

The case of the Regular Baptists now jailed at Amos, Que., will have priority when the Superior Court opens its sessions there Dec. 12, Rev. J. R. Armstrong, secretary-treasurer of the Union of Regular Baptist Churches of Ontario and Quebec, said today.

Mr. Armstrong stated that an official of the court at Rouyn had said that priority would be given the appeal on behalf of the Baptists because it involves men who might have been unjustly imprisoned.

The Regular Baptists have retained a Rouyn lawyer to represent them when the appeal is heard.

There are 16 Regular Baptists remaining in the Abitibi County jail at Amos. All were convicted on charges of violating a traffic by-law while holding open-air meetings.

Each was given two months in jail, plus a fine of \$40 and court costs, or two months extra in jail. Since the Regular Baptists have maintained a policy of non-payment of fines, the 16 now in jail must remain there four months.

The Regular Baptists will appeal the sentences on the basis that they exceeded the maximum sentence of two months, or payment of a fine and court costs, as provided by law. Previously, 18 two-month sentences were given with no additional time in jail in lieu of payment of fines.

If the Superior Court upholds the appeal, the men now in jail would be released as soon as possible. Fifteen would be affected, as one man is scheduled for release prior to the opening of the appeal.

"One of the values of a verdict in our favor in this case," Mr. Armstrong said, "would be the confirmation of the opinion that the Val d'Or authorities have been more enthusiastic in arresting Baptists than they have ordinary traffic law violators."

Maureen O'Hara will leave to make a picture in Australia soon after the premiere of Pine-Thomas' "Tripoli," Paramount Technicolor release in which she co-stars with John Payne.

Three Scholarships Are Awarded by R.C.E. Corps

Three university members of the Royal Canadian Engineer's wing of the Canadian Officer's Training Corps were presented with scholarships by the Royal Canadian Engineer Association at a ceremony held in the officer's mess of the R.C.E., 4350 St. Catherine street, Westmount, on Friday night.

The recipients were: B. R. Bourke, of McGill University; J. Paul Bonneau and J. Claude Lannoie of the University of Montreal. All are third year students in engineering and have shown high standards of proficiency in scholastic work and military efficiency at the R.C.E. train centre at Chilliwack, B.C.

Welfare Plans Are Advanced By Adventists

Speaking in behalf of the Westmount and Laval Avenue chapters of Adventist Charities Ltd., Mrs. H. Drouault, president of the Laval Avenue chapter said in an interview last night, "We are now laying plans for a greatly intensified program of local and international welfare", and added "we plan further, that every active member of Adventist Charities Ltd. in Montreal shall be trained and have an adequate working knowledge of the fundamentals of first aid, and rescue work."

She added, "In the event of another world war in which it seems certain that our great cities will become centers of death and despair, we desire that every member of our welfare organization shall have a reasonable knowledge of the fundamentals of first aid and rescue".

Mrs. Edward McLean, of Hutchison Street, president of the Westmount chapter of Adventist Charities, in conjunction with Mrs. Drouault released some interesting figures of the work of Adventist Charities in the last two or more years. Said they, "Through our hands and Montreal port office have passed some two train car loads of new and used clothing, food and other items destined for many countries abroad, "and added, "these shipments included shoes, dresses, coats, underclothing, as well as food both canned and dried". Said Mrs. Drouault, "countless little children will wear shoes, and eat a little better for our little part in a world program of rehabilitation."

Mrs. Drouault and Mrs. McLean observed that many letters of appreciation had been received to date, "from England, Finland, Greece, Holland, Austria, Germany, China, Jamaica etc." She added, "we have received so many letters of gratitude and appreciation from so many parts of the world that it thrills one to read these comments of genuine human sentiment."

In addition to work in foreign countries, the two respective presidents announced that their local organizations have been at work in the big Rimouski drive and added, "about six hundred pounds of new and used clothing were immediately dispatched to Rimouski, and about 350 to 400 dollars cash outlay were expended for needy families here in Montreal."

Using Left-Overs Will Keep your Budget Down

A careful buyer has few left-overs, but busy-day meals often call for cooking more food than is needed at one meal. These can be used in other recipes. Try to avoid vitamin losses in re-heating foods, for vegetables, fruits, meats, etc., retain more of their food values when re-served cold (in salads, sandwiches, etc.) Use them hot, however, when they are served with nutritious foods such as cream soups.

Liquid from drained cooked or canned vegetables is delicious when mixed with tomato juice, chilled, seasoned and served as an appetizer, or served hot in soups, sauces and gravies.

Juice from canned fruit can be used in fruit drinks or in recipes such as fruit custard or pudding.

N.D.G. Club Fills 25 Ditty Bags In One Week

The Notre Dame de Grace Women's Club received a request from the Navy League of Canada to provide 25 ditty bags as Christmas gifts for the boys of the Royal Canadian Navy now in Korea.

Within one week, under the able chairmanship of Mrs. D. K. Gowans, a committee comprising Mrs. F. Ward, Mrs. R. Reynolds

and Mrs. J. B. Rice, filled and shipped the 25 bags.

Provision of the bags was made possible by a special donation from club members and friends.

SAWDUST START

Montgomery Clift, starred in George Stevens' "A Place In The Sun" for Paramount, had his first introduction to show business when, as a small boy, he visited Sarasota, Fla., with his parents and watched circus performers who make their winter headquarters there.

The R.C.E. Corps Association established the fund as the result of all R.C.E. personnel voluntarily donating a day's pay while overseas, to the Engineer's "War Memorial" which took this form.

Major V. A. Linnell, secretary of the Military Engineers Association stated that enough money was subscribed to provide scholarships to students of each of 15 Canadian universities every year for the next 50 years.

Major Linnell made the presentation to J. Paul Bonneau, Lt.-Col. H. C. Wallis, former commanding officer of the 3rd. Field Regiment, R.C.E. handed over the scholarship to J. Claude Lannoie, and B. R. Bourke received his award from Lt.-Col. A. J. Leblanc, M.B.E. present officer commanding the unit.

Among those present were: Dr. J. J. O'Neill, Dean of the faculty of engineering, and Vice-Principal of McGill University, and Lt.-Col. M. J. Tucker, D.S.O., who led the Canadian Engineers during the evacuation of Arhem.

New Resolution Made Concerning Bus Stop

The Westmount City Council have made a resolution concerning the parking regulations of auto bus zones on Sherbrooke street, which will probably be put into effect soon.

Under the new regulations, vehicles will not be allowed to park within 30 feet on either side of the sign and within 60 feet if the sign is located within 60 feet of an intersection.

A spokesman for the Council pointed out that the pavement would be marked in white paint to show what area would be effected, and that signs will also be erected at both ends of the prohibition area to further impress motorists of the new regulations.

Royal Victoria Hospital To Expand Speech Clinic

The Royal Victoria Hospital, Montreal, is extending its clinic for the treatment of children with speech defects with the aid of a grant from federal health funds.

Approval of the grant was announced in Ottawa Wednesday, by Hon. Paul Martin, minister of National Health and Welfare.

Mr. Martin estimated that nearly two per cent, of school-age children have some type of definite speech defect needing treatment. On the basis of statistical studies in the United States, they calculate

that there are approximately 5,000 persons in Quebec who have not had adequate treatment for cleft lip and cleft palate alone and that this number is being increased by about 150 cases per year.

A speech therapy clinic was opened at the Royal Victoria in January, 1949, under Dr. Hamilton A. Baxter. Clinics were held twice a week at first, but the demand increased so quickly that a third

day was soon added. For the past year clinics have been held four times a week, but the present staff is still not able to take care of all those who apply.

Using the existing speech therapy clinic as a basis, the hospital plans to use the grant to meet the salaries of an additional speech therapist, an assistant speech therapist and a social worker, all working full-time, a dentist, orthodontists and a medical research worker, part-time. Funds will also be used to provide for additional technical equipment and supplies for the clinic.

Treatment of speech defects often requires a long time — sometimes years — and the combined services of paediatricians, surgeons, speech therapists, orthodontists, dentists, psychologists and oto-laryngologists. The program planned for the Royal Victoria will bring together in one centre all the special services needed and thus provide the young patients with more nearly complete and adequate treatment, Mr. Martin said.

The clinic is also expected to be valuable as a research centre for the development of new treatment procedures and possibly preventive therapy.

Cost of new developments will be about \$20,200 during the current fiscal year.

Solar Club Inc. Presents Cheque To Homoeopathic

A cheque for \$741 was handed to Dr. H. R. Griffith, medical superintendent of the Homoeopathic Hospital by members of the Solar Club Inc., to assist in the work of the hospital.

The Solar Club is an organization pledged to assist the Homoeopathic Hospital.

At the presentation ceremony held in the hospital on Thursday, it was announced that Mrs. Roy Ormrod, whose late husband was a charter member of the club, will become a life governor of the hospital.

The gift will be used to cover the cost of a piece of electro-surgical equipment to be used in urological cases.

Dr. K. Norris, principal of Sir George Williams College, spoke on "Child Psychology and adult Education."

Welsh Church Carol Service

Favorite Christmas carols will be sung in four-part harmony according to Welsh traditions of music and prayer, with Miss Jenny Purnell as accompanist.

Miss Margaret Roberts and Arthur Hughes will lead the devotions assisted by Miss Eirwen Davies, of Queen's School, Westmount, and Squadron-Leader Wm. E. Jones, of Baron Byng High School, who will read the Bible lesson.

A hearty invitation is extended to all members and friends of the Welsh community to attend this special pre-Christmas service.

Elector Proprietors Don't Question Loan By-Law

A report was made to the Westmount City Council that the elector proprietors had held a meeting with the Council in connection with the proposed loan by-law amounting to \$620,000.

Following the one hour meeting stipulated in order to make such a meeting valid, no request was made for a pole or vote on the proposed by-law, and it was passed unanimously.

C.A.C. Reports

The Canadian Association of Consumers in the Province of Quebec (English) welcomes a new branch to its growing family of local units. Last week saw the formation of this new branch within the membership of the Westmount Women's Club. At a meeting held in the home of Mrs. John Weir Brown, organization was completed and the following officers elected: President, Mrs. John Weir Brown; Vice President, Mrs. H. S. Jacques and Secretary-Treasurer, Miss W. A. Mann. Mrs. J. C. McKean, President of the Westmount Women's Club was present and congratulated the officers and members, wishing them an active and successful future in their work as members of C.A.C. The members of this new branch are full of interest and enthusiasm and C.A.C. looks to them to commence constructive work on many matters of consumer interest.

More Consumer notes and news: in the new Provincial newsletter, now being mailed to members, is a list of some of the things which National C.A.C. is protesting on behalf of its members, and of all the buying public. One of these things is the practise of many vendors of raising prices on stocks they have on hand when new taxes or other causes increase future prices they will have to pay for new stocks of such goods. The dealer did not pay the increased prices on the goods he has, but an increase in future cost is used as an excuse, which makes for deception and exploitation of the consumer.

Glories of the Plains — One Sight that was Unforgettable — Great Tree, Like Great Men, Passes Away — Stately Elm Never Forgotten

I lived twenty-one years in the West, knew that country from Winnipeg to Victoria. Part of that time was spent in British Columbia the land of the mighty Fraser, the Kootenay country with its "Douks" in gay and festive dishabille. They didn't do it when I was there. Then there was the Okanagan with its apples and its Englishmen and the open country around Kamloops. If I ever get sick I am going back to Kamloops knowing full well, if I do, I will speedily return to my normal health.

Once I spent a week in Prince Rupert and, believe it or not, during all that time it never rained. Somebody must have done something about it or possibly

Prince Rupert never was as wet as jealous neighbors thought it was. Why all this about the mountains and nothing about the open plains? There is a reason. I can break off when I write about British Columbia and its mountains but if I started telling about the glories of the plains I might go on and on, I might never stop.

Sixteen years ago I was back in Ottawa with the fire of the West in my mind, I wanted to go back to the Prairies. It hasn't happened. I have been there on trips but not to remain. I want to go back again but here I am talking about myself when I want to tell you of a lovely old elm which during all these sixteen years lived and grew on a vacant lot just south of our apartment.

It was a big tree when I came to Ottawa, 75 feet high at least when I first saw it. The diameter would be about two feet and a half. It wasn't like our old elms in Huron County. There the trunks were bare and clean sunning up to a wide spread crown but this elm had branched out

February morning.

From that day I became very closely attached to that tree. It had a haughty grandeur about it and yet an infinite capacity for making friends. From time to time a crow or two would alight on its topmost branches and give out a raucous note knowing full well that it was out of sight from those walking on the street below. Robins sometimes haunted its lower levels. At the foot of the tree was a patch of sand and there, on almost every summer evening a group of sparrows took their daily sand bath. What a glorious time they had.

Then came tragedy. We didn't face the issue at once but daily it was growing more obvious. The elm tree was a trespasser. It had over-reached its boundaries. It was partly on the sidewalk. Metcalfe street, between Lisgar street on the north and the Museum on the south, had to be repaved. The sidewalks were torn up and our tree encroached upon the sidewalk. It was rumored that it would have to be cut down. Then too this fine old tree, great as it was, had made a mistake. Its roots had penetrated under the sidewalk. There was a suggestion that the roots might be cut away and a wall built to keep them from travelling in the wrong direction but alas on second thought we realized that this would ruin the tree. The growth of a tree depends upon its capacity to absorb nutriment from the soil to assimilate it for its own use.

We went away for our summer holidays. We returned in three weeks. Our tree had disappeared, there is not a trace of it left. It is like that in life. A great man occupies a prominent place in the life of a nation. He passes from the scene, the silence deepens, at least for a day. All things come to an end. It was like that with this tree. Sometimes when near-

ing the apartment I look up expecting to see the old familiar face and figure of the elm tree, not even the shadow remains. I shall never forget it. I still think of it as it was in all those years. I am grateful that it was with us so long. Good night!

Accent is good news in food circles today. Almost everything the grocer sells — except fruits and sweets — can be "flavor-improved" with Accent.

WESTMOUNT'S SUBWAY DISTANT

East End To Get First Service Moon May Compete For Commuters

If, and when, the Montreal Transportation Commission gets around to commencing the construction of a subway system, to service the Montreal Metropolitan Area, it seems more than likely that Westmount will be one of the last districts to benefit.

From a usually reliable source, it is learned that the first subway to be built, will run east along St. Catherine street, with the starting point being in the neighbourhood of St. Denis and St. Catherine street intersection.

Although the blue prints have long since been completed, there is as yet, no assurance that the subway project will be proceeded with in the near future.

If the first stage of the subway development is slated to go east, it may be ten

years or more, before Westmounters will get any relief from having to fight and push their way on and off trams and buses.

In the meantime A. V. Cleaver, chairman of the British Inter-Planetary Society, has announced that the first rocket flight to the Moon and Mars will probably take place in 1980.

Shooting a rocket to the moon would be comparatively easy, the scientist said. It might be possible within five years, but working out the return journey would take longer.

This is precisely the position Westmounters find themselves in, when going downtown, they never know when and how they are going to get back.

To save what is left of our civic pride in our transportation system, badly dented by Toronto's subway, it is to be hoped that Westmount will have its subway before Mr. Cleaver offers special commuting services to the moon.

Many promises will be made by the respective candidates during the current Montreal civic elections, most of them mere repetitions of what has already been said on the subject.

However, if sufficient pressure of public opinion is maintained, the responsible authority may be forced to take some action in the matter of subway construction.

Westmount should take every opportunity of airing the need for improved traffic facilities, and the necessity of an early start in the construction of a subway.

This may be a rather tiresome chore, but it would seem to be the most effective course to follow.

Westmount Baptist

The monthly Communion Service will be observed in Westmount Baptist Church Sunday at noon. In the preceding part of the worship, Dr. J. A. Johnston's Sermon will bear the title "Blessings Abound Where'er He Reigns."

At the evening service the address will concern "Four Men in a Fire." This is the story of gallant youths who would neither bow nor burn. The ancient Bible story, from which our inspiration comes, has a vital message for the youth of today.

A Postscript service in the form of a Christian Youth Fellowship will follow the service of the evening. At a similar gathering held two weeks ago, almost 100 young men and women joined in the final circle of friendship. All young people are cordially invited.

Christian Science

"God the Only Cause and Creator" is the subject of the Lesson Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Acts 4:24, "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:—

"Unto thee, O God, do we give thanks, unto thee do we give thanks: for that thy name is near thy wondrous works declare. I will remember the works of the Lord: surely I will remember thy wonders of old. I will meditate also of all thy work, and talk of thy doings. Thy way, O God, is in the sanctuary: who is so great a God as our God? (Psalms 75 and 77).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to

the Scriptures" by Mary Baker Eddy:—

"The Scriptures imply that God is All-in-all. From this it follows that nothing possesses reality nor existence except the divine Mind and His ideas. Everything in God's universe expresses Him. God is individual, incorporeal. He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. He is all-inclusive, and is reflected by all that is real and eternal and by nothing else. He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual."

Church of the Advent

Advent Sunday is the Titular Feast of the Parish of The Advent, and the 58th anniversary of the opening service in the Church. All members are asked to make a Corporate Communion at one of the early Eucharists. There will be a parish breakfast at 9 o'clock, to which everyone is invited. The preacher at Solemn Evensong will be the Rev. R. K. Maguire, of the Church of St. James the Apostle.

Stanley Presbyterian

Both services of worship at Stanley Church will be conducted by Rev. J. D. Wilkie. The sermon text in the morning will be "Love so amazing, so Divine, Demands What?" and in the evening "She only touched the Hem".

Sunday school meets at 11 a.m. and Bible Class at 2.30 p.m.

The Annual "Every Member Canvass" will take place Sunday afternoon.

Women's Prayer Meeting Friday morning at 10.30 a.m.

Westmount Park-Emmanuel United Church

Dr. Frank Laubach, one of the greatest missionary geniuses of the century, the man who has taught 50 million people to read, will speak in Westmount Park-Emmanuel church, at the corner of Western and Lansdowne avenues, Monday night.

Dr. Laubach devised a system whereby illiterates in any language might quickly be taught to read, and the system has been applied, under his personal direction, in more than 200 languages, with — it is estimated — more than 50 million pupils, mostly adults, learning to read for the first time.

Missionary techniques have been altered because of that, and one of the new political factors now at work in the world is traceable back to this new literacy among illiterates.

Dr. Laubach comes to Westmount Park-Emmanuel under the auspices of the General Ministerial Association of Montreal. No tickets are necessary and there will be no admission charge. The general public is invited.

Dr. Campbell will preach at both services on Sunday. In the morning his subject will be, "The Word We Wait For," and in the evening, continuing the Bible request series, he will speak on "God's Promises." After the evening service, a fellowship gathering of young adults — the 20-30 group — will be held in Webster Hall. Visitors are welcome.

Window Garden

All's well here—has been, and will be, well
Light at the window looks into the room,
And finds, for an unusual tale to tell,
The usual day turned happiness to bloom;
The flowers that most have missed are fragrant, here,
The lady with her lace, or with her letter,
The chair, the bench, the delf, the common gear,
Are all saying aloud; There's nothing better.

Married at St. Stephen's Church

Mr. and Mrs. Richard Eugene Hunter, photographed on Saturday afternoon following their wedding in St. Stephen's Church, Westmount. Mrs. Hunter was formerly Miss Evelyn Patricia Wakefield, daughter of Mr. and Mrs. S. G. Wakefield, of Ahuntsic, Que., and Mr. Hunter is the son of Mr. and Mrs. Harry Towne Hunter, of Montreal.

HUNTER — WAKEFIELD

On Saturday afternoon in St. Stephen's Church, Westmount, the marriage took place of Evelyn Patricia, daughter of Mr. and Mrs. S. G. Wakefield, of Ahuntsic, Que., to Mr. Richard Eugene Hunter, son of Mr. and Mrs. Harry Towne Hunter of Montreal, the Rev. A. T. Love officiated. Mr. Pennington played the wedding music and Mr. Yvon Chartrand sang during the signing of the register. White chrysanthemums and pompons were used as decorations.

Mr. Wakefield gave his daughter away and she was attended by her sister, Miss Joyce Wakefield, as maid of honor, and by Miss Mary Grusk and Miss Nancy Baker, as bridesmaids. Mr. Kenneth Garayt acted as best man for Mr. Hunter and the ushers were Mr. Don Reisenberg and Mr. Bruce Robinson. The bride was in a gown of

white slipper satin, the fitted bodice having a heart-shaped neckline and sleeves ending in points over her hands and the full skirt falling into a slight train. Her three-quarter length veil of tulle illusion was held by a pearl coronet and she carried a cascade bouquet of white carnations.

The maid of honor was in a frock of pink faille with a bodice having a yoke of net and cap sleeves; the bridesmaids were in frocks of pale blue tulle over taffeta, the bodices having net yokes and short sleeves. They wore lace hats to match their frocks with tulle illusion veils and carried Colonial bouquets of pink carnations and white pompons.

Mrs. Wakefield, the bride's mother, was in a floor-length gown of wine taffeta and wore a hat of matching feathers and a corsage bouquet of pale pink roses.

Miss Evelyn Paterson, Westmount, held a highly successful card party under the patronage of the Canadian Legion Naval Branch, on Tuesday afternoon and evening at her home 418 Metcalfe Avenue.

A special executive meeting of the Montreal Women's Branch of the Canadian Institute of Mining and Metallurgy was recently held at the home of Mrs. C. W. the Guides to Verdun City Hall where they presented the scroll to Mayor Edward Wilson who received it, for South Western Division.

Crowds Throng Trinity Memorial Saturday to View Scroll, Log

An impressive ceremony took place on Saturday morning, Nov. 25, at Trinity Memorial Church Hall, when the Guides of Western Division received the Friendship Scroll sent by the Guides and Brownies of England to their Sister Guides in Canada. Those present were Miss Eva Young, Provincial Badge secretary; Mrs. C. Young; Snowdon Commissioner; Mrs. J. L. Piddeaux, Western Commissioner; Mrs. H. E. Chalk, Westmount Commissioner; Mrs. F. Nuttall, Belmont district; and Mrs. John Hymers, N.D.G. Commissioner who was in charge of arrangements.

Canon Whitley Receives Scroll

A colour party from each of the four districts taking part marched on the colors. In the unavoidable absence of Canon Naylor, Canon Whitley received the scroll which had been brought in from St. George's Church. St. Ann de Belleuevue, from which Canon Whitley had recently retired. He spoke briefly of the message of friendship, above belonging to a world wide sisterhood and what it meant to the Guides and Brownies of Canada. The guide prayer was said, followed by a benediction and "God Save The King."

Log Book

The scroll and log book remained on display until 3.30 p.m. During the few hours it was in NDG it is estimated about seven hundred Guides, Brownies and interested parents and friends came to see it. A Guard of Honor from the four districts was on duty at all times. The log book attracted a great deal of attention for in it are seventy-three pages of beautiful, painstaking handwork done by the English Guides.

Mrs. W. J. Hyde, Quebec Provincial Commissioner, Mrs. John Bishop, Montreal Divisioned Commissioner and Canon Naylor were present in the afternoon. Guides and Brownies lined the hall when

Westmount Women's Club St. Andrew's Night Featured by Notable Speech and Entertainment

Breath of the Heather Sweeps Into Victoria Hall
In Scottish Song and Dance. Mrs. McKean Presides

The "Spirit of St. Andrews" — an invincible spirit of loyalty and steadfastness to a supreme cause — is found throughout the world, wherever sons of Scotland have settled, Robert A. Speirs, M.A., Headmaster of Selwyn House School, told his audience at Victoria Hall Friday evening. Speaking on the occasion of Scottish Night, held under the auspices of the Westmount Women's Club, Mr. Speirs recalled to mind the noble heritage bequeathed to Scots and those of Scottish descent, and he paid tribute to great Scottish figures of history whose dominating characteristics included not only loyalty to the cause of freedom, but also a spirit of humanity and goodwill toward all fellow creatures.

Speaking of such great warriors as Wallace, Bruce and Montrose, Mr. Speirs pointed out that these men, imbued with a courageous spirit, time and again turned the tide of battle in favor of Scotland's freedom. Crack Highland regiments have given a glorious account of themselves in two world wars, and even today, Scotsmen are fighting freedom's cause in far-off Korea.

In the realm of letters, the speaker noted, Carlyle bestrides the world of history and ethics like a Colossus; David Hume and Adam Smith are bold figures on the sky-line of philosophy and political economy; Burns, Ferguson and Ramsay are renowned for their poetic genius; and Scott, Stevenson, Buchan and Cronin are noted interpreters of human character in the field of the novel.

The Scottish roll of honor is unending, Mr. Speirs pointed out; —Andrew Carnegie, Captain of industry; John Knox, and the titans of the Reformation; David Livingstone and such modern visionaries as MacLeod of Iona; Alexander Mackenzie, Mungo Park and Alexander Selkirk, who braved the unknown. And not forgetting those men who have taken great strides toward alleviating man's suffering, we find that Scotland produced James Simpson, of chloroform fame; Lister, whose life-work was antiseptics; and Sir Andrew Fleming, whose genius was devoted to the discovery of penicillin.

Another forthwhile quality of the Scot, Mr. Speirs remarked, is a rollicking sense of humor, and the ability to tell a joke against himself.

Despite stories circulating about the Scot—of his thrift and, sometimes, meanness—beneath his brusque exterior lies a very human heart. For this reason, Mr. Speirs said, Robert Burns is recognized as Scotland's national bard. He was intensely, magnificently human, and the poetic outpouring of his sympathy were for all the luckless outcasts of life, for the poor and needy whom fate had consigned to an existence of hardship and poverty. And in his "A Man's A Man For A' That", he

berated a society which valued the worth of man by outward pomp and show.

The brotherliness of the Scot is the reason, Mr. Speirs said, that wherever his questing feet have carried him, the Scot has made an excellent pioneer. "When he settles down, and the wanderer becomes a builder, all the zest of life goes into the work and needs and interest of the land of his adoption. This is all part of the Spirit of St. Andrew."

Concluding his address, Mr. Speirs said that he felt sure that today, the Spirit of St. Andrew would bring the same message to sons and daughters of Scotland the world over, as his followers brought some 2000 years ago to the rocky headlands of the Fife-shire coast — "Be ye ever faithful to the best, even as your sires."

Mrs. J. C. McKean, the Scottish-born President of the Westmount Woman's Club, welcomed the guests and introduced Betty Speirs Miller who was responsible for the excellent entertainment. Pipe Major Hector MacDonald, Corporal Drummer John Parker and Drummer Alex. Richards paraded through the hall before mounting to the flag-draped and tartan and heatherdecked stage, where they played further stirring numbers and also accompanied Patsy Ogilvie in her expertly executed Highland Dancing numbers. Peter Miller, Scottish baritone, gave a superb rendition of tender love songs, gay ballads and the dramatic "Scots wha ha'e," James A. Speirs acting as his accompanist.

Mrs. John Cairns thanked the speaker and artists.

Miss Florence Ewing and her committee served the refreshments.

Ellen Fairclough, M.P., Outlines Responsibilities Towards Youth

"In our zeal to care for the physical requirements of the aged and the little children, of the physically handicapped and the economically distressed, I often wonder if we do not overlook an important work which can only be done by those who have bred in them a strong sense of responsibility, not only to the individual, but also to the traditions which have been built up in this and like nations, and who have retained for themselves and their children a system of free government." This thought was expressed by Mrs. Ellen Fairclough, M.P. for Hamilton West, and the only woman in Canada's Parliament, when she addressed a dinner meeting of the Zonta Club of Montreal Saturday evening in the Mount Royal Hotel. The dinner was in celebration of the 31st anniversary of Zonta International.

"We can give of our substance until we are bankrupt," the speaker continued. "We can work at welfare and charitable work until we drop from fatigue, we can use our hands to help and with our feet we can walk the streets of our cities in search of funds with which to work and in search also of those

who need our assistance, but unless we are willing also to exert ourselves in another direction, then I say to you advisedly that all we do is done for naught."

It is our responsibility, Mrs. Fairclough stressed, to pass along to those who come after us, to the future citizens of this nation, to those who are now in their childhood, the things which were taught to us by our parents, lessons which were learned in our homes because

in those days we had a little more time to spend in the family circle. We instruct our children in social behaviour and manners, we curb their more violent tendencies and we attempt to make them realize their responsibility to each other even as little children. Then we send them to school for their more formal education.

But, Mrs. Fairclough stressed, it is still up to the parents and even the relatives and the friends of these young people to instill in their minds a love for their country, an admiration for the traditions of this land, to value the heritage which has been preserved for them, a respect for the institutions of free government, and a love of God which has been, and is, the basis of free government and respect for individual rights which have been preserved for us across the centuries.

The headlines in our newspapers and the utterances of radio commentators would indicate that fear of science has taken the place of fear of God in many hearts today, the speaker noted.

We must do three things, she advised. First of all we have to reassess ourselves and our importance or lack of it in this universe. There can only be one answer to the question of whether we will place our trust in science or whether we will place it in God. Second, we must protect that which we have. We must protect our free institutions and our religious liberty against the onslaughts of those who would take from us all that is precious in our lives. We must resist their efforts in the same manner that our forefathers fought to secure for us the freedoms which we enjoy.

In these anxious days, the speaker concluded, when wars and rumours of wars colour our everyday existence, when we anxiously watch the deliberations of the nations in conference at Lake Success and Flushing Meadow, when every word is weighed for its actual and its potential significance, ours is the task of free people everywhere, to keep our faith bright and shining and to protect our heritable against all aggressors.

Miss Helen Guiton, president of the Zonta Club of Montreal, presided and the speaker was thanked by Miss Marjorie Torrance. Miss Esther Kerry, president of the Montreal Council of Women, thanked the Zonta Club on behalf of the Montreal club representatives who were guests at the dinner. Mrs. W. K. Davis sang, accompanied by Mrs. Hildreth Neville.

Minute Mix "Bonnie Jean" Is Taken Home ... And A Sniff Of Heather

By Helen B. Sandwell

Although only one Highland lass was billed on the program at the Westmount Women's Club's St. Andrew's Night, there were actually two on the platform — both beautiful blonds, both clad in tartan kilts, with velvet bonnets, and silver buttons and plaids. One was Patsy Ogilvie, the Highland dancer who has copped off medals of the highest order and plenty of them and who off the stage is Mrs. Thomas Maltby, mother of another blond, lovely

Catherine Booth WA Celebrates Third Anniversary At Tea

Catherine Booth Women's Auxiliary celebrated its third birthday recently with a tea. The president, Mrs. G. D. MacKay, welcomed the members and guests, and representatives of other organizations who are affiliated with the W.A.

Mrs. Mary Longthorpe, soprano, sang several delightful solos, accompanied at the piano by Mrs. Florence F. Briegel.

Telegrams and cards of congratulations were read from many wishing the W.A. continued success.

The large birthday cake was cut by Major Henderson, Supt. of the Hospital. Mrs. Leslie Gatehouse was in charge of the tea table which was centered with a pink floral piece and white candles. Mrs. R. G. Harries and her committee supervised the tea arrangements.

Friends of the auxiliary presiding at the tea table were: Mrs. C. Scurrah, Mrs. A. M. Bain, Mrs. A. C. Woodward, Mrs. G. W. Holden and Mrs. R. Uden

little Vicky Maltby; and the other platform charmer was "Bonnie Jean," a doll which was drawn for and won by Mrs. Mortimer Ross, 4400 Western Avenue, Westmount.

Just prior to the opening of the entertainment, two travellers turned up. Mr. J. C. McKean, husband of Mrs. J. C. McKean, President of the Westmount Women's Club, and Mr. J. Malcolm, Trade Commissioner for New Zealand, who arrived by plane from the Antipodes in time to attend the event. The latter graciously consented to mount the stage and draw the winning ticket for "Bonnie Jean." He also remarked that as everyone could see "The president of the club has stars in her eyes this evening" in allusion to the surprise arrival of her husband from down under.

Goya Gifts

And while we are on the subject of the Scottish St. Andrew's Day (November 30) did you know that the new heather fragrance put out by Goya is something special? I had a gift of the Heather cologne accompanied by a tiny phial of Heather perfume in a Christmas package, and find it utterly delightful. And if you are being "a wee bit Scotch" this Christmas, and saving your money for defence taxes, there's a very inexpensive little gift "Goya's Perfumed Handkerchief" box, a little clear plastic case with hankie and miniature phial of Heather perfume—very small, but very alluring. Looks, and smells good, to us.

Let's Eat

By IDA BAILEY ALLEN

Barbecued food tastes wonderful outdoors under the stars.

"It also tastes very good even when prepared indoors on the range," remarked the chef. "For example, those appetizing barbecued pork chops we enjoyed recently at the outdoor dinner given by the Hawaiian branch of the American Dietetic Association.

"Chef, I have never seen a more ingenious barbecue."

Army Cart

Our host used a two-wheeled army cart," said the chef. "On this he mounted a forge, about 36" in diameter, with a blower turned by hand. He can roll the cart wherever he likes on the grounds, or even on to the lanai (porch). The forge holds plenty of charcoal to make a good bed of coals. Over this he puts the broiler with the meat and then starts turning the blower, et voila! In 30 minutes the chops are completely barbecued."

"A dining table barbecue-brazier for indoor cooking is practical, too. It's new and different.

gether 1/2 c. soy sauce and 1/2 c. fine-minced green ginger, or substitute 1/2 tsp powdered ginger with 4 drops tabsco. Put 4 large shoulder pork chops in a dish. Pour over the marinade. Let stand in the refrigerator 4 hours. Drain and dust with salt. Slow broil 25 minutes.

Cheese-Tossed Green Salad

Prepare 6 c. crisp, mixed salad greens, cut in bite-sized pieces — lettuce, romaine and young dandelions or water cress. Add 1/2 c. each, small pieces raw cauliflower and radishes, 1/4 c. shredded celery and 1/2 c. coarse-grated, sharp Cheddar cheese. Add 3 tbsp. salad oil mixed with 1/2 tsp. salt, 1/4 tsp. pepper and 1/4 tsp. mustard. Toss until the salad glistens. Then toss in 1 tbsp. wine vinegar.

Pineapple-Slice "Sandwiches"

Split 4 slices canned pineapple into thin slices. Put together sandwich-style with cream cheese or mashed banana mixed with chopped nuts, or with a slice of ice cream. Serve plain or with a red cherry or strawberry in the centre.

Trick of the Chef

Instead of cheese, add 3 diced anchovies when tossing a big green salad.

Make it Yourself

by **PAULINE ROY**

If there's a teen-ager in your family who would like to learn how to crochet, she'll find this **CROCHET JEWELRY** fun-to-do and fun-to-wear. Send a stamped, self-addressed envelope to the Needlework Dept. of this paper if you would like to have instructions for this jewelry. Ask for Leaflet No. PC-4941.

At one time in its history crochet was limited to lace making. Today crochet has widened its scope to include dozens of fashion and household accessories. It is one of the most popular needlework arts and one of the most versatile.

Crochet is practical as well as beautiful because its interlocking threads are durable. Many crocheted pieces last a lifetime and longer. Crochet is inexpensive, for you can duplicate smart accessories for far less than you can buy them. Crochet is creative and relaxing and satisfying.

Fashion designers, having discovered the versatility of crochet, uses it in many ways. You will see berets, sailors and cloches—in crochet; handbags — pouches cylinders and envelope styles; and crocheted gloves, too. There are trim-looking short gloves, casual style for sports and casual wear and even lacy evening mitts.

There are exquisite blouses in fine Irish crochet which may be worn all the year through and, at the opposite extreme, heavy wool sweaters in closely worked stitches. Bathing suits and beach sandals will be seen in crochet and crocheted stoles, from the sheerest evening styles to plaid wool patterns. All sorts of pretty trimming edges may be made with a variety of yarns to take the place of braids, machine-made lace and insertions.

In the household sector, there are dozens of articles of beauty and durability to make with cotton yarns and crochet hook — bedspreads, tablecloths, place mats

and hot mats, curtains, doilies and scarfs, and rugs to name a few.

In wool, colorful, warm afghans are a charming addition to any home. If you have already thought of crochet in terms of period furniture, it is because it is just beginning to make itself felt in modern decor. Crochet is versatile enough for modern patterns and textures. Crochet has even been turned to such glamorous items as necklaces, bracelets, earrings and brooches. Shown above is a fetching example of crochet jewelry... two different chokers and a bracelet. The crochet work in these is very simple and the narrow bands are decorated with tiny multi-colored bugle beads, gold and silver buttons or gay cotton pompons sewn onto them.

Add Eggplant And Pork To Budget List

Those purplish-black skinned eggplants combine succulently with pork. So try this recipe. You'll enjoy the novelty main dish.

Pork and Eggplant Casserole
(Serves 6)

Two pounds pork, cut in small pieces, 1 eggplant, 3 stalks celery, cut in 1 inch pieces, 2 small onions, chopped, 1 teaspoon paprika, pinch cinnamon and mace, salt and pepper to taste.

Peel and cube the eggplant and simmer gently with the celery for 15 minutes. Sear pork in oil or fat with onion. Drain eggplant and celery. Combine all ingredients in a greased shallow casserole. Bake in medium oven (350 Degrees F.) for 1 hour.

That belongs in your high tasting, low cost budget meals.

Here are a few low cost menu suggestions.

Cream of mushroom soup, fish salad with vegetables, hot muffins, butter or fortified margarine, chocolate coconut cake, coffee, milk.

Hamburgers, peppers stuffed with beans, grapefruit salad, enriched bread, butter or fortified margarine, Spanish cream, coffee, milk.

Roast shoulder of lamb, parsley potatoes, Harvard beets, raw vegetable sticks, enriched bread, butter or fortified margarine, coffee, milk.

Braised veal heart, carrots with bacon, buttered boiled potatoes, spinach and tomato salad, orange layer cake, coffee, milk.

Santa, Clowns Plan To Attend Westm't Club Children's Party

At the Christmas Party given annually by the Westmount Women's Club, taking place this year on December 8 in Victoria Hall at 2:30 p.m., a varied program of interest to children has been planned.

Mr. P. Marrazza will entertain on the accordion and lead the guests in community singing. Santa and his twelve clowns will mingle with the children and distribute Christmas goodies. The special guests are to include, School for Handicapped Children, Somerhill House, Weredale Home for Boys and School for Crippled Children. Co-chairing this event are Mrs. J. Gordon Birnie and Mrs. William Harrison.

Members are reminded that admission of staple goods of previous years has been withdrawn and a silver collection will be taken, in aid of Welfare and Christmas Party.

American Club Members' Children Taking Part in Christmas Entertainment

The American Women's Club will hold its annual Toy Tea on Monday in the Ball Room of the Ritz Carlton Hotel at 3 p.m.

Mrs. R. H. Benedict, chairman of the event, announces that an entertaining program has been arranged in which the children of many of the club members will participate. Two plays, "Christmas with Mother Goose," and Mr. and Mrs. Santa Claus at Home" have been in rehearsal since the first week in November. More than thirty youngsters between the ages of 4 and 14 have volunteered to sing, dance, and act in the plays and pantomimes.

Each child attending the party is asked to bring a toy all wrapped for Santa to collect and deliver to children in local hospitals on Christmas Eve. There will be a gaily decorated Christmas tree and special Christmas music and decorations. Tea will be served, as well as appropriate refreshments for the children.

Members of the club assisting Mrs. Benedict include: Mrs. E. T. Wellock, Mrs. Alfred Sinel, Mrs. Wayne Woodworth, Miss Edna Martin, Mrs. Roy Robertson, Mrs. G. H. M. Campbell, Miss Anne Leduc, Mrs. C. T. Roach, Mrs. Oliver West, Mrs. Henry Blackwell, Mrs. L. F. Sheehan, and Mrs. C. N. Stevens.

Tulips used to be known as "Turk's Caps," from the fact that they were first grown by the Sultan of Turkey in the fifteenth century. At the same time, a tulip, when turned upside down, actually resembles a Turkish Fez.

Plentiful Apples, Cranberries Make Top December Desserts

Baked apples, stuffed with nuts, egg white and brown sugar, or with jam mixed with melted butter, make top desserts. Cranberry cream pie is another winner.

And remember, both apples and cranberries are on the December plentiful list.

Stuffed Apples

Six McIntosh apples, 4 tablespoons sugar, 1 tablespoon butter, 1 cup apple juice or water, stuffing.

Wash and core apples; do not

pare. Make 3 or 4 cuts in skin with sharp knife. Place apples in baking dish. Fill cavity of apples with desired stuffing, sprinkle with sugar and dot with butter. Pour liquid over apples.

Cover and bake apples in a moderately hot oven (375 degrees F.) for 30 to 35 minutes, or until tender basting occasionally. Pour syrup over the apples; serve hot or cold with cream.

Nut Stuffing: Blend 4 to 5 tablespoons chopped (unsalted) nuts into a stiffly beaten egg white; mix with very little brown sugar, if a sweet taste is desired.

Here's a luncheon main dish variation:

Sausage Stuffing: Combine 3 to

It's A Secret for Brownies Only

Girl Guides in the Preston, Ont., district have remodelled an old barn into a smart clubhouse, now carry on their activities on a large scale. Holding a convention there they invited Guides and Brownies from other districts, mapped out an intensive training scheme. These Brownies, guests of their big sister Guides, have a secret they won't tell in the meaning of the toadstool and the owl. You have to be a Brownie to find out. Left to right, Bonny Knowles, Noreen Duncan and Nancy Freeman.

4 tablespoons sausage meat (Philadelphia Scapple type) with 1 to 2 tablespoons fine bread crumbs; season to taste with salt and marjoram. Do not sprinkle apples with sugar.

Cranberry Cream Pie

One envelope unflavored gelatin, 1 tablespoon water, ½ cup sugar, 2 tablespoons cornstarch, ¼ teaspoon salt, 1 cup hot milk, 3 egg yolks, beaten, 1½ teaspoons vanilla, ¼ teaspoon almond extract, 1 cup heavy cream, ½ cup almonds, chopped, toasted, or walnuts, ½ cup jellied cranberry sauce, cubed, 1 baked pastry shell, cranberry sauce cut-outs.

Soften gelatin in cold water. Mix sugar, cornstarch, salt. Add to scalded milk; cook until thick, then cook 15 minutes longer, stirring constantly. Stir a small amount of mixture at a time into beaten egg yolks. Return to double boiler and cook a few minutes longer.

Add gelatin. Add extracts and cool. Fold in whipped cream when gelatin begins to jell. Add almonds and cubed cranberry sauce. Spoon into baked pastry shell. Chill. Decorate with cut-outs made from jellied cranberry sauce slices.

In olden days, flowers with much the same scent were usually given the same nickname. "Gilly-flowers" was used for wallflowers, stocks, pinks, and carnations from the middle ages, because they all smell faintly of cloves.

Karnak Ladies' Club Marks 25th Birthday

In the Masonic Temple recently, on the occasion of the 25th anniversary of the Karnak Ladies Club, a resume of the history of the club over the past 25 years, prepared by Mrs. Stott, Past President, was read by Mrs. Tousaw, Senior Past President.

This was followed by a display of old fashioned dresses modelled by members of the club. Three particular items of interest were the wedding dress, made by Jas. A. Ogilvy around the year 1880; an afternoon and evening dress designed by a famous London courtier Peter Robinson and a white eyelet embroidery dress, which was worn at a garden party attended by Queen Victoria. Commentary was capably handled by Mrs. K. E. Matheson.

During the showing appropriate musical selections were played by Mrs. R. McCarroll.

Refreshments were served under the convenership of Mrs. T. Prince. Tables were effectively decorated in silver and, souvenirs of the occasion were presented to all Past Presidents by Mrs. Mack, President.

The president also handed over a cheque to Miss Orr, Director of the Shriners Hospital for Crippled Children, to aid in the Physiotherapy work done by the hospital.

New Star Flashes On Cosmetic Horizon

The jewel-like Lanvinette, a dainty purse-size golden flacon that contained those subtle, world-famous imported perfumes from France, Arge, Rumeur, Pretex, My Sin and Scandal, have proved to be so successful that Lanvin decided to extend the plan to include Eau de Lanvin (toilet-water) in the same delightful fragrances. They have now introduced the companion presentation known as The Lanvin Traveller. Larger in size, The Traveller is identical in design and will prove equally acceptable to fashion-wise women.

You'll see this newest Lanvin creation in better stores at cosmetic counters and perfumes bars everywhere.

Swimming is a sport that knows no age limits; the octogenarian and the small child can enjoy it. You never know when your ability to swim, or the lack of it, may mean life or death to yourself or to other people. Like walking, swimming exercises every muscle in the body. Lessons may be available at your local swimming pool during the winter months — prepare this winter for next summer's safe vacation.

Woman's Art Exhibit On View at Ogilvy's

Much interest is being evinced in the Women's Art Society Annual Exhibition of Paintings which is being held this year at the Ogilvy Art Gallery, the gallery being loaned for this occasion by the courtesy of Jas. A. Ogilvy. The exhibition opened on Monday, November 27 and is continuing through Saturday, December 2.

Hostesses yesterday were:

Mrs. E. Trenholme Armitage, Miss Alice M. Reed, Mrs. J. H. Brace, Miss Lillian Montgomery, Miss Martha Martin, Mrs. S. B. Earle, Mrs. Alex Keiller, Mrs. E. J. Feasey.

Today's hostesses will be:

"The Gunfighter" Begins Sunday at the Westmount

Gregory Peck and Henry King, respectively star and director of one of the year's great hits, "Twelve O'Clock High," have joined forces again for the new Twentieth Century-Fox drama, "The Gunfighter," due to arrive with Peck in the starring role of Jimmie Ringo, outlaw who wants to reform but finds his reputation stacking the cards against him, and the veteran King behind the helm, "The Gunfighter" is a movie that looms large on the film horizon.

The central premise of a gunfighter who can't live down a legendary past that has become reprehensible to him offers film fans a decidedly new twist and offers the film itself a solid moral basis. Supporting Peck, who is currently riding high in all polls of film favorites and was an Academy Award nominee this year, are Helen Westcott, lovely newcomer to the screen who jumps from minor parts to a feminine lead in this one; Jean Parker, one of the youngest of the screen veterans and Millard Mitchell, character actor who has lately distinguished himself in the movies after an honorably long career on Broadway.

ADDED ATTRACTION

Paul Douglas and Jean Peters share starring honors in the Westmount Theatre's added attraction, "Love That Brute," opening Sunday. For the popular team of last year's baseball comedy, "It Happens Every Spring," the new Twentieth Century-Fox farce is a welcome reunion. "Love That Brute" finds Jean given a new glamour treatment as the governess hired by genial mobster Douglas in this takeoff of the Chicago gangster era of the twenties.

Douglas plays a soft-hearted if hard-headed gangland chief who lives up to his reputation for toughness by rubbing out victims mercilessly. The bodies, however, always disappear, the spot where they ought to be trade-marked by a white carnation. The "victims" turn out to be alive and not even kicking when lovely Miss Peters wins Mr. Douglas' heart, penetrates his cellar, and finds that all those victims for whom

he is famed and feared are living luxuriously in a basement apartment in the Big Boss's home.

In addition to its comedy prospects, "Love That Brute" promises to re-create some of the scenes, songs and styles of the nostalgically golden era of the twenties. Alexander Hall kept the period in mind in directing the Fred Kohlmar production, and the writers, Karl Tunberg, Darrell Ware and John Lee Mahin, incorporated it in their screenplay.

A wide assortment of screen favorites, emphasis on comics, support Douglas and Miss Peters. Among them are Cesar Romero, as another rival mob's chief—and one who's not kidding; Joan Davis, love-happy radio and film comedienne; Keenan Wynn, ace comic; and Arthur Treacher, the perennial English butler. Rounding out the company are Peter Price, Jay C. Flippen, Barry Kelley, Leon Belasco and screen veteran Clara Blandick.

"Faust And The Devil" Feature at Seville Art Theatre

The perfect wedding of a great love drama and exquisite music has found new expression on the screen in Columbia's "Faust and the Devil", which will open Thursday at the Seville Art Theatre. Telling the dramatic story of a man who sold his soul for the love of a maiden against a background of gorgeous spectacle and impassioned music. "Faust and the Devil" emerges as a thrilling emotional experience on the screen.

Famed Metropolitan Opera star Italo Tajo, whose golden voice is unsurpassed, beautiful Nelly Corradi and handsome Cino Matterna are starred. In "Faust and the Devil", Tajo takes the part of Mephistopheles, man's evil genius, who strikes a bargain with Matterna, as Faust, to restore to him the joys, thrills and love of youth in return for his soul! Miss Corradi is the ill-starred beauty who inspires Matterna's love. The powerful drama, whipped on by the frenzied and hauntingly beautiful mu-

John Payne Signed to Six-Picture Contract

As a result of John Payne's outstanding performances in Pine-Thomas' "Tripoli" and "Passage West," the star has been signed for six more pictures to be produced by William Pine and William Thomas for Paramount release.

During the last three years Payne has starred in half a dozen pictures for "The Dollar Bills." At present Payne and Pine are in the East, appearing in eight cities in connection with pre-release showings of "Tripoli." In this Technicolor film, Payne co-stars with Maureen O'Hara, in the role of Marine hero Lieut. Presley O'Bannon, who gained all-time Marine fame during the U.S. war with Tripoli in 1805.

In "Passage West," Payne co-stars with Dennis O'Keefe and Arleen Whelan, as an escaped convict who takes command, by force, of a religious group heading West in 1863 to establish a settlement.

Another Treat in Entertainment At the Monkland Saturday

Heralded as one of the greatest motion pictures ever to come out of Hollywood, Paramount's "Sunset Boulevard" makes its local debut Saturday at the Monkland Theatre. William Holden, Gloria Swanson, Erich von Stroheim and Nancy Olson head the brilliant cast of the film which was produced by Charles Brackett and directed by Billy Wilder.

The most talked-about picture of this or any other year, "Sunset Boulevard" is a dramatic achievement that sets a new standard of cinema excellence, according to advance reports. The gripping story of a once-great screen star who is unable to face the fact that her career ended when the movies began to talk, the picture intimately explores her strange life and the lives of the people who are close to her.

For the role of the aging, one-time film queen who dreams vainly of a triumphant come-back, producer Brackett chose Gloria Swanson whose own career in some ways parallels that of the character she portrays. William Holden is seen as a young, disillusioned screen writer with whom she falls in love, while Erich von Stroheim plays her former director and devoted servant. Nancy Olson por-

trays a youthful studio story analyst who also loves the writer.

Included in the distinguished supporting cast are Cecil B. DeMille, Buster Keaton, H. B. Warner and Hedda Hopper, all of whom play themselves.

Long recognized as one of Hollywood's top producing-directing teams, Brackett and Wilder have won kudos for such films as "The Lost Weekend" and "Foreign Affair." But according to preview reports, "Sunset Boulevard" is the finest picture they've ever made and bids fair to earn them their second Academy Awards.

Film Cast Departs for "The Last Outpost"

Ronald Reagan, Bill Williams and Noah Berry, Jr., depart from Hollywood tonight for Tucson, Arizona, to start work tomorrow in Pine-Thomas' "The Last Outpost." The Paramount Technicolor release, starring Reagan and Rhonda Fleming, will have almost four weeks of filming near Tucson.

Bruce Bennett, Williams and Beery, Jr., have been cast in featured roles. Lewis R. Foster is directing.

sic, reaches its peak of intensity when Miss Corradi is condemned to die at the stake for committing infanticide, but escapes the powers of darkness although she perishes in the flames. Matterna, too, escapes eternal damnation, after suffering terrible consequences.

Tajo gives a superb performance as the malevolent Mephistopheles, who makes his devilish pact with Matterna. Miss Corradi, who is familiar to American audiences for her impassioned performance in "The Lost One" (La Traviata) shines in her present role. Matterna, who also was in "The Lost One", is excellent as the hapless Faust.

"Trio" Breaks Record in N.Y.

Somerset Maugham's "Trio," the new film based on three of the famed author's short stories, established a new record at the Sutton Theatre here in the first week of its engagement.

The film surpassed the previous box-office highs held by "The Fallen Idol," according to Clem Perry, general manager of the theatre.

"My prognosis is that "Trio" will enjoy an even longer run than its illustrious predecessor, "Quartet," which had a 33-week run," Perry said. "Since opening day the queues have been continuous. Audience response is unanimous in acclaiming this the best film ever to play the Sutton Theatre."

Starring Jean Simmons, Michael Rennie, Anne Crawford, Nigel Patrick, Roland Culver, James Hayter and Naunton Wayne, "Trio" was directed by Ken Annakin and Harold French. Maugham also appears on the screen several times to introduce the three segments of the picture, "The Verger," "Mr. Know-all" and "Sanatorium."

"Trio" is a Paramount release.

Sites Filmed for "Here Comes Groom"

Pre-production filming for Frank Capra's "Here Comes the Groom," has been completed here and at other Massachusetts points by a Paramount studio crew in advance of early start of the picture starring Bing Crosby and Jane Wyman.

Filmed were locales which figure in the story, including the Boston airport, downtown Boston and vicinity, production shots for a chase on the highway from Boston to Gloucester, and Gloucester Bay.

Avenue Stars Take Lead In Municipal Basketball

The Avenue Stars took over lone possession of top spot in the Westmount Recreation Intermediate Basketball League last Wednesday when they soundly laced the Staynor crew to the tune of 45-7. Jack McKissock and Bert Kelley accounted for 30 of the total, each collecting 15 points. Earl McDonald got 8 for the winners. Jim Catter shot 4 of his losing teams 7 points.

In perhaps the fastest game of the evening, the Wolves pulled an even over the Royals 47-28. The half showed on 18-12 score, but in the second stanza, the Wolves' sharpshooter Mike Barnard got the range and helped to build up the score. Mike pushed in 18 points. Dave Barnard had 10, Marv Green-boum 9 and Wentworth Young 4.

In another fast good game, the Saints proved too much for the Dukes as they trounced them 32-13. Cammy McFadden led his team with a 12 point effort, Dello with 7, and Jolly with 8. Tyler collected 8 of his losing teams 13 points, and Bourassa got 3. Neeson got the other 2 points.

Canadian Open Golf Tourney Film Produced

The Canadian golfing fraternity will have the opportunity of seeing their golfing peers at work in the recent 1950 Canadian Open Golf championship, through the medium of a 16mm Kodachrome film, Pin High.

Produced for the House of Seagram, the new golf picture is being distributed by the Benograph Division of Associated Screen News Ltd.

"Pin High" was shot at the Royal Montreal Golf course, and is a pictorial digest of this year's outstanding Canadian golf event. Among the galaxy of golfing greats featured in this new film are Jim Ferrier, the lanky gum-chewing Australian, who won the Open, Ted Kroll, Doug. Ford, Glen Teal and Stan Leonard, intrepid pro at the Marine Drive course in Vancouver. Also shown, but finishing out of the money, are Slammin' Sammy Snead, top American tournament player, as well as Lawson and Gene Kunes, former Canadian Open winners.

Of particular interest to audiences will be the demonstration given by the leading golfers in attendance prior to the opening of play. The camera also had a look at Royal Montreal's amazing museum of golfing gear of days gone by.

This new motion picture is available for screening, free, to any golf or service club, or similar organization, in Quebec and the Maritimes equipped with a 16mm sound projector, by contacting Benograph, 1330 Sherbrooke St. West, Montreal, Que.

Westmount Ski Club Has Elaborate Show Planned

Last weekend several members of the Westmount Ski Club were to be seen at the new clubhouse at St. Saxeux, putting together the double bunks in preparation for a busy skiing season.

Among those on hand were: Bert Grindley, Barry Dowling, Sandy Edmison, Bernard Flanagan, Eric Doehler, John Lewis, Ted Earl and Doug Mitchell.

This Saturday will find many members enjoying the Nordick Ski Club's oyster party at St. Sauveur, while on Sunday all competitors are called to turn out for an open-air workout in order to get into condition for the coming skiing competitions. The members will meet at the clubhouse at St. Sauveur at half past ten Sunday morning.

The next general meeting of members will be held at the Westmount Y.M.C.A. on Wednesday, December 6.

The program will consist of ski movies and plans for the coming show at Victoria Hall, December 13th when Frank Scofield will show his latest movie, "The Skiing Saints." Members are requested to give a report on all tickets at this meeting, and if not able to be present, to leave the unsold tickets and money at the Westmount Y.M.C.A. for the attention of Treasurer Graeme Ross.

Members who still wish to use the clubhouse at St. Sauveur should send in their application and fees immediately because there are only a few vacancies left.

Westmount High Enters Golden Ball Tournament

Interest in basketball this week is centred in the High School Golden Ball Tournament, which takes place at the Sir Arthur Currie Memorial Gymnasium, Pine Avenue West, on Saturday.

Westmount has entered a Senior "A" and a Junior team.

Westmount Senior "A" are scheduled to play Loyola at 11 a.m. Saturday while the Juniors will play their first game at 10 a.m.

Westmount juniors will play Montreal West on the latter's floor on Friday afternoon in a preliminary round game.

The tournament on Saturday at the Sir Arthur Currie Gym is open to the public free of charge.

Cage Tourney Saturday

The postponed high school basketball tournament is set for this Saturday at the Sir Arthur Currie Memorial gymnasium. A total of 27 schools have announced their intention of participating with no fewer than 55 teams scheduled to see action in the various categories.

Officials will be giving their services free of charge and admission is free to all games.

IN THE PAST

Bob Hope, star of Paramount's "The Lemon Drop Kid," once made a living as a boxer. However, it was of short duration since Bob, who fought under the name of "Packy East," quickly realized he could make more money and take less punishment as a comedian.

Program Outlined for Gala Hockey Carnival at Forum

A gala evening of games, novelty numbers and figure skating is planned by the organizers of the High Schools of Greater Montreal Hockey Carnival to be held in the Montreal Forum on Monday, December 4.

Apart from the bantam, junior, senior "B" and senior "A" hockey games, between all-stars of the East and West district schools of Greater Montreal, a number of other items are on the well rounded out program.

The Combined High Schools' Band, under the direction of Harrison Jones of West Hill, will take part in the evening's program, while Fred Napier and Ann Bostock will get things underway with a jive number on skates. Both high school students, they are members of the Montreal Figure Skating Club.

Following the bantam all-star contest, senior "A" relays; two laps, and forward-backward slalom, will take place plus a three legged race with students of Montreal West, Loyola and Lower Can-

ada College among the participants. This will be followed by an All-Duds hockey game, where players who have never been on skates before try their skill.

The senior "B" Push and Pull race will follow the junior all-star hockey game, and the bantam teams will take part in a night-gown race, to be followed by the junior teams ball through the legs race before the intermission period.

Margaret Milne will perform a solo on skates with Robert Pichette in a comedy act immediately following. Both are high school students and members also, of the Montreal Figure Skating Club.

A broomball game will follow, and the Catholic High boys will then display a game of basketball on skates. Following the senior "B" hockey game, the senior "B" puck shooting target drill and shuttle relays will take place and the pupils of William Dawson High School will do a square dance on skates.

This will be followed by the senior "A" hockey game, a highlight of the evening's event.

Ottawa St. Lawrence Unaugural At Verdun

The Ottawa-St. Lawrence Hockey Conference will commence its first season under the jurisdiction of the Canadian Intercollegiate Athletic Union next Wednesday when the McGill Indians meet the St. George Williams College aggregation at the Verdun Auditorium. The league schedule consists of 41 games, 20 of which will be played in the Montreal vicinity. Macdonald College, Bishop's University, Ottawa University and Carleton College will be the only teams, besides those mentioned above, which will see action before the Christmas holidays commence. Royal Military College and the Loyola Warriors start their season on the 19th and 20th of January respectively.

R.M.R. to Again Field Football Team Next Year

Lt.-Col. Robert Schwob, M.C., officer commanding the Royal Montreal Regiment told some 400 dancers attending the R.M.R. football dance at the armoury on Saturday night that there would definitely be an R.M.R. team in the senior division of the Quebec Rugby Football Union next season. Col. Schwob's statement squelches any rumours to the contrary which have been current. Col. Schwob congratulated the football team on the splendid spirit displayed during the season and said that he had enjoyed the games immensely. Captain Dave Peebles, coach of the team thanked Col. Schwob for the support received and added a word of thanks to his players. He predicted that the R.M.R. would be right up at the top in 1951.

Detroit Has New Street-Lighting

Detroit has a new "White Way." A half-mile segment of Wyoming Avenue, a principal north-south artery has been equipped with the nation's first fluorescent street-lighting system, a total of 24 fixtures. Instead of the conventional globes, the new illumination uses giant, eight-foot tubular fixtures developed by General Electric engineers. They are mounted back to back in specially designed reflectors that direct the light from the lamps through clear plastic windows. The effect, according to Louis J. S. Schrenk, superintendent of the Detroit Lighting Commission, "is spectacular; the most outstanding street-lighting installation in the nation."

Sentry Pardoned When Clock Strikes Thirteen

In the reign of William and Mary, the Westminster bell known as "Great Tom" hung in a tower which stood on the site of the present building which now houses "Big Ben." The story is told of a sentry sentenced to death for sleeping at his post. This charge he strenuously denied and affirmed that, as it was possible on a calm night, with a gentle east wind, to hear the bell at Westminster chime, even as far as Windsor Castle, where he was on duty, on the night in question he had distinctly heard the bell strike thirteen! It appeared that other people heard the strange chiming and they supported the sentry's statement. He was, of course, pardoned.

TB DEVELOPS QUICKLY

Tuberculosis can start without any apparent symptoms, gradually developing until it has firmly entrenched itself in the body. TB in its earliest stages can be detected by chest X-ray examinations, and treatment at that period can usually cure the disease. It pays to have regular x-ray examinations to be sure that you are safe from this insidious killer.

The Conference has a complicated system for while games played between R.M.C., Ottawa U. and Carleton College are worth three points, all other games are two pointers. Reason for this is due to the distances involved. Ottawa teams have cut their trips as well as the Kingston squad. There will be no playoff if the regular schedule results in a tie for the title, as least the present plan does not call for one.

SEVEN LETTER MEN

The Sir George team will boast seven letter men for their opening date with the McGill Indians. Bill Ranson, Mike Darling, Ron Price and Cliff Bogue, all played for the Maroon squad last year with Darling and Ranson high on the scoring list. Pete Dennis, who played for the Loyola High School Seniors last year, may be in the nets for the Georgians. His only competitor is quiet Dick Weightman who has been giving a good show of himself as far as goaling is concerned.

Brice McAsey, president of the Montreal Hockey League, will be at the helm of the Maroon and Gold of Sir George when they tackle the McGill Indians next week. All Sir George Williams home games will be held at the Verdun Auditorium with the opening contest slated for a five o'clock start.

McGill Indians, under the capable hands of Rocky Robillard, are at present an unknown quantity. The Indians only started their practice sessions last Tuesday. The turn-out was encouraging for the new skipper, as 85 candidates showed their wares. There will be several more coming down from Dave Gamble's Senior team, early next week.

The Conference race should be a close one for the stronger teams of last year's leagues are about the same, while the tail-enders have picked up a great deal. Royal Military College who last year presented a light, fast skating, but inexperienced team will this season be a contender. Bishop's University has lost some of its strength in the persons of Fred Rider and Joe Stearns but will have Al Meaken their highest scorer with them. The always-strong Ottawa University and Carleton College will be much the same.

Macdonald College will be much stronger this year and will concentrate more on hockey than in the past. John Meagher will most likely coach the Aggies and he seems able to get a lot of fire out of the players. The Loyola Warriors will be strong as last season when they won the Conference title. Bill Orban will have Jack McMullan, Mike Conoley, Rod Rousseau and possibly Bob Bedard back in the line-up. Paul Dingle, one of the better players on this year's football team, might also be playing for the hockey Warriors. The competition for the league honors will be a keen one and this, the first official season of the Ottawa-St. Lawrence Conference, should be a huge success.

SCENIC BEAUTY

Much of George Stevens' "A Place in the Sun" for Paramount was filmed at Lake Tahoe, Northern California beauty spot which rarely has been seen on the screen. Montgomery Clift, Elizabeth Taylor and Shelley Winters head the cast.

Westmount High Water Polo Team Lose to Montreal

The Westmount High School water polo team lost out to Montreal High School in an interschool league match played at Montreal High pool on Wednesday afternoon by the score of 19-1. Scorers for Westmount were: John Swift, Bob Webster, with Jim Quarles (Capt.) getting two counters. The next game for Westmount will take place this afternoon at 4.00 p.m. in the Montreal High School pool against West Hill High.

Montreal High is leading the league at the moment with Baron Byng in second place, Westmount third, and West Hill fourth. To date Montreal High is the only undefeated team in the league.

Canadair President Is Granted Leave

H. Oliver West, president and general manager of Canadair Limited, has been granted an extended leave of absence from his post of the huge Ville St. Laurent plant.

The announcement was made this week by John Jay Hopkins, chairman of the board, who stated: "Mr. H. Oliver West, president of Canadair Limited for the past several years, has been granted, on his request, an extended leave of absence. Mr. J. G. Notman has been appointed to the post of general manager of Canadair, in addition to the office of executive vice-president which he now holds."

FRIED STATISTICS POOR NOURISHMENT

Ever eaten fried statistics? Statistics say that aid is having a gradual effect on war-wrecked economies... that ruined mills are operating again... that the crops over which armies and pestilence

had marched are improving. But statistics provide scant immediate nourishment to hungry Europeans and Asiatics. They are hungry now. They look hopefully for your CARE package to sustain them. Choose a needy family now, or let CARE choose one for you.

and it points up the responsible role of the banker as the man who brings together the people who save money and the people who borrow it.

Rising more than \$40 million in a year, the bank's loans to

business, governments and individuals now stand at \$528,000,000 — the highest year-end figure in its history — reflecting the growing financial needs of business and industry.

Characteristic of B of M statements, resources that can be quickly turned into cash are equal to 76 per cent of public liabilities. This liquid position re-

veals the bank's strength and its ability to meet whatever demands are made upon it.

Deposits with the B of M — in the names of 1,800,000 customers — have risen to a new high this year, and amount to \$2,062,000,000, an increase of \$43,000,000 since 1949.

After settling all overhead expenses, including staff salaries,

cost-of-living bonuses and pension fund contributions, and making allowance for depreciation of bank premises and provision for contingencies, the bank reports earnings of \$9,536,000. While this is an increase of \$315,000 over 1949, a rise in taxes amounting to \$189,000 offsets the gain. Net earnings for 1950, totalling \$5,942,000 after pay-

ments of taxes, are thus up only \$126,000 on the year.

Federal and provincial taxes at \$3,594,000 are within six thousand dollars of the amount distributed by the bank in dividends. These, on the basis of \$2 a share per annum, amounted to \$3,600,000, representing a return to the shareholders of 4.11 per cent on their funds.

Your 2 Billion Dollars are **BUSY**... working with Canadians in every walk of life

This is the money that you and 1,800,000 other B of M customers have on deposit at our branches across the nation. Through this money, you are helping to finance hundreds of thousands of Canadians . . . from the fishermen of Newfoundland to the lumbermen of B.C. . . . who are busy building a better future for themselves and for Canada.

To private citizens . . . to farmers with seasonal incomes . . . to merchants, manufacturers and businessmen in every worthwhile line of endeavor . . . to municipalities, school boards and governments . . . to churches, hospitals and all types of public institutions . . . hundreds of millions of dollars are being loaned by B of M managers at more than 550 branches from the Atlantic to the Pacific.

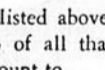

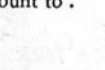

Today, more people are saving and more people are borrowing money at "MY BANK" than ever before. You will find the story of these two billion busy dollars in the facts and figures that follow...

Reporting

THE FACTS BEHIND THE FIGURES for 1950

WHAT THE B of M HAS TO MEET ITS OBLIGATIONS:

CASH: The B of M has cash in its vaults and money on deposit with the Bank of Canada amounting to		\$ 225,417,399.97
MONEY in the form of notes of, cheques on, and deposits with other banks		150,987,587.73
INVESTMENTS: The B of M has over a billion dollars invested in high-grade government bonds and other public securities, which have a ready market. Listed on the Bank's books at a figure not greater than their market value, they amount to		1,030,048,602.81
The B of M has other investments representing mainly short-term credits to industry. These investments are carried at		128,050,593.19
CALL LOANS: The B of M has call loans which are fully protected by quickly saleable securities. These loans amount to		67,972,396.98
QUICKLY AVAILABLE RESOURCES: The resources listed above, which can quickly be turned into cash, cover 76% of all that the Bank owes to the public. These "quick assets" amount to		\$1,602,476,580.68
LOANS: During the year, many millions of dollars have been lent to business and industrial enterprises for production of every kind — to farmers, fishermen, lumbermen and ranchers—to citizens in all walks of life, and to Provincial and Municipal Governments and School Districts. These loans, now at the highest year-end figure in the Bank's history, stand at		528,032,366.17
BANK BUILDINGS: In hamlets, villages, towns and large cities from coast to coast the B of M serves its customers at more than 550 offices. The value of the buildings owned by the Bank, together with furniture and equipment, is shown on its books at		18,450,760.31
OTHER ASSETS: These chiefly represent liabilities of customers for commitments made by the Bank on their behalf, covering foreign and domestic trade transactions		41,569,661.76
TOTAL RESOURCES WHICH THE B of M HAS TO MEET ITS OBLIGATIONS		\$2,190,529,368.92

WHAT THE B of M OWES TO OTHERS:

DEPOSITS: While many business firms, manufacturers, merchants, farmers and people in every type of business have substantial deposits with the B of M, the larger part of the money on deposit with the Bank is the savings of well over a million private citizens. The total of all deposits is		\$2,062,597,786.09
OTHER LIABILITIES: Miscellaneous items, representing mainly commitments undertaken by the Bank on behalf of customers in their foreign and domestic trade transactions		40,432,874.53
TOTAL OF WHAT THE B of M OWES ITS DEPOSITORS AND OTHERS		\$2,103,030,660.62
TO PAY ALL IT OWES, THE B of M HAS TOTAL RESOURCES, AS SHOWN ON THE LEFT SIDE OF THIS STATEMENT, AMOUNTING TO		2,190,529,368.92
WHICH MEANS THAT THE B of M HAS RESOURCES, OVER AND ABOVE WHAT IT OWES, AMOUNTING TO		\$ 87,498,708.30

This figure of \$87,498,708.30 is made up of money subscribed by the shareholders and, to some extent, of profits which have from time to time been ploughed back into the business to broaden the Bank's services and to give added protection for the depositors.

EARNINGS — After paying all overhead expenses, including staff salaries, bonuses and contributions to the Pension Fund, and after making provision for contingencies, and for depreciation of Bank premises, furniture and equipment, the B of M reports earnings for the twelve months ended October 31st, 1950, of

\$ 9,536,897.69	
Provision for Dominion Income Tax and Provincial Taxes	3,594,000.00
Leaving Net Earnings of	\$ 5,942,897.69

This amount was distributed as follows:

Dividends to Shareholders	\$ 3,600,000.00
Balance to Profit and Loss Account	2,342,897.69
