THE BEST FAMILY MEDICINE
before the public, for the cure of
PULA, ULCERS, Scurvy, or ERUPT
of the SKIN, FEVER and AGUE, DYSEN-
TERIA, DROPSY, and in fact most all dis-
eases yield to their curative properties.
It has been computed that during the
twenty-five years upwards of FOUR MILL-
ions of persons have been benefited by the

these medicines; a fact which speaks volumes in favor of their curative properties—a trial will place them beyond the reach of competition in the estimate of every patient whose use the BLOOD IS RESTORED TO A HEALTHY STATE and freed from all impurities. The system is not reduced during operation, but invigorated, and they require no restraint from business or pleasure.

The afflicted have in these medicines a

dy that will do for them all that medicine
possibly effect.
