P.O. O. J. WOOD—Dear Sir: Some time since  
you and I were induced to use some of your Hair  
Preparation, and its effects were so wonderful, we feel  
duty to you and the afflicted, to report it.

Our little son's head for some time had been

ly covered with sores, and some called it scald.  
The hair almost entirely came off in consequence  
a friend, seeing his sufferings, advised us to use  
Restorative, we did so with little hope of success  
to our surprise, and to our joy, all our troubles  
and luxuriant crop of hair soon started out, and  
now say that our boy has as healthy a scalp,  
luxuriant a crop of hair as any other child.  
We therefore, and do hereby recommend your Restorative  
as a perfect remedy for all diseases of the scalp as  
We are, yours respectfully,

PROF. C. J. WOOD—Dear Sir: I have used bottles of Professor Wood's Hair Regenerative, and truly say it is the greatest discovery of the age restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its natural color. You can recognize it in this world as the least lost, as my case was one of the worst.

Yours Respectfully,  
DANIEL K. MURFEE
