

The map shows a light blue lake labeled 'Lac Jolicoeur' in the center. To the north of the lake, there are two roads: 'Rue Leclerc' and 'Rue Jolicoeur'. To the east, 'Rue Jolicoeur' continues along the shoreline. To the south, 'Rue Jolicoeur' is also labeled. A road labeled 'Route 210' runs along the bottom left of the lake. A green line, likely a railway, runs along the bottom and right sides of the map. A green number '3' is located to the right of the lake, and a green number '4' is located in the middle of the lake.
