

CCC PLACING GREAT HOPE ON SUCCESS OF THE JULY FIRST LEGION PROGRAMME

A meeting of the County Civic Centre Committee was held at the Legion Hall, on Monday evening, with a good attendance.

Mrs. Ann Cameron, Chairman, reported that a Centennial group of entertainers known as the Travellers Group had contacted her as to whether the C.C.C. would like to sponsor them. It appears that the guarantee is \$1,000 for a town the size of Huntingdon, \$650 being allowed as a grant from the Centennial Fund and \$350 being put up by the sponsors. A discussion followed on the possibilities and what the chances of making money on such a project would be. It was felt that it would not be a sufficiently money making project for the C.C.C. to undertake.

After the reading of the minutes of previous meeting, the question of what had been done to prepare the island for the swimming pool was discussed.

Mayor Cappiello said that he had ordered that work be done on the island and it would be started at the earliest possible moment. The Town men had been quite busy recently and this may have caused a delay, but he would see that something is started and real soon. Some legalities have still to be settled regarding taking over the island, but these should soon be ironed out.

It was suggested that if the Town has not enough men to do the job that perhaps some volunteer labor could be obtained from civic minded citizens. The main business to be done on the island is to clear the brush, the trees will not be touched unless they happen to be in the way of where the pool site is going to be. A lot of work has to be done on the island in preparation of the site. It is

therefore expected that activity will soon commence in this direction. If volunteer labor is forthcoming, it would be a great help and offers could be made to Mrs. Ann Cameron regarding this.

The committee is hoping that the July 1st celebrations being sponsored by the Canadian Legion will be a great success and all citizens are urged to support this huge effort. All organizations in the district are co-operating and sponsoring something with which to make money for Huntingdon's Centennial Project. Because of this every citizen will be in some way concerned with the success of the plan. Therefore, it is hoped that everyone will make this Huntingdon's Day of celebrating Canada's birthday and at the same time help along their own Centennial project. If the support is given which the committee believes will be, then this day's events should net a tidy sum.

Other means of raising funds were discussed as a follow-up of the July 1st program. It was suggested that several drawings be held in connection with Huntingdon Fair and plans are to be made with this in mind. Tickets for the drawings will go on sale almost immediately and continue through the Fair dates. It is likely that a draw will be made on each evening of the fair. The matter was left in the hands of a committee to make the plans and to order tickets, etc. The prizes will be something that everyone can enjoy and well worth having. More particulars of this will be forthcoming at a later date.

Mr. R. Tinker, Treasurer, was unable to attend the meeting, but he supplied the following statement showing the standing of the fund to June 19th. Other money was

handed in at the meeting, but that is not included in the above amount. It was reported that a number of canvassers in the rural areas had not yet completed their canvass. Some people had called Mrs. Cameron to ask why the canvasser had not called as they had cheques waiting. It was suggested that in such cases the cheques or sums of money should be forwarded either to Mrs. Cameron, or to Mr. R. Tinker and they would be taken care of.

A hope was expressed that a sum of \$15,000 could be reported as having been contributed by July 1st. Such would mean that any persons or firms who intend to subscribe to this fund would need to make such known in the meantime. Many firms have been contacted and have intimated that they will make a contribution. Now is the time to make this known.

An urgent plea goes out to all canvassers to make their reports and to complete their canvass. The better weather is with us now so this should not be a deterrent.

Further donations received from:— Mrs. Geo. Irvine, Wilfrid Laplante, P. A. Tinker, Alex Grant, Mrs. M. P. Oldfield, A. S. Helm, Archie St. Onge, R. L. Tinker, Junior Red Cross (Donald Herdman), L'Ordre des Filles d'Isabelle, Dr. K. G. Cameron, Huntingdon Dry Cleaners, J. O. Clermont Lée, Mrs. Valma Benoit, Albert Tessier, Harold Oumet.

Next meeting will be held on Monday, July 10th at the usual time and place.

LADIES OF ST. ANNE PREPARE FOR JULY 1ST CELEBRATIONS

The Ladies of St. Anne held their final meeting of the year before the summer holidays, on Wednesday, June 14th. About twelve members were present. Mr. David presided over the meeting. The minutes were read and passed. A mass is being offered by the society on the feast of St. Ann, July 26th, 7.30 p.m. Final arrangements were made for members to work at the booth on the 1st. of July. We anticipate each member donating something in the needle-craft line; sewing, knitting, embroidery and crochet. We may have missed some of you members on our phoning list. Please don't forget us we need all of your help to make this a successful event. The members of the town are asked to leave their articles with the ladies who phoned them. The members of the Country are asked to leave their articles with the following ladies: Mrs. Romeo Daigle 23 Cemetery Street, Mrs. George Collum, 38 Wellington Street, Mrs. D. McIntyre, 94 Wellington Street. The members from Garden City may leave theirs with Mrs. Linus Oumet. We are also pleased to report that Mrs. Adrien Brisebois is again looking after Cannon Pignon's grave this summer.

Gala Saturday Night, Sunday Morning Plan For Huntingdon

(By P. Winnie Rowles)

Saturday Night and Sunday Morning are important dates in the present week, offering Christians in the district a chance to have a completely new look at the voice of their religion in the community, a chance to see how our religion stacks up as a way of living.

Saturday evening, June 24th., beginning at 8:30 o'clock a group of 25 young adults from Kairos in Montreal are sponsoring a get-together in Heath's Hall (Le Club Sandwiche) and it promises to be a real fun evening for everyone. You do not have to be a teenager to attend, but it helps. The evening will appeal to lots of young adults and even some oldsters who still feel young at heart and can climb the stairs. You don't have to be prosperous, or Protestant, or white, or gentle, or dressed up or musical, you just have to be on hand at the United Church on Sunday morning to find out what gives.

The next morning the same group from Montreal conducts the service in Huntingdon.

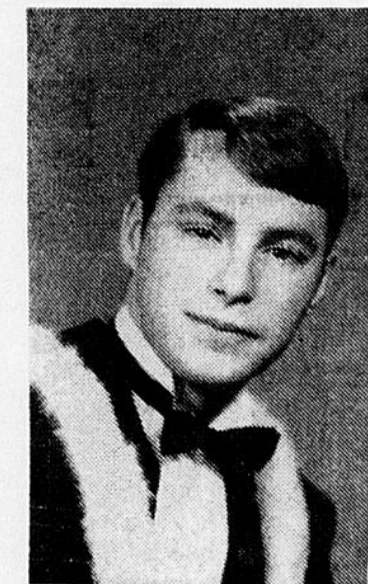

United Church This will distinctly be "The Old Ram dressed up Lamb Fashion!" The old message spoken by a new voice! There will be folk music and a dialogue sermon, refreshments and a social time, with even the possibility of fellowship, friendship and love, those basic attributes of Christianity handed down by its founder. And just as on Saturday night, you don't have to be prosperous, or Protestant or white or gentle or dressed up or musical, you just have to be on hand at the United Church on Sunday morning to find out what gives.

It is too utterly bad that Rev. Henry Lowenberger, through whose arrangements this week-end operation was

made possible, cannot be present. But the keynote of his ministry here is and always has been that the church members themselves have to "get with it". Religion is not a spectator sport. In order to get anything out of it you have to participate in it. So the absence of Mr. Lowenberger may be just what his congregation needs because a lot of laymen have had to jump in and work this thing out for themselves to prove that a church is dependent upon the people in it and not entirely upon its minister.

"What is the role of the church?" "Will Christians play a decisive part in shaping the new society?" "Are we preaching the gospel in the community or just in the sanctuary?" "Who is Killing the Church and does it matter anyway?" All these questions are relevant in this space age. We do not expect to find all the answers but at least we do intend to help with the search.

YOUTH INJURED IN ACCIDENT

Danny Sanders, 17-year-old son of Mr. and Mrs. Norman Sanders of St. Anicet, fortunately suffered only minor injuries in an accident on Monday afternoon. It was Danny's last day at Notre-Dame School — his last exam in Grade 11 had been written. He was waiting at Racine's Restaurant on Chateauguay St. for his school bus to come along to take his home. When he noticed it approaching it is reported that he dashed across the street and in doing so was hit on the left side by an oncoming car. He was thrown over the hood of the car and landed on the street on the opposite side. He was taken to the Huntingdon County Hospital for X-Rays and treatment and later.

A Number Of Accidents In This Area The Past Weekend

Several accidents were reported for the past weekend in our area and injuries to some persons occurred.

On Friday evening, June 16th at about 6 p.m. a collision occurred near Ste. Barbe on Route 3, involving a truck and a car. The truck was driven by Anicet Latulippe of Dundee, the car driven by Camille Pelchat of Ste. Martine and they were travelling on Route 3. The truck made a turn, but the driver of the car did not notice the signal light and collided with the side of the truck. Damage to the car was about \$400, and to the truck about \$100.

On Saturday, June 17th, an accident occurred on Highway 4 near the home of Mr. Van Sandert. A car driven by Gary Smail, of Huntingdon was travelling toward Trout River at about 4:25 p.m. when he lost control. It was raining at the time and the pavement was slippery. The car struck a fence and a tree and was a total wreck. The driver escaped without injury.

Again on Saturday, June 17th, another accident was reported on the New Erin Road at about 9 p.m. Mr. Stanislas Vincent of the New Erin Road was driving some cows (about 65) south to north along this road and carried no warning signals.

Mr. Laurent Dufresne of Montreal came along behind travelling in the same direction and struck two of the cows, killing them. Damage to the car amounted to about \$400, no one was injured.

At about 10:30 p.m. on Sunday night, an accident occurred on the Plank Road, which resulted in three persons being injured. The accident involved two cars, one being driven by Miss Mercedes Daoust and the other by Bernard Duval, both of Huntingdon. Duval was travelling south to north on this road when he went off on the shoulder of the road and lost control of his car. The car struck a bridge and three or four poles and then Miss Daoust's car. Both drivers were injured and also Yvan Bisson, Huntingdon, who was a passenger in the Duval car. All were taken to the Huntingdon County Hospital for treatment and later Bisson was transferred to a Montreal hospital. Both cars were total wrecks.

There have been a number of accidents in our area recently and we can only urge all drivers to drive with caution at all times.

One of the most successful moments of the evening was Miss Lebrun's performance of Donizetti's aria from "Don Pasquale". It was done with just the right amount of coquetry and sparkle. Montreal Star, July 1966 (Eric McLean)

MAGIC TOM TO BE HERE FOR JULY 1ST PROGRAMME

Reg. Daniel, Chairman of the "Magic Tom" Show Committee of Huntingdon Branch of the Royal Canadian Legion's First of July Centennial Project reports that plans have been finalized for the personal appearance of Tom Auburn, alias "Magic Tom", in the Huntingdon County War Memorial Arena, from 2 to 3 p.m. Saturday July 1. The facilities of the said arena having been kindly donated by the Huntingdon County War Memorial Arena Association.

Also that "Magic Tom" will come to Huntingdon in time to take part in the Float, etc., Parade which will precede the opening of the Le-

gion sponsored Centennial Events at the Fairgrounds on July first.

In his announcement, Mr. Daniel calls attention to a special article which appeared in that great Theatrical medium Variety, under the heading: "Variety Salutes CFCE-TV's Magim Tom. Canada TV's Hot Daytime Moppet: a Celeb Among Jellybean Set". The said article is too long to be repeated in full, suffice it therefore to quote a couple of para's from same: "Auburn's show, known as 'Magic Tom', has been held up as an example of parent sensitivity of what's good for the kids.

"However, and in fact, Au-

burn's telecast is unique because it goes beyond oversimplified entertainment, and actually provides leadership in teaching the youngsters good from bad, to a degree that has made him a celebrity among the jellybean set.

"His staying power speaks for itself, of course; but beyond that is the fact that Auburn has attracted to himself a unique army of supporters which include educators, doctors, social workers and the like".

In his task as Chairman of the "Magic Tom" Show Committee, Mr. Daniel will be assisted by Mr. Jon Proudfoot as Master of Ceremonies.

BOTH FRIDAY NIGHTS ORMSTOWN PREPARES FOR HOLIDAY CELEBRATIONS

There will be an open air concert in the park on Friday evening, when all of Ormstown's ethnic groups will add their talents to make an unforgettable concert. Ormstown's Hostesses, Misses Carol Hughes and Louise Laerge will light the fire to celebrate St. Jean Baptiste Day.

The following Friday there will be a gala parade and open air dance with fireworks at midnight, to usher in the 100th birthday of Canada. The parade will be the largest ever seen in our town, consisting of 32 units, the theme being 1867-1967. There will be vintage cars, vintage wagons and vintage clothes. An invitation is issued to all ladies and gentlemen who have any old costumes to either wear them on the evening of June 30th and ride in the parade, or loan them to someone else. The committee is very anxious to hear from anyone willing to help make this parade a tremendous success.

The open air dance will be held in the yard of Notre Dame du Rosaire School and is under the direction of Messrs Jasper Lamb and Florian Guerin.

The parade will leave the Zephyr Textile yard at 7:30 and proceed along Church St. led by the police cars and the Ormstown Band and company. The moppets and majorettes will give a performance in the street at Notre Dame du Rosaire School while the rest of the parade is disbanding. Everyone is invited to bring a lunch, coffee will be provided.

"THE CHATEAUGUAY RIVER"

The Chateaugay River is well known to most in this area as being peaceful and meandering. Few of us realize what this river is really like. We were under the same impression.

Our trip began at the southern-most end of Upper Chateaugay Lake, N.Y. The weather was sunny and cool, ideal canoe conditions. By early afternoon we were extremely pleased with ourselves (LITTLE KNOWING WHAT WAS TO COME). Having paddled through both lakes with no difficulties, enjoying the beautiful scenery rather than the river with conditions at our leisure, we approached the river with contempt. In discussing the conditions with local residents, we found differences of opinion as to our sanity in continuing any farther. NOT BEING SURE, we decided to continue. The first portage over the power dam at Brainardsville was a laugh (the last we were to have for a couple of days).

The River starts off rather narrow and shallow, with the water extremely clear and cool. However this soon changed — much to our dismay. The change is fast and furious. After a couple of hours of riding the canoe over boulders, sand bars and a few sunken logs, much to our surprise (!!!) the canoe developed a minor leak, approximately a foot long. (We would like to state here that it was not a fault of the canoe, but of the occupants). After analyzing the situation, we felt it was time for a rest. (What other choice did we have?) Having set up camp — a wet tent, wet sleeping bags, soggy food and sore, tired backs, we decided it was time to turn in. The temperature in the tent at 5:30-6:00 was suffocating, however at 2:30-3:00 o'clock in the morning, we sure would have enjoyed the heat. With frost on the ground and our gear outside, our first thought was, "what in the — are we doing here?"

After a good cup of coffee, we patched the minor leak with band-aids, wax and a roll of friction tape. All looked rosy at 4:30 A.M. Not having enough water to ride the canoe, we decided that pulling it was the thing to do. Have you ever stepped into the water at 4:30 A.M. with frost on the ground? Having covered approximately 25-30 miles the first day, we now proceeded at about HALF A MILE AN HOUR. About five miles from Chateaugay, N.Y., where the fun began. Here the River begins to descend at a fantastic rate; the walls of stone rise to heights of 100-150 feet above the river. These walls are ledge-like from hundreds of years of wear. Once into this area there are few places one can scale the walls to portage a canoe. Continuing downriver, we upset the canoe on one of the numerous ledges in the river. Fortunately we were able to find a spot to beach the canoe and regain our senses! Here we concluded that we had had enough of this part of the peaceful and meandering Chateaugay River. After climbing the bank and walking a mile or so, we stopped at a farmhouse where we met a Mr. Sweet who not only let us use his telephone, but also gave us a good hot cup of coffee. After phoning for help — what wildness? — we pulled the canoe and our gear up the river bank which at this point was only 35 - 40 feet high. After inspecting the canoe, we decided it required

repairs of a more permanent nature. Portaging the canoe by automobile back to Huntingdon for repairs and ourselves for food, we convinced ourselves that we would continue below the rough water the following morning.

JUNE 2: — Powerscourt is where we entered the River for what was going to be a hot and tiring day, having decided that we could paddle to Montreal in one day. We carried only a light lunch and something to drink. The current of the River in this area is negligible and we were in Huntingdon by 7:30 A.M. with no difficulties. After portaging the canoe over the dam, we were again on our way. The rapids at DeWittville were a breeze compared to what we had been through the day before. However the rough waters below the dam in Ormstown were too much for the keel of the canoe and again we were leaking. Thanks to Hydro-Quebec who loaned us another roll of tape, we were on our way. The wildlife along the Chateaugay River below Huntingdon is quite surprising. How ducks and other animals can survive in this water, we do not know.

By 2:00 P.M. we were exhausted — the sun was too much. The most interesting part of this stretch was the information we acquired from local residents. One would tell us we had two miles to go and half an hour later someone else would say it was four more miles to Ste. Martine, where we had decided to end our journey. We now felt that we knew the obstacles involved, that our approach to the River would be one of respect rather than one of contempt. The reasons for ending this trip so near and yet so far from our destination are many by far, but the main one was lack of experience which we hope we may have gained. We would like to thank the INDIVIDUALS who showed their interest in this small project. WHILE WE DID NOT SUCCEED, WE FEEL NO SHAME FOR IT IS BETTER TO HAVE FAILED THAN NOT TO HAVE TRIED AT ALL.

WEDDING

MCCRACKEN-SCHULTZ
The marriage of Miss Carol Ann Schultz, daughter of Mr. and Mrs. Carl Schultz, of Valleyfield, to Mr. John Andrew McCracken Jr., son of Mr. and Mrs. John McCracken, took place on Saturday, June 17th, in the Valleyfield Presbyterian Church. Rev. Harvie Barker of Port Cartier, Quebec, officiated at the ceremony. Mrs. Clarice Millichamp was at the organ. Sotoist was Mrs. Anna Tsang. Arrangements of white gladioli and palms were used as decoration.

The bride, who was given in marriage by her father, was in a white silk organza gown, a line, having an Empire waistline, with a Guipure lace bodice and short sleeves. The cape train formed a large collar of light weight Guipure lace. Her short bouffant veil of tulle illusion was held by a crown of net and pearls and she carried a bouquet of stephanotis and pink and white carnations.

Miss Stella Wild, cousin of the bride, as maid of honour, was in a pink crepe floor-length gown on straight lines with a matching jacket. The bridesmaids, Miss Birgit Grae-

More than 200 delegates and onlookers from 32 centres of Canada attended the semi-annual Congress of the United Textile Workers of America held at the Holiday Inn on June 9, 10, 11 and adopted an energetic programme of union organization and voted unanimously in favor of the establishment of a minimum hourly rate of \$1.75 all over Canada.

Among the guests of honor and speakers were Mr. George Baldanzi, President of the In-

ternational Union whose speech was mainly on the rapid changes, the procedures of manufacturing of synthetic textile products and imports of textiles (cotton and wool) from Asiatic and European countries, in closing he suggested the imposition of quotas on imports of all textile products, especially those that contain less than 50% cotton, for it is not presently submitted to the control of cotton products, according to the international understandings.

Mr. Fernand Daoust, vice-president of the F.T.Q. (Quebec Worker's Federation) gave a precise picture of the syndicate standing in Quebec and reaffirmed that the International Unionism is the acceptable option by the majority of workers. The secretary-treasurer and the vice-president of the International Movement were also heard.

The sessions had been arranged to allow the delegates to visit Expo.

The election of officers took place. Mr. William Foley was re-elected president, co-director of Hamilton, Ontario; Secretary-treasurer, Mr. Georges Payette, co-director of Montreal, Que.; vice-president Vern Mustard of Welland, Ont., Oscar Longtin of Valleyfield, Cor. Sec. Francois Gagné of Lachute. Also named directors for Quebec were: Miss V. Lavigne P. E. Dery, G. Paquin, R. Séguin, M. Mailoux, G. Trépa-

nier, L. Campeau, J. Marchand, G. Cocher, J. M. Cadieux; directors from Ontario, M.M. B. Buchanan, M. Van Beek, A. Brown, J. Johnston, Mrs. J. Tippins, Mr. Jack Fuller; for the Maritime Provinces, Mr. I. Outhouse, Miss B. Thériault. Auditors, M.M. Gilles Dorais, R. Guimond, J. Frenette. In the centre of above photograph, Mr. Gérard Cocher, president of Local 137, who was elected president of the Canadian Council.

ber and Mrs. Beverly Giroux were gownned similarly to the maid of honour. They all wore matching pink bows in their hair and carried bouquets of pink carnations and white pom-poms.

Miss Karen Graeber, flower girl, was in a white cotton eyelet over pink floor length gown and she carried a bouquet of pink Sweetheart roses and white pom-poms.

Mr. Robert Lang was the best man. The ushers were Mr. Douglas Chambers and Mr. Gerry Giroux.

Mrs. Schultz, mother of the bride, was in a gold silk knit suite with beige accessories. Mrs. McCracken, mother of the bridegroom, wore a tur-

a corsage of gardenias and lily-of-the-valley.

Mrs. Potter, mother of the groom, wore a three-piece suit in blue linen with white accessories and a corsage of white carnations.

Following the ceremony a reception, attended by 120 guests, was held at the Continental Motel.

For her wedding trip the bride wore a yellow silk brocade suit with black accessories.

Attending the wedding from out-of-town were guests from Massena, N.Y., Elfenburg, N.Y., Plattsburg, Montreal and Ottawa.

BLAQUIERE - BERTHIAUME

The marriage of Ghislaine, daughter of Mr. and Mrs. Leonard Berthiaume of Hemmingford to Mr. Jean Blaquiere, son of Mr. and Mrs. Francois Blaquiere of Champpellion, N.B. was solemnized at St. Romain's Parish Church, Hemmingford on Saturday, June 10th.

Canon L. Corriveau performed the double-ring ceremony and celebrated the Nuptial Mass.

An escort of six members of the Royal Canadian Mounted Police in full dress uniform, colleagues of the groom, preceded the bride and groom into the church and acted as ushers.

The bride, given in marriage by her father, wore a wedding gown in white organza with detachable train falling from the shoulders and bouffant shoulder veil in tulle illusion. She carried a bouquet of white and yellow pom-poms.

The bride's mother, Mrs. Berthiaume, wore a brown and beige lace dress with matching hat and a corsage of yellow roses.

Mrs. Blaquiere, mother of the groom, wore a dress of blue lace with a white hat and corsage of pink roses.

After the ceremony a reception was held at Baie St. Paul, Ile-aux-Noix and later the newly-weds left for their wedding trip to New Brunswick. The bride travelled in a green ensemble with pink brown accessories, her corsage was of yellow carnations.

Out-of-town guests at the wedding came from New Brunswick, Ile d'Orleans, Dalhousie, Ville St. Pierre, St.

Leonard de Port-Maurice, Matapedia and Lacolle.

On their return Mr. and Mrs. Blaquiere will reside in Ville Lasalle. Mrs. Blaquiere is a Secretary at Dosco in Ville St. Pierre and Mr. Blaquiere is a member of the R.C.M.P. stationed in Montreal.

Prior to the wedding the bride-to-be was the guest of honor at a shower given by Mrs. Leonard Priest when she was presented with a vacuum cleaner by the guests assembled.

Hemmingford

50th Wedding Anniversary

Mr. and Mrs. Henry Davis of Barrington will celebrate their 50th wedding anniversary on Tuesday, June 27th. Owing to the recent death of Mr. Davis' brother the celebration will be a quiet one but friends will be welcome at the house on that day.

Friends of the Reverend and Mrs. Prendergast will be pleased to learn they will be visiting in Hemmingford from June 22nd to 27th. An "At Home" will be held at the Rectory on the afternoon of June 25th and all friends are welcome.

Funeral services were held on Sunday in the Walker Funeral Home, Plattsburg, and the burial took place in the Riverside Cemetery in Mooers.

Beechwood Presbyterian Church Service Is Very Well Attended

There was quite a large gathering from many surrounding districts at the opening of Beechridge Presbyterian Church on Sunday, June 11th. The Maplewood Presbyterian Choir and Organist rendered appropriate music for the occasion. Their Anthem being "The Centennial Hymn".

In what better place could the Centennial Hymn be sung than a Church which is older than Confederation itself.

As a Centennial gesture the Maplewood folks served fresh lemonade which was delightful and greatly appreciated by all. The day was sunny and warm which made the lemonade more delicious.

Reverend Howard A. Doig, D.D. the guest speaker, spoke of the time when he was preaching as Student Minister at Beechridge which brought back memories to the Congregation also to some who had been members of the Congregation and have since moved away but were in attendance that day. It had been thirty-five years since Doctor Doig had preached in Beechridge Church, he said, but anyone other than those who knew, would not have believed it could be so long ago, being that Dr. Doig looks so young.

There used to be relatives of Dr. Doig living at St. Urbain. Owing to the illness of Mrs. Allan's Mother in Ontario, Mrs. Allan and baby daughter were unable to attend which disappointed the Beechridge Church members as they never have seen Reverend and Mrs. Allan's daughter, Susan, who was born in December 1966. We wish Mrs. Allan's Mother a speedy recovery.

The Beechridge Church was the recipient of two checks for gifts of money, one from Mr. and Mrs. Donald Black and one from an ex-member of the Beechridge Church, Mr. Donald Black, as we all know, was one time a member of the federal government.

It is gifts like these and sister Congregations like Maplewood along with our kind and thoughtful Minister friends who are interested and do so much for us that keeps our spirits up and gives encouragement to us to keep the Beechridge Presbyterian Church advancing (at a snail's pace), but nevertheless, advancing.

Youth Injured

(Continued from page 1)

In the evening was allowed to return home. His injuries are of a minor nature. The driver of the car, a native of Ville St. Michel, was driving slowly at the time of the accident thus averting more serious consequences.

This and That in Town

IT WAS WITH REGRET the community learned that the Reverend Henry Lowenberger was admitted to the Huntingdon County Hospital last week suffering from nervous exhaustion. On Friday, he was transferred to the Royal Victoria Hospital where he is being treated in the Allen Memorial. Unofficial reports indicate he will be absent from the Huntingdon United Church pulpit for at least a month. His congregation and many friends in this area join in wishing him a complete recovery.

MR. JACK BLAKE took charge of the service in Huntingdon United Church on Sunday, in the absence of Reverend Henry Lowenberger, and all who were privileged to attend were inspired by Mr. Blake's address.

SIDNEY SMITH, Gleaner news editor, suggests that our town fathers should give serious consideration to traffic lights at various street corners in our town in the Editorial column this week. This matter has been discussed at various times and at one time the traffic lights were given a trial, for a few weeks. The system proved satisfactory but at the time it was felt the expenditure was too great. It would seem the expense is warranted, if the town is now in a better financial situation. While on the subject of traffic control in our town, it appears the police, both local and Q.P.P., are cracking down on violators. These men can't be everywhere at once and they can't see every offence, but they seem to have people paying more attention to stop signs... most drivers dislike being hit in the pocketbook and that's just what's happened to scores of drivers in the past few weeks.

EXAMINATIONS are over for some of the students in the primary grades and are quickly coming to an end for those in the senior classes. General consensus is that "they could have been worse" according to some of the pupils.

EACH ROTARIAN in Huntingdon has been asked to contact ten neighbours or friends to solicit articles for sale in the Giant Rotary Sale-a-bration scheduled for late summer. Proceeds of the auction will be channelled directly to the County Civic Centre for the new swimming pool and it is hoped that residents of the district will help out by donating surplus furniture or anything of value that they no longer have use for. A note or phone call to Fred Anderson, Jon Proudfoot or any member of the Huntingdon Rotary Club is all that's needed to assure donors that their articles will be picked up. A fair number of antiques have been promised and this auction is expected to develop into a major boon for the Civic Centre. Don't worry about articles being too large or too small, too old or too new, or too expensive or too cheap... everything will be classified into groups. Maybe some reader will donate an axe, another a bed, cupboard, desk, emery, footstool, gun, hammock, inkwell, jack, canopener (whew!), lamp, marble, nannygoat, organ, pipe, quartz, ring, stool, tank, umbrella, violin, wheelbarrow, xylophone, yo-yo or zouspooon (phew!). You name it, Jake will sell it... "All donations gratefully received, larger ones in proportion" as the old entertainer cackled when he passed the hat.

TODAY (Wednesday, June 21st) is the 10-n-g-e-s-t day of the year and the first day of summer. One of the daily newspapers we receive here at The Gleaner reports that the sun will rise at 5:05 and set at 8:47 Eastern Standard Time. Another states just about the same hours and minutes but fails to mention Eastern Standard or Daylight Saving. To partly settle a hot dispute, Adv. Mgr. Roger Daoust tells us his 3-year-old son Martin let it be known in no uncertain terms that he just HAD to have a drink of water yesterday morning at 4:30 and Roger is willing to swear on a stack of empties that he could see right across the lake at that time. And wife Margaret was still looking deep into the water last night at her minnow, hoping a giant Muskie would take it between a couple of his teeth well after nine p.m. Any of you readers authorities on the matter? We're going to set the alarm at 4 a.m. tomorrow and find out for sure if some kind reader doesn't phone and tell us what's what beforehand.

FOR THOSE who missed the concert given by Les Petits Chanteurs de la Paix on May 27, and would like to hear them, they will repeat their performance next Tuesday, June 27 at the Huntingdon Theatre. On this occasion, CFLV will be here to make a recording which may be heard on that radio station on July 1st, between 2 and 3 p.m. This is a courtesy of Roch Tremblay Automobils.

MR. J. C. LEFEBVRE of CFLV 1380 has invited Mr. Henry Talbot as guest on a programme which is presented daily at noon on that station. It is called "L'homme du jour" and Mr. Talbot will be interviewed on this occasion.

THE 1966 CENSUS shows that the population of Huntingdon County has now reached 15,421 while it was 14,759 in 1961. This is an increase of 669 or 4.5%.

ST. JEAN BAPTISTE DAY-Next Saturday feast of St. John the Baptist, patron of the French-Canadians, will be a civic holiday in Huntingdon. All business places will be closed. The population will have the opportunity to see a parade in Valleyfield unless they prefer going to Montreal where many events are scheduled in honor of the patron saint.

NOTRE-DAME SCHOOL GRAD DANCE:—The graduating class of Notre-Dame School (French section) will hold their graduation dance tonight at the View Moulin, Ormstown. A supper will be served to the graduates and their parents. It should be a pleasant evening and we hope all the graduates enjoy it to the fullest. We also wish them the best success possible in their further studies or in the careers they have chosen.

III V let CELEBRATIONS: The celebrations scheduled for Confederation Day include a Centennial Ball which will be held at the Legion Hall. Mostly adults will attend, and the Knights of Columbus have thought of the younger set and are organizing a Centennial dance at Notre-Dame School the same night. A good orchestra has been engaged, so the teenagers will have the opportunity to celebrate also.

CARIBOO INDIAN GIRLS: Remember this fine group of singers from Williams Lake, B.C., who travelled to Huntingdon by bus two years ago and give a much-appreciated concert in our town? We're pleased to report the girls have been invited to give performances at Expo on July 12 and 13 and it is just possible that a concert will also be arranged for Huntingdon. Reverend Father Hubert O'Connor, C.M.I. in charge of the pines, reports that the musicians' "hemlocke" asked if this would be possible. It came they enjoyed the hospitality offered by friends here and would like to return. Fact is, we all hope a definite engagement can be arranged.

Graduates From Textile Institute With High Honors

Five of the 31 graduated from The Textile Institute of the Province of Quebec in St. Hyacinthe June 15 were graduated with "High Honors". The graduates were awarded diplomas following completion of courses covering all phases of textile technology. They are shown above, left to right: Guy Labonté, St. Simon; Réal Morin, Drummondville; Denis Dextraze, Mont St. Grégoire; Jean-Denis Hurteau, Sorel; and André Daoust, Ormstown.

Local Lads Graduate From The Textile Institute, St Hyacinthe

ST. HYACINTHE, Que. — Dates that rapid changes take place in the education and training place in all phases of the industry you have received at life, and especially business this institute during the past and industry, make it necessary for students to be able to adapt quickly to new methods and techniques. With improvement, personal as well as technical, added, students will not be able to participate in the evolution of our great Textiles of the Province of Quebec and Canada. This is a decisive year in the evolution of our great Textiles of the Province of Quebec, Mr. Dean said, "and Quebec here last week... a decisive time for students."

Mr. Dean, who is Chairman who are starting careers in the Institute's Advisory industry or commerce. You Committee, warned the grad-enter these fields at a period of growth where accepted practices, technologies and business conceptions are subject to rapid evolution.

Following presentation of diplomas, academic prizes were handed out. Réal Morin, of Drummondville, took top honors, graduating with 'High Honors' and winning two medals — the CIBA Gold Medal and the Silver Medal presented by the Minister of Education.

Denis Dextraze of Mont St. Grégoire graduated with 'High Honors' and was awarded the Textile Graduates Society prize. Also graduating with 'High Honors' were Guy Labonté of St. Simon, Jean-Denis Hurteau of Sorel, and André Daoust of Ormstown. Daoust was presented with the Isaac Bruck Gold Medal.

Students graduated with "Honors" were: Marcel Barré, St. Dominique; Yvan Cardeux, Valleyfield; Yves Rondeau, St. Hyacinthe; Gaetan Ruel, Drummondville; Luc Beaulieu, Magog; Denis Giasson, St. Hyacinthe; Jean-Guy Fortin, St. Jean; André Drouin, Valleyfield; Jean-Louis Païment, Sherbrooke; Norman St. Séguin, Verdun; Michel La-Poulin, St. Jean-de-Beauce; Serge Laverne, Drummondville; Léon Beauregard, St. Guillaume; Jean-Maurice Lamontagne, Montréal; Denis Tessier, Granby; Denis Paquet, Montmorency; Claude Matte, Québec; Jacques Duchesneau, Shawinigan; Réjean Lozeau, St. Marcel; Marc Longchamps, St. Sébastien; Michel Lapierre, Montréal; Camil Tremblay, Chicoutimi; Gilles Ma-thieu, Québec; Jean-Luc Le-tende, St. Hughes; Alcide Riendeau, Ascot Corner.

ANOTHER inexpensive book that should have a place on the shelf of every home in the Chateauguay Valley is Robert McGee's account of "The Fenian Raids on the Huntingdon Frontier, 1866 and 1870". Mr. McGee's book is factual and absorbing and is of special interest for people on both sides of the border in this area.

THE SELLAR HISTORY is in demand as an appropriate gift for many occasions and hard to come by. A week goes by that one or more aren't requested. This book, of course, is available from The Gleaner and can be mailed to any point from this office. The number of graduates of schools and universities requesting this book as gifts from parents and friends is truly surprising. Mayor Dick Cappiello of Fort Covington sells "Fort Covington and Her Neighbors" by Herbert Donovan and other editions of local interest and recently requested a few Sellar Histories as there has been considerable demand for them there. Malone and Plattsbury school and public libraries recently acquired copies also. As an ideal gift, may we suggest this book?

Obituaries

The Late Mrs. Abe Rosevear

After a lengthy illness Mrs. Abe Rosevear, 84 years of age and a resident of Rockburn, passed away at the Huntingdon County Hospital on Thursday, June 8th, 1967.

Born at Franklin, the daughter of the late Hartel Priest and his wife Elizabeth MacMillan, she spent a number of years at Churubusco, N.Y., until on May 26th, 1920, she was united in marriage to Abe Rosevear, when she moved to their farm at Rockburn.

The funeral service was held on Sunday, June 11th, from the home of her brother-in-law, Albert Rosevear at Powerscourt with the Rev. Robert Cunningham as pastor and interment was in the Hillside Cemetery.

Pallbearers were four nephews, Albert Rosevear of Montreal, Delmer Pameter of Earlville, N.Y., Albert Rosevear of Smiths Falls, Ont., and Merrill Rosevear of Athelstan. She leaves to mourn her loss her husband Abe Rosevear, two sisters Alice Priest and Evelyn Sutton of Churubusco and several nieces and nephews.

The late John J. Ferns

On Wednesday, June 7th, 1967, after a lingering illness, John J. Ferns passed away at the Ormstown Convalescent Home in his 84th year.

He was born near Huntingdon in the year 1884 and was married to Margaret Montgomery in the year 1908. Following their marriage they farmed very successfully, a few years near Huntingdon and until the year 1953 at Lee's Corners at which time they bought a home in Huntingdon and retired. Mr. Ferns was very fond of cattle and horses.

He is survived by his widow, one daughter Margaret and her husband (J. C. Wilson) two sons, Donald and Kenneth and their wives, five grandchildren, one sister Hazel and one brother George.

The funeral service was held from the Kelly Funeral Home on Friday, June 9th, at 2 p.m. and was conducted by the Rev. H. Lowenberger. The pallbearers were Messrs.

Edward Bannon, James Ferns, Mervin Forrester, Delbert Goodfellow, Arthur Kazulak and William Smythe. The floral tributes were many and beautiful.

Two Accidents In The Howick/Ste Martine Area Last Week

Two young men from Ville Lasalle suffered injuries last week when their motorcycle hit a cement ramp which divides Route 4 at the Howick limit. They are Gilles Maheu, who was driving, and suffered minor injuries to an elbow and his companion Pierre Carrière who suffered a broken leg. They were part of a group which had spent Friday evening at Ormstown exhibition.

It seems that the leader took the curve but Maheu saw the cement ramp too late. This place is considered as dangerous because for a few miles before reaching that point there is a good stretch of road which allows for travel at the maximum speed permitted; when reaching this point the road is divided by a cement ramp 6 feet wide on the left side and on the other there is another ramp which separates the lanes leading to Howick. It might be better to install a flashing light at each end of the ramp on Route 4, but more efficient still, to indicate to the travellers to slow down before getting to it. There are many directional signs and if a driver stops too suddenly, there is a serious risk of accidents.

Furthermore, the white lines have been hidden by a new coat of asphalt on the road which should be remedied as soon as possible. Many visitors will travel on Route 4 to go to Expo and this would help greatly in avoiding accidents.

Constable Beaulieu of Ste-Martine made the usual inquiry and the two injured youths were taken to Lasalle hospital by ambulance.

A collision in which five persons were injured occurred on Saturday, June 10 at the intersection of Ste-Marguerite Blvd and St-Sidore sidewalk at Ste-Philomene, the two cars involved, an Oldsmobile 1959 driven by Mr. Auguste Blanchard of St-Rémi and a Pontiac 1965 owned by Mr. Guier Russe! of Riverfield, were

greatly damaged. The injured were taken to Lasalle and Ormstown hospitals; where they were in a satisfactory condition. Dr. Roger Tougas administered first aid and the inquiry was made by Chief Tremblay of Ste-Philomene.

Mr. Charles Cassidy returned home from Montreal, on Friday accompanied by two of his granddaughters, Jane and Cathy (McNeill), for the week-end.

Mr. and Mrs. Gordon Pitt of Montreal were Friday afternoon guests at the home of their parents, Mr. and Mrs. E. A. Salter. It was a special occasion being their father's 88th birthday. He received many cards from friends and some nice presents from his family.

Mr. and Mrs. Chas. Dickenson, Mr. and Mrs. Wm. Cooper are now residing at their 88th birthday home here.

Mrs. Ruth Post has returned from Syracuse, N.Y. to her summer home here.

Traffic Control - An Important Matter

PROMPTED, no doubt, by the recent accident at the intersection of Prince and Bouchette streets in town, the Town Council has decided to erect two more stop signs, making this intersection a four-way stop.

We have three such hazardous intersections in our town and all have a bearing on each other which has been accentuated because of Chateauguay Street being one-way from Bouchette Street to McCoy's corner. None of them are new and a few years ago it was seriously considered having control lights erected at these points. In fact, one was actually installed on trial at the Prince and Bouchette intersection. It was found that the lights worked most satisfactorily at this point, but at the time the decision of the Council was that the Town could not afford it.

We do not know if the cost is the same now, or if it has increased as so many other things have, but we do think the Town is better able to afford such at this time.

A light control system would work much better than ordinary signs. In the case of signs, it is up to the individual drivers to decide when to move on. There is often confusion as first one decides to go and then another. In the case of the light system, the light flashes its signal and all move as it indicates, or stop as required. Stop signs require watching by police, for there are many drivers who just simply ignore them.

This is particularly the case at the intersection of Bouchette, Hunter and Chateauguay Streets. The one way part of Chateauguay Street requires that traffic proceeds from west to east to McCoy's corner. If it is required to return to this part of Chateauguay street, it is done by turning at McCoy's and onto Prince Street to the Post Office and then south on Bouchette. Traffic coming into town from the East, also that from across the bridge from Henderson Street, and from Dalhousie and wishing to get onto Chateauguay one-way must use the Prince Street Route. It is thus that all three of these intersections are used to a greater extent than before the business section of Chateauguay became one-way.

The Prince Street, Bouchette Street route is two-way for traffic. It would seem that a number of drivers have the idea that this route is a sort of through-way and although they make the stop at the Post Office corner, they fail to do so at Bouchette and Chateauguay. Confusion often exists at this intersection as the traffic is coming from Bouchette to proceed onto the one-way section of Chateauguay Street as well to proceed west around by the Bank of Commerce. Traffic is also turning off Chateauguay Street by the Bank of Commerce to proceed north on Bouchette Street and also onto Hunter. Traffic from Hunter proceeds onto Chateauguay Street in both directions and also turns to go onto Bouchette Street. It has been suggested that traffic from Bouchette

Who's Killing The Church?

(by P. Winnie Rowles)

THIS title of a current book published by a Chicago missionary society in 1966 raises many pertinent questions. "In Europe," it says, "the churches are practically empty and in the United States there is a gradual decline in membership... the Church is dying because modern man is either too apathetic or too self-sufficient to involve himself in a life of the religious establishment."

The book goes on to analyse the church itself and its own shortcomings. "Who's killing the Church? Don't blame the world," the book says, "because the real crime against the church is being committed from within. The Church is being

killed by her own failure to take the shape that the world needs. If the Church were being murdered by villains from the outside, if it were facing persecution for its witness in the world, there might be hope. But the world doesn't persecute a Church that seems to stand for nothing.

What does that phrase mean, "A church which stands for nothing?" Surely it means a church that keeps itself for Sundays only and whose Christianity does not get beyond its own walls, keeping itself wrapped up in its own domestic troubles and interdenominational squabbles. Religion cannot be kept within the walls of a building, it must be taken out and

aired. It must be taken into the world and made relevant to all of life, even the most sordid.

"To-day's clergyman," the book continues, "finds himself in an impossible position. While fighting to maintain a constructive ministry, he struggles like a drowning man who knows the current is too strong for him." The book quotes one minister as saying, "What I believe about God, man and the world, has no relevance to my congregation. They want a religion that will make them comfortable, that will reassure them that their way of life is right and will confirm their easy assumptions of superiority. The ministers of most denominations I talk to all have the same reactions."

The verdict of who is killing the church is that it is not murder, it is more serious than that: suicide, a slow death resulting from what Arnold Toynbee has called a "failure of nerve."

This "failure of nerve," is the inability of many church people to get their religious feet wet. They refuse to put their beliefs to the test. Unable to get their religion out of its box and look critically at it in case it falls apart, many so-called Christians are clinging like mad to the Faith of their Fathers in the face of this changing and challenging world. They withdraw from the church entirely and withhold their support to "save" the church from modern infiltration. "If I can't pitch I won't play ball!" Truly "suicide" is the correct word and it is going on right in the face of the greatest reformation that the church has ever had.

"Failure of nerve," we are surrounded by it! The man sitting just ahead of the Christian Pavilion of EXPO had to look away from the screen when the horror picture of man's inhumanity to man were being shown. He simply could not face

it. But we have got to! And we have got to upgrade our Christian living till we can face the world and be proud to call ourselves "Christian."

"Who's Killing the Church?" goes on to talk about to-day's ferment. "Some people within the church are feverishly trying to maintain the status quo — the emphasis on expensive buildings, on wishy-washy moralizing that masquerades as preaching, on studious efforts to involve laymen in trivial tasks rather than honest confrontation with the demands of the Gospel."

But others are sensing a new spirit in the wind, a spirit which is calling the Church to lay down its life for the world. The spirit has moved Christians into the heart of the fight for justice in our society; it has begun to replace inconsequential church work with a renewed wrestling with the deep implications of Christian faith. It blows through traditional parishes and gives birth to experimental ministries... There are some who feel that this is the spirit of God and that this spirit is calling for the death of the Church as we know it. Who's killing the Church? God Himself. The Church is called to lose her life in order to find new life.

"Don't rock the boat. Sit still and the storm will go away." This is what some people seem to believe. But the church's eclipse in Europe should warn us. There it failed to adapt to new conditions and "christendom" died with the old social system.

Whether the church as such dies, may, or may not matter. Anyway the church is not the walls but the people and not necessarily the people within the walls. In this Centennial year let us rise up together as people and prevent the death of our Christian community in Canada.

SUGAR AND SPICE by Bill Smiley

TAKE PEN IN HAND

What's the most common question being batted about the country these days? That's principles have forced me to write. It's, "Are you going to do it?"

Well, are you? If not, why not? You can't afford it? Of course you can. You mean you can't afford to miss it. Yeah, you say, but what about bread, lool, gelt, money? Nothing to it. Anybody who can't make some fast money in this ridiculous world deserves to starve to death, let alone not go to Expo. Still with me?

I have a few suggestions. In fact, I have quite a few, because I've been giving the matter of our own trip some thought. I've discarded one or two of them for various reasons, but it's every man to his own taste, and one or more of them might be just the ticket for you.

Put your wife to work. If she's already working, and you still can't afford the trip, have an auction sale and get rid of a lot of that old junk you've accumulated over the years. This does not refer to your wife.

If you haven't any old junk, think of something. Throw a bingo party. Chickenfeed, you say? All right then, how about throwing a martini party, at \$5 a rattle, on the Monday of a holiday weekend, when everybody has run out of booze? You'd clear about \$300.

Buy some veterans' calendars, cut off one of your arms, and sell them door to door. Come on, you can figure out a gimmick. Send your kids out mowing lawns. If you have no kids, send your mother-in-law out mowing lawns. And if she's too decrepit, insure her heavily and push her off a cliff.

Arrange with a friend to bump your car gently from behind at a stop light, then run screaming to the doctor and claim you have a whip-lash and collect bags of insurance.

No? How about some blackmail? Know anybody who's running around with somebody who shouldn't be running around with anybody? Have a moving van come in the middle of the night, remove all your furniture, then you set fire to the house and claim insurance for it and the furniture. You could clear \$3,000 on this one.

Speaking of moving vans, how about pushing your wife, or husband, in front of a moving van, provided you have a joint account and mutual insurance? All of these are too coarse, or common, or complicated for you? My, you are an old poke. So run a bookie joint, sell pot, hold up a bank, if you want something simple.

Against your principles? Well, all right, all right, but it shows the depths of depravity to which I can sink in the middle of the night, as I try to figure out how we can afford Expo plus all the re-

my intention next year to open this organization for all boys interested in this training, regardless of the school he attends, race, or creed. These boys should be taught to live together and work together while they are young, so that they will be able to administrate, and work on a better level, in the spirit of brotherhood.

To conclude I must add that the Condors are making their first appearance and they are very young, do not be surprised if you hear sour notes, and the drum section off beat, they are still timid, but indeed very willing. This group was started three times during the past winter due to the lack of interest, but I know with your support they will endeavor to work that much harder. To the people mentioned above, you may expect our visit very shortly, we want to salute you, and pay our respects in our own little way.

Thank you, Hervé Tessier Instructor, Huntingdon, Que.

Letter to the Editor

Huntingdon, Que. June 17th, 1967. The Huntingdon Gleaner, As promised a few weeks ago the CONDORS have started to parade the streets of our town, and it is our intention to continue to do so, the weather permitting. We want to show the citizens of Huntingdon what a group of young boys can achieve with a little work and perseverance, and the encouragement of their parents and the citizens.

Some have been asking when the drawing of the Stereo will take place, it is quite possible on July 1st. depending on the sale of the tickets, at present the sale is very slow, but I'm sure that the people will encourage these youngsters, to continue their efforts. We certainly would appreciate all donations large or small.

We plan to visit the dignitaries of our town, this will be an education for the boys, it will be an opportunity for them to meet the administrators of our town, school boards, clergymen etc. It is

HUNTINGDON W.I. JUNE MEETING

The June W.I. meeting was held on Tuesday, June 6th., at the home of Mrs. Win. Tully with a good attendance. The ladies enjoyed being out of doors on the spacious veranda. A guest was Mrs. Bernard and she received a warm welcome from all present. The meeting was conducted by Mrs. Otney. Members answered the roll call by naming a Canadian Prime Minister and telling for what he was noted. Two cards were signed by the members and these were sent to Mrs. Alexander and Mrs. Evans, both of whom are hospitalized.

Conveners' Reports: Agriculture — Strawberry baskets can be used over young plants to protect them. If birds pull out corn it can be reseeded. Citizenship reported on visit of Duke and Duchess of Windsor to the Royal Family when they attended the unveiling of a Memorial to his Mother, the late Queen Mary. Education — Contrary to general opinion the Iroquois Indians are or were a peace-loving tribe until the arrival of the white man; also reported on a Catholic teacher in the States who joined in with a Presbyterian minister in his work. Home Economics — Delicious cold tea can be made with 1 gallon water, 7 or 8 teabags, 2 packages orange Tang, Mix and let stand for 2 hours. Welfare and Health — Reported on a young Dane, 17 years old, who had lost all interest in life during a long illness. Later he became interested in cutting out silhouettes and now has a worldwide business and lives in Copenhagen.

Mrs. Bernhardt told of the work she has been doing and enjoying at Thamesview Lodge, Chatham in an Old People's Home. She also helps at Cedar Springs Mental Hospital one day a week. In the hospital there are 1200 children.

Mrs. Allan Reid gave an interesting account of the life of Mrs. George Black, famous Canadian grandmother, who died in 1957. She was born Martha Munger in Kansas City in 1866. She lived a full and worthwhile life and her greatest wish for her children was "that in addition to their academic education their training might be a combination of discipline and pleasure as hers had been." She led a varied life. When her husband died she was 70 years old.

but was elected in his place in the Federal House, where she made her presence felt. She was an Independent Conservative and was a member from 1935-40. This being Grandmother's Day it was learned that Mrs. Tully had 22 grandchildren. Mrs. McCartney 12 grandchildren and 28 great grandchildren—quite a record. Refreshments were served by the hostess who was assisted by her granddaughter, Nancy.

Lacolle

LACOLLE — Mr. Paul Betts N.P. of Montreal was a week-end guest of Mrs. Betts' and Miss Jean Van Vliet. Mr. Jack Neale was an interesting Expo guest of Mr. and Mrs. J. Boyse last week-end. He came from the South Sea Isles, and had a Panamatic licence on his Honda motorcycle. He expects to visit Australia and New Zealand and British Isles, etc., before returning home in December. The Sunday School picnic was held at the Elmer Robinson cottage on Saturday. The children all enjoyed being in the water on a hot day. The S.S. staff supervised, Mr. Alan Robinson and Mr. Gerald Bourdon were in charge of races, games, etc.

A banquet was held at Lacolle Inn, on Sunday evening, in honour of Mr. Albert Morin, retiring mayor of Lacolle village. Mr. Morin has been a conscientious and efficient Mayor for a number of years. Everyone regrets his decision to retire. Mr. Norman Gamache has been appointed to replace him. To whom we extend our best wishes.

Mr. and Mrs. Eugene Giroux have the sympathy of the community in the death of their son Dennis, twenty years old, who died in a car accident near Chazy N.Y., on Saturday evening.

Mr. and Mrs. Henry Wing of Claremont, N.H., spent a few days last week with Mr. and Mrs. Sherwood Boyse. They also visited Expo while

here. Mr. and Mrs. Gill Hoth of Toronto and Mrs. Wm. Denison of Denison Mills, spent last week with Mr. and Mrs. Don Robinson. Mr. and Mrs. Reed and family of Beaconsfield were also overnight guests on Friday.

Mr. Jack Van Vliet of Montreal, spent the week-end with his parents, Mr. and Mrs. Lawrence Van Vliet. **LACOLLE** — Lt. Col. Allan and Mrs. Van Vliet and son of Ottawa, were last week-end guests of his parents, Mr. and Mrs. Lawrence Van Vliet.

Rev. and Mrs. Boomhour spent the week-end in Ontario. There was no service in the United Church on Sunday. Mrs. Jas. Burt of Toronto, spent a few days last week with Mr. and Mrs. E. Robinson.

Mr. Dirck VanVliet of Toronto has arrived to spend the summer with his grandmother, Mrs. Nelson VanVliet. While here Dirck will be employed in his uncle's store.

Mr. and Mrs. Don Robinson were among other guests gathered at the home of Mr. and Mrs. Bill Stevenson of Franklin, on Wednesday evening to renew acquaintances with Bill's cousins from Arizona.

Mr. Andrew Edward and friend of Montreal were guests at the Edward home for the week-end.

The sale of antiques at the Burgess' home finally drew to a close on Saturday. It was the third day and still drew high prices.

Miss Mavis Clarke of Jamaica who is completing her teaching year here, expects to spend next year in Australia.

Miss Geraldine Douglas was guest of honour at a miscellaneous shower on Wednesday evening, held at the Elmer Robinson home. Gerry received some beautiful and useful gifts. Her marriage will take place at the end of July.

Noyan

NOYAN — Recent guests at the home of Mrs. J. Mosher were Mr. and Mrs. Robert

Ferguson of Sprakers, N.Y., Miss Marjorie Simpson of Chateaugay and Mrs. Norman Simpson.

Mr. and Mrs. Rodney Derick and family were Sunday evening visitors of her parents, Mr. and Mrs. Aymer Hadley in Hemmingford.

Mr. and Mrs. Michael Rankin and family and Mr. Russell Taylor of N.D.G. were week-end guests of their parents, Mr. and Mrs. Lawrence Taylor.

Mrs. J. McDonald and daughter Brenda of Rosemount are enjoying a two-week vacation at their summer home.

Mr. Arnold Allard of Lyndon, Vt., spent several days the past week with his aunt, Mrs. J. Mosher. On Wednesday Mr. Allard, accompanied by Mr. Gordon Mosher, attended Expo.

Sunday visitors of Mr. and Mrs. Versil Taylor were Mrs. Harley Hutchins and two daughters of Alburg.

Saturday guests of Mr. and Mrs. Gerald Hislop were Mr. and Mrs. Arnold Lewis and daughter of Bedford and Mr. and Mrs. Ronald Reynolds of Montreal.

TEXTILES IN A CHANGING WORLD

"Textiles in a Changing World" was the theme of Canadian Textiles '67 annual convention of the five member associations of the Canadian Textiles Institute, held last week at Ste. Adèle, Que. This year's conference had an international flavor with speakers from Europe, the U.S. and Canada. Shown above, left to right, are: A. M. Guerin, Department of Industry, Ottawa; guest luncheon speaker Faber Birren, internationally known color consultant from New York, and F. E. Cleyn, Chairman, Canadian Textiles Institute and President, Cleyn & Tinker Ltd., Huntingdon, Que.

Huntingdon Locals

Mr. and Mrs. Kenneth Murray and son Billy of Hamilton, Ont., spent the past two weeks visiting their parents, Mr. and Mrs. Clifford Murray and Mr. and Mrs. Glen Ovens of Ormstown.

For YOUNGSTERS and OLDSTERS who are still Youthful in spirit. "MAGIC TOM" In Person SATURDAY, JULY 1, 2 to 3 p.m. Huntingdon County WAR MEMORIAL ARENA

Those who have already seen a Tom Auburn "Magic Tom" Show (Youngsters and Oldsters alike) agree that this will undoubtedly be one of the outstanding events in the Royal Canadian Legion's First of July Centennial Project. The great Theatrical Magazine "Variety", has said: "One of Canada's most popular T.V. personalities in the moppet field, Tom Auburn, has focussed new attention on the importance of children's shows..." All those who have paid the General Admission fee (of 50 cents each, children and adults alike) to the Fairgrounds, on July first, can attend the Magic Tom Show free of charge. Reg. Daniel, Chairman, "Magic Tom" Committee Huntingdon Que. No. 81 Branch Royal Canadian Legion First of July Centennial Project.

Ste. Agnes

Members of the Cercle de Fermières also attended Expo on June 7th., leaving by bus from Huntingdon at 7.30 a.m. Needless to say, everyone involved thoroughly enjoyed the day, each one being impressed by some particular theme of his own choosing.

Hosts Birthday Party
Mr. Garth McPherson entertained on Saturday evening, June 17th., at a surprise birthday party for his wife, Helen at their home in Chateaugay. About forty guests were present to enjoy an evening of dancing, and to convey to Helen best wishes on her special day.

Those who attended from this area were, Mr. and Mrs. Keith McPherson, Mr. and Mrs. George McPherson and Mr. and Mrs. Clarence Moore.

Treasurer gave her report, Mrs. Willock reported on the hospital sewing and visiting the sick.

Moved by Mrs. Ottney that we pay our share of the bill for the carpet. Seconded by Mrs. Ferns.

Mrs. O'Hare and Mrs. Abraham will be in charge of the flowers for Sunday.

Accident Near Franklin Centre Results In Death Of Motorist

An accident occurred on the car was a total wreck. The body was taken to Sharpe's Sideroad, Franklin Centre, on Thursday evening, June 15th at about 11 o'clock which took the life of Jean Marie Couture, age 36 of Franklin Centre.

Couture was driving a '63 Pontiac when he lost control of the vehicle and hit a tree. He was killed instantly and

brought in by the members. It is hoped that the time remaining until the Drawing for prizes on 1st July will allow for many more to be brought in, and the final results, together with the names of the Prize winners will then be announced in The Gleaner. It was suggested that the Corresponding Secretary write a note of thanks to the Masonic Lodge for the use of their hall for the week.

Hemmingford Parents Take Heed

These past few weeks Hemmingford has been plagued with several small fires which without any doubt have been deliberately set. Two at the back of the Fortin Bakery, one at the rear of the body shop behind the Fortin garage, which fronts on Champlain Street and still another at the rear of the home of Mr. and Mrs. Frank Bartlett, quite close to a tank of propane gas and near enough to the house that it scorched the siding. This is quite a serious matter and the Provincial Police have been called in and are investigating.

Mr. and Mrs. L. W. Parker were dinner guests of Mr. and Mrs. Bob Baker at Trout River on Tuesday.

Honored For Twenty-five Years Of Teaching School Children

The Catholic School Board and Mrs. Quevillon thanked members honored two of its members for their kind teachers at a dinner in Vieux Moulin last Tuesday evening so quickly, they were not Mrs. Georges Quevillon and aware of the passing of Mrs. G. Dumas were feted on ty-five years until they each the occasion of twenty-five realized that two of their board members had been students. Robert Guerin and Mrs. Duquette were taught by Mrs. Dumas and Mrs. Quevillon for seven years. Sister Superior added her thanks and said how fortunate a principal is to have good teachers. Mr. Ouimet thanked the Secretary and his wife for the excellent work they have done over the years. A social hour and dancing was enjoyed after the dinner.

President Vernon Ouimet introduced the head table guests, Mrs. Jean-Paul Reindeau, Mr. and Mrs. Bruno Beaulieu, Mr. A. McSween, Father Fafard, Mr. H. Dumas, Mrs. Dumas, Father Daigneault, Mrs. Quevillon, Mr. Quevillon, Sister Superior, Mr. Rosaire Thibert, Mrs. Thibert, Mr. Vernon Ouimet, Mrs. Ouimet and Mr. Jean Paul Reindeau. Other guests included the members of the school board, and husband and wives, the teachers including the sisters of the holy Names of Jesus and Mary, and the Secretary, Mr. Edouard Laberge and Mrs. Laberge. A presentation of 25 silver dollars was made to each of the guests of honor, with a merit of honor scroll. A small presentation from the teaching staff was made by Mrs. Gordon Watson.

Father Daigneault was the first speaker to be called on, he said how pleased he was to be so honored to be a guest at this special occasion. He spoke of the trials of a teacher and said it must be a great reward after twenty-five years to look back on a job well done, as indeed Mrs. Dumas and Mrs. Quevillon had every right to do. In his jovial manner, Father Daigneault, spoke of the pranks of children and the various ways they devise of making life difficult if only momentarily, but this was just part of the challenge of being a teacher. He ended his remarks by saying he hoped he would be present at the next dinner for the ladies on the occasion of their next twenty-five years celebration.

Mr. Ouimet offered his felicitations to the teachers and called on Messrs. Duquette and Guerin to make the presentation on behalf of the Board. Mr. McSween of the Valleyfield Board was the next speaker and he thanked the ladies for a job well done. Both Mrs. Dumas

Ken Aldridge Does A Lot Of Talking For The Bell Company

Sometimes too tired or irritable to even speak to anybody after a particularly trying day at the office?

One man who isn't Ken Aldridge of H.Q. Operations and Engineering Plant, Bell Telephone Co., who has talked-and talked-to more than 5,000 people during his off-duty hours in the last six months.

No, he's not one of those swinging marathon types who sit on flagpoles or, in this case, participate in talkathons. Voluble Ken is a part-time lecturer for the Company who voluntarily devotes his leisure time to lecturing on certain aspects of the telephone industry to a variety of interested groups ranging from the boy scouts to the golden aged. And he isn't complaining a bit.

Matter of fact, he loves it. "I guess I just like to yak," he says in a grandiloquent display of understatement.

What he "yaks" about three evenings a week concerns either Expo or the history of communications, the two subjects assigned him by the Company's Public Relations

Ste. Agnes

STE-AGNES — Dr. Frank Bemis of Bangor, N.Y., a longtime friend of many people in Huntingdon County, suffered a heart attack in January of this year and so is unable to continue his practice. He was indeed a source of

help to many, and his services will be deeply missed.

Dr. Bemis has sufficiently recovered to be able to be about the house; while he is 89 years of age, he had remained extremely active for a man of his advanced years. He did all his own work, mowing in his large lawn, working after anything that needed his attention.

May we send him at this time our best wishes for improved health in these, his well-earned years of retirement.

Attend Expo
Pupils from the two schools in the community have enjoyed a day at Expo. The Ste. Agnes students attended on Monday, June 5th., travelling from Huntingdon by Leduc's bus, while the students of Dundee Consolidated chose Monday, June 12th., travelling in Mr. George McPherson's school bus. Each group had several members from the community to act as guides. These extra persons volunteered to assist the regular teaching staff so that the student body could be divided into groups of five members each and so make getting about the site a more stipulated matter.

Mixed Shower
Many attended the mixed shower held on Friday evening, June 16th., at Knights of Columbus Hall, Huntingdon to honour Miss Perrette Leblanc, daughter of Mr. and Mrs. Aimé Leblanc and Mr. Gilles Vallée, son of Mr. and Mrs. Alphonse Vallée.

The hall was prettily decorated for the occasion. Flowers adorned the head table which was centered with a special shower cake. Miss Nicole Leblanc, sister of the bride-to-be, spoke words of welcome to which both Perrette and Gilles fittingly responded. A substantial gift of money was presented to the young couple, and young and old joined together in wishing them much future happiness.

SUPPORT GROWS FOR NEW TRAIN SERVICE ON N.Y.C.

While word is awaited from the Federal Board of Transport Commission on additional train service between Adirondack and Montreal, a new appeal has been made by a group of Valleyfield residents to Transport Minister Jack Pickersgill.

Some 350 have signed a petition to Mr. Pickersgill to resume passenger rail service along the New York Central Railroad's line into Montreal.

Mr. Gerald Laniel, Liberal M.P. for Beauharnois-Salaberry has promised support. Passen-

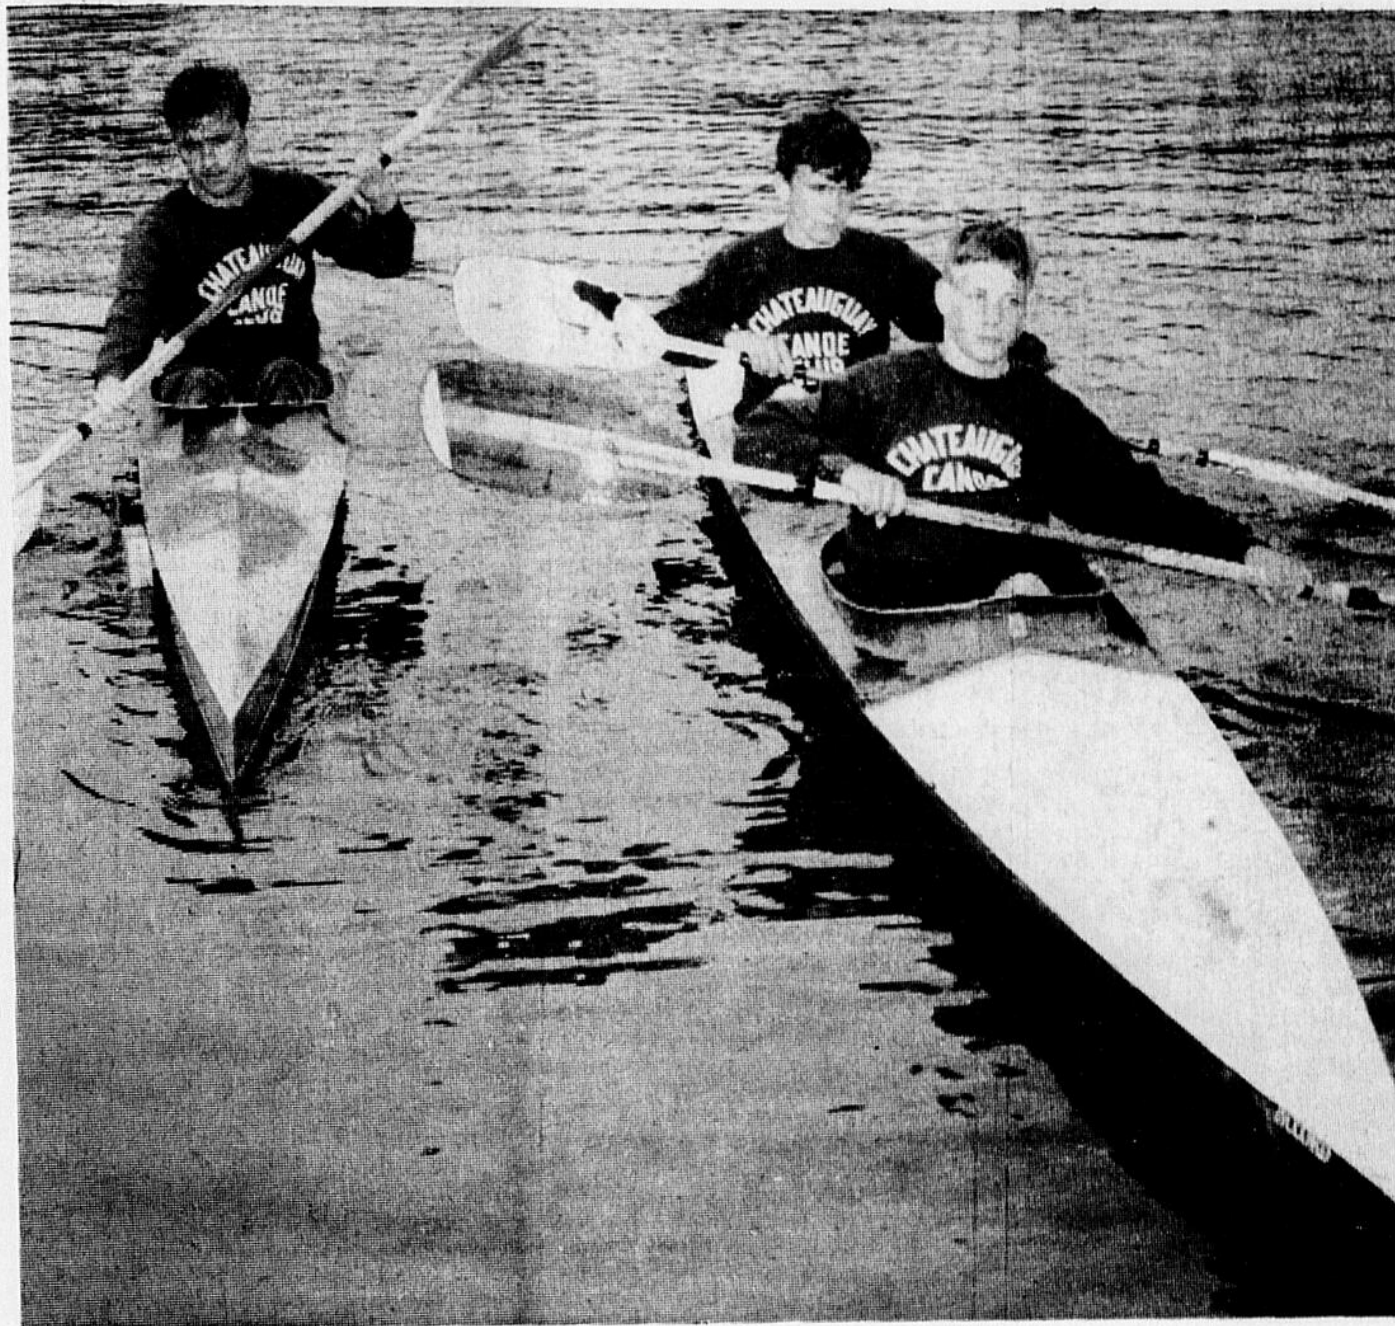

ger service on the New York Central was abandoned nearly ten years ago following repeated pleas that the railway passenger service was losing money.

Mr. Jacques Wallot, a fine arts teacher of Valleyfield, who played a leading role in organizing this latest petition, says that the old New York line could use rail diesel cars—self-propelled units, and pick up passengers at St. Timothée, Beauharnois, Chateauguy, Chateauguy Heights and Montreal West. "Population in the

area has expanded rapidly in the ten years since the service was dropped," said Mr. Wallot, "and many more people would use a train service these days. Ten years ago, Chateauguy was a village — now it has a population of 30,000, and it is still growing. It is the same story in Valleyfield — there are now many more people there who commute daily to Montreal."

Mr. Wallot called on Manpower Minister Jean Marchand to step in, in the interests of the mobility of the worker.

60TH ANNUAL REGATTA ON SATURDAY

One of the main attractions of Saturday's regatta will be the first to be held this year by the Eastern Division of the Canadian Canoe Association. Competing will be crews from the four other members of the Eastern Division — Lachine, Grand Trunk (Verdun), Otterburn, and Cartierville.

Centre Ratepayers Reject The Arena Bylaw

Taxpayers of Chateauguy Centre last week voted by a majority of 90 votes in a total of some 600 votes cast, against the controversial By-Law No. 618 for the construction of an arena and a loan of \$570,000 to finance the project.

The Centre Council has been severely criticized in recent months for their proposals to build an ice rink arena. The Council first ran into trouble one year ago when an even more ambitious one-million dollar project for a combined ice-rink, Olympic pool and cultural centre failed to gain approval of the Council. Since that time, the Centre did proceed to authorize a cultural centre on Maple Boulevard. Construction of the Cultural Centre is substantially complete, and an announcement of its formal opening is expected shortly.

At a meeting early last week organized by the newly formed Citizens' League of Greater Chateauguy in St. Francis School, Mayor Sutterlin made an eloquent plea to ratepayers to vote in favour of the arena By-Law referendum later in the week. Mr. Sutterlin revealed that the upkeep of outdoor rinks in Chateauguy Centre cost approximately \$20,000 per annum, and that the uncertainty of temperatures had made outdoor rinks obsolete and of questionable benefit. Only 28 days of skating had been possible during last winter.

Mayor Sutterlin stated that the present slackening of pace in the construction industry of Greater Montreal indicated that the present time was highly favourable for construction of the arena. Furthermore, plans for the arena contemplated the addition of a later date of indoor and outdoor swimming facilities at the arena.

In the meantime, who pays for the costs already incurred on the plans and working drawings for the defeated arena bylaw?

Town Of Chateauguy To Complete Routes 3 and 4 Widening

The Town of Chateauguy has awarded a contract to complete its share of the widening of Routes 3 and 4 from St. Francis Boulevard to town limits. Heavy construction equipment, left over from the recently completed widening

by the Provincial Government between the Caughnawaga traffic circle and St. Francis, is on site, and completion of the mile-long stretch is expected this week.

Cost of the work has been reported to be \$7050.

HEAD-ON CAR CRASH KILLS ONTARIO MAN ON ROUTE 4

The intersection of St. Jean Baptiste Blvd and Arthur Streets (Highway 4) was the scene of a fatal smash up last Saturday evening, shortly after 6:00 p.m. Cause of the accident is still not known, and name of the victim has not been released by Centre Police.

The victim driving a Volkswagen crashed head on into a truck resulting in his death from an open skull fracture.

He was alone in the car at the time.

The truck driver was not injured. The Provincial authorities recently changed the speed limit in that area, near Ste. Philomene, from a 30 mile per hour limit to 45 miles. It is believed a protest will be made to the Provincial department dealing with such matters as speed zones.

Nothing has been done yet, apparently, on the pedestrian crossing on Woodbine outside the park entrance. Chief of Police Meloche has promised that such a crossing will be provided, and Home Owners President Warren Hart is going to enquire into the reasons for delay.

Seignior Parkers are anxiously awaiting the results of today's Elector's Meetings for bye-laws providing sidewalks for St. Francis Boulevard and for curbstones in the area above the transmission line.

A near-tragedy for a young boy last week was a salutary reminder to all of us of the dangers inherent to any lawnmower, particularly any variant of the powered mower. The boy was lucky to escape with a sliced toe-nail. Many adults refuse to have anything to do with a powered lawnmower because of the danger — and every year sees horrible accidents, such as lost toes and fingers. Surely it is inviting disaster to allow children access to these machines when even adults can and do suffer losses every year.

Mary Gardner Home And School Elects New Executive

Last May 29th, in the School Gymnasium, the election of officers for the year 1967-68 was held by Mary Gardner Home and School Association.

The new executive are as follows:

President: Mr. B. Ingram; 1st. Vice-President, Mr. T. McDade; 2nd Vice-President, Mr. Elson; Treasurer, Mr. J. Barron; Secretary, Mrs. L. Farrell; Adult Education and By-Laws, Mrs. S. Jamnicky; Programme, Miss Coates; Membership, Mrs. Kydd and Mrs. Dooley; Refreshments, Mrs. P. Mason and Mrs. Coch-

rane; Publicity, Mrs. Sevier and Mrs. Chamberlain.

The meeting was chaired by Mrs. M. Bushe, who wished the new executive a successful term of office.

Mr. W. Shufelt, Principal of Mary Gardner School thanked the previous committee for the work they had achieved during their term of office and his remarks were echoed by Mr. Keady.

Photographs taken on the recent trip to Ottawa were shown, and the meeting closed with light refreshments served in the Cafeteria.

Preparatory work has been done on the annual job of repairing potholes on St. Francis left over from the winter. I understand the work will be completed this week.

How rare a thing it is when a price drops these days. The example I came across last week was the toll on the Rousses Point Bridge, down to 20 cents per crossing after many years at 25 cents.

Playground equipment for the Town's parks has been delivered and will probably be installed this week. Woodbine Park's share will include swings for the very young and also for the not quite so young, a trapeze, benches and picnic tables. But the experiment of a few years ago with see-saws will not be repeated, as they are considered to be too dangerous.

Well last Wednesday the break-ins were in full force again. A house at the corner of Woodbine and Crestwood Avenues was broken into. It was by a group of boys who range in age, in a district like this it is unbelievable that teenagers must find this kind of excitement as I am sure not many of them do without much. I feel like many people in Seignior Park, that Children of this age should be in the house and doing their homework or in bed by 9:30 or 10 P.M.

Parents it is too late after these things occur to start putting your foot down. Do it now. Don't wait until it is too late. I have been told by someone in good authority, that these boys have been found by the police. It will explain next week what has happened to them. Remember parents it is not the children who are to blame, if they do not have discipline at home they are

Life Can Be So Sweet But Oh So Short!

(By Russ Faughnan)

This is not a pleasant story. Photographed at 1,000 frames a second, motion pictures were made of an automobile striking a tree at the "safe" speed of 55 miles an hour.

It's the kind of a crash that could happen to anyone. It's the kind that can be prevented. In the test crash dummies were use in the car. You could be the dummy.

ONE TENTH OF A SECOND — Front bumper and chrome frosting of grill collapse. Steel slivers penetrate tree 1 1/2 inches.

TWO TENTHS OF A SECOND — Hood crumples, rises, smashing into windshield. Spinning rear wheels leave the ground. Grill disintegrates. Fenders come into contact with the tree forcing parts to spray over the front door. Driver's body moves forward with a force of twenty times gravity. He now weighs 3,200 lbs. His legs, held straight out, snap at the knees.

THREE TENTHS OF A SECOND — Driver's body now off the seat, torso upright. Plastic and steel frame of the steering wheel bend under his death grip. His head is near survivor, his chest above steering column.

SEVEN TENTHS OF A SECOND — The entire body of the car is forced out of shape. Hinges tear, doors spring open, seat rams forward pinning driver against steering shaft. HE IS DEAD.

President Of Citizens' League Outlines Purposes And Calls For A Full Membership

Citizens' League President Franz Hasenhuendl's address to Special General Meeting on June 12.

Before I go into the main topic of tonight's assembly, I would like to point out to you the aims of the newly formed Citizens League of Greater Chateauguy, P.Q.

1.) The Citizens League of Greater Chateauguy was formed with a very broad view, to take in all the Citizens of Chateauguy Centre, The Town of Chateauguy, Chateauguy Heights, and any surrounding area or Town, which in the future may be annexed to, — and/or amalgamated with anyone of the aforementioned Towns.

2.) The Citizens League of Greater Chateauguy invites you, and all the Citizens of Greater Chateauguy to become Members of the League, because only strong and united may we achieve to make Greater Chateauguy a better place to live in.

3.) The Citizens League of Greater Chateauguy will accept all Home Owners, Property Owners, Lease Holders, and Business people of Greater Chateauguy as prospective members, and in every case, both husband and wife will be full fledged members for a fee of only \$2.00, notwithstanding the fact, which of the married partners may be the registered owner of the home property, lease or business.

4.) The major aim of the Citizens League of Greater Chateauguy is, to keep you, the Citizens of Greater Chateauguy informed and up to date on all important happenings in Greater Chateauguy, and to offer only constructive criticism to the authorities, rather than destructive criticism.

In short, the Citizens League of Greater Chateauguy aims, to have the welfare of any and all citizens of Greater Chateauguy at heart, and to bring out politics, or political influence.

To achieve our goal however, we are confident, that you need us, as much as we need you, to make Greater Chateauguy a place everyone of us can be proud of for many years to come.

Needless to say, that we are looking forward to having you, and all other citizens of Greater Chateauguy as members of the League, and those of you who are not already members and wish to join, are welcome to fill out the application form you received when you came in, and you may hand it over to the Treasurer or anyone of his aids, who will be located near the exit at the close of this meeting. — Don't forget to give him your \$2.00 membership fee.

As you all know, a Referendum is being held this coming Thursday and Friday, June 15th and 16th in the Chateauguy Regional Shopping Plaza, and the polls will be open on both days from 9 a.m. to 9 p.m., for the Taxpayers of Chateauguy Centre your Tax-Dollar, and there-

Don Chart Now President Of American Society Of Appraisers

Mr. Donald Chart of Seignior Park, Chateauguy, was last week elected President of the American Society of Appraisers for the coming year.

Mr. Chart, who is an appraiser for the Prudential Co. of America, has been active in the Society for the past six years, and one of the first functions in his new capacity will be the organization of the Society's annual convention which is being held in Detroit on June 30th after two days in Detroit, the convention will adjourn to Montreal for four days.

Total membership in the Society is approximately 2000, of whom some 200 are Canadian.

There are three principal groups of appraisers in North America. The other two, the American Institute of Real Estate appraisers and the Society of Real Estate appraisers, are concerned solely with real estate. The American Society of Appraisers, while including real estate, is also an association of professional valuation engineers in fine arts, jewelry and gems.

However, most Canadian members of the Society deal with expropriation procedures involving compensation by the various levels of Government.

Mr. Chart would like to see kind enough to discard all other problems for tonight, open your mind, be receptive rather than offensive, and you will be able to absorb and understand much better the facts and figures we are now offering you.

An open period for questions regarding the Arena By-Law has been scheduled for the end of the meeting.

To compile these facts and figures has taken a great amount of time and effort, to make you, the Tax-Payers of Chateauguy Centre aware, what the Referendum on the Arena By-Law actually represents in taxes or let me rather say in additional taxes out of your pocket.

It is my opinion, that if an Arena is built under the present By-Law, such Arena may even show a profit in the not too distant future, providing that the Municipal Council of Chateauguy Centre accepts our proposal, which we very strongly emphasize, namely, that the Management of the Arena shall be turned over to the people of Chateauguy, in the form of a public Corporation, with the Management, Executive and Board of Directors comprised of ordinary citizens without political obligations.

We are also aware of the fact, that the location of the proposed Arena is a major

St. Andrew's Lone Pine Rover Crew Has Fun At Swim Gala

On Saturday, June 10, St. Andrew's Lone Pine Rover crew held its second annual Swim Gala at the Chateauguy Property Owners' Association Pool. Again this year, Cubs and Scouts from the Salaberry de Chateauguy took part to make it a success.

Chateauguay News Notes

Noted on Monday morning on various streets in the Centre — pot holes patched up on many of the roads. Presumably those roads still in poor condition will have their turn. Seven Chateauguay boys between the ages of 8 to 11 years will be in good company for eight days in August...

Memorandum from McLeod

Correspondent: Mrs. Edith Bate 282 McLeod Ave. 692-9453

I went off on another field trip last week with some of the Grade six students of Maple School. This time we travelled (by school bus) to Quebec City...

Among some places we visited were the Aquarium — which is quite fabulous — the Plains of Abraham — where we ate our lunches seated on the grass — the Citadel — where we were taken on a tour by a very nice guard — the Legislative Buildings — the Wax Museum (our Montreal one is better — the Diorama of the Battle of Quebec — Allée du Trésor where we saw the artists at work and some really off-beat characters...

Went to Expo last Saturday and stood in the miserable rain for almost two hours to get into the Czechoslovakian Pavilion. Although we were dripping wet, we thoroughly enjoyed the pavilion. Had some lunch at their snack bar there: Czech sausage, mustard and rye bread, with Espresso coffee, and a piece of gluppy chocolate cake. It was all so good, and not too expensive. However I resent very much having to pay a service charge in these places. It is apparently 10% in this pavilion, and in some other places it is 15%.

A week ago we visited the Russian Pavilion. Very impressive! I have now visited twenty-one so far, while my husband has seen seventeen. How does your garden grow? Lots of weeds are doing nicely after last Friday and Saturday's rain. I find my Dutch hoe a great tool for getting rid of those small weed plants — that is providing one doesn't let them grow too long.

With Expo this year, both home and garden are suffering the consequences of long, hard — she has worked and repeated absences of the owners. Is yours the only one? Or are some others in the Session and as Chief Explorer same boat.

I haven't heard about your Expo visitors. Do call me very soon.

Sincerest sympathy to Mrs. H. Viereck of St. Andre, who received word last week that her father Mr. Nitsche of Kassel, Germany had passed away. I had the pleasure of meeting him when he was here a few years ago and he was a wonderful person and I was sorry to hear of his death.

The Brownies and Guides of the 9th Chateauguay group were very disappointed with Saturday's rain for it meant their Picnic was cancelled. So time marches on and I must too, don't forget my number is 692-9272. Will be looking forward to hearing from you real soon.

As I write this I have to keep one eye on the clock for another old pal is arriving on the C. P. Expo Express at 8:55 so have to get to the station in time to pick her up as she'll be staying with us for a couple of days.

Why not give me a call and let us know about your visiting guests. I'll bet a lot of you folks are entertaining guests from many parts of the world this summer and I'd be thrilled to know about it and include their names in our column.

A lot of folks are having birthdays this month too. Last week Cornelius Viereck celebrated his 7th birthday and a belated happy birthday

We were thrilled to have as our house guests the last week Mr. Ronny Fabio from Fort William and his fiancée Miss Maureen Spooner from Ottawa. The same night they were due to arrive got an unexpected call from two old school chums Mr. and Mrs. Bod Love from Windsor, Ontario who were visiting Expo and they popped in to say hello and not having seen them for some ten years we had a lot to talk about. Then around 10 p.m. that night yet another couple of school pals Mr. and Mrs. Tom McDonald from Saskatoon, Sask. phoned to ask could they come and say hello so after giving them directions on how to get to Chateauguay, we sat back and pondered whether they would find us or not. But sure enough around 11 after some searching they arrived. They had been on the road for almost a month, travelling in a Volkswagen Bus which they had set up as a mobile home complete with beds and living accommodation to suit them and their two children. They went as far east as Cape Breton Island and on their way back Expo was one of their major stop-overs and of course visiting old friends as they journeyed along. It was great to see Anne and Tom

again and they were thrilled when they got to our place to see Helen and Bob here too. You can imagine none of us got much sleep that night.

On Wednesday morning two old friends of the family came to visit for the day and it was great to see Lena and Bill Stodolny from Fort William again. They too are visiting Expo for a week and are staying in town with a private family, accommodation they got through Logexpo and they had very great praise for the treatment they had received while staying in Montreal.

September seems a long way off, especially with holidays and Expo all in the forefront of everyone's plans. However, ten ladies who met last Wednesday night at the church, started the ball rolling for the Fall Programme of C.G.I.T., Explorers and Messengers. There will be more news shortly on these plans for girls

petite and the students — although very well behaved — seemed to be eating and drinking every ten minutes. There were three teachers and myself and forty-one children and I enjoyed the day very much and know all the students had a good time too.

While at the Citadel, I was chatting with a couple from Houston, Texas. They were telling me how much they liked Expo — and of their accommodation for two nights at \$30.00 per day. They remarked that they were very impressed with the cleanliness of Expo. I simply glowed with pride, of course.

Went to Expo last Saturday and stood in the miserable rain for almost two hours to get into the Czechoslovakian Pavilion. Although we were dripping wet, we thoroughly enjoyed the pavilion. Had some lunch at their snack bar there: Czech sausage, mustard and rye bread, with Espresso coffee, and a piece of gluppy chocolate cake. It was all so good, and not too expensive. However I resent very much having to pay a service charge in these places. It is apparently 10% in this pavilion, and in some other places it is 15%.

A week ago we visited the Russian Pavilion. Very impressive! I have now visited twenty-one so far, while my husband has seen seventeen. How does your garden grow? Lots of weeds are doing nicely after last Friday and Saturday's rain. I find my Dutch hoe a great tool for getting rid of those small weed plants — that is providing one doesn't let them grow too long.

ST. ANDREW'S NOTES

A promotion service for pupils of all Sunday School classes was held in Memorial Hall prior to the morning service. Sunday School will reopen on Rally Day, September 10th.

Rev. Howard C. Fraser's sermon at the morning service was based on the Fifth Commandment. Hymns sung included "O Father, hear my morning prayer", "Standing in the market place", and "Spirit of God, descend upon my heart."

On Sunday, July 2nd, the summer schedule will commence. Morning service will begin at 10 a.m. during July and August.

The best wishes of the congregation go to Mr. David Reid, the Sunday School Superintendent, who is presently a patient in hospital.

Some additional Sunday School teachers will be needed to fill staff vacancies. Mr. Charles Rowe, Chairman of the Christian Education Committee, is responsible for the recruiting drive.

On Monday, June 26th Mrs. Margaret Elliott (formerly of Chateauguay Centre) is due to arrive with 12 C.G.I.T. girls from her present church in Bradford, Ontario. They will stay at the Church and visit Expo each day. Presently, Mrs. Beryl Millett and Mrs. Rhoda Rowntree are arranging to greet the group with a hearty supper on Monday the 26th. If you would like to contribute or help in this little project, do give either of the aforementioned ladies a call. Let's give a warm welcome to our old friend Margaret and her young charges.

Speaking of old friends, Rev. K. Purdon and family will be spending a few days at Chateauguay Centre and Rev. Purdon will conduct the Service of Worship on Sunday, July 16th at 10 A.M. He would appreciate saying "Hello" to his many friends here who may not be away on vacation. The congregation has missed the choir the last couple of weeks but next Sunday the Junior Choir will be in attendance.

Last Sunday, Mr. W. Scarlett presented a lady's Briefcase-Purse to Mrs. Beryl Millett on behalf of the Session and Church. Due to pressure of home and business Mrs. Millett had to resign as Clerk of Session. The gift was in appreciation of her years of dedicated service to our little church, and all those who have worked with Beryl know how hard — she has worked and repeated absences of the owners. Is yours the only one? Or are some others in the Session and as Chief Explorer same boat.

Maplewood Presbyterian Church Notes

The following persons were received into Communicant Membership of the Church at last Thursday's Preparatory Service: Mr. Kenneth Taylor; Miss Linda Jean Dickson; Mr. Gordon Dickson; Mrs. Florence Dickson; Mrs. Ellen Collins; and Mrs. Sylvia Mann.

The Sacrament of the Lord's Supper was observed last Sunday at both morning services. Title of the Sermon was, "Draw Near and Hold Fast", based on Hebrews 10: Verse 23. The Choir sang the Anthem, "God So Loved the World," by Goss.

Mrs. H. Taylor and Mrs. S. Jordan were Maplewood's delegates to the Presbyterian Congress held recently in Kingston, Ontario. Dr. H. England of First Presbyterian Church, Berkeley, California was one of the principal speakers. These ladies reported to the members of the congregation through the Newsletter. The event was obviously thought provoking and the speakers evidently made their messages rather blunt in order to arouse

rather than soothe one's feelings. One speaker in particular gave a very meaningful statement regarding today's youth and their apparent disinterest in Church work. He said "Many of them speak with a Galilean accent" and perhaps the Church has not done all in its power to accommodate the adolescent point of view. The main mission of the Church is to reach out to those in the Community and to be aware of the needs of others in our own area.

Next Sunday at both morning Services the Centennial Services of Worship will be held. The Junior Choir singing at 9:30 a.m. and Senior Choir at 11 a.m. There will be no Sunday School classes next Sunday. Plan to attend the Centennial Service.

In other Church news, the Summer pew leaflet is now in use and various organizations in the Church have suspended their activities until September.

Nowadays the mostly small attendances at the Ringsides of livestock shows are more or less taken for granted, deplorable and all though same may be. Nevertheless, we venture to say here that it was a pity that probably less than the proverbial baker's dozen people were on hand to watch the placing of the animals in the three beef cattle breed section of Ormstown Exhibition's Cattle Show.

Numerically, in comparison with most other Class A Exhibitions held in other Provinces that Quebec, Ormstown's beef cattle section was a small one indeed. On the other hand, however, it might well be claimed that the animals on the show at Ormstown represented a cross section of the best of their kind that will be seen at subsequent Ontario and Western Canada Class A Exhibitions. In the latter instance both the Winfields Farm Ltd., (Willowdale, Ont., E. P. Taylor, Owner) Aberdeen-Angus, and the Massey-Ferguson Farm (Milliken, Ont. - owner Massey-Ferguson Ltd.) Shorthorn exhibits are on their way out, via Lachute, to the Western Show circuit.

A procedure they followed last year, and judging by their this year's exhibits they may well be expected to hold their own, as they did last year, against strong competition from leading Western Canada and several U.S.A. herds.

Interested Spectators

Naturally so, since he is building up a Hereford herd in the Dundee area, one of the interested ringsiders was John Dagg. So also was A. Lester Campbell of Dockendale, A. Hestlan, whose firm is using Hereford sires in its Baby Beef project.

We also met Peter Miller of Aubrey, for the first time in several years and were interested in learning that he is still a keen Aberdeen-Angus cattle breeder. It was interesting to learn that he recently purchased the cow Black-on of Rolling Range at the Ben Lavin of Bromo, Que. and that that cow has since dropped a promising bull calf. It

The Holstein Judge, John

The Chairman and Sub-Chairman of the Cattle Committee were also on their toes, so to speak. That is, Armand Pinsonneault in connection with the Holstein Show; J. Earle Ness insofar as the Avshire Show was concerned; John D. McCaig in connection with the Jersey Show, and A. Mitchell Ness in supervision of the Beef Cattle Show.

From our own personal observations and comments we heard it would seem that the dairy cattle ringsiders were generally satisfied with the placings made by the respective judges. Anyway, they certainly all carried out their tasks in a workmanlike way, also in a time-table basis so to speak.

Winners in Green Giant of Canada Calf Scramble at Ormstown Exhibition 1967

Huntingdon County: Norman Pennell, Glen Moore, Alister McNaughton, Keith McAdam.

Chateauguay County: Wayne Sproule, Richard McDougall, Ken Whyte, James Hamilton.

Beauharnois County: John McCaig, Ronnie McCaig.

Nowadays the mostly small attendances at the Ringsides of livestock shows are more or less taken for granted, deplorable and all though same may be. Nevertheless, we venture to say here that it was a pity that probably less than the proverbial baker's dozen people were on hand to watch the placing of the animals in the three beef cattle breed section of Ormstown Exhibition's Cattle Show.

Numerically, in comparison with most other Class A Exhibitions held in other Provinces that Quebec, Ormstown's beef cattle section was a small one indeed. On the other hand, however, it might well be claimed that the animals on the show at Ormstown represented a cross section of the best of their kind that will be seen at subsequent Ontario and Western Canada Class A Exhibitions. In the latter instance both the Winfields Farm Ltd., (Willowdale, Ont., E. P. Taylor, Owner) Aberdeen-Angus, and the Massey-Ferguson Farm (Milliken, Ont. - owner Massey-Ferguson Ltd.) Shorthorn exhibits are on their way out, via Lachute, to the Western Show circuit.

A procedure they followed last year, and judging by their this year's exhibits they may well be expected to hold their own, as they did last year, against strong competition from leading Western Canada and several U.S.A. herds.

Interested Spectators

Naturally so, since he is building up a Hereford herd in the Dundee area, one of the interested ringsiders was John Dagg. So also was A. Lester Campbell of Dockendale, A. Hestlan, whose firm is using Hereford sires in its Baby Beef project.

We also met Peter Miller of Aubrey, for the first time in several years and were interested in learning that he is still a keen Aberdeen-Angus cattle breeder. It was interesting to learn that he recently purchased the cow Black-on of Rolling Range at the Ben Lavin of Bromo, Que. and that that cow has since dropped a promising bull calf. It

The Holstein Judge, John

The Chairman and Sub-Chairman of the Cattle Committee were also on their toes, so to speak. That is, Armand Pinsonneault in connection with the Holstein Show; J. Earle Ness insofar as the Avshire Show was concerned; John D. McCaig in connection with the Jersey Show, and A. Mitchell Ness in supervision of the Beef Cattle Show.

From our own personal observations and comments we heard it would seem that the dairy cattle ringsiders were generally satisfied with the placings made by the respective judges. Anyway, they certainly all carried out their tasks in a workmanlike way, also in a time-table basis so to speak.

Hemmingford Open House At The Folly Shop

The Cedar Creek Folly Shop will hold an open house this coming week (see ad. in this issue) and invites all friends to inspect the improvements which have been made and to enjoy a cup of tea - or coffee - while looking over their new and attractive selection of articles. The shop is run by two well-known members of our community, Mrs. Perry Hooper and Mrs. Donny Reid and they hope you will come to visit - there is no compulsion to buy.

Miss Joyce Palmer has finished her Sophomore year at Syracuse University and is home for the summer. Visiting at the home of Joyce's parents, Mr. and Mrs. Harold Palmer, are three of her college friends, Miss Ellen Hubbard of Rutland, Miss A. Whitney of Rochester and Mr. Art Arguedes of Connecticut. A week at Expo is a 'must' of course before settling down to their summer work.

Miss Linda Winter has completed her first year of hospital training and is home for a month's vacation, having passed her examinations with flying colours, a higher than 80% average. Since April she has been working in the operating theatre.

Roy Simmons is, of course, one of Glengarry County's leading Avshire breeders, likewise one who received his early education in that connection as a member of an Ottawa district 4-H Club. His 4-H Club achievements included his representation of Ontario, with his brother Jim as his Team Mate, at the Royal Winter Fair. Together they won the Dominion 4-H Dairy Cattle Judging Competition that year at the Royal Cameron Honderich, Jersey cattle breeder, of New Hamburg, Ont., went about his job of judging the Jerseys in a very workmanlike way, and he also gave his Jersey audience his reasons for placing the animals in the various classes. Facts About "NA-CHURS" Liquid Fertilizer

Periodically, articles appear in the various newspapers by men who feel they are providing a service to the farmer. Many of their statements are based on partial facts and when analyzed, bear no relationship to the actual Programs as recommended by this Company.

Their articles deal only with the 'commercial value' of a fertilizer; that is, a cost comparison of the so-called major nutrients in a ton of fertilizer. By this, they fail to take into consideration the source of the nutrients being used to make up any particular formulation, so any particular analysis of a 'dry fertilizer' can vary as much as ten to twenty dollars per ton, depending on the source of Nitrogen, Phosphorus or Potash used in the blend. They do not consider the agricultural value of a fertilizer which sets a much different value on the source of nutrients than does the 'commercial value'.

Yearly, thousands of farmers from all areas of Canada and the United States are repeatedly using "Na-Churs" Programs to produce their top crops. If you ask yourself

Dewittville W.I. Members Learn Artificial Respiration Method

Members of the Dewittville W.I. met at the home of Mrs. Beattie Thursday evening, June 1st, for their regular monthly meeting with the president, Mrs. C. Bryson, in the chair. Members responded to the roll call by naming a safety hazard in the home.

The minutes of the last general meeting were read by Mrs. McLean, acting secretary. Membership cards have been made available from the W.I. office at Macdonald College and these will serve as official receipts when annual dues are paid. The president expressed thanks on behalf of the members to Mrs. Baker who took charge of the Expo tickets. As mentioned previously, a sum of \$105.00 was donated to three schools in the area to help defray the cost of Expo excursions.

Monthly meetings will now be held during July and August, however, tentative dates for June 22nd and August 1st, were suggested for trips to Expo by members. It was decided to cancel the annual summer fair in July due to potential activities in the community as well as Expo float will be prepared by Dewittville community which will take part in the centennial parades at Ormstown on the evening of June 30th, and at Huntingdon on July 1st. Members have volunteered assistance with the float as well as donations for the Mammoth Sale in connection with the County Civic Centre's July 1st celebrations.

Dewittville W.I. will again operate a booth at Huntingdon and it was decided to purchase additional dishes and silver. The Scholarship of \$100.00 will be drawn for at the September meeting. This scholarship is offered to the students of local branch members' families who will be continuing their education following high school and applications should be filed with any member of the executive committee. The Provincial Convention to be held at Macdonald College July 12-14 inclusive. Conventions reports included the care and laundering of family heirloom costumes. Mrs. N. It was written by his daughter, Mrs. Eileen Drummond. Congratulations, Eileen. Get well wishes are extended to Mrs. Bertha Cavanagh who is a patient in the Montreal General Hospital.
Mr. and Mrs. Keith Hamilton visited relatives here and Sherrington on Sunday. Congratulations to Mr. and Mrs. Hamilton who celebrated a wedding anniversary on Tuesday, June 20.
Mr. and Mrs. Douglas Jackson and son Robert of Cabri, Saskatchewan are staying at the home of her sister, Mrs. Fred Cookman while visiting Mrs. Cookman and other relatives in Hemmingford.
Mr. W. J. Cowan of Brockville, Ont. spent the past week visiting his sister, Mrs. J. McKay.
Mrs. M. Ross of Montreal at present caring for Missie Brown at her home here.

Mrs. E. A. Harfield and her daughters, Mrs. Cecil Hamilton, Mrs. Wallace Darbyson and Mrs. H.W. Hazell enjoyed a three-week trip to the United Kingdom by Air Canada. They visited relatives in London and Steeple-Aston. They also visited Banbury before continuing on to France. They returned to London where they saw the opening of the colour, then the Duke of Marlborough. Then they went to the Water and the model village which was made of Cotswold stone. They spent a few days in the Aerial Hotel before being homeward bound. They were given a welcome home party by Mrs. Harfield's daughters in Montreal and Mrs. Harfield and Mrs. Hamilton returned to their home in Hemmingford. They

While all the Grade 10 students (and some in Grades 8 and 9) participated in one way or another, credit for the theme "The Tea House of the August Moon," and the artistic designs, must go to two young men in Grade 10, John Maggio and Gavin Farmer who, with the assistance of a few of their fellow students, designed, built and painted one of the most artistic settings ever presented in the school. (What hidden and unsuspected talents come to light when young people are given a free hand to express themselves.)

The scenery on stage was built to represent the entrance to the 'Tea House,' a typical Japanese scene with the famous Mount Fujiyama in the distance. In the centre, two doors with oriental roof, painted bright red and outlined in gold with bold Japanese lettering, also in gold, on the panels, spelling the word Japan. Immediately in front of the pool, the graduates made waters of a small fountain rose and fell into a pool ringed with moss covered rocks. Glittering gold fish swam in the pool. The graduates made their entrance through the doors, passing around the pool to cross a small curved bridge and descend five, wide grass-covered steps to the floor of the auditorium where, under a canopy of yellow and black crepe paper which extended the full length of the hall, they were greeted by the chaperones, Mr. and Mrs. Peter Reid, Mr. and Mrs. Edwin Keddy, Mr. and Mrs. Alistair Somerville and Mr. and Mrs. Fraser Matheson. In the centre of the hall hung a very large Japanese lantern which shed a soft light on the delightful scene. Along one wall were beautifully painted Japanese scenes; along the other hung 14 long red panels each

WEDDING AT MOOERS FORKS

GARAND-DAUPHINAIS

The marriage of Barbara Ann, daughter of Mr. and Mrs. Bernard Garand of Mooers Forks and Mr. Norman Dauphinais, son of Mr. and Mrs. Lucien Dauphinais of Hemmingford, took place at St. Anne's Church, Mooers Forks, on Saturday, May 27th. The Reverend B. Desnoyers performed the double-ring ceremony and celebrated the Nuptial Mass.

The bride, given in marriage by her father, wore an Empire style gown in white corded silk. The portrait neckline and chapel length train were edged with Alencon lace and ornamented with sequins and seed pearls. Her bouffant illusion veil was held with a rose of the same material decorated with sequins and drop pearls. She carried a bouquet of pink roses and white carnations.

past eight years. Refreshments were served about midnight and to everyone's pleasant surprise, these took the form of a buffet served in the lower hall. Along one side stood a long table, laden with a delightful and appetizing assortment of cold salads, devilled eggs and cold roast turkey, prepared by none

other than that master of the culinary arts, Mr. Henri Legault of the Hemmingford Golf and Country Club. The previous week-end several Grade 10 'mothers', Mrs. Bill Farmer, Mrs. Charles Petch, Mrs. C. Barr, Mrs. E. Keddy, Mrs. L. McIntyre, Mrs. A. E. Palmer and Mrs. C. Hamilton met with Mrs. Fraser Matheson and Mrs. J. H. L'Esperance to plan the supper. On Friday afternoon when Mr. Legault arrived at the school he found the ladies had

assembled and cooked all the necessary ingredients and under his skilled hands and direction, the various dishes were mixed, artistically decorated and the buffet table was set out. During the evening the serving was supervised by Mrs. L'Esperance and Mrs. Ronnie Lee while Mrs. H. McAdam and Mrs. A. Robert dispensed coffee and punch. Three students in Japanese costume, Roberta and Susan Maggio and Donna Mody, waited on table.

Dancing continued until 2 a.m. when, for the majority, this most enjoyable evening ended but the graduates, Susan Barbe, Barbara Dey, Carol Hawkins, Ruth Marlin, Jeanette Robertson, Joanne Simpson, Cathy Ward, James Boast, Roger Duolos, Tommy Mark, James Moore, Barry Palmer, Jimmy Winter, Brian Wallace, their escorts and invited guests went on to the traditional after-dance party and breakfast
